

BALLINGER DAILY LEDGER

VOLUME XVII. NUMBER 202

BALLINGER, TEXAS, TUESDAY, NOVEMBER 7, 1922.

MEMBER ASSOCIATED PRESS

FIFTY BODIES RECOVERED FROM MINE

MAYFIELD WINNER IN COURT; ON BALLOT

Election ballots bearing the name of Earle B. Mayfield, democratic nominee for United States senator, were delivered to the various election precincts in this county on the eve of the election, and regardless of whether Mr. Mayfield is elected or not, the highest court in the state held that he is the democratic nominee.

The ballots bearing the name of Mayfield were sent out under the direction of the county judge, following receipt of a telegram from C. W. Payne, acting secretary of state, which was received at Ballinger at 5:30 Monday afternoon. Following is the text of the telegram, together with the contents of a letter which Judge Trimmer sent to every election manager in the county:

"Austin, Texas, 357P Nov. 6, '22.
"County Judge
"Runnels County, Ballinger, Tex.

"All injunctions every character dissolved and supreme court has refused application for mandamus. Advice of Attorney General Department is that this completely settles the question and that is your duty to immediately print and distribute ballots bearing Mayfield's name.

"C. W. PAYNE,
"Acting Secretary of State."
530P.

"You will therefore please use the election ballots with Mr. Mayfield's name printed thereon as delivered to you with this communication, and return the ballots heretofore delivered to you which did not have Mr. Mayfield's name on them.

"Yours very truly,

"PAUL TRIMMIER
"County Judge Runnels Co."

Preparing for an eleventh hour emergency, two sets of ballots had been printed in this county. The first set printed several days ago did not contain the name of Mayfield. These had been delivered to the election managers. As soon as the telegram announcing the court's final decision was received Monday afternoon, a number of autos were put into service and the election blanks delivered to the election precincts during the night, or by the time the polls opened Tuesday morning.

The action of the supreme court at Austin Monday afternoon, as stated in the telegram to Judge Trimmer, completely vindicates Mayfield of the charges brought against him by the Paddy forces and sets aside all the court orders rendered against him.

It is probable that further litigation will be instituted after the election, as no doubt ballots without Mayfield's name will be used in some counties and ballots with his name will be used in some counties, and it stands for reason that there can not be but one legal ballot, and regardless of results of the election it is probable that the court will again be called on to determine which is the legal ballot. With the highest court in the state having declared Mr. Mayfield the nominee of the democratic party, it stands for reason that the same court will hold that the ballot bearing his name is the legal ballot.

VOTE FALLING SHORT HERE

It was indicated at three o'clock this afternoon that the vote at the two Ballinger boxes would fall considerably short of the vote in the last primary. Up to the above hour 200 votes had been polled in No. 24 and 225 votes had been polled in No. 1. The total vote in No. 1 in the last primary was 425 and in No. 24 the total vote in the second primary was 345. However, the vote will be the largest ever polled here in a general election before.

LOSES A FINGER IN SAUSAGE MILL

Truman Butler had the misfortune to lose a finger on his right hand Monday afternoon, while at work at the S. Cole Market. The forefinger on the right hand was cut off and the two adjoining fingers badly lacerated. The young man has the sympathy of his friends in his misfortune.

Ledger want ads day.

(By Associated Press)

SPANGLER, Penna., Nov. 7.—The bodies of fifty miners, who lost their lives in the Reilly mine explosion here yesterday had been recovered up to a late hour this morning, and thirteen more bodies have been located in the mine, but had not been brought to the top.

Thirty-two who were injured are in hospitals, and most of them, it is believed, will recover. The remainder of those who entered the mine yesterday morning have probably perished, rescuers said. It is now believed that the total number of dead will reach eighty.

At the Polls

SHOOTS HUSBAND IN SELF DEFENSE

(By Associated Press)
FT. WORTH, Nov. 7.—Mrs. Pat Wallis shot and killed her husband in an apartment house here this morning. After being placed under arrest the woman said that self defense would be her plea. She said that Wallis tore nearly all her clothes off her before she shot him.

The shooting occurred in an apartment house where Mrs. Wallis was caring for a patient, she being a trained nurse. The couple had been separated for some time.

HIGHWAY MAPS SHOW BAD SPOTS

The Young Men's Business League has in its window a very interesting display loaned it by the Texas Highway Association. It consists of a highway map of Texas prepared on glass with provisions for lighting it from within in the case holding the map.

