HAPPY HOME MAKERS CLUB Happy Home Makers Club of Bethel met at the Bethel school house June 21, with Mrs. Lura Hollingsworth, county home agent, present. A demonstration on salads was given, five different varieties being made, as follows: Cheese salad, vegetable salad, perfection salad, fruit salad, chicken salad. Salad dressing recipes were also given. There were eight visitors from Olifen, who hope to organize a club at that place. There was a good attendance. The salads were enjoyed by all. -Club Reporter. August Vogelsang returned Monday night from Temple, where he had been with his wife, and daughter, Mrs. L. W. Henniger, both of whom underwent operations in the Scott & White Hospital. The operations were successful, and both ladies are resting well. Mr. Vogelsang said,

MRS. M'CALEB IS VICTIM OF AUTO TRAGEDY

John Guion received a telegram Monday morning announcing that his sister, Mrs. David Mc-Caleb, and a companion were found dead on the roadside between San Antonio and Austin early in the morning. Mrs. McCaleb had been in San Antonio for a visit, and was returning to her home in Austin, accompanied by a friend, formerly Miss Mary Lewis, of San Antonio, and the automobile in which they were traveling was overturned either late Sunday night or early Monday morning. Details of the tragedy were lacking but information gathered indicated that the bodies had been on the roadside several hours before discovered. The cause of the accident was not ascertained. Mrs. McCaleb, nee Miss Clara Guion, was reared here, moving away about 20 years ago. Her companion, whose marital name was not learned, previously resided at San Saba, and was known by many persons here. Mrs. McCaleb is survived by her two sons, David and Guion. Mr. Guion left Monday afternoon for Austin, where the funeral services will be held Tuesday afternoon. Burial will follow in an Austin cemetery.

MAVERICK BEATS METHODIST TEAM

Playing at 4-11 in the tenth inning, Waggle of Maverick timely drove in a homer with two on bases, giving his team a victory of 7 to 4 over the Methodist Sunday school nine here Friday afternoon. Fans who had been promised a hard fought game were not disappointed, the general judgment being that this was the best game played thus far this season. Bradshaw hurling for the Methodists, registered five strike-outs on the first seven men up. Eddie McMillan, "home-run king," led the Methodists in number of hits, with three out of five times at bat. The game was characterized by good individual and team playing on the part of both clubs. The Methodist team meets Talpa Wednesday and Rowena Friday. The M. E.'s have copped two hits from Talpa, who is banking on the third-time-charm theory for the coming game. Rowena promises a nine-inning battle royal and claims she will lead the local boys with a healthy margin.

Old Folks Say Doctor Caldwell was Right

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin. Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, which is a combination of such and other mild laxative herbs, with pepsin. The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of all. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs? A bottle of Dr. Caldwell's Syrup Pepsin will last a family several months, and all can use it. It is good for the baby because pleasant to the taste, gentle in action, and free from narcotics. In the proper dose, given in the directions, it is equally effective at all ages. Elderly people will find it espe-

15 GUARDSMEN TO BE PROMOTED

Fifteen members of the local National Guard company are to be promoted prior to leaving for the annual encampment at Palacios August 7. Capt. Charles H. Dobbs, company commander, announced. Seven guardsmen will be promoted to the rank of sergeant, and eight will be made corporals. In view of these promotions, all men are urged to attend all drills prior to the two-week encampment to better qualify themselves for what promotions they may obtain. Capt. Dobbs said Promotions will be announced as soon as the various non-commissioned officers are assigned. Regular drills will be held every Monday at 8 o'clock, and special drills are called for July 2, 5, and 6, in order to better prepare the various troopers for advancement. Special instructions will be given at each drill period. Orders have been issued by Capt. Dobbs to the personnel of the company, commanding them to report to the armory Saturday morning, July 7, for the purpose of entraining for camp. Every man is expected to be present by 9 o'clock, the commander said.

FILE CHARGES OF POLLUTION

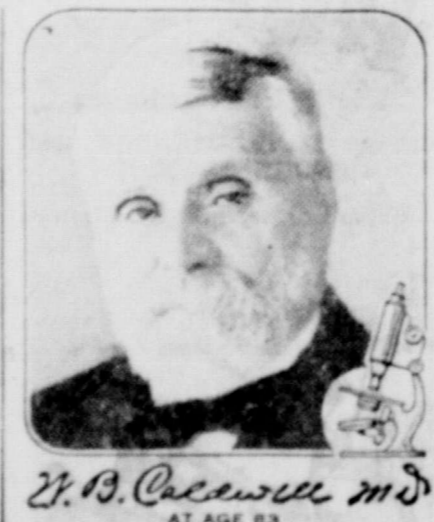

After receiving protests from citizens near Christoval charging the Sun Oil Company with pollution of a portion of the Concho River, J. P. Flynt, deputy state warden, conducted an investigation there Thursday. An inspection disclosed that operators for the Sun company were using a twenty-foot water hole on the river as an emptying basin for impregnated water, Mr. Flynt said. Orders restraining the company from disposing of impure waters in the stream were served, and formal charges were filed against the company, according to Mr. Flynt.

