Miss McShan, Bride-Elect, Feted at Afternoon Tea

A displayed gift tea honoring Miss Peggy McShan, bride-elect of Richard Dale Hembree of Houston, was hosted by Mrs. J. G. Tuckey, Mrs. Joe Flynt, Miss Winifred Strickland, Mrs. Oma L. McGahey and Mrs. E. C. Grindstaff in the Tuckey home on Seventh Street Thursday afternoon.

The couple will be married in a ceremony June 25 at the First Baptist Church with the Rev. B. J. Martin, pastor, reading the vows.

Miss McShan's wedding colors, green and white, were featured in the floral decorations throughout reception rooms.

Maroon daisies were placed in a crystal epergne on the buffet before the mirror and before the four bay windows in the dining room where the tea table, which was laid with a white damask cloth and outlined with pastel green maline, was centered with an arrangement of green daisies with green net fans edged with white lace and white satin streamers radiating from the flowers. White tapers in triple crystal candelabra flanked the centerpiece.

Elsewhere in party rooms were white gladioli on the piano and white daisy arrangements on occasional tables with green maline bows. A white bride figurine and a white lace and net fan was on the coffee table before a low floral arrangement.

The more than 150 friends who

called in three groups were received by Miss Strickland, who presented Mrs. Tuckey. Others in the line were Mrs. W. B. McShan, Miss McShan, and Mrs. W. J. Hembree, mother of the bridegroom-elect.

Mrs. Ernest Caskey and Mrs. J. H. Endacott received in the living room and directed guests into the dining room where Mrs. Chester Cherry and Mrs. M. H. Morgan served the cake iced in pastel green and decorated with white florals, and Mrs. Frank Flynt and Mrs. B. J. Martin ladled punch. Mrs. Joe Flynt was assisted by Misses Cynthia Tuckey, Mary Brian Woody, Charlotte and Arlene Miller, Dorothy Holliday and Nancy Guynes in serving. Other dainties were green mints and plate favors were daisy corsages.

Miss Eva Jo Flynt, another June bride-elect, presided at the register. Miss Gladys Kemp and Mrs. Horace Atripp, Jr., displayed gifts. Mrs. Grindstaff and Mrs. McGahey spoke adieu. Soft organ recordings were heard throughout the calling hours.

Miss Witter Honored at Series of Prenuptial Parties

Leading the party parade for the soon-to-be bride—Miss Pauline Witter, was a linen shower hosted by Mrs. Pat Davis, who entertained in the home of her parents, Mr. and Mrs. C. D. Richards, on Eighth Street Saturday afternoon, June 3.

Luscious Betty Grable Heads Players In Technicolor 'Wabash Avenue'

"Wabash Avenue," Technicolor musical starring Betty Grable, Victor Mature and Phil Harris is the big attraction at the Texas Theatre Tuesday, Wednesday and Thursday, June 20, 21, 22.

The dynamic Betty plays the part of a music hall songstress in Chicago just before the turn of the century with Mature and Harris in a race to see who gets the girl.

The bright, fast moving story also enlists the aid of Reginald Gardiner and James Barton, who

revives the song and dance act he did in vaudeville many years ago with telling effect.

Music-wise, the film is chock full of song, old and new. A smash new score topped by "Baby, Won't You Say You Love Me," and "Wilhelmina," has been turned out by top tunesmiths Mack Gordon and Joe Mayrow.

"Wabash Avenue," with its great roster of stars, music and dancing brings to the screen all the lusty brashness and gaiety of an era long gone but well remembered.

New 'Ma and Pa Kettle' Film Hits Laugh Jackpot: Scheduled at Texas in Midnight Preview Saturday

Universal's "Ma and Pa Kettle Go to Town," to be shown in midnight preview Saturday, Sunday and Monday, June 18, 19, at the Texas Theatre, is the second in the "Kettle" series and bids fair to attain a success even greater than its predecessor did, which is a mark for any film to shoot at nowadays.

