Fans Plan Bolstering Club And Finances for Season

Directors and stockholders have held a number of meetings this week to make plans for improving the player roster of the Ballinger baseball club and to secure finances for operations the entire season.

At a meeting in the city hall Monday night a large number pledged to help underwrite the club for the entire season and committees began work Wednesday getting more assistance so that operations might continue and the team be bolstered at once.

In a directors' meeting Tuesday morning T. J. Mansell resigned as president of the board. This resignation had been handed to the secretary some time ago but no action was taken at that time because full attendance was not present.

Mr. Mansell stated that he would like to be relieved as head of the organization but pledged his full support to the development of better baseball here. He has

worked hard for the past two years to retain baseball in Ballinger and has done more than any other one man in rebuilding the park and assembling a team last year and this. He will remain on the board of directors and will handle assignments as in the past.

For the present J. R. Lawson, vice-president, will head the board. A nominating committee, composed of Bill Moore, Sam Behringer and Troy Simpson, was appointed to make a recommendation to the board for a new president.

Several new players arrived here Tuesday and others are due in today. These men are expected to add strength to the Cats and negotiations are being made with clubs of higher classifications for option players. A number of players were released before the Cats left for Vernon and others were given pink slips Wednesday night, the date that all Longhorn League clubs must reduce their player limit to 16 men.

8 Applications to Lease Excess Oil Acreage Filed

Eight instruments have been filed at the county clerk's office here in which persons make application to lease excess acreage of land in Runnels county. The applications were sent to the general land office on what is believed to be unsurveyed land belonging to the free school fund.

Instruments have been filed by N. P. Powell, Wanda Hanks, Bob Reid and Glen G. Thomason. One tract is described as beginning about four miles west of Ballinger and includes excesses believed to be on lands belonging to Harry Lynn, Hamp Byler, Allen Bros., L. E. H. Barnett, Bailey Mack and

others in named surveys.

Most of the applications are for leasing land in the Wingate area, believed to show excesses, where oil production has been booming the past year.

These are the first cases of this kind to be filed here but they have been common in sections where big oil production has been discovered. Land owners held conferences here the first of the week on the tracts near Ballinger, and last week land owners in the northern section of the county were in Austin to check up on field notes and other information in the general land office.

9,275 is Highest Estimate Submitted In Contest on Ballinger's Population

A large number of people in this section of West Texas have sent in guesses in the population contest being sponsored by the Ballinger Chamber of Commerce. The guesses are being recorded as they are received and as soon as the census bureau makes the announcement the prizes will be given.

Enumerators will complete the work in Runnels county next week but it may be several weeks before the Ballinger total is released. The contest will be closed on May 1 and in the meantime anyone is eligible to file a guess.

Guesses sent in up to Monday afternoon showed a high of 9,275 and a low of 5,784.

The population of Ballinger will only include people actually living inside the city limits.

New entries received this week include:

- Laverne Black 8,389, Billie Lee 7,550, Mrs. L. F. Lehman 9,148, Mrs. Jim Duncan 5,784, Mrs. Ira Klutts 8,001, Mrs. Lester Singleton 8,204, Mrs. T. M. Hudgens 9,275, Mrs. Eugene Payne 8,593, Evah Jo Payne 7,827, Mrs. Flay Brevard 8,120, Mrs. Fred Darnon 8,460, Mrs. L. A. Powers 9,000, Mrs. T. M. Moreland 7,384, Buster Parrish 7,777, Mrs. Jim T. Jones 7,777, Mrs. Jennie Jones 6,548, Billy Hoelscher 7,569, Mrs. E. B. Hoelscher 8,118, W. M. Hill 7,113, J. A. Patterson 7,594, W. T. Smith 6,411, Mrs. H. G. Burkhardt 8,175, B. J. Machann 8,188, Mrs. Bernice Machann 8,600, Harlan Forbus 8,500, O. F. Forbus 7,999, Townner Dickinson 7,325, Mrs. Jimmie Whitaker 7,261, Wayne Swift 8,432, Mrs. Bob Wickersham 8,050.

\$174,634 Annual Budget Approved by Commission

The city commission has approved a budget for the ensuing year totalling \$174,634.52. The total is in three divisions, setting up \$73,060 for the general fund; \$35,082.12 for interest and sinking funds, and \$66,501.89 for operating the water and sewerage departments.

The anticipated income and expenses are so arranged as to be the same in each department. Water revenue will be up some \$8,000 for the year but the laying of extensions and other improvements will require a like amount.

Property valuations in Ballinger for the past year amounted to \$3,461,893. At the present time a property survey is being made on all Ballinger real estate and this will be completed about June 1.

At that time values probably will be changed and the board of equalization will mail notices to all property owners whose values are changed. If values are increased in accordance to the survey, the tax rate may be reduced, giving the city government about the same annual income from tax collections.

On January 31 there was a total of \$862,500.00 outstanding in bonds against the city. Of this amount, \$587,000 were in revenue bonds against the water department and \$275,500 were in taxable bonds.

The commission still has the problem of completing a proposed sewer extension and some issue probably will be presented to the voters in the near future.

50 4-H Club Boys Complete Course On Maintenance of Farm Tractors

For the past several weeks about fifty 4-H club boys have been taking a tractor maintenance course and on Monday of this week the final lessons were completed. The course is sponsored by the Stanolind Oil Co., of Tulsa, and the eight lessons include such items as safety, operator manual, air cleaning service, spark-plug wiring and battery service, cooling system, fuel intake and carburetion, engine lubrication and general lubrication.

One class at Winters and one at Ballinger have been studying the course and two instructors of the G. I. school were given special training at Coleman in January and have taught the classes. Baylis Fletcher has been in charge of part of the instruction, in groups of five, and Elliott Kemp the others. John Barton was in charge of the Ballinger school and Lloyd Rumsey the Winters school.

A contest and demonstration will be held Friday, May 5, at which time the boys will show what they have learned in the 8 sessions. The contest and demon-

stration will be held on the court house lawn and the public is invited. Two boys will be chosen winners and these will represent the county in a district contest to be held later. Two teams will be selected at the district meet to enter contests a College Station on June 12. Several prizes are being arranged for local winners.

The five Ballinger groups completing the course are:

No. 1—Bobbie Holtman, Marcus Hoelscher, Hugo Braden, Joe Haylak, Hubert Frerich

No. 2—Victor Hoelscher, Vernon Hoelscher, Clarence Hoelscher, Jerome Hoelscher, Frank Hoelscher

No. 3—David Fuchs, Charles Hoelscher, David Halfmann, Vincent Halfmann, Sidney Kalina

No. 4—Wilbert Hoelscher, Wilfred Franke, Charlie Schniers, Harry Kalina, Charles Louka

No. 5—Joseph Schniers, Monroe Frerich, Dennis Kasberg, Harold Franke, Leoran Hoelscher

The Winters group is composed of George Pruser, Jr., Robert Pruser, Billie Burton, Roy Burton, Harvey Wessels.

Satterwhite Named Head of Lions Club For Ensuing Year

Joe Satterwhite, implement dealer and civic leader, was elected Friday to head the Ballinger Lions Club for one year, beginning July 1. Final ballots were handed out at the meeting of the club Friday noon for the election of officers. The results were as follows:

President, Joe Satterwhite

First Vice-President, O. H. Chandler

Second Vice-President, Jack Moore

Third Vice-President, Jack Nixon, Jr.

Secretary-Treasurer, A. T. Taylor

Tail Twister, George Newby

Lion Tamer, Don Atkins

Directors, John Purifoy and Frankie Berrymann

Incoming officers will be delegates to the annual convention to be held at Laredo in June and will take over their duties for the local club at the first meeting in July.

