GREENBELT AUTHORITY VOUCHERS ELECTION

selection scheduled for Dec. 6 in the member cities of Greenbelt Municipal and Water Authority, was postponed to a meeting of the board of directors held last week.

The election would have been to give the Authority power to tax at a rate of 45 cents per \$100 value of assessed valuation. However, the tax rate would be applied to all of the six cities currently in the Authority. All but Memphis buy water from the Authority.

Memphis authorities reportedly were strongly opposed to the taxation plan and their representative on the authority board, J. Wendell Harrison, voted against the plan when it was proposed.

Memphis residents currently contribute nothing to the Greenbelt and the system provides only a potential backup system for Memphis. Under the taxation plan Memphis would have been taxed about \$30,000 a year without tangible benefits.

Board members called the Nov. 6 tax election on Oct. 12, then called it off after opposition developed.

It was felt that the tax plan did not have a chance of passing with Memphis opposition, and the outcome was doubtful even with Memphis out.

Final event of homecoming will be a dance at the Thalia gym following the football game.

Funeral Services For Tom Dockins Held Friday

Mr. Dockins Died In Crowell Hospital Wednesday, Oct. 20

Tom Dockins, 79, long-time resident of Foard County, died Wednesday, October 20, in the Foard County Hospital after a brief illness.

Funeral services were held at 3:30 p. m., Friday, October 22, from the Bethel Church conducted by the pastor, Rev. Warren Everson.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Pall bearers were John Wheeler, Ruel Scott, W. L. Johnson, T. R. Cates, Jr., Doyle Sparks and Bill King.

James Thomas Dockins was born Sept. 22, 1892, at Wiseman, Ark., son of the late Mr. and Mrs. Andrew Jackson Dockins. He served in the United States Army in the Supply Company, 54th Field Artillery, during World War I.

He was converted and joined the Methodist Church in 1912.

Mr. Dockins married Miss Mable Justine Roberts March 29, 1919, and she passed away Jan. 1, 1935. He married Mrs. Rosie Washburn in 1949 and she passed away Feb. 7, 1971.

Mr. Dockins had farmed and for a number of years worked for Foard County on the rural roads.

He is survived by three sons, Humphrey Dockins of Olympia, Wash., Lowell Dockins of Morenci, Ariz., and Andrew Jackson Dockins of Crowell; five brothers, Luther Dockins and Glen Dockins of Crowell, Lester Dockins of Arnett, Okla., Virgil Dockins of Hamlin and Ruben Dockins of Austin; four sisters, Mrs. Cassie Shievers and Mrs. Jeffie Webster of Crowell, Miss Jessie Dockins of Silver City, N. M., and Mrs. Katie Ferguson of Las Cruces, N. M.

He is also survived by two stepsons, Roland Washburn of Garland and Oran Washburn of Dallas; one step-daughter, Mrs. Elsie Tucker of Dallas; 7 grandchildren and 4 great grandchildren.

Clocks Go Back One Hour Sunday, Oct. 31

Foard County and the rest of the nation returns to Standard Time at 2 a. m., Sunday, Oct. 31.

Federal law regulating Daylight and Standard Time specifies that the fall change will take place on the last Sunday of October. Clocks should be turned back one hour some time late Saturday or early Sunday.

Wildcats Take Second District Win Of Season Last Friday at Munday

The Crowell Wildcat football team took its second District 8-A victory at Munday last Friday night as they defeated the Moguis 34-2.

Wildcat quarterback Rex Driver guided the Wildcat offense and Driver scored three touchdowns—on runs of 9, 41 and 66 yards.

The Wildcats scored 14 points in the opening quarter with Billy Ray Neal racing 14 yards for the first TD and fullback Terry Farrar carrying the pigskin over for the two extra points. A few minutes later, Driver capped a Crowell drive with a nine-yard run on a quarterback keeper. Try for extra point failed.

In the second quarter, Driver broke loose on a 41 yard touchdown scamper. The try for extra point failed.

Early in the third quarter, Driver took off on a touchdown scamper that covered 66 yards. Rocky Bachman kicked the point after.

Later in the same period, halfback Billy Ray Neal blasted over from 1 yard out to climax another Wildcat drive. Bachman again kicked for the extra point.

Munday's lone score came late in the fourth quarter when Driver was tackled in the end zone for a two-point safety.

Dance Set for Friday Night After Football Game

Area residents are invited to a homecoming dance to be held at the Thalia gym following the Crowell-Holliday football game on Friday night.

According to Mrs. Billy Johnson, the Motifs of Wheeler will provide the music.

HOLLIDAY AND CROWELL MEET HERE FRIDAY IN 8-A 'SHOOT-OUT'

Sgt. Mike Payne Participates in Army's 'Exercise Reformer III' in Germany

U. S. Forces, Germany Oct. 5 (AHTNC)—Army Sergeant Michael A. Payne, 22, whose parents Mr. and Mrs. Roy C. Payne, and wife, Jana, live on Route 2, Crowell, is participating with more than 11,000 troops in Exercise Reformer III in Germany.

He is a mechanic in Company A, 1st Battalion, 28th Infantry of the 1st Infantry Division at Fort Riley, Kansas.

The "Big Red One" Division consists of three brigades. The first and second brigades are based at Fort Riley and the third brigade is permanently stationed at Aushurg, Germany.

