Large Runnels Delegation To Attend Short Course

The customary community socials will soon be held in Runnels county to raise money with which to send delegates to the A. & M. College short course. C. W. Lehmburg, county agent, stated Wednesday that as soon as the rush of farm work was ended plans would be made for holding ice cream suppers and programs in many communities and that these would continue to be held until nearly time for delegates to depart for College Station.

More men are expected to attend the short course this year because of features on the program of special interest to them. One item that will interest men of this section will be tanning hides and making leather. A complete course will be given in this under an expert. Syrup making will be demonstrated to those interested and many Runnels county people will take advantage of this course. The building of trench silos and the cutting and backing of feed in them will be another interesting subject for farmers of this section who also raise some livestock.

Morning courses in the animal husbandry will be devoted to theory and lectures, and in the afternoon stock will be used in actual demonstrations. Those attending will do their own diagnosing and prescribe treatment which will be checked by specialists.

A special program for the women, girls and boys will be presented and entertainment will be about the same as in previous years, including free picture shows at night and the county fair pageant in which each county delegation will participate.

The cost this year will be \$1.25 for room and bed and \$3.75 for meals while at the school. The railroad fare is quoted at \$6.80 for the round trip a daylight ride both ways from Ballinger.

Mr. Lehmburg said he believed the Runnels county delegation would be as large as in previous years as interest is already high in every club in the county. Some of the women's clubs have already commenced raising money to send delegates.

The county agent has just made a trip over the county and thinks practically all the planting will be finished this week. Some fields are still full of weeds and grass and it will require some time before the farmers catch up with their rush work. Crops are coming up fine and growing fast, he said.

VISITING GOLFERS TRIM TWO LOCAL PLAYERS

Ballinger golf fans turned out Tuesday afternoon to furnish a good gallery for a match of unusual interest played at the Ballinger Country Club. Dr. W. B. Halley and Bill Griffiths were matched against Mr. and Mrs. J. R. Jarbor, visiting golfers.

The fans were disappointed as they watched their favorite, Dr. Halley, go down in defeat at the hands of a feminine player. The match ended with Mr. and Mrs. Jarbor 4 points ahead of their opponents. The final scores were Mrs. Jarbor 41, Mr. Jarbor 42, Mr. Griffiths 43 and Dr. Halley 44.

Invitations were extended many friends to witness the match by the Ballinger physician and some twelve or fifteen were present for most of the game or until their favorite was hopelessly behind in the score.

JUNCTION MEN ADVERTISE BARBECUE AND RODEO

A committee of Junction citizens spent several hours here Wednesday, distributing advertising for the celebration in that city June 28. The program features a barbecue, horse racing, calf roping, polo games, wild cow milking contest, sheep and goat roping, bronc busting and other rodeo events. At night a dance will be held with music by the Gunter Hotel Orchestra of San Antonio.

A 50-cent ticket will entitle the holder to the barbecue and all attractions except the dance.

More than 1,290 auto drivers in California lost their licenses last year for piloting their cars while intoxicated.

Four RFC Jobs Within the City Near Completion

RFC work is going ahead in Ballinger this week with several projects about completed. A crew is making repairs on the 1000 block on Tenth Street with material and machinery furnished by the city.

Work on the scenic drive in the eastern part of the city around the bluff overlooking city park is being pushed. The stone wall next to the edge of the bluff is well underway and will soon be completed. When this work is finished the proper grade will be made and topping similar to that on other streets placed on it. This drive is already popular and many motorists are "mowing the loop" each afternoon.

Final work is being done this week on the Eighth Street culvert. Asphalt is being placed on top of the culvert to replace the pavement torn away when the excavation was made.

A large crew has been working for the past two weeks on the school campus, grading and removing rocks from the grounds. Soil will be hauled and spread so that grass can be planted and a lawn started. Water lines to all parts of the grounds are being laid to make irrigation convenient.

At city park weeds have been cut, trees trimmed and the playground is now in excellent condition. Many citizens are using the swimming hole just below the dam for bathing. A large amount of water is falling over the dam and makes the swimming water perfectly safe.

13 Board Special Here for Trip to World's Fair

A group of thirteen Ballingerites left here Wednesday morning at 8:40 on the special West Texas train to the Century of Progress Exposition, Chicago. They will arrive at Chicago at 9:10 p. m. Thursday and may leave there in a tourist coach for San Angelo at 8 p. m., either June 12, 13, 14 or 15. A part of the local delegation used the chair car accommodations while others booked reservations on sleepers both ways.

L. V. Polk, Santa Fe traveling passenger agent, will join the train at Brownwood and will be in charge all the way to the World's Fair city. No stops will be made for meals but a dining car will be operated to supply sandwiches, coffee and light lunches.

Those making up the Ballinger group were: Mr. and Mrs. E. Shepperd and daughters, Misses Louise and Nell, Mr. and Mrs. C. J. Lynn, Misses Vhelma and Thelma Parrish, Miss Zemma Street, Miss Elizabeth Parker, Miss Williwood Bridwell, Charles Coombes and Earl Schuhmann. Miss Margaret New, local teacher, joined the party at Temple.

Mr. and Mrs. Lynn will be accompanied home by Horace Gustavus who will spend the summer in Ballinger.

