County Needs Rain But Gets Dust Storm

Foard County, without any moisture for over six weeks, is in bad need of some moisture, and prospects looked good here shortly after noon Monday. However, all the county

managed to get was a terrific dust storm, with extremely high winds blowing out of the east. As clouds built up to the east, the county did get some cool wind for a change.

In addition to the dry weather, the mercury has been rising to 100 or above most every day.

Grant Received for Senior Citizen Program

Approximately 400 senior citizens in a four-county north Texas area are being served through an Office of Economic Opportunity grant that Governor Dolph Briscoe announced Friday.

The \$8,754 grant to Economic Opportunities Advancement Corporation of Cottle, Foard, Hardeman and Wilbarger Counties in Crowell is for Senior Opportunities and Services. Funded under Title II of the Economic Opportunity Act, the grant is effective for a five-month period that began Feb. 1, 1974.

Felix Taylor, executive director of EOAC, says activities are coordinated by a full-time worker in Hardeman County and a part-time worker in both Foard and Cottle counties. The group in Wilbarger County is organized sufficiently now to operate on its own, but EOAC provides technical assistance if needed. The coordinators supervise such activities as handicrafts, covered dish luncheons once a week, picnics and entertainment programs.

"These senior citizens create their own entertainment and also present skits and sing for others confined in nursing homes, at community gatherings or at the Mental Health and Mental Retardation Center," said Taylor.

The elderly sell their crafts such as decorative flowers, ceramics and paintings to supplement their own small incomes.

The group in Quanah publishes its own newsletter, the Roadrunner Gazette. They distribute the newsletter to the membership and to senior citizens confined in their own home or in nursing homes.

Grant processing for the state was performed by the Texas Office of Economic Opportunity, a division of the Texas Department of Community Affairs.

R.A. Yarbrough Re-Elected as Greenbelt Prexy

R. A. Yarbrough of Childress was re-elected president of the Greenbelt Municipal and Industrial Water Authority at a meeting Thursday night in Clarendon.

Carroll Knorpp of Clarendon was re-elected vice president. Bill Lowe of Clarendon, was elected secretary and Jimmy Kuhn of Clarendon, treasurer.

Knorpp and Yarbrough are directors of the Authority.

It was announced at Thursday night's meeting that the Authority was applying for a \$700,000 grant to be used to increase the capacity of the filtering plant and to build additional storage at Childress and between Quanah and Crowell.

"When the time comes we are going to need the public to help us secure action on grant from Congressman Bob Price and U.S. Senators John Tower and Lloyd Bentsen," Yarbrough said.

The firm of Freese and Nichols of Fort Worth was authorized to prepare the application for the grant.

It was pointed out at the meeting that consumers were now using the capacity of the filtering plant which is 6,000,000 gallons of water a day. The lake produces 10,000,000 gallons of water a day during a normal year.

GRASS FIRE SATURDAY

The Crowell Volunteer Fire Department was called to the Vivian community to extinguish a pasture fire on James Sandlin's place about 15 miles west of town. Fire Chief Leonard Tole estimated at least 75 acres of pasture was burned off before the blaze was brought under control.

Anderson Resigns; Board Hires Coach

Marvin Field, 42, of Goliad has been hired by the Crowell school board as junior high coach and assistant high school football coach. Mr. Field, who will also teach science in the grade school, has been employed by the Goliad school system for the past three years.

He and his wife are the parents of four children, two

sons and two daughters, ages 15, 13, 12 and 11 and the family attends the Baptist Church. Mr. Field will begin his duties here on August 12. He is a graduate of Texas Tech.

The board hired Field to replace Jerry Don Anderson, who resigned after one year in the local system.

In other action at the called board meeting Monday night, Richard Hernandez Jr. was hired as grade school custodian and bus driver.

Also, two days of personal business leave was provided for the professional staff. The leave is non-accumulative and the teacher will be charged \$15 to pay a substitute. The leave cannot be taken near holidays or the end of school.

Five days per year of sick leave, cumulative to 15, was provided for the full-time auxiliary staff. The 15 days accumulation of sick leave time will be in addition to that of the current year.

Completion of the roofing of the building has been completed at a cost of \$3,369.00.

Considerable work is in progress at the local plant now in hauling gravel and getting an area around the gym ready for hard-surfacing.

The school office will be closed the week of July 29 and the next meeting of the board is set for August 12.

Named Farm Bureau Field Representative

William S. (Steve) Cochran of Aspermont was being employed by the Texas Farm Bureau as a field representative in 16 counties in this area, according to J. T. (Red) Woodson of Gober, TFB president.

