## TEXAS BANKERS PLAN HOLD COTTON

### FREEZING WEATHER SETS EARLY RECORD

(By Associated Press)  
CHICAGO, Sept. 25.—The North and Middle West is shivering today from a cold wave and high winter winds which are sweeping in a broad fan Southwesterly from the snow-capped wheat fields on Western Canadian prairies.

To the South the cold wave moved down the lower Ohio valley and into the Texas Panhandle. Unreasonable temperatures sent the mercury downward to unprecedented September levels and brought well below freezing weather to many Northwestern points.

Setting a new record for September minimum temperature, people were caught napping, and much suffering and damage will result in the Northern and Middle Western sectors. Sudden death was visited upon heavy fall vegetation and blight spread over many fields of green.

DALLAS, Sept. 25.—The Rockies sent a chilly seasonal greeting down to Texas today, and residents of this vicinity awoke to a nippy norther, the first of the fall season.

The lowest temperature for September on record, since the weather bureau was established forty years ago, was recorded at Amarillo when the mercury dropped to 34 degrees above zero. The temperature dropped from 72 degrees at 5:00 o'clock Friday afternoon.

The official government thermometer in Dallas registered a drop of 23 degrees between 2:00 o'clock and 4:00 o'clock this morning.

The cold was creeping gradually Southward, the local bureau announced this morning, with still colder weather in prospect for the state.

Today's forecast predicted colder weather and rain in East Texas tonight, with frost in the extreme Northwest. For West Texas showers were predicted in the Southeast portion, and much colder in the South portion.

### FIRST TOUCH OF WINTER FELT HERE

While coming in a mild form, the first touch of winter was felt here Saturday morning. The temperature made a sharp drop from the summer heat of Friday afternoon, and a wind from the Northeast brought a misty atmosphere during the early forenoon hours of Saturday. Business began to pick up for the coal man, although fires were hardly necessary with the first sign of what is to follow.

### VERRULES PLEA IN MURDER CASE

(By Associated Press)  
GEORGE WEST, Sept. 25.—A motion for continuance in the Leahy murder trial is expected to be filed by the defense this afternoon. Leahy is charged with the murder of Dr. J. A. Ramsey, of Mathis, Texas.

When placed on trial here Tuesday the defense filed a motion asking for a change of venue. After hearing a number of witnesses offered by the defense to prove the charge that a fair trial could not be had here, Judge Cox overruled the motion for a change of venue.

### MOSELEY AND CAGE MAY HOLD OFFICE

(By Associated Press)  
AUSTIN, Sept. 25.—Hal Moseley and John Cage, highway commissioners, and S. C. Granberry, state prison commissioner, whose confirmations as Gov. Ferguson's appointees were postponed by the Senate, may succeed in having the action deferred by the 40th legislature and thereby hold their offices in spite of their political enemies, Senator Miller, of Weatherford, declared today.

Senator Miller charged that in setting a precedent in postponing action in confirming the appointment of these officers to the regular session next January, it was possible to trifle with and defeat the very purpose of the constitution, although the action may not be proved unconstitutional.

Acting on charges filed by Senator Wood, the Senate declined to confirm these three appointees of the governor, and postponed the action of confirming to the 40th legislature.

Senator Miller believes that the legislature acted without authority in postponing the matter, and holds that Moseley, Cage and Granberry may hold their places until their term of office expires.

### 3 BODIES TAKEN FROM IRON MINE

(By Associated Press)  
IRONWOOD, Michigan, Sept. 25.—The bodies of three men, occupants of an elevator cage in the mine of the Oliver Iron Mining Company which were hurled to the bottom of a shaft yesterday beneath tons of rock, were recovered today.

Thirty-two other men are imprisoned in the mine, but the rescue workers believe that the men will be taken from the mine alive.

Company officials also said that there was every indication that the men still trapped in the mine are safe. It was stated that there were forty-three men believed to be trapped in the mine.

