

# THE BALLINGER LEDGER

VOLUME 64

BALLINGER, TEXAS, THURSDAY, MARCH 16, 1950

NO. 21

## '50 Red Cross Campaign Far Behind Quota Here

At noon Wednesday slightly over \$1,000 had been turned in by local workers in the 1950 Red Cross fund campaign. Mack Young, county fund chairman, stated that two blocks had not been completed in the downtown district and no provisions had been made for work in other sections of the city.

The Ballinger quota for this year is \$2,550 and indications are that the first coverage of the city will net about half the amount needed. Mr. Young said he had experienced trouble in getting workers to assist in the solicitations and for that reason part of the city is still to be covered.

As soon as all assigned territory is worked, a meeting of Red Cross chapter officials will be called to

determine just what action will be taken in an effort to raise the full quota.

Officials pointed out that it was very necessary that the county meet its quota of about \$5,000 this year. If the goal is not reached it probably will cause the closing of the local office and the full-time work here. It also probably will mean that much local charity will have to be handled by some other agency as the 1950 budget was cut as much as possible to take care of all local calls.

For several years the Red Cross has maintained an office here, has looked after local charities and all home service work of the organization.

A number of communities in the county are due to be reported after this week-end.

## Return of Winter Brings Low of 22; Fruit Said Killed

Winter slipped into West Texas Sunday and after a day of frigid temperatures the mercury dipped to an official low of 22 degrees Sunday night. At 7 a. m. Monday the thermometer registered 24 and the high for Sunday was only 39.

The return of winter came at a time when many fruit trees were in full bloom, shrubs and trees had budded and many yard shrubs had leaves and tender growth which were frozen stiff Monday morning.

While clouds rolled low Sunday morning little moisture fell in this part of the state.

The opinion was that a major percentage of the fruit would be killed in the cold spell.

Also hit hard by the cold wave were sheepmen, in the midst of lambing. A number of losses were reported from lambs born Sunday and Monday.

Early gardens were blasted and will have to be replanted.

Topcoats were in vogue the first of the week, most people decking out in full winter garb after many weeks of balmy weather.

## Fingerprints Identify Man Found Dead Here

### 4 Oil Producers Given Allowables Following Tests

The body of an unidentified man was found here Wednesday afternoon near the Colorado River about 300 yards above the Santa Fe bridge. Willie Dabney, local negro, was walking in the vicinity when he came upon the body in a small ravine near a mudhole. He notified local officers and the body was taken to the Newby-Davis Funeral Home, where it is being held.

Charles Key, son of J. N. Key and a fingerprint expert with the department of public safety, flew here Wednesday afternoon from Austin to take the fingerprints. The state headquarters identified the man as Thomas Roy Harris, 44, whose last address known was Pilot Point and Vernon.

Texas Ranger Ralph Rohatsch said Harris had a petty police record and had been under arrest at a number of places. Dr. O. H. Chandler, city health officer, said the burns alone were sufficient to cause death, but the man also apparently suffered from exposure.

The dead man's clothing was badly burned and investigating officers believe that he had built up a fire and gone to sleep. In some way his clothing caught fire and he apparently was trying to get to water when he overcame.

The stranger was approximately 6 feet tall, of medium weight, and a number of local people stated they had seen him here but did not know his name. He carried no billfold or marks of identification of any kind. Several coins were found on the ground around his burned pockets. Undertakers said they believed he had been dead one or two days.

The body will be held here until an order is given for burial.

## 23 Census Enumerators Pass Examinations Here

D. W. Turner, crew chief for the 1950 federal census in Runnels county, met with 40 applicants for enumerators' jobs Monday. The group assembled in the city hall to take the examination and Wednesday morning Mr. Turner stated 23 passed the tests and that he would select 19 to do work in this county.

The enumerators selected will go to San Angelo on March 23 to attend a four-day school. At the conclusion of the course they will be assigned territories in this county and on April 1 will begin actual work. The territories will not be too large and most of the workers will be expected to complete their assignment within a short time.

Mr. Turner went to San Angelo today where he will be in a school for crew chiefs for six days. He stated that he would open an office in the city hall and anyone having business with him or needing information in regard to the census can find him there after April 1. The office is located at the rear of the fire station facing Railroad Avenue.

Runnels county people are urged to cooperate in every way possible with the enumerators when they call. It is important that all information be given in order that the population count be accurate.

## Cats to Start Brownwood Camp Training Tuesday

The Ballinger Cats, local entry in the Longhorn Baseball League, will begin spring training at Brownwood Tuesday, March 21. This action was taken after efforts failed to provide a suitable ground outside Cat Park for training purposes.

A maintainer was employed last week to scrape off a place for a practice field but it developed into a rock pile which could not be made usable without heavy expense. With this situation facing the directors, Brownwood citizens invited the Cats there for two weeks' training and made attractive offers which solved the problem.

A committee went to Brownwood the past week-end to check over the facilities there and looked into the matter of rooms and meals as well as other details. Very reasonable rooms and meals were found and Brownwood officials gave free use of the grounds, which will be put in condition and maintained while the Cats are there.

Tom Penn, sportswriter on the Brownwood Bulletin, and city officials are cooperating with the local management in making all arrangements for the training camp.

Manager "Dutch" Funderburk stated that he would meet pitchers and catchers here Wednesday and work with them for five days. Next Monday the entire group will report here and will limber up on some local field, doing a little throwing and running. The entire squad will leave for Brownwood Tuesday to begin the regular full-day routine of training.

Two exhibition games with the Vernon Dusters will be played at Brownwood on March 25 and 26. The Saturday game will be played at night and the Sunday game is billed for the afternoon. The Cats will return these games at Vernon on April 1 and 2, and a number of other exhibition tilts are being arranged for the first part of April.

The Ballinger management regrets that it is impossible to hold spring training at home, realizing that better interest would be built up for the opening of the 1950 season with the boys training here. They stated, however, that in order to get the grassed field in condition by the opening date, April 11, it would be impossible to use Cat Park before this date.

Good progress is being made on improvements at the local park and grass on the infield was doing nicely the past week-end. The belated freeze is not expected to set the new grass back to any great extent.

## Sealed Bids Asked On All Concessions At Baseball Park

T. J. Mansell, president of the Ballinger Baseball Association, at the order of the board of directors, is asking for bids on two phases of work at Cat Park.

Persons who would like to operate the park concessions are asked to file sealed bids with the club officials by noon Monday, March 20. Bids will be opened at that time for study, the directors reserving the right to reject any or all bids.

Operation of the concessions will include everything sold at the park: cushions, scorecards, eats, drinks and anything else which might be stocked by the operator. Anyone who would like information on the equipment and operations in the past may get same from any of the officers.

The other bid sought is for the advertising space on the scoreboard. This bid must be in by April 1 in order to give time for getting the board painted and ready for the opening of the 1950 season.

The scoreboard will be raised two feet and the advertising space is 2 by 30 feet. Raising the board and lighting it better will make the space more valuable.

## Ballinger's Municipal Water Department Commended Highly

City officials of Ballinger have been commended by George W. Cox, state health officer, for maintaining a good record in the operation of the municipal water department. This referred particularly to the sending of samples of water for analysis to the state health department.

This means much to the water consumers here, showing that Ballinger water has been properly inspected and approved for all purposes each week.

The letter to the city commission was as follows:

"Hon J. W. Moore, Mayor, City of Ballinger:

"In reviewing the accomplishments of various cities in the waterworks field during the year 1949, it has been brought to our attention that your city is one of 9 in the state which has maintained a perfect record during the year from the standpoint of bacteriological analysis of samples collected from the public water supply.

"An announcement will be made of this achievement at the annual banquet of the Texas Water and Sewerage Works Association during the short school for water and sewerage works operators, Wednesday, March 15, at College Station.

"We should like to take this opportunity to commend you and your associates on this excellent record.

The letter is signed by the state health officer, George W. Cox.

## Ballinger F.F.A.s To Have Banquet Honoring Parents

The Ballinger chapter of the Future Farmers of America will hold its annual parent-son banquet tonight at 8 o'clock in the high school cafeteria.

The chapter is preparing to entertain a large number of special guests in addition to the parents.

The chapter has had a good year so far and its accomplishments in the livestock shows have paid well. At the meeting tonight a report on activities will be given and the F.F.A.s will have charge of all phases of the program.

Invitations were received by a number of business men. The bids were extended by the president, Carl Midgley, and the advisor, H. B. Edmondson.

## McMurry President Will Speak Tonight For Methodist Men

Tonight will be "All Church Night" at the First Methodist Church when Methodist Men hold their regular meeting with women of the church as guests.

The group will assemble at 7:30. The ladies are to provide covered dishes of salads and vegetables, and the men serving the meats and other items. The program and banquet will be served in the church basement.

Dr. Harold G. Cook, president of McMurry College, Abilene, will be the guest speaker. Dr. Cook has been receiving statewide recognition for the great work done since he has raised almost two million dollars and built the college to a plant of more than three million dollars in value.

Officers of Methodist Men are extending invitations to all men of the church to be on hand, and Sunday all ladies were invited to be present.

## RABBIT DRIVE ARRANGED AT MAVERICK MARCH 22

Citizens of the Maverick community have arranged a rabbit drive to be held next Wednesday, March 22. Hunters are asked to meet at the Maverick store at 8 a. m. and dinner will be served at the auditorium at the noon hour.

For convenience ammunition is to be sold on the ground and hunters will need to bring only their guns. Everyone is invited to attend.

## BALLINGER BAND TO PRESENT SPRING CONCERT ON APRIL 6

The Ballinger high school band under the direction of O. G. Joiner will present its annual spring concert in the high school auditorium at 8 p. m. Thursday, April 6.

Each year the Ballinger band offers this feature concert and a capacity audience has always been present. Mr. Joiner stated that a more complete announcement concerning the program will be made later.

## 25 18-Year-Old Boys Registered for Draft

The Coleman-Runnels draft board registered a total of 25 eighteen year old boys during February, as follows:

Coleman—Glynn Dale Faries, Horace Childress, Douglas Wayne Boyd, Ernest Rol Eldred, Gouldbusk—Marion Franklin Penton, Walter Forrest Deal, Glen Cove—Gerald A. Todd, Novice—Walter Ray Killingsworth.

## Wayman Wilson Resigns Coaching Post in Ballinger

Announcement was made this week of the resignation of Coach Wayman Wilson as head coach of the Ballinger schools. He will go to Pleasant Grove school, a large class A school on the outskirts of Dallas, where he will begin work next fall as head coach.

Ballinger school officials were not ready this week to make a statement on Mr. Wilson's successor but said they intended to contract a good coach within a short time.

Mr. Wilson came to Ballinger as assistant coach when he completed his studies at Howard Payne College and served for two years with Coach Felton Wright. He left here to become high school principal at Mertzon and then moved on to McCamey, where he resumed coaching.

When Coach Wright accepted a position at Howard Payne College, Mr. Wilson was employed here as head coach and has been with the Ballinger schools the past four years. During that time he has been up in the running and the past two years won the district and this year went one game past the region in the state football race.

