## Eastland Man Is Re-Elected Head Of County Show

Clint McCain of Eastland, who has served as chairman of the County Livestock show for several years, was again elected chairman of the show by the members of the Eastland County Livestock Association when they met Friday night in the Texas Electric Conference Room in Eastland, according to a report Monday. The show is planned for March 28 and 29.

Aiding Mr. McCain again this year will be two assistant chairmen. They will be Kieth McDonald and Johnny Aaron. A number of other show officials were elected at the meeting and will be named in the near future.

At the meeting the members of the association also voted several changes in this year's show, according to the report. Among the changes was one to divide the lamb division into three divisions, one for Southdown and South-down crosses, one for medium wool and one for fine wool. There will be breed champions only.

The weight limit on hogs was cut from 300 to 275 pounds in another change.

## Ranger Livestock Barn To Re-open

The Ranger Livestock Commission Company, which was closed in October, 1957, will re-open February 17, it has been revealed by Wilson Guest, president of the Ranger Chamber of Commerce.

The two men who will operate the barn are Bill White of Wichita Falls and his son, Wilford White, of Mountain Park, Okla. The men operate barns in Nacoma and Stanford at present.

White said the barn would be open each Monday and that all kinds of cattle would be sold. Sales will start at noon each Monday, White said, and cattle, hogs, sheep, goats and horses will be auctioned.

The barn is located on U. S. Highway 80, east of Ranger.

## Interest On U. S. Savings Bonds Is Subject To Tax

"If you own U. S. Savings Bonds you must report interest on them," A. E. Fogle, Jr., of Internal Revenue Service, Abilene, said today.

"If you are on the cash basis, you have an option as to when you may report the interest on your income tax return. You may choose to report interest yearly. If you do it this way, the amount of interest to be included in income each year is given in the table on the bond."

According to Mr. Fogle, the taxpayer may elect to wait until the bonds are matured or cashed before reporting the interest earned. In this case the interest must be included as income for that year. Also, once the taxpayer elects to report interest yearly, he must stick with this method unless he is given permission to change to another method.

Asked about Savings Bonds held beyond maturity, Mr. Fogle explained that if a taxpayer owning Series E Bonds wishes to hold them beyond maturity they will continue earning interest for ten more years, or until they are cashed, whichever is earlier.

### In the Name of Justice

SAN ANTONIO — A tamale salesman who can't speak English had a driver's license finally after justice went out of its way to help him get one.

The salesman, Fabian Hernandez, 29, was hauled into court for the fourth time for driving without a license. Asked, "Why in the world don't you get a license?" Hernandez replied that he had been to the state highway license department several times, but no one there could understand what he wanted.

Arresting Patrolman Raymond Church offered to go with Hernandez to get the license — but Church can't speak Spanish.

A Spanish-speaking secretary solved that problem, and Hernandez passed the test with flying colors. Judge Harold Hall was so pleased he dismissed the last two tickets against the tamale salesman.

cup milk, 4 slices enriched bread.

Preheat electric skillet to 300 Degrees F. Melt butter in skillet. Add sugar and pecans and blend. Combine beaten egg and milk in a shallow bowl. Dip bread into egg-milk mixture, turning to coat both sides of bread. Place bread over sugar mixture in skillet and cover. Increase temperature to 350 degrees F. and bake mixture for 10 minutes. Remove cover and continue baking for an additional three minutes. Invert pan to remove bread so that carmel-pecan side is up. Serve immediately.

Yield: 2 servings — 2 slices toast per serving.

Come February or March, many a New Year's resolution to serve the family a good breakfast, daily, begins to waver. Like as not, the difficulty is due to a lack of menu variety. Perhaps the family insists that breakfast isn't breakfast without toast and eggs, and, how does one vary this order? The French have had the answer for ages — it's French toast — a thrifty, tasty dish, now with myriad versions. Some culinary legends attribute its creation to the skill of German or Spanish cooks, while others have called it Nun's Toast.

Whatever the name, it is basically a dish made by dipping bread into an egg and milk mixture, then frying the slices until they are golden brown. From enriched bread to whole wheat or English muffins, the entire gamut of breads, in fact, they are all ideal for this best-ever breakfast dish.

Once the simple French toast is tried, you will want to enjoy its variations. Here are five ways: Cinnamon Nut Waffled Toast, French toast made on a waffle baker in place of a skillet; French-toasted English Muffins; Fluffy French Toast, and extra light kink; Cheese French Toast and finally Carmel-Pecan Skillet French Toast, the latter an upside-down treat to be made in an electric skillet.

**Fluffy French Toast**  
1 1/3 cups milk, 2 eggs, beaten, 1/2 cup enriched flour, 1/2 teaspoon salt, 1/2 teaspoon double-acting baking powder, 1/2 cup shortening, 6 slices enriched bread.

