County-Wide Stock Show Planned for January, 1950

The agriculture and livestock committee of the Ballinger Chamber of Commerce, representatives of 4-H clubs and F. F. A. chapters of the county and a group of Winters men met here last Thursday night to discuss plans for holding livestock shows in the county.

It was voted to make the annual show for 4-H clubs and F. F. A. chapters county wide and the date for the first show was set for January 21, 1950. The show will be held in Ballinger and Winters, alternating each year, and a group to be known as the Runnels county livestock show committee will decide where the first show will be held at its next meeting.

It was voted not to have auction sales at future shows. Livestock will be shipped to Fort Worth for all boys who want to sell, and the boys will be given a trip there to see the animals sell in the ring and watch it until it is butchered and prepared for

storage.

A plan of cash prizes will be set up, the first budget calling for \$1,500. Each town in the county will be asked to raise its pro rata part of this prize money.

The livestock show committee is composed of the following: Raymond Berryhill and Joe Satterwhite, Ballinger; Charles Strauch, Miles; C. H. Kendrick and C. E. Sullivan, Winters. This committee will work with the county agent, vocational agriculture teachers and others in completing final preparations for the show.

Representatives of the county agent's office and the vocational agriculture teachers will meet on August 16 to discuss the plan for classing animals at the show and have a recommendation to make regarding distribution of cash prizes. The show committee will meet on August 17 to hear these plans and to make other arrangements for the 1950 show. At this meeting the place of the first show will be decided.

RADIOPHOTO BRINGS SON HOME . . . John Rangaves, New York, sees his son, Christus, who is in Germany, via radiophoto. The 21-year-old son was under treatment of doctors in a Berlin hospital. The young GI, held as AWOL since January 16, told United States authorities that he was arrested by Russian police as a spy suspect and kept in captivity for five months he was missing. He accused the Russian captors of brutal and animal-like treatment of him. Medical examination showed he was suffering from malnutrition. The Russians voluntarily released him and allowed him to return to the American zone. U. S. military police checked his story while he received medical attention.

County Infantile Paralysis Chapter Receives \$8,600

Parking Meters Will Be Property of City About September 15

The city of Ballinger will soon own its parking meters and during the time they have been in operation they have paid good revenue to the city besides paying the company for the installation.

Each month half the take is sent to the company to be applied on the initial cost. The payments made at the end of July amounted to \$421.75 and left a balance of \$518.30, which will be paid in full by the middle of September.

Not only have the meters paid in the money deposited in them for parking time but have made possible a large number of fines for overparking and other traffic violations.

A check-up for the past three months showed the following collections from the meters.

May, \$712.50	July, \$843.50
June, \$678.00	During the same months fines paid, mostly for overparking, were as follows.
July, \$106.00	May, \$109.00
June, \$106.00	July, \$95.00
July, \$95.00	Between 9 a. m. and 6 p. m. only one policeman watches for cars parked overtime and he also makes weekly collections from the machines. This one man also services the meters, keeps them wound up and in operation.

The Runnels county chapter of the National Foundation for Infantile Paralysis received from the national headquarters of the March of Dimes organization the past week-end a check for \$8,600 to assist in payment of local polio patients' medical care. This announcement was made by Dr. E. W. Stasney, chairman of the county chapter.

The money requested from the emergency epidemic aid fund was because the local chapter had exhausted its treasury. The chapter retains half of the March of Dimes money each year and until this year had been able to handle needs in the county from its own funds. This year many parents could not pay full costs unaided and the chapter quickly exhausted its bank account.

The Runnels county chapter at present is providing funds for the care, in whole or in part, of sixteen patients stricken this year and is continuing to pay costs of care for five patients stricken in former years.

The chapter has assisted families in every part of Runnels county and will continue to do so. Local records reveal that the largest bill paid to date was \$1,760.66 for a patient in the Winters area. Four patients have been given assistance in that vicinity at a total cost of \$2,329.93, including the purchase of a wheel chair.

In addition to the assistance in whole or part to the sixteen cases, some half dozen cases have been taken care of by the parents with no help from the chapter.

Last year a total of \$1,855.26 was collected in Runnels county for the March of Dimes, \$97.64 remaining in the local fund.

In recent weeks the chapter has been called on for aid until the emergency request was made and approved by the national foundation. Most of the \$8,600 has already been spent and will be used in taking care of bills which have been filed with the chapter officials.

\$67 far this year the national headquarters has advanced \$3,551,265.97 to chapters as a result of increased incidence of infantile paralysis plus a heavy carry-over of cases from 1948, the year of the highest incidence since 1916.

Improvements Planned At Municipal Airport

Mayor Bill Moore, Fred Underwood, J. W. Longenette and Townner Dickinson spent last Thursday at Big Spring, conferring with officials of the civil aeronautics administration. While there they were informed regarding improvements necessary at Bruce Field before it can receive approval of the CAA for a daily airline schedule.

Recently the CAA approved \$22,200 for airport improvement in Ballinger. At the meeting with CAA officials at Big Spring a new arrangement was accepted by the city whereby \$15,000 in aid will be advanced for this purpose, the city matching this amount with labor and materials. The city will employ its own crews for the necessary work and Townner Dickinson is preparing the plans at this time.

When the plans are perfected the city will submit them to CAA representatives at Big Spring and as soon as approved work will get underway. City officials estimated that it would require two more weeks before approval of plans and other preliminary work could be done.

Necessary work at the local field calls for the lengthening of one runway 2,000 feet, the installation of runway lights and a beacon light. The runway extension can be built with a caliche base and asphalt topping to match those built during the period of cadet training here.

A representative of Trans-Texas Airways was here Saturday to confer with city officials and check up on the plans. This company will make regular stops at Ballinger as soon as improvements are finished and the field is approved by the CAA and other agencies.

Second Dankworth Well Proves Good; Deepening Freeman

The Chapman & McFarland No. 2—Dankworth was brought in Wednesday and oil men present when the one hour drillstem test was run stated they believed the well would be as good as number 1.

The test was made at a depth of 3,691 to 3,705 feet. Gas rose to the surface in three minutes and oil began flowing in 30 minutes. It showed 1,300 pounds shut-in pressure and 600 pounds flowing pressure.

The operators will drill ahead to test the Gray sand at about 3,900 feet. Unless larger production is found there, oil will be taken from the depth of the showing Wednesday.

Deepening of the Freeman well, 6 miles southeast of Winters, was continuing today at a depth of about 4,100 feet. Several showings of gas have been tested the past week.

Several blocks in the county have been completed and drilling will be started within the next two to three weeks.

Ballinger Firemen Election is Called For Consolidation Of Three Districts

Ballinger was well represented at the Hill Country Firemen's Association convention at Sonora Tuesday. Thirty from Ballinger were present and local firemen easily won the attendance prize which is based on miles traveled.

Not only was the department well represented in numbers but in contests held late in the day Ballinger teams and individuals made good showings.

In the one-man pumper race Raymond Hash won first with time of 144 seconds.

In the three-man race, Bill Selby, Henry Moody and Raymond Hash took first place with time of 154 seconds.

In the ladies' hose and nozzle race Mrs. Raymond Hash took first place and Mrs. Selby third place.

Mrs. Lynn Candler and Mrs. Selby won second award in the bucket fight.

"Curly" Hays, of Abilene, was the principal speaker at the forenoon program, discussing safety, polo and the part that firemen have played in clean-up campaigns over the state this year.

At the memorial service tribute was paid to Marvin C. Atkins, a past chief of the Ballinger department, who died recently at his home in Bryan. Mr. Atkins was chief of the local department when he left Ballinger in 1928.

The auxiliary of the Eldorado department highlighted the entertainment program with a one-hour performance from 11 o'clock until noon.

At the dinner Tuesday evening given the convention visitors by the Sonora department, hot steak, hot biscuits, gravy and all the trimmings were served. This was followed by a dance.

The Ozona and San Angelo departments were taken into the association as members.

Attending from Ballinger were: Chief and Mrs. Malcolm Morgan, Mr. and Mrs. D. G. Posey, Mr. and Mrs. Raymond Hash and Ellen Kay, Mr. and Mrs. Lynn Candler and Jerry, Mr. and Mrs. Bill Bell and Patsy, Mr. and Mrs. Chester Afferbach, Mr. and Mrs. Walter F. Mueller, Mr. and Mrs. Henry Moody, Mr. and Mrs. Bill Selby, Mr. and Mrs. Chester Cherry, Mrs. K. V. Northington and Martha Kay, Carl Freeman, Charles Webb, H. M. Dossier, F. G. Parker, Chief of Police Lee Moreland.

Mr. and Mrs. C. M. Gibson and Mr. and Mrs. Finis Gibson have returned from a vacation trip to points in Colorado.

Mr. and Mrs. Charles Waller and children have returned from a vacation in Colorado, where they visited relatives and saw places of interest. While away they went to Pike's Peak and the Royal Gorge and other scenic spots.

Mr. and Mrs. Felix Itz will leave Saturday for a two weeks vacation visit with their son in Washington, D. C.

Good Rains Cover Wide Area Sunday; Beneficial to Crops

Runnels county and a wide area in West Texas received good rains the past week-end and the first of this week, most communities in this county getting from one and a half inches to more.

Farmers in Ballinger Monday stated the moisture would be beneficial to crops. There is considerable late maize and other row crops which were needing rain to mature.