The map shows clearly how Texas highways have been improved in "spots and streaks," giving rise to a condition where tourists cannot travel more than 100 miles in any direction in this state on improved highways. This condition exists in spite of the fact that Texas has more gross mileage of paved road than many states which are noted for their pikes and boulevards.

The glass map which is on display shows in different colors the paved roads; roads in which work is in progress and roads which are unpaved. Everyone who owns an automobile or truck, or is interested in any way in good roads is urged by the business league to inspect this map.

WOMENS CLUB IN CONVENTION

HOUSTON, Nov. 7.—The annual convention of the Texas Federation of Women's Clubs opened here this morning after a meeting of the executive board yesterday. Mrs. W. W. Sims, of Bryan, pioneer Texas club woman, responded to the welcome address. Reports of different committees and department officers were heard. Education and home economics will be discussed this afternoon.

W. H. Wilde, of Route A, out of Ballinger, was in the city Monday, and wearing an unusually broad smile. He reported the arrival of a fine boy at his home Friday night, and that accounted for the smile. Mr. Wilde said it was the first in four years.

BOTH CANDIDATES FOR SENATE CLAIM VICTORY

TURKEY EDITOR CONDEMN TO DIE

(By Associated Press)
CONSTANTINOPLE, Nov. 7.—Three additional classes of Turkish soldiers have been called to colors, and the British forces are retiring from Mosul on the Tigris River in Northern Mesopotamia, according to Turkish Nationalist headquarters.

The Kemalists are entering the evacuated area. Ali Kemal Bey, editor of a Constantinople anti-nationalist newspaper, has been arrested and condemned to death by the Turkish authorities here, according to information received by the allies. The allied representatives gave Rafet Pasha, the new civil governor of the city, twenty-four hours in which to release editor Kemal Bey.

An unconfirmed report later in the day said that Ali Kemal Bey had already been executed. The allied commissioners have asked their governments for instructions with a view to a proclamation of martial law. They have decided to adopt a firmer attitude in resistance of the Kemalists' course, to curb their activities and counteract the increasing infraction of the Mudania armistice agreement.

HARDING TO CALL SPECIAL SESSION

(By Associated Press)
WASHINGTON, Nov. 7.—President Harding expects to issue a call next Thursday or Friday for a special session of congress, it was announced today at the White House. It was said that the proclamation would call for congress to convene on November 20th.

Those in close touch with the chief executive said that only an eleventh hour change will prevent Mr. Harding from issuing a call for the special session, and both the senate and house leaders have endorsed the plan for the special session.

It is expected that the special session will enable congress to clean up the slate by the end of the regular session next March 4th. The merchant marine bill and the Dyer anti-lynching measures are said to be the chief bills on the program.

(By Associated Press)

DALLAS, Nov. 7.—Earle B. Mayfield, democratic candidate for United States senator, and George Peddy, endorsed by the republican state committee, are the two outstanding figures in today's election in Texas.

Mayfield is said to have the Ku Klux Klan casting a solid vote for him, while Peddy is figured upon to swing the anti-Klan ad solid republican vote. Both candidates predicted victories today, reports coming to headquarters declaring that the voters were turning out to the poll in all parts of the state.

Mayfield emerged from the court fight late yesterday with an order for his name to go on the ballot. Peddy's name has been ruled off the ballot, and this is believed to give Mayfield a stronger vote since he has been declared the nominee.

For the first time in Texas political history the republicans have virtually a complete congressional ticket in the field in the state. The republicans are claiming the Fourteenth and Ninth districts, while the democrats are sure of success in the other sixteen districts, or those where there is a contest.

Reports from over the state today said that in some counties Mayfield's name had been left off the ballots, while in other counties his name was on the ballots. Most of the larger counties are using Mayfield ballots.

MAKING APPEAL FOR ORIENT ROAD

(By Associated Press)
PARSONS, Kans., Nov. 7.—Clyde M. Reed, chairman of the Kansas Public Utilities Commission, left today for Washington. He goes to Washington to present the case of the Orient railroad before the Interstate Commerce Commission. He will report on the investigation of the K. C., M. & O. system, which extends thru Texas, and which is trying to get aid to keep the wheels rolling.

BOY SCOUTS CALLED OUT

Scoutmaster Stephens announces that there will be a meeting of the Scouts at the court house this evening. All Scouts are requested to be present at this meeting.

