

THE BALLINGER LEDGER

VOL. 62

BALLINGER, TEXAS, THURSDAY, JANUARY 14, 1954

NO. 13

• 1,275 Polls Paid Here; 15 Days Until Deadline

Dalton Crockett, tax assessor-collector, reported that through Monday 1,275 people had paid poll taxes in Runnels county. This is the lowest number in several years and payments this week were coming in slowly.

Individuals paying property taxes do not have to pay their poll taxes now as was true several years ago. The poll tax payment can also be made separately.

Persons claiming exemption because of their age being 60 must have been 60 by January 1, 1953, to vote this year without a poll tax receipt.

Unders also must get exemption certificates. These can be issued any time during the year but the individual must have received a certificate at least 30 days before casting a ballot.

An order for the issuance of a poll tax receipt is being carried in this issue of the Ledger. All that is necessary is to cut this order out, fill in the blanks and mail it to the county tax assessor-collector with a check for \$1.75. The poll tax will be issued and mailed back to the person sending in the order.

'54 Car Number Plates Received by Collector

The new 1954 license plates for all motor vehicles have been received and the office of the county tax assessor-collector will begin issuing them on February 1. Plates may be affixed to motor vehicles any time after February 1 and must be on the vehicles by April 1.

A total of 6,490 passenger car license plates have been received for this county. Numbers FR-10 to FR-3399 will be sold through the county office in Ballinger and numbers FP-6990 to 9999 will be sent to agents at Miles, Winters and Wingate for issuance.

Passenger car plates have a black background with yellow letters and numbers.

Commercial plates for the county number 1,150 and run from IX-5350 to IX-6409.

Farm trucks are 5P-8350 to 5P-9649.

Truck-tractors are 9F-8595 to 9F-8694.

Trailers are 7H-6610 to 7H-7009.

The car owner registering his vehicle will need the owners' certificate and registration certificate. An inspection certificate is not required.

Atkins Will Head Boy Scout Fund Drive February 9

Don Atkins will head the 1954 Boy Scout finance drive which is set for February 9. A quota of \$2,500 has been set for Ballinger and an organization is being set up to raise this sum. This is slightly more than previously, but for the last two years it has been necessary to have two fund drives to get sufficient money for operations.

Committees and individuals already appointed for the drive are:

Special gifts, Ray Fuqua and Doyle St. John

Publicity, Joe McCauley

Prospects and ratings, Joe Forman and John Purifoy

Community vice-chairman, Jack Moore

Arrangement chairman, Joe Perry

Audit chairman, Dalton Crockett

Ballinger Lions and Rotary clubs, the Jaycees, the Fannie Stephens Club, Shakespeare Club and Civic-Garden Club will be asked to help. Some ten or twelve majors will be named, each to appoint several captains who in turn will secure five workers each. This will make about 100 workers who will assemble for a kick-off breakfast on February 9 and an effort will be made to complete the drive in one day.

SAFETY INSPECTIONS LAGGING IN COUNTY

State highway patrolmen stationed here have made a check up on safety inspections of motor vehicles and find the work far behind in Runnels county.

It was stated Tuesday that there were 7,802 vehicles subject to inspection and to date only 1,446 certificates have been issued by the inspection stations of this county.

April 15 is the deadline and if all cars are to show the safety inspection certificate by that date, car owners must start soon. Authorized stations can only handle so many cars in a day and considerable time will be required to check the 6,385 motor vehicles that must have certificates.

BALLINGER ATTORNEY MOVES TO NEW OFFICE

O. L. Lynn, Jr., has moved from the Lynn building and now has offices in the First National Bank building, second floor.

Mr. Parish recently disposed of his interest in the abstract business and will devote all his time to the practice of law. He will operate his office by himself and will practice in all courts.

MARCH OF DIMES MONTH in Texas, January 2-31, has been declared by Governor Allan Shivers, above left. As Governor Shivers signs the proclamation, he is watched by Ruth Ann Bryant, 3206 Cherrywood, Dallas, a three and one-half year old polio victim, and General Robert J. Smith of Dallas, State Chairman of the 1954 March of Dimes Campaign and President of Pioneer Air Lines. The National Foundation for Infantile Paralysis, through the March of Dimes Campaign, is seeking to raise an average of 50 cents for every person in Texas. Part of the 1954 plans are to conduct vaccine field tests in the State.

Big Features Arranged For Polio Fund Drive

2 New Producers, 2 New Locations, In County's Fields

Mack Young, chairman for the March of Dimes in the southern part of Runnels county has about completed the organization and a number of special events will be staged at once.

Mrs. W. E. Keel is serving as chairman of the woman's division in Ballinger and she has named Mrs. John McDonald, Mrs. Howard Bramley, Mrs. Bob Sykes, Mrs. Billy Dykes and Mrs. J. W. Longenette as members of the committee.

