MORE INSIDE...

The Big M is the roomiest car in its field. To match the Monterey's hip room alone in any other car would cost you at least \$1,000 more. And behind the wheel, you can command Mercury exclusives like a power seat that "remembers" your favorite driving position, and advanced Merc-O-Matic Keyboard Control.

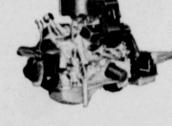

MORE OUTSIDE...

Mercury's width, you'd have to buy one of America's three most expensive cars, costing at least \$2,000 more. And Mercury's Dream-Car Design is shared with no other car . . . from Jet-Flo Bumpers to V-angle tail-lights, it's styled to stay newer longer, protect future resale value.

MORE UNDER THE HOOD...

No other car at the Monterey's price gives you such high standard horsepower (255). To match this power in any competitive car, you'd have to pay over \$150 more. The Big M gives you the highest torque, for a regular production engine, in its field (405 lb-ft). Mercury's standard compression (9.75 to 1), close to highest in any car, would cost you over \$500 more in any other car.

... MORE WAYS YOUR BEST BUY

You have to pay over \$200 more to get any other car with real four-beam headlamps, like The Big M's Quadri-Beams. Over \$80 more to get a four-barrel carburetor as standard equipment on any competitive car. Over \$130 more to match the Mercury Monterey's brake

The Big M's Floating Ride_achieved with the most effective combination of bumpsmothering features ever put between you and the road. Yet the price is still an easy step up from the low-price three. Stop in!

emparisons stated are based on factory suggested retail delivered prices.

Ford wins the battle of the builds

• Sure! Many people buy Fords because of their long, low, whistle-collecting looks. Do you blame them? But beauty alone isn't enough to earn for a car the No. 1 spot in America's heart. And that's just what Ford has earned. The real secrets of Ford's success are the extra values that go into building a Ford. Let's look at a few of these features. Ford shares them only with a select number of America's most expensive cars. with a select number of America's most expensive cars But you get them at low Ford prices.

1. Only Ford in its field offers a frame design that lets you ride within the frame side members for greater roominess, more smoothness and increased safety.

2. Only Ford in its field gives you a modern

V-8 engine with rigid, deep-block design for

smoother, quieter, longer-lived operation. 3. Only Ford in its field offers automatic variable-rate rear springs that automatically adjust to give a smoother ride no matter how rough the road conditions.

4. Only Ford in its field offers new swept-

ball-joint front suspension that "rolls

with the punch" on rough, bumpy roads. 5. Only Ford in its field offers as many as five strengthening roof cross members for a more rigid roof . . . greater quiet and safety.

6. Only Ford offers such a savingful car. A Ford Six beat all other cars in the 1957 Mobilgas Economy Run in the miles-pergallon department.

7. Only Ford in its field offers a frame with 3 tubular cross members. There are 5 cross members in all . . . enabling the frame to withstand stress from all directions.

Based on comparison of manufacturers' suggested retail delivered price

8. Only Ford, among all makes, electronically balances every V-8 engine while it's operating under its own power.

This Fairlane 500 Club Victoria, with Ford

Air Conditioning, costs less than many medium-priced cars without air condition-ing. * Cool Test on Air-Conditioned Ford car

9. Only Ford in its field offers so much soundproofing for a quieter ride under all road and weather conditions. 10. Only Ford in its field offers such a well

sealed body for greater freedom from dust and weather wherever you travel. 11. Only Ford in its field offers rear door assist springs and two-position front door checks for easier entrance and exit,

Gulf Pride H.D. Select

The World's Famous Motor Oil

Quality is integrity in manufacturing. It is the product of the man who does not know how to make inferior goods, who will not compromise with costs, competition or outside pressures. It is the pride of the craftsman, the skill of the artisan and the perfection of the master. True, there is economic justification for Quality manufacture—it creates steady markets, reduces adjustment costs, builds good-will with a hard cash value, and it sometimes commands a higher price. But those are seldom the reasons why a man or a company makes Quality goods-he does so because his pride, his ethics and his whole philosophic outlook demand it . . . they constantly compel him to ask himself, "Can I be proud of this work?"; "Will the buyer be proud and happy to use it?"; and "Will it serve the buyer faithfully?"

That is Quality-it is the IMPORTANT characteristic of hallmarked silver, of fine cars, of authentic Persian carpets.

Quality must never become just a term, a phrase—poor, weak and meaningless.

