Twice a Week

Tuesday and Friday

VOLUME NO. 51.

BALLINGER, TEXAS, FRIDAY, JULY 22, 1932.

NUMBER 87.

Complete Ticket Of Primary is Printed Below

Below will be found a copy of the election ballot for Saturday with all offices and candidates shown in the order they will appear on the ticket. Numerous requests have been received at The Ledger office during the past few days to reprint the ticket before Saturday and we are reprinting the ticket for those who wish to mark their tickets in advance.

At the bottom of the ticket is listed all the precinct candidates. Of course all these will not appear on all the ballots of each precinct. At Ballinger only county and justice precincts No. 1 will appear on the ticket.

The official ballot as will be used at the voting boxes will include the Democratic party pledge at the top and this will be followed by national, state, district, county, commissioners precinct and justice precinct offices.

The ticket follows:

Water Consumption Greater Last Week

Daily water consumption in Ballinger reached the highest peak for the year last week when the master meter showed a daily average of 333,243 gallons. This required 7 hours and 35 minutes average daily pumping time. Continued hot, dry weather has caused considerable irrigation of yards and increased consumption more than 100,000 gallons per day.

The office department reported that all delinquent water customers had paid with the exception of 34 and these would be either settled or cut off within the next few days. Two building permits for repair work were issued last week.

The grader and tractor were operated 51-2 days in taking care of the dirt streets, opening drain ditches and killing weeds growing in drainage lines.

Caring for grass, trees and shrubs continued at city park. The city report showed that the park is being used every day and that crowds are growing as people seek recreation there from their work in the late afternoons. Swimming just below the big dam has been good since recent rains and will be good as long as water continues to run over the dam.

Who'll Be Governor? Here's the Whole Ballot, Take Your Pick!

Here are the eight candidates for governor. You're going to vote for one of them Saturday, if you're a good citizen. One of the eight will be handed the reins of the government of the State of Texas by vote of the people, and your vote will be worth as much as any other. The sketches were made exclusively for this paper by Texas News Photos.

Firemen Return From Junction

Ballinger firemen returned Wednesday morning from Junction where they had been since Monday afternoon attending the convention of the Hill Country Firemen's Association. They report one of the most enjoyable conventions ever held by the association and one of the largest crowds attending.

The Junction committee with a small resort at its disposal, featured many entertaining events during the convention and visitors were delighted with the hospitality of the people. The next meeting will be held in Brady, that city being selected at the closing session of the convention Tuesday afternoon.

Menard won first place in the races with Junction second and Sonora third. The convention opened Monday night with a large number of delegates registered. The Ballinger firemen presented a drill, featuring the use of salvage covers, gas masks and other kinds of modern fire fighting. Chester Cherry, assistant chief of Ballinger, gave a demonstration of first aid on the streets of Junction. Later in the night the convention ball and a swimming party were attractions.

Early Tuesday morning most of the firemen went to the pool at Kimble Courts, one mile from Junction, for a swim.

Business sessions were held Tuesday morning and afternoon, all numbers being presented as they appeared on the program. Speakers from Ballinger were H. W. Lynn, W. C. McCarver, J. D. Motley and Chester Cherry.

All delegates were entertained at noon and again at 6 o'clock Tuesday with a barbecue at Schreiner Park. Fifty head of goats and sheep were butchered to provide the meat for these occasions. All the trimmings, including home-made cakes and other delicacies were served. During the evening meal a bathing beauty contest was staged. Male members of visiting fire departments acted as the contesting "beauties." Mason firemen proved their superiority and were given first prize.

A water fight Tuesday afternoon resulted in Ballinger losing to Junction. The only contest in which Ballinger came out victorious was swimming in which the Ballingerites won first place and in diving where second place was given the local team.