It is declared to be a better picture than the first of the series, its comedy being more sustained and possessing the same salty character which caused "Ma and Pa Kettle" to roll up unprecedented popularity.

The new Kettle film has virtually the same cast as the first, co-starring Marjorie Main and Percy Kilbride, with Meg Randall and Richard Long providing the

romantic interest and fourteen younger Kettle kids boiling through scene after hilarious scene.

The story, of stouter thread and swifter pace than the first in the series, deals with Ma Kettle winning a trip for herself and Pa to New York with a prize slogan for a cola drink. When a bank robber seeks refuge in the old Kettle shack and decides to serve as baby sitter for the incredible kids while the elderly couple go to New York, the fun begins, and doesn't let up until the fadeout.

"Joe Palooka Meets Humphrey," to be shown at the Texas tomorrow and Saturday, June 16, 17, is the eighth in a series co-starring Leon Errol and Joe Kirkwood. The pictures are based on Ham Fisher's

popular newspaper comic strip.

The current film features Pamela Blake as Palooka's bride and the elephantine Robert Coogan as Humphrey, a character not previously included in the film series.

In addition, the double-feature program includes "Deputy Marshal," a western.

The Ballinger Cats will return home Sunday to meet the Big Spring Broncs at 2:30 p. m. These two clubs will clash again Monday at 8:15 p. m., and Tuesday Harold Webb's Midland Indians move in for a two-game set-to.

After the Midland series the locals will be away two days and

will return home Saturday, June 24, for three days with the Vernon Dusters.

Manuel Cadalzo was on the mound for the Cats Tuesday evening at San Angelo, making his first start for Ballinger. He had control trouble, but gave up only six hits before being relieved.

J. E. ("Red") Bell, new addition from Arkansas, was in left field Tuesday and looked good to the fans. He got one of the Cats' four hits off Jimmy McClure, Angelo's classman pitcher.

Additional help is coming for the Cats but announcements can not be made yet. Every effort is being made to contract players who have the stuff, but these are scarce and practically every club

in organized baseball is looking for reinforcements.

Fans were stunned Monday evening when they saw the Cats go through a beautifully played game into the ninth inning with a 7-1 lead over the San Angelo Colts

only to go on the rocks so fast it was difficult to decide what had happened. Two dropped flies, the muff of a grounder, failure to complete two double plays gave the opposition 6 hits and 9 runs and lost the contest.

Julio Acosta, new first baseman with the Cats, has made a hit with local fans by his superb fielding and good hitting. A classman, Acosta will be a regular in the Ballinger line-up.

The all-star football game will be played here tomorrow (Friday) night. A team chosen from the Humble and National Guard clubs will meet a group of stars from the other six contenders. Fans are urged to attend. Game time is 8:00 p. m.

Saturday is the last day for candidates to announce for precinct and county offices. After this date the ballot for the first Democratic primary will be made up and turned over to the printer. The primary will hold little interest so far as the county is concerned since most of these candidates are unopposed but state and district races offer a wide selection for each post. Poll tax payments are slightly below previous election years, but the 1950 census showed fewer people in the county.

Runnels county farmers have been staying in their fields from early in the morning until late at night the past ten days. Following rains, weeds and grass came up fast but most farmers will have their fields in good shape by the end of the week and ready for another rain. While there is plenty of moisture for crops, most farmers and ranchmen would like a heavy rain to flush streams and fill surface tanks.

Runnels county 4-H club boys made a good showing the past year and are represented by three contest teams in the round-up at College Station. These teams were not just entered but had to win in contests including the district competition in order to be eligible to attend. Teams in grass judging, rifle shooting and tractor main-

tenance are in the state round-up. In addition to these special events club boys of this county are carrying on many projects at this time and are looking forward to the spring livestock shows with their feeder projects.

One major building project is underway here in the reconstruction of the Cameron Lumber Co. yard and two others are due to be started soon. The city commission hopes to get sewer extensions underway soon and the school board will soon let contracts on two new buildings. Work on the two latter projects has been held up awaiting approval and selling of bonds authorized in recent elections. These three jobs with numerous residences being built will require practically all local laborers and contractors. Southwest Homes, Inc., has sold out and closed its addition after finishing eight dwellings. B. C. D. Home Builders will continue its realty project in Wilke Terrace.