Most farmers were of the opinion that the moisture would help cotton, while some predicted that it might bring damage from boll worm and weevils. A close watch on cotton is being urged by extension service specialists to see that insect damage does not materialize.

Showers fell in Ballinger Sunday morning and a second rain came after noon to measure about 1 1/2 inches. More rain fell Monday to move the gauge to two inches and above.

The rain Sunday was light south of Ballinger, only light showers falling until Sunday night. The precipitation was heavy enough in most places to run small streams and replenish stock water.

Disaster Hits Cats In Stand at Home

The Ballinger Cats wind up their current home stand tonight with the final game against the Roswell Rockets set for 8:00 o'clock.

The five-game stand has been a disastrous one for the locals, the Roswell boys taking the first of a two-game series Wednesday night by the score of 7 to 1 to make it four losses in a row. On the road the Cats were on a hitting spree and in three games at Roswell the previous week-end scored a total of 49 runs. Returning home, San Angelo and Roswell pitchers have held the Cats to five runs in four games.

The visitors sewed up the game last night with three home-runs. Bell slammed one over in the 3rd inning with a runner aboard, Mel Neundorff homered in the 7th with none on, and in the same frame Bob Cruces lifted a long, high one over with one ahead of him.

The Cats go to Sweetwater for games Friday, Saturday and Sunday and will return home for two contests with the Vernon Dusters on Monday and Tuesday ghts.

Franks, Roswell pitcher, had control trouble at the beginning of last night's affair but limited the Cats to only three safeties while permitting six walks and hitting one.

The score by innings: R H E
Roswell 103 000 300-7 11 0
Ballinger 010 000 000-1 3 1

Mr. and Mrs. Wallace Barnett and Nelda Jo, and Mr. and Mrs. W. A. Archie, of Novice, spent the past week-end at Camp Hood, Lampasas and the Buchanan Dam. At Camp Hood they visited T.-Sgt. Doyle Archie, who is going back overseas to Japan in about two weeks.

Mr. and Mrs. Morris Sledge and children, Mary Kathryn and Carl Morris, of Shreveport, and Mrs. C. J. Swinney, of DeKalb, will join Mr. and Mrs. Tom McEntire here this week-end for a vacation trip to the Big Bend National Park. Mmes. McEntire and Sledge are sisters and Mrs. Swinney is their mother.

Teacher Employed For Industrial Arts Section of Schools

Supt. Ernest Caskey announced this week that an industrial arts teacher had been employed for the coming school year and would soon move to Ballinger with his wife to make home. Billy F. Brown, of Dallas, the instructor, has had seven years' experience in wood and metal work and with blueprints.

The Ballinger schools equipped a shop last year but did not offer the course when it was impossible to secure an instructor. Everything will be ready to offer the new course when schools open next month.

Mr. Caskey is seeking a number of other teachers and will leave shortly to interview several applicants for positions in the Ballinger schools.

Miss Rosemary Bruce, teacher of public school music, has resigned to accept a similar position at Gladewater.

Mr. Caskey stated that he was looking for a principal for the elementary school, a girls' physical education instructor and a high school English teacher. Definite needs for completion of the faculty will not be known until all consolidations are perfected, and transfers and contracts made.

All work on school property is moving along well at this time and will be finished before the opening of school on September 5. The new lunchroom and kitchen, nearing completion, will be ready when needed. Good progress also is being made on building repairs and improvements.

Miss Guthrie To Attend Coleman 4-H Encampment

Miss Alice Guthrie, assistant home demonstration agent in training, left today for Coleman where she will work in a 4-H club encampment today and Friday. The encampment is for both boys and girls of Coleman county and Miss Guthrie will help a staff of agents and A. & M. College extension service specialists in carrying out the program.

She will return to Coleman next Monday where she will meet Miss Dorothy Brightwell, recreational specialist, for a one-day program.

Miss Guthrie, a student in North Texas State Teachers' College, has spent the summer here working under Miss Ollie Chenoweth in a special training program. She will return to school in September to complete her senior year.

Mr. and Mrs. Delbert Vancil and Bob Vancil were in Austin the first of the week making arrangements for Bob to enter the University of Texas as a freshman in September.

Senate Joint Resolution No. 4
Proposing an amendment to the Constitution of the State of Texas, by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith, providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner hereof, and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors; provided that the qualification of no person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the

State Constitution qualifying women as grand and petit jurors."

AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors. Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

House Joint Resolution No. 5
Proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session.

"Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4-5) of the Membership of each House may determine shall be considered."

Sec. 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the second Tuesday in November, 1949, same being November 8, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

AGAINST the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members.

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Sec. 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as

required by the Constitution and laws of this State.

Senate Joint Resolution No. 1
Proposing an amendment to Section 2 of Article VI of the Constitution, repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2, Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:

"Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that before offering to vote at any election a voter shall have registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held for that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the 8th day of November, 1949, at which election all ballots shall have printed thereon or in counties using voting machines the said machines shall provide for the following:

"FOR the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

AGAINST the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law.

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in

favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

Senate Joint Resolution No. 5
Proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section 43-d, reading as follows:

"Sec. 43-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed three (3) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon or in counties using voting machines the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

A delicious way with pork chops. Brown the chops in a small amount of lard or drippings in a heavy frying-pan over low heat. Add chopped green pepper and onions and a small amount of soy sauce. To this combination add rice that is thoroughly washed and drained and an equal amount of water. Let the mixture simmer for a time, then place a cover over the frying-pan. Reduce the heat further and cook the "dinner" for about half an hour.

Mrs. Cloninger Honors Mrs. Martin
Mrs. S. E. Cloninger named Mrs. Joe J. Martin of Amarillo, honoree last Thursday morning when she was hostess at an informal brunch in her home on Ninth Street.

Varied summer blossoms decked rooms and centered the dining room table where sandwiches and cookies were served with coffee.

Others included Mmes. E. C. Caskey, Levy Lee, Cordelia Johnson, E. C. Grindstaff, Allen Davis, George Newby, W. J. Hembree and Edgar Boelsche.

Mrs. Martin Complimented

Mrs. Joe J. Martin was again complimented on Thursday afternoon of last week when Mrs. W. J. Hembree was hostess at contract in her home on Eighth Street.

Multi-colored zinnias were arranged about rooms where floral tallies marked places at game tables. Mrs. Levy Lee was high score winner, Miss Marryatt Smith received the bingo award, and a gift went to Mrs. Martin. A salad plate was served with cookies and iced tea.

Others were: Mmes. E. C. Caskey, E. C. Grindstaff, S. E. Cloninger, W. E. Elkins, George Newby, J. H. Endacott, Edgar Boelsche and K. V. Northington.

Mrs. Sommer is Club Hostess

Ace of Clubs members and a few added friends were guests of Mrs. Edward Sommer Thursday afternoon of last week when she was hostess at contract in her Ninth Street home.

Lovely August lilies and zinnias

gave added floral charm to rooms where high score awards went to Mrs. H. G. Agnew for club and Mrs. Jack Scales for guest. Mrs. Coy Estes won the bingo. A salad plate with cake and iced tea was served following games and cokes as games were played.

Others were: Mmes. W. E. Moss, M. H. Davies, W. O. Irby, Earl Barr, George Newby, John Bradley, Sam Conner, K. V. Northington, Delbert Vancil, Levy Lee, W. K. Wheatly, E. C. Grindstaff, R. T. Hall and Cordelia Johnson.

Mrs. Cheatham Entertains Club

Mrs. W. B. Woody was included as the only added guest Wednesday afternoon when Mrs. C. W. Cheatham was hostess to a contract club, entertaining at the Country Club.

Summer flowers in many color tones decorated the spacious living room where fruit punch was served throughout the afternoon and a salad course was served at the tea hour.

Duplicate prizes went to Mrs. John Bradley for high score and Mrs. Earl Barr for bingo. Others were: Mmes. R. T. Williams, R. T. Hall, C. L. Baker, T. W. Agnew, L. R. Tigner and M. H. Davies.

Miss Wanda Crager is Bride of Emmett D. Miller

Miss Wanda Marie Crager, daughter of Mrs. Oran J. Dean and Ward Crager of San Angelo, became the bride of Emmett Daniel Miller, son of Mr. and Mrs. Joseph Thomas Miller, of Austin, in an evening ceremony Saturday in the Central Christian Church in Austin.

LUXEMBOURG MINISTER VISITS PLAYHOUSE . . . Mrs. Perle Mesta, new U.S. minister to Luxembourg, stands with her niece, Betty Tyson, and other members of the "strawhat circuit" during her visit to the Westport (Conn.) Country Playhouse during her visit to see her niece perform in the role of a French maid in "Yes, My Darling Daughter." Left to right are Miss Tyson in maid's uniform; Mrs. Mesta; Ann Harding, star of the show; and Lawrence Langner, founder of the theatre guild and owner of the playhouse. Mrs. Mesta recently was sworn into her new office by Vice President Barkley. The appointment of a woman minister caused some diplomatic comment.

The Rev. O. G. Barrow read the formal double ring service before an altar of greenery festooned with white satin ribbons and garlands of white asters. Candelabra holding cathedral tapers flanked the flower arrangements, and the aisle of the church was laid in white satin.

Miss Eleanor Page accompanied Richard Pryor, who sang "The Lord's Prayer" and "I Love Thee." She also played the traditional marches.