REV. McCLAIN TO CONDUCT REVIVAL AT PUMPHREY

Rev. J. H. McClain will go to Pumphrey Friday to commence a revival which will continue for two weeks. There will be no services at the Ballinger Baptist Church Sunday morning or evening. Arrangements have been made, however, for services here July 31 when Rev. J. W. Salers will preach. Dr. A. C. Gettis, of Belton, will preach to the local congregation on the following Sunday.

Election Special Edition Sunday; To Issue No Paper Next Tuesday

All subscribers of the Ballinger Semi-Weekly Ledger will be mailed or delivered a copy of the Sunday morning election special. This paper will take the place of the Tuesday edition of the paper and the next edition printed will be Thursday, July 28.

In this way all patrons of the paper will receive their two papers next week. The publishers allowed to mail only two papers weekly under the present permit with the postal department which provides for such frequency of editions. Believing that the subscribers will be interested in the election news the best possible service available was arranged for all Saturday night and Sunday morning and this will be printed and rushed to the subscribers in an effort to give them the latest news.

It is expected to be able to publish the results of all county races, showing a complete tabulation.

Masonic Party is Successful Affair

A large number of Masons and their friends gathered here Tuesday evening to attend the bi-centennial program commemorating the 200th anniversary of George Washington. The program was sponsored by the study club of local lodge No. 643 honoring the great leader of this nation.

Dr. W. B. Halley, was master of ceremonies, presented the numbers of the program. The evening social was opened with a mixed quartet singing "America, The Beautiful." Hon. Marcus Weathered, of Coleman, could not be present as was announced but Judge J. K. Baker, of Coleman, most ably substituted in his stead, addressing the large audience on "Washington, the Man of the Mason." Judge Baker made no apologies for being a substitute speaker and showed that he needed to make none. Starting with the birth of Washington, he followed through his life, dealing especially with that part he spent in the Masonic lodge where he was a leader. After picturing the main events of Washington's life until death the speaker then painted a picture of how he has lived on. He closed with a report of the Washington memorial temple, erected to the memory of this great Mason, by the Masons of the United States at a cost of \$8,000,000. Part of this temple now in use has been dedicated.

Mrs. J. A. Schnable sang the bi-centennial song written by George M. Cohan as the official song, "Father of the Land We Love." The mixed quartet sang "America."

Chairs were moved from the ballroom floor of the Ballinger club rooms and with a stringed orchestra in the pit a number danced the old time dances until a late hour.

The occasion was a success in every respect and those in charge were delighted with the attend-

Morning Precinct Conventions Called

Precinct conventions for boxes Nos. 1 and 24 will be held Saturday at 10 a. m. The convention for Ballinger No. 1 will be held in the city hall auditorium with E. Shepperd presiding, and Democratic voters of Ballinger No. 24 will meet in the district court room at the court house with Drury P. Hathaway in the chair.

Both chairmen thought that the conventions would be better attended in the forenoon. The middle of the afternoon is hot and business people are busy so the meeting hour was set for the morning. This is the first time morning conventions have been held here on the day of the election.

All Democrats of both precincts are urged to be present to participate in the election of delegates to the county convention and attend to any other business that may be brought up.

E. Shepperd, county chairman, is mailing a letter to all precinct chairmen this week reminding them to call their conventions on Saturday, elect delegates to the county convention and certify their names to him as soon as possible.

The letter from the county chairman also calls the county convention to meet in the court house at Ballinger on July 30. Delegates elected at the precinct conventions Saturday will be seated and business transacted. Delegates to the state Democratic convention will be elected and resolutions heard.

Voting boxes and supplies for holding the primary Saturday have been sent all election managers. The polls will open at 8 a. m. and remain open the rest of the day, closing at 7 p. m. Judges of most precincts have arranged to begin counting the ballots early and will complete the work as soon as possible after the polls are closed.

Operators are enthusiastic over the prospects and declare they have a good showing in the only well to be brought in in this county in four years.

