FmHA '83 Operating Loan Funds Depleted

A call from Eddie Chance, MHS Band Director about noon on Friday revealed that Muleshoe's Mighty M Band had received a second division in Region 16 UIL Contest and a first division in sight reading. Congratulations to the MHS Band and its members and directors.

Farmers should take care according to ASCS Director Rusty Williamson to make sure that they are signed up in programs with early April expiration dates. Land measurement, ACP programs and final certification dates are just around the corner.

Over Six Inches Snow Falls Here

An additional amount of snow in excess of six inches fell in the Muleshoe area over the past week, giving aid to lawns and field crops.

Spencer Tanksley, Bailey County Extension Agent, reports a good growth in the county's wheat crops. "In a lot of places, they can't get enough cattle on them to keep the wheat eaten down," he said.

While a good amount of this wheat will be completely grazed out due to being in the PIK program, some will be harvested. According to statistics, prognosticators say that a near normal wheat crop will be harvested nationwide.

"This moisture is super good for our irrigated farms," Tanksley explained.

SMALL FRY SKATERS--Two 3 year olds recently skated all day long at the Jennyslipper's Skyrocket Skateathon to earn money for July 4 fireworks displays. Though small in stature, they displayed a lot of heart. Prizes and winners were scheduled to be announced on Saturday morning.

National Library Week Set For April 17-23

National Library Week is scheduled for the week of April 17 through April 23; and, according to Anne Camp, Muleshoe Area Librarian, "We are planning a lot of activities for that week, so be sure and mark your calendars to visit the library sometime during the week."

Many improvements have been made and there will be a number of displays as well as the annual book sale. Donations are needed for the book sale and Ann says that western paperbacks and children's books sell better than others.

SHADES OF THE OLD WEST--This scene can be found right here in Muleshoe, except that you have to catch it early in the morning after about two inches of snow has fallen the night before. City residents have been showered with snow almost every night this week with the wet weather, but according to the weatherman, a respite is on the way in the near future. In the meantime, enjoy the scenery.

Muleshoe's Special Kids Train For Olympics

Students in Muleshoe schools who are eligible for area competition in Special Olympics are busy training in preparation for the District Track and Field events to be held May 7th on the campus at Lubbock Christian College in Lubbock. Students in training from Mary DeShazo school are Nadine Gillian and Frank Garcia. Students from Junior High School are Leticia Garcia, Michelle McDonald, and Lisa Martinez. The student from High School is Cari Kidd. These students have been in training since the latter part of February, with practice sessions three times a week in preparation for the District meet. Coaches for the events are Vicki Brandon, aide in Junior High School, Joyce Scott, aide in Mary DeShazo, and Nancy Kidd, aide in Junior High and Dillman Elementary school. They have completed training sessions for coaches, and Mrs. Kidd completed the training for certification.

With the training sessions now well under way, the coaches are recording times for various events. These times will be sent in to headquarters, placed in a computer, and the students are then placed in the appropriate heats for their age and speeds. Special Olympics does not receive state appropriations from the legislature, nor does it receive any grants. Texas Special Olympics depends upon the generous support of concerned citizens, businesses, and organizations. The Muleshoe Lions Club is sponsoring the Muleshoe Special Olympians by purchasing T-shirts that will read "Special Olympics Mules," as well as hats.

Other cases which are allowed include those that "initiate, perform, or foster public works in this state or enable or further the erection or maintenance of public structures in this state." These rulings are

Commissioners Will Discuss Seal Coating

The Bailey County Commissioner's Court will meet in a regular session in the Courthouse on Monday, April 11 beginning at 10 a.m. and continuing until all business is concluded.

The court is scheduled to meet with Ralph Douglas, engineer, at 10 a.m. regarding the proposal of seal coating county roads.

Bids on a new car for the Sheriff's department and for a new motor grader for one of the precincts.

The subject of private work done by precincts will be up for discussion by Commissioners also. A review of the County Treasurer's quarter report and reports on the ambulance, coliseum and Bailey County Appraisal District will also be heard and considered.

The court will review a grant application for a senior citizens bus and the payment of routine county bills and other miscellaneous items will finish out the session.

While the calendar may indicate that spring planting time is here, Bailey County Extension Agent Spencer Tanksley says that "the soil temperature may not agree."

Soil Temperature Varies Ten Degrees Lower From 1982

The normal average soil temperature for Bailey County is 45 degrees, and, the current ten day average temperature here now is 43 degrees - somewhat cooler than normal according to the National Weather Service. In 1982 at this time of year, the average soil temperature was at 52 degrees - almost ten degrees higher, according to soil temperature records.

Tanksley advises, "To get your crops off to a good start, it's best to base spring planting on your soil temperature readings rather than on the calendar date." The Agent suggests acquiring a soil thermometer. "They are inexpensive and easy to use and can be purchased at most farm supply stores," Tanksley commented. A soil thermometer can help to get 1982 crops off to a good start.

Threeway Jump-A-Thon Successful

Threeway Elementary School held the "Jump-A-Thon" for the Heart Association March 29th and the money was all turned in by April 4th. Forty students from first through sixth grade participated and the total money collected was \$894.76. The four students who collected the most money were Cynthia Bennett third grade; Denise Duarte third grade; Melissa

used in defining the phrase "for charitable purposes." Net proceeds mentioned previously would be the amount remaining of the bingo funds after the deduction of actual expenditures, including supplies, prizes, services, licenses, fees and tax.

An authorized organization is defined in state statutes as a religious society, a nonprofit organization (Other than an organization whose membership is predominantly veterans or their dependents organized to advance the interest of veterans, active duty personnel, or their dependents) whose predominant activities or for the support of medical research or treatment programs, a fraternal or veterans organization, or a volunteer fire department.

Further, an "authorized" Cont. Page 8, Col. 3

Bingo Rules Defined For Local Citizens

With the passage of the "Bingo Enabling Act" in the City of Muleshoe in the April 2 elections, the question has been brought to the surface of just what "charitable purposes" means.

According to the statutes on the bingo act, "Charitable purposes" means one or more of several causes, deeds or activities to which the net proceeds derived from the playing of bingo are dedicated.

Some of these legal causes are "those that benefit needy or deserving persons in this state (Texas), indefinite in number, by enhancing their opportunity for religious or educational advancement, by relieving them from disease, suffering or distress, or by contributing to their physical well-being by assisting them in establishing themselves in life as worthy and useful citizens, or by increasing their comprehension of and devotion to the principles on which this nation was founded and enhancing their loyalty to their government."

New Board Members To Take Oath Of Office

A regular meeting of the Board of Trustees of the Muleshoe Independent School District will be held beginning at 7 p.m. in the School Administration Office on Monday, April 11.

First and foremost in the meeting will be the administration of the Oath of Office to three new school board members: Julie Cage, Dewey Moore, and Ronnie Holt. Following the swearing-in of the new members, a re-organization of the new board will take place.

The Board will take care of a number of items having to do with taxes on Monday night, starting with the hearing of the tax collection report and consideration of approval of changes to the tax roll. A resolution will also be considered for tax on automobiles for the 1983 tax roll and the Board will consider approval of tax re-appraisal for 1984.

Other items up for con-

Most Local Farmers Loans Are Complete

Farmers in the Muleshoe Bailey County area have unknowingly come across a little bit of luck in the last day or so, since the operating loans for Bailey County have already been processed and in many cases first and second loan amounts have already been received by producers.

A report issued by the Farmers Home Administration offices in Washington on Thursday, indicated that the FmHA would force farmers in seventeen states, including Texas, to search elsewhere for a means of financing their 1983 farming operations, since funds for 1983 operating Loans were exhausted.

Clinton Kennedy, District Director of the FmHA told the Journal on Friday that the news of the shortage of money had come to him while he was in attendance at a staff conference in Temple, Texas on Thursday. A spokesman for the FmHA Agency stated "By April 1, the 17 states had

already spent the \$652 million allocated for the year ending September 30. Another \$71.5 million is needed to finance all outstanding loan obligations, the spokesman said.

Kennedy explained that once a loan is approved and processed, the funds for that entire loan are then set aside. He stressed the fact that the shortage was strictly in the Operating Loan portion of FmHA's lending. The former Bailey County Director said that emergency loans might be an answer for farmers who have not yet received their loans. For a farmer who is eligible, so far as I know, the emergency loan program is still available, although it has suffered some cutbacks since it's inception.

Still, another spokesman stated that FmHA officials are considering seeking a supplemental spending appropriation and are trying to determine whether other state's excess funds could be used to handle loans for the 17 states already out of money.

"Subordination loans should not have been effected by this shortage, so the possibility remains of FmHA being able to help the farmer obtain this method of aid," Clinton Kennedy stated. According to Kennedy a collateral would be signed from Cont. Page 8, Col. 5

Jennyslipper Skaters Earn Over \$2,000

The Women's Division of the Muleshoe Chamber of Commerce and Agriculture met on Tuesday, April 5 for their regular meeting night in the Five Area Telephone Cooperative warehouse.

A report on the recent Skyrocket Skateathon revealed that a total of \$2,196.94 would be returned in pledges by participants of the event which was held by the Jennyslippers. Pledges were scheduled to be accepted on Friday, April 8 at the skating in the Coliseum. Win-

ners of the prizes offered by the Jennyslippers were named Saturday morning, and a check for the total pledges less the cost of the prizes was to be presented to John Gulley, Manager of the Muleshoe Chamber of Commerce and Agriculture. These funds are earmarked for the fireworks fund for the city's July 4 celebration.

A number of local businesses furnished items for the concession stand at the recent skateathon, where skaters were fed throughout the day with hot dogs and other snacks. Those merchants participating included: Pay and Save Grocery, Larry Winkler, James Roy's Meat Market, Cashway Grocery, Thriftway, James Whitson, Tommy Merritt of the Sonice Drive In and Rickey Halstead with Coca Cola Company.