The men of the first and second brigades, with support units, flew to Germany to join the 3rd and move to the exercise area extending from Munich to near the Czechoslovakian border. Emphasis in the exercise was placed on testing procedures for receiving, assembling and deploying army units once they arrived, rather than on rapid air transport from the U. S.

In the field maneuver phase of the exercise, units of the 1st Infantry Division and the Canadian 4th Mechanized Battle Group engaged in simulated combat with the "aggressor forces" of the U. S. 1st Armored Division (regularly stationed in Germany) and the German 35th Panzer Grenadier Brigade.

Exercise Reformer III is the third annual operation in the series. The exercises are designed to fulfill U. S. commitments to NATO and those made in the 1967 Trilateral Agreement between the U. S., The United Kingdom and the Federal Republic of Germany.

The movement of troops to the exercise area began Sept. 26, and the Fort Riley troops will return by the first week in November.

Farmers Union Annual Meeting Set for Nov. 6th

The Foard County Farmers Union will hold its annual meeting and a barbecue on Saturday, Nov. 6, at 6 p. m. in the Crowell School Cafeteria, J. F. Matthews, president of the Foard County Farmers Union, announced this week.

Speaker for the meeting will be George Creagh of Fort Worth. He is pharmaceutical representative of Lakeside Laboratories of Milwaukee, Wis. His territory covers all of west and south Texas and his wide-ranging travels bring him into direct contact with thousands of Texas citizens. Title of his speech is "It's Still Easy to Keep Your Sense of Humor."

Mr. Creagh is a graduate of Hardin-Simmons University in Abilene. He and his wife have two children.

Other business will be the election of officers, directors and delegates to the state convention in San Antonio Dec. 6-8. Everyone is invited to attend.

Local Resident Writes Music for New Record

Mrs. W. W. Lemons of Crowell and her aunt, Mrs. Abbie Faye Petty of Houston, have teamed up in writing a song, had it recorded and are now offering the record for sale.

"For Better or Worse," is the name of the country and western song. Mrs. Lemons wrote the music and Mrs. Petty wrote the words.

The 45-rpm record was produced by Ray Doggett Recording Co. of Houston with Jerry Naill of Houston singing the song.

Mrs. Lemons has the records on sale at her home here.

Fire Does Damage at Foard County Jail Friday Afternoon

Fire, started by an apparent short in the two-way radio system, caused some damage to the Foard County jail about 4 p. m. last Friday.

A curtain was destroyed, and the fire was about to catch the rug when it was discovered and the alarm sounded. The blaze was extinguished by the Crowell Fire Department.

Deputy Sheriff and Mrs. Gerald LaHue live at the jail.

Ray Nichols to Be Speaker Sunday at Methodist Church

Sunday, October 31, is laymen's day at the Crowell Methodist Church, and speaker for the morning service is Ray Nichols of Vernon.

Mr. Nichols is a noted Methodist layman and has held many important lay positions in the Methodist Church. He has been associated with the Vernon Daily Record for many years.

The public is cordially invited to hear Mr. Nichols. The service begins at 10:50.

Proclamation Issued by CHS Principal

"I, L. H. Wall, Jr., Principal of Crowell High School, do hereby declare this week of October 25th through October 29th as 'Beat Holiday Week.'"
 L. H. Wall, Jr., Principal.

Senior Sidelines

Several seniors traveled to Wichita Falls Wednesday when the CHS Drama Club went to see the play, "Cinderella." It was presented by the Wichita Falls

High School Theatrical Society. Seniors discussed the activities for this week in a class meeting Friday morning. Many things were scheduled which will keep the students of CHS very involved this week.

Congratulations go to Harry Lee Swan this week. Harry Lee was awarded the "fighting heart award" at the pep rally.

The FFA boys of CHS invited the FHA girls on a hayride which took place Saturday night. Good food as well as a good time was enjoyed by all. Senior FFA members are Jackie Daniel, Ronny Naylor, Bill Taylor, Terry Farrar, Bob Burkett and Mance Nelson. Senior FHA members are Betty Linda Whitfield, Sharla Haynie, Nancy Looney and Debbie Johnson.

Many things are running through seniors' minds this week, but the most important thing is **EXPUL THE EAGLES!**

The Junior Journal

"CHILL!" Juniors have been busy this past week with plans for their annual chili supper and mum sale. The supper will begin at 5 p. m., Friday, Oct. 29, in the school cafeteria. Buy your tickets in advance because the prices of 75c student and \$1.00 adult will go up to 80c student and \$1.10 adult at the door. The supper ends at 7:30.

Today is the last day to buy a mum. If you haven't bought one for your girl, wife, or mother, contact a junior immediately! They'll be glad to sell you a \$5.00 mum. Or even a \$3.75 or \$2.85 one. Let that someone know you are thinking of her.

Good luck to Trudy Bird, the junior nominee for homecoming queen. The queen will be crowned during an assembly Friday and all you loyal Wildcat fans are urged to attend.

The spirit around ole CHS this week has been fantastic. The juniors commend everyone on his good job of showing our football team that we're behind them 100

per cent. Keep up the good work! Juniors encourage the Wildcats to:

HALT HOLLIDAY!

