

THE BALLINGER LEDGER

VOLUME 64

BALLINGER, TEXAS, THURSDAY, AUGUST 3, 1950

NO. 41

3 Service Clubs Pushing Sale of Baseball Tickets

Ballinger's three service clubs have launched a campaign for the sale of 6,000 baseball tickets to insure finishing the Longhorn League season. In case the quota is met T. J. Mansell will take over as head of the organization and continue the schedule until the closing date, September 12.

A number of changes also loom for the club which will cause the release of some players and put new faces in the lineup.

Y. B. Johnson, a starting pitcher on last year's team, will be here for the game tonight and will hurl against the Roswell Rockets. Johnson has been pitching this year and has been more effective than he was in 1949. He will be with the Cats for home games the remainder of the season if the club is continued.

Mr. Mansell said today that he had fair prospects for several other players who would help the locals and expected to get answers

within a few days from all contacted.

Representatives of service clubs selling the big block of tickets have been meeting with decided success to date. Half the tickets had been sold Saturday and committees are continuing the drive and intend to cover the town and county.

These tickets sell at 74 cents each and will be honored at any time during the 1950 season. Firms purchasing blocks of tickets may use them for advertising purposes and give them to customers and friends. Individuals who wish to buy smaller amounts may secure any number they desire and use them for admission to games any time.

Every baseball fan is urged to purchase some of these tickets. A successful sale will guarantee continuing baseball here the rest of the season and possibly in the future.

County's Oil Production Shows 28 Separate Fields

Elmer C. Simpson, with the Texas railroad commission, oil and gas division, was guest speaker at the Ballinger Lions Club meeting Friday and gave some details on production in Runnels county.

Mr. Simpson served in the production division of the Magnolia Oil Co. for 30 years and 2 months ago since retiring two years ago has been in charge of the San Angelo office of the state commission, which has jurisdiction in Runnels county.

The speaker told his hearers that there are at present 28 recognized and named fields in Runnels county and that others would be recognized by the first of next week. There were 162 producing wells in Runnels county Friday morning and several others were to be added the past week-end. Monthly allowable production is 207,109 barrels, a figure which is being increased daily. He added that there were now 11 wells in the county upon which no allowable has been set.

The speaker called attention to the leasing, royalty sales, work of exploration crews and the vast use of trucks in serving this section. He stated that the use of trucks for transportation would run into an enormous sum.

Forty-nine approvals were given for drilling permits last week, the speaker said, and 36 rigs were being operated Friday morning. A low estimate on salaries of crews on the rigs in operation in this county Friday was said to be \$900 a day or a monthly payroll of \$270,000 for workers only. This does not take in consideration the expenses for pumps, truckers and many others operating oil field service houses.

Reference was made to the big expense underway at this time by the Humble Pipeline Co. in laying lines in Runnels county to gather oil at the wells and be pumped through the station south of Ballinger.

The speaker told Ballinger Lions he hoped they were getting their share of the business from the huge industry. He added that it was available but that there were certain needs in every town which must be met. He did not go into this subject but will speak to another service club here next Tuesday, at which time he will give his views on this angle.

Twenty-three of the fields in Runnels county were listed, giving the number of producing wells and the annual allowable of each. They are:

Aldridge field, 4 wells, 2,848 barrels allowable
Ballinger field, 5 wells, 862 allowable
West Ballinger, 2 wells, 4,960 allowable
Beddo, 10 wells, 4,159 allowable
Beddo, Dankworth lime, 2 wells, 1,860 allowable

Burt, 5 wells, 12,400 allowable
Clayton, 2 wells, 315 allowable, one gas well

Florence, 5 wells, 9,240 allowable
Fort Chadbourne, 39 wells, 68,735 allowable

Giesecke, 1 well, 93 allowable
Jim Adams, 11 wells, 14,107 allowable

Jimbur, 3 wells, 2,480 allowable
Leonard, 11 wells, 6,762 allowable

Lloyd, 4 wells, 12,400 allowable
Murray-Stevens, 3 wells, 4,109 allowable

North Miles, 1 well, 93 allowable
Norton, 1 well, 155 allowable

Winters, 2 wells, 2,635 allowable
North Winters, 13 wells, 13,708 allowable

Winters-Cisco, 1 well, 1,860 allowable
Winters-Serratt, 1 well, 1,860 allowable

Winters-Strawn, 8 wells, 9,051 allowable
North Beddo, 2 wells, 2,480 allowable

It was stated that application had been made for the Sykes field, east of Winters, where a producer has been brought in from the Gardner horizon.

Mr. Simpson stated that two gasoline plants probably would be erected in the northern section of the county to extract bi-products and return the gas to the earth.

Firms operating in Runnels county at the present time include:

Anton Oil Co.
Humble Oil Co.
Hiawatha Oil Co.
Richard King
S. C. Herring
Lester & Duffield
O. P. Leonard
Jay Kirkham
Maumee Oil Co.
E. S. Price
N. P. Powell
Easterwood Co.
Chapman & McFarland
Sells Petroleum Co.
Saxon Oil Co.
American Trading and Production Co.

Guy Mabee Drilling Co.

LaGloria Corp.
C. W. Strake
Warren Oil Co.
Couch & Flaisted
Southern Minerals Co.
British-American Co.
Kingford Oil Co.
O. W. Killam
Exploration and Drilling Co.
George Callihan
Pulwiler, Pulwiler, Harkrider & Howse

Fred M. Manning
William Hamm, Jr.
Texas Union Oil Co.

The speaker said other operators might have come in since this report was made up.

He said every indication pointed to rapid development in this county.

WAITING FOR MOVEMENT TO HOSPITALS . . . Somewhere in Korea wounded G.I.'s lie on the ground waiting for transportation to hospitals. They were out of the battle as American guns poured destruction on Communist targets from solid new positions on the Kum river. As the U.S. artillery poured in heavy fire, the northerners moved to positions on the north bank. The Reds responded with sporadic artillery and mortar fire. The return fire showed that the northerners were arriving on the north bank to force. Some of the North Korean attackers were veterans of the campaign in Manchuria, fighting for the Communists against the Chinese Nationalists.

Board Receives Money For 2 School Buildings

The Ballinger school board received the money from the sale of bonds for two new buildings Saturday and will rush preliminary work as fast as possible in order to advertise for bids and award a contract soon.

Buiford & Feinberg, Dallas architects, had representatives here the past week-end to survey the proposed site for the negro school and get other information. The site surveyed is in the colored park at the south end of Eighth Street near the new recreation building. Necessary foundation height was estimated and will be incorporated in the plans and blueprints. A representative of the firm will be here this week with complete blueprints on this building and the elementary building to be constructed on Eighth Street on the junior high school campus. The elementary building will be of brick, a one-story structure with 12 classrooms. Material for the negro school has not been definitely decided but will be either of stucco or brick.

The board will go over the final plans and blueprints this week and if they are accepted, advertisements for bids will be published. After three weeks bids will be opened and a contract awarded.

Miles, Goodfellow To Play Saturday In Benefit Game

Ballinger baseball fans have a treat in store Saturday night when the Goodfellow Field Skyhawks of San Angelo meet the Miles Giants of the Concho Basin League in a game at Cat Park.

This game is being played here as a benefit for the Ballinger baseball club and all proceeds will go to the local management to help defray expenses of the club the remainder of the season.

Members of the Goodfellow and the Miles clubs are offering their services free and the Ballinger management will provide the ticket sellers and takers, concession operators and other workers.

The Giants and the Skyhawks played a 2 to 1 baseball game last week. Both clubs have excellent material and will present a good game with plenty of hustle.

City Drug Store Has New Owners; To be Modernized

Mr. and Mrs. R. O. Bobo, formerly of Muskogee, Oklahoma, have purchased the City Drug Store and will start an improvement and modernization program at once to get the store ready for the service they plan to offer.

The business was purchased from George Holman, who operated the store for the past 43 years and who recently retired because of poor health. Mr. Holman sustained a heart attack several months ago. He stated that in retiring he wished to thank the people who had been loyal patrons and friends during his long time in business.

Mr. Bobo served with a bank in Muskogee for many years and comes to Ballinger to enter business for himself and plans to operate a modern store in every detail. He and his wife will be glad to meet the people of this section.

A new and modern soda fountain has been bought and is to be delivered soon. New rows of booths will be installed through the center of the store for fountain service, replacing tables and chairs. Floor displays will be arranged for drugs and new stools will face the fountain.

A new ceiling, light fixtures, interior decorations and floor covering will be installed. Mr. Bobo said no prescription department would be maintained but a complete stock of drugs, cosmetics and other items would be carried.

Coleman-Runnels Boundary Talked At Meeting Here

Members of the commissioners' court of Coleman county were here the past week-end to meet with Runnels county commissioners to discuss the making of a definite boundary line between the two counties.

The need for such a line has been caused by oil development in the two counties and the need of more accurately determining land in each county for the purpose of assessing taxes and making values for renditions.

The Thomas Y. Pickett Co., of Dallas has been employed by each county to make assessments of each industry and it was decided to let this company determine the county boundary line.

Most of the Runnels county renditions have been made and the commissioners' court will meet as an equalization board on August 14. At that time any person not satisfied with his assessment may appear and show cause why it should be changed.

Because of oil development in this county, the rolls are expected to show a decided increase in values this year.

Approval Given Building Permits On Six Projects

The city commission approved six building permits the first of the week. Some of the construction has already been started and other work will get underway at once.

Bill Moore will construct a \$2,000 addition to a cotton storage house at his gin plant on South Eighth Street.

A. A. Watson received a \$3,500 permit for a 30 by 50 foot structure for the Seventh Street Church of Christ located on Seventh Street between East and Largent avenues.

A \$1,200 permit went to C. W. Lamkin for a residence on Fourteenth Street between Pou and Sargent avenues.