The past year his teams won the regional championship in baseball, football and basketball and Bearcat athletes were well represented in other sports.

Pleasant Grove is a fast growing school and within a short time will be large enough to enter class AA.

For the past two years Coach Wilson has been assisted locally by Douglas Cox, who has proven his ability in baseball and football.

Mr. Wilson has been active in many other ways in Ballinger, having membership in a service club and cooperating in numerous civic affairs. He and his wife also have taken an active part in the city's religious life, being members of the First Baptist Church of Ballinger.

## Legion Post Members To See Improvements Made at Clubhouse

The next regular meeting of the Pat Williams post, American Legion, will be held at the clubhouse Tuesday night, March 21, beginning at 7:30. At this meeting an open house program is to be planned for the very near future to which all citizens of this section will be invited.

Post Commander John Bradley stated that carpenters were finishing the last of the work to be done on the interior of the building. A number of doors have been made and hung so that rooms may be closed off from the main center section and the kitchen and living quarters may be shut off by a sliding door.

## GIRL SCOUT BENEFIT SHOW ATTRACTS LARGE AUDIENCE

The New York company presenting "Snow White and the Seven Dwarfs" played here Tuesday evening to a large audience in the high school auditorium. As a result of the performance the Girl Scouts cleared about \$50 to apply on their building program.

## 97,600 Bales Handled By Ballinger Compress

The Texas Compress Co. plant in Ballinger has pressed a total of 97,600 bales this season and will continue to receive cotton for an indefinite period. W. B. Woody, manager, stated today that he still hoped to receive 100,000 bales and that the cotton was in this region but that large numbers of bales were being held by some farmers.

The total to date gives the Ballinger press the biggest year in its history. Early this season Mr. Woody predicted that the local plant would turn out about 80,000 bales and some observers declared he was over-guessing but that total was passed some time ago.

The Ballinger press began full time operation on September 14 and was operated every day until last Thursday, practically six months. During this period a full

## Appraisal, Equalization Of City Property Begun

### Extension Orchardist Hutchison to be Here For Meetings Friday

J. E. Hutchison, extension service horticulture specialist, will spend all of tomorrow (Friday) in Runnels county. Morning and afternoon meetings have been arranged and all orchard men in the county and others interested are invited to be present.

The morning meeting will be held at the C. L. Howell place in South Ballinger. Those who attend will have an opportunity to see first hand how Mr. Howell is carrying on his orchard work. Mr. Hutchison will demonstrate budding peaches and plums, how to work old trees, and will prune peaches, plums, pecans and pears.

The afternoon meeting will be held in the district court room of the budding of peacans and a number of other subjects.

The afternoon meeting will be devoted largely to giving out information on the latest insecticides for the control of melon lice, cucumber beetles, squash bugs and leaf hoppers. A question and answer period will be held to help solve special problems.

The morning meeting will begin at 9:30 and last until 11:30. The afternoon meeting will begin at 2:00 and last two hours.

John A. Barton, county agent, declared that many problems can be cleared up at these meetings for the pecan, fruit, berry and grape grower. He urges every person interested to attend at least one and if at all possible, both the meetings.

Mr. and Mrs. Harry Lynn and Mrs. C. J. Lynn visited in San Angelo Monday.

The city of Ballinger has contracted the appraisal and equalization of all property here, both personal and real. S. L. S. Rawls started the survey Tuesday morning, working in the downtown area. He stated that he found local merchants very cooperative and that he was able to complete work on about twenty firms the first half day.

The work will be continued until all property within the corporate limits has been properly appraised and later equalized as to correct values.

The contract for this survey was signed some months ago. For many years city tax rolls have been almost duplicated from preceding years, the valuations being changed little the past twenty years.

The new survey will provide figures showing the approximate book value of all firms and also put a fair sale value on other property. This will serve for many purposes and will be a great help in arriving at figures when renditions are made, in equalization of values and for other purposes.

## BALLINGERITES BRING IN WELL IN BROWN COUNTY

F. A. Seidel, Leon Thomas and others have brought in a 90-barrel oil well in Brown county. Pay was struck at 1,470 feet and the group has three leases which they plan to develop.

Miss Anna B. Mapes, of San Angelo, is visiting relatives and friends in Ballinger this week.

### Rev. Brooks Takes Pastorate of 7th St. Baptist Church

Rev. E. B. Brooks has accepted a call to the Seventh Street Baptist Church of Ballinger and is now serving as pastor. He and his

Rev. E. B. Brooks

wife and a daughter have moved here to make home. Rev. Brooks has two married daughters, Mrs. LaVerne Hallman, of Lubbock; and Mrs. Billie Crooks, of Wilson. Rev. Brooks was engaged in farming near Winters from 1924 to 1940. After feeling the call to the ministry he entered Hardin-Simmons University, Abilene, to prepare for this service.

Valley View was his first pastorate and he also was pastor at Drasco for three years. He has been working in West Texas for the past three years and comes to Ballinger from the First Baptist Church at Wilson.

Rev. Brooks stated Monday that he had found a hearty welcome from the people of Ballinger. During the three weeks he has served the local church there have been 14 membership additions. There also has been a big increase in Sunday school and training union attendance.

Beginning Monday night, March 19, and continuing through March 24, there will be a training union revival in progress at the church. Soul winning books will be taught to all age groups and the public

is invited to attend. Sessions will begin at 7:30 each evening.

Dr. Frank Turner, former pastor of the First Methodist Church here, visited friends in Ballinger Saturday. Dr. Turner is conducting a special meeting for the Winters Methodist Church this week.

Eggs are an excellent protein food. They are rich in vitamins A and D and also contain vitamin B. They supply iron and phosphorus, both of which are needed to build strong teeth and bones.

The 1940 Texas cotton crop was the largest ever produced in the state—5,900,000 bales. The per acre yield was the best since 1894—264 pounds per acre.

Care and management of your pecan trees is not complete without insect control. Even with the right variety growing in good soil, a pecan crop or the tree itself can be lost from attacks of uncontrolled insects.

### Country Club Rules Changes to be Put In Effect on April 1

Ballinger Country Club directors notified all shareholders this week that "farming out" of stock for the payment of dues would be stopped on April 1. At that time the plan will be followed of issuing associate memberships to people who are not regular residents of Ballinger but who want to use the facilities of the club.

The secretary has been instructed to issue a membership card to each shareholder who has paid his dues in full. Members are asked to carry their cards with them and the keeper has been instructed to ask members to

show their cards when using any of the facilities.

For a number of years owners of stock have turned their shares over to others for payment of dues on what is known as the "farm-out" plan. Hereafter only those who actually own shares, have dues paid in full, or those issued associate memberships, will be permitted in the club grounds.

Considerable improvement has already been made in the property and other work will be commenced in the near future. Officials intend to make the club more attractive and thereby bring greater use of the facilities by the membership.

### Tuberculosis Theme For Lions Program

The Ballinger Lions Club Friday heard technicians with the state mobile X-ray unit here last week and made plans for assisting in increasing interest in the chest pictures. LeRoy Bottle told of the work of the unit which offered a free chest X-ray examination to every person 15 years of age and older.

Mr. Bottle said the picture equipment was purchased and technicians were provided with tax money and that the clinic was not a free proposition. He declared that every person should take advantage of the opportunity for participation in the mass project.

Dr. O. H. Chandler urged Lions to attend the clinic and also do

something to increase attendance. The club voted to place a loud-speaker on the streets Saturday in a last minute appeal to encourage visiting the clinic.

Bob Smith, technician, and Mrs. W. A. Jacob, county health nurse, also attended the club luncheon.

L. C. Adair, club president, urged increased attendance at club meetings.

The first Fiesta San Jacinto was held in 1891.

The first telephone exchange in San Antonio was opened in 1881.

LIQUID OR TABLETS - SAME GREAT RESULTS!

**DDT Has Another Use**

**In Controlling Fleas**

Fleas are appearing in house basements, barns and barn lots in considerable number in many sections, according to the Iowa State College entomologist.

Harold Gunderson, the entomologist, advises controlling them in the home with a 5 per cent DDT oil solution sprayed lightly on basement floors at the rate of a gallon of spray for every 1,000 square feet of surface.

In the farm yard, the recommendation is 2 pounds of 50 per cent DDT wettable powder in 5 gallons of water sprayed on barn floors and around barn lots, using a gallon of spray to 1,000 square feet of surface. Livestock can be sprayed with a mixture of 1 pound of 50 per cent DDT wettable powder in 10 gallons of water. A quart or two of spray should be enough for each animal.

Cats and dogs are the concentration places for fleas and are the ones really responsible for flea plagues. To keep them free of the pests, use a 10 per cent DDT dust, says Gunderson. A level teaspoonful for a full grown cat should be rubbed into the hair of the back from the top of the head to the tip of the tail. Brush out the excess.

A tablespoonful, used in the same manner, will treat a large dog. Applications should be made about once a month.

Gunderson says to spray the beds of cats and dogs when spraying floors in the house.

**Water Borne Disease Now at Lowest Point**

Water borne diseases in general in the United States are now at their lowest point in our history, as the result obviously of the combined efforts of engineering and medical officials over the last half century, states the American Medical association.

The sewage of somewhat more than 50 per cent of the total urban population of the United States is now treated before it is dumped into surface waters, he states, either by what is known as partial treatment or by complete treatment.

The association's consultant points out that "the practice of discharging raw sewage has been continued not only because of the cost involved but because of a variety of complex legal, administrative and fiscal issues. Cost is a significant item in these considerations, but not the only item. Progress in correcting this situation has been materially retarded during the war period and in the present high level costs of labor and materials, in the postwar period."

He adds that "administrative attack on the problem, however, continues at a high level and it may be anticipated that the next 10 years will see billions of dollars expended in correcting the situation."

**New Type of Can**

A new type of can boasting a top that can be taken off and put back on tightly—with all its moisture-vapor proof qualities still intact—is the newest model in the tin can parade. First introduced to house-soluble coffee in four-ounce size, its attractions will undoubtedly lure many other tenants in the dried food and drug line. The convenient new closure has not sacrificed the can's virtue of being tamper-proof, for under the lid is a seal made of moisture resistant paper to be broken by users only. Another new can, a plastic that takes the place of a metal solder for the side seams of cans for certain products such as dry milk, insecticides and waxes, has been introduced. The plastic, invisibly contained in the side seams, makes it possible to lithograph the entire surface of the can, thus eliminating the half inch strip that must remain undecorated when the metal solder is used.

**Palladium Replaces Gold**

Palladium, the precious white platinum metal, is rapidly replacing white gold in jewelry. The fact that this "all-precious metal" retains its white color, whereas white gold, an alloy of a base metal with gold eventually has a yellow cast, is chiefly responsible for the present swing to palladium, craftsmen declare. Palladium is easier on dies and jewelry tools than white gold, and holds diamonds and other precious gems more securely it is stated. Wedding and engagement rings, both in all palladium and in two-tone effects with yellow gold, constitute the present principal use for this metal, which comes largely from mines in Sudbury, Ontario, Can.

