OPEN HOUSE FRIDAY FOR NEW OFFICES IN COMMUNITY CENTER

Work has been completed on the remodeling of the offices at the community center in Crowell, and an open house will be held on Friday afternoon from 1 to 5 p. m. so that the public can see the new offices.

Finished in mahogany paneling, the newly-completed offices will house the Community Action Agency headquarters for Foard, Wilbarger, Hardeman and Cottle Counties. Don Malone is director of the program and Mrs. Theda Carroll is secretary.

The new offices also will be headquarters for the Social Security Administration representative when she makes her regularly-scheduled visits to Crowell, as well as a meeting place for the representative of the Small Business Development Center during his twice-monthly visits here.

Miss Ora Mae Fox has also established an insurance office in one of the rooms.

The public is cordially invited to attend the open house of these beautiful new offices Friday afternoon.

Crowell Cyclists Spend Week End in Canyon

Two young men with traveling ambitions—Paul Stapp of Crowell and Buddy Myers of Odessa, left Crowell last Wednesday on a six weeks bicycle trip.

The two boys plan to arrive in Alamosa, Colo., on Monday, June 27, if their plans go according to schedule.

Each of the youths' bicycles are loaded with some 40 pounds of luggage, bedrolls, canteens and tools.

Paul's father, Dr. Walter H. Stapp, said Monday that the boys found shelter in a garage during heavy rains in Claude last Friday night. They arrived in Canyon Saturday and that night, Paul made a talk to the Boy Scouts in that city. He also provided special music at the Sunday morning worship service at the Baptist Church there.

They planned to visit a professor of art at West Texas State University Monday and then leave for Dalhart.

Paul, 15, is the son of Dr. and Mrs. Walter Stapp of Crowell, and Buddy, 16, is the son of Mr. and Mrs. O. L. Myers of Odessa, former Truscott residents.

Lions and Rotarians Hear of Plans for New Rest Home in Crowell

Crowell Lions were hosts to Crowell Rotarians at a meeting last Tuesday at which time the members of both clubs were informed as to possibilities of the construction of a rest home here.

Lion President Robert Kincaid introduced W. C. Lee of Nocona, who will manage the local home.

He told of plans for a 42-unit home to be built at a cost exceeding \$100,000. The home would employ about 18 people with a monthly payroll of about \$3,500. Mr. Lee stated that he would like to have the land and taxes furnished free for a period of years.

He also told the group about the state and federal help which can be obtained for some patients, under certain conditions.

Other visitors were W. Z. Woods and Don Montgomery of Wichita Falls and Larry Hunter of Childress.

Mrs. Henry Borchardt Attends District Cancer Meeting

"There are more than 100 forms of cancer," Dr. Warren Poole of Lubbock told delegates to the district meeting of the American Cancer Society in Levelland on June 15. "And of all these forms, lung cancer kills more men than any other kind: 40,400 men die of lung cancer each year in America."

The meeting of the 18 counties comprising District 38 was also addressed by Curt W. Reiman of the division headquarters in Austin.

A highlight of the meeting was presentation of awards to Foard, Lamb, and Hardeman Counties for "Bettering their Best" in raising Crusade funds for 1966.

Mrs. Henry Borchardt attended from Crowell.

FOARD COUNTY RECEIVES MORE RAIN LAST WEEK

Foard County received some much-needed rain last week which brought the total for the month of June up to 4.13 inches.

A rain Tuesday night of last week measured .62 inch by the government gauge. To the north and northeast of Crowell, up to an inch or over was reported, while one inch was reported in the west part of the county and .7 to .8 in parts of the Thalia community.

On Thursday night, another shower brought .86 inch here at Crowell, with the rain reported as general over the county. The north part reported less while the Vivian community received up to two inches.

In addition to the benefit of the moisture to Foard County crops and pastures, the rain brought cool weather to this area.

C. Rader to Be Honored at A. M. T. Convention in July

Corsicana man—a former resident of Crowell—will receive special honors during the American Medical Technologists 28th annual convention, July 12-16, at Fontainebleau Motor Hotel in Orleans, Louisiana.

The Distinguished Achievement Award in Medical Technology will be given to John Calvin Rader of Crowell. The award is given to members who have made outstanding contributions to state society and the profession of medical technology.

More than 10,000 technologists registered with the national registry of American Medical Technologists have been invited to receive the award.

The banquet will be held at the annual seminar, whose theme is "Unity of Purpose—Progress in Medical Technology." Rader is in Crowell, Mr. Rader is the American Medical Technologists in 1958. He is active in the Texas State Society of Medical Technologists, and is president of the organization, and is chairman of the board of directors of the Society, and chairman of the State Society's Legislative Committee.

L. V. N. Program Explained at Meeting Tuesday

Hospital administrators and county officials of Wilbarger, Hardeman, Cottle and Foard Counties attended a meeting in Crowell Tuesday afternoon to learn about federal assistance for a licensed vocational nurses' training program under the Manpower Training Development Act. Bob Smitherman of Dallas, Manpower Training specialist, explained the program to the group and he was assisted by A. H. Keever, office manager of the Texas Employment Commission in Vernon.

The meeting was held in the office of the Community Action Agency in the community center.

Don Malone is executive director of the Community Action Agency which serves this four-county area.

Mr. Malone said Monday that the agency he heads will be trying to assist these four counties in training programs and other programs which the counties could not do individually.

Mrs. Theda Carroll of Quanah, a former Crowell resident, serves as Mr. Malone's secretary.

Father of Foster Davis Died in Haskell Hospital Tuesday

Dr. J. C. Davis, 93 of Rule, father of Foster Davis of Crowell, died about 9 p. m. Tuesday in a Haskell hospital.

Funeral services will be held Thursday morning at 10 o'clock at the Rule Methodist Church.

Dr. Davis was well known in Crowell, having been a frequent visitor here through the years.

Survivors include his wife and three sons, Foster of Crowell, J. C. of Austin and Tom of Vernon.

W. R. Moore Given Eastern Star Life Membership

W. R. Moore of Thalia was presented a life membership by Crowell Chapter No. 916, Order of the Eastern Star, in recognition of long and distinguished service. Presentation was made at a recent open installation at the Masonic hall.

Mr. Moore has served 12 times as worthy patron. He was first a member of Chapter No. 796 at Thalia which demised. When the Crowell chapter was organized, he was one of the charter members. Having been a member for some 33 years, Mr. Moore is proficient in the initiatory work.

Correction

The News erroneously stated in last week's edition that Rev. A. L. Stanley was pastor of the Free Will Baptist Church when in fact he is pastor of the Assembly of God Church here.

Swimming Meet to Be Held August 21

A swimming meet will be held at the swimming pool Sunday afternoon, August 21, for all youth of the county. Contests will be conducted in age categories, and will include different strokes for different distances, underwater contests, and, if enough interest is shown, a diving contest. The meet will be sponsored by the Women's Service League under the direction of Gordon Erwin, pool manager. Mmes. Robert Kincaid, Howard Ferguson, Leo Cates and Ray Shirley are committee members from the WSL.

This meet is being sponsored in hopes that it will create enough interest in swimming so that the pool will make expenses this summer—something it has not done in the past two summers. Season tickets may be purchased for \$10 from the school secretary, Mrs. Marjorie Taylor, at the court house, or from Mr. Erwin at the pool.

