Keep a Lookout for Screwworms

Colder weather can't come soon enough for most Texas livestock producers. A change to cold weather would be a big help in slowing screwworm outbreaks across the state. But until a hard freeze comes,

checking animals and treating all wounds is still as important as ever, says extension agent Joe Burkett. As long as screwworm flies re-

main active, livestock producers must keep their guard up. This is no time to relax and wait for cold weather.

Card of Thanks

I want to express my thanks to Dr. Stapp, the nurses and staff of the Foard County Hospital for their care and many acts of kindness while I was in the hospital, Also, thank you to my family, friends and neighbors for the flowers, cards, letters, gifts, visits and prayers during my hospital stay at Crowell and Wichita Falls. May God bless each of you. Mrs. Howard Bursey.

Dr. Campbell New Speaker of House for Medical Group

A Corsicana physician, Dr. Lowell Campbell, has been elected Speaker of the House of Delegates of the Association of Amercan Physicians and Surgeons. The position is second in responsibility only to that of president of tial, points out county extension

he association. Dr. Campbell, a Foard County native, is a son of Mr. and Mrs. Dwight Campbell of Crowell. His wife is the former Miss Juanita Traweek, daughter of Mr. and Mrs. Fred Traweek, also of Crowell.

Dr. Campbell's election came at the recent 29th annual meetng of the assembly of delegates in Fort Worth.

The Corsicana doctor, a member of Physicians and Surgeons Clinic in that city, is currently serving as president of the Texas chapter of A. A. P. S., and has has served as a delegate to the

national meetings for 10 years. Long active in the ranks of organized medicine, Dr. Campbell has been a delegate of the Navarro County Medical Society to the Texas Medical Association for many years. He also has held numerous committee appointments in the Texas Academy of Family Physicians.

A. A. P. S. is a voluntary association of private physicians organized to maintain and improve the quality of medical care in the United States. It has members in all 50 states and Puerto Rico. Among goals of the association

prevention of intrusions by government and others into doctors relationships with their patients, said Dr. Campbell. The recent meeting in Fort

Worth featured speeches by Concrat of Louisiana, M. Stanton Evans, editor of the Indianapolis News and president of the American Conservative Union; Kenneth Ryker, well known speaker on conomics, and Ezra Taft Benson, former Secretary of Agriculture.

As Speaker of the House of Delegates, Dr. Campbell automatically becomes a member of the board of directors who are expected to meet in called session in December in Chicago, in advance of the next House meeting in April in Chicago.

Card of Thanks

...and I can help you live a little better with a LIVABILITY policy

If sickness or injury keeps you from work, what happens to your family finances? Can you meet the house payments, utilities and grocery bills? Can your family finances stand a two-month, three-month or even six-month illness without income? Not a pleasant thought, but it can happen.

Kansas City Life's LIVABILITY policy guarantees you a tax-free monthly income to pay your bills if you are sick or hurt and can't work. LIVABILITY. Think about it—then call your "Better Life" Agent.