**Exploration of Caverns**

The first white man known to have explored the Carlsbad Caverns is Jim White, a cowboy of the locality. This was in 1901. Seeing a dark, moving column issuing from the region, he investigated and found a natural opening in the earth which led down to the caverns. The dark, smoke-like column proved to be alive, a moving stream of bats emerging from their day-long slumbers in the darkness of the caves. His reports of the size and magnificence of the underground chambers led to examinations of the caverns by representatives of the federal government and finally resulted in the reservation of the area for public use and enjoyment.

DEATHS

Frank E. LaMotte, 75, died at the home of his sister, Mrs. J. L. Chastain, Friday at 1 a. m. following brief illness.

Decedent was a pioneer of this section, being the son of the first sheriff of Tom Green county and was the first white child born at San Angelo after organization of the county in 1875. He came to Ballinger with his parents in 1887 and for a number of years was in the grocery business. He served in the army during the Philippine Insurrection, concluding the Spanish-American War.

Funeral services were held at 3 o'clock Saturday afternoon at the Newby-Davis chapel, Rev. B. J. Martin officiating. Interment followed in Evergreen Cemetery.

Survivors include the sister, Mrs. Chastain; three half-sisters, Mrs. Ernestine LaMotte, Galveston; Mrs. Rosemary Patterson, Dallas; and Mrs. Margaret Strebeck, Houston; three nieces: Mrs. C. L. Patterson, Big Spring; Mrs. R. E. Hancock, Fort Worth; and Mrs. J. L. McWhirter, Oakland, California.

HOSPITAL NOTES

Patients dismissed from the Ballinger Clinic-Hospital the past week included:

- Mrs. J. E. Gentry, surgical, Saturday.
W. E. Lee, surgical, Sunday.
Mrs. Marion Hays, surgical, Friday.
Mary Fenwick, surgical, Thursday.
Leon Gibson, surgical, Tuesday.
Dan Woodroof, surgical, Thursday.
Mrs. L. A. Wilbanks and son, Wednesday.
Mrs. Charles Webb and daughter, Saturday.
Reyes Rodriguez, medical, Thursday.
Irene Foreman, medical, Friday.
Wade James, Miles, surgical, Monday.
Mrs. Elna Pena and daughter, Saturday.
G. W. McCrea, Miles, medical, Monday.
Carl Bearden, medical, Sunday.
Ann Wilbanks, medical, yesterday.
Mrs. Norbert Rohmfeld, Rowena, medical, yesterday.

Betty Jean Gallant, medical, yesterday.
Walter F. Adams is a medical patient in the clinic.
Mrs. Fred Pruser, of Winters, who underwent surgery two weeks ago, is reported improving.
A. G. Havlak was admitted to the clinic Wednesday for treatment.

Treat Jennings, of Norton, was admitted to the clinic Friday for medical treatment.
Charles Moonen underwent surgery Tuesday.
Jack Winchester underwent surgery Tuesday.
Mrs. Tex McMillan entered the clinic Saturday for treatment.

TWO NEW EMPLOYEES

FOR UTILITIES CO. Miss Alma Dahmann has taken a position with the West Texas Utilities Co. and has been sent to the Bronte local office, where there was a vacancy.

Miss Netta Faye Bryan also is a new employee of the company, being assigned to the Ballinger local office.

Dr. and Mrs. J. Dexter Eoff have returned from Mineral Wells, where they had been to accompany Mrs. Eoff's mother, Mrs. Roberta Jones, here for a visit.

SOCIETY

Girl Scout Troop No. 6 Making "Overseas School Bags"

The national project for Girl Scouts this year is the making of school bags and packing them for "Schoolmates Overseas." Hundreds of thousands of school boys and girls the world over are without a pencil or box of crayons or a gay new thing to wear. Since we in this country have all these things in comparative abundance, each community is being asked to make and send several of these school bags overseas some time this year.

Members of troop No. 6 under the guidance of their leader, Mrs. J. T. Gregory, have started work on the school bags. The group also worked on their music and dance project.

Virginia Harral was hostess and served ice cream and cookies to Patsy Owens, Auda V. Vestal,

Shelia Ann Gregory, Earlene Caffey and Patricia Mannis.

First Baptist Naomi Class Meets in Blackmon Home

The Easter theme was emphasized in party room and table decorations when Mrs. Cam Blackmon and Mrs. W. A. Jacob were co-hostesses to members of the First Baptist Naomi Class, entertaining in the Blackmon home on Sixth Street Tuesday evening.

Mrs. J. G. Tuckey directed the business and gave the opening prayer. After reports were given by officers and group captains, Mrs. B. J. Martin gave a review of the book, "Real Living Takes Time," by Werner.

Hostesses served pie and coffee. Others were: Mmes. M. H. Morgan, Earl Cope, C. B. Mosely, W. D. Davenport, H. B. Scoggins, Sim Ledford, D. O. Kennedy, W. A. McDonald, E. D. Lovelady, Ted Whitehead, Joe Flynn, W. J. Hembree, P. G. Fuller, and Clyde Gabbert.

Busy Bee Sewing Club Entertained in Gabbert Home

Individual handwork was the diversion of the afternoon Tuesday for the Busy Hour Sewing Club which met in the home of Mrs. Clyde Gabbert on Eleventh Street.

The Easter theme was carried out in decorations and on the refreshment plate when a salad plate was served with coffee to Mrs. B. B. Unsell, J. B. Terry, Ruel Boswell, Dutch Graham, and Miss Anna Belle Hash.

Methodist Friendship Class Has Spaghetti Dinner

Mrs. Gene Keel, Mrs. E. B. Underwood, and Mrs. Ed Curry were joint hostesses at a spaghetti dinner, entertaining members of the Friendship class of the First Methodist Church in the Doss Bible Class room on Tenth Street Tuesday evening.

The St. Patrick theme was stressed in table decorations which included arrangements of ivy and green tapers in single holders at intervals along the linen laid tables. Green cups with candies were plate favors.

Mack Young presided at the business routine and Jack Moore gave the invocation. Following the

dinner games of ping-pong and shuffle-board were played. Mrs. Wylie Hearne, Mrs. Doyle Oliver and Mrs. Walker entertained the group with special piano numbers.

Those present were: Messrs. and Mmes. John McDonald, Doyle Oliver, Tom Adams, Walker, David Logan, Jack Moore, Wylie Hearne, Jack Taylor, Leon Broughton, Mack Young, Clyde Simmons, Bill Hays, Curry Brookshire, Clint Dillion, Ed Curry, E. B. Underwood; Mmes. Keel, Wayne Swift, Ted Tisdale, John Drennan, and Tom Epting.

Presbyterian Conquest Class Entertained in Allen Home

Mrs. Altus Stokes and Mrs. Kathleen Windham were hostesses to members of the First Presbyterian Church, U. S. A., Conquest Class. They entertained in the home of Mrs. Rufus Allen on Tenth Street Monday evening.

Potted primroses, arrangements of yellow jasmine and other spring blossoms were used for decorations in party rooms where Miss Eva Lilly directed the business session, and Mrs. J. C. Jennings brought the devotional.

At the social hour, secret pals were revealed and an informal get-together was enjoyed. Hostesses served a salad plate with coffee. Plate favors were Easter motifs. Others were: Mmes. Harper McFarland, E. S. Malone, Allen, Wesley Wood, Bill Stultz, Aurelia Webb, Alvin O. Rue, Una V. Doose, Misses Frances Routh, Lillian McMillan, Nancy and Frances Stokes.

Brownie Troop No. 4 Meets to Elect Officers

Members of Brownie Troop No. 4 met with their leaders, Mrs. Loyd Herring and Mrs. Sam Conner, in the church parlors of the Broadway First Presbyterian Church for their regular meeting and for the election of officers.

Barbara Browning was elected president, and others serving with her are: secretary, Ellen Herring; treasurer, Pat Bell; and reporter, Rebecca Davis.

Judith Thomas was awarded her Brownie pin. Quiz games were played, and Currijohn Stephens was assisted by her mother, Mrs. Alvah Stephens, in serving cookies and ice cream to Pat Bell, Mary Etta Bagwell, Barbara Browning,

Janet Burger, Karen Conner, Ola Beth Corder, Ellen Herring, Rebecca Davis, Dolores Proffitt, Patty Sweeney, Judith Thomas, Dixie Wilbanks, Judy Ann Lowry, Sue Ann Moore, and Joyce Mize.

First Baptist T. E. L. Class Holds Meeting and Social

Mrs. Emma Speer, Mrs. T. J. McCaughan and Mrs. E. E. Woodson were co-hostesses to members of the T. E. L. Class of the First Baptist Church Tuesday afternoon when they entertained in the Eighth Street home of Mrs. Speer.

Arrangements of purple and white iris gave added beauty to party rooms where Mrs. Woodson presided for the business and heard reports from officers. Mrs. C. J. Lynn gave the opening prayer and also gave the devotional on "Prayer." Plans were made for class projects.

At the social hour, games were played and an informal get-together was enjoyed. The Easter theme was emphasized on the refreshment plate when hostesses served a sandwich plate with cookies, mints and candies with tea and coffee to Mmes. B. C. Kirk, J. W. Bladell, A. F. Brock, M. M. Alexander, Lynn, J. N. Key, H. W. Doherty, F. M. Hale, G. B. Nixon, Lee Butler, and Miss Emma Thomas.

Ballinger Civic-Garden Club in Meeting

Mrs. Elmer Shepperd presided for the business of the Ballinger Civic-Garden Club at the meeting held in the Library club room Tuesday afternoon. The club voted to contribute sand and fertilizer for the Library grounds; also made plans for a pilgrimage to the flower garden of Miss Elizabeth Woolworth, of San Angelo, which will be some time in April.

Twenty-seven members answered roll call and brought various plants which were exchanged among members. The club sponsors this plant exchange each year, and this spring it proved very successful. Over two hundred books were reported read from the local library, and fourteen new books have been ordered for the library shelves.

Mrs. Roy L. Hill, program leader, presented Mrs. Tom Caudie, who discussed "March Garden Work."

and Mrs. Q. V. Miller, who talked on the azalea plant which blooms at this season.

A floral arrangement of irises and daffodils was displayed by Mrs. Shepperd, and Mrs. Bill Clark exhibited an arrangement of rebud.

Birthday Fete for Jack A. Nichols in Home of Sister

On his 70th birthday anniversary, Jack A. Nichols, of San Angelo, who was a pioneer Rannels county resident, was honored with a family-and-old-friend gathering when his sister, Mrs. C. D. Harris, entertaining with a turkey dinner and an all-day affair in her Sixth Street home last Sunday.

Mrs. Emma Naab, a life-long friend of the honor guest, spoke the invocation. Other pioneer Rannels county friends were Mrs. R. A. Dickinson and Mrs. Frank Gressett. Following the turkey menu the pretty birthday cake embossed with "Happy Birthday, Jack," and "1880-1950," was cut and served with ice cream as Mrs. Harris' grandchildren sang "Happy Birthday."