RALLY AT MILES BRINGS IN \$48.20

C. W. Lehmborg is in receipt of a letter this week enclosing a check for \$48.20, the amount raised at Miles at the rural club rally sponsored by the Lions Club of Ballinger. As a result of the social four boys from the Miles club will attend the short course this year.

W. R. Hunton, of Miles, forwarded the check and complimented the social, asserting it was glad to be associated with any move that would promote such friendly feeling. The auction sale drew large attendance and was one of the most successful held in the county this summer.

Wm. Dixon, of Dallas, is here spending his vacation with his parents, Mr. and Mrs. Drew Dixon.

Mrs. Hugh Latham, of Brownwood, is here visiting her sister, Mrs. C. L. Baker.

Delegation of 50 to Leave Sunday for Short Course

Change is Made In Calling Votes

One change has been made in the holding of primary elections in Texas, and County Chairman E. Shepperd is instructing each precinct chairman and election manager since receiving information from the state Democratic executive committee.

The resolution was duly passed by the state committee in session at Austin on June 13 of this year and the complete text which follows is self-explanatory:

"Be it Resolved: That all persons, election clerks, or officials of the Democratic primary in the various counties of the state to whom is given the power and authority to call the names of any candidate for whom the voter has voted, shall endorse on said ballot the following language: 'Called by _____'; (inserting thereafter the name of the person, judge or other election official who has called said ballot).

"Be it Further Resolved: That the chairman of the state Democratic executive committee shall certify this resolution to the various Democratic county chairmen of the state for observance, and said county chairmen are instructed to certify said resolution to the various presiding judges of the various voting boxes in the state for observance."

Complying with this instruction from the state committee Mr. Shepperd mailed letters this week to each election manager in the county, instructing them to see that each ballot was so marked and signed by the individual calling the ballot. For the large boxes stamps were secured giving the language required and a blank space for the caller to sign.

CAMPBELL SAYS HEAT HELPING COTTON CROP

Hugh Campbell was in Ballinger Tuesday and stated that the heat wave was causing maize and some other feed crops to wilt during the day, but cotton was being helped. The rank, watery growth on the cotton plant is being stopped and roots are being sent deeper in the ground by the torrid weather. Mr. Campbell said the top of the ground was cracking but that just beneath this crust the earth is wet. He also reported his windmills were practically out of commission the past week-end, only turning a few times during Saturday and Sunday and running very little since.

The special train to the A. & M. short course will leave Ballinger Sunday morning at 8 o'clock. More than fifty from Runnels county will board the train here according to the latest check by C. W. Lehmborg, county agent, and Mrs. Lura Hollingsworth, home demonstration agent. Of this number 29 are women and girls, members of rural clubs. Three club rallies are to be held late in the week and representatives from these clubs are to be elected after the socials.

Mr. Lehmborg is urging that all who will take transportation on the special to be at the Santa Fe passenger station not later than 7:30 a. m. The details of checking the group to see how many, buying tickets and checking baggage will require some time, and unless the delegation is on hand by 7:30 it will cause a rush and someone may get left.

The train will leave San Angelo about 7 a. m. and will be ready to depart from Ballinger at 8 a. m. Chair cars and one baggage car will make up the train.

One automobile will go through the country and this car will carry either five or six passengers. The total Runnels county representation is expected to be 56. This is slightly less than for recent years but is considered extremely good for this year and is better than first expected by leaders.

A complete list of those attending the short course and the clubs and communities they represent will be published Sunday morning in the election special.

BURNS HOLT'S CAR DAMAGED BY FIRE

Burns Holt's Chevrolet coach was burned last Friday, the top, upholstery and body of the car being ruined. Mr. Holt was on his way to the Bluebonnet oil well when fire was discovered in the rear seat. He stopped the motor and got out without personal injury but the entire interior of the auto was damaged.

The engine was in good working order when the flames were extinguished and a new body will make the car as good as new.