HAGAN 4-H CLUB

The Hagan Boys' Club met at the farm of Dee Oliver Friday afternoon, with fifteen members, and eight fathers of members present. The afternoon was spent in judging livestock, under the direction of C. W. Lehnberg, county agent.

A class of dairy cattle, one of breeding ewes, and one of bucks, were judged. Richard Hohmann, vocational instructor in Winters high school, was present, and instructed the boys on competitive judging.

Mr. and Mrs. Robert Lee Jonas, of Coleman, are here visiting Mrs. Jonas' parents, Mr. and Mrs. P. C. Straley.

Boy Scout Organization Move is Launched Here

With the Baptist Church voting unanimously Sunday night to sponsor one or more troops, the Boy Scout organization movement that has been under consideration here for some time has become a reality, and meetings will be held by the sponsoring body this week for the purpose of preparing plans for the actual formation of a troop. E. F. Shumway, scout executive of the Chisholm Trail Council with headquarters at Abilene, appeared before the church membership, and briefly outlined the scout program. Mr. Shumway pointed out that a parent organization would be essential at a later date, and recommended that this body be the Rotary Club, the American Legion, or any civic organization of representative membership. The Baptist Church will be an individual troop sponsoring body, and would have been necessary even if a parent council had already been obtained, he said. Other churches will be visited within the next few days for the purpose of extending opportunities for sponsoring Boy Scout troops, Mr. Shumway stated. The city should easily support five or six troops, the maximum troop enrollment being 32, he declared. "A Ballinger business man informed me that the city was without the scout movement because a quota had been assessed against her before she could organize," Mr. Shumway said in part. "This is an erroneous impression; the object of scouting is to serve the boys, without regard to finances. Of course money is required in operating such an institution as the Boy Scouts of America, the greatest character building organization of its kind in existence, but Ballinger, as well as other towns will be served, irrespective of her financial contributions." Mr. Shumway briefly reviewed the progress made in scouting, and showed how the institution was solving paramount social problems in providing construc-

You cannot be attractive without a clear skin

EVERYBODY wants to be attractive. It is a great and just ambition. But no one can be attractive without a clear skin—you know that.

Do you realize the importance of pure, rich blood in preserving the health, and that the source of most skin disorders is in the blood?

Remove the cause, which is not in the skin itself, and pimples, boils, eczema and that sallow complexion will disappear.

You may have tried many things without relief. Why not try S.S.S.?

S.S.S. is extracted from the fresh roots of medicinal plants and herbs, and gives to Nature what she needs in building you up so that your system throws off the cause.

For more than 100 years S.S.S. has been giving relief in thousands of cases, as testified to in unsolicited letters of gratitude.

S.S.S. cleared my skin of pimples and blackheads. I think it a most wonderful blood medicine. Several of my friends are taking it for the same reason I did.—Miss Margaret Frye, Lapel, Ind.

Petroleum Highway Paving Progress

Interest in the proposed bond issue of approximately \$550,000 in this county is expected to gain momentum with announcement of the paving of a strip of the Petroleum Highway in Tom Green county and of the improving of the Coleman county strip, which will be given an all-weather topping.

A forward step in the development of the Petroleum Highway, connecting Tulsa with San Angelo via Ballinger, thence continuing southwest to Presidio on the Mexican border, is seen in the awarding of a contract by the State Highway Department in Tom Green county, running southwest from the Runnels

county line to San Angelo. Coincident with the awarding of this contract, announcement was made that the highway will be given an all-weather topping in Coleman county, materials for which work are now being assembled by the state highway department.

The current program of road improvement is expected to stimulate similar issues in counties southwest of San Angelo, which are becoming known as the richest oil fields in West Texas. The sentiment toward road improvements was never at a higher point in this section than at this time, and on this a great deal toward farther improvement of the road may be depended.

Ward received at the office of the president of the Petroleum Highway Association in San Angelo is to the effect that plans of the Automobile Club, Rotary Club and Chamber of Commerce of Chihuahua, to have the highway extended to that city from Presidio, and thus made an international artery of traffic, are being worked out with expected progress.

