## OFFICERS SHOOT MAY POSTPONE MAN IN FT. WORTH WORLD MEETING

FT. WORTH, Oct. 25.—An unidentified white man was shot and instantly killed here early today by policemen who believed him to be an automobile thief. Two women and a man made their escape, while the police chased the fourth member of the party and shot him in a fight which followed.

WASHINGTON, Oct. 25.—The postponement of the opening of the meeting of the international conference for the discussion of armament and Far Eastern affairs, until November 12th, is intimated as being probable today in high official circles. A conflict in the program as originally drafted for the conference with ceremonies incident to the Armistice Day burial of America's unknown soldier, was given as the reason for postponing the opening of the conference.

## SENATE FIXES INCOME RATE

WASHINGTON, Oct. 25.—Normal rates of four per cent on the first four thousand dollars income and eight per cent on all over that amount was approved today by the Senate without a record vote. These are the same rates as are now in force and collectors will continue to check up the income of the money makers of the country.

James Sleeper left for his home at Santa Ana, California, Monday afternoon, after a visit to his sister, Mrs. A. H. Van Pelt.

## REPUBLICAN LEADER OFFERS MOVE TO EXPELL BLANTON

### NO CHANGE IN STRIKE SITUATION; UNIONS MAY DEFY LABOR BOARD

### DOCTOR'S ORDER VOID IN TEXAS

AUSTIN, Oct. 25.—Secretary of Treasury Mellon's decision that a case of beer, or as much wine as a physician may prescribe for a patient, now allowed in the United States, will be stopped in Texas by the Dean prohibition law, according to a verbal opinion of First Assistant Attorney General Keeling today.

"The Dean law holds that the amount of whiskey, beer or wine that may be prescribed by a physician must not exceed one pint and a period of ten days must elapse before more can be secured," Mr. Keeling said this afternoon. The assistant Attorney General said that Secretary Mellon's ruling would have no effect on the law in Texas.

WASHINGTON, Oct. 25.—Regulations covering the use of beer and wine for medical purposes will be issued immediately by the Treasury Department, Secretary Mellon announced today.

The regulations Mellon said, are drawn in accordance with the law as interpreted by former Attorney General Palmer and permit the manufacture and prescription of beer and wine for the sick. The regulations, he said, were signed today and transmitted to Commissioner Blair for promulgation.

The regulations, it was said, will make a case of beer the unit for prescription of that beverage.

### GIRLS RECOVER FROM SNAKE BITES

ROBERT LEE, Tex., Oct. 25.—Opal Franks, the eight year old daughter of Mr. and Mrs. Marvin Franks, and the little daughter of Mr. and Mrs. S. W. Lord, who were bitten by a rattlesnake recently, are recovering. Both of the children were bitten on the foot.

CHICAGO, Oct. 25.—The United States Railroad Labor Board went into an executive session this afternoon to consider the situation arising out of the misunderstanding on the part of some of the "Big Four" brotherhood leaders of the meaning of the board's order summoning fourteen hundred general chairmen of the unions to attend the hearing tomorrow.

CHICAGO, Oct. 25.—Chairman Barton, of the United States Railroad Labor Board, today telegraphed the heads of the "Big Four" brotherhoods and the Switchmen's Union, reiterating the announcement that all general chairmen are expected to attend the hearing set for Wednesday at ten o'clock.

CLEVELAND, Oct. 25.—Warren S. Stone, President of the Brotherhood of Locomotive Engineers, today corroborated the reports that he had advised the general chairmen of the engineers that they need not respond to the citation of the United States Railroad Labor Board to appear at the board hearing in Chicago tomorrow.

PALESTINE, Tex., Oct. 25.—The strike on the International & Great Northern entered the fourth day quietly with company officials expressing the opinion that freight service would be further extended today. The strike leaders are inclined to discredit the statement of G. O. Goforth, general manager of the road, that eleven freight trains were operated over the system yesterday.