Mr. Satterwhite has been a member of the Ballinger club since coming to Ballinger and has served on a number of important committees. Prior to July 1 he will meet with the executive board to appoint standing committees for the year.

At the meeting Friday, members of the high school basketball team were special guests. These boys were members of the regional championship team, the first from Ballinger to go to the state meet.

Coach Douglas Cox presented the boys and then introduced the principal speaker, "Bugs" Morris, physical education director and basketball coach at Abilene Christian College.

Mrs. Jennie Kirk and daughter, Miss Louise Kirk, of Austin, were week-end visitors in Ballinger. Since leaving Ballinger a number of years ago, Miss Kirk has been admitted to the bar and is now a practicing attorney at Austin.

Former Czech Leader To Tell of Conditions Under Communists

The National Committee for Free Europe, through the Czechoslovak National Council of America, is sponsoring a meeting at Rowena on May 2. The outstanding Czechoslovak leader, Mirko Sedlak, will be the speaker for the occasion and will discuss the fate of Czechoslovakia under the communist dictatorship.

The meeting, to be held at SPJST Hall, is being arranged by Joseph Shiller. The lecture is open to the public and those who hear the speaker will get first hand information on conditions in eastern Europe.

Mirko Sedlak, now 36 years of age, is the youngest representative of Free Labor's Social Democratic Party in Czechoslovakia. Due to his conscientious fight and stiff resistance to totalitarianism, the nazis in overruling Czechoslovakia imprisoned him about 6 years in various concentration camps. In the cruel and notorious march of death, Sedlak was liberated by the American army when it penetrated into German territory, thus saving his life. In 1945 he entered the service of his government in the territory board as an economist. He was then elected a member of parliament and remained a member up to the communist coup in February, 1948.

Midland Gets 8 To Ballinger's 6

The Ballinger Cats lost an exciting baseball game to the Midland Indians Wednesday night but not until after fans had seen plenty of action.

Four Cat pitchers were paraded in an effort to remain in the game and Skipper "Dutch" Fundurburk did his share with a single, triple and two-run home run. His homer in the sixth stanza after Stu Williams had singled tied the score and brought new hope to the fans.

The hardest blow of the game came in the first of the sixth with the bases full and two away. Chuck Steele knocked down a hard-hit ball which rolled off the playing field. He recovered quickly and dived for the base putting the ball on the bag apparently in plenty of time ahead of the runner. This would have been the third out with no damage, but after all hands were called safe, the Indians went on to score three runs, the difference in the game.

\$150,000 Bond Election Called for Sewer System

The Ballinger city commission in session Tuesday afternoon called a bond election for May 16 to authorize the issuance of \$150,000 in bonds to complete the municipal sewer system.

The issue would be taxable and the entire amount would be used in expanding and making available sewerage connections to every part of the city.

Three years ago the city purchased the system operated by the Southwestern Sewer Co. and made a contract for building a large and modern disposal plant. Since the completion of the disposal plant the city has operated the present system which provides service for about one third of the population.

If bonds are authorized, lines will be constructed to all parts of

the city and connections will be required for better sanitation and health.

Three years ago an inadequate sum was voted in revenue bonds for the new water reservoir and system and for the completion of the sewer lines. The money was expended before the work was completed and since then civic groups and health authorities have urged the making available of funds to finish the lines.

The engineering plan of the proposed extensions would call for one large line from the northern part of the city near Elm Creek in order to provide the proper flow for the line. The western section of the city would be served by another main line to tie into the old system.

Barnett Well Makes Six Barrels Hourly on Swab

Kingford Oil Co., of Dallas, swabbed 6 barrels of oil hourly from its discovery well, No. 1-L-E, H. Barnett, Tuesday, in completing one of the most important strikes in this vicinity. No water and very little gas were found and production was from the top of the upper Canyon. Bottom of the hole is 3,069 feet.

The producer will cause the drilling of several offsets, locations of which will probably be announced soon.

Good progress is being made in drilling the John K. Dorrance, Trustee, and G. W. Strake No. 1-Mapes, wildcat, 13 miles south of Ballinger.

Richard King, Jr., No. 1-T. R. Dorsett has been located 4½ miles north of Winters for a 4,750-foot test.

N. P. Powell No. 5-Sallie Odom has been staked for a 5,900-foot test.

The producer will cause the drilling of several offsets, locations of which will probably be announced soon.

Lester & Duffield, Inc., No. 2-N. S. McNay in the Fort Chadbourne field was completed for a daily production of 423 barrels.

Humble No. 4B-Sallie Odom produced 238 barrels on a 24-hour gauge the first of the week.

Continental No. 1-J. M. Barnhill, wildcat, 8 miles southwest of Winters, was plugged at the Ellenburger level to abandon.

Casing has been cemented in the Hiawatha & Plymouth No. 2-Tad Richards at the bottom of a 5,245-foot hole for a test of production.

Joe G. Strahan, of Brownwood, and associates will drill a wildcat 2½ miles south of Wilmett in the H. T. Davis survey.

Regular tours are working on the Spartan Drilling Co. No. 1-Levy Lee, wildcat, near Maverick

E. C. Johnson and G. W. Strake have staked No. 1-L. A. David, wildcat, 4 miles west of Wingate.

Fred M. Manning No. 3-S. L. McNay has been located for a 6,000-foot test 6 miles west of Wingate.

G. W. Strake and Garland Anthony No. 2-W. P. Lloyd, southeast of Wingate, will be drilled by rotary rig to 5,200 feet.

Warren Oil Co. No. 1-Hensley, north of Bronte, was in this week for 119 barrels per day.

LaGloria Corp. No. 4 in the Florence field, 5 miles north of Ballinger, is flowing through a half-inch choke. Flowing pressure is 50 pounds and pressure on the casing is 30 pounds.

Murray Petroleum Corp. No. 3-W. M. Stevens was gauged at 173 barrels daily the first of the week.

A large number of other wells are underway and drilling is nearing production depths.

Local FHA Chapter Members Attending State Convention

Approximately 6,000 members of Future Homemakers of America are assembled at San Antonio for their annual convention. Sessions are being held today, tomorrow and Saturday, 852 chapters sending delegations.

From the Ballinger chapter the following made the trip and are attending the general and special sessions: Doris Dankworth, Margaret Moonen, Virginia Cope, Joyce Flint, Virginia Wooten, Deanne Rountree, Gale Hays, Mary Harral, Kay Ford, Elreta Stanley, Marcella Fisher, Mrs. Marvel Drennan, chapter adviser, and Mrs. Helen Selby, chapter mother.

The general theme of the meeting is "Future Homemakers Ahead Toward New Horizons." The general assembly meetings are being held in the municipal auditorium where noted speakers will be heard. A feature afternoon session tomorrow will be pictures and a panel on Democracy in the Home and Community.

Entertainment features will be highlighted by a barbecue and floor show in the municipal auditorium Friday night.

Mrs. Jessie Curren, of Hollywood, California, was a recent guest in the homes of Mrs. Emma Nash and Mrs. C. D. Harris. Mrs. Curren also visited friends at San Angelo while in Texas.

NEW C. OF C. MANAGER LOOKING FOR HOUSE

Jack E. Pridgen, newly elected secretary-manager of the Ballinger Chamber of Commerce, will be here May 1 to make arrangements for living quarters for himself and family. Mr. Pridgen will move to Ballinger on May 15 to begin his work with the local organization and will be present at the monthly meeting of directors that day.

Anyone who has a house that would be vacant by that time and would like to have a permanent renter, is asked to call the chamber of commerce, telephone 7070.

Mrs. Edwin Moeller and son, Bernhard, of Rowena, returned home Monday from Oklahoma City. While there Bernhard purchased a registered Duroc boar from the Waymore Farm for Edwin Moeller & Son.

