this telephone rings the alarm

In many of our towns, fire protection comes from a volunteer fire department. An effective communications system sum-

mons these volunteers by ringing all members' telephones at the same time. What's more, it is a distinctive ring which

means "FIRE!" and brings firemen on the run. Here is

another example of how Communications becomes a Tool for Progress - a communications service of great value to

every town with a volunteer fire department. For full information about our many communications services, please

Shawn and Melissa Messick, small grandchildren of Mr. and Mrs. T. R. Cates Jr., spent Saturday night and Sunday with the Cates family. The Cateses took them home Sunday night.

Mrs. Maggie Capps and Mrs. Clyde Self were visitors in Quanah Thursday.

Mrs. Celeste Johnson of Vernon spent the week end with Irene Roy Self visited the Z. S. Ma-

sons in Vernon Saturday. Mr. and Mrs. Clyde Self and Mrs. Maggie Capps attended the funeral of Bob Stinnett in Vernon Sunday, July 4.

Jim Dunn was ill in a Vernon hospital a few days last week. He s recuperating in his home here. Visitors Sunday were Mrs. Lorene Dunn and daughter of Pampa and Mr. and Mrs. Ralph Dunn

of Vernon. Mrs. Raymond Grimm visited Mrs. Bert Abston in a Vernon hospital one day last week.

Mrs. Myrtle Neill and Mrs. Susie Roberts were guests of Mr. and Mrs. Leotis Roberts of Crowell Sunday. They also visited in Vernon Friday.

Billie Wisdom of Medicine Mounds visited his uncle, Jake

LOCAL GIRL AT TRAINING PROGRAM-Shown above are two of the girls participating in the Summer Science Training Program at the Texas Woman's University in Denton. At left is Miss Janice Drake, daughter of Mr. and Mrs. Clifford Drake of Phillips. The other student is Miss Virginia Stapp, daughter of Dr. and Mrs. W. H. Stapp of Crowell. Dr. William L. Mecay, associate professor of chemistry, is demonstrating the use of the recording single channel pulse height analyzer. This instrument is used to determine the energy of gamma rays emitted by radioactive substances. Twenty-eight top-level high school girls who will be seniors this fall are enrolled in the TWU science course which is being sponsored by the National Science Foundation. Dates are June 14-July 30.

(Continued from page 1)

two men out and red-hot Danny Naylor at bat, but Lee J. Whitley grabbed Naylor's grounder and clutched second base into loving arms to end a nerve-shattering contest.

Cardinal pitchers were in fine form, allowing only two hits, one by Lee J. Whitley, the other by Larry Bursey, as they struck out 15 of the 18 Yankee outs, but the Yankees managed for one run in the first, fourth and sixth innings.

For Foard County Mill, Ronnie Naylor led the hitters with two-for-three, and Rocky Bachman and Bob Burkett each picked up one hit. The Yankees' refusal to crack under pressure was the difference in the two teams on this final night.

Friday, July 9, 8 p. m.: Crowell State Bank 19, VFW 2. Ken Sellers pitched shut-out ball for the first inning of this one, but the Braves smashed eleven hits to cave the roof in for another football-sounding score.

Frog Smith hit three-for-four for the Braves; Bill Erwin hit two-for-three; Pat Cates and Steve Black hit two-for-four; and Billy Hollenbaugh garnered one hit. Until the final frame, the Bank pitchers had a no-hitter going, but a walk, an error and a scratch hit by Ernest Barrera scored two runs in the final frame. Smith-Erwin struck out nine Veterans, issued six walks, and only one error was committed by the Braves in the field.

In the PeeWee league on Thursday night, July 8, the Tigers once again were victorious and won the 1965 PeeWee Championship by one game.

#### Notice to Bidders

Notice is hereby given that the Commissioners' Court of Foard County, Texas, will on the 9th day of August, A. D. 1965, at 10:00 o'clock A. M., in its usual meeting place in the Courthouse at Crowell, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery: 'One Heavy Duty Motor Grader, powered by Diesel Engine of not less than 115 Horse Power, the weight to be in comparison to such Horse Power, fully equipped with starter, generator, fully enclosed cab, 14 ft. sliding

moldboard and tires no smaller

and rear, both with and with out Scarifier,' and will at such time tract therefor if any bid be ac reserves the right to reject any and all bids received. The success ful bidder shall be required to execute a good and sufficient guaranty as to the uniform fitness of such machine and its soundness, and if required, to furnish a good and sufficient bond, executed by some surety company authorized to do business in this State, in accordance with the provisions of Article 5160, Revised Civil Statutes of the State of Texas, 1925, and amendments

and as part payment one us Huber-Warco Motor Grader which may be inspected at the County Warehouse in Crowell, Texas; if any bid be accepted by the Court, it is the intention of the Court to pay a portion of the purcha price in cash and the balance be represented by a Lease Con tract, provided said lease contract shall not exceed the sum of \$1 000.00, payable in an amount ne to exceed the sum of \$3,000.0 per year, and to bear interest a rate not to exceed five per ce per annum. Such lease contract shall extend over a period of time not to exceed five years and the last payment due on such contract shall not be later than December

PUBLISHED BY ORDER OF THE COMMISSIONERS' COURT OF FOARD COUNTY, TEXAS, pursuant to a Resolution passed by said Court on the 12th day of July, A. D. 1965, such Resolution being of record in Volume 8, at page 49, of the Minutes of the Commissioners' Court of Foard County, Texas.