Sophomore News

Classes this week were about the same as usual. Friday morning a class meeting was held in Coach Boyd's room. We discussed the activities for homecoming week and Floyd Borchardt named some committees. Chairmen for the "Ugly Eagle" sign committee are Rebecca Rodriguez and JoAnn Gerhardt. Other members are Julie Streit, Lynn Meads and Susan Autry. Chairman for the committee to make signs for the sophomore boys' lockers is Sandy Whitfield. Other members are Cheryl Branch, Debbie Scott, Darla Powers, and Kathy Shirley. Committee members for the other sign to be made are Terry Cobb, Remelle Marlow, Debbie Harris, Brenda Cox, Debra McDaniel, Christy Shaw and Nora Durham, with Terry as chairman. It was decided to gather firewood for the bonfire Wednesday afternoon after football practice.

The Wildcats challenge the Holiday Eagles this week and the sophomores say:

ELIMINATE THE EAGLES!

Freshman Frolics

This week is a big one to CHS students. Tomorrow is the homecoming game with Holiday. The CHS homecoming queen will be crowned Friday morning at a special assembly. One of the attendants will be freshman Sally Gerhardt.

The band is busy getting ready for the UIL band contest next week. Monday we were critiqued by Miss Barbara Sperburg of Seymour. We also practice during band periods and on Tuesday nights. The freshmen in band are Lisa Holenack, Jana Russell, Karen Statter, Dwain Crosby, Barbie Scott, April Werley, Arthur Cerda, Jacquelyn Brown, Gary Glover, Adrian Martinez, Steve Setliff, and freshman twirler, Cheryl Garrett.

At a class meeting last Friday it was announced that the Truscott mothers are giving a party for all the freshmen on October 30 at 7:30 p. m. in the Truscott community center.

ELIMINATE THE EAGLES!

Pep Club News

The ceiling of the gym was almost lifted from the rafters Friday at the pep rally as the Cats set out full steam ahead to "Mess up those Moguls!"

A time-out was called from the spirited yells so that the group could hear a speech by Ronny Naylor, one of our illustrious players.

Debbie Harris received this week's "Big Mouth Award" for her resounding yells. She was probably inspired by Christy Shaw who received her "Big Mouth" on the previous week.

For his exceptional show against Paducah, Harry Lee Swan received this week's "Fighting Heart Award." The CHS cheerleaders and pep squad would like to say "thank you" to the student body and the Wildcat fans for their cooperation!

Sports

This Friday Crowell Wildcats will be playing their most important game of district play this season when they host Holiday's Eagles. I thought it would be interesting if I interviewed Coach Boyd and four important players of the "Wild Bunch." They all are energetic and ready for anything. I just wish I could have interviewed the whole team.

Coach Boyd: "This is something we've been looking forward to a year. It will be the biggest Class A game in the state this week and we're happy to be in it."

Rocky Bachman: "I'm looking forward to beating them. I know we can if we get fired up and get going."

Freddy Matysek: "I'm looking forward to it. It's going to be tough, but if we get fired up and get going we've got it made."

Ernest Barrera: "I want to beat them. I've been looking forward to this game a long time."

Billy Wade Eavenson: "I think it will be a tough game. If we want to, and get all fired up, we can beat them. I'm looking for-

Santa Fe R. R. Crop Report Predicts

LARGEST HARVEST IN HISTORY OF NATION

Barring an early frost over a large area or unexpected inroads by disease and insects during the next few weeks or extremely unfavorable harvest weather, the farmers of the United States are expected to harvest the largest total of food and fiber this year ever produced in the United States, the October, 1971, Santa Fe Railway Crop Report predicts.

New records are expected to be set in the volume of wheat, sorghums for grain, soybeans, and if additional damage from corn leaf blight can be kept to a minimum, a new record corn crop is in sight.

The Santa Fe report added: This plethora of farm products is the result of research and application of new information on better farming practices, increased use of and better formulation of fertilizers, increased irrigation and better use of available moisture and new and improved varieties. Many of the now generally grown varieties were not available a few years ago and work continues on the development of additional knowledge that will continue to assist the United States farmer in being a more efficient producer of raw materials that is made into an abundance of food and clothing for use in the United States and that is available for export to other areas that cannot produce all of their needs.

Awards Made at Cub Pack Meeting Tuesday, Oct. 19

Cub Scout Pack No. 49 had its first meeting of the year Tuesday night, Oct. 19, at the Boy Scout house in the City Park.

Joe Don Brown, Cubmaster, was in charge of the meeting, and the opening exercise was given by Cubs Ken Gentry, John Halsell, Ray Don Werley and Loyd Daniel. Mrs. B. W. Gentry is Den mother for these four boys.

Wilburn Nichols presented Bobcat badges to the following Cubs: Leslie Denton, Bobby Cerda, Dan Gatewood, Dan Klepper, Bobby Powers, Dale Nichols, Ken Gentry, Tony Daniel, Ray Don Werley, Loyd Daniel, John Halsell, Mike Brown and James Martin.

Wade Davis of the Webelos received 7 awards. Receiving recruiter awards were Mike Brown, Tony Daniel, Joe Brown, James Martin, Dale Nichols, Ken Gentry, Bobby Powers, Dan Gatewood, and Leslie Denton.

Den 1 with 12 adults present, won the attendance award. The closing song was led by Mike Brown, James Martin and Tony Daniel.

Local Doctor Is Rotary Speaker

Dr. Walter H. Stapp covered a variety of topics in a talk he made at the Rotary Club meeting Wednesday, October 20. Introduced by Irving Fisch, Dr. Stapp spoke on causes of cancer and said that it is now being determined that aerosol sprays may be a cause of lung cancer. He also cited cases of death caused by deliberate inhalation of spray products.