Mmes. Chester Cherry, J. O. Satterwhite, Oscar Pearson, Elmer Shepperd, A. O. Bartlett, Beulah Frazer, Frank M. Pearce, Paul Trimmer, J. Dexter Eoff, H. O. Campbell, Claude Stone, and J. S. Williams, all members of the Ballinger Civic-Garden Club; and Mrs. W. A. Knight, of San Angelo, toured the garden of Miss Elizabeth Woolworth, Cactus Lane, San Angelo, Friday morning to admire an endless variety of irises, rose gardens, artificial lakes with water lilies, rare species of amaryllis, and fields of California poppies.

Opening the tour, guests registered at the rock cottage in the rock-enclosed garden where cold drinks were served. Among the many varieties of irises, the shades featured ranged from white to peach to red, yellow to golden and brown, purple, blue to violet.

Garden club members enjoyed viewing the lovely pink and white beauty bush which is growing in this garden, along with the greenhouses, the blooming honeysuckle vines, and the rare blooming shrubs.

Presbyterian Women of Church Society Meets

Broadway First Presbyterian Church, Women of the Church organization, met for their Bible Study Monday afternoon of last week in the church parlors.

Mrs. Joel Bates presided for the business period at which time Mrs. Chester Cherry was appointed chairman of the Home Circle. Mrs. F. M. Pearce gave the Bible lesson, "The Superiority of the Christian Religion," taken from the first chapter of Hebrews.

Others were: Mmes. Estes M. Lynn, John I. Guion, E. A. Saunders, Harry Lynn, M. E. Bogges, Lena Belle Baker and Paul Trimmer.

Humming Bird Brownie Troop Meets

Members of Humming Bird Brownie Troop, No. 9, met Tuesday afternoon of last week at the home of their leader, Mrs. Jim

Elkin, on Seventh Street, with the other leader, Mrs. John McGrath, assisting in the study of Girl Scout laws from the new books which were distributed. Work on the overseas bags will begin this week.

Patricia Darby was hostess and served refreshments to seventeen members and to one new member, Frances Allen, a visitor, Wanda Tubbs.

Brownie Troop 5 Meets in Barnett Home

Members of Brownie Troop No. 5 met with their leader, Mrs. Wallace Barnett, on Broadway, Wednesday afternoon of last week and worked on belts which they started several weeks ago.

After the business session, Nelda Jo Barnett was hostess and served popovers to a visitor, Dian Richardson, and to: Margaret Lou Campbell, Lucia Clark, Mary Kay Cloninger, Glenda Cook, Janice Hadley, Dorothy Hovorak, Rosalie Jones, Linda Kay Moncrief, Jane Nixon, Linda Lou Saylor, Dorothy Hovorak, Rosalie Jones, Linda Kay Moncrief, Jane Nixon, Linda Lou Saylor, Dorothy Smith, Judy Willi, Linda Wright, Lee Brookshire, Jean Chick, Jim Beth Flynt, and Ruby Mize.

Mrs. Forester Reports on District Convention to Club

Arrangements of amaryllis decorated the Seventh Street home of Mrs. Joe Forester when she was joint hostess with Mrs. Billy Brown at a meeting of the Fannie Stephens Study Club Wednesday afternoon of last week.

After a short business period at which Mrs. Forester directed, she gave a detailed report of the 38th annual Sixth District Texas Federation of Women's Clubs, which convened recently at Lampasas.

Mrs. Forester spoke of the general convention theme, "Unity Through Education," and stated the three objects of the General Federation: to create good will and understanding among women of the world; to give material aid to people in other countries; and to combat communism. Mrs. Forester

took part in a round-table discussion on "Know Your Neighbor," at the Lampasas program. The convention went on record as opposing socialized medicine, and resolutions were passed to check newsstands concerning periodicals and comic books.

Mrs. J. Dexter Eoff announced that a travel booklet is being compiled, and since Ballinger is on the route to the Big Bend Trail, community stories have been requested to add to this booklet.

Others present were: Mmes. Chester Afferbach, Curtis Bryan, Price Middleton, Wayman Wilson, Cal Adair, Richard Lowery, M. E. McClenny, E. Y. Balley, Coy Estes, E. C. Grindstaff, W. O. Irby, Elliot Kemp, Howard Hamner, Bill Howard and Sam Malone, Jr.

Mrs. Murchison Hostess to Contract Club

Mrs. Ross Murchison included added guests when she was hostess to members of the Triple-Four Contract Club, entertaining in the private dining room at the Central Hotel last Thursday afternoon.

Potted hydrangeas and other spring blossoms were used for room and table decorations in entertaining rooms where Mrs. Lena Belle Baker was awarded high score prize and the bingo award went to Mrs. Edgar Boelsche.

A salad plate was served with iced tea.

Future Homemakers Chapter Has Mother-Daughter Banquet

To honor mothers of members of the Future Homemakers chapter of the Ballinger High School a dinner was served in the high school lunch room by Mrs. W. E. Elkins and assistants last Thursday evening. Mrs. John Drennan, homemaker teacher, was assisted by members of the chapter in making all arrangements.

Linen-laid tables were festooned with red crepe paper streamers and an arrangement of red amaryllis was used on the speaker's table. Programs in red and white folders included names of retiring officers, the motto song, and program. Small pots held salted nuts and miniature rolling pins were favors. Doris Dankworth, chapter president, was toastmistress, and Joyce Lee, secretary, gave the welcome. Supt. Ernest Caskey spoke

Man and Town Conquer Trouble In Cinecolored Randolph Scott Film

A man and a town, both of which have serious trouble and both of which conquer it, form the subject of the 20th Century-Fox production, "Fighting Man of the Plains," which comes to the Texas Theatre Sunday and Monday, April 30, May 1.

The man is Jim Dancer, portrayed by Randolph Scott. As a guerilla, hunted outlaw, track worker and fighting peace officer he is a composite of Bat Masterson, Wyatt Earp and Wild Bill Hickok, courageous, level-headed, and quick on the draw.

The town is Lanyard, Kansas, a composite of Abilene, Dodge City and other towns which were successively at the head of the Chisholm Trail as the railroads laid their steel westward across the prairies in the 1870s.

Director Edwin L. Marin used a huge western street, which occupies some 50 acres in the heart of the San Fernando valley, as the setting for many of the scenes. So that it might literally be a place where "trail meets rail," a quarter mile of railroad track was laid through the movie-set town, and a train of the 1873 period complete with wood-burning loco-

tive was engaged to run on it. A herd of 750 cattle was rounded up to pour down the main street on its way to the pens.

Victory Jory and Jane Nigh appear as the proprietors of the town's gambling palace and Joan Taylor makes her screen debut as a frightened frontier girl.

Starring Johnny Weissmuller as Jungle Jim, "Mark of the Gorilla," based on the famous King Features Syndicate newspaper cartoon, will be shown at the Texas tomorrow and Saturday in conjunction with "Square Dance Katy," a comedy.

Supporting Weissmuller in the jungle thriller are Trudy Marshall, Suzanne Dalbert and Onslow Stevens.

LEGIIONNAIRES ADOPT RULES FOR NEW CLUB

A special meeting was held at the American Legion home Friday night of all members who have signed to pay monthly club dues for the hiring of a keeper and maintenance of the house and grounds.

A set of rules for operation of the club was passed and a committee was asked to study several applications for keeper.

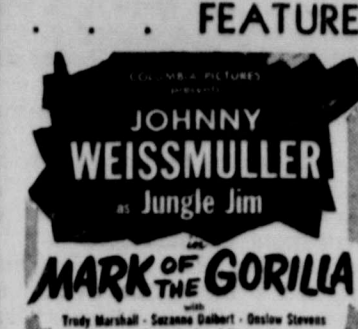

The club will be open week days from noon until midnight and on Sunday from 8 a. m. until midnight.

