K. V. Northington Honor Guest at Farewell Dinner

K. V. Northington, veteran municipal official here for the past 23 years, was honored by former mayors and other city officials Friday evening at a beautifully-appointed banquet...

Arrangements were made by city employees, under the direction of Miss Grifflie Atkins, general chairman, assisted by John B. Rayburn, city secretary.

white and the speaker's table was centered with an arrangement of white carnations and white gladioli combined with fern, flanked by white tapers in crystal holders...

Following the invocation by Lanham Flynt, Drury P. Hathaway, master of ceremonies, introduced all the past officials and guests.

A dramatic skit depicted the life of Mr. Northington. Vocal numbers: "Irish Lullaby," "You Must Have Been a Beautiful Baby," "School Days," "When You Were a Tulip," "I Love You Truly," and "Casey Jones," were given by Mrs. Black, Mrs. J. E. Garrett and Mrs. S. E. Cloninger...

Mr. Northington responded in appreciation following the program. Born at San Angelo in 1896, Mr. Northington moved with his family to Abilene in 1899.

FREEZING OF HOME-GROWN PRODUCTS BECOMES MORE IMPORTANT FOR FARMERS

COLLEGE STATION, March 3.—The freezing of home-grown products is becoming more and more important in the food picture of Texas families.

extension agents have reported that 9,877 home units were purchased in 192 counties. More than 61,000 families in 197 counties were given assistance with the freezing of food for their home use.

In his annual report, Roy W. Snyder, extension meat specialist of Texas A. & M. College, says there are 515 frozen food locker plants operating in Texas...

Meetings at which demonstrations on the preparation of meats, fruits and vegetables for freezing, and frozen food problems, were discussed were attended by 7,937 people in the state during the year, Snyder reports.

SPORTS

Roy Worley, business manager of the Ballinger baseball club, said today that he would soon conclude the sale of box seats for the regular schedule season...

beginning March 29 and a number of exhibition games are to be played.

Practically all boxes have been bought for the 1948 season, there were only three or four unsold the first of the week...

The Cat management received signed contracts from Floyd and Lloyd Geiger the past week-end and both boys will be here at the beginning of spring training...

The Ballinger Cats will have a long spring training period this year, starting after the six-day school conducted by the Cincinnati Reds...

The Ballinger club will travel 5,856 miles during the 1948 season. The locals' longest hop during the season will be 299 miles from Midland to Vernon...

Martin's Studio

Phone 308 MYLES NIXON, Owner

so no club will jump between Del Rio and Vernon in one day.

Exhibition games this spring will be played at night when the weather permits and in this way more fans will be able to attend.

C. Pequin West, owner of the San Angelo Colts, revealed Sunday that Robert Foy ("Pepper") Martin would be playing manager. Martin played centerfield for Big Spring last year and was one of the leading fielders and hitters of the loop.

The Del Rio team will be known as the Cowboys. Bill Lacy, playing manager, stated Sunday that he already had a team and was ready to go any time.

Boy Worley, local business manager, said Monday that he had received a contract from Edmund A. Bauer, of Buffalo, N. Y.

Bauer is an infielder or outfielder and a hard hitter, and is classified as a limited service man. Bauer was with the Abilene Blue Sox part of last season and was bought by the Ballinger club but did not report for any games as the deal was made near the end of the season and he was not eligible for the play-off series.

Farm Ownership Families Attend Annual Meeting

Fourteen "farm ownership" families of Runnels county held their annual meeting at the court house in Ballinger Thursday, February 19.

The best program in several years started at noon with a delicious dinner prepared by the families and served picnic style. Progress made by these families in 1947 toward owning their farms was reviewed and explained by the use of charts.

The 16 families reporting for 1947 had a total income of over \$105,000 or approximately \$6,568 average per family. Of this total income 36% was derived from cotton, 22.1% from dairying, 10.1% from cattle, 9% from other crops, 3.2% from other livestock, 6.9% from poultry and eggs, 2.2% from hogs and 11.5% from other sources.

Fifteen per cent of the total income was applied on land payments. This is an average payment of \$1,049 per family, which is sufficient to keep well ahead of schedule.

Olen Fenner, district soil conservationist, discussed soil conservation problems and benefits of the SCS district during the afternoon. A moving picture film, "Preparation of Foods for the Home Locker" was also part of the program.

In addition to the families the local county committee composed of George Poe, Kirby Robinson and R. S. Davis attended as visitors together with the local office personnel.

Applications are still being received for farm ownership loans and the new insured mortgage loans but due to the high price of land few loans have been made recently in Runnels county.

Get Welcome Relief From Stomach Gas, Sour Food Taste

Do you feel bloated and miserable after every meal? If so, here is how you may rid yourself of this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break up certain food particles, else the food may ferment.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance.

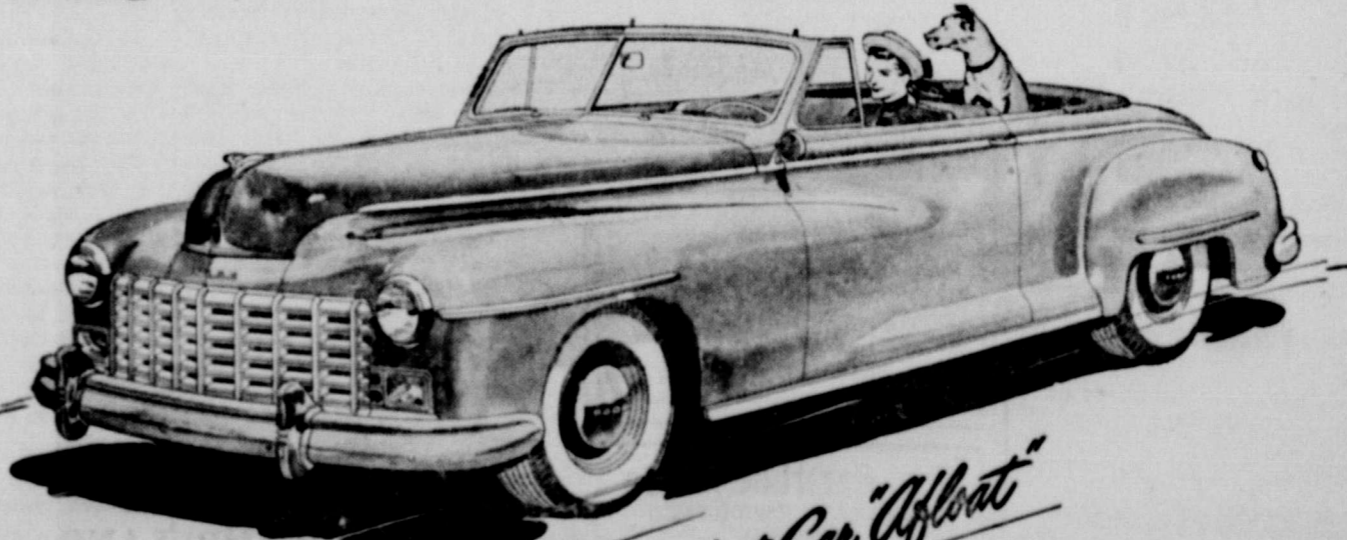

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Mr. and Mrs. Duke Jimmerson and Mrs. Vernon Yearby, of Midland, spent the week-end here, visiting relatives and friends.

