Social Security Benefits Outlined By Area Official

Ever miss a bus or a train or a plane because you got to the station or terminal a few minutes after the time table said was departure time? That wasn't too bad in most cases, for there was another train, bus, or plane coming along not too long afterwards that you could still take.

However, R. R. Tuley, Jr., Abilene district manager for the Social Security matters might mean missing out on thousands of dollars of protection against income loss by reason of death, disability, or old-age.

Space doesn't permit giving a detailed report on all such possibilities, but Tuley suggests that readers give the following a thorough going-over and make certain to get in touch with his office if any of the items seem to apply to them.

1. Clergymen, if ordained before 1955, must file their waiver forms with Internal Revenue before 4-15-57, in almost all cases, if they expect to ever get any social security credits.

2. Persons severely disabled for more than a year probably will never benefit from the disability

Cancer Drive Runs Through April

The Cancer Fund drive will continue through April and Mrs. C. G. Stubblefield, local chairman for the drive, will be glad to accept your donation.

Most of us are familiar with the purpose of this annual drive and also with the tremendous cost of research in fighting this number two killer of the nation, which is designed to, and is reducing the number of cancer victims each year.

Last year approximately 160,000 men, women and children were saved from dying of cancer by early detection and prompt treatment. Another 75,000 could have been saved.

It is well to remember the slogan, "Fight Cancer with a Check-Up and a Check."

provisions of the law if they delay inquiry until after June 30, 1957.