### 200 POUND SNAKE MAKES ESCAPE

(By Associated Press)  
NEW BRAUNFELS, Sept. 25.—A large posse of men are searching the country near here today for a sixteen-foot boa constrictor which made its escape here yesterday. The snake weighs 200 pounds.

It escaped from its cage at the Comal County Fair yesterday.

### ONTARIO CABINET OUT

(By Associated Press)  
OTTAWA, Ont., Sept. 25.—Premier Heighen's conservative government, defeated in the recent parliamentary elections, presented its resignation to the governor general today. The resignation was accepted.

Mr. and Mrs. J. J. Beck have returned from Dallas, where they had been visiting.

### PLAN ESTIMATE FOR PIPE LINE

D. C. Boyd, of Cisco, one of holders of the Ballinger gas franchise, was in the city Friday looking after business.

The engineers, Mr. Boyd said, are busy completing an estimate of the cost of the line. "We will be ready to let the contract as soon as the engineers make their report," Mr. Boyd asserted.

Some time ago Mr. Boyd and Barney Carter, of Ranger, were here and obtained a gas franchise from the city commission of Ballinger. The promoters declared that they would have gas to this city within the near future.

"Any new developments in the business will be made public as soon as they occur," the representative said Friday. "Either Mr. Carter or I will be in town from time to time looking after the work and we will keep in touch with you so as to give you the latest developments in the construction of the line." Mr. Boyd told a Ledger reporter Friday afternoon.

San Angelo and Winters have also granted similar franchises to Carter & Boyd, and as Ballinger is the nearest of the three towns to the Coleman gas fields whence the supply is to come, the line will first be constructed to this city and gas will reach Ballinger before it does either of the other two cities.

Mr. Boyd is watching with interest the progress of the two wells now being drilled South of Ballinger, and is also watching for announcements of other locations in this county.

### A Service Institution

The modern funeral director is more than simply what that title implies. Not only does he conduct the funeral, but he handles every conceivable detail in a quiet, tactful manner that averts any additional strain upon the minds of the bereaved. Such is the policy of our organization—a policy which has won for us general recognition as a Service Institution.

### TEMPLE SLAYER ENTERS MEXICO

(By Associated Press)  
DEL RIO, Sept. 25.—Federal officers here stated today that Albert Bonds, wanted in Bell county in connection with the slaying of Wiley Fisher, chief of police of Temple, crossed the Rio Grande and entered Mexico Thursday night, and is now on a ranch South of the border.

The officers could furnish no information as to where Bonds had been in hiding since the killing of the Temple officer.

Bonds, former sheriff of Bell county, and defeated candidate for sheriff in the July primary, shot Fisher as the latter was entering an auto with his wife to attend the funeral of a friend at Belton about a month ago. Bonds fired on Fisher from an auto at close range, killing him instantly. After the shooting Bonds drove away, and a man hunt failed to locate him. He abandoned his auto East of Temple, leaving a note on the seat of the car addressed to his wife.

Mr. and Mrs. A. B. Stobaugh, Mrs. E. B. Strickland, and Mr. and Mrs. W. C. McCarver left Saturday for Brady, where they will spend the week-end.

(By Associated Press)  
DALLAS, Sept. 25.—Southern bankers are being enlisted in a movement launched here yesterday, to withhold a portion of the 1926 cotton crop from the market in order to stabilize the price.

### LOCAL GINNERS REDUCE PRICE

The cotton market is still low in Texas and other cotton growing states and prices are still on the toboggan.

Cotton is bringing 14.25 cents today, cotton seed is bringing \$20 per ton and ginning was reduced from 35 cents to 30 cents. The latter reduction was made today in order that the farmers might be helped in gathering their cotton.

Several of the ginners from over the county met here Saturday and decided to reduce the price of ginning from 35 cents to 30 cents per 100 pounds of seed cotton. The new price will apply to almost all of the gins in the county. Probably one or two gins will not lower the price of ginning but a majority of the plants in this county have already done so, effective immediately.