Intermediate Training Union Has Wiener Roast

Members of the First Baptist
Intermediate No. 1 Training
Union and their guests met at
the church Saturday evening, and
went to City Park, where they
enjoyed games, followed by a
wiener roast over a large camp
fire. A sing-song was enjoyed
before returning home.

Those present were the spon-
sors, Miss Winnifred Strickland
and Mrs. Elliott Kemp; Rev. B. J.
Martin, Glenn Murray, Mr. Kemp,
Nanelle McGahey, LaRue Wright,
Virginia Lou Parker, Joyce Brook-
shier, Frances Thomas, Theresa
Elkins, Rosalee Nicholas, Cynthia
Burkhart, James Marshall, Jackie
Cook, Robert and Fred Holliday,
Freddie Byrom and Gail Crump.

First Christian W. M. S. Holds Regular Council Meeting

Mrs. Archie W. Gray presided
at the monthly business and
inspirational meeting for the
council meeting of the First
Christian Woman's Missionary
Society Monday afternoon in the
church parlors on Broadway. Six-
teen missionary books were
reported read, and the society
accepted the three-year Crusade
goal. Twenty-six sick calls were
made among members of the
local church last month. Members
voted to conduct a home-made ice
cream and cake social on April 7,
when Mrs. R. O. Pearson, of Abi-
lene, will be a guest speaker.
After the opening prayer by

Mrs. D. B. Crockett, Mrs. M. A.
Foy discussed stewardship, and
Mrs. Horace Murphy's topic was
"Christian Home Life." Mrs. Mar-
vin Clark gave a report on the
purchase of pulpit furniture. Mrs.
Murphy will attend a meeting of
Young People's Teachers which
convenes next week at T. C. U.,
Fort Worth.

Others present were: Mmes. Joe
Satterwhite, Charles Clifton, A. B.
Stobaugh, W. F. Atwell, Gene
Crawford, O. P. Dorsey, E. D.
Walker, Misses Agnes Glover, Nan
Kevil and Lula McElroy.

Mrs. Rampy Has Week-End Guests

Mr. and Mrs. Floyd Sims and
children, Dian and Tom Harry, of
Winters, spent the past week-end
in the home of Mrs. E. L. Rampy.
On Sunday Mrs. Rampy entertain-
ed with a dinner and others
included were: Mr. and Mrs. Ed
Pape, Mr. and Mrs. Bill Canada,
and Miss Mary Krc.

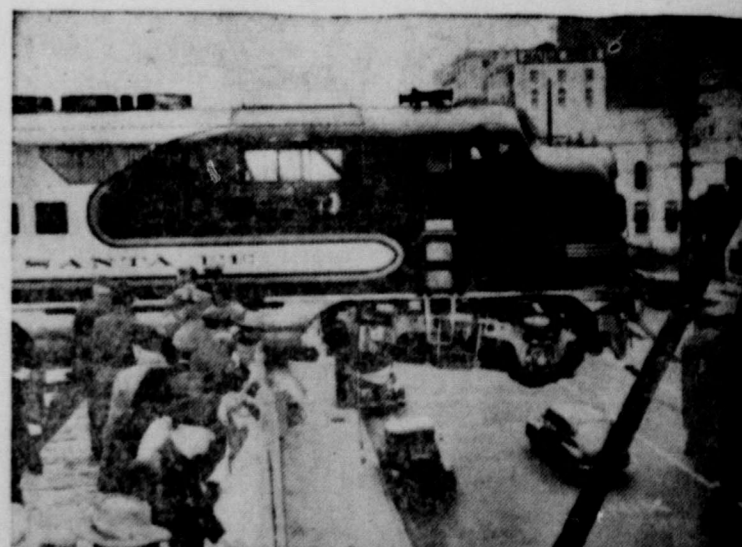

Friday, March 12, will mark the
36th anniversary of the day when
Juliette Gordon Low organized the
first Girl Scout troop in the
United States. Because of one

woman, millions of American girls
and women are happier, more
resourceful people, more intelli-
gent, effective citizens. Juliette
Low brought the idea of Girl
Scouting to twelve girls in Savan-
nah, Georgia, only 36 years ago,
without any organized backing,
with limited funds, and she was
handicapped with deafness.
Then, as now, girls welcomed
Girl Scouting. Mrs. Low's problem
was to find leaders and advisors
among grown-up friends. And
today, Girl Scouts need more
grown-ups who will follow the
pattern set by a woman who was
not too busy, too tired, too deaf
to hear the voices of the girls of

America.
The Girl Scouts of Ballinger
need women to volunteer two or
three hours a week as troop
leaders, men and women to share
hobbies with troops or serve on
local committees. The organization
chairman, Mrs. Loyd Herring, will
be glad to hear from you. Your
time and interest will be the best
birthday present they could have,
and the realization of a great
American's dream.

Don't throw away celery tops.
Save them and add to soups—no
matter if they have dried.
Start all vegetables to cooking
in boiling salted water.

HOW NOT TO DO IT... The front of the four-unit diesel power plant
of Santa Fe's El Capitan streamliner dangles over Aliso street at the
south end of the Los Angeles union station. Train had arrived from
Chicago, uncoupled its coaches and was en route to the roundhouse
when an apparent brake failure caused the locomotive to trundle off
the end of the tracks and crunch through a wall over the street.

DISCHARGED AT LAST . . . Gen. Dwight D. Eisenhower, who by his own admission will not be the next president of the United States, finally got out of the army. He ended 36 years of army service when he turned the post of chief of staff over to Gen. Omar Bradley, formerly veterans' administrator. Eisenhower will launch himself into civilian life by becoming president of Columbia university.

VEREMENT . . . Addressing the annual Lincoln Day dinner in Washington, Rep. Everett M. Dirksen (Rep., Ill.) said that American democracy and world communism "can dwell together only if we are ready to let freedom perish from the earth."

CHAS. L. SOUTH ANNOUNCES FOR CONGRESS

Charles L. South, Coleman, who has formally announced his candidacy for Congress from the 21st congressional district of Texas, visited in Ballinger this week in behalf of his candidacy.

South, who was elected to Congress in 1924, served in that capacity for eight consecutive years. During the last several years of

his service, he was a member of the powerful Interstate and Foreign Commerce Committee of the House, formerly presided over by Hon. Sam Rayburn of Texas, which gave him an opportunity to effectively sponsor legislation of particular value to the 21st district, including the Wool Labeling Act, passed in 1940, making more money available for wool research; the equalization of freight rates; the cedar eradication program, and the farm purchase program, which has enabled thousands of deserving farmers to purchase farms at a low rate of interest.

South supported and now advocates a well balanced farm and ranch program, providing for soil conservation, storing of flood waters, and suitable crop rotation; the guaranteeing of a fair price for farm and ranch products, in keeping with prices which the producer has to pay for articles which he buys; the continuation and expansion of our Rural Electrification Program, which makes light and power available to the farm and ranch; making labor as well as capital fully responsible for its contracts; and the outlawing of jurisdictional and sit-down strikes. He insists that in order for labor to be entitled to a fair and adequate wage, which it should and must have, labor must give in return an honest and efficient day's work.