Grover Wilson will serve as Miles chairman and will have the assistance of the Miles Lions Club. A number of special features are planned.

Joe Dierschke is Rowena chairman and will work with the Rowena Lions Club in raising the quota.

G. A. Frey, who conducted a highly successful campaign at Orlon last year will serve as chairman again this year and is planning several special features.

Joe Forester will be chairman for the Ballinger schools and will be assisted by each school principal.

Homer Hudgings is chairman for the entire northern section of the county and the drive at Winters.

Money containers were put in many local stores the first of the week and will remain there until the end of the campaign.

All parking meters will be made available for extra dimes. Dimes inserted in the meters do not affect them in any way.

When the money is collected by the city, the dimes will be separated from the other coins and turned over to the March of Dimes chairman.

Next Monday, January 18, is the date set for the merchants' drive. Solicitors will call at all stores for contributions.

All places that serve coffee are being asked to cooperate Thursday of next week. Coffee will be sold at ten cents a cup on that date, the March of Dimes sharing in the proceeds.

Monday, January 25, will be cake-bake day. This will be blocks, each resident in a block being asked to bake a cake, sell it to the neighbor on her right and turn the money over to the fund. Last year this feature raised approximately \$1,000. Some housewives did no baking. Instead of exchanging money, but nearly every block in town produced a considerable amount for the cause.

The last big feature will be the mothers' porchlight drive early in the evening of Monday, February 1. At that time workers will be in every section of the city to call at every door for contributions.

A special letter is being mailed this week to every citizen of the county, inviting him to help in the campaign.

Last year more than \$8,500 was contributed in Runnels county and leaders are hoping to reach or exceed that amount this year. Practically every section of the county has had one or more polio cases during the past three years and in each instance the local chapter and national foundation gave aid.

C. C. Committee Heads Appointed For Ensuing Year

The executive committee of the Ballinger Chamber of Commerce met Friday afternoon and named one director to head each standing committee for 1954. President R. E. Ruble advised with all members of the executive committee in making these appointments.

Within the next two weeks each committee advisor is asked to name a chairman and other committee members from the membership and have them ready for a series of meetings. Appointments were made Friday afternoon.

AYERS FUND CHAIRMAN FOR RED CROSS DRIVE

The Runnels county chapter of the American Red Cross held a short business meeting Wednesday afternoon at which time Dick Ayers was named fund chairman for 1954.

District Red Cross officials are here today for a conference with Mr. Ayers and E. E. King, chapter chairman, to make plans for the annual fund campaign scheduled in March.

At the meeting Wednesday a quota of \$5,000 was set for 1954 and organization of the county for raising this amount will be started soon.

TICKETS FOR CHAMBER BANQUET SELLING FAST

Members in charge of ticket sales for the 1954 Ballinger Chamber of Commerce banquet report good sales with little effort the first week.

The annual banquet and program will be held at the high school cafeteria on January 29 and excellent entertainment has been booked.

The slogan for the banquet is good food, good entertainment and home early and this is causing extra good sales.

Seymour Davis, of Oklahoma City, will present the program. One of the most outstanding entertainers of his kind in the Southwest, Davis is brought here at considerable expense.

For this reason tickets are selling at \$2.00 each.

Ice on Highways Causes 3 Crashes In, Near Ballinger

An icy condition on highways Wednesday caused three wrecks in Ballinger and near here.

The first wreck occurred at 5:20 a.m. when a 1950 Ford sedan driven by Jimmy Cantwell, of San Angelo, crashed on the bridge over Elm Creek on highway 67. Mr. Cantwell, a milk tester for the department of agriculture, and stationed at San Angelo, was approaching Ballinger when he hit a slick place on the bridge and lost control of his car. He was not injured but was badly smashed.

Highway patrolmen were busy putting salt on bridges near here when the second mishap occurred at 6:20 a.m. on the Colorado River bridge on the Ballinger-Paint Rock highway. James Beryl Doss, of Pampa, was approaching Ballinger with a truck-trailer loaded with cabbage. The trailer went out of control on the bridge but the driver managed to make it across only to turn over as he attempted to slow for the curve on this side of the bridge. He was not injured but the truck was considerably damaged and cabbages were scattered over a wide area.

The third wreck was eleven miles south of town on the Paint Rock highway near the county line. Harold Wayne Watt, an Austin draftsman, was returning home from Lubbock, driving a 1951 Plymouth. He lost control when his car hit a slick ice and crashed into a small bridge. He sustained only a skinned nose but the car was a complete loss.

Within the next two weeks each committee advisor is asked to name a chairman and other committee members from the membership and have them ready for a series of meetings. Appointments were made Friday afternoon.

4 Men Convicted In District Court; Officers on Move

A session of 119th district court was held here Monday, two criminal cases being heard by a jury. Late Monday the jurors were excused until next Wednesday morning when other cases are docketed.

