First Rain in Months Soaks All West Texas

Rains Tuesday night, Wednesday and Thursday covered practically all of this part of West Texas with amounts varying from one-fourth to as much as 3 1/2 inches. To 10 o'clock this (Thursday) morning the reading at Ballinger was only .65 of an inch but intermittent showers were still falling.

The heaviest rains were reported south of Ballinger, but considerable precipitation had been received to the east, north and southwest. In the Norton, Maverick and Wilmett communities the showers were light, only about one-quarter of an inch being listed in the report gathered by the district office of the Southwestern States Telephone Company here.

Brady received the heaviest downpour in this section, 3.50 inches, to Thursday morning. All the hunting region south of Ballinger had good rains and hunters were anticipating difficulty in reaching the ranches over dirt roads.

The following report was tabulated by the telephone company Thursday morning:

BUSINESS FAILURES IN TEXAS SHOW INCREASE IN OCTOBER

AUSTIN, Nov. 14.—There was the usual seasonal increase in commercial failures in October as compared with September, but a sharp drop occurred from the corresponding month last year, according to the University of Texas bureau of business research.

A total of nineteen failures was recorded for October, against eight for September and 34 in October last year. Liabilities totaled \$164,000 in October, compared with \$3,193,000 in October last year, a decline of 95 per cent. In September, 1934, total liabilities were \$57,600.

Average liabilities per failure totaled \$8,632, 21 per cent greater than in September but 91 per cent below that of October last year.

DR. C. F. BAILEY LEASES INTEREST IN SANITARIUM

Dr. Charles F. Bailey has leased the interest of Dr. A. S. Love in the Halley & Love Sanitarium and will be active in the management of the local institution. He has practiced there since establishing an office here but had no financial interest until recently. Dr. Love has been ill for some time and has been staying at home to recuperate from an operation. He returned this week from Pearsall and is feeling much better than when he left.

Sale of Turkeys For Thanksgiving Is Very Sluggish

The turkey market for the Thanksgiving season opened last Monday at 12 cents a pound, 3 cents over the price offered last year at the same time. The market increased one cent to 13c per pound Tuesday, but movement of the birds was still very slow as compared to last year's sales.

The general movement in this section as a whole is dragging according to three Santa Fe officials who were here Tuesday. They stated that in McCulloch, Brown, DeWitt and other principal turkey raising counties of the state sales were far below last year's mark when prices were lower.

In McCulloch county last year more than 180,000 turkeys were sold for the Thanksgiving market and of the estimated 160,000 grown this year only one-fourth are considered No. 1 birds for the Thanksgiving market.

The chief trouble with the turkey movement, it is claimed, is that the raisers anticipated a price of between 13c and 15c for the Thanksgiving market, and since they raised their fowls on that basis they cannot afford to sell them for less. Most of the producers are holding their turkeys for a better price and if necessary will hold them until the Christmas market opens.

The turkey market took a rise of one cent today (Thursday) over Wednesday's high mark of 13c to bring the price for No. 1 birds to 14c a pound. Local produce men said very little, if any, further increase was expected before the market closed for the Thanksgiving season.

The Thanksgiving market will close either Monday or Tuesday of next week, according to local produce dealers and this year's sales will be far under those of recent years notwithstanding that the price is a third higher than that of 1933.

E. E. WOODSON OBSERVE 30TH WEDDING ANNIVERSARY

Mr. and Mrs. E. E. Woodson observed their 30th wedding anniversary with a dinner at their home on Ninth Street Tuesday evening. Mr. and Mrs. Lon Woodson, of San Angelo; Mr. and Mrs. Pete Woodson, of Ballinger; and Elmo Woodson, student of the San Angelo junior college, were present for the occasion. Mr. and Mrs. Woodson have resided in Ballinger for many years and have numerous friends here who wish them health, success and happiness.

SANTA FE DETECTIVE HERE

W. L. Futch, special Santa Fe agent, was here Wednesday to join Runnels county officers in investigating the robbery of a tool house at Miles, property of the railroad company. The tool house was entered several nights ago and gasoline stolen.

Mrs. Jennie Kirk and daughter, Miss Louise, of Austin, spent the week-end here with relatives and friends.

Feed Situation is Discussed at Mass Meeting Held Here

Feed dealers, ranchmen and bankers held a mass meeting at the court house Tuesday afternoon to discuss the acute feed situation and take necessary steps to provide an adequate supply for the winter. A number of men from various sections of the county who served on the cattle buying committees were heard, and without exception declared that owners of livestock in their communities were short on feed or had none at all.

Dealers present said they were of the opinion that feed could be obtained throughout the winter and that to date they had experienced no trouble in buying in the wholesale markets. The dealers were of the opinion that they could not finance a plan to purchase a supply to carry all who will need feed during the winter and take chances on selling it.

At this time dealers are denied the drought relief freight rate and therefore cannot compete with direct shipments were applications are made for the reduced rate.

After a discussion of the problem a committee was named, composed of the feed dealers present and County Agent Elmo V. Cook, to take up the matter of government financial aid with the Kansas City office and see what arrangements could be made for dealers to receive these benefits and handle the shipments at the limit of profit allowed by the regional office.

When this information is received it will be available to all dealers in the county who want to handle feed under government supervision. Consumers will have the option of using funds on hand for the purchase of feed, securing it from their bankers, or obtaining feed loans from the government on a monthly basis.

GIRL DIES FROM EFFECT OF GUNSHOT WOUNDS

Mildred Carroll, 13-year-old daughter of Mr. and Mrs. Tom Carroll, who reside five miles west of Winters, died Monday afternoon from the effects of a gunshot wound accidentally inflicted Sunday. A discharge from a .45 calibre pistol struck the girl in the abdomen while playing with other children. The gun was in the hands of a playmate.

Funeral services were held Tuesday afternoon. Several blood transfusions were given the patient in attempts to save her life but she did not respond to treatment.

G. O. Woodroof left Sunday for a visit with his brother who resides near McAllen.

Miss Wynis Greer visited friends at Stamford Sunday and Monday.

Details Being Perfected For Christmas Programs

A committee of Ballinger merchants met Tuesday afternoon to make final preparations for the Christmas programs to be staged cooperatively by the entire city. Many thousand circulars informing the people of the features for each of the ten special days are being distributed in various sections of the county this week. Booths on the streets are open every afternoon so those who come to Ballinger may register.

A committee started work this week seeking to get every business house in Ballinger to enter one or more show windows in the contest to be held here November 30. Another committee is busy arranging with Santa Claus to come to Ballinger for a big Christmas program on December 8 and another on December 15. Santa will positively be here he announces and at each of these calls every child in Runnels county is invited to come to Ballinger and personally meet the jolly old fellow. He will bring gifts for every child and will spend a major portion of the afternoon here delivering these presents to the kiddies.

Christmas decorations will be put up here the last week in November and by December 1 the city will be ablaze with colored lights, well dressed show windows and street decorations. Programs will be presented on at least two special days a week, all of them free to those who come to Ballinger to witness them.

ATTORNEYS COME HERE FOR OPENING OF COURT

Among out-of-town attorneys in Ballinger Monday morning for the opening of the fall term of 119th district court were: T. D. Lewis, general counsel for the Singer Sewing Machine Co., Dallas; Dallas Scarborough and A. K. Doss, Abilene; A. O. Strother, Winters; J. K. Baker and Joe Dobbrell, Coleman; and A. H. Muse, Brownwood.

RFC WORKERS TAKE HOLIDAY MONDAY

All Ballinger relief workers gathered at the city hall Saturday noon to discuss taking off Monday to observe Armistice Day. After hearing several talks the workers voted unanimously to observe Armistice with the rest of the city.

Mr. and Mrs. C. R. Stone and son, Claude, spent the week-end with Mrs. Stone's parents at Sherwood.

Two Runnels county oil wells are at the top of the sand and expected to be drilled in this week-end. Crews on both know that they have topped oil sand and production is expected in each.

Interest is centered mostly in the Petroleum Oil Interests, Inc., test on the Harvey Bradley farm, two miles north of present production. The sand was punctured early this week and drillers at once set and cemented casing. Cementing was finished Tuesday afternoon and it will be allowed to set for 72 hours. Those who have been in close touch with operations here believe a two-mile extension of the local field is practically assured after an examination of the sand coming from the bottom of the hole. It has not been announced at exactly what hour this well will be drilled in but the hole will be cleaned out soon and the bit lowered. Production is expected not later than Sunday afternoon.