Bank Takes Lead in Little League

Foard County Little League assumed its usual mid-season look last week as Crowell State Bank assumed leadership of the league by shading Farmers Elevator in two consecutive games.

Foard County Mill beat VFW twice to stay within striking distance of league leadership. The Bank crew leads Farmers Elevator by half a game; Foard County Mill is a full game behind the Elevator, thus making only one and one-half games separating the top three clubs.

Details of last week's games are as follows:

Tuesday, June 14, 6 p. m.: Foard County Mill 9, VFW 1. A scoreless game for two innings; Kenneth Abbott blew this game wide open with a home run in the third. Jackie Blackburn hit two-for-three; Bob Burkett, one-for-three; Rocky Bachman, two-for-four, and Jim Lynn Shook, one-for-two for the victorious Cardinals. Mance Nelson got the only hit for the Vets, a single in the first frame.

June 14, 8 p. m.: Crowell State Bank 6, Farmers Elevator 5. Trailing by two runs as they went into the final frame, the Braves punched across three runs to win, with Martin Quintero's clutch single providing the knockout punch. This was the best game of the season to date, with each team playing fine ball, and with the tension mounting with each inning. Quintero's hit scored Rex Driver and Bill Erwin with, respectively, the tying and winning runs.

The Yankees had previously broken a 4-4 tie with two runs in the fifth as Lee J. Whitley and Johnny Urquizo hit back-to-back basehits.

For the Yankees, Whitley and Urquizo each hit two-for-three; and Bob Taylor came through with a base hit in the second inning.

For the Braves, Rex Driver hit two-for-three, with the other four hits equally distributed among Bill Erwin, David Fish, Martin Quintero and Lewis Lopez.

Johnny Urquizo and Jackie Thomas contributed fielding gems in this game.

Friday, June 17, 6 p. m., Crowell State Bank 9, Farmers Elevator 8.

The Braves squeaked past the Yankees again in the final inning in a close one after apparently the cause was lost by a top-heavy score. Farmers Elevator led 7-3 at the end of the fifth inning, but the scoring didn't stop there for either team. The Braves scored six runs in their half of a wild, weird sixth inning involving balks, base hits and errors. The Yankees came back in their half to score one and have the tying run die on second.

For Farmers Elevator, Lee J. Whitley led the hitters with a two-for-three performance at the plate; Bob Taylor hit two-for-four; Dennis Dobbs, Johnny Urquizo and Allen Tapp each hit safely once.

For Crowell State Bank, Jackie Thomas hit two-for-four; Rex Driver, Bill Erwin, David Fish and Louis Lopez each banged out one safe hit. Winning pitcher was Bill Erwin. Losing pitcher was Harry Lee Swan. Lee J. Whitley did not pitch last week due to his having a sore left arm.

Friday, June 17, 8 p. m.: Foard County Mill 15, VFW 1. In this one the Cardinals could do no wrong; VFW could do no right. Kenneth Abbott and Jackie Blackburn allowed only one hit (a single by Mance Nelson in the first inning), with Tim Daniel scoring their lone run in the second.

For Foard County Mill, the big gun in the Cardinal attack was Jim Lynn Shook with a three-for-four hitting performance. Bob Burkett hit two-for-three; and hitting safely once, Kenneth Abbott, Jackie Blackburn and Rocky Bachman.

In the PeeWee game of last Thursday night, the Rattlesnakes came back strong to shade the Tigers by an 11-10 score. One complete inning was played with live pitching. Three innings featured the batting tee.

Friday, June 17, 8 p. m.: Foard County Mill 15, VFW 1. In this one the Cardinals could do no wrong; VFW could do no right. Kenneth Abbott and Jackie Blackburn allowed only one hit (a single by Mance Nelson in the first inning), with Tim Daniel scoring their lone run in the second.

For Foard County Mill, the big gun in the Cardinal attack was Jim Lynn Shook with a three-for-four hitting performance. Bob Burkett hit two-for-three; and hitting safely once, Kenneth Abbott, Jackie Blackburn and Rocky Bachman.

In the PeeWee game of last Thursday night, the Rattlesnakes came back strong to shade the Tigers by an 11-10 score. One complete inning was played with live pitching. Three innings featured the batting tee.

For Farmers Elevator, Lee J. Whitley led the hitters with a two-for-three performance at the plate; Bob Taylor hit two-for-four; Dennis Dobbs, Johnny Urquizo and Allen Tapp each hit safely once.

For Crowell State Bank, Jackie Thomas hit two-for-four; Rex Driver, Bill Erwin, David Fish and Louis Lopez each banged out one safe hit. Winning pitcher was Bill Erwin. Losing pitcher was Harry Lee Swan. Lee J. Whitley did not pitch last week due to his having a sore left arm.

most readers.

If the boys win, the two who read the most books will get to select a book for the library. If more girls register, two top girl readers will make the choice.

The contest is open to boys and girls from pre-school through high school. Each registrant read six books to complete the contest.

Those reading 12 books will receive a certificate and those reading 24 books will also get a ribbon. Blue ribbons will be awarded to the certificates of contest reading 36 or more books.

Awards will be made at a special ceremony being planned late August.

Mrs. Veatrice Brock and her committee members wish to thank the men who carried the Foard State loan books to the public. Gestures such as that what make a real "community library."

Books on the new loan will be in soon. Adult books will be included in the new loan.

COTTON BOWL FIREWORKS SHOWS SET JULY 3 AND 4 IN DALLAS

The rockets' red glare and bombs bursting in air will herald the two gigantic Independence Day fireworks shows Sunday, July 3, and Monday, July 4, in the Cotton Bowl at State Fair Park in Dallas. The 12th annual fireworks displays, designed to help people celebrate a safe and sane holiday, will start at 8 p.m. each night with an old-fashioned patriotic band concert followed by the pyrotechnical spectaculars.

Medicare Premium Notices Mailed Out

First Medicare premium notices are in the mail to more than 2 million non-beneficiaries who signed up for the voluntary doctor bill insurance to supplement their basic hospital insurance under Medicare, Edwin S. Draughon, manager of the Vernon Social Security office, announced.
Another 15 million older people enrolled for the doctor bill insurance will not receive premium notices, Mr. Draughon said. Their \$3 premiums will be deducted from their monthly social security, railroad retirement, or civil service benefit checks, beginning with the checks due early in July. In addition, a number of states will be paying the premiums for their old age assistance recipients under agreements with the Social Security Administration.
The premium notices now being delivered, Mr. Draughon said, call for quarterly payments of \$9, payment for the doctor bill insurance protection for the months of July, August and September. This is one-half the cost of the protection; the other half is paid out of general federal revenues.
With the punch card premium notice is a return envelope pre-addressed to one of six social security payment centers which are located in New York, Philadelphia, Birmingham, Chicago, Kansas City and San Francisco. Payment should be made by check or money order payable to "Social Security Medical Insurance," Mr. Draughon said.
Older persons who cannot manage to make the quarterly premium payment of \$9 may send in a payment of \$6 for two months coverage, or \$3 for one month.
Or if they have any questions about the premium payments, they may get in touch with the Vernon social security office. Premium payments for medical insurance are due on or before the first day of each month of coverage, he pointed out.

Boll Weevil Control Signup Period Now in Progress

The Greenbelt Cotton Improvement Association is preparing to launch a campaign this week to sign up farmers in boll weevil infested areas of Foard and Wilbarger Counties in a massive cooperative early-season weevil control aerial spraying program.