Relatives attending with Mr. and Mrs. Nichols were their daughter, Mrs. Bill Hembree, and children, Elaine and Billy, of San Angelo; his sister, Mrs. E. T. Tickle, of San Angelo; Mr. and Mrs. Milton Harris, of Ballinger, and children, Elwood Harris, Texas Tech student, Lubbock; Glenda and June Harris, Ballinger; Mr. and Mrs. E. T. Branham and children, Zane, Peggy and Joyce, Ballinger; and Mr. and Mrs. Herbert Tickle, of Concho.

Mr. Nichols and friends, who were childhood acquaintances when he lived with his parents at Old Rannels, spent the afternoon in reminiscing.

Mrs. Talbott Reviews Book for Study Club

Mrs. West Talbott, teacher at Junior High School, and private instructor in speech, reviewed Elenor M. Kelly's book, "Richard Walden's Wife" at the regular program of the Fannie Stephens Study Club Wednesday afternoon in the Wilke Terrace home of Mrs. W. O. Irby with Mrs. Billy Brown as co-hostess.

The guest reviewer gave excerpts from the book. The main body of the narrative deals with experi-

ences the Walden family had to undergo during the Civil War. The move from the South to the North revealed what a good woman Aurora Walden was when her husband had to fight for the North, and how the war changed their life and the lives of their children, but she always proved to be a good wife and a good mother.

Mrs. Joe Forester, president, welcomed members and their guests and introduced Mrs. W. E. Elkins, program chairman, who presented Mrs. Talbott. At the conclusion a gift from the club was presented Mrs. Talbott.

Arrangements of rebud and violets decorated reception rooms. Guests were Mrs. F. C. Miller and Mrs. J. G. Douglass, honorary club members; and Mmes. K. V. Northington, Leonard Stallings, Edgar Boelsche, Allen Davis, Powell Wear, Bill Clark, Vernon Dankworth, Max McCrary, Jr., Jack Seales, Orland Middleton, Ted Tisdale, Jack Nixon, Jr., H. W. Ketchum, D. R. Richardson and Miss Curtis Gregory.

Members were: Mmes. Chester Afferbach, Curtis Bryan, A. H. Dallinger, J. H. Endacott, J. Dexter Eoff, Coy Estes, E. Y. Bailey, Joe Flynn, Wayman Wilson, Lloyd Rumsey, W. K. Wheatly, Alvah Stephens, Lee Parker, W. A. McDonald, W. E. Moss, M. H. Morgan, Price Middleton, Elliot Kemp, Forester, Elkins, E. C. Grindstaff, H. H. Hamner, Bill Howard and Sam Malone, Jr.

First Presbyterian Council, U. S. A. Has Fellowship Supper

Approximately 60 were present Wednesday evening when the Women's Council of the First Presbyterian Church, U. S. A., served a three-course menu to the membership at a fellowship supper in the church parlors.

Arrangements of spring blossoms decorated the church auditorium where Rev. Alvin O. Rue gave a talk on "The New Life Movement," which was followed by a sing-song.

Mrs. Harper McFarland, social chairman, was assisted by members of the council in serving the supper in the church parlors, decorated in the St. Patrick theme. Kimbell Wood, of San Angelo, was a guest.

People suffering from alurophobia have an unreasoning fear of cats.

Maybe This is the Year!

A great many people have been saying that—if their luck keeps pace with their dreams—they're going to own a Cadillac one of these years.
If you are among them—and we hope you are—this may be the year. Listen...
... Cadillac has built a great new car, for 1950, that is just as practical to own as almost any car you would consider buying.
It is the new "Sixty-One"—and it is priced lower than the highest-priced models of a number of other cars you would never think of as in the same class with Cadillac.
Furthermore, this new Cadillac will give gasoline mileage which actually approaches that of the lowest-priced popular cars. And

when it comes to long life and upkeep—well, a Cadillac has such endurance that its full lifespan has never been accurately measured.
Yes—from the standpoint of practicality—you've lost about your last logical reason for waiting any longer to buy a Cadillac.
And, oh, the things that say you ought to buy one—right here and now!
Take beauty, for instance. America's streets and highways have never carried a more handsome and distinctive car than the 1950 Cadillac. Wherever it goes, it is an irresistible magnet for admiring eyes.
And then there's performance. Cadillac's miraculous new engine takes you through

space almost as if the car had automatic propulsion. You ride as if every road were a boulevard. Steering and braking are amazingly easy—so easy they seem but response to your thought.
To sum it all up—the farther you can see down the highway, the happier you are—for distance is positively enchanting when you sit at the wheel of a 1950 Cadillac.
And how proud you'd be, sitting there with your hand on the slender, obedient steering wheel... sitting there as companion to the world's most distinguished people—in unrivaled safety and comfort.
Yes—maybe this is the year. Better come in today—and we'd be delighted to see you.

### County Council Gets Reports; New Club Formed at Crews

The Runnels county home demonstration council held its regular March meeting in the office of Miss Ollie Chenoweth, county home demonstration agent, Friday, March 10, at 1:30 p. m., Mrs. B. M. Batts presiding.

All club presidents and delegates were present for roll call. One new club was organized recently at Crews and Mrs. E. W. Bridwell, president, and Mrs. R. L. Craig, delegate, were introduced to the council and the new club was welcomed into the organization.

All clubs reported that they had been following the plans of the new yearbook, holding demonstrations on hooked rugs, copper book-ends, frozen breads and rolls for deep-freeze lockers, preparation of cereals and making Boston brown bread. All clubs had paid their T. H. D. A. fees.

East Side club held a bake sale on March 11, and the Rowena club had a bake sale on February 25, making \$37.

South Ballinger club donated \$5 to the Runnels 4-H girls' club. It also plans a sight-seeing trip to Abilene soon.

The Victory club had a program on "Friends Across the Sea," and Mrs. Pye, who has recently returned from Japan, gave a talk on conditions in Japan, and the needs there. She also displayed china from Japan, and showed how to make Jasmine tea, which was served with cookies.

Several clubs reported the planting of shrubs and rose bushes.

The Olfen club has a new president, Miss Anna Lene Fuchs, who was introduced. She succeeds Mrs. H. E. Halfmann, who resigned.

Mrs. Kirby Robinson gave the report for the council finance committee, suggesting several ways to raise money, such as serving a dinner, having a 42 tournament, holding a bake sale, or publishing a club calendar for

2:00 o'clock through the summer.

Mrs. Harold Routh gave the T. H. D. A. report. She said that the district meet would be held on April 20, at Sewell auditorium, A. C. C. Abilene. Registration will be in the administration building, a fee of 25c to be charged. A box lunch will be available at 85c for those who want to eat there. She said club members could help the inmates of the state hospital at Abilene by sending quilt scraps, embroidery materials, crayolas, color books and other items.

Subscriptions to the T. H. D. A. publication, The Messenger, can be had for 50c for five copies. It was suggested that club libraries be established, one at Winters and one in Miss Chenoweth's office, to encourage more reading among club women. Each club could buy books and donations would be welcome.

Mrs. Batts and Mrs. Smith attended the soil conservation meeting to represent the club women and came to the conclusion that the soil conservation work should be left to the men of the county.

Delegates to the district meeting elected are: Mrs. Harold Routh, East Side, Ballinger; Mrs. J. R. Woodfin, Drasco; and Mrs. Oran Bigby, Bethel. Alternates are: Mrs. Glen Eager, Victory, first; Mrs. Ross Smith, South Ballinger, second; and Mrs. Lee Parks, Friendly Neighbors, third.

**BENEFIT SOCIAL CLUB MEETING ATTENDED BY TEN MEMBERS**

The Benoit social club met on March 9 with ten members present. Each member answered roll call with a new fashion note or household hint. At the business session it was voted to make a contribution to the Red Cross.

Mrs. Green, Mrs. Arthur Pullin and Mrs. Arthur Hoffman gave a demonstration on candy making. Following the demonstration the candy was served with cold drinks to the members and four children.

All members are urged to be present at the meeting on March 23 when secret pals will be revealed and gifts exchanged.

**NORTON HOME DEMONSTRATION CLUB**

The Norton home demonstration club met March 9, in the home of Mrs. D. B. Underwood, with nine members, a visitor, and the home demonstration agent, Miss Ollie Chenoweth, present.

Roll call was answered by giving attractive serving hints. Fourteen trays have been ordered by the members and twelve book-ends are being made at the present time.

Miss Chenoweth gave a demonstration on different ways cereal can be used and the making of Boston brown bread.

The next meeting will be in the home of Mrs. C. O. Sharpes on March 23.

Pfc. Horace H. Henry, of Winters route 1, has recently graduated from the heavy weapons course of the infantry school at Fort Benning, Georgia. Henry formerly lived in Ballinger.

**SERIES OF FIVE SERMONS IS ANNOUNCED BY RUE**

A series of five sermons will be preached at the First Presbyterian Church, U. S. A., beginning next Sunday morning and continuing through the Sunday following Easter. All sermons will be delivered at the 11 a. m. Sunday hour. The dates and subjects are as follows:

March 19, "Jesus is Passing By"  
March 26, "The Transfiguration"  
April 2, Palm Sunday, "There They Crucified Him"  
April 9, Easter Sunday, "The Resurrection and the Life"  
April 16, "The Glorified Christ."

These sermons will deal with the work, crucifixion, resurrection and glorification of Jesus Christ. All members of the church are urged to attend and the public is cordially invited.

Miss Elverie Sorreis and Miss Bart Wade spent the week-end visiting friends in Vernon.

Next to the diamond, the sapphire is the hardest stone.

### Pitchers, Catchers Report for Initial Workout Session

Manager "Dutch" Funderburk met eight pitchers and two catchers Wednesday morning for the first workout of the 1930 baseball season. The first session was held on the junior high school playground on Eighth Street and was concluded at 1 p. m. after high winds interfered with the practice.

The skipper said he would continue to work the pitchers the remainder of the week to get them in condition for the opening of the regular training period at Brownwood next Tuesday. He expected all moundmen to be ready by that time to take their turns at batting practice and also to have their legs in good shape. Much of the morning period yesterday was devoted to running.

In the crowd Wednesday were four porters and four right-handers. Pitchers on hand for the first work were: Bill Perrin, classman; Otis West, Ray Harrison, James Savage, Johnny Newman, Charles Rogers, Satterwhite and Henry Gafford. Catchers working out were Bill Path, James Carroll, and the player-manager.

**WELL KNOWN QUARTET WILL BE HERE SUNDAY**

The Harmony Four Quartet, of radio station KTXL, San Angelo, will be a feature at the singing Sunday afternoon at the Grace Baptist Church. The program will begin at 2 p. m. and the visiting quartet will be heard several times during the afternoon. All singers of this section are invited to attend and the public will be welcome.

Mr. and Mrs. Ernest Moody, of Lamesa, and two sons, Bobby and Eldon, students at Hardin-Simmons University, Abilene, spent the past week-end here, visiting relatives and friends.

### All-Negro Choir Sings To Capacity House In School Auditorium

The internationally famous "Wings Over Jordan" choir drew a full house at the high school auditorium for its concert of spirituals. The group arrived Friday by special bus and made its first appearance in Ballinger to an appreciative audience.

