## Bill Bond Rites Held November 8

Foard County Native Died November 7

Willie J. (Bill) Bond, 68-year-old Foard County farmer, died in his sleep early Wednesday morning, November 7, at his home.

Funeral services for the Foard County native were conducted at 2:30 p. m. Thursday, November 8, at the Margaret Methodist Church with the pastor, Rev. Wilson Holman, officiating. Interment was in the Crowell Cemetery under the direction of Womack Funeral Home.

Assisting in conducting the service was a former pastor of the Margaret Baptist Church, Rev. G. C. Laney of Paducah.

Bearers were Jack McGinnis, Tom Smith, Loran B. Robertson, Billy Joe Halencak, Robert Huggins and O. C. Allen.

Mr. Bond was born in Foard County February 24, 1905, son of the late Mr. and Mrs. Alf Bond. He married Jane Goodman August 7, 1926, in Vernon.

He was a member of the Margaret Methodist Church.

Mr. Bond served as County Commissioner for Precinct No. 2 from 1946 until 1950.

He is survived by his wife; three sons, Vee Bond, and Billy and Bobby Bond of Margaret; three sisters, Mrs. Agnes Dunn of Margaret, Mrs. Vera Thomas of Crowell and Mrs. Elan White of Quanah, and seven grandchildren.

### OOPS! HOW'S THAT AGAIN?

According to an ad in the News last week, Rev. Bill McReynolds, who is holding a revival at the local Methodist Church this week, is pastor of the First Baptist Church in Quanah. That just ain't right. Rev. McReynolds is pastor of the First Methodist Church in Quanah.

## Wildcats Defeat Archer City

The annual battle of the Wildcats—Crowell and Archer City—was just that last Friday night as the two teams, winding up many years of friendly rivalry, battled on even terms most of the night at Archer City with the Crowell Cats coming out on top by a 7 to 0 score. Next year, Archer City will be in another district and will not be on Crowell's schedule.

The only scoring of the night came in the third period when hard-running Crowell back Allen Tapp, crossed the double stripe to cap an 84-yard Crowell drive.

The first half ended in a scoreless tie. Archer City threatened once, and had a first-and-goal on Crowell's 8, but the stout Crowell defense held and the local Cats took over on their 1-foot line. In the second quarter an Archer City back took a Crowell punt, broke loose and went into the end zone. However, an Archer City player was offside to nullify the play.

Crowell's score came after the locals took the second half kickoff on their own 16, and in 17 gridding plays the local team scored with Tapp going the final 3 yards. Carrying the ball in the drive were Philip Bell, Bob Taylor, Chavelo Ranjel and Tapp. David Bell kicked the

THOMAS W. SHINN

## Local SCS Has New Employee

Thomas W. Shinn began his duties as a soil conservationist on the Crowell Soil Conservation Service field office staff on October 29. Shinn moved to Crowell from Palestine, Texas. He had been a member of the field office staff at Palestine for eleven years.

Shinn is a member of the First Baptist Church. He lives on North First Street in the Oran Carroll home.

District Conservationist John McAlister explained that Shinn's duties consist primarily of developing farm and ranch conservation plans with local landowners.

## Former Crowell Resident Observes 92nd Birthday Nov. 9

Elmer Brisco, of Vernon, and a long-time resident of Crowell, observed his 92nd birthday last Friday, November 9. Mr. Brisco and his family lived in Foard County for 39 years prior to moving to Vernon a number of years ago.

He and his son, Oliver, also of Vernon, were in Crowell Monday visiting Mr. and Mrs. Frank Brisco.

### HOSPITAL DONATIONS

Mrs. Bettie Gafford, administrator of the local hospital, lists the following donations to the hospital's memorial fund which were received this week: George Self, \$50; Mr. and Mrs. Earl Love, \$20.00; Gusta Davis, \$40.00.

## Methodist Harvest Festival is Sunday

A time of giving to raise the several thousand dollars required for conference commitments by the First United Methodist Church of Crowell will occur at the church Sunday, November 18.

It is the church's annual Harvest Festival observance, a program started by Rev. John

Fitzgerrel, when he was pastor of the local church.

Scheduled speaker for the Sunday morning worship is Dr. Dallas D. Denison of Brownfield, a former pastor of the local church.

Following the morning service, a covered dish dinner will be served in the church basement.

**WEEKLY SCHEDULE**  
 Monday: student council meeting, Class meetings.  
 Tuesday: FHA, home ec cottage, 3:30 p. m.  
 Friday: Crowell vs. Knox City, Dick Todd Field, 7:30 p. m. After game fellowship, First Baptist Church.

**ANOTHER SIX WEEKS COMES AND GOES**  
 Between the time you bounce happily in your crib and the time you bounce insanely in your padded cell, you must pass several times through the barbaric torture known as six weeks test. With the ending of another such trying time at CHS, we felt it would be appropriate to publish this bit of poetry written by a typical student after a day of tests:  
 I walked up the door and closed the stairs, I said my pajamas and put on my prayers. I turned off the bed and crawled into the light. All because I finished studying for another six weeks last night.

**SENIOR SPOTLIGHT**  
 The 5' 11" Billy Wade Eavenson is this week's senior spotlight. Born on Feb. 13, 1955, to Mr. and Mrs. E. E. Eavenson, he is 18 years old, has brown hair and brown eyes, and attends the Methodist Church.  
 His favorites include food, Spanish; song, Ramblin' Man, actor, Clint Eastwood; actress, Ann Margret; subject, study hall and 3:30 bell and hobby, welding.  
 Billy's future plans are to attend Vernon Regional Junior College.