"Our federal government has gone on a spending binge which will soon end in national bankruptcy, if not stopped," he states. "Despite the fact that our national debt now amounts to \$2,000 for every man, woman and child in the nation, Congress is appropriating money at an annual rate equal to \$1,000 for every American family of four persons. Equal, also, to the total value of all crops, livestock, poultry and eggs, raised and produced in the entire United States for four years, 1936 to 1939, inclusive. It should be remembered that it is not the amount of our resources which makes and will keep us strong, but the manner in which such resources are used and conserved. It is idle to talk about any substantial reduction of our tax burden until government expenditures are brought under some semblance of control."

"I strongly favor that provision of the tax reduction bill advocated by the Democratic leaders in Congress, which would levy an excess tax on corporations, after they have earned a fair return on their investments, thereby preventing the further skyrocketing of prices on many articles which we all have to buy."

"We must ever be on guard against the growth of Communism, Fascism, and all other foreign doctrines which seek to overthrow our government. I am vigorously opposed to any policy tending to appease Russia or any other nation or government seeking to spread revolutionary doctrines."

"We must continue to keep a strong Army, Navy and Air Force, with special emphasis on scientific research and airpower so long as doubt, fear and distrust exist. I do not favor the giving away of any military secrets, the atomic bomb, for instance. At the same time we must not lose sight of the fact that the only thing which can ever bring true happiness and lasting progress to the human race is world peace, toward which we must constantly strive."

"The manner in which our Federal government has mishandled the veterans' housing problem is both disgraceful and inexorable. Long after the war ended, and while hundreds of thousands of returned veterans were being forced to live apart from their wives and children and others forced to crowd in with relatives who were not prepared to properly take care of them, thousands of prefabricated (ready-built) houses, and vast quantities of other building materials were being shipped overseas without cost to the countries receiving them. I am opposed to sending material out of this country until every returned veteran has been given an opportunity to acquire a comfortable home for himself and for his family."

UNEMPLOYMENT SERVICE MAN ASKS FARMERS' LABOR NEEDS

T. H. Boone, of the state unemployment service, will be here each Friday from 9 to 12 in the AAA office to assist workers and farmers in the farm placement program. Mr. Boone was here Monday and stated that he had a number of men at the present time who desired jobs on farms in this county and that he was anxious to place them.

Farmers and ranchmen who expect to need help in the near future are urged to list their needs with Mr. Boone so that laborers can be lined up and placed with them when the jobs are open.

Mr. Boone stated that listings would be taken at the AAA office any time, whether he was there or not, and these reports would be passed on to him.

"The safety of our essential trade routes and ocean lines of communication as well as those of our allies, the protection of areas of vital strategic importance such as the sources of raw material, advanced base locations and the like, are matters of course if we control the seas. Only naval air-sea power can ensure this."—Fleet Admiral Chester W. Nimitz.

Lions to Present Girls Basketball Classic March 16

The Ballinger Lions Club will present the basketball classic of the year on March 16 when it brings the All-American girls' team to Ballinger for a session with a team picked from the Lions League. Ole Olson's Red Heads will meet the team of men and will ask no special favors.

The team of eight girls has toured the nation for a number of years, meeting other teams of women or men and has been one of the best drawing cards in the game. Several months ago a game was asked for Ballinger and was

accepted with the Lions Club to sponsor the appearance here.

Tickets went on sale this week for the big attraction, adult tickets selling at \$1 each and students to be admitted for 25 cents. Nine hundred tickets have been printed and when these are sold the house will be filled to capacity. Special elevated seats will be placed on the stage and approximately 100 people will be handled there.

A fast team is being formed to meet the All-American Red heads and C. D. Richards stated that he had already received requests for some large blocks of seats to out-of-town communities. There are no reserved seats, but only the 600 adult and 300 student tickets will be sold.

Ledger want ads pay.

EAST SIDE HOME DEMONSTRATION CLUB

Members of the East Side home demonstration club met in the home of Mrs. John Duke on Tuesday, February 24, for an all-day meeting.

Mrs. Harold Routh presided for the business session. Roll call was answered with a white elephant exchange.

Mrs. Miss Chenoweth gave a program and demonstration on fancy stitches to be used in home decorations. Members embroidered tea towels and pillow slips for the hostess throughout the day.

At noon a covered dish luncheon was served to Mrs. W. J. Curtis (who was enrolled as a new member), Wallace Barnett, Dabney

Tomlinson, Everett Witter, Routh; and Misses Chenoweth and Mattie Lee Tomlinson.

Abbott and Costello Comedy Declared Funniest to Date

"The Wistful Widow of Wagon Gap" is rated the funniest of all the 20 comedies made so far by those stellar laugh artists, Bud Abbott and Lou Costello. It opens Sunday for three days at the Ford Theatre.

The team has a solid story into which their characters and routines fit naturally, and they also have the support of Marjorie Main, who is no mean bell ringer herself in any laugh meter test. These assets, plus a good supporting cast and a novel western background, put this new laugh offering on the theatregoers' must list.

George Cleveland does an amusing portrayal as a judge. William Ching and Peter Thompson are handsome and stalwart law enforcing agents. Audrey Young is Miss Main's beautiful daughter, daughter, who provides a musical sequence when she sings in a saloon. Gordon Jones also has a featured role.

Combining romance with mys-

'Panhandle' Top Level Western, Starring Versatile Rod Cameron

Reminiscent of the great western pictures starring William S. Hart is the attraction at the Texas Theatre next Sunday, Monday and Tuesday, "Panhandle," with the versatile Rod Cameron in the No. 1 role. "Panhandle," tale of the Texas plains has a solidly constructed story, through which Cameron moves with calm assurance and complete command of every situation.

With Reed Hadley similarly competent as the "heavy" in the piece, a well delegated cast ably directed by Lesley Selander imparts rare realism and conviction to what goes on.

Cathy Downs has the leading feminine part, and others in the important cast include Rory Malinson, Anne Gwynne, Charles Judels, Blake Edwards, Alex Gerry, Dick Crockett, Francis McDonald, Henry Hall, Stanley Andrews, Jeff York, James Harrison, Charles LaTorre and Frank Dae.

Shirley Temple Has Fine Dramatic Role In 'That Hagen Girl'

The program also contains a cartoon and Fox News No. 19.

"Dust be My Destiny," starring John Garfield, and "Trail of the Mounties," a story of the Northwest Mounted Police, make up the double feature bill at the Texas tomorrow and Saturday. In addition to the features several short subjects will be shown.

America's migratory workers, those "nobodies" of the open road who have no place to hang their hats, are depicted in Warner Bros.' stirring drama, "Dust be My Destiny."

This story of Joe (Garfield) and Mable and their fight for happiness is told with marked feeling. Strong support is given the star by Priscilla Lane, Alan Hale, Billy Halop, Frank McHugh, Stanley Ridges, John Litel and Moroni Olsen.

Johnny Mack Brown Western Tomorrow Palace Bills Errol Flynn in 'Sea Hawk'

In the No. 1 feature at the Palace Theatre tomorrow (Friday) and Saturday, March 5, 6, Johnny Mack Brown rounds up a gang of outlaws responsible for murder, saves a gold mine and brings two sisters together in his latest western drama, "Gun Talk." Raymond Hatton is featured in the new Monogram film, which has a cast of western favorites.