WEST TEXAS NOTES

The Miles Lions Club cleared \$400 on a square dance festival held last week in the high school gymnasium. The money will go to the school's athletic fund and work will be started soon to complete the field and provide necessary equipment. Many dancers from other towns were present and the gym was filled with spectators.

Farmers of the Melvin community are busy harvesting their small grain crop and last week combines were running full time. Up to the middle of the week 14 cars of oats and two cars of wheat had been loaded there. A new grain elevator, being constructed by J. E. Bruton, will be in operation soon. The elevator has a capacity of ten cars a day and there is an electric lift for unloading dump trucks.

Members of the Menard community project committee met with 4-H club boys and leaders last week and included in their request for a library, swimming pool and other facilities, a livestock barn to be used by the clubs in their shows and feeding projects. A petition asking for a special bond election on an \$80,000 issue was filed with the county clerk, seeking a hospital for Menard county. The hospital petition will be submitted to the commissioners' court at its next meeting. The petition had sufficient names of qualified voters to make the calling of the election mandatory.

Big plans are being made at

Brady for the July Jubilee, to be held this year on July 1, 2, 3, and 4. Committees have arranged the biggest program ever presented by the organization, including horse racing, rodeo events and other entertainment. A number of reservations for stalls at the race track have been made and a field of fast horses is assured. The program has been planned so that there will be something going on every minute during the four days and nights.

The Winters school board made plans last week to move the Baldwin and Harmony school buildings to the Winters campus and make them ready for use the next term. The board also discussed plans for repairing and improving the building now in use. The board held another meeting Tuesday for unfinished business. One teacher was elected and numerous other items of routine nature were transacted.

Santa Anna is back in the oil limelight with a well completed for a daily flow of 744 barrels. The new well is on the Joe Copeland place half a mile south of the town. Bottom of the hole is 1,816 feet, production being topped at 1,798 feet. Another test east of Santa Anna was reported flowing at the rate of 8 barrels an hour.

The Stephenville Funeral Home started improvements and modernization last week which call for an expenditure of \$35,000. An annex, 48 by 104 feet, will be con-

How SMOOTH can a ride be?

THAT's a question well worth answering before you settle on your next automobile.

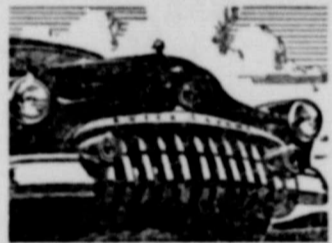

For what fun is there—what thrill—in a car that is prisoner to the city streets, slowed down by roads a Buick is built to take in stride?

So we'd like to show you just how smoothness your money can buy. How levelly you float over cobbles and car

tracks—over rutty gravel and wavy black-top—in this stunning traveler.

The car will be any Buick you prefer—SPECIAL, SUPER or ROADMASTER. You can name the place—pick a spot or a stretch you know so that you can measure Buick's smoothness against your own experience—and we'll promise you a new sensation in riding comfort.

The time can be any time you want to arrange with your Buick dealer—who is ready to

show with actual figures that "if you can afford a new car you can afford a Buick."

See him, will you, and treat yourself to some real comfort?

SEVEN POINTS OF THE WONDERFUL BUICK RIDE

1. Buick's smoothness starts with this heavy-duty frame.
2. A stout torque-tube serves like the keel of a battleship to steady the whole car.
3. Gentle coil springs, the latest type men know, let each wheel "step over" bumps individually, just as only the front wheels do on most other cars.