When a full time keeper is employed the date for opening the club for daily use will be set. At the present it is opened only in the evenings when an officer of the post is present.

'Lady Takes Sailor' Top Rated Comedy

Starring Jane Wyman, Dennis Morgan and Eve Arden, "The Lady Takes a Sailor," a romantic yarn that begins at the ocean's bottom and winds up in the sea of matrimony, is the attraction at the Texas Theatre Tuesday, Wednesday and Thursday, May 2, 3, 4.

In the role of Jennifer Smith, president of a national research institute, whose integrity is questioned when she returns from a deep-sea adventure with a man who says he's Davey Jones and an octopus who traps them in a weird undersea tractor, Miss Wyman clinches her position as one of Hollywood's most versatile performers.

Dennis Morgan is the inventor who can prove Jennifer's story,

but refuses because in doing so, he must disclose a military secret. Eve Arden is Jennifer's long-suffering chum, ever in search of a man. Lina Romay appears as a Latin nightclub beauty whose eyes and hips have a strange interest for Morgan. Robert Douglas, Allyn Joslyn and Tom Tully, as a private detective, figure prominently in the carrying-ons.

Turner Estimates Enumerations 95% Finished This Week

D. W. Turner, Runnels county crew chief for the 1950 federal census, stated Monday that this week would find most of the work completed in the county. Mr. Turner estimated that 95 per cent of the enumerations would be made by Saturday night and that all towns in the county would be completed and reports made by the workers.

A small amount of work will be done in the rural sections where people were missed on the first tours of the territory.

Mr. Turner stated that he would complete his final tabulations of the county within a short time and make his report. No advance

announcement of results will be permitted and a date will be set by the national staff at which time releases of populations by counties and towns will be made.

Workers are still working hard in an effort to list all inhabitants. Mr. Turner did special work in Ballinger Sunday in order to get enumerations on some who could be contacted only at that time.

Any person living in Ballinger who has not been enumerated by Saturday of this week is asked to see Mr. Turner at his office in the city hall and list themselves and families.

After this week agriculture check-ups will be made which will require some time.

Some enumerators have already completed their assigned territories and have made their final reports to the crew chief.

DEEP FREEZE IS FIRST PRIZE FOR FORMER BALLINGERITE

Mrs. Earl Pearce, the former Miss Opal Wiley, of Ballinger, was grand prize winner of a 150-pound capacity deep freeze last week at Indio, California.

The prize was won in a contest for the opening of a store at Indio.

NIXONS IN SAN ANTONIO FOR STATE CONVENTION

Jack Nixon and Jack Nixon, Jr., accompanied by their wives, were in San Antonio this week, attending the 1950 convention of Southwestern Life Insurance Co.

The Nixons, local representatives of the company, were members of a select group who qualified for the trip by reason of their outstanding record during 1949.

The program included addresses by officers and leading agents of the company and round-table discussions of problems of the business.

The local representatives expect to return to Ballinger by the last of the week.

67 Ballinger Seniors Leave May 4 For Annual Trip to Corpus Christi

The senior class of the Ballinger high school, five faculty sponsors and two mothers will leave here May 4 for Corpus Christi on the class' annual trip. They will go by bus and will make short visits at San Antonio and Austin.

Faculty members who will accompany the seniors are Mrs. Tom Epling, Mrs. Leonard Stallings, M. E. Sweeney, O. G. Joiner, Joe Forester. Mothers who will go on the trip are Mrs. Joe Flynt and Mrs. W. D. Davenport.

The class of 67 will leave early the morning of May 4 and will have a home spread dinner at San Antonio. They expect to have about three hours there for sight-seeing and will leave the Alamo City in time to check into their quarters at Corpus Christi by dark.

Reservations have been made at Shoreline Courts on the north beach, the same place visited by the seniors last year. They will make a trip through the naval air station Friday and later in the day will board a vessel for a six-mile cruise in the bay.

Leaving Corpus Christi Saturday morning, the group will eat lunch at Austin, spend several hours sight-seeing, and return home late in the evening.

Joe Forester, high school principal, stated Tuesday that practically all arrangements had been made and it was expected that all members of the class would go on the trip.

CAT ROSTER REDUCED TO 16 PLAYERS TODAY

Manager "Dutch" Funderburk cut his playing roster today to the limit of 16 men.

Bill Perrin, class pitcher, was put on the inactive list and several others were due to draw releases.

Chuck Steele, third baseman, came in from Brownsville to join the Ballinger club and in one game at Vernon hit three for four and looked good on defense.

Glenn Winslett, here on a 15-day look, was retained on the club as the third class man.

Funderburk stated Wednesday that he was hopeful of securing two limited service pitchers and a hard-hitting outfielder.

Rod Rodriguez is the pitching choice for the game tonight against the Midland Indians.

Arch Brookshier is in a San Angelo hospital preparatory for surgery Friday morning.

LETTERS to the Editor

"The final number of the season for the local concert association was presented last Thursday evening by Miss Jeanie Beauvois, soprano, accompanied by E. Patten. A very small number of members of the Ballinger Concert Association were present.

"The concert was one of the most entertaining of the six that have come to Ballinger during the past two seasons. The short attendance was very embarrassing to the local management but the artist declared that she was very happy throughout the program due to the wonderful response from her audience. Miss Beauvois said she would remember the Thursday evening concert at Ballinger as one of her most successful.

"Due to the lack of a sufficient number of people in the community interested in the bringing of these concerts here the local management has declined to offer tickets for sale for another season.

"There are many people in Ballinger who desire this type of entertainment and we believe it should be encouraged so that the school children and our young people can learn to love the finer types of music.

"We hope that the Chamber of Commerce or some other civic organization of the city will get behind this proposition and put it over for the good of the community.

"The Coleman Association has sold enough tickets to insure them four numbers for next year and they have extended an invitation to the Ballinger people to secure tickets for their concerts if we do not have the program here next season.

BLANTON WORKERS' CLUB

The Blanton Workers Club held an all-day meeting last Thursday in the home of Mrs. R. H. Grimm. Quitting was done for the hostess as the diversion of the day.

A covered dish luncheon was served at noon and a cake was cut for Mrs. Charlie James, who was celebrating her birthday.

The next meeting will be held in the home of Mrs. Charlie James on the first Thursday in May.

Ten members were present for the meeting.

EAST SIDE HOME DEMONSTRATION CLUB

The East Side home demonstration club held an all-day meeting Tuesday in the home of Mrs. Harold Routh. Members worked at hemming dish towels for the hostess and some members worked on aluminum trays.

A covered dish luncheon was served at noon.

Mrs. Jack McAden made banana bread and cherry muffins after the business period. These were served with cokes to thirteen members.

The club will assemble at a furniture store for the next meeting.

DEATHS

E. T. Branham
E. T. Branham, 66, died of a heart attack at the home of a son, C. D. Branham, Friday afternoon at 3:00 o'clock. He had been in apparent good health and had gone to his son's home for a visit when stricken. A physician was summoned but he died before he could be taken to a hospital.

Decedent was born at McGregor on August 28, 1884, and came to Runnels county to make home in 1903. For a number of years he was engaged in the wholesale and retail grain business here.

Land Owners of Runnels County:

We are being exploited by the exploration crews of the oil companies. In the surrounding counties exploration crews pay the land owner at the rate of \$10.00 a hole or \$10.00 a crew per day, whichever is the greater, for the privilege of going on the surface of the land for shooting purposes even on land they have leased.

Shooting crews are not having to pay this amount in Runnels county because we, the land owners, have slept on our rights.