**SENIOR NEWS**  
 The senior class has been busy with six weeks tests and spirit week activities, surprisingly enough, the seniors came through.  
 Great job, Band! The senior class extends their congratulations to these students who made the CHS Band a No. 1. Seniors playing for the band are Terry Cobb, Debbie Scott, Julie Streit, Kathy Shirley and Susan Autry, head twirler.  
 Congratulations are in order for Christy Shaw who will be our

senior nominee for "Spirit Queen" next Friday night. Jim Lin Shook, another senior, is Christy's escort.  
 Friday, four seniors traveled to Notre Dame to a speech contest. They are Terry Cobb, Darla Powers, Floyd Borchardt and Remelle Marlow.  
 With all the seniors proudly wearing ribbons saying: "Smile You're a Crowell Wildcat," the Cats racked up another victory over Archer City. We're proud of you and plan on seeing the Hounds in the doghouse this Friday.

**JUNIOR CLASS NEWS**  
 The junior class met last week and planned a bowling-skating party at Vernon Saturday, Nov. 17.  
 This week is spirit week and the juniors are showing lots of spirit. Junior nominee for spirit queen is Barbie Scott, Good luck!  
 Last Friday speech students went to Notre Dame to participate in a speech tournament. Seven juniors participated: Karen Statsler, April Werley, Jacquelyn Brown, Steven Setliff, Barbie Scott, Brenda Graves and Rita Hodges.  
 Friday night is the Wildcats' last home game as they play the Knox City Greyhounds. Juniors say, "Leash the Greyhounds."

**SOPHOMORE SCOOP**  
 The sophomores had a class meeting to discuss spirit week and to elect the attendant for the spirit queen contest. We elected Pam Whately. Congratulations, Pam! We hope that everybody gets busy making signs for spirit week.  
 Well, another six weeks has rolled by. Report cards were handed out this week. Everyone is relieved because we have been studying our heads off for six weeks tests.  
 The sophomore English classes have been discussing our research paper. Everyone is getting their fingers rested before we have to get started on them.  
 We would like to congratulate the Wildcats for their great effort. Let's all support the Wildcats to a victory over Knox City. Sophomores say: Nail Knox City!!

**FRESHMAN FROLICS**  
 The freshmen would like to congratulate the Wildcats for putting up a tremendous fight. Tuesday, the freshmen nominated a spirit queen representative. She is Vicki Lynn McDaniel and her escort is Tommy Tamplen. Also, we appointed committees to plan spirit week. In health we received our new health books which prove to be very interesting.  
 We would like to congratulate the band for its outstanding performance at the UIL contest by making a 1.  
 The freshman homemaking 1 girls cooked their favorite dish and shared it with each other.  
 The freshmen say, "Pound the Hounds, Mighty Wildcats!"

**DRAMA CLUB NEWS**  
 The Drama Club would like to thank the anonymous person who sent the lovely flower arrangement to wish our members who went to Notre Dame good luck. It was thoughtful of you and it means a lot to our club to know whoever you are, that you're behind us in what we do. Those students that went to Notre Dame really did a good job and we are proud of them.  
 Also, we would like to remind all people to be saving their old discards, because we will be picking them up soon!

**CAFETERIA MENU NOVEMBER 19-21**  
 Monday: char broiled burgers, baked beans, lettuce, tomatoes, onion, pickles, apricot cobbler, milk.  
 Tuesday: pinto beans, corn bread, Spanish rice with meat, spinach, beet pickles, Jello with fruit, milk.  
 Wednesday: Thanksgiving turkey and gravy, pilgrim mashed potatoes, fresh vegetable sticks, buttered rolls, harvest gold cling peaches, chilled milk.

**Junior Varsity Closes Season with 18 to 0 Loss to Knox City**  
 The Crowell Junior Varsity football team closed out its 1973 season here last Thursday night by dropping a game 18 to 0 to the Knox City JV.  
 The local JV is coached by Russell McGough, who in addition to being assistant football coach, is head basketball coach at Crowell High School.

**STATE CAPITAL Highlights AND Sidelights**  
 by Bill Boykin  
 TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—Outlook for a bleak winter grew steadily worse as the energy crisis mounted.

Speed limit reductions and year-around daylight savings time, recommended by President Richard Nixon, may be some of the milder results.  
 Gov. Dolph Briscoe, assessing the president's proposals and reaction of other states before announcing his own program, said gasoline rationing is an "eventuality that will have to be considered."

Grimmest of all was Railroad Commission Chairman Jim Langdon's forecast: "Some people in Texas are going to be cold this winter." Those who use butane, propane or electricity for their heating are the ones most likely to get the shivers, said Langdon.  
 Middle distillate fuels, used primarily to generate electricity -- and of increasing importance due to the shortage of natural gas -- may also be in short supply as much as 400,000 barrels daily, according to Langdon's estimate.

Meanwhile, the Nixon administration altered previously-announced allocation policies to allow middle distillate suppliers to provide Texas customers diesel fuel, fuel oil and kerosene without limit through

November.  
 Even in the reprieve from mandatory allocations, there was an implied warning to Texas electric utility companies: come December they may be running short of fuel oil, since allocation formulas are based on 1972 purchases. Most Texas utilities, used to plenty of natural gas, didn't use much fuel oil to fire their boilers in 1972.