Roy Hull was granted a \$750 permit for an addition to a retail store on Eighth Street.

C. S. Florence, local contractor, received approval on a \$10,000 permit for a residence on Largent Avenue in Wilke Terrace.

Roy Morgan received approval on a \$750 permit for remodeling a moved-in house on Twelfth Street between Pou and Sargent avenues.

Sally Bailey has returned from Mineral Wells and Fort Worth, where she attended the state youth group meetings of the Christian Church.

Democrats Oppose Tidelands Ruling; For Administration

Attendance was light at the Runnels county Democratic convention, held here Saturday in the district court room of the court house.

Homer Huggins, county chairman, called the meeting to order and H. Dale was elected convention chairman and Cloud Mansell secretary.

Two resolutions were presented and approved by the convention. The first expressed disapproval of the tidelands decision and the second was approval of the administration in general. Convention members instructed the county delegates to vote as a unit.

Delegates elected to attend the state convention, to be held at Mineral Wells on September 12, are: Mrs. W. E. Little, B. A. Lott, Homer Huggins, Milton Clayton, Dorsey Read, Troy Simpson, W. T. Billups, Harvey Jones, W. H. Rappy, Ralph Osborne, Robert Bruce, Mrs. Robert Bruce, H. E. White, Chester Cherry, C. J. Robinson, H. E. White, Henry Teplicek, E. C. Grindstaff, O. L. Parish, Wayne Roberts, W. W. Alder.

Dr. A. T. Taylor, Albert Puritoy and Frankie Berryman spent the past week-end at Vernon, visiting in the home of Dr. Taylor's parents, Mr. and Mrs. Charles Taylor.

Mr. and Mrs. Ivan C. Gonyon, of Odessa, were here this week en route to their home after a vacation trip in Colorado. Their two children visited here with their grandmother, Mrs. T. A. Crockett, while their parents were away.

Mr. and Mrs. Walter Crockett, of San Angelo, visited in the home of relatives here Sunday.

Three Producers Finalled In Runnels County Fields

Two wells in the Fort Chadbourne field and one on the Taylor county line in northeastern Runnels county were completed this week.

Fred M. Manning, Inc., No. 6-S. L. McNay, in the Fort Chadbourne field, was completed the first of this week. On a 24-hour gauge the well made 432 barrels.

Humble No. 14B-Sallie Odum was finalled for a daily production of 439.61 barrels.

J. D. Andrews and others No. 1-Ray V. Willis is a Cisco sand strike in the northeastern part of Runnels county near the Taylor county line. On a 24-hour test the well made 131 barrels of 40.5 gravity pipeline oil.

The O. W. Killam No. 1-I. W. Conway, in the Beddo field, will

be drilled to 3,900 feet. The location is near production.

Humble No. 18B-Sallie Odum is to be drilled to a depth of 6,000 feet in the Fort Chadbourne field. Ted Welner and others and Anton Oil Corp. have applied for a permit to test the Winters Serratt sand in a 2,500-foot hole on the Mrs. M. J. Arnold place.

Saxon Exploration Co. has staked two offsets to the G. B. McCree No. 1-O. C. Sykes, east of Winters. Both wells will be started by August 5 and are to be drilled with a rotary rig. Projected depth of each is 4,500 feet.

One well will be on the Sykes ranch and is an eastern offset to the Gardner sand producer.

The second offset is to be drilled on the Sam Mathis place to the south.

Ballinger Rancher Offers Land for Livestock Barn

The agriculture committee of the Ballinger Chamber of Commerce is striving to complete plans for the erection of a livestock barn to be used by the F. F. A. and 4-H club boys of this county. The committee is working with two groups of boys and their leaders and expects to have the new show barn built before February of next year.

J. W. Barr, long time ranchman of Runnels and Concho counties and now a citizen of Ballinger, has offered a five-acre tract for the building site. This land is situated just south of the Colorado River bridge on the Palmtown Rock highway. Mr. Barr told the committee he would give the land provided the city would pipe water to it for use in feeder projects and at shows.

Several groups met Tuesday morning to look over the site and measure the length of water line necessary to tie it into the city system.

Mr. Barr has become interested in providing a suitable place for the boys to hold their shows and use for their projects and has given assistance in numerous ways. His gift of the land is greatly appreciated by the boys' groups, their leaders and members of the livestock committee.

Joe Satterwhite, chairman of the committee, stated Tuesday that PMA officials were having the tract surveyed and that another group was securing plans for the building. When this is completed a meeting will be held to approve the plans and consider the costs.

Several years ago a local group raised some \$3,000 for the erection of a livestock barn. This money has never been spent and is still in the bank. The 4-H club boys made more than \$500 on their square dance here June 29 and the F.F.A. chapter will contribute a similar amount. Members of the committee stated that additional money probably would have to be raised to construct the kind of building needed.

It is hoped that all details can be settled by sometime next week and a definite announcement made.

Mr. and Mrs. Floyd Sims and children, Dianne, Tommy and John, of Winters, were week-end guests of Mrs. E. L. Rappy.

NOTICE FOR BIDS FOR OIL, GAS AND MINERAL LEASE to be Submitted to the COUNTY BOARD OF SCHOOL TRUSTEES
Runnels County, Texas and the TRUSTEES OF NORTON RURAL HIGH SCHOOL DISTRICT Runnels County, Texas

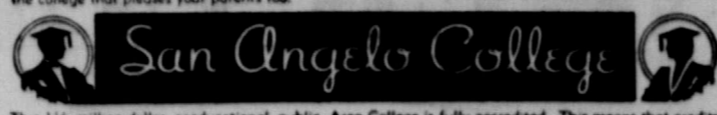

Notice is hereby given that the County Board of School Trustees, Runnels County, Texas, and the Trustees of Norton Rural High School District, Runnels County, Texas, will receive and consider in the office of the County Superintendent at Ballinger, Texas, written bids for the leasing for oil, gas and mineral purposes of the following described tract of land owned by the County Board of School Trustees of Runnels County, Texas, and situated in Norton Rural High School Dis-

trict, Runnels County, Texas, and more particularly described as follows, to-wit:

FIRST TRACT: 4 1/4 acres of land in Runnels County, Texas, of the Northwest one-fourth of the H. & G. N. Ry. Co. Survey No. 9, Abstract No. 274, described by metes and bounds in the deed executed by W. B. Hodges and wife, N. E. Hodges, to M. Kieberg, Jr., County Judge of Runnels County, Texas, now of record in Vol. 94, Page 54, Deed Records of Runnels County, Texas, to which deed and the record thereof reference is here made for better and more complete description thereof.

SECOND TRACT: 2 1/4 acres of land in Runnels County, Texas, of the Northwest one-fourth of the H. & G. N. Ry. Co. Survey No. 9, Abstract No. 274, described by metes and bounds in the deed executed by R. B. Hambright and wife, A. E. Hambright, to Norton

CHOOSE the college that knows what you want and need in higher education and will help you get it. That's San Angelo College. The College is the beauty spot of your own area's biggest city—center for cultural, educational, recreational and religious activities, as well as a nerve center for trade and commerce. You will find it to your advantage to have your freshman and sophomore college years near home in the college that pleases your parents best.

This 115-million dollar, coeducational, public, Area College is fully accredited. This means that credits earned at San Angelo College are recognized at the leading colleges and universities. The curricula include fine arts, pre-professional and terminal courses. The entire plant is new and the 60-acre campus is most attractively landscaped. Twenty-two years of successful, effective, economical, higher education. Small classes. Personal attention. Write for catalogue and for reservation blanks in the College's new dormitories.

Independent School Board, now of record in Vol. 182, Page 641, Deed Records of Runnels County, Texas, to which deed and the record thereof reference is here made for better and more complete description thereof; and

THIRD TRACT: 1 acre of land in Runnels County, Texas, of the Northwest one-fourth of the H. & G. N. Ry. Co. Survey No. 9, Abstract No. 274, described by metes and bounds in the deed executed by R. B. Hambright and wife, A. E. Hambright, to Norton Independent School Board, now of record in Vol. 188, Page 507, Deed Records of Runnels County, Texas, to which deed and the record thereof reference is here made for better and more complete description thereof.

Each such bid shall be in writing and signed by the person or persons making the same, and must be received in the office of the County Superintendent at Ballinger, Texas, on or before 10:00 o'clock a. m. on the 5th day of August, 1950, on which date any bids so received will be considered by the County Board of School Trustees of Runnels County, Texas, and the Trustees of Norton Rural High School District, Runnels County, Texas, at a public

hearing held for that purpose at 10:00 o'clock a. m. on said date in the County Court House in the City of Ballinger, and, if accepted and approved by said County Board of School Trustees of Runnels County, Texas, and by said Trustees of Norton Rural High School District, Runnels County, Texas, said lease will be awarded to the highest and best bidder submitting a bid therefor.

The oil, gas and mineral lease to be executed shall provide substantially the following:

(1) For a primary term of not more than ten years from the date of execution thereof, and so long thereafter as oil, gas or other minerals may be produced.

(2) For royalties payable to Lessor as follows:

(a) on oil, one-eighth of that produced and saved from said land, the same to be delivered at the wells or to the credit of Lessor into the pipe line to which the wells may be connected; and Lessee may from time to time purchase any royalty oil in its possession, paying the market price therefor prevailing for the field where produced on the date of purchase;

(b) on gas, including casing-head gas or other gaseous sub-

stances, produced from said land and sold or used off the premises or in the manufacture of gasoline or other product therefrom, the market value at the well of one-eighth of the gas so sold or used, provided that on gas sold at the wells the royalty shall be one-eighth of the amount realized from such sale; where gas from a gas well is not sold or used, Lessee may pay as royalty \$100.00 per well per year and if such payment is made it will be considered that gas is being produced within the meaning of other provisions of said lease; and

(c) on all other minerals mined and marketed, one-tenth either in kind or value at the well or mine, at Lessee's option, except that on sulphur mined and marketed the royalty shall be fifty cents per long ton.