Stage for the campaign was set at a meeting of the Association's board of directors Saturday afternoon at the Waggoner National Bank board room in Vernon.

At the meeting, directors unanimously approved a state charter for the association as a non-profit corporation and awarded a contract to American Dusting Co. of Lockett for low volume aerial applications of Malathion in the infested areas. The contract was awarded American Dusting after opening bids of competing agricultural dusting firms.

The directors set the dues for membership in the association at five cents per acre sprayed above the contract bid figure.

President Otto Streit said that individual farmers, who are being asked to sign up at their neighborhood gins, may obtain additional information on spraying costs by contacting the gins.

After an entomology report from Wilbarger County Agent Norman Drake and Emory Boring, area Extension Service entomologist, indicating that infestations of boll weevils are building fast in 14 Foard and Wilbarger County fields that are under surveillance, a target date of June 27 was set for the first of two recommended poison applications. The second application would follow within a week to 10 days.

Purpose of the poisoning is to kill the first generation boll weevils.

Directors stressed that farmers with early-planted cotton should include themselves in the first application.

The signup period for the association was set as Monday, June 20, through Friday, June 24.

The association will seek to sign up every cotton farmer in the weevil infested area. The area includes 11 gin communities in North and West Wilbarger County and east of Crowell in Foard County.

Ten of the association's 11 directors, plus Mr. Drake, Mr. Boring and Wayne Underwood, who has been working with the group in an advisory capacity, were present for the Saturday meeting.

Munday's Vegetable Festival to Be Held June 24th and 25th
Plans are progressing on schedule for the staging of Munday's fourth annual Knox County Vegetable Festival to be held June 24-25. This event heralds vegetable harvest in the Munday area. Vegetable harvest began about June 1, and continues for 60 to 90 days. "Statistics compiled during former festivals reveals a very rapid acceleration of the vegetable industry in the Munday area. Knox County potato harvest is expected to begin this week. Potato acreage has grown from 30 acres in 1952 to 1,050 this year. Along with potatoes, there are more than 500 acres of cantaloupes, 150 acres of watermelons, 75 acres of sweet corn, 50 acres of cabbage, 25 acres of okra, and onions, tomatoes, and carrots account for another 75 acres. With initial use of a new 5,300 square foot cold storage facility, prospects look excellent for these crops. Commercial size test planting of sweet and hot peppers, beans, and peas are scheduled for early summer, as well as a fall crop of 200 acres of cucumbers and 100 acres of sweet potatoes. This year will mark the first time sweet potatoes have been grown on a large scale. Greenhouse production of tomatoes has "come of age" with the construction and operation of a plant that has already produced 16,000 pounds of tomatoes and will furnish at least another 4,000 pounds this season. The producer will double the size of his greenhouse. Twenty acres of field tomatoes have also been planted. This year all exhibits of the festival will be enlarged upon and many new "county fair" attractions will be added. Among the favorite exhibits to be repeated is one of historical pictures.

Water Recreation Deaths Continue Climb
Deaths from water recreation continue to climb ominously, according to the Texas Parks and Wildlife Department's unofficial tally. But, of the 22 fatalities reported during the last two weeks' period, none was blamed on boating as concerned high speed operation or water skiing. This development coincides with a concentrated effort, shared by the Department, in enforcing the new water safety code. A few drownings involved boats but of the fishing variety and were classified as occurring while the occupants were on angling forays. Bathing accidents were the major killers, since 11 persons perished while playing in the water. Four victims were wading, three of them very young children. The new safety code stresses availability of life preservers in watercraft. The Department spokesman said emphasis now is being made by patrolling game wardens on this enforcement phase.

Former Pastor to Preach at Truscott Methodist Church
Rev. T. R. Breedlove of Quannah, a former pastor of the Truscott Methodist Church, will preach at the Sunday morning service next Sunday at the Truscott Church. Rev. E. H. Martin, pastor, and his wife are visiting their son, Rev. Deon Martin, pastor of the Green Mountain Methodist Church in Denver, Colo. Rev. Martin urged Truscott residents to hear one of their former pastors, Rev. Breedlove.

Midwestern U. to Have Music Camp
The Midwestern University Music Department will hold its fifth annual Music Camp from June 26 through July 9. Registration will be from two o'clock to four o'clock Sunday afternoon, June 26, and all day Monday, June 27. Classes will be held in brass, percussion, reeds, strings, and voice. There will be four performing groups: two bands, one symphony orchestra, and one choir. There will also be all types of instrumental ensembles such as stage band, brass quartets, sextets, woodwind quintets, string quartets, small vocal ensembles, etc. Dr. Clarence Sawhill of UCLA, Dr. Charles Wiley of Lamar Tech, Beaumont, will be guest conductors of the bands. Dr. Lloyd Pfauacht of SMU will have the choir. Dr. Thomas Hostadt, director of the Amarillo Symphony, will conduct the orchestra. The evening program will consist of parties, skating, swimming, recitals, etc. Tuition for the two-week session is \$29.50 plus room and board should a student desire to live in the dormitory. Further information can be obtained from the college.

Stewart Family Has Reunion at Hurst
The children of the late Mr. and Mrs. Chas. Stewart of Foard County held a reunion at the home of Mr. and Mrs. W. T. Stewart in Hurst last week end. Attending were Mr. and Mrs. Homer Stewart of Farmington, N. M., Mr. and Mrs. A. L. Kelly of Tulsa, Mr. and Mrs. Irving Brown of Cupertino, Calif., Mrs. Robbie Norman and daughter of Lodi, Calif., Mr. and Mrs. C. J. McMullen of LaMarque, and Mr. and Mrs. Charles Stewart and family of Quannah. Mr. and Mrs. Paul Glover and daughter of Odessa, who were en route to the reunion, were involved in an accident on the Fort Worth-Dallas toll road, and did not attend. The Glovers were moved back to Odessa last Wednesday. Mrs. Glover is the daughter of Mr. and Mrs. A. L. Kelly.

Lions Club Meeting
Mrs. A. V. McBombs, having just returned from a trip to the Far East, told the Lions Club of her visit to the Orient at the club's Tuesday noon luncheon. Next Monday, June 27, the Lions Club will have its annual installation of officers starting at 7:30 p. m. at the Country Club. Bill Bond of Vernon will bring the program, a 16 mm. film on his hunting trip to the Arctic region. Tom Ward of Breckenridge will install the new officers for 1966-1967. Is that typewriter ribbon shot? New ones at the News office for \$1.50.

S. B. A. Loan Representative Speaker Here
Gerald Fincher of Aspermont, business counselor for the Small Business Development Center, Inc., spoke to the members of the Women's Service League at their regular luncheon meeting last Thursday. He discussed the Economic Opportunity Act of 1964 which set up a Small Business Administration to approve and administer loans to eligible small business and persons who want to go into business. By law, loans can be made only to persons unable to obtain needed financing from banks or other private sources or under other government lending programs. SBA may lend up to \$15,000 for as long as 16 years. The interest rate is 5 1/2 per cent. In making Economic Opportunity loans, SBA assigns great importance to a borrower's character and ability and no loan will be turned down solely because the applicant lacks collateral. However, there must be reasonable assurance that the loan will be repaid, and persons must have good credit ratings for loans to be granted. Foard County is in a fifteen-county Small Business Development Center with headquarters in Aspermont. Glen Goodwin is the local representative on the board of directors. Mr. Fincher stated that one loan had already been approved in Foard County. He will be in Crowell the second and fourth Mondays of each month and may be contacted then at the Community Action office in the community center.