Three new members were recognized for the month of March and included Greta McCormick, Cont. Page 8, Col. 2

Local Women Nominated For Distinguished Service

Three Muleshoe area residents are among the 108 nominees for the Eighth Annual Texas Panhandle Distinguished Service Awards which will be presented at West Texas State University.

Nominated from Muleshoe are Inez Bobo, of 1812 West Avenue H; Joylene Costen, Route 2; and June Saylor, 113 Kathie Drive in Clovis, N.M. formerly of Muleshoe.

Recipients and nominees will be honored during the awards luncheon from 11 a.m. to 1 p.m. on Saturday, April 16, at the WTSU East Dining Hall.

Colette Dowling, author of the bestselling "The Cinderella Complex," will address the luncheon theme "Women -- Aware." Music will be provided by members of the Harrington String Quartet who will play Puccini's "Chrysanthemums."

Tickets to the luncheon which is hosted by the WTSU Returning Student Program are \$10 each and must be purchased from the Returning Student Office by Monday, April 11.

Women have been nom-

inated by individuals and organizations for contributions to civic and volunteer service, career and professional areas. Nominees range from cities such as: Amarillo, Borger, Canadian, Canyon, Childress, Clarendon, Claude, Dalhart, Dimmitt, Dumas, Floydada, Friona, Fritch, Cont. Page 8, Col. 4

Members of the Muleshoe High School's Gifted/Talented Class recently won first place at State Competition with their problem solving and planning abilities on the Miniature Golf Course. The team had to describe the problem, find a solution and develop a way to execute the solution. Members of the team include John Isaac, Kristi Spies, Wade King and Tracey Tunnell. Mrs. Pat Black is the instructor.

Homeowners Should Use Conservative-Conscious Lawn Care

Conservation-conscious homeowners can take steps to reduce the water and energy demands of lawn care without lowering lawn standards.

"While lawns offer many aesthetic and recreational benefits, these may be offset by high requirements for water and energy," says Dr. Richard Duble, turfgrass specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Mowing, watering, fertilizing, controlling pests and disposing of leaf clippings are all energy-consuming requirements of lawn care. During spring and summer months, watering the lawn and collecting and disposing of grass clippings place a heavy burden on cities for water and trash collection services. Grass clippings account for more than 30 percent of total trash collections in some cities during spring and early summer," notes Duble.

He offers several lawn maintenance practices to help homeowners reduce these requirements.

Reducing fertilizer applications to maintenance levels--2 to 3 pounds of

actual nitrogen per 1,000 square feet of lawn per year--will go a long way toward reducing water and energy demands. (That's 20 to 30 pounds of fertilizer containing 10 percent nitrogen.) Applying only maintenance levels of nitrogen to lawns can reduce mowing requirements, water use, insect and disease problems, and grass clippings.

"Excessive fertilization is the single most important factor contributing to high water and energy demands for lawn care," contends Duble.

Another lawn care practice to reduce energy demands is returning or composting grass clippings. Using a mulching mower can be beneficial if grass clippings are not composted, says the specialist. Regular mowing at weekly intervals will reduce thatch accumulation caused by grass clippings.

Also, adopting proper watering practices to reduce water use can save energy.

Reducing pesticide use to only essential applications to prevent loss of turf is another energy-saving practice.

Duble advises new homeowners to select and plant adapted, low-maintenance turfgrasses to reduce water and energy demands.

County Heart Chapter Meets

The Bailey County chapter of the American Heart Association met Friday, April 1st at the Corral Restaurant with Vera Haire, president, presiding.

Laura Seales reported on the Mary DeShazo Jump Rope for Heart held March 12th, at the Bailey County Civic Center which was a success.

The AHA Chapter's annual salad supper is scheduled for May 6th, at 7:30 p.m. in the Fellowship Hall of the Sixteenth and Ave. D Church of Christ. The new officers and committee chairpersons for 1983 will be announced at that time.

John Bode, Deputy Assistant Agriculture Secretary, on Reagan's workfare program:

"Food stamp recipients would have a way to return something to the community for the support provided."

Centipedegrass is ideally suited to East Texas while buffalograss is adapted to much of West and North Texas. Both of these grass-

es have low maintenance requirements, yet provide a satisfactory turf cover for lawns.

In some situations, ground covers such as Asiatic jasmine, English ivy or Liriope can reduce maintenance requirements effectively without sacrificing the benefits of a plant cover. In heavily shaded areas and on steep slopes, use these ground covers in place of grasses, suggests the specialist.

"It is possible to enjoy the luxury of an attractive lawn and landscape," contends Duble, "without excessive use of water and energy. In fact, the net water and energy balance for a lawn can be in favor of conservation."

There's a time to play, as well as a time to pray, but some people never try either.

NEWS VIEWS

William D. Ruckelshaus, EPA head nominee, on priority:

"...to get on with this enormously complicated job of cleaning up our air and water and protecting our citizens against toxic substances."

John R. Block, Agriculture Secretary, on PIK sign-up:

"We had strong support almost everywhere you looked. It's going to stimulate price, it's going to help improve the outlook in rural America."

George Bush, Vice President, on nuclear arms policy in Canada:

"Such a policy re-

quires that all nations of the alliance work closely together..."

Ronald Reagan, President, criticizing the nuclear freeze movement:

"A freeze now would make us less, not more, secure and would raise, not reduce, the risks of war."

John Vessey, chairman of the Joint Chiefs of Staff:

"We're suggesting here that technology may lead us to a little brighter hope in terms of defense."

Your children will tell you what's wrong with you without the necessity of questioning.

Exhaust pollution not major threat

at busy intersections

COLLEGE STATION — Auto exhaust pollution at busy intersections does not present as much threat to pedestrians and motorists as has been popularly believed.

In a study for the Texas Department of Highways and Public Transportation and Federal Highways Administration, Texas A&M University engineers measured air quality at intersections in Houston and near the university campus in College Station during peak traffic.

"We found that concentrations were lower than would be expected," said Dr. Jerry Bullin, principal investigator on the project. "We learned that a large part of the exhaust material is going up rather than out to the side."

Grow Tomatoes Like A Pro

If Texans could choose but one vegetable to grow in their gardens, the tomato would win hands down.

Tomatoes are grown in about 95 percent of all home gardens in Texas, estimates Dr. Sam Cotner, a horticulturist with the Texas Agricultural Extension Service, Texas A&M University System.

Once people taste the great flavor of vine ripened, homegrown tomatoes, they just don't want any other kind, says Cotner.

Tomatoes are thought to have originated along the slopes of the Andes Mountains in South America and were brought northward by migratory tribes of Indians. Early explorers took the fruited plants back to Europe and from there it came to America. The first recorded instance of the tomato being grown in the United States was by Thomas Jefferson in his garden at Monticello in 1781, notes Cotner. However, the influence of the French cuisine in South Louisiana actually started the tomato on its way to becoming every gardener's favorite vegetable.

To grow a bountiful supply of tomatoes in Texas, Cotner first of all emphasizes planting the right varieties. Varieties such as Big Set, Spring Giant, Jack Pot and Better Boy consistently perform well in all areas of the state.

The horticulturist advises buying transplants of these varieties at nurseries or garden centers or buying seed and planting it in a

Give the other man credit for some sincerity of purpose and you might be able to understand him better.

hot bed or containers but not directly in the garden, since plants need to be started well before cold weather is over.

Before setting out transplants, get the soil in good shape by adding plenty of organic matter and a complete fertilizer such as 10-20-10 or 12-24-12.

Set plants at least three feet apart, with three to four feet between rows. Use boards, shingles, milk cartons or something similar to protect them from early spring winds. Wire cages around plants can provide a structure for plastic trash bags or plastic sheeting that will protect young plants. Later the cages will support the plants, eliminating the need for staking and trying each plant.

Tomatoes also need nurturing throughout the season. This means applying a fertilizer solution -- one to two tablespoonfuls of a garden fertilizer dissolved in a gallon of water--every week to 10 days once small tomatoes appear. This sol-

ution can be applied in a depression in the soil around the base of the plant or in pots or containers (with holes in the bottom for drainage) set in the ground mid-way between each plant.

Cotner also emphasizes the need for proper watering during the growing season and for controlling insect and disease problems should they occur.

Paying attention to these key practices can lead to a bountiful harvest of tomatoes--the Number One Texas vegetable.

Bridal Shower Honors Mrs. Nona Solis

Mrs. Sammy (Nona Perez) Solis was honored with a bridal shower Thursday, March 31 at 8 p.m. in the community room of Summit Savings.

Guests were greeted by the hostesses and registered by Beatrice Pedroza.

Mary Jo DeLeon, Linda P. Garza and Yolanda Jaramileo, sisters of the bride, served cake (decorated in pink and maroon), party mix and raspberry punch from crystal appointments.

The serving table was covered with an off white lace cloth and accented with an arrangement of pink and white flowers, and wedding bells accented with pink and maroon ribbons.

The honoree's corsage consisted of light pink carnations with maroon ribbon.

Special guests included Mrs. Andy Perez, Sr., mother of the bride; Carmen Solis of Hereford, grandmother; and Alma Cervantez, sister in law of the bride.

The hostesses gifts were a set of Silverstone cookware and a Regina electric broom.

Hostesses for the occasion included Janie Saldana, Diana Lemons, Diamond Perez, Anna Perez, Mary Jo DeLeon, Linda P. Garza, Yolanda Jaramillo, Olga Perez, Alma Cervantez, Janie Mendoza, sister in law of the bride from Hereford and Lupe Castillo.