The bride, who was given in marriage by her uncle, Oakley Clark, of Austin, wore a custom-made gown of ivory satin designed with a tightly fitted bodice fastened with loops of satin and pearl buttons down the back. The off-shoulder neckline was outlined with a deep bertha of hand made lace heavily embroidered with pearls in floral design and edged with a pleated ruffle of ivory illusion. The skirt was drawn into a bustle in back and flowed into a cathedral train cut in deep scallops. The close fitting sleeves extended into scallops over the hand. A halo of lace and

pearls held the ivory illusion veil. Her bridal bouquet was fashioned of calla lilies and stephanotis in crescent arrangement with puffs of ivory tulle seeded with pearls. Concealed within the bouquet was a small white Testament carried through World War I by Mr. Tom Agnew and since carried by 26 brides. For something old he carried a handkerchief of linen and lace belonging to an aunt, Mrs. Luda Miller, of Waco, who made it and used it at her own wedding 53 years ago.

Mrs. Louis Carrington, sister of the bridegroom, was matron of honor. She wore a gown of deep toned turquoise taffeta fashioned with fitted bodice. A rippling pleatum cascaded into a swirl of ruffles down the back over the full skirt. Her bonnet headdress was of matching taffeta and she carried a bouquet of shaded yellow asters.

Identically styled gowns of blending shades of turquoise taffeta were worn by the bridesmaids, Misses Anne DeLoache and Frances Buik.

Kay Cantrell, wearing a dress of pale yellow organdy with matching bonnet, scattered petals in the path of the bride from an ivory lace fan. Pamela Dean,

sister of the bride, was train bearer. Her dress and bonnet were also of yellow organdy and her white kid gloves were embroidered with seed pearls.

A reception was held following the ceremony in the Maximilian room at the Driskill Hotel. Arrangements of white flowers and white tapers were used for room decoration. The three-tiered decorated wedding cake centered the bride's table which was laid in white organdy over white satin.

Mrs. Albert Bryan ladled punch and Mrs. Oakley Clark served the cake. Mrs. Walter Flesson played incidental music and Miss Virginia Bell presided at the bride's book.

For her daughter's wedding, Mrs. Dean chose a gown of steel ribbon blue with dusty rose accessories and corsage of glamelias. The bridegroom's mother wore fuchsia crepe with aqua accessories and corsage in tones of fuchsia.

For traveling the bride wore a gabardine suit in tones of brown and palomino with matching accessories and champagne blouse and gloves. Her corsage was of yellow rosebuds.

After a wedding trip to New Orleans the couple will be at

home at 2608 West Eighth Street in Austin.

Mrs. Miller is a graduate of the Ballinger Schools where she was very active in the Bearcat Band. For the past one and one-half years she has been employed by the International Life Insurance Company in Austin. Mr. Miller is a graduate of Austin High School and attended Vallejo Junior College in California. He served three years aboard the U. S. S. Hornet and has worked in the State Comptroller's Department for one year.

Out-of-town guests included the bride's maternal grandparents, Mr. and Mrs. L. L. Clark, and Miss

Pat Caudle of Ballinger; Mr. and Mrs. Albert Bryan, Miss Angelo Bryan and Dan Bryan of Guthrie, Oklahoma; Mrs. J. D. Baughn, Houston; Mrs. Beulah Mae Phillips, Whitesboro; Captain and Mrs. L. H. Carrington, Shreveport, Louisiana; Mr. and Mrs. Stanley Hunnicutt, San Antonio; and Mr. and Mrs. E. G. Bryan, Sherman.

Mr. and Mrs. Ford Taylor and Mrs. Leonard Stallings have joined Mr. and Mrs. Hartman McCall and children, of Midland, for a vacation at Ruidosa. Mrs. Taylor and Mrs. McCall are sisters.

Bearcat Football Training Begins Monday Morning

Coaches Wayman Wilson and Doug Cox returned Sunday from Beaumont, where they attended the annual Texas coaches school. The Ballinger football men were present for all sessions of the school and witnessed the all-star game Friday night between high school stars from North and South Texas which ended in a 6 to 6 tie.

Cox Wilson stated that he and Cox intended to meet the candidates twice daily until school opens on September 5. Morning sessions will be for physical conditioning and in the afternoons the boys will get real football workouts. Wilson said the time for afternoon drills would depend on the weather and in case of much heat, late periods would be held on the practice field in front of the junior high school under the lights.

The coaches expect a squad of about 40. About nine lettermen will be back along with a number of reserves and practically all of the junior high squad of last year.

Checking up on lettermen for various positions, the Bearcats will have letter backs in Jimmy Endacott and Daniel Hallmark, Jimmy Davenport, a letterman at end last year, will be moved into the backfield, and Ralph Spreen, a reserve back, is also expected to make a good showing. Junior Merrifield, a sensational back at junior high, who saw some action with the A team last fall, will also be working for a place on the regular backfield.

At ends Jimmy Parrish will be back, but another letterman, Richard Winchester, may be kept out on account of his physical condition.

Two lettermen will be out for tackle positions in Tommy Buchanan and Herman Maas. Jackie Tischer, a letterman last year, may get into the game late in the season. He recently had polio and will miss the first part of the season and possibly all of 1949.

The regular starting guards, Joe

The locomotive is one of 200 new design, heavy passenger locomotives built for the Indian government railways by the Canadian Locomotive company.

Vancil and Paul Harral, will be back at these positions.

Coach Wilson stated that no letterman will be available for center and both coaches will start looking for a regular center at the first practice session.

Reserves who will be out for regular spots this year include: Bobby Brown, tackle; Lavelle Foy, tackle; Snooky Herring, back; Roland Bell, back; John Eoff, center; Joe Underwood, tackle; Joe Stubbelfield, guard; and probably others.

Dr. John A. Guinn Is Guest Speaker For Rotary Club

Dr. John A. Guinn, president of San Angelo junior college, was guest speaker at the Ballinger Rotary Club meeting Tuesday, discussing the educational trend in the United States at this time.

He told the Rotarians that there had been a 90-fold increase in secondary school enrollment since 1900 and added that the upward trend for higher education had been tremendous.

Dr. Guinn declared that for the second time in the history of the United States the people were taking an active interest in education, the treatment of teachers and in their school plants. He pointed out that there was some four billion dollars worth of school buildings and equipment in the United States that was obsolete at this time and made so because patrons wanted the best for the education of their children.

Quoting from members of the United Nations groups he said that these men agreed that the key to peace was education.

The speaker gave figures showing that only 50 per cent of high school graduates began higher education but that about half of those who did not continue their education would do so if the

opportunity presented. He stated that his school was studying the idea of putting busses on routes where enough students were available. Using Ballinger as an example, he stated that with approximately 20 students, a bus could be operated daily and students could stay at home and attend college for a very small sum.

Members of the club expressed the belief that the proposal should be studied with other civic groups with the possibility of giving or making available scholarships for youths who wanted to continue their education.

Rev. Ray Johnson and K. C. Billingsley, of San Angelo, were guests at the Tuesday meeting. Harold Barnes, public relations man for the San Angelo college, also was present.

SCHOOL TAX INCREASE APPROVED AT BETHEL

An election to raise the school tax in the Bethel district to \$1.50 was held Saturday, the balloting being at the school house. A check-up reveals that the issue carried for the higher tax by one vote, the total being 14 for the increase and 13 against.

This will meet the requirements of school legislation and make the Bethel school eligible to receive all state aid under the bill recently passed by the legislature.

Gary Cooper and Patricia Neal Teamed in 'The Fountainhead'

Bringing to the screen one of the most absorbing and tempestuous stories of the past decade, Warner Bros. will present at the Texas Theatre Sunday and Monday, August 14, 15, the film version of "The Fountainhead," based on the famed Ayn Rand novel which swept the country as a best-seller a few years ago.

Starring Gary Cooper as Roark, the architect, and Patricia Neal as Dominique, the picture has been eagerly awaited by motion picture fans who recognize the production as one of the most ambitious on the Warner schedule.

"The Fountainhead" is the thrilling story of a young architect who fights out against complacency and tradition in behalf of his own work in which he believes so strongly. This theme is set against a lush background of beautiful buildings and interiors, things as pictorially thrilling as and the film, having been given Warner Bros.' most lavish production treatment, promises some-thing of the year.

Gary Cooper has been cast in

'Lost Horizon' Lavish Romantic Adventure

Frank Capra's fabulous production of "Lost Horizon," which Columbia is re-releasing at the Palace Theatre Sunday and Monday, August 14, 15, is one of the most lavish spectacles turned out by the city noted for its lavish films.

A complete Tibetan village to represent the exotic Valley of the Blue Moon was built, including houses, bridges, cultivated fields, artificial lakes and streams, with hundreds of other authentic effects.

The fantastic Shangri-La set was completed by more than 150 workmen steadily employed for two months. It is regarded as the largest individual unit set ever constructed in Hollywood and measured 1,000 feet in length and almost 500 feet in width.

The James Hilton story of high adventure and romance stars Ronald Colman, recent Academy Award winner.

Featured players include Jane Wyatt, a dweller in Shangri-La; John Howard, Margo, Thomas Mitchell, Edward Everett Horton, Isabel Jewell, H. B. Warner and Sam Jaffe.