Highway Patrol Investigates One Accident Here in May
The Texas Highway Patrol investigated one accident in Foard County during the month of May, according to Sgt. Floyd Etheridge. Highway Patrol Supervisor of this area. The crash resulted in an estimated property damage of \$500. The rural traffic accident summary for this county during the first five months of 1966 shows a total of 14 accidents resulting in one person killed, three persons injured, and an estimated property damage of \$7,485.00. The number of traffic deaths in Texas has risen steadily since 1960 with 2254 deaths to 3028 deaths in 1965. "For the first five months of 1966, 1137 persons have died in traffic compared to 1032 deaths for the same period of 1965," the sergeant stated. This 10 per cent increase is very alarming, and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture. The sergeant appealed to the motoring public to assist in the reduction of this trend, otherwise, the death count at the end of the year will far exceed the record number of 3028 deaths in Texas during 1965.

Eastern Star Installs Officers

Mrs. Lona Pittman was installed worthy matron of Crowell Chapter No. 216, Order of the Eastern Star, in a formal program at the Masonic Hall last week. A. Z. Pittman is new worthy patron.

Seasonal flowers decorated the chapter room and banquet hall. Twin candelabrum were placed on each side of the dais. Misses Jon Ann Carter and Jan Carroll were candlelighters. Bob Cameron Barker presented the Bible while Bob Barker placed the square and compass. Musical selections were by Mrs. Agnes Denn.

W. R. Moore, retiring worthy patron, called the meeting to order. The welcome and introductions were by Mrs. Alyene Pittillo, retiring worthy matron.

Members of the Vernon Past Matron's Club who served as installing officers were Mmes. Virginia Lantz, installing officer; Doris Summers, installing marshal; Evelyn Davis, installing organist, and Wanda Wimple, installing chaplain.

Other officers for the ensuing year are Mrs. Ona Lee Taylor, associate matron; Robert Taylor, associate patron; Mrs. Vera Thomas, conductress; Mrs. Roberta Barker, associate conductress; Mrs. Marietta Carroll, secretary; Mrs. Bernice Carroll, treasurer; Mrs. Gladys Moore, chaplain; Mrs.

Agnes Dunn, organist; Mrs. Verda Bell, marshal; Miss Odessa Moore, Odah; Mrs. Veatrice Gentry, Ruth; Mrs. Lottie Estes, Esther; Mrs. Lizzie Kenner, Martha; Mrs. Alyene Pittillo, Electa; Cecil Carroll, warder; and Bob Thomas, sentinel.

Miss Carter sang "How Great Thou Art" at the conclusion of the ritualistic installation. Mrs. Davis was accompanist.

The yearbook is dedicated to "the brothers of Crowell Masonic Lodge, who have worked for our progress and prosperity."

Mrs. Pittman's theme is "love," her motto is "others," and the "Star" is the selected emblem.

Mrs. Bernice Carroll presented the past matron's gift and Mrs. Pittillo made the presentation to the past patron. Mrs. Lottie Estes was in charge of the special court-cies. Mrs. Davis presented Mrs. Pittman a remembrance on behalf of the installing officers.

The benediction was given by Mr. Moore.

Refreshments were served in the banquet room from a white linen laid table decorated with colors of the emblematic star.

Making these arrangements were Mmes. Lizzie Kenner, Cornelia McDaniel, Pittillo, Beulah Holcombe and Marietta Carroll. Mrs. Ona Taylor and Mrs. Bernice Carroll headed the decorating committee.

Mrs. Marcy Barker registered guests from Electra, Quanah, Vernon, Crowell, and Hesperia, Calif.

Grady Halberts Attend Rotary Convention

In Denver, Colo., for the 1966 convention of Rotary International were Mr. and Mrs. Grady Halbert of Foard City. They arrived in Denver, Saturday, June 11, and returned home June 16.

The Rotary convention opened June 12 and ended June 16. It brought to Denver more than 14,000 Rotarians and members of their families from 66 countries in all parts of the world.

Among the featured speakers on the Rotary convention program were U. S. Secretary of State Dean Rusk; Lord Caradon, Ambassador to the United Kingdom; and L. Gordon Cooper Jr., astronaut who made a 32-orbit mission in May, 1963.

A highlight of the convention entertainment was a music festival presented Saturday evening, June 11, in Denver's world-famous Red Rocks Theater, an outdoor amphitheater located in the foothills of the Rockies. The program featured Metropolitan Opera singers and the Central City, Colo., Opera Company orchestra. On Monday evening, June 13, Rotarians and their guests saw a western show at the Denver Coliseum that starred some of the best riders in America.

In the House of Friendship, a traditional feature of Rotary conventions, Mr. and Mrs. Halbert and daughter, Hollis, relaxed with thousands of other Rotary families from France, Japan, South America, Switzerland, Canada and many other places.

Rotary in Crowell is linked with 12,400 Rotary clubs with 600,000 members in 133 countries on six continents.

LITTLE LEAGUE NEWS

By Marion Crowell

You needn't ask for a tight race in Foard County Little League. It's automatic by mid-season. Like now, where there's only a game and a half separating the top three teams! It's the unpredictables that add to the confusion. Who would've thought, last week, that Lee J. Whitley wouldn't get to pitch against old Crowell State Bank? A sore arm kept him off the mound. Harry Lee Swan did a creditable job pitching three innings in each game, but was charged with the loss in each game.

As goes Kenneth Abbott, so goes Foard County Mill. That's a slogan that really applies. Kenneth was "hot" last Tuesday night, allowing no hits (nor runs) while pitching (he walked three) and blasting the ball over the Adkins sign in the third to start the run parade for the Cardinals.

Where does Johnny Hernandez get his nickname of "pappy"? Ernest Barrera's slow ball shut out the Cardinals for the first two innings. . . the leadoff hitter's job: to get on base. Lynn Nelson did every time in the Tuesday night game (and scored the only run for VFV.)

'Twas a shame, last Tuesday night, that either team had to lose (Crowell State Bank vs. Farmers Elevator). What caused all the various umpire discussions in this one? For one thing: If a pitcher is on the rubber when he takes the return throw from the catcher, it's a balk. Did anyone demand a video-tape re-run?

Jim Lynn Shook and Bob Taylor are two ten-year-olds who're doing fine. Shook has had good luck just about all the way. Relegated to batting down around the bottom of the lineup in early season, Bob Taylor started hitting the ball about four games back and, right now, seems to be hitting almost .300. In the Tuesday night game last week you could just feel the tension build up all through the game. . . even the fuses blew on one set of lights to add to the anxiety!

'Twas a little muddy on Friday night last week, but it was a perfect night otherwise for a ball game. If your name's Jackie, you're hitting either .555, .370 or .364, depending on whether you're Jackie Thomas, Blackburn or Young. . . Lee J. Whitley hit .524 for the first half of the season; Bill Erwin a flat .500, Rocky Bachman and Rex Driver each hit .474; Kenneth Abbott .391; Felix Castaneda, .333; Jim Lynn Shook, .315; Johnny Urquiza and Bob Burkett just missed the .300

Tully and Foard County News

I want to write and tell you how much I enjoyed the Diamond Jubilee edition. It is wonderful, the pictures are so good and the articles are so interesting. I have never enjoyed anything as much. I have read it over and over. I want to keep it.

