

THE BALLINGER LEDGER

VOL. 67

BALLINGER, TEXAS, THURSDAY, OCTOBER 15, 1953

NO. 52

Interesting Program For Church Council

Mrs. Felix Cormier

The annual meeting of district 10 of the Texas Council of Church Women will be held at the First Methodist Church on Friday, October 23, with the Ballinger council as hostess. The meeting will open at 9:30 a. m. with Mrs. B. C. Hill, district president, presiding. The theme for the day will be "To Serve the Present Age."

A team of state council officers will conduct a workshop covering leadership training, public relations and promotion. Mrs. Felix Cormier, of El Paso, field secretary of the Texas council, will be in charge of the workshop. She will be assisted by Mrs. Hill, of Abilene, and Mrs. Vonnie Stroud, of Waco, members of the legislative committee.

Registration will start at the local church at 9:00 a. m. with members of the Ballinger council in charge. The program will begin at 9:30 with the Abilene council in charge of the workshop period. This will be followed by a short welcome and the response.

Members of the state team

Mrs. B. C. Hill

will be introduced and the workshop will open at 9:40 a. m.

A general meeting will be held at 11:33 a. m., at which all councils will submit their reports. These will be limited to three minutes for each group.

First Methodist Church women will serve a luncheon at noon in the dining hall of the church.

Following the dinner period, Mrs. Jack Nixon, Jr., will present special music with Mrs. R. E. Bruce organist.

Clothing Drive Continues

The Ballinger council met Saturday to pack clothing for shipment to centers where it will be sorted and shipped to overseas points. Nine large bags were packed Saturday and these will be sent off at once. The collection is being continued and other shipments will be made as soon as sufficient is on hand to make up the required poundage.

The council expresses appreciation to all who have helped in the collection of clothing and especially the Sunset Motor Lines, which provides free transportation.

2 Producers and 3 New Locations Made Past Week

The Suesse (Fry sand) field of Runnels county has been extended one location south and northwest on the western side with completion of Gulf Oil Corp. No. 3-B. J. Williams. The daily flowing potential is 601.52 barrels of 44.6 gravity oil. Top of pay was encountered at 4,400 feet.

Frank Love & Co. No. 2-C. E. Allen, in the Hull-Dobbs (upper Gardner) field, has been drilled for a daily flowing potential of 134.40 barrels of 42 gravity oil. The potential is based on an actual 12-hour flow from pay topped at 3,938 feet.

An application has been filed by Currie & Wylie for a 5,200-foot Gray sand try in the Chadbourne field, five miles west of Wingate. Drilling will begin Saturday.

Mid-West Oil Corp., of Fort Worth, has filed an application to drill a 4,300-foot rotary wildcat, 7.5 miles northeast of Ballinger on the H. E. Wade place. Operations are to begin on October 20.

Frank Love & Co. No. 3-C. E. Allen is projected for 4,000 feet, drilling to start at once.

The state railroad commission has announced a new field designation in Runnels county. It is the Hull-Dobbs, North (Fry sand) field, opened by Ohio Oil Co. No. 1-W.D. Buford on October 2.

Soil Conservation Supervisors Elect Officers for Year

Supervisors of the Runnels county soil conservation district met in Ballinger Monday afternoon for the purpose of electing new officers and approving new plans.

Herman Giesecke, Jr., of Ballinger, was reelected chairman; W. J. Halfmann, of Offen, vice-chairman; and Kirby Robinson, of Norton, secretary. Other supervisors are Clarence Spill, Winters; and Bill Minzenmayer, Winters.

The board approved new conservation plans for the following: James Mitchell, Drasco; Vac Kvasnicka, Rowena; Earl Clayton, Novice; Latham Ryan, Winters; Oren Green, Ballinger; M. J. Lang, Miles; Calton Smith, Ballinger; John Traylor, Crews; Willie Hurt, Maverick; Ben Eggemeyer, Rowena; H. A. Williams, Ballinger; James Hambright, Norton; Edward Lindemann, Blanton; Walter Pape, Crews; Enoch Johnson, Winters; Marcial Moore, Abilene.

This makes a total of 363 plans approved for cooperators of the district. The supervisors urge that farmers let the soil conservation service technicians know of their needs for assistance as soon as the service is required.

Homemaking Girls To Travel by Train To See State Fair

Members of the Ballinger high school home economics class and their sponsors will leave here tomorrow (Friday) night by train for a visit to the state fair, Dallas. A special rate has been arranged for the Santa Fe and the schedule will permit all day Saturday at the fair grounds where the girls will take part in Rural Youth Day.

The Ballinger delegation will board the regular east bound Santa Fe and will arrive at Dallas at 8:00 a. m. Saturday. They will have breakfast at the Jefferson Hotel and a bus will take them to the fair grounds. They will leave Dallas at 8:00 p. m. Saturday and arrive in Ballinger early Sunday morning.

Sponsors for the trip will be Mr. and Mrs. Billy P. Brown, Mrs. Edwin Tickle and Mrs. Joe Forester.

Girls to make the trip are: Margarette Parker, president; Pat Reese, vice-president; Linda Alarby, treasurer; Roy Ann Lee, historian; Loretta Stanley, sergeant-at-arms; Mary June Lloyd, reporter; Joann Gard, Sandra Mullins, Sharon Hampton, Laverne Calvert, Hazel Brown, Alma Lou Kirk, Gale Kirk, Marlene Witt, Darlene Haral, Mary Buchanan, Joann Jones, Margaret Rollwitz, Faye McDorman and Juanita Winchester.

Members of the freshman homemaking class to make the trip are: Barbara Bradshaw, Peggy Branham, Virginia Haral, Lora Johnson, Orene Piel, Nancy Thompson, Barbara Ferguson, Jane Brevard, Ruth Ann Henniger, Estalene Belcher, Dolores Bermea, Jerry Brooks, Barbara Campbell, Sheila Gregory, Rosalyn Urbante, Jerry Pruser, Loretta Rollwitz, Jennida Smith, Ann Keel.

4,500 BALES COTTON GINNED IN COUNTY TO WEDNESDAY

A check-up through Tuesday revealed about 4,500 bales of cotton ginned in Runnels county.

Leaders making the survey stated that 1,000 pickers were needed in the county now. Farmers with about 75 per cent of their cotton open are finding pickers scarce and few crews are coming here.

DISTRICT 7 FAIR EXHIBIT FEATURES THIS COUNTY

John A. Barton, county agricultural agent, invites local people who visit the state fair at Dallas, to inspect the booth for district 7 in which water conservation and home electricity are featured.

Some of the pictures for this exhibit were taken in Runnels county, on the Earl Chapman and George Pruser farms.

Mr. and Mrs. Mack Young spent the past week-end at Dallas, attending the state fair and the Oklahoma-Texas football game.

Firemen to Have Annual Meeting, Pot Luck Supper

Ballinger firemen will hold their annual meeting on October 22 at the city fire station. At this meeting annual reports will be heard, new officers elected and a number of other matters discussed.

On October 29 the firemen will be joined by the Auxiliary members for the annual pot luck supper. This will also be held at the fire station and committee announcements will be made following the meeting. The Auxiliary has arranged bingo games to follow the supper.

The firemen have had a very good year so far, fire losses having been held to about \$6,000 to Monday. The year ends with the annual meeting in October, but the state year, on which insurance rates are based, runs from December 31 to December 31.

During the year a truck has been added for rural runs. This truck is equipped with a 650-gallon water storage tank and all other equipment necessary. Two large pressure tanks for a mixture of water and foam are to be added and used in fighting gasoline or butane fires.

Since the rural truck was equipped it has made a number of runs and has been instrumental in savings to property affected. Last Saturday night Ballinger firemen were called to the Willie Dusek home near Lowake. The home was destroyed by the time the firemen reached the scene but they were able to save barns, feed and out-houses.

Jack Fry is the retiring president of the association and Charles Webb is fire chief.

During the past year the Ballinger firemen successfully entertained the Hill Country Firemen's Association and have kept up their regular meetings and drills.

DR. DOWNING ENROLLS FOR SPECIAL COURSES

Dr. Lloyd L. Downing has enrolled in the post-graduate seminars being conducted at San Angelo by the University of Texas post-graduate school of medicine. These are to be held throughout the winter and the first meeting was on Sunday afternoon at which doctors from San Antonio and the M. D. Anderson Cancer Research Hospital presided. San Antonio heart specialists are conducting a special course in heart disease.