"We feel the farmers are not getting a proper price for their cotton," an official of a Ballinger gin said Saturday. "So we lowered the price to enable him to make a little more on the crop. Cottonseed is selling for \$20 per ton, and it is below the normal price," he continued.

Cottonseed this year are reported not to be as good as in the past few seasons but the market is still being maintained and sales are still being made in many cities.

Col. Clarence F. Ousley, director of the Texas Safe Farming Association, today prepared an itinerary, which will carry him into the strategic centers of the Southwest and the Old South, where he will confer with bankers in an effort to make the Texas plan effective throughout the cotton raising states.

The plan as announced here yesterday at a conference of the leading bankers of Texas, is to raise \$100,000,000 to be loaned at \$50 per bale at six per cent interest to retire 1,000,000 bales of Texas cotton.

### MRS. G. E. KELLUM TO BE BURIED HERE SUNDAY

Mr. and Mrs. A. Wilmoth, 1208 Ninth Street, received a message Friday afternoon announcing the death of their daughter, Mrs. G. E. Kellum, at Conroe, Texas. Mrs. Kellum died at 3:30 Friday afternoon at her home in Conroe, and as her parents in Ballinger did not know that she was ill the news of her death came as a great shock to them. The remains will arrive in Ballinger on the Santa Fe at noon Sunday and the funeral will be held from the Wilmoth residence on Ninth Street at 3:00 o'clock Sunday afternoon and interment made in Evergreen Cemetery. Dr. Alvin Swindell will conduct the funeral services.

Mr. and Mrs. Kellum lived in Ballinger five or six years ago, and while residing here had the misfortune to lose two children. A child about two years old died with scarlet fever in November, 1921, and in January, 1922, an infant died. Later they moved to South Texas, and have been residing at Conroe, near Houston. Their friends here will be grieved to learn of Mrs. Kellum's death.

### VICTIM OF AUTO BURN REPORTED IMPROVING

O. P. Dorsey was in Norton Friday, and upon returning to Ballinger reported that Clyde Gabbert, who was burned in an auto accident a few days ago was recovering.

In reporting the accident The Ledger stated that gasoline was ignited from a match while the gas tank of the car was being filled. Mr. Gabbert says this was an error and that the fire started from a lantern instead of a match. It was also stated that Mr. Gabbert was en route to see his mother who was ill when the accident occurred, but it was Mrs. Gabbert's mother they were going to see.

The fire which came near costing Mr. Gabbert his life was caused from gasoline becoming ignited while the car tank was being filled at the Bennett filling station seven miles West of Ballinger.

### WINTERS DEFEATS EDEN FRIDAY; SCORE 33 TO 13

The Winters Blizzards were victorious in their second game of the season Friday afternoon when they defeated the Eden squad 33 to 13 in a fierce struggle.

The Eden team held Winters scoreless in the first half while they piled up 13 points. In the second half the Eden defense gave way to the steady pound-pound of the Winters line and backs and the Blizzards scored 33 points in the last half.

Soon we will be saying that individual candidates carried the election by a majority of so many dollars.—Asheville Times.

Virginia Lady Tells of Taking Cardui and Says She Has Since Recovered Perfect Health.

Lynchburg, Va.—"I have taken Cardui several times for a run-down condition and have found it perfectly splendid," says Mrs. L. T. Marsh, 715 First Street, this city. "About ten years ago," she explains, "I became so weak I could not go about. I looked like a skeleton and... was dreadfully worried about myself. A friend suggested Cardui and I decided to try it. "I kept up the medicine until I had taken six bottles. It regulated and built me up. I improved greatly. "Last year we drove up here through the country from Florida. I was exposed to the weather and must have taken cold, for I became ill... I got run-down, lost flesh... could not sleep and had no appetite at all. I was so nervous that I did not know what to do. "I thought of Cardui. I began to take it regularly and it was not long before I began to feel better. I took six bottles, one after another, and at the finish of the last one was perfectly well again. Since then I have continued gaining in weight and all winter have been in perfect health." ## TICKET SALE ON LYCEUM COURSE

The Parent-Teachers Association have secured for this year another good lyceum course, consisting of five numbers. The first number will appear October 7th. And, as has previously been the policy of the P-T-A they have placed the prices on such reasonable basis that everyone can attend. The adult season ticket will sell for \$2.00. And, to make it possible for every school child to have the opportunity to attend and enjoy this series of high class entertainment, the price of one dollar for the season ticket of five numbers will be charged to school children.