4. Low-pressure tires, mounted on Buick's own Safety-Ride rims, give firm traction, soft cushioning, less "heel-over" on curves.
5. Quick-action shock absorbers snub after-bounce promptly when you hit a bad bump.
6. Even the special way the engine is mounted batters the ride by preventing vibration build-up.
7. Dynaflo Drive* adds a crowning touch of silky smoothness by eliminating the check and jerk of gearshifting and by filtering the engine's thrust through a cushion of oil.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only Buick has Dynaflo—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-253 engine in SUPER models)
NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders, "double bubble" taillights
WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles
SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

A special election was held at Dublin last week to name city officials who heretofore have been appointed. Voters returned all the office-holders to their positions. A change in the form of government made it necessary for the people to elect the city secretary, tax assessor and collector, and city marshal.

Burglars entered the Burton-Lingo Lumber Co. office at Rowena Monday of last week and stole about \$40 from the safe. Papers and books taken from the safe were scattered about the office floor. Unsuccessful attempts were made to enter other Rowena stores. Officers were busy the first of the week seeking clues.

The Paint Rock Study Club is making a drive for funds to be used in park improvements. Good progress has been made on the park and the club women have other projects they hope to complete.

The Lone Star Gas Co. has leased a site two miles from Bronte, where it will erect a plant in the near future to make the gas, taken from wells in this sec-

There was a big jump in building at Coleman in May, permits being issued for \$58,069. This brought the total for the year to \$221,574. Listed in the May permits was the Coleman County Electric Cooperative's \$40,909 building. March was the largest month in 1950 when permits were issued for \$63,000.

Members of the Brown County Vegetable Growers' Association signed contracts at a meeting last week to plant 327 acres in lettuce this summer. The contracts were made with a Marlin concern, which will cut and harvest the crop and purchase it from the growers. An order was placed for 700 pounds of seed to be planted by the growers who signed contracts.

Approximately 250 Comanche county farmers and ranchmen have made applications for rural telephone service and others are being signed daily by a committee making a survey. Requests for the survey were made at a mass meeting held recently at which full information was given in regard to the proposed system. The work will be continued until all rural residents of the county have been contacted.

Miss Flynt Honored at Coffee Attended by Seventy-Five

The rush of prenuptial entertaining for Miss Eva Jo Flynt which has been society headline for the past week continued Monday with a coffee for which Mrs. Duke Jmerson and Mrs. O. J. Hubbard, both of Midland, aunts of the bride-elect, were co-hostesses at the J. P. Flynt home, 504 Fifth Street. About seventy-five guests called between the hours of 9:30 to 11 o'clock.

Mrs. Frank Flynt received guests and presented them to the hostesses, to Mrs. Joe Flynt, mother of the bride-elect, and to the honoree. Miss Flynt was wearing a cocoa brown organdy dressmaker frock with a white gardenia corsage.

The bride-elect's chosen colors, fuchsia, dusty rose and lime green, were emphasized in decorations, with arrangements of snapdragons, petunia and gladioli on the piano and on occasional tables.

The dining table was laid with a white damask cloth. Twin white satin covered wedding bands with nosegays of pink delight roses at the base which held white candles flanked a large central wedding band arrangement with the same roses. The table was appointed in silver.

Elsewhere in the rooms white daisies and gladioli were used.

Mrs. Elmer Shepperd presided at the silver service, and trays of doughnuts and cheese squares were served by Misses Norma Jean Hubbard of Midland and Paula Harvey, Mrs. Charles Hambrick served ripe cherries and pineapple tidbits from a unique bowl made from half a large pineapple.

Others in the house party included Mrs. J. P. Flynt, grandmother of the bride-elect and Mrs. W. D. Sanders of Winters, aunt of Miss Flynt.

Breakfast Another Courtesy for Miss Flynt

A Tuesday breakfast was the courtesy extended Miss Eva Jo Flynt by Mrs. Tex Bullock and Misses Elverie Sorrells and Barto Wade.

The Central Hotel banquet room was given a pretty floral decoration and a formal arrangement featuring a bridal scene, duplication of that planned for the wedding, dolls dressed in duplicate costumes the bride and her attendants are to wear. The bride wore a white satin gown, the attendants are to wear dusty rose, lime green and fuchsia. White pompon dahlias arranged in an aquamarine bowl which was encircled with the white flowers and fern centered the wedding scene. Ribbon streamers in the bride-elect's chosen colors were radiating from the bridal dolls to places marked

by miniature white horses attached to name cards designed with orchids.