The program, mainly negro spirituals, pleased the audience and the singers were recalled many times to repeat numbers. At present the streamlined chorus has only 12 voices but the volume and solo ability makes it a finished choir.

The choir was brought to Ballinger under the sponsorship of the Ballinger Ministerial Alliance. Rawlins Cherryhomes, minister of the First Christian Church, introduced the singers and local church people took the free-will offering.

**F. A. SEIDEL GETS HIGHWAY CONTRACT IN JONES COUNTY**

F. A. Seidel has been awarded a road contract for 8.2 miles of new highway in Jones county. His bid on the construction was \$64,105. Mr. Seidel stated that he would begin this work as soon as a work order was issued, in about two weeks.

G. A. Swann, Bill May, O. L. Huddleston and J. E. Simco went to Del Rio the past week-end to cross the Rio Grande and do some major fishing in Mexico.

W. O. Wallace, Fred Underwood, Earl Barr and "Dutch" Funderburk attended to business at Brownwood Friday.

Rex Nixon, of Stephenville, was here the past week-end to visit his parents. He was joined Saturday by his wife, who returned here after attending the teachers' meeting at San Angelo.

### Training Union Meeting Sunday At Paint Rock

The Runnels Baptist Association Training Union meeting will be held at the Paint Rock Baptist Church next Sunday afternoon, the program starting at 3 o'clock. Publicity has been mailed to every church in the association.

It was announced that an attendance banner would be awarded to the church with the highest percentage of enrollment present. An efficiency banner will go to the church with the highest general grade the past three months.

Several workers from outside the association, who will help in the simultaneous training union revival, will be present.

The program as outlined is: Song and praise, Rev. Earnest Stewart, Robert Lee. Devotional, Miss Jewell Murrah, Dallas. State contest elimination. Special music, Paint Rock. Inspirational message, Miss Nella Casement, Dallas.

**FOUR-SQUARE CHURCHES WILL HAVE RALLY HERE**

Members from the four surrounding districts of the Four-square Churches will meet with the Ballinger church Monday, March 20, for a one-day rally. The first service will begin at 1:45 p. m. and will be followed by the evening service. A meal, picnic-style, will be served the out-of-town guests at the parsonage.

Speakers from the various churches will be heard and special music also will be provided.

The program is to be arranged and directed by Rev. Ralph Porterfield, of San Angelo, district supervisor, and Rev. C. R. Dunaway, local pastor.

Stephen F. Austin state park, four miles east of Sealy on U. S. 90, is the site of Austin's first Anglo-American colony in Texas.

In ancient times, the pyramids of Egypt were used as tombs of the rulers.

**ACHESON, HOFFMAN PLEAD FOR EXTENDED E.C.A. AID . . .** Secretary of State Dean Acheson and E.C.A. Chief Paul Hoffman asked for \$2,500,000,000 to speed European recovery, block communism and secure world peace by halting Russian aggression before a joint senate-house foreign relations committee. Left to right are Chairman Tom Connally (D., Tex.) of the senate foreign affairs committee, Chairman John Kee (D., W. Va.) of the house foreign affairs committee, Hoffman and Acheson. After the hearing before the committee, the pleas of Acheson and Hoffman were heard by congress.

**CHURCH OF CHRIST HOLDS SPECIAL TRAINING COURSE**

A special training course was begun at the Eighth Street Church of Christ on February 28 and will continue through April 11, with special programs conducted each Tuesday evening from 7:30 to 9:00.

Dr. Frank Pack, teacher at Abilene Christian College, is directing the course, and is assisted by J. D. Thomas, A. C. C. instructor. Mrs. Frank Pack is in charge of the women's department; and Charles Kelly, public school music instructor here, is teaching training of youth in music.

Mr. Pack's course includes "Letters to the Seven Churches," and men's training class. Mr. Thomas' sub-

jects are church leadership and Bible geography.

Members of the local church and out-of-town people have registered for this college training. From out of town are: Mrs. Haywood Stringer and Miss Pinkard, of Bronte; Ruben Stanley, minister of the Santa Rita Church of Christ; Mr. Blake, minister of Fairgrounds Road Church of Christ; Mrs. Blake, Dr. and Mrs. J. J. Reece, Mr. and Mrs. Milton Blanton, Mrs. Ruth Pennington, Misses Florine Payne and Jerrirrene Shook, Rufe Deans, Dover McClelland, Price McQueen, Henry Nunn, W. A. Turner and Jesse Smith, all of San Angelo.

Rags wanted at Ledger office

**C. of C. Committee Giving Interviews For Manager's Job**

The screening committee of the Ballinger Chamber of Commerce will have at least one prospect here for the position of manager this week-end to meet with all committeemen and to look over the local field.

Several interviews have been held and men invited to come to Ballinger to discuss the position. With oil development moving along well and numerous other activities mounting, Ballinger merchants are interested in securing an experienced man for the position. Every effort is being made to make a contact in the near future which will fill the position with a man who can be a leader in securing a number of new industries for Ballinger.

The committee has been promised numerous increases in revenue for the chamber if a suitable man is employed. Several out-of-town

trips have been made to talk to prospects and correspondence is being carried on with others. In the meantime officers are looking after the work with the help of the office secretary.

The installation of guard rails and a pig brooder in the farrowing house may save many a baby pig from being crushed or chilled. Hogs must live and be healthy if they are to be profitable.

SERVICE

IS WHAT WE SELL, YES-SIREE, but have a heart, folks, your neighborhood service station sells OTHER THINGS, too... Ever stop to think the guy that services your tires and keeps you humming down the highway SELLS TIRES, TOO? And without the service station, what would happen to your tires... and did it ever occur to you that your battery wouldn't keep that "he-man" power long if it weren't for his old pal the service station man (HE SELLS BATTERIES, TOO, YOU KNOW)... No kidding folks, you would not buy a suit from one merchant and demand the merchant down the street after it, now would you?!... Your service station man is a darn nice guy, he fills the radiator, cleans the windshield, services the old bus from stem to stern, and when Junior wants his water toys, football or bicycle tires inflated, where does he go?... Junior's smart... it's the corner service station for him... and did you ever hear of anyone starting out on a trip without a FREE map from the service station---in some cases they'll plan a super-duper trip for you free gratis... just a little 'extra' services for those few pennies your service station man gets off of each gallon of gas his trusty pump puts in your car. And how about that wash job! Why a service station wash and polish job would put a mother cat to shame... That's our story, folks, we'll continue to give our customary "smiling" service and help keep you flying down the highway, but HOW ABOUT A BREAK!

BALLINGER SERVICE STATION ASS'N.

Affiliated With Texas Service Stations, Associated

SOUTHBOUND—SANS DIAMONDS... Mrs. Billy Rose (right), who lost some jewelry to burglars, waits with Mrs. Nick Blair, Philadelphia, in Miami for Pan-American clipper to take them on a vacation in Nassau. Mrs. Rose, wife of the showman-columnist, is the former Eleanor Holm, Olympic swim star. Police were searching in the East river in New York for the safe that contained her stolen jewelry and two suspects were in durance awaiting questioning.

"Just what I've been Looking for--"

—To keep my business Records ACCURATE, so that I'll ALWAYS KNOW (no guessing) just where I'm losing money and just where I'm making profit... And so that my Tax Returns will be RIGHT!

THOSE RETURNS MUST BE RIGHT

YOU

MUST file an Income Tax Return. Everyone in business has to. That Return MUST BE RIGHT. Errors cost money, and they can be embarrassing... Do as thousands of business and professional men have done for years. Use The Blackburn System of Records. They are very easy to keep, clean-cut and complete. They save time, make accurate Returns easy, and prevent waste of profit... (Do you know, over one-half of the business failures today are caused by the lack of adequate and clear records?)

BLACKBURN SYSTEMS ARE TAILOR-MADE ESPECIALLY FOR OVER 60 BUSINESSES, TRADES AND PROFESSIONS. APPROVED BY THOUSANDS OF USERS FOR NEARLY A QUARTER OF A CENTURY. We will gladly show you.

**Notice of Proposal to Lease THE STATE OF TEXAS COUNTY OF RUNNELS**  
 YOU WILL TAKE NOTICE that Lillah Sue Doose, Administratrix of the Estate of C. P. Doose, in Probate Court of Nueces County, Texas, has made application to the Probate Court of Nueces County, Texas, for authority to execute an Oil, Gas and Mineral Lease covering the undivided one-third (1-3) of one-half (1-2) of the minerals in and under the following described tracts of land situated in Runnels County, Texas:  
**FIRST TRACT:** Being 24 acres of land out of the T. J. Webb Pre-Emption Survey No. 593 1/2, known as Abstract No. 1357, and patented to the said T. J. Webb on September 25th, 1901, per Letters Patent No. 400, Volume No. 21.  
**SECOND TRACT:** Being 690.8 acres of land, all of Survey No. 398, originally granted to Chas. Elmendorf, by virtue of certificate No. 843, known as Abstract No. 136, and patented to S. A. Maverick, as assignee, on Feb. 7th, 1859, per Letters Patent No. 428, Volume No. 18.  
**THIRD TRACT:** Being 25 acres of land, 5-8-10 acres thereof being comprised out of Block No. 61 and 19-2-10 acres of which is comprised out of Block No. 59, both being subdivisions of Survey No. 395, originally granted to Friedrich Mehrmann, by virtue of Certificate No. 222, known as Abstract No. 379, and patented to said Friedrich Mehrmann on September 25, 1880, per Letters Patent No. 193, Volume 45.  
**FOURTH TRACT:** Being 557-6-10 acres, comprising remainder of Block No. 59, and 160 acres being all of Block No. 60; said Block also

being a subdivision of Survey No. 396, originally granted to Friedrich Brandes, by virtue of Certificate No. 201, known as Abstract No. 31, and patented to S. A. Maverick, as assignee on May 28th, 1873, per Letters Patent No. 123, Volume No. 41; and that hearing on said application will be held in the Probate Court of Nueces County, Texas, at the courthouse thereof, on the 27th day of March, 1950.

**Mansell Brothers**  
BALLINGER AND WINTERS

W. M. U. meeting at the Pecan church west of Robert Lee last Thursday were: Rev. and Mrs. H. A. Schoenrock, Mrs. R. E. Burrus, Mrs. W. H. Schwartz, and Mrs. Chester McBeth.

### ROWENA HOME DEMONSTRATION CLUB

The Rowena Home Demonstration Club met on Wednesday afternoon of last week with thirteen members and four children present.

Mrs. Alphons Wanorek presided at the business session in the absence of the president.

It was decided to entertain the 4-H club girls at a later date. Demonstrations on hot rolls and meatless sandwich spreads were given by Mrs. John Zak and Mrs. Harvey Schraeder and the sandwiches were served to those present.

Mrs. Frank Lammert was in charge of the recreation period.

### EAST SIDE HOME DEMONSTRATION CLUB

Members of the East Side home demonstration club met in the home of Mrs. Jack McAden Tuesday, March 14. It was an all-day meeting and in the morning members worked on a rug for the hostess.

