Crowells Are With Bororo Tribe . . .

## Working in Indian Tribe Mr. and Mrs. Tom Crowell Serving as Missionary Linguists in South America

Does a language which has never been written have paragraphs? Is a speech made by a Bororo chief who has never attended a day of school likely to have an intricate and beautiful style? The answer to both these questions is yes, say Mr. and Mrs. Tom Crowell who have completed about 2 1/2 years of their current five-year term as missionary linguists with Wycliffe Bible Translators living with a tribe of Bororo Indians west of Cuiaba, Brazil. (See map).

The Indians speak the Bororo language. Mr. and Mrs. Crowell are developing readers in the Bororo language and will teach the Bororos to read their own language. After teaching the Indians how to read Bororo, they will attempt to teach them Portuguese, the national language of Brazil.

Mr. Crowell, a Foard County native and son of Mr. and Mrs. Marion Crowell, and his wife are the parents of two sons, Jon, almost 3 years old, and Dan, 1.

The Crowells spend three-fifths of their time in the Bororo tribe. The other two-fifths of their time is spent in Cuiaba studying and preparing for their next stay with

MISS RHONDA M. GRIFFIN

## Rhonda Griffin Awarded \$1,000 Scholarship

Miss Rhonda M. Griffin, daughter of Mr. and Mrs. Riley R. Griffin, 3728 Scarlet in Odessa, has received a \$1,000 National Merit Scholarship from Armstrong Cork Company. One thousand of these scholarship winners were selected from the 15,000 finalists in the 1971 Merit Program. Merit finalists include about one-half of one per cent of the graduating high school seniors in the United States. The selections were made by the National Merit Scholarship Selection Committee, team of educators skilled in academic selection. Forty-eight of these scholarships went to Texas students. She will use the scholarship to attend Trinity University in San Antonio.

Rhonda was graduated number one and valedictorian out of a class of 707 seniors at Permian High School in Odessa, with a grade average of 96.53. She was a member of and vice president of the National Honor Society; a member and vice president of the school orchestra, a member of the Math and Speech Clubs. Last summer, she attended a National Science Foundation Math Seminar for six weeks at SMU in Dallas. She was voted most intelligent girl student in her freshman class at Nimitz Junior High School. Rhonda received Kiwanis awards in math and English, and a Lions Club outstanding student award. She was just recently elected queen of the Odessa Downtown Lions Club, and was also honored along with 55 other students from West Texas at a banquet in Midland sponsored by the West Texas Chamber of Commerce.

Rhonda is active in the Globe Theater, a semi-professional civic theater, and has had lead roles in several plays such as "Alice in Wonderland" and "Thurber Carnival." She is a member of the First Baptist Church Youth Choir and Handbell Choir.

Rhonda was the girl speaker at commencement exercises for the Permian graduates on June 1. She won this honor by competitive try-outs.

Rhonda is the granddaughter of the late Mr. and Mrs. W. B. Griffin, long-time residents of Crowell and Foard County.

## Former Foard Resident EDWARD HOWARD IS APPOINTED SHERIFF

Edward Howard of Odessa was appointed by the commissioners' court Monday morning as the new sheriff, tax assessor-collector, of the county, effective July 1. Dan Callaway, Foard sheriff since April, 1967, turned in his

## Survey of Pease River Flood Plain Now in Progress

### New Fresh Water Lake Is Possibility For Flood Control

Ron D. Hollingshead, economist for the U. S. Army Corps of Engineers at Tulsa, Okla., is making a survey of the Pease River flood plain from the proposed site of a new dam eastward through Foard, Hardeman and Wilbarger counties.

Hollingshead expects to spend two weeks contacting a portion of the 300 property owners along the river, seeking to determine the 100-year loss which might occur from flooding in the river plain, including damage to structures, utility lines and farmland and other properties.

The result of the survey is expected to be a determining factor in whether a dam can be constructed on the Pease River for flood control, irrigation, and recreation purposes.

The proposed dam will be located on the Tabor-Stepp land and would control the water flooding the plains in east Hardeman and west Wilbarger County along the Pease River.

Surface acres, depth and other details will not be known until all surveys are completed. According to the Tribune-Chief, Quannah people are being told the lake will be about the size of Lake Kemp when completed.

### This lake is not the proposed sedimentation basin on Canal Creek in Foard County—also to be developed by the Corps of Engineers. However, the salt content of the new lake will be diverted into the sedimenta- tion basin on Canal Creek to make the lake on Pease River a fresh water lake.

Jack L. Ashcraft, representative of the Vernon social security office, will be at the court house in Crowell on Thursday, June 23, at 9:30 a. m. to take applications for social security.

## 440 Set for 8:50 P. M. Saturday KENNETH SELLERS IN CALIFORNIA FOR MEET

Kenneth Sellers, Crowell's representative in the Golden West Invitational Track meet in Sacramento, Calif. Saturday, June 19, left Wednesday for California, accompanied by Mr. and Mrs. Scott Boyd.

When the athletes arrive in Sacramento, they will be hosted to a number of activities, including a trip to San Francisco on Friday. Friday afternoon, a barbecue will honor the participants and guests and a coaches seminar will be held following the barbecue. On Saturday, a participants luncheon and meeting will be held at 2 p. m., with the track and field meet to begin at 6:30 p. m. A banquet honoring participants will follow the meet.

Sellers' event—the 440—will be run at 8:50 p. m. Saturday, Pacific Daylight Time.

Six high school athletes from the Lone Star State are expected to participate in the meet Saturday.

Sellers' best time of 47.7 in the 440 is the third best time recorded by a high school track man in the nation during this year. Eight of the nation's best in each event are entered in the meet.