(3) Lessee, at his option, is given the right and power to pool or combine the acreage covered by said lease, or any portion thereof, with other land, lease or leases in the immediate vicinity thereof, when in Lessee's judgment it is necessary or advisable to do so in order properly to develop and operate said premises in compliance with the spacing rules of the Railroad Commission of the State of Texas, or other lawful authority, or when to do so would, in the judgment of Lessee promote the conservation of the oil and gas in and under and that may be produced from said premises, such pooling to be into a unit or units not exceeding forty acres each.

(4) That Lessee at his election may from time to time select an aggregate of not more than one-half of the surface area of the tract of land above described upon which to carry on and/or conduct the operations required, authorized or permitted under the terms of said lease and in addition a right or rights of way over and across said tract of land to obtain access to and egress from such surface area or areas so selected by

Lessee; and

(5) Such other and additional terms and provisions as may be agreed to and approved by the County Board of School Trustees of Runnels County, Texas, and the Trustees of Norton Rural High School District, Runnels County, Texas.

If in the judgment of the County Board of School Trustees of Runnels County, Texas, and/or the Trustees of the Norton Rural High School District, Runnels County, Texas, any or all of the bids submitted do not represent the fair value of such lease such

governing bodies in their discretion may, and the right is reserved to, reject the same.

You're a *Man Alive...*

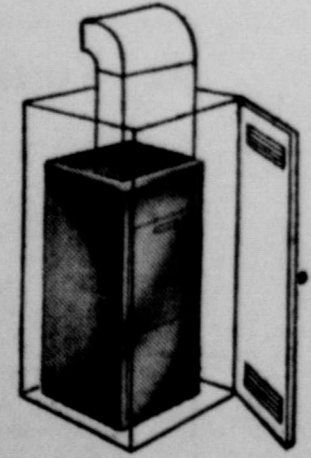

...when you've slept in the comfort of Forced Air Central Gas Heating!

Owners say that *man alive* feeling early in the morning is a stirring experience, after modernizing their present home or building a new home with a forced air central gas furnace.

As you climb into bed a forced air central gas furnace drops room temperature to a fuel-saving, comfortable sleeping level. No windows to open. No heavy bed-covers necessary. Your entire family is snug under light covers in the chill-free, fresh from the out of doors air the furnace circulates all night.

When the alarm goes off, your home is luxuriously warm again—automatically. You've rested better. You're invigorated. Man, you're alive.

And you will agree when you read the facts below, forced air central gas furnaces are practical! Why not see your heating contractor or Lone Star Gas Company, today?

...so practical!

... Forced air central gas furnaces like the one shown here are installed in a small closet. Other types are installed in the attic, under the floor, in walls.

... Planned as part of a home, forced air central gas furnaces add two or three dollars to monthly payments—so little difference from a house with no heating equipment.

... For your present home you can get a forced air central gas furnace installed for a small down payment. Convenient monthly payments up to 36 months are available.

... Don't delay! Get your equipment now so avoid delay, discomfort and inconvenience which will occur if you wait until winter.

Typewriter ribbons at The Ledger Rags wanted at Ledger office.

COUNCIL OF CHURCH WOMEN HAS PROGRAM HERE MONDAY

Approximately thirty women of local churches in Ballinger were present for the regular meeting of the Ballinger Council of Church Women which was held Monday in the First Presbyterian Church on Broadway.

Mrs. Joe Forman, council president, presided for the meeting after Miss Maggie Lilly brought the opening prayer. Mrs. Forman launched the ecumenical register of protestant women in the United States. The goal is one million women registered by October 31. Mrs. John I. Guion was at the

organ for the prelude, offertory and the hymn accompaniments, and Mrs. Alex McGregor directed the song service. Mrs. Q. V. Miller, program chairman, presented Mrs. Felix Itz, who discussed "New Testament Women in a Modern Setting."

Mrs. J. W. Barr was the installing officer when the following officers were installed for the ensuing year: president, Mrs. Joe Forman (to serve until September); vice-president, Mrs. Troy Simpson; secretary, Mrs. J. O. Satterwhite; and treasurer, Mrs. H. H. Holland. The following chairmen were named: world missions

and World Day of Prayer, Mrs. Q. V. Miller; Christian social relations, Mrs. Herbert Sanders; Christian World Relations, Mrs. Bill Stultz. One representative from each of the seven local churches will serve on the executive committee.

A total of \$26.18 was contributed at the offertory.

Good planning and close figuring may keep Texas farmers on the black side of the ledger this year but the need for sound farming and business-like management is increasing by the hour.

RAMSEY THANKS TEXAS VOTERS

BEN RAMSEY, run-off candidate for Lieutenant Governor, thanked Texas voters this week for the vote they gave him in the July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude," and asked his supporters to continue the fight and elect him Lieutenant Governor in the August 26 second primary. Ramsey is the only experienced candidate in the race.

(Pol. Adv.—Paid for by Joe Brown and other friends of Ben Ramsey)

If Your Diet Is Deficient in Vitamin B this great new formula can help you build

RICH RED BLOOD

...help you curb diet deficiency symptoms like

UNDERWEIGHT

WEARINESS

CONSTIPATION

FATIGUE

BACKACHE

'NERVES'

Do you sometimes wonder what in the world can be the matter with you? You know that you have no diseases, no infections...yet you're always "out" on your feet, constantly over-fatigued, nervous, weak, irritable, cheerless. (This is especially true of older people.) Well, scientists have learned that such a condition may be due to the simple fact that you do not get enough B-Vitamins in your diet.

BEXEL SPECIAL FORMULA MAY DO WONDERS FOR YOU
 Naturally it is wise to consult your doctor, since such a condition may be due to other causes. But if mild Vitamin-B and Iron deficiencies are the cause of your bodily distress,

then a great new scientific discovery, Bexel Special Formula, may do wonders for you! It may be exactly what you need for glowing, vibrant, good health.

Everybody knows the importance of Iron in your diet to help you build RICH, RED BLOOD. Well, just ONE capsule of Bexel Special Formula (that's all you take a day) contains 5 times the minimum daily requirement of both Iron and Vitamin B. Also Choline, Inositol and Liver in supplementary quantities!

YOU MUST FEEL BETTER OR YOUR MONEY BACK!

Try Bexel Special Formula for just 30 days. If you don't feel better... definitely, noticeably better...we'll refund your money without question!

So today, get Bexel Special Formula B-Complex Capsules... product of McKesson & Robbins.

Brothers to Hold Revival at Talpa

Joe Trussell, internationally-known gospel singer, will direct the music for a revival at the Immanuel Baptist Church of Talpa, beginning Sunday August 6, and continuing through two Sundays, closing August 13.

Joe Trussell

Mr. Trussell has sung before the Baptist General Convention of

Texas, the Southern Baptist Convention and the Baptist World Alliance, has appeared on many radio programs and has made gospel recordings which have proved to be good sellers.

Rev. Gerald Trussell

His brother, Rev. Gerald Trussell, pastor of the First Baptist Church of Homer, Louisiana, will do the preaching, and Mrs. Joe Trussell will be at the piano for the services.

The following special nights will

be observed:
Monday, Church Leadership
Tuesday, Men and Boys Night
Wednesday, Sunday School and Training Night
Thursday, Women and Girls Night
Friday, Family Night
Saturday, Young Peoples Night
Sunday, High Attendance Day.
Services will be held twice daily at 10 a. m. and 8:15 p. m. The public is invited.

Good Prices Paid At Auction Here

A total of 135 head of livestock was put through the ring at the sale Tuesday afternoon at the Ballinger Auction & Commission Co. barns. Buyers were here, the bidding was fast, and prices were excellent.

Fat calves sold at 25 to 30 cents, cows and calves at \$175 to \$285, stockers went as high as 30 cents, lambs sold at 24½ cents, ewes as high as 15½ cents.

The demand was good for all animals offered and the sale next week is expected to attract more livestock and numerous buyers.

IN SOCIETY

Mr. and Mrs. Roy Cochran Honored at Dinner Party

Mr. and Mrs. Roy Cochran, of Levelland, who are house guests of Mr. and Mrs. Oliver Cochran and Mr. and Mrs. Ernest Caskey, were named honor guests at a dinner party at which Mr. and Mrs. Caskey were hosts in their home on Eleventh Street Saturday evening.

After the two-course barbecue chicken menu was served in party rooms decorated with arrangements of asters and feverfew, games of bridge, canasta, and forty-two were played with bingo awards going to Mrs. S. E. Cloninger and K. V. Northington. The hosts also presented gifts to the honor guests.

The other guests were: Messrs. and Mmes. Oliver Cochran, K. V. Northington, E. C. Grindstaff, H. J. Zappe, S. E. Cloninger, Curtis Bryan, Levy Lee, George Newby, John Barton, W. J. Hembree, Alex McGregor, E. H. Boelsche; and Miss Marryatt Smith.

Mr. and Mrs. Hill Hampton Honor Ball Club Members and Wives

Mr. and Mrs. Hill Hampton and

twin daughters, Judy and Jane, were hosts to members of the Ballinger Cats baseball team and their wives last Friday evening at a chicken barbecue supper at the Ballinger Country Club.

Following the menu which was served on the screened porch at the club, the group enjoyed dancing to nickelodeon music. Others besides the team and wives were Mr. and Mrs. Doc Huddleston and Mr. and Mrs. Guy Swann.

SOUTH BALLINGER CLUB TO MEET NEXT TUESDAY

The South Ballinger home demonstration club will meet in the home of Mrs. Roy Holstead on Tuesday, August 8. All members are urged to be present. Trays will be made at this meeting, which will be an all-day affair.