The strike leaders declare that they are continuing the "hands off" policy, and claim that the tie-up is one hundred per cent complete and they are satisfied with the strike.

### WOMEN TALK PRISON REFORM

FT. WORTH, Oct. 25.—The most important subject discussed before the convention of the Texas League of Women Voters, which convened here today, was prison reform. Immediately upon convening the subject was presented and discussed at length. Among the speakers to address the women will be Governor Neff.

Several hundred delegates, representing practically every county in the state, and the Texas Federation of Women's Clubs, Texas Congress of Mothers, and representatives of the state W. C. T. U., are here for the convention. The convention will extend through Saturday, ending with a two day regional conference of nine states.

### MARKET UP ON GINNERS REPORT

5,774,397 bales of cotton were ginned up to October 18th as compared with 5,754,582 bales up to the same date last year. The ginner's report was made public Tuesday morning and cotton advanced about eighty points following the report, or about \$4 per bale.

WASHINGTON, Oct. 25.—Congressman Blanton's fight on the labor unions resulted in the introduction of a resolution today asking for his expulsion from the House.

The resolution was introduced by Representative Mondell, Republican leader. Mondell offered as his grounds for the move asking for the expulsion of the Texas congressman the publication in the Congressional Record as part of extension of remarks by Mr. Blanton, an affidavit relating to a row in the government printing office which affidavit was characterized by some of the House members as obscene. In Blanton's absence a consideration of the resolution was deferred until Thursday.

The House voted yesterday to expunge the remarks of the Texas representative from the record.

ord. At the opening of yesterday's session the Republican leader, Mr. Mondell, offered the motion to have the extension of the remarks expunged from the record. Mr. Blanton asked for ten minutes time to discuss the motion, which was refused, and the vote taken. Mondell said that Blanton should be forced to apologize to the House.

The first vote for expunging the remarks was 146 to 1, following which Mr. Blanton raised the point of no quorum and the vote was again called for on roll call and resulted in 313 to 1.

The remarks to which Mondell objected concerned a row growing out of the government printing office and about a non-union printer who contended that conditions in the printing office were made such that a printer without a union card could not remain in the office.

### \$75,000 ELEVATOR FIRE AT DALLAS TODAY

DALLAS, Oct. 25.—Fire, probably caused by spontaneous combustion, destroyed the Pearl Stone Mill & Elevator Company's plant here early today. The loss is estimated to be about \$75,000.

**REVIVAL ENTERS ITS SECOND WEEK'S WORK**

The revival under the auspices of the Presbyterian and Methodist churches, which is in progress at the Methodist church, entered the second week Monday, with prospects for a successful week for the upbuilding of the religious interest of the town.

Dr. Hall preached to an attentive and large crowd Monday night, and the attendance at the morning service was good, considering that it was the busy day of the week. The attendance was good at the Tuesday morning service.

It has been definitely announced that the revival will close next Sunday night, and record breaking crowds are expected during the remainder of the week. Dr. Hall has announced one of his special sermons for Wednesday night in "The Second Coming of Christ." No doubt the house will be filled to overflow for this service.

**NOTABLE CAST FOR NEW CECIL DE MILLE PICTURE PRODUCTION**

Notable casts have always been features of productions by Cecil B. DeMille, but in "Mala and Female," the Paramount-Artcraft screen version of Sir James M. Barrie's famous play, "The Admirable Crichton," the master director has fairly outdone himself. For the important roles in this picture, which will be shown at the Maeroy Theatre tonight, some of the most prominent players in filmdom have been assembled. Thomas Meighan, leading man for Billie Burke, Marguerite Clark, and other stars, has the part of Crichton, the extraordinary English butler who becomes practically a king. Gloria Swanson, one of the present reigning beauties of the screen is Lady Mary, the lord's daughter who falls in love with Crichton. Lila Lee, Paramount-Artcraft star, is her servant-maid rival. Theodore Roberts has a characteristic role. Others in the cast are Raymond Hatton, Bebe Daniels, Mildred Reardon, Robert Cain, Edna Mae Cooper, and Guy Oliver.

