The West is Wild about Ford

And good looks are just one of the many reasons why you can pay more but you can't buy better than Ford!

When you see the style-setting good looks of Ford's beautiful Crestmark Body . . . the huge, curved one-pieca windshield . . . the smart interiors that blend with the outside colors . . , it's hard to believe that Ford's price-tag hasn't moved out of the low-price field. It's even harder to believe when you check the rest of Ford's "Worth More" features!

Ford's Six won the Mobilgas Economy Run! Ford's Mileage Maker . . . America's most modern Six . . . won over all other cars in this year's Economy Run.

Ford is the only V-8 in the low-price field! Ford's V-8 delivers its high-compression "go" on regular gas, and not much of that, thanks to Ford's Automatic Power Pilot.

Fordomatic is no-shift driving at its best! Has the "go" of automatic gears plus the smoothness of a fluid torque converter! Ford Master-Guide is America's most natural power steering! Reduces parking and steering effort up to 75%... retains natural feel of steering on straightaways.

CAROL WAS A ROUGH CIRL-The "Queen of Bermuda" met "Carol," and when the two "girls" finished fighting, here is how the lounge of the luxury liner Queen of Bermuda appeared when she reached port. Tussle with the hurricane, given the name of "Carol" by weathermen, resulted in injuries to 80 passengers vacation-bound from New York to Bermuda. The ship itself suffered considerable damage as the eye of the hurricane passed within 40 miles of her course.

WHY MERCURY GIVES YOU MORE -NOW AND WHEN YOU TRADE IT IN!

There are 4 good reasons why Mercury is so much in demand-and why the average trade-in price allowed by all dealers on used Mercurys is conistently higher than competing cars.