200 BOTTLES OF BEER TAKEN IN RAID HERE

Sheriff W. A. Holt and members of his department confiscated 200 bottles of beer and equipment for making it in a raid here late Monday evening. Mrs. Mildred Sparks was fined \$25 and costs Tuesday on a charge of vagrancy and made bond for the amount of the fine.

Sheriff Holt stated Tuesday afternoon that there were other places in the city where raids would be made soon unless the sale of "brew" is stopped. He further declared that he and his deputies were on the lookout for 32 beer here at all times and would seize any found and arrest those handling it.

Mrs. R. E. Bruce and daughter, Dorothy, are visiting Mrs. Bruce's parents at Arlington this week.

San Angelo Around the World Flyer and Plane

Jimmie Mattern, San Angelo flyer, and the plane in which he is attempting to encircle the world. Last reports from Jimmie stated that he had been forced down in Siberia.

Allred Explains Delinquent Tax Penalty Schedule

County Tax Collector W. A. Forgy has returned from Houston where he attended the state convention of collectors. Mr. Forgy reports a very pleasant and profitable meeting at Houston and delightful entertainment. Attendance was the best in many years, more than 100 collectors from over the state attending.

One of the important talks related to the law passed by the last legislature with reference to the payment of delinquent taxes. According to the bill and explained by Attorney General James V. Allred those owing delinquent taxes will have from now until Sept. 30, 1933, in which to pay delinquent levies for any year with only 1 per cent penalty attached. If paid by December 31, 1933, the penalty increase will be 2 per cent. If paid by March 31, 1934, the penalty will be 4 per cent and after that and prior to June 30, 1934, the full amount of arrears will be 6 per cent. After June 30, 1934, the full amount of the old law will be added to all delinquent taxes which is 10 per cent, penalty and 6 per cent interest.

On June 30, 1932, delinquent taxes in the local collector's office were \$45,345 for the state and \$36,842 for the county. This includes all taxes unpaid since 1835 to the present date.

Mr. Forgy stated that some of this should be charged off as it was against land that could not be located. Many surveys of that day have checked up short and land was assessed then which does not exist.

Mr. and Mrs. Dwight McCabe and children have moved to San Angelo after residing here for the past year. Mr. McCabe has been appointed administrator for the M. M. McCabe estate and will attend to this business at San Angelo.

Miss Francis Straley is spending the week in Abilene, visiting friends.

Citizens are Asked To Cooperate in Flower Day Move

Saturday will be National Flower Day and will be observed in Ballinger, local florists taking the lead in seeing that every person shut in by age, illness or injury has a bouquet to brighten his room. Mrs. E. M. Eubank stated Wednesday that she was cooperating every way possible to make the day a success, and Mrs. J. W. E. Meaders is leading an active campaign to secure flowers as well as the names and addresses of all Ballinger shut-ins.

Those who have surplus flowers in their yards are requested to get in touch with one of the local florists and if possible cut the flowers and deliver to them so that they can be arranged into bouquets and local Camp Fire Girls will deliver them Saturday morning.

Those who desire may arrange and deliver their own bouquets to friends. The big purpose of the campaign is to place flowers in every sick room on this day. Both Mrs. Eubank and Mrs. Meaders will appreciate the cooperation of the citizens in donating flowers and in making known the names and addresses of any who are classed as shut-ins.

Peddlers Must Have Licenses Before Selling Wares in City

The city commission of Ballinger has passed a "peddlers" ordinance which will become effective immediately following publication of the new law. This problem has been discussed for some time and city officials have been urged to approve a law to keep transients from plying their trade without restrictions.

Hereafter a peddle will apply for a license at the city hall and after giving his name, race, residence and a description of his wares must pay a fee before offering the merchandise for sale. A fee of \$2.50 will apply to those who sell from door to door on foot. The fee for the peddler displaying his goods in a vehicle drawn by an animal is \$3.50 and those using a motor vehicle will be charged \$10. When the fee is paid a tag will be issued which must be displayed on the vehicle of person showing that he has met city requirements. Failure to comply with this ordinance will draw a fine not to exceed \$100.

Licenses will be effective for one year if the tag is properly displayed. The order is declared an emergency.

Tourist Parks Of City Okehed By Health Officer

At the request of the state health department, City Health Officer E. R. Walker inspected all tourist parks and camps in Ballinger last week. The general sanitation of these places was found to be satisfactory and they were approved for use of tourists.

Giving typhoid fever immunization serum to patients in the city was continued. Nineteen injections were administered last week to indigents. The general health of the city was declared good in the weekly report.

Street work last week was limited to sweeping the downtown pavement and no machinery was used by the department on dirt streets.

Water consumption per day last week averaged 248,000 gallons, requiring 6 hours and 14 minutes pumping time. City water, as shown by analyses made at Austin, is in fine condition with no contamination of any kind in the lake, settling basins or distribution system.

Mrs. Ed Schuchard, Mrs. John Carter and Miss Allyne Straley spent Tuesday in Abilene.

Hammer Victim

This is Joe Betty Sells, youthful night club dancer whose head was beaten in with a claw hammer. She danced with her partner, Louis Ruthardt, at Melody Tavern, a road house near Dallas. Ruthardt has been charged with murder.