Esther Williams, Red Skelton Star in 'Neptune's Daughter'

There's said to be a laugh a minute, a song every other minute and plenty of romantic hi-jinks in between in M-G-M's latest Technicolor musical, "Neptune's Daughter," which brings a star-studded cast to the Ford Theatre screen Saturday, Sunday, Monday and Tuesday, August 13, 14, 15, 16.

Esther Williams, in the kind of costumes which made her famous (swim suits, to you), and Red Skelton, impersonating a South American polo star, aided and abetted by such laugh-getters as Betty Garrett and Keenan Wynn, the romantic Ricardo Montalban, and the rhythmic Xavier Cugat and his orchestra, set the pace for a howling comedy of mistaken identities set against a lush background of bathing beauties, melodic interludes, and polo thrills.

Esther Williams plays the owner of the Neptune Swim Suit Co., with Betty Garrett playing her man-crazy younger sister. When Keenan's advertising manager, Keenan Wynn, gets the idea of putting on a swim suit fashion show as a finale to an interna-

tional polo match, Betty makes use of the opportunity to meet the polo team and captures the heart of its captain. At least, she thinks Red Skelton is the team's captain, whereas he is actually only a girl-shy masseur. The real captain, of course, is the dashing Montalban and it is he who comes in for Esther's wrath when she accuses him of trying to undermine her innocent sister. The various complications that ensue before who finds out who's who, the by-play of romantic attachments and the final slap-happy climax in which Red proves himself a hero on the polo field make for a very hilarious story.

Hit Parade contenders in the musical score include "My Heart Beats Faster," "Baby, It's Cold Outside," and "I Love Those Men."

Have respect for your friends, relatives and enemies. A blend of what they say behind your back forms your reputation.

'Unfaithfully Yours' Hilarious Comedy
Starring Linda Darnell, Rex Harrison

What happens when a dashing orchestra conductor suspects his wife of deserting his baton and board is the riotous situation in which Rex Harrison and Linda Darnell find themselves in 20th Century-Fox's hilarious, surprise comedy, "Unfaithfully Yours," to be shown at the Texas Theatre Tuesday, Wednesday and Thursday, August 16 through 18.

Written, produced and directed by Preston Sturges, previews have been shouting the praises of "Unfaithfully Yours" the past few weeks describing it as the funniest picture of the year. Hailed as deft, modern and fast-paced, combining romance, music, comedy and suspense, "Unfaithfully Yours" also co-stars Rudy Vallee and Barbara Lawrence with Kurt Kreuger, Lionel Stander, Edgar Kennedy, Julius Tannen, Alan Bridge and Torben Meyer heading the featured players.

Bulletin Gives Ideas On Building Grain Storage Facilities

COLLEGE STATION, Aug. 10.—The new bulletin, C-266, "Grain Storage for Texas," is new and chock full of helpful ideas on grain storage structures for Texas. The publication was prepared by W. S. Allen, extension agricultural engineer-buildings of Texas A. & M. College.

On-the-farm grain storage is due to be a very important part of every Texas grain producer's farming operations for a long time and Allen says storage structures should be built with this fact in mind. Build them to last. The cheapest structure you can build is the one that will still be usable and safe ten or fifteen years from now, he adds.

Here are a few things you should remember, Allen says. Low moisture content is necessary for prolonged, safe storage of grain. Construct a strong, durable building. Eliminate entrance points for moisture and insects. Provide for fumigation, if necessary. Rat proof your grain structure, locate it for convenience on a firm, dry site and don't forget to plan an easy way to get the grain in and out of it.

If you need grain storage on your farm, Allen suggests that you visit your local county agricultural agent—talk over the situation with him—and get a copy of the new bulletin. You can probably find the answers to a lot of the questions that you'd like to know in C-266. Grain Storage for Texas.

Good Arrangement Declared Important In Planning Kitchen

COLLEGE STATION, Aug. 10.—The kitchen is the main work center of the house. The efficiency of the entire household depends to a large extent upon how well the kitchen is planned and arranged, says Mrs. Bernice Clayton, extension specialist in home management of Texas A. & M. College.

There is no one model or ideal kitchen plan, she adds. Any kitchen, to be convenient, should be planned according to the needs of the family who will use it. Those needs vary with the size and ages of the members of the family, the principle industry of the farm or ranch and the kinds and amount of work done in the kitchen. Consideration must also be given to the amount of entertaining that is done, the standards for preparing and serving meals, the amount of food purchased ready-prepared, the amount of outside help used and the utilities available.

Essential kitchen equipment, says, Mrs. Clayton, includes a range, water supply—and this is usually combined with a sink and drainage facilities—work tables or work surfaces at comfortable heights for the worker, provision for refrigeration and adequate storage space for everything used in the kitchen. The storage space, continues Mrs. Clayton, should be located as near as possible to the place where these articles will be used.

Kitchen equipment is available

Miss Hutchcraft, Clayton T. West Wed at Sweetwater

Lovely simplicity characterized the setting for the wedding service Sunday in the First Baptist Church at Sweetwater, when Miss Mary Louise Hutchcraft, daughter of Mr. and Mrs. C. W. Hutchcraft of that city, became the bride of Clayton Thomas West of Midland, son of Mrs. Sidney Robert West of Ballinger, and the late Mr. West.

The Rev. George R. Wilson, church pastor, read the impressive double ring ceremony.

Baldwin Wilson, organist, gave the wedding music, which included pre-nuptial medleys and the traditional wedding marches for the professional and recessional.

The wedding party stood before a wrought-iron archway entwined with huckleberry foliage. Pink gladioluses in a white urn on a matching pedestal were arranged beneath the archway, and pink tapers in branched candelabra and palms were placed on either side of the altar. Swags of soft pink silk were draped along the chancel rail.

The bride, who was given in marriage by her father, wore a street-length dress of ice pink slipper satin designed with full skirt and matching jacket. The fitted jacket was fashioned with three-quarter length sleeves, buttoned down the front, a Peter Pan collar, and flared peplum at the waistline. Her hat was of deeper pink silk illusion with floral trim, and she wore matching sandals of pink satin and gold. She carried a white satin covered Bible topped with a cluster of sweetheart roses.

Tapers were lighted by Yvonne West of New London, niece of the bridegroom.

Miss Barbara Hunter of Trenton, N. J., attended her cousin as maid of honor. Her street-length frock was fashioned with fitted bodice of aqua lace and a full skirt of aqua taffeta. She carried a bouquet of rosebuds in pink shades. Miss West wore a similar dress of yellow, designed with a taffeta skirt and fitted net bodice. She wore yellow flowers in her hair.

Rothal O'Kelly, Jr., of Sweetwater, served the bridegroom as best man, and ushers were Roy Hyde and Billy Gossitt of Odessa, and Doyle Allen and Grady Allen of Lubbock.

Immediately following the wedding, an informal reception was held in the home of the bride's parents. The bride's table was laid with a linen cutwork and lace cloth. The four-tiered wedding cake decorated with pink roses was placed at one end of the table and the crystal punch bowl at the other. Both were encircled at the base with pink and red rosebuds and greenery. Mrs. R. D. Stalcup of Clovis, N. M., cut the cake, and Mrs. Floyd Hunter of Trenton, N. J., aunt of the bride, presided at the punch bowl.

When Mr. and Mrs. West left on their wedding trip to Colorado and New Mexico, the bride was wearing a frock of white sacony cloth with white lace trim. Her accessories included a black velvet off-the-face hat and matching bag. Her corsage was of sweetheart roses.

The couple will live at Midland.

TEST RUN . . . Photographers, newspapermen and cheering Berlin civilians greet the U. S. Army convoy of 60 trucks and escort vehicles rumbling into Berlin after making the 105-mile run from Helmsstedt to Berlin to test the extent of the Soviet restrictions on road traffic. Shortly before the Russians let the trucks through the Helmsstedt checkpoint, the Soviets relaxed their "red-tape slowdown" on truck traffic between western Germany and Berlin. Officials weren't sure whether the sending of the convoy had anything to do with the easing of Soviet restrictions, but the vehicles ran into no difficulty and delivered 120 tons of food to feed the population.

after August 20.

Mrs. West is a graduate of the El Paso High School and attended the School of Mines at El Paso. She has resided at Sweetwater the past year.

Mr. West attended the Ballinger High School, and spent six years in the Army. He served overseas for three years, and for the past four years has been employed by the Western Windmill Co. at Midland.

Presbyterian Conquest Class Entertained at Church

Mrs. Harper McFarland and Mrs. Rufus Allen were hostesses to members of the Conquest Class of the Eighth Street Presbyterian Church Tuesday evening, entertaining in the church parlors on Eighth Street, which were decorated with arrangements of zinnias in pastel shades.

In the absence of the president, Mrs. Allen conducted the business period. Miss Eva Lilly brought the devotional after the group sang "Have Thine Own Way," with Mrs. E. S. Malone playing the accompaniment. Mrs. Pierson Corder gave the report of the nominating committee, and the following officers were elected: president, Miss Eva Lilly; vice-president, Mrs. R. W. Balke; secretary, Mrs. McFarland; treasurer, Mrs. John Reese; pianist, Mrs. Malone; and reporter, Mrs. Pierson Corder.

At the social hour a sing-song and an informal get-together was enjoyed. Hostesses served iced watermelon. Others were: Mmes. Altus Stokes, Clark Koller, Wesley Wood, John Reese, Bill Stultz; Miss Frances Routh, Nancy and Frances Stokes.