D. E. Sims, of Paint Rock, was here Monday en route to Temple on business.

**YOUNG GIRL FINDS RELIEF**

Wants to Tell Other Girls All About It

Evansville, Ind.—"I am eighteen years old and have been bothered for several months with irregular periods. Every month my back would ache and I always had a cold and felt drowsy and sleepy. I work in a millinery shop and I went to work every day, but felt stupid and would have such cramps. I had seen Lydia E. Pinkham's Vegetable Compound advertised and had heard several women talk of it, so mother got me some. This Vegetable Compound is wonderful and it helped me very much, so that during my periods I am not now sick or drowsy. I have told many girls about your medicine and would be glad to help anyone who is troubled with similar ailments. You may use my testimonial as you like."—STELLA LINXWILER, 6 Second St., Evansville, Indiana.

Some girls lead lives of luxury, while others toil for their livelihood, but all are subject to the same physical ills and suffer in proportion to their violation. When such symptoms develop as irregularities, headaches, backaches, bearing-down sensations and "the blues," girls should profit by Miss Linxwiler's experience and give Lydia E. Pinkham's Vegetable Compound a trial.

**MEXICAN BOYS HAVE CHOICE OF NAMES**

EL PASO, Oct. 24.—A Mexican boy may take his mother's last name for his last name, or his father's, or both. If his first name is Juan and his mother's maiden name was Sanchez and his father's name Garcia, he may call himself Juan Sanchez, Juan Garcia or Juan Sanchez-Garcia. When the family is well-known, the boy may use merely "Juan de la G," the "G." standing for his last name.

El Paso Mexicans are authority for this explanation. They say, however, that most Mexicans use the American custom, their given name and the family name.

Another custom, Mexicans say, is to name children after national heroes. During Pancho Villa's prime in the revolutionary days, many of the boys along the border were named either Pancho, Francisco, or Villa, and often two of these names were used before their last names.

### WHY YOU SHOULD TAKE FERRASAL

**STOP ACID STOMACH AND YOU STOP NEARLY ALL DIGESTIVE ILLS**

Nearly everybody has acid stomach to some extent. It is an unhealthy, unpleasant condition which upsets the whole system, and if neglected it causes kidney trouble and rheumatism.

If you have indigestion, biliousness, headache, liver or kidney disorder, acid stomach is undoubtedly the cause—and you need Ferrasal.

Ferrasal is the acid neutralizer. It removes the great cause of 90 per cent of all digestion troubles by eliminating the excess acids from the digestive system. It relieves constipation gently and without bad after-effects, leaving the bowels relaxed and unstrained.

Ferrasal is sold by your druggist under an absolute money-back guarantee. Buy your first box today and put your digestion in order.

Mrs. Frank Maddox and little son are here visiting Mrs. Maddox's parents, Mr. and Mrs. W. T. Padgett. She returned home with Mrs. Padgett, who visited at Lubbock recently.

### COMMITTEE SAYS SEED ARE PURE

STATE OF TEXAS, County of Runnels:

Before me, the undersigned authority in and for Runnels county, Texas, on this day personally appeared Edwin Day, J. J. Goode, J. M. Jennings, Elmer Batts, E. M. Setser, W. B. Cobb, and George Dean, known to me to be credible persons, who, being each duly sworn according to law depose and say:

We accompanied Ed J. O'Kelly on a visit to the plant of the Mebane Long Staple Cotton Co., Hobstown, Texas, on October 12th, 1921. We went thoroughly into all the claims made about the handling of Mebane Long Staple cotton seed by the said plant. We found that the gins of the said company ginned the said seed exclusively; that the seed were turned several times in the seed houses and the seed houses were ventilated to properly protect all seed from heating. We found that thirty two (32) farmers had farms growing this particular cotton exclusively, these farmers having their wagons painted blue so as to distinguish any outside grower who might by accident come to the gin. We were told by other growers that they wanted to market crops of this particular cotton with the gin, but that the capacity of the plant made the limit of thirty-two necessary. We found that the records of the said gin plant show that the length of the staple of cotton ginned there ranged from 1 1/8 to 1 3/16 inches in length. We visited several of the farms growing said cotton and did not find a stalk of dead cotton. We talked with farmers who told us that they had received a sufficiently higher price or premium for their long staple cotton to pay for the picking of the same.