MRS. SAMMY SOLIS

Muleshoe OES Chapter Meeting Held Tuesday

Mr. and Mrs. Alton Epting, Worthy Matron and Worthy Patron of Muleshoe Chapter No. 792, Order of the Eastern Star, presided at the meeting of the Chapter, Tuesday evening April 5, in Masonic Hall.

The Bible was opened upon the Altar. Pledge of Allegiance was recited in unison and "God Bless America" was sung.

Routine business was transacted, and plans were finalized for the Muleshoe Chapter Friendship Night to be held April 16th, with a salad supper and program. All area Chapters will be welcome.

An invitation was received from Dimmitt Chapter 819, to a reception, May 14th, honoring Mrs. Ruth Slough, Chapter Caring Commitment, and James Slough, Masonic Counselor Committee of the Grand Chapter of Texas.

The Annual election of officers resulted in the following being elected by acclamation: Worthy Matron, Margaret Epting; Worthy Patron, Alton Epting; Associate Matron, Elaine Phillips; Associate

Patron, Bob Phillips; Secretary, Mary Farley; Treasurer, Wayne Williams; Conductress, Barbara Lust and Associate Conductress, Clara Lou Jones.

Happy Birthday was sung for Clara Lou Jones.

Resolutions of Respect were read for Vera Clay, on the death of her brother; and for Ruby Lee Kerr, on the death of her father.

The Altar was draped and a Memorial held for Mrs. Jettie Hinton, Grand Treasurer Emeritus. She was Grand Treasurer from 1949 to 1979. She died March 20.

AUDREE ANZALDIA, SHEILA GARNER

SELINA GONZALEZ

Asking the question is much easier than finding the right answer.

Law enforcement can be only as good as the people want it to be.

Persuasion is what you hear from those who want you to accept their plans.

Time is not so scarce. What is rare is the proper and intelligent use of time.

An inherited fortune convinces some people they are a little better than others.

Texas Art Council Representative Named

The Texas Assembly of Arts Councils announces the selection of Sara Probasco as Regional Representative for the South Plains Region of Texas. The Assembly promotes, develops, and supports local arts programs.

In order to serve Texas more effectively, the state has been divided into twelve regions. The South Plains Region includes the following communities: Brownfield, Floydada, Lamesa, Levelland, Littlefield, Lockney, Lorenzo, Lubbock, Muleshoe, Plainview, Post, Slaton, Tahoka, and other communities in the area.

Local Twirlers Win Trophys At Slaton

Three twirling students of the Muleshoe Twirl Team under the direction of Sue Bessire recently competed in the National Baton Twirling Association Contest held April 26, at Slaton.

Selina Gonzalez won two trophies and received a Division I on both her solo routine and her Basic Strutting.

Audree Anzaldia brought home three trophies. She received a Division I on her solo, a Division I on her Strutting and she also placed fourth in her age division in competition basic strut.

Sheila Garner also received two trophies. She was rated a Division I on her solo routine and she received a Division II in her basic strutting.

Mrs. Probasco will assist the Assembly in collecting data on arts activities in the towns within her region; she will report arts happening in the region for publication in the Assembly's newspaper; she will coordinate plans for semi-annual regional meetings, which will feature guest speakers on a wide range of topics relating to the arts; in addition, she will serve on the Assembly's Advisory Council.

EUROPE TOUR—Janyth C. Clemons, daughter of Mr. and Mrs. Johnny Clemons of Needmore, and Lorry Shamblin, daughter of Mr. and Mrs. Ward Shamblin of Lubbock, returned Friday, April 8 from a six month tour of Europe. While in Europe Miss Clemons was employed by Plain Truth office of Bonn Germany as an exchange student in the vocational program. They extensively toured Austria, Switzerland, France, Holland, Berlin, West Germany and London.

The deregulation story.

Why your phone company is changing.

There's been a lot in the news lately about telephone deregulation and how it's going to change the telephone industry. A lot of what you've read or heard may seem confusing or even contradictory. We'd like to clear up some of this confusion and tell you how deregulation is going to affect your phone service and your phone bill.

Most Changes Unnoticed
Many of the changes caused by the Federal Communications Commission rulings on deregulation will probably go unnoticed by most customers—at least in the immediate future.

More Choices
We will continue to provide all the usual services—local calls, telephone directories, long distance, etc.—all with little or no change. You will still be able to rent your phones. But you will also be able to buy them.

You will also have the choice of setting up your own house wiring and plugging in your phones where you want them. Or you can pay to have the installation work done.

Continued Full Service
General Telephone has in place a full service network of Phone Marts, Local Service Offices and Local Service Agencies to provide for all of your telephone needs.

You can apply for new services or additional services, pay your phone bills, and initiate any needed repairs. You can also shop for phones, rent phones, purchase house wire, jacks, etc.—all at one convenient location. Should you have to discontinue service, you can save on your final bill

by returning your leased phones to the phone company. We believe these facilities will allow GTE to better serve your individual needs and we invite you to come do your phone business with us.

One Thing Won't Change
With all the changes taking place the important thing to remember is this. We'll still be the people who keep you talking—your telephone company. And that's one thing that's not going to change.

General Telephone

Alpha Zeta Pi

Installs New Officers

Alpha Zeta Pi met in the home of Debbie Hutto Tuesday, April 5. Installation of new officers was held. Those installed included: president, Debbie Hutto; vice-president, Peggy Pohlmeier; recording secretary, Betty Bush; corresponding secretary, Janice Williamson; treasurer, Alice Liles; city council representative, Jan King; extension officer, Kristi Phelps; and Dani Heathington, city council representative.

New members pledging Ritual of the Jewels included: Debbie Green, Paula McMeans, Gina Smith, Lyniece Goodnough and Janice Williamson.

The meal was prepared by the membership committee and consisted of Lasagne, tossed salad, garlic bread, fresh strawberries, and cheese cake.

Additional members present were: Linda Bullock, Betty Bush, Debbie Hutto, Jan King, Alice Liles, Debbie Nickels, Peggy Pohlmeier, Marilyn Riley and Phyllis Woods.

ALPHA ZETA PI OFFICERS-New officers for Alpha Zeta Pi were installed Tuesday evening. Those installed included: Debbie Hutto, president; Peggy Pohlmeier, vice president; Betty Bush, recording secretary; Janice Williamson, corresponding secretary; Alice Liles, treasurer; and Jan King, city council representative. Not pictured, Kristi Phelps, extension officer, and Dani Heathington, city council representative.

Railhead Arts, Crafts Roundup Scheduled May 14th.

The annual Railhead Arts and Crafts Roundup in Colorado City, Texas, is scheduled October 8 and 9.

All craftsmen and artists are urged to write now for information or advance reservations.

Early announcement is made to allow exhibitors plenty of time to arrange their year's schedule.

All artists and craftsmen will want to be at this 1983 event. The show draws crowds in the thousands during its two days. It is awaited each year as one of the big arts and crafts events in Texas, eagerly attended by many devotees for the last ten years.

This is a show for any hobbyist as long as his work is original and hand made. Painters in watercolor and oils are always represented, as well as workers in leather, stained glass, ceramics, metal, and woodcarving.

The country and western motif of the Roundup attracts quilt-makers and sewing and weaving experts, belt-buckle designers, knitters, and crocheters.

There are flower makers, enamellers, photographers, jewelry designers, makers of handpainted bags, dolls of all kinds, framers of butterflies, and amateurs and professionals in batik, macramé, and textile painting. No media lacks representation.

A variety of food is sold and the general atmosphere is one of a country fair, with a lot of hospitality and neighborly visiting and welcoming of visitors.

This year a roping is planned in the arena near the Ag Barn where the arts and crafts booths are set up. This double attraction is hoped to be added for the excitement it will offer in spirit of the Roundup.

The deadline for reservations is August 31, but applications are already being taken in Roundup headquarters, Box 236, Colorado City, Texas, 79512.

Little Things
"It's the little things that keep people awake at night," says a doctor.
Especially those aged one day to 18 months.

Fifty-Fifth Pioneer Round-up To Honor Area Pioneer Woman

The 55th Pioneer Round-Up, scheduled for May 14th, will for the 24th year, honor a pioneer woman of this area.

Deadline for nominations for the "Pioneer Woman of the Plains" has been set for May 5th, according to Pat Kelly, chairman of the Program Committee. The Plainview Business and Professional Women's Club is the sponsoring organization of the Pioneer Round-Up.

Previous winners of the honor are Mrs. Sallie LeMond, Hale Center, 1960; Mrs. Frank Norfleet, Hale Center, 1961; Mrs. Lillian Fortenberry, Edmonson, 1962; Mrs. Maggie Davis, Plainview, 1963; Mrs. Coleman Jones, Plainview, 1964; Mrs. Tom Vaughn, Plainview, 1965; Mrs. L.T. Mayhugh, Plainview, 1966; Mrs. O. B. Jackson, Plainview, 1967; Also Mrs. Charlie Flack, Plainview, 1968; Mrs. Sarah Jane Jarvis, Plainview, 1969; Mrs. W.N. Thornton, Plainview, 1970; Mrs. J.E. Laney, Hale Center, 1971; Mrs. Adella Drew, Plain-

view, 1972; Mrs. A. T. Matsler, Plainview, 1973; Mrs. Beulah Ann Baker, Plainview, 1974; Mrs. Elva Dee Matlock, Friona, 1975; Mrs. Lula Mae Waller, Plainview, 1976; Mrs. Minnie Locke, Plainview, 1977; and Mrs. Mary Kiker, Plainview, 1978; Mrs. Janie Thomas, Plainview, 1979; Mrs. Elanor S. Griffin, Plainview, 1980; Mrs. Jeff Ivey, Hale Center, 1981 and Mrs. Olive M. Madera, Plainview, 1982.