Dr. Stapp also made several comments on smoking and its effect on the body. Nicotine in any form has an effect on the vascular system, and in addition to the dangers of lung cancer, smoking ranks high in the causes of heart attacks. Other causes are inactivity, diet, and the daily strain of life. Smoking also affects stomach ulcers, and blood vessels in the legs.

Visitors in addition to Dr. Stapp were Don Knowles of Quanah; and student guests, Billy Ray Neal, Bill Erwin and Bob Burkett. Billy Ray predicted a win for the Wildcats in their game at Munday Friday night.

4-H Club Meeting

The 7th grade boys 4-H Club met in Coach Gidney's room on Thursday, Oct. 14. Miss Sharla Haynie assisted the boys in filling out their project forms. Joe Burkett discussed the revised rules for the FFA-4-H Stock Show, then presided over the election of officers. The boys elected Louis Cerda as president, and Fred Gray as vice president. Jerry Daniel will serve as delegate to the county council. Secretary for this year will be Leslie Nichols and the reporter is Rocky Marlow. Leading the recreation will be song leaders Willie Bachman and Pat Norman.

Words of Cheer

A friend one day asked Mary Pickford how she had been able to maintain her poise and good cheer when she had faced so many heartaches and disappointments in her life. Miss Pickford replied, "All the water in the world can't sink a ship unless it gets on the inside."

One horsepower is the power required to lift 33,000 pounds one foot in one minute.

I think everyone will agree that this is the attitude to have. As you can see, to Coach Boyd and our boys this is an important game. Let's show them we think it's important, too. Kick off at 8:00. We'll see you there!
PLUCK AN EAGLE!!!

News items below were taken from the Thursday, Oct. 30, 1941, issue of The Foard County News:

The Crowell Wildcats defeated the Iowa Park Hawks 13 to 0 here last Friday night for their first conference victory. A hard rain fell Friday evening to make the field very muddy.

Ballot Order Selected for 14 Amendments

By Bill Boykin
Texas Press Association

Austin, Tex.—Ballot order has been selected for 14 proposed constitutional amendments to be voted on at the November 7, 1972, election.

Major changes, including authorization for a constitutional convention, four-year terms for major state officials, higher state bond interest ceilings and equal rights for women are included in the list.

The amendments, in the order they will appear on the ballot, follow:

1. A salary raise for legislators from \$4,800 to \$8,400 a year.
 2. To abolish Lamar County hospital district.
 3. To provide for compensation of all justices of the peace on a salary basis.
 4. To establish a constitutional revision commission and call a convention to revise the state constitution in January, 1974.
 5. To allow tax exemptions for disabled veterans, their surviving widows and children and widows and children of armed forces personnel killed on active duty.
 6. To provide a minimum \$3,000 property tax exemption for resident homesteads of those 65 and over.
 7. To guarantee that equality under the law shall not be denied or abridged because of sex, race, color, creed or national origin.
 8. To provide four-year terms for governor, lieutenant governor, attorney general, comptroller, treasurer, land commissioner, secretary of state and other statutory state officers.
 9. To allow soil and water conservation district directors to hold, or be compensated for, more than one office.
 10. To require that proposed constitutional amendments be described twice in clear language by statewide newspaper publication (633 papers).
 11. To fix an annual salary of \$22,500 for speaker and lieutenant governor.
 12. To permit state employees to serve on local governing boards.
 13. To set a six per cent weighted average annual interest rate for constitutionally-authorized bond issues.
 14. To allow counties to reduce their permanent school fund and distribute money to independent and common school districts on a per-scholastic basis.
- DEMOCRATS ELECT** — Feuding Democrats settled a row over election of a new chairman with unexpected calm.
- At a Dallas meeting, the State Democratic Executive Committee named Roy Orr, 39, mayor of DeSoto, chairman, rejecting Gov. Preston Smith's preference for Agriculture Commissioner John C. White.
- Orr won by a razor-thin 32 votes to 30 over the veteran statewide official. Backers of both argued that their man would be the best choice to unify the state party for election-year battles ahead. White had backing of liberal and some moderate and conservative members of the committee. Orr drew support of most SDEC conservatives and some moderates.
- Both candidates, the winner and the loser, pledged future cooperation with all factions.
- Orr succeeds Dr. Elmer Baum of Austin as SDEC chief until the September, 1972, state party convention.
- ALLOWABLE REDUCED** — For the seventh consecutive month, Texas Railroad Commission reduced the statewide oil allowable.
- A cut of .7 of a per cent sets the November production factor at 62.5 per cent of potential. The allowable has been slashed 19.6 per cent since last April.
- A maximum production of 3,275,749 barrels daily will be permitted under the November controls, compared with 3,305,129 this month.
- BOND SALE OFFERED** — A total of \$31.5 million in veterans land program bonds will be offered for sale November 1.
- Land Commissioner Bob Armstrong said sale of additional bonds is necessary to continue the program under which 20,000 applications for low interest rate land purchase loans have been made since last February. The interest ceiling on the bonds is 4.5 per cent.
- APPEAL FILED** — Texas is appealing U. S. Secretary of Transportation John A. Volpe's decision to impose a 10 per cent penalty on the state's share of highway construction money from the federal trust fund.
- The threatened cut — because Texas has not enacted a billboard control law under the highway beautification act — would cost the state about \$24 million a year. The appeal to Volpe noted legislative efforts to comply with the federal requirement and asked a

Agent Tells of Small Grain Insects

Fall armyworm infestation did not develop in this area as expected, county agent Joe Burkett said Monday, and he added that some fields have been treated to control heavy infestations.