Place 1 cup milk into a shallow dish. Combine beaten eggs, flour, salt, and baking powder in another shallow dish; add 1/3 cup milk and blend. Melt shortening in a skillet. Dip bread, one slice at a time, into milk, and then into egg mixture. Turn to coat both sides of bread. Place bread into skillet, cover, and cook over low heat until golden brown on one side. Turn cover, and cook until bread is golden brown on second side. Serve immediately with syrup.  
Yield: 3 servings — 2 slices toast per serving.

### 4-H Club News

Jerry Yancey, Alameda community, plans to show his hog in the county livestock show this spring. Jerry raised some turkeys last year along with his sister. He goes to school at Desdemona and he is the son of Mr. and Mrs. J. M. Yancey. His dad has also raised a lot of turkeys in past years.

"Mickey" Walker, who lives 8 miles northeast of Rising Star, has a Suffolk lamb by the unusual name of Mary that was bought through the Eastland Auction ring last fall. "Mickey" also has a Hampshire gilt. Both animals are to be exhibited at the county show next month. Martha, his sister, and Douglas, his brother, were formerly outstanding 4-H members. They are the children of Mr. and Mrs. Vernon Walker.

"Cloud," 10 year old 'possum and squirrel dog of Lynn Hagan, Pleasant Hill, got the unusual name because Lynn's brother, Bennie, wanted a different name for the pup. We agreed we couldn't have done better ourselves. Lynn has a pureblood Duroc gilt that will farrow next month. This is a Sears gilt and he will give one sow pig back to be given to some other boy. The sow and rest of the pigs are his. Bennie, former club boy, is now a Baptist preacher.

Sharon Donham, south of Rising Star, has one ewe lamb as her project. Unfortunately she was ill when we went by to see her lamb. It still has its long tail and will have to be docked if she shows it in the livestock show. She is the daughter of Mrs. Helen Donham.

Larry Morrow, Kokomo, member of the Carbon club is really in the hog business. He now has two sows with ten pigs each. He uses an infra-red heat lamp in his brooder pen and reports that the pigs like the heat on the chilly mornings. His Sears gilt is also 'expecting' sometime next month. Larry is the youngest son of Mr. and Mrs. J. L. Morrow in that community.

Johnny Majors and Gene Grimshaw, both of "Hogtown" better known as Desdemona, plan to show their club pigs at the county livestock show. Johnny had a Spotted Poland China gilt last year at the show. This year he will show a Hampshire gilt. He is the son of Mr. and Mrs. W. L. Majors. Gene is the son of Mr. and Mrs. J. J. Grimshaw and lives 5 or 6 miles northeast of Desdemona.

Rifle shooting, dairy and livestock judging, entomology, electric demonstration, safety, poultry methods and tractor maintenance are various contests for county club members. The district contest at Tarleton State College this year will be on April 19th and will draw contestants from some 22 different central Texas counties.

County winners compete in this district contest for the right to enter the state contest at Texas A&M College in June. The Eastland County Dairy team on judging cows went on and competed in the state contest last June but failed to place.

## NUMBER OF BUSINESSES SHOWS DROP IN COUNTY SINCE 1952

ratings and keeping them up-to-date, every year the credit reporting agency writes to all businesses who are listed in the Reference Book to request their year-end balance sheets. Mr. Hemphill says that this letter speeds up the flow and processing of some of the facts on which credit ratings are based. "More than 95 per cent of all commercial transactions in the U. S. are made on credit terms," he added. "The purpose of the Reference Book is to help businessmen in any part of the country make credit decisions to ship or sell to businessmen in any other part of the country."

The credit rating is one of the key factors in approving orders to ship or sell. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or tangible net worth of the business. The second symbol is a number. It reflects a composite appraisal of the background, operations, financial stability, and payment statistics released recently by A. J. Hemphill, district manager of the Fort Worth office of Dun & Bradstreet, Inc., reflected a decrease in the number of business firms in Eastland County during the past year 284 changes were obtained from a physical count of the Dun & Bradstreet Reference Book totaled 498 manufacturers, wholesalers, and retailers in this area as compared with 548 listings in 1952 — a decrease of 9.1% for the period.

The Reference Book, incidentally, only lists manufacturers, wholesalers, and retailers. It does not include some of the service and professional business. As one phase in revising credit

record. Each Reference Book listing, which includes the rating, is a condensed summary of the information contained in the Dun & Bradstreet credit report. The report includes a history of the business (who owns it, who runs it, and how long it has been operating); a description of what the business does and how it does it; a financial section (which usually includes the latest financial statement); and a record of how the concern pays its bills.

While credit reports are primarily used by businessmen who want to evaluate the credit risk before shipping or selling, insurance underwriters also use credit reports to review risks, rates, and coverage for fire and other types of insurance. Such as barber and beauty shops, stock and real estate brokers. Thus the figure for businesses in Eastland County would be higher than the 498 quoted above.

Mr. Hemphill also added that during the past five years. Figures made in the Reference Book listings of Eastland County businesses. The Reference Book contains approximately three million business listings for over 50,000 communities in the United States. It is published every sixty days to keep listings current. During the past sixty days nearly 63,000 new names were added and nearly 60,000 names were removed. Credit ratings were changed during this period on more than 100,000 business concerns.