Announcement of the "Pioneer Woman of the Plains" will be the highlight of the evening activities of the 55th Round-Up planned for Saturday, May 14th and will be staged at the Hale County Agriculture Center.

Entry blanks have been mailed to civic clubs, women's clubs and organizations in Plainview and surrounding areas. Individuals may also submit names to be considered for this honor.

A group of judges will select the winner based on information submitted. The number of times a person is nominated will have no effect on the selection of the honoree.

Miss Masso, president of the Plainview BPW Club, said other events of this year's Round-Up include the reception beginning at 10:00 a.m. honoring all pioneers; the parade down Broadway at 2:30 p.m.; the supper beginning at 6:00 p.m. in the Agriculture Center; the program at 8:00 p.m. and the square dance following at 9:00 p.m.

Entry blanks and additional information may be obtained by contacting Mrs. Kelly at 293-3635 or 293-1565 or Miss Jackie

One of the most valuable discoveries about so-called big men is that under the skin they are just ordinary little men.

Careful habits will often save someone's life and the interesting part of it is that it might be your own life that is saved.

Miracles rarely boom the growth of towns and cities; it is largely a matter of having some unselfish men who have some unselfish money.

If arguments were postponed until all participants got the facts, life would be simpler and intelligence would replace emotion.

Masso, Club President, at 293-5026 or 293-2092.

According to the rules of the event, the nominee must have been a pioneer resident of the High Plains, short biographies including

Women's Rodeo Team Places Third

The Eastern New Mexico University women's rodeo team placed third this weekend at the Tarleton State University rodeo, while the men's team did not pick up a single point.

In the women's division, the Zias gathered 144 points, while host Tarleton State captured top honors with 231 points and Sul Ross nabbed the second spot with 198 points.

Leading the way for Eastern was Anna Crespin who placed third in goat tying and sixth in barrel racing. Jodie Palmer helped the Zias' cause by placing third in barrels, while Jinita Williams added a sixth place in the break-away roping competition.

Tarleton State's Marlisa Bascum was named All-Around Cowgirl as she racked up 159 points.

Western Texas College captured the men's team trophy with 199.5 points, followed by Sul Ross State University at 178.5 points, while host Tarleton State and New Mexico Junior College tied for third with 151.5 points apiece.

Cliff McMullen of Sul Ross State scored 93 points and was named All-Around Cowboy.

Time and people both change and there is no reason to worry about the process.

Optimism is that quality that permits us to hope that someone else will do something for us.

the candidate's outstanding contributions to home, church, community and general welfare of her fellowman must be submitted and all entries must be signed by the person submitting the letter of nomination. Nominees submitted in past years will be eligible again, except those who have already received the honor.

Society Guidelines

A processing charge of \$3 is made when a photo accompanies any wedding, engagement, or anniversary with the exception of anniversaries of 50 years or more.

Five dollars will be charged for any shower picture taken by the Journal and \$3 charged for any shower picture accompanying a story. Pictures may be picked up after the article appears in the paper.

Wedding, engagement, and anniversary stories must be in the Journal office by Monday noon for the Thursday paper, and by Thursday noon for the Sunday paper.

After that time, stories will be run on a space available basis. Any wedding more than two weeks old, when received, will be edited and only the basic information will be included.

Shower pictures will not be taken without a 24 hour notice and copy must be in the office by 5 p.m., Monday for the Thursday paper and 5 p.m. Thursday, for the Sunday paper.

NEW PLEDGES-(L-R) Annette Bonds, Debbie Green, Janice Williamson, Lyniece Goodnough, Paula McMeans and Gina Smith are all new pledges of Alpha Zeta Pi Sorority, pledging their Rituals of Jewels Tuesday evening.

Great grandparents are Mr. and Mrs. Glen Williams of Muleshoe, Charlie Clengenpeel of Friona and Lois Clengenpeel of Portales, N.M.

Tradition of deception will influence arms reduction talks

COLLEGE STATION — The Russians' tradition of deception — with roots predating the 1917 Revolution and shadows as far back as the fight against Napoleon — will color agreements coming from the START arms reduction talks in Geneva, suggests a Texas A&M University military historian.

The Soviets even have a special word for this phenomenon: "maskirovka," a complex term embracing camouflage, concealment, deception and disinformation, the planting of lies or half-truths, says history professor Dr. Roger Beaumont.

A study of "maskirovka" by Beaumont is being published by the Center for Strategic Technology, a defense think tank operated through the Texas Engineering Experiment Station (TEES), a statewide research arm of the Texas A&M University System.

Dear Friends,

It is so very difficult for me to adequately express our gratitude to our many friends and relatives for all their goodness shown to us during Don's illness and our loss of him. There have been many moments when your love and caring have been the only things that helped us to go on. I will always remember and cherish every gesture of kindness and concern that has meant so much to our family.

Our thanks go to the doctors and nurses at West Plains Medical Center for their dedicated and excellent care.

We also thank those wonderful friends who stayed with Don and myself during many days and sleepless nights.

And, thanks to so many of you for all of the food, phone calls, cards, flowers, comforting words and prayers.

We appreciate your help. We appreciate your being there. And, for your love. May God Bless You With His.

Sincerely,

Jo,

Keith & Dana Rempe,

Kent & Mary Rempe,

Letter To The Editor

The South Plains Roadriders won the "Largest Club Trophy" during the Muleshoe Roadriders 1st Annual Run and Bike Show - March 19.

The South Plains Roadriders are based in Levelland, Texas, with 60 plus members from Levelland, Pettit, Whiteface, Morton, Lubbock, Arnett, and Ropesville. SPR is a chartered member #193 of the Texas Motorcycle Roadriders Association, a 6000 plus member state organization.

SPR is very appreciative for being invited to Muleshoe, Bailey County, and the Muleshoe Roadriders' 1st Annual Run and Bike Show. SPR, Levelland, and Hockley County family motorcyclists accounted for over 40 of the 200 plus visitors to Muleshoe and Bailey County. SPR members also won plaques and contingency prizes provided by local businesses and friends of the Muleshoe Roadriders. SPR thanks everyone!

The motorcycle rally site and camping area were great! The County, City, and State officials who helped should be complimented. Muleshoe and Bailey County Citizens were very friendly and helpful during the motorcycle rally.

The Muleshoe Roadriders, a 30 plus member group, and friends brought over 200 family motorcyclists to Muleshoe and Bailey County in Ice and Snow. They did a good job and added to the Muleshoe and Bailey County visitor list. Next year look for 300-400 motorcycling visitors. South Plains Roadriders will be there!

The South Plains Roadriders' 3rd Annual Sandy Land Run will be April 30 in Levelland. All motorcyclists and non-motorcyclists are invited to participate in the rally or just attend in order to view all the bikes, events, games, and excitement related to "Family Motorcycling."

SPR Thanks You For A Good Time In Muleshoe!
 Roger Mitchell
 President-South Plains Roadriders
 Box 346
 Levelland, Texas 79336

Dear Fellow Texans:
 If you're like most Texans, your biggest investment is your home, and since you bought it its value has probably increased substantially.

But did you know that Texas law says you can use that increased value, or equity, for anything but home improvement? That's right -- you can borrow money against your home to build a hot tub or swimming pool, but not to pay for your child's college education.

You can borrow money using your equity to put a wet bar in your den, but not to start or invest in a business. And if you had a real emergency, such as large medical bills or funeral expenses, you'd have to sell your home to be able to use its value! That's right - you'd have to sell your home!

What if you're retired? If your pension and Social Security aren't enough, the only way to use your home's equity to live better is to sell your home!

Is this fair? Do you believe the state government should deny you the right to choose to use your home's value, your asset, as you want?

If you agree that we Texans should have the right to choose to use our homes' equities for worthwhile purposes, I hope you'll join "Texans for Home Value Access." We're a non-profit organization working to pass an amendment to the Texas Constitution to get this right to choose. However, it must first be approved by the Texas Legislature, then voted on by all Texans.

You may not want to draw on your home's equity today. But you and your family may someday need to make use of your home's equity.

Together, we can guarantee Texans the right to choose. If you are interested in joining the T.H.V.A., or if you would like more information, please write to me in care of the address below.

Sincerely,
 R.L. Knox
 Texans for Home Value Access

Plans have been made by the Lazbuddie Chapter of the Future Farmers of America to hold their year-end awards banquet at 7 p.m. on Friday, April 15 in the Lazbuddie Cafeteria. The meal will be catered by Denny's Catering and cost per plate is \$5.50.

The Women's Softball League will hold an organizational meeting on Tuesday, April 12 at the Corral Restaurant beginning at 7:30 p.m. For more information call 272-3967 or 272-4023 for Evelyn Pope.

The Plainview Panhellenic will sponsor a coke party for junior and senior girls (mothers are welcome) at 1409 Borger in Plainview in the home of Mrs. Bob Gardner on Sunday April 17 at 2:30 p.m. General information about National Collegiate Greek Sororities and Rush forms for interested Seniors will be available to those attending.

The Executive Committee of the South Plains Association of Governments will meet at 9:00 a.m. on Tuesday, April 4, 1983 at the SPAG Offices - 3424 Avenue H, Lubbock, Texas and the Board of Directors of the South Plains Association of Governments will meet at 10:00 a.m. on Tuesday, April 12.

Library...

Cont. from Page 1
mm. films have been extremely popular. In March of this year, 1,958 persons viewed films from the Muleshoe Area Public Library.

Weather...

Cont. from Page 1
"since they can cut back on pre-watering some, thus saving money for them and conserving water for everyone else."

Experts are predicting near normal turnouts in most all crops this year, regardless of the laid out acreage. The general feeling is that farmers will have more time to farm their land and will do a better and more efficient job of it this year. Also, the most productive farm land will be used to plant crops and farmers will lay out their least productive acres.