Robert Lee was assessed a ten-day jail sentence on a charge of driving while intoxicated, second offense. E. C. Grindstaff, district attorney, stated that Lee was also under a five-year suspended sentence in Tom Green county on a similar charge.

Harry H. Pankey, of Abilene, received a two-year suspended sentence on a charge of theft of drilling bits from a rig in Runnels county. He entered a plea of guilty and asked the court for a suspended sentence.

Two other cases were heard by the court Saturday.

Isaiah Strambler was tried on a charge of assault with intent to kill and was assessed two years under adult parole.

John Holden was given two years under adult parole on a charge of wife and child desertion.

Those who want to attend are asked to secure tickets as soon as possible.

Sheriff Don Atkins reported a number of arrests and several investigations during the past week.

Orville Mercer was arrested here for San Angelo officers on a "hot" checking charge.

May Marlow Brown, 16, a runaway from Jacksonville, Florida, was picked up by local officers and returned to his parents Tuesday.

Eugene Debbi Bellah, in jail at Abilene, signed a statement in which he admitted robbery of the Drasco grocery in January, 1952.

Raymond Jonas was arrested here for Ansor officers on a "hot" checking charge and paid a fine of \$27.23.

Nita Lee Douglass, 17, was held here as a runaway and returned to her parents at San Angelo the first of the week.

The new manager was reared in Santa Anna and graduated from high school there. Following his high school graduation he attended Tarleton State College, Stephenville. During World War II he was stationed at Curtis Field, Brady, and later opened an insurance agency at Brady and has been associated with other Brady firms.

Scotti Carlisle and J. L. Baker have been brought here from Abilene and are charged with oil field thefts.

Three juveniles were questioned on thefts.

Douglas Cole, 19, son of Mr. and Mrs. M. J. Cole, of Ballinger, is competing basic training at Lackland AFB, San Antonio. He will receive a new assignment as soon as his work at Lackland is completed.

Committee Seeks Fund For '54 Livestock Show

The six-point agriculture committee, sponsor of the Runnels county livestock show, has mailed letters to a large number of firms and individuals asking for contributions to pay the expenses of the 1954 show, January 22 and 23. With the show only a few days off, it is necessary that checks be mailed to the committee at once in order that the prize money and other expenses are in hand.

Leaders said it will be necessary to raise approximately \$1,800 to take care of the premiums on the biggest show ever held in the county. A check up Monday revealed that approximately 461 animals and 57 capons would be exhibited.

A breakdown of the entries showed:

Fat calves, 14
Fat lambs, 320
Breeding lambs, 63
Fat barrows, 40

Scholastic Census to be Completed January 20

Quarterback Club Will Have Dinner For B.H.S. Players

The Ballinger Quarterback Club will entertain the Ballinger Bearcats with a barbecue dinner at the American Legion hall on January 23. The dinner, for men and the boys, will be served at 7:30 p.m. Both the A and B teams will be guests of the club and tickets are being offered to all club members and other fans.

This year the scholastic census is underway in the Ballinger independent district. In previous years an enumerator has been employed for one month of census taking, but this plan has not been very successful because so many parents are away from home in the daytime.

This year Sup't Caskey is sending slips home by students and is asking that parents who have six-year-olds to start to school next year to report this to the superintendent's office and someone will call for the enumeration.

Bus drivers are assisting on the routes and it is hoped that every scholastic will be enumerated.

St. Mary's Altar Society Adopts New Constitution

Mrs. Reinhold Hoelscher, Mrs. Frank Gruber and Mrs. Marvin Hoelscher were hostesses to the Altar Society of St. Mary's Catholic Church Sunday afternoon in the parish hall on Fifth Street.

Mrs. Frank Greger conducted the business after the opening prayer repeated in unison. The new constitution which had been revised by Rev. Patrick J. Ward, O.M.I., was adopted. Reports were made on the bake sale and on the sale of Christmas cards. Plans were discussed for the 13-Hour Devotion, to be held on Sunday, January 24. Fr. Ward announced that a Mission would be held February 17 through 24.

Mrs. Glen Hoelscher assisted hostesses in serving cake and coffee. Others were: Mmes. Lucy Rollwitz, W. J. Curtis, C. T. Moonen, Charles Olsak, Walter Mueller, John McGrath, Sim Cottelle, and Miss Mary Krc.

Hostesses for the February meeting will be Mmes. A. J. Lange, John McGrath, Harold Mueller, and Miss Mary Krc.

"Mental Health" Discussed at Club Meeting

The Ballinger Shakespeare Club met in the club room at the library last Thursday afternoon for a study on "Mental Health for Effective Living."