The Hall Oil Company has topped pay sand in its test on the Brevard farm and intended to drill in late this (Thursday) afternoon unless prevented by the rain. Casing has been set to the bottom of the hole and it will require only a short time to puncture the sand. This well is near other producers.

Drilling is proceeding below the 2,350-foot mark in the Thomas Patton well on the W. F. James farm after casing was set to 2,200 feet last week. This test is also being watched with keen interest as it probably will be drilled in early next week.

Golden Petroleum Company's No. 5-McMillan is about 2,400 feet deep and will be drilled in within a few days. Casing has been set and drilling is proceeding only a short distance above the pay horizon in this field.

Golden No. 6, which was spudded last week, has been drilled to slightly more than 1,100 feet.

Petroleum Interests 3-B-Brevard was spudded last week but the crew has been doing work on a boiler and will not be ready to resume drilling for several days.

The Wells test on the W. F. James farm, one mile east of production, is down 900 feet. Day tours only are being used.

Day and night tours are employed on Melrose Oil Company's test on the Mrs. L. P. Wood ranch near Runnels and good progress is reported.

LOCAL MASONS WILL MEET TUESDAY EVENING

All members of Ballinger Masonic Lodge No. 643 are requested to be at the hall Tuesday night for work in the master's degree. A team from the San Angelo lodge will be here to confer the degrees and after the rites refreshments will be served.

Irene Dunne and Richard Dix Are Teamed in Colorful Action Film, "Stingaree"

Many new entertainment features are introduced in "Stingaree," lavishly produced romantic screen melodrama, which is to be shown at the Palace Theatre tomorrow and Saturday. It presents Irene Dunne in a prima donna role with a full, beautiful exploitation of her wonderful singing voice—Richard Dix returns to the dashing roles of his early career.

Against the backgrounds of Australia as it was in the hectic '70's, the story of "Stingaree" deals with an unusually spectacular love between a lovable, dashing bandit and a lovely, dashing girl who works as a servant in the home of rich relatives, the Clarksons.

"Stingaree" discovers the girl's vocal genius when he enters the Clarkson home to rob it. He falls in love with her, kidnaps her and becomes her sponsor for an operatic career.

Inspired by love of him, she becomes a great star. "Stingaree," meantime, in trying to help her, is captured and imprisoned. She returns to Australia for a concert engagement, in the hope of seeing her lover once again. In a thrilling climax he escapes from prison, kidnaps the governor of Australia, masquerades as that gentleman for one final glimpse of Hilda, and finally, to the consternation of the entire continent, again kidnaps her. This time, however, she is a willing victim. How they manage things to perpetuate their love gives an intriguing and soul-satisfying fillip to the concluding scenes.

Constance Bennett Starred in "Outcast Lady," Keenly Etched Social Drama

There is a lift, a swing, an irresistible power to the drama of "Outcast Lady," which will be screened at the Palace Theatre next Sunday and Monday.

Undoubtedly ninety per cent of its great impetus as an entertainment comes from the splendid conservatism of its two principal protagonists, Constance Bennett and Herbert Marshall, the newest notable pair of screen lovers.

Miss Bennett and Mr. Marshall are perfectly cast as the "Iris" and the "Napier" of Michael Arlen's great bit of emotional writing. There is a terrific sweep to Arlen's treatment of these two, with their amazingly tangled love affair, a sweep excellently preserved for the talking screen by Zoe Akins, scenarist, and Robert Z. Leonard, director.

An exceedingly strong supporting cast aids to keep the tempo of the emotionalism at a high pitch. Henry Stephenson, fresh from his triumph in "Little Women," is fine as the stern Sir Maurice. Alec B. Francis has a beautifully done part as an old family retainer, Robert Lockton is the unrequited lover.

Mrs. Patrick Campbell, Hugh Williams, Lonsdale Hyde and Leo Carroll are seen in support.

CZECHO-SLOVAKIA SEEKS MARKET FOR MAMMOTHS

PRAGUE, Nov. 14.—Mammoth will be priced at \$10,000 per skeleton as soon as Czecho-Slovakia's newest export trade is inaugurated. It is the plan of Dr. J. Stehlik, the Moravian paleontologist, who says there is a demand for the skeletons of extinct mammoths that can be greatly stimulated.

The Czecho-Slovak province of Moravia is richer in the remains of mammoths than any other region in the world. This source of supply has barely been scratched. Thousands of heaps of bones in all parts of the province are still unexcavated.

Dr. Stehlik and his colleagues at the anthropological museum in Brno, capital of the province, think that there would be a good and growing demand for complete skeletons of the prehistoric monsters. They are arranging to reconstruct them from genuine bones and supply them to museums abroad.

BROTHER OF LOCAL MAN IS BURIED AT BRONTE

J. B. Johnson, 68, a brother of C. W. Johnson, of near Ballinger, died in a San Angelo hospital Wednesday morning after being there several days for treatment of a serious disease. Funeral services were held at the Bronte Baptist Church Thursday afternoon at 4 o'clock, interment following in the Bronte cemetery.

Mr. Johnson, a retired farmer, had resided at Bronte since 1911. A number of Ballinger friends and relatives from other points left here Thursday morning to attend the funeral.

Survivors include the widow, seven sons and four daughters. The sons are: Will, W. P., D. M., R. L., M. R., and W. B. Johnson, of Bronte; and C. R. Johnson, of Ballinger. The daughters are: Mrs. H. A. Scott, Kilgore; Mrs. R. D. Newberry, Portales, N. M.; Mrs. M. H. Simpson, Bronte; and Mrs. R. D. Mitchell, Kilgore.

BALLINGER GIRL ADVANCED AT SCOTT & WHITE HOSPITAL

Miss Katherine Grant, daughter of Mr. and Mrs. C. T. Grant of this city, who graduated from the Scott & White Hospital training school, Temple, in June, this week was appointed head nurse of the main operating room in the institution.

Miss Grant graduated from the Ballinger high school several years ago and immediately went into training at Temple, and since graduating there in June has been on duty as a nurse.

Mrs. Tom Johnson and Miss Shyl Truly, of Eastland, and Mrs. Foy Taylor, of Longview, spent Wednesday night in Ballinger and went to Bronte Thursday morning to attend the funeral of John B. Johnson.

City Commission Removes Penalties On Delinquencies

The Ballinger city commission in special meeting Wednesday afternoon passed a resolution removing all penalties and interest on delinquent taxes for 1933 and previous years, to be effective until March 31, 1935. This is in accordance with the Polk bill relating to state taxes and the local city administration was one of the first to give property owners who owe delinquent taxes the benefit of the new act.

Those who have paid delinquent taxes, including penalty and interest will not be entitled to a rebate, however, as there would be not stopping place were this started, the commissioners pointed out.

The order became effective today, November 15, and anyone owing taxes may settle the account for all years prior to 1934 without the payment of interest and penalty.

MEXICO REPORTED TO BE GROWING MORE LITERATE

MEXICO, D. F., Nov. 14.—Mexico expects to have little illiteracy in the next generation. Formerly about eighty-five per cent of the population were illiterate, but the proportion has now been reduced to fifty, and another generation will see it reduced to a negligible figure, officials declare. In the federal district more than 200,000 children are reported to be attending primary schools, which is about eighty per cent of those of school age in the district.

Steps are being taken to increase the number of schools and to make attendance compulsory. The influx of 300,000 Mexicans repatriated from the United States during the depression created a serious problem, but the establishment of special agricultural communities, together with a road-making program, has helped to alleviate the problem.

TERRACES SAVE LAND

WASHINGTON, November 14.—Terraces can save twenty per cent of low, wet areas and nine-tenths of erosion losses on rolling highlands, says the department of agriculture.

Murdered Sheriff

Sheriff W. B. "Bill" Arthur of Dickens county, Texas, was shot to death with his own gun by two men who escaped jail. Virgil Stalcup, facing 234 years in the penitentiary, and Clarence Brown, his assailant, fled in the sheriff's car. They were captured later in Houston. (Texas News Photo)

Mayor McCarver Has Heart Attack

Mayor W. C. McCarver, who had a serious heart attack about 8:45 this (Thursday) morning, is reported to be resting very nicely at press time.