Lions Club Off For Fishing Trip South of Miles

Members of the Ballinger Lions Club left Thursday noon for their annual fishing trip on the W. R. Hunton place on the Concho River south of Miles. A number of guests were invited and accompanied them on the outing. Some fishing lines were carried along, however, those in charge of the menu bought plenty of provisions to set the table without the fish which has been expected for several years and never made available by the angling committee.

The club will also have as guests on this occasion the Lions Cowboy Entertainers of San Angelo. The band, which is an official organization of Lions International, will bring instruments and provide music for the gathering. At the luncheon last Friday the secretary of the Lions Club was instructed to purchase a complete dictionary of synonyms and antonyms printed in Braille. The 14-volume dictionary will be presented to Roy Hampton as a gift from the club. Mr. Hampton, who is here from Tennessee visiting in the home of Mr. and Mrs. C. J. Lynn, has appeared on several Lions Club programs recently.

Potatoes were not raised in New England until 1719.

Thirty Fly Traps Put in Operation; More are Ordered

The fight against flies has begun in Ballinger, approximately 30 traps being baited and set Wednesday morning. Leaders in the campaign said other traps would be delivered as fast as they are built and that many had agreed to make their own traps and bait them this week.

A test was made with a trap at the filling station operated by Felton Wright Tuesday and with a bait of chicken feed mash approximately 5 gallons of flies were caught in one day.

J. A. Schnable, local manager of the Community Natural Gas Company, is providing a scalding vat where parties may carry their traps, kill the flies and empty them into cans which city wagons will haul away.

Frequent baiting of traps is recommended and all those using them are requested to empty them often to prevent filling up too full. Remaining in the trap too long will cause many of the entrapped flies to die and make a hazard for health. All traps should be emptied once a day it was declared.

4-H Club Boys of Five Counties to Hold Camp

Annual Meeting Of Country Club Set for Monday

The annual meeting of the stockholders of the Ballinger Country Club has been called for next Monday evening at 7:30 o'clock at the club house. At this meeting a full accounting of club finances will be made, the condition of each share of stock, improvements made during the past year and improvements that have been started.

Directors of the club have arranged a barbecue supper for all the members and will have the meal ready to serve piping hot promptly at 7:30 p. m. The meat will be cooked over open fire by an expert and all the "trim-min's" including drinks will be ready for the members when they arrive. The supper is not for the members' families but for the shareholders only. The business session will follow the meal.

Two new directors will be elected to fill the places of those who retire this year. Secretary R. E. Bruce stated that it required 25 members to make a quorum and every shareholder is urged to be present so that the business session can be disposed of quickly.

One important matter that will be brought before the meeting will be the holding of the annual golf tournament and an all-day picnic on July 4. A picnic was not held last year and members will be asked to express their desire on this before plans are commenced.

The record of the secretary shows that all 75 shares of stock are now active and that dues are being paid regularly. The financial report will be one of the best ever made by the officers since the club was organized.

The volume of the earth is 260,000,000,000 cubic miles.

Drilling Resumed In Mann Oil Well After Casing Set

Drilling was resumed in the B. C. Mann No. 1-Wade Thursday at 1,450 feet after casing had been set to that depth. Drilling had been halted for the past week while the pipe was being run and water shut off.

This work was completed Thursday and the hole was in excellent shape to go on down. Mr. Mann expects to strike the McMillan pay sand at about 2,500 feet.

The Starlight Refinery is fired up and ready to begin steady runs at once, using crude from the Golden Petroleum Company's well for the manufacture of gasoline. Several tests have been made and the plant is about ready for regular operations.

J. E. Jones, manager of the Eola baseball team in the Cotton Belt League, was in Ballinger Wednesday attending to business and ordered The Ledger so that Eola fans might keep up with the standing of his team in the race.

France invented a system of making plate glass in 1691.

CLYDE DAVIS CONSTRUCTING MODERN 5-ROOM BUNGALOW

Clyde Davis, employee of the local Higginbotham Brothers & Company store, has purchased two lots from C. L. Baker on Ninth Street and contractors have commenced erection of a modern five-room bungalow. The location is across the street from the Nazarene Church. Mr. Davis expects to complete the house within a little more than a month.

Be wise and advertise.

Arrangements are being completed for the Boys' 4-H Club encampment to be held on the W. R. Hunton place south of Miles about the last week in June or the first week in July. Last year the first Runnels-Tom Green encampment was held, about 100 boys attending and receiving instruction under four county agents of this territory.

Similar arrangements have been made this year for the joint meeting of Runnels and Tom Green county clubbers and county agents but in addition county agents of Concho, Coleman and Coke counties have been invited to attend and bring delegations of club boys.

The exact date will be set just as soon as rush farming work is ended. As was the case last year, each boy will be asked to bring a certain amount of food, cot and bedding, plate, knife, fork and spoon, a bathing suit and suitable camp clothes. The food carried will be eaten at breakfast and other meals will include barbecue, beans and coffee at a general kitchen.

Livestock on the Hunton place will be used for judging and special demonstrations will be held. An effort will be made to increase the attendance with the hope expressed that 250 boys from the five counties will be present.