Termed the "national prep championship meet," this 12th annual meet is sponsored by the Active 20-30 Club of Sacramento No. 1 and the Golden West Track and Field Association, and brings to Sacramento the nation's top prep and field athletes. The meet is held on the campus of Sacramento State College.

## Band Members Get High Ratings in State Contests

Five members of the Crowell High School band participated in the state UIL solo and ensemble competition Friday and Saturday in Austin.

Receiving Division I ratings on solos were Julie Streit, piano, and Nancy Looney, flute.

Nancy Looney was awarded a Division II on her clarinet solo, while David Stapp received a Division III with his French horn solo. David also entered the theory contest, but ratings on this segment of the state contest were not available when the group returned home.

An ensemble from Crowell, a woodwind quintet composed of Kristi McLain, oboe; Julie Streit, saxophone; David Stapp, French horn; Nancy Looney, clarinet; and Julie Streit, flute, received a Division II.

Accompanying the band members to Austin were Mr. and Mrs. James Streit, Mrs. Newell Looney and Mrs. Walter Stapp. Mr. Streit is band director.

## G. W. Ellzey New Meat Cutter at Crowell Super Save

G. W. Ellzey of Quannah is the new meat cutter at Crowell Super Save in Crowell. Mr. Ellzey will continue to make his home in Quannah and commute to Crowell Wednesday through Saturday. C. A. Parker works Monday and Tuesday at the store.

Mr. Ellzey and his wife moved to Quannah about four years ago from Houston. They are the parents of two grown sons.

## Fire Department Called to Thalia Last Thursday Night

The Crowell Volunteer Fire Department was called to Thalia about 10 p. m. last Thursday. Two wires had touched and were sparking and smoking in the Fred Brown building on the north side of the highway, Fire Chief Leonard Toles said Friday.

## Time on Loans Is Extended in Drouth Areas

A news release from the Washington office of Congressman Graham Purcell Tuesday of last week announced the authorization by President Nixon to extend, where necessary, to farmers and ranchers in the drought area additional time to meet interest and principal payments on Farmers Home Administration loans, where payment cannot be made due to lack of income because of the dry conditions.

These are payments coming due this crop year.

The amount of time extended will be determined by the circumstances of each individual loan and each case will be reviewed again this fall at the end of the crop year.

## Rabies Vaccination Day Set for Saturday, June 19, in City Park

A Vernon veterinarian will be in Crowell on Saturday, June 19, for the purpose of vaccinating dogs and cats against rabies.

The shots will be given from 9 a. m. until 1 p. m. at the Scout house in the city park with a charge of \$3.00 per animal being made.

This annual rabies vaccination day is sponsored by the Crowell Boy Scout troop.

## Total of 116 People in County Are Welfare Recipients

A total of \$103,609 was paid in welfare to Foard County residents last year, according to records of the Department of Public Welfare office in Vernon, which serves some eight area counties.

The total was 95 on old age assistance, two under aid to the assistance, two under aid to the blind, 12 for families with dependent children, and seven permanently and totally disabled.

Foard County welfare cases are handled out of Paducah by Don Clark and Kathryn Stamps.

## Two New Vehicles

Two new vehicles were registered here last week: June 7, E. B. Johnson, Inc., 1971 Chevrolet 4-door; June 7, Weaver Roberts, 1971 Chevrolet pickup.

## Foreign Guests Visit in Barker Home

Visiting in the home of Mr. and Mrs. Roy Barker Wednesday of last week were Mr. Barker's daughter, Mrs. Joe B. Caldwell, and son, Bradley, Miss Kihl Arho of Sweden and Miss Dominique Gillison of Belgium. The visitors surprised Mr. Barker on his birthday with a special cake decorated in a farm motif by Mrs. Caldwell.

The foreign guests have been students in Lake Highlands High School in Dallas from the 1970-71 school year.

While in Crowell, the girls visited area farms and ranches, as well as the Foard County Museum.

## More Drouth Aid Is Allocated By Congress

Announcement was made last Thursday morning that the Farmers Home Administration has been allocated \$50 million for farm loans with preference to be given drouth-stricken areas of the Southwest.

The loans are available to farmers for the purchase of land, improvement of farms, developing new areas, homes and other uses that will enable the farmer to do a better job.

This money is in addition to the \$65 million approved for emergency loans where the drouth has caused hardships.

Also, the limit on farm loans has been raised from \$60,000 to \$100,000.

Foard County farmers can obtain additional information from the Farmers Home Administration office in Vernon.

## Farmers and Ecology

Each day farmers combine the elements of nature—sun, water, soil, air, plants, animals—to efficiently produce the world's greatest food supply. Their crops, through the photosynthesis process, cleanse the air and are great producers of oxygen. Therefore, who is better fitted to be called America's Number One Ecologist than the farmer?

# Goal Is Increase of Producer Net Income

## COOPERATIVE EFFORT STARTED FOR COTTON

The cotton industry and the U. S. Department of Agriculture joined forces last week in a cooperative effort to attain maximum profitable yields of cotton in 1971.

Goal of the effort is to increase producer net income and profits through increased yields and obtain an adequate supply of cotton to meet market needs at home and abroad.

In announcing the Department's participation, the Secretary indicated that cotton has a good opportunity to regain its losses in consumption. He said the uptrend in U. S. and world consumption and improved marketing opportunities both here and abroad make it essential that an adequate supply of cotton be available to fill the demand.

The campaign envisions development of task forces in cotton-producing states composed of cotton industry leaders and appropriate officials from federal, state and local agencies. Earl Sears, assistant to the executive vice president of the National Cotton Council, will be the industry coordinator.