Ray has enjoyed it too. We would love to have been there, but he is working and I wasn't able to make a trip that far for my health isn't good.

I know it was hard work putting out an edition like that one. Best wishes to all,

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, June 18, 1936, issue of The Foard County News:

A large portion of \$93,000 in "baby" bonds due World War veterans of Foard County arrived at Crowell on the 12:22 a. m. train Monday and delivery of the bonus money began immediately afterwards at the post office.

The 1936 wheat harvest in Foard County has drawn to a close with an approximate yield of 365,000 bushels being handled through the six elevators in the county. The total surpasses by more than 25,000 bushels the most liberal estimates made by the grain dealers before harvest began.

Henry Ferguson participated in the National Folk Festival which is being held in Dallas at the Texas Centennial this week. Mr. Ferguson was in the division of singing of cowboy songs.

All candidates have been invited to attend a speaking to be held at the Margaret school auditorium Wednesday night.

Precipitation for Crowell since November 26, 1935, amounts to 4.14 inches. If no rains fall before June 26, it will be seven months with only a little over 4 inches. Four of these months with no rain at all registered.

Boy Scouts of the local organization will take part in a state-wide essay contest, the winner of which will be given a free trip to the Texas Centennial.

Fifty-nine persons in Foard County have been approved by the Works Progress Administration for employment, according to Bryan O'Connell, WPA representative. This certification does not promise work to those on the list, but provides a means of determining whether or not they desire employment, he said.

An intense heat wave took the mercury up as far as 107 degrees in the shade during the first part of the week.

Leon Speer, brother of Dick Speer, who is the owner of the Speer's 5c to \$5 Stores, has been in Crowell since Thursday of last week working in the local Speer's store. He is an interior decorator and will be employed at the Crowell store about a month. He is working out of Spur, headquarters for the stores.

Loans for refinancing purposes authorized by the Reconstruction Finance Corporation for Foard County through February 29 have amounted to \$18,000.

Clint Simmons and son, William, Roy Huckabee, Oscar Nichols, Doyle Sparks and Ebb Lewis are working at Davidson, Okla., this week.

Grady Graves, Crowell High School coach, was the main speaker at the Rotary Club luncheon held at the Premier Hotel Wednesday. He used as his subject the boxing match between Max Schmelling and Joe Louis. He also touched on other phases of professional boxing.

Two rolls fly ribbon for a nickel at M. S. Henry & Co.

The Crowell baseball team defeated the Quanah team 10 to 7 Sunday with the Foard County boys the invaders.

Apply for Social Security Before You Reach Age 65

In Maine, it's illegal to wear boots with spikes in any public building, hotel, railroad car or steamboat without permission from the person in charge. The social security office hereby gives permission for boot-wearers to visit, spikes and all, and apply for social security and medicare benefits in the three months before they reach 65. Even if you don't wear boots with spikes, you're welcome at the social security office—and if you visit ahead of time, your benefits can begin on time.

**Fawn Urge Nets
Crime to Wildlife**

The coordinator of law enforcement whirled around, hung up the telephone and gasped in his futility about saying something that no dedicated state employee should say.

He had just received the first of three consecutive calls about "orphan fawns."

But he could paraphrase what he wanted to say to a sympathet-

ic colleague. Boiled down, it was that there is no such thing as an orphan fawn.

It was a re-run of the summer surge to interfere with nature's reproduction routine.

Schools out and people are everywhere. They're in the woods and fields with their dogs. The pets sniff a scent and soon they have located a pretty, spotted fawn deer.

And the inevitable cry: "Oh, the poor, pretty thing. It's deserted by its mother."

If reason doesn't prevail right here, a great tragedy follows:

The doe deer, if the fawn is not taken, soon will return and reclaim it. She had left earlier

after securing the fawn in some weeds or bushes.

Even if the fawn is handled the human scent will not deter the doe. She will reclaim it, insisted the law enforcement coordinator.

If the fawn is taken, the deer family is frustrated and the very stay fawn so cute now will grow up to become an actual menace.

Besides, there is no way it can be legalized. There is no such thing as a permit for keeping fawn deer. That is the one stern rule the Department has had to enforce to try to deter human interference with the animal kingdom.

**Social Security
Benefits Are Up in
Foard County**

Edwin Draughon, Social Security district manager in Vernon, announced this week that 487 persons in Foard County were receiving \$29,511 monthly in social security benefits as of January 31, 1966, according to the latest figures released by the social security records center in Baltimore, Md. This is an increase of \$9,524 and 29 persons over the same month in 1965. Over 965,789 persons in the state of Texas received a total of \$61,979,818 in January, 1966.

A large part of the increase in payments resulted from changes made by the social security amendments of 1965. Those changes which were in addition to the new program of health insurance for the aged, included a seven per cent increase in monthly benefits retroactive to January, 1965; benefits for widows as early as 60; benefits for full-time students between 18 and 22; benefits for some divorced women; benefits for some people over 72 who hadn't worked long enough to get social security before; and the payment of disability insurance benefits to workers who are unable to work because of a disability that lasts 12 months or

more. In addition to the people who began getting benefits in 1965 because of these changes, a good many older people, upon applying for Medicare, found they were eligible for social security benefits too.

**One Reason for
Cheating in School
Is Pupils' Parents**

One reason students cheat in school, according to an article by Nancy Bowden in the Farm Journal, is that the parents keep after the students to make good grades. This was the reason given

in 62 per cent of the cases students confessed to in a survey of 100 Virginia schools. Reason behind the increased pressures from parents for good grades is the desire to have their children go to college. So cheating has become big business. A major concern in 76 per cent of the schools surveyed. Other reasons for cheating were: Pressure to conform and laziness.

Miss Marilyn Sue Harp, Taylor Johnson Wed in Childress

Miss Marilyn Sue Harp of Childress became the bride of Taylor Clinton Johnson of Crowell Saturday at 8 p. m. in a ceremony performed at the Childress Church of Christ. Carl Brecheen, minister of the College Church of Christ, Abilene, officiated.

The bride is the daughter of Mr. and Mrs. Allen Harp of Childress, and the bridegroom is the son of Mr. and Mrs. Henry Johnson of Crowell.

Candelabra with white candles and baskets of white gladioli decorated the nuptial space. Members of the Abilene Christian College A Cappella Choir and Jo Oldham of Brownwood, soloist, presented music for the ceremony. The bride's father gave her in marriage.

The bride wore a dress of satenau over taffeta. Panels of embroidered Alencon lace adorned the Empire bodice and bell-shaped skirt. The Watteau train extended in gathers from a shoulder pailen of the chosen lace. Her veil of French illusion was held by a circlet of flowers. She carried a white cattleya orchid surrounded by stephanotis on a lace-covered Bible.

Mrs. John Bragg of Abilene, wearing a long dress of blue peau de soie, was matron of honor. Her headress was a circlet of blue flowers with a tulle veil. She carried a bouquet of feathered white carnations.