Cathy O'Donnell, Mark Daniels, June Lockhart, Hugh Beaumont and Greg McClure are the outstanding young Hollywood players cast in Producers Releasing Corporation's tense tale of a murder by mistake, "Bury Me Dead," the

Leap Year Baby Born At Local Hospital

A baby born here Sunday, February 29, will celebrate his birthday four years hence—February 29, 1952.

A son was born at 11:30 p. m. at the Bailey Clinic-Hospital to Mr. and Mrs. F. B. Probandt. Mrs. Probandt is the former Miss Mary Ruth Hill. Mr. Probandt is a student at A & M College.

Cross Roads Club Selects Projects

A meeting of the Cross Roads 4-H club was held last week with a good number of boys present.

The members have selected a large number of goals for 1948, among which are, "How to Electrify the Farm," with Clarence Book in charge of this work; "Soil Conservation," with George Jansa taking the lead in this project. Boys taking meat animal projects for the ensuing year include J. C. Werner, George Jansa, Lester Glass, Jerome Beach, Bobby Beach. Junior Book will carry a turkey demonstration again in 1948, and J. C. Werner and James Jansa will conduct cotton demonstrations. To make these demonstrations worthwhile the boys will complete record books on their work. Another goal adopted by the club was to secure at least five new members by the next meeting in March.

For entertainment the boys enjoyed boxing, pillow fights and several other stunts.

Uniform Traffic Code Explained

In the last of the articles on the uniform traffic code scheduled for February, W. J. Elliott, chief of the state highway patrol, talks on right and left turns. In the final article of this series, Chief Elliott says: "You can't be a safe driver unless you are a smart driver, and you are not smart unless you know and obey traffic rules."

Concerning left turns the following simple rules are given to help avoid accidents:

1. When you are turning left, you must give the right-of-way to a car in the intersection or approaching closely.
2. When you are approaching the intersection and a car which has been waiting in the intersection to turn left (then starts to make the turn) you must allow it to make the turn in front of you.
3. When you turn left, be sure you are in the correct lane and that you give a signal.
4. Don't insist on your right-of-way at the risk of an accident.

As for the right turn, Capt. Butler states that it is one of the simplest maneuvers in an automobile, but adds that turning errors are reported in about five per cent of all accidents.

He names the following points for right turns:

1. Keep as close as possible to the right edge of the roadway both before and after turning. Don't swing out.
2. Don't forget to make the hand signal well in advance of the turn.
3. Anticipate the turn far enough in advance so that you can be in the proper lane. This means keeping your mind on your driving.
4. Keep close to the right after turning to cause a minimum of interference with the traffic flow you are entering.

Mr. and Mrs. Oscar Allbright and daughter, Darline, of Austin, spent the week-end here, visiting Mrs. Allbright's parents, Mr. and Mrs. R. J. Wood, of the Bethel community. They returned to their home Tuesday.

Rowena Home Demonstration Club

The Rowena home demonstration club met Wednesday, February 25, at 2 p. m. in the parish hall, the vice-president, Mrs. Ed Walters, presiding.

Several members will help with the federated clubs' banquet at the Ballinger high school cafeteria March 4.

With the resignation of Mrs. C. J. Lange as secretary, Miss Isolda Bukemper was elected secretary-treasurer.

Miss Ollie Chenoweth demonstrated needlepoint, shell edge tucks, arrowhead tucks and also showed crocheted dollies and leather gloves in the making.

Mrs. Joe Dierschke and Mrs. Alfons Wanorek volunteered to attend the simplification training school at Miss Chenoweth's office on March 22 and 23 at 10 a. m.

Refreshments were served by Mrs. J. G. Schuhmann and Mrs. LeRoy Schuhmann to Miss Chenoweth, 24 members, and three visitors, Miss Regina Fuchs, Mrs. Victor Schwertner and Mrs. H. L. King.

The cake and pie sale, held recently, was very successful.

Methodist Men Discuss Pension Retirement Plan

Men of the First Methodist Church in session February 24 gave consideration to a new pension plan for the retirement of preachers. The plan was explained by R. W. Earnshaw and was followed by a general discussion in which many questions were asked.

The Central Texas Methodist conference is asked to raise a fund of \$500,000, the Brownwood district to supply almost \$50,000 of the total. Payments are over a four-year period.

The Ballinger church is asked for \$5,000, the first one-fourth to be paid by June 1. When in operation the fund would provide for ministers after retirement and would also take care of widows and dependent children.

A considerable amount was subscribed at the meeting Tuesday and the plan will be presented to the church membership Sunday morning at 11 o'clock. All members are urged to hear the plan explained.

Some people create happiness wherever they go—others whenever.

Typewriter ribbons at The Ledger office.

District Baseball Schedule for High Schools Arranged

Officials and baseball coaches of four schools in district 6A were in Ballinger Tuesday night to arrange the schedule for the spring of 1948 to determine the championship of the district.

Representatives of the Winters, Lake View, Coleman and Ballinger schools made up the schedule, which is to commence on March 19. This will be the first official interscholastic league baseball played by high school teams of this district.

The schedule for the Ballinger team is as follows:

- March 19—Lake View, here
- March 26—Coleman, there
- April 2—Winters, here
- April 6—Coleman, here
- April 13—Winters, here
- April 20—Lake View, here.

Coach Wayman Wilson also said two games had been booked with the San Angelo high team, the time and place to be set later.

Coaches will work with prospects from now until the opening of the season and get the players in condition. Exhibition games may be arranged in addition to those given above.

Baseball Training Begun by Ballinger High School Boys

Baseball practice will be commenced in the Ballinger high school this week to get a team ready for the regular district schedule. Officials of the Lakeview, Coleman, Winters and Ballinger schools met here Tuesday night to draw up a round robin schedule to decide the championship for the district.

Work is being done on the old softball field in Wilke Terrace to get it ready for practice sessions. The backstop screen is being repaired to help save balls and the ground will be put in the best condition possible.

The Bearcats have received new uniforms and these will be issued when the coaches determine the starting line-up. Interest in baseball is high among the students and a number of the boys are expected to come out for the nine.

Fans are urged to support the school in its first venture into this sport.

'Golgotha' Will be Screened at Olfen Tuesday, March 9

On the afternoon and evening of March 9, the Religious and Educational Film Co. will show the drama, "Golgotha," in the Olfen community hall.

This film is a ministry through the medium of the motion picture for all denominations and it is not shown under the auspices of any particular church group. It is said to simply be the mightiest of all stories unforgettably told and drawn directly from the pages of the Bible. It comes with the highest of recommendations from religious groups, both Catholic and Protestant, and is a picture very much in the spirit of Lent.

At last the one immortal story has been brought to the screen, in the first great spectacle since motion pictures were endowed with sound. "Golgotha," a truly extraordinary production, with a cast of thousands, tells with reverence, power and beauty the inspiring story of the last days on earth of Jesus of Nazareth—His triumphal entry into Jerusalem, the driving of the merchants from the temple, the fears and plots of the Sanhedrin, the betrayal by Judas Iscariot, the Last Supper, His final hours in the Garden of Gethsemane, the trials before the high priests and before Pilate and Herod, the scourging by the Roman soldiers, the march to Calvary, and the Crucifixion, and then His last message to his disciples after the Resurrection.