Dr. Downing was recently received into the membership of the American Academy of General Practice. One of the requirements of the group is that members regularly attend post-graduate study courses.

EUGENE B. SMITH FUNERAL CONDUCTED AT HILLSBORO

Mr. and Mrs. E. S. Malone were called to Hillsboro Thursday of last week in response to a message that Eugene B. Smith, brother of Mrs. Malone, had passed away.

Mr. Smith suffered a severe heart attack last June and since then had been in Ballinger most of the time. He returned to his home at Hillsboro on Sunday before his death on Thursday.

Funeral services were conducted by Rev. Tony Richardson, pastor of the First Presbyterian Church, in the Marshall & Marshall funeral chapel. Burial was in the Ridge Park Cemetery at Hillsboro.

MRS. FOY'S FATHER DIES AT HOME IN GATESVILLE

M. A. Haskins, father of Mrs. M. A. Foy, died at his home in Gatesville Saturday.

Mr. and Mrs. Foy were in Dallas to attend the State Fair and received a message there calling them to Gatesville. They returned home Monday morning and left again Tuesday morning for Breckenridge to attend the funeral services held that afternoon at the Kiker Funeral home.

Survivors include three sons and four daughters.

Pfc. Bob Agnew and Mrs. Agnew spent the past week-end in Ballinger, visiting their parents, Mr. and Mrs. H. G. Agnew and Mr. and Mrs. B. M. Batts. They left Sunday for Fort Lee, Richmond, Virginia, where Bob will be stationed. He is a petroleum laboratory technician.

Mr. and Mrs. Elmer Simpson, of San Angelo, were here Monday to attend to business and visit relatives.

Dollar Days Plans Being Perfected For November 2, 3

Committees of the Ballinger Chamber of Commerce are completing plans for the city-wide Dollar Days here on November 2 and 3. Material has been assembled from a number of towns where successful Dollar Day events have been held and the best features of all these will be used.

Committees started Monday contacting firms to see how many will participate in the two-day selling event. Merchants are being asked to feature from one to as many as they want, of special items that will be sold at one dollar on these bargain days.

The chamber of commerce will do special preliminary advertising and the week before, merchants will attend to their own advertising featuring their special items.

Merchants will be asked to prepare their advertising copy more than a week in advance so that it can be handled locally and distributed. Special Dollar Day price cards have been printed and will be sold at a small cost to each participating merchant. The committee is urging that these cards be used to mark each special item in the stores.

LIBRARY BOARD TO HOLD QUARTERLY MEETINGS

The Ballinger Library board held a regular meeting Tuesday night. The president, Mrs. Chester Cherry, was in charge of the business.

The board voted to hold meetings quarterly. Other items of interest were the renewing of insurance on the building for three years, and the board agreed to assume responsibility of keeping the yard and grounds. Mrs. Elmer Shepperd and Mrs. A. B. Stobaugh were named as a committee to supervise the upkeep of the lawn. A book committee, composed of Mrs. Jack Moore, Mrs. R. T. Williams and Mrs. Joe Flynt, was allotted \$300 for the purchase of new books in order to bring the reading material up to date. The committee was also instructed to purchase the latest book of the year and add to the Encyclopedia Britannica. The secretary, Mrs. H. G. Agnew, was named publicity chairman, and requested that the time of the board meetings be announced in the local paper, and invite the public to attend meetings.

The president announced that a financial statement would be sent to the county and city commissioners. A nominating committee composed of Mrs. John Barton, Mrs. J. O. Satterwhite and Mrs. Joe Flynt, was named.

Members of the board present were Mmes. Cherry, H. G. Agnew, R. T. Williams, J. O. Satterwhite, A. B. Stobaugh and Jack Moore.

HOSPITAL NOTES

Patients dismissed from the Ballinger Clinic-Hospital the past week included:

Sol Weatherly, San Angelo, medical, Monday.

W. F. Farmer, medical, last Thursday.

Mrs. Jim Flynt, medical, last Thursday.

Walter Smith, medical, Saturday.

R. D. Midgley, surgical, Wednesday.

E. H. Fergy, medical, Tuesday.

Mrs. C. S. Edwards, surgical, Tuesday.

Births recorded at the clinic the past week were as follows:

Mr. and Mrs. Eddie Lee Rose, twin sons, October 10.

Mr. and Mrs. Clyde King, a daughter, October 8.

Mr. and Mrs. Don Beauchamp, a daughter, October 11.

Mr. and Mrs. Andrew Benitez, San Antonio, a son, October 12.

Mr. and Mrs. C. W. Hendricks, a daughter, October 12.

Mr. and Mrs. Doyle Spruiell, a daughter, October 14.

Mr. and Mrs. Manuel Fuentes, Rowena, a son, October 14.

Mr. and Mrs. Norman Keifer, a daughter, October 14.

Patients hospitalized at this time include:

A. O. Bartlett, medical.

Mrs. A. C. Harris, Talpa, medical.

Sid Davis, medical.

Mrs. W. A. Danforth, Winters, medical.

Mrs. Annie Marecek, Rowena, medical.

Walter Niehuus, Norton, surgical.

Mrs. Sam Farmer, Bola, medical.

Mrs. Lena Hagan, medical.

J. F. Farmer, medical.

Edward Hale, Abilene, medical.

Joel Tom Meador, Eldorado, surgical.

Farm Bureau Slates Important Meetings

The Runnels County Farm Bureau has scheduled two important meetings and has set October 23 as membership day for the county. Every farmer is asked to attend one or both of the meetings and be ready to express his opinions in regard to the farm program.

The first meeting will be at 7:30 p. m. Monday, October 19, in the district court room of the court house here. The other meeting is slated at 7:30 p. m. October 20 in the Winters high school auditorium.

Some of the subjects to be discussed and answered follow:

1. Can we afford a sales tax?
2. Do farmers want fixed price support or a layout flexible price support?
3. Do farmers want excess land for soil building?
4. Do you want to be a part of the organization that is being called on to speak for agriculture?
5. Can we afford to have controlled crop acreage forever?

The department of agriculture's interpretation of the allotment law is:

"The national acreage allotment for cotton shall be apportioned to the states on the basis of acreage planted to cotton during the five calendar years immediately preceding the calendar year in which the national marketing quota is proclaimed, with adjustments for abnormal weather conditions during such period."

The board of directors of the American Farm Bureau took the following action:

"That we authorize the officers and staff to take a stand that we do not favor penalizing farmers for extreme and continuing acts of providence and that we try to work out a reasonable proposal to correct such situations."

On October 23 a large number of volunteer workers will be in the field to solicit 1954 memberships. The goal is 600 members for the county. There were 480 members in 1953.

Oil Development Aid To County's Economy

The observance of Oil Progress Week makes the people of Ballinger and Runnels county feel deeply the importance of this industry.

Oil development in this section the past few years has meant much to every business and professional man as well as hundreds of farmers and ranchmen on whose land leases have been taken.

Much of this development has come at a time when a three-year drought would have made conditions deplorably bad. Oil operations have kept business good, have taken care of many who needed jobs, filled rental property and gave this area a monthly payroll that has kept retail sales high.

District 7-C, of which Runnels county is a part, seems well on its way toward setting a new record for discoveries. So far this year Runnels county is leading all counties in the district in new wells. The county has led the district for the fourth straight year.

For the first eight months of this year, the county has credit for 22 new discoveries, according to records of the state railroad commission office at San Angelo.

Runnels county set a record in production for the first seven months of 1953 with 6,355,762 barrels already reported. This compares with full twelve months in 1952 of 6,223,313 barrels. The 1953 production showed Upton county leading all West Texas with 13,335,325 barrels and Runnels county second.

Ballingerites have learned to appreciate the "new citizens" which the oil industry has brought here. These people have taken their places as civic leaders, church workers, good school patrons and have accepted places in the community in many ways. When living quarters were difficult to obtain they accepted what was offered without complaint and many have built homes, expecting to be permanent residents.

To the production crews, the oil agents, the station operators and everyone connected with the oil industry, the people of Ballinger feel grateful.

TWO BALLINGER FFA BOYS ATTEND NATIONAL MEETING

Jerry Egan and Francis Fischer, members of the Ballinger Future Farmers of America chapter, are in Kansas City this week attending the national meeting of the organization.