Following the three-course menu, cutwork and embroidered linen pillow cases were presented the honoree as a host gift.

Other guests included the bride-elect's mother, Mrs. Joe Flynt, her aunt, Mrs. Duke Jmerson, of Midland, Mrs. Charles Hambrick, Mrs. M. E. Sweeney, Misses Martha James, Paula Harvey, and Cynthia Tuckey.

Rev. and Mrs. Gilbert Honored by Firemen's Auxiliary

Rev. and Mrs. Larry Gilbert, pastor of the First Presbyterian Church for the past two years, who are moving with their family to Hamilton where he will be pastor of the Presbyterian Church in that city, were complimented with a pot luck supper Thursday evening at the City Hall auditorium.

Hosts at the affair were the Firemen's Auxiliary members. Following the supper, gifts were presented Mrs. Gilbert.

Rev. Gilbert has been chaplain for the Ballinger fire department all the time he has made home here.

A profusion of garden flowers decorated the auditorium where the supper and social were held.

Auxiliary members who were hosts were Meses Tom McEntire, Chester Cherry, Cal Adair, K. V. Northington, Chester Afferbach, W. N. Selby, Henry Moody, Royce Mapes, Malcolm Morgan, Raymond Hash, Lynn Candier, D. G. Posey, Jack Fry, Lee Parker, Charles Webb, Bill Bell, B. B. Unsell and E. E. Avey.

Luncheon at Harvey Home Compliment for Miss Flynt

Miss Paula Harvey, who is to serve as one of the bridesmaids for Miss Eva Jo Flynt in her wedding on June 17, when she becomes the bride of Dr. Verne A. Scott, Jr., was assisted by her mother, Mrs. John D. Harvey, in entertaining at a luncheon as a compliment to Miss Flynt last Friday in their home on Seventh Street.

The centerpiece for the dining table was a lovely arrangement of pink carnations and roses, and the same flowers were used at the foursome table where a luncheon plate of pressed chicken, asparagus tips, pear salad, hot rolls, and strawberry shortcake was served. The plate favor was a

miniature lace dolly bride doll for Miss Flynt and bridesmaid dolls for the guests who were classmates of the honoree. They were: Misses Betsy Coffee, Wilma Duke, Gale and Catherine Hays, Deannie Rountree, Cynthia Tuckey, Mary Harral, Charlene Olsak and Clara Hill.

A piece of Franciscan china in the bride-elect's chosen pattern was presented to her as a hostess gift.

The group enjoyed a get-together following the luncheon.

Ballingerites at Tea Announcing Marriage of Miss Sims

A number of Ballinger women attended a tea last Thursday afternoon, hosted by Mrs. Scott L. Hartgrove, Mrs. Mack Hartgrove, Mrs. Wilson Hartgrove, all of Paint Rock, given in the Green Room of the St. Angelus Hotel, San Angelo. The affair was revealing the approaching marriage of Miss Cora Ellen Sims, daughter of Mrs. Ellen Sims, and Fred Campbell, son of Mr. and Mrs. E. S. (Ned) Campbell, all of Paint Rock.

The announcement was made by

embossed letters of "Fred and Kay—July 3" on napkins. The bride's chosen colors of yellow and white were featured in floral decorations. About 350 were included on the guest list.

County Home Demonstration Council Holds June Meeting

The Rannels county home demonstration club council met in regular session at 2:00 o'clock p. m., June 9, in the office of Miss Ollie Chenoweth, county home demonstration agent.

Mrs. B. M. Batts, president, presided for the meeting.

All clubs in the county except one were represented by their presidents or delegates.

Each club had held demonstrations on selection of good furniture and on house-cleaning made easier. Every club plans to send a member to the tailoring school to be held in the fall.