"For the campaign to be effective," Sears said, "it must reach cotton farmers from the Carolinas through California. To that end, we have formed the nucleus of a strategy committee that represents the seven branches of the industry: producer, gin, merchant, warehouseman, cottonseed crusher, cotton manufacturer, and cotton cooperative.

"This year will be decisive in cotton's quest for market regains. With the offtake projections approximating 11.5 million bales and

with a carryover on August 1 expected to be less than 4.5 million bales, the future hinges on the size and quality of this year's crop.

"Market fluctuations of recent weeks, adverse weather in the mid-Belt, and—until the past week—drought or near drought in the important West Texas sector have caused our customers to become concerned.

"It is in the producer's interest to make those inputs which will increase his net income. It is likewise in the producer's interest to grow the cotton needed to maintain and strengthen his markets."

### Tax Man Sam Sez

Most of the sweet young brides that are taking the fatal step this June won't take this piece of advice. However, we'll tell them anyway:

If you are getting married during this year, you have to get your name changed on your social security card. If you don't get your name changed, come tax refund time next January or February, the IRS computer won't know who Mrs. John Doe is. It will question why Jane Smith's social security number got on a tax return for John and Jane Doe.

Yes, girls, we understand that you have lots of things to do, but you will be glad if you go ahead and change your social security number now.

### Flattery

"Imitation is the sincerest flattery."—Charles Caleb Colton.

Austin, Tex.—Major changes in election laws for voters and candidates were approved by the 62nd Legislature. All are contingent on final federal court action upholding lower court decisions invalidating old requirements.

Gov. Preston Smith has signed into law a new voter registration act and filing fee bill.

Earlier the Texas Legislature enacted a resolution ratifying the federal constitutional amendment extending full voting rights to 18-year-olds. Federal amendment may not be finally cleared in time for

### Farmers Union Opposes Increase in Second Class Postage

The Farmers Union has urged the Postal Rate Commission to turn down a proposed increase in second class postal rates.

Dr. Weldon V. Barton, assistant national legislative director of the Farmers Union, said in testimony before the Commission that increasing second class postal rates would threaten the existence of small town newspapers. But in addition, he said, it would also "combine with other forces working to stagnate rural America."

Loss of weekly newspapers and other printed information sources that move through the mails "would serve to drag down and frustrate efforts to upgrade health, transportation, employment, education, and other activities essential for rural revitalization," Barton said.

Furthermore, he urged that rates on other classes of mail not be increased in order to absorb the deficit that will result from maintenance of current second class rates. "Instead," he said, "Farmers Union urges that—after the Postal Service makes every effort to secure financial savings by squeezing out operating inefficiencies—the deficits be allowed to accumulate so as to encourage remedial amendment of the 1970 Postal Reorganization Act.

"Over the long run—as deficits accumulate—Farmers Union recommends amendment of the 1970 Act to authorize continued subsidization out of general revenues of the federal government for essential mail and other information-communication services. We are convinced that efficient and inexpensive mail service to all areas of the nation is related to the public interest in a way that fully justifies the subsidization out of general tax revenue that

the 1972 elections, but young voters can participate in presidential and congressional voting and the national nominating convention series.

New voter registration provides for year-around sign-up (with temporary cutoff 30 days before any election) and automatic renewal for three years by voting in any primary or general election. First registration under the new system will begin October 1. March 1, 1972, is the earliest voting date for new registrants. Voters will continue using present registration certificates for elections through next February.

A federal court invalidated the old Texas annual registration requirement, which was unique in the nation. Texas' new automatic registration law would be repealed if appellate courts reinstate annual registration.

Under a bill passed by the 62nd Legislature, in response to another federal ruling that present filing fees are excessive, candidates would pay a maximum of four per cent of the term of office salaries to get in the ballot.

Bill also permits "filing by affidavit" stating that the candidate cannot pay the prescribed fee, or by a "petition" signed by 10 per cent of the voters in the last general election within the area (state, county, precinct) served by the office sought. If the Supreme Court invalidates this act, a special legislative session may be necessary to provide a method of paying primary election costs in 1972.

### 'Telephoners' Are Oblivious to Game Officer's Presence

Love is blind. And, so, apparently, is the love for illegal fishing.

Game Management Officer Herb Koen of Liberty was surprised when four men waded into the Trinity River and started fishing with an illegal "telephone" device after parking their cars on either side of his plainly marked Texas Parks and Wildlife Department car.

In what may be the easiest arrest in history for that offense, Koen watched from his car for a few minutes and then apprehended the four with their equipment and four catfish they had stunned with it.

### Time for Vacations

The time for planning summer vacations is drawing near. And for many drivers that means long, high-speed trips in the family car. The Portland, Oregon, Traffic Safety Commission reminds all motorists to have their car safety checked now for summer driving. Make sure the brakes, tires and lights are in safe condition.

is required to secure this objective."

Jay Naman, president of the Texas Farmers Union, said in Waco that the rural people of Texas have an important stake in maintaining a strong rural press. He said, "We see blocking this effort to increase second class postal rates as an essential aspect of our effort in behalf of rural development. There is a growing commitment of the nation that we must stop the senseless migration out of our small communities and rural areas, and into the nation's overcrowded and congested cities. The loss of small town newspapers would be only one more factor that would hinder efforts in this direction."

### From the News . . .

## THIRTY YEARS AGO

News items below were taken from the Thursday, June 19, 1941, edition of The Foard County News:

Harvesting of the 1941 wheat crop was getting back into full swing Wednesday after several clear, hot days which followed rains Saturday and Sunday.