GOOD CROWD AT RUNNELS CLUB SOCIAL TUESDAY

A large number from Ballinger attended the 4-H club social and rally at Runnels Tuesday evening. The community being near this city caused many to drive out for refreshments and to witness the program. The usual speakers were heard, talking on the advantages of attending the short course and on community cooperation.

The Enjoyment of Supply

The man who farms on a self-sustaining basis (raising his own sure living from the land he cultivates) has a very real reason for pride in his sense of supply.

However difficult it may be at this time to secure the measure of prosperity to which every farm producer is justly entitled, there is some comfort in the fact that there need never be a lack or limitation in the matter of food and feed on the farm.

A Living at Home is the basis of all prosperity and the best basis for cooperation between this bank and the farm customers of this section.

BALLINGER Semi-Weekly Ledger

Published Tuesday and Friday by The Ballinger Printing Company... Office of Publication, 711 Hutchings Ave., Ballinger, Texas.

Entered at the postoffice at Ballinger as second-class mail matter... Subscription, one year \$1.50

Ballinger lawns are wilting badly since the intense heat wave began a week ago.

Cars of small grain are being loaded here every day. These shipments however, represent a small per cent of the small grain now being threshed in Runnels county.

The final period before the first primary, have seen candidates for offices big and little making a hard fight for votes.

Tabulations being kept here by the Welfare Association shows that there are few people needing aid at this time.

New Wonderful Face Powder Prevents Large Pores—Stays on Longer... For a youthful complexion, use new wonderful MELLO-GLO Face Powder.

Sob Sister Perils Make Exciting Drama... The perils and dangers run by a girl reporter to get a news scoop and capture a murderer before the police even suspect who he is.

Mae Clarke's poise, skill and charm are seen to excellent advantage as the sob sister who didn't stop at danger to herself to get her story.

City Commission Passes Resolution

The city commission in session July 5, adopted resolutions of respect on the passing of a faithful employee, J. E. Boone.

"WHEREAS, Joseph Edward Boone, having been in service of the City of Ballinger, Texas, for the past fifteen years in varied capacities and having been faithful to every trust and dependable in every performance of duty.

"WHEREAS, death has taken from us this faithful employee while he was actually engaged in the carrying out of his routine tasks as superintendent of the street and sanitary departments of the City of Ballinger, on the afternoon of July 2nd, A. D. 1932, thereby depriving the City of Ballinger of his valued services and the members of the City 'family' of a true friend.

"NOW THEREFORE, the City Commission of the City of Ballinger, Texas, composed of W. C. McCarver, mayor; E. Shepperd and George P. Holman, commissioners; being in regular session this the 5th day of July, A. D. 1932, desiring to convey the foregoing thoughts, with a deep feeling of sympathy, to the family of Mr. Boone, it is ordered that this resolution be spread upon the minutes of this meeting, a copy given to Mrs. J. E. Boone and a copy to the Ballinger Ledger for publication.

"Upon question the resolution was adopted by unanimous vote.

"Approved: W. C. McCARVER, Mayor

"Attest: K. V. NORTHINGTON, City Secretary."

Charity Figures Given Rotarians

The Ballinger Rotary Club Tuesday heard Frank C. Dickey, chairman of the Runnels county Red Cross chapter, who is also president of the Ballinger Welfare Association, present an account of the past year's activities of those organizations.

Mr. Dickey said from his experience he would favor some county-wide plan for the conservation of food during the summer so that it would be available in any section of the county when needed.

Deaths

Mrs. Dora Mable Young Mrs. Dora Mable Young, 33, wife of Hubbard Young, died at the family home southwest of Wil-

meth Tuesday night. Funeral services were conducted at the Wilmeth Baptist Church Wednesday, Rev. Cooper, of Brownwood, officiating. Interment followed in the Wilmeth cemetery.

