Christmas cheer last for a few days and then fades away.

Our Grocery cheer last throughout the year, and never fades, and it is all in what you eat.

Hungry people are happy as a lark when they eat our groceries, because the quality is in what they eat.

When dad pays the bill he, too, is some happy, and his satisfaction is over the price.

Fact is, they just flood the whole family with cheer because they are fine to eat, easy to cook, and stimulating to a degree.