Negro Takes Two Thousand Dollar Roll Bills from Bank

Richard Green Jr., a young negro old enough to do time in the state prison, is in the Ballinger jail charged with "swiping" a roll of currency containing \$2,070.00 from the cash counter of the First National Bank. The roll of green backs was resurrected from the sand banks of the Colorado River shortly after dark Monday night, where it had remained buried since Sunday night.

Richard Green Sr., father of the young negro, is janitor for the First National Bank, and has been a trusted employee of that institution for a number of years, but the finger of suspicion was pointed at the elder negro Monday when the money came up missing, and Richard Senior was placed

behind bars pending an investigation. He was released Monday night after his son had led the officers to where the roll of bills was buried, and after the younger negro had declared that his father was not implicated in the theft.

Theft of the money was made easy for the negro thru the fact that J. Whit Patterson, assistant cashier and teller of the First National, overlooked the roll of currency Saturday afternoon when he went to return the cash to the vault at the close of the day's business. When Mr. Patterson brought the cash tray out Saturday morning, he laid aside the roll of currency, and did not have occasion to use it during the day, and overlooked it when he

went to return the cash to the safe. The currency consisted of fifty and one hundred dollar bills, and about seventy dollars in "rags." The package of money was bound together with a rubber band between two pieces of cardboard.

The elder Green reported to Cashier Erwin that he saw the money on the counter after the bank had been closed, but neglected to report it, and did not report it until after the money disappeared.

All suspicion in the case pointed towards the two negroes, and the officers began pushing the case until the younger negro was "sweated" into a confession and carried Sheriff Flynt to where the money was buried.

WHY SHOOT UP THE TOWN?

The holiday season is fast approaching when fireworks will want fireworks to properly celebrate the season. Suppose that we pool our money, which we would spend for this purpose, and have a fireworks display something on the same order as the one we had during the fair.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-ache or have Bladder trouble.

Too much meat may form uric acid, which excites and overworks the kidneys in their efforts to filter it from the system. Big meat eaters can flush the kidneys occasionally to relieve them like they relieve the bowels, removing all the acids, waste and poison, else they may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad they have rheumatic twinges.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to help clean and stimulate sluggish kidneys and stop bladder irritation.

T. J. WEBB BURIED AT SAN ANGELO

The remains of T. Jones Webb, who died at his ranch near Tennyson Sunday night, were laid to rest at San Angelo.

According to further details of the death of this pioneer stockman, he dropped dead while out looking after his livestock about 8:30 Sunday night. Mr. Webb ate a hearty supper and was feeling as well as usual.

Mr. Webb came to this country from Williamson county about thirty years ago. He was 83 years old. He is survived by a wife and two sons and two daughters. The sons are T. J. Jr. and T. L., of Giffin; and the daughters are Mrs. Grace Winkler and Mrs. R. W. Bingham, of Dallas.

SOUTHWESTERN DIVISION LOOKS AFTER SOLDIER!

Red Cross Workers in That Section Assist, Care For and Entertain Men in Camps and Hospitals.

Approximately 30,000 able-bodied soldiers and more than 5,000 invalid soldiers and ex-service men in the hospitals in the United States have been assisted in obtaining compensation and in the solution of their other problems by the American Red Cross, according to E. S. Trassie, director of war service of the Southwestern Division of the American Red Cross.

"Red Cross workers in the camp and hospitals in the Southwestern Division are rendering much-needed service to the men who are in the army at the present time," said Trassie. "Those service men undergoing hospital treatment for one cause or another and ex-service men who have been hospitalized both in the army hospital and hospitals operated by the Veterans' Bureau, are some of the men in need of this service.

"The army camps and hospitals in this division covered by Red Cross workers are located at Jefferson Barracks, St. Louis, Mo.; Camp Travis, Tex.; Ft. Bliss, Tex.; including Wm. A. Beaumont General Hospital; Ft. Leavenworth, Kan.; including the U. S. Disciplinary barracks at that point; Ft. Riley, Kan.; Ft. Sill, Okla.; Fitzsimons General Hospital, Fitzsimons, Colo.; Camp Furlong, New Mex.; Camp Harry J. Jones, Douglas, Ark.; and the Army and Navy General Hospital at Hot Springs, Ark.

"The Veterans' Bureau hospitals served by the Southwestern Division of the Red Cross are: U. S. Veterans Hospital No. 33, St. Louis, Mo.; Veterans Hospital No. 25, Logan, Tex.; U. S. Veterans Hospital No. 55, Ft. Bayard, N. Mex.; U. S. Veterans Hospital No. 67, Kansas City, Mo.; U. S. Veterans Hospital No. 78, N. Little Rock, Ark.; and U. S. Veterans Hospital No. 81, Fort Lyon, Colo.