The two boys were named to represent the local chapter at the national meeting. They were taken to Dallas Saturday by H. B. Edmondson and boarded a special train made up of Texas boys for Kansas City.

Dr. C. F. Bailey, Frank Flynt, and Jones Taylor, of Fort Stockton, left this morning for South Dakota, where they will hunt pheasants several days.

Mr. and Mrs. Harry Lynn will go to Dallas Friday to spend the week-end visiting relatives and attending the state fair.

County's F.F.A. and 4-H Club Boys to Show Animals at Fair

The Ballinger F. F. A. grass judging team has entered the competition at the State Fair of Texas and will test its skill against other groups. Members of the local team are Francis Fischer, Edwin Walthers and Henry Wolff, Jr. H. B. Edmondson is the instructor.

Two calves and eleven sheep will be shipped by the Ballinger chapter to the junior livestock division of the fair. They will be loaded here Sunday and will remain at Dallas all the week. Those to show livestock are Bob Ransbarger, one calf; Bob Farley, one calf; Edwin Walthers, one lamb; Bill Ashton, three lambs; Henry Wolff, Jr., four lambs; Jimmy Little, three lambs. Both the advisors, Mr. Edmondson and James Tackett, will spend some time at the fair next week.

Saturday will be Rural Youth Day at the fair and several members of the local chapter will probably attend. The time and method of leaving Ballinger will be decided later when it is known definitely how many attend.

Leo Minzenmayer, a member of the Norton F. F. A. chapter, will have a fat calf in the livestock show.

4-H Club Boys

The Runnels county 4-H club boys' livestock will be loaded and taken to Dallas Monday. Leo Minzenmayer will exhibit one short-horned calf and Hugh Campbell, III, will show a fat Hereford. Boys to show lambs are Billy, Maurice and Jerry Holle, J. C. and Harvey Wessels and Vaiton Hoffman.

A. C. Minzenmayer and Rollin Campbell will be responsible for the transportation of the calves and Jimmy Cusenberry and E. H. Holle will see that the lambs get to Dallas. County Agent John A. Barton will take the boys with him to Dallas Tuesday afternoon.

CHEERY TO GO TO AUSTIN FOR POWER CONFERENCE

Chester Cherry will leave Sunday for Austin to attend a power distribution conference conducted by the school of electrical engineering of the University of Texas. The three-day conference will consider practically every phase of distribution of electric power.

Patrolmen Present Program on Safety At Jaycee Meeting

At a meeting of the Ballinger Jaycees at Lowake Monday night a safety program was presented by members of the state highway patrol.

The main feature was the presenting of a plaque to the city of Ballinger for no traffic fatality within the corporate limits during 1952. This makes three straight years the city has been awarded this honor and officials are striving to maintain the record in 1954 to win the fourth award.

Patrolmen Bob Brookshire, of San Angelo, and Joe Perry, of Ballinger, made the award to Mayor C. M. Hambrick and Chief of Police J. L. Moreland.

Patrolman Brookshire talked on highway safety and showed a picture on this subject.

Gene Keel presided for the meeting and during the business session a discussion was held on the sale of football tickets. The Jaycees will sponsor a game here on the night of November 7 between the teams of McMurry College, Abilene, and LaMar Tech, Beaumont. It is planned to launch a city-wide ticket sale next week in an effort to sell all reserved seats in advance.

DR. CHANDLER PRESIDENT OF HOWARD PAYNE BOARD

Dr. O. H. Chandler, of Ballinger, was elected president of the board of trustees of Howard Payne College, Brownwood, at a meeting held at the college last week. The Ballinger physician has been a member of the board for a number of years and served as first-vice-president last year.

It is the first time in the history of the school that a president of the board has been elected who lived outside Brownwood.

Mr. and Mrs. Tom Caudle and Mr. and Mrs. E. A. Saunders returned the first of the week from Fort Aransas, where they did some fishing while on a short vacation.

SOCIETY

Pre-Nuptial Party Series Honor
Miss Holley
First of the series of pre-
nuptial compliments for Miss
Louella Holley, who will be
married October 17 to Gene
Scoggins, was given Monday
evening when Mrs. Herman
Herring and Mrs. M. E. Boggess
were hostesses at a gift tea in
the Herring home in Wilke
Terrace.

The bride-elect's chosen
colors, yellow and white, were
emphasized in chrysanthemum
arrangements throughout the
party rooms. The dining table
was centered with a miniature
bride and groom encircled with
yellow and white baby mums in
greenery.

Mrs. Herring greeted guests
and presented the honoree and
her mother, Mrs. Virgil Holley,
and the prospective bride-
groom's mother, Mrs. Herman
B. Scoggins. Mrs. Bill Scoggins
was at the bride's book. Mrs.
Robert Herring, Mrs. Jack Her-
ring and Mrs. Vernon Lewis
assisted in serving yellow and
white cake squares, mints and
coffee.

Each guest wrote her favor-
ite recipe which was given
Miss Holley along with the
large array of gifts presented
in a large box wrapped in
white and yellow.

More than a hundred guests
were included.

The second complimentary
affair for Miss Holley was a
gift kitchen shower Wednesday
afternoon, for which Mrs. E. E.
Curry and daughter, Tommye
Lou, were hostesses in the
Curry home at the Lone Star
Pipeline department station,
north of the city.

Yellow and white pompon
chrysanthemums formed the
centerpiece for the dining table
while arrangements of daisies
in the same tones were used
about other rooms.

Mrs. Vernon Lewis assisted
in serving a sandwich plate
with cookies and coffee. Yellow
and white napkins designed
with a bride and groom com-
pleted the table appointments.
Gifts were presented to the
bride-elect in a basket.

Those present were: Mmes.
Herman Scoggins, Virgil Holley,
Rex Cook, Rodgers Jones, Eskell
Powell, John Coffey, W. C.
Dodson, Louis Harding, Oswald
Zuehlke, H. Leonard, P. L.
Thompson, A. D. Smith, Wesley
Hamilton, Earl Hamilton, Jack
Hamilton, Julian Holland, C. B.
Looney, Jim Elliott, Pete Cow-
shaw, Carley Watkins, J. W.
Guynes, Bill Hays, Joe Flynn,
W. E. Elkins; Misses Frances
Thomas, Merle Smith, Del-
phane Berryhill, Louise Miller,
Bobbie Sue Stultz and Jeanie
Dankworth.

St. Mary's Altar Society Meets

in Parish Hall
Mrs. Frank Greger conducted
the business at the regular
meeting of St. Mary's Altar
Society, held in the Recreation
Hall Tuesday evening.

Rev. Patrick J. Ward, O. M.
I., gave the prayer and also
reported on a training school
for teachers to be held at Abi-
lene soon. The committee on
Used Clothing for War Refu-
gees gave a report and stated
that the box of clothing would
be sent on November 2. Plans
were discussed concerning the
Abilene Deanery meeting of the
National Council of Church
Women. Members of the Bal-
linger and Winters altar soci-
eties will be hostesses to the
group at the Acapulco Cafe on
November 17. A committee com-
posed of Mrs. V. O. Wade and
Mrs. Sim Cottelle will join a
Winters committee to arrange
for the affair.

The president named Mrs.
Glen Hoelcher, Mrs. Charles
Osak and Mrs. H. J. Zappe to

make plans for a bake sale to
be held in the near future.

Mrs. Louis Sturm was wel-
comed as a new member, and
visitors from Winters were Mrs.
Eric Gregoleit, Mrs. Alvin
Nitsch and Mrs. Joe Kozelsky.

At the social hour Mrs. Ches-
ter Afflerbach and Mrs. Cot-
telle served a sandwich plate
with candy and coffee. Hal-
lowe'en appointments were used
for table appointments. Others
were: Mmes. Lucy Rollwitz, R.
C. Smith, E. C. Schott, Walter
Mueller, W. J. Curtis, Harold
Mueller, Joe Anderie, C. T.
Moonen and Reinholt Hoel-
scher.

Ballinger Chapter No. 266, O.E.S., has Stated Meeting

The regular stated meeting
of Ballinger Chapter No. 266,
Order of the Eastern Star, was
held in the Masonic hall Mon-
day evening. Mrs. Tom Mc-
Entire, worthy matron, and
George Beard, worthy patron,
were in the East.

Mr. Beard directed the
Pledge of Allegiance to the
Flag. Mrs. W. B. Halley, past
grand matron, and Mrs. Hazel
Nunn of Sweetwater, Chapter
352, deputy grand matron of
district 2, section 7, were
escorted to the East.