Mrs. Corda Taylor is home after visiting relatives. She spent time in Arizona with her sister, Mrs. Madge Williams and friends Mr. and Mrs. Amos Shockly in Showlow, Arizona. She then went on to Dallas-Ft. Worth where she visited with her granddaughters Mr. and Mrs. Ron Somers, Jennifer and Jamie and spent some time with her other granddaughter Karen Mooney. She came home by way of Plainview where she visited her daughter and son-in-law Mr. and Mrs. Cecil Osborn.

Jennyslippers...

Cont. from Page 1
Judy Bruns and Ruth Nowlin. A membership drive for the organization is now underway.

At the suggestion of the Executive Board, several projects were named as standing activities for Jennyslippers and include: parades and floats for Christmas and in July, Bar-B-Q lunch, Kids Parade and Watermelon Feast, scholarship award, and decorations for the Chamber banquet each year. The group also decided to sponsor the city-wide Easter Egg Hunt next year, absorbing one of the projects left since the Jaycees have become inactive. The Miss Tri-County Pageant was also up for consideration, but the matter was tabled for the time being.

Hubert Kidd, manager of Five Area Telephone Cooperative, presented a film to the Jennyslippers concerning "the changing world of your telephone," which depicted the changes being brought about due to deregulation in the telephone industry.

Four guests attended the meeting and they were Carrie Kidd, Hubert Kidd, Hugh Young and Clifford Mardis.

3 Way...

Bennett first grade; and Sommer Edwards first grade. All the students jumped long and hard to earn their sponsors' pledges.

The couple that hasn't seen tough days doesn't appreciate the value of a dollar.

Bingo Rules

Cont. from Page 1

games may not be conducted at more than one location on property owned or leased by a licensed authorized organization.

So, although Bingo games are now legal in the city of Muleshoe, still a number of requirements are necessary before a game can be operated in this city. First and foremost, according to the State Statutes, the game must meet the "charitable purposes" intent, and be operated by persons named according to the laws previously mentioned.

Another statute of the Bingo Tax law allows the governing body of a municipality (City) that has voted to legalize bingo by ordinance to impose a two percent gross receipts tax on the conduct of bingo games within that municipality. According to Muleshoe City Manager Dave Marr, however, this tax has not yet been discussed by the Muleshoe City Council.

By law, several other factors put various restrictions on bingo games, regardless of whether a restriction is contained in a local ordinance. Another rule states that "A person, other than a license under this Act, may not lease or otherwise make available for conducting bingo a hall or other premises for any consideration, direct or indirect. A bingo game cannot be conducted on or within any leased premises if rental is to be paid in whole or part on receipts percentage basis. The net proceeds of any game of bingo and any rental of premises shall be devoted to the charitable purposes of the organization conducting the game. Proceeds of any game may not be used to support or oppose candidates for public office, nor for, or in opposition to any measure submitted to a vote of the people.

Texas Statutes indicate that prizes in bingo games may not exceed the sum or value of \$500 in any single game and a series of prizes on any one bingo occasion may not aggregate more than \$2,500.

A person other than a member of a licensed authorized organization may not conduct, promote, or administer a bingo game. Permission may not be denied any person to a game or the opportunity to participate in a game due to race, color, creed, religion, national origin, sex, or handicap. Also, bingo

Happy, Hereford, Kress, Lockney, McLean, and Memphis. Also from Muleshoe, Pampa, Panhandle Perryton, Phillips, Plainview, Spearman, Stratford, Tulia, Turkey and Wheeler. Contributors to the Speakers Endowment fund also will be recognized. Epsilon Delta of Muleshoe has nominated Bobo, who was the Beta Sigma Phi First Lady of the Year in 1980. She has served her senatorial district as a committee woman for the Democratic Party, served as president of the United Fund, and is a member of the Order of Eastern Star and First United Methodist Church, for which she has worked on several boards and committees.

FmHA to the bank in return for subordination of the loan. He explained that the funds for the Operating Loans are appropriated by Congress at the beginning of the fiscal year, and would have to be added to or supplemented by Congress for additional funds.

Henry Taylor, Bailey County FmHA Director told the Journal on Friday "Although there may be some isolated cases in Bailey County where a producer's loan has not yet gone through, for the most part farmers here have already received a portion of their loan funds. Those who have not yet received their money have had their loan applications in long

Muleshoe Women

Cont. from Page 1

Involved in Farm Economics (WIFE) have nominated June Saylor, who has lived in the same community for 35 years as a partner in a farming operation which involves 2,080 acres in Bailey and Parmer counties. She also works as a market analyst and bookkeeper for the cotton and milo operation. Her involvement in WIFE has expanded to national participation. She helped organize the Muleshoe chapter, has served as state president of the organization and is serving a second term as national WIFE president.

She is a member of the advisory board to the National Agricultural Forum at Washington, D.C., is a member of the Transition Committee of Agriculture to Texas Gov. Mark White and has been a member of the advisory council to Jim Hightower, Texas commissioner of agriculture. She also has been active in the National Farmers Union, Farm Bureau, Texas Corn Growers Association, American Agriculture and Muleshoe First Baptist Church for 25 years. She and her husband, Jake, are parents of three sons.

Costen is the nominee of Muleshoe Rebekah Lodge No. 114. For the past 30 years of her 34 years in education, Costen has taught fourth grade at Muleshoe schools. She and two other women organized the Muleshoe branch of American Association of University Women in 1954 and she was a member of the committee to organize Jennyslippers, a women's division of the Chamber of Commerce in 1981. Costen also has been active in education societies and organizations. Muleshoe Study Club, is noble grand of Muleshoe Rebekah Lodge No. 114, is a deaconess at First Christian Church and serves as a lay member of the High Plains Area Christian Church Board.

You can get into lots of trouble sometimes by repeating what you heard someone say.

Special Olympics

Cont. from Page 1

and other needed items. Imogene Tiller, school nurse, has taken care of required physical examinations for the participants. Students, teachers, principals, and other personnel in Muleshoe schools have all joined together in a cooperative effort in helping to make this event a very special one.

Special Olympics is composed of competitive games designed for children with special needs, mental and/or physical. The mission of Special Olympics is to provide sports training and athletic competition in a variety of Olympic-type sports, giving the participants continuing opportunities to develop physical fitness, express courage, experience joy, and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympians, and the community. The goal of Special Olympics is not to win, but to try; to experience, not to conquer. Everyone has a chance to win since competition is grouped not only by age and sex division, but also by ability. The only records broken in Special Olympics are those of courage, determination, and sportsmanship.

District events will be from 10:00 a.m. until 5:00 p.m. Our Special Olympics Mules will travel to Lubbock by bus at a time to be announced at a later date. The generous support and backing from the citizens in the community and the Lions Club, combined with the efforts of school personnel and interested parents, will all help to make this a very special time in the lives of these young people.

Soil Temps

Cont. from Page 1

planting in cool soils often leads to poor seed germination and poor crops stands. "Plants that do come up often lack vigor for early growth needs," Tanksley explained. This lack of vigor can open the door to early season diseases and insect attacks the agent said.

According to Tanksley, farmers should begin planting only after the danger of a late frost is past and soil has warmed to temperatures favorable to the intended crop. An ear attuned to weather forecasts prior to planting is also important, he stated, since a sudden change in weather conditions following planting can be detrimental to the crop. This is especially true with a cool, wet spell that can lower soil temperatures drastically.

"Just when is it safe to plant what crop?" Tanksley states that the average minimum temperatures (at the four inch depth) for planting are as follows: corn, 50 degrees; sorghum 55 degrees; cotton, 65 degrees; and soybeans, 70 degrees. "Minimum" rather than average temperatures should be used for rice and peanuts, with rice being 60 degrees and peanuts, 70 degrees.

The County Agent says that hardy vegetables such as onions, cabbage and potatoes can be planted once soil temperatures range between 45 and 50 degrees. Warm season vegetables such as tomatoes, melons, beans and peppers need soil that has warmed into the 60's.

With early season planting, particularly when soil temperatures are still marginal, Tanksley says that farmers need to pay particular attention to using high quality seed, fungicides and other seed protectants, and adjust seeding rates. Finally, the Agent points out that "Keeping tabs on the weather and soil conditions can help farmers get off to a good start with spring planting; and, with the high cost of farm inputs, the information should be put to good use by growers."

Board...

Cont. from Page 1

old bleacher seats. A report on the High School renovation project will be given to board members; and, a discussion on the TASB property insurance proposal will be held. A vote will also be taken on Education Service Center Board of Directors.

Board members will consider a request from the Bailey County Ministerial Alliance for the use of the high school auditorium July 31 through August 4. Consideration of personnel will be an item of discussion and budgets for the 1983-84 school year will be discussed.

Finishing up the board meeting will be the Superintendent's report of school activities and correspondence, including the TASB workshop to be held at Texas Tech on Thursday, April 14; as well as the selection of School Board members to hand out diplomas at the 1983 graduation.

This is not a sure thing.

YOUR IRA IS!

Investing in an IRA is a sound financial decision. Almost everyone now realizes that Social Security should never be the primary source of retirement income.

Your IRA is a sure thing. Social Security isn't! You can depend on your IRA to make your retirement years secure and enjoyable. You can trust your IRA to maintain your planned lifestyle, because you control the plan and its growth.

Your IRA saves you money on taxes during your earning years. All deposits are insured up to \$100,000 by the FDIC and deliver higher-than-average interest rates. That means your funds accumulate tax free until you begin drawing against your account when you are most likely in a lower tax bracket. Come in and see us today. We'll answer all your questions and help you plan the IRA that's best for you.