Gift Tea Compliments Bride-Elect

Miss Margaret Liverman, bride-elect of Everett Louis Gentry, Jr., of Odessa, and whose marriage is to be solemnized at Abilene next Saturday evening, was paid a pretty compliment Monday afternoon when Mrs. R. P. Greenwell and Mrs. Joe Stubbiefield were hostesses at a pretty gift tea in the Greenwell home on Fifth Street, including friends of the honoree. Zinnias in pastel shades and

other garden flowers were used to decorate the living rooms where Miss Wilma Duke extended welcome and presented the honoree. Mrs. Lester D. Cape registered guests in the bride's book.

The dining table, which was laid in a madra linen cloth, was centered with an arrangement of red verbenas and lace fern. Mrs. W. H. Taylor and Mrs. Stubbiefield served cookies and mints with punch. Mrs. Walter Duke displayed gifts.

Others included were: Mmes. Fred C. Liverman, M. E. McCleeny, T. O. Cape, Charlie Cape, Bob Straley, Ben L. Liverman, Joe Freeman, Earl Connelly, L. S. Cape, Fred Patterson, Bill Bell, Jack Chisholm, Frank Flynt, C. D. Harris, Henry Travis, Chester H. Cape, Eva Ashenhurst, C. G. Cape, John Drennon, Herman Roundtree, Helen Gamboli, Frank Travis, Sterling Childress, Peck Skillman, W. W. Dover; Misses Carolyn McCleeny, Gladys Kemp, Winnifred Strickland, Nell Witt, Harriett Burkhardt, Wilma Jean Murphy, Mary Lou Harrell, Beulah and Eulah Dankworth; Mrs. Lois Rhames and Hazel, Mrs. A. D. Smith.

Mrs. Foy Leads Program for First Christian Woman's Council

The First Christian Woman's Council held a program meeting in the church parlors Monday afternoon with Mrs. M. A. Foy, director, after a short business period presided over by Mrs. Marvin Clark.

A vocal duet "My God and I," was sung by Mmes. Clark and Foy and Mrs. Foy gave the devotional from Jeremiah 12. Mrs. W. F. Atwell's topic was "A Touch of Madness."

Others present were: Mmes. A. B. Stobaugh, C. F. Bailey, A. L. Reid, Ed Gentry, J. R. Lusk, Horace Murphy, E. D. Walker, Walter Presson; Misses Lula McElroy, Agnes Gieber and Nan Kevill.

O. E. S. Observes Rob Morris Day

Ballinger Chapter No. 266 met in regular session Monday evening in the chapter room with

Mrs. Edrie Petty, worthy matron, and George M. Beard, worthy patron pro tem, presiding in the East.

After the formal opening and routine business period, annual observance of Rob Morris Day was given when Mrs. Frances Zedlitz gave an interesting biographical sketch of the founder of the Order of Eastern Star. Mr. and Mrs. H. O. Campbell were hosts at the social hour which followed the closing ritual and served iced watermelon.

Others present were: Mmes. Odona Largent, Inez McEntire, Mary Midgley, Dorothy Davis, Violet Williams, Rama Saunders, Josephine Beard, Nettie Edwards, Zona Jones, Faye Clark, Martha Jonas, John Marie Frank, Dale O'Neill, Rachel Boswell, Philonese Mackey, Misses Demma Barron, Lola Eubank, Mr. and Mrs. Henry Moody.

First Baptist Rachel Class Elects Officers

Mmes. E. Y. Bailey, J. P. Hadley and Joe Forester were hostesses to the First Baptist Rachel Class last Thursday evening, entertaining with a garden party at the Bailey home on Third Street.

Heavily-loaded fruit trees formed the background planting for the flowering shrubs and beds of annuals and perennials in the back garden where Mrs. Cam Blackmon presided over the routine business period and the election of officers after the devotional by Mrs. West Talbot. The July project was a class gift sent to Miss Mary Elizabeth Truly, missionary to Nigeria, Africa, and the August project will be a box of good used clothing for overseas relief.

Officers elected, who will be installed in September and take office October 1, were: president, Mrs. Forester; vice-presidents—Mrs. Mark Davis; class ministry, Mrs. Pauline Fragua; fellowship, Mrs. Bill Manning; and stewardship, Mrs. Bailey; recording secretary, Mrs. Paul Kirk; corresponding secretary, Mrs. Stanley Price; and reporter, Mrs. C. R. Moore.

Sandwiches and cookies were served with iced bottle drinks to Mmes. Coy Estes, Manning, Wallace Barnett, Malcolm Morgan, R. C. Hill, M. C. Rohmer, Kirk and Fred Moncrief, members, and Mrs. Bill Stultz, visitor.

tee personnel for a clever western party given by the First Baptist Naomi Class Tuesday evening to compliment members of the Rachel Class.

Church parlors were given a pretty floral decoration of multi-colored zinnias where Mrs. Mark Davis spoke the invocation. As guessing games gave diversion the first course was served. For the chuck wagon supper, served buffet-style, from a table covered in a red and white checked cloth, places were marked at one long table decorated with interspersed bouquets of zinnias.

Mrs. J. G. Tuckey gave the formal welcome and Mrs. Cam Blackmon responded for the Rachel Class. Mrs. H. B. Scoggins, fellowship chairman, presented the program numbers. A group of cowboy songs was sung by Teresa Elkins, Cynthia and Dian Tuckey, Eva Jo Flynt and Betty Cloninger attired in typical ranch attire. Freddie Sue Underwood gave a cowboy monologue, and guests voted on "ranch personalities" such as the "singingest cowhand," "best chow cook," etc. Mrs. E. D. Lovelady used the topic "Riding the Range for Jesus" for the devotional.

Others present were: Mmes. Otis Jacob, Clarence Bissett, Paul Kirk, Robert Cochran, M. C. Rohmer, C. R. Moore, M. A. Davidson, Hazel Hanson, Bill Manning, Joe Forester, James Parrish, Fred Moncrief, Jim Hadley, Stanley Price, Leon Russell, Wallace Barnett, S. E. Cloninger, W. E. Elkins, W. O. Parks, S. L. Mrs. Sallie M. Odom
Mrs. Sallie M. Odom, 94, died at her home, 300 Ninth Street, Sunday morning at 11:30 o'clock following long illness. She had been confined to her home several years because of failing health and for the past two weeks had been in a critical condition.

Decedent was born at San Antonio on July 4, 1855, the daughter of the late Judge and Mrs. Ruben Crigler. She was married to the late G. G. Odom at San Antonio on January 28, 1875.

In 1876 the couple moved to West Texas and established the O-D Ranch at Fort Chadbourne, purchasing the property from the federal government. They bought and moved 3,600 head of cattle to the ranch in one herd and for a number of years operated the cattle ranch. For some time Mrs. Odom was the only woman in that vicinity, her nearest neighbor being some 20 miles away.

In 1885 the family moved from the ranch to Ballinger and made home here ever since.

Mrs. Odom still retained large ranch holdings in this and other counties and recently the Humble Oil Co. has brought in good producers on her property in the northwestern part of Runnels county and only last week completed the second well there. This ranch is also the site for the proposed Oak Creek dam, a water reservoir to be built by the city of Sweetwater, which is now in litigation.

A member of the Methodist Church, Mrs. Odom was active in religious work until her health made church attendance impossible. She was also interested in civic affairs here for many years.

Survivors include two daughters, Mrs. J. F. Currie, Ballinger; Mrs. Conda Wylie, Blackwell; a granddaughter, Mrs. Ed Richards, Blackwell; two grandsons, Conda and Edmund Wylie Richards, Blackwell.

Funeral services were held at the First Methodist Church Monday afternoon at 5 o'clock, Rev. C. D. Wooten officiating. Interment followed in Evergreen Cemetery.

Pallbearers were Joe Forman, Sam Behringer, R. E. Bruce, Hammond O'Kelly, Edward Sommer and Dr. C. F. Bailey.

Robert William Hasenak, Jr.
Robert William Hasenak, Jr., 2½ years old, died at the Ballinger Clinic-Hospital this (Thursday) morning at 6:45 from injuries sustained at the farm home in the Cross Roads community yesterday afternoon.

The child was brought to the hospital after he was run over by a twin row binder Wednesday. The father told hospital authorities he had made two rounds in the field with the binder when he looked around and saw the child lying in a row. He investigated and found him unconscious. It is believed the child followed his father to the field unknown to members of the family.

At the hospital it was found the child had sustained a skull fracture and other injuries.

The body was taken to Miles by the Lacy Funeral Home and it

was stated that funeral services would be held at Rowena, Rev. W. F. Bosen to officiate, and interment to follow in St. Joseph's Cemetery. The exact time had not been set this morning.

Survivors besides the parents, Mr. and Mrs. Robert W. Hasenak, Sr., include a brother, Marvin Hasenak; a sister, Dolores Hasenak; the paternal grandparents, Mr. and Mrs. Fred Hasenak, Wall; and the maternal grandparents, Mr. and Mrs. Albert Schwertner, Miles.

Robert C. Tierce
Robert C. Tierce, 79, died last Friday at the Garner Nursing Home, Brady, following long illness.

Decedent moved to Runnels county in 1918 from Elgin, where he had resided for 14 years. He made home at Maverick and Hatchel and then moved to Ballinger. He was engaged in farming until his retirement.

He had been a member of the Baptist Church for 55 years and at the time of his death held membership in the Grace Baptist Church of Ballinger.