A mental health discussion was conducted by Mrs. Lanham Flynt. On the panel were Mrs. Howard Bramley and Mrs. Berta K. Spooner. In discussing "Abundant Living," Mrs. Bramley stated that the two main factors were work and love for others. Mrs. Spooner's topic

**BALLINGER STUDENT
IN PERSHING RIFLES**

Edson Cox, of Ballinger, is one of 39 freshmen at Hardin-Simmons University, Abilene, selected for membership in the newly organized Pershing rifles company, an honorary unit of the university's ROTC. The announcement was made by Major Louis J. Schelter, assistant professor of military science and tactics, and sponsor of the company. Only 39 freshmen, 15 sophomores, 9 juniors were eligible for membership in the organization.

Eligibility is based on a B or better average, no more than one unsatisfactory drill, no more than half the demerit allowance and a demonstration of military aptitude.

Pershing rifles is a national honorary military society founded by General John J. Pershing at the University of Nebraska in 1894. There are only two such organizations in Texas.

Cox is the son of Mr. and Mrs. Ed F. Cox, of Ballinger. He is a member of the Cowboy Band, a member of the ROTC band company, the Players Club, dramatic society and has taken part in several one-act plays and the major stage production.

Card of Thanks
We wish to express our sincere thanks to all who were so thoughtful and kind to us during the recent illness of Mr. Clark. Especially Dr. Chandler for his care, the nurses, the ambulance boys, and all those who sent flowers, cards, letters, prayers in his behalf. We are and the many who offered

indeed grateful for every deed of kindness and expression of interest.

9 Accidents Month, \$80,000 Total Loss In County Last Year

Jimmy Western presented the program for the Ballinger Lions Club Friday noon, discussing safety and showing a sound picture featuring safety on the farm.

Listed were accidents that occurred in part of Runnels county and in the city of Ballinger last year. Accidents in which the state highway patrol was called to investigate were enumerated and all those that occurred in Ballinger.

The report showed that an average of about 9 per month were reported last year. The property damage totaled more than \$80,000 and eleven lives were lost. Mr. Western pointed out how much good the accident loss would have done if contributed to the community chest or some other worthy service.

SCHOOL OFFICIALS ATTEND STATE MEETING AT AUSTIN

County Superintendent W. E. Elkins and City Superintendent Ernest Caskey attended the annual meeting of the Texas Association of School Administrators at Austin last Thursday and Friday.

Plans were made for the evaluation of the total education program in Texas and the association will be assisted by the Texas Research League in this work. The league will provide a number of specialists to help evaluate the program which has been advanced under the Glimer-Aikin act.

During the spring a number of district conferences will be held in the state to complete this work and tabulations will go into a state report to show progress or needs of the schools.

MASON SELLS HUMBLE STATION TO HAMBRIGHT

A deal was closed the past weekend in which Wayman Mason sold his Humble station, located on Hutchings Avenue, to Joe Hambright, of Norton.

Mr. Mason will devote his time to the floral shop which he recently became associated with.

Mr. Hambright, reared at Norton, is well known in Ballinger. He stated that he would devote his full time to operation of the station and plans to move his wife and son, Rodney, here some time this month.

All employees of the station will be retained and Humble products and accessories will continue to be sold. The same complete automobile and truck service will be maintained.

Westerns, Terror Film, Air Thriller, Comedy Mark Week at Horseshoe

A picture that relives one of the most spectacular phases of the conquest of the West, is Paramount's action-filled adven-

ture drama, "Pony Express," in Technicolor, is one of the two top features on the program at the Horseshoe Drive-In Theatre

today, tomorrow and Saturday. Starring Charlton Heston, Forrest Tucker, Rhonda Fleming and Jan Sterling, this monumental film not only recalls the mighty achievements of the heroic pony express riders, but also recreates the vast panoramic sweep of the uncivilized

West, and emphasizes the dynamic development and tremendous growth of the nation.

If the earth is attacked by powerful invaders from another planet would man be strong enough to thwart the invasion? This is the question pondered in Paramount's Technicolored pro-

duction, "The War of the Worlds." No. 2 feature on the Horseshoe bill today through Saturday. Advance audiences report that not since "Dracula" has there been film to cause such genuine terror as this filmdrama of H. G. Wells' famous classic.

Warner Bros.' "Island in the Sky," starring John Wayne, and "The Turning Point," exciting suspense drama, make up the double-feature program at the Horseshoe Sunday and Monday, January 17 and 18.

"Island in the Sky" is based on a crash-landing of a transport plane in the uncharted region of Labrador. The action deals with the efforts of the small crew to survive during five days of snow storms and sub-zero temperatures. Featured are Lloyd Nolan, Walter Abel and Andy Devine.

"The Turning Point" stars William Holden, Edmond O'Brien and Alexis Smith. Tom Tully, Ed Begley, Ray Teal, Howard Freeman and Ted de Corsia head the unusually large cast.