Mr. Beard announced that
the chapter was ready to take
orders for Christmas cards.

Mrs. Halley directed the clos-
ing service.
At the social hour the
refreshment committee served
cookies and cold drinks to

CHRIST CALLS MEN TO SPIRITUAL GROWTH FOR THE LOVE OF GOD ON BEHALF OF MAN

FORMER BALLINGER MAN DIES AT CORPUS CHRISTI

Funeral services for Noel Penn, 63, of 1233 Florida, Corpus Christi, who died at his home of a heart attack on Sunday, October 5, at 5:00 a. m. were held on Tuesday, October 7, at 4:00 p. m. at the Cagle-Mills Funeral Chapel.

The Rev. Hubert Palmer, rector of All Saints Episcopal Church, officiated, and burial was at Seaside Memorial Park. Mr. Penn, son of the late W. C. Penn of Ballinger, resided in Ballinger for many years and was associated with his father in the cotton business. A resident of Corpus Christi for 29 years, he was employed at Creveling Packard Co. Survivors besides the wife, Mrs. Margaret Sharp Penn, are two daughters, Mrs. W. H. Twoby, of Kansas City, and Mrs. Raymond Harris, of Bismark, North Dakota; seven sisters, Mrs. R. J. Parks, of Dallas; Mrs. George Kirk and Mrs. Cecil Thorp, both of Austin; Mrs. Art Johnson, of Pensacola, Florida; Mrs. David Moody, of Gallatin, Tennessee; Miss Ida Penn, of California; Mrs. Harold Tucker, of Jermy; two brothers, Clint Penn, of Dallas, and Tom Penn, of Brownwood; and two grandsons.

ONE RUNNELS COUNTY MAN WILL BE INDUCTED

Fred W. Dahmann, of Ballinger, will be the only man from this county to report for induction at the Abilene station on October 16.

Selective service board No. 21, for Coleman and Runnels counties, has a quota of six men on the above date, but five are from Coleman.

RIGHT-OF-WAY ON NEW ROAD ABOUT SIGNED UP

Bill Harman, county commissioner for the Wingate precinct, was here Monday to attend a regular meeting of the commissioners' court. He stated that good progress had been made in securing the land needed for the right-of-way from Norton north to the intersection with the farm-to-market road out of Winters.

All but two of the landowners have been signed for needed right-of-way and these are expected to agree within a short time. Landowners who are most affected by cut-offs have signed deeds. County officials are hopeful

Mr. and Mrs. Frank Grounds and family visited in the Owen Bragg home Saturday night.

Ophelia Dietz spent Friday night and Saturday with Betty Lou Holle.

Mrs. Pearl Davis and Pearl and Bonnie Pearce visited in the Effie Dietz home Sunday.

Rev. and Mrs. Ernest Edwards, of Christoval, visited in the E. W. Bridwell and P. R. Dietz homes last week.

Charles Alcorn spent Saturday night with his grandparents, Mr. and Mrs. A. S. Alcorn.

Mrs. Grace Karmany, of Comanche, visited Mrs. F. R. Dietz Monday last week.

Mr. and Mrs. Owen Bragg and family visited Mr. and Mrs. D. H. Grounds and Dan Sunday afternoon.

Mrs. Lillie Osborne, Effie Dietz and Pearl Davis visited Prue Martin Sunday afternoon.

Mr. and Mrs. Grafton Brookshier visited the latter's parents, Mr. and Mrs. Roy Clack, of Dublin, Sunday.

Mr. and Mrs. J. E. Branscum and girls and Mrs. C. H. Grounds visited in the Owen Bragg home Sunday night.

Miss Marguerite Mathis spent the week-end with her father, W. C. Mathis. Also visiting in the Mathis home was an aunt, Mrs. Conner.

Card of Thanks

We wish to express our appreciation to the friends who were so kind during the recent illness and at the death of our loved one, Mrs. I. W. Evans. The flowers, food and each kind expression of sympathy were deeply appreciated.

The Evans family
15-11

visited in the home of Mr. and Mrs. Leon Bridwell at Drasco Sunday.

CREWS

Pearl Davis and Effie Dietz visited Mr. and Mrs. Tom Yates at Coleman and Rev. and Mrs. Peyton at Talpa Tuesday after attending the Sunday school training school at Coleman. Mr. and Mrs. Orville Pearce

A Grand Bunch of Fellows Who Distribute Our Products

During Oil Progress Week we salute our service station operators who distribute our products and look after your motor equipment. They are always on the job, devoting long hours, working in heat and cold to keep the cars of this area rolling.

We also wish to express appreciation to our friends who use our products and our service. We are backed by the biggest oil companies in the world in bringing you the best in lubrication and fuels—plus the many other special features that help to make the

performance of your car better.

In winter cold or summer heat, the station operator knows just what is best for your car and renders you this service with a smile.

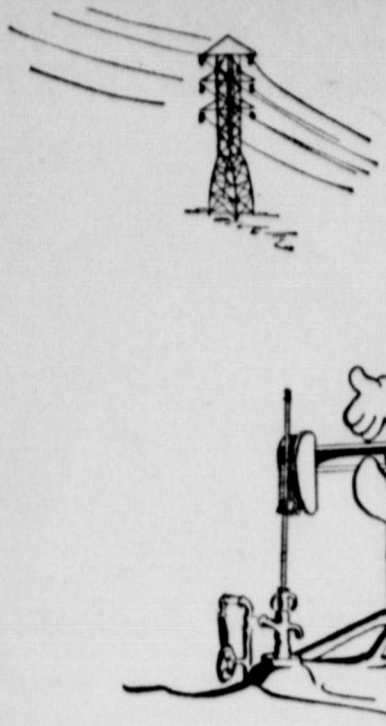

When improvements are made in motor oils or fuels, the companies we represent will be the first to make it available through our stations.

During Oil Progress Week we salute the entire oil industry.

*'From Production
to Marketing —
We're Proud to Serve
the Great West Texas
Oil Industry'*

**NATIONAL
Oil Progress
Week
October 11-19**

From production to marketing, dependable electric power is a working partner of the West Texas Oil Industry—an industry which is the basis for the continued growth and prosperity of the area.

A pioneer in serving the Oil Industry, the West Texas Utilities Company has recently put into service—as a part of a \$40,000,000 construction program—new electric generating facilities providing an additional 95,000 horsepower of electrical energy to serve the Oil Industry and West Texas.

Company**

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Mrs. Andy Riddle was hostess of members of Friendly Neighbors home demonstration club Thursday afternoon, entertain-

ing in her home on Murrell Avenue. Mrs. W. J. Curtis conducted the business routine after members answered roll call by giving "Something I Would Like to Make." The thought for the week, "Life is Like a Ladder—

Every Step We Take is Either Up or Down," was given. Mrs. Frank Gregor and Mrs. J. L. Kilgore, representatives from the Norton home demonstration club, met with the club to discuss a project of sending gifts to the State Home for

Children at Abilene. A demonstration on oil painting was given by Mrs. Floy Grant and Mrs. R. H. Wilbanks, of Winters. The hostess served a sandwich plate to ten members and two guests.

**Pioneer Texas Yarn, Navy Story,
1st Run 'The Actress' to Horseshoe**

Universal's Technicolor production, "The Man from the Alamo," and Allied Artists' drama of the submarine service, "Torpedo Alley," comprise the twin-bill at the Horseshoe Drive-In Theatre tomorrow and Saturday.

"The Man from the Alamo" tells the story of one of the unsung Texas heroes—the only man to leave the Alamo alive. As John Stroud, Glenn Ford plays the part of a man scorned as a coward because the only ones who knew of his secret mission fell at the Alamo. The co-star is Julia Adams, with Chill Wills topping the support.

Mark Stevens, Charles Winninger and Dorothy Malone are starred in "Torpedo Alley," on which two naval experts served as technical advisors. The navy men were Rear Admiral Thomas Dykers, USN, retired, and Commander B. R. Buskirk, also retired. Much of the filming was at the navy submarine base, New London, Connecticut.

Spencer Tracy, Jean Simmons and Teresa Wright are the stars of "The Actress," first-run offering at the Horseshoe Sunday, Monday and Tuesday, October 18, 19, 20. On the same program is the John Wayne starrer, "Dark Command."