Traffic is already assuming tremendous proportions over the Petroleum Highway, as revealed by a check made by George W. Kamer, head of the McCamey Chamber of Commerce, which revealed that 2,000 automobiles and trucks passed a given point on the highway there from 6:00 a. m. until 10:30 p. m. on the day the check was made.

CITY PASSES BUILDING CODE

At a meeting of the city commission Tuesday night an ordinance regulating the construction, alteration, maintenance, repair and removal of buildings within the city limits was adopted.

This move was taken in view of the fact that the city has previously been without power in matters pertaining to building activities, and it has been impossible to keep an accurate check on such work. It was pointed out. Penalties for violations of the provisions of the ordinance are prescribed.

The ordinance will be reproduced in an early issue of The Ledger.

WEDDING BELLS

Robertson-Mathis
Arligh Robertson, of San Antonio, and Miss Analee Mathis, of Hatchel, were married in Ballinger at 4 o'clock Thursday afternoon. Rev. J. H. McClain, pastor of the Baptist Church, officiating. The couple planned to spend the remainder of the week visiting around Hatchel, and then go to San Antonio, where they will make their home.

CANDIDATE FOR DISTRICT JUDGE TO VISIT HERE

E. J. Miller, of Brownwood, candidate for district judge, was here recently on behalf of his candidacy. Judge Miller was able to make only a brief visit, but he will return in a short time to spend a week in the county, visiting with his old friends and making new acquaintances. He will be actively engaged in his campaign work during this time.

In briefly outlining his platform, Judge Miller declares that he stands for more trials and fewer continuances, and earnest, faithful service. He believes in "more work—less pay"—and he favors 6 days of work per week if necessary to keep the dockets clear.

Advocating Democratic rotation in office, Judge Miller pleads: "Why not give a young man an opportunity for faithful patriotic service? Isn't 20 years long enough for one man to hold this office? Isn't \$80,000 enough for one man to draw from the public treasury?"

A SPLENDID FEELING
That tired, half-sick, discouraged feeling caused by a torpid liver and congested bowels can be gotten rid of with surprising promptness by using Herbine. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by

AUTO AGENCY HERE IS SOLD

The Chevrolet agency of the Ballinger Auto Company has been purchased by Mr. Healer of Comanche, who is associated with Higginbotham Bros. & Co. The Ballinger Auto Company, under the management of Henry Jones, will distribute and service Oakland and Pontiac cars, maintaining quarters in the present location, beginning in about two weeks.

The new Chevrolet agency will be known as the Healer Chevrolet Company. According to present plans of the new owners, a building to house the agency will be erected on a lot of the E. M. Boon lumber yard, recently purchased by Higginbotham Bros. & Co. A vacant building is being sought for temporary quarters.

Plans and specifications of the new building have not yet been made, but it will be sufficiently large to care for the business of the concern, and will be a modern structure, it was indicated. Mr. Healer will move here soon.

The Ballinger Auto Company will dispose of their present stock of cars prior to taking over the Pontiac-Oakland line. It will be some two weeks before a shipment of the new cars will be received, Mr. Jones said.

DEATHS

Mrs. Emma Lohse
Mrs. Emma Lohse, 42 years old, died in Halley & Love Sanitarium at 2:35 o'clock Tuesday afternoon. She was brought to the sanitarium on Tuesday of last week to undergo an operation but her condition was such that it was necessary to postpone the operation until she had gained more strength, and as she became more serious it was believed inadvisable to attempt an operation.

Mrs. Lohse resided in the Offer community, where she moved seven years ago from Rockdale. Her husband died there about a year before she moved to this county.

She is survived by seven sons, three daughters, and two brothers and a sister. The body will be forwarded to Rockdale on an early morning train Thursday for burial.

Funeral services will be held at the Baptist church at Rockdale, conducted by the pastor there, and burial will follow in the Rockdale cemetery.

Higginbotham Bros. & Co. undertakers prepared the body for shipment.

CREWS NEWS

The farmers have been very busy the past week with their crops, getting ready for a good rain.

Rev. Prince filled his regular appointment here Saturday and Sunday.

The singing class met Friday night to study music and also to practice.

The baseball team played with the Talpa team Saturday, the score ending in favor of Talpa, 24-19.

Some of the Crews people went to the Herring community Sunday, expecting to have singing, but they were disappointed.

Mr. and Mrs. Burley Campbell and children and Miss Bonnie Mae Clark spent the week-end

with their sister and aunt, Mrs. Ross Harwood, of Big Spring.

Mr. and Mrs. J. G. Phipps and family spent Saturday night and Sunday with Mr. Phipps' sister, of Clyde, Texas. On their return home they stopped in Abilene to see their niece and cousin, Helen Phipps, who has undergone an operation. They report she is doing nicely, and they think she will be able to return to her home at Drasco in another week.