The T.H.D.A. report of the district meeting held in Abilene had been given in most of the clubs by the delegates attending the meeting.

The Drasco club reported that it had elected Mrs. H. O. Abbot president and Mrs. Woodrow Ballinger council delegate at a recent meeting. The club had added to its treasury by collecting dues and other ways.

The Victory club delegate gave the report that \$28.50 had been cleared by sponsoring the Stamps Quartet and by selling cakes. The

members are planning to donate \$5.00 to the Shamrock 4-H club.

The Bethel club donated \$5.00 to the 4-H round-up. The club gave two of its members a set of silver on their 25th wedding anniversary.

Delegates from the Norton and Crews clubs reported that these clubs had made several aluminum trays and that a copper tray had been made by the Crews club.

Two new members were added to the Crews club and one to the Winters club. Winters had a program on the study of China and served tea from china. Winters club members are busy sewing, and four hooked rugs are being made.

Gardens are beginning to produce now and several clubs reported canning beans and berries, and preparing these and spring fryers for lockers and home freezers.

The finance committee reported tentative plans for a club calendar to finance the council budget.

The chairman of the yearbook committee of each club is asked to be present at the July council meeting, to plan for next year's year book. The meeting will be

held after the council adjourns.

Mrs. Marvin Hays, recreation chairman, asked each club to prepare a skit for county rally day.

Mrs. Hedrick Shelburne, 4-H club chairman, reported on the 4-H style show, and stated that two 4-H club girls and one adult leader would attend the state 4-H round-up. The American Legion donated \$10.00 and the Chamber of Commerce of Ballinger donated \$20 to help pay the expenses of these delegates.

The council voted to have a county all-day rally at the Ballinger city park on August 30. Members will bring a basket lunch as usual.

The tailoring school, to be held in Ballinger in September or October, will be held all day two days for six weeks. Leaders who attend the school will make either a woolen coat or suit and will model their garments at a style show at the close of the school. They will then teach tailoring to members of their club.

"Measure Your Club" reports were turned in to the T.H.D.A. chairman.

The council voted to meet at 2:30 in the future.

Each club was asked to be sure to elect a nominee to the T.H.D.A. state meeting. From these nominees, a county T.H.D.A. chairman and two delegates to the state meeting will be elected by the council in the July meeting. A nominee should be a rural club member for at least one year and a resident of Rannels county.

reorganizing our state agricultural activities rests squarely with the State Commissioner of Agriculture." Fairey said that the commissioner should make comprehensive recommendations to the legislature calling for revision of statutes affecting the department and added, "he should make administrative changes in the department and reorganize personnel to meet present needs."

Fairey said that he felt economy and efficiency could be gained by bringing the department up to date.

The candidate also called for state attention to soil conservation and the development of wider and more stable markets for Texas agricultural products.

Fairey served four years as supervisor of the school land division of the Texas General Land Office. For the past six years he and Mrs. Fairey, the former Lucile Roberts, of Amarillo, and their three children have lived on a stock farm near Austin.

Abbott, Costello in 'Mexican Hayride' Lead off Week at Horseshoe Drive-In

Abbott and Costello come to the Horseshoe Drive-In Theatre this (Thursday) evening for two days in "Mexican Hayride," Universal-International's elaborate film version of the hilarious musical success which ran for 16 months on Broadway. Headlined with the two laugh champions are Virginia Grey, Luba Malina and John Hubbard.

"Mexican Hayride" was written for the stage by Herbert and Dorothy Fields and Cole Porter. Hundreds of special atmosphere players appear in the burlesque bull ring sequences and the set-

tings are said to be the most spectacular ever seen in an Abbott and Costello comedy.

A Hal Roach comedy, "Curly," starring Larry Olson, and "Frontier Badmen," starring Robert Paige make up the double-feature program at the Horseshoe Saturday night, June 17.

For Sunday and Monday, June 18, 19, the Horseshoe will present "Gypsy Wildcat," starring Maria Montez, Jon Hall and Leo Carrillo, which promises plenty of fast action and comedy. The entire

production is in Technicolor.