Burkett says a general armyworm outbreak did not occur as expected probably due to the fact that 4 to 6 inches of rain were received over the rolling plains area during the time the eggs were hatching. However, damaging infestations continue to appear in Foard and adjoining counties and farmers are cautioned to continue to watch for outbreaks.

Greenbug infestations have been observed in several counties near Foard County. In some cases in Cottle, Motley and Dickens

counties, control measures are being applied to heavy infestation of greenbugs. Burkett cautions farmers to be on the lookout for greenbug infestation buildup in their fields.

Two Minutes With the Bible

Standing, Walking and Running for God

In a way the Christian life is a stand; in another it is a walk, and in still another, a race.

In I Cor. 15:1 the Apostle Paul writes of "the gospel . . . wherein ye stand" and in Rom. 5:2 of "this grace wherein we stand," while in Gal. 5:1 he bids us: "Stand fast . . . in the liberty wherewith Christ hath made us free." Perhaps all this is well summed up in his appeal to his

beloved Philippians:

"Therefore, my brethren, dearly beloved and longed for, my joy and crown . . . stand fast in the Lord, my dearly beloved" (Phil. 4:1).

But the Christian life is more than a stand—it is a walk (which in Scripture refers to conduct.)

Once, says Paul, we walked "in trespasses and sins" (Eph. 2:1,2) but having been saved by grace, through faith in Christ, we are now to "walk in newness of life" (Rom. 6:4). In his epistles, the apostle also bids us to "walk worthy of the Lord" (Col. 1:10), to "walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil" (Eph. 5:15-17).

But the Christian life is even more than a walk; it is a race. Sad to say, some Christians whose "walk" is consistent and commendable, have never come to look upon the Christian life as a race. They never put enough into it so

that they are running. Yet the same great apostle wrote, by divine inspiration:

"Let us lay aside every weight, that it might be said of them and the sin that doth so easily beset us, and let us run with patience the race that is set before us" (Heb. 12:1).

The word "patience" in this passage points to the fact that the Christian life is not a short "hundred yard dash." Nevertheless we, believers in Christ, should put into it all that we have. "They which run in a race," says the apostle, "run all," but they do not all receive the prize. Hence the admonition: "So run that ye may obtain" (I Cor. 9:24).

Those who have not trusted Christ as Saviour have not even begun to stand, or walk, much less to run a race for Him. These might as well forget rewards until they first accept "the gift of God . . . eternal life, through Jesus Christ our Lord" (Rom. 6:23).

**Local Residents
Attend Funeral of
Captain S. J. Brune**

Captain S. J. Brune, 79, a re-
tired Navy officer and brother-
in-law of Mrs. S. H. Ross of Crow-
ell, died at Arlington on Satur-
day, October 23. Funeral services
were held in McKinney Monday.

Attending from Crowell were
Mr. and Mrs. Henry Ross, Mrs.
Munson Welch, Jack Welch and
James Welch. Captain Brune was
a brother-in-law of Mrs. Henry
Ross and the late Frank Welch
and John Welch of Crowell. The
Brunes have visited relatives in
Crowell for many years.

Stephen Joseph Brune was born
Dec. 26, 1891, at Posephville, Mo.,
north of St. Louis, one of seven
children. On March 28, 1913, he
enlisted in the U. S. Navy. Under
a special program initiated by
Secretary of the Navy Josephus
Daniels, he competed for an offi-
cers' commission and, in the 1915
exam, ranked first. He was com-
missioned an ensign in the Supply
Corps on Sept. 22, 1915, and served
on active duty until Nov. 1,
1946. During his 33 years of naval
service, Stephen Brune received
prompt promotions and was select-
ed for the rank of captain in
1940. His sea assignments includ-
ed duty aboard the coal collier
Jupiter, several destroyers, the
cruiser Cincinnati, the refrigeration
ship Bridge, the battleship
Idaho, and the aircraft carrier
Lexington, with service in the
Pacific, the Atlantic, the Carib-
bean and the Mediterranean.

On March 25, 1922, he mar-
ried Rebecca Welch of Anna. Miss
Welch was a Navy nurse whom
he had met in the Philippines dur-
ing World War I. Their only child
David, was born in 1930.

Following his retirement in
1946, the Brune family settled
at Anna and made their home in
a house that had belonged to
Mrs. Brune's parents.

The Captain's keen interest in
swimming grew out of service on
a World War I courts martial
board that had found that instruc-
tors were falsifying the comple-
tion of swimming by recruits at
Norfolk, Va. That young men
would be sent to sea without
knowing how to swim so shocked
Captain Brune that he, on his
own time, took over the swimming
program at Norfolk and taught
hundreds of recruits how to swim.
Swimming methods so intrigued
him that he worked with phys-

**OIL RELEASES FACT
SHEET ON '72 FOOTBALL**

In last week's edition of the
News, it was stated that Crowell
will be playing football in Dis-
trict 7-A with Archer City, Hol-
iday, Knox City, Munday and
Paducah in 1972.

Chillicothe, which is in Crow-
ell's district this year, will be
moving to District 5B with New-
castle, Rochester, Rule and
Throckmorton.

Memphis, one of Crowell's pre-
district opponents is in District
2A for next year. Another mem-

ber of District 2A is Wellington
which next year goes from AA to
A classification.

Classification Figures for 1972
Schools are classified accord-
ing to the following high school
enrollment:

Conference B—below 120.
Conference A—120 through
229.