Mr. and Mrs. M. C. Dodge and daughters, of Hawley, were weekend guests of relatives here.

Mr. and Mrs. W. G. Pritchert and daughter, of Abilene, visited friends in Ballinger Sunday.

Capt. Dean Aiken, a former Bruce Field cadet, was here Saturday for a short visit with friends.

World War Hero Audie Murphy Scores As Western Star in Universal's 'Sierra'

"Sierra," Universal-International Technicolor film to be shown at the Texas Theatre in midnight preview and Sunday and Monday, August 6, 7, is said to be full of those ingredients that bring the whole family to the theatre. Romance, action and color with a background of wild horses add up to an outdoor picture promising to earn Audie Murphy, World War II hero, a permanent place among the roster of strong, silent stars. As the feminine foil Wanda Hendrix plays a woman lawyer of the Early West. A love for her man makes for poignant scenes between these two youngsters. It is an apt vehicle for Audie to display the tenderness that inevitably shows through a rough mountain exterior. The story centers around Murphy and his father, played by Dean Jagger, 1949 "oscar" winner, who has hidden out 15 years in the mountains because he has been accused of a crime he did not

commit. Audie's only friend before Wanda comes along is Burl Ives, America's troubador, who shows up brilliantly especially in the scene in which he sings a jaller to sleep so that he can help Audie to escape. Richard Rober has a top supporting part.

Intrigue in the shark-fishing waters motivates "Killer Shark," starring Roddy McDowall, and to be shown at the Texas tomorrow and Saturday in conjunction with Roy Rogers' latest western, "Bells of Coronado." The fast-paced Rogers picture, filled with action, comedy and drama, finds the popular cowboy actor in the role of undercover agent for an insurance company. Dale Evans, Pat Brady and Grant Withers have important roles and other bits are played by Foy Willing and the Riders of the Purple Sage. Trigger is in on the show, of course.

Tale of the Old West, 'The Last Bandit,' and Great World War II Story Billed at Hillcrest

The most incredible and daring crime in the lusty history of the opening of the West is brought to the screen in "The Last Bandit," photographed in Trucolor, which will be shown at the Hillcrest Drive-In Theatre tomorrow and Saturday.

William Elliott, Adrian Booth and Forrest Tucker are starred, and others are Andy Devine, Jack Holt, Minna Gombell, Len Torrey, Grant Withers, George Chesebro and Hank Bell.

The first down-to-earth story of the G.I. of World War II, sans flag-waving and mock heroics,

has been brought to the screen in "Battleground," M-G-M's impressive Dore Schary production, to be shown at the Hillcrest Tuesday and Wednesday, August 8, 9.

The who's who cast reads as follows: Van Johnson, John Hodiak, Ricardo Montalban, George Murphy, Marshall Thompson, Don Taylor, Jerome Courtland, Bruce Cowling, James Whitmore, Leon Ames, Douglas Fowley, Thomas E. Breen, Guy Anderson, Denise Darcel, Richard Jaeckel, Jim Arness, Scotty Beckett, Brett King and the original "Screaming Eagles" of the 101st airborne division, who play themselves.

Whip Wilson Western And Behind-the-Walls Film Palace Program

"Gunslingers," a Whip Wilson western, and "Prison Warden," starring Warner Baxter, make up the double-feature program at the Palace Theatre today, tomorrow and Saturday, August 3-5.

In "Gunslingers" Whip fights the cunning of desperadoes in an attempt to bring law and order to a frontier town. Andy Clyde and Reno Browne head the supporting players, who also include Sarah Padden, Bill Kennedy, Steve Clark, Dennis Moore, George Chesebro,

Carol Henry and Riley Hill.

Card of Thanks

We wish to express our most sincere thanks to all our friends and neighbors who rendered us so much assistance and offered so many kind words of sympathy during the illness and death of our beloved mother, Mrs. Katie Kurzman.

Especially do we wish to thank the Rev. Fr. Bosen for his kind words of consolation, and the choir for the beautiful songs rendered, and those who sent the lovely floral offerings, and those who sent Mass offerings.

We also wish to thank the St. John's Hospital Staff and Doctors

Alan Ladd Stars In Thrill Drama

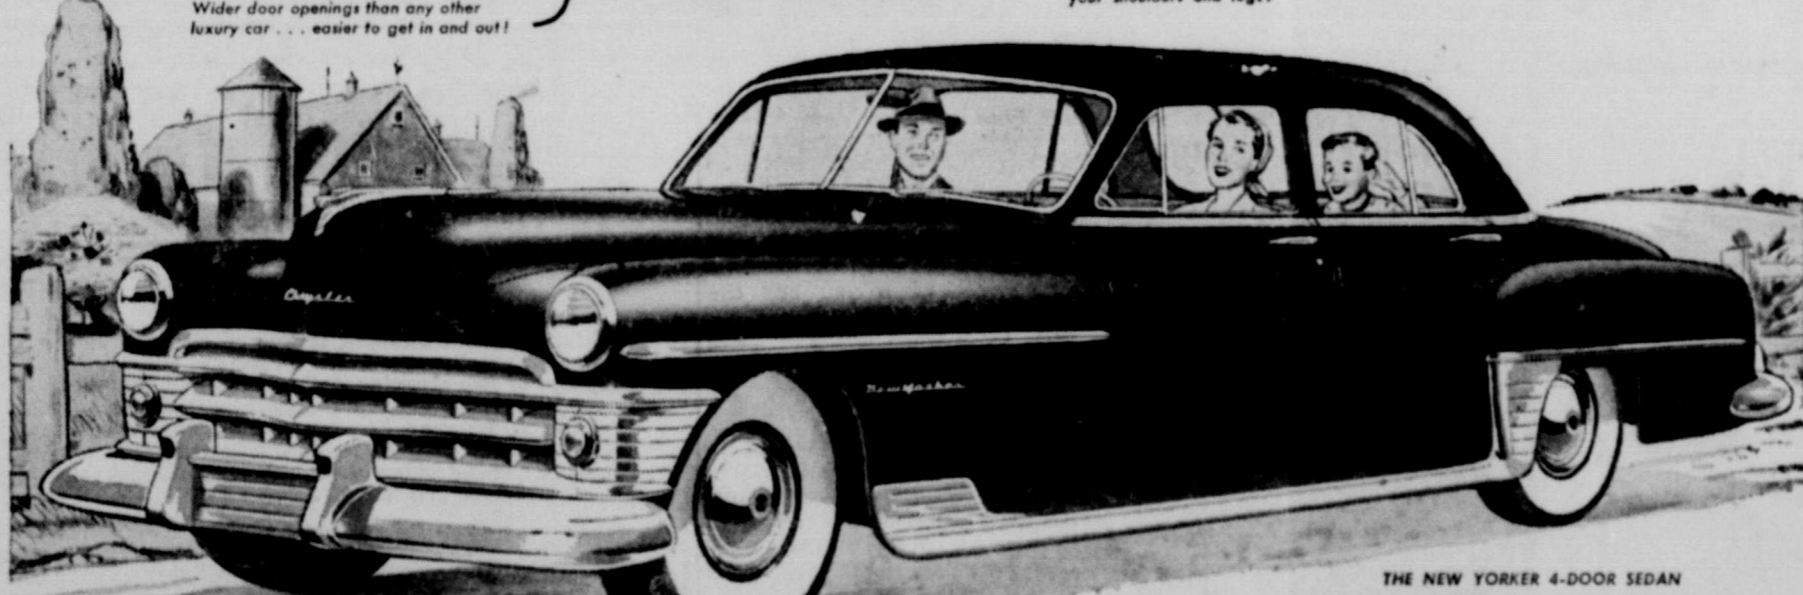

Hailed as one of the most thrilling action dramas of the season, Paramount's "Captain Carey, U. S. A.," starring Alan Ladd and Wanda Hendrix, is scheduled at the Texas Theatre Tuesday, Wednesday and Thursday of next week, August 8-10.

Ladd portrays an ex-OSS officer who returns to Italy to expose a

traitor, while Miss Hendrix is seen as a beautiful countess who served as a partisan during the war. Francis Lederer and Joseph Calleia are other members of the cast.

Fish supplies the same high quality protein that is found in other meats and is an easily digested food. Most fish provide the consumer with vitamins A and B and salmon and mackerel also contain the recently discovered vitamin D.

BOY SCOUT TROOP NO. 42 HAS ANNUAL COMMITTEE MEETING
Members of the Boy Scout troop 42 committee met with the scoutmaster, Rev. Edward B. Postert, for the annual meeting last Thursday evening.

Twenty-one active troop members and three associate members who are away at college, reregistered for the ensuing year. The three associate members are Lynn Neill, Charles Bailey, Jr., and Charles Moran.

C. E. Maedgen was reelected chairman of the troop committee, and other members are Dr. C. F.

Bailey and Marvin F. Clark. The committee reported the financing and advancement program for the past year satisfactory. Plans were discussed to send one of the troop members, Lanny Maedgen, who has been chosen by A. H. Bird, Boy Scout field executive, to the Order of the Arrow, Boy Scout meeting, at Indianapolis, this month.