After receiving medical attention following the first attack the mayor seemed to be perfectly at ease. He was ordered to stay in bed for the remainder of the day, however. Later in the morning he suffered the second attack and a physician attended him the remainder of the day.

Clarence McCarver, son, was called this morning shortly after the second attack and arrived in Ballinger this afternoon from Terrell, where he is coaching football.

Mr. and Mrs. Herman Schauss and son, Nicholas, of New York, who had been visiting Mr. and Mrs. W. A. Taylor the past two weeks, left Wednesday for San Antonio where they will spend the winter.

Earl Morley and Ed Smith, of Quanah, arrived Wednesday and were joined here by Charles Coombes and other employees of the West Texas Utilities Company for a deer hunt near Menard.

500 Head Cattle Being Purchased In This County

Government cattle buying was resumed in Runnels county Monday, a quota of 500 head being set. For the past several weeks no cattle have been bought but last Saturday County Angelo Elmo V. Cook was informed that 500 would be accepted this week.

The notice specified that none but grown animals would be bought as it would require less to take care of calves through the winter.

The last cattle bought before the present quota took nearly all the distressed animals in this county and when buying is completed this week most of the cattle originally listed for sale to the government will have been sold.

The county committee has arranged to take cattle in distress ahead of the remainder. In determining what were distressed the owner's water supply was considered first with pasturage and feed coming next.

It is believed that buying of all kinds of stock will be finished in this county this week. The sheep campaign has been completed and all goats listed for sale have been purchased.

Checks for cattle, sheep and goat purchases are still arriving here weekly.

RED CROSS OPENS IN AFRICA

SWAZILAND, Nov. 14.—A branch of the Red Cross has just been established in the tiny colony of Swaziland, in Southeast Africa. A district nurse has been appointed to look after the health of mothers and children, and courses have been started in first aid, home nursing and infant welfare.

SPRING HILL SKYLINE

A large crowd attended church Sunday afternoon, the house being filled almost to its capacity. Rev. Gilbert Wilson delivered a good sermon and we are glad to announce he will preach again at the Spring Hill school building at 3 o'clock next Sunday afternoon. We hope more of this community will be present and a special invitation is given to all visitors to attend this service.

Melvin Patton visited several days last week with his sister, Mrs. T. B. Moore, of San Angelo.

Clyde Allison transacted business in Wingate Monday.

Miss Edna Richardson and Luther Hampton, of Goldthwaite, were supper guests of Miss Estelle Ingle Sunday night.

Mrs. Nina Davis and son, Arthur, of Ballinger, spent Sunday afternoon with Miss Edna Attnip.

Mrs. Clyde Allison and Clyde, Jr., and George Dean are on the sick list this week.

Francis Allison spent the week-end with Edward Allison.

Robert Wheelless, Curtis Jones and Fritz Piper, of Rowena, are planning to leave Wednesday on a hunting trip in the Big Bend country.

The inspector visited the school Friday afternoon and was well pleased with the conditions.

Spring Hill community is getting ready to organize a Parent-Teacher association. It is hoped that all the parents will take an interest in this and cooperate with the trustees and teachers. The date has not been set for this meeting.

Miss Edna Richardson visited her sister, Mrs. Earl Ingle, Tuesday afternoon.

BENOIT BEATS

Miss Addie Ruth Cox celebrated her thirteenth birthday on Saturday night with a picnic given by Miss Lurline Brookshier. The children walked to the creek, where they were served a "hobo hand-out." The parents remained at the house and played "42." Those present were: Mr. and Mrs. O. C. Cox and Addie Ruth, Mr. and Mrs. J. L. Hoffman and family, Mr. and Mrs. Joe Mueller and family, Mr. and Mrs. A. N. Hoffman and family, Mr. and Mrs. Joe Green, Mr. and Mrs. Milton Clayton, Mr. and Mrs. Roy Clack and family, Mr. and Mrs. Neal Clayton and family, Mildred Brown of Ballinger, E. W. Brookshier, Ella Marie and Melvin Witter, Doyle Condra and Eugene Thomas.

Norma Jean and A. N. Hoffman, Jr., spent Saturday night in the Arch Brookshier home.

Mr. and Mrs. J. L. Green, Mr. and Mrs. Arch Brookshier and Lurline, Cleo and Norma Jean Hoffman, and Lucille Hoffman were dinner guests of Mr. and Mrs. O. C. Cox Sunday.

Mr. and Mrs. Claud Brookshier attended the Talpa and Content football game Saturday. The game was played at Content.

Relatives were greatly bereaved last Thursday when they learned of the death of Mrs. Roy Simmons. She was recently of Denver, Colorado, and for the last two weeks had been taking medical treatments in Brownwood. Among those attending the funeral Friday were: Mr. and Mrs. A. J. Pullin, Mr. and Mrs. Frank Hoffman, Mr. and Mrs. Joe Hoffman, Mr. and Mrs. A. N. Hoffman, all of Benoit, Mr. and Mrs. John Hoffman, of Paint Rock; and Mr. and Mrs. J. H. Hunt, of Dallas.

Mr. and Mrs. Pryor Martin and family and Mr. and Mrs. Henry Moody, of Brownwood, were week-end guests of Mr. and Mrs. C. M. Gibson.

Gordon Brookshier spent Saturday night in the J. L. Hoffman home.

Win Over Brady Puts Ballinger Eleven in Play-off

The mighty Brady Bulldogs are out of the championship running but it took a fighting Bearcat machine putting out every ounce to defeat the Bradyites in the last three minutes of play for one of the most sensational finishes in district 16 this year.

The Bearcats were accompanied to Brady Friday by the Ballinger Band, the pep squad, and about 400 fans. They took the field in good condition but were outweighed many pounds per man.

For the first time this season the Bearcats were behind in the last minutes of play but rallied and took complete charge of the game to send a roaring crowd from Richards Park as the victory practically means the Bearcats and Winters Blizzards will meet here November 13 to fight for the district honors.

Every Ballinger player clicked in true form Friday but came out of the game well used up and several with injuries which may prevent a successful end of the season. The most serious of these was received by Stobaugh in the last play of the game when a small bone in his left arm was fractured. The "wing" was in splints this week and he may be kept out of the game with the Goldthwaite Eagles. Winans received a hard rap on the head in the first half and for a while after the contest was under care of a doctor. Moreland, Hale, and White were badly bruised but will be all right in a short time.

McMillan played one of the greatest games of his football career. His punting was a big factor and time and again his punts went for more than 50 yards. Once when his teammates were backed against the goal line he got off one for 76 yards which put them out of danger. He also took passes from Stobaugh for both of Ballinger's scores, one a long one for a 25-yard run following for the score, and the other a short pass on the Bulldogs' goal line. His defense was equal to his offense.

Brookshier saved the game for the Bearcats once when Steffins intercepted a pass and got loose. Brookshier overtook the Brady star and threw him on the 17-yard line, forestalling a score which probably would have lost the game.

Winans put the game on ice after the score was 12-6 when he broke through the line and threw Steffins behind his own goal line for a safety, making the result 14 to 6.

Stobaugh was in his usual form and his end runs and cut backs flashed many times on defense, breaking through to throw the ball carrier for a loss. Gregg, Brookshier, Winans, Hale, Moreland, White, and West all played good ball and every man fought hard every down.

The Bearcats will be at home for the remainder of the season and Friday afternoon at 3:30 will meet the Goldthwaite club here in a conference game. The Bearcats and Blizzards will close the season November 23 with the Runnels county classic which is one of the big games of this section annually.

LOCAL PARTIES TO LEAVE SOON FOR ANNUAL HUNTS

A number of hunting parties are leaving here this week for sections of the state where deer and turkeys are plentiful and will be gone several days. Hamp Byler, Hugh Campbell and party will go back to Campbell, W. V. Connelly, E. H. Forgy, and John Byler will go back to the same place where for the past several years they have had good luck. H. C. Lyon will join friends at Mason to hunt in pastures that are said to contain many bucks. H. G. Jones will join a party going to the Big Bend region for several days. A. B. Stobaugh, R. R. Williams and Dr. F. M. Hale will visit the same ranch in the Big Bend where they have hunted black-tail for the past three years, and where they got their limit every time.