Other bridal attendants, dressed identically to the honor matron, were Miss Mary Arrington of Freeport, Mrs. Robert Harp, sister-in-law of the bride, of Lubbock; Mrs. Tony Crome of Panhandle, and Miss Jeanie Johnson, sister of the groom, of Midland. Dr. Paul Johnson of Lubbock was his brother's best man. Groomsman were Robert Harp of Lubbock, brother of the bride; Jimmy Cates, Miles Welch and Guy Todd Jr. of Crowell. Ushers were Bobby Barker and Jerry Settiff of Crowell and Gerald Reider of Kansas City, Mo.

Candles were lighted by John Reimenschneider of Killen and

Roger Owens of Snyder, nephews of the groom. Margie Hayes of Childress was flower girl and Allen Harp, nephew of the bride of Lubbock was ring bearer.

The reception was given by the bride's parents in the church annex. The refreshment table was covered with a white linen cut-work cloth over blue and centered with the bride's bouquet. Assistants were Mmes. W. C. Harp, Nevada Weddington, Cecil Welch, Dollie Tate, Lois Stiner, Weldon Hayes and W. J. Clements.

Following a wedding trip to New Mexico and Colorado, the couple will live in Crowell this summer and later in Abilene where the bridegroom will be a senior at Abilene Christian College.

The bride was graduated magna cum laude from ACC. She was a member of Ko Jo Kai social club, the band, W Club, listed in Who's Who in American Colleges and Universities. She majored in physical education.

The bridegroom is an agriculture major at ACC. He is a member of the Aggie Club and livestock judging team.

Parents of the groom were hosts for a rehearsal dinner Friday evening in Childress.

Major Provisions of 1967 Wheat Program Are Announced

Secretary of Agriculture Orville Freeman has announced the major provisions for the wheat program for 1967. Farm allotment notices will be sent to producers shortly.

Key factors in the 1967 program as announced by the Foard ASCS office are:

A. Price support loan level will be \$1.35 per bushel.

B. Domestic marketing certificates on estimated 520 million bushels will be valued at difference between full parity as of July 1, 1967, and \$1.25 loan value. (This year's certificate value for the 1966 crop will be about \$1.32 per bushel.)

C. Marketing certificates to be issued represent expected production on 40 per cent of farm allotments on cooperating farms, which reflect increased 1967 na-

tional allotments of 59.3 million acres announced earlier. (For 1966, this allocation percentage was 45 per cent of effective national allotment of 51.6 million acres.)

D. There will not be acreage diversion program for wheat. Cropland adjustment program as it applies to wheat will be announced later.

E. Wheat may continue to be planted on feed grain acreage on farms participating in both programs and feed grains may be planted on wheat allotment acreage. Producers will be able to substitute wheat for oats and rye on same basis as in 1966 program. If barley is included in 1967 feed grain program, wheat can be substituted as in prior years. If it is not included, wheat can be substituted for barley in same manner as for oats and rye in past programs.

F. "Excess wheat option" con-

tained in the 1966 program will be continued in 1967. Under this option, producer can plant in excess of his allotment acreage and be eligible for certificates and price support loans, provided; wheat acreage does not exceed allotment by more than 50 per cent, excess production is stored and farmer complies with other terms and conditions similar to those in effect in 1966.

G. Program participation requirements for 1967 will be the same as in 1966 except there will be no required or additional diversion. Offsetting and cross-compliance requirements will also be the same as in 1966.

Since there will be no acreage

diversion under 1967 program, production of alternate non-surplus crops will not be possible as was the case in prior wheat program years.

The final payment on 1955 wheat contracts was received at the office of County Agent John Nagy Saturday. One hundred checks totaling \$16,874.15 are being distributed to contract signers of Foard County this week.

Checks amounting to nearly \$100,000 will be made out of Austin the night of June 30 to residents of fourteen counties in the Wichita Falls district who are eligible for old age assistance. Applications for assistance in Foard County total 158. The payments will average about \$20 per month.

United States Congressman W. D. McFarlane of Graham will deliver an address at Crowell on the court house lawn tonight at 8 o'clock.

Crowell High School received state affiliation in the second half-year in typing and third year economics, according to a notification received last week by Supt. I. T. Graves from the State Department of Education.

Morris Diggs and Charlie Ashford left Monday night on a vacation of several days to be spent at Medicine Park, Okla.

Dick Todd is in Gladewater where he is employed by the Humble Oil Co.

The marriage of Miss Martha Schlagal and Floyd Thomas took place Friday evening at the First Baptist Church.

The marriage of Miss Peggy Thompson and Crockett C. Fox was solemnized Saturday evening at the Baptist parsonage.

Miss Jewell Odum and Valton Wallace were united in marriage Sunday morning at the Baptist Church.

Candidate speakings will be held at Vivian Friday, Foard City Saturday night and at Rayland Wednesday night of next week.

Sixty-one more persons in Foard County has been approved by the Works Progress Administration for employment. Fifty-nine were approved last week.

Farmers Elevator Regains Lead in Little League Play

"Uneasy wears the crown" would apply to any leader of Foard County Little League as Farmers Elevator, by virtue of two victories last week, regained the lead in Foard County Little League. One-half game separates the Yankees from the Crowell State Bank Braves, as the Bank crew split a two-game series with Foard County Mill, a team that—at times—looks like a championship contender.

Details of last week's games are as follows:

Tuesday, June 21, 6 p. m.: Farmers Elevator 10, VFW 3. Improving VFW rode the good right arm of Felix Castaneda for four innings to lead 3-1, but the roof fell in during the last two innings as the Yankees scored four times in the fifth, five times in the sixth.

Johnny Urquiza helped win his own game by hitting three-for-four; Allen Tapp and Lee J. Whitely hit two-for-three; Dennis Dobbs hit two-for-four; and Philip Bell and Harry Lee Swan each got one safe bingle.

Only hitters for VFW were Mance Nelson with a double in the first inning, followed by a single by Tim Daniel to score Nelson.

Tuesday, June 21, 8 p. m.: Foard County Mill 7, Crowell State Bank 4. The Cardinals scored at least once in each inning while hurlers Kenneth Abbott and Jackie Blackburn held the Braves to four hits, evenly distributed among Rex Driver, Bill Erwin, Martin Quintero and Rickey Lopez. Five line drives were caught by the Braves, four of them by Rex Driver who—on one occasion—triggered a double play with the bases loaded.

For the Cardinals Bob Burkett led the offense with a two-for-four hitting performance, with Kenneth Abbott, Rocky Bachman, Jim Lynn Shook, Mark Abbott and Ronnie Naylor each coming through with one safe blow.

Friday, June 24, 6 p. m.: Crowell State Bank 5, Foard County Mill 2. The Braves coupled three walks with three consecutive errors to score four runs in the second inning and take a 5-2 lead, after which Bill Erwin took over the pitching reins and cleverly hurled shut-out ball the remainder of the contest, with no Mill base runner getting past second base. Young Jackie Blackburn actually matched Erwin's shut-out performance, but the game had been decided in the first two innings. Rex Driver's double and Jackie Thomas' single were the only two hits off Cardinal pitchers.

Kenneth Abbott's double and

singles by Jackie Blackburn, Rocky Bachman and Ronnie Naylor were the base-hit production for the Cardinals.

Friday, June 24, 8 p. m.: Farmers Elevator 13, VFW 2. VFW hopped out to a 2-0 lead for two innings, then collapsed before an eleven-hit barrage. Once again the Yankees were led by Johnny Urquiza who hit three-for-four for the night, with Dennis Dobbs, Allen Tapp and Harry Lee Swan all close behind with two safeties each; Lee J. Whitely and Bob Taylor each garnered one hit.