Survivors include five sons, Rev. James Tierce, Vanderbilt; Haywood Tierce, Hatchel; Leo Tierce and R. C. Tierce, Jr., Odessa; Cecil Tierce, Kermit; three daughters, Mrs. Eva Doonan, Mrs. Mack Hunt, Odessa; Mrs. Estelle Lee, Hale Center; three brothers, a sister, 13 grandchildren and one great grandchild.

Funeral services were held at 4 o'clock Saturday afternoon at the Newby-Davis chapel, Rev. J. R. Lawson officiating. Interment followed in the Runnels cemetery.

CLAUDE BROOKSHIER HOME SCENE OF FAMILY REUNION

A family reunion was held in the home of Mr. and Mrs. Claude Brookshier last Sunday, honoring Mrs. Brookshier's sisters.

Present were: Mr. and Mrs. Arvel Lockett, Mrs. Steve Keller and children, Abilene; Mr. and Mrs. J. T. Goode and children, Mr. and Mrs. Milton Terrell and Roger, Sundown; Mr. and Mrs. B. B. Lovett, Mrs. Thelma Wood, Mr. and Mrs. J. D. Aldridge and children, Lawn; Mrs. C. E. Coats, Mr. and Mrs. LeRoy Coats and children, Goldsboro; Mr. and Mrs. Paschal Frierson and children, Mrs. Willie Terrell and Carol, Winters; Mrs. Essie Bryan, Tuleta; Mrs. Mamie Greer, Mr. and Mrs. Joe Greer, Coleman; Mr. and Mrs. Grafton Brookshier, Novice; Mr. and Mrs. Perry Bragg, Pat and Betsy Lou, and Louise Brookshier, Talpa. In the afternoon Mrs. T. E. Foreman and children were callers.

M. E. YOUNG PEOPLE TO WINGATE TUESDAY

A large group of young people from the First Methodist Church will go to Wingate Tuesday evening to attend a sub-district meeting. Rev. C. D. Wooten, pastor, stated that the group would leave the local church at 6:45 p. m. and transportation would be provided for all who wanted to attend the program.

Charles Pearce is at home from Austin, where he attended summer school at the University of Texas.

Miss Etta Robinson, teacher at New Deal, near Lubbock, is here for a visit with Miss Ollie Chenoweth.

Revival at Bethel Church to Begin Friday, August 19

Robert G. Wilson

The Bethel Baptist Church, south of Ballinger, will begin its annual revival August 19, with Robert G. Wilson, of Abilene, pastor, preaching, and "Rod" Rodman leading the music. Services are scheduled for 8:30 each evening Friday, August 19, through August 23, with morning meetings at 10:30 Monday until Friday.

"Rod" Rodman

Many special events will accompany the meetings, including special music furnished Sunday by Milton Somers, of Abilene, youth meetings, youth fellowship hours, and climaxed by a family night on Sunday, August 23. At this service a gift will be presented to the largest family in attendance.

The pastor and members join in offering a sincere invitation to everyone to attend these services. It is promised to be a time of gospel singing and spirit-led preaching.

BIRTHS

Carolyn Ann McAdams was born June 14 to Mr. and Mrs. John Q. McAdams, Jr., of Houston. Mr. and Mrs. McAdams reside at 4122 Law Street, Houston. Mrs. Lela McAdams, who had been visiting there the past three weeks, returned home Saturday.

Card of Thanks

We wish to express our thanks and appreciation to our friends and neighbors who were so kind and helpful to us at the death of our loved one. Especially do we want to thank those who sent food and the ones who helped serve it; also for the beautiful floral offering. Your many expressions of sympathy will never be forgotten. May God bless each of you.

Wonderful New Comfort

The Beautiful Chrysler | Silver Anniversary Model

New Convenience! Easiest car ever made to get into and out of. Women enter and leave with dignity. Common sense engineering of wider doorways, and natural step-in entrances make it seem absurd ever to have to wrestle your way in and out of a car.

New Wider Chair-Height Seats! We don't fold you up like a "jackknife." You sit comfortably in seats the height of your easy chairs at home. We've more headroom, legroom, and shoulder room for you. And no other car has ever been so completely engineered from the fundamentals up for your comfort, your convenience, your peace of mind.

New Easier Steering! In one of the great advances since the war, we give you new "center control" steering. For the first time, tie rods of equal length give you balanced control. There's no wheel fight. There's greater road stability, easier handling, less road shock. Yes, and greater safety, too—for everything about this car is designed for safer driving.

New Smoother Driving! Chrysler's mighty Spitfire engine now has still higher compression for faster acceleration, smoother response. And along with its better all-around performance goes an amazing new Waterproof Ignition System that's exclusive with Chrysler. You can drive through high water but it won't stall. You get quicker starting, even in dampest weather, smoother idling, longer life.

The Ballinger city commission has completed a transaction with the civil aeronautics administration whereby the runways will be made longer and other improvements made at Bruce Field. This work will get underway at once in order that Ballinger can be a regular stop for the Trans-Texas Airways which will operate planes through this area to Fort Worth and Dallas and make connections there for any direction. For some time plans have been underway for necessary improvements at the municipal airport which would put this city on a regular line with daily stops for passenger, mail and freight. All details have been perfected for making the local airport meet requirements of the CAA.

People give little thought to some of the organizations, nationwide in their scope, until something happens at home to bring a need for their services. Such is true of the national foundation for infantile paralysis. For years the "March of Dimes" has been conducted in Runnels county with citizens giving a few hundred dollars to the cause. Half of this money has always remained in the county and been used by a local board to give aid where needed in hospitalization or in after-treatment, leg braces or other equipment. This year the large number of cases in this county proved too big a load for the local organization and the money on hand was quickly spent. The national organization was called on for aid and came through to help take care of all needs in Runnels county. The amount sent to the county board is more than has ever been contributed by local people and will make it possible for every polio patient in this county to have

The dove season will open in Runnels county September 1 and hunters probably will have the best hunting for many years. There is a big crop of doves this year and with fields filled with feed the birds will remain around here. At the present time hundreds of doves are watering in the late afternoons at surface tanks on farms and ranches and hunters who have permission to hunt on these places will have little trouble getting the daily bag limit. Most places are posted and every hunter should secure permission of the land owners before taking a chance on shooting.

WEST TEXAS NOTES

Movement of combine maize from the Brady section got underway in a big way last week and about fifteen cars are being shipped daily. Buyers said the yield was good but maize was not as heavy as expected because of the recent dry weather. A few farmers have reported yields up to 2,500 pounds per acre, but the average is about 1,200 pounds. A large maize acreage was planted in McCulloch county this year.

The Graham Street Church of Christ at Stephenville awarded a contract last week for a modern \$80,000 building. Plans for the new church were started six years ago, lots being bought at that time. Added to the above sum will be other expenditures, including seats, which will run the total cost to around \$100,000. A school building will be used for services until the new church is completed.

The Winters city council is making a survey of the town and trade area to determine whether parking meters are wanted. The aldermen have asked the chamber of commerce to assist in taking the referendum and they will act later upon the expression of the people. Post card ballots have been mailed and the Winters Enterprise last week carried a ballot for the convenience of its readers. The ballot simply asks if parking meters are desired in the business section.

Two elections have been called in the Rising Star school district and territory recently annexed to the district. The first would raise the tax rate from \$1 to \$1.50 on the \$100 for operation of the schools and the other would be to assume outstanding bonds of the districts. A number of smaller districts have been merged with the Rising Star district since enactment of the Gilmer-Alken bill. The W. J. Wilkinson No. 1, wild-

cat located 11 miles northwest of Menard, had a good showing of oil the past week-end and interest in activities has mounted. Drillstem tests were made at 3,310 feet and disclosed 270 feet of mud filled with gas and oil. The Ellenburger was topped at 3,295 feet. United North and South Development Co. is drilling the well and has holdings in the vicinity.

Oil activities in the Bronte area were on the increase last week after Humble No. 3-Ash produced from the Palo Pinto at 4,385 feet. Following perforation of the pipe five barrels an hour was being made. Humble No. 2-Sallie Odom was also in and indications were it would be a good producer. Drillstem tests were made at 5,694 feet. Several other wells near Bronte were about down to production depths.

Brownwood will be host city to the fall meeting of the West Texas Press Association this week-end with a program scheduled for today, tomorrow and Saturday. The Brownwood committee has reported many reservations made, most of the newsmen to arrive Friday morning. Hotel Brownwood will be headquarters and all programs will be held there. Besides the talks and business, good entertainment has been arranged by the local committee for each afternoon and evening.

Regular flights by Trans-Texas Airways will be made to and from Coleman beginning August 15. Improvements at the municipal airport are about completed and inspections have been made by CAA representatives. The daily schedule has not been announced but it is believed two planes from each direction will land at the port every 24 hours.

The eleventh annual meeting of the Comanche County Livestock Association will be held tomorrow. Besides the program a barbecue

for all members and their families will be held at Lake Eanes. On the program will be a tour of several farms in the vicinity to view feeder and breeder work of some of the members. Several dairy projects also will be looked at on the tour.

The McCulloch county fire fighting equipment got its first test last week when it was moved to a grass fire on the Herman Rhode ranch in the southern part of the county. A tank truck, owned and operated by the county, made the run to the fire and soon had the blaze under control. Brady firemen are responsible for the operation of the county equipment and are ready at any time to answer calls outside the city.