Most of the Ballinger men plan to be ready for hunting tomorrow (Friday) morning.

Lady Went Back To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dungan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped." ... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in 21 bottles.

SPORTS

The Ballinger Bearcats will meet the Goldthwaite Eagles at Fair Park in a conference game tomorrow (Friday) afternoon. The Eagles have not won a conference so this season but have played every opponent a close contest and are not a push-over by any means.

The Bearcats were badly crippled and bruised in the game with the Brady Bulldogs last Friday. Stobaugh perhaps has the worst injury, a small bone fractured in an elbow. Winans, Moreland, Hale and White are also in poor condition and will not be at their best in the game here Friday.

McMillan gave one of the best kicking demonstrations Friday seen in any high school game this year. Southwestern conference officials scouting the game observed his superb punting, some of which was good for from 60 to 76 yards, and commented favorably. In addition to his kicking, he made both touchdowns and played a great defensive game.

Scales was a powerful defensive star in the Brady game and during the second half stopped Brady's end runs that had been big ground gainers in the first half, repeatedly throwing the Brady backs for losses.

Winans put the Brady game on ice when he tore through the line and threw Steffins behind his own goal line for a safety, making the score 14 for the Bearcats.

A great crowd should be in Fair Park tomorrow afternoon to watch the Ballinger-Goldthwaite game. The Bearcats have been on the road most of the time this fall and many fans have not had the pleasure of seeing them in action. The game will commence promptly at 3:30 p. m. Be there.

The Winters Blizzards were watched by many Ballinger fans in the Blizzard-Bluecat game at Coleman Friday night. The power packed by the Blizzards indicates the Bearcats have another real battle between them and the district crown and that Winters has one of the most efficient machines in years. Fields, fleet-footed backfield ace, is one of the best safety men in this district and will have to be watched on every play. The Blizzards have a fine running attack, a passing offense that is difficult to stop, and good kicking.

Ballinger school authorities received notice this week of the set-up for region 4. All class B schools play to a regional championship only and the interscholastic league has grouped four districts into regions which require two bi-district games after the end of the regular season. Region 4 is composed of districts 12, 17, 13 and 16. The champions of districts 12 and 17 and the champions of districts 13 and 16 will clash Thanksgiving week. District 12 is composed of Big Lake, Wink, Ft. Stockton, Crane and other schools in that section. Eldorado, Junction, Menard, Sonora and others make up No. 17. District 13 contains Roscoe, Stamford, Anson and other schools of that territory, while district 16 is our own with Ballinger and Winters undefeated for the championship and who will meet here November 23.

Stampeding Ponies Down Aggies, 28 to 0

S. M. U.'s Rambling Remuda cantered through the Texas Aggies to a 28 to 0 victory Saturday, which included completion of 12 straight passes, one for 53 yards. In the picture Bob Finley, surprise sophomore back, is shown as he was tackled after a nice gain. At the same time Rice was invading the sty of an infuriated herd of Razorbacks at Fayetteville, Ark., to win a tight game 7 to 0. T. C. U. was taking in Loyola at New Orleans by the same score and Texas was running over Baylor at Austin, 25 to 0.

Ramblers Beat Oilers 6 to 0; To Face Coleman Turkey Day

The Ballinger Ramblers, local independent football team, composed of former high school and college stars, won over the McCamey Oilers, undefeated eleven until Sunday, in a fast game at McCamey Sunday afternoon, before a large holiday crowd, by the small margin of 6 to 0.

The Ramblers, led by Bill Wright and "Dutch" Schuhmann made a drive for a touchdown early in the fourth quarter. They took the ball over from the Oilers' 30-yard stripe.

The Oilers threatened to score early in the first quarter when a drive, led by Bill Duncan, former Sul Ross star, and Dick Bryan, placed the ball inside the 20-yard line.

The Ramblers made two serious threats in the second period, when two drives placed the ball within scoring distance only to be held

quarter Schuhmann heaved a pass to Reneau for the counter. Little converted for the extra point with a placement.

The next game scheduled for the Ramblers will be another affray with the Coleman All-Stars at Hufford Field Thanksgiving night. This game was originally scheduled to be played in the afternoon, but because of the Howard Payne-Southwestern game at Brownwood Thursday afternoon, the game was changed to 7:45 p. m. This will be the second game the Ramblers have played under the arcs, in the first one defeating the Colemanites 7 to 0.

Those from here who intend to attend the Howard Payne-Southwestern game Thursday afternoon, will find it convenient to stop by Coleman Thursday night and see the Ramblers tie-up with the Coleman All-Stars.

Manager-player Bill Wright, stated this week that Coleman has plenty of what it takes to make it tough on anybody's team and that because of the licking the Ramblers administered last week, the Coleman aggregation is going to give the Ramblers all it can muster up.

PRESIDENT OF McMURRY INVITES SCHOOL OFFICIALS AND GRID TEAM TO GAME

Supt. H. C. Lyon received an invitation this week from President C. Q. Smith, of McMurry College, Abilene, to attend to McMurry-Southwestern University football game at Abilene Saturday, November 17.

The invitation included all the high school football team, A. F. Lyon, principal of the local high school, Coaches H. B. Self and George Stowe, and Mr. Lyon. Mr. Lyon stated that the invitation was accepted and that although some of the invited ones would be out of town the others would witness the game.

Cherry Announces Arrival of State Fire Instructor

Fire Chief Chester Cherry announced today that Frank Williams, of the A. & M. training school, will arrive here next Tuesday, November 20, for an all-day meeting with the local department and special work in this city.

Mr. Williams, a chief instructor of the A. & M. training school for firemen, travels all over the state giving special instruction to firemen and school children on safety measures and methods of fighting fire.

Mr. Williams will speak at the Ballinger schools Tuesday morning and Tuesday night he will deliver a lecture to the local fire department on fire fighting and prevention. At 8 o'clock the local department will go through its drill practice under his supervision and all interested in this phase of the work are invited to witness the drill. All members of the department will take part in the drill.

Mr. Williams has such a large territory that he is unable to visit every town every year so it is possible to be here only every other year. Those who have heard his lectures and seen him work are high in their praise of the instruction. Chief Cherry stated

that in his experience as a fireman and chief he had never known anyone who could explain and illustrate so forcefully the importance of fire prevention. He also said Mr. Williams is one of the best lecturers in the state department and urged everyone who could to hear him at the city hall Tuesday night about 7 o'clock.

MILES CITIZENS PREPARE FOR SONG FEST SUNDAY

Citizens of Miles are preparing for one of the biggest song fests in many months Sunday afternoon, to begin at 2 o'clock. The program will be held in the Miles Methodist church.

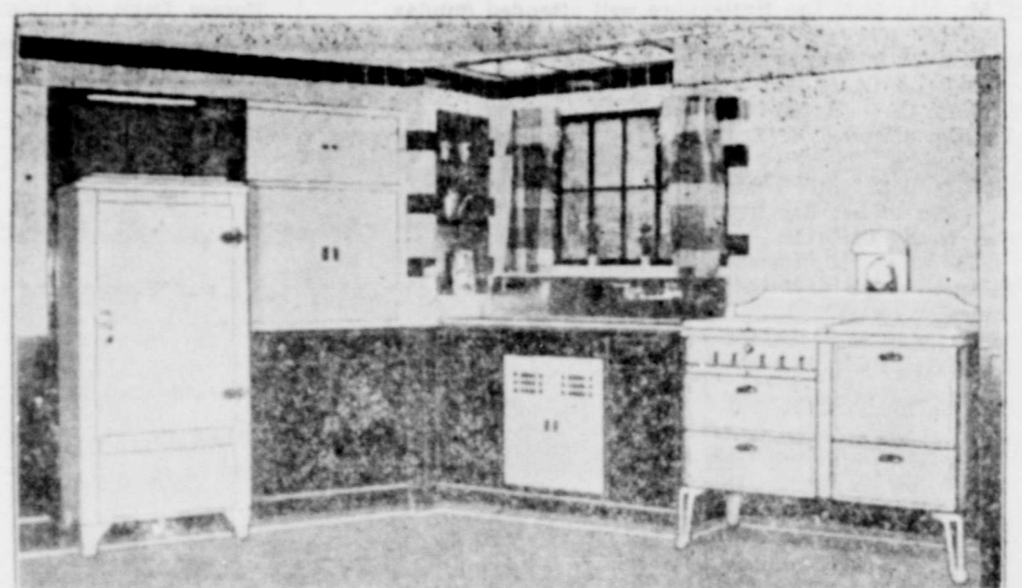

H. W. Bigler, president of the Miles Singing Association, has already heard from organizations at Ballinger, San Angelo, Winters, Rowena, Harriet, Veribest and Mereta, and other towns and communities are expected to be represented.