Junior Haseloff of Crowell and Ray Hopkins of Chillicothe, all-district football players of 9-A last fall, have been invited to play in the East-West all-star game to be held in connection with the Plains Coaching School in Plainview August 25-29.

A total of \$32,108.42 has been received in the Crowell AAA office during the past week to be paid Foard County wheat producers as a part of the 1941 wheat parity payment which will be received in the county this year.

Services of the Foard County Farm Debt Adjustment Committee in relieving possible distress among farmers caused by excessive rain was volunteered today by Chairman Hubert Brown.

Property owners of Foard County who are assessed with delinquent state and county taxes, will be given the opportunity to save from 14 to 40 per cent by paying them during the next few days, according to County Attorney Foster Davis.

Preparations are being made by the local Selective Service board for its part in the second national registration day on Tuesday, July 1, at which time all men in the United States who have become 21 years of age since Oct. 16, 1940, will register for military training under the national defense program.

If you have a wheat marketing quota card, you are free to dispose of your wheat in any way you wish, Grady Halbert, chairman of the Foard County AAA committee, pointed out this week.

A Negro man is being held in the Foard County jail in Crowell under a \$1,000 bond after being charged with assault to murder following a shooting in the Negro section of Crowell early Wednesday.

In the hopes of getting better production, work is being done on the Thomson No. 1 Gamble, discovery well in the Allee-Gamble oil field. The well is now owned by Baldwin & Reed.

U. S. Supreme Court Chief Justice Charles Evans Hughes, 79, has submitted a request for retirement to the President, effective July 1, because of age and health. The President has elevated Harlan Fiske Stone to be chief justice. At the same time, the President nominated Attorney General Robert H. Jackson and Sen. James F. Byrnes (D) of South Carolina to fill the two vacancies on the high court.

### Highway Patrol Reports 2 Accidents in County During May

The Texas Highway Patrol investigated two accidents on rural highways in Foard County during the month of May, according to Sgt. Jack Therwanger, Highway Patrol supervisor of this area.

These crashes resulted in one person injured, and no fatalities. The rural traffic accident summary for this county during the first five months of 1971 shows a total of 12 accidents resulting in one person killed and two persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for May, 1971, shows a total of 543 accidents resulting in 23 persons killed and 354 persons injured.

This was 89 more accidents, six more fatalities, and 78 more injured than during April.

The 23 traffic deaths for the month of May, 1971, occurred in the following counties: Montague and Parker with three each; Archer, Palo Pinto and Oldham with two each; Dickens, Haskell, Hockley, Wise, Young, Armstrong, Cottle, Deaf Smith, Gray, Potter and Randall with one each.

## First Step Taken to Speed Growth Dual Language Instruction

Dallas—Texas' first official pol-  
statement on bilingual educa-  
in the public schools, a step  
to speed the growth of  
language instruction for  
ish-speaking children, was  
by the State Board of  
ation at its June 5 meeting  
allas.  
The policy statement, expected  
ave considerable impact on  
more than half million Mexi-  
American children in Texas  
schools, is not restricted  
panish, however.  
School districts will be encour-  
to provide bilingual class-  
to all children who enroll  
little or no knowledge of  
ish. Still, the main target  
be the Mexican American  
ngsters who enter kindergart-  
the first grade speaking only  
ish.

"These children are behind  
first day—and seldom real-  
catch up. They find it easier  
drop out. Today, 80 per cent  
of the Mexican American chil-  
who enter school fail to  
complete the 12th grade. We  
can do much better simply

because school seems to offer  
them so little," Dr. Severa Go-  
mez, Agency assistant commis-  
sioner for international and bi-  
lingual education, says.

Under the new policy, Texas  
school districts will be encouraged  
to offer Mexican American chil-  
dren the same work in Spanish  
that other youngsters are given  
in English.

"A child who learns to read  
and write in his home lan-  
guage—Spanish—will have an  
easier time with English as he  
moves along in the grades," Dr.  
Gomez explains. "He will have  
learned the basic techniques.  
And, equally important, he will  
be comfortable in school."

Divided into five priority steps,  
the policy statement puts top em-  
phasis on bilingual programs for  
children who enter school for the  
first time knowing little or no  
English. Later steps focus on pri-  
mary, elementary, and secondary  
school age youngsters.

The fifth priority, one which  
could well make Texas a truly  
bilingual state, would stress con-  
current language development in

During the 1970-71 school year,  
32 different bilingual projects  
funded under the federal Ele-  
mentary and Secondary Education Act  
were under way in 39 Texas  
schools. At the same time, some  
20 school districts in the state  
are supporting their own bilingual  
programs with local funds. Ap-  
proximately 50,000 children in mi-  
grant programs are also getting  
some elements of bilingual educa-  
tion.

"We have made a start," Dr.  
Gomez says. "But, with 577,000  
Mexican American children in  
school today, we have a long way  
to go."

### Equal Chance

You should remember that  
though another may have more  
money, beauty, and brains than  
you, yet when it comes to the  
rarer spiritual values such as  
charity, self-sacrifice, honor, no-  
bility of heart, you have an equal  
chance with everyone to be the  
most beloved and honored of all  
people.—Archibald Rutledge.

### Dr. Lindsey Is Speaker at Rotary Club Meeting

Dr. Tom Lindsey of Vernon  
spoke on the "Recipe for a Happy  
Life" at the Wednesday noon  
luncheon of the Rotary Club last  
week.

One of the points stressed by  
Dr. Lindsey was that "we all need  
a content heart to let us enjoy  
what we have."

He was introduced by Irving  
Fisch.  
President Warren Haynie an-  
nounced that the year-end party  
for the installation of new offi-  
cers for the club is set for June  
28 at the community center with  
District Rotary Governor Maurice  
Crawford of Wichita Falls as the  
principal speaker.