Jodie Haynie and Tim Daniels got the only hits for VFW.

In the Pee-Wee game of Thursday night, June 23, the Rattlesnakes once again were victorious, this time by a score of 19-10.

July Fourth Traffic Count--1966?

What will this July Fourth bring traffic wise? If it is similar to the ones in the past it will be deadly, injurious, and destructive. Our forefathers thought back in 1776 after declaring independence would be free from wanton deaths and destruction. However, they were greatly mistaken to what the future would bring. During the last 190 years since our nation declared its independence there have been eight major wars claiming 1,130,393 American lives. The automobile has been in existence for about 65 years claiming 1,559,950 lives. Thus, the battlefield has been a safer place than the "homefront."

The 1965 Fourth of July holidays covered a period of three days in which there were 19 persons killed and 372 persons injured in rural traffic accidents in Texas. The 19 persons killed were involved in 14 fatal accidents. These fatal accidents involved 21 hazardous violations and one pedestrian violation. The 372 persons injured were involved in 178 injury accidents. The injury accidents involved 167 hazardous violations and 11 vehicle defects. There were 395 property damage accidents involving 344 hazardous violations, 28 vehicle defects, and one pedestrian violation.

On the rural highways in this DPS Region there was one fatal accident claiming one human life. This fatal accident involved two

Insurance Increase Would Cost Foard Motorists \$4 Each

The average motorist in Foard County will pay \$4 more for automobile insurance if the proposed change in rates is made by the State Board of Insurance, according to the Southwestern Insurance Information Service of Dallas.

Present cost of insurance on a new Ford or Chevrolet private passenger car driven to and from work and not driven by a male

under 25 years of age is \$138. The new cost would be \$142. This includes basic liability coverage of \$10,000 for injury or loss of life of one person, \$20,000 for two, and \$5,000 property damage; \$100 deductible collision; and full coverage comprehensive insurance.

Under the new rates, motorists would pay \$1 for bodily injury and property damage liability and \$5 more comprehensive. But the cost of \$100 deductible collision would be reduced \$2.

Cost for the same coverage but with \$50 deductible collision would be increased \$4, from \$151 to \$155.

Other types and older cars would have different rates. Texas has 26 rating territories and eight automobile classifications. The cost estimates given are for cars in classification 1B which includes about half of the private automobiles in Texas.

For cars in this classification

and insured under \$100 deductible collision policies, insurance would cost less in nine territories and remain unchanged in two.

Good Illustration

"A former eyesore in the suburbs of our nation's capital has now become something of a thorn in the side of some federal bureaucrats. While agents of the Federal Urban Renewal Administration have been traipsing all over the country setting up one project and another, private investors and builders slipped into the community of Rosslyn, a section of Arlington, Va., just across the Potomac River from Washington, and transformed some 37 acres of run-down slums into a multi-million dollar assortment of office buildings, apartments and quality motels. . . . Which is a pretty good illustration, we think, of the basic difference between private enterprise and govern-

ment planning."—Riverton, N. J. Era.

Be a Defensive Driver on Vacation and Year Around

Be a defensive driver whether you are on a vacation trip or just performing routine daily driving tasks, suggests Mrs. Elsie Short, home management specialist at Texas A&M University.

Traffic fatality reports show that driver error contributes to four out of five fatal accidents. "This fact should make each of us aware of our responsibility as an operator of an automobile," Mrs. Short adds.

Seat belts have saved lives and reduced injuries when accidents occur, but they don't in themselves prevent accidents, she emphasizes.

"Watch out for the other driver" means to be a defensive driver. You must assume responsibilities for errors that might be made by another motorist and take positive action to prevent them, says the specialist.

You can assume the responsibility of helping other drivers to become aware of the importance of being a defensive driver, too. Help others to recognize the need for raising the level of their driving skills high enough to survive in a complex transportation system, Mrs. Short says.

Riverside H. D. Club

The Riverside Home Demonstration Club had one of their most enjoyable meetings of the year when they met with Mrs. Grover Moore Tuesday, June 21. Mrs. Moore brought the opening exercises. After the business meeting, the president, Mrs. Moore, turned the program over to Mrs. Ray Iseng and four 4-H Club girls.

A very interesting program was given on civil defense by Mieke V. Owens, Bettie Burkett, Christi and Kathy McLain. Mrs. Moore served frosted drinks to eight members and 6 visitors including those on the program and Mrs. Joe Huntley of Coolidge, Ariz., a member of the Riverside club when the family resided in this community.

The club was glad to have Mrs. Roy Ayers add her name back on the roll. The club will not meet

again until Sept. 6 when Mrs. Claud Orr will be hostess.

Tax Man Sam

What are the requirements for filing an estate tax return? This question bothers many taxpayers. Your administrator has to file an estate tax return if the fair market value of the estate is \$60,000 or more at the date of your death. However, there is a surviving spouse if the estate is community property you do not have to file an estate tax return if the community property belongs to the spouse. Getting the correct information on your estate is since this evaluation affects future tax transactions property.

LITTLE LEAGUE NEWS

By Marion Crowell
 Would you believe that we're in the last round of 1966 season? And that three teams are still in contention for the crown? Each game—from now on in—will be doubly important, for it just might be the game that eventually decides the championship.

If they paid off on just the first two innings of ball games, VFW would probably be the league leader. They seem to inevitably lead for a couple of innings, then wham, wham, and where's the fire department? Now It Can Be Told Dept.: This story comes straight from young Willie Bachman, brother of the youngster with the skinned beak and tape across forehead, Rocky Bachman. It seems Rocky and Willie were riding a bicycle. Willie thought Rocky said to apply the brake. Willie did... both went "over the top"... with Willie landing last!

Here and there, week of June 21-24: Danny Johnson (he of the clicking heels) hustled in the outfield last Tuesday night; Jackie Young and the Taylor brothers missed this game... Felix Castaneda pitched his heart out; struck out 12 men; had to be satisfied with a moral victory.

One secret of Johnny Urquizo's success on the mound; he fields that position! He's like a cat on that pitcher's mound... Johnny Hernandez is my buddy... but I just can't buy him a baseball... A big bouquet of roses to Buster Borchardt. We tried to pay him for his umpiring for the first half of the season. He wouldn't take the money... "The rest of you boys are working for nothing," he insisted, "so why should I be paid?" (Maybe we should have an appreciation night... give him a color TV!)

On Saturday night of this week the league president and secretary will journey down to Seymour to help work out some plans for the playoffs. We have hopes of changing up the two-game tournaments of the past two seasons. Certainly no team anywhere especially relishes the idea of facing Knox City's big twelve-year-old pitcher—the big guy who shut our kids out last season by a 2-0 score.

'Twas a thing of beauty, seeing Bill Erwin and Jackie Blackburn playing cat and mouse with each other last Friday night. Game was 5-2 when each took over, and that was the final score... Harry Lee Swan hit Friday night like it appeared all season he should have been hitting (one drive slammed into the centerfield fence)... and the big guy looks like a "natural" around first base. (He robbed Jodie Haynie of a base hit last Tuesday night.)