"The Actress," M-G-M comedy-drama, filled with both laughs and poignant situations, tells the story of a young New England girl who is determined to get her start on the stage but who has to overcome parental opposition and various other obstacles before she can achieve her goal. It is also an endearing picture of middle-class family life, with Spencer Tracy playing the hard-pressed breadwinner, and Miss Wright as the mother of the stage-struck heroine. Supporting players are Anthony Perkins, Kay Williams, Mary Wickes, Norma Jean Nilson, Ian Wolfe and Dawn Bender.

"Way of a Gaucho," 20th Century-Fox's Technicolor spectacle which was filmed in its entirety in Argentina, will be one of the two features at the Horseshoe Wednesday only, October 21.

Starring Rory Calhoun and Gene Tierney, the production based on Herbert Childs' popular novel, features Richard Boone, Hugh Marlowe and Everett Sloane.

On the same program is the Susan Hayward starrer, "With a Song in My Heart."

Seems You Ought to Know Him!

You see a man in a beautiful new Cadillac—and, almost instinctively, you take a second look. Your judgment tells you that those who drive Cadillacs are likely to be people of importance—and are very probably in the public eye. It is small wonder that you feel this way about people who own and drive these distinguished cars. For more than half a century, Cadillac has been a favorite car of the leading people in every community across the land. For Cadillac is the only car in America whose name has consistently been reserved for the finest cars it is practical to produce. People who want the finest have learned to come to Cadillac—as the tide goes with the moon! Of course, you don't have to be a prominent person in order to find a reason for moving up to Cadillac.

There is every practical reason for owning a Cadillac—as well as every personal one. Under normal driving conditions, the Cadillac car will run a full day on a single tankful of gasoline. The lowest priced Cadillac costs less than twenty-two models of other makes of American-built cars. And a Cadillac, according to an authoritative study of national used car prices, will return a greater share of its owner's investment at the time of resale than any other motor car in the land. So whether you are prominent, or whether you are practical—Cadillac is your perfect choice! Better come in and see us. Cadillac was never so fine and beautiful as it is today—and it was never more practical to own and enjoy. We're at your service—any time you wish to call!

LUTHERAN WOMEN'S LEAGUE MEETS AT BETHEL CHURCH

The Lutheran Women's Missionary League, Heart of Texas Circuit, held its semi-annual meeting in Ballinger Wednesday of last week. Sixty-two women registered at Bethel Lutheran Church on the Bronie highway. Mrs. Gus Behnke was in charge of registration between 10:00 and 11:00 a. m. Following registration, Mrs.

J. H. Kurts and Mrs. Fred Dahmann served coffee and doughnuts. At the morning program, the Rev. W. Headley, church pastor, directed the opening service. Mrs. Charles Beckhausen gave the welcome and Mrs. L. J. Seidel, of San Angelo, gave the response. A business session was conducted by Mrs. Lanier H. Bell, of San Angelo, president. The ladies' aid organization of the local church was host

to the group at a luncheon served at the Central Hotel at noon. At the afternoon session, the Rev. Glen Kollmeyer, of San Angelo, gave the devotional. An address on "Personal Evangelism" by Mrs. E. A. Kramer, of San Antonio. Rev. Headley gave the closing remarks and prayer. The next meeting will be held in April at Brady. Paper clips at Ledger office

WHY WE CAN GIVE YOU AN EXTRA ALLOWANCE ON YOUR PRESENT CAR

"Mercury dealers sell more cars per dealer than any of our competition. We still make money operating on a lower profit margin—so you can get a higher trade-in allowance!"

LOOK HOW MUCH MORE YOU GET WITH MERCURY

NOW WHEN YOU BUY—you get a car that's breaking sales records. And because our high volume lets us take a lower profit per car, we are now in position to offer you the best trade-in deals in our history. You now can get a Mercury for an initial cost that's little more than the lowest priced cars. And you get so much more, when you get a Mercury!

WHEN YOU DRIVE—you'll be thrilled by Mercury's proven V-8 performance. Here is no newcomer V-8! Mercury has never used anything but V-8 engines. And you have your choice of more optional features—including 4-way power seat, power brakes, power steering, electric window lifts, and immediate delivery on no-shift Merc-O-Matic Drive.

WHEN YOU TRADE IT IN—Mercury's popularity, style leadership, proven V-8 economy combine to give it the highest trade-in value in its field. Because you get more of your investment back in the future when you trade it in, the final cost of a Mercury makes it the "hottest" buy on the market. Get the facts—and drive a Mercury today!

'Home Demonstration Council Gets Officers' Annual Reports

The Runnels county home demonstration club council held its regular October meeting in the office of Miss Ollie Chenoweth Friday. Mrs. Calton Smith, council chairman, presided.

As October is the time for annual reports, each council officer and club president gave a report of the work of the past year.

Mrs. John Duke, financial committee chairman, reported on the council budget and also gave tentative plans for a Mexican dinner to raise funds for the ensuing year.

The 3-E chairman, Mrs. Marvin Hale, reported on the aims of the expansion committee. She told of the work done by clubs in helping inmates of the Abilene state hospital. This work will be continued another year. The fall exhibit was also planned by the council.

The recreation committee carried out its plans by encouraging community parties and club skits for Rally Day.

Mrs. A. B. Spill stated that the 4-H committee had encouraged the women's clubs to sponsor 4-H clubs in their communities. The clubs also invited 4-H club girls to help with programs during the year.

Each council officer stated she had been present at all meetings and had fulfilled all duties connected with her office.

Each club president reported that all the demonstrations for the past year had been given in their clubs, either by the agent or by the food and home improvement demonstrators. Non-club members had been helped in each community. Other work included the filling of home freezers and lockers with meats, fryers, fruits and vegetables. Numerous pieces of furniture had been upholstered

and refinished, lawn furniture had been made and old lamps converted into reading lamps. Handcraft, such as glass etching and making sequin earrings were taught all club members during the past year. Each month two clubs sent gifts to the Abilene state hospital. Community socials and family parties were held by the clubs.

The nominating committee made its report and the following council officers were elected:

Mrs. Calton Smith, chairman
Mrs. Kirby Robinson, vice-chairman
Mrs. A. B. Spill, secretary
Mrs. W. J. Curtis, treasurer
Mrs. Dick Holstead, reporter

The council voted to give \$5 to Ellen Shelburne for spending money on her trip to the state fair.

It was voted to have window exhibits in Ballinger and Winters in November. The 3-E committee will work out the details and the exhibits will show the results of all demonstrations for the past year.

Miss Chenoweth discussed features of the new yearbook which will be printed this week. Plans for serving the annual Christmas luncheon were discussed.

A training school for food leaders on meat substitutes is to be held this month, the time and place to be decided later.

Hale is a member of the firm of Nolen & Hale Oil Co. and Farmer is an employee of the company. Hale had breaks of both bones in his right leg plus shock and bruises. Farmer had cuts and bruises.

Both were taken to the Ballinger Clinic-Hospital for treatment.

Gene Keel and Joe Freeman attended the Oklahoma-Texas football game at Dallas Saturday.

speaker. He demonstrated a new method of artificial respiration. County Judge W. H. Rumpy, Sheriff Don Atkins, State Patrolman Joe Perry, Chief of Police J. L. Moreland and Policeman J. R. Whitworth attended the lecture and demonstrations.

All present were taught the new method, each acting as both the victim and the operator.

J. C. Wilson, of Abilene, showed motion pictures, some dealing with safety and some for entertainment.

WEBB, HARRIS NAMED DAIRYMEN'S DIRECTORS

J. K. Webb, of Miles; and J. R. Harris, of Winters, have been appointed on the board of the West Texas district of the American Dairy Association of Texas. There are eight counties in the West Texas district and about 900 members in the state organization.

County Agent John A. Barton has been named to provide information to dairymen as it is made available by the state organization or the extension service.

TWO MEN HOSPITALIZED AFTER TRAFFIC ACCIDENT

Edward Hale, 49, of Abilene, and J. H. Farmer, 28, of Ballinger, sustained injuries Wednesday night when their car overturned at the intersection of the Martin Inn road and highway 67 west of Ballinger.

Hale is a member of the firm of Nolen & Hale Oil Co. and Farmer is an employee of the company. Hale had breaks of both bones in his right leg plus shock and bruises. Farmer had cuts and bruises.

Both were taken to the Ballinger Clinic-Hospital for treatment.