Moreover true Quality always reflects the maker's craftsmanship, pride, integrity, and determination to produce and distribute the finest products.

We are proud of the Gulf Dealers in this area and know they are men of high standards that will stand behind the quality of all Gulf Products.

PILLARS OF LEARNINGstudent at Southern Bell Telephone Company's maintenance Students learn how to get up in the world as the first step toward a lineman's career.

Fans who like lots of hitting and scoring have been getting their money's worth on the last series of home games. In fact, the Southwestern League was on a hitting spree last weekend which saw high scores in several

Saturday night the three games had a total of 75 runs scored and in the heat Sunday afternoon the same six teams came back to score 52 runs in three games.

Several Westerners have been increasing their batting averages during the hitting spree and also adding to their runsbatted-in column. Ron Kiser hit a home run Saturday night with the bases loaded and Sunday afternoon he clouted another with two mates aboard. Saturday night he got 7 RBI's.

Stubby Greer has also been hitting that long ball and has had numerous doubles, triples and home runs in recent games. In fact, homeruns have come so fast that the few fans who like to put dollar bills on the screen wire have run out of small folding money and had to neglect some of the four-base

The next series will start here ext Sunday with the Midland indians. It has been so long ince Midland played in Ballinger most of the fans do not remember any of the Indian players. They were here the atter part of May and were scheduled again in June but when two clubs in the league folded, a change in schedule canceled the Midland series at Ballinger. It has been almost two months since the Indians J. W. Purifoy Albert C. Purifoy played at Runnels Field. They will be here Sunday afternoon and at 8 p. m. Monday and Tuesday nights.

Most ball clubs have players coming and going all season in The American Indians called a hope of gaining strength. Tony heaven "Happy Hunting York had fifteen players here in spring training and the same fifteen are still on the roster. The tip of South America is He believes that it is good for further south than the tip of a team to know each other, to become friends and develop team play and is going along with the boys he started with. Fans can be the judge of how well it pays off. Tony was six games out in front of the league Monday morning.

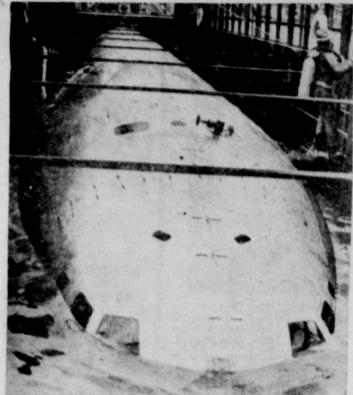

> Jim Moore has been riding the bench with a couple of fracribs for the past week The team has been missing Jim and his clutch hitting. Sunday Jim was the leading Westerner hitter and also leading with runs-batted-in Joe Vick, who has been filling in for the injured outfielder, has been doing a good job and has come through with good hitting and

> Kenny Jones is setting an endurance record with the Westerners his year. Being the only catcher on the team, he has caught every inning so far this year. Most clubs have two catchers and are able to give a little rest, however, Kenny is always ready to go and is the leading catcher in the league.

Follow Neglect Did you ever see an attractive person with irritated "GUMS"? Druggists refund money if first bottle of "LETO'S" fails to help. PEARCE-BAILEY DRUG

WRONG ELEMENT-Usually an airplane is found in the air or on the ground but here's one looking like an ailing whale in a pool of water. The fuselage of the huge Boeing KC-135 jet aerial tanker is being given hydrostatic tests in a 300,000-gallon tank to simulate high altitude stress and strain. The KC-135 s a military version of Boeing's commercial jet airliner. Testng took place in Seattle, Wash.

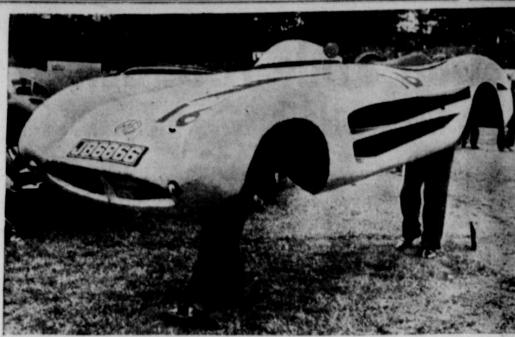

Bradshaw Leading In Little League

Bradshaw is leading the Little League the first of the week and the West Texas Utilities Co. was holding the lead in the Pony League. Both groups continued to be a hitters league with most of the players show-

ing high pere	entages.