The Rotary Club is sponsoring  
a needy child this summer at  
Camp Portal, a day camp being  
operated at the Thalia School un-  
der the direction of Mrs. Moody  
Burse of Crowell.

Visitors at the meeting, in ad-  
dition to Dr. Lindsey were Ro-  
tarian Walker Todd of Quanah  
and Fred Bresca of Dallas.

### Childhood Dream

Jim—"Have any of your child-  
hood dreams been realized?"  
Joe—"One of them. When my  
mother combed my hair, I used to  
wish that I didn't have any."

### Rattlesnakes Win Final Game of Pee Wee Baseball Season

The Rattlesnake PeeWee base-  
ball team won over the Bobcats  
9 to 4 last Thursday night to wind  
up the PeeWee season for the  
year.

Scoring runs for the Snakes  
were Dan Klepper, 2; and one  
each for John McGee, Ray Santos,  
Jamie Martin, Guy Todd III, Tom  
Adams, Tommy Russell, and Ron-  
ald Neal. Other members of the  
Snakes team seeing action were  
Vincent Anderson, Ray Don Wer-  
ley and Ken Gentry.

McGee and Klepper were the  
pitchers for the winners in this  
game.

Dan Brown scored two of the  
Bobcats' points and Joe Brown  
and Rodney Ilseng scored one  
each. Other members of the squad  
were Larry Criss, Walter Glover,  
William Carroll, Ray Smith, Da-  
vid Dunn, Ruben Santos, Jeff  
Walker, John Halsell and Tommy  
Pittillo.

Carroll went all the way on the  
round for the Cats.

### Are Good

Good people are good because  
they've come to wisdom through  
failure. We get very little wisdom  
from success, you know. One who  
doesn't try cannot fail and become  
wise.—William Saroyan.

### VFW and Bank Continue in Tie For First Place

#### Only Two Weeks Remain on Little League Schedule

No change in the the league  
standings were made after last  
week's Little League action and  
VFW and Crowell State Bank  
are still tied for first with one  
loss each, followed by Foard Coun-  
ty Mill in second and Farmers  
Elevator in third place.

The Bank and VFW continued  
their winning ways Tuesday night,  
June 8, with the Bank taking a  
15 to 4 win over Foard County  
Mill and VFW coming from be-  
hind to take a 19 to 18 win over  
Farmers Elevator.

Scoring runs for the Bank were  
Jay Wall, 3 runs on 2 hits; Clau-  
dius Coleman, 2 runs, 0 hits; Ty-  
rone Tucker, 3 runs and 2 hits  
(one of which was Tyrone's sec-  
ond home run of the year); Rocky  
Marlow, Norman Hopper and John  
Thomas, 2 runs each on 0 hits;  
Tommy Tamplen, 0 runs on 1 hit;  
and Jackie Morgan, 1 run, 0 hits.  
Coleman and Tamplen were the  
Bank pitchers.

The Mill was held hitless in this  
contest, and those scoring runs  
for the Mill were Leslie Denton  
and Dwain Dishman, 1 each, and  
Myron Halencak, 2.

Don Johnson, Pat Norman and  
Audey Dunham were the Mill's  
pitchers.

In the 9 p. m. game, scoring  
for VFW were Dean Hofmann,  
2-2; Terry Glover, 3 runs on 0  
hits; Willie Bachman, 4 runs on  
3 hits; Kim Daniel, 3 runs on 1  
hit; Oran Carroll, Jr., 2-1, Milton  
Tennell, 2-2, Sammy Neal, 1-0;  
Jesse Henry, 1-1, and David Seed-  
ig, 1-0.

Pitching for VFW were Carroll,  
Tennell, Glover and Henry.

For the Elevator, Donnell Banks  
got 3 runs on 0 hits; Ray Santos,  
4 runs on 0 hits; George Brown,  
and Randell Russell, 3 runs each  
on 2 hits each; Steve Rodriguez,  
Randy Fish and Wade Davis each  
scored a run with no hits; and  
Allen Elkins scored twice but  
failed to get a hit.

Rodriguez, Brown and Russell  
were Elevator pitchers.

Pitching was mostly ineffective  
in this game with a total of 29  
walks issued: 12 by VFW and 17  
by the Elevator.

**Friday, June 11**  
In the 7 p. m. game last Friday,  
VFW took a lop-sided 25 to 3 win  
over Farmers Elevator.

Scoring for VFW were Dean  
Hofmann, 3 runs, 2 hits; Willie  
Bachman, 4-2; Terry Glover, 4-2,  
Kim Daniel, 4-3; Oran Carroll,  
Jr., 3-1; Milton Tennell, 1-2; Sam-  
my Neal, 2-1; David Seedig, 2-1;  
and Marshall Reed, 2-1. Tennell  
and Glover were VFW pitchers.

For the Elevator, Steve Rodri-  
guez scored 1 run on 1 hit, Dan  
Brown, 0 runs on 1 hit; George  
Brown, 1 run on 2 hits and Randy  
Fish, 1-1.

George Brown, Ray Santos and  
Randy Fish were pitchers for the  
Elevator in this contest.

In the 9 p. m. game, Crowell  
State Bank won 8 to 4 over Foard  
County Mill.

For the Bank, Jay Wall scored  
1 run on 1 hit; Claudius Coleman,  
and Tyrone Tucker, 2 runs each  
on 1 run each; Rocky Marlow,  
2-2, John Thomas, 1 hit but no  
runs; and Jackie Morgan, 1 run  
on 0 hits. Tucker and Tommy  
Tamplen did the Bank's pitching  
in this game.