Cochran will act as liaison between county Farm Bureau organizations and the Texas Farm Bureau, assisting the county units in implementing and carrying on various programs. He will continue to reside in Aspermont.

Counties being served by Cochran include Donley, Hall, Childress, Collingsworth, Scurry, Fisher, Wilbarger, Baylor, Throckmorton, Haskell, Knox, Foard, Stonewall, Motley, Hardeman and Cottle.

Forty-Six Offer Blood Here Last Tuesday

Foard County blood drive officials expressed gratitude this week to the forty-six residents who offered blood when the Red Cross Bloodmobile made its semi-annual visit to the county Tuesday afternoon of last week. Blood was accepted from 40 of the 46 who offered.

Crowell, Texas, July 18, 1974

Two Deaths on Foard Highways

The Texas highway Patrol investigated two accidents on rural highways in Foard County during the month of June, according to Sergeant Jack Therwanger, Highway Patrol supervisor of this area.

These crashes resulted in 1 person killed and no persons injured.

The rural traffic accident summary for this county during the first six months of 1974 shows a total of 6 accidents resulting in 2 persons killed and 2 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1974, shows a total of 466 accidents resulting in 19 persons killed and 261 persons injured as compared to June, 1973, with 559 accidents resulting in 27 persons killed and 331 persons injured. This was 93 less accidents, eight less killed and 70 less injured in 1974 at the same period of time.

The 19 traffic deaths for the month of June, 1974, occurred in the following counties: three in Dallam; two each in Motley, and Potter; and one each in Hutchinson, Foard, Oldham, Sherman, Swisher, Wilbarger, Clay, King, Lamb, Lubbock, Palo Pinto, and Yoakum.

and who will probably never be able to work and become self-supporting. The monthly benefits of these young people, severely handicapped by physical or mental disabilities, will continue indefinitely. Benefits are also payable to the mother if the disabled son or daughter is in the mother's care.

King said that another relatively small but significant group of youthful social security beneficiaries are those who are receiving benefits as disabled workers. Since December 1973, King said, social security benefits have increased 11 percent, with 7 percent of the amount payable in March 1974 and 4 percent in July 1974.

New Type of Park Entrance Permit Planned

State park users will soon have the opportunity to purchase an annual park entrance permit designed much along the lines of vehicle inspection stickers.

Texas Parks and Wildlife Commissioners in their May meeting approved the concept of an annual permit which is valid for 12 months from the date of issuance.

The TP&W Department currently issues three types of annual entrance permits: \$12 fee, \$5 restricted fee valid at a designated park and a \$12 group fee for youth organizations composed of individuals 17 years of age or under.

All such permits now expire Aug. 31 of each year. Commissioners approved the implementation of the new system beginning Sept. 1, 1974, which will coincide with a similar policy for issuing fishing licenses.

A Weekly Report Of Agri Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

THE BOLL WEEVIL

was first found in Texas cotton crops in the early 1890s, and it has been found in every cotton crop since that time, despite efforts to eradicate or control it. At one time, the Texas legislature offered \$50,000 for an effective solution to the boll weevil problem, but a committee appointed to judge entries decided that no one who submitted a plan deserved the \$50,000. This year boll weevils have been reported in cotton fields from the Rio Grande Valley to North Central Texas; and heavy damage has been reported in Ellis, Delta, Dallas, Hunt, Collin and Kaufman Counties. Overwintered boll weevil populations have been noted in Fisher, Foard, Knox and Wilbarger Counties. Increased number of cotton fleahoppers also have been noted in all cotton-growing areas of the State. Bollworm damage was noted in the Valley and in Brazos and Burleson Counties.

RICE HARVEST

is underway, and Texas Crop and Livestock Reporting Service says that prospects for a good crop are good to excellent. Harvest of most other crops is moving north. Sorghum is ripe for cutting from the Blacklands southward, but there are a few fields yet to be planted farther north. Peanut and soybean planting in the State is almost complete; and a good corn crop is in prospect across the State. Hot temperatures and dry weather is affecting pastures across Texas, and some ranchers in West Texas are reporting having to feed to keep livestock in their present condition. Prospects for third and fourth cuttings of hay have decreased because of the weather.

TEXAS FARMERS

and ranchers are much better off than their predecessors in 1910-14, if that is any consolation. Texas Crop and Livestock Reporting Service reports that prices received by farmers and ranchers on June 15 were 448 per cent of the January, 1910-December, 1914 period, sometimes known as the base parity period. However, the all-crops index was three per cent below the month of May, 1974 and 36 per cent above a year ago. Food grain prices were up, and wheat and corn prices showed a slight increase over May prices. Hay prices remained about the same. Livestock and livestock product prices were down 12 per cent from May, 1974 and 28 per cent below a year ago. Livestock prices brought the all-farm products index of prices (crops, livestock, etc.) seven per cent below May prices and two per cent below a year ago.