Things apparently are going to get a lot worse before they get better on the energy front.  
**PAY AMENDMENT DEFEAT ASSESSED**—For the fifth time in eight years Texans voted down a pay raise for legislators and assessments of the reason why varied widely.  
 House Speaker Price Daniel Jr. and others concluded that the vote on the \$15,000 annual-pay-annual-sessions amendment was due to "tragic events at the national level that have crushed public confidence in our political governmental systems."

Not so, said Republican gubernatorial candidate Jim Granberry, who maintained lawmakers asked too much salary and made an error in coupling the pay raise issue with that of annual sessions.  
 Granberry suggested voters will approve \$8,000 to \$10,000

salaries and limited annual sessions with proper leadership support and a clear presentation. One big scotch tape dispenser for sale at a fraction of its cost.—News office. 2—Foard County Crowell, Texas, Mo.

Activities Demonstration and represented District 3 at the state contest in 1973 at Texas A&M University.

She is past chairman of the Foard County 4-H Council and the 1973 Co-Vice-Chairman of the District 3 4-H Council.

Remelle is very involved in school activities. She is presently serving as President of the FHA and area historian for the FHA. She is editor of the school paper, member of the pep club and is active in all UIL events such as speech and drama.

She was selected to receive the Gold Star because of her outstanding leadership and her work with younger 4-H Club members.

Remelle is very active in church and community activities. She won a trip to Washington D.C. in 1972 as a member of the Texas Heritage Tour where she attended the

National 4-H Citizenship Short course. She has given many programs on citizenship throughout the county and district.

Butch Borchardt is the 17 year old son of Mr. and Mrs. Floyd C. Borchardt of Crowell. He has been in 4-H Club work 8 years and has received county medals in Safety, Swine, Leadership and Citizenship. He was selected to receive the Gold Star Award on the basis of his outstanding leadership and for helping and encouraging younger 4-H'ers with their demonstrations and other problems.

He has carried demonstrations in safety, electricity, citizenship, leadership, swine, garden, and yard improvement. He is a member of the Foard County Junior Leaders 4-H Club and the Foard County 4-H Sub-Committee. Butch is very active in all 4-H activities and has been a district winner in public speaking and represented District 3 at the State Public Speaking Contest in 1973.

Butch is chairman of the

Foard County 4-H Council and delegate to the District 4-H Council.

He is very much involved in school activities. He is presently serving as President of the Senior Class and is also president of the Crowell High School Student Council, and co-editor of the 1973-74 Crowell high school annual.

Butch is secretary of the Crowell FFA Chapter, he was district winner and placed second in area in the FFA Public Speaking Contest in 1973. He has also been active in UIL events each year. Butch is president of the Youth Group in his church as well as being very active in all church and community affairs. He also was recipient of the Farm Bureau Citizenship Seminar Scholarship in 1973.

Remelle and Butch will be honored at the District Gold Star winners in District 3. The luncheon will be held in the Wilbarger Auditorium in Vernon and is sponsored by the West Texas Utilities Company. At Monday night's program, the Foard County 4-H Council Chairman, Butch Borchardt was Master of Ceremonies.

Remelle Marlow, co-vice-chairman of the Foard County 4-H Council recognized special guests, Joe Haynie and Harold Myers led the group in prayer and the 4-H Pledge, respectively.

Music for the program was provided by April Werley, Karen Statter, and Connie Werley.

Karen Statter, member of the Foard County Junior Leaders 4-H Club and delegate to the District 3 4-H Council told of her experiences on the Texas Heritage Tour and about her attendance to the National 4-H Citizenship Short Course at Washington D. C. this past summer.

Karen brought an inspiring message on citizenship, challenging each 4-H member to continue doing his best in 4-H Club work and to strive to be a better citizen.

Connie Werley, Pam Whatley and Vicki Pharis brought an inspirational message in song directed to 4-H members concerning their duties as Christians and citizens.

Refreshments were furnished by the Foard County 4-H Clubs. Mrs. Rhonda Ward and Joe Burkett presented awards to the following:

## Appreciation Events Slated for Hightower

Two appreciation events honoring Senator Jack Hightower of Vernon are scheduled this month in Plainview and Wichita Falls.

Mayor John Stoneham of Plainview announced last week that Gov. Dolph Briscoe will attend a steak dinner for Hightower there on Thursday, November 15.

U. S. Senator Lloyd Bentsen, Jr., will be a special guest, according to committee chairman Rhea Howard, at a reception for Hightower in Wichita Falls on Friday, November 30.

(Plainview's dinner will be in the Hale County Agriculture Center, starting at 7 p. m. The Wichita Falls reception will be at Midwestern University's Clark Center from 5:30 p. m. to 7:30 p. m.)

The state's top Democrats are joining in the double-barreled tribute to a man who has served in the Texas Senate since 1965.

Hightower was elected president pro tem of the Senate in 1971 and served as Governor for a day in April that year, representing 29 counties in District 30, he is one of five senators on the important Constitutional Convention Planning Committee and is also active in the interim as chairman of the West Texas Sub-Committee of the Citizens Advisory Committee on Water.

As chairman of the Senate's Administration Committee during the 63rd Legislature, Hightower helped to cut more than \$200,000 from expenses in the previous session. This was accomplished by staff reductions and computerization of the bill filing and recording process.

Among his 24 bills passed, second highest in the Senate, was an air pollution control measure that will help clean up the Texas environment and attract industry at the same time.