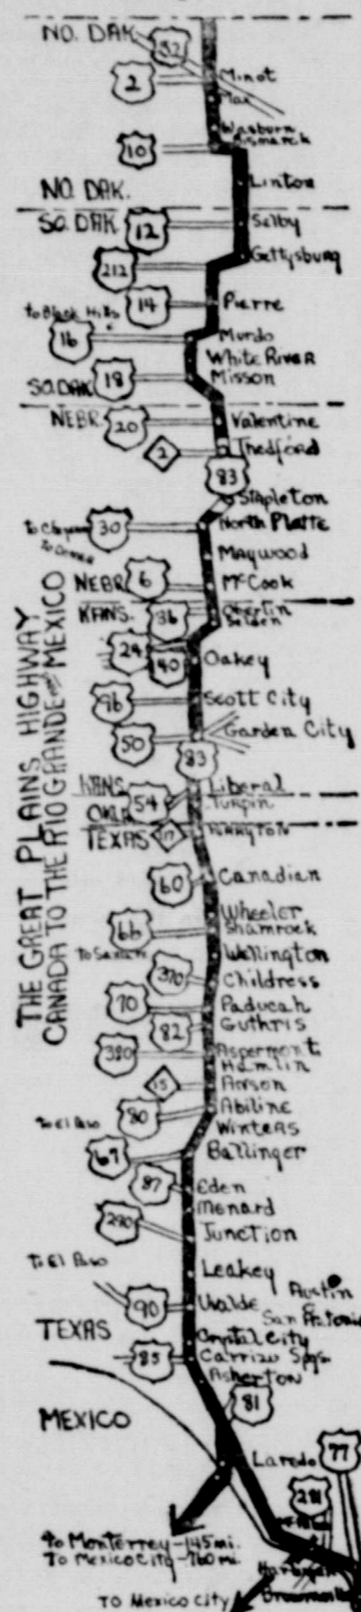

If poison ivy or poison oak plants are grubbed and burned, avoid the smoke, for it carries the toxic volatile oil of the plants and is extremely poisonous.

PHILIPINO HUK LEADER STILL ALIVE . . . Philippine dissident (Huk) Leader Luis M. Tarcé, who has so often been reported dead by Philippine army intelligence, gave the lie to such reports recently when he granted an interview to a Manila newsmen. In this photo, Tarcé is shown as he scans copies of two Manila dailies dated July 1, 1950, while some of his bodyguards stand in the background. The Philippines are another troubled spot where the anti-Communist leaders are trying to prepare for a Red outbreak from the Russian-inspired Huks. Americans are sending munitions and other supplies to the government forces.

English mail boxes are called pillar posts.

Last Gap in Highway 83 Closed

A celebration is to be held on August 10 to celebrate the closing of the last gap in highway 83, international route from Canada to South America. The celebration will culminate the finishing of a 21-mile section in Kerr county and the completion of a bridge over the Nueces River in Zavala county.

Ballinger is on this highway, which comes down from Abilene and goes south through Eden, Menard, Junction, Kerrville and Uvalde to the Mexican border.

Five counties, Kimble, Uvalde, Real, Zavala and Dimmit, have joined to act as hosts for the occasion. The meeting will be held at the new bridge in Zavala county. Invitations have been sent to citizens of all towns on the highway to attend the program and barbecue dinner, which will start at 11 a. m. on August 10.

Fred Wemple, chairman of the state highway commission, will be the principal speaker. Other members of the commission as well as other state officials will attend.

Food Value of Fish Declared Excellent

COLLEGE STATION, August 2— In addition to the recreational benefits derived from fishing, there can be added to the fisherman's justification for spending long hours at his favorite fishing spot, the value of fish as a food. According to Lucille Shultz, associate extension foods and nutrition specialist of Texas A. & M. College, fish ranks high among the more nutritious foods.

She points out that fish supplies the same high quality protein that is found in other meats and that it is easily digested. Most fish, she continues, provide vitamins A and B and one of the more recently discovered vitamins, D, is present in some fish such as the mackerel and salmon.

Fish also score well on the nutritionist's check sheet so far as minerals are concerned. Minerals are present in both quantity and variety in most fish. Salt water and shell fish are very rich sources of iodine and should be included regularly in the family menu, says Miss Shultz.

Now there is always a good chance that the fisherman will come home empty handed, so far as fish are concerned, but this situation can in most cases be taken care of by a visit to the grocery store. The frozen prepackaged fish that is today available in most markets makes it easy for families to have good fish just about any time they want it.

The specialist says there is little or no waste when you buy the boneless strips or filets and only a little more when fish steaks are the choice, but the waste is considerable when whole fish are purchased.

Miss Shultz says it is best to purchase fish from markets which, insofar as you can determine, store their shipments of frozen products promptly after they receive them and keep their freezers at the correct temperature.

Unless the fish is used on the day it is purchased, it should be placed at once in the freezing unit or frozen food compartment of the refrigerator, she says. Fish steaks and filets can be cooked without thawing but it should be remembered that more time will be needed for a thorough cooking job. It is better, however, to let the fish thaw out in the refrigerator before cooking and most of the packages have attached to them a label that gives the time needed for thawing.

One last word of caution from Miss Shultz. She says never refreeze fish that have been thawed.

HART'S GROCERY
Fresh Meats—Frozen Foods—Fresh Fruits and Vegetables

Ballinger Coaches At State School; Vancil Will Play

Coaches Douglas Cox and Frank Barnett are in Austin this week, attending the state coaching school, and will remain there for the all-star football game tomorrow (Friday) night. Approximately 1,500 coaches are registered for the 1950 school and are under some of the leading coaches of the country who are offering the various systems and also have charge of the teams of all-star high school seniors selected for the North-South game.

Joe Vancil, guard on the 1949 Bearcat team, is playing with the North all-stars and a number of others from this section will be in the game.

Coaches Cox and Barnett will be here soon to make plans for the training season and to get ready for the beginning of the schedule in September.

Barnett is a new man on the Bearcat coaching staff, coming to Ballinger from Howard Payne College, where he was an all-conference end last season.

BALLINGER FASTBALL SEASON WILL CLOSE TUESDAY NIGHT

The Ballinger Fastball League, operated here during the summer, will close its season Tuesday evening with the championship game. Four teams will enter play Monday night to determine the 1950 play-off teams. The schedule for Monday night is:

7:30, National Guard vs. Church of Christ

8:30, Humble vs. Seventh Street Baptists

Tuesday night at 8:00 winners of games Monday night will meet to decide the championship.

Mr. and Mrs. Jack Nixon, Jr. and son and Mrs. T. J. Forgy returned Sunday from Dallas, where they transacted business and visited. Mr. Nixon addressed the Life Underwriters Association Friday noon.

DRAMATIC RESCUE . . . Volunteer firemen in Pittsburgh effect a dramatic rescue as they assist Mrs. Harry Schiefelbein, 57, to safety from a trolley car stalled in Midvale, on the outskirts of Pittsburgh, by high waters resulting from recent torrential rains. The car, belonging to an unnamed motorist, was also stalled by the rush of the waters. The flooded street was washed by another of the flash floods that have been so frequent in all parts of the nation this spring and summer.

IN SOCIETY

Mrs. John Hash Honor Guest on Birthday Anniversary

Mrs. John Hash celebrated her 78th birthday anniversary Wednesday by being the honoree at a surprise party in her home on Eleventh Street. The party was hosted by her daughter-in-law, Mrs. J. R. Hash, and her granddaughter, Mrs. J. B. Terry.

The party rooms were decorated with arrangements of zinnias, queen's wreath and other garden bowers, while the lace-laid dining table was centered with a crystal bowl filled with asters combined with teverfew where the pretty birthday cake, which was decorated with pink and blue florals, was served with ice cream. Miss Anna Belle Hash assisted in serving, and June Hash, a grand-

daughter, presided at the guest register. After gifts were opened by the honoree, pictures were made.

Those present were: Mmes. J. D. Kelly, Frank Atwell, A. L. Spann, Carl Smith, W. T. Forbus, R. E. Dean, C. S. Critz, Lula May, R. N. White, Clyde Gabbert, Connie Bryant, Oliver Cochran, Jerry and Elaine Kelly.

Mrs. Hash was born in Jasper county, Illinois, on August 2, 1872. She moved with her parents to Denton county, and was married there to Mr. John Hash in 1888. Eleven children were born to the couple, two of which are deceased. The nine living children are J. A. and J. R. Hash, both of Ballinger; R. M. and D. R. Hash, both of Abilene; J. M. Hash of Monahans; J. C. Hash of Houston; W. B. Hash of Pampa; Mrs. Kenneth C. Massey of Lambertville, N. J.; and Miss Anna Belle Hash, with whom Mrs. Hash makes home in Ballinger. Mrs. Hash has 15 grandchildren and 8 great grandchildren.

She is still an active member of the Baptist Church, of which she has held membership for the past fifty-seven years. She enjoys her home and yard, as well as visits made by all her children and her many friends.

Fancy Doers Club Installs Officers and Initiates Ten Members

Mrs. O. L. Hart, sponsor of the Fancy Doers Club, was hostess to members Monday evening in her home on Eleventh Street.

Ten new members, as follows, were initiated: Barbara Stuart, Betty Cloninger, Carol Ann Bailey, Mary Jo Forman, Carolyn Bigby, Tookie Wade, Theresa Elkins, Margaret Ann Hampton, Merle and Wanda Richards. The constitution and by-laws were reviewed for the benefit of the new members.

Mrs. Joe Forman was installing officer, and the following were installed: president, Gale Hays; vice-president, Carolyn Bigby; secretary-treasurer, Mary Harrah; reporter, Tookie Wade; sergeant-at-arms, Deannie Rountree.

Paula Harvey and Virginia Wooten served cookies and cold drinks to all names mentioned and to Catherine Hays, Billie Morris, Anita Wade, Jane Hart of Eastland; Mmes. C. D. Wooten and Herman Rountree.

COUNTY RED CROSS OFFICE MOVED TO COURT HOUSE

The Runnels county Red Cross office has been moved back to the third floor of the court house and will occupy the northeast corner office on that floor.

For more than a year the office has been down town in the Ballinger National Farm Loan office on Eighth Street. Prior to that the office was in the court house.

Hereafter anyone having business with the Red Cross will find the secretary, Mrs. Robert Wickersham, in the office each morning. The office will be open only half of each day.