Further, we have investigated the statements with reference to said Mebane Long Staple Cotton Seed made to us by E. J. O'Kelly, Agent, and have found everything exactly as represented to us by him previous to our visit to above mentioned plant and farms. We recommend unqualifiedly to the farmers of Runnels County the purchase and planting of this type of seed exclusively.

Witness our hands, this 15th day of October, 1921.

### MUCH BUILDING BEING DONE NOW

The sing of the saw and rap of the hammer can be heard in almost every part of Ballinger, and despite the calamity wail of some few, business pushes ahead with somewhat of a vim and building in Ballinger indicates ample confidence for the future growth and development of the city.

F. M. Pearce is remodeling the Dr. Stephens place on Eighth Street and will make a modern home out of it. The entire interior of the home is being worked over, the rooms rearranged, etc.

J. M. Fields has just completed a neat little cottage on Hutchings Avenue, South of the business district.

The Ballinger Bottling Works new home on Hutchings Avenue, North of the court house, is nearing completion.

The J. A. Ludwig home South of the court house is about one-half completed, the contractors pushing the finishing work.

C. B. Armstrong is now occupying his new home just completed on Hutchings Avenue between the business district and the river.

C. C. Gamoway is having some minor improvements made around his home on Fifth Street.

Judge J. H. Baugh is having his home on Sixth Street dressed up with a new coat of paint.

The painters are busy at the home of R. G. Erwin doing some interior work.

The Frank Bridwell home on Eighth Street is about ready for occupancy. This is one of the most modern and prettiest new homes in Ballinger.

A. W. Sledge is completing an addition to his home and having the interior of the home repapered and painted.

The work on the power plant building of the municipal light plant is completed and the machinery is being placed, while the wire work is also about complete.

The interior of the City Cafe has just been made new, the building being repapered and painted.

### \$15,000 CATTLE DEAL AT STERLING CITY

San Angelo Standard. Six hundred cows have just been sold by W. L. Foster, president of the First National Bank at Sterling City and prominent ranchman, to W. P. L. McFadden, of Beaumont, one of the best known livestock raisers in South east Texas. The transaction, made thru G. F. Patterson, of Oklahoma City, is said to have involved around \$15,000, which would be \$25 a head.

Mr. McFadden has a big ranch in Knox county, on the Orient Railroad in the edge of the South Plains, and he is shipping the cows from Sterling City to Knox City. Besides being a cattleman, Mr. McFadden is heavily interested in rice mills and farming. He is a brother of Al McFadden of Victoria. Another brother has a ranch near Colorado City, Mitchell county.

To get rid of worms in children give them White's Cream Vermifuge. The little sufferer improves at once and soon becomes healthy, active and robust. Price 35c. Sold by all druggists.

Rev. Sid Williams and wife and Mrs. Helen Seaggins left for their home at San Antonio Monday afternoon, after spending two weeks here in successful revival work. Rev. and Mrs. Williams received a message Sunday announcing the death of their grandson at Hines, Texas, Sunday morning.

Ease the pain of a rheumatic attack by rubbing application of Ballard's Snow Liment. It relieves tenderness and strengthens the joints. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by all druggists.

Manager Atkins of the West Texas Telephone Co. exchange here, was called to Brownwood on business Monday afternoon.

### Citizens Mass Meeting Back Fall Fair Plans

A good crowd of business men gathered at the Maeroy Theatre Monday afternoon to talk over the water situation and a fall fair. Those in attendance were very enthusiastic and free to express their opinions.