S. E. Clark and daughter, of Abilene, representatives of the Stamps-Baxter Music Company, will be heard in special selections. In addition a number of quartets and other special groups will be heard.

Dr. W. B. Halley left this week for Tampa, Florida, where he will join Mrs. Halley, who has been there for the past ten days.

Miss Jewel Hicks visited in Goldthwaite over the week-end.

WEEDS GROWN WITH CARE IN GARDENS IN IRELAND

BELFAST Northern Ireland, Nov. 14.—Weeds are encouraged to grow in a garden which is beautifully kept at an elementary school near Belfast.

Under the guidance of the minister of education twenty-five teachers are being taught how to teach horticulture to the scholars in the rural area.

Every sort of weed is grown in orderly fashion. There are neat little rows of regular garden pests which drive the amateur gardener to despair. They are fostered and tended as if they were orchids. By careful examination of the specimens the students get to know a lot about weeds and there will be a great slaughter when they return to their own school gardens.

COLORS FOR TELEGRAMS

PRAGUE, Nov. 14.—No more need the recipient of a telegram in Czechoslovakia worry until the envelope is opened and the contents read. According to reports, wire messages will be delivered in envelopes harmonizing with the news. Those bearing good tidings will have pretty, gay coverings, while sad tales will have black-edged jackets.

Miss Gladys Oliver, of Winters, was the guest of Miss Winnie Trail over the week-end.

Llano Legionnaires Preparing for 21st District Convention

American Legion members in the 21st congressional district will assemble at Llano Saturday and Sunday for the first convention of the new district set-up. Legionnaires of this section had been in the 17th district since district organizations were formed some ten years ago.

Llano Legionnaires are preparing for a host of visitors Sunday and the entire town is assisting the post in entertaining. Registration will begin Saturday at 10 a. m. and at 9 p. m. a dance will begin. The program will be resumed at 8:30 a. m. Sunday when officers of the district assemble for a breakfast and conference. At 9:30 the resolution committee will meet, each post in the district is to have one representative on this committee. The regular union church service will be held at 11 a. m. with the Legion and Auxiliary members given a special section. Lunch will be served by Auxiliary members at noon and this will be followed by a business session in the afternoon.

Numerous state officials will attend the Llano meeting and the state commander and adjutant will be heard during the Sunday afternoon program. Distinguished guests and all gold star mothers present will be formally introduced.

Mothers Have Found Way To Keep Family's Colds Under Better Control

Millions of mothers are helping their families to greater freedom from colds—fewer, shorter colds, milder colds—by following Vicks Plan for Better Control of Colds.

The helpfulness of Vicks Plan in reducing the number, duration and dangers of colds has been proved in thousands of clinical tests supervised by practicing physicians—as well as in every day use in millions of homes. The Plan provides proper care—and proper medication—for different types and stages of colds.

To Help Avoid Many Colds—At the first sneeze or nasal irritation, apply the unique aid in preventing colds—Vicks Va-tro-nol. Just a few drops up

GIRL SMOKERS HAVE RIGHTS, JUDGE RULES

LIVERPOOL, Eng., Nov. 14.—Girls who smoke in railway trains have their rights which must not be interfered with, according to a decision of a judge here.

Miss Gladys Walker testified that when she entered a smoking compartment and lit a cigarette, William Reece, of Southport, told her the cigarette ought to be knocked down her throat. Then an aged woman joined in, remarking: "I don't know what will happen to the girls when they get to my age. They will then, I suppose, be smoking clay pipes." Reece was fined for "interfering with the comfort of a fellow-passenger in a railway compartment."

PARENTS KEEP WOMAN PRISONER TWENTY YEARS

METZ, France, Nov. 14.—Police are investigating in the village of Escherange near Metz the strange case of a 48-year-old woman named Rosalie, who for the last twenty years has been kept a prisoner by her parents. Her disappearance in 1914 caused a stir among the villagers, but the parents explained that she had gone to Paris.

A mason who went to the house recently was intrigued by the visits of the parents to a hovel which they guarded closely from all strangers. He reported his suspicions to the police. Now the parents maintain that their daughter is a victim of paralysis. It is suspected that Rosalie wanted to marry the man of her choice, but that her parents had other views and adopted this way of thwarting her.

Invitation Meet for Students Of This Section at Bethel Soon

The Bethel school will sponsor an invitation meet, to include various athletic contests, on November 24. The occasion is being arranged to promote friendship between the schools and to furnish practice in the games included on the program.

Henry Leach, member of the Bethel faculty, who was in Ballinger Tuesday, stated that invitations had been extended to all schools in this section of Runnels and Concho counties and that about sixteen were expected to be represented.

Basketball, volley ball, soft ball and tennis are to be included in the day's program and courts and playgrounds will be provided for a number of games at the same time.

The home economics class of the Bethel school will serve lunch to the contestants and spectators at a very reasonable price. The public is invited and all games will be free.

Pupils of a number of schools in this county have started practice on contests that will be included

Thanksgiving Day Program at Olfen Being Arranged

St. Boniface parish, Olfen, will hold its annual Thanksgiving bazaar at the Olfen school house Thursday, November 29. The festivities will begin directly after high mass at 8 a. m., which will celebrate the favors received from Almighty God during the past year.

Housewives of the parish will prepare a dinner consisting of country sausage, turkey, chicken and all the side trimmings that are associated with a real Thanksgiving spread. Mrs. H. B. Halfmann, Mrs. Fred Rohmfeld, Mrs. B. J. Niehus, Mrs. Lawrence Halfmann and Mrs. Arthur Gottschalk are in charge of preparations for the dinner.

Beautiful young women of the parish will serve the tables and see that no one goes away hungry. Adults will be charged 40 cents and children 25 cents for the dinner.

There will be amusements on the grounds such as beano, a kitty stand, soda stands, etc., and entertainment is promised old and young.

MISSION WILL COMMENCE AT OLFEN NOVEMBER 18

The Rev. A. Pilling, O. M. I., of San Antonio, will hold a mission at Olfen from November 18 to 25. The evening sermons will begin at 7:30 o'clock. The public is invited to hear Father Pilling, who is an able and interesting speaker. The mission will close at 3 p. m. Sunday, November 25.

The Rev. G. A. Boeckman, pastor of the Olfen parish, who was in Ballinger Wednesday, announced the mission.

Mr. and Mrs. J. C. Cook visited relatives at Comanche over the week-end.

young. In the afternoon there will be an auction sale of cotton and other articles donated by the merchants of Ballinger, Rowena and Paint Rock. The auctioneer will be Alphonse Strube.

Everybody in this section is invited to take Thanksgiving dinner with the Olfen parish. The meal will be served from 11:30 a. m. until all have been fed and the entire day will be made enjoyable for everyone.

LOCAL HUNTING PARTY OFF FOR GILLESPIE COUNTY

Tom Caudle, C. E. Jones and O. K. Morgan left Thursday for Gillespie county where they have reservations on a large ranch to hunt deer. They plan to return here the first part of the week with the bag limit for the season.

Mrs. Ernest Moody and sons returned Monday from Seymour where they spent the week-end with relatives.

R. E. Bruce left Wednesday for South Texas to join friends in hunting deer and ducks.

Miss Lula McKnight, of Arlington, came in Monday for a visit with Mr. and Mrs. R. E. Bruce.

HAS YOUR ADDRESS
CHANGED RECENTLY?

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. In addition there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

West Texas people are rejoicing this week after rains were received at many points. While the precipitation was not general and insufficient for a "season" it will start winter weeds on many ranges, green up the grass, and greatly improve dirt roads in this section which had been beds of loose dust. Everybody wore a broad smile while watching the movements of the black clouds.