For the Mill, Jamie Martin got  
1 run on 0 hits; Myron Halencak,  
1-1; Pat Norman, 1 run, 0 hits;  
and Audey Dunham, 1 run on 2

It's a great country

It's a great country to live in and

**Crowell Native  
 Buried Here  
 Wednesday**

Funeral services for Mrs. Sallie  
 Alma Murphy, 90, were held Wed-  
 nesday, June 9, at the Knowles  
 Memorial Chapel in Quana. Mrs.  
 Murphy died Monday, June 7, at  
 the Quana House.

Burial was in the Crowell Cem-  
 etery under direction of Knowles  
 Funeral Home.

Mrs. Murphy was born in Crow-  
 ell February 10, 1881. She moved  
 to Hardeman County in 1915 from  
 Brown County.

Survivors include two daugh-  
 ters, Mrs. C. V. Ketchersid of  
 Lubbock and Mrs. A. G. Ketcher-  
 sid of Breckenridge; three sons,  
 J. B. Murphy of Quana, H. L.  
 Murphy of Mesa, Ariz., and A. C.  
 Murphy of Amarillo; one brother,  
 Ed Naron of California; one sis-  
 ter, Mrs. Effie Tapley of Little-  
 field, and sixteen grandchildren.

Grandsons of Mrs. Murphy were  
 pall bearers.

**Try to See the View  
 Point of Others**

Try to see the view point of  
 another person. You think your  
 views right and that everyone else  
 should think so. There is a pos-  
 sibility that you may be wrong.  
 Self-opinionated people antago-  
 nize others and make trouble for  
 themselves.

Even if another person is wrong,  
 according to your views, concede  
 the point. At any rate you will  
 have side-tracked bitter discus-  
 sion.

It is natural for a person to  
 seek to justify his actions.  
 Despite appearances, there may  
 be reasons hidden from the gaze  
 of others.

**Local Girls to Lead  
 Cheers for East in  
 All-America Game**

High school cheerleaders from  
 Dunbar (Lubbock), Frenship  
 (Wolfforth), Crowell and Hooker,  
 Okla., will go to Lubbock Wed-  
 nesday, June 23, to begin prac-  
 tice and drills for the nationally  
 televised 11th annual Coaches'  
 All-America football game at  
 Jones Stadium at Texas Tech June  
 26. Teams from Dunbar and Fren-  
 ship will lead cheering for the  
 West team, Hooker and Crowell  
 for the east.

Members of the Dunbar High  
 team to participate are Margaret  
 Gentry, Barbara L. Moore, Bar-  
 bara A. Moore, Anneice Lawson  
 and Irene Gonzales. Frenship's  
 team will consist of Julie Bur-  
 gamy, Kitty Talbot, Joni Beaver,  
 Nancy Drake, Donna Hobgood,  
 Beth Burgamy and Sandra Walk-  
 er.

Crowell members are Bette Sue

 cheerleaders are Jan Ansley, April  
 Herbel, Jo Ann Bohannon, Caro-  
 lyn Hartley, Rhonda Herbel and  
 Karen Kilgore.

All the girls will participate in  
 half time activities and will be  
 seen on the national telecast. The  
 group will be divided so that half  
 will be on each side to form cheer-  
 ing sections for the two teams  
 of all-stars.

More than 500 girls have reg-  
 istered for the eighth annual  
 cheerleaders school sponsored by  
 Texas Tech University.

## Miles Welch and Miss Buhrman Wed June 5th

Wedding vows for Miss Marsha Joyce Buhrman and Miles Munson Welch were read at 6 p. m., Saturday, June 5, in Mary King Memorial Methodist Church in Dallas. Rev. Roy L. Ward, Jr., officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Kline H. Buhrman of Muleshoe, and Mr. and Mrs. Munson Welch of Crowell.

Presented in marriage by her father, the bride wore a floor length gown of embroidered cotton with lace edged jewel neckline and long sleeves. Over her dress, the bride wore a pink gingham checked apron edged in lace. She carried a spring garden bouquet of stephanotis, baby's breath and pink roses.

Attendants were Mrs. Jim Sturgill of Hobbs, N. M., matron of honor; Mrs. Kent Hawes of San Antonio and Mrs. Rana Fester-vand of Shreveport, La., brides-matrons. They wore floor length gingham checked dresses of blue, green and lime trimmed in white rickrack, following the country theme, with headpieces of matching circlets of tulle. They carried spring colonial bouquets of cornflowers, daisies and roses. The bride designed her own dress and dresses for the attendants.

Miss Mila Welch, daughter of the groom, and Miss Kelly Fester-vand were flower girls. They wore floor length gowns of small gingham check and carried baskets of pink roses.

Philip Welch of San Antonio, brother of the groom, was best man. Jim Scarborough of Dallas

and Gary Frazier of Tyler were groomsmen.

Rodger Buhrman, Curtis Buhrman of Muleshoe, brothers of the bride, and Melvin Johnson of Dallas seated the guests.

Music selections were presented by Mrs. Paul Dunn of Dallas. Mrs. Philip Welch presided at the guest register.

Following the ceremony, a reception was held in the Madrid room of the Quality Motel. Mrs. Jim Durham and Mrs. Jim Scarborough assisted at the bride's tables.

After a trip to Galveston, the couple will be at home at Route 2, Shreveport, La.

The bride, a graduate of Muleshoe High School, received her B. S. degree in home economics from Texas Tech University. She was a member of Phi Upsilon Omicron, home economics honorary. She was employed as a designer for Kim Togs, Inc., Dallas.

The groom graduated from Crowell High School and attended West Texas State University in Canyon, where he was a member of Kappa Alpha fraternity. He is employed by Dun & Bradstreet.