The first question brought up was that of the fall fair, and the discussion lasted almost the entire hour. Some few expressed the opinion that it was such a hard year and the exhibition of certain crops would be so scarce that it was their opinion that the fair would be hard to stage, while others said that any exhibit this year would be a good exhibit and that it was when the county had experienced a hard year that it needed to advertise its products.

County Agent Eaton pointed out how the poultry industry had grown in Runnels county and said that it had largely come about by the poultry shows which had been held in this city, as the shows gave the fanciers something to gauge their stock by. He also showed that where six years ago hardly a farm in Runnels county had more than 50 laying hens that now it was common to find as many as 300. After several others had been heard it was voted that the commercial organization be instructed to go ahead with the plans and carry out a fall fair to the best of its ability in the short time in which to do things. Practically all present voted that they believed the money put in this project would be money well spent for Ballinger and the county.

The Young Men's Business League plans to get several buildings in different parts of the city, and in one to place the farm exhibits, in another the products of the housewife, such as canned goods, butter, honey, preserves, needlework, etc. In another building the annual Poultry Show would be in operation, and probably at one of the big stock barns the exhibit of livestock would be held. It is also the plan of the League to obtain the big building under the Ballinger Club rooms, and there to have a Merchants' Exposition, where every merchant in town will have a booth and show his wares. An experienced person will be in charge of this department and all kinds of demonstrations would be held from the goods on display there.

An effort will be made to have a band on the job the three days to furnish music and in that case free concerts will be staged daily on the court house lawn, as well as playing for all the exhibits.

A good line of amusements is also being arranged for the occasion. The local American Legion will likely stage a big parade on the opening day, offering prizes for the best decorated float and to the post in this section with the largest attendance, and for one afternoon will play the Coleman post a football game. For the second day it is possible that a track meet between the rural schools of the county will be held. Several rodeo men are figuring with the amusement committee and it is likely that a good Wild West show will be staged here for those that tire of the serious side of the fair and are looking for a thrill. At any rate there will be plenty of good entertainment for everyone.

It was decided that no carnival would be allowed as the committee thought that the money getting devices carried by a carnival world work against the fair and that what amusement that was not offered free would have to be of such class that would give everyone their money's worth. The question of city water was then brought up, but only a few present had ideas to offer. All agreed that the situation was serious and much worse than the citizens thought. Nothing could be done until the survey which the engineers are working on now was made, was the sense of the meeting, and only a few opinions were expressed.

### Suppose these Things Should Happen

Can you foresee the inconvenience, the anxiety, the trouble and the expense that would follow if you should misplace a valuable paper, or if you should be robbed, or if your valuables should be destroyed by fire? Things like this happen in thousands of places to thousands of people, every day. Every minute you run a risk, a tremendous risk on what is absolutely necessary to have around you. Why invite greater losses, why increase the risks when there is a private safe and secret hiding place for your valuables inside of our big vault?

### A Safety Deposit Box Costs Only a Few Cents a Day

It may cost you more to replace a valuable piece of personal property than it would to protect it here in our vault in your own private safe deposit box for ten years. A year's rental is very nominal, depending on the size of a box.

### Private Boxes and Private Keys

Your private box is numbered so that you can easily find it. You and you alone, can open it. You have your private keys numbered the same as your box. Inside of the box compartments is a removable metal box with cover, in which you place your valuables. This adds to the convenience of handling them when you come to the bank. And you have access to your valuables at any time during banking hours. They are just as handy as if they were carried, and infinitely more safe.

### Things that Need Protection

Insurance policies, Liberty Bonds, stock certificates, contracts, notes, a deed to property, a will and other valuables such as jewelry—these are the things that need the protection of a safe deposit box. Be wise. Trust luck no longer. Let us show you our vault and boxes today, and bring your valuables with you.

**GRANDMA NASH TO BE BURIED HERE**

Mrs. Emma Nash received a message Sunday announcing the death of her mother-in-law, Mrs. Sarah Jane Nash, at Kansas City, where deceased was making her home.

