Emergency Polio Drive For County Gets \$2,545

Collections in the emergency polio campaign for Runnels county through last Saturday totalled \$2,545.73, O. L. Huddleston, county treasurer, stated. Mr. Huddleston said many community reports have not come in and a large amount is yet to be received. Of those reporting Ballinger, Norton, Olfen and Bethel committees have not finished their solicitations and additional amounts will be turned in this week.

Communities reported and sums collected follow:
Ballinger, \$1,652.35
Humble Station, \$38
Norton, \$203.36
South Ballinger, \$54.50
Dry Ridge, \$34
Bethel, \$25.50

Runnels, \$94.50
Blanton, \$151
Kristoff, \$37.50
Olfen, \$183
Millar, \$62
W. H. Rumpy is chairman for Winters and the northern portion of the county and the campaign for that area has not been concluded. At Miles and Rowena large committees are at work and are expected to complete solicitations this week.

Officials of the local chapter stated that many Ballinger people have not been contacted and any who want to help in this cause can mail checks to the treasurer, O. L. Huddleston, Ballinger, and they will be applied to the quota of any community specified.

AAA Office Approves 1,000 Field Crop Loans

The Runnels county AAA office has accepted 1,000 loans on wheat, oats and grain sorghums, amounting to more than \$1,000,000.

The local office has no records on the loans made on 1949 cotton as a number of agencies are making these loans.

The office is ready to accept loans on cottonseed at \$49.50 per ton.

A new ruling has been received on wheat acreage for 1950 and some farms in Runnels county will come under this set-up. When a farmer owns more than one farm and has an allotment on each the total acreage may be planted on one farm. This also is true of a renter who pays cash for his acreage, and can change wheat allotments to one place.

Renters who pay their rent in wheat must plant the allotted acres on the farm on which it is issued.

A large number of farmers in the county have brought up the above questions before planting their fall or spring wheat.

ROWENA BOY IS WINNER

WITH HOGS AT ABILENE

Bernhardt Moeller, of Rowena, showed eight Duroc hogs at the Abilene fair last week and came away with awards totalling \$38. His winners included a champion, a blue ribbon, a second and three fourth places.

Bernhardt had two Duroc boars in the open classification, taking first and second places. The first place boar was also selected champion boar of all breeds. Two girls placed fourth and sixth.

The four barrows in the boys' division won eighth, ninth and tenth places in the heavy class and fourth in the light class. His trio of hogs won fourth place.

Bernhardt is in the registered Duroc hog business with his father, Edwin Moeller, of Rowena.

METHODIST CHURCH TO HAVE SPECIAL SERVICE FOR AGED

Rev. C. D. Wooten, pastor, has prepared a special service at the First Methodist Church Sunday morning at the 11 o'clock hour. Special recognition will be given those who attend and the sermon subject will be "The Happy Old Age."

All the older people of the church are especially invited to attend.

ICE WATER... Pretty good on the water herself, if it is frozen, actress Sonja Henie congratulates some performers in water in its liquid state. She is bestowing praise upon Nippon's winning swimming team after its performance at the A. A. U. national swimming championships. Left to right are Shiro Hashizuma, Suichi Maruyama, Miss Henie and Hiroshi Fururashi. Fururashi led his Japanese team mates to a smashing victory and new world's record in the relay event of the Los Angeles, Calif., swimming meet. This is one of the first major athletic events won by the Japanese since Nippon's defeat in the war.

Civic Clubs Honor Faculty of Schools And Mrs. Bridwell

One hundred and seventy-five people attended the banquet and program Tuesday evening honoring the Ballinger school faculty and Mrs. W. A. Bridwell, long-time teacher and principal here, as special guest. The affair, held in the school cafeteria, was sponsored by the Ballinger Rotary and Lions clubs and Ballinger Jaycees. E. C. Grindstaff was master of ceremonies.

The crowd assembled in the high school gymnasium and after preliminaries which included the singing of "America" led by R. E. White, the pledge of allegiance led by George Newby and the invocation by Sam Behringer.

Following the meal, served in the lunch room, Miss Carmen Demmer, an elementary teacher, presented Mrs. Bridwell with a wrist watch, a gift from the faculty members. The gift took Mrs. Bridwell by surprise and she stated that she thought she was only invited for "old times sake."

She taught for 42 years in the Ballinger schools and tendered her resignation before the beginning of the present term. Supt. Ernest Caskey was presented and introduced each member of the faculty, which numbers more than fifty. Others presented by the master of ceremonies included President and Mrs. W. E. Keel, of the Jaycees; Clifford Cook, president of the Rotary Club; and President and Mrs. Cal Adair of the Lions Club.

Guest speaker for the evening was Dr. John A. Guinn, president of San Angelo Junior College, whose theme was "The Teacher's Responsibility to the Community."

Dr. Guinn recounted the history of the teaching profession from the time of its inception until the present and stressed the opportunity of the teacher in the community.

He complimented the community that would go to the time and trouble to honor one of the largest businesses in the United States, the teaching profession, with a banquet.

MAN WANTED HERE ESCAPES AMARILLO JAIL WITH PALS

A man held at Amarillo for Ballinger officers joined four others Wednesday to overpower the 67-year-old jailer and make an escape.

William Lester Buzard, held at Amarillo on a federal check charge and also wanted in Ballinger for passing worthless checks, was one of the men making a get-away.

Buzard was to be turned over to local officers after his trial at Amarillo.

Kathryn Sensabaugh, daughter of Mrs. O. F. Sensabaugh, of Ballinger, enrolled last week as a student in Scarritt College for Christian Workers at Nashville. Miss Sensabaugh graduated in the spring from McMurry College, Abilene, and will attend Scarritt College for advanced work in the field of Bible and religious education.

Salvation Army Fund Campaign Completed But is Short of Goal

The Salvation Army annual fund drive here has been completed, a total of \$324.00 being raised to Monday morning and checks are still coming in by mail. A special representative of the Salvation Army was here several days to call on citizens but came at a time when committees were raising money for the emergency polio fund campaign.

While the total is less than that for previous years, checks can be mailed to Joe Forman, treasurer of the local service unit, and will be applied to the 1949 fund.

Since the new plan was put into effect by the Salvation Army half the amount raised remains here for charity work and distribution will be handled by those named on the service unit. Last year a considerable number were helped by this unit.

Mr. Forman expressed appreciation for all gifts received and said the committee wanted to close the books on the 1949 fund campaign as soon as possible. Donations from students have not been turned in and many others have been asked by letter to make contributions.