Let's wake up! Let's demand and receive what is customary in other counties for allowing crews on our surface area.

RANCHERS' COMMITTEE

Poultry Raisers Of County Hear A. & M. Specialist

James C. Williams, A. & M. College specialist, told a group of Runnels county poultry raisers at the court house last Friday that Texas ranked fourth in the number of chickens in the United States but stood in 42nd place in egg production. He further stated that the average per hen showed a low of 127 eggs. He declared that raisers not receiving more eggs than the Texas average were not making any money on their poultry.

A program worked out by the Texas and other experiment stations proves that certain rules and regulations must be followed if raisers are to be successful and receive a profit from their flocks.

The speaker gave special emphasis to breeding, good foundation bred laying stock, culling, disease and parasite control and proper management.

The speaker told his hearers that many made the mistake of trying to raise too many baby chicks in too small a house while others tried to crowd too many hens in a poultry house which is not adequate. Three to four square feet per hen is laying houses and 1/2 square foot per chick are standard specifications.

Raising pullets on the range, away from old brood stock until they are in about 20 per cent production, then moving them to a laying house that has been cleaned and disinfected with all old birds removed are very important factors, the specialist said. Many diseases are carried from year to year by old laying stock and when these disease carriers are removed it will break the disease cycle.

He suggested the securing of high bred chicks, getting them locally, and being sure that baby chicks never get too cold or too hot as either usually means death losses, culls and a runty bunch of pullets.

A new disease now showing in Texas is the Newcastle. It is a disease that all should give special study and make every effort to keep out of the flock. It can be spread by visits from one farm to another,

by cars, feed or other material brought from a farm where fowls are affected. Vaccination can be used to prevent it, but it is not advised unless there is an outbreak. When it is started the work will have to be continued each year on young stock.

Chicken pox is another disease that can be prevented by vaccination. When there have been cases in chickens on any farm it is a good idea to vaccinate all stock, Mr. Williams declared.

A 12 per cent gamma BHC, mixed at the rate of half a pound to a quart of water, painted on the roost at 1 pint to 150 feet of space, will do a good job in controlling lice. It is the best, easiest to apply, the cheapest, the longest lasting, and will usually keep chickens free of lice from 75 to 90 days.

SOCIETY

Methodist W. S. C. S. Circles Meet in Homes

Circles of the First Methodist Society for Christian Service met Monday afternoon for the study, "Youth, Our Partner in Kingdom Building."

Mrs. W. E. Midgley and Miss Thelma Midgley were assisted by Mrs. S. H. Choate when they entertained Ettie Gressett members in the Midgley home on Eighth Street which was decorated with arrangements of lilies.

Mrs. D. L. Vestal was presiding officer. Mrs. Ford Taylor brought the devotional on "The Great Rock Foundation," and Mrs. Joe Forman gave the lesson on the general study.

A sandwich plate was served with cake squares and iced tea. Others were: Mmes. J. W. Guynes, R. A. Williamson, C. D. Harris, C. M. Gibson, Grady Richards, Felix Itz; and a visitor, Jacqueline Choate.

Ida Campbell members were guests of Mrs. Tom Caudle in her Wilke Terrace home.

Mrs. Hatton Paxson was the officer pro tem for the business period. Mrs. Jack Nixon, Jr., sang "Jesus Calls Us," with Mrs. E. L. Rampey at the piano. Mrs. Sam Behringer gave the devotional, "God—in Families," and Mrs. R. A. Bugwell gave the lesson.

Entertaining rooms were given

added beauty by bouquets of snapdragons, pinks and stocks where the hostess served a sandwich plate with cookies and fruit punch. Plate favors were pansy corsages. Others present were: Mmes. George Beard, Ewing Holt, W. O. Irby, Cora Green, W. W. Chastain, R. A. Dickinson, C. D. Wooten, Tom Agnew and Sam Conner.

Mrs. Price Middleton was hostess and directed the business period when Sally Odom Circle members met in her Eleventh Street home.

Mrs. J. W. Barr brought the devotional on "Youth," and Mrs. R. D. Midgley gave the lesson.

At the social hour Suzanne Middleton assisted her mother in serving a dessert plate of sherbet and cake from the dining table centered with an arrangement of roses. The coffee table was decorated with a rose bouquet. Others were: Mmes. Flay Brevard, John Loveless, Lee Evans, O. R. Lasater, J. L. Davis, Oliver Cochran, Arch Brookshier, O. L. McDaniel, Mrs. S. D. Wilkerson and Ted Tisdale were visitors.

Presbyterian Women of Church in Inspirational Program

Mrs. Joel Bates conducted the business for the regular monthly inspirational program for the First Presbyterian Women of the Church organization which met in the church parlors on Broadway Monday afternoon.

Mrs. E. W. Stasney was leader for the program on "Fellowship of the Saints." Mrs. Q. V. Miller was in charge of the worship period. Mrs. Alex Saunders, a delegate to the Presbyterial, which met in Fort Worth, gave a report of the meeting and announced that special mention was given to the history of the local Women's organization which had been compiled by the historian, Mrs. Stasney. The book was complimented and used as an example at the Fort Worth Meeting.

Mrs. Estes Lynn furnished all the hymn accompaniments for the program.

Arrangements of pear blossoms and daisies were used for decorations for the church parlors where Mrs. Lena Belle Baker and Mrs. Q. V. Miller were hostesses at the social hour. The tea table, laid with a cut-work linen cloth, was centered with a white bowl with yellow rosebuds and columbine encircled with gold satin ribbon bows. Gold satin may poles with satin streamers were other decorations where hostesses served ice cream and cake squares iced in yellow. Plate favors were pansy corsages.

Mrs. Emma Godwin was a visitor, and others were: Mmes. Bruce Creasy, R. T. Hall, Lela McAdams, Paul Trimmer, Chester Cherry, Malcolm McGregor, Harry Lynn, K. V. Northington, John Gulon, F. M. Pearce, Larry Gilbert, R. T. Trail, M. E. Bogges, J. M. Pyburn, Loyd Herring, Ray Barker and R. F. Zedlitz.

Mary-Martha Class Hears Book Review by Mrs. Herring

"It Gives Me Great Pleasure," by Emily Kimbrough, was presented by Mrs. Loyd Herring when she reviewed the book for members of the Mary-Martha Class of the First Baptist Church Tuesday evening, when Mrs. Drury Hathaway and Mrs. Fred Holliday were hostesses, entertaining in the Hathaway home on Fourth Street.

After being presented by Mrs. Hathaway, Mrs. Herring reviewed the book, which is a satire on women's clubs, in a charming manner.

Class colors, white and orchid, were stressed in room decorations. White carnations and orchid sweet peas were used on occasional tables and the buffet, along with rosebuds. The hostesses served a sandwich plate with cookies and frosted punch from the lace-laid dining table following the program.

Mrs. O. L. Britton directed the business and Mrs. Charles Hambrick brought a "Mother's Day" theme devotional.

Others were: the class teacher, Mrs. Lee Maples, and: Mmes. William Hill, C. W. Jennings, O. L. McGahey, Ed F. Cox, Jim Golden, A. J. Thorp, J. F. Owen, R. R. Holstead, Paul Best, Everett Witter, and J. H. Parrish.

Shakespeare Club Has Installation Breakfast at Hotel

The final meeting of the club year of the Shakespeare Club was held last Thursday morning at 9:30 o'clock at a breakfast in the private banquet room at the Central Hotel.

The speaker's table was centered with an arrangement of white lilies combined white columbines, and other four tables had centerpieces of yellow lilies, the brown indian chief, the deep purple and the light orchid lilies.