COUNTY COURT HOUSE IMPROVEMENTS FINISHED

Carpentry work and plastering was completed at the court house Wednesday, but those who will occupy the offices will not be able to move before the latter part of next week. County Judge Paul Trimmer stated that the commissioners' court would be in session here Monday and that painting and other finishing would not be commenced until after this meeting. The commissioners will check up on the expenditures to date and then let the contract for painting, lighting fixtures, installation, and finishing of the floors.

C. W. Lehmburg, county agent and Mrs. Lura Hollingsworth, home demonstration agent, will move from their offices over the Tigner Jewelry Company building as soon as their offices in the new section of the court house are finished. Mrs. Georgie Stephens, county health nurse, will move her office, now located in the jury room on the second floor to one of the new offices.

METHODIST WOMEN ATTEND ZONE MEETING

Six members of the Methodist Missionary Society of this city accompanied by Rev. H. D. Marlin left Thursday morning for Bronte to attend the meeting of the zone workers for the western portion of the Brownwood district.

Those attending from here were: Mrs. W. F. Mason, Mrs. W. W. Killam, Mrs. Ollie Midgley, Mrs. R. A. Williamson, Mrs. John Loveless, Mrs. J. M. Skinner, and Rev. Marlin.

Herbert Sledge and Dilworth Ebbing are to leave Friday morning for St. Joseph's Island where they will spend ten days assisting in the annual summer round-up of the San Jose Cattle Company. H. Giesecke, owner of the company; his son, H. Giesecke, Jr., and C. W. Northington are already at the island.

LEONARD SCALES WINS SWIM RACE AT BOY SCOUT CAMP

Leonard Scales, Ballinger Boy Scout, was winner of the 100-yard swimming race at Camp Farr last week. Six Ballinger boys attended the encampment and engaged in the various events the last day. Approximately 200 boys participated in the swimming race in which young Scales led by about six feet.

Two Ball Games Played in Cotton League Sunday

The first games of the season were played in the Cotton Belt Baseball League last Sunday which resulted in Winters defeating Crews 4 to 1, and Eola pouring it on Millersview 20 to 6. The scheduled game between Norton and Miles was postponed by agreement and a double-header later in the season will make this up.

Eola players went wild in their onslaught against Millersview and pounded the pellet to all sections of the lot. This is one of the fastest teams in this section and other clubs are getting all they have ready for games with this murderous crew.

All managers in the league have certified as many as twelve players to President R. W. Earnshaw and have accepted the rules adopted by the league.

This week-end one game will be played on Saturday and two games on Sunday. The schedule as sent out by President Earnshaw is:

June 10			
Crews at Norton			
June 11			
Millersview at Winters			
Miles at Eola			

The standing of the teams to date is:

	Won	Lost	Pct.
Eola	1	0	1.000
Winters	1	0	1.000
Millersview	0	1	.000
Crews	0	1	.000
Miles	0	0	.000
Norton	0	0	.000

Miss Ida Mae Voelkel left Monday for Shreveport to attend the bedside of her brother, Austin Voelkel, who is in the U. S. air corps. Word from her since arriving at Shreveport stated that the brother is being moved to a government hospital.

C. A. Doose, Jr., came in Wednesday night from Washington, D. C., where he attended George Washington University the past year.

Miss Faye Clark is in Brownwood to attend the Karr-Smith nuptials this week-end.

Mrs. C. W. Cheatham and Miss Griffie Atkins have returned from Santa Anna, where they attended the Bond-Bunton wedding at the First Baptist Church of that city.

Christian Church Women Install New Officials

New officers were installed in the Missionary Society of the First Christian Church Monday afternoon before a large number of women in an impressive ceremony. Those taking office at this time are: Mrs. C. F. Bailey, president; Mrs. George Sallee, vice-president; Miss Florence Westbrook, secretary-treasurer; Mrs. A. B. Stobaugh, assistant secretary-treasurer; Mrs. Walter Atwell, World Call representative.

Mrs. E. D. Walker was the installing officer for the special program. Mrs. R. H. Alexander, of Coleman, delivered a very interesting lecture on missions. Besides Mrs. Alexander guests included Mrs. W. H. McKinney, district secretary, and Mrs. W. H. McKinney, Jr., of Coleman.

The society will hold regular meetings at the church and follow a definite program. The organization is preparing for the reception of the new pastor who will arrive this week and preach his first sermon here next Sunday.

MRS. VIRGINIA CONDER DIES AT NORTON HOME

Mrs. Virginia Conder, 61, wife of R. L. Conder, of Norton, died at the family home Tuesday evening at 9:30 after illness of about a year's duration. The couple had been making home at Norton for the past seventeen years. Mr. Conder is engaged in the garage business.

Decedent was a faithful member of the Baptist Church and attended services until her health began failing a year ago. Survivors include the husband; one son, Ray Conder, Norton; and five daughters, Mrs. T. R. Setser, Mrs. Otto Hambricht, Mrs. Earl Cope, Miss Inez Conder, Norton; Mrs. H. C. Webb, Greenville. Four sisters and two brothers also survive.

Funeral services were held Wednesday afternoon at 3:30 at the Norton Baptist Church, Rev. J. T. Steele officiating, assisted by Rev. Page. Interment was made in the Norton cemetery.