Gene Keel and Joe Freeman attended the Oklahoma-Texas football game at Dallas Saturday.

The ships returned via the Suez Canal and the Mediterranean.

Sgt. Chester L. Davenport has returned to the United States after serving in Korea with the 25th division. His wife who lives at Lovington, New Mexico, met him in Fort Sill, Oklahoma, and they came on to Ballinger to visit his relatives. Mr. and Mrs. Cecil Donison.

Pfc. William Roy Davenport, also a son of the Donisons, is at home on a 20-day leave after finishing a food service school at Camp LeJeune, North Carolina.

SOCIETY

Davenport-Wheeler Nuptials Solemnized

Miss Rosie Marie Wheeler, daughter of Mr. and Mrs. Cecil Wheeler, became the bride of William Roy Davenport, son of Mr. and Mrs. Cecil Davison, Tuesday evening at 7:30 o'clock in the First Presbyterian manse on Eighth Street.

The Rev. Alvin O. Rue, pastor of the First Presbyterian Church, U. S. A., performed the double ring ceremony.

Miss Edith LaNell Davenport, sister of the bridegroom, was the only attendant.

The bride wore a two-piece navy fall dress with matching accessories. Her corsage was of white carnations.

The bride attended the Ballinger High School and the bridegroom graduated from the Ballinger High School in 1952. He enlisted in the Marines last March, and after completing his basic training at San Diego has been stationed at Camp LeJeune, North Carolina.

Mr. and Mrs. Tom Epting spent the past week-end at Dallas, attending the fair.

Most-liked low-priced car

... among people who want more for their money when they buy ... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

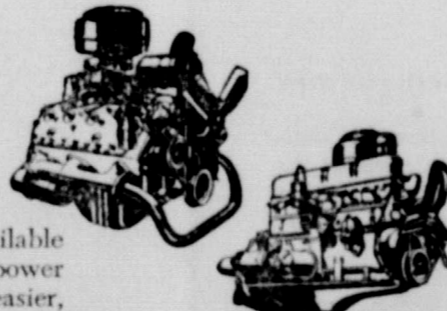

because it's most like high-priced cars

... more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hulltight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conventional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See... Value Check... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

WEST TEXAS NOTES

Improvements have been completed at the Ballinger labor camp and it is in condition to provide shelter and some other accommodations for migrant crews. This movement was launched in the summer by the United Council of Church Women as one of the organization's migrant labor projects. After a call on the city commission, a board was set up through the chamber of commerce to get the necessary improvements, giving some degree of sanitation, shower baths and running water. A shed already on the plot will furnish shelter and the grounds are suitable for campfires in preparing meals. Only a few large crews of cotton pickers have reported so far this fall, but farmers are hopeful that more pickers will come into section later in the year. Ginnings are slow now because of the lack of pickers. Some fields have not been touched and unless laborers show up many will employ strippers after frost.

Ballinger city officials and civic leaders will leave nothing undone in their efforts to get an armory for company "I, 142nd Infantry, Ballinger's national guard unit. Ranking officers here last week on an inspection tour were delighted with the site offered by the city. While they could make no statement, the visitors believed Ballinger was in line for an armory and that some definite information would be released soon. Prior to World War II, Ballinger had been set up for a new armory but the outbreak of hostilities suspended all such construction. The program has been resumed and a number of cities have already been awarded buildings and appropriations okayed. Ballinger is on the approved list and it is hoped that construction of the local project will begin in the very near future.

Runnels county club boys will go to Dallas next week to exhibit the first of their 1953

Farmers living in the north-eastern part of McCulloch county saw the Deer Creek flood control project tested in rains that fell in the area two weeks ago. From 7 to 8 inches fell on the creek's watershed and the low detention dams prevented damage to fences, roads and fields. Farmers stated that in previous years they had seen much lighter rains cover their land and wash away roads and much soil. Some said it was the most water ever seen in the section and it was handled perfectly.

N. M. Barnett, polled Hereford breeder at Melvin, has just returned from showing animals at Clifton and Waco. At Clifton he was awarded four blue ribbons and also showed the reserve champion bull. At the Heart of Texas Fair, Waco, one bull placed first and several

other ribbons were awarded Barnett's herd. He has been raising registered stock for a number of years and is regular winner at a number of Texas shows and at some outside the state.

Ex-students of the Bronte high school will assemble Saturday for their 1953 homecoming. E. F. Glenn, chairman for the big event, has been sending out letters urging all exes to make reservations for the banquet. Registration will start at 2:00 p. m. and a tea will open the program. The banquet will be held at 7:30 p. m. in the First Baptist Church. Mr. Glenn stated he expected about 300 former students to be present.

The Winters Chamber of Commerce and directors of the Future Farmers of America chapter, held a joint meeting last week to consider forming an agriculture and livestock association. The primary purpose would be the holding of an annual agriculture and livestock show. A goal of 300 members, each paying \$5 in dues, was favored and this will provide expense money for the show. F.F.A. instructors pointed out that it was all right to have the county show at Ballinger but that a community show was needed for the Winters area.

The Menard city council passed an ordinance last week which will make it a violation to sell merchandise on streets, alleys and public thoroughfares within two blocks of San Saba Avenue. The council also heard a committee asking that immediate steps be taken to keep the streets in the business district cleaner and to investigate the razing of several shacks. The committee was informed that a packer-type truck was being purchased for the daily collection of garbage.

Plans are being pushed for the week-long Haskell Cotton Festival. Dates set are October 26 through October 31. Some of the features already planned will be the selection of a cotton queen in a beauty contest, a bull pulling contest, negro college football game, Halloween carnival and a street parade. The business district will be decorated with welcome banners. A check for \$227 was mailed

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.

The best plan for all concerned is to send the change of address in advance.

feeder projects. A small number of calves and sheep are to be entered in the junior division and their owners will go along to groom and show the animals. A large number of boys in the 4-H clubs and F. F. A. chapters are feeding animals but will not exhibit them until the spring shows. One of the first appearances of these animals will be in the county show in January. After this preview the boys will exhibit at Fort Worth, Houston, San Antonio, San Angelo and Abilene.

from friends at Colorado City to Mr. and Mrs. Jerome Buxkemper, who are patients in Baylor Hospital, Dallas. The check was the balance on hand from a television fund recently collected. The TV set was purchased and installed in the Buxkemper's hospital room but a balance of \$227 was left after paying for the set and installation. The Colorado City Record issued a call for contributions and a total of \$546 was soon received.

Coleman County Farm Bureau members will be in the field this week-end, soliciting members for the organization. The drive was launched Wednesday by 33 community chairmen and 129 workers. A goal of 800 members has been set for 1954 and every farmer in that county will be invited personally to join. A banquet for workers was held last week at which Leon Lane advanced reasons why every farmer should have membership.

Henry Pustka, public weigher at Rowena, stated last week that 672 bales had been handled by the Rowena gins this year. Of the total, 620 had been left at the public cotton yard. He

further stated that in 1952 the Rowena gins only turned out 1,160 bales and that at least 3,000 were expected this season. Good rains which fell in the area week before last slowed ginning.

A driver's class is taught in the Comanche high school and last week the 23 students and their instructor made a one-hour survey of traffic in the downtown district. Tabulations on traffic violations were made at only the intersections where lights are installed and during the one hour 655 violations were noted. The results of the survey were handed to the police who have charge of traffic at these intersections.

The Brownwood city council last week awarded a contract to a Big Lake firm to lay a pipeline from Brownwood to Sidney. The line will tie in a number of gas wells in the area for Brownwood consumption. The cost will be about \$167,000 and comes from the \$250,000 provided in a special bond issue recently voted by citizens. City officials are busy getting the right-of-way for the line and the line is expected to be completed in 10 to 20 days.

The towns of Bronte and

No Parking Problem

Some sage once said, "There is a place for everything"—but he lived long ago before the auto age, and he did not have to try to find a place to park in town on a busy day.

With the number autos increasing daily, the traffic congestion in this town, and in every town, is growing worse. But in case you want to make a deposit in the account you have with us—there is no **PARKING PROBLEM—IF YOU BANK BY MAIL!!!** The only cost is a trip to the nearest mailbox and a stamp.

Why us much time for special trips, and drive all over town to find a place to park when you can transact much of your banking business from your home? It's easy to do—ask us about it—the details are simple.