MEMORIZE THIS PICTURE-This scene is duplicated all too often on a bright, pleasant Sunday afternoon. Many of the elements of highway tragedy are here. The smashed carsthe news photographers—curious passersby. You can smell, almost, the fumes of dripping gasoline and hot engine oil. You can hear, almost, the keening of ambulance sirens. But this is no accident. It is a carefully staged wreck, made to occur on a test track at the UCLA engineering laboratory, Long Beach, Calif., to study the effects of head-on collision. Place yourself mentally in the driver's seat of either car, for a moment, before you take a chance on the highway. Each of these vehicles was going "only" 45 miles an hour when they hit.

of his son, Fritz Backhaus on Rowena Route 1, following an The men spent Sunday after- illness of the past five years. He was born April 6 in Oldenburg, Germany. He came to for the next two weeks. They are Milam County in 1882 and later enjoying the nice tasty meals moved to Runnels County in which are cooked for them by 1901. He farmed in the Olfen Mess-Sergeant Charles Jackson community until 1923 and has lived with his son since that time. He was a member of the figuring training problems which | Zoar Evangelical and Reformed | Baptist Church of Talpa. Con-

Funeral services were held Tuesday at 4 p. m. in the

Survivors are the son, and stay there for three days daughters, Mrs. W. A. Namken and Mrs. Adolph Krempin, grandsons, a sister and other relatives.

John S. Greenhill

John S. Greenhill, 78, a retired grocer and former resident of Ballinger, died at his home in San Antonio Monday. Funeral services were held at

St. Mary's Catholic Church in Ballinger today at 9 a. m. with Newby-Davis Funeral Home in charge and burial in Evergreen Cemetery. Decedent was a native of

since 1940. Prior to that he lived in Runnels County for 50 years.

Survivors are his wife, five ons, W. M. Greenhill and James Greenhill, Los Angeles, California; J. S. Greenhill Jr., Atmet, California; Leon Greenhill, Sweetwater; Foster D. Greenhill, Goshem, New York; two daughters, Mrs. J. O. Nunley, Modesto, California; 21 grandchildren and 8 great grandchildren.

FORMER CITIZEN DIES David Leon Brown, 40, died evening worship at 8:15.

a heart attack. He has been making his home there for a number of years.

at Rosenburg Wednesday from

Decedent moved from Bahinger 4 years ago and while here was employed by Bill Moore. He was an employee of the State Prison System at Sugarland at the time of his death.

Funeral services were held Friday with burial at Richmond. Survivors are his wife, three sons and a daughter.

Talpa Dedication Services July 21 At Baptist Church

held Sunday, July 21, for the new building of the Immanuel struction was completed in January of 1956, and the note was paid off in May of 1957. The building is valued at \$20,000.00. and burial was in the Protestant and cost approximately \$14,000.00. Complete air-conditioning was installed last

month. Services will begin with the regular Sunday School at 10:00 a. m., followed by the morning worship hour, with the pastor, Jess Bigbee, bringing the morning message. A basket lunch will

be spread at the noon how Afternoon services will he at 1:30 with singing led by Dee Carpenter, Ballinger, former pastor of the church, followed by a history of the church given by Herman Mercer, chairman of the board of deacons.

A brief history of Coleman County Baptists will be included in the address by Dr. W. Town Creek, Alabama and had A. Todd, retired Bible Professor made his home in San Antonio of Howard Payne College, to be followed by a service of dedication in which the congregation

will participate. Special music will be by Rev. Dee Carpenter and family, and the dedication sermon will be delivered by Dr. Clifford delson, Brownwood, Missions Secretary, District 16. Baptist General Convention of Texas.

The public is cordially invited to attend these services, with special invitations extended to former members and pastors. The days activities will close ROSENBURG WEDNESDAY with Training Union at 7:15 and

Mrs Otis Jacob Buick Owners IF you own an earlier Buick than our 1957 product, you're probably reluctant to part with it - and who can blame you? After all - regardless of year or model - there's nothing like a Buick to set you a cut above the ordinary run of mortals make you feel master of all you survey. But listen. As wonderful as your present Buick is - we can name at least six good reasons why you should look into a 1957 Buick now. Six good reasons why you should try this dream car to drive - today. Read 'em — and leap!

6 Reasons To See Your Buick Dealer Today

I. Today's INSTANT Dynaflow* - Response? such a sweet sense of control, security, safety for yourself, your family, everyone else on the