"The Stooge," latest Dean Martin-Jerry Lewis comedy, is one of the two features to be shown at the Horseshoe next Tuesday and Wednesday, January 19, 20. This Paramount film casts Dean and Jerry as a show business act, Jerry portraying the stooge, the unsung, unappreciated member of the team who is forced to bask in the reflected glory of his partner. Featured in the hilarious proceedings are Polly Bergen, Marion Marshall, Eddie Mayehoff and Donald McBride.

"The Big Gusher," Columbia's new action drama of oil field workers in the Southwest, is the other offering on the double-bill. Wayne Morris and Preston Foster are starred. Dorothy Patrick, Paul E. Burns and Emmett Vogan are featured.

SOCIETY

Memorial Service Held by O.E.S. Chapter

A memorial service for Mrs. Carrie B. Lane, who was Worthy Grand Matron in 1949-50, was held Monday evening when Ballinger Chapter No. 266, Order of Eastern Star, held its regular meeting, followed by the impressive memorial rites.

Mrs. T. W. McEntire, Worthy Matron, and George M. Beard, Worthy Patron, were in the East for the business. A school of instruction was discussed and plans were made for the chapter to have representatives attend the Eastern Star program at San Angelo on February 6, when Mrs. Mary Ella Shoverling of Houston, Worthy Grand Matron, makes her fraternal visit to West Texas.

Following the meeting a refreshment plate of sandwiches and hot spiced tea was served to about 35 members.

An arrangement of red roses was used to decorate the refreshment table.

Miss Bigby Shower Honoree in Taipa Home

Miss Carolyn Bigby, bride-elect of Bob Northington, of Albuquerque, New Mexico, was feted at a pottery shower in the home of Mr. and Mrs. M. L. Stone at Taipa on Tuesday.

Hostesses at the affair were Doris Stone, classmate of the bride-elect at Texas Technological College, and Barbara Stuart, of Ballinger.

Following games of bridge the gifts were presented to the honoree. Mrs. Stone assisted in serving a sandwich plate with fruit cake and coffee. Included were the honoree's mother, Mrs. W. N. Selby, Mrs. K. V. Northington, mother of the prospective bridegroom; Mrs. Bob Sykes, Misses Deanie Rountree, Norma Jackson, Louise Miller, Dian Wilson, Margaret Ann Hampton of Marfa, Dian Tuckey, Gale Hays, Sally Bailey, Carol Ann Bailey and Mary Jo Forman.

Class of '51 Holds Reunion at Country Club

About forty members of the 1951 graduating class of Ballinger High School and their husbands, wives and dates assembled at the Ballinger Country Club Monday evening for a class reunion.

The large living room fireplace was decorated with greenery and berries where couples danced. A lunch plate was served buffet style.

Jimmy Williams, student at Texas Technological College, Lubbock, conducted a business session. Bobby Gray was elected president, Lavelle Foy vice-president, and Mrs. Jimmy McAden secretary-treasurer.

Sponsors present were Mr. and Mrs. Tom Epting, Mr. and Mrs. M. E. Sweeney, and Mr. and Mrs. Herman Rountree.

Brownie Troop No. 7 Meets

Members of newly organized Brownie Troop No. 7 held their regular meeting Wednesday afternoon at the Girl Scout House on Fifth Street with their leaders, Mrs. Joe Dan Johnson and Mrs. Naomi Dobkins.

After the business session games were played and songs were sung. Sandra Mercer was hostess and served refreshments to Betty Lynn Allen, Janette Batchelor, Linda Burgess, Bobbie Balkum, Rebecca Bigby, Beverly Dobbins, Lucille Dosser, Theresa Green, Jennifer Johnson, Elaine Muickelrath, Janette McGarvey, Karla Murman, Priscilla McClean, Betty Jane Reynolds and Marlene Watkins.

Girl Scout Troop Elects Officers

Girl Scout troop No. 1 members elected officers at their regular meeting held last Thursday afternoon at the Girl Scout House on Fifth Street. Leaders of the troop, Mrs. George Newby, Mrs. H. J. Zappe and Mrs. Glen Burgess, were present.

New officers are: president, Billie Marie Selby; vice-president, Carol Kay Jobe; secretary, Dorothy Wilson; treasurer, Pat Burgess; scribe, GINGER Newby.

After scouting activities, Elaine Zappe served refreshments to 10 members.

Know Your Neighbors Meet in Nixon Home

The Valentine theme was used to decorate the home of Mrs. Jack Nixon on Eighth Street Wednesday afternoon when she was hostess to the

Proper Use of Range Plants

The Runnels county soil conservation service reports that one of the most frequent questions asked by stockmen after they have their ranges in good or excellent condition is, "how much can I graze my range without hurting or destroying my good forage plants?"

In answering these questions, Woodrow Hoffman points out a number of instances which are to be considered.

The objective of proper use of range plants are to protect the soil from washing or blowing and to keep the forage production high in order to

get the highest yields in

form of livestock products.