RAINS IN COUNTY TUESDAY EVENING REPORTED SPOTTED

Rains Tuesday evening covered Runnels county, ranging from 1/4 of an inch to 1 1/2 inches. The fall at Ballinger was gauged at 1.15, and east of here the precipitation was heavy to around Valera.

Farmers here Wednesday were buying poison to fight boll and leaf worms in their cotton fields.

Mr. and Mrs. A. M. Powell and children, Lonnie, Ronnie and Martha Jo, of Fort Worth, have returned home after a visit with relatives and friends here. Mrs. Powell is the daughter of Mrs. C. E. Lowry.

Mr. and Mrs. Frank Crockett and two daughters, Carol and Linda, formerly of Fort Worth, spent the week-end here en route to Odessa, where they will make home. Mr. Crockett has been employed by the Stanolind Oil Co. for the past two years but has accepted a position with Wilson Patterson, architect, of Fort Worth and Midland.

More Than 100 Attend 4-H Boys' Encampment

More than 100 4-H club boys attended the annual encampment held at the city park here last week. In the final business session, Marcus Hoelscher was reelected president of the county organization, Hugh Campbell was named vice-president and Charles Hoelscher secretary.

Opening the program Wednesday a softball tournament was held in which the Offen team defeated the Norton team and St. Joseph's team defeated the Cochran team. Offen and St. Joseph's teams met in the finals, St. Joseph's winning the tourney and receiving a baseball bat contributed by Higginbotham Bros. & Co.

After preparing their own supper on Wednesday, the boys saw four picture shows and enjoyed games and other recreation.

In the grass judging contest Thursday morning, St. Joseph's team won first place. Team members are Marcus Hoelscher, Harry Kalina and Charles Loika. Individual placings were: Marcus Hoelscher first, Roy Burton second, Harry Kalina third. Adult leaders placed as follows: Roman Muller first, Mrs. O. D. Bradford second. County Judge E. C. Grindstaff was guest speaker Thursday morning and made awards to those winning in the grass judging contest.

W. I. Marshall, district 7 agent, spoke on the importance of local leaders in 4-H club work.

Joe Satterwhite and Walter Presson made a report of the results of the square dance sponsored in Ballinger by the 4-H clubs on June 29, showing a total of \$581.15 cleared.

Joe C. Johnson, associate county agent, gave recognition to outstanding club members for medals and awards won by the boys since the 1949 encampment.

Charles and Marcus Hoelscher gave a tractor demonstration showing proper and improper engine lubrication.

About 35 business men were invited guests at the barbecue dinner Thursday. The final feature of the 1950 program was free picture show given the boys by the Ballinger Chamber of Commerce.

Adult leaders attending the camp included: Mrs. O. D. Bradford and Alfred Wessels, Cochran; A. T. Halfmann and Ralph Gerngross, Offen; Roman Muller and James Braden, St. Joseph's; J. C. Robinson and A. C. Minzenmayer, Norton; Rollin Campbell, Ballinger.

County Agent John A. Barton was in charge of arranging and directing the program.

Recent guests in the home of Mr. and Mrs. Hill Hampton were Mrs. Hampton's mother, Mrs. Jet Millsap, of Anson; cousin, Miss Adelaide Slaton, of Plainview; and Mrs. Arthur Compere, of Abilene.

Mrs. Lucy Rollwitz has as guests this week her four daughters, Sisters Ventura, Adeline, Eva and Eulalia, all members of the religious congregation, Sisters of Divine Providence, at San Antonio. Mr. and Mrs. Lawrence Rollwitz are parents of a son, Robert Anthony, born Wednesday morning at the Ballinger Clinic-Hospital. The young man weighed 7 pounds 12 ounces upon arrival.

Mrs. Malcolm McGregor had as week-end guests Mrs. A. I. Dow and Misses Lynn and Pat McGregor, of Austin; Reece Kinser, of Dallas; and Malcolm Arnoult, of New Orleans.

Mrs. Annie Arterburn is visiting relatives at San Antonio.

Mr. and Mrs. Gordon Power and children, of Chicago, are here for a visit with relatives and friends.

DEATHS

Otto Hugh Boehm
Requiem high mass was sung at 6:45 o'clock Monday morning from Sacred Heart Church in Del Rio for Otto Hugh Boehm, 30, who was killed last Friday morning when his light dusting plane struck a pole near Quemado.

The Rev. F. X. Gagnon, O.M.I., officiated. Burial with full military honors was conducted following the mass. Rosary was said at Doran Funeral Home in Del Rio.

Boehm had just taken off from Quemado when the Piper Cub he was flying struck a post. Boehm had been dusting cotton for Fred McMichael the past two years. He was a veteran of World War II.

Boehm was born August 29, 1920. He is survived by his wife, the former Katherine Raines; a daughter, Lyndia, 5; his parents, Mr. and Mrs. Otto Boehm, of Llano; and a brother, Walter Boehm, of Ballinger. He lived for a number of years with his parents in Ballinger and attended Ballinger schools.

Dr. A. T. Taylor and Albert Purifoy will leave this week-end for Ruidosa, New Mexico, where they will spend a few days vacationing in the mountains.

Marriage Licenses Issued 16 Couples By Clerk's Office

Marriage license were issued to sixteen couples at the office of County Clerk Frankie Berryman during the past month, as follows:

John Leon Wright and Miss Clara Frances Beadle

Lanham N. Flynt and Miss Charlotte Routh Miller

Albeno Canada and Mrs. Manuela Villalpando

William Thomas Crouch, Jr. and Miss Delphine Elizabeth Ernest

David Kenneth Childers and Mrs. Lois Marie Howard

Troy Taylor and Miss Robbie Faye Barbee

Lea Love Maples and Miss Shirley D. Gaskell

Joe Ramos, Jr. and Miss Hermelinda Jacques

Norman Garrard and Miss Betty Moore

Harold Wayne McDorman and Miss Billie Jean Farmer

James Earl Hinds and Miss Norma Sue Carville

Robert Earl Lee McKinney and Mrs. Alpha Roberts

Bill Gene Vaughn and Miss Theadus Joan Hutchins

Walker Barron Wellborn and Miss Jewel Juanita Harris

Otto Romeo Whitmore and Miss Vera Mae Mayo

Travis Dalton McCarthy and Miss Clara Katherine Patterson

Miss Tookie Wade has returned from Louisiana, where she spent several months visiting relatives.

Mr. and Mrs. John Purifoy have returned home after several weeks vacation in the eastern states.

Mrs. Curtis Jones is in the Winters municipal hospital following major surgery last Thursday. She is reported to be improving.

Mrs. R. A. Dickinson is at home after undergoing major surgery at Brownwood three weeks ago.

T. J. Mansell and J. W. Moore attended to business at Dallas and Fort Worth the first part of the week.

FAREWELL SCENE . . . Many Americans stationed in Japan set sail for the short run across Tsushima straits from Fukuoka to join fighting in Korea. The Japanese look upon the G.I.'s as friends rather than occupation troops and wish the warriors well. A group of women are shown weeping and waving farewell as a group of U.S. troops leave Japan to join their fellow warriors in the fight for Korea.

The cost per vote ran rather high for the first primary in Runnels county. With only about 1,700 votes cast in the county, where normally the first primary draws about 4,500 to the polls, some boxes had expenses which made the votes cost as much as \$3 each. In the second primary the vote is expected to be much lighter than in the first. Election judges will greatly reduce their staffs for the second primary, but even then two or more will be allowed and the cost will be high. The few county races is believed to have been the cause of the extremely poor showing of interest in the first primary.

City and school officials and property owners are cooperating to secure pavement for the two blocks of wide alley on the eastern side of the high school and elementary school campuses. It is doubtful if any two blocks in Ballinger are used more than this small section of alleyway which has become in fact a street. Entrance to the school cafeteria, gymnasium and homemaking cottage are from this driveway. School buses pass through several times a day and pupils in the junior high school are hauled over this route to the noon meal each school day. The cafeteria is

the place where practically all civic club banquets are held and many school programs are held there. The gymnasium also is in use much of the year for night games, programs and other meetings and in all these the side street is used for parking and through traffic. Work has been started and will be pushed in order to complete the work before the opening of the next term in September.

Much interest right now centers on the growing crops of Runnels county. Rains have been spotted, making crops excellent in some places and very poor in others. After rains last week which totalled as much as two inches in spots, a general rain is still needed. More than 90,000 acres have been planted in cotton in the county and so far most of the crop is growing and fruiting well. Dry weather has halted the growth in a number of places, however. Grain sorghums are nearing maturity in most communities but the dry spots need moisture now. The range as a whole is in good condition with heavy grass and few ranches overgrazed. Under the faem program 1,995 landlords and 922 tenants are participating.

Freezing is one of the newer methods being used for preserving peaches and when properly done is very satisfactory.

WEST TEXAS NOTES

Bronte city officials have ordered an improvement program for all dirt streets in the city limits. A grader and maintainer will grade each block and will cut ditches to insure proper drainage after rains. It is hoped to give some of the most travelled streets a surface of caliche before the work is completed.

The housing situation at Winters was given promise of relief last week when F. A. Cobb, of Lubbock, announced that a company with which he is associated will build fifty houses for sale or rent. All the dwellings will be constructed on a 60-acre tract south of town on the Ballinger highway. Mr. Cobb stated the construction would be done in record time provided material shortages did not develop because of the Korean war. An office has been erected on the site and lots have been staked, streets and alleys designated and other preliminary work done.

Members of McCulloch county home demonstration clubs spent from July 31 to August 2 at Buchanan Dam on their annual encampment. A program of square dancing, canasta games, swimming and relaxation in general was

planned. Members of 4-H clubs, both boys and girls, held a joint encampment at Buchanan which started August 2 and will end today. This program also was planned for entertainment and recreation.

