Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. Stimulate the body's vital organs. Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's

Syrup Pepsin. This gentle stimulant will soon right things! The bowels move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults. too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those bilious days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.

## Relief From Neuralgia In Few Minutes

Quick Dissolving Property of BAYER ASPIRIN Starts Relief 3 or 4 Minutes After Taking

Think of a headache going in three or four minutes. The pains of neuralgia, neuritis or rheumatism being eased, often, in that little space of time!

Due to important, scientific developments in the famous Bayer Aspirin laboratories, millions of people are enjoying this almost unbelievably quick relief from pain.

That is because Bayer Aspirin dissolves almost instantly in the stomach. And thus almost IN-STANTLY starts to ease pain. The average headache, for instance, eases in as little as four or five minutes. Think of what a time

saver this is to busy people.

Remember it is Genuine BAYER Aspirin which provides this unique property. So see that you get the real article when you buy. See that these three words "Genuine Bayer Aspirin" are on any box or bottle of aspirin that you buy. And that the name "Bayer" is stamped in the form of a cross on any tablet that you take.

Remember that when you buy. And remember, too, that Genuine Bayer Aspirin cannot harm the heart. Take care you get the genuine.

NO TABLETS ARE GENUINE BAYER ASPIRIN WITHOUT THIS CROSS @ 1932, The Bayer Co., Inc.

As Hungry River Crept Around Settlements

Here is a scene taken Tuesday in the Lower Rio Grande valley showing the flood of the Rio Grande river as it crept around a farm house and it's out-buildings. Although the Rio Bravo flooded the lowlands, the flood control systems of Valley counties stood the strain well, and little damage was done to the improved areas, on which thousands of citrus trees are nearly ready for picking.

## Duck Season to be

The wild duck season will open earlier this year than previously and will allow hunters one more month of shooting. The first day to shoot ducks this year will be November 1 and the season will remain open until December 31.

Hunters in this section of the state have complained of the early season. Most ducks do not arrive in this region until after Christmas and hunting has never been good when the season was