Surface Pipe Set For New Oil Well Southwest City

Saxon Exploration Co. No. 1-Trimmer was started this week with surface pipe set the first of the week and rotary equipment used for the deep test. The location is two miles southwest of Ballinger in new territory and is being watched with much interest.

A new wildcat has been scheduled for Runnels county, Robinson-Puckett, Inc., to drill a 5,200-foot rotary test 5 miles southwest of Winters. The location has been made on the Wayne Roberts place and equipment is set up for operations.

Interest is shown in the Humble No. 1-Bud Herndon south of Winters, where several oil showings have been encountered in the deep test to the Ellenburger. Production gauges will be taken in this well, starting at the bottom of the present hole.

Several other wells are being drilled and production is expected at various depths.

LUTHERAN SERVICES TO BE HELD SUNDAY AT 8:30 A. M.

Rev. Louis Pabor, of Eola, will be the speaker at the Lutheran service in the library auditorium Sunday morning at 8:30. Sunday school and Bible classes will be held at the same place at 9:30 a. m. Visitors are welcome.

Contract to Pave Ten Blocks in City Let by Commission

The Ballinger city commission let a contract Monday afternoon to Hunter Strain, of San Angelo, for topping ten blocks of pavement.

Most of the pavement is to be put down on Largent Avenue and Sharp Avenue in Wilke Terrace and several streets in this addition which connect with new pavement. One block is located on Murrell Avenue between Tenth and Eleventh streets.

Plans call for double inverted penetration of asphalt and rock. Base work has been done by the city and is now ready for surfacing. Mr. Strain was not contacted Tuesday to learn when he would move equipment in, but city officials expected the job to be commenced next week and completed in short order.

This project was started when a new subdivision was opened in this section of the city where eight or ten dwellings have been built or are under construction. This led other property owners to petition the commission for paving and put up their one-third of the costs. City officials stated Tuesday that this was all the paving contemplated at this time.

Street Marking Fund Drive Started Here By Club Committee

Ballinger Rotary Club workers met this morning at the Central Hotel for a kickoff breakfast preceding their street marking fund drive. Sixteen committeemen attended the breakfast and at once started a downtown solicitation to take care of the cost of erecting markers at each street intersection.

E. Shepperd, chairman, said eight teams would work the business district and make an effort to contact every property owner possible and collect \$2.50 each to be applied on the project. After the downtown solicitation teams will go into the residential sections to make a door-to-door canvass.

Committee members explained that the \$2.50 would about take care of the cost of the street markers and installation, and when they were in place, club members would drive out the entire town and supply unnumbered houses with the proper numbers so that every street and avenue would be properly designated and every house numbered.

The Rotarians have already met with excellent success, many property owners and house occupants having mailed in checks for their part of the cost. Those in charge stated that it would be necessary to call on a large number to complete the project.

Attendance, Interest High In 'Town Hall' Meetings

Membership Sale For Concert Series Is Resumed in City

Miss Joanna Albus, executive of the Rozan Concert Association, is here this week to assist officers of the Ballinger Municipal Concert Association in the sale of memberships for the fall and spring programs.

A meeting of officers of the local organization was held Monday night at which time Miss Albus discussed plans for the sale of additional memberships and during the remainder of the week will be heard at several club meetings and over station KRUN.

Membership holders in the Ballinger association will have an opportunity to double their money in programs this season. All members will be able to attend the three concerts to be given at Coleman as well as the three here, making it possible to hear six concerts on the one membership.

This is the first year for an artists program at Coleman and 600 memberships have been sold here to date. A check-up here Monday revealed only 83 adults and 10 students had taken memberships.

At the conclusion of the concert season last year memberships were offered for sale but with poor response. At that time it was thought best to wait until nearer the first concert to complete the sale. This week the sale will be reopened and local people can purchase memberships until Saturday night. The cost for an adult is \$6 including tax and for a student \$2.40 including tax.

The first concert will be presented here on November 22, at which time John Wheeler, baritone, will be heard.

Car-Pickup Crash Proves Fatal to 1; 5 Others Injured

The collision of a car and a pickup on the Winters highway five miles north of Ballinger Sunday evening at 7:15 caused the death of one person and injured five others.

Solomon Juarez, 45, of Winters, died in the Ballinger Clinic-Hospital a few hours after the accident. His son, Cristello Juarez, was taken to the local hospital for treatment.

Four Wingate men, occupants of the car, were taken to the Winters hospital for treatment. Red Burns, 35, suffered bruises and internal injuries; Don Foster, 19, fractured nose; Troy Foster, 21, fractured nose; and T. K. Danford, 20, fractured lower jaw.

The body of Juarez was prepared for burial at the Newby-Davis Funeral Home and taken to Winters Monday, burial services being held Wednesday.

COTTON, FIELD CROP SHOW PLANS BEING COMPLETED

Plans are being completed for the county-wide cotton and field crop show to be held here on October 29. The show has been made county-wide this year and a large number of 4-H club and F. F. A. members will participate.

County Agent John A. Barton is making final arrangements for the show with assistance from the local chamber of commerce and others. The display will be presented on the court house lawn where the cotton will be judged. Field crops will also be shown where club boys have had special field projects during the year.

The prizes and other details will be announced later along with the number of entries.

Mr. and Mrs. Cal Adair left Wednesday for Commerce. They were called there to be at the bedside of Mr. Adair's mother, Mrs. Jim Adair, who is seriously ill.

Attendance at the "Town Hall" meetings this week has been larger and each session has had a full house present. Speakers have continued to outline the work of the chamber of commerce on major projects, using charts to show what has been accomplished, what is being done at the present time and plans for putting over unfinished parts of the program.

Most interesting this week have been the general discussions and proposals from the floor of activities offered for consideration of the officers and directors. These suggestions covered a large number of projects, some being work that has been attempted in the past and not carried to a successful conclusion and many other new projects.

Proposals offered from the floor have included:

1. Sewer extensions for the entire city
2. Securing of an oil well supply house
3. Courtesy parking tickets for out-of-town people
4. Hotel facilities and larger downtown cafe
5. Improvement of negro school
6. Traffic light at intersection of Broadway and Park Avenue
7. Organization and putting into effect community chest plan
8. Better recreational facilities
9. More farm-to-market roads with special designations of several.

Practically every card turned in resumes the plea for a municipal swimming pool, a project that has been considered for many years but has never been carried out because of the cost.