Conference AA—230 through
499.

Conference AAA—500 through
1119.

Conference AAAA—1120 and
above.

For 1972 football, the Inter-
scholastic League says there are
231 schools in AAAA, 146 schools
in AAA, 209 in AA, 202 in A,
111 in B, 32 8-man teams and
65 6-man teams, for a total of
994 football teams in the state.

**Standard Time
Change Means Driving
Habit Changes**

The American Automobile Asso-
ciation has issued its annual re-
minder to Texas motorists to be
extra alert when Standard Time
arrives at 2 a. m., Sunday, Oct.
31.

"It takes a number of days
before drivers again become ac-
customed to the early darkness
that accompanies the time
change," says William M. Coffey,
AAA, Texas division manager.

"During this period, a few sim-
ple precautions will guard their
safety—as well as the safety of
other motorists and pedestrians."

Three guidelines have been is-
sued by the auto club to ease
the transition:

—At least for the first few
days of Standard Time, reduce
driving speed and increase fol-
lowing distance.

—Be especially aware of pedes-
trians, who themselves will not
be accustomed to the time change.

—Remember not to look direct-
ly into glaring headlights. Center
vision should be focused on the
right edge of the traffic lane,
while oncoming lights should be
kept in the side vision.

Coffey says that now is the
time for motorists to take time
out to have headlights and wind-
shields cleaned for maximum vis-
ibility, and to make certain tail-
lights, turn signals and high and
low beams are functioning prop-
erly.

**Pink Bollworm Larvae
Present in Cotton
Fields, Says Agent**

Pink bollworm larvae are now
present in cotton fields in Foard
County, County Agent Joe Bur-
kett says. These larvae can be
separated from boll weevil larvae
which are also found in bolls
by the presence of legs on the
pink bollworm while the weevil
larvae is a legless C-shaped white
grub. The full grown weevil grub
is about one-fourth inch long while
the full grown pink bollworm is
1/2 inch long.

Considerable damage to later
bolls has been caused by the pink
bollworm larvae in some fields.
However, should large numbers
of these larvae overwinter, dam-
age by this pest will be greater in
1972. To prevent overwintering,
field should be harvested cleanly
and completely, to take as many
pink bollworms as possible from
the field to the gin. The larvae
will be destroyed during the gin-
ning process.

Piles of green bolls left in the
field should be taken to the gin
after these bolls have cured suf-
ficiently. All bolls left in the field
should be buried to hasten decom-
position. Shredding of stalks and
turning stalks under to a minimum
depth of 6 inches will also aid in
preventing pink bollworm larvae
from overwintering. Further in-
formation is available at Burkett's
office.

Hank Fletcher and Mrs. Pat
Moody, co-chairmen of the Texas
Tech Student Association Com-
mission for Voter Registration,
added, "We do hold very strong
beliefs: we believe that the pre-
sent leadership of the state and
of the country can be drastically
improved, we believe that the war
must be ended, we believe that
racism still pervades our society
and that government must take
active steps to combat it, and it
can be made better, and that the
present administrations of both
the United States and Texas use
tax and fiscal policies to make life
easier for the rich and harder for
the poor, we believe that there
is corruption and dishonesty in
state and federal government, and
that men in the highest positions
of trust in both places many times
have their own interests ahead of
those of the people they supposed-
ly represent. What we are going
to do is to register as many peo-
ple as possible in the state of
Texas so that they, acting in their
own best interests, will vote to
change the things that are
wrong."

David Stapp, CHS senior, enthusiastically described his experiences last summer at an international music camp located at Interlocking, Mich., to the Women's Service League last Thursday.

After submitting his scholastic and musical records with letters of recommendation, David was awarded a half scholarship—the highest given—to the eight-weeks coeducational camp.

The some 1600-1800 youth attending were divided into eight divisions with an outstanding faculty. David tried out and made the band and world youth, the orchestra. He also attended some choir sessions and chose sailing for recreation.

He estimated that 95 per cent of those in attendance did not believe in God. In his cabin of 15, there were a Hebrew, Catholic and himself that recognized God. The youth were free to attend and organize religious services.

Armed robbery has risen 198 per cent, 1964-1970.

Adelphian Club

The Crowell Adelphian Club met at 3:30 p. m. Oct. 20, at the Adelphian Club house. Mrs. Lewis Sloan, president, was in charge of a short business meeting, after which Mrs. Ray Shirley, program leader, introduced the guest speaker, Dr. David Norton, president of the Vernon Regional Junior College. He gave a very interesting and informative talk using as his subject, "The Junior College, a Bridge Between High School and Higher Education." His remarks were largely in regard to the Vernon junior college now under construction. The college, located on a 100 acre campus, will have facilities for one thousand students when classes begin in August, 1972.

Associate degrees will be offered upon completion of a full two years in the basic academic curricula. In addition, a technical certificate of proficiency will be granted upon completion of the technical-vocational programs for those interested in preparing for immediate employment. Included will be courses in radio and television repair, automotive mechanics, welding, drafting technology, etc.

Enrollment will be open to high school graduates and college transfers, to a veteran or other student 18 years of age with a satisfactory general educational development test score, and to any person 21 years of age who receives approval based upon his ability and seriousness of desire and purpose.

The hostesses for the meeting, Mmes. Warren Haynie, V. A. Johnson and Duane Naylor, served dainty sandwiches, cookies and spiced tea from the tea table laid in a white linen cloth. The centerpiece was an arrangement of red tapers in wrought iron candle holders flanked with miniature fruit and greenery.