"Of the 5,000 patients, approximately 75 per cent are undergoing treatment for tuberculosis and mental diseases. This makes the work one of considerable difficulty, inasmuch as it is oftentimes a real problem to provide proper recreation or to connect the man's present condition with his service.

"There are three phases of the Red Cross program for service and ex-service men in the camps and hospitals—Home Service, Recreation and Medical Social Service. Our regular camp service program consists of what is known as home service work. This calls for co-operation between the Red Cross worker in the camp and governmental and chapter agencies in taking care of problems of the enlisted man in the army. Difficulties relating to allotments, allowances, insurance, compensation, state bonds, travel pay, etc., are all brought to the Red Cross by the enlisted man. The Red Cross also contacts the families through the chapters in case of distress, sickness or death.

"The recreational and entertainment program in the hospital brings movies for the boys, amateur theatricals, dances, parties and those many other things that the sick man longs for, but which he could not have were it not for the Red Cross.

"The Red Cross medical and social service program calls for a study of the individual needs of the man, to help him in solving his personal and family difficulties, to aid him by material assistance when he is without resources, to aid the doctor in his treatment of the patient by obtaining former medical or social histories which may lead to an accurate diagnosis and to interpret the whole situation to the Red Cross Chapter home service worker in the man's home community, so that not only with the proper attention be given to the family during the man's absence, but he may be free in mind and thus derive a maximum amount of benefit from his treatment.

"In carrying out our work for the ex-service man undergoing hospitalization the Red Cross has constantly borne in mind that the great object has been to play the right part in the period of adjustment through which the ex-service man must safely pass if he is to continue to be a good citizen. This work has required personnel who are not only sympathetic in the dealing with patients but who must have an understanding of the social problems of civil life.

"Just as it has always been recognized that the time spent in a government hospital is only a brief episode in the life of a patient, so has it been recognized that the activities of the hospital worker are only a part of the responsibility of the Red Cross to the ex-service man; that the hospital work can be successful only as it correlates itself closely with the work of the Red Cross as a whole. The hospital worker is the outpost detailed to special duty. It is his endeavor to interpret the present condition of the man in the hospital to the home people and as each of us, as individuals, watched the men who marched away to service, as each one of us helped to 'keep the home fires burning' while the boys served in the front line trenches, so does it become our duty today to render a very definite service to these men, who are still fighting the great battle of humanity, begun in 1917, and in which to date no armistice has been declared. Through the Red Cross you are helping them to hold the line."

A Timely Suggestion

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears, and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.

SOUTH BALLINGER NEWS

Mrs. W. E. Branch and daughter attended the singing convention at Maverick Sunday. They report a large crowd in attendance with plenty of good singing and dinner for everyone.

Mrs. W. S. Davis and son, J. R., returned home Saturday from a two weeks visit with relatives in Waco.

Roy Cochran, who had been spending a few weeks with his parents, has returned to Big Spring.

Mr. and Mrs. Frank Boothe and children of near Crews, spent Saturday night with Mrs. Boothe's parents, Mr. and Mrs. I. F. Watson.

Mr. and Mrs. Dave Davis returned to their home in San Angelo Monday.

Mr. and Mrs. Luther Watson, who are teaching school in Haskell county, spent the week end with Mrs. Watson's parents, Mr. and Mrs. F. T. Rushing.

Miss Florence Boyer is visiting relatives in Valera.

Robert Lowry came down from Tuscola Sunday and spent the night with his mother, Mrs. W. E. Branch.

Mrs. C. C. Cookrell, Mrs. O. M. Hood, and the little son of Mr. and Mrs. Jack Carroll, have been quite sick, but are all reported to be better.

Harry Midgley, who has been confined to his home for several months suffering from cancer of the mouth and throat, is seriously ill.

We had 64 present at Sunday school Sunday evening. Our superintendent, Rev. Doss, who had been away for three months, has returned home.

Our Literary Society rendered a good program Saturday night to a full house.

The people of South Ballinger gave Rev. and Mrs. Doss a pounding Monday night.

Mr. and Mrs. F. T. Rushing are preparing to leave in a few days

for Georgetown, where they will make their home. We regret to see these good people move away from Ballinger, and wish them much success in their new home.

Lee Evans will move to the Rushing place to make home.