On the energy front, Hightower introduced the only

piece of legislation that would have provided more oil during the next five to 10 years.

Hightower served one term (1953-54) in the Texas House of Representatives before he was appointed and then re-elected twice as district attorney for the 46th Judicial District.

He was president of the Texas District and County Attorneys Association and was named "Outstanding District Attorney of Texas" for 1959. Hightower was appointed by Governor Price Daniel to the Texas Law Enforcement Commission in 1957 and has served as vice president of the Texas Junior Bar Association.

He was vice chairman of the board of regents of Midwestern University and is currently serving as a member of the board of trustees of Baylor University.

## Statewide Convocation To Be Held in Austin

A special statewide Convocation of Worship and Praise will be held in Austin Sunday, January 6, 1974, to invoke God's blessing upon the 1974 Constitutional Convention of Texas, to be convened two days later. Plans for the event, sponsored by the Texas Conference of Churches, were announced last week by Roy J. Cates, TCC executive director.

Mr. Cates is a Crowell native and is a son of the late Mr. and Mrs. Frank Cates of Crowell. Rev. Dr. Carlyle Marney, renowned Baptist clergyman from North Carolina, will be the special guest preacher for the service. A former Texas resident, Dr. Marney was pastor of Austin's First Baptist Church

for ten years.

Thomas M. Bass, associate justice of the Court of Texas, is chairman of the event.

"To be held in the municipal auditorium, the service will honor representatives of the Texas Senate and members of the Texas House of Representatives, Constitutional Revision Commission," Judge Bass said. "Non-member Christians, nominees and members of other faiths are being invited to attend and participate."

The Texas Conference of Churches is an ecumenical religious association of denominations from 15 denominations in Texas. It was constituted in February 1962 and is the most inclusive organization of its kind in the state and remains geographically.

## Free Blood Pressure Check Planned Dec. 3

Monday, December 3, has been set as the date for free blood pressure checks at the local post office.

Mrs. Edith Roark, Heart Association chairman for Foard County, said the blood pressure checking booth will be set up in the lobby of the post office to take free blood pressure checks for everyone who desires it.

This is a part of the Heart Association's continuing fight against heart disease.

On Wednesday, November

14, Heart volunteers, under the direction of Mrs. Roark, set up a booth preceding the Rotary Club meeting and took free blood pressure checks of those attending the Rotary meeting. Mrs. Roark says this same service will also be offered to the Lions Club, Women's Service League and other organizations.

## McMurry Fund Drive Starts Nov. 25

The Seymour district of the Northwest Texas Conference of the Methodist Church will kick off this year's McMurry Fund beginning November 25 with a week-long series of breakfast meetings in various cities of the district.

Charles Baker, Munday businessman, will be chairman of the McMurry Fund in the Seymour district. Serving as co-chairman is Dr. Marshall Rhew, Seymour district superintendent. Pastors of churches in the Seymour district, along with laymen and fund leaders, will also gather to help McMurry College celebrate its 50th anniversary during late November and early December.

The McMurry Fund is part of McMurry's participation in the New Generations for New Days program, designed to financially strengthen the United Methodist colleges of the United States.

## Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture  
John C. White, Commissioner

Down and Up... Changes in Regulations... Fuel Problems... Red Meat Production Declines.

A seven per cent drop in the all farm products index of prices for Texas farmers was noted by the Texas Crop and Livestock Reporting Service.

The livestock and livestock products was down nine per cent and the all crops index was down five per cent below a month ago.

Prices received by farmers for hogs, beef cattle and calves were down from a month ago. Corn and grain sorghum prices were also down from a month ago.

Ten commodities were above parity. Wheat at \$4.23 per bushel was 73 cents per bushel above parity. Rice is almost \$5 above parity. Potatoes are 54 cents above the parity ratio of \$4.31 per hundredweight.

In livestock categories, hogs at \$39.80 average are \$2.80 above parity. Calves averaged \$58.30 which is \$4.30 above parity. Sheep at \$17 are \$4.50 above parity. Beef cattle are \$2.60 under parity; lambs are \$12 under parity.

Grain sorghum at \$3.47 per hundred is 50 cents below parity. Cotton at 37.5 cents per pound is almost 30 cents under parity.

Egg prices averaged 57.9 cents per dozen which is almost six cents below last month and six cents below parity. Mohair at \$2.40 per pound is about 90 cents above parity; wool at 97 cents is about 25 cents under parity.

REGULATIONS relating to cattle scabies and brucellosis are affecting some Texas counties.

Federal quarantines for cattle scabies were lifted from Parmer and Potter counties. Gastro and Deaf Smith are still under quarantine. Scabies are caused by tiny parasitic mites that puncture the skin of cattle and feed on the body fluids released through the wounds. Scabies does not affect the animal's meat, but can cause loss of weight and decreased feed efficiency.

Health regulations governing interstate shipment of breeding cattle from 11 counties in Texas have been changed.

The action was based on the counties compliance, or lack of compliance, with state-federal requirements aimed at eradicating brucellosis.

Kenedy County regained its modified-certified brucellosis area status while Baylor, Bell, Cass, Henderson, Leon, Mitchell, Navarro, San Saba, Tom Green, and Uvalde counties lost their status for failing to meet certain minimum requirements of the eradication program.

FUEL problems continue to haunt Texas agricultural producers. Diesel at present appears to be causing the most concern. LP gas is in short supply in some areas. The general situation seems to be one of confusion, especially concerning the mandatory allocation of diesel.