The suggestions include many other items with special emphasis on public programs. October 20 is the date set for a meeting of the entertainment committee with all other committee chairmen to talk plans for a Christmas program.

"Town Hall" meetings will continue next week and citizens invited are urged to attend on the night set for them. In this way all will get a complete picture of local chamber of commerce work and needs for the future.

BIDDING IS LIVELY AT LIVESTOCK SALE

The Ballinger Auction & Commission Co. held a good livestock sale Tuesday afternoon with a large crowd on hand.

Buyers were plentiful and about 75 head of cattle and some sheep were run through the ring in rapid order. Prices were slightly off but in line with the prevailing market and livestock owners were pleased with the results.

The large building was crowded partly due to the fact that it was too wet for farm work. Another sale will be held next Tuesday afternoon starting at 1:30 o'clock.

MOODYS ATTEND LAST RITES FOR RELATIVE IN OKLAHOMA

D. E. Moody was accompanied by his son, Henry Moody, and Mrs. Moody when he attended the funeral of his brother, T. P. Moody, at Thackerville, Oklahoma, this week. Mr. Moody died Monday and was buried Tuesday.

Ernest Moody, of Lamesa, joined the group to attend the funeral.

Mr. and Mrs. R. W. Bruce are at home after spending some time at Christoval.

Fred McClanahan returned Sunday to his home at Shreveport. His wife and son remained here for a longer visit.

District Convention Held at First Christian Church

Out-of-town people numbering 147 were delegates from Christian churches in 16 area towns at the convention of district 11, held at the First Christian Church on Broadway last Thursday.

Sessions began at 9:45 a. m. with Mr. Charles Malott, of Coleman, district president, presiding. Reports were heard from churches all over the district. Mr. Hollis Turley of Indianapolis, who is a member of the staff of the United Christian Missionary Society, talked on "The Crusade for a Christian World" at the morning period.

At noon the local minister, Mr. Rawlins Cherryhomes, and Mrs. Cherryhomes were hosts to all the national and state workers in their home on Broadway, while delegates were guests of members of the local church.

Age-level conferences were held in the afternoon. Mr. Harrie Woolard, minister of the First Christian Church, Abilene, presided at the adult conference; Mrs. Horace Murphy, of Ballinger, presided at the women's confer-

ence. Mr. Chester Crow, of Fort Worth, state director of religious education, was in charge of the young people's conference; and Mrs. C. F. Bailey, of this city, presided at the children's workers conference.

State workers were then introduced as a whole. The afternoon sermon was delivered by Mr. Bayne Driskill, of Fort Worth, a director of Crusade evangelism in Texas, followed by parallel sessions for men and women.

About 236 were in attendance at the banquet which the ladies of the First Christian Church served at the high school cafeteria in the evening.

At 7 p. m. the worship hour was presided over by Mr. and Mrs. Bonarth, of Lampasas. The district camp project at Lake Brownwood was presented by Mr. Dan Morgan, of Brownwood, and the evening address was given by Mr. W. H. McKinney, of Indianapolis, national director of men's work.

Officers for the ensuing year are: president, Mr. McCord, minister to the Second Christian Church, Abilene; first vice-president, Mr. Bonarth, second vice-

The next year's convention will be held at Richland Springs.

Special musical numbers were presented by Mrs. Martin Fry and Mrs. Marvin Clark with Mrs. N. D. Hoover at the organ.

Mr. Cherryhomes, host pastor, made arrangements for the all-day party.

Towns represented at the convention were: Ballinger, Coleman, Santa Anna, Brady, Brownwood, Richland Springs, Millersville, Lampasas, Eastland, Ranger, Abilene, Cisco, Comanche, DeLeon, Hamilton and Rochdale.

Eadie Loyalty Circle Meeting Held in Adams Home

Members of the Eadie Loyalty Circle of the First Methodist W. & C. E. were guests of Mrs. Tom Adams last Thursday afternoon in her Eighth Street home.

Mrs. Fred Middleton was the presiding officer for reports and circle projects were discussed. Mrs. Wylie Beare was leader for the program, "Sharing the Blessings of the Home," and Mrs. Sam Conner and Mrs. Derward Bussett discussed topics on this subject.

Wooten Announces Loyalty Month and Radio Broadcasts

Rev. C. D. Wooten, pastor of the First Methodist Church, has announced October is "loyalty month" and a number of features to be offered during the month and through the fall and winter. He stated that attendance would be checked at each service during October and officials of the church are urging that all members make an effort to be present. Features will be included on programs at all services.

Fellowship groups are to meet each Sunday evening at 7 p. m. and after a period together will assemble in the auditorium for a 45 minute worship service.

The fourth annual radio broadcast of the "Methodist Hour" is being resumed, Bishop William C. Martin opening the series of programs last Sunday. On October 9, Bishop Marvin A. Franklin will be the speaker and all Methodists are urged to hear him and other speakers at 7:30 each Sunday morning. Station WFAA, Dallas, will serve this area.

The Texas Press Association, an organization maintained by and for Texas newspapers, was organized in 1880 at Houston.

Miss Lester Speaks At Union Service

"High Spirited People" was the topic of an address by Miss Muriel Lester, one of England's best known social workers, given at the First Methodist Church on Tenth Street Sunday evening. The meeting was attended by representatives of eight cooperating churches of Ballinger with visitors from surrounding towns. Miss Lester's appearance was sponsored locally by the Council of Church Women.

As traveling secretary of the Fellowship of Reconciliation, Miss Lester has recently visited Germany, India, and the South Pacific. She is noted as a social worker in her native London where she founded Kingsley Hall, the Hull House of the slums of East End. Having appeared on eight previous speaking tours of the United States, she is currently scheduled to lecture in six Texas cities.

In her Ballinger talk she drew upon her long experience in the work of reconciliation to illustrate the power of truth and love in resolving conflict situations. "Christian who take seriously the first two words of the Lord's Prayer cannot kill their brothers," she asserted. She commented at length upon India's non-violent struggle for independence, pointing out that it is only with strict self-discipline that one refuses to hate his enemies.

Miss Lester will be accompanied on her tour of Texas by Olcott Sanders, regional director of the American Friends Committee, under whose auspices she is currently appearing. Miss Lester also spoke over station KRUN at 6:30 p. m.

**Wayne Morris, Janis Paige Star
In Thrilling 'Younger Brothers'**

Plenty of action accents Warner Bros. Technicolor picture, "The Younger Brothers," starring Wayne Morris, Janis Paige, Bruce Bennett, Geraldine Brooks and Robert Hutton. It is to be shown at the Texas Theatre next Sunday and Monday, October 9, 10.