THERE WERE

362,000 head of cattle and calves sold in Texas auction barns during May, which is 51 per cent below a year ago and 18 per cent below a month ago. May sheep sales were 19 per cent more than in April, reaching a total of 145,000 head. That is 37 per cent below a year ago. A total of 40,000 head of hogs were sold at auction in May, two per cent below the same time in 1973 and seven per cent below April, 1974. The number of hogs and pigs on Texas farms also decreased, falling to 930,000 head which is three per cent below 1973 and the lowest June 1 inventory for Texas since 1969. Hog farmers report they plan to farrow 58,000 sows from June through August and 53,000 during September, October, and November. That will be an increase of over four per cent over the same quarters in 1973.

Rotarians Hear New President's Plans for Year

New Rotary Club President Roy Whitley told local Rotarians his plans for the new year at the Wednesday, July 10, meeting of the local club.

He wants a bigger baseball field so that teams of all ages can play, a show barn for the local project show, and five new members for the Rotary Club during the coming year.

Visitors at the meeting were Rotarian Howard Bartley of Quanah and Rotarians Mickey Sharpe and Garland Jones of Vernon.

DO NOT QUESTION

Those who have not experienced success or comfort do not question the merit of achieving them. That's why most of the world's people are working so hard to get what the people of the United States already have and take for granted.

LOW VOLUME SPRAYING FOR MESQUITE

Low volume aerial application of herbicides can cut costs and still be as effective as standard dosages in controlling mesquite, according to a brush control scientist at the Texas Agricultural Experiment Station. Low volume spraying can reduce the use of diesel oil by 6 pints per acre and water by 18 pints per acre compared to conventional four gallon volumes. This greatly reduces the cost of brush control work.

TOO MANY...

According to Mr. John T. McCarty, assistant to the Chancellor of Pepperdine University in California, "Too many Americans seem willing and eager to seek solutions to our problems from these wonderful people on the banks of the Potomac River who are responsible for managing the Post Office, the Bureau of Indian Affairs, and the District of Columbia itself, including their new subway system which has been under construction for years."

Truscott Gilliland

Jacquelyn Brown

Mrs. Irene Gerrold celebrated her 80th birthday on July 9 with cake and punch for friends at her home in Truscott.

Following the presentation of gifts to Mrs. Gerrold, who is a member of a pioneer Knox County family, guests were served a beautifully decorated cake and fruit punch.

Those helping Mrs. Gerrold with hostess duties were Mmes. Edgar Jones, Vivian Brown, Bill Owens, Idoma Chowning and Clara Brown. Over 20 guests called during the party hours.

Officers were installed and a new member welcomed at the July 11 (Thursday) meeting of the Truscott Home Demonstration Club.

Mrs. Marion Chowning Jr. presided at the meeting and the roll call, "My first impression of Truscott" was taken by Mrs. Warren Corder.

Flowers were presented to the new officers by Mrs. Jack Brown. They are Mrs. J. R. Brown, president; Mrs. Warren Corder, vice president; Mrs. Marie Gillespie, council delegate; Mrs. Chowning, secretary and Mrs. R. C. Daniel, treasurer.

Committees will include: EEE—Mrs. Owens and Mrs. Edgar Jones; Finance—Mrs. Gillespie and Mrs. Corder; Program—Mrs. J. W. Brown and Mrs. Chowning; Recreation—Mrs. Daniel and Mrs. Jim Cumley; 4-H—Mrs. Tom Westbrook and Mrs. Elmo Shaw; Health and Safety—Mrs. Idoma Chowning.

The club voted to sponsor the Truscott Homecoming and reunion Saturday, Aug. 31, as its annual community project. Everyone was urged to invite former residents to the gathering.

Members of the committee of the community center association invited all club members and interested persons to come to the center on Wednesday mornings to help paint, upholster, or whatever needs to be done. Plans are being made to move a small open shed to the back of the center to use as storage for benches. Anyone handy with a hammer can help make benches.

Following the business meeting and installation a special program was held to welcome Mrs. Jim Cumley to the community and to the club.

After hearing a brief summary of the community's history, Mrs. Cumley responded by telling briefly about her family. The Cumleys have a daughter who married last December. Their son, Monty, lives with them at Truscott. He will be a sophomore at Crowell High School. The Cumleys have moved to Truscott from Richardson in the Dallas area. Jim Cumley is the grandson of the late Dr. Hines Clark of Crowell.