Traffic Violations Slow Down Slightly

While figures seem to show that the Municipal Court action slacked off a little bit the past week, fines paid in Justice Court still had a hefty total in Bailey County. Justice of the Peace Jack Bates reported to the Journal on Monday that he had processed a total of 37 filings

Chapter One Game Night 'Successful'

An estimated crowd of over 200 people attended the game night festivities for Chapter 1 parents sponsored by Muleshoe Independent School District at the High School Cafeteria on Thursday evening. Many of them went home winners of instructional and educational supplies and materials.

Prize winners included Lupe Venegas, Juan Robledo, Jessie Ramos, Mike Robledo, Shawn Mowery, Michael Pedroza, Ofelia Olivas, Janie Rodriguez, David Olivarez, Laura Arriola, Roman Gabriel Franco, Lola Hernandez, Lupe Viegas, Lisa Martinez and Manuela Valdez.

Roy Anzaldua served as master of ceremonies and kept the crowd entertained throughout the evening.

One of the highlights of the evening was a presentation of a book containing letters of appreciation to Mrs. Katherine Sanders who is retiring this year of 42 years of service to children.

Mrs. Sanders has been teaching with the federally funded programs in the Muleshoe Schools ever since they were started, and the book contained many letters of appreciation written by parents of children she has taught throughout the years.

Six new Parent Advisory Council Members were elected to serve for the next two school years. They are Katherine Sanders, Roman Reyna, Ramon Sanchez, Johnny Cisneros, Aurora Martinez and Maria Cisneros.

BIBLE VERSE

"Have you believed because you have seen me? Blessed are those who have not seen and yet believe."

2. To whom was he talking?

Answers to Bible Verse
1. Jesus.
2. To his disciple, Thomas, often known as "the Doubter."

for the past week and accepted fines on 44 more filings previously made.

Speeding fines once again took the lead in fines paid for the period from March 28 to April 4, with a total of 20 in Justice Court. Nine were disposed of for failure to stop at stop signs; seven for being over allowed gross weight. One fine each was paid on the following violations: possession of drug paraphernalia, passing on the wrong side, operating unregistered in Texas and violation of driver's license restrictions.

Cases filed in Justice Court for the same period of time included 22 for speeding, eight for running stop signs, two for no MVI sticker, and two for expired license plates. One violation each was filed on the following: defective tail lamps, possession of drug paraphernalia and failure to drive in a single lane.

In Municipal Court, Judge Linda Huckaby processed a total of 14 case disposals and filed 15 new cases for the week's time. Five of the paid cases were for speeding, two for public intoxication and the balance was for one count each on each of the following violations: running red light, no drivers license, failure to yield right of way, violation of city ordinance, running stop sign, bad check and exhibition of acceleration.

Judge Huckaby also filed eight new cases for speeding, two for public intoxication and one each for no Texas registration, passing a school bus while loading or unloading passengers, invalid MVI sticker, violation of city ordinance and no drivers license.

Wheat Pasture Bloat Major-Grazing Problem

"Bloat in cattle grazing on wheat pasture has been a major problem this spring," says John W. McNeill, Beef Cattle Specialist with the Texas Agricultural Extension Services. "Excellent moisture and warm weather has stimulated good plant growth and when this type plant is stressed by frosts and freezes, conditions are conducive to a widespread health problem." According to McNeill, a limited amount of a non-legume, low nitrate hay will help reduce bloat conditions. Many producers have had excellent results by feeding ground grain (Corn or milo) at the rate of 1-4 pounds per head per day the specialist says; while others have added Rumensin and a mineral mix to the grain and used approximately 5-7 percent salt to restrict intake and offered the ration free choice and have not encountered the degree of

WEST TEXAS OPRY STAR Cecil Caldwell, well-known musician will be a featured performer at the April 30 West Texas KLLL Saturday Night Opry in Lubbock.

'Opry' Features Maines Brothers

The Lubbock Municipal Auditorium will be the scene on April 30, Saturday at 8 p.m. for the annual West Texas KLLL Saturday Night Opry. This is the twentieth show for the group and is put together by KLLL Radio and Cecil Caldwell. An array of outstanding talent is lined up for this celebration.

Other performers on the Opry that night will include Don Caldwell, Jim Fullingim, Tommie Anderson, Jewette James and Curly Lawler, David House, Zelda

Ellison, the Angle Sisters, Tina English and last but by all means not least -- the ever-popular Mains Brothers. Another attraction highlight will be the Opry Stage Band featuring Cary Banks, Jerry Brownlow and Richard Bowden.

Disc Jockey, Jon Steele will serve as host for the evening.

Tickets for this down-home country-western music show are now on sale at Hastings Records, all locations or may be ordered by mail by writing KLLL West Texas Opry, P.O. Box 65112, Lubbock, Tx. 79464. Ticket prices are \$3, \$4 and \$5 each.

SOCIAL SECURITY NEWS

The exemption from the government pension offset has been modified and extended to those becoming eligible for a governmental pension before July 1983.

Under the old law, a pension based on work for a Federal, State, or local government not covered by Social Security would cause a reduction in Social Security spouse's or surviving spouse's benefits unless the person was eligible for his or her government pension before December 1982.

In addition, men had to be dependent upon their wives for half or more of their support to qualify for the exemption.

The new law extends the deadline for the exemption to July 1983. This means that people who become eligible for a government pension in the period December 1982 through June 1983 may receive an exemption from the pension offset, but only if they were dependent upon their spouse for half or more of their support. This half support requirement now applies to both men and women.

Under the government pension offset, a person's

Social Security benefit as a spouse or surviving spouse is reduced dollar for dollar by the amount of any pension he or she receives based on work for a State, Federal, or local government not covered by Social Security.

Any Social Security benefit a person receives based on his or her own work is not affected by the government pension offset.

More information about the government pension offset can be obtained by calling the Lubbock Social Security Office at 743-7381 or by visiting the office at 1611-10th. Street, Lubbock, Texas.

Little League Sign-up Time 'Running Out'

Boys or girls between the ages of six and twelve still have a chance to sign up for Little League. Any child wishing to play, but not signed up yet should obtain an application from one of the following businesses: Bingham-Nieman Real Estate, Dr. Jerry Redwine's office, Federal Land Bank or the Muleshoe State Bank. These applications may be returned to Robert Montgomery at the Muleshoe State Bank upon completion.

To be eligible to play, boys and girls must be six years of age but not older than twelve years of age by August 1, 1983. A copy of the applicant's birth certificate must accompany the application.

Parents of potential players who wish additional information should contact Brock Sanders at 272-3229 or Bill Liles at 272-3010.

MHS Students Make Good Showing

The District UIL competition held in Tulia on April 6th proved successful for many Muleshoe High students. The team racked up

124 1/2 total points for 4th place overall in district UIL Literary events. Students qualifying for the Regional meet had a 1st-3rd placing in their events. Regional will be held April 15th and 16th at Odessa College. In the Speech events Mike Harris won first place and Brenda Flowers won third in In-

formative Speaking; in Persuasive Speaking Chad Williams won third place; in Poetry Interpretation Betsy Lunsford placed second; in Prose Interpretation Belinda Clayton received third place. In the typewriting event Denise Wilson placed third; and in shorthand Tonda Gunstream took second and Abbye Kennedy placed third. Perry Flowers took second place in the Science contest, and Michael Isaac took third in ready writing. In Editorial Writing, Mule's Tale editor Kacy Henry placed third.

Kacy will compete in Editorial Writing at 1:15 on Friday, April 15th and Michael will be Ready Writing at 7:00 p.m. Friday evening. Those results will be announced at 1:00 p.m. Saturday. All other qualifiers will compete on Saturday. Denise will be typing at 9:30 a.m. Saturday, and Tonda and Abbye will be taking shorthand at the same time. Perry will compete in the Science contest at 1:00 p.m. Saturday. The Mule's Tale Staff would like to congratulate these District UIL winners and wish them the best of luck at Regional next weekend!

Nursing Home News

by By Joy Stancel

Fri. morning the residents dyed eggs for their Easter egg hunt. They also decorated some of them. They fixed one to be the prize egg.

Friday at 2:30 The Assembly God Church gave the residents a special Easter Devotional. Refreshments of ice cream and cake were served afterwards to residents attending and residents in their room.

Friday at 4:00 in the Nursing Home Day Room was the scene for the big Nursing Home Easter egg hunt. The staff helped hide the eggs and also helped the residents find the eggs. Afterwards everyone went to the dining room to eat their eggs and enjoy a beautiful Easter cake and bunny cookies baked and decorated by Ruby Ward. Our thanks to Felipa Garcia for getting the refreshments all together. To the employees at the 1st National Bank for supporting it and to Marjorie Precure for her help with the serving.

We have a wonderful staff. We are thankful for each one of you. Your Great!

The Calvary Baptist Church came to Sing to the residents Easter Sunday. They made each of the residents an Easter basket full of Chickens and bunnies and goodies.

Sharon Williams came to have a Devotional with the residents Thurs. morning.

Ruby McCamish spent the weekend in Bledsoe with her daughter Barbara and her family. They attended Church there and Ruby got to see some of her old time friends. Frank and Melba visited her Monday night. Last week Herb and Ella of Lubbock visited her. Also Mr. and Mrs. Clinton Kennedy.

Margaret Beard, spent Easter Sun. in the home of Mr. and Mrs. Nicky Nickels.

County Treasurers To Meet In April

About 150 of the state's county treasurers are expected to attend a professional development conference at Texas A&M University April 12-14.

"Education That Counts," is the theme of the 11th annual County Treasurers Seminar, says John Gilmartin, coordinator of the V.G. Young Institute of County Government, a part of the Texas Agricultural Extension Service, Texas A&M University System.

The first day of the conference includes registration and a session for newly elected county treasurers.