Fertilizer shortages are also being reported as are occasional reports of lack of baling wire.

RED MEAT production in Texas is down four per cent in September compared to a month previous and seven per cent under a year ago.

Cattle slaughtered in Texas totaled 268,000 head, which is 22,000 below a month ago and 32,000 less than a year ago.

Nationwide, commercial production of red meat is 13 per cent less than a year ago. Beef production was 13 per cent less than September of 1972.

## What One Person Can Do

JAY OSTRANDER, TEACHER

A trip to Skid Row cost Jay Ostrander nearly \$90,000. After graduating from high school in the 1920s, Mr. Ostrander left northern Michigan to visit a sick friend in a large Southern city. While there, he got lost and wandered into the local version of Skid Row.

"This was like something dreamed up by Dante," he later recalled. He returned to question the derelicts, many of whom were about his own age. He wanted to know what made such human degradation possible. One thing stood out. Each of the derelicts had suffered a complete loss of self-esteem.

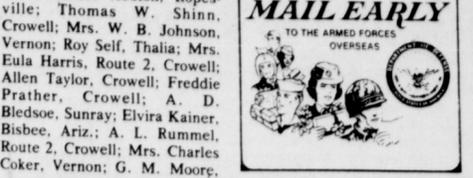

Mr. Ostrander returned home determined to "hit out at this thing in some way." He put himself through college and became a teacher. For 43 years, he took youngsters about to enter ninth grade to Chicago. Every trip included visits to the Museum of Science and Industry and to Skid Row. He was trying to motivate the youngsters to finish school. He told them, "You can be anything you make up your mind to be." After Skid Row, he pointed out, "You've seen enough to know what you need never become."

Jay Ostrander has spent about \$90,000 to give students that experience. He has lived over a garage, worn threadbare suits and shirts with frayed cuffs. He has worked at manual jobs during the summer to get the money. When he retired in 1967, he lost some of his sight and developed a palsied right hand. But he saved enough from his pension to finance one more trip for the eighth graders.

No one will ever build a monument to Jay Ostrander. No one has to. His testimonial is in thousands of minds shaped over four decades in a classroom. That's something money can't buy. That's to have lived and made a difference.

## Adelphian Club Has Gentleman's Evening

"Gentleman's Evening," an annual event of the Adelphian Club since its organization sixty-two years ago, was held at the home of Mr. and Mrs. Walter Ramsey Thursday, November 8.

Mrs. Clarence Garrett, president, welcomed the guests and thanked the Ramseys for their hospitality. Quartet tables laid with peach, brown and green tablecloths, featured lovely basket arrangements of fall foliage with berries centered by tall green tapers. Place cards made by Mrs. Mack Gamble,

mother of Mrs. Ramsey, were framed with peach hand-crocheted yarn tied with tiny foliage arrangements and placed on individual green wire easels. Two arrangements of yellow mums and large candles were used at head table to add to the festive atmosphere.

After the invocation by James Welch, the group enjoyed the buffet meal of turkey, dressing, giblet gravy, cranberry sauce, green beans, congealed salads and pumpkin pie with whipped cream.

First on the program was a humorous skit, "If Thoughts Could Speak," given by Miss Terry Cobb and Butch Borchardt from the high school speech department under the direction of Mrs. Kenneth Halbert.

Walter Ramsey introduced the guest speaker, Brown Hudson, a planning consultant engineer of Wichita Falls. Mr. Hudson gave an inspirational talk about different kinds of problems people face today. He then entertained with piano, organ and vocal selections. He closed by showing his painting of the crucifixion. Mr. Hudson was accompanied by Crowell by his wife.

Hostesses were Mes. Lorraine Carter, Bill Cates, Lewis Sloan, B. J. Halencak, Earl Manard, Virgil Johnson, Walter Ramsey and Duane Naylor. Fifty-one people enjoyed this social occasion.

## BUTCH BORCHARDT SPEAKS AT WSL MEETING

Butch Borchardt told the highlights of the Texas Farm Bureau Citizenship Seminar at last week's Women's Service League meeting. He was introduced by Mrs. Cornelia McDaniel, program chairman.

The son of Mr. and Mrs. Floyd C. Borchardt, Butch joined some 500 teen-agers from throughout the state who arrived by chartered bus for the meet on Baylor University campus last July. He has several books that are available for loan to local persons.

Much of the conference dealt with the Communist and Black Panther organizations. The Foad County representative was highly impressed with the presentation of a former FBI agent. Butch fielded a number of questions at the conclusion of the program.

New WSL Offices are slated to be installed at this Thursday's luncheon. The blood pressure of members will be taken by nurses prior to the luncheon.

## 4-H CLUB MEETING

The 6th grade boys 4-H Club met Thursday, November 8, in Mr. Anderson's room. Joe Burkett conducted the meeting with the help of Butch Borchardt. Members received their 4-H cards this month. A new secretary was elected to replace Sammy Neal who resigned. Jimmy Ray Quintero was elected. Others nominated were Mike Brown, Bobby Joe Cerda and Dan Gatewood.

They received their 4-H electric project book this week. Also on Monday night, members received 4-H awards in several different categories in a program held at the First Baptist Church.

### PREPARE FOR THE HOLIDAYS

Now that the cool weather is here, it's time to fix something hot to drink. Mix up these dry ingredients and have it ready for immediate serving by simply adding hot water.