The afternoon was spent in a club meeting and exchange of shadow gifts. Miss Ollie Chenoweth also attended and showed how to make Boston brown bread and two varieties of oatmeal cookies.

The next meeting will be in the home of Mrs. Clarence Routh on March 28.

### MISS CERVENKA HONORED BY COLLEGE FRATERNITY

Miss Jo Cervenka, daughter of Mr. and Mrs. Burnie Cervenka, of Rowena, has been chosen to be a member of the Alpha Chi fraternity at Texas Technological College, Lubbock. This fraternity, a national scholastic honorary organization, is composed of the upper ten per cent of the junior and senior classes. Character, leadership, and personality are stressed by the organization, with the real purpose being to stimulate, develop and recognize scholarship and those elements of character that make for good citizenship.

Jo is also a member of the Future Teachers of America, the Women's Recreation Association, and the Major and Minor Club. She will graduate in January of 1951 with a degree in secondary education and a major in applied arts and a minor in physical education. Upon graduation Jo plans to enter the field of Girl Scout work. She graduated from Ballinger high school in 1947.

The colors in the American flag stand for courage (red), liberty (white), and loyalty (blue).

### CREWS

The Crews Baptist Church will hold its spring revival beginning Monday night, March 20. Services will be in the evening only, commencing at 7 o'clock. The pastor, Rev. H. A. Schoenrock, will do the preaching. All are invited to attend.

Mr. and Mrs. Elvin Bridwell and Mr. and Mrs. Orval Pierce and Bonnie visited Mr. and Mrs. Leon Bridwell and family at Sweetwater Sunday.

Donald Hambricht, Patsy Diets and Claudine Berry are on the sick list.

Mr. and Mrs. Perry Bragg and children visited in the Grafton Brookshier home Sunday.

Mr. and Mrs. Minnis Mathis, of

Yorktown; and Diana and Barbara Foreman, of Talpa, visited Mr. and Mrs. Sam Mathis last week.

Joyce Wood and Marguerite Mathis, of Paducah; and Mr. and Mrs. Melvin Mathis and Jean, of Tuscola, visited Mr. and Mrs. W. C. Mathis over the week-end.

Mr. and Mrs. J. O. Wood hosted a housekeeping shower for Mr. and Mrs. Alfred Coliom, of Dallas, recently. A large number attended and the couple received many nice and useful gifts. Mr. and Mrs. Coliom left Tuesday for a visit with her parents in Louisiana.

Mr. and Mrs. George Harper had as their guests Sunday Mr. and Mrs. Jeff Harper and son, Mr. and Mrs. Maurice Harper, and Mr. and Mrs. Carl Cummins, all of

Abilene. Mr. and Mrs. George Harper visited Mrs. Harper's father at Lubbock recently.

The Wonder Workers Club met with Mrs. L. N. Faubion March 8. Four comforters were tacked and some embroidery work was done for the hostess. The next meeting will be with Mrs. S. D. Faubion March 22.

Sympathy is extended to Mrs. J. W. Brooker and children in the loss of their husband and father. Mr. Brooker passed away at Odessa last week and was buried here last Wednesday.

Mr. and Mrs. Joe Erwin and Jerry, of Kermit, spent Saturday night here with her mother, Mrs. R. E. Burrus.

Those from the local Baptist church that attended the district

### CREWS BAPTIST REVIVAL TO BEGIN MONDAY NIGHT

The Crews Baptist church will hold its spring revival beginning Monday night, March 20. There will be evening services only, commencing at 7:00 o'clock. Preaching will be by the pastor, Rev. H. A. Schoenrock. The public is cordially invited to attend.

"Yankee" comes from the Dutch word "yanku" meaning to snarl.

### BALLINGER CATHOLICS TOP HOUSE OF CHARITY QUOTA

The Abilene district, of which Ballinger is included, was one of three districts in the Dallas area to go over the top in the Catholic diocese House of Charity campaign last week.

Ballinger Catholics topped their quota and more memberships will be acquired this week. Overall figures show that 6,475 Catholics have acquired membership in the

House of Charity by contributing \$50 or more to the campaign. The overall quota for the Dallas diocese is 7,996.

Mr. and Mrs. Buddy Hall and daughter, Rebecca, of Water Valley, visited Mr. and Mrs. Harry Lynn the past week-end.

Buttons were first put on men's coat sleeves by Frederick the Great, to keep his soldiers from wiping their noses on their sleeves.

**Anniversary**

Portrait by Robert Joy  
Courtesy Foley's Houston Tex  
Girl Scouting in the U.S.A.  
will be 38 years old March 12.  
More than a million girls and  
several hundred thousand adults  
make up the membership.

Ballinger Girl Scout and Brownie  
Troops are celebrating Girl Scout  
Week, March 12 through 18, by  
special programs at troop meet-  
ings.

Girl Scouting in the United  
States was founded on March 12,  
1912, by Juliette Low. Today, in  
this country, approximately nine  
out of every hundred girls 7  
through 17 years old are Girl  
Scouts, but hundreds of thou-  
sands more are waiting to be  
members. Girls in our community  
can become members only when  
more men and women volunteer  
their services and support in order  
to strengthen the Girl Scout pro-  
gram and form new troops.

Girl Scout membership is open  
to all girls from 7 through 17, who  
may be Brownie Scouts, Inter-  
mediate Girl Scouts or Senior Girl  
Scouts, depending on age. The  
Scouts choose their own activities  
from varied fields: agriculture,  
arts and crafts, community life,

health and safety, homemaking,  
international friendship, litera-  
ture and dramatics, music, nature,  
out-of-doors, and sports and  
games. They take on more respon-  
sibility as they plan their activi-  
ties with their leaders. Girl Scouts  
learn dozens of worthwhile and  
exciting skills which help them to  
develop self-reliance, broader  
interests, greater appreciation.

Girl Scouts in Ballinger are  
hoping to have their Little House  
ready for a city-wide celebration  
by the last of March. With a place  
to meet which is attractive, acces-  
sible, safe and sanitary, the query  
is posed—why shouldn't we have  
more Girl Scouts, more volunteers  
to serve as leaders, troop commit-  
tee members, sponsors, and com-  
munity back which includes provid-  
ing a meeting place, financial  
aid and camping opportunities?

Troop No. 9, under the leader-  
ship of Mrs. John McGrath and  
Mrs. Jim Elkins, presented a pro-  
gram over KRUN Saturday morn-  
ing in observance of the Girl  
Scouts' 38th anniversary. "America  
the Beautiful" and other songs  
were sung and the Girl Scout code,  
which included the promise and  
the laws, was presented. Taking  
part on the program were: Linda  
Cloninger, Marilyn Mason, Sharon  
Tuckey, Tommye Lou Curry, Pat  
Darby, Jane Wade, Sarah Chand-  
ler, Gale Jennings, Lanell Hol-  
brook, Patsy Lou Ashton and  
Midge Adair.

Brownie Troop No. 4 met at the  
First Presbyterian Church for a  
special program with their leaders,  
Mrs. Sam Conner and Mrs. Loyd  
Herring, who assisted with activi-  
ties and games.

Dixie Wilbanks and her mother  
served ice cream and cookies fol-  
lowing the meeting to: Barbara  
Browning, Karen Conner, Pat Bell,  
Dolores Proffitt, Ellen Herring, Ola

**It's the  
Great American  
Habit**

Flipping switches is The Great American Habit. Even children have it. And it's a habit that has given America the world's highest standard of living.

In the home, electric service is just about the smallest item in the budget, what else makes life so easy, so healthy, so comfortable?

In industry, electricity lends the employee the strength of giants. Electric motors multiply his muscular strength by dozens or even by thousands—making it possible for him to produce more, better, faster—to earn more.

Electricity is certainly a vital part of our American life yet, oddly, this country spends less than 2% of its vast income for electric service. Such a bargain in efficiency didn't happen by accident, of course. Business-managed electric industry—progressed and expanded because of investors with faith and vision, employees with skill and experience.

There are still broad fields of electric living yet to be tapped. Business men can do the job better than tax paid bureaucrats. That's always been the secret of America's progress.

**West Texas Utilities  
Company**

Meet America's  
Top Truck Values!

**NEW CHEVROLET P-L  
ADVANCE-DESIGN  
TRUCKS**

**Performance Leaders**

**Most Powerful Chevrolet Trucks Ever Built!**

New Chevrolet trucks put business in "high gear" with stepped-up power and performance. Improved Thrift-Master Valve-in-Head engine features greater horsepower and finer performance with new "Power-Jet" carburetion. Entirely new heavy-duty power plant—the Load-Master 105-h.p. Valve-in-Head engine—provides greater pulling power... cuts down total trip time in heavy hauling.

**Payload Leaders**

**Cost Less to Operate Per Ton Per Mile!**

Chevrolet P-L trucks are built to withstand the hard-pounding of the roughest roads and thus minimize repair bills... cut losses due to "lay up." They reduce total trip time with high pulling power over a wide range of usable road speeds... let you deliver the goods at low cost per ton per mile!

**THE POPULARITY  
LEADERS**

Ahead with more Truck Users by 2 to 1!

No doubt about America's choice when it comes to trucks. For the last twelve-month period, Chevrolet trucks outsold the next two makes combined! Yes, truck users themselves provide the proof of Chevrolet truck superiority by their own endorsement. And that's evidence of a clear-cut sort that Chevrolet trucks are your best possible purchase. Compare them, feature for feature... value for value. Compare—and you'll know why Chevrolet trucks are the world's fastest selling make! Come in and see them today.

**Price Leaders**

**First For All-Around Savings!**

From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.

**AHEAD with all these  
Plus Features**

• TWO GREAT VALVE-IN-HEAD ENGINES: the new 105-h.p. Load-Master and the improved 92-h.p. Thrift-Master • THE NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-ARTICULATED BRAKES • WIDE-BASE WHEELS • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING • UNIT-DESIGN BODIES.

**Ray Fuqua Chevrolet Co.**

.....  
• **FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB**  
.....  
Mrs. M. A. Dusek was hostess to 21 members of the Friendly neighbors home demonstration club Friday afternoon, entertaining in her new rural home.  
When members answered roll call they presented plants they had brought for the plant exchange. Mrs. Merle Taff directed the singing of "The Song of Peace." Mrs. B. W. Smith treasurer, gave the financial report, and the club voted to adopt England as the foreign country study. Mrs. Chester Barnett directed two contests, "Trade Marks," and "They Go Together."  
Mrs. Johnnie Wessels and Mrs. John Duke gave a demonstration on frozen breads and rolls and  
how to bake them for deep freeze lockers. They also gave sweet dough recipes for making cinnamon rolls and coffee cake, and recipes for making cheese sandwich filling, and several sweet sandwich fillings suitable for the deep freeze. Clover leaf rolls which had been made for demonstration were served. The hostess also served a sandwich plate with cookies, mints and salted nuts with coffee at the social hour.  
The next meeting will be held in the home of Mrs. B. W. Smith on March 24, at which time Miss Ollie Chenoweth, county home demonstration agent, will give a demonstration on making Boston brown bread and the preparation of cereals.