Jacquelyn Brown left Sunday for two weeks at the Lubbock Christian College Band Camp. She went to Lubbock with the group enrolling in the Tech band camp. The group included Paul Whitley, Scott Streit and Arthur Cerda. They were accompanied by CHS band director Streit.

Mrs. C. E. Ellis of Abilene visited her niece, Mrs. Jim Cumley last week.

Mrs. Paul Bullion and Gail, Mrs. Pearl Summers and Mrs. Hattie McEwen went to

Ballinger Sunday to attend the Sparks family reunion. Mrs. Bullion's nieces Brenda and Pam Hedden of San Angelo returned with them for a week's visit.

So you thought prices were high. But things will soon be worse. Mildred Glasscock has announced that her next order of penny candy will have to be sold for two cents. She still has a good supply of penny candy and penny bubble gum, so the school kids had better stock up. It won't seem like our store without penny candy.

Mr. and Mrs. Jerry Cawthron and Scotty of Quanah visited the Ray Glasscock's Sunday.

Mr. and Mrs. Bazel Glasscock of Rockwall, spent Thursday night with the Ray Glasscocks.

Mr. and Mrs. J. D. Sewell and Mr. and Mrs. Lyn Sewell of Fort Worth spent last Monday night with the Ray Glasscocks, enroute to a vacation in New Mexico.

Paul Bullion says the official high temperature for the summer was reached June 15 with 104 degrees. Moisture in June was 4.05 inches and .05 for July.

Big plans are underway for the next musical under the stars in downtown Truscott. We need more volunteers to help man the concession stand due to the big crowds. Next jamboree is set for Saturday night, August 3, which will be the last one for 1974.

Social Security News

Under an amendment to the social security law, people can now be asked to prove their age, identity, citizenship, or lawful alien status when applying for a social security number for the first time.

For proof of age, a birth or baptismal certificate is sufficient. To prove your identity, you'll need a voter's card, school record, or school identification card or something similar, preferably with your signature on it.

If you are an alien or a naturalized American citizen, you'll be asked to prove your citizenship or legal alien status. To get a social security number, aliens can submit an Alien Registration Receipt Card, an Arrival-Departure Record, a Non-resident Alien Border Crossing Card for Canada or Mexico, or other evidence of lawful admission to the United States. Foreign born United States citizens will need to submit a certificate of naturalization or citizenship, or a United States passport, a citizen identification card from the United States Immigration and Naturalization Service, or a report of birth from a U.S. State Department consulate.

These proof requirements are intended to prevent people from obtaining more than one social security number or using a social security card under a false identity. They also help determine if aliens are working in the United States without permission or are in this country illegally. Referrals will be made to the Immigration and Naturalization Service if an alien is working when not authorized to do so or is unable to establish legal entrance to this country.

You should apply for a social security number and be able to furnish the necessary proofs several weeks before you need it. When you get a job covered by social security, make sure your employer copies your name and number correctly from your social security card to his records.

If you have any questions about what papers you'll need, you should contact your local social security office. The office in Vernon is located at 1701 Cumberland Street. The phone number is 817-552-9346.

Hoods will be fashionable ear warmers this winter. They are being used on coats, capes and sweaters.

What One Person Can Do

BARBARA FOUCH FASHION MODEL

Barbara Fouch is one of the South's leading black models. But she's not just "another pretty face." Ms. Fouch is an outspoken community leader, sharing the skills acquired in haute couture with young black women in Atlanta. Most of her students come from poor families and are unfamiliar with basic grooming habits that employers take for granted.

"We start at the very beginning," she says, "doing things that people assume have been done by somebody else that are actually not being done by anybody."

Instruction includes daily personal hygiene, use of makeup, how to dress, poise, diction and basic etiquette. But the goal isn't just looks. It's jobs. Ms. Fouch tells students: "You have a choice—either to be part of the system or to hang loose from the system." If they want "in," she helps them get there.

Courses are sponsored by the Neighborhood Youth Corps (NYC), with headquarters in Ms. Fouch's agency, Peachtree Center Models, Inc. Classes are held in prisons for juvenile offenders, in elementary schools as part of the regular curriculum, and for new employees in banks and hotels.

Barbara Fouch isn't at all shy in approaching businessmen. "You have a responsibility," she tells them, "to help us to help these young ladies become more employable." Since NYC's start in 1969, they have met that challenge.

But Barbara Fouch wants more than jobs for black youngsters. She wants self-esteem. "If the person doesn't feel good about himself," she maintains, "he can't be very effective in whatever it is he's doing."

How do you change the world for the better? Start where you are, with what you have been given. And reach out—just like Barbara Fouch.