Mrs. W. J. Hembree presided for the business and heard the annual report of the treasurer, Mrs. E. A. Saunders. A motion was carried that each member subscribe to the Texas Federated Club Woman's magazine. Mrs. Arthur Giesecke, delegate to the Sixth District Texas Federation of Women's Clubs meeting, held at Lampasas from April 13 to 15, gave an interesting report on the convention, stating that the general theme centered around "The American Way of Life in the Home."

Mrs. B. C. Kirk spoke the invocation and benediction for the breakfast. Mrs. Joe Forester was guest installing officer and instructed each officer as installed to perform their respective duties in a willing way and wished all happiness in the 1950-51 club year. She also complimented the retiring president, Mrs. W. J. Hembree, for a job well done. Mrs. Hembree then presented the gavel to the incoming president, Mrs. A. Giesecke.

Other officers who will serve with Mrs. Giesecke are: vice-president, Mrs. J. O. Satterwhite; corresponding secretary, Mrs. Sim Cottle, recording secretary, Mrs. Q. V. Miller; treasurer, Mrs. Orland Middleton; historian, Mrs. Dorsey Read; parliamentarian, Mrs. Lela McAdams; critic, Mrs. B. J. Martin.

Mrs. Giesecke outlined the club work for the coming year and insisted that there be perfect attendance and urged members for group participation. She then named committees as follows: program, Mmes. E. A. Saunders, Lela McAdams and Powell Wear; social, Mmes. A. B. Stobaugh, Chester Cherry and Paul Petty; youth conservation, Mrs. Loyd Herring; house, Mrs. K. V. Northington; music, Mrs. Estes Lynn; finance, Mrs. B. J. Martin; art and press, Mrs. Leonard Stallings; legislation, Mrs. C. P. Shepherd; educa-

WEST TEXAS NOTES

The Texas State Singing Convention has again chosen Stephenville for the host city of the 1951 meeting. The 1950 meeting closed in that city Sunday of last week with the election of officers and the selection of the next meeting place. Rains and cold weather cut the attendance but some of the outstanding quartets of the state were present for the program. It was disclosed that plans had been completed for a television broadcast of the 1951 program.

In a meeting of the Brady school board last week plans were made for redecoration of the high school auditorium, improvement of the athletic field and numerous smaller projects during the summer. New stage effects will be provided for the auditorium, including a new cyclorama curtain, one interior and one exterior set of scenery and heavy drapes for windows to permit the daytime showing of movies. Acoustics also will be improved. A number of faculty members were reelected.

Mr. and Mrs. A. P. Kellermeyer celebrated their silver wedding anniversary at their home in Rowena Saturday. A high mass was said by Rev. W. F. Bosen at which the couple renewed their vows. The home was open in the afternoon to callers and refreshments were served friends from the decorated dining table.

Pecans growers of the Menard area attended a short course last week on the Kenneth Gutherie place on the San Saba River. J. L. Rainey, of San Angelo, a leading authority on pecan culture, was in charge of the school. Lectures and demonstrations were held throughout the day and a barbecue dinner was served at noon.

Coke county farmers met at Robert Lee last week to plan continuing their protest to the government on the alleged unfair cotton acreage for the county. A re-allocation was made by the PMA office but the benefit to the individual farmer was so small it was of no practical help. Farmers attending the meeting voted to file a vigorous protest to government officials. It was pointed out that Coke county farmers were allowed to plant only 7 per cent

of their acreage to cotton. Bronte citizens have posted deposits for natural gas service in sufficient numbers to meet the proposal of the Lone Star Gas Co. The company asked for 150 subscribers before piping the town, and last week 164 had signed up, each putting up a \$10 deposit with the mayor. The company has agreed to pipe the town and establish service not later than September 1. The \$10 deposit will be returned to the patron at the end of one year of operation.

The formal opening of Winters' new drive-in theatre, the Fiesta, will be held tomorrow evening. Due to bad weather halting construction, the opening was postponed but all work is about completed. The drive-in is located one mile south of town on the Winters-Ballinger highway and is owned by the H. J. Hodge interests. The parking ground will accommodate 300 cars and the latest type of equipment has been installed.

Have you been counted in the 1950 federal census? Local civic leaders are becoming interested in a full count of all people who are now making Ballinger home. Fears have been expressed that Ballinger will show less population than expected and for many reasons it is necessary that every person be enumerated. It is a known fact that there are more people living here than ever before. Every available house and apartment is full and many new homes have been built and are occupied. One of the reasons the population will be less than many believe, however, is that large areas, usually considered as Ballinger, lie outside the city limits and have been counted by rural enumerators. Anyone who has not been counted is urged to inform D. W. Turner, crew chief for Runnels county, or notify the chamber of commerce. Let's all work to make Ballinger's count as large as possible.

A series of important business changes have occurred in Ballinger in recent weeks, indicating that oil development plus the

Fireball valve-in-head power in three engines (New F 263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD fender, super-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque tube • WIDE ARRAY OF MODELS with Body by Fisher.

YOU know many things about the man behind the wheel when this bold front comes winging your way.

He knows style—he is traveling behind the boldest and freshest forecast of things to come that is on the roads today.

He's a practical person—likes the idea of plenty of protection out front without spending money on such extra items as bumper guards.

He likes convenience—the easier parking made possible through the precious inches of over-all length saved by this design—not to mention freedom from "locking horns" with the car ahead.

And he's foresighted—knows that accidents do happen sometimes—and he goes for the idea of a front-end design that can

be repaired by replacing single bars instead of a whole grille work.

YOU could add that he likes power—for behind this smart forefront there's a big bonnetful of Fireball horsepower.

He likes comfort—since every car bearing this grille rides on soft coil springs all around.

Most of all, he has an eye for a buy. For this bold new design means Buick—and in every series, SPECIAL, SUPER and ROAD-

MASTER, Buick means a better all-round buy.

For proof of that—go look, try and compare. You'll find that, dollar for dollar, your Buick dealer has the top values—and that goes for cars bracketing every price range above the very lowest.

A contract was let last week by the state highway commission for two important resurfacing jobs in Brown county. The Brownwood-Brady highway will receive new topping from Camp Bowie to the county line. About 13 miles of the Coleman-Rising Star highway also will be resurfaced. The jobs went to a Denton contractor on cash bids of \$72,554.

A visiting committee composed of twenty college instructors, school administrators and classroom teachers gave the Comanche high school an excellent rating after a three-day survey on April 10, 11 and 12. The Comanche school was said to compare favorably with other members of the Southern Association and is far superior to many high schools of the same size and even larger. It was pointed out that the school received the highest possible grade in administration. Suggestions included a general renovation of the high school plant and a new

electrical wiring job to provide better artificial light.

The annual Eastland county dairy show will be held at Firemen's Field in Eastland tomorrow. Judging is open to 4-H and F. F. A. boys and adult farmers. Cash prizes will be awarded to the first ten winners in both junior and senior divisions.

The Bobcat Band of the San Angelo high school will be wearing some \$7,000 worth of new uniforms when the music festival is held in May. It is the first change in uniform in 13 years, when the band was first organized. The old uniforms will be repaired and altered and given to the junior high school musicians. The new uniforms have blue jackets, gray trousers (or skirts) with orange stripes.

The fourth annual open house for the Paint Rock schools will be held tomorrow (Friday) night. Teachers will show exhibits of work done by pupils and visitors will be served refreshments in the cafeteria.

what is a drug store?

THE DRUG STORE is but one unit in a complex pattern of businesses and professions, all of which serve the needs of the community. But it is unique in that pharmacy is both a business and a profession. A business built on service to the sick cannot be restricted to usual "business hours." The need for medicine and sickroom supplies is usually immediate and urgent. In times of widespread illness, the twenty-four-hour day seems all too short. We are ready, day or night, to serve the pharmaceutical needs of the community.