Active pallbearers were: O. L. Conger, John Minshew, A. T. Chapman, Carl Lewis, J. R. Mackey and Mr. Priddy. Honorary pallbearers were: T. J. Chapman, J. D. Good, Jake Stubblefield, W. C. Barrett, R. B. Hambricht, E. M. Setser, J. L. Hambricht and D. W. Turner, Sr. Higginbotham Funeral Home

Many Gifts that Aid Students Given to University of Texas

AUSTIN, June 8.—Monetary gifts alone to the University of Texas for the direct benefit of the student body have totaled \$500,000, according to a recent compilation of gifts to that institution. Miss Helen Hargrave, assistant law librarian, has just issued a bulletin giving a complete list of gifts made to the university from 1883 to 1932. This list is in itself a gift to the university, since Miss Hargrave has spent her spare time and efforts in this work for several years.

The records of gifts of the university has been compiled from many sources, including the minutes and reports of the Board of Regents, Texas Student Publications, Inc., and the records of departments and libraries.

The bulletin lists and gives information about every person or organization that has made donations of any kind to the university. Books, tablets, papers, scholarships, and money gifts are all included in the imposing list.

The first gift to the university was made by Elisabet Ney, Austin sculptress, and consisted of a plaster bust of Governor O. M. Roberts, the virtual founder of the university. The first gift of substantial proportions was made by the estate of Sir Swante Palm and was composed of enough books to double the size of the library at the time of the donation.

The most valuable gift of manuscripts ever made to the university is the Exar Archives. It is one of the greatest historical treasures of the country. The amount of money gifts directly for the benefit of the students amount to \$500,000 and the total of gifts for the library amounts to approximately half that amount. There were 13,000 people who donated money for the Memorial Stadium and 9,000 who contributed for the Union fund.

Many money gifts for dormitories, scholarships, and research equipment are also listed in this handbook. There have been four dormitories for girls, several university

churches and Bible chairs, and the university Y. M. C. A. donated in the last several years by interested people.

The hundreds of donors are listed in alphabetical order in the "List of Gifts" with the donation for which they are credited. They include societies, institutions newspapers, railroads, clubs, telephone companies, and interested friends of the university.

Miss Hargrave said that the compilation has been made with the hope that it will be followed by supplements which will keep it up to date as the years pass.

BOYS FALLS 3 STORIES AND BREAKS WRIST

NEWPORT NEWS, Va., May 29.—A broken wrist was the only injury sustained by 15-year-old Sheppard Shreeves in a recent fall from the top of a three-story apartment house here. The boy was playing on the roof of the structure with companions when he suddenly disappeared over the side. When they picked him up on the ground he was uninjured except for his fractured wrist.

DIZZINESS

relieved by Black-Draught

"I decided to take Theford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling." Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

HERRING HOME DEMONSTRATION CLUB

Peas and beans are non-acid vegetables and should be canned under pressure, Mrs. Hollingsworth said Monday afternoon while we were canning those vegetables at our regular club meeting in the home of Mrs. M. S. Hale.

Beans are cut with scissors as near the same size as possible. Wash thoroughly and place in boiler and cover with hot water, let boil for five minutes. Place in sterilized jars and cover with the water in which the beans were boiled in; add one teaspoon salt to the quart, semi-seal and place in cooker, keeping the pressure up to 10 for 40 minutes. Remove and finish sealing.

Peas were canned similarly. They were sorted in sizes and put in the boiler and covered with hot water, let boil 5 minutes, placed in well sterilized jars, shaken well

in order to get them securely packed; pour over them the water in which they were boiled, add a teaspoon of salt, semi-seal and place in cooker, and process for 55 minutes with pressure at 10. Remove and seal. This canning proved very successful.

Discussions on various other subjects were held, also an interesting business session was conducted.

Members present were: Meses. M. S. Hale, Pete Petrie, Della Allcorn, W. L. Allcorn, Arthur Fuller, Owen Bragg, E. R. Avent; and Miss Lemma Brevard.

HOW'S your HEALTH

Prevention of deafness in the young follows largely two lines. One is eugenic and the other is prophylactic.

Graham Bell, the inventor of the telephone, fifty years ago pointed out that by the intermarriage of deaf-mutes and by their prolific multiplication, we are in danger of "the formation of a deaf variety of the human race."

Deaf-mutism in parents, however, is not the only cause of congenital deafness. Deaf children may be born to parents showing no auditory defect.

In studies in England on the causes of acquired deafness, it was found that more than 10 per cent were due to diseases of the nervous system; 28 per cent to infectious diseases, and 60 per cent to primary disease of the ear and injuries.

Among diseases of the nervous system which cause deafness, meningitis is outstanding. Among the infectious diseases, measles and scarlet fever are the most important.

In the third group, representing 60 per cent of all acquired deafness, septic infections of the middle ear are responsible.

Thus, among the causes of acquired deafness, primary infections of the middle ear stand out. Most of these originate in that portion of the head cavity known as the nasopharynx, the space above the throat and behind the nose.

These disease conditions are secondary to infections in the tonsils and adenoids.

The greater care now given to children with infected tonsils and diseased adenoids is helping to reduce middle ear disease.