Terry Farrar and Miss Bailey Wed in Miami

The First Baptist Church in Miami, Tex., was the setting for the June wedding vows of Miss Cindy Dianne Bailey, daughter of Mr. and Mrs. Royce Bailey of Miami, and Terry Lynn Farrar, son of Mr. and Mrs. Alton Farrar of Route 1, Crowell.

Minister of the Church of Christ, Weldon Farrar, brother of the bride-groom, of Davis, Ok., performed the double-ring ceremony before arrangements of baskets of pink and white Gladioli and white Daisies. These were flanked by two 15 branch candleabras with white tapers entwined with greenery. Pews were marked with white bows and greenery.

Aunt of the bride, Mrs. Wiley Bailey, organist provided traditional wedding music and accompanied Mrs. Weldon Farrar sister-in-law of the bride-groom, of Davis, Ok., as she sang "More" and "We've Only Just Begun".

The bride was given in marriage by her father, with the "her mother and I" avowal. She wore a formal gown of silk organza designed with an empire waistline, stand-up neckline and long sleeves with wide fitted cuffs, edged in crystal pleats. The bodice was designed with daisy lace motif. The skirt had a deep flounce with daisy trim and swept to back fullness with a train. The waist length veil of illusion fell from a Juliet cap trimmed in seed pearls. Her cascade bouquet was of pink roses and white carnations.

She wore the traditional something old, a ring belonging to her mother, something new, an opal necklace, gift from the bride-groom, borrowed and blue was the garter she wore. She also wore a six pence in her shoe, a gift from a friend.

The traditional red rose was presented to the bride's mother and the bride-groom's mother immediately following the ceremony. The bride and groom lighted memory candles.

Miss Kay Gill was maid of honor, and brides maids were Kim White of Panhandle and Miss Dianna Rowell of Amarillo. All wore identical floor length dresses of nylon with clusters of royal blue flowers on white. They were styled with matching jackets of waist length and long sleeves. Their headpieces were flat navy-blue bows. Each carried a

cascade of green carnations with navy-blue streamers. Michann Bailey, cousin of the bride, was flower girl. She wore a floor length dress, styled similar to the brides maids'. She wore a green carnation wristlet tied with navy-blue ribbon.

Ring bearer was Rodney Farrar. Candlelighters were Troy and Bryan Farrar, all three are nephews of the groom. They are the sons of Mr. and Mrs. Charles Farrar.

Train bearer was Ken Farrar of Davis, Ok., nephew of the groom and son of Mr. and Mrs. Weldon Farrar.

Steve Bailey, brother of the bride, was best man. Groomsmen were Mance Nelson of Crowell and Ronnie Naylor of Thalia, high school and college mates of the groom.

Ushers were Ronald Morton, of Amarillo, nephew of the groom and Douglas Bailey, of Miami, brother of the bride.

Presiding at the guest register was Miss Janna Gordon of Miami.

The bride's mother wore a floor length melon colored dress of printed polyester, styled with a V-neckline, with long bordered cuffs and a pleated skirt with bordered hemline. She wore a green orchid corsage.

The groom's mother chose a floor length gown of turquoise-blue double knit, designed with an empire waistline, rounded neckline and long sleeves. Accessories were white and she wore a pink orchid corsage.

Reception

A reception followed the ceremony in the fellowship hall of the church. The bride's table covered with a white linen cloth, trimmed in lace, was centered with a six tiered white wedding cake, decorated with yellow roses and angels carrying harps. It was topped with a miniature bride and groom and wedding bells. Fresh garden lilies circled the bottom tier. A three angel epergne held a bouquet of blue carnations and white daisies.

Mrs. Harvey Bailey and Mrs. Courtney Broadus, aunts of the bride and Mrs. Viola Buem presided at the serving table.

The groom's table was covered with a beige cloth trimmed with brown fringe. The chocolate cake was trimmed in white lattice work, topped with a cluster of white chocolate roses and a pair of miniature love birds. Miss Emmy Lou Bailey, cousin of the bride, presided at the silver coffee service and Cathy Morgenstern served the cake.

Rice bags of tulle, tied with navy-blue ribbon, were distributed by Misses Kasandra and Michann Bailey, cousins of the bride.

For the wedding trip to Oklahoma City, the bride chose a pink knit pantsuit. She wore the corsage from her bridal bouquet. The couple will be at home in Amarillo at 4010 South Ong St. The groom is employed with Pantex of Amarillo.

The bride is a 1974 graduate of the Miami high school. She participated in all school activities, served as girls basketball manager, played basketball, and was a cheerleader 3 years. She was a member of F.H.A. and was elected the homecoming queen her senior year; was class president and held other offices.