This thrill-filled tale of the Old West is a unique combination of fact and fiction. The Youngers were determined to regain their lost ranchland which had been pillaged, and they wanted most of all to return to their homes.

The setting is laid against that section of the Old West, which included portions of Minnesota near the southern border. Law and order were in a constant state of clashing, and in the midst of this atmosphere moved the rugged Youngers.

Morris, Bennett and James Brown play the older boys, and Hutton is cast as the youngest one of the four. Feminine honors are divided between Miss Paige and Gerry Brooks, the latter the fiancée of

one of the brothers. Janis plays the leader of a tough band of outlaws.

Latest of the tuteful and always entertaining western films featuring Roy Rogers and his great Palomino, "Trigger," is Republic's Trucolor offering, "Down Dakota Way," to be shown at the Texas tomorrow and Saturday, October 7, 8.

The exciting story, filled with action, comedy and drama, tells how Roy, on a sentimental trip to the place of his childhood, stumbles upon murder and treachery. It reveals the unscrupulous plans of a rancher, enacted by Roy Barcroft, to get his herd of cattle to market before it is known that they are afflicted with the dread hoof and mouth disease.

Dale Evans, always a treat to the eyes, has the leading feminine role. Others in the cast include Elizabeth Risdon, Pat Brady, Foy Willing and the Riders of the Purple Sage.

**Bullet-Blazing 'Desert Vigilante' and
Stevenson's 'Secret of St. Ives' to Palace**

The double-feature program at the Palace Theatre today, tomorrow and Saturday, presents two altogether different films, "Desert Vigilante," starring Charles Starrett and Smiley Burnette, and a swashbuckling Robert Louis Stevenson story, "The Secret of St. Ives."

Starrett is seen as a government agent who is sent to a Mexican border town to seek out and capture a gang of silver smugglers. He is aided in his mission by the services of his faithful sidekick, Smiley Burnette, who also gives out with a score of old-time and original hillbilly and western music. Featured members of the cast include Peggy Stewart, Tristram Coffin and the Georgia Crakers.

Richard Ney, Vanessa Brown and Henry Daniell are featured in "The Secret of St. Ives," an excitement-drenched adventure of the Napoleonic Wars period.

Tall and handsome, Ney appears as a French soldier-adventurer, captured by the British and held by them in Edinburgh castle. He turns his attention to the problem of escape, only to become enmeshed in a blazing tangle of intrigue and romance. Bold with a kiss or a bayonet, with an army hunting him in vain, the dashing Stevenson hero becomes involved in such complications as a murder conspiracy, a frame-up of which he is to be the victim, a flight to London with an attractive Scottish girl disguised as a young shepherd, and sundry other interludes.

He says when laying hens are infected with Newcastle disease, egg production declines rapidly; egg size is markedly reduced and many are odd shaped. The shells are thin and sandy; the albumen becomes thin and watery in most of the freshly laid eggs and many contain loose, bubbly air cells. When heavy producing flocks become infected, the production drops to zero within 5 to 8 days. It takes from 3 to 5 weeks for the flock to resume normal egg production and as it returns to normal, egg size and shell strength also regain most of their original quality, he adds.

Eggs from infected and non-infected hens were placed in cold storage and were graded at intervals of 2, 4, 8, 16, 32 and 64 weeks. Parnell says eggs from the infected hens were far below the healthy hens in quality each time they were graded.

There is a definite relation between the amount of thick albumen in the egg and its subsequent keeping quality in storage, says Parnell. The storage losses in the eggs from infected pens ran much higher than those from the disease free pens. Most of the inedible eggs resulted from stuck yolks which is a condition associated with thin albumen in eggs, says Parnell.

This report was released through the Texas agricultural experiment station. Your local county agent can give you more details on the subject.

**SUDS NOT ALWAYS GOOD
INDICATION DETERGENT
CAN DO CLEANING JOB**

COLLEGE STATION, Oct. 5.—White foamy suds are usually accepted as the sign that soap or a detergent is doing a good job of cleaning.

But it isn't always true, as research shows. Foam is an attractive and pleasant indication that a detergent is in the washing solution, but it is not the guide to its cleaning effectiveness.

Mrs. Florence Low, extension specialist in home management of Texas A. & M. College, says that research recently made at the New York State Experiment Station by G. J. Hucker, indicated that suds don't clean. Washing tests showed that some of the sudless solutions removed soil in dish-washing better than others with plenty of foam.

The cleaning ability of any detergent depends largely on two things; first, how well it dissolves soil and, second, on how much it aids water in getting the soiled articles wet so that the dirt can be carried away quickly and thoroughly. Water alone, the specialist points out, cannot wet material as well as water containing soap or other detergents.

The amount of soap in the dish pan or wash tub has long been used as a rough guide to indicate whether the water contained enough soap for efficient washing. But what holds true for soap does not hold true for all detergents.

The report adds that the synthetic detergents simply remove soil and cannot be counted on as a sanitizer.

**RADFORD MEMORIAL BUILDING
MONTHS AHEAD OF SCHEDULE**

ABILENE, Oct. 5.—Work on Radford memorial building, a \$300,000 student life center for McMurry College, is ahead of schedule, and completion by June 1, three months early, is possible, contractors said today.

Frames are being put up for the third floor, since the concrete pouring for the first two has been finished.

In the building, of modern Gothic design, will be an auditorium seating 1,200, a three-floor social hall, a recreation room, meeting rooms, offices, lounges,

**Hitchcock's 'Under Capricorn'
Teams Ingrid Bergman, Cotten**

Alfred Hitchcock's "Under Capricorn," in Technicolor, with Ingrid Bergman, Joseph Cotten and Michael Wilding in the three main parts, is to be presented at the Ford Theatre Saturday, Sunday, Monday and Tuesday, October 8, 9, 10, 11.

The story is set in Australia in 1831, when the growing British colony was being built up mainly by the work of convicts who, after serving their sentences, could become free citizens. Against this colorful background is traced the tense drama of a freed convict, his wife, and a wild young Irishman who loses his heart to her. The lovely Bergman, as weakly here as she was strong in "Joan of Arc," is loved by both men, Cotten and the sensational new English star, Wilding, and their affairs are further complicated by his housekeeper's passionate devotion to Cotten and insane hatred of the other two.