Horseshoe Drive-In to Offer Varied Program for Week, Starting Tonight

An attractive and varied program is to be shown at the Horseshoe Drive-In Theatre, Paint Rock highway, this week, starting with:

"Hills of Home," tonight and Friday night, April 27 and 28. This technicolor presentation of Lassie, the wonder dog, is one of the most beautifully produced pictures ever shown at the Horseshoe. The beautiful color, Lassie supported by Tom Drake and Janet Leigh, in a heart-gripping love story filmed by Metro-Goldwyn-Mayer, is calculated to entertain the entire family.

"Four Feathers," another technicolor feature, will be screened Saturday as a request program. Many local patrons have called for this stirring western drama. Rounding out a complete program, Laurel and Hardy, those hilarious comedians, will be seen in one of their funniest and rowdiest. A color cartoon completes the three-show program for the evening's entertainment.

Sunday and Monday, a gripping drama of our Lone Star state, titled "Texas," will be presented. William Holden, Glenn Ford, Claire Trevor and George Bancroft carry this action drama out in a fashion that will please and thrill. For the kiddies there is a thrilling love story with plenty of action.

On Tuesday and Wednesday the versatile old comedian, W. C. Fields, will be presented for the last showing in Ballinger of "The Bank Dick." This wonderful old trouper will cause many a laugh and many a heartache in this film, said to be his most superb performance and achievement in pictures.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Methodist Revival Services Concluded; 14 Members Added

The revival at the First Methodist Church came to a close Sunday night after a very successful ten-day campaign. Rev. and Mrs. R. L. Flowers, evangelists, were with the church for the entire period and delivered all the ser-

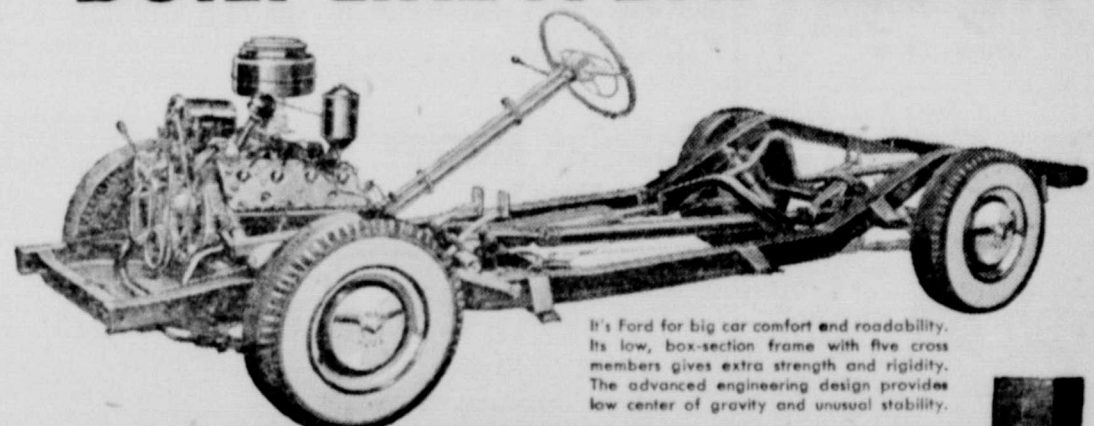

mons. Mrs. Flowers took over the preaching after last Thursday night when Rev. Flowers developed a cold and was unable to speak.

A class of fourteen was received into the church Sunday morning, six on profession of faith and eight by letters from other churches. Rev. C. D. Wooten, pastor, stated that he had about eight more letters to be announced later when the members could be

present at a service. Attendance at the entire series of services was the best in recent years, the auditorium being filled on several occasions. Music was excellent during the revival, a large chorus of singers assisting in this part of each program. The pastor and officials of the church are highly pleased with the results.

RAIN AND DUST PROVIDE VARIED WEATHER HERE
 Rain followed by a duster was the weather the first of the week. A hard shower Sunday afternoon brought 37 of an inch here, according to the government gauge, located at the Ballinger Floral Co. on the Bronte highway. Some downtown gauges showed more than recorded by the government gauge and it is thought nearly an inch fell in downtown Ballinger.

The shower was not general but several communities in the county got good rains.

Monday night a high wind with plenty of dirt blew in from the northwest and brought a decided drop in temperatures. Most of the dust was high and was not picked up from land in this section.

Farther north the wind was even stiffer than here and at Vernon the baseball game between the Ballinger Cats and Vernon Dusters was cancelled because of cold and wind.

B. G. SHARP CANDIDATE FOR JUSTICE OF PEACE

I take this method of announcing to the voters of Precinct No. 1 that I will be a candidate for Justice of the Peace in the Democratic primaries.

I have lived here for many years and for a number of years have been closely associated with affairs around the court house and feel that I am qualified to hold this office and render justice in all cases brought before me.

I plan to see as many of you as possible before the first primary but my work will make it impossible to personally contact everyone. I extend to each voter an invitation to give me every consideration and if possible your support.

Sincerely,
B. G. SHARP

SPORTS

Tonight:
Ballinger vs. Midland, Cat Park, 8:15.

•••
The colorful Harold Webb and his Midland Indians are in town and that insures a good show and good games. Fans are urged to be on hand tonight and tomorrow at 8:15.

•••
After the series here with the Indians, the Cats go to Sweetwater for tilts Saturday night and Sunday and will return home with the Swatters Monday and Tuesday nights, May 1 and 2. They will then take to the road for three days at Odessa and two at Roswell.

•••
The Cats broke into the win column for the first time Sunday afternoon with the Vernon club the victim. Roberto Rodriguez was the Cats' starting pitcher and was effective until the eighth inning when he ran into trouble, allowing six hits and three runs. Glenn Jones finished the game and had little trouble in winding up the contest.

•••
Small crowds watched the Cats in two fine games Saturday night and Sunday afternoon. This kind of attendance will not support baseball and although the locals have been losing, it was a good

time to give them a big welcome and help get an upturn started.

•••
Big Charlie Rogers was on the hill in the Saturday night game and made a favorable impression with Ballinger fans. Although he was credited with the 5-3 loss, the big fellow handled himself nicely, struck out 11 men and kept the hits well scattered. A little timely hitting would have given him a victory.

•••
The Ballinger management is still looking for help and have promise of added strength during the week. It is the time for clubs of higher classification to reduce their rosters and this will make a few good players available.

THREE BUILDING PERMITS APPROVED BY COMMISSION

Three building permits were approved Monday by the city commission for additions and improvements.

A permit for \$1,800 was granted O. G. Joiner for the construction of an addition to his home on Park Avenue.

Henry Dabney was granted a permit for \$1,400 for an addition to his home.

Joe Forman received approval on a permit for \$150 for a store-room extension to a garage at his home on Seventh Street.

PEDDLERS ORDINANCE

An Ordinance defining and regulating itinerant merchants, itinerant vendors, peddlers, and persons selling or taking orders for goods, wares, merchandise, services, photographs, newspapers, magazines, or subscriptions to newspapers or magazines; providing for a License and a License Fee; requiring a Bond; exempting those engaged in Interstate Commerce from License Fee and Bond, but requiring such persons to register with the City Secretary; and providing Penalties for the Violation of this Ordinance, including a Fine of not less than \$10 nor more than \$100.

mother, Mrs. C. A. Berry, entertained with a hay-ride and picnic at City Park Saturday evening.

Guests met at the Berry home on Ninth Street where the honoree received gifts, and all went on a ride to the park, where wieners were roasted and served with a picnic supper and the pretty all-white birthday cake topped with pink candles was served with cold drinks.