'Hold 'Em Jail' Romances With Wheeler and Woolsey Prove Screamingly Funny

Murderers to the right of her. Burglars to the left of her. Gunmen behind her. And gangsters before her.

So what can a poor prison warden's daughter do about boy friends? Surrounded by men, she still is as isolated from romance as if she were a lone castaway.

The "neighbors" are not the kind of chaps a girl's parents would care about having her seen with. And she can't ask any boys from the outside to drop in at the prison for a week-end. They might fear they would get no return ticket.

Even should she be tempted, it really wouldn't be safe for her to become interested in a prisoner. He might be up for bigamy. Or imagine her embarrassment at learning that he was serving time for shooting his sweetheart.

Despite all these dangers, blonde Betty Grable takes a chance by starting a romance with a prisoner in "Hold 'Em Jail," the RKO-Radio comedy to be shown at the Palace Theatre next Sunday, Monday and Tuesday, with Bert Wheeler and Robert Woolsey in the starring roles.

above deep blue eyes and three inches below some of the most beautiful platinum blonde hair since Jean Harlow's.

A resonant, stimulating voice gives out two words for the microphone, "What for?" The voice is that of a torch singer, husky, strong, vibrant with sex, heavy with indifference.

That constitutes the glamorous Lillian Miles' debut on the screen, as the first scene for Jack Holt's starring picture, "Man Against Woman," Columbia film, to be shown at the Palace Theatre Friday and Saturday.

Jo Swerling prepared the script from a story by Keene Thompson, and immediately that Miss Miles was signed for the role, Swerling revised his leading feminine character.

Instead of being just tough, Lola Parker became torchy, because Miss Miles herself won the role by the torch singing she did at the Frolies and other Hollywood night clubs.

In the scene that was her debut, she had to smooch Jack Holt, as she does throughout the picture whenever he tries to get her to marry him.

Holt said that he hadn't been smooched so effectively since he came to Hollywood seventeen years ago. And just by those two words, "What for?"

Others in the cast of the film directed by Irving Cummings are Walter Connolly, Gavia Gordon and Jack LaRue.

VACATION TIME THEME OF ROTARY PROGRAM

"Vacations" was the theme of the program for the Ballinger Rotary Club Tuesday noon. A skit enacted by Harry Lyman as a poem was read proved an interesting, humorous and enticing bit of acting that caused every member to either begin planning a vacation or abandon the idea altogether.

Attendance was good at the luncheon for summer but not up to standard of these past two months.

Next Tuesday the program will be on "Flag Day" and Rev. E. W. McLaurin will be in charge.

White's Messages Attract Crowds

A large audience heard Evangelist W. R. White speak Wednesday night at the Ballinger Baptist Church on "What's the Matter with the World?"

Rev. J. H. McClain, pastor, states that interest in the revival is growing in every way with better attendance at the prayer services and other special meetings.

One addition to the church Wednesday night was encouraging.

T. D. Carroll, in charge of the music, directed a large chorus with two pianos and an orchestra.

The song service is a very enjoyable part of the program. As a special number Wednesday evening Mr. Carroll sang "I am Somewhat Old Fashioned, I Know."

Rev. White's message was in line with the times and connected them with the Scriptures to point to better times around the corner if God were made a part of the life of the people of this great nation.

He showed that everyone was trying to find out what is the matter with conditions and seeking a remedy.

He pointed to the many things that the president and congress are doing to alleviate conditions and declared that many of these were experiments and their merit could not be determined until tested.

Connecting the wave of prosperity through which the world passed several years ago, the disrespect for law, and the final drifting away from God, the speaker said just around the corner was one of three things.

The first was prosperity such as had never been known which might go into a tailspin and end quickly; the second, a new deal in our relationship to God and our fellow man; and the last, a new deal ushering in religion and prosperity which would live.

His final appeal was to come back to God, find old fashioned honesty and a fuller life with the Lord.

The following subjects were announced: Thursday evening, "What's the Matter;" Friday morning, "Friendship of Jesus;" Friday evening, "Why Art Thou;" Sunday morning, "Reality of Christ;" Sunday evening, "The World's Greatest Coming Event;" Monday morning, "A Vitalizing Vision;" Tuesday morning, "The Body of Christ;" Wednesday morning, "A Higher Relationship;" Thursday morning, "God's Latest Message;" Friday, "The Growth of a Soul." On Saturday evening the service will be given over to singing led by Mr. Carroll.

BETHEL PRIMARY P.-T. A. TO HOLD ROUND-UP

The summer round-up of children who will enter the Bethel school for the first time, this fall, will be held in the Bethel school auditorium Friday morning, June 9, at 9 o'clock. Parents are urged to bring their children who are entering school for the first time for this physical examination, for which there is no charge, and which will only require a short time.

Mrs. Georgie Stephens, county health nurse, assisted by a doctor and dentist of Ballinger, will examine each child and a complete record of the examination will be listed on the record cards so that defects can be corrected during the summer and the child be ready to enter school in the fall.

Mrs. C. R. Stephens will talk on parliamentary law, and Mrs. Joe Simmons will hold a school of instruction beginning at 10:30 a. m. and lasting until 4 p. m.