A discussion on "County Finance" by Dr. Malcolm Richards, heads of Texas A&M's Department of Finance, will highlight the second day's program. Other discussions will be on "Organization Management" by Dr. Ricky Griffin, assistant professor of management at Texas A&M, and on "Principles of Accounting" by Dr. Larry Pointer, Texas A&M associate professor of accounting.

The final day's program will feature discussions on "Money and Banking" and "Public Finance" by Dr. Morgan Reynolds and Dr. Timothy Gronberg, respectively, both associate professors of economics at Texas A&M.

The three-day conference will conclude with a discussion and distribution of the "County Treasurer's Procedures Manual."

President of the County Treasurers Association of Texas is Dallas County treasurer Bill Melton.

The V.G. Young Institute of County Government works to provide officeholders with information critical to their jobs so that they can learn more efficient and effective methods of providing public services.

BIBLE VERSE

"By this is my Father glorified, that you bear much fruit, and prove to be my disciples."

1. Who is the author of this statement?
2. To whom was he speaking?
3. Where may this verse be found?

Answers to Bible Verse
1. Jesus.
2. To the eleven disciples.
3. John 15:8.

Mrs. Barbara Case was visited by Mrs. Hobbs.

Anni Dunn's daughter Mel of Lubbock visited her Monday, Benny visited her Sunday afternoon. She received a nice letter from her daughter Renee Weimer of Ft. Morgan Colo.

Annie Brown was visited by her daughter Sybil Simpson her granddaughter Lanell and her two little great granddaughters Sat. afternoon.

Bertie Hendrix attended the services at the Muleshoe Church of Christ with her family Sun. morning. They all went to Clovis and ate at Furr's afterwards.

Mr. Holland was visited by his son from Portland Org. and Mr. O'Hair of Lazbuddie Mon. and Tues.

Alma Henley spent Easter Sun. at the home of Cleo and Stanley.

Ora Roberts enjoyed eating Easter dinner in the home of her daughter Ruby Clark.

Ethel Armstrong was visited Tuesday by her daughter-in-law Mrs. Bob Armstrong of Earth.

Jerry Mudgett was visited by his son Mr. and Mrs. Wiley Mudgett of Sudan Friday.

Alta Tyler, Cordelia Cochran, Effie Smith, Ruby Gare are in the hospital at this time. Get well soon.

Our thanks to the Mary Martha Sunday School Class of The First Baptist Church for their donation to our craft class.

OLAN "SHORT" IVY
Ivy Services
Held Here

Friday

Services for Olan "Short" Ivy, 78, of Lubbock, Texas, died at 2 p.m. Friday, April 8 in the First Baptist Church of Muleshoe with the Rev. Dale Cain, pastor of the Calvary Baptist Church of Lubbock, officiating. Assisted by the Rev. J.E. Meeks, pastor of the Muleshoe First Baptist Church.

Interment was in Bailey County Memorial Park under the direction of Ellis

Former Area Resident Dies In Clovis

Funeral services for Billy F. Crow, 51, of Clovis, N.M. were conducted at 1 p.m. Thursday, April 7 in Steed Todd Chapel with the Rev. George Parker and the Rev. Bob Madison officiating.

Burial was in Lawn Haven Memorial Gardens under the direction of Steed Todd Funeral Home of Clovis. Crow died Tuesday at Clovis High Plains Hospital.

He was born Nov. 8, 1931 in Ardmore, Okla. and moved to Muleshoe with his family at six years of age. He joined the U.S. Air Force in 1951, serving in the Korean conflict. He married Bethal (Becky) Jane Willeford Oct. 18, 1952 in Clovis. Following his military service he returned to Clovis where he was a paint contractor for approximately 16 years and a general contractor for the past eight years. He had been a resident of Clovis for 26 years and attended the Church of God of Prophecy.

Survivors include his wife, Becky; two sons, Sandy Wayne Crow of Clovis and Randy Don Crow of Euleus; one brother, Tommy Crow of Gallup; six sisters, Fairie Crow and Joy Willeford, both of Sacramento, Calif.; Alberta Gregory of Midland, Sammie Parker of Abilene, Patsy Ford of Longview, Betty Smith of Elk City, Oklahoma; his father, Samuel Crow of Longview; and two grandchildren.

Funeral Home. Ivy died at 8:15 p.m. Tuesday in the Methodist Hospital at Lubbock.

A native of Fannin County, Texas, Ivy was born Oct. 27, 1904 and moved to Lubbock in 1925 from Collin County. He married Nola Aretta Reed March 23, 1929 in Farwell. He was a farmer and a member of the Lubbock First Baptist Church where he was ordained a Deacon approximately 1936. Ivy made Profession of Faith when he was 28 years of age.

Survivors include his wife, Nola; one son, Olen L. Ivy; two daughters, Mrs. Barbara Matthews of Lubbock and Mrs. Gail Mosley of Lubbock; one sister, Mrs. Oneita Wagner of Muleshoe; three brothers, Tony Ivy of Venita, Okla., D.B. Ivy of Muleshoe and Hopper Ivy of Dimmitt; seven grandchildren and four great grandchildren.

RUTH TERRELL

Ruth Terrell Services Held At Three Way

Services for Ruth Terrell, 74, of Maple were held at 2 p.m. Saturday, April 9 in the Three Way Baptist Church with the Rev. Harold Abney, pastor of the First Baptist Church of Whiteface, officiating, assisted by the Rev. Vernon Stephens of Lubbock and the Rev. Robert Edwards of the Threeway Baptist Church.

Interment was in the Morton Cemetery under the direction of Ellis Funeral Home. Mrs. Terrell died at 4 p.m. Thursday in the Methodist Hospital at Lubbock.

She was born Feb. 11, 1909 in Charlottesville, Virginia and moved to Maple in 1928 from Littlefield. She was a bookkeeper for Maple Coop Gin and Casey Gin, a member of the First Methodist Church of Morton and a 35 year member of United Methodist Women. She married Dossie Vestal Terrell Dec. 21, 1928, in Littlefield.

Survivors include her husband, Dossie; one son, Thomas W. Terrell of Maple; one daughter, Mrs. Barbara Jean Hanson of LaPorte; one brother, Buford E. Toombs of Leander; seven grandchildren; and one great grandchild.

Local Man's Brother Dies

Services for J.C. "Jake" Turner, 68, of Abernathy were held at 2 p.m. Saturday, April 9 at the Abernathy Church of Christ with Coady Billingsly, minister, officiating, assisted by Ken Rapp.

Local Woman's Brother Dies

Funeral services for E.R. "Red" Fincher, 74, of Morton were held at 2 p.m. Thursday April 7 at the First Baptist Church of Morton with the Rev. John Jenkins officiating, assisted by the Rev. W.L. West.

Burial was at the Morton Memorial Park under the direction of Morton Funeral Home. Fincher died at 6:25 a.m. Tuesday at Cochran Memorial Hospital following a lengthy illness.

He married Nellie Johnson Oct. 26, 1929, in Slaton. They moved to Morton in 1940, where he farmed until 1945, and then worked for Ray's Hardware and Furniture until retiring in 1975.

Survivors include his wife, Nellie; three daughters, Mrs. Marvie Ann Deavor of Lubbock, Mrs. Bernice Nesbitt of Leveland and Mrs. Nelda Faye Jackson of Richardson; one sister, Mrs. Maude Kersey of Muleshoe; four grandchildren; and two great grandchildren.

urday, April 9 at the Abernathy Church of Christ with Coady Billingsly, minister, officiating, assisted by Ken Rapp.

Interment was in Abernathy Cemetery under the direction of Chambers Funeral Home of Abernathy. Turner died at 11:30 a.m. Thursday in the Methodist Hospital in Lubbock following a lengthy illness.

Scout Leader Course Offered

The South Plains Council, Boy Scouts of America, will conduct a council-wide weekend Troop Leader Training Course on April 8 through 10th. This boy leadership development course is open to any Second Class Scout in the 20 county Scout Council. The outdoor weekend will be held at Camp Post, near Post, at the new activities center and remodeled dining hall.

John Crews, Council Training Chairman, explained the course. "A Scout will learn planning meetings, counseling younger Scouts, how to use a map and compass, direction giving and a host of other guidance skills."

A Rising Star native, Turner moved to Abernathy in 1920, and was owner of the Turner Meat Co. For the past 15 years he worked for Frank Brown Pontiac.

Survivors include his wife, Addie; three daughters, Barbara Lamb of Abernathy, Linda Rapp of Amarillo and Francis Goolsby of Paris; one son, Kenneth W. Turner of Oklahoma City, Okla.; two sisters, Fannie Mae Bruce and Ina Robinson, both of Abernathy; four brothers, Doyle T. Turner of Muleshoe, Arthur Turner of Monahans, Bill Turner of Friona and Neff Turner of Abernathy; and nine grandchildren.

Golden Gleams

The first day of April, You may send a fool whither you will.

—Thomas Fuller.

April brings the primrose sweet, Scatters daisies at our feet.

—Sara Coleridge.

You can have all the rest of the year if you will give me April and May.

—Spanish Proverb.

Model Plane Contest To Be Held April 14-16

The Aircraft Mechanic's program of TSTI-Amarillo is sponsoring a model airplane contest to be held in conjunction with the April 14-16 High Plains Aviation Assoc. displays at Western Plaza.

Contestants may enter model airplane contest and there will be different age groups. Trophies will be awarded in each division to the winners on April 16, at Western Plaza.

Models will be exhibited during the High Plains Aviation Assoc. display and trophies will be awarded on the last day. Bring models to be exhibited for the contest to the Aircraft Mechanic's booth between

9a.m.-9p.m. on Thursday, April 14.

Call (806)335-2316, ext. 508 for further information.