Livestock cannot always be

used as a yardstick to measure

the proper use of range plants,

because one may frequently

produce a good animal while

the range will actually be

deteriorating. Soil protection

seems to be the better yard-

stick, but a careful observation

of the range as a whole is

needed. A good way to deter-

mine proper use of grass is to

make penetration tests after a

good rain. If the rain has

soaked to a depth of 24 inches

or more after a 3-inch rain,

this indicates proper use. How-

ever, if the rain has penetrated

only 5 inches after a 3-inch

rain, the plants are not receiv-

ing proper moisture. Where a

pasture has very few native

grasses left, a complete rest of

two or three growing seasons

may be necessary to obtain a

better cover of the good

grasses.

The Loyd Herring ranch, 15 miles east of Ballinger, reported last June after a 3-inch rain that the moisture soaked to a depth of 36 plus inches where the range was in

good condition. On ranges in

poor condition it soaked only

4 inches deep. Mr. Herring

stated that he was convinced

it takes a good cover

grass to utilize the rainfall.

He reports that his feeding

consists only of a protein supple-

ment during the winter.

"On the Spreen ranch, 10

miles east of Ballinger, Otto

Spreen said that he made

some penetration tests last

June following a 1.9 inch rain.

Where he had good cover grass

the rain soaked to a depth of

18 inches while on an area of

little cover the penetration was

only 4 inches.

"On the Giesecke ranch, 22 miles southeast of Ballinger, Herman Giesecke, Jr., reports that with proper use of range plants, livestock is doing good. He said that approximately

1,000 yearling muttons were

sold last spring and they topped

the market in October.

They averaged 104 pounds at

that time. It also was stated

that they never received any

kind of supplemental feed.

"These results cannot be

accomplished by using all the

grass growing on the range.

Over a period of years, range

misuse will result in decreased

production of forage which in

turn will mean decreased pro-

duction of livestock and less

profit to the rancher."

BEARCAT GRID SCHEDULE FOR THIS YEAR COMPLETE

School officials completed the 1954 football schedule for the Ballinger Bearcats this week. Considerable change in the schedule was caused when the Comanche and DeLeon teams came into this district and a complete new schedule was made up for the seven teams.

The complete Ballinger

schedule is as follows:

September 10, Sonora, here

September 17, Colorado City, there

September 24, Anson, here

October 1, Stamford, there

October 8, Comanche, there

October 15, Lake View, here

October 22, Winters, there

October 29, Brady, here

November 5, open

November 11, Coleman, there

November 19, DeLeon, here

TWO BEARCATS SOUGHT BY SCOUT IN ENGLAND

The fact that the reputation of the Ballinger Bearcats gained wide publicity the past year was shown this week when Jerry Bell and Richard Tolliver received a proposition to attend the University of Miami, at Miami, Florida. The letter came from Hal D. Caskey, stationed with the air force in England, and was made by his commanding officer, Major Jones.

Caskey is the son of Mr. and

Mrs. Sid Caskey, of Ballinger,

and he had kept up with the

Bearcats during the season and

the success of individual play-

ers.

Major Jones is a former foot-

ball player at the University of

Miami and since graduation has scouted material for the school. The letter stated he was particularly interested in Jerry Bell and Richard Tolliver and if the local boys were interested, a work-out would be arranged in the spring.

Caskey has eight more months of his four-year enlistment to serve after which he plans to take his discharge and enter some school.

JOE McCUALEY SPEAKER FOR ROTARY PROGRAM

Joe McCualey, manager of the Ballinger Chamber of Commerce, was guest speaker at the meeting of the Ballinger Rotary Club Tuesday noon. He explained what a commercial organization is, how it functions and why it is necessary to the growth and development of a town.

The speaker quoted from a speech made recently by the Mayor of Weatherford in which he attributed the very existence of that city to its commercial organization. McCualey stated that what was true of Weatherford was true of Ballinger or any other city. He gave a brief report of the accomplishments since he came to Ballinger and began work last August.

ROWENA CHURCH ELECTS OFFICERS AT MEETING

Zoar Evangelical and Reformed Church of Rowena elected the following officers in the annual meeting, held Monday: C. H. Wehmann, president; Fred A. Ernst, vice-president; Alvin Redman, recording secretary; Fritz Backhaus, treasurer; B. G. Urbantke, financial secretary; Harvey Schroeder, benevolence secretary; Henry Rose, benevolence treasurer.

These officers will be installed in the service Sunday at 10:30 a.m. along with officers of the various organizations.

Rev. O. P. Schroerluk is pastor of the Rowena church.

POSTAL RECEIPTS HERE INCREASE PAST YEAR

Postmaster K. V. Northington stated today that the Ballinger post office had no part in the deficit of the department for the past year.

The Ballinger office showed a gain of 5.7 per cent over the previous year and actually sent away \$1,896 more than the operation costs of the office for the year.

Total receipts here last year

were \$49,438.