The accompanying musical score written especially for "Golgotha," by Jacques Ibert, is as beautiful as the picture.

The public is invited to attend the showing of this picture at Olfen at 3 o'clock or at night at 8:30. Charges for adults will be 50 cents and for children 25 cents.

This may be the only opportunity to see this great picture as it will not be shown again in this vicinity.

LT. LOWRY VISITS PARENTS

Lt. Robert Lowry was here Saturday for a visit with his parents, Mr. and Mrs. R. M. Lowry. He flew a jet plane from Langley Field, Virginia, to Goodfellow Field, San Angelo, and returned to his home base Sunday. Lt. Lowry flew over Ballinger Saturday morning and many citizens got a glimpse of the fast machine. He circled town, making approximately 500 miles an hour, and took off to San Angelo, where he was met by Mr. and Mrs. Lowry.

LEGIIONNAIRES INSPECT BUILDINGS AT BOWIE

Members of the Pat Williams Post, American Legion, went to Brownwood last week to look over a number of buildings to be sold by the war assets administration. Buildings inspected included several mess halls and hospital ward buildings.

Local Legionnaires are interested in buying a building to be converted into a post home. Men who visited Camp Bowie were impressed with the hospital buildings, which have hardwood floors, built-in features and kitchens.

The post has a building fund of several thousand dollars and it is planned to do something in the near future to provide a clubhouse and headquarters.

RUNNELS COUNTY YOUTHS EXHIBITING AT SAN ANGELO

A number of Runnels county F. F. A. and 4-H club boys left Tuesday for San Angelo to enter livestock in the annual show and auction. The local boys will be in San Angelo most of the week for the judging Wednesday and sale today.

Several of the top animals in the Runnels county show here in January have been entered at San Angelo.

The San Angelo show is one of the largest ever held in West Texas, the entry list counting about 1,600 animals.

EARLIEST CHURCH—MAYBE... Excavation of this stone structure at Newport, R. I., may prove it to be the earliest Christian church in the western hemisphere. Research now is being undertaken by the Preservation Society of Newport to investigate the claim that it was built by Norsemen more than 100 years before the arrival of Columbus. Counter contention is that structure is simply an old windmill built in the 1600s by Benedict Arnold, then governor of Rhode Island.

South Ballinger Club Given Demonstration

A demonstration on furniture upholstery was given by Miss Ollie Chenweth, county home demonstration agent, when the South Ballinger home demonstration club met with Mrs. E. T. Branham, Jr., Tuesday. Miss Chenweth demonstrated the covering of a studio couch, which was almost completed.

Mmes. Newman Smith and T. A. Crockett were appointed to attend the two-day training school to be held in Miss Chenweth's office March 22 and 23.

A covered dish luncheon was served at the noon hour to 14 members and four visitors: Mmes. Milton Harris, O. H. Rezzelle, C. D. Branham and Douglas Barnett of Abilene.

Mrs. Calton Smith will be the hostess when the club meets on March 16, and members are requested to bring white elephant gifts wrapped for the exchange.

Mrs. Virgil McShan was hostess to the South Ballinger home demonstration club on February 17, when members completed twelve aluminum trays with etched designs.

Mrs. Jack Fry was nominated to represent the club at the next

council meet when a delegate is to be elected to go to the district meeting at Sweetwater. Mrs. Wesley Jones, recreation leader for the club, will direct the recreation period at the next council meeting.

The hostess served refreshments to 15 members.

Only 8 Marriage Licenses Issued Here in February

Only eight marriage licenses were issued from the office of Frankie Berryman, county clerk, during February, as compared to 18 issued during January. One couple requested that their names be withheld, and the others are as follows:

- William Ford Byrns and Miss Betty John Curry
- Junior W. Havner and Miss Mildred Morrison
- Robert Earl Howard and Miss Addie Yvonne Hudson
- Weldon R. Smith and Miss Barbara Lafoon
- John Wesley Osborne, Jr., and Mrs. Hope Atwood Fallon Gullory
- George W. Dean and Miss Hanna Corene Bowen
- M. E. Curry and Miss Jewel McDonald.

L. B. RUDDER BREAKS FOOT
L. B. Rudder has a broken foot and is on crutches as the result of a fall at his home the past week-end. The bones have been set and the foot put in a cast, and Mr. Rudder is doing light work with the aid of the crutches.

Card of Thanks

We wish to express our appreciation to all our kind neighbors and friends who so willingly helped us in many ways after the storm.

Mr. and Mrs. Edwin Moeller and family 11-

NEW PASTOR CALLED BY CREWS BAPTISTS

Rev. Joe Wilbanks, formerly of Corsicana, has been called to the pastorate of the Crews Baptist Church and has accepted. He and his wife and two sons, Jilly Joe, 4, and Jerry, 2, moved into the parsonage this week and Rev. Wilbanks has begun his ministry at Crews.

The church feels fortunate in securing the services of this young minister, who comes highly recommended.

A general church social in connection with a pounding and hen shower is planned for the new pastor and his family at the school gymnasium Saturday night. All members are asked to help make this get-together a success.

The windstorm that hit Bruce Field last Thursday night left more damage than can be seen in a mere glance. Check-ups disclose every building took some punishment and most of the structures are considerably damaged. Those the wind did not smash were in the path of flying steel and heavy timbers and were badly beaten. Fortunately the city was covered by wind insurance and adjusters will estimate the loss within a short time. City officials have not announced intentions in regard to replacing the wrecked hangar or what will be done about the other buildings. It is fortunate that the destructive twister did not hit the business district of Ballinger.

Only ten days remain in which to file income tax returns for 1947. March 15 is the deadline for individuals and business houses to report and remit what is due the federal government. In Ballinger there are a number of income tax accountants and for a small fee will assist anyone requiring help.

While a few sections of Runnels county received rain last week the moisture was so spotted it will do little good. Ranchmen and farmers are becoming alarmed over the condition. Small grain in some areas is almost dead and pastures have little grass or weeds. Livestock is being fed every day and most of it is not in shape for sale to packers. A general, slow rain is needed. Precipitation last week did put some water in tanks and streams, however.

Local business men have shown willingness to bring a new industry to Ballinger by putting their money in a company to establish a tile plant. Practically all funds have been subscribed for the first

unit of the factory and preliminary work of securing papers of incorporation and beginning construction will be rushed. The new concern will begin with a force of 41 people and each new unit added will increase the payroll. Negotiations are underway to take over one of the city's large hangars and a barracks building at Bruce Field for the plant, offices and living quarters for several families.

There are 210 farmers' cooperatives in Texas, engaged in handling almost every agricultural product in the state.

WEST TEXAS NOTES

Menard county 4-H club boys are well represented at the West Texas Livestock Show at San Angelo this week. The boys took their best animals after entering them in other exhibits and will make the competition tough for other young exhibitors. A total of 31 animals are being shown by the Menard boys.