"All the King's Men," the Pulitzer prize winning novel in movie version is to be shown at the Horseshoe Tuesday and Wednesday, June 20, 21. This Columbia picture has a cast that includes Broderick Crawford, Joanne Dru, John Ireland, John Derek and Mercedes McCambridge in the leading roles.

"All the King's Men" is the story of a big shot who might have been a pretty good guy if too much power and women hadn't gone to his head. Crawford, reportedly in the greatest role of his career, portrays a magnetic politician with a gift for power, while Miss Dru, Ireland, Derek and Miss McCambridge are his pawns.

BALLINGERITES RETURN FROM LAKE IN MEXICO

Guy Swann, W. O. Wallace and Bill May returned home Monday night from a fishing trip to Sugar Lake in Mexico. The three Ballinger men, who were accompanied by Carl Pitts, of Mason, report an excellent outing.

About 200 pounds of catfish were caught and the men had good quarters, boats, guides and fishing equipment. Sugar Lake is comparatively new and is attracting many fishermen from this side of the border. The Ballingerites said it was 457 miles from here and that most of the route was good road. Miss Witter, Jack Kopecky Wed in Home of Bride's Parents

The home of Mr. and Mrs. Everett Witter, east of Ballinger, was the setting for the marriage of their daughter, Helen Pauline, to Jack Kopecky, son of Mr. and Mrs. C. W. Kopecky of Rowena at 8 o'clock Friday evening.

The Rev. B. J. Martin, pastor of the First Baptist Church, read the double ring ceremony before a group of windows banked with woodwardia fern and palms which formed the background for bas-

kets of white gladioli and calla lilies. Seven-branched floor candelabra holding white tapers completed the twilight wedding scene.

Mrs. Robert Bruce, pianist, played a program of music appropriate to the nuptial hour as guests were assembling and also played soft music as Miss Nancy Guynes lighted the candles. Mrs. Bruce also played the bridal procession.

Wearing a dress of imported Swiss organdy, the bride was given in marriage by her father. The

two-piece frock was designed with an unpressed pleated skirt attached to a close-fitted strapless bodice, fashioned with a high neckline over-bodice with a tiny organdy tie which created a one-piece illusion in ballerina length. Embroidery designs blending from pink to orchid accented the under bodice and the skirt. Her shoulder length veil of organdy fell in graceful lines from a shirred cloche of matching organdy which was outlined with orange blossoms.

The bride carried a white Bible, a gift from the bridegroom, topped with an orchid and showered with ribbons. For something old and borrowed she wore a diamond bar pin belonging to her mother.

Mrs. Doyle Condra, sister of the

bride, was the bride's only attendant. She wore a pink organdy frock styled like that of the bride's. Her shirred pink organdy headdress was finished with a large pink bow at the back. She carried a Colonial bouquet of daisies set in white satin and net puffs.

Attendant for the bridegroom was Melvin Witter, brother of the bride.

Mr. and Mrs. Witter were hosts for a reception following the wedding. The bride's table, set in the garden, was laid with an imported handdrawn and outwork linen cloth which was centered with an arrangement of pink daisies and fern, flanked by triple crystal candelabra which held white tapers. Baskets of daisies and abellas were placed about the gar-

den. Miss Dorothy Bruce presided at the three-tiered all-white decorated cake and Miss Charlotte Miller laded punch. Mrs. Powell Wear registered guests in the bride's book. Others assisting in the houseparty were Mrs. Melvin Witter, Mrs. Pat Davis, Mrs. Howard Harrington of Alpine, and Mrs. Rex Nixon of Stephenville.

The couple left on a wedding trip to Ruidosa, New Mexico. For traveling the bride wore a Viola Dimmit original dress of navy nylon Kio Kauyl with navy accessories and an orchid corsage.

Upon their return Mr. and Mrs. Kopecky will be at home at 1610 Austin Avenue, Georgetown, where both will be students at Southwestern University.