Tickets are on sale at Strain Drug Store, high school building by Prof. Lyon, or if you will phone your order to a member of the P-T-A your ticket will be delivered to you. Following are given the opinions of some of our representative people who enjoyed last year's lyceum and it is thought the Dixie company are to offer attractions this year at least as good as last year and they say it will be a better program.

"Having seen each of the numbers presented last year, I am quite positive that I have never attended an entire series that upheld such a high standard throughout the season, even to the last number. I enjoyed every one of the numbers. "And in looking over the program to be presented this year, I feel justified in saying we are going to get another series as good if not better this year. "—J. D. MOTLEY."

"I take real pleasure in endorsing last year's lyceum. Every number I attended was good. And I believe we are going to have another good one this year. "—R. T. WILLIAMS."

"I attended the lyceum course the past year and found every number enjoyable, entertaining and instructive.

"I think our P. T. A. is to be commended for making it possible for us to have such high class entertainment. "—MRS. GEO. VAUGHN."

"I heartily endorse the lyceum course that was sponsored by P. T. A. last year. The numbers were well chosen, pleasing, and with variety enough to suit all tastes. "I feel confident that the pres-

**FELONIES FILED  
AGAINST BOYS**

W. A. Ashton, 18 years old, is  
free under \$3,000 bond and faces  
three charges of forgery in the  
justice court here. He made bail  
shortly before noon Saturday and  
was bound over for the action of  
the October term of the grand  
jury.

Merchants from Miles made  
complaints against young Ashton  
Saturday morning and County  
Attorney C. P. Shepherd filed the  
charges.

It is alleged that young Ashton  
forged three checks, for amounts  
ranging from \$10 to \$32.50, and  
passing them for merchandise at  
Miles, one week ago today. He  
purchased a pair of shoes, three  
cans and three tubes with the  
checks. The name of William  
Brown was used as signed of the  
checks.

Ashton is the son of William  
Ashton, well known farmer, re-  
siding three miles North of Bal-  
linger on the Crews road.

**Abbot is Held**

J. D. Abbott, Taylor county  
youth, is held in jail here, facing  
three forgery charges, filed last  
Monday in the justice court here.  
He first gave his name as Joe  
Caldwell but it was revealed later  
upon a visit from his father, who  
lives about eight miles South of  
Abilene that his real name was

J. D. Abbott.  
He was arrested last Sunday  
afternoon and placed in jail after  
passing five checks alleged to be  
forgeries. Three cases were filed  
against him. His bond was set  
at \$1,000 in each case but he was  
unable to make bail.

NOTICE—We especially urge you to attend the Friday shows  
and Saturday matinees as we are usually crowded beyond  
capacity on Saturday Night. After this week our new show  
will be open and we will have plenty of room for all.

It's Not Always  
Your Carelessness!

You may be very cautious—you may  
guard against such things, but of-  
times it is the other fellow who is to  
blame. And when the "Red Reaper"  
takes hold, he plays havoc anywhere  
—everywhere. He may destroy your  
neighbor's home, he may destroy  
yours. Don't take the risk. For a  
few dollars a year we will assume it.

**BEARCATS LOSE TO ANGELO 19-6**

San Angelo 19—Ballinger 6. That was the score of the first game played by the two teams this season when they met Friday afternoon at Fort Coneho Park in San Angelo. The Bobcats proved to be a slight bit stronger than the Bearcats and put over three touchdowns in the second and third quarters to win the game.