Besides the husband, six children survive: Pauline, 15; Marvin, 13; Gladys, 11; Mack, 9; Sallie Ruth, 8; and Hubbard Sims, 2. A sister, Mrs. Ethel Brice, New Mexico; three brothers, King Barker, Winters; John Barker, Louisiana; and Thale Barker, Teague; and the parents, Mr. and Mrs. M. L. Barker, also survive.

HARVILLE SMASHES CAR NEAR TANKERSLY

Clyde Harville had the misfortune to badly smash his Ford sedan Tuesday afternoon near Tankersley. Mr. Harville was making a turn in the road when he was crowded off the pavement by a moving van. A concrete culvert was just in front as the Ballinger man tried to swing his machine back into the road. The front wheels cleared the side railings but the rear wheels caught, causing considerable damage to the auto.

Mr. Harville was not injured.

J. D. Motley left early Thursday morning for Winters where he was to act as master of ceremonies at the American Legion picnic.

Four Women in Race for Congressman-at-Large

Mrs. Phoebe K. Warner Mrs. Alex Adams Mrs. Fred Real Mrs. Ida Darden
Texas may send three women to congress. Four women are running for Congressman-at-large—two of them, Mrs. Alex Adams of San Antonio and Mrs. Ida Darden of Fort Worth are after place one; Mrs. Phoebe K. Warner of Claude, Texas, aspires to place two, while Mrs. Fred Real of Kerrville wants place three. Thirty-four men contenders may have something to say about this, however.

Mrs. Henry Leach. Carl King, of Hagan, is staying in the C. H. Midgley home in order that he may be near his father, Cleve King, who is ill in the Ballinger sanitarium.

Mrs. R. N. Keel and children, of Ballinger, were guests of her brother, Ed Farley, and family, Sunday.

Mrs. Sam Bryan has been quite ill but is reported to be improving.

Man Lost 26 Pounds Looks 100% Better

Feels Stronger Than Ever

Just to prove to any doubtful man or woman that Kruschen Salts is the SAFE way to reduce—let us take the letter of Mr. F. J. Fritz of Cincinnati, Ohio, recently received.

He writes: "I've tried extreme dieting, setting up exercises with very little results—but the results from Kruschen are almost incredible. In 3 months I reduced from 205 to 179 pounds and feel stronger than ever—no more wheezing or gasping for breath—friends say I look 100% better."

Bear in mind, you fat men, that there is danger in too much fat—try the safe way to reduce—one-half teaspoonful of Kruschen Salts in a glass of hot water every morning—cut down on fatty meats and sweets—one bottle that lasts 4 weeks costs but a trifle—get it at Weeks Drug Store, J. Y. Pearce Drug Co., or any drugstore in the world.

G. H. Dierschke, of Bethel, transacted business in Ballinger Tuesday.

H. W. Lynn spent the first few days of this week in Junction looking after business.

RED & WHITE PICNIC IS SUCCESSFUL AFFAIR

Approximately 2,000 people attended the annual picnic for Red & White store employees held at Buffalo Gap Wednesday. Mr. and Mrs. D. R. Smith, Mr. and Mrs. Floyd Smith and all employees of the local stores attended. There were no stump speakers, politics being forgotten along with worries of business in having a good time.

State Ranger R. E. McWilliams came in Tuesday from Austin and will be here for several days visiting relatives and looking after business. He stated Wednesday morning that he wanted to be here Saturday night to watch the bulletin board and hear the election service provided by The Ledger.

H. O. Jones, of Winters, visited here Wednesday evening.

While long-tailed monsters lived in PENNSYLVANIA

THE Devonian Age of a hundred million years ago was the source of two wonders: vast inland seas—and the crude oil found in the Bradford-Allegheny District of the Pennsylvania field. Sinclair today refines this crude into Sinclair Pennsylvania Motor Oil. Bradford-Allegheny crude is so old that it had already undergone millions of years of its mellowing and filtering process when dinosaurs lived in Pennsylvania. Today it is Pennsylvania's costliest crude—a product of the perfect oil-forming conditions in the Devonian Age plus a hundred million years of Nature's priceless treatment. Ask for Sinclair Pennsylvania—the year-round Pennsylvania grade motor oil.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up."