No one knows better than Hitchcock how to extract the maximum suspense from such tangled human relationships. And it would be difficult to think of a cast to interpret the drama as talented and experienced as Bergman and Cotten, both stage-trained; Wilding the British filmgoers' romantic favorite; Margaret Leighton, Cecil Parker and Denis O'Dea. But finally, it is Hitchcock's picture. The master of suspense is at his best in one of the heralded films of the year.

**Deferred Grazing
Still Good Practice
Specialists Assert**

COLLEGE STATION, Oct. 5.—The reduction of livestock numbers in all sections of the state coupled with fairly good moisture conditions made it possible for many ranchmen and stock farmers to practice deferred grazing on much pasture land in the state this year. This is the pay-off season, says A. H. Walker, extension range specialist of Texas A. & M. College, and he recommends that grazing be withheld for another month or two to give the grasses a chance to mature their seed.

In some areas the preferred grasses have already made seed, but in others, they are making seed right now. He says give the elements a chance to shatter and distribute the seed first. If you permit grazing too soon, chances are good that you may lose what you have gained.

The choice is up to the individual producer as to whether he will grow the high producing good grasses or the low producing ones, says Walker. The essentials of good range management must be practiced to get the job done and it takes time.

By balancing the livestock with range forage production, deferred grazing, proper salt and water distribution and other management factors, more range livestock producers are finding that it pays to grow the good grasses.

James Bryan has returned from a vacation trip to Alabama. His wife and two children remained at Dallas en route home for a visit with relatives and friends.

ESCAPIST . . . Edward C. Allcard, 34, naval architect from Surrey, England, rests in the 29-foot yawl, the Tempres, in which he sailed from Gibraltar to the United States in 81 days. The escapist from British austerly braved storms, sharks, and sail breakdowns, but arrived at City Island, N. Y., in good shape, having lost only 10 pounds. His voyage took him along 4,500 miles. He said he sailed to escape form-filling in England. "I wanted the freedom only offered by the sea," he said. He doesn't like for people to ring him on the telephone, and detests alarm clocks and routine schedule. Unlike most tourists, he expressed no opinion of America.

Tax Collections Underway Here At Three Offices

Three tax collecting offices here began receiving tax payments Saturday for the new year. While the offices were only open half a day, collections were good and were continuing fair this week.

The city, school district and county collectors are accepting tax payments from now until the last day of January. County and state collections are discounted 3 per cent during October, 2 per cent in November, and 1 per cent in December. The city and school district offer no discounts but many people like to pay early so the payments can be deducted as 1949 expenses.

Tax rolls were approved some time ago and each office has made up receipts so that customers can be waited upon without undue delay. Each office has mailed carbon copies of the amount of taxes due from each property owner.

The school district office was forced to make up supplemental rolls for new territories added to the Ballinger district by consolidation elections. Citizens in all territory annexed to the Ballinger district will pay their taxes at the local board office.

ST. JOSEPH'S BOYS' 4-H CLUB

The regular meeting of the St. Joseph's boys' club was held Monday, most of the members being present. The trip to the state fair at Dallas was discussed. Assistant County Agent Lloyd Rumsey distributed booklets on cattle grubs and on fattening lambs. Mr. Rumsey also talked on cattle grubs and their control.

HAVEN . . . Hakob Matevosian, 2½, product of an Armenian displaced persons' camp, arrives in New York from Stuttgart, Germany. The family plans on making its home in Cambridge, Mass. Used to inclement DP camp conditions, Hakob distrusts the climate of even the land of liberty.

DEATHS

B. L. Agnew
B. L. Agnew, 87, of Grandfalls, pioneer West Texas oil operator, died Sunday morning at 7:55 o'clock in the Ballinger Clinic-Hospital after suffering a stroke about two weeks before.

Decedent was born at Ella, Pennsylvania, and for 60 years was active in oil development in Pennsylvania, Virginia, Oklahoma and Texas. He retired in 1948 after working in this section of West Texas for a number of years. He came to Texas soon after the discovery of oil in the Big Lake area and drilled in a number of wells in that field. Later he came to Ballinger with his sons and developed a number of wells in this immediate vicinity.

Survivors include two sons, H. G. and Tom Agnew, Ballinger; a daughter, Mrs. Ella Matthews, South Gate, California; 21 grandchildren and 29 great grandchildren.

Funeral services were held Tuesday morning at 10 o'clock at the Newby-Davis chapel, Rev. C. D. Wooten officiating. Burial followed in Fairmount Cemetery, San Angelo.

Palbearers were grandsons and honorary palbearers were members of the Bruce Bible class of the First Methodist Church.

Mrs. H. C. King

Mrs. H. C. King, 83, died at her home, 909 Sealy Avenue, Sunday at 7:10 p. m. after illness of several months.

Decedent was born in Mississippi and moved to Texas in 1880. She moved to Runnels county in 1902 and made home here ever since. She was married to H. C. King in Bosque county in 1882.

Funeral services were held at the Newby-Davis chapel Tuesday afternoon at 2 o'clock, Rev. B. J. Martin and Rev. J. R. Lawson officiating. Interment was made

BIRTHS

Mr. and Mrs. Jimmy B. Dankworth, of this city, are the parents of a daughter, Kathy Ann, born at St. John's Hospital, San Angelo, at 2:45 a. m. Tuesday, October 4. The baby weighed 8½ pounds at birth. Grandparents are Mrs. Arlie Miller and Mr. and Mrs. James E. Dankworth, all of this city.

William Bruce is the name of a son born to Mr. and Mrs. B. J. Flint, 106 E. Highland, San Angelo. The baby, who weighed 6 pounds 9 ounces upon arrival, was born at 8:52 a. m. October 2, in a San Angelo hospital. Grandparents are Mr. and Mrs. Andrew Flint and Mr. and Mrs. Hugh Bishop, all of Ballinger.

A daughter was born to Mr. and Mrs. Alton Kevil Tuesday, September 27, at Odessa, where they are making their home. Mrs. Kevil is the former Miss Ruth Lowry.

Mr. and Mrs. David Gregory were here Sunday for a short visit with relatives while en route from Springfield, Missouri, to McCamey, where they will again be located. Mr. Gregory is employed by the Shell Pipe Line Co.

The first printing press in Texas was capable of printing 300 copies an hour. Some presses in the state today can turn out as many as 160,000.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Mrs. R. R. Holstead was hostess to seventeen members of the South Ballinger home demonstration club on October 4. Miss Ollie Chenoweth was a visitor.