"ELBERTA."

DO YOU KNOW THIS MRS. WILSON?

Chief of Police Pilcher received a letter Tuesday making inquiry about a woman by the name of Wilson, who is the mother of a man by the name of John "Squirrel" Wilson. The letter is from El Dorado, Kansas, and in part says:

"Will you be so kind as to try to locate one Mrs. Wilson, who is supposed to be there, who has a son by the name of John "Squirrel" Wilson? A man came in today who tells us that this man has a mother in Ballinger, Texas.

"John "Squirrel" Wilson was shot and killed here night before last by a county officer, and his body is being held at this establishment, pending advice from relatives, who we are trying to locate."

The letter is from an undertaking establishment at El Dorado, Kansas, and anyone knowing of the mother of the deceased should communicate with Mr. Pilcher.

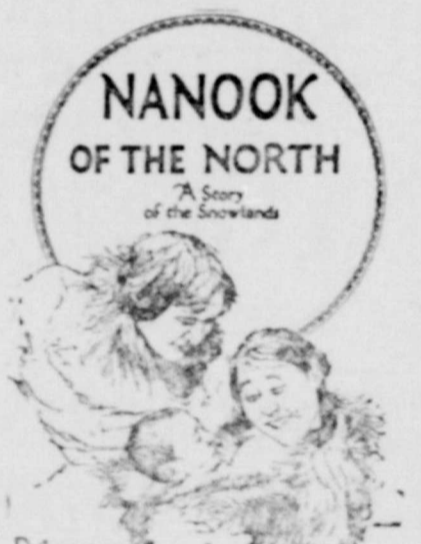

Good music, and no extra charge for the first attraction of the Lyceum course Tuesday night. Help the good cause. 6-2d

The Hupmobile

is

"COMING"

Get What that Means,
Mr. Dealer

Ten years ago, any dealer could handle any one of possibly 50 cars—and on a hit and miss basis, make money.

Today, those 50 have narrowed down to 14. The dealer today must have one of those 14 cars—and a real sales method—if he is going to survive. Of these 14 Hupmobile is in the very forefront. It is in the forefront—but it has not begun to exhaust its sales possibilities.

Increase In Hupmobile Production

The Hupmobile is "coming." It is making more money for the individual dealer today. It will make more next year. It will make still more in 1924. The factory is planning greatly increased production for both years.

We don't know—and we believe that you don't know—where such an opportunity is available today outside of the Hupmobile organization.

People in your territory now know what a wonderful car the Hupmobile is. Owners are spreading the facts; everyone—especially mechanics—are saying: "The Hupmobile is a mighty good car to own." And, naturally, this sells more Hupmobiles.

Hupmobile Easier to Sell

This all gets back to the fact that the dealer today can sell Hupmobiles with greater ease, and he can sell more of them, than ever before.

And, we know, he can make more net profit on the Hupmobile; profit that compares most favorably with what can be made in any other line of business.

The Hupmobile franchise is eagerly sought for today by dealers everywhere.

We want men who understand that selling automobiles does not mean a large investment in pretentious salesrooms, but that it means sound business practice, keeping salesmen on the job, and good bank credit.