WARFARIN PROCURABLE THROUGH FARM BUREAU

At a recent Runnels County Farm Bureau meeting the directors voted to cooperate in a county-wide rat and mouse control program. The organization will cooperate with the Texas A & M College extension service and a large supply of warfarin has been ordered.

This is a ready mixed rat and mouse bait that has proven very successful in killing rats and mice in the home and on the farm. It can only be ordered through an organization and the Farm Bureau has it available in 2-pound bags. Anyone interested may get a supply at the county office on Ninth Street in the Runnels County Implement Co. building.

day, the church school at 10:00 a.m., morning worship at 11:00 a.m., and an evangelistic service at 7:30 p.m. A prayer service is held each Wednesday evening. The public is cordially invited to attend all of these services.

BELL & SON PURCHASE BUILDING FROM NANCE

A deal was closed this week in which R. L. Bell and Bell purchased the W. A. Nance building on Hutchings Avenue. The building is under lease for 1954 to the Lanham Flynt Motor Co. Mr. Nance also maintains space in the same building.

Mr. Bell stated that an announcement of their plans for the building would be made later in the year.

COMMISSIONERS HOLD FIRST 1954 MEETING

The Runnels county commissioners' court held its first meeting of the new year Monday. A large amount of routine business was transacted, including the setting of salaries of county officials and assistants. Salaries were set at the same as in the past and all bonds were approved.

The court heard reports from the county farm and home demonstration agents.

The radar storm warning system, proposed for San Angelo and to serve a number of West

Texas counties, was discussed. The proposal was tabled for the present as the commissioners want to get more response from citizens of the county. It was reported here Monday that Runnels county is the only county which has not joined in the plan.

NEXT SOUTHERN ASSEMBLY PROGRAM ON JANUARY 19

Ballinger students will have a Southern Assembly program at the high school auditorium Tuesday, January 19. The performance will start at 1:45 p.m.

Capt. Paul W. Dry will present "Down to the Sea in Ships." Capt. Dry has had more than one million miles of ocean travel, five complete trips around the world, visits in 54 countries which included 16 years of duty in the merchant marine. He brings an interesting story of his travels and experiences and has a big exhibit of sea equipment.

The program will be one of the most interesting of the series for this school year.

Any school patron who desires to attend will be able to secure a ticket at the door Tuesday afternoon.

NOTES**

Local leaders are busy securing the money to pay the expenses of the Runnels county livestock show, to be held here on January 22 and 23. The 1954 show will bring one of the largest gatherings of 4-H club boys and members of F. F. A. chapters ever to assemble in the county. These young men from every section of the county will be guests of Ballinger for two days. They are entering animals in the show that have demanded much of their time several months. The boys are proud of their accomplishments and will appreciate the public seeing them. They will also appreciate the small prize money they win and perhaps a special award being offered. Let's all support the contributions to make up the premium list and by taking time out to see the exhibits.

Another important fund campaign being conducted all over the United States is the March of Dimes. Runnels countians should appreciate this movement more than the average. For a number of years it has been necessary to spend more money on local polio patients than the county has contributed. In fact the national foundation has advanced several thousand dollars more in the past three years than all the people of Runnels county have contributed. One cannot look ahead and tell how much will be needed in 1954, but there are still 17 cases originating in this cases who must have treatment and equipment.

Two weeks remain in which to visit the tax assessor-collector and obtain a poll tax receipt. Several important elec-

tionals paying the remainder and taking care of their meals and other expense.

The Coleman city council held its first meeting of the year last week and City Manager Albert Pope presented a list of needs in 1954. Leading shelves have been built and books are being donated for exchange and rental. Miss Myra Glover, trained librarian, is in charge and she stated that approximately 500 books had been given for a starter. Others are needed to fill the shelves and the library association will try to secure these in the near future.

The Coke county livestock show for 4-H and F.F.A. boys will be held at the Robert Lee show grounds on January 23. A total of \$300 in prize money is offered to winners in the various divisions. Edward Cumbie, reelected president of the Coke County Livestock Association at a meeting last week, stated that 75 lambs and 5 calves have already been entered in the 1954 show.

Two bus loads of Colorado City people made a trip last Monday and Tuesday to South Texas to inspect irrigated tracts. One chartered bus was loaded with farmers and business men and one school bus hauled members of the F.F.A. chapter. The group of more than 50 visited irrigated farms at Eagle Pass, Carrizo Springs and Crystal City. The Colorado City Chamber of Commerce paid half of the bus fare, indi-

The best plan for all concerned is to send the change of address in advance.

Mrs. Ellen Sims, March of Dimes chairman for Concho county, said last week that the 1954 campaign was well underway. Committees have been working in all parts of the county, coin collectors have been set up in all principal business houses and special features for the campaign are being planned. At Paint Rock the home demonstration club is directing the drive.