**COCOA MIX**—2 c. dry milk, 1/2 c. cocoa, 3/4 c. sugar, dash salt. Mix well. Store in jar. Use 4 T. per cup of hot water for hot chocolate.

**SPICE TEA MIX**—1 c. lemon flavored low-calorie instant tea, 2 c. tang or any orange flavored powdered drink, 1 t. nutmeg and cinnamon, 3 c. sugar if

instant tea is not sweetened.) Mix well. Store in jar. Use 2 t. mix per cup of hot water for hot spice tea.

Prepare several batches of cookies at once. Store them in the freezer for emergencies. They keep well either baked or unbaked for about 6 months. Cool the baked cookies before freezing them. They thaw very quickly.

Why is cheese in casseroles sometimes tough and stringy? High temperatures and long cooking causes tough cheese. So, add the cheese during the last half hour of cooking.

When you're heating milk, have you noticed a skin to form and the milk often boils over? To prevent this, either use a lid on the pan or stir the milk while heating.

Don't use whipped butter or margarine as a substitute for butter or margarine in a recipe.

## 2 Minutes with the Bible

### Paul's Letter to the Romans

One of the most enlightening books of the Bible, and indeed of all literature, is St. Paul's great **Epistle to the Romans**.

Paul was by nature and training a logician, perhaps the greatest logician of all time, and in this case his words were Spirit-inspired, so that we have in his epistle to the Romans a powerful logical argument as to God and man, condemnation and justification. It is wonderful thus to have God's plan of salvation explained for us. This is all too lacking in modern evangelism.

The doctrinal argument of Romans begins by demonstrating the moral depravity of man and says, even to the self-righteous: "Therefore thou art inexcusable. . . ." (2:1).

The apostle then goes on to show that the law was given, not to help men to be good, but "that every mouth may be stopped, and all the world may be brought in guilty before God" (3:19). The conclusion: "Therefore by the deeds of the law shall no flesh be justified in His sight, for by the law is the knowledge of sin" (3:20).

The apostle presses his argument further by showing how the Lord Jesus Christ gave Himself as a satisfaction for sin that we might be "justified freely by God's grace, through the redemption that is in Christ Jesus" (3:24). His Conclusion: "There we concluded that a man is justified by faith, apart from the deeds of the law" (3:28). "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (3:31).

Next, he shows how those who trust in Christ and confess His death as their just penalty for sins, are "baptized into Christ" (6:3), made one with Him by faith. The conclusion: "There is therefore now no condemnation (judgment) to those who are in Christ Jesus" (8:1).

And the apostle closed the doctrinal part of this great epistle by exclaiming: "Who shall lay anything to the charge of God's elect? . . . Who shall separate us from the love of Christ?" (8:33,35). Our advice to those who have questions about salvation: Read Paul's Epistle to the Romans.

### TURKEY OUTLOOK

The demand for turkeys will increase as the holiday season approaches and that trend plus fewer birds in cold storage will keep prices up over the next few months says a poultry marketing specialist for the Texas Agricultural Extension Service. Production during the remainder of this year is expected to be lower despite the fact that this is usually a heavy marketing season. Cold storage supplies are down 53 million pounds from a year earlier. Despite higher prices, turkeys are still a good buy and provide high quality protein.

### Cheaper Than Dirt

Some food is cheaper than dirt, according to Iowa Congressman Neil Smith. Checking super-market prices in his district, he found that five pounds of potting soil were selling for 89 cents, compared to 50 cents for corn meal and 68 cents for flour.

Too often these men are impatient. They get discouraged because they can't double their pay in a year. It would pay them to take a longer view of life.—James E. Wilson.

The saddest failures are found in the ranks of men of more than ordinary ability who shift jobs so often between the ages of twenty-five and forty that they have no firm hold on any job or business. By the time they are ready to settle down, they find that they can't dislodge the pluggers and the stickers. They have to take marginal positions that exist only in time of general prosperity. Necessarily they are the last to be hired and the first to be laid off.

### PLAIN TALK . . .

The late Justice Cardozo once said that he was an example of "plodding mediocrity." He meant that he was an ordinary person, and that such progress as he had made was the result of being on the job every day.

This accounts for nearly all success. The best jobs and the largest fortunes are in the possession of ordinary people. Nearly everyone who will knuckle down to hard work where he is can make a fair success of life.

Statistics compiled by hunter safety specialists of the Texas Parks and Wildlife Department showed that 94 persons were involved in hunting accidents during the past season compared with 82 the year before.

### HUNTING ACCIDENTS INCREASED LAST YEAR

AUSTIN — Texans were involved in more hunting accidents during the 1972-73 season than they were during the 1971-72 season, and more of the accidents were fatal.

Statistics compiled by hunter safety specialists of the Texas Parks and Wildlife Department showed that 94 persons were involved in hunting accidents during the past season compared with 82 the year before.

### OF THE MORE RECENT ACCIDENTS, 28 WERE FATAL, A SUBSTANTIAL INCREASE OVER THE 20 FATALITIES THE YEAR BEFORE.

Twenty-four of last season's accidents were caused by persons 16 years old or younger, and 33 of the 94 victims last year were 16 years old or younger.

During the 1972-73 season, shotguns were involved in 41 of the accidents; rifles in 35; handguns in 15; bow and arrow in one and pellet gun in one. In one other hunting accident, the causative agent was unknown.