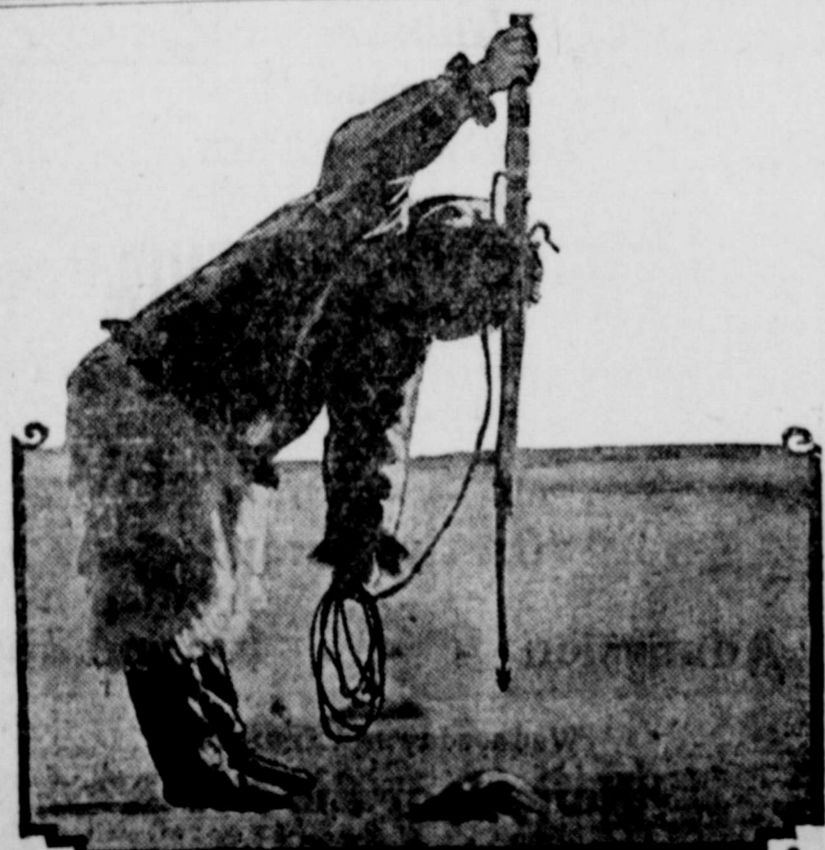

If you are such a dealer, you can, unquestionably, make good money in selling Hupmobiles. Hupmobile dealers have demonstrated this to be a fact; let us tell you the full story.

Write to us today. We believe that you will have cause to congratulate yourself, time after time in the future, on having done so.

JUNIOR RED CROSS MAKES GOOD CITIZENS

Through It Children Learn Patriotism, Altruism and Generosity.

The Junior Red Cross exists for the purpose of making good American citizens. This statement was made by an eminent authority in a recent answer to the question, "What Is the Junior Red Cross?" In the United States there are 5,000,000 members of Junior Red Crosses and in the Southwestern Division the membership of children in this organization numbers 434,576 and here is some of the work these children do.

They support work in Europe to children who are in need. They send Christmas boxes of goodies to children who do not have them. They make shipments of garments abroad to the destitute children of war-crippled Europe. But this is not as interesting to Americans, perhaps, as the work which the Juniors do at home. One of the blazest problems in America today, according to experts, is the tremendous amount of malnutrition found among the children of this country. One-third of the children of America are malnourished, according to actual counts. The Junior Red Cross, through its school auxiliaries and growth classes, is seeking to eliminate a large part of this malnutrition and has succeeded to a very gratifying extent.

The Junior Red Cross also is answering the question of how to eliminate individual, group, racial and international hatreds which exist among people today. The polyglot character of the personnel of the average American school gives an excellent field for work of this kind and foreign children, as well as native-born Americans, learn what good citizenship is in their Junior Red Cross activities even more than they do in the patriotic exercises of their school room work. Loyal and serviceable citizenship, that absolute essential to a great democracy, is being created in the breasts of these little foreign-born Americans through the Junior Red Cross activities as it never could be otherwise.

One of the helps to this is the work the children are doing for the disabled ex-service men in hospitals, for the sick and crippled children who need help and cheer, in equipping playgrounds so that sad-eyed little children of the congested districts are taught the joy of a normal childhood. By learning to serve others in these and many other ways, lessons of community spirit and co-operation are taught the growing boys and girls of this country.

Another thing the Juniors are doing is assisting in the promotion of health in their communities by clean-up campaigns and other civic undertakings. On the whole, one of the most constructive pieces of work done in the Southwestern Division, American Red Cross, during the year, in the opinion of those who have studied the situation, is that among the children, which has been carried on through the Junior Divisions of Red Cross chapters and the school auxiliaries of Junior members.

NURSE IN SOUTHWEST DIVISION COVERS BIG TERRITORY

Miss Mary Fitzsimon, Washington County (Arkansas) Red Cross nurse, is in charge of one of the largest territories covered by one individual in this capacity in the Southwestern Division. Ten towns are in her district and her work covers all kinds of ailments and illnesses, serious and simple, as well as general sanitation and health information.

The well people of one neighborhood in Washington County are particularly indebted to Miss Fitzsimon for having discovered a contaminated water supply which might have caused the illness of the entire community.

In cases where contaminated water supplies were not discovered in time, Miss Fitzsimon has been able to offer an anti-typhoid inoculation which has been so successful in the army as a means of stamping out this disease.

A group of trachoma cases discovered in July by accident is being successfully treated. The mother of this family already had lost her sight, but the other members probably will be not much the worse after the treatment is finished.

A number of ex-service men who have not received their compensation and other disabled soldiers who wanted assistance or vocational training also were cared for during the summer and spring.