Marvin and Claude Hambricht are in Temple, where Claude will be under the treatment of the doctors there for a few days.

Willie Belle Lucas spent Sunday with Reba Jayroe.

W. A. Nance has been confined to his bed since Saturday afternoon, at which time he suddenly became ill. He is resting very well, and expects to be up shortly.

ROY S. MACK IS NEW MANAGER OF WINTERS PLANT

Roy S. Mack, son of Mr. and Mrs. Scott H. Mack of this city, has been promoted to the office of manager of the Winters Cotton Oil Mill, to succeed Horace Hawkins, transferred to Slaton. Mr. Mack assumed charge of the Winters plant of the Anderson & Clayton Company Thursday.

After being graduated from Texas Christian University at Ft. Worth in 1924, Roy was employed by the Ballinger Oil Mill, where he worked until June, 1927, when the plant was purchased by Anderson & Clayton from H. Giesecke, H. W. Lynn and other stockholders. At that time he was transferred to the Abilene branch of Anderson & Clayton, where he served as head bookkeeper and cashier until his appointment to the management of the Winters plant.

COUNTY COUNCIL OF CLUBS TO MEET HERE

The Runnels County Council will meet at the court house here Saturday afternoon for a business session, Mrs. Lura Hollingsworth, home demonstration agent, announced. Thirty club members will be in attendance, each of the fifteen community clubs having two representatives. Eight girls from various clubs will also be present.

Outstanding business of the county organization of clubs will be taken up at the meeting.

METHODISTS AT ROBERT LEE

Ten official representatives of the Women's Home Missionary Society of the local Methodist church attended the quarterly all-day zone meeting of the organization in the recently completed Methodist church at Robert Lee Thursday. About as many guests from Ballinger were also present.

A program composed of songs, scriptural readings, and talks continued throughout the day. Reports were made by the various organizations represented, and business matters were disposed of. Dinner was served in a special serving room of the Methodist church by the Robert Lee society. The meeting was attended by 130 delegates and more than 50 visitors.

Two all-day meetings of the zone will be held during the ensuing quarter, in order to expedite accomplishment of work assumed by the organization. The next meeting will be held at Winters in July, and the following here in August or September.

STOLEN CAR IS LOCATED IN LESS THAN TWO HOURS

An Overland sedan belonging to W. C. McCarver was stolen from in front of the Baptist Church during services Sunday night, and by 10 o'clock Monday morning was recovered in Coleman. Sheriff R. E. McWilliams stated, Mr. McCarver reported the theft to Sheriff McWilliams at 8 o'clock Monday morning, and in less than two hours he had the automobile located in Coleman.

HOLLOWAY OUT FOR COMMISSIONER, PREC. 1

J. R. Holloway has announced as a candidate for commissioner of precinct 1. In announcing his candidacy, Mr. Holloway states he is entering the race upon the solicitation of friends, and out of a desire to serve the precinct to the best of his ability.

Mr. Holloway pledges a policy of economy and efficiency, and declares that he will devote his entire interests to the office if elected.

TWO BAPTIST ENCAMPMENTS ARE PLANNED

Members of the Ballinger Baptist Church will be enabled to attend two annual encampments this year, one at Menard and the other at Christoval, both being held in different months, Rev. J. H. McClain, pastor of the church, said. Last year the two encampments were conducted at the same time, creating a conflict which prevented several delegates from attending both meets, as they had previously planned.

Rev. McClain was at Christoval Friday, and he talked with the grounds chairman there relative to the plans for the encampment, which will be held from August 3 to August 13. Detailed plans of the Christoval encampment have not been worked out yet, he said, as the committee was awaiting the termination of the art colony camp being held at Christoval before going into the program for the meet.

The Menard encampment will be held from July 20 to July 29, at the municipal tabernacle, one mile west of that town. Dr. J. M. Dawson, of Waco, will head the encampment this year. The Rev. L. D. Hornburg, pastor of the Baptist church at Menard, is president of the encampment, and Wm. Bevans is treasurer.

Both encampments are expected to draw a total attendance in excess of 10,000 people. Camp reservations are already being made, and grounds will be prepared at an early date.

PREVENTS INFECTION
The greatest discovery in flesh healing is the marvelous Borozone, a preparation that comes in liquid and powder form. It is a combination treatment that not only purifies the wound of germs that cause infection but it heals the flesh with extraordinary speed. Bad wounds or cuts which take weeks to heal with the ordinary liniments mend quickly under the powerful influence of this wonderful remedy. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. CONTENT SCHOOL ELECTS FACULTY
Teachers were elected for existing vacancies in Content consolidated school, 30 miles north of here at a meeting of the board there Wednesday night. The faculty was announced as follows: E. J. Criswell, superintendent; Mrs. E. J. Criswell, Miss Blanche Johnson, Miss Cass, and Miss Rhodes.