### Tracy, Stewart, Greenstreet and Valentina Cortesa in 'Malaya'

Spencer Tracy, James Stewart, Valentina Cortesa, Sydney Greenstreet, John Hodiak and Lionel Barrymore have the top roles in M-G-M's thrill-loaded story of action and adventure in the Far East—"Malaya," to be presented at the Texas Theatre Sunday and Monday, March 19, 20.

"Malaya" brings to the screen one of the most daring adventures ever told, the story of two men who put their lives at stake, one for gold and a girl; the other for his country. Tracy, as Carnahan, tough, fighting, soldier-of-fortune, last scored in "Edward, My Son." Stewart, playing the foreign correspondent, Royer, who prefers

danger to a scoop, comes to the picture direct from his outstanding success in "The Stratton Story." The much sought-after feminine lead was assigned to Valentina Cortesa, following tests of several prominent actresses. The role of the native girl marks the second American film appearance for the glamorous Italian star who has scored abroad in 22 pictures and who is now hailed as one of Hollywood's outstanding "imports."

Greenstreet has a very intriguing role as "The Dutchman," John Hodiak plays a government agent; Barrymore is cast as a powerful newspaper publisher. Roland Winters and Gilbert Roland head the supporting cast.

High spots of "Malaya" are the romantic scenes between Tracy and Miss Cortesa, and the spectacular jungle scenes in which Tracy and Stewart lead native guerrilla forces in a dangerous mission to smuggle vital raw rubber through the Jap occupation zone.

"Challenge to Lassie," to be shown at the Texas tomorrow and Saturday, reunites Lassie with Edmund Gwenn, Donald Crisp and Reginald Owen, the trio of top M-G-M actors with whom the popular collie star scored in "Hills of Home."

In the story's romantic angle pretty Geraldine Brooks and Ross Ford are the principals, while featured supporting roles are portrayed by Alan Webb, Alan Napier, Henry Stephenson and Sara Allgood.

Rags wanted at Ledger office.

### 'Dancing in the Dark' Tells Inside Story Of Rise and Come-Back of Movie Stars

William Powell, Betsy Drake and Mark Stevens in 20th Century-Fox's new Technicolor comedy-drama with music, "Dancing in the Dark," is the mid-week attraction at the Texas Theatre, billed Tuesday, Wednesday and Thursday, March 21-23.

In the picture, described as one of the most authentic of all the movies that have dealt with Hollywood itself, Powell plays a has-been star, Emery Slade, who hits the come-back trail through mentoring a young starlet for the lead in a major production.

Opposite Powell, Miss Drake has a strikingly dramatic part, opposite Stevens, a gaily romantic one. And in her picture-within-a-picture sequences, Miss Drake sings and dances a handful of sparkling and familiar tunes.

"Dancing in the Dark" also offers a prominent part to Adolphe Menjou; while Jean Hersholt and Sid Grauman play themselves in the film. Others in the cast are Randy Stuart, Lloyd Corrigan, Hope Emerson, Walter Catlett and Don Beddoe. George Jessel is the producer.

### Wakely Western and Prize Ring Thriller On Palace Twin-Bill

Fast action and intrigue on the western frontier are the plot components of "Lawless Code," starring Jimmy Wakely, and to be shown at the Palace Theatre Friday and Saturday, March 17, 18, in conjunction with "Duke of Chicago," prize-ring story.

"Cannonball" Taylor is Wakely's side-kick in "Lawless Code," and

the leading feminine role is portrayed by Ellen Hall. Other players are Riley Hill, Tristram Coffin, Myron Healey, Kenne Duncan, Bud Osborne and Steve Clark.

Tom Brown enacts the title role in "Duke of Chicago" with all the skill and charm of a veteran, and blonde and lovely Audrey Long contributes strongly as the girl

who believes in her man despite anything that happens to him.

### Tropical Romance Next at the Runnels

A pulsating dramatic story set against a background of swaying palms, moonlit tropic nights and smart Florida gold coast decor, is "Night Unto Night," the Warner Bros. picture starring Ronald Reagan and Viveca Lindfors, to be shown at the Runnels Theatre

## A word to the wives..

### More egg-money using Swift's Foods for Poultry!

To boost poultry income, plan a complete feeding program. Build better egg producers right from the start. Begin with Swift's Chick Starter Mash. ## Price Texo Feed Store

See your Authorized Swift Feed Dealer today!

Sunday, Monday, Tuesday, March 19, 20, 21.

Reagan, who played a comedy role in "John Loves Mary," plays a chemist who arrives in Florida for some quiet only to run into the mysterious beauty of Viveca Lindfors, the Swedish star who recently played opposite Errol Flynn in "Adventures of Don Juan." Tension mounts quickly when the sister of Miss Lindfors, played by Osa Massen, enters the romantic picture which reaches a climax in a driving tropical hurricane.

The natural setting for the drama, usually reserved for gay musical comedies, lends a unique aspect to the story. The picture, from the novel by Philip Wylie, was directed by Don Siegel, former national tennis star, now a Hollywood director.

Goldfish originated in China.

SCALES IS COMMENDED ON "STROMBOLI" STAND

Jack Scales, manager of the Texas, Palace and Runnels theatres and Hillcrest Drive-In, has received a number of letters commending his stand on the picture "Stromboli." Mr. Scales said some time ago that the picture would not be booked in theatres under his management.

The letters received are from individuals and groups, all commending him for the announcement. Mr. Scales stated that he wished to acknowledge the letters and add that the showhouses under his management would continue their policy of bringing only clean and wholesome entertainment to the community.

Shaving was originally a protective measure since long beards were easy for opponents in combat to seize.

# Fashion-right as CHECKS for Spring

Spring fashions for ranges? Of course! Kitchens of today are a haven for fashionable ideas—trends and innovations that tell as much about you as does your wardrobe.

Leading designers of GAS ranges know this, and have given 1950 models styling as fresh and new as the designer-approved CHECKS you now wear.

One of these new GAS ranges fits your idea of the perfect range—for GAS ranges alone offer a choice of hundreds of models, at hundreds of prices.

You'll like the idea of automatic operation. Automatic GAS ranges create extra time for leisure—time you've never had before.

See the range of this season—the range of every season—today. A 1950 GAS range.

Flame cooking gives you advantages that count: Uniform baking and roasting—Gas ovens are ventilated for fresh-air circulation. Real broiling flavor—without smoking. Flexibility—flame alone is so responsive to your every cooking talent. Dependability. Economy. In short, the results you want at prices you can afford.

**GAS cooking is cheaper 4 to 7**

**LOCAL TEACHERS ATTEND DISTRICT CONVENTION**  
 All members of the Ballinger school faculty, except a few who were ill, attended the convention of the Mid-Texas Educational Association at San Angelo the past week-end. Friday was a holiday for students in the Ballinger schools. This was arranged so all teachers would be free to attend the district meeting.  
 Supt. Ernest Caskey said the meeting was one of the best ever

held with outstanding speakers on the program.

Mrs. Joe Forman and daughter, Mary Jo, joined Mrs. Ross Causey and children, of Coleman, Friday for a week-end trip to points in East Texas, where they visited relatives and intended to tour the

dogwood and redbud trails but were unable to because of ice and rain. They returned home Monday.

Gainesville is called "the city of 100,000 trees."

"Fan," meaning an enthusiast, comes from the word "fanatic."

SMOKE SIGNALS

IN the early days of America, communication was by smoke signals. It took a lot of fire and a lot of smoke to talk to your nearest neighbor.

TODAY your newspaper brings you news of your community, as well as the world, as soon as it happens.

**WEST TEXAS  
NOTES**

The city commission has made a good move in the purchase of a new street sweeper. For several years dust on the downtown streets has been difficult to remove with the old broom sweeper and much of the dirt found its way into stores. Merchandise has been damaged and it has been no asset when customers were met with blowing dirt along the streets. Soon the pavement will be swept several times until it is clean. After that new parking lines will be painted on the pavement so that drivers may be guided to the correct angle. This will make more room and save many fender dents. Business people appreciate this service provided by the city.

Runnels countians are being asked to contribute to the 1950 fund for the American Red Cross. Workers assembled here last Friday to receive their supplies and instructions for the campaign in this county to raise approximately \$5,000. There is some criticism of the Red Cross, especially for what happened during World War II. Expanding to meet the needs of

A contract was signed at Brownwood last week transferring Daniel Baker College to the Dallas diocese of the Episcopal Church and the institution will become the only Episcopalian college in the Southwest. Southwestern University, Georgetown, will continue operation of the school until June 1. Daniel Baker was established

12,000,000 men, some mistakes possibly were made, some methods were inefficient and some methods ordered by the military were not to the liking of men in the service. These mistakes are admitted—but on the other hand the Red Cross' blood plasma program was worth all the service cost. Prisoners of war who received Red Cross boxes of food and other necessities and who depended upon the organization for incoming and outgoing letters praise the organization's work and are willing workers when called on to help raise funds. The Red Cross performs a big task in peace or war and any group so big will not please everyone. Citizens of Runnels county have not been called on in many years to contribute to public charity and unless the Red Cross did this work such a fund would be necessary. When you hear the criticism, remember some of the good that has been done, and help raise the 1950 quota.

Car owners have the remainder of March in which to secure their 1950 number plates and put them on their cars. Plates have been here several weeks but only a few automobiles are seen bearing the new numbers. It requires considerable time to register a car and issue the numbers, so help the employees of the tax collector's office by getting your plates at once, thereby helping to eliminate the last minute rush.

In 1881 and for many years was a Presbyterian, U. S. school. The Methodists took it over in 1946 and operated it to date. The Episcopalian will make an announcement in the near future on their plans for opening in the fall.

Texas Cruce Co. No. 1-Burton in Comanche county has been gauged at 134 barrels a day. The well is producing 40 gravity crude from a depth of 2,580 feet. The discovery started leasing in the area, one block bringing a record of \$75 per acre. Another test was staked by the Glass Oil Co. the past week-end.

The Stamford American Legion post was host last Saturday and Sunday to the spring convention of the 17th district. John Ben Shepperd, secretary of state, was the main speaker at the memorial service Sunday morning, for both Legion and Auxiliary members. The groups held separate business sessions in the afternoon. A stag party, a dance and other entertainment features were provided Saturday.

Eastland County Livestock Association members spent last Saturday on a tour of the county. The group visited a number of ranches for inspection of cattle and sheep. Stops also were made to look at dairy herds and hogs. M. E. Fry, of Cisco, was host to the stockmen for the noon meal at his Mitcham ranch.

The Coleman city commission has before it a request from the Southwestern States Telephone Co. for an increase in rates of about 23 per cent. No definite action was taken on the proposition last week but Mayor R. E. Murphy invited newspaper reporters to attend the next meeting of the commission when further consideration will be given. When the rate increase was first sought, members of the commission suggested improved service as a requirement before granting

**NOW IT'S YOUR TURN TO BLOSSOM OUT**

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening

YOU'VE seen it happen with the family down the street, the friends across town, the folks you went to school with.