Did Johnnie Urquizo's hands burn after he caught Tim Daniels' drive Friday night? We all (especially the Seniors!) owe a vote of thanks to gymnasium electrician Mr. Burch for wiring in the concession stand for popcorn. Seems impossible, but here's the season two-thirds over and with only four home runs hit. Is it good pitching or poor hitting that's responsible? Would you say Rex Driver had a busy night last Tuesday night? Well, I'll see you next week... possibly with some news on the all-star playoff sites and pairings!

Some Theory
 "We go along with the philosophy that the man who earns the money is more entitled to spend it than the politicians in Washington or Atlanta, or some other seat of government where entrenched office holders sitting in positions of power and authority adhere to the theory of the late Harry Hopkins who said the policy of government in power was to 'tax and tax and spend and spend and elect and elect.'" — Thomasville, Ga., Times-Enterprise.

Election Year
 "This is an election year and the taxpayers have a voice when they vote. So sound off at the ballot box and elect candidates who will reduce expenses, not increase them. You can be sure those who are drawing welfare will be voting for the candidates who advocate greater welfare expenditures. It's that simple." — Atchison, Kansas, Globe.

MR. FARMER

Did you know that a pre-emerge or a post-emerge herbicide can be applied with liquid fertilizer doing two operations for the cost of one? That you can have early insect control in the same manner by using a systemic insecticide leaving the beneficial insects intact?

I have on hand the following herbicides: Treflan, Planovin, Herban, 24D and Decimate. Also have Dityson and Bidrin Systemics, Methal Parathion and 4-2-1 cotton poisons.

For your fertilizer, herbicide and cotton poisons, contact:

Brother of Mrs. Ray Died June 11

Services for Willis Lilburn Mussetter were held Saturday, June 11, in the Bailey Funeral Home in LaGrange, Mo. Rev. W. F. Wood of Canton conducted the services assisted by Don Stirrup of LaGrange. Burial was in Riverview Cemetery at LaGrange.

Mr. Mussetter died June 8 in St. Louis of a heart attack. He was born in LaGrange Dec. 22, 1895. He attended LaGrange school and LaGrange College. He served in the U. S. armed forces in World War I.

After returning from overseas service, he entered St. Louis University where he graduated in 1925. He retired Jan. 1, 1966, from the Wages and Hours Division of the Dept. of Labor where he had served as investigator almost 30 years.

He is survived by one sister, Mrs. Mary Ray of Crowell.

Mr. Mussetter was a member of the LaGrange Christian Church, Charles Harold Roy Post of the American Legion, Westport Lodge, AF&AM. Military services were conducted at the cemetery by the American Legion Post.

He was preceded in death by his parents.

Brother of Mrs. Boss Johnson Died Last Week in Jacksboro

C. R. (Raymond) Thompson of Okmulgee, Okla., and brother of Mrs. Boss Johnson of Crowell, died in an Okmulgee hospital last week. Funeral services were held at the Joplin Baptist Church at Jacksboro Wednesday, June 4.

Providing music for the service were Mrs. Thelma Lemons and Mrs. Marjorie Ferguson, both of Crowell.

Attending the services from Crowell were Mr. and Mrs. Johnson, and Mmes. Cornelia McDaniel, Virgil Johnson, Sonny Eddy, Lemons and Ferguson.

Feed Grain to Cattle Knee-Deep in Grass?

An old-time cattleman would be shocked. Researchers at Texas A&M University's Coastal Bend Experiment Station at Beeville, feed grain to cattle that are knee-deep in grass.

The idea, according to Ed Neal and Bill Conrad, A&M researchers in charge of the recent tests, is to eliminate the big drop in gains that comes during the hot summer months.

During hot weather and short moisture periods, grass loses some of its nutritive value, and an animal's forage intake decreases. The result is a drop in gains.

In the A&M experiments, steers averaging about 500 pounds each were grazed on coastal bermudagrass. Half were given five pounds of sorghum grain each day and the other half got none.

Gains of the steers on coastal without supplemental feed began to drop about the first of July and continued down, reaching a low in August. During one period in late August and September, these cattle lost weight.

Those on coastal without the grain supplement gained 1.2 pounds a day from April 28 to July 7 and gained only .4 pound per day from July 7 to September 15.

The steers getting supplemental grain averaged 1.7 pounds per head a day from April 28 to July 7, and average 1.1 pounds a day from July 7 to September 15.

U. D. Thompson, Extension animal husbandman at Texas A&M University, figures on the basis of this test, it may pay cattlemen to feed supplemental grain during the summer. It would be well to consider feeding grain or other high energy feeds during periods of short moisture, Thompson said.

At the end of the grazing season, the cattle on coastal without supplement were rough and had a general unthrifty condition, but the steers on coastal plus supplement were sleek, alert and appeared thrifty.

Water Toll Races Past '65 Shocker

Skyrocketing water sports fatalities accelerating the season's grim rate ahead of the 200 casualties pace last year, prompted the Texas Parks and Wildlife Department to make an "in-between" report as a safety precaution.

Ordinarily, the Department informally tabulates the water recreational deaths every two weeks, but reports for one late May week alone reached 19 drownings from assorted causes.

This increased the total to 73 for the season, six deaths ahead of the mark this time last summer.

The sordid statistics reflected several fatalities from school picnics, traditionally being held at school's end.

Thirteen of the 19 drownings reported to the department involved youngsters 17 or under. Three 14-year-olds perished; one 11; one 12, one 13, one 15, one 16 and one 17.

Ten of the latest victims were involved in bathing accidents and

five in boating mishaps. Three were fishing. An eight-year-old, on an overnight river fishing trip, stumbled on the bank and fell to his death in the Brazos River.

The worst single tragedy occurred when a Kaufman man, his 11-year-old daughter and a four-year-old niece, drowned when their boat capsized in a lake. A Dallas family fishing trip was marred when a four-year-old boy fell into White Rock Creek and his aunt drowned trying to save him.

Six of the latest drownings were along the coast, mostly from undertow. These involved three 14-year-olds, one 13-year-old, one 12-year-old and a six-year-old.

Two Minutes With the Bible

Paul the Pattern

No conversion in sacred history is given so much attention as that of St. Paul. Besides the many references to it, we find three detailed accounts of it in the book of Acts. As Saul of Tarsus, the learned Pharisee, he had led his nation and the world in rebellion against God and the Lord Jesus Christ.

St. Luke says: "As for Saul, he made havoc of the church" (Acts 8:3). The believers at Damascus feared Saul's presence among them, saying: "Is not this he that destroyed them which called on this name at Jerusalem?" (Acts 9:21). Paul himself later testified: "Many of the saints did I shut up in prison . . . and when they were put to death I gave my voice (vote) against them" (Acts 26:10). " . . . beyond measure I persecuted the church of God and wasted it (laid it waste)" (Gal. 1:13).

There must have been an important reason why God saved this rebel leader. Clearly it was that He might make Paul, not only the herald, but the living example of "the exceeding riches of His grace" to sinners. Paul

himself said: "And I thank Christ Jesus our Lord . . . for . . . putting me into the ministry; who was before a blasphemer, and a persecutor, and injurious; but I obtained mercy, because I did it ignorantly and in unbelief. And the grace of our Lord was exceeding abundant . . . This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners, of whom I am chief. Howbeit for this cause I obtained mercy, that in me first Jesus Christ might show forth all longsuffering, for a pattern to those who should hereafter believe on Him to life everlasting." (I Tim. 1:12,16).