The rehearsal dinner was held at the Italian Inn, Dallas, Friday, June 4, hosted by the groom's parents.

## Mrs. Worsham Baxter Johnson Honored by State Federation

(Editor's note: The following news release was received Thursday from Mrs. Herschel Combs, publicity chairman, Santa Rosa District, TFWC.)

Mrs. Worsham Baxter Johnson of Crowell was recently honored with a life membership in the Texas Federation of Women's Clubs, Mrs. Overton Neal of Quannah, president of Santa Rosa District, TFWC, has announced.

A past president of Santa Rosa District, Mrs. Johnson was made a life member of the district in 1966. She is presently the treasurer and trustee and endowment chairman of Santa Rosa.

She has served on the state level

18 years and has completed four years as trustee. She is now state district chairman of beautification and trustee and page to the president. During her 49 years of service to federation, she has been appointed to many places on the board.

Mrs. Johnson moved to Crowell in 1922 and has spent her adult life in Foard County. The most colorful part of Mrs. Johnson's life started in 1922 when she married the late Worsham Baxter Johnson, a second generation member of the old B2 ranch family and set up home-making as her greatest career. For 40 years she shared with her husband the joys and responsibilities of ranching as their business expanded through Texas, New Mexico, Kansas and Montana.

Her daughter and son-in-law, H. N. Ekern, of Vernon, and her grandson, Paul Baxter Ekern of Vernon and her granddaughter's husband, Michael Coats of Crowell are presently operating the ranches, feed mill and farms.

Not only does this family claim four generations of ranch ownership, but also four generations of membership in the Methodist Church of Crowell and four generations of membership for its women in the Adelpian Club work in Crowell.

During Mrs. Johnson's two-year term as president of Santa Rosa District, the district clubs paid for a house in Federation Village in Korea for a woman who had lost her husband fighting the communists. Also, a library was established in the mountains of Peru out from Lima, for underprivileged children. The library is called the Lilias Johnson Library.

In January, 1966, Mrs. Johnson was awarded "the Alliance for Progress Certificate" for her international work. It was signed by Edward Marcus, Texas Alliance director, and J. M. Boren of Washington, D. C., for services accomplished in 1965. The district name and that of Mrs. Johnson were also placed on the honor roll at the state club house.

Not only has Mrs. Johnson been active in federation work at the local, district and state level, but she has contributed much to the growth of her city and county through community service.

As a member of the Adelpian Club, she has helped purchase a club house, support the county library and assist with other community improvements.

As a member of the Women's Service League of Crowell she has helped with many civic affairs throughout the years.

## Welfare Spending

Spending by state and local governments for welfare purposes rose 247 per cent in the period 1957-69, a rate of increase greater than for any other major state-local government function, including education, says the Tax Foundation.

## H. D. Council Meeting

The Foard County H. D. Council met in the office of Miss Helen Fincher, CHDA, Thursday, June 11 for a regular meeting with 9 members and 2 visitors present.

Mrs. L. G. Simmons presided, and Mrs. Clarence Garrett read the minutes and called the roll. Minutes were approved and Mrs. Ira Tole of the Riverside club brought the opening exercise. The chairman of the yearbook, finance and 4-H committees gave reports.

Following adjournment of the council meeting, a THDA meeting was called. Details of the national and state THDA meetings were discussed. Delegates to council rescinded a motion from the last meeting and voted down a new motion to send delegates to the convention. Delegates to council also voted down a motion to make hospitality bags.

## Water Beds

The Elks magazine reports that "Water beds are being sold in some Washington (D. C.) stores. The manufacturers who have come up with the idea of filling mattresses with water claim they'll give you a more comfortable night's sleep. Wouldn't it be nice, now, if they could carry this a step further and install a button you could push to let you slip into your morning bath without ever getting out of bed?"

IN THE LIVING ROOM - Cotton fabrics in cheery yellow and white companion prints keynote the charm of this living room with traditional furnishings. An all-over floral print appears along one wall as tied-back draperies over sheer curtains of soft yellow. Coordinating floral stripes enhance the classic lines of the sofa. Both of the Waverly fabrics boast a Scotchgard finish for stain and soil resistance. Adding a spot of freshness to the decor is a baker's rack filled with flowers and ferns.

# Texas Legislature Passes Bill on Immunization of State School Students

During the session of the Texas Legislature just ended, a new law has been passed concerning immunization of students against various diseases.

According to the new law, all students will be allowed to enter their respective school systems during the summer and fall 1971 terms, with the provision that their immunizations against at least one of the diseases will have been started by January 1, 1972, and all completed as soon as medically feasible.

The State Board of Health has set out the following information on required immunizations:

Children in kindergarten and grades 1 through 5, or children ages 5 through 11 in ungraded schools: polio—at least 3 doses of oral vaccine, provided one or more doses have been received since the fourth birthday. Diphtheria-tetanus—minimum of 3 doses, with at least one dose having been received since the fourth birthday. Measles—1 dose of vaccine, or history of measles illness. Rubella—1 dose of vaccine. Not required past age 12 years. Smallpox—1 vaccination within the past 10 years.

Children and others in grades 6 through 12, or children and others ages 12 and older in ungraded schools other than institutions of higher education: Polio—at least 3 doses of oral vaccine, provided one or more doses have been received since the fourth birthday. (Polio vaccine is not required for persons 19 years of age or older). Diphtheria-tetanus—minimum of 3 doses with last dose within 10 years. Booster dose only after initial series. Measles—The majority of children in this group will have been previously immunized or obtained natural immunity through infection. Recommended but not required. Rubella, not required past age 12 years. Smallpox—1 vaccination within the past 10 years.