The additional quota of cattle being bought in this county this week will about clean up the number originally listed to sell to the government. The county committee worked hard and without favor to anyone in an effort to take care of distressed animals first. Stock owners without water were given primary consideration, their cattle being accepted first. Later, as stock was pretty well moved from ranches without water, other items such as grazing land and feed were given consideration.

Ballinger merchants are making it interesting for residents of this trade territory to come here during November and December. Extra money has been raised for a campaign that will make Ballinger a popular place to shop, especially during the Yuletide season. The Christmas spirit will be revealed in every type of decoration possible. This is being done to encourage early shopping. Merchants will make their Christmas displays earlier than for the past five years and most of them already have special purchases for Christmas in the house or in transit. Circulars detailing the programs for each of the ten special days between now and December 25 have been distributed for many miles in all directions.

LOCAL BABIES GET HONORABLE
MENTION IN NATIONAL CONTEST

Little Miss Sybil Oleta McBeth, 4-year-old daughter of Mr. and Mrs. Chester McBeth, of the Crews community, received honorable mention in the recent national baby contest. The contest was determined by a group of judges in Chicago from photographs made of the children.

The little girl received a gold medal and a certificate which her parents value very much.

Billy Jack and Betty Joe Middleton, twin children of Mr. and Mrs. W. O. Middleton, of Ballinger, received awards in the national baby contest held at the Chicago Century of Progress the past summer. The gold medal was for honorable mention in the contest in which 100,000 babies were entered by photographs.

Dr. C. W. Cheatham left this week for the Davis Mountains where he will join friends on a hunting trip.

Mr. and Mrs. T. W. Jacob, of Rogers, spent the Armistice holidays in the home of Mr. and Mrs. O. K. Jacob.

WEST TEXAS NEWS
NOTES

The Coke county interscholastic league was organized last week and officers for the various contests were elected. Supt. C. R. Owen, of the Bronte school, was made director general. Robert Lee was chosen as the place for the county meet, which will be held two weeks before the district meet. Ribbons will be given as awards in each contest for first, second and third places.

The records of the Menard county agent show that \$129,068 has been received from the federal government in the cattle purchase program and \$11,326 is yet to arrive. Checks in payment for sheep and goats already received total \$46,442.40, and others are due amounting to \$17,870.60. There is \$5,112.80 in vouchers to be sent in, but these must be held until pelts are brought in. Total benefits from the livestock buying program in the county reach the sum of \$209,819.80, which with the other federal aid extended during the year brings the total to over \$300,000.

The prayer meeting at the Baptist church each Wednesday night is growing in interest and attendance.

LONG BRANCH HOME DEMONSTRATION CLUB

The Long Branch home demonstration club met with Mrs. George Killiam November 14. Mrs. Joe Thomas and Mrs. Proffit met with us and gave a demonstration on fruit cake making. The meeting was well attended. The next meeting will be held in the home of Mrs. L. L. Stroble November 28, for the yard improvement demonstration.

Following is the fruit cake recipe:

Fruit Cake

- 1 pound grapefruit peel or citron
- 1 pound pecans
- 1 pound candied pineapple
- 1 pound candied watermelon rind or cherries
- 3 pounds seeded raisins
- 1 1/2 pounds figs or currants
- 1 1/2 pounds butter
- 1/2 pound brown sugar
- 1/2 cup fruit juice or sweet pickle syrup
- 6 eggs
- 1 pound or 4 cups flour
- 1 teaspoon cinnamon
- 1/2 teaspoon cloves
- 1 teaspoon nutmeg
- 1/2 teaspoon salt
- 1/4 teaspoon allspice

Method: Wash and dry currants, cut peel, citron and pineapple in 1/2-inch cubes, leaving cherries and nuts whole. Cream butter, and add sugar and beaten egg yolks, mix flour and spices. Add fruits and nuts, mix thoroughly. Last of all add beaten egg whites. Mix dough thoroughly and place in baking pans, (one-pound coffee cans are nice), which have been lined with butter paper which has been oiled on both sides. Cover the top of pans with heavy brown paper which has been oiled on both sides. Tie paper securely around edge of cans to prevent water from getting into cake. Put just enough water in pressure cooker to come half way to the pans. Place top on cooker, but do not fasten clamps, leave pet-cock open. Keep at boiling point 55 minutes. After that clamp the lid down, close pet-cock, raise pressure to 15 pounds for 15 minutes. Release pressure slowly. Open and remove pans from cooker, take off paper cover, place pans in slow oven 15 minutes to dry out and crust. Makes 11 pounds of cake.

Brunk's Comedians Begin Week's Stay Here November 19

Brunk's Comedians come to town Monday, for a week's presentation of popular plays and vaudeville.

The tent theatre in which the week's program will be presented will be located on north Seventh Street, said Charles Brunk, advance agent, here Tuesday, as he completed preparations for the opening.

Brunk's Comedians is a well-known group of stage entertainers in Ballinger and throughout West Texas. It is one of Texas' oldest stock companies and has been entertaining the public with drama and comedy for many years. Annual visits of one week have been made to Ballinger virtually every year since the show group was organized.

The week's engagement will open with the presentation Monday night of "Human Buzzards." Popular prices will prevail during the engagement. Mr. Brunk, brother of the director of the company, said.

REVIVAL INTEREST IS GROWING DAILY

An old-fashioned soul-stirring revival in progress at the old Howard shop at the rear of the Day gin on Twelfth Street, will continue until Sunday night. Large throngs have been attending this week, all available room inside the large building being taken and many standing about the windows at each service.

Rev. Gilbert Wilson, of San Angelo, is doing the preaching and interest has increased with each service. The appeals to the unsaved have met with a response that greatly encouraged the evangelist. More than 30 were converted Tuesday night and many others have been converted in previous services.

W. J. Gardner, of Winters, transacted business in Ballinger Tuesday. While here Mr. Gardner subscribed to the county seat paper for the 32nd time.

Home of Mrs. Bill Mathis, November 22 at 2 o'clock. All officers are urged to be present at this meeting.

HELPS WHOLE FAMILIES

Attention, MOTHERS, to what every doctor knows to be a fact, and what they say to avoid

BE CAREFUL

- IF any laxative is disipetic (makes you thirsty).
- IF it affects your appetite.
- IF you need more today than the first time you took it.
- IF it drains the system (by too watery a movement).
- IF a bad "burning" is felt.
- IF there is severe griping.

If you have children who are occasionally constipated, you should know this.

If you are "not yourself" because of a constipated condition, don't blame it on your blood condition, or your age, but first try this treatment that safely relieves sluggishness in children or adults.

The Proper Treatment

You can't safely relieve the bowels with any medicine if you can't regulate the dose. To regulate dosage, you should have a liquid laxative. When necessary to repeat, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition at any age.

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of such natural laxative elements as senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing

herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better overnight. The children will like it, too. Syrup Pepsin has a delightful taste. If you will risk sixty cents to discover the safe, pleasant action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

SCHOOL NEWS
By Laura Edith Miller

The senior girls have organized a hiking club which, for want of a better name, we suppose, they call "Hitch-Hiking Club." However, although their motto is "Take Every Ride You Are Offered," they intend to do more hiking than hitching, so we guess it is all right. The officers are: Belva Watson, president; Mary Ruth Reese, vice-president; Elva Sykes, secretary-treasurer; Laura Edith Miller, reporter; and Bobbie Johnson, assistant reporter. That proves they really intend to hike. I thought I was pretty energetic, but they evidently doubt my ability to go as far as they are going, so Bobbie will have to assist with the news of those long hikes. The club flower is the sunflower, and the colors are yellow and brown. The song goes like this:

"There's a long, long nail a-grinding
Into the heel of my shoe . . ."
Oh, well, you may hear it some day. Meetings, or hikes, will be held each Wednesday afternoon at 4 o'clock.

The debaters clashed again Thursday evening, and it was a real battle. Mr. Ligon awarded the decision to the affirmative. Jerry Day and Laura Edith Miller. However, Rex Nixon and Melvin McMillan upheld the negative well enough to make it a very hard choice.

Another debate, with the same sides, was held in chapel Friday morning, and so far no one who heard it has mentioned feeling bored! A decision was not forthcoming, so each side still holds the usual firm conviction that "We won."