They started out, as most folks do, with a car of modest size — and still more modest price.

Maybe they moved themselves up a bit, step by step, to the top-bracket models in that particular price range.

Then they discovered something.

It doesn't cost much more — sometimes no more — to really blossom out in a Buick.

It's not such a long stretch to take command of a great-hearted valve-in-head

straight-eight — to move into the room and restfulness and steady going of a Buick — to cloak yourself in styling that's today's height of highway fashions.

You can know the good, satisfying feel of a Buick wheel in your hand — you can have the gentleness of soft coil springs on all four wheels—you can revel in the handiness of cars that are big in room and big in repute, yet traffic-sized and easy to park and put away.

Maybe—who knows till you inquire?—you can manage the magic silkiness of Dynaflow Drive,\* in all its 1950 perfection — of a certainty you'll find the model that's twin to your heart's desire among the many choices Buick gives you for 1950.

So why not make this your year to blossom

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

out in a Buick, as so many have before you? Why not find out the dollars-and-cents story of Buick — it even includes some very happy figures on gas economy — from your own Buick dealer?

See him now, will you — and help yourself to some real fun this season!

**Buick alone has Dynaflow—**

**and with it goes: HIGHER-COMPRESSION**  
Freeball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with bumper-guard grilles, taper-through fenders, "double bubble" tail-lights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with body by Fisher.

It's SPRING JUBILEE TIME with BUICK!

Your Key to Greater Value

When better automobiles are built BUICK will build them

pump water for irrigation. The population of Menard was boosted by 180 last week when workers on a Humble pipeline extension arrived with their families. The Morrison Construction Co., contractors, has set up headquarters at Menard. The crew will be in Menard county about 60 days and is spending approximately \$100,000 a month. After this section of the line is built the crew will move to Mason to continue the work.

The annual meeting and banquet of the Brady Chamber of Commerce is scheduled April 6 in Fellowship Hall of the First Christian Church. John Ben Shepperd, recently appointed secretary of state, will be the principal speaker. A feature of the program will be the awarding of the distinguished service award to a Brady citizen for his public service during the past year. Delegations from a number of neighboring cities will attend.

At a recent meeting of the Dublin school officials an order was presented and authorized for the erection of 1,500 steel seats at

the high school football field. Cost of the installation is \$6,500 and the seats will be in place by the opening of the 1950 season. School officials said 1,000 of the seats would be on the home side of the field and 500 would be on the visitors' side.

Stephenville citizens are preparing for two elections the first week in April. Three school trustees are to be named on April 1, two retiring trustees seeking reelection and another to be elected. The election to name city officials will be held on April 4 and seven men have already announced for the four places.

All Miles civic organizations cooperated in a city-wide clean-up campaign Tuesday and Wednesday of this week. The special event was well planned and free hauling was provided for all trash collected. As soon as the clean-up is completed a spraying program will be initiated to keep down disease in that community during the spring and summer. A warning from the state health department urging all towns to "clean up now before it's too late" caused the Miles forces to get busy in an effort to prevent an outbreak of polio.

To Relieve Misery of

**COLDS take 666**

LIQUID OR TABLETS—SAME FAST RELIEF

*the cathartic habit*

Too many people are influenced by stories concerning "intestinal cleanliness" or "stimulating the flow of bile." Many cases of simple constipation do not require a laxative at all, but only a minor change in diet and habit.

The habitual use of cathartics is dangerous. Such misuse is often followed by chronic ill health. Strong laxatives are particularly dangerous when taken to relieve abdominal distress. The source of the pain should always be accurately determined by your physician. The safe procedure is to consult him. If a laxative is needed, he will prescribe a safe preparation with proper instructions for dosage. Then bring your prescription to us for expert compounding.

## 20 Demonstrations In Winter Grasses Planned for County

John A. Barton, county agent, suggests that March is a good time for ranchmen and stock farmers to make a check up on their places and see what grasses cattle and other stock had to eat during the past few months.

Winter grasses are found in two classes in this section, annual and perennial, most of those growing now in the county the annual kind. Most of these grasses will be found in mesquite flats, along ravines, creek and river bottoms or on the better types of soil. For this reason the agent stated that this is a good time to find out where these grasses are growing.

Some recent experiments gave a high rating to Texas rescue 46 as the highest yielder for any winter grasses. The air dry forage yield of 5,225 pounds per acre led the next best rival ten winter which produced around 3,941 pounds per acre.

Texas rescue 46 grows similar to other winter grasses but is more vigorous with stem erect 2 to 4 feet high and produces large open heads. Leaf blades are 8 to 12 inches long and 1/2 an inch wide. The growth starts with fall rains and continues through the winter, maturing late in May or June. The main advantage over this grass and small grains and rye grass is its dependable habit of reseeded and voluntary regrowth from year to year.

This grass seed should be planted in August and the Runnels county farm agent's office

**BURIAL INSURANCE**  
for \$100 to \$600

See us for complete information

**Newby-Davis Burial Assn.**  
Ballinger, Texas

will assist in securing seed for those who want to get it started. A goal of 20 Texas rescue grass demonstrations has been set up for 1950. Any person interested is urged to place an order for seed early. The seed price is reasonable and only a few dollars will establish the grass on a suitable place.

Reports made by local workers revealed the most pressing need was to sell signs and box seats. It was pointed out that this money would be needed to pay spring training expenses, and in order to keep the club out of debt to open the season it would be imperative to sell all signs and boxes. A number of fans volunteered to give time this week to the sale of these two items and every effort will be made to complete the job and have the money in the bank to start spring training.

### Baseball Officials and Fans Consider Work Urgent at This Time

Officers and stockholders of the Ballinger Baseball Association met last Thursday night at the city hall to hear reports and make plans for work that needs to be done at once.

Skipper "Dutch" Funderburk gave a short report on prospects for the 1950 Cats and stated that he was well satisfied with material from which to build a club that could hold its own in the Longhorn League. He was high in his praise of some twenty rookies to report this week-end for try-

outs. Good progress is being made on improvements at the field. Grass on the infield is up and growing good, the outfield has been planted and water is being sprayed on the ground daily.

Plans for spring training were discussed but no action was taken Thursday night. A committee was appointed to go to Brownwood to look over facilities there and check on rooms and board for the spring training camp.

John Wanamaker originated the saying: "The customer is always right."

**HEALTH,**  
too, may be hard to hold

• Have you found Health as elusive as—well, as a greased pig? Are you limping along on a not-quite-sick-enough-to-be-in-bed basis? Well, then, you need help. And there's every reason why you should have it. Go to see

your doctor right away. Let him bring to your aid the new techniques and medicines of our modern age. Follow his counsel, too, by bringing prescriptions to this professional pharmacy. You are assured of skilled service, fresh potent drugs and prices that are right.

### Eggs Top Protein Food Says A. & M. Nutrition Expert

COLLEGE STATION, Mar. 15.—Eggs are an excellent protein food. They are rich in vitamin A and this makes them a good body building food. The vitamin B helps to promote good digestion and egg yolks are one of the richest sources of vitamin D. You get all of this and more, and it's all done up in one neat package when you eat eggs, says Lucille Shultz, associate extension foods and nutrition specialist of Texas

A. & M. College.

She says right now eggs are one of your best buys. They are cheap. The supply is abundant and next to milk are the most important protein food you can use in the diet for the growing child. Besides the vitamins, they contain iron which is a body builder and the phosphorus helps make strong teeth and bones. The appetite appeal of colorful egg dishes, she points out have no age limit—from baby to grandad. Eggs make fine dishes for breakfast, dinner or supper and should be served every day.

Miss Shultz says the growing child should have at least one egg every day and that adults should

**SCOREBOARD**

This space is 2 by 30 feet. The scoreboard will be raised two feet higher.

File your scoreboard bid by April 1.

**Ballinger Baseball Club**

**INSIDE WRECKED CAR . . .** Workers inspect inside of car of one of the Long Island trains that was involved in a head-on collision at a main intersection at Rockville Center, N. Y. More than 30 persons were reported killed in the wreck and approximately 100 were injured. Two independent investigations of the tragedy were started. The crash, worst in New York city's commuter history, occurred a block and a half from the Rockville Center station. An eastbound train from New York City struck the westbound train head-on. Rescuers had difficulty in freeing the mangled bodies from the wreckage.

J. O. Satterwhite, Mrs. J. R. Mackey and Mrs. H. H. Hammer were hosts and served a refreshment plate. Others were: Messrs. and Mmes. J. M. Williams, H. O. Campbell, Henry Moody, George M. Beard; Mmes. George Newby, R. D. Midgley, Rachel Boswell, John Marie Frank, M. A. Foy, Frances Zedlitz, Rama Saunders, Allen Davis and Inez McEntire.

### Canary Brownie Troop Meets in Barnett Home

Twenty members of Canary Brownie Troop and a visitor, Jane Woods, met in the home of their leader, Mrs. Wallace Farnett, for their regular meeting and to celebrate Girl Scout Week.

After the flag pledge and the Brownie pledge were made, three new graces before meals were

learned. Mrs. Rex Cook read stories from the book, "How and Why."

Jim Beth Flynt was hostess and served refreshments. The next meeting will be in the home of Mrs. Arch Brookshier with Lee Brookshier as hostess.

### Baptist Rachel Class Entertained in Bailey Home

Mrs. E. Y. Bailey and Mrs. Franklin Heath were hostesses to members of the First Baptist Rachel Class last Thursday evening, entertaining in the Bailey home on Third Street.

Spring blossoms and pot plants gave added beauty to rooms where Mrs. Joe Forester directed the business and heard reports from officers and group captains. Mrs. S. E. Cloninger gave the

opening prayer, followed by a vocal trio by Betty Cloninger, Theresa Elkins and Carol Ann Bailey, who sang "Near to the Heart of God," with Mrs. Cloninger playing the accompaniment. Mrs. Stanley Price brought the devotional. Members gave a contribution which will be used for buying books for the church library, this being the class project for March.

Hostesses served date cake topped with whipped cream and coffee. Others present were: Mmes. Paul Kirk, Pauline Fragua, Fred Moncrief, C. R. Moore, M. H. Morgan, Cochran, W. C. Howard and Dick Lowery.

### Miss McElroy Hostess to Christian Women's Council

Miss Lula McElroy entertained members of the Women's Council of the First Christian Church Monday afternoon in the Broadway home of Mr. and Mrs. R. E. George.

Mrs. Marvin Clark directed the business period and gave the prayer and devotional, "Thy Kingdom Come." A dialogue, "We are so Glad You are Here," was presented by Mrs. J. W. Longenette and Mrs. Herman Price. The program was concluded by the missionary benediction.

The hostess served a refreshment plate to those mentioned

and to: Mmes. A. B. Stobaugh, J. O. Satterwhite, Oscar Pearson, J. R. Lusk; and Miss Lilly Clayton.

According to surveyor's measure 36 square miles comprise a township.

The Olmos dam, San Antonio, was built in 1925-26 and cost \$1,571,000.

So far as the constitution is concerned, a woman can be elected to the U. S. presidency.