Directors of the Pre-Madison Square Garden Rodeo, held each fall at Dublin, are preparing for the four-day program which will be presented on August 23, 24, 25 and 26. The Dublin show is produced by Everett Colborn, Gene Autry & Associates. The 1950 show will be equal to any presented in previous years. Plans are being made to handle four big crowds in the arena.

Farmers of the Melvin community have begun harvesting their 1950 maize crop. Dealers stated that production would be less than last year but that in some places of the trade territory the crop is good. Heavy movement will get underway shortly as more of the grain dries out for combining. Harvesting of the large acreage of flax has about been completed and practically all sold through local dealers. The CCC loan on maize, \$1.81, will net the farmer about \$1.58 after administrative and handling charges are deducted.

Two bond issues were submitted to the voters of Menard county on July 22 in connection with the first primary and both were defeated. The first was an \$80,000 issue for the construction of a hospital and this issue lost by a vote of 522 to 421. The second issue was for \$50,000 for park improvement and was defeated by a vote of 550 to 359. The Menard city box favored the hospital bonds but all other boxes voted against the issue. The park issue was defeated in all boxes.

Members of the Paint Rock Lions Club donned ladies' dresses to play a softball game last week, meeting members of the women's and girls' teams. The affair

attracted a large crowd and the comedy provided good entertainment as the men, handicapped by the dresses and bonnets, went down in defeat by a score of 19 to 18. Proceeds will be used in making improvements in the swimming pool.

The Hill Country Firemen's Association's semi-annual meeting will be held at Eldorado Tuesday, August 8. Eldorado committees have arranged a program of entertainment for both firemen and members of the auxiliary. All towns in the association are

They Save Your Time

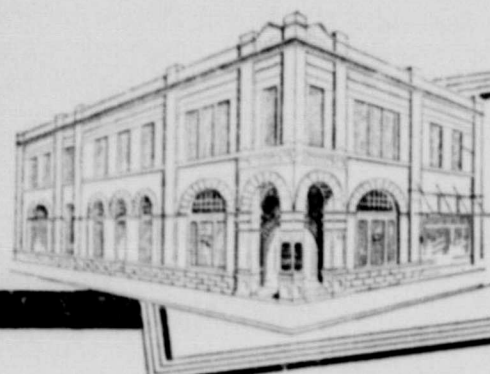

Let bank checks work for you when you have bills to pay. Drop them in the mail and you will not need to make special trips to several different offices each month. During this busy season you will especially appreciate the time-saving convenience.

No danger of loss as when you carry money with you or keep it about the house. You will always have a receipt in case there is later any question as to whether some bill has been paid. You will have better records for income tax and for many other needs.

Pay bills the easy modern way. Your account is cordially invited.

HAS YOUR ADDRESS CHANGED RECENTLY?

Ledger subscribers are requested to notify the publisher of any change in their address promptly.

Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.

The best plan for all concerned is to send the change of address in advance.

First of the Fine Cars in Value

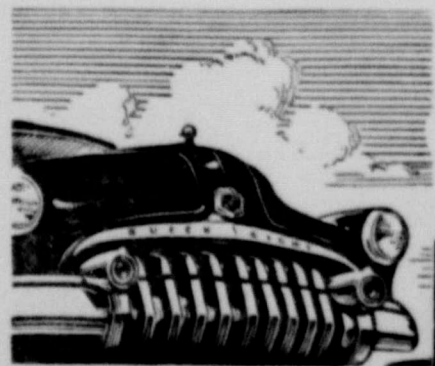

Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of fine motorcars.

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflow Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflow Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single

glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Only BUICK has **Dynaflow Drive** and with it goes **HIGHER-COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with **MULTI-GUARD** fender, taper-through fenders, "double kink" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

*Standard on ROADMASTER, optional extra cost on SUPER and SPECIAL models.

expected to be represented and a number of pumper races will be run off in the afternoon.

A negro candidate for lieutenant governor on the primary ballot received a total of 13 votes at Rising Star. The Rising Star Record says: "The fact that negroes have never been allowed to live here makes it seem odd that a negro could poll votes in this all-white town." All 13 of the votes given the candidate were in the two boxes in the town of Rising Star.

The Coleman Chamber of Commerce is seeking to reopen the Coleman flying school for the training of army cadets. A check-up is being made to determine if the school could be supplied with water and the city commission had been asked to give this study. Features pointed out to the air corps training command were that runways had recently been enlarged and improved by an expenditure of \$45,000 to meet

requirements for daily commercial air service.

With numerous races for county offices, Comanche county polled a record vote in the first Democratic primary when 4,800 turned out at the polling places. An election "party" held at the county seat on the evening of the election brought several thousand to see the tabulations posted on a huge bulletin board.

Work began last week at the District 16 Baptist Assembly grounds at Lake Brownwood on a lodge for the Woman's Missionary Union. The new structure, of brick-faced tile, will be 35 by 60 feet. It will contain a large assembly room, shower facilities, screened sleeping porch, kitchen, and large fireplace. It will be used by the W. M. U. at the annual summer meetings, attended by Baptist women from 17 West Texas counties.

when the ounce of prevention fails

WARNING AGAINST ACCIDENTS in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale.

In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock.

CREWS
Children and grandchildren and other relatives and a host of friends met at the Novice park Sunday to celebrate the 80th birthday anniversary of Mrs. R. L. Bates. A bountiful dinner was enjoyed by all. Mr. and Mrs. Bates have lived in the Novice community for a number of years. Mr. Fred Bedford, of Winters, made a talk and Mrs. Bates's brother, Mr. Tommy Irvin, of Tuscola, returned

planned for them by the church. Mr. and Mrs. Earl Berry and children and the former Jewel Wood and family, all of Houston, visited relatives and friends in our community this week. They visited relatives at Portales before returning home.
Mrs. Carl Baldwin and Jackie and daughter and Bettie, of Pecos, visited in the J. O. Wood home Friday. Mrs. Baldwin also visited her sister, Mrs. Osborne, and family.
Mrs. N. A. Hambricht is visiting her children in this community, the C. H. Hambrichts, Mrs. Lillie Osborn, and Mrs. J. O. Wood. Rev. Arnice and Jack Pape and families are here visiting relatives and friends and being at the bedside of their mother, who is very ill at this writing.
Charles Alcorn, of Talpa, visited in the home of his grandparents, Mr. and Mrs. Arthur Alcorn, last week.
News has been received of the marriage of Mike Boatright to Miss Laverne Farmer, of Andrews. They are both students at Sul Ross College. They plan to visit his parents

BAGS YAKS . . . Lt. Robert Wayne, Garden City, L.I., was one of the first U.S. air force pilots to score against the North Koreans. Operating from Fukuoka, Japan, he shot down two Russian-built Yak fighters over Kimpo, South Korea, airport.

Using the home freezer or freezer locker box for freezing and storing surplus vegetables for later use is one sure way to have them when they are needed by the family.

GILL FAMILY REUNION IS HELD HERE SUNDAY
A total of 81 members of the family of Mrs. W. H. Gill, of Winters, assembled in the Ballinger city park last Sunday for a reunion. All seven of her living children were present for the occasion and grandchildren and other relatives of the family made the grand total 81.
Highlight of the day was the noon meal when the long table was centered with a birthday cake and vases of summer flowers were used for decoration. Mrs. Gill exhibited with pride the many gifts received among which was a wrist watch given by five of her grandchildren. Mrs. Gill and her family moved to Rummels county in 1903 and settled near Winters. The seven children present for the occasion were: Mrs. Dee Ferguson, Mrs. Fred Parker and Joe Gill, Ballinger; Mrs. Dalton Mathis, San Antonio; Mrs. D. B. Thornton, Winters; Dolph Gill, Sterling City; and Clinton Gill Novice. Other family members include 40 grandchildren, 72 great grandchildren and 4 great great grandchildren.
More farm accidents occur in the home than in any other single place on the farm, and the kitchen and stairways are the most dangerous places in the home.

PASS THE CREAM... Shades of Anna Held: Piper Laurie (left) and Joyce Holden, both featured in the movie, "The Milkman," starring Jionnie Durante, decide to try a little of the stuff that made Anna Held famous over 50 years ago. In addition to enjoying the milk bath, the two gals are helping to observe the month of June as national dairy month. We don't know whether the milk is pasteurized or not, but we do know the beauties are Grade A.

ROWENA HOME DEMONSTRATION CLUB

The regular meeting of the Rowena home demonstration club was held on Wednesday of last week at the parish hall, Mrs. Freddie Gallas presiding.

It was voted to hold a family night program in the Ballinger city park on August 17. A nominating committee was named to select new officers for the next year. The committee is composed of Mrs. John Zak, Mrs. A. A. Fischer, Mrs. Tom Egan.

Miss Ollie Chenoweth talked on thirteen kinds of cereals and their value. Refreshments were served to 18 members and three children by Mrs. Ed Walthers and Mrs. Bernard Urbantke. Mrs. Betty Weidner, Mrs. Garland Neff and Miss Ruth Jacobs are new members.

The recreation period was led by Miss Jacobs and Mrs. Frank Lammert.

CREWS HOME DEMONSTRATION CLUB

Miss Ollie Chenoweth met with the Crews home demonstration club on July 21 in the home of Mrs. Arthur Allcorn.

Mrs. Marvin Hale presided. Members answered roll call by giving their favorite cereals. Miss Chenoweth spoke on buying and how to use cereals. Mrs. R. L. Craig gave a report on the last council meeting. An effort will be made for all the members to attend the one-day rally in city park at Ballinger on August 30.

Mrs. Craig and Mrs. Perry Braag were named to sell ads on the calendar being published by the clubs of the county. It was also voted to serve the Lions Club of Ballinger with dinner in the near future and Mrs. O. C. Matthews, Mrs. M. S. Hale and Mrs. O. C. Fuller were named on the menu committee.