The trustees also made tentative plans for building an additional room to the school prior to the opening of the term next fall. County Superintendent R. E. White attended the meeting.

Content school was consolidated March 17, making possible the current expansion. Two transportation units will be provided.

FARMER SHOWS WELL-FRUITED COTTON STALKS
W. W. Embry exhibited three cotton stalks in bloom, bearing 12 to 15 forms, and about 16 inches in height, representative of a 20-acre crop cultivated by his tenant, Jack Castleman, on his farm 6 miles from here on Valley Creek. The cotton is of the Antone variety. Mr. Castleman has a later crop that shows up well, Mr. Embry said.

The crop was profitably irrigated Friday morning when Valley Creek overflowed its banks, Mr. Embry declared. The water remained just long enough to properly saturate the soil, he said. This is the third time this year that the field has been overflowed.

ALPINE COLLEGE 6 FROM HERE IN
Six Ballinger residents are included in the enrollment for the summer term of the Sul Ross State Teachers College at Alpine. They are: Jewel Burris, Mary Jeanes, Lia Jones, Lillian Knowles, Irene Tronsdale, and Lois Wooten.

The registration for the summer has passed the 600-count, which is a 20 per cent increase over the total enrollment of 500, which was the record for last summer, according to data furnished by the registrar. New students are registering daily, and it is expected that the total will top the 700-mark before the session is over.

Those from here registered in the college for the summer term point out that the location of Alpine affords ideal conditions for pursuing college courses, in that the climate is most desirable.

J. H. Mitchell, of Pumphrey, was here on business Monday.

MEXICAN HELD ON STATUTORY CHARGES HERE

Macardo Martinez, 22-year-old Mexican of Concho county, was arrested here shortly after 8 o'clock Friday night by Deputy Sheriff John D. White, and charges of statutory rape were filed against him at a preliminary hearing in the court of Judge C. H. Willingham, justice of the peace, Saturday morning. Bond was set at \$2,000.

The offence was committed against Dolores Pena, 14-year-old Mexican of this city, it was alleged. Martinez attacked her on June 11, and escaped, to reappear Friday morning, according to allegations, and entice her into his car, after which he forced her to remain with him throughout the day.

MERRY WIVES HOME DEMONSTRATION CLUB

The Merry Wives Home Demonstration Club of South Ballinger met in their club rooms at the South Ward school building June 19.

After a short business meeting, roll call was answered, "Am I Economical?"

Mrs. Ross Smith gave a demonstration on home dyeing. Eight of our members and several visitors were present.

The next club meeting will be held July 3rd. The subject will be "Basketry."

DISTRICT AGENT IS 4-H VISITOR

Miss Helen H. Swift, district home demonstration agent, with headquarters at College Station, has been visiting the various rural clubs of Runnels county with Mrs. Lura Hollingsworth, county home demonstration agent.

"Interest in club work over the county is most desirable," Miss Swift declared. "A concerted county spirit, rather than a spirit of community rivalry, apparently exists here, which is an ideal indication of most effective club work."

The inspection trip to the R. Q. Lee model farm at Cisco last week was an invaluable project, Miss Swift said, and the information gained through the visit will be immediately reflected in the work of the boys and girls. "Enthusiasm over the Cisco trip was still expressed over the entire county," Miss Swift stated.

Miss Swift and Mrs. Hollingsworth visited the Victory club Tuesday afternoon, and gave a demonstration on salads. Plans for the Runnels County Fair were discussed at this meeting. The two also visited the living rooms taking first place in the two divisions of the living room contest during the afternoon. Mrs. L. K. Parr, of the Spring Hill community, holds first place in one division, and Mrs. Owen Aycock has first in the other.

The annual club picnics were held at Norton and Brookshire Wednesday, with good attendance at both communities, the home demonstration agents said. In addition to visiting these picnics, they were guests at the Rotary Club luncheon Wednesday, and made short talks on the club work of the county.

After conferences with Mrs. Hollingsworth Thursday, Miss Swift left for Coleman, where she will make a similar visit prior to returning to College Station.

Mr. and Mrs. W. D. Seales and children leave Wednesday on a trip to Midland, Odessa, and Lubbock, where they will visit theatres of the Hodge-Seales interests, of which the Palace and Queen here under the management of Mr. Seales, are members. They will return on Monday of next week.