ATTEND THE CHURCH OF YOUR CHOICE

Training is Important

The proper training of the young is one of the most important tasks in all the world. Even the animals know this. The mother collie devotes patient hours to the training of her puppies. She will help them learn to walk and run; teach them when to bark and what to eat; warn them of possible dangers and show them whom to trust. Instinctively, she knows that it is her responsibility to provide for their safety and welfare by providing them with proper training.

The same thing is true in even larger measure of human parents. We know that, for their safety and welfare in life, it is important that our children receive the finest training possible — and that we are responsible for helping to provide such training. A part of the basic training of our children is, of course, moral and spiritual training. A good part of such training must come in the home and family — but we are fortunate in having in our community so many churches, all of which specialize in moral and spiritual training, especially for the young. Wise parents see to it that their children take advantage of this special training which is available and so important for human lives.

Why not take your children — the whole family — to Sunday School and church this week? You will all be helped by the spiritual training you will receive.

"Train up a child in the way he should go; and when he is old, he will not depart from it." (Proverbs 22:6)

18. LEGAL NOTICES

PUBLIC NOTICE Bailey County Electric Cooperative Association, Drawer N, Muleshoe, Texas 79347 (Phone A/C 806-272-4504) is in the process of constructing 7 1/2 (seven and one-half) miles of 69 kv transmission line. This line is located between our existing Dodd Substation and our Lazbuddie Substation for 3 miles on the west side of a county road, then west along the south side of State road 145, 4 1/2 miles to our Lazbuddie Substation. The purpose of this construction will be to upgrade the Cooperative's system and provide a better quality and reliability of member's service in the immediate area. It is part of a continuing system improvement plan of completing another portion of a "looped transmission feed" of substations north of Muleshoe. The new line will be single-pole structure with two (2) crossarms and three (3) energized conductors, and one (1) grounded neutral wire. All construction will conform to standard R.E.A. specifications. It will be identical to the lines that the Cooperative has constructed, maintained and operated in the area for forty (40) years. No adverse effect on the quality of the environment is anticipated to result from this proposed construction. This construction is under the jurisdiction of the Public Utility Commission of Texas. An Application for a Certificate of Convenience and Necessity for this transmission line has been submitted to the Public Utility Commission of Texas. Anyone wishing to intervene in this proceeding or protest or comment on the action sought should contact the Public Utility Commission of Texas at 7800 Shoal Creek Boulevard, Suite 450N, Austin, Texas 78757 (Phone A/C 512-458-0100), within fifteen (15) days from the date of this public notice. 18-14s-25tc

Visiting Mr. and Mrs. Jerry Thomas last Sunday were her mother, Mr. and Mrs. Howard Aubrey of Muleshoe.

Mr. and Mrs. J.E. Layton and Mrs. Etta Layton, drove to Odessa one day the past week, Mr. and Mrs. Harold Layton of Dell City met at the home of Dr. and Mrs. Gerald Johnsons, to visit the Johnsons, for they were moving to Houston.

Mr. and Mrs. G.A. Brunton of Haskell were Easter weekend guests in the home of her parents, Mr. and Mrs. Burley Roberts.

Mr. and Mrs. Johnnie Cox were dinner guests in the home of her daughter, Mr. and Mrs. Junior Austin in Lubbock Easter Sunday.

Maribel Zamora won 3 first places last week in ready writing and newspaper writing, she will compete in regional next week at South Plains College.

Enochs News

By Mrs. J.D. Bayless

Weekend guests in the home of Rev. and Mrs. Mike Heady and family was her parents, Mr. and Mrs. T.M. Cardwell of Aledo.

Mr. and Mrs. E.N. McCall were in Clovis, N.M. Saturday and visited her aunt, Mrs. Pearl Knighten at the Retirement Ranch Home.

We express our sympathy to Mrs. Alene Byars and relatives in the death of her husband Gerald Byars, of Roaring Springs, who died Friday following a lengthy illness, the Byars were former residents of Enochs.

Mrs. Bill Welch visited her parents, Mr. and Mrs. John Sheard at Eastland recently.

Guests Sunday in the home of Mr. and Mrs. Elwood Autry was a daughter, Mr. and Mrs. Ray Butler and family of Levelland.

Mrs. Myrna Turney had all of her children, Mr. and Mrs. Dennis Turney and children of Enochs, Mr. and Mrs. Terry Drennan and family of Bledsoe, Mr. and Mrs. Tom Newton and children of Newton Mr. and Kenny Turner and family of Denver City also her parents, Mr. and Mrs. Edd Autry and Mrs. Barbara Autry and Russel of Enochs, for a barbecue hamburger supper Easter Sunday and had a Easter hunt for the children.

Mr. and Mrs. J.C. Snitker left Thursday returning home Sunday from a trip to the Big Bend Country to the river and Davis Mountains, they also visited his son, Mr. and Mrs. James Snitker and children at Enice.

The cold front that came through early Thursday morning had real high winds moved things around that was loose and broke some tree limbs, was in hopes we could get rain. Misted some just a light shower.

Easter guests in the Goldman Stroud home were their children and family, Mr. and Mrs. Harold Polard and Steve also their daughters, Mr. and Mrs. Tommy Lewis and children of Littlefield, Mr. and Mrs. Joel Sinclair and children of Muleshoe, Mr. and Mrs. Jimmy Dicker and children of Lubbock, Mr. and Mrs. Craig Kirby and children of Three Way. Mrs. Glyn Stroud and children of Muleshoe and Mrs. Gene Stroud and children of Dimmitt, they had a Easter egg hunt for the children.

Visiting Mr. and Mrs. Jerry Thomas last Sunday were her mother, Mr. and Mrs. Howard Aubrey of Muleshoe.

Mr. and Mrs. J.E. Layton and Mrs. Etta Layton, drove to Odessa one day the past week, Mr. and Mrs. Harold Layton of Dell City met at the home of Dr. and Mrs. Gerald Johnsons, to visit the Johnsons, for they were moving to Houston.

Mr. and Mrs. G.A. Brunton of Haskell were Easter weekend guests in the home of her parents, Mr. and Mrs. Burley Roberts.

Mr. and Mrs. Johnnie Cox were dinner guests in the home of her daughter, Mr. and Mrs. Junior Austin in Lubbock Easter Sunday.

Maribel Zamora won 3 first places last week in ready writing and newspaper writing, she will compete in regional next week at South Plains College.

Texas Farmers Go "PIK-ing"

Texas farmers have signed up en masse for the PIK (payment-in-kind) program and plan to take some 9.3 million acres out of crop production for the 1983 season.

The 9.3-million-acre reduction is out of a base of almost 24 million acres of wheat, cotton, grain sorghum, corn, rice, barley and oats.

Farmers will idle 3.5 million acres of cotton out of a base of 8.1 million; 3.1 million acres of wheat out of 7.4 million; 2.4 million acres of corn and grain sorghum out of 6.9 million; 300,000 acres of rice out of 600,000; and 35,000 acres of oats and barley out of 628,000.

The land being idled in Texas is part of some 82 million acres or about a third of the U.S. cropland being taken out of production this year.

"Farmers in Texas as well as the other states went for the PIK program in a big way," says Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "After three years of

building supplies and experiencing low prices and incomes, farmers were ready to participate in PIK, a program devised to pay farmers with surplus farm commodities for taking their land out of production."

Despite the drop in cotton acreage, Texas farmers could still produce a crop equal to or better than last year's which was sharply reduced when hail destroyed some 2 million acres in the South Plains, notes Anderson. Of course, weather again will be a big factor this year. And yields likely will be up because farmers will be using their best acres, having idled their least productive land.

Wheat, corn, grain sorghum and rice should be down sharply in Texas due to sign-up in PIK, but again weather conditions and farming of the most productive land will be key factors, says the economist.

"With the reduced production this year and an improving economy in the U.S. and abroad, farmers should see some strengthening in crop prices," believes Anderson. "Some

price improvements have already started in some commodities in anticipation of this year's reduced production. Also, export activities may pick up soon if other countries see the current market situation as most favorable instead of

Homeowner's Equity Legislation Discussed

Legislation designed to let homeowners use their equity as collateral on loans for certain purposes was introduced today by Senator Chet Brooks D-Pasadena.

The legislation would allow homeowners to use the equity, or increased value, in their homes as collateral for such purposes as family medical emergencies, college education, business opportunities or to supplement retirement income. Currently, Texas homeowners are forbidden from using that asset as collateral for a loan except for home improvement purposes.

"It seems ridiculous to me you can finance a swimming pool but not have the ability for financial relief in a situation of catastrophic illness or family education costs," Brooks said.

The enabling legislation prohibits more than one secondary mortgage lien on the property and sets a \$2500 minimum loan amount. It also provides a secondary mortgage lien may not exceed 80% of the homeowner's equity. In addition, the equity could be used as collateral only after both spouses completely understand the transaction through full disclosure and creditors comply with the limitations of the leg-

risking higher prices later in the year."

Stronger market prices along with lower interest rates and lower production costs should get farmers back on the road to economic recovery in the year ahead, says the economist.

isolation.

In addition to the enabling legislation setting out the restrictions of this financial transaction, a constitutional amendment will allow voters to add a fourth exemption to the homestead exemption for this limited purpose. If approved by the legislature this session, voters would have the opportunity to vote on this measure November 8, 1983.

"I hope these measures will be enacted during the current session to allow Texas homeowners this flexibility on one of the principal assets most families and individuals ever accumulate," Senator Brooks said.

Pre-Civil War politics detailed in new book

COLLEGE STATION — Fresh appraisals of the turbulent two decades preceding the Civil War are presented in a new book just published by the Texas A&M University Press. "Essays on American Antebellum Politics, 1840-1860" offers six original essays dealing with the centrality of the party system in the era's politics and the importance of ethnic and cultural issues on the conflict.

Edited by University of Texas at Arlington history professors Stephen Maizlish and John Kushma, the book contains 230 pages and sells for \$19.50.