The bride-groom is a 1972 graduate of Crowell High School, where he was active in all sports and received several awards; was who's who in F.F.A. two years; captain of the football team and was honored with the Dick Todd award; was chose all-district linebacker and played in the Greenbelt Bowl game. He played basketball, track, tennis and golf. He was student council treasurer and class president; was student council president his senior year. He was also active in church work. He attended WTSU in Canyon the last two years and is majoring in animal science. He plans to continue his education this fall.

Rehearsal dinner was hosted by the parents in the community center of Miami, with a buffet styled dinner.

Pre-nuptial events were a bridal shower in the home of Mrs. Gail Jackson hosted by Mmes. Charles Bailey, Travis Noble, Harold Stone, R. A. Flowers Jr., Randall Gill, Wiley Bailey, Robert Howard, Cecil Gill, Melvin McCuiston, Lawrence Buice, Wilford Jackson and Viola Beum.

Compliments of a lingerie shower in the home of Miss Kay Gill was given with Misses Melinda McCuiston, Cathy Bailey, and Debbie Bryant as hostesses.

Her "Home and Family Living" class honored her with a Tupperware shower at the high school. The affair was hosted by Miss Margie Hines, teacher, and class members, Misses May Fran Wiley, Judy Cassie, Shawn McClure, Susan Ehmann and Melinda McCuiston.

The bride and groom were honored with a shower in Crowell the week following the wedding, by hostesses from Crowell, Thalia, Lockett and Odell. The shower was held in the community center of Crowell.

Hostesses included Mmes. Jimmie Holland, T. R. Cates Jr., O. C. Holland, Henry Ramsey, Robert Bachman, Kelly Moore, T. J. McGill, Clois Cobb, Gladys Moore, Glenn Swan, Bill Smith, Ward Kuehn, Bill Moore, Clyde Self, Johnny Daniel, Walter Johnson, Edward Streit, Maggie Capps, L. E. Lawson, R. H. Cooper, Freddie Wilhelm, Sam Kuehn and Mrs. Lee Sims. The hostess gift was a cut velvet queen size bedspread and a pair of queen size pillows. A host of friends showered them with lovely gifts from the communities mentioned above and Vernon. The serving table was laid with a white linen cloth and crystal and silver appointments and with an arrangement of blue, spring flowers.

Misses Lisa and Kerin Morton served cookies and punch to the guests. Wanda Cates attended the register table. Murl Holland greeted the guests and presented them to the bride and her mother, Mrs. Royce Bailey of Miami, and the groom's mother, Mrs. Alton Farrar, his grandmother, Mrs. J. F. Ketchersid of Fargo, his sister, Mrs. Vernon Morton of Amarillo and his aunt, Mrs. Gerald King of Vernon.

Out of town guests attending the wedding were Mr. and Mrs. Vernon Morton, Ronald, Lisa, Kerin, of Amarillo; Mr. and Mrs. Bill Rowell, Amy, Dinna, Kenneth Terry, Mrs. N. J. Carpenter, Jan and Leland of Amarillo; Mr. and Mrs. Alton Farrar, Mance Nelson, Rhonda Veceira, and Ronnie Naylor of Crowell; Mr. and Mrs. Paul Farrar and Carol of Perryton; Mrs. Adrian Chisum, Cheryl, Karen and Theresa, Mr. and Mrs. Jere White and Kim, Steve Sterling of Panhandle; Mr. and Mrs. Charles Farrar, Troy, Bryan and Rodney of Morris, Ok.; James Miller of Canadian; Mr. and Mrs. Terry Allen, Mr. and Mrs. Clifford Searl, Mr. and Mrs. Glen Brummett all of Pampa; Mr. and Mrs. Danny Searl and Christy of Lubbock and Mr. and Mrs. Weldon Farrar and Ken of Davis, Ok.; and Mr. and Mrs. Travis Farrar and Cathy of Vernon.

SUMMER CARE FOR ROSES

To keep roses producing, even during hot weather, fertilize them each month, water and prune regularly, and follow a regular spray program to provide protection from insects and diseases, says a landscape horticulturist for the Texas Agricultural Extension Service. If leaves begin to yellow, apply iron chelate or iron sulfate. When pruning, cut above the topmost five-leaflet leaf on weak stems and above a three-leaflet leaf on strong stems.

4-H Members Attend District 3 Rally Day

Nine local 4-H members attended the District 3 Rally Day held on Tuesday, July 9 in the Wilbarger Memorial Auditorium in Vernon. The activities began with a general assembly of 195 4-H members, leaders, and agents from twenty-two counties. Foard county presented the opening exercises for the assembly. Those participating in the opening exercises were Butch Borchart, Paul Whitley, Rocky Marlow, and Remelle Marlow. This was followed by group singing and the presentation of skits from ten counties. Karen Stanser, Jill Myers, Jacquelyn Brown, April Werley, and Remelle Marlow presented the skit for Foard County.