Students in institutions of higher education: polio—at least 3 doses of oral vaccine, provided one or more doses have been received since the fourth birthday. Diphtheria-tetanus—minimum of 3 doses with last dose within 10 years. Smallpox—1 vaccination within the past 10 years.

All schools will be required to maintain records of the immunization status of individual students. The State Health Department is designing a standard form for this purpose.

Since many types of personal immunization records are in current use, any document listing each immunization received by year will be acceptable during the 1971-72 school year for either initiating or updating school immunization records. Signature or rubber stamp validation of personal records by physicians or public health clinics is recommended but not required until the summer 1972 semester, after which validation of new records is required.

A new standard certificate of immunization form is being developed; however, compatible documents will also be acceptable.

## Two Minutes With the Bible

Until When?

One of the greatest prophecies of Scripture is found in Psalm 100, where David wrote: "The Lord said unto my Lord, Sit Thou at My right hand until I make thine enemies Thy footstool." In Matthew 22:41-46 our Lord explained that this was a prophecy about Himself, David's Son and Lord. Men might hate Him and cry "Away with Him!" They might nail Him to a tree and laugh and sneer at Him, but God the Father would respond by saying: "Here, come sit at My right hand until I make Your enemies Your footstool."

We should never forget that, according to Bible prophecy, God's response to man's rejection of Christ was to be judgment and wrath. In Psalm 2 the question is asked, why the nations rage and the people imagine a vain thing—that they can get along without the One whom God has anointed to be King. The Psalm depicts God laughing at their attempts to thwart His purposes and predicts that "the Lord shall have them in derision" and "speak unto them in His wrath."

At Pentecost all was ready for the judgment to fall. Christ had been crucified and "the last days" the News office.

News from... THALIA

Mr. and Mrs. Bob Surley and family of Plainview visited Mr. and Mrs. Glen Swan and family last week end. The Surleys were here to hear Larry Swan preach at the local Church of Christ.

Mr. and Mrs. Weldon Farrar and infant son, Kenneth Allen, of Amarillo spent the week end with their parents, Mr. and Mrs. Alton Farrar, and Terry, and Mr. and Mrs. O. C. Holland, and attended the Farrar reunion.

Mrs. Ora Wilhite of Tyler visited her cousin, Reggie Pittillo, last week end and also visited a number of relatives here.

A large crowd attended the funeral of another long-time resident of Thalia, Ralph Kuba, at Thalia last week.

Mr. and Mrs. Bill Wisdom and Mrs. Tommie Patterson of Medicine Mounds visited their mother, Mrs. A. B. Wisdom, and Frank on her birthday Friday, and also visited the Jake Wisdoms.

Jay and Terry Holly of Burkburnett spent last week here visiting their grandparents, Mr. and Mrs. Warren Smith, and also the Eldon Whitman family.

The descendants of the late Mr. and Mrs. R. S. Patton, who in 1890 became the first settlers in the Vivian community in west Foard County, met for their first reunion on June 4, 5 and 6 at Kirkland Docks, Lake Brownwood, at Brownwood.

Attending from Baton Rouge, La., were Mrs. Oscar Patton, Mr. and Mrs. Jewel Brock, Mr. and Mrs. Fuqua Stafford. From Texas were Mrs. Myrtice Irene Baker and Jim Hickman of McCombs, E. B. Hickman of Clyde, Mrs. Freda Ramsey of Pflugerville, Mrs. Alvarene Martin of Odessa, C. A. Martin of Carrollton, Mr. and Mrs. Oscar Pitts of Big Spring, Mr. and Mrs. Chester Polk and children, Lou Ann, Sharon, Roger and Scott Larry, of Dallas, Mr. and Mrs. W. B. Stubbs of Amarillo, Miss Mary Patton, Mrs. Vernon Stuckey, Mrs. Virginia McDonald and Gayle of Pampa, Miss Ella Patton of Austin, Mrs. Frances Lindsey of Tyler, Mr. and Mrs. Don Hunter and Brett of Brownwood, Miss Beulah Patton, Mr. and Mrs. Roy Powell, Mr. and Mrs. Jack Powell, Jay and Clay, of Paducah, Mrs. Vera Marnard and Mr. and Mrs. Milton Hunter of Crowell.

4-H Record Books Must Be Turned In by July 19th

4-H record books must be turned in by July 19. All 4-H Club members are reminded by County Agents Miss Helen Fincher and Joe Burkett that their records are due in the county extension offices not later than Monday, July 19.

Both agents said they would be glad to help any 4-H'er with his or her record book or in deciding which awards program to enter.

Following is a list of the awards programs which may be entered: achievement, agricultural, automotive, bicycle care and safety, bread, citizenship, clothing, conservation of natural resources, crop protection-crop production scholarship, dairy foods, dog care and training, dress revue (judged prior to August 3); electric, entomology, field crops; foods-nutrition-breads (blue ribbon at state); foods-nutrition-dairy foods (blue ribbon at state); foods-nutrition-dairy foods (blue ribbon at state only); foods-nutrition-meat (blue ribbon at state only); foods-nutrition-preservation (blue ribbon at state only); fire prevention, grain marketing, health, consumer education-home economics; home improvement, horse; horticulture; leadership; National 4-H Club conference; photography, public speaking, range management, safety, Santa Fe, swine, tractor, wildlife conservation.

Only blue ribbon winners on state basis in foods and nutrition are eligible to enter the four foods-nutrition categories listed above.

All 4-H'ers who are not 14 years old on January 1, 1971, may enter the junior division of any of the above programs, and their record books will be due at the same time the senior record books are due.