Hunter safety specialists say the wearing of hunter protective clothing such as blaze orange or hunter orange, might have prevented 23 of the accidents involving shooter judgment such as the shooter's swing on the victim, the victim's moving into the line of fire, the victim's being mistaken for game or the victim's moving out of sight of the shooter.

## Warren Haynie Gives Classification Talk at Rotary Club Meeting

Rotarian Warren Haynie told Rotarians some of the hazards and pitfalls of the cattle raising business at the Wednesday, November 7, meeting of the Rotary Club of Crowell. Mr. Haynie's Rotary classification is cattle raising.

He briefly told of his personal experiences in the cattle business. He said he bought his first registered Angus in 1953, and along came a drought in 1955 and in December that year he sold his herd except for four cows. He has since rebuilt his herd through these four cows.

Haynie said he preferred the stocker type cattle to cows and calves. While cows are eating every day the year around, the stockman has the stocker cattle for only a part of the year, which gives his pastures time to rest and get some regrowth.

In order to make a go in the cattle business, Haynie recommended that:

1. A person have a good credit rating.
2. Plenty of wheat and some grass.
3. He said Foad County is a good place to raise stockers as it is near the packers and feed lots on the Plains.
4. He also recommended that when offered a fair profit on cattle, "take it."

He also cited some of the hazards of the occupation:

1. Drouth.
2. Falling market.
3. Buying too high.
4. Shipping fever and other diseases.
5. Government interference with the markets.
6. The new farm program.

Haynie predicted that fat cattle prices will begin to advance in February or March of next year, and also that stocker prices will stay along with fat cattle prices.

### Visitors at the meeting were student guests Jackie Eavenson and Tim Daniel and Rotarian Ed Eakin of Quanah.

## Sister of Mrs. Loyd Black Died November 1 in Missouri Hospital

Mr. Rosa Lee Ford of Springfield, Mo., a former Foad County resident and sister of Mrs. Loyd Black of Crowell, died November 1 in the Fort Leonard Wood, Mo., Hospital. She had been ill for 23 months.

Funeral services were held in Missouri with interment in Missouri Lawn Memorial Gardens. Mrs. Ford, was the daughter of the late Mr. and Mrs. John Thornton, and she was born January 21, 1921. She was a member of the Baptist Church.

She is survived by her husband, Orv Ford of Missouri; three sons, Jimmy, Gary and Larry Ford, all of California; three sisters, Mrs. Loyd Black of Crowell, Mrs. Miriam Dykstra of New Jersey and Mary Jane Thornton of Greenville, Texas. Also surviving are a host of nieces and nephews. She was preceded in death by her parents, three sisters and one brother.

Serving as pall bearers were Loniel Ford, Ivan Ford, Loyd Black, Leonard Ford, Lawrence Ford and Lowell Payne. Vacalists for the services was Loyce Hopkins.

## DPS Recruiting for Uniformed Services

The Texas Department of Public Safety is actively recruiting applicants to fill the ranks of its uniformed services. Major C. W. Bell, regional commander of the DPS, announced that the training school for new uniformed law enforcement personnel is tentatively scheduled to begin February 1, 1974.

The major noted that the DPS has been increasingly successful in recruiting persons from minority groups to these positions and said efforts in this direction will continue. Also in keeping with the current trend, female applicants will be considered for these rewarding careers in law enforcement.

Major Bell said general qualifications for DPS officers are these: applicants must be 20 through 35 years of age; height not less than 68 inches; weight not less than two pounds per inch of height; visual acuity of 20/40; and a minimum of 45 semester hours of college credit, of which six hours may be obtained while in training.

Applications may be obtained by contacting any DPS employee or any DPS office. The completed application form should be taken to offices in Lubbock, Amarillo or Wichita Falls where the competitive examination is given each Tuesday and Wednesday at 9 a. m.

Major Bell said persons selected as cadets will be assigned to Austin for training at the DPS Academy. The salary during training will be \$630.00 per month. Upon being commissioned the salary is raised to \$719.00 monthly with the opportunity to advance to \$848.00 per month.

Uniformed personnel receive additional longevity pay for each five years of service to 25 years. They are also granted a monthly uniform cleaning allowance, and receive travel expenses when away from their station.

Uniforms, vehicles, weapons, ammunition and related equipment are furnished. Group life and hospitalization are paid for the employee and dependent coverage is available at reasonable rates. Officers participate in the Employees Retirement System of Texas as well as Social Security. Vacation and holidays and sick leave are as provided for all state employees.

Successful graduates will be assigned to the Highway Patrol, License and Weight Service, Motor Vehicle Inspection Service, or Drivers License Service, according to the needs of the

DPS and consideration of personal preference.

All officers are eligible to compete for promotions after two years of service. Experienced uniformed DPS personnel interested in criminal investigation may apply for appointment to positions in the Criminal Law Enforcement Division, which includes narcotics, intelligence, motor vehicle theft and Texas Ranger services as vacancies occur.

Arrangements will be made for a physical examination. A character investigation will be conducted and those persons who are accepted for employment will be notified prior to the beginning of the February recruit school.

## CHECK FURNACE FILTERS

Check those furnace filters before the heating unit arrives, says an agricultural engineer for the Texas Agricultural Extension Service. A filter means cleaner air, more comfort. It also means more efficient operation of heating unit. Also check furnace blower belt for signs of wear and oil the motor with a lightweight oil.

Foard County News—7

Crowell, Texas, Nov. 15, 1973

From the News...