## DON'T SIMMER THROUGH SUMMER! STAY COMFORTABLY COOL

for

**AS LOW AS** 

On days when the heat is unbearable, people go to the lakes or beaches to be cool and comfortable. The cool breeze of the lake or sea shore is air in motion that has been cooled by the process of water evaporation. This same process is created by a Paramount Evaporative Cooler. The large squirrel cage blower continuously pulls outside air through wet redwood filters thereby lowering the temperature through evaporation of water in the filters. This cool, fresh, filtered air is then directed into the area to be cooled.

Some of the advantages of a Paramount Cooler are:

- Low cost of equipment, operation and maintenance
- Quick and easy installation
- Maximum comfort at all times
- 100% fresh, cooled, filtered air
- Fresh air ventilation, without cooling, for spring and fall-just turn off the water

See the Paramount DeVille evaporative cooler at your WTU Showroom

> Normal installation FREE for WTU residential customers.

Miss Brindley moved to Crowell with her parents in 1906, and graduated from Crowell High School in 1914. In 1918 the famfor a while and then went to work in Dallas where she remained until retirement four years ago.

#### Big Loan Awarded to Oklahoma Co-Op.

The rural electrification admin stration has announced a \$25,-000,000 generation and transmission loan to Western Farmers Stinnett, Mr. and Mrs. Bud that time had lived at Snyder, Electric Co-Op. at Anadarko, Okla. which produces and transmits electricity to eleven smaller REA co-

> One of these smaller co-ops. is Southwest Rural Electric Associa-Texas counties. In addition to generally improved service, this will also result in new generating and transmission facilities to be built in Oklahoma.

#### Correction

Mrs. Cap Adkins reports that through a mistake, the following names were not mentioned in the article that was written about the Huntley's 50th wedidng anniversary: Mr. and Mrs. Leotis Roberts of Crowell, Mr. and Mrs Charles Sharp of Detroit, Mrs. Lyndell McBeath and children of Pampa, Billy Short, Mrs. Flora Short, Mrs. Wayne Gamble and Mrs. Cap Adkins of Thalia. The affair was held at the home of Mrs. Adkins.

OLEO Ib. TO C -Page 7-Foard County News Crowell, Texas, July 15, 1965

From the News . . .

## THIRTY YEARS AGO

News items below were taken from the Thursday, July 11, 1935, issue of The Foard County New

Born to Mr. and Mrs. Paul Hayden Ford, Crowell, July 6, a girl, Joyce Lavern.

Born to Mr. and Mrs. Bill King, Crowell, July 3, a girl, Nada Dene.

Born to Mr. and Mrs. Walter Bob Abston, Thalia, July 7, a boy.

A minimum temperature for June of 42 degrees was registered in this area for 1935, the lowest recorded since records began in 1914 at State Experiment Station near Chillicothe.

Citizens of the Margaret community voted 125 to 5 to retain high school grades in their school at a mass meeting Monday night to determine sentiment on this matter.

J. P. Davidson of Floydada is the new manager of the Vaugha Gin at Margaret.

Two carloads of onions have been shipped out of Margaret during the past week and another car is nearly completed. All were destined for Kansas City and were loaded by McLarty Farm Products Co. of the Rayland community.

Foard County has been declared free of tuberculosis among cattle, according to information coming to the county agent's office from the Livestock Sanitary Commission. Stocker cattle being shipped to other counties in Texas and into most other states will not have to be retested for tuberculosis.

Many Crowell and Foard County people were present for the dedication of Knox County's nev \$100,000 court house at Benjamin Tuesday. Gov. James V. Allred was the most distinguished visitor present. He wielded the trowel to spread the first mortar in the ceremonies marking setting of the cornerstone.

The minimum 1935 wheat asligustment payment was established at at least 33 cents a bushel, compared to the 1934 minimum of 29 cents, in a proclamation Monday by Secretary of Agriculture Wallace.

Two U. S. Army engineers visited the site for the proposed dam across Pease River, about ten miles northwest of Crowell, yesterday afternoon following a meeting on this project in Vernon.

Seven hundred and thirty-three checks, totalling more than \$13,-000.00 were distributed to Foard County-cotton producers last week. These checks covered the final payment from the National Certificate Pool.

The State Experiment Station at Spur was visited last Saturday by a number of Foard County farmers. The purpose of the trip was to gain information regarding the practicability of trench silos and also study terracing and water conservation work that has been conducted at the station during the past few years.

Wardrobe contests for both women and girls will be held in the district court room on Saturday, July 13, at 3 o'clock.

Miss Marian Cheek, who is the guest of her sister, Mrs. T. S. Haney, was complimented by Mrs. Gordon Bell last Friday noon with a delightful luncheon.

#### Tax Man Sam Sez:

The old saying that only death and taxes are sure is still considered a pretty sound statement. Unless we change things a lot, operating the government is gonna require us to pay taxes. This includes taxes on our death. Of course Texas, along with most other states, collects an inheritance tax. Internal Revenue collects an estate tax if your estate is worth more than \$60,000 (or \$120,000 community property.) The estate tax works similar to the income tax but most of us would like to postpone the filing date on this tax for a long, long