Joining other churches of the Runnels association, the Paint Rock Baptist Church is holding a revival, the special services to be continued through Sunday. Rev. W. C. Dever is doing the preaching and Charles McLaughlin, of Fort Worth, is leading the singing for the eight-day campaign.

A new aerator has been installed at the Melvin water pumping plant. The aerator was bought by the city council to eliminate rust from the water and otherwise purify it before it is pumped into the mains. Some months ago a 35,000-gallon reservoir was built at Melvin but pumps and other equipment did not arrive until last week and are being installed at this time.

Stephenville committees have started a survey in the city and Erath county to determine the possibilities of organizing and holding a county fair this year. The committees will visit all communities in the county to ascertain the sentiment and will visit other counties where successful fairs have been held to see how their annual shows are conducted. A report of the findings will be given later at a mass meeting.

Property owning tax payers of Dublin will decide a \$245,000 bond issue on March 20 for water and sewer extensions and improvements. The proposition has been under consideration by city officials for several months and will now be submitted to the citizens. According to reports Dublin residents have lacked an adequate water supply for several years.

A home nursing class has been organized in the Brady high school, 133 having enrolled. Mrs. Jessie Nixon Neill, of Santa Anna, is in charge of the class and will give the Red Cross instruction. The course for high school girls will require a month and at the conclusion similar instruction will be offered adults if enough are interested.

M. H. Percy has assumed direction of the Eastland county vocational schools for veterans. C. B. Edwards, who served as coordinator since the classes were organized, admitted differences with the veterans' administration on policies. Fire insurance agents at Rising Star have been advised that the

city will retain its 25 per cent credit because of a good fire record, maintain for several years. The credit will represent a large saving to property owners.

The annual revival at the Miles Baptist Church was begun Sunday, Evangelist Kirby McGuire doing the preaching and Vernon Dutton leading the singing. Officers of the church had been working for some time to lay a foundation for a good revival.

Committees of the Bronco Lions Club are looking into the proposal for a lighted athletic field and will obtain cost estimates in a few days. A board of directors will be set up by the club to have charge of the field for three years. The club has been raising money since its organization to put over this project.

Hundreds of Brown county and Brownwood school children will be guests of Brownwood business men and civic clubs at the Clyde Brothers Indoor Circus to be presented tomorrow and Saturday. The Brownwood Lions Club is sponsoring the performance and committees have been contacting business men and club leaders to explain the plan for free tickets for the children.

Santa Anna band mothers sponsored a variety show last week to raise money to send the band to San Antonio for the Battle of Flowers. The mothers organization raised \$2,500 during the past year for development of the band. It is paying part of the instructor's salary and otherwise assisting in the musical instruction for school students.

Foster Miller, assistant athletics coach at Coleman, has accepted a similar position at Kerrville, and will go there before the beginning of the 1948 fall semester. Miller had just been reelected to the position at Coleman. He will be line coach for the Kerrville high school.

Calves brought the best price of the year at the annual Winters auction last week, fat animals selling at 26 cents a pound. Milk cows sold up to \$165 and bidding was brisk for other animals.

Grady Millsap, of Ballinger, was among the 44 students to get on the honor roll at McMurry College, Abilene, the past semester. Only students with an average of 90 or better were accorded this honor.

Special contest prizes are in effect Saturday, March 6 through March 28, at King-Holt Co.

Cattle Lose Night Blindness When Feed is Changed

COLLEGE STATION, March 3.—Strange as it may seem, the lack of vitamin A in rations will cause night blindness in cattle—just as it will in humans.

The results of experiments conducted by the Spur substation of the Agricultural Experiment Station of Texas A. & M. College,

McGREGOR[®] Sportswear

McGREGOR SLACKS
Tailored With The New Continuous Waistband That Gives You a Slimmer, Trimmer, Athletic Look

Wonderfully fashioned by McGregor to fit well, hang well, look well. Stylishly tailored for freedom and comfort.

Higginbotham Bros. & Co.

prove that statement and the results were even more convincing this year.

Paul T. Marion of the Spur substation says that a group of 14 yearling steers, made up of five Herefords, five Jerseys, and four crossbreds, ranging in weight from 700 to 1000 pounds, were fed a ration of cottonseed meal and hulls (a ration that is deficient in vitamin A) for 84 days. They developed advanced symptoms of vitamin A deficiency within that time. They are night blind, have poor appetites and their average daily gain of 225 pounds per animal for the first 56 days dropped to 1.1 pounds the last 28 days.

When green grass, wheat pasture, alfalfa or other green feeds are available, yearling steers are able to store carotene, a form of vitamin A, to supply their body requirements for as long as 100 to 180 days. This particular group developed the symptoms in less time because they had no green grass from the middle of July through October, due to the late summer and fall drought.

Fifteen similar steers grazed side by side with the first group all summer, Marion says. In the feed lot, these 15 were fed a

ration of alfalfa hay and silage, both of which contain carotene. None of these steers have developed vitamin A deficiency symptoms.

Marion warns that the recent drought may have left many cattle throughout the midwest without a reserve of vitamin A. This is particularly true of cows and calves wintering on dry grass. "It's easy to check your cattle for night blindness," he says. "Drive them around in the pen after dark. The blind ones are usually slow to move and will run into feed troughs or other obstacles. If they are night blind, two to four pounds per day per animal of good quality green alfalfa hay will correct the condition within a short time."

Have your yard turned, plowed, disced and harrowed, all in one operation. Phone 254.

A good way to use the last bits of a ham is to add it to a cream sauce made by heating a can of mushroom soup as it comes from the can. Add only a tablespoon or so of cream or milk for thinning.

Large Congregations Attend First Services Of Baptist Revival

The revival at the First Baptist Church got off to a good start Sunday, large congregations attending the three services. Rev. B. J. Martin, pastor, opened the evangelistic campaign at the morning hour and the guest preacher, Rev. Vernon Yearby, of Midland, arrived in time to conduct the evening service and will be here through next Sunday.

All churches of the Runnels Baptist Association were well represented at the rally Sunday afternoon at 3 o'clock when Dr. E. F. Cole, of Fort Worth, state evangelist, brought the message. Rev. Yearby launched into the evangelistic services Sunday evening, speaking to a large congregation. He warned his hearers that God is giving a final test to see if we are capable of meeting the needs of the world.

The speaker listed four calls on the people of today: first a return to God, and it was reminded that there is no remedy for sin but the forgiving grace of God; second, the call to prayer, and Rev. Yearby urged Christians to take their problems to God in prayer; third, the call to praise, and it was added that God yearns for fellowship and is often hurt by our neglect; and the final point was the call to confession. Rev. Yearby will be heard each morning this week at 9:30 and each evening at 7:30.

Glenn Murray, in charge of the music, brought a choir special for the Sunday evening service. He will feature congregational singing during the week and also will be heard in solo numbers.

NOTICE!!

I have sold my retail feed and seed business to Herman Price, of Paint Rock, and he has taken over this part of the business as of March 1.

I wish to express my appreciation for the fine patronage in the past and also to commend Mr. Price to you for future needs in feed and seed.

MORGAN MOTOR CO.

Easy on the eyes — and ears

Standing still, it has the eager look of a pointer scenting game, so swift and flowing are its lines.