## 30 YEARS AGO

News items below were taken from the Thursday, November 11, 1943, issue of The Foard County News:

Cpl. E. Douglas Adkins, son of Mr. and Mrs. Cap Adkins of Thalia, has been missing in action since September 19, according to a telegram received by his parents from the Adjutant General of the War Department. Cpl. Adkins was in the infantry and it is believed he was taken prisoner at the time Italy was invaded by the U. S. Army.

Gordon Erwin of the Crowell FFA chapter, has been elected vice president of the district FFA organization.

Pfc. Claren W. Nichols, son of Mr. and Mrs. Grover Nichols of Crowell, was recently mentioned in an Associated Press account of the landing of Marines on Bougainville. According to the story by Rembert James, Pfc. Nichols and a soldier from Detroit were the first, while under Japanese fire, to discover a hiding place. In this refuge, a crater still hot from a shell explosion, they stayed for 90 minutes, while three snipers across the lagoon 50 yards to the left, kept bullets whining in our direction. Marige invaders finally cleared the snipers away, allowing Nichols and other men in a communications detail to set up their apparatus.

Aviation Cadet Joe Wells, son of Mr. and Mrs. J. S. Wells of Weinert, former Crowell residents, entered the Army Air Corps as a cadet on March 22, 1943. Joe, a former Crowell High School athlete and a former student at NTSTC at Denton, took his pre-flight training at Santa Ana, Calif., his primary flight training at Glendale, Ariz., and graduated on basic flight training in Pecos last week. He is now taking advanced flight training at Luke Field, Ariz., and when he completes his training there, he will be awarded his wings as a pilot.

The Crowell High School football team ran up its largest score of the season last Friday night at Childress when it defeated a team composed of four of Childress High School's regulars and seven reserves by a 37 to 0 score. Childress has eleven games on its schedule and any one boy can play in only ten games.

The ladies of the First Baptist Church are sponsoring a kitchen shower in the basement of the church Thursday night. The kitchen utensils and dishes were all destroyed by the tornado and the ladies are asking the cooperation of anyone who will do so to help them replace same.

Miss DeAlva Thomas of Crowell spent Saturday night and Sunday with Miss Evelyn Barker at Foard City.

Mr. and Mrs. John Matus Sr., have received word that their son, Rudolph, had landed safely overseas and was somewhere in Ireland.

For the first time in ship launching history, three submarines were launched simultaneously last week at the Portsmouth, N. H. Navy yards.

### Edward Turrentine Died in New York

Funeral services were held last week in Amarillo for Richard Edward Turrentine, 49, of Schenectady, N.Y., who died Tuesday of last week after an apparent heart attack.

Turrentine lived in Crowell and attended school here back in the 30's when his father, the late Rev. George E. Turrentine, was pastor of the First Methodist Church here. He was a native of LaVeta, Colo., and had lived in New York since 1945 where he was a research engineer for General Electric. He was a graduate of Tahoka High School and Texas Tech University.

He is survived by his wife, two daughters, two sons; his mother, Mrs. Annie Turrentine of Amarillo; and two sisters, Mrs. Mary Jane Farley of Slaton and Mrs. Miriam Platt of Bowling Green, Ky.

Dink Woods Honored at Armistice Day Program Saturday

Dink Woods, 83, of Paducah and a former resident of Foad County, was presented a Military Cross of Service during an Armistice Day program Saturday by the Children's chapter of the united Daughters of the Confederacy.

Held in Childress, the commemoration honored the memory of "Johnny Rebs," with Jerry C. Brewer, minister of the Church of Christ at Chillicothe, the principal speaker.

Since his wife is UDC member, the presentation recognized the 54-year Paducah resident as a Son of the Confederacy. The World War I veteran's grandfather, A. G. Woods, served as Second Lieutenant in Co. H, 2nd Regiment of Texas Cavalry, Confederate States of America.

After the war between the states, the grandfather served as county judge of Young County for a number of terms. He died in 1899 in Graham.

Woods went to Paducah in 1919 following his volunteer service. After his wife, the former Mae Nichols, died in 1968, he married Mrs. Grethel Teague Cobb, a Crowell native, on Dec. 6, 1969. Her husband, Clyde, and he served together in the war. Cobb died in 1961.

Woods is a retired farmer, grocery clerk, oil field and construction worker and was employed in Foad, Cottle and Wilbarger Counties. Born in Bolivar, Cooke County, Woods moved with his parents, Mr. and Mrs. Charlie B. Woods of Graham, to the Indian Territory at the age of 4, but upon his wife's death 18 months later, the father and four children returned to Graham and in 1899 settled in Foad County.

Woods has no children but his wife has a daughter, Mrs. Bob Whitaker of Chillicothe, and a son, Wayne Cobb of Shreveport, La.; and four grandchildren.

Mr. and Mrs. Charles Burton visited her daughter in Oklahoma this weekend.

Mr. and Mrs. Kenneth Walker and children of Waco and Mr. and Mrs. Jerry Cawthorn and Scotty of Vernon attended the Archer City ball game with the Ray Glasscocks Friday night. The Walkers then went home with the Glasscocks and spent the weekend. The Cawthorns and Scotty visited the Glasscocks, Sunday.

Allen Tapp spent the weekend in Wichita Falls with Mr. and Mrs. Randy Tapp.

Tommy Tapp visited his brother, Mr. and Mrs. Curtis Tapp in Willow, Ok., this weekend.

Mr. and Mrs. John Quintero and family went to Sweetwater for a niece's wedding.