They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

Here's An Important Saving of Electric Refrigeration

If you, like most every one of us, must watch your pennies these days, you will be interested in the amazing facts about food spoilage... and how this money-consuming spoilage can be stopped with Electric Refrigeration.

The United States Government estimates that leftovers cost the average family \$4.50 per month—every month in the year. Most of this costly waste can be eliminated if you have an Electric Refrigerator guarding your food.

This saving alone would soon pay for modern Electric Refrigeration—and, in addition, afford priceless protection for your family.

A salesman is anxious to tell you more about the many other savings and conveniences possible with a modern Frigidaire. Just telephone for interesting information, or see any dealer.

Convenient Terms

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

Rowena Postoffice Burglary Thwarted

About 2 a. m. Sunday the Rowena postoffice was entered and an attempt made to open the safe. Mrs. Coon, who owns the Turek drug store, heard the noise and went to investigate. The burglars fled and in their hurry failed to take their 13-pound sledge hammer which was being used to batter the knob on the safe.
The Rowena ball team played the B. & H. hardware team of San Angelo here Sunday. From the first the Angelo team outplayed the home team. Rowena made 12 errors, 5 hits and no runs, while the visitors made 11 runs and 2 errors.

Mr. and Mrs. Hubert Cervenka and son, Joe Kent, visited in Rowena Monday.
Mr. and Mrs. Gene Pavlicek are the proud parents of an 8-pound baby girl. The little lady is to be called Alma Gene.
Mr. and Mrs. Joe Dierschke announce the arrival of an 8-pound daughter, born July 13. The baby is named Willa Jean. Mr. Dierschke is connected with the First National Bank here.

Threshing season will be over in about two weeks. Everyone is busy harvesting grain. Several carloads of the grain have been sold the past week. Clement Hoelscher shipped two cars of oats last week.

Mr. and Mrs. Claude Lancaster, of Granger, visited Henry Tepliczek last week.

The dance given at O. D. H. S. Hall Saturday night was a huge success. Everyone enjoyed themselves for the music furnished by the Kennedy Sisters Orchestra, gave pep and energy. The money

derived from the dance will go to replenish the Rowena baseball club's treasury.
The Rowena baseball team will play Eldorado Sunday afternoon. The game will be played at Eldorado.

Rev. J. H. McClain, of Ballinger, and Rev. Paul Ray, of San Angelo, met with a group of people here Friday night to discuss the organization of a Baptist Sunday school. The first meeting of the school will be held Sunday, July 24, at 9 o'clock, in the home of Mrs. Burnie Cervenka. Anyone not connected with a Sunday school at present is urged to come and worship with these people.

Lee Prause Orchestra, of Schulenburg, is to be here for three days next week. This band is reputed to be one of the best in the South. Old fashioned and modern music will be featured.

The dates for the dances are as follows: Kormensky Hall, July 26; St. Anthony Hall, July 27; and O. D. H. S. Hall, July 28. Everyone is urged to come and enjoy this good music.

Mr. and Mrs. E. W. Hartman, of San Antonio, were visiting relatives and friends in and near Rowena last week.

Mr. and Mrs. Edgar Slake, of San Antonio, are visiting Mr. and Mrs. Walter Schuhmann this week. Mrs. Slake is a niece of Mrs. Schuhmann.

Rev. W. P. Ray and family, of San Angelo, visited Mrs. Burnie Cervenka Wednesday.

Mr. and Mrs. W. C. Cooper and son, Hallie, are visiting relatives at Alto this week.

Mrs. Willard Schuhmann and Mrs. W. J. Schuhmann visited in San Angelo Monday.