Sweeping by, it stands out unflinchingly from the highway crowd, unmistakably a Buick and unquestionably the year's trimmest fashion plate.

But have you traveled in one of these tidy new beauties?

Have you seen for yourself how smooth and silent is its flow of power, how hushed and quiet is its ride?

This comes from many things.

From Fireball power now Hi-Poised for throbless smoothness. From a Vibra-Shielded ride that is your ever-present protection against road-noise, body-drum and vibration build-up.

And it comes, in addition, from a brand-new development we call Sound-Sorber top lining.

It's a thick pad of feathery insulation much like that you use in your own home, and it goes into every closed model in our 1948 SUPER and ROADMASTER series.

This new lining cloaks your Buick in new and delightful silence akin to that of your own living room—

silence that encourages normal-tone conversation, makes soft radio music clear and enjoyable throughout the whole car.

So you ride in quiet as well as beauty when you travel in this style star.

You find it a great-hearted lovely that is soft of voice and gentle of manner — a delight to the traveling ear, the guiding hand and the passing eye.

Don't just see it at your Buick dealer's—look into it with greatest care. The deeper you look the surer you'll be to see the wisdom of getting a firm order in now!

You shall have music—wherever you ride

Front seat or back, you listen to your radio at soft and unforced volume in this new Buick. You talk without shouting, know freedom from rattle and din. Always cars of quiet comfort, the Buick SUPER and ROADMASTER step out still further with Sound-Sorber top lining—a Buick exclusive.

HOME OWNED AND OPERATED

'THE NORTHERN LIGHTS HAVE SEEN STRANGE SIGHTS' . . . In the northern Manitoba gold fields where pioneers pushing back the continent's last frontier take blizzards and 50 below temperatures as a matter of course, the simplest everyday tasks take on a staggering enormity. For instance, in order to get water for washday or Saturday night baths, Mrs. Elbert McEae, at Wekusko, Manitoba, has to melt down a batch of snow over an outdoor fire. Hundreds of feet below her, men are pushing drills into the gold ore of Wekusko gold mine.

RECORD BREAKER . . . Gil Dodds, the "Flying Parson" of the Boston Athletic Association, streaked across the finish line to win the Wanamaker mile in Madison Square garden and set new world indoor record for the mile of 4:05.2.

7:00 p. m., mid-week worship.

Kathryn Sensabaugh Conducting Revival For Abilene Church

Miss Kathryn Sensabaugh, who was licensed to preach by the Abilene Methodist District one year ago, will be in charge of the preaching in a revival meeting at an Abilene Methodist Church.

Miss Sensabaugh, a junior in McMurry College, Abilene, and only eighteen years old, preached twice Sunday. She is preaching each evening this week and will speak two times Sunday at the Trinity Methodist Church, Abilene, as a part of a district-wide simultaneous meeting.

Miss Sensabaugh received her license at a conference in Roby in February, 1947, becoming the first woman in history to be licensed to preach by the Abilene Methodist District. She was then only seventeen years of age. She had felt the call to preach when 14 years old and accepted the call in June, 1946, when attending the general assembly of the Methodist Church at Southwestern University. Her license entitled her to become a "supply" pastor, but not a regular itinerant minister of the conference. As a "supply" pastor she cannot perform a marriage ceremony, officiate at a baptism or preside at the Lord's Supper.

Last Summer Miss Sensabaugh assisted in a revival meeting at House, New Mexico.

A graduate of Ballinger high school, Miss Sensabaugh is a daughter of Mr. and Mrs. L. F.

Sensabaugh of Lubbock and a granddaughter of Mrs. W. T. Padgett of this city. Her grandfather, Dr. O. F. Sensabaugh, of Dallas, was formerly presiding elder of the Abilene district. She is the fifteenth Methodist minister in the family.

BROWNWOOD C. C. BANQUET ATTENDED BY BALLINGERITES
C. E. Maedgen, Roger Wheeler, Alfred Dallinger, Troy Simpson, Mr. and Mrs. R. W. Earnshaw and Mr. and Mrs. Jimmy Isaacs were guests at the annual banquet of the Brownwood Chamber of Commerce Monday night.

Held on the roof of Hotel Brownwood, the affair was attended by more than 400 people. The Ballinger Lions Club's quartet provided musical numbers for the program.

D. Hodson Lewis, manager of the Southwestern division of the United States Chamber of Commerce, was the principal speaker, taking for his subject, "Main Street and the New Look."

BOY SCOUT TROOP NO. 42 MEETS WITH SCOUTMASTER

Twenty-two members of Boy Scout troop 42 met at the troop headquarters on Sixth Street with their scoutmaster, Rev. Edward B. Postert, Monday evening. After the troop routine, outdoor games were played. Outings are

being planned by members for early spring.

Gardens Produce Sizable Portion Of Farm Income

COLLEGE STATION, March 3.—Texans may not realize it, but farm gardens produce a sizable portion of the farm income in the state.

There were approximately 400,000 farm gardens in Texas in 1947, according to an estimate made by J. F. Rosborough, extension horticulturist for Texas A. & M. College. The figure includes gardens up to an acre in size. The value of the vegetables and fruit produced,

including those processed for home use as well as fresh for the table, averaged \$110 per garden. That figures a total income from the gardens of \$44,000,000.

"Cotton and wheat, the two crops that we figure make the most money actually brought in an income only a little over eleven times, in the case of cotton, and about six times, in the case of wheat, than that of the value of the gardens," Rosborough says. "The value of the gardens was over ten times that of flaxseed, an up-and-coming crop in the southern part of the state."

According to a recent report from the USDA's bureau of agricultural economics office in Aus-

tin, sorghum for grain, cottonseed, corn and sorghum for forage, and rice follow cotton and wheat in income value, in that order. Using Rosborough's figures, the income from farm gardens ranks just below rice, and above peanuts, oats, hay (all kinds), flax-seed, and truck crops.

As a result of the higher costs of food, and in answer to the government's request for an increase in gardens in 1948, Texans will probably come close to doubling last year's garden figures, Rosborough says. If the weather is favorable, the other money-making crops in the state will have to "step lively" to stay ahead of farm gardens.

IN SOCIETY

Dallas Presbyterian Church Scene of Mikovsky-Bankston Wedding

The wedding of Miss Norma Gene Bankston, daughter of Mrs. Ruth Bankston, and George Mikovsky, of Dallas, son of Rev. and Mrs. Joseph Mikovsky of San Angelo, took place in the City Temple Presbyterian Church at Dallas Saturday evening at 6:30 o'clock.

Dr. Harry Saries, pastor, officiated for the double ring service conducted before the altar in the sanctuary.

Mrs. Joe W. McCormick was her sister's matron of honor. She wore a dress of chartreuse crepe with brown accessories and a corsage of gardenias. Ted Mikovsky, of San Angelo, brother of the bridegroom, served as best man.

The bride's street length dress of thistle-down crepe was fashioned with a bustle back, a V-neckline and long sleeves. Her pink hat was of feathers and other accessories were dark brown except for her pink gloves. For something old, she wore a lavaliere belonging to a friend, Miss Griffie Atkins. Her corsage was of orchids.