The assembly was divided into three groups and the youths attended the various subject matter groups. 4-H awards and scholarship, mini-gardens and crafts were the subject matter groups.

The evening activities included square dancing, directed by Joel Wilson. A short vespers closed the days activities.

Those attending from Foard County were Adrian Martinez, Jill Myers, Butch Borchart, April Werley, Rocky Marlow, Jacquelyn Brown, Paul Whitley, Karen Stanser, Remelle Marlow, Sally Sowell and Joe Burkett.

Lions Elect New International President

SAN FRANCISCO, CALIFORNIA—Johnny Balbo of Oak Brook, Illinois, was elected President of the International Association of Lions Clubs at their 57th Annual Convention in San Francisco, California. Lions International is the largest humanitarian service club organization in the world. It is a non-political, non-sectarian association with over one million members in 146 nations and geographic areas.

A former professional wrestler and World Light-Heavyweight Champion from 1947-49, Balbo has been a member of the La Grange, Illinois, Lions Club since 1952. Now a mobile home park owner, Balbo is a director of the Illinois Society for the Prevention of Blindness and a trustee of Leader Dog School for the Blind, Rochester, Michigan, and Hadley School for the Blind in Winnetka, Illinois.

President Balbo's theme for his year in office, "Lionism: a Heritage Challenging Tomorrow," exhorts Lions everywhere to build upon their strong history of service to meet the future needs of the handicapped, the lonely and the under-privileged of the world.

FARM, RANCH SAFETY SYSTEMS

Farm and ranch safety systems can help eliminate accidents, believes an agricultural engineer for the Texas Agricultural Extension Service. Such systems should be based on the "Three E" approach: engineering (elimination of hazards), education (obtaining knowledge) and enforcement (supervision of workers). About two-thirds of the injuries to farm and ranch families are work-related. Farm machinery is involved in 20 per cent of all injuries. Power and hand tools and motor vehicles each cause 12 per cent of all farm and ranch accidents and animals are involved in 11 per cent of the injuries.

ANY OTHER WAY

Emphasis on trouble and crisis seems to be a built-in feature of the news-gathering business. How can it be any other way when most people pay much more attention to scandal or disaster than a story about how something worked out right for a change? No getting around it—bad news sells and good news doesn't, which is a shameful reflection of the people of the U.S.

30 Years Ago in The News

News items below were taken from the Thursday, July 13, 1944, issue of The Foard County News:

Miss Frankie Kirkpatrick, Girl Scout leader, and seven girls left Wednesday for Camp Louis Farr at Mertzon for a week's encampment. The Girl Scouts attending are Betty Barker, Bobbie Ruth Abston, Rondyn Self, Jane Bruce, Neva Lou Potts, Mary Edna Norman and Marilyn Male.

Lt. John F. Bowley, who has been in the invasion in France, is missing in action, according to information received by Foard County relatives.

Pvt. Eldred A. Collier, brother of Mrs. Doris Gentry of Crowell, was injured in action during the invasion of France and is now in the U. S. Army Hospital in England, according to information received here by Mrs. Gentry.

The second blood donation for Foard County will be on August 1 in Wichita Falls, between the hours of 1 and 5 o'clock in the afternoon. Seventy-five donors are needed from the county this time and Mrs. Mack Edens, chairman of Red Cross Blood Plasma for the county asks that those who desire to donate blood on this occasion, contact their community chairman instead of waiting for the chairman to ask them.

William Marvin Whyburn, chairman of the department of mathematics at the University of California, Los Angeles, has been elected president of Texas Technological College in Lubbock to replace Dr. Clifford B. Jones, resigned.

The Fifth War Loan Drive ended last Saturday night, July 8, and was one of the most successful ever to be held in Foard County, with a total of \$187,000 being sold, an excess of \$42,000 over the quota of \$145,000.

Congressman Ed Gossett, who is making the race for re-election, announces that he will speak on the court house lawn in Crowell on Wednesday evening, July 19, at 8:30 p.m.

Two new members, Grady Graves and Richard Ferguson, attended the meeting of the Rotary Club at the Deluxe Cafe Wednesday. Herbert Edwards is the new president of the club.