The bride is a graduate of Ballinger High School, Colorado Women's College and Southwestern University, Georgetown. She also attended Texas Tech., Lubbock. She was a member of Delta Zeta and Pi Gamma Mu organizations. She has been a teacher in the Lockhart Public Schools the past two years.

The bridegroom is a graduate of Ballinger High School. He served two years in the Navy, and is now attending Southwestern University. He was a member of the college tennis team two years, and a member of the "S" Association, and pledged Kappa Sigma fraternally.

Out-of-town guests for the wedding included Dr. and Mrs. Joe Kopecky of San Antonio, Dr. and Mrs. Hal Cooper of McCamey, Mr. and Mrs. Howard Harrington of Alpine, Mr. and Mrs. W. J. Schwartz of Alpine, Mr. and Mrs. Rex Nixon of Stephenville, Mr. and Mrs. W. J. Schwartz of San Angelo, and Miss Natilynne Williams of Austin.

Friends at Lockhart Entertain for Miss Witter

Miss Pauline Witter, who was married to Jack Kopecky Friday evening, was entertained at sev-

eral pre-nuptial affairs at Lockhart by friends.

Miss Martha Teal entertained members of a contract club of which Miss Witter was a member while teaching in the Lockhart schools.

Gifts by members were presented the honoree.

Mmes. Ruth Dabroe, Betty Pope, Fran Thomas and McBride were hostesses at a coffee and a kitchen shower.

Mrs. Forrest Wilson was hostess to members of a contract supper club when a lovely bedspread was presented the honoree.

Better for you

FAST . . . electric "speed-units" now cook faster than any other method. They bring food to cooking temperature with unbelievable speed, and cook it at just the right temperature for the most flavorful and nutritious results.

COOL . . . the heat goes directly into the food and not into the air and kitchen. The days of hot, stuffy kitchens are over when you use flameless, clean electric cooking.

SIMPLE . . . as turning on your kitchen light. A flick of the switch and you're ready to cook. Baking, broiling, roasting, surface, deep-well, and pressure cooking are all equally simple.

AUTOMATIC . . . you've got a thrill coming when you can take the afternoon off, and have your supper ready for serving when you return. Electric cooking's automatic timing will "chef" for you, turning your oven on and off at just the right time, while you are enjoying a game of Bridge or Canasta.

Better for your home

CLEAN . . . you have freedom from combustion. No smoke, soot, fumes, or odors can come out of an electric coil to make your kitchen walls dark and dingy. This clean, flameless heat helps keep pots and pans bright, too.

CONVENIENT . . . once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods, as old-fashioned as flame lamps.

MODERN . . . electricity is as dependable a servant for cooking as it is for lighting your home. Yes, today, the modern way to cook is the "electric way."

LONG LIFE . . . your electric range is built to be a permanent part of your home. You have a right to expect—and you will get—many, many long years of cooking pleasure.

Better for your family

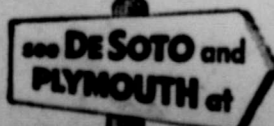

SAFE . . . no matches, no fire, no fumes to bring hazards into your kitchen. Since electric cooking is flameless, no oxygen is removed and the air is not over charged with nitrogen to sweat up the walls.

HEALTHFUL . . . less water is used when cooking electrically; foods cook in their own juices, retain garden-fresh flavor and food values which are so often lost and carried off with the fumes of combustion in other methods of cooking.

ECONOMICAL . . . there's no wasted heat with electricity. Faster than ever, electric cooking gets the job done quicker and low-cost electric cooking rates bring operating costs way down.

MORE FREEDOM . . . your electric range requires less attention from you in the kitchen; its automatic features free you to devote more time to your family, more time to the pleasures of life. Its gleaming porcelain is so easy to keep clean . . . you'll be out of your kitchen in a jiffy after mealtime.

Almost everybody has a good word for the immensely popular Pontiac. The most enthusiastic spokesmen are those who own this great car. The facts behind this admiration of Pontiac are very simple—