The city of Sonora dedicated a \$25,000 fire station Monday night. Judge E. C. Grindstaff, of Ballinger, was the principal speaker. Chief Lee Patrick and President Ford Allen of the Sonora department, welcomed visitors and

THERE'S MORE ROOM FOR THE MONEY in Buick Model 43 4-door Sedan.

NEW in looks—NEW in room—NEW in handling—and priced right down your alley!

FEASt your eyes, folks—and reach for your checkbook. For here, in one stunning, swift-lined bundle, is everything—yes, everything—you've been hoping for.

New style note? Well, just look at that brand-new idea in front-end styling. Grille, bumper, bumper-guards and even parking lights all combined in a single, sturdy assembly that means you can't "lock horns" with other cars!

New over-all size? We've trimmed inches from its over-all length for handiness in traffic—yet here's still the generous wheelbase that spells a level-going ride.

New roominess? Swing open the doors—a thumb-touch does it!—and gaze on the biggest interiors you can buy for the money, with sofa-wide front seats and no less than 12 more inches in rear-seat hiproom.

Slip behind the wheel. Finger-easy Synchro-Mesh transmission if you choose—the satiny smoothness of Dynaflo Drive* as optional equipment if you want the very latest thing.

And if power is your meat—just lift the bonnet and look on a husky Fireball power plant of 110 horsepower

*Optional at extra cost.

with conventional transmission, 120 with Dynaflo Drive.

Surely here's a car big as your fondest ambition—yet price-wise it's right down your alley! Fits modest family budgets as it fits modest-size garages, puts Buick in reach of still more people!

So here's really a "must see" item! On display now, in three trim-'n'-tidy body types, it won't stay long on dealers' floors. Go now—see it and get that order in!

YOUR KEY TO GREATER VALUE

THIS TRIM TWO-DOOR SEDAN will delight the whole family. Children are safe in its full-size, over-wide rear seat.

Why You Should Deposit Checks Promptly

Persons who receive checks from others, sometimes make the mistake of delaying in cashing or depositing these checks.

This practice is wrong for several reasons: (1) It is an annoyance to the writer of the check because he cannot balance his bank book; (2) Banks rightly hesitate to cash very old checks presented to them; (3) If the writer of the check goes bankrupt, or dies, the law immediately "stops payment" on his outstanding checks.

Your bank safeguards the handling of your checks in a multitude of ways, but this is one way in which you must protect yourself—be prompt to cash or deposit each check you receive.

CREWS

Mrs. Arthur Alcorn and three sisters, Mrs. Vera Power, Mrs. Play Brevard and Miss Willie Hale returned Saturday from a week's trip through Texas, Louisiana, Mississippi, Tennessee and Arkansas. While in Mississippi they visited the birthplace of their mother.

Mrs. Eargle Berry and Martha Kay and Mrs. Troy Wood, of Por-

tales, New Mexico, are spending a few days with their parents, Mr. and Mrs. Russell Boyington, of Crews.

Our new presiding elder preached at the Crews Methodist Church Sunday evening. Mrs. Loyd accompanied him here.

Mr. and Mrs. Eldon Mathis and sons, Jean and Johnnie, of Nordheim, visited in the Sam Mathis home over the week-end.

Faster, more accurate seeding with A MASSEY-HARRIS GRAIN DRILL

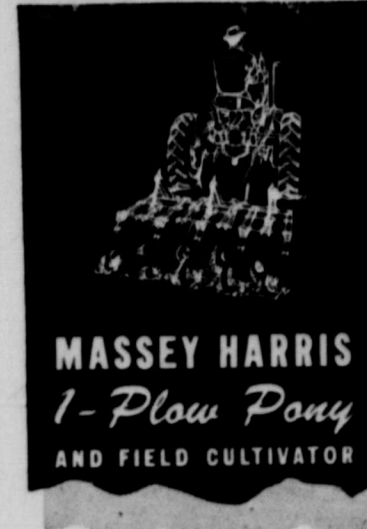

A fast operating, accurate seeding Massey-Harris Grain Drill goes a long way toward holding your production costs down . . . keeping profits up. What's more, your seed costs are cut to a minimum . . . yields are increased. Massey-Harris drills seed all of your grain properly . . . exactly as you set the per-acre quantity. There's no bunching or skipping.

When your grain is up, it's an even stand from fence line to fence line. Harvesting is easier. An even flow going through your combine results in cleaner separation, more grain. Look into these Massey-Harris drills with their huskier construction, constant height lift, front pressure tension on the discs, and dependable center seed delivery. See us soon for complete details.

Herring and Dale, and Mrs. Arnold Alcorn attended services at Crews Sunday night.

Mr. and Mrs. Charlie Berry and Charles and Claudine attended the McCullough reunion Sunday at Lake Eanes, near Comanche.

Laurence Berry and family, of Houston, visited in our community this week.

Mr. and Mrs. B. C. Collum went to San Angelo to take Floyd McDaniel and family home. They returned to Miles to spend the day with Mr. Collum's uncle, Mr. Hamby, and family.

The Otto Wood family is spending the week at Corpus Christi.

ST. JOSEPH'S BOYS 4-H CLUB

St. Joseph's boys' 4-H club held its regular meeting at the parish hall Friday night with twenty-two members attending. Marcus Hoelscher presided, and James Braden, assistant leader, and Lloyd Rumsey, assistant county agent, were present.

Mr. Rumsey discussed feeding projects and explained how to prepare certain field crops for exhibition. He also passed out information on certain cotton insects. Members made reports on

projects underway and Hubert Frerich told about his trips to the district encampment at Lake Buchanan and to the state round-up at College Station.

ROTARIANS SPONSORING STREET MARKERS HERE

The Ballinger Rotary Club is sponsoring a move to have all streets properly marked and houses numbered. Numbers for residences are being sold at this time and many illuminated numbers have been set along curbs on several streets.

The order for the street markers is ready to be placed and the standards will be erected at each intersection, showing the name of the street and avenue.

The job was started several months ago by the Rotarians and will soon be completed.

The chamber of commerce and other civic groups have endorsed the move.

SPORTS

The race for fourth place in the Longhorn Baseball League is turning into a good one with five teams battling for a slot in the play-off series. Early in the season, A. D. Ensey, owner of the Odessa Oilers, stated that the Roswell Rockets would take an early lead in the flag chase but that Odessa would have the top team when the season ended. Ensey's club reached the wrong end of the percentage column last week.

Wee Willie Wynns showed up in an Odessa uniform last Thursday night and accounted for the Oilers' only run against the Big Spring Bronces by poling a home-

run. Wynns was with the Borger club in the West Texas-New Mexico League part of this season.

Dick Gyselman has been succeeded as manager of the Sweetwater Swatters by Kermit Lewis, who arrived by plane at Sweetwater last Thursday and immediately took charge. Gyselman is now playing second base for the Albuquerque Dukes, leaders in the Westex-Newmex loop. Most Longhorn pitchers will be glad to get Gyselman out of this circuit. Lewis, a veteran first baseman, has been managing a semi-pro team in Wisconsin the past two years.

Instead of five candidates for

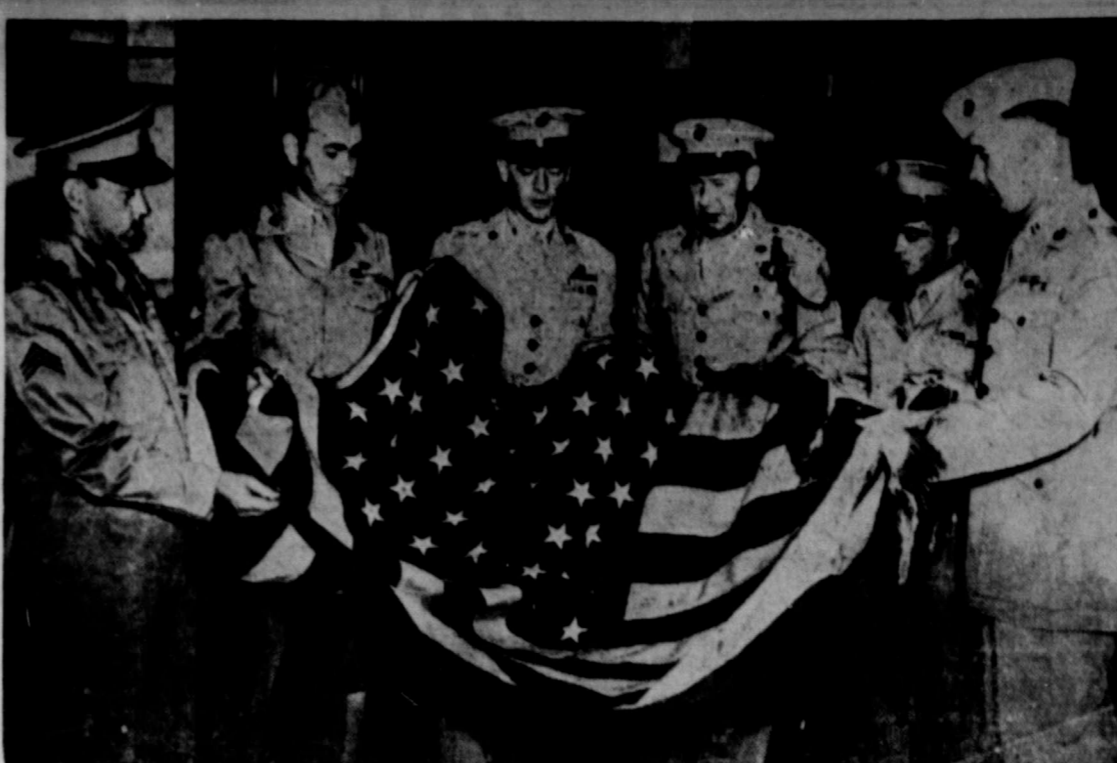

"Rookie of the Year" being named in the Longhorn League, seven have been nominated. League officials explained this by revealing that several had tied for second place. It seems that every town in the league except Sweetwater voted for someone on its own roster. Seven men have been certified and sports writers and radio men have been asked to cast first, second and third place ballots and from this voting the year's best rookie will be determined. Candidates are: Wayne Batson, Odessa; Bill Dossey, Ballinger; Kenneth Jones, Midland; Wayne Wallace, San Angelo; Ray Hill, Roswell; Carlos Pascual, Big Spring; and Wayne Moon, Vernon.