The meeting was opened with the singing of "The Song of Peace" and the reading of the homemaker's creed. A prayer was led by Mrs. Austin Williams. Roll call was answered with "What I Have Done to Improve My Living Room."

A Hallow'en party was planned for October 28 in the home of Mrs. C. D. Branham.

Next year's food demonstrators are Mrs. Jack Fry and Mrs. Archie Wallace. The living room demonstrators are Mrs. V. L. McShan and Mrs. Dick Holstead. Mrs. E. T. Branham, Jr., gave a report on what she accomplished in her living room during the past year. Mrs. Tom Crockett reported on what she grew and canned in her garden the past year.

Shadow gifts were exchanged and names were revealed. New member will bring a covered dish to the next meeting.

The next meeting will be held at the home of Mrs. Calton Smith on October 18, when all-day sessions will be held on reupholstering. The member will bring a covered dish to the next meeting.

WOMAN'S AUNT RECEIVED A BURIAL

Mrs. Julia Griswell received a burial of an aunt, Julia Leforce, at Broken Bow, Oklahoma.

Decedent, 52 years of age, Tuesday and the funeral service was held yesterday afternoon. Survivors include the husband, thirteen children and two grandchildren.

Mrs. Griswell was unable to attend the funeral on account of illness.

Mr. and Mrs. J. L. Kennedy, Mr. and Mrs. W. R. Kennedy, Winters; Mrs. W. C. Durham, Sterling City; Mrs. Marvin Carroll, Fort Worth; and Miss Petty Hays, Ballinger, visited Sunday in the home of Mr. and Mrs. D. O. Kennedy.

Mrs. M. S. Karmany, of Comanche, was here Wednesday for a short visit with relatives and friends.

Ray Holstead left today for McCloskey Hospital, Temple, where he will undergo surgery Friday. He was accompanied by Mrs. Holstead and Mrs. Joe Bates.

Talpa Study Club Opens Season with Dinner

The Talpa Study Club formally opened its new club year with a dinner at the home of Mrs. Jewel Cooper on Broadway including members from the Ballinger Shakespeare Club and the Fannie Stephens Study Club, honoring Mrs. J. Howard Hodge, of Midland, state president-elect.

Central arrangements of daisies and zinnias were on linen-laid tables where cards marked places for guests at the chicken menu.

The receiving line was composed of Mrs. Tom West, Mrs. Milton Clayton, Mrs. Grafton Brookshier, Mrs. Hodge, and Mrs. W. E. Cantrell of Goldthwaite.

Greetings were given by Mrs. Brookshier, the club president, and she presented Mrs. Floyd Thompson, who introduced Mrs. W. E. Cantrell, state secretary-elect, and she introduced the guest speaker, Mrs. Hodge, who spoke on "The American Home." The speaker declared that more homes have been destroyed by selfishness than by bombs. "It takes work to make a home," she pointed out, "and it takes a woman who walks with God to make a home. From women should come the best homes in the nation."

The Talpa Study Club has "Our American Way of Life," for their theme for study this year. Those present from Talpa were Mmes. Brookshier, Noel Hale, Arnold Allcorn, Jim Brown, Tyrus Cox, M. Clayton, F. Thompson, R. C. Terry, Tom West, Andy Broyles, Joe

Dobson, A. V. Livingston, J. E. Morton, R. E. Smith, M. L. Stone, J. T. Thompson, H. E. Evans, Mat Fox and Miss Mary C. Smith.

Shakespeare Club members present were: Mmes. W. J. Hembree, Estes Lynn, Q. V. Miller, E. A. Saunders, John I. Gulon, J. G. Tuckey, K. V. Northington, Lela McAdams, Max McCrary, Jr., Paul Petty, and J. W. Guynes.

Those from Fannie Stephens Study Club were: Mmes. Joe A. Forester, W. O. Irby, J. H. Endacott, Lee Parker, W. E. Ekkins, George Newby, Coy Estes, Alfred H. Dallinger, M. E. McClenny, and Alvah Stephens.

Miss Routh, Carlton Washburn Wed in San Antonio Church

Mr. and Mrs. Carlton F. Washburn are on a wedding trip to New Mexico following their marriage last Thursday evening at six o'clock in the chapel of Christ Episcopal Church, San Antonio. The Rev. Samuel Capers, rector, read the single ring rites.

Mrs. Washburn is the former Mary Lou Routh, daughter of Mrs. Betty M. Routh of this city. The bridegroom is the son of Mr. and Mrs. C. W. Washburn, of East Orange, New Jersey.

The chapel provided an all-white setting with white gladioli and carnations decorating the altar, which was lighted by white tapers.

The bride wore a suit of brown gabardine with navy and powder blue accessories. Her corsage was a white orchid.

Miss Frances Routh, of Ballin-

ger, attended her sister as maid of honor. She wore a green crepe dress with brown accessories, and her corsage was a gardenia encircled with split carnations. Finley Halbrook, of San Antonio, attended the bridegroom as best man.

After graduating from Ballinger High School, Mrs. Washburn has been employed by Stanolind Oil Co. at San Antonio for several years. Mr. Washburn is a graduate of the University of Michigan.

Upon their return from New Mexico they will be at home at 101½ East Lullwood Courts, San Antonio. Mr. Washburn is in the geological department of the Argo Oil Co. at San Antonio.

First Christian Woman's Council Meets at Church

Mrs. Marvin Clark directed the business for the regular meeting of the First Christian Woman's Council, held in the church parlor on Broadway Monday afternoon.

The meeting opened with the

group singing "Trust and Obey," with Mrs. Gene Crawford at the organ. Mrs. Horace Murphy gave the prayer. Reports from the secretary and the treasurer were approved. A box of clothing and cookies will be ready for shipping to the Juliette Fowler Home at Dallas on October 17. Plans for putting on a bazaar in the church parlors on November 30 were discussed. Council members read 12 books and made 17 visits during the past month. The meeting was concluded with the missionary prayer.

Others present were: Mmes. A. B. Stobaugh, Joe Satterwhite, J. R. Lusk, Oscar Pearson, Herman Price, D. B. Crockett, C. F. Bailey and W. F. Atwell; Misses Lula McElroy, Nan Kevil and Lilly Clayton.

November 4 Marriage Date Set for Juanita Lee, James Lee

Mr. and Mrs. Charles Lee, of Maverick, announce the engagement and approaching marriage of their daughter, Juanita, to James Byerl Lee, son of Mr. and

Mrs. Arthur Reed, of Ackley, Texas.

