The summer chautaugua and the Lyceum courses during the winter months, sponsored jointly by the Columbian and Adelphian clubs were featured several years during the late

teens and early 20's, were always eagerly awaited. The Columbians purchased two pianos for the school. They

gave a number of record players and records, and sponsored the "Music Memory" contest in the grammar school. They were also active in the annual spring clean-ups. The courses of study ranged from Bay view study courses, Meutor programs to Shakespeare, Tennyson and Browning with local history