It was the request of Grandma Nash that she be buried in Ballinger by the side of her son, W. P. Nash, and Mrs. Nash wired for the body to be sent here for burial, and it will probably arrive Thursday at noon. If the remains arrive on the noon train the funeral will take place from the station, Dr. Alvin Swindell, pastor of the Baptist church, and Dr. R. M. Hall, who is here conducting a revival, having charge of the funeral services. Dr. Hall was pastor of the Presbyterian church here during the time that Grandma Nash made her home in Ballinger.

Grandma Nash was about 80 years old. She came to Texas from Louisiana more than forty-five years ago, and lived at other places in Texas before moving to Rannels county with her son in 1890. After her son's death she spent part of the time here with her daughter-in-law, Mrs. Emma Nash, leaving here a few years ago to make her home in Kansas City. The message received Sunday did not give particulars of the death, but it is presumed that it was due to old age, and came as the end of a well spent life of four score years.

Deceased married when she was sixteen years old, and was left a widow at twenty-three, raising two children. Her son, W. P. Nash, was one of the early settlers in Ballinger, coming here in the early days as a young man. He was in the newspaper business here for a number of years, later engaging in the business at Waco, where he lost his health. Grandma Nash was a devout Christian, being a very religious old lady, and despite the many trials of life she remained true to the end.

Do not neglect the warnings of nature. If your appetite is poor, breath bad, tongue coated, you will be sick unless you take steps to put your system in good condition. Prickly Ash Bitters is the remedy you need. It purifies the bowels, strengthens digestion and regulates the liver. Price \$1.25 per bottle. John A. Weeks, special agent.

**SALTS IS FINE FOR KIDNEYS, QUIT MEAT**

Flush the Kidneys once when Back hurts or Bladder bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders, come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive, and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

**Notice in Probate**  
 THE STATE OF TEXAS:

To the Sheriff or any Constable of Rannels County, Greeting: You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Rannels County, a copy of the following notice:

The State of Texas: To all persons interested in the Estate of Anton Mika, Deceased, notice is hereby given that Victor Mika, by his Attorneys, Doss & Baugh, has filed an application in the County Court of

Rannels County on the 24th day of Oct., 1921, for the Probate of Will of Anton Mika, Deceased, and Letters Testamentary thereon, which said application will be heard by said Court on the 7th day of November, 1921, at the Court House of said County, in Ballinger, Texas, at which time all persons interested in said Estate, are required to appear and answer said application, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof this Writ with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Ballinger, this 24th day of October, 1921.

(Seal) W. A. FORGEY, Clerk, County Court, Rannels County, Texas.  
 By Alda Mae Powell, Deputy.

**OFFICERS ON TRAIL OF DOPE THIEVES**

A clue to the robbery of Dr. Hale's office was found in a bed at the Lankford Rooming House Monday, where two men occupied the room Saturday night, and Sunday, when Policeman B. W. Picheur found an empty cocaine bottle which was identified as one coming from Dr. Hale's office. The men were trailed towards San Angelo, leaving Ballinger about Sunday afternoon. An arrest is expected. A bottle of cocaine and about 200 morphine tablets, a fountain pen and a supply of stamps, and perhaps other articles were stolen from the M. D.'s office.

**Catarrhal Deafness Cannot be Cured**

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars, free. All Druggists, 75c. F. J. Cheney & Co., Toledo, O.

**FORMER MERCHANT HERE ON A VISIT**

J. T. Dawson, a former grocery merchant of this city, stopped off here Monday night to spend a day or two in his old home town while en route home from a trip to the Plains country. Mr. Dawson now lives at Sinton, and we have a pretty good idea that he is out prospecting in this part of the state. He reports that Mrs. Dawson and the children are getting along fine, and he says that he has been doing nicely in business at Sinton. Mr. Dawson has many friends here who would be glad to see him return.