The marriage is to take place at the Church of Christ, Fourteenth and Bryan streets, Abilene, on November 4.

After graduating from Norton High School, the bride-elect attended Abilene Christian College, where she was a member of Rho Zeta Sorority. She will receive her degree in January.

Mr. Lee attended Texas Technological College, Lubbock, and the University of Missouri. He served two years in the Navy and after his discharge enrolled at Abilene Christian College, where he was graduated last spring.

Mrs. Sid Chapman underwent surgery at Shannon Hospital, San Angelo, last week. She has been dismissed and is at home recuperating nicely.

The first newspaper man to serve Texas as lieutenant-governor was Will H. Mayes, of Brownwood, elected in 1910.

Important Amendments Up to November 8

November election of national officers and amendments and the following:

S. J. R. No. 1—
This amendment provides for a prerequisite of a poll tax as a prerequisite for voting by the amendment, passed by the legislature to become effective if the constitutional change is approved, shifts the levy by county commissioners' courts of up to 50 cents as a registration fee, but this fee is optional with the court. The same law requires that a person must register as a member of a political party, a provision which would keep Republicans from voting in Democratic primaries.

S. J. R. No. 2—
A ban which has prevented men from serving on juries, but the legislature is now considering a bill for statutory exemptions for certain circumstances.

No. 3—Annual Sessions, Annual Pay
This amendment provides for \$3,600 annual salaries for legislators and annual sessions for legislators and annual sessions receive \$10 a day for the first 120 days of any regular biennial (off-year) session and \$5 a day thereafter for the duration of the session. When not in session they receive no pay although there are frequent demands on their time and services.

S. J. R. No. 4—Jury Service for Women
This amendment removes the

NEW ATTORNEY GENERAL . . . J. Howard McGrath, Democratic senator from Rhode Island, (center) assures newsmen at the White House that he will accept the post of attorney general of the United States. He had already informed President Truman of his decision to accept the appointment. McGrath said he would resign his seat in the senate and his post as chairman of the Democratic national committee when his appointment to the cabinet office was confirmed by the senate. He fills the vacancy created by Tom Clark's appointment to the supreme court.

allowed until November 21 in order to obtain copies of documents held by the WAA. Larkin is represented by Dallas Scarborough, of Abilene, and the state is represented by District Attorney O'Neal Dandy.

James S. Hogg, elected governor of Texas in 1890, was the first newspaper man to hold the office.

A newspaper was printed at Austin as early as 1839.

Tommie Moreland, of Norton; and Miss Pat Moreland, of Ballinger, went to Austin the past weekend to visit in the home of Mr. and Mrs. Odell Moreland and to accompany home Mrs. Tommie Moreland, who had been visiting at Houston and Austin the past month. Mr. and Mrs. Orvall Moreland and Mr. and Mrs. Frank White, of Houston, also visited in the Odell Moreland home at Austin Sunday.

DOUBLE-HEADER . . . Here is a couple of additions to the Philadelphia Athletics. Lou Brissie, Athletic pitcher, beams as happily as if he had just pitched a no-hitter as he looks over his brand new twins, Ronald and Robert, in a Philadelphia hospital. Wife, Mrs. Dorothy Brissie, looks over the new twosome just as proudly but more modestly than Lou. If the babies take the colic and cry at night, do you suppose the pitcher will issue a couple of walks? Or would you say Brissie now has two strikes on him?

S. J. R. No. 5—Rural Fire Prevention
This amendment would permit the organization of rural fire prevention districts upon a favorable vote of the people in the districts, a tax levy of not more than three cents on the \$100 valuation, and issuance of bonds for the purchase of fire fighting equipment. Rural areas are now practically without fire protection, and areas providing for this protection can expect to get lower insurance rates. Such districts cannot be organized under existing constitutional amendments.

H. J. R. No. 5—Health Units
This amendment would authorize the legislature to provide for the organization of city-county health units (which already exist in many areas) and a levy of a special health unit tax up to 20 cents on the \$100 valuation upon the vote of the people in the city and county affected. Such units must now be financed by cities and counties without any special tax for their support.

A review of the other five amendments will be carried in The Ledger next week.

The second printing press installed in Texas was brought in by Mena, a Spaniard, in 1817.

The Austin Statesman is the second oldest daily newspaper now published in Texas.

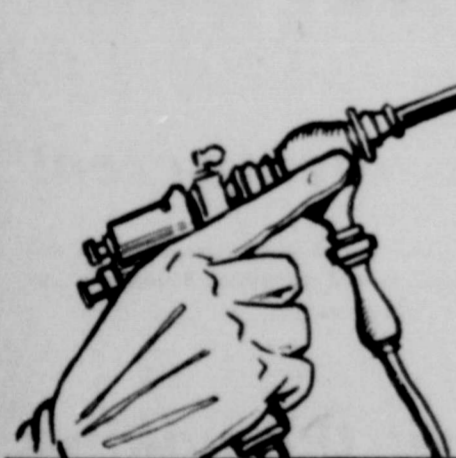

119TH COURT GRANTS LARKIN DELAY UNTIL NOVEMBER 21
A postponement was granted in the trial of E. O. Larkin, former superintendent of the Lake View (San Angelo) school, in 119th district court here Monday.

Larkin is charged with theft by baillee in connection with the purchase of surplus buildings from the war assets administration while employed by the school. Attorneys said the delay was

Denfeld told newsmen all that was sought at the conferences was an exchange of views, and he said the talks were highly satisfactory.

Come to Our SHOOTING GALLERY. With Your Car or Truck Today

YES, here's the only gun in the world with the job of giving life instead of taking it. It shoots fresh life blood into any car or truck—restores, refreshes, brings back youth and endurance to any vehicle.

There are a thousand nooks and crannies of your car or truck where this good gun penetrates. Let there be no dry, orphan spots in that vehicle of yours to trip you up, cause you trouble and expense as time goes on.

With Winter coming on—now is the time to switch your oils and greases and otherwise get your car or truck ready for safe winter driving.

AND SOME OTHER THINGS TO THINK OF

- We'll change your oils and greases,
 - We'll adjust your brakes,
 - We'll tune your engine,
 - We'll scrub and clean you,
 - We'll align your wheels.
- We'll do everything that's needed.