A fumbled punt was the first of the errors brought into the game by the Bearcats and there were two or three more fumbles in the game that proved very costly to the squad. The Bearcats were right on their toes in the first and fourth quarters and outplayed the Bobcats but in the second and third quarters they weakened and were not able to hold the big red-headed Haley at full, the passes thrown to Lee and Nichols and end runs of Weaver. Haley scored San Angelo's three touchdowns. Weaver kicked for the extra points.

The four named above proved defeat for the Bearcats. Haley could not be stopped with the exception of a few times and he was always plowing the line. Balding tossing passes to Nichols and Lee on the ends, was always good for a gain with the exception of a few instances. Weaver, quarterback for the Bobs, made several nice end runs for good gains which were responsible for later scoring touchdowns.

To start the game, Rayburn kicked off for Ballinger and the ball was downed on the San Angelo two-yard line. It looked fine then, but San Angelo kicked from behind the goal line to the Ballinger safety who fumbled the ball. It was covered by a Bobcat player in the center of the field. After staying in the center of the gridiron for a few minutes San Angelo made a couple of first downs but were held until four downs were called on them with the ball on Ballinger's 12-yard line. Ballinger kicked out of danger and the quarter ended

with the ball in the center of the field.

The next quarter came on with a couple of touchdowns for San Angelo. The Bobcats completed a couple of passes; made two or three nice end runs, bucked the line for two or three good gains and then the ball went over the goal line.

The score was 6 to 0 in favor of San Angelo.

Very soon following the touchdown in this quarter, there came another. A fumble or two, an end run or two, coupled with the completion of a pass or two and then some line bucks put the ball over the goal line for the second touchdown.

The half was called with the score 12 to 0. The San Angelo extra point kicker failed in both attempts to get the oval between the uprights.

Between the halves the San Angelo pep squad, what little there was, paraded over the field and gave a few yells and songs. School has not yet convened in San Angelo and therefore the pep squad was short of what it usually is every year. The crowd that came out to see the game in San Angelo was also short of what the crowd was in Winters a week ago when the Winters squad defeated Ozona. There were almost as many from Ballinger to see the game as San Angelenos.

The teams came back on the field to open the second half. Neither was very strong right at first but the Bobcats were able to score a touchdown and then kick for the extra point. That was the last scoring San Angelo did during the entire game. The score was then 19 to 0.

In the fourth quarter the Bearcats started playing some real football against Coaches Dykes and Bissett's first string players and pretty soon they had scored a touchdown on a forward pass, an end run, a line buck and another end run. Pete McKenzie, right half for the Bearcats, carried the ball about three yards around right end for the touchdown. The Bearcat extra point kicker failed in his attempt to kick the extra point. That gave Ballinger 6 points.

The Bearcats received the next kick and carried the ball to the

50-yard line. They advanced several yards and then lost the ball on a fumble. The Bobcats recovered. The Bearcats, however, got control of the ball before the quarter ended and were well toward the goal line in San Angelo's territory when the final whistle blew.

Coach Felton Wright will put his men thru some strenuous workouts between now and next Friday afternoon when the Howard Payne Reserves come to Ballinger to play the locals. The Bearcats have a much better squad this year than last and it is expected that some mighty strong battles will be put up by the eleven before the season is over.

The Bearcats made a fair showing against the Bobcats, with every Ballinger man displaying a good fighting spirit. The line at times was weak but most of the evening they were airtight. The backfield was not much to speak of although they did some fine playing when it came their turn, especially in the last quarter.

The playing of Alagood and McKenzie of the Bearcat backfield stood out on both the defense and offense. With the entire line showing up pretty good. Tuckey (captain), and Rayburn, at ends, showed some good work. Powell and Middleton worked the tackles for Ballinger. Middleton was replaced by Pete Marecek at this position in the second quarter. Foreman and Reese held the guard positions while McWhirter was the pivot of the line, playing center.

The starting line-up:

Tuckey	le	Nichols
Powell	lg	Hardin
Foreman	lg	Brister
McWhirter	cen.	Young
Reese	rg	Nibling
Middleton	rt	Shrum
Rayburn	re	Lee