Blackwell have entered an agreement whereby Blackwell will receive 150,000 gallons of water daily from the 600,000 gallons allotted Bronte from the Oak Creek reservoir. The new arrangements will provide each of the towns with an adequate supply and relieve scarce conditions which have existed for some time. Blackwell will tap lines leading to Bronte and the water will flow by gravity through pressure filters to city lines.

Citizens of Hamlin will gather today at their city park for a general clean-up. Plans for the day's work were made at a meeting last week of all civic clubs and the entire program is sponsored by the Hamlin Business and Professional Women's Club. The project is to cut weeds and grass, remove brush that has grown up, replace broken rocks on walks, repair picnic tables and other equipment.

A total of \$101,300 has been allocated for highway improvement in the southeastern part of Erath county. This was revealed in a recent letter from the state highway commission to County Judge Dale Harbin. In the project is \$89,300 for the replacing of "old time" bridges in the area. Seal coating on roads already completed will be done as well as some new construction. Starting dates on the project have not been set.

Pearce-Bailey Drug

Gasoline

for Sunday driving... or *Natural Gas*

to cook next Sunday's roast?

Most people think only of gasolines, lubricants, and fuel oils when the petroleum industry is mentioned. The fact is, practically all oil producers are also natural gas producers. So today the driller of a wildcat, or exploratory well, calls his venture successful if the well discovers either oil or gas.

If it is an oil well, then he has helped to supply the country's increasing needs for oil and oil products; if it is a gas well, he has discovered additional supplies of an efficient, economical fuel for household and industrial use.

The petroleum industry's development and conservation of the country's natural gas resources is a practical demonstration of the progress to which Oil Progress Week invites attention.

Beginning with the location of the well, advanced geological and geophysical studies of underground formations aid in the selection of likely oil or gas producing areas, but still the odds against a wildcat well producing either gas or oil are eight to one.

If a natural gas field is discovered, reservoir engineers immediately begin their studies to determine the best producing methods to conserve the underground energy and to obtain the maximum production for the longest possible time.

If the gas that is discovered is "wet," it is processed in gasoline plants which remove the liquid parts and send them to refineries for further processing into motor fuels and aviation gasolines, or to petrochemical plants to be converted into a long list of useful chemical products, among which are the plastics and synthetic fabrics with which you are so familiar. "Dry" gas, the residue from gasoline plants, and sometimes produced direct from the gas field, is the natural gas that burns in literally millions of homes throughout America and under the boilers of thousands of American industries.

So, whether a wildcat well discovers oil for gasoline or natural gas for the kitchen stove, it adds to the available energy resources of the most highly mechanized nation on earth; it supplies products essential for today's and tomorrow's high living standards; it gives additional strength to measures for National defense.

Indians Shade Bearcats On 96-Yard Punt Return

The Ballinger Bearcats wound up their home schedule Friday night against the hard running Comanche Indians in a rough and tumble game that saw the Indians take a close 13 to 7 victory.

The trouble Friday night was a lad, Weldon Hicks, who meant plenty of grief for the Bearcats. Hicks had lots of help from his teammates in perfect blocking, but the fast and shifty youth was responsible for most of the Comanche yardage.

The scoring started with a bang in the first quarter. The Bearcats were held for downs and Jerry Bell booted a long one near the goal line. Hicks gathered the pigskin under his wing and galloped 96 yards for the first touchdown of the evening. His attempt for the extra point was wide of its mark.

In the second quarter the Bearcats gave the Indians another chance. A fumble was recovered by the visitors on the Ballinger 18-yard line. Again it was Hicks who circled wide to his right, picked up some blocking and went all the way to score. Hicks also made the extra point to figure in all the 13 points made by the Indians.

In the closing seconds of the first half the Bearcats staged a fast drive which carried deep into the Indians' end of the field. With just 30 seconds left, Jerry Bell sprinted around right end for ten yards and pay dirt. Gary Ferguson added the extra point from placement.

The two teams battled on even terms during the final half, each having several opportunities to score. The Bearcats bogged down on the ten-yard line in the third period and

late in the fourth quarter they carried deep only to have a pass intercepted at the goal line.

First downs were 13 for Ballinger and 14 for Comanche. The visitors led in yards rushing 199 to 149, however the Bearcats showed the most yardage in passing 49 to 0.

Cecil Brownlee, a fast stepping backfield man for the Indians, sustained a broken ankle near the end of the third quarter. The game was delayed until an ambulance could arrive to take him to the hospital.

SPORTS

The Ballinger Bearcats completed their home games Friday night and unless they should win their district, will not be seen in action on Bearcat Field again this year. Their one touchdown loss to Comanche was expected and fans were pleased with the showing made against this powerful team.

Tomorrow (Friday) night many cars will head towards San Saba for the annual Bearcat-Armadillo game. Ballinger fans received 230 reserved seats from San Saba and in addition to these the band and student body will give the Bearcats plenty of support.

The Armadillos continued to show their strength Friday night, defeating a good Goldthwaite team by the score of 28 to 13.

Following the San Saba game, the Bearcats will have a week of rest and will then start their conference schedule with four games in four weeks. All of these will be away from home with Lake View, Brady, Coleman and Winters in order.

District 8-AA had a bad night last Friday. Five teams played teams from other districts and all five lost. Coleman proved no match for the mighty Stamford team and lost 29 to 6. Winters got behind in the opening quarter to Colorado City and the Wolves went on to win 13 to 0. Brady lost to Lampasas and Sonora beat Lake View.

The junior high and B team will continue to have home games and fans are asked to be on hand and give the youngsters their support.

School officials will have reserved seats on sale each week for the out-of-town games and will do everything possible

RUPTURE

SHIELD EXPERT HERE
H. M. SHEVNER, widely known expert of Chicago, will personally be at the Cactus Hotel, San Angelo, Friday and Saturday only, October 23 and 24.

Mr. Shevner says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevner will be glad to demonstrate without charge. 734 1/2 No. Ridge Boulevard, Apt. 8B Chicago 45

Large incisional hernia or rupture following surgical operation especially solicited.

When you want to GO
 You want DYNAFLOW[®]
 (We mean T.T. Dynaflow!)

THE GREATEST
BUICK
 IN 50 GREAT YEARS

WORLD'S ONLY V8 VERTICAL VALVE

No doubt about it—as thousands of prideful owners will tell you.

When you press the pedal of a 1953 Buick with Dynaflow, you move.

You move with instantly responsive getaway, with great quiet, with truly infinite smoothness.

You move in this special and spirited and soul-satisfying manner because you're bossing *Twin-Turbine Dynaflow*—where two turbines, instead of one, now turn out the magic.

We can put pictures before you to show how TT Dynaflow delivers its sensational performance and flowing-

oil smoothness. And we will, if you ask.

But surely you ought to take the wheel of a 1953 Buick with this big-thrill wonder drive and let your own sensations tell you how wonderful it is.

You ought to try it for getaway, for cruising, for suave deceleration—for the sheer and restful comfort it gives you every step of the way.

And, very definitely, you ought to try it for the power that goes with it...

For the highest horsepowers and compression ratios, Series for Series, ever placed in a Buick—including the power

of the world's newest V8 engine in every SUPER and ROADMASTER.

Why not come in and try out this terrific performance team of Buick power and TT Dynaflow?

We're ready, willing and eager to show you what you've been missing—and how easy it is, price-wise, to have it. Can you drop in on us for a no-obligation sampling—this week?

MILTON BERLE stars for BUICK —in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, tune in The TV Football Game of the Week—a "GM" Key Event

*Standard on Roadmaster, optional at extra cost on other Series

 Come in and see this new aid with no tubes—with not one—not two—but THREE Transistors and eliminates the "B" Battery. Adv.

SOCIETY

Halfmann-Michalewicz Nuptials Held in St. Boniface Church
St. Boniface Catholic Church at Olfen was the setting Wednesday morning at 8:30 o'clock for the wedding of Miss Wilma Jean Michalewicz, daughter of Mr. and Mrs. Andrew Michalewicz, of Olfen, and Cecil Halfmann, son of Mr. and Mrs. Mack Halfmann, of Wall.

The Rev. Norbert Wagner, pastor, officiated at the double-ring vows and the nuptial mass

before a candlelight altar decorated with arrangements of white gladioli. Acolytes were A. T. Halfmann, Jr., and Virgil Hoelscher.