Bearcats Turn on Power In Taking Stamford 46-12

The Ballinger Bearcats continued their touchdown parade Friday night, defeating the Stamford Bulldogs by the score of 46 to 12. It was the fourth straight win for the Bearcats, all by heavy scores. Fans were not left in doubt long as to the results of the game. The Bearcats went to work in the first quarter and chalked up four touchdowns in that period to put the game in ice and start a flow of reserves into the lineup. After taking possession of the ball on the 41-yard line, two plays were all that were needed to make the first score. Spreen hit the line for 10-yards and a first down and Davenport heaved a pass to Winchester who took it near the goal line and stepped over for the last 31 yards and a touchdown. Stamford received, was held for downs and punted to the Ballinger 44 where Merrifield started a dash down the side line which went all the way for the second

score. A pass, Davenport to Parrish, set up the third counter with Spreen going over from the six-yard line. Just before the end of the first quarter, Hallmark intercepted a Bulldog pass and raced 36 yards to tally. Early in the second quarter the Bearcats took their ball on their own 44 and after three first downs, Spreen carried over from the four. The third period was played on fairly even terms until the last play in that period when Spreen broke through center, picked up some downfield blockers and went 55-yards to the goal line. The final Bearcat score came in the last period when Hallmark broke through the line and was off for 48 yards and a touchdown. Davenport added four extra points from placement. Coaches Wayman Wilson and Doug Cox sent the full second and

third strings into the game in the fourth quarter but the younger boys could not hold the power of the Bulldogs and two touchdowns were made in rapid succession. Rasco circled end for the longest run of the game, 79 yards, and scored, and a few minutes later intercepted a Ballinger pass and returned it 53 yards to score. The locals made 12 first downs to 7 for the Bulldogs and the yardage difference was big. The Bearcats looked good on both offense and defense and the passing of Davenport was especially good when the Bearcats resorted to the air.

SPORTS

The Ballinger Bearcats will meet their stiffest competition of the year tomorrow (Friday) evening when the Rotan Yellowhammers come to Bearcat Field to tangle with the local lads. The Rotan team has shown plenty of power on both offense and defense this year. The Yellowhammers beat the Stamford Bulldogs two weeks ago by the score of 19 to 0, and used a large number of reserves.

Water won't stop it!

The beautiful Chrysler New Yorker with Freshomatic Fluid Drive... the simplest of all automatic transmissions.

When others cough and quit... Chrysler doesn't even splutter. Storm—damp—high water—can't faze it! Throw a bucket of water over the engine and you can't stop it. Once again Chrysler brings you the year's most needed engineering feat. The first and only completely waterproof ignition system on any passenger car in America—and it's standard on all Chrysler models! Coil—distributor—wiring harness—spark plugs—everything sheds water like a duck! And mind you... this is only one of 50 stand-out advances this year on the beautiful Chrysler. Better see how they add up to the sweetest driving, best riding Chrysler ever built for you. Visit your nearby Chrysler dealer for an eye-opening demonstration today.

The Beautiful CHRYSLER PRICE MOTOR COMPANY

Last Friday night the Rotan lads defeated the powerful Snyder Tigers by the score of 19 to 0.

The Bearcats will be out for revenge to even the beating they took at the hands of the Yellowhammers last year at Rotan. Ballinger fans who followed the team to Rotan last fall remember one of the best running attacks seen the entire season. Rotan has a number of its 1948 team back, including one of the backfield aces.

The Ballinger junior high team and the Winters juniors tangled in a good first game of the season last Thursday night at Winters and fought to a 0 to 0 tie. A

number of adults followed the juniors to Winters and declared the game a good one all the way. The juniors will be seen in action at home in a number of contests this fall.

The Coleman Bluecats suffered their first defeat of the season last Friday night when the Hamilton team cut them down 27 to 0. The Brady Bulldogs continued their perfect record by whipping Edison of San Antonio 21-6, and the Winters Blizzards capitulated to the Roscoe Plowboys, 39-13. The Ballinger and Brady teams are fast becoming the top contenders in this district and their meeting at Brady on October 21 will be watched with interest.

There was only about a half capacity crowd at Bearcat Field Friday night. It is unfortunate that all conference games are to be played out of town this year, but Ballinger school officials are bringing some of the best class A teams in the state here. The game with the Rotan Yellowhammers should fill the stands, thereby giving the team the financial support it deserves.

Stevens Bros. Circus Billed for October 21

Tom McLaughlin, advance agent for Stevens Brothers Circus, was in Ballinger the past week-end

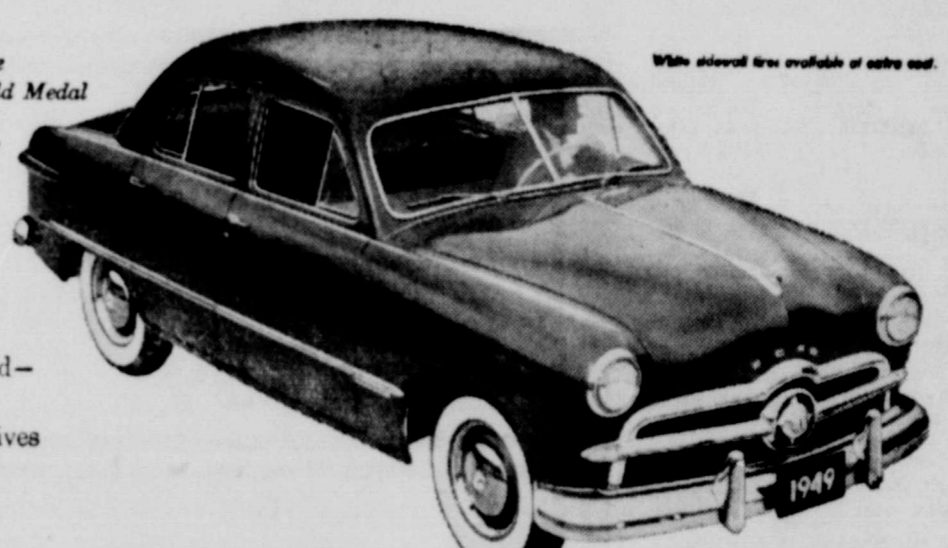

and made arrangements for two performances here on October 21. Mr. McLaughlin stated that advertising trucks would arrive here within a short time to begin a campaign in this section for the Ballinger date.

Arrangements also were made for Dolly Jacobs to have her herd of elephants on the downtown streets at Bradley's Tire Co. at the noon hour on circus day. Children are invited to be there at that time to see the big animals.

Popular prices will be charged by the circus and performances will be presented at 3:00 and 8:00 p. m.