Cost 85 Cents to Put Rheumatic Cripple Back to Work Again

Now Joyously Happy

While all his family looked on in astonishment and all his friends were amazed, one man took the pain, swelling and agony from his tortured joints in 48 hours and did it with the famous rheumatic prescription known to pharmacists as Allenru.

This powerful yet safe remedy is wonderful—its action is almost magical where uric acid and other circulating poisons cause agony and pain—the excess uric acid poison starts to leave your body in 24 hours.

Just get one 85 cent bottle of Allenru from Weeks Drug Store or any live druggist—take it as directed and if in 48 hours your pains haven't left you get your money back.

It works just as swiftly with Neuritis, Sciatica, Lumbago and Neuralgia due to similar cause.

V. B. Jones and son, H. D. Jones, of Abilene, were in Ballinger Wednesday, visiting relatives and friends.

In 20 Minutes Stop Burning, Aching and Soreness.

When your feet burn and are swollen, tired and inflamed—do this—

Slip 3 tablespoonsful of Radox into a gallon of hot water—soak your feet for 20 minutes—every bit of soreness and inflammation is removed—swelling subsides—hard skin on heels and soles is dissolved—next morning your feet feel strong—ready for a hard day's work or a night's dancing—or money back.

A big package for 45 cents at Weeks Drug Store and drugstores everywhere.

WEDDING TERMINATES 25-YEAR LOVE PACT

TOW LAW, England, June 8.—With the wedding of Mrs. Mary Helena Barker and John Weatherald here recently, a love pact made between twin brothers twenty-five years ago was carried out.

John and James Weatherald developed an attachment for Mrs. Barker, who is a widow, a quarter of a century ago. One of the brothers became engaged to her, and the other was so downcast in losing her that the three agreed that the bride-to-be should become the housekeeper to the twins, and that if one died she should marry the survivor. James died four months ago. John is now 71 and Mrs. Barker 67.

Graham Fowler has returned from Arlington where he attended school the past year and will spend the summer here with his mother, Mrs. W. W. Fowler.

Bob Miller was here from Paint Rock Wednesday to visit his wife who is in the Halley & Love Sanitarium for treatment. Mr. Miller said he was apparently over the shock caused when he was struck by lightning at his home several weeks ago.

Edwin Skinner left Thursday morning for New York after a several months' visit with his parents, Mr. and Mrs. J. M. Skinner.

Joe Eubank, of Menard, who was operated on in the Halley & Love Sanitarium two weeks ago, has been dismissed and will return home in a few days.

Rev. E. W. McLaurin left Thursday for Kerrville, accompanying Misses Margaret Gulon and Mary Faye Wardlaw, who will attend the Young People's Conference of the Presbyterian Church, U. S. The Ballinger delegation will be away Sunday and there will be no preaching at the First Presbyterian Church on that date.

Mrs. C. B. Manning and children, Mozelle and C. B., Jr., of Iraan, who are visiting in the home of Mr. and Mrs. N. W. McMillan, will leave Saturday for

Belton, Houston and other points in East Texas. They will be accompanied as far as Belton by Miss Mildred McMillan.

McCARVER & LYNN, Ballinger, Texas

Mr. and Mrs. J. B. Arterburn have returned from a trip through five or six southern states. While away they visited the Muscle Shoals hydroelectric project and observed much realty activity nearby. Mr. Arterburn stated that business improvement was noticeable in many places, particularly in oil and lumbering districts. New materials are replacing the old in lumber yards, he said, evidencing a return of better business in this line.

Bright Woman Lost 20 Pounds

Feels Much Better

"June 28th, 1932, I started taking Kruschen Salts. Have lost 20 pounds from June 28th to Jan. 10. Feel better than have felt for four years. Was under doctors care for several months. He said I had gall stones and should have operation. Kruschen did all and more than I expected." Mrs. Lute Bright, Walker, Minn. (Jan. 10, 1933).

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at Weeks Drug Store or any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent front and double chin and again feel the joy of living—money back if dissatisfied after the first jar.

Ring Ceremony for Toney-Murchison Nuptials

(Athens Review)

The marriage of Miss Grace Murchison, youngest daughter of J. A. Murchison, to Oral Thomas Toney took place this morning at 8 o'clock at the family home with the Rev. M. L. Fuller, pastor of the First Baptist Church officiating, with the impressive ring ceremony.

The setting, beautiful in its simplicity, was the same from which the three older sisters had been married, and each having a part in the wedding, added a touch of sentiment that emphasized the charm and solemnity of the home wedding.

With Mrs. J. Floyd Smith at the piano, Mrs. L. P. Skinner sang very sweetly, the old familiar song, "I Love You Truly," and as Mrs. Smith drifted into the first strains of Lohengrin's wedding march, the groom with Marvin Atkins as best man, took his place at the altar.

The bride was attended by Mrs. Marvin Atkins, as matron of honor. The bride wore an ensemble of navy triple sheer, with navy accessories and carried an arm bouquet of pink rose buds and fern.

The bride, who is a member of one of the old families of Henderson county, has grown from infancy to charming young womanhood, a general favorite of a large circle of relatives and friends. She was graduated from Athens high school and later was a student of Baylor University, since when she has been a member of the faculty of the Ballinger high school.