Guests were: Delle Tisdale, Dec Ann and Linda Saylor, Shirley Jones, Marvella Ashton, Patricia Davis, and Loretta Brown.

THREE BALLINGERITES NAMED TO NORTH TEXAS HONOR ROLL

Patricia Caudle, Evelyn Bigby, James Lampe, all of Ballinger; Ann Schoenfeld, of Miles; and Martha James, who formerly lived in Ballinger, have been named to the Dean Harris honor roll for the past semester at North Texas State College, Denton.

Out of over 6,000 students attending the college, 1,044 made the honor roll.

The cheapest milk production comes from improved pastures followed by silage, hay and concentrates. A good dairy cow will return approximately 7 times as much income from an acre of improved pasture as will any other type of livestock.

IN SOCIETY

Mrs. Cherryhomes Honored by Faith Class

The home of Mrs. Albert Kitchens on Broadway was the setting for a coffee given by members of the Faith Class of the First Chris-

tian Church Tuesday morning, with Mrs. J. P. Briley of San Angelo assisting her daughter, Mrs. Kitchens, in entertaining.

The party was a compliment to Mrs. Rawlins Cherryhomes, who is

moving with Mr. Cherryhomes, minister of the First Christian Church to accept a call to the church at Hobart, Oklahoma.

The dining table was laid in cut-work linen and centered with an arrangement of lavender stock with fern. White tapers flanked the centerpiece. Mrs. H. B. Edmondson presided at the silver coffee service and Mrs. Herman Price served cinnamon rolls and calottes. Other dainties were salted nuts.

Other entertaining rooms were decorated with iris in pastel tones and spice pinks. Mrs. Price presented a remembrance gift from the Faith Class to Mrs. Cherryhomes.

Others were: Mmes. M. A. Foy, John McDonald, C. F. Bailey, Newman Smith, J. W. Longenette, D. B. Crockett, and Mrs. Vernon Briley, of San Angelo.

First Christian Women's Council Meets for Bible Study
Mrs. Marvin Clark presided for

the business period when members of the First Christian Women's Council met for their Bible study Monday afternoon in the church parlors on Broadway.

The group sang "Holy Ghost With Light Divine," with Mrs. Gene Crawford at the organ; Mrs. J. W. Longenette spoke the opening prayer; and Mrs. A. B. Stobaugh brought the second chapter of "The Acts," for the lesson, and announced that Mrs. E. D. Walker would bring the third chapter next Monday afternoon. The officers' Institute which will be held in Brownwood, Thursday, April 27, was announced and several women of the council will be on the program.

Mrs. Dick Embry was a visitor, and others were: Mmes. W. F. Atwell, J. R. Lusk, C. F. Bailey, M. A. Foy, Horace Murphy, Oscar Pearson, D. B. Crockett, J. O. Satterwhite, Herman Price, J. E. Gentry, Ben Allen, Misses Nan Kevil, Lula McElroy and Agnes Globber.

Dinner Compliments Mrs. Ford on 71st Birthday Anniversary

An anniversary dinner was given Saturday in the home of Mr. and Mrs. J. T. Ford, of Norton, honoring Mrs. Ford's seventy-first birthday. The menu of oysters, fish and chicken with all the trimmings was served to fifty guests.

Present were: Mr. and Mrs. W. D. Ford, Mr. and Mrs. LeRoy Ford, Mr. and Mrs. Charles Bird, and families, all of May; Mr. and Mrs. Sam Ford, Mr. and Mrs. Clovis Ford, and families, of San Angelo; Mr. and Mrs. J. V. Rogers, Mr. and Mrs. Leon Rogers and family, Mr. and Mrs. Wayne Rogers and family, and Lonnie Rogers, all of Bronte; Mr. and Mrs. George Ford, of Ballinger; Mr. and Mrs. Ollie Parish and family, of Winters; Mr. and Mrs. J. T. Ford, Jr., Mr. and Mrs. Bob Allen, Mr. and Mrs. Tommie Moreland, Mr. and Mrs. Uvon Ford, and families, all of Norton; Mrs. Jim Powers, daughter and granddaughter, of Dryden; Mr. and Mrs. Henry Ford and daughter, of Lubbock.

Family-size Farm ECONOMY ★ ★ ★

with Big Farm POWER!

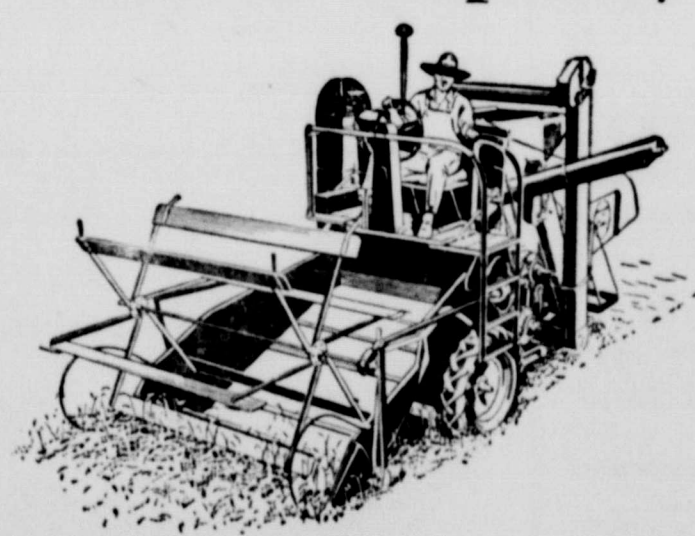

THE MASSEY-HARRIS 2-PLOW "22"

Power... economy... handling your work in less time, at less cost is a mighty important advantage the Massey-Harris "22" brings to your farm. The solid, staunch look of the "22"... it's clean, husky styling tells you instantly that here's power to take tough jobs in stride... smooth, dependable power to ease you thru light jobs and really bear down on heavier, tougher work. And the "22" does just that.

It has a big, 140-cubic-inch, 4-cylinder engine that turns out more work on every tank of fuel. More work on less fuel means lower production costs... bigger profits.

Stop in for complete information on the Massey-Harris 2-Plow "22" next time you're in town. Don't forget to ask about Depth-O-Matic System—the simplest, safest hydraulic control you ever saw.

A 7' Combine with 10' Capacity

The 7' Massey-Harris Self-Propelled Combine streamlines your harvesting operations. Gives you the harvesting capacity of a conventional 10' combine. It helps you do a better job faster... more efficiently... more economically. It's a one-man machine. Your tractor is free for other work. Fields are opened quickly without knocking down grain. Massey-Harris full width, straight-through separation gets more grain out of the straw... cuts waste. You harvest more acres per day, easier, with the Self-Propelled Clipper.

Stop in and get all the details on the Massey-Harris Self-Propelled Clipper's four point savings.

Now 4 to see instead of 3 in the lowest price field!

The Studebaker Champion is one of the 4 lowest price largest selling cars!

LOOK WHAT YOU GET FOR YOUR MONEY IN THE LOW PRICE STUDEBAKER CHAMPION

• An exceptionally roomy car superbly appointed and richly upholstered • A 6-cylinder Studebaker "gas-mileage champion" engine of new higher compression power • Exclusive Studebaker brakes that automatically adjust themselves • Automatic choke • Glare-proof "black light" dash dials • Variable ratio "extra leverage" steering • A brand-new kind of coil spring front end suspension • Tight-gripping rotary door latches • Capacious trunk • A full range of body types • A fine choice of attractive body colors.

Champion in gas mileage, too!

A Studebaker Champion, with overdrive (optional at extra cost), beat 30 cars of 16 makes in straight-out gas mileage in this year's Mobilgas Grand Canyon Run. The Studebaker Champion decisively beat the 3 other leading lowest price cars—by 3 to 5 miles per gallon!