A dinner followed at the Baker Hotel, the hosts being Ballinger friends who are making home at Dallas, Mr. and Mrs. Charles Palford, Mr. and Mrs. Bill Chababa, Mr. and Mrs. Marvin Miller, and Mr. and Mrs. Joe Harwell. Out-of-town guests were the bride's mother and sisters, Mrs. Ruth Bankston, Mrs. Joe McCormick and Miss Jackie Bankston; Miss Griffie Atkins and Miss Virginia Nance, all of Ballinger; Mr. Ted Mikovsky, of San Angelo, Miss Ola Harper, aunt of the bride, and Miss Beulah Bess Bell, of Dallas, also attended.

Mrs. Mikovsky was graduated from Ballinger high school. She was a member of D. F. D. Sorority while attending Texas Tech at Lubbock. She has been employed in the office at the West Texas Utilities Co. for the past three years.

Mr. Mikovsky attended Shreiner Institute, Kerrville, and the University of Texas, Austin, after graduating from Port Lavaca high school. He served three years in the Army Air Forces, of which one year was spent overseas.

The couple will be at home at 1920 N. Peak Street, Dallas. Mr. Mikovsky is employed by the Austin Bridge Co.

Paper clips at Ledger office.

Miss Green and John S. Kennedy Wed at Monahans

Mr. and Mrs. Eimer L. Green, of Monahans, former residents of Ballinger, have announced the marriage of their daughter, Miss Oma Lee Green, to John S. Kennedy, son of Mr. and Mrs. D. O. Kennedy, of Ballinger. The single ring service took place at Monahans February 12.

The bride was graduated from Ballinger high school in 1947. She has been employed by Perry Bros. for several months. The bridegroom graduated from Ballinger high school in 1944, and recently was discharged from the Navy, where he served 34 months.

Mr. and Mrs. Kennedy are at home in Eunice, New Mexico, where he is employed by the Magnolia Petroleum Co.

Girl Scout Area Executive to Visit Ballinger March 5-6

Miss Bobbie Wash, Girl Scout area executive, will be in Ballinger on the afternoon of March 5, and all day Saturday, March 6. She will conduct a Girl Scout leadership course; also direct courses in handcraft, games, songs and other activities.

Miss Wash will meet with local council members, leaders, troop committee members Friday afternoon at 2:00 o'clock, in the Girl Scout room at the library.

Mothers of Girl Scouts and any other adults interested in the movement are invited to meet with Miss Wash either Friday afternoon or Saturday.

Ballinger Rebekah Lodge Has Regular Meeting

Miss Louise Scharrenbeck, president of the Central West Texas I. O. O. F. and Rebekah Association, and Mrs. Edna Warren, both of Brownwood, were visitors of the local Rebekah Lodge, when it held its regular meeting last Thursday evening.

Mrs. L. M. Bowden presided for the business. Miss Scharrenbeck spoke to the group in regard to the association. A number of members will attend the association meeting when it convenes at Brownwood on April 13.

Refreshments were served to about twenty, including several out-of-town visitors.

Miss Gwen Morgan Plays in Church Drama

Mr. and Mrs. Malcolm Morgan recently visited their daughter, Gwen, who is a student at Baylor University, Waco, and attended a church drama of the Baylor Theatre, which presented an adaptation of "Jupiter Laughs," by A. J. Cronin.

The Baylor Theatre is fostering an extensive program of church drama in cooperation with Baptist churches in Waco and neighboring towns. This fall the combined audiences totaled some 10,505 people. This play was staged in East Waco, and the production will also be staged in Mexia, Bonham, Dallas, Gatesville and Ballinger.

Miss Morgan and Miss May Keys of San Angelo played double roles in "Jupiter Laughs." The drama was staged by Miss Louise Hash, of Ballinger, who is a member of the Baylor faculty.

Miss Mary Talbott Weds T-Sgt Robert E. Embleton in Alaska

The marriage of Miss Mary Talbott, daughter of Mr. and Mrs. William H. Talbott of Abilene, to T-Sgt. Robert E. Embleton, son of Mrs. Thomas H. Bryan of Columbus, Ohio, was solemnized in the base chapel of Ladd Field, Alaska, by Chaplain A. B. Mercer. Prenuptial solos included "Iche Liebe Dich" and "I Love You Truly," by Shirley Nelson, student at the University of Alaska.

The bride was given in marriage by Harry A. Brandt, dean of men at the University of Alaska and formerly director of the Fairbanks USO. She wore a gown of white slipper satin on princess lines with a sweetheart neckline, long sleeves and a full train. Her veil of illusion was fingertip and her bouquet was of red roses with freesia. Attendants for the bride were Mrs. Roy White, Mrs. Walter Tait, Mrs. James D. Lyle, Mrs. Thomas Olson and Miss Margaret Montgomery. Their gowns were in pastel shades and carried contrasting nosegays of mixed flowers.

M-Sgt. Roy White was best man

BEFORE SHE CAN WALK, HONEST . . . Ever hear anyone brag about how he learned to swim before he could walk? Take a look at a youngster who won't be kidding when she tells that story. Sherry Lynn Whitford of Los Angeles is only nine months old and already she's swimming the 25-foot dash. The tot swims three times daily and uses a combination of dog paddle and crawl to propel herself about the pool. She swims with her tiny head under water. Here, she is being dropped into the water by Crystal Scarborough.

and ushers were T-Sgt. Theodore Heldberg, T-Sgt. Arthur Jacobsen, and S-Sgt. Thomas Wilkins.

The ride to the reception, which was held at the Officers' Club, was made in a battalion tank retriever, and an archway of swords was made for the couple as they entered the club. The five tiered wedding cake, topped with bride and soldier bridegroom, was baked by Cpl. Melvin Lange.

Miss Talbott taught music in Ballinger schools for several years before engaging in USO work which she had been doing for six years. Mrs. Embleton is now employed in the accounting department of the Arctic Contractors, and the bridegroom is stationed at Ladd Field.

Busy Bee Girl Scouts Taught Table Etiquette

Eleven members of the Busy Bee Girl Scout Troop met with their leader, Mrs. Max McCrary, in the scout room Friday afternoon.

Girls were taught how to set a table for the family dinner, and how to serve a formal tea, and also how to serve from a coffee table.

After dues were taken, Ginger Gurley and Margaret Parker were hostesses and served sandwiches and punch. Baseball games followed Scout activities.

In theory, atomic power can drive a submarine of World War II type at 30 knots submerged for a year without refueling.

FRANK FLYNT MOTOR COMPANY

Corner South Eighth Street and Strong Avenue

"It ain't fair!"

There oughta be a law! Everything in our house runs by electricity—but this!

Poor Butch has to do things the old mechanical, hard way. Mother has low-cost, dependable electric service to help her cook and clean, wash and iron and sew. Dad runs his razor, and his workshop, too, by electricity. In fact, the whole family enjoys light, comfort, and entertainment when Reddy Kilowatt, your electric servant, jumps to their service at the flip of a switch.

Never before has electric service done so much to make life comfortable for so little! Yes, in spite of high production costs, The West Texas Utilities Company furnishes residential consumers electric service at rates 17% less than ten years ago.

The skill and experience—the "know-how" and the efforts of your friends and neighbors in this company have combined to keep the price of electric service low—and its usefulness greater than ever before.