SIXTH ANNUAL

ARMISTICE DAY
NOVEMBER 11
TO
THANKSGIVING DAY
NOVEMBER 30

Answer "Yes" when your Chapter calls your name.

GOOD PROGRAM FOR BANQUET

The members of the Young Men's Business League will be hosts at their annual banquet Friday night to visitors from eight or nine adjoining cities thus assisting in cementing the pleasant business relations which now exists between towns in this section. Invitations have already been mailed and it is hoped that there will be a large turnout of local boosters that night to welcome the visitors from our neighboring towns.

If weather conditions are right, the radio concert will undoubtedly be one of the most interesting events of the evening. In addition to receiving programs and special greetings from the Record and Star-Telegram of Ft. Worth, the receiver will be cut in on programs from Los Angeles, Denver, Kansas City, St. Louis, Davenport, Iowa, and other distant points.

Billie Gross' Blue Devils of San Angelo will keep things pepped up during the meal hour and furnish accompaniments for the group singing, another feature in which everyone will be urged to take part at the top of their voices.

The favors, which were ordered several weeks ago, have arrived, and will add to the merriment of the evening. The ladies in charge of the table decorations state that they have surprises planned for the banqueters which will alone be worth the price of the ticket.

If Hens Don't Lay feed "Martin's Egg Producer," and get more Eggs or you money back. Cure and Prevent Disease with "Martin's Roup Remedy," guaranteed by your druggist or dealer.

It takes time—and lots of it—to cure tobacco properly.

Nothing can hurry it, but once aged, blended and packed, the sooner you smoke it the better it is.

Every tin of fresh TUXEDO is banded—"FRESH FROM THE FACTORY"—FRESH WHEREVER YOU GET IT." This band insures your receiving fresh Tuxedo.

Fresh Tuxedo is delivered to the dealer in small lots—even a carton of one dozen tins, if necessary. Your dealer receives Fresh shipments frequently—almost daily.

Attached to each tin of Fresh Tuxedo for those who "roll their own" is a supply of RIZ LA CROIX cigarette papers—imported from France, the strongest, finest papers in the world.

Buy a tin—try a pipeful—roll one cigarette—and see how good fresh tobacco really is.

FROM GIRLHOOD TO WOMANHOOD

Woman Relied Upon Lydia E. Pinkham's Vegetable Compound

Emporia, Kansas.—"I began using Lydia E. Pinkham's medicine years ago when I was a girl. For several years I had severe pains at menstrual periods, making me very weak and interfering with my regular duties. I tried several remedies without obtaining relief. I was induced to try Lydia E. Pinkham's Vegetable Compound by friends and it restored me to normal health. I often have occasion and do recommend your Vegetable Compound to my friends who have troubles similar to my own. You may use these facts as a testimonial."—EVA ALDRICH, 213 Union St., Emporia, Kansas.

There are many women who first use our Vegetable Compound during their girlhood days. They found it a valuable help during trying periods. In later years they use it whenever they feel those annoying symptoms which women often have.

Lydia E. Pinkham's Vegetable Compound is a woman's medicine. It is prepared carefully from the best quality of medicinal plants, whose properties are especially adapted to correct the troubles women have.

CUSTOMERS CALL FOR DOLLAR DAY
"Why don't the merchants of this city put on a Dollar Day," said a farmer Monday, when he called to see if he could not get in on dollar day bargains.

The farmer called to mind that one year ago Monday Ballinger staged a big dollar day, and many people took advantage of the opportunity to get in on dollar day bargains.

A move is on foot to stage a big dollar day here on the First Monday in December. If the merchants will begin in time and advertise dollar bargains, the crowds will come and the First Monday can be made one similar to the old time trades days, when the crows came, swapped horses, and did their early holiday shopping.

You can do double duty Tuesday night by attending entertainment at Carnegie Library. Get a season ticket. 6-24

MENNONITES ON WAY TO MEXICO

SAN ANGELO, Nov. 7.—A special train of 31 cars, carrying 125 Mennonites and their livestock and household goods, passed thru this city over the Orient this morning from Manitoba, Canada, en route to Mexico, where they will locate. The special train consisted of 27 cars of livestock and household goods, implements, etc., two Pullmans and a chair car. The train stopped here about thirty minutes.