The groom is the son of Mr. and Mrs. J. T. Toney, of Buffalo Gap, and is a young man of sterling business qualities. He holds the position as assistant manager of the Cotton Oil Company at Plainview, where he and his bride will make their home following a week's honeymoon trip to South Texas cities.

Out-of-town guests for the wedding were: Mr. and Mrs. L. P. Skinner and sons, of Silsby; Mr. and Mrs. J. Floyd Smith and daughter, Winters; Mr. and Mrs. Marvin Atkins and baby, Bryan; Mr. and Mrs. H. T. Torrance, Waco.

Before leaving Ballinger, the bride-to-be was the honoree for a number of social courtesies.

Mr. and Mrs. Toney are both well known in Ballinger. For the past five years Mrs. Toney has been connected with the Ballinger school as third grade teacher. She was a fine church worker here and popular with all who knew her.

For several years Mr. Toney was in the office of the Ballinger Oil Mill and about a year ago was transferred to Winters. His transfer to Plainview was announced two weeks ago.

S. S. Classes Have Picnic

On Tuesday evening members of the Sunday school classes of the First Methodist Church of which Mrs. H. C. Lyon and R. W. Bruce are teachers invited guests to a picnic supper at the Ballinger Country Club.

Earl Morley, president of the men's class, acted as master of ceremonies for the evening's merriment. Roy Hampton made an interesting and inspiring talk.

Present were: Messrs. and Meses. R. W. Bruce, H. C. Lyon, John A. Weeks, J. L. Davis, Hamp Byler, Ed Pape, W. L. Duke, Earl Morley, John Loveless, Hugh Campbell, C. P. Shepherd, J. A. Reese, C. W. Lehmborg, W. F. Mason, W. W. Chastain, J. M. Tindall, J. E. Middleton, J. G. Douglass, J. B. Pace of Tahoka, Sam Behringer, R. W. Earnshaw, Meses. Ed O'Kelly, John Currie, Cora Green, T. P. Brown, W. E. Midgley, R. A. Dickinson, Irma Patterson, R. T. Trail, W. A. Francis, Misses Alice Morgan, Bounds, Messrs. Hammond O'Kelly, H. D. Marlin, G. O. Woodroof, Wootton, Roy Hampton, and Inis Adelle Patterson.

Birthday Party

The home of Mr. and Mrs. Tom Crockett, of the Bethel community, was the scene of play and laughter Tuesday afternoon, June 6, when their little son, Leonard Franklin, celebrated his seventh birthday from 2 to 5 o'clock.

The little guests brought many gifts of love and remembrance. Games and contests, dear to hearts of children, were enjoyed until all were passed tiny balloons in varied colors, to be matched for partners when they were invited into the dining room where the large pink and white birthday cake with its seven tiny pink candles made an attractive centerpiece for the table laid in pink and white with decorations of bowls of sweet peas and tiny balloons, where the little guests were served pink ice cream, tiny

cakes and iced punch. All too soon the time for departure came, each wishing Frank many more happy birthdays.

Those invited were: Claude and Bobby Thompson; Jean, Douglas and Buddie Mapes, Fred Carroll, Yvonne Greenhill, Osmer and Bettie Joe Howell, Morris, Hugh and Bobby Nunley, Gilbert, Carmine, Eugene and Mable Loika, Carmine and Lovess Hardt, Billy Shelburne, Mary Ruth Duke, Elizabeth, Louise and Dorothy Dohmann, James Lampe, Alfred, Teddie and Kenneth Reed, Shelton Leach, Junior and Thelda Cotton, Troy and Wayne Ransberger, Margie Neal Muncy and Virginia Crockett, Meses. Hedrick Shelburne, Fred Mapes, Claude Thompson, Jack Carroll, J. S. Greenhill, Halley Howell, Ernest Reed, D. W. Duke and L. D. Hardt assisted the hostess in entertaining the youngsters.

Tender, Aching, Swollen Feet

In Just Five Minutes Those Sore, Tender, Aching Feet Get Amazing Relief

You probably feel like a lot of other people that about all you can do is dust some powder in your shoes or give your feet a special foot bath and let it go at that, but don't be foolish. Make up your mind today that you are going to give your feet a real chance to get well.

Go to Weeks Drug Store or any other good druggist today and get an original bottle of Moone's Emerald Oil.

The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short while your foot troubles will be a thing of the past.

One bottle we know will show you beyond all question that you have at last discovered the way to solid foot comfort.

Remember that Moone's Emerald Oil is a clean, powerful penetrating Antiseptic Oil that does not stain or leave a greasy residue and that it must give complete satisfaction or your money cheerfully refunded.

Be wise and advertise.

Kidnapper and Pals Nabbed at Amarillo

These three men and two women were caught at Amarillo following the sensational kidnaping of Mary McElroy, in Kansas City, and the payment by her father of \$30,000 ransom. The case attracted nation-wide attention. From left to right they are: Walter H. McGee, ring leader, who says he is "a cross between a barbed wire fence and a snake"; Lenore and Lawrence Gilbert; Wendell and Hazel Johnson. McGee said he was taking the two couples on a pleasure trip, but that in reality, he needed them to pass the large bills he carried—the ransom. Buying a new car in Amarillo led to the gang's capture.