March of Dimes workers at Stephenville have perfected plans for the 1954 campaign and the "mothers march" will be a special feature. Early reports showed another feature doing well. In each store one clerk accepted a coin collector as his special project and a number were filled the first day and had to be emptied. Housewives are being urged to save a set amount each day and have it ready to contribute when the porchlight drive is conducted. Leaders hope to set a record in

**One look settles it—
Buy of the year is BUICK**

WE knew them for great automobiles the moment we saw them.

But it turns out we have a far bigger hit on our hands in the new 1954 Buicks than we ever figured.

Folks in a steady stream come into our showroom, look over these glamorous new beauties, and tell us—with signed orders—that Buick's the beautiful buy, hands down.

It's the biggest new-car excitement in a long, long time—and you ought to take a look at it, firsthand.

Because one look at the sensational new styling of these breath-taking

Buicks shows them to be the freshest new automobiles in years.

One look into the modern interiors—and through that spectacular new back-swept windshield—firms the conviction.

One look at the new V8 power story, the new ride story, the new handling-ease story—practically wraps up the sale.

And then, one look at the prices—one eye-opening experience with the hottest values to be brought on the American automotive market in 1954—clinches Buick as the buy of the year. Come in and see for yourself—the sooner, the smarter.

The hall was decorated with hay and saddles and illuminated with blue lights. About 150 members and dates attended.

The newly elected sweetheart and queen were presented gifts by President Grady Curry in behalf of the chapter. H. B. Edmondson and O. L. Burks also were presented gifts for their work with the members.

Miss Patsy Dietz attended a YMCA meeting at Coleman Saturday and Sunday.

Mr. and Mrs. E. W. Bridwell visited in the J. O. Pearce home Sunday.

The Willing Workers' Club met with Mrs. Sam Faubion

last Wednesday with eleven members present. The next meeting will be with Mrs. Verge Fisher on January 20.

Mrs. Burrus visited with Mrs. Clarence Hambright Saturday afternoon.

Mr. and Mrs. P. R. Dietz visited Rev. and Mrs. Dowd at Talpa Sunday.

A large number from the Baptist church attended the district W.M.A. meeting at Talpa Thursday. They report a good meeting and a good offering for state missions. All were happy to have Rev. E. D. Keller, secretary of missions, and Mrs. Keller. The local church also heard Rev. Keller Sunday evening. He and Mrs. Keller were guests of Rev. and Mrs. C. L. Carroll.

Jimmy Schwartz enlisted in the air force last week.

"Cacti and Succulents" Topic for Garden Club

Having an arrangement made from dried foliage and driftwood in the house all winter gives a lift to a gardener's heart, and has gotten to be a popular hobby these days, especially among members of the Ballinger Civic-Garden Club.

A program devoted exclusively to dried arrangements, cacti and succulents, was presented by Mrs. Beulah Frazier to the club at the regular meeting Tuesday afternoon in the library club room. Along with her talk on this topic, Mrs. Frazier showed a number of cacti plants and succulents.

Mrs. Drury Hathaway, program leader, presented the leader and those exhibiting

dried displays. Mrs. A. O. Bartlett displayed a dried arrangement of driftwood, echeveria, acorns, dried cacti and love apples; Mrs. B. W. Claunch showed an arrangement of cacti and succulents. Mrs. Elmer Shepperd's arrangement consisted of trumpet vine beans, driftwood, echeveria.

A plant exchange followed the program.

Mrs. Malone, president, conducted the business, appointing Mrs. J. O. Satterwhite to serve on the committee for nominating district officers. It was

announced that an award would be given to the member bringing in the most new members at the February meeting.

Nineteen members and a visitor, Mrs. Arthur Doose, attended the meeting.

Conquest Class Entertained by Mrs. Malone

Mrs. E. S. Malone was hostess to the Conquest Class of the First Presbyterian Church, U. S. A., Monday evening, entertaining in her Sixth Street home.

Mrs. Aurelia Webb, class teacher, gave the devotional and

presented the evening program. She discussed the goal of the class and the aim and ambitions for members.

Mrs. Malone, president, conducted the business and heard reports from officers and chairmen. It was announced that visits would be made to shut-ins.

Arrangements of bronze chrysanthemums were used to decorate rooms. At the social hour, Mrs. Harper McFarland assisted the hostess in serving a sandwich plate with cookies and hot spiced punch and coffee.

Others present were: Mmes. Lillian Jennings, John Reese, B. H. Erwin, Alvin O. Rue, Rufus Allen; Misses Vickie Vorbeck and Lillian McMillian. Mrs. John Nunn, of Big Lake, was a visitor.

Brownie Troop 2 Meets

Mrs. Dick Ayers and Mrs. O. L. Parish, Jr., leaders of Brownie Troop No. 2, conducted the outdoor activities for the group at a meeting in the Girl Scout home Monday afternoon.

Ginger Newby served refreshments to: Kay Ayers, Janabeth Conner, Kay Gurley, Mary Lou