The next meeting will be in the home of Mrs. Fuller on Septem-

---	--	--

The 1950 Texas peach crop will be short and homemakers are urged to make the best possible use of the small crop that will be harvested.

When possible, grain and feed crops should be marketed through livestock because the price outlook for livestock and livestock products is relatively favorable.

TWELVE ATTEND MEETING OF BENOIT SOCIAL CLUB

The Benoit Social Club held its regular meeting July 27, twelve members attending. September 28 was set as next pal day.

This was the first meeting since new officers were installed. They are: Mrs. Fred Spreen, president; Mrs. Don Kennedy, vice-president; Mrs. Currie Brookshier, secretary-treasurer; Mrs. B. J. Condra, reporter.

The next meeting will be held on August 10.

CLUB BOYS AND AGENTS THANK FIRMS, OTHERS

John A. Barton, county agent, and Joe C. Johnson, assistant county agent, join the 4-H club boys in extending thanks to a number of local men and firms for their help in staging the annual county encampment.

In a letter the following are mentioned: E. C. Grindstaff, for the presentation of awards, Baner Ice Co., for milk cans; city officials, for spraying park; fire department, for eating utensils; Frank Kemp, for water barrel; Dairygold Creamery, for special price on ice cream; Ernest Caskey, for use of softball field; Higginbotham Bros. & Co., for ball and bat to winning teams; local 4-H club leaders, for their help; Ballinger Chamber of Commerce, for

picture show tickets; and John Bradley, for permission to use the American Legion hall.

DOG REGISTRATIONS COMING IN SLOWLY

Runnels county dog owners have been slow this year in registering their animals, paying the tax and receiving the tags to be attached to the collars. Price Middleton, county treasurer, who is in charge of this registration, stated Monday that all but 96 dogs in the county were already on the delinquent list.

Notice was given several weeks ago of the time in which registrations were to be made and pay-

ments received. A few have attended to the matter but only 96 dogs have been registered as compared to 1,454 last year.

Less elbow grease is required to do the house cleaning chores today because science has come to the rescue. High on the list of modern aids for the homemaker are the detergents. They make it possible for the house cleaning job to be done with less effort and with more speed and effectiveness.

New 1950 INTERNATIONAL HARVESTER REFRIGERATORS

OUTSIDE THEY'RE GORGEOUS!

Smooth, gleaming, easy-to-clean, these beauties take up an amazingly small space on your kitchen floor.

INSIDE THEY'RE SPACIOUS

All four models have huge freezer lockers, big crispers to keep fruits and vegetables dewy-fresh, and unbelievably huge shelf-areas capable of storing problem foods like watermelons and tall bottles.

- Tapered Shadowline Styling—Full-length doors, rugged and rigid. New styling reduces floor space required.
- Built-In Bottle Opener—All International Harvester Refrigerators have a permanent, built-in bottle opener.
- "Tight-Wad" Refrigerating Unit—Quiet, economical, never needs oiling—manufacturer's 5-year warranty riveted to back of cabinet.
- Convenient Shelf Arrangement—Bulky foods like watermelon are easy to store, easy to get at—in all models.
- Porcelain Enamel Interiors—Acid-resistant bottoms. Rounded corners make cleaning easy. Nothing to catch dirt.

See the new 92 model with Shelvador door for storage space of foods.

Every feature has a function! The quiet, trouble-free Tight-Wad Unit saves electricity. Tapered Door Styling, beautiful, easy-to-clean, saves floor space. Handy, built-in Bottle-Opener is so convenient!

Scientific shelf-arrangement makes it easy to store bulky foods like watermelons, etc. Smooth, porcelain enamel interiors make cleaning easy. Be sure you see these refrigerators!

Presbyterian Young Adult Class Has Picnic Supper

Mr. and Mrs. Jim Wilson and children, and Mr. and Mrs. Roy Connally and son, who are moving to Lovington, New Mexico, were complimented at a picnic supper at the First Presbyterian Church, U. S. A., when members of the Young Adult Class were hosts at the affair Wednesday evening of last week.

After the picnic supper was served in church parlors which were decorated with arrangements of zinnias, games were played and remembrance gifts were presented to the two honored couples, who have been members of the class.

Present were: Rev. and Mrs. Alvin O. Rue, Messrs. and Mrs. Herman Lange, Bill B. Stultz, Milton Greenwood, Mrs. Clark Koller, Misses Elizabeth and Jane Routh, Frances Routh, Claudine and Dorothy Lange, Julia Lee Spreen; Rufus Allen, Jr., and Jim

Erwin.

Presbyterian Juniors and Junior Highs Have Picnic, Swim

The garden and swimming pool at the beautiful country home of Mr. and Mrs. Otto Spreen and their daughter, Joyce, was the scene of a picnic and swimming party Friday evening, when members of the First Presbyterian, U. S. A., Juniors and Junior Highs were entertained.

The group was taken on a hay ride as transportation to the picnic. Games were played and swimming enjoyed before the basket picnic supper and watermelon feast was served to: Bobbie Sue, Rex, and Millie Stultz, Walter Lange, Jr., Lucia Clark, Jo Ann and Lucius Wood, Bobby Bell, Renee and Louis Rollwitz, Nancy and Fanny Stokes; Rev. and Mrs. A. O. Rue, Mrs. Walter Lange, Miss Virginia Lange, Mr. and Mrs. Bill Stultz, Mr. and Mrs. Altus Stokes, and Kathleen Windham.

Carter-Stubblefield Rites Recited at Portales

Lounette Stubblefield, daughter of Mr. and Mrs. Fender Stubblefield, of Happy, became the bride of Fred M. Carter on July 25 in Portales, New Mexico.

The bride, formerly of Norton, is the granddaughter of Mrs. J. Stubblefield, of Ballinger, and Mr. and Mrs. W. H. McKown, of the Oak Creek community.

The couple will make home near Happy after a short wedding trip.

Tiller-Multer Wedding Solemnized at Luling

Marriage vows for Miss Jeanne Eleanor Multer and David Guy Tiller were read at Luling on July 8.

The bride is the daughter of Mr. and Mrs. William Englert, of Rowena. She is a graduate of the Parkland Hospital nurses' school at Dallas and has been employed by the Gonzales Warm Springs Foundation.

The bridegroom, a resident of Luling, graduated from A. & M. College and is now employed as assistant agriculture agent of Anderson county.

After a wedding trip the couple returned to Palestine, where they

will make home.

Firemen's Auxiliary Honors Sally Jane Parker

Members of the Firemen's Auxiliary held their regular meeting in the City Hall auditorium Thursday evening, and complimented Sally Jane Parker, baby daughter of Mr. and Mrs. Lee Parker, with a gift shower.

Room decorations included bouquets of zinnias and queen's wreath where Mrs. Malcolm Morgan conducted the business period at which time she named Mrs. Lynn Candler, Mrs. Tom McEntire, Mrs. Henry Moody and Mrs. Charles Webb as the decorating committee, to prepare the decorated car for the firemen's convention parade to be held at Eldorado on August 8.

Games were played at the social hour at which Mrs. Lee Parker was the winner and gifts were presented to her, for her baby daughter.

Cake muffins and punch were served to the firemen after their meeting, and to: Mmes. Parker, Chester Afferbach, Morgan, Carl Freeman, Charles Webb, Royce Mapes, D. G. Posey, W. N. Selby, B. B. Unsell, H. M. Dossier, Bill Bell, Walter Mueller, Morris Stokes, Candler, Moody, Cal Adair and Gay Edwards.

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Mrs. Stuart Johnson was hostess to thirteen members of the Friendly Neighbors home demonstration club Friday afternoon. Members answered roll call by giving "my favorite cereal."

At the business period the progress of securing advertisements for the club calendar was discussed. Mrs. Eugene Baker and Mrs. Raymond Berryhill reported the sale of eight ads, and Mrs. B. W. Smith and Mrs. Leon Russell will continue soliciting the merchants. Several club members added their names placed on the calendar dates of their birthdays.

Mrs. John Duke gave the council report. The club voted to meet August 10 at 3 o'clock in the city park to practice the skit which the club will present for rally day. Members are urged to be present to help with this program. Miss Ollie Chenoweth gave an interesting lesson on "Cereals in Our Diet," and gave the vitamins in each.

Mrs. Johnson was assisted by Mrs. C. P. Clifton in serving frosted drinks with fruit, and rice crispie candy.

Tiny baseboard lights that stay on at night make for safety in the home.

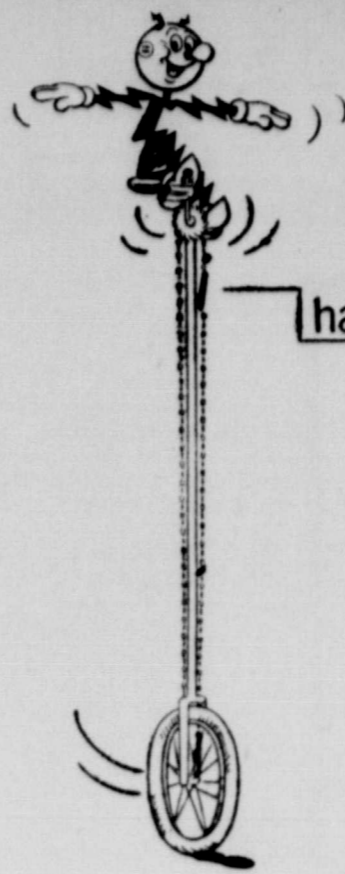

Mr. Link Robinson, 519 Lindsey, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B, B, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was... I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL, and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL is Different
Countless thousands are benefiting from HADACOL... even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B, B, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size, Large Family or Hospital Size, \$2.50.