Miss Dorine Halfmann, organist, played accompaniments as the church choir sang the nuptial high mass, and accompanied Mrs. Leo Fuchs and daughters, Misses Ruby Lee and Shirley Fuchs, when they sang "Ave Maria."

The bride was given in marriage by her father. She chose

a gown of Chantilly lace and tulle over satin. The bodice was fashioned with a sweetheart neckline complimented with a Victorian collar edged with pearls. The long fitted sleeves tapered to points over her hands. The bouffant skirt, designed with a lace tunic over tulle, swept into a chapel-length train.

Her veil of French illusion mounted to a lace mantilla was caught to a narrow pearl coronet and extended to her waist. She carried a shower of white feathered mums and lilies of the valley, and a crystal white rosary belonging to her mother. Her only ornament was a

strand of pearls, a gift from the bridegroom.

Miss Beatrice Halfmann, of Olfen, was maid of honor. Bridesmaids were Misses Anita Hoelscher, Shirlene and Merline Michalewicz, twin sisters of the bride, and Frances Halfmann, sister of the groom. Small Brenda Jacob, of Winters, niece of the bride, was flower girl, and David Peizel was ring bearer.

The attendants were attired in gowns made similar to that of the bride's in shades of high and dark orchid nylon net over iridescent taffeta. The full, floor-length skirts were trimmed with rows of matching

satin ribbon from the waist to the hem. They wore matching mitts and headresses, and carried colonial bouquets of feathered orchid mums arranged with matching satin streamers.

Cpl. Bernie Michalewicz, brother of the bride, was best man. Groomsmen were Alvin Gerngross, Daniel Strube of Wall, both cousins of the bridegroom, and Olen Weisshuhn.

Following the mass the bride received a statue of the Blessed Virgin Mary, presented by Miss Alice Halfmann and Miss Marceline Lange, from the Children of Mary Sodality, to which the bride belonged.

A reception followed in the Olfen Hall. The bride's table, laid with lace over orchid, was centered with an arrangement of autumn flowers. The three-tiered all-white wedding cake which was topped with a bridal couple was served by Mrs. Herbert Jacob. Mrs. Ben Droll presided at the coffee service, and Mrs. Walter Jacob registered guests in the bride's book.

The bride's parents were also hosts at a dinner in their home, and in the evening a wedding dance was held in the Olfen Hall.

When the couple left on a wedding trip, the bride was wearing a brown wool dress

GUMMED UP—Sergeant First Class Ralph D. Craig, of Salinas, Calif., and Leesville, La., watches his pet monkey, "Chitto," open a stick of chewing gum. SFC. Craig obtained the monkey, now the company mascot of 1st Ordnance Co., X Corps, Korea, in Japan while on leave. "Chitto" is two years old and likes cigars, chewing gum and beer. Craig's wife, Geraldine, lives in Leesville, and his parents, Mr. and Mrs. George W. Craig, in Salinas.

The couple will make home on their farm near Veribest.

Fancy Doers Decide on Club Pins

Louise Miller and Klen Williams were hostesses to members of the Fancy Doers Club Monday evening, entertaining in the home of Mrs. O. L. Hart, club sponsor, on Eleventh Street.

Nancy Davis, president, was in charge of the business at which time a discussion on the selection of club pins was held. Tom Agnew took pictures of the group.

After a period of handwork supervised by Mrs. Hal Yeiler and Mrs. Hart, a refreshment plate was served by hostesses to: Dian Wilson, Lennie Sue Tyler, Delphane and Boby Berryhill, Patricia Davis, Catherine Richards, Bobbie Sue Stultz, Sally Underwood, Joyce Wiginton, Pat Zappe, Shirley Jones, Dorothy Thomas, Nancy Davis, Mrs. Hart and Mrs. Yoder.

'Sangaree,' Newer 3-D Technicolor Production, Projects Top Stars, Story

Ushering in a new era in visual screen thrills comes Paramount's first three dimensional Technicolor picture, "Sangaree," which is based on Frank G. Slaughter's best-seller of the same title. The thrilling motion picture version of the memorable novel is scheduled at the Texas Theatre Sunday, Monday and Tuesday, October 18, 19, 20. The film's power-packed cast is headed by Arlene Dahl, Fernando Lamas and Patricia Medina, who in turn are ably supported by such outstanding players as Francis L. Sullivan, Charles Korvin, John Sutton, Willard Parker and Tom Drake.

As a book, "Sangaree" delighted thousands with its intriguing story of romance and adventure in the Colonial South, shortly after the Revolutionary War. Paramount has brilliantly utilized the broad, panoramic sweep of the unforgettable story, and by filming it in the exciting, new 3-D process has reportedly created a motion picture of outstanding scope and visual beauty.

The story is chock-full of all the pleasing ingredients found in great films; accentuated in three dimensions. Robust action, treachery, love and humor are in abundance. Advance reports herald "Sangaree" as a film of epic proportions which now brings the three dimensional motion picture into its own.

Two terror-packed days are turned into a powerful package of film tension in Universal's outdoor Technicolor thriller, "The Stand at Apache River," booked at the Texas tomorrow and Saturday with "The White Goddess," starring Jon Hall.

With doom ready to explode from every gunshot in "The Stand at Apache River," cross-currents of character and narrative emerge in the relentless "Grand Hotel" manner.

Rita Hayworth Film Texas Mid-Week Bill

With Rita Hayworth and Glenn Ford co-starred, Columbia's "Affair in Trinidad" opens a two-day run at the Texas Theatre Wednesday, October 21. This romantic drama of intrigue and murder features Alexander Scourby, Valerie Bettis and Torin Thatcher in support of the famous romantic stars.

The other feature on the double-bill at the Texas next Wednesday and Thursday is "The Golden Blade," starring Rock Hudson and Piper Laurie. The high adventure, reckless romance and riotous color of the Arabian Nights era is said to have been captured for the screen in this Universal Technicolor production. The story is motivated by a fabulous sword of Damascus, which gives unbelievable power to its rightful holder.

Don Taylor and William Holden make an attempt at escape in this tense scene from "Stalag 17." Story of the humor and drama of a prisoner of war camp.

2 First Run Pictures, 'Stalag 17,' 'Band Wagon' Lead Off Current Week at the Hillcrest Drive-In

"Stalag 17," the powerful comedy melodrama concerning American prisoners of war in Germany during World War II, was cheered and honored as a Broadway stage play for three solid seasons. Now Paramount has made this hit into a motion picture, retaining its original title and starring William Holden, Don Taylor and Otto Preminger with a featured cast that contains many of the stage celebrities who contributed so greatly to the play's startling success. "Stalag 17" is to be shown at the Hillcrest Drive-In Theatre today, tomorrow and Saturday—a first-run attraction.

Surrounding the basic plot are the hilarious antics of the men as they improvise simple pleasures to while away their endless hours, reportedly making for a boisterous, roisterous and suspenseful two hours of film entertainment.

The first-run attraction at the Hillcrest Sunday and Monday, October 18, 19, is M-G-M's "The Band Wagon," new Technicolor musical studded with big names both in front of the camera and behind it.

Its star aggregation is comprised of Fred Astaire, Cyd Charisse, dancing opposite him

CATHOLIC SOCIETY TALKS RENOVATION OF CHURCH
 Eighteen members of St. Mary's Men's Society met at the parish hall Sunday afternoon to discuss redecorating the interior of St. Mary's Church, and also continue work on the exterior next spring.

Rev. Patrick J. Ward, O.M.I., spiritual advisor, gave the prayer. Frank Greger, president, conducted the business and heard reports from committee chairmen. H. J. Zappe, church maintenance chairman, reported that Alvin Julian, a San Antonio architect, had looked over the church and had reported on the proper procedure to take in repairing the interior and exterior of the building. Part of the decorating has been begun and the ceiling will be painted at a later date.

The society planned a social honoring Rev. Michael Slattery, O.M.I., pastor of St. Joseph's Catholic Church the past several years, who is being moved to San Antonio on November 9. The affair will be held on Sunday evening, November 1, following the evening devotions, in the parish hall.

Following the meeting the refreshment committee served coffee and doughnuts.

Large farm, not far out.
A. M. KING

FOR RENT—3 light house-
keeping rooms, close in, mod-
ern, cheap rent. See C. W.
Johnson or call at 1119 Strong
Avenue. 15-3f

Card of Thanks

We wish to express our sin-
cere appreciation to our friends
who were so kind during our
hours of sorrow.
The Sanders family