Guests for the meeting were faculty members and aides of the Crowell School System.

Rotary Movie Shown Oct. 27

Prepare now to retire to something, not from something was the theme of the film recording of Leon F. Montague's address, "Turned Out to Grass," which was presented at the Crowell Rotary Club meeting on Wednesday noon, October 27, at the community center.

Montague, a past officer of Rotary International, retired at age 65 to find that his lawn was his "gold mousetrap" and opened the door to a new career with a national company.

The speaker's topic, "Turned Out to Grass," was inspired by a favorite horse of his couching days. He said that when this horse got too old for hard riding and roping he was not shot but turned out to grass where he developed into a fine buggy horse and gave many more years of useful service.

The speaker said his interviews with people in forty-one states who had licked or been licked by the problems of retirement pointed to signposts which say:

—If you aren't happy where you are, you are not likely to be happy anywhere—a different climate and different neighbors are not the answers.

—Uselessness is a shock the retiree cannot long endure—boredom kills more retirees than anything else.

—Get off the bench and out of the rocker—exercise body and mind, for it's use it or lose it.

—Be active in church, community and political life—do something for others.

—A sound financial program is needed, but money alone is not enough.

—X-ray yourself to see what it is that you have long wanted to do—or what hobby—or what aspect of community service—or what interest in the field of fine arts—or what mechanical urge—you have had, or now have, or might have—which could be your ideal retirement activity.

—Begin now—take time to develop your special interests and talents, so that when retirement day comes you will be prepared to retire to something, not from something.

If a man is to make his retirement years the best years of his life, he must not only have something to do—but he must—

—Do something he is proud to do.

—Something he can do well.

—Something that will give him recognition.

But most of all he must do something that will give him the joy and satisfaction of knowing he is doing something for others. This, the speaker said, is one of the paramount requirements for a happy and rewarding retirement.

Open House Held Sunday

About 40 guests attended open house at the newly-remodeled home of the Minister of the East-side Church of Christ, Harvey L. Taylor, and Mrs. Taylor, last Sunday afternoon.

The open house for members of the church was held from 3 to 5 p. m. The residence located at 222 East Marietta Street, was remodeled before Mr. and Mrs. Taylor moved here about the first of the month. The Taylors had been residents of Columbus, Kansas, before moving to Crowell.

Justice of the Peace Quotes Laws on Bicycle Regulations

Mrs. Opal Hazelwood, Foard County's Justice of the Peace, has asked the News to point out some of the laws pertaining to the operation of bicycles and play vehicles.

Traffic laws apply to persons riding bicycles and every person riding a bicycle upon a roadway shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle.

No bicycle shall be used to carry more persons at one time than the number for which it is designed and equipped. No person riding upon any bicycle, coaster, roller skates, sled or toy vehicle shall attach the same or himself to any vehicle upon a roadway.

Every person operating a bicycle upon a roadway shall ride as near to the right side of the road as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction.

No person operating a bicycle shall carry any package, bundle or article which prevents the driver from keeping at least one hand upon the handlebars.

Every bicycle when in use at night shall be equipped with a lamp on the front which will emit a white light visible from a distance of at least 500 feet to the front and with a red reflector on the rear of a type approved by the department which shall be visible from all distances from 50 to 300 feet to the rear when directly in front of lawful upper beams of head lamps on a motor vehicle.

Every bicycle shall be equipped with a brake which will enable the operator to make the braked wheels skid on dry, level, clean pavement.

No racing by bicycles will be allowed on highways.

No person shall drive any vehicle upon a sidewalk or sidewalk area except upon a permanent or duly authorized temporary driveway.

Dedication Program Set for Historical Marker at Tyler

Plans are progressing for the dedication of a historical marker commemorating the first county agent in the nation. Ceremonies will be at 1:30 p. m., Nov. 11, on the court house plaza at Tyler. The historical marker is sponsored by the Texas County Agricultural Agents Association and the Smith County Historical Survey Committee.

W. C. Stallings of the Dixie community was hired by the Tyler Commercial Club and the U. S. Department of Agriculture on Nov. 12, 1906, to serve as county agent for Smith County. This was the first time in history that a county agent was hired to serve in only one county.

Card of Thanks

I want to thank Dr. Stapp, the nurses and all the hospital staff for the good care during my hospital stay, also to my friends and neighbors for the cards, flowers and visits.

Conservation Districts Can Aid Environment Improvement

Conservation districts are in a position to make vast contributions to environmental improvement, Clyde W. Graham of Temple, told a state meeting of conservation leaders in McAllen recently.

Graham, state conservationist for the U. S. Soil Conservation Service, outlined ways scientific information from his agency and available through conservation districts can help cities and others make wise, long-range land use.

Speaking to the 31st annual statewide meeting of soil and water conservation district directors, Graham said SCS soil surveys, for example, plainly show which soils in a region will flood. He lamented the fact, however, that such information does not stop developers from building homes in the floodplain. He also told about housing developments which are being built in some rural-urban fringe areas with septic tanks on soils that are obviously unfit for septic filter fields.

He said all conservation work promoted by the landowner-operated conservation districts have environmental values. He pointed out how conservation measures reduce sediment, the state's biggest pollutant.

He added, "While good progress has been made in the past, we simply must find ways to solve more of our state's erosion, water pollution and air pollution problems. Unfortunately, many of these problems can be traced to erosion and unsound land use."