The high school attended the lecture on tuberculosis given, in the absence of Dr. McKnight, by Mr. Estes Lynn. Everyone says that the talk was very interesting and helpful.

There were very few people in school Tuesday morning who were not sleepy. Well, considering the early arrival of the band and pep squad Saturday morning, and various dances and holiday trips that were held during the week-end, we can't blame them.

Mr. Sublett has promised to bite a dog so we can have some news, but he hasn't yet found a dog that looks "bite-able." We'll let you know when he does. By the way, why hasn't a dog ever bitten him? Maybe he doesn't look "bite-able" to the canine order of animals.

Tuesday morning we held an extra chapel program, simply to show those football boys we appreciate them. Some hands are reported sore from clapping, but the game Friday was worth it.

"Los Conquistadores" met Tuesday at the fifth period. J. W. Little presided. W. H. Beard called the roll, and everyone answered with a Spanish author. Sue Barnett led the songs "Alla en el Rancho Grande," "Los Ojos de Tejas," and "Adios, Mi Novia." Nina Crockett gave a description of Seville. Jerry Day told some jokes. A few of them weren't laughed at, but we blame that on a poor knowledge of Spanish and not on the jokes. The play that a certain student dramatized was presented with the following cast:

The king, Frederick, the Great
Rex Nixon
A house-servant . . . W. H. Beard
A groom . . . J. B. Pratt
A stable-boy . . . J. E. Fowler
Miss Meyer gave the critic's report. We played "Buzz" or "Caracoles" again, and got up to the number 150 with five students still in the running.

BEE'S RAID REFINERY

AUCKLAND, New Zealand, Nov. 14.—Millions of bees recently raided the syrup vat of the sugar refining works in a suburb of Auckland, New Zealand. Workmen, attired in light clothing because of the great heat, attempted to rout them, and were seriously stung. Thousands of bees were drowned in the syrup, and refining had to be stopped until the dead were removed.

"Ted Clark" Surprises to Win \$10,000 Waggoner Handicap

Scoring his second major victory in his two starts at Arlington Downs, C. N. Mooney's amazing front-runner, Ted Clark, made a runaway of the \$10,000 Waggoner handicap at the big North Texas track Saturday before a wild crowd of more than 3,000 people. In the picture Ted Clark is shown at the extreme right streaking over the finish line while close behind him are Pot Au Broom, second and Amazing, third. Ted earned his owner \$3,325, while second and third money was \$2,000 and \$1,000 respectively. (Texas News Photos)

**New Beauty Shop
Opens This Week
In Zappe Building**

The Queen Beauty Shoppe opened this week on the second floor of the Zappe building over Bettis & Stargis. The new establishment is operated by V. O. Barnes, manager, Miss Esta Hander and Miss Faye Hander.

All of these operators have had many years' experience in this line of work and for the past ten years operated a beauty salon in Houston.

The new shop is equipped with the most modern permanent wave machines, hair driers and other necessary equipment for the highest class beauty work obtainable anywhere. Approximately \$4,000 is invested in equipment in the three-room shop.

The entire place has been completely remodeled, repainted, and decorated and new equipment was installed this week.

Besides permanents, finger waves and other treatments for the hair, the shop specializes in facials of all kinds, hair dyeing, manicures, and other beauty treatments and aids.

Possibly of more importance to the average woman of this section is the very reasonable prices on all work. In this issue of The Ledger will be found some of the shop's opening specials for this week-end and the ensuing week.

Mrs. W. O. Kennison, of Lorraine, is visiting here this week with her daughter, Miss Abie Kennison.

**Local Lumber Yards
Will Grant Loans
Under Housing Act**

Ballinger lumber companies are ready to make loans for modernization and improvements of homes under terms of the national housing act. The Wm. Cameron Company announced this week that it is prepared to make such loans without any red tape, and last week T. H. Chancey, local manager for Wm. P. Carey Company, made a similar announcement. Tom Caudle, local manager for H. H. Hardin Company, stated Wednesday afternoon that his company was completing plans for loans and would be ready to begin making them within a short time.

Loans will be granted for additions, modernization, repairs or alterations. Payments can be arranged in small monthly remittances which makes the offer more satisfactory to the salaried man who desires to improve his residence. The interest rate is low and the loan will be granted after a contractor has made an estimate on the work to be done.

While the national housing act has been applied in many of the larger cities for some time, the movement has been held up here because no financial institution would accept the paper. Managers of the local yards will be glad to discuss the plan with anyone interested and will give free service in planning any type of home improvement.

Mr. and Mrs. Frank Cameron spent Armistice Day in Pampa, visiting relatives.

**MOST MODEST WOMEN
FOUND IN NEW GUIANA**

BRISBANE, Australia, Nov. 14.—Vulcan Island, off the New Guiana coast, has the most modest women and the vainest men in the world, according to Miss Camilla Wedgwood, an anthropologist, who has just arrived in Brisbane after spending sixteen months on the island.

"The native women are extremely modest," she said, "and would not dream of taking their daily bath in the sea without donning an ankle-length skirt. It is made of shredded banana leaf. On shore the women wear several petticoats, sometimes as many as six, and have their hair cut short."

"The men, on the other hand, spend much time in dressing their own long tresses, in which they fasten crimson flowers. It is the men of Vulcan Island who wear corsets. They are made of stiff bark drawn tightly round the body."

LAUGHTER CLASS GROWS

PARIS, Nov. 14.—Laughter is becoming so easy for pupils of Dr. Pierre Vachet's course in "laughter therapeutics" at the Institute of Psychology in Paris that attendance at the Sunday morning classes is growing. Clerks, merchants, housewives and many old people are enrolled. In a darkened room Dr. Vachet induces his students to relax and after giving suggestions of calmness, strength and power, he starts a phonograph record containing nothing but peals of boisterous laughter. Soon the entire class is exuding hilarity. That ends the lesson.

Advertised goods move.

**Cannery Wants
Produce**

Persons who have products they want canned are asked to take them to the Runnels county relief canning plant in the old county jail building. A force of 15 to 20 has been employed there for several months and now that the season is slackening it will require more produce to keep the same number at work.

Canning is done on a 50-50 basis with everything furnished by the plant except the produce. Many have taken advantage of this offer and for the past several days the plant has been operated at capacity in making hominy.

The vegetable season is about over and meat of some kind has been almost the only product brought in recently. The cannery will accept anything to be cooked, baked or preserved, and canned.

Those in charge of the plant stated this week that unless others become interested in having food-stuffs canned on the halves and bring in the produce immediately the force will have to be reduced at once.

The old jail building has been completely remodeled inside and converted into a model canning factory. Many thousand cans

have already been turned out this year and those who have had products canned on the 50-50 basis are pleased with the results.

**LAX THE BLADDER

Get Juniper oil, extract buchu leaves, etc. In green tablets called BUKETS, the bladder laxative. After four days if not satisfied any druggist will return your 25c City Drug Store.

Mrs. Drury Hathaway is in the King's Daughters Hospital, Temple, where she was operated on several days ago. Mr. Hathaway, who returned here Saturday night to be present at the opening of district court, stated that his wife was improving nicely and would be able to return home in about three weeks.

Mrs. J. W. E. Meaders is improving nicely at the King's Daughters Hospital, Temple, following a n operation last week.

Mike Boyd McKenzie returned to his home in Abilene this week after spending the week-end in the home of his grandparents, Mr. and Mrs. Mike C. Boyd.

**WOMEN ROB MAGISTRATE
OF SILVER IN ENGLAND**

WALDSTONE, England, Nov. 14.—Two pretty women, in all the pomp of a big car with a liveried chauffeur, drove to home of John Hodge, chairman of a court of minor jurisdiction in Waldstone and left with a large quantity of valuable silverware.

A servant opened the door when the women arrived and they asked the magistrate, "Mr. Hodge is not at home." "Mr. Hodge is not at home," said the servant. "May we wait?" they asked, and sat down. Shortly afterward the women let themselves out, and when the maid looked out of the window she saw the care being driven away rapidly. Search of the room they had occupied revealed the robbery.

Mrs. Emma Nash has returned from a visit with her sons at San Antonio. She was accompanied to San Antonio by Jewel Routh Nash, who had been visiting here for two weeks.