The Mennonites have purchased 350,000 acres of land out of the Bustious ranch West of Chihuahua City, and will build a complete colony. It is expected that 200,000 of these people will migrate to the Southern republic within the next two years. The Mennonites came to North America from the Netherlands and located in Canada. They claim the Canadian government broke faith with them relative to agreements that they should have their own settlements, churches, schools etc., and that they would be exempt from military service. They are now leaving Canada and going to Mexico.

BAND TO PLAY FOR LYCEUM TONIGHT

The Ballinger band will give a concert tonight at the Carnegie Library preceding the lyceum entertainment being given here under the direction of the Shakespeare Club. Clyde Wilson McCord, dramatic orator, will have charge of the program tonight, which is the first of four numbers to be presented here during the next two or three months. The Shakespeare Club is striving to supply good entertainment and at the same time raise a fund to be used in improving the high school library. The people of the city should rally to the aid of the club and set a new standard for attractions of this class in the city, and aid in building up the school library. The four attractions can be enjoyed for the price of one season ticket, \$1.50, and one of the musical numbers alone merits patronage which should make up the cost of all the entertainments.

Mrs. W. E. Fulcher returned home Sunday from a visit to her daughter at Chiles, Texas.

SAYS NEGRO WAS NOT TO BLAME FOR WRECK

Parties who investigated the auto collision on the Ballinger-Rovena road between a party of white men in a Buick car and a bunch of negroes in a Dodge, say that the negro who was driving the Dodge was not to blame for the wreck. The evidence shows that the negroes were coming towards Ballinger and the white boys were going towards Rovena, and that the negro was driving on the right side of the road. This is opposite to the report first given The Ledger and which was published in Monday's paper. As the first account of the collision furnished The Ledger left the impression that the negroes were to blame, we make the correction.

Mrs. Scott H. Mack returned home from a visit to friends at San Angelo Monday afternoon.

Chamberlain's Tablets Have Done Her a World of Good

"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Button, Kirksville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

Notice to Prospective Students

The Ballinger Printing Co. now has several complete scholarships good at the Tyler Commercial College at Tyler, Texas, face value \$65.00, which we will make it to your advantage to buy if you contemplate taking a business course any time soon.

Call on or write us THE BALLINGER PRINTING COMPANY.

Theme Paper, 10c per package, get it at the Ballinger Printing Co. 15-tfd.*

POLICY HOLDERS CAN SAVE CASH

If the property owners of this city will take a hint, and get busy during the next few days, they can save a considerable sum in the aggregate on their insurance cost.

Here's the hint: Within the next ten days or two weeks a couple of insurance experts will visit this city representing the fire rating board. They will check up the city for fire hazards, and it stands to reason that the fewer the fire traps, the lower will be the fire rate.

The average citizen knows whether he has anything around his premises which forms a good place for fire to originate, or which would make it for a fire to spread when once started, and if these average citizens will get busy and eliminate such places just as much as possible, the rating board will grade you accordingly.

It is a dandy good time to wage a general clean-up campaign. If the weeds are not dead and ready to burn, kill them and then burn them. If there is a trash pile around your home or place of business bidding for somebody to toss a match in it, get it out of the way. Insurance companies charge for the risks they carry, and the fewer the risks, the less the loss and the lower the cost.

Every little bit saved adds to what you already have, to say nothing of the civic and sanitary benefits of the proposition. Do your bit towards getting a lower insurance rate for Ballinger.

How Not to Take Cold

Some persons are subject to frequent colds, while others, seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.

The band will lead the way to the Lyceum attraction Tuesday night. Get your season ticket.

CATARRH

Catarrh is a Local disease greatly influenced by Constitutional conditions. HALL'S CATARRH MEDICINE consists of an Ointment which gives Quick Relief by local application, and the Internal Medicine, a Tonic, which acts through the Blood on the Mucous Surfaces and assists in ridding your System of Catarrh.

Sold by druggists for over 40 Years. F. J. Cheney & Co., Toledo, O.

ANOTHER FIRST PRIZE BABY HEARD FROM

Three Ballinger babies recently carried off the first prizes in the San Angelo baby show, and now word comes from far away Oklahoma to the effect that the baby of Mr. and Mrs. Will Gressett won first prize in the baby show at the Oklahoma State Fair. The baby was graded "100 per cent perfect." Mr. Gressett is the son of Mr. and Mrs. L. F. Gressett, of this city, and he was here on a visit to his parents last summer.

Good Health

If you would enjoy good health, keep your bowels regular. No one can reasonably hope to feel well, when constipated. When needed, take Chamberlain's Tablets. They are mild and gentle.