Stu Williams remains the leading hitter in the Longhorn circuit in tabulations released the past week-end but lost a few points from his previous standing. Stu had 395, a loss of seven points. Ray Riley and Cops, both of Ballinger, were leading the league. Each had appeared in the last Odessa series when Riley got two hits out of three times at bat for an average of .667 and Cops had three hits out of five trips for .600.

The Ballinger Cats will conclude their series here with the Roswell Rockets tonight and only two games will be played on the local lot next week. The Cats are to meet the Vernon Dusters Monday and Tuesday, August 15 and 16, and will be away the remainder of the week.

Cecil Bearden, scout for the Pittsburgh Pirates, was in the press box at the Ballinger-San Angelo baseball game Monday night. Bearden is visiting all Longhorn League clubs, looking over young players. He is interested in those who are 20 years old and under who can run and throw. Since arriving in West Texas he has watched a number of young fellas whom he is interested in and will visit other cities in the circuit before moving on. Bearden is a relative of Gene Bearden, Cleveland Indians' ace pitcher.

T. J. Mansell and Bill Moore were mainly responsible for the game being played Monday night. The two men worked on the diamond all Monday afternoon and used large gasoline pear burners to dry off infield spots that were very muddy. These two men

BOAT RACES SLATED HERE ON SUNDAY, AUGUST 21; MANY ENTRIES EXPECTED

Boat races will be held Sunday, August 21, at Lake Ballinger on Valley Creek. Entries are expected from San Angelo, Ballinger, Winters, Brownwood, Abilene and other West Texas cities for this second boating event of the summer.

The races will be under the supervision of the West Texas Boating Association and all types of motor boats will be entered in separate classes.

The first race held here attracted a large number of racers and the program for August 21 is expected to provide an even bigger and faster exhibition. The Ballinger Sportsman's Club is in charge of local details and boating fans from a wide area

in West Texas will be here to witness the races.

NEW CAT MOUNDNSMAN REPORTS HERE TUESDAY

Miguel Martin, a right-handed pitcher, who has won ten games with the Brownsville club in the Rio Grande Valley League this year, reported to the Ballinger baseball club management Tuesday and worked four innings against the San Angelo Colts, leaving the game for a pinch hitter.

Negotiations had been underway for some time to secure Martin's services and his papers came through the first of the week.

Business Manager Lusk of the Texarkana club is to be here to watch the Cats in action, look at some Ballinger players, and if he can help the local club in its fight for first division.

GROUP TO STUDY PLAN OF COMMUNITY CLINIC

Jim Weaver, Sam Malone, Jr., Ray Fuqua and Joe Satterwhite will go to Abilene this week to attend a meeting and secure information on the community clinic plan of program for chamber of commerce groups and other organizations.

The community clinic is based on the plan of the old Town Hall program where groups come together for general discussions of community affairs.

The committee will submit the plan to the directors of the chamber in the near future to see if the program can be offered in Ballinger.

Directors believe the clinic would give more people an opportunity for expression on local movements and would also increase interest in chamber work.

AMERICA AT PLAY

VACATION! They've picked time and place, and they've planned and saved for months.

That's the American way—the way of free choice—so familiar we take it for granted. A man picks his job, leaves it freely for a better one. He chooses the town he'll work in, the house where he'll live. He saves or spends as he wishes.

It's not that way everywhere. In some countries, the government puts a man in a city, a house, a job, with no choice in the matter. He can't quit, leave town or move around the corner without permission. If he gets a vacation, he is told where and when to go. The government runs everything, the people nothing. That's what happens when a free people turn over their responsibilities to their government. They also turn over their freedom of choice. Socialism is the result. How does Socialism happen? Not overnight. It is woven slowly, a thread at a time, into the bonds of slavery. Little by little the government assumes powers other than governing—until it finally assumes all power.

You, here in West Texas, would be astounded by the various ways and means that

some formerly good statesmen in Washington have been politically jockeyed and pressured into succumbing in many instances to the Socialistic planners that have infected our government and good old-line political parties.

Through acquiescence against the better judgment of some of our statesmen, our Federal government has already embarked on political, bureaucratic duplications and the taking over of private businesses with your tax funds.

This is true not only in our industry in some eastern locations, but the bureaucrats are now openly aiming at banks, insurance, steel, railroads, mines, forests and many other private businesses that have so helped this country to grow, produce and prosper. This is how Socialism got its political wedge and hold in such non-producing countries as England is today and it is why such countries are not producing but are leaning on us.

Talk to your friends and neighbors; see how they feel about this Socialism and other political "isms" in Washington that are threatening your American way of life, decreasing your liberties and increasing your taxation.

POISON FORMULA ADVISED FOR CONTROLLING INSECTS THAT ATTACK CANTALOUPE

pill bug is causing this damage, says James A. Deer, assistant extension entomologist of Texas A. & M. College. Of course, he continues, other chewing bugs could be causing the trouble, and it would be well to try to identify the culprit before you start control measures.

The sow bug does its work in the late afternoon and at night, but if he is around, you'll find him under anything he can hide under during the daytime, says Deer.

Poison bait should give satisfactory control and here's the mixture that Deer recommends: wheat bran or shorts, 25 pounds; sodium fluorsilicate, sodium fluoride or paris green, 1 pound; cheap molasses, 2 quarts; water, 2 gallons. You can cut the amount of bait to be mixed down to your needs by taking the same percentage of each of the ingredients.

Mix the bait thoroughly and don't get it too wet, says Deer. Put it out late in the afternoon and sprinkle it around the cantaloupes. This same bait will get other chewing insects if they eat it, but if the damage still shows up after you have given it a good trial Deer suggests that you see your local county agricultural agent for identification of the bug or bugs that are causing the damage.

PRICE FAMILY REUNION IS HELD IN BALLINGER

Thirty-eight members of the family of Mrs. D. C. Price, of Brownwood, were here the past week-end for a get-together, the first that all eight sons had enjoyed with their mother in nineteen years.

The affair was held in the home of Mr. and Mrs. Stanley Price on Eighth Street. A buffet dinner was served at noon Sunday, and the afternoon was spent in singing, taking pictures and reminiscing.

Mrs. Price was born at Staples, Texas, on November 5, 1876. She was married to D. C. Price, a native of Missouri, at Staples December 21, 1898. To this union eight sons were born: Stanley F. Price and Victor O. Price, both of Ballinger; M. C. Price, of McCombs; Palmore R. Price, of Coleman; E. N. Price, of Rotan; Lt.-Col. C. O. Price, U. S. Army, recently returned from Japan; Johnnie A. Price, of Vega; and David C. Price, of Brownwood.

Mrs. Price has 22 grandchildren and 14 great grandchildren. At the reunion there were 14 grandchildren and 5 great grandchildren present. Mr. and Mrs. Price were pioneer residents of Brown county, and it was there that all eight boys were born. Mr. Price died there in 1938.

Attending the reunion were Mr. and Mrs. Stanley Price and daughter, LaRita; Victor O. Price, and son, Franklin, of Virginia; Mr. and Mrs. M. C. Price and daughter, Imogene; Mr. and Mrs. Palmore R. Price and sons, Johnnie West and George Dunn; Lt.-Col. and Mrs. C. O. Price and son, Jimmie; E. N. Price and daughters, LaVada and Annie Lou; Mr. and Mrs. Johnnie A. Price and children, Melba Joy, Shirley Sue and Johnnie, Jr.; Mr. and Mrs. David C. Price and children, Joan, Darrrell and Marita Jan.

Other grandchildren were Mrs. Mattie Busby, of Brownwood; and Mrs. Estle Williams and Mr. Williams, of Coleman, and their two small daughters; Mrs. Charles Honea, of San Angelo; and Willie James, Charles M. and Glenn Honea, of San Angelo, great grandchildren.

Mr. and Mrs. Herman Price and children, Paul and Pamela, have returned from a week's visit with the Dick Stengels at Garden City, Kansas. En route home they came through the heart of the wheat state via Abilene, Topeka and Kansas City. They passed through Joplin, Missouri, crossing the eastern part of Oklahoma to enter Texas.

Mrs. Annie Bibb, of Ballinger, and Miss Florence Balch, of Coleman, returned Tuesday from interesting points in southern and northern California. They were accompanied by Mrs. Sim Cottle, who visited her son, Simeon M. Cottle, and family at Oxnard, California.