Mr. and Mrs. R. R. Lee, of Dallas, spent a few hours here Wednesday as guests of friends. Mr. Lee is vice-president of the Southwestern Life Insurance Company.

R. W. Bruce left Thursday for Mason where he will join Carl Runge and friends on a deer hunt.

Lone Star Gas Co. Head is Honored By National Body

National leadership of another Texan was recognized when the American Gas Association, holding its annual convention in Atlantic City, elected L. B. Denning, of Dallas, president of the Lone Star Gas Company, vice-president of the international organization for 1935. Election of the pioneer Texas natural gas man puts him in line for the presidency in 1936.

"The natural gas industry especially in the Southwest, looks forward with courage despite its many problems. Its supreme aim is to deliver best possible service to customers," said Mr. Denning in accepting the election.

The American Gas Association represents one of the world's leading industries and is composed of artificial and natural gas distribution, transmission, production, and manufacturing companies in the United States and Canada. All previous heads of the association have been from the East and North, and Mr. Denning is the first to bring the office to the Southwest.

A pioneer and leader in the natural gas industry, Mr. Denning has been identified with the Lone Star Gas Co. since 1909 when he organized the firm. He has served as president since 1915. It was under his direction that the company developed into the first extensive transmission system for serving small and widely separated towns in the Southwest.

London Expert Thinks Brain Spot Keeps Us Awake

LONDON, Nov. 14.—Instead of a sleep center in the brain to put people to sleep, the existence of a "waking center" that keeps them awake was suggested at a recent meeting of the Royal Society of Medicine by Prof. Frederick L. Golla, of the University of London.

Brain experts long ago discovered a small spot in the lower part of the brain, which seems to cause sleep when influenced by certain drugs. This has been called the sleep center, the idea being that impulses from it cause normal sleep.

Professor Golla suspects that the real facts are the other way around, the normal thing being sleep all the time or at least to sleep whenever the senses are not being stimulated by some outside influence. This seems to be characteristic of many lower animals. So long as nothing happens around them, these animals lie motionless and apparently sleeping. Only when they are touched or when some other outside stimulus occurs do they move and seem to be awake. They are not self-starters, as many higher animals are.

Ability to keep awake even when the surroundings offer nothing exciting Professor Golla's theory suggests may be a duty of the waking center of the brain. If no outside stimuli are arriving this center supplies some kind of artificial stimuli which have the same effect.

Whenever this center stops working temporarily, either because of fatigue or from any other reason, the animal or human being drops back into the normal condition of sleep. Disease or injury of the center may explain the instances of people who sleep continuously for weeks or even years.

Mrs. Arthur Giesecke has gone to San Antonio for a two weeks' visit with relatives. Mr. Giesecke will take his annual hunt on the coast while she is there.

Mrs. A. R. Jones and Mrs. Z. A. Well returned the first of the week from Lubbock, where they visited relatives several days.

Charles Coombes spent the weekend at Junction and Menard, where he visited and attended to business.

Mrs. R. W. Bruce left Thursday afternoon for Lampasas for a visit with relatives.

Annual Red Cross Roll Call is Started in County

Runnels county people are being given an opportunity this week to join the American Red Cross. Solicitors are working in the various communities in an effort to raise the quota of 900 for Runnels county.

Teams will canvass Ballinger for members the latter part of this week. The membership fee is \$1 and women as well as men will be urged to become members.

R. W. Earnshaw, roll call chairman, addressed the Ballinger Rotary Club Tuesday, enumerating reasons why the citizens of this section should become members. Reviewing some of the magnificent

work done by the organization in this county, the speaker pointed out that the benefits are far more than the county will ever pay back to the Red Cross in membership fees. He also recalled the role played by the Red Cross in the Texas gulf storm last year and other great disasters that have visited the nation.

E. E. King and J. D. Motley also urged full cooperation of the residents of Ballinger in this worthy movement.

The national roll call will end Thanksgiving Day and all community committees are requested to report as soon as their canvasses are completed.

Runaway Creates Much Excitement

A runaway team pulling a wagon containing a bale of cotton attracted high excitement here Saturday morning and caused a wreck which came near being a tragedy. The horses got loose on Tenth Street, ran to the intersection of Hutchings Avenue and turned through the business district. For three blocks motor traffic avoided the runaways until they arrived at Seventh Street.

Mrs. Carl Martin accompanied by her sister, Mrs. Bill Morris, and two children, turned to Hutchings from South Seventh Street just in time for the team to hit their Chevrolet broadside. In some way the occupants of the automobile escaped injury and the car was not damaged much.

One horse was pinned under the car while the other tangled in the bumper and front fender. Both horses sustained bruises and one was badly cut.

It was the first runaway through the business district here in some time and practically everybody left the stores to see the spectacle. Occurring at 9 a. m. there were not many people on the streets, but had the runaway occurred in the middle of the afternoon when traffic was dense it would have been very hazardous.

When the bit in one horse's mouth broke the horse slipped back over his head, frightening the team, and starting the runaway.

PRUITT OPENS BEAUTY SHOP IN THE IDEAL BARBER SHOP

Vestus E. Pruitt, who has been interested with Miss Zella Spreen in the Vogue Beauty Shop on Ninth Street, is opening a beauty salon in the Ideal Barber Shop Monday of next week. The new shop will be known as the Ideal Beauty Shop.

Mr. Pruitt has been in the beauty shop business for over 22 years and although these years have taught him many things he states that he learns something new about the work every day.

All types of beauty work will be done in the new shop and all the old customers of Mr. Pruitt are invited to visit him in his new location.

Sam Behringer left Wednesday afternoon for California, where he will get a load of fruit and nuts for his Ballinger and Winters stores. Carl Mahan, of Abilene, will accompany Mr. Behringer on this trip. The trip will be made in the large truck which Mr. Behringer uses for this purpose every year.

Mr. and Mrs. A. L. Burden spent the Armistice holidays at Corpus Christi, visiting relatives and friends. Mr. Burden reports fine luck fishing in the gulf.

Vanderpool Sent Back to Ballinger

Rev. W. H. Vanderpool was returned to the Ballinger Methodist church by the 79th annual central Texas conference at Fort Worth Sunday afternoon. Bishop H. A. Boaz read the appointments at 2 p. m. after the officials of the church had been in session since the Wednesday before.

Rev. J. T. McClure was made presiding elder of the Brownwood district, taking the place formerly held by Rev. R. O. Sory, who had served the district four years.

The conference just closed was declared one of the best in the history of the denomination. Every church in the conference was represented by both clergy and laymen and reports showed a nice increase in money raised the past year. The spiritual growth of the churches was an inspiration and those who attended came home feeling that it was good to have attended the 1934 conference. Very few changes were made, nearly all the preachers in this section being returned to their pastorates.

Following are the appointments for the Brownwood district: J. T. McClure, presiding elder; Ballinger, W. H. Vanderpool; Bangs, B. B. Edmiston; Blanket, C. A. Wilkerson; Brownwood-Central, H. S. Goodenough; Brownwood-First Church, P. E. Chappell; Burkett-Cross Cut, W. S. Fisher; Coleman, J. A. Sicheloff; Comanche, A. C. Haynes; Comanche circuit, B. W. Kramer; Drasco-Pumphrey, J. B. Weathers; Gustine-Lamkin, Hubert W. Crain; Indian Creek, Sam G. Freeman, supply; May-Byrds, W. T. Veatch; Norton-Mazeland, R. W. Call; Rockwood, Victor W. Dow; Santa Anna, G. A. Morgan; Talpa-Creos, O. A. Morton; Valera, Z. L. Howell; Winchell, Paul Christopher; Wingate, W. B. Gilleland; Winters, J. W. Sharbutt; conference evangelist, J. D. Smoot; Southwestern Advocate representative, B. B. Edmiston.

COUNTY'S COTTON PRODUCTION TO NOVEMBER 1 19,641 BALES

Cotton production in Runnels county on November 1 totaled 19,641 bales. This was announced Thursday by the department of commerce through its Runnels county agent, A. J. H. Borders. On the same date one year ago this county's ginnings totaled 37,757 bales.

Runnels is leading all counties in this part of the state in cotton production this year, with Jones second and Taylor third in the list.

Mr. and Mrs. Cal Adair and children spent the week-end in Lubbock, visiting friends.
