The couple was married Jan. 20, 1907 in a little country church in the Pleasant Valley community near Eastland, with Rev. J. W. Tennyson, a Baptist minister, officiating. Their attendants, Mr. and Mrs. Wilburn Scott and Mr. and Mrs. Charles Murphy are all still living and will be present.

Also present will be their sons and daughters, Mr. and Mrs. Stanley Micknowski, Mr. and Mrs. Dallas Murphy, Mr and Mrs. Clinton Murphy and Mr and Mrs. Charles Lehrer.

Mrs. Murphy, the former Ella Cheshire, was born in Fayetteville, Ark. and came to Eastland County with her parents, Mr and Mrs. W. C. Cheshire in 1900. Mr. Murphy, son of Mr. and Mrs. C. R. Murphy came to Eastland County with his parents in 1897, settling on a farm near Carbon at which place Mr. Murphy attended school.

Carbon took a double victory over Olden last Friday night to get the District play underway.

The Carbon boys won a close one from the highly praised Hornets. They came from behind in the third quarter to take a 45-52 victory.

The girls got off to a slow start but gradually warmed up to take an easy 53-29 win from the Olden girls.

The Gorman Panthers invaded the Wolves den Tuesday night and walked away with two victories. They were not easy victories as the Carbon teams played hard all the way.

In the girls game, Carbon came within 5 points of the visiting Panthers in the 4th quarter but could not quite make it. Gorman finally won 50-59.

The boy's game ended 89-54.

RANGER, Jan. 8. — An invitation is extended to all turkey growers, county agents, vocational agricultural teachers, processors, and feed men within traveling distance of Ranger to attend one of the most important turkey meetings of the year to be held in that city on Thursday, Jan. 17, at 6 p. m.

The meeting is being sponsored by the Central Texas Turkey Growers Association, the Texas Turkey Federation, and the Eastland County Extension Service, and will be held at Ranger Junior College.

Dr. D. E. Davis, head of the virus department of the research laboratory at A&M College, will be chief speaker and will deliver an illustrated address on the diseases of turkeys and how to control them.

The sponsoring organizations feel that the greatest problem facing the turkey grower today is the flock diseases which can mean the difference in success or failure in turkey farming, and Dr. Davis has been secured for this special meeting to give all the growers of this section his experience and research on how to combat flock diseases.

The meeting will get underway at 6 o'clock with a free turkey barbecue sponsored by the Chamber of Commerce and served by the business men of Ranger, and all turkey growers are invited to bring their families along and enjoy event together.

The barbecue will be served in the new Ranger Junior College cafeteria building.

Questionnaires On Income Mailed To Vets And Widows

Annual Income Questionnaires have been mailed to more than 14,000 veterans and widows and children of deceased veterans in the Dallas Veterans Administration Regional Area who are re-

ceiving pensions, Scott B. Harrington, Manager, announced today.

Those in the Dallas area are among 1,200,000 throughout the nation who will receive the questionnaires.

Mr. Harrington urged those who receive questionnaires from the Dallas Office to fill them in completely and return them immediately to the VA Office, 912 South Ervay, Dallas, Texas. Those who receive the questionnaires from other VA Offices should return them to the office from which they were received. Unless completed questionnaires are returned to VA within 30 days, pension payments will be stopped, Mr. Harrington stressed.

Questionnaires are mailed out yearly because disability and death pensions are subject to annual income limitations. The current questionnaires request data on 1956 income and anticipated 1957 income.

Pensions are payable to certain eligible veterans of World War I, World War II, and the Korean Conflict period who are permanently and totally disabled from causes not connected with their service in the armed forces, and to certain widows and children of veterans of these wars who die of nonservice-connected causes.

In both cases, the annual income of those receiving pension must not exceed \$1400, without dependents, or \$2700 with dependents.

Only dependents allowed for a living veteran for pension purposes are a wife and minor children, and for a widow, only minor children.

For income purposes, payments from VA for disability or death including proceeds of GI insurance need not be reported. However, all other payments, including gifts, employment, commercial life insurance, social security, annuities and retirement benefits may be reported.

Those receiving pensions should report immediately any increase in income which would raise their annual income above the statutory limitations.

Overpayments are recoverable by the Government.