Six hundred thirty-three law enforcement officers were murdered in the line of duty from 1961 through 1970. Since 1961, firearms have been used by felonious offenders to commit 95 per cent of these police killings. Seventy-four per cent of the weapons used were handguns.

Rotary District Governor Sets Visit To Crowell Club

District Rotary Governor R. I. McArron of Breckenridge will be in Crowell next week for his official visit with the Rotary Club.

He will meet with club members at an assembly scheduled for Tuesday night, Nov. 2, at 7 p. m., at the community center, and will then meet with the club at its regular noon luncheon on Wednesday.

Mr. McArron has spent his entire adult life in Breckenridge. He has been a member of the Rotary Club since 1930, and served as president in 1938-39.

He has been active in community affairs, having served 14 years on the Breckenridge Board of Education, including four years as president.

He is a past president of the Chamber of Commerce and Retail Merchants Association. He is currently a director of Breckenridge Industrial Foundation and is a vice president of Breckenridge First Federal Savings and Loan Association.

Mrs. Williamson, Former Thalia Resident, Succumbed

Mrs. Carmon Williamson of Lubbock, a former resident of Foard County, died in Lubbock last week. She was the former Miss Jewell Aubrey, who was born and reared at Thalia. She was a niece of the late H. W. Gray.

Attending the funeral for Mrs. Williamson were Mrs. H. W. Gray, Fred Gray and Beverly Gray of Thalia and Loyd Gray of Vernon.

Wildkittens Win At Seymour 45-0

The Crowell eighth grade Wildkitten football team went to Seymour last Thursday night for a non-district game and brought back a 45 to 0 victory.

Rocky Glascock scored three touchdowns, David Bell scored 2 and Dee Finley one.

The Wildkittens' first touchdown came on a 30-yard pass play from Finley to Glascock, with Bell scoring the 2 extra points. Glascock took a 45 yard pass from Finley for the second TD, with Glascock running over for the two extra points. Quarterback Finley galloped 43 yards for the next score with Glascock running for the 2 points after. Glascock then ran 52 yards for a score and kicked the extra point. David Bell scored the final Kitten TD's: the first on a 30-yd. run of an intercepted pass, with Bell running for two points. He galloped 22 yards for the final score, with the kick for extra point failing.

The eighth grade team will host Paducah here Thursday night in a district contest.

Food and Fiber Week

The week of November 15-21 has been designated as Texas Food and Fiber Abundance Week. Special notice will be given to the state's agricultural producers and the food and fiber products that they produce, says the extension service. Texas is the leading state in the production of cotton, grain sorghum, beef cattle, sheep and wool, and goats and mohair. Each producer supplies himself and 46 others with food and fiber needs. The consumer is blessed with high quality food products on which he spends only 16.5 per cent of his disposable income.

Junior Leaders

Forty members attended a meeting of the Foard County Junior Leaders last Thursday at the community center. Eighteen new members were welcomed and given 4-H project forms to fill out.

A very informative and interesting program on tornadoes was given by Renee Westbrook. Sharla Haynie presided at the meeting and Trey Autry read the minutes and called the roll. Ruth Brown said the prayer and Remelle Marlow led the 4-H pledge. Martha Martin and Christy Shaw led the 4-Hers in several songs and were accompanied on the piano by Sharla Haynie and April Werley. Delicious refreshments were served by Ruth Brown, April Werley and Jacquelyn Brown. At the next meeting, Nov. 4, hostesses will be Christy Shaw, Lynn Meads and Ruth Brown. Trey Autry will give the program.

Of the 849 offenders known to have been involved in the murder of police officers during the period of 1961-1970, 71 per cent had been arrested on some criminal charge before becoming involved in the killings. Thirty-eight per cent of the offenders had been previously arrested for a violent crime such as murder, forcible rape, robbery, assault with intent to kill, etc. Fifty-seven per cent of the 849 offenders involved in police killings had prior convictions on criminal charges. Sixty-seven per cent of those convicted had been granted leniency in the form of parole or probation.

"Groundhog Up a Tree" Is Title of Glenn Shelton Book

Glenn Shelton, page-one columnist for the Wichita Falls Record-News, has written a book based on 15 years of columns entitled "Groundhog Up a Tree." He illustrated it himself with cartoons. Publisher of the book is Nortex Offset Publications, Inc., of Wichita Falls, a firm that has published a number of books for southwestern authors.

Shelton is well-known over a wide area of North Texas and Southwestern Oklahoma for his daily "Hired Hand" column and for his public speaking.

He is from a family of journalists. His brother, Stan, is a newsman with the Corpus Christi Caller-Times, and previously was with the Toledo (O.) Blade, and the Daily Oklahoman. His brother, Bill, is a newsman with the Long Beach (Calif.) Independent Press-Telegram. Keith, a brother who wrote political news for the Dallas Times-Herald, is teaching journalism at North Texas State University at Denton.

"Groundhog Up a Tree" is Shelton's first book.

Richness Doesn't Make Men Smart

Most people believe that because a man has made a fortune his views on any subject are valuable. I have always believed that most large fortunes are made by men of ordinary ability who tumbled into a lucky opportunity and could not help getting rich, and in most cases, others, given the same chance, would have done far better with it. Hard work and attention to business are necessary, but they rarely result in achieving a large fortune. Do not be fooled into believing that because a man is rich he is necessarily smart. There is ample proof to the contrary.—Julius Rosenwald.