TIGHT COTTON SUPPLIES

The 1974 cotton crop now looks smaller than first predicted in some circles, and an economist for the Texas Agricultural Extension Service thinks that overall cotton supplies may be tight through 1975. This should strengthen prices as the 1974 crop progresses and supplies continue to diminish. Carryover by August 1 is expected to be down to 3.4 million bales, the second lowest level in the past 22 years. This year's U.S. crop will probably not surpass the 14-million bale mark, compared to earlier reports of a 16-million-bale crop.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—Fitting together an acceptable constitutional revision package proved to be fully as thorny a job as the most pessimistic forecasters maintained.

Constitutional Convention delegates limped back to Austin this week to try again for a showdown two-thirds majority vote after rejecting 91-86 the initial submission proposal which they had stitched together piece-by-piece earlier.

Hang-ups ranged over a wide area—from the separate right-to-work proposition (which is bitterly opposed by organized labor) to internal provisions of the basic revision document.

Some persistent critics argued special interests had too big a hand in drafting the revision. Members of all factions disagreed over sections of the education article—including guaranteed equal opportunity and earmarked college building funds.

First approaches at compromise centered on efforts to eliminate some of the five "separate submission" items—that is, proposals not included in the basic revision.

\$72 MILLION TEXAS SHARE—Texas received \$72 million in federal revenue-sharing funds for the final quarter of fiscal 1974.

The state government's share is \$24,260,347—the same as third quarter of fiscal 74.

Checks will go to all levels of government which are eligible for revenue-sharing funds. About \$48 million will benefit cities, counties and other local units.

TEXAS DOMINANT—Texas still dominates the livestock industry on the basis of 1973 statistics.

Texas Agriculture Commissioner John C. White said Texas last year produced more than twice as many cattle and calves as the second place state, Iowa—16,250,000 head, compared to Iowa's 7,660,000.

Sheep and lamb production in Texas also topped the nation, and Texas ranked among the nation's top 10 dairy cattle states. Hog production in the state totalled 1,050,000 head in 1973.

HEARINGS BEGIN—First of 14 Texas Water Quality Board hearings began in Fort Worth and Dallas last week in an effort to find a suitable way to dispose of toxic industrial wastes.

Testimony will also be taken in Beaumont, Port Arthur, Mexia, San Antonio, Pasadena, Corpus Christi, Brownsville, El Paso, Midland, Amarillo, Longview and Austin.

APPOINTMENTS—Gov. Dolph Briscoe appointed Jerry W. Woodlock of Gainesville district attorney of the 235th district replacing Jim J. Hatcher of Gainesville who resigned. The district includes Jack, Wise and Cooke counties.

Briscoe named Sister Austin Cusimano of Waco and David A. Garrett of San Antonio to the Advisory Hospital Council and reappointed four present members.

AG OPINIONS—Financial records and information on employees' salaries in a school district are subject to public disclosure, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- The public has a right to examine and duplicate lists of registered voters who participated in a school board election.

- Hospitals will not lose their tax-exempt status due to incidental operation of a

blood bank for public charity where no rent is charged.

- Information provided by banks to local tax assessors-collectors identifying stock-owners and size and value of their holdings is public record.

- State employees must complete 15 or 20 years of employment to qualify for 10 and 14 hours vacation time for each month on the job. Sick leave can be accumulated without limitation.

- Surplus maintenance tax receipts of school districts and junior colleges may be pledged as payment for certificates of indebtedness under law, whether or not the tax election occurred before or after effective date of the act.

- How student service fees are to be charged is decision for governing boards of each institution of higher education.

COURTS SPEAK—The Third Court of Civil Appeals, upholding an Austin district court, said the Railroad Commission can force Lovaca Gathering Company to apportion gas to Austin, San Antonio and Lower Colorado River Authority in the public interest.

Courts can enjoin picketing by strikers only where there is violence or a threat to order, the Supreme Court held.

In other new cases, the High Court held:

- Denied right of a Dallas developer to build a high rise apartment building on Swiss Ave.

- The doctrine by which negligence can be shifted from one party to another applies only to commercial enterprises.

- Two San Antonio lawyers shouldn't be reprimanded by the State Bar for writing letters to a newspaper editor criticizing a district judge and each other.

- A contested 4,500 acres including a large part of Pleasure Island and part of Lake Sabine's bottom belong to Port Arthur (surface rights) and the state (mineral rights).

- Its May 29 decision that radio evangelist Lester Roloff can operate homes for teenagers 16 and over without a license will stand in spite of a challenge by Hill.

SHORT SNORTS

Alabama Gov. George Wallace is soliciting funds from Texans for the new "Wallace Campaign," and polling as to how voters would cast their ballots if 1972 presidential candidates (including himself) were running today.

A poll by a state representative showed legislators don't really want a special session on school finance and other matters, although many are calling for one publicly.

Attorney General Hill has been called on to write an opinion on whether Constitutional Convention delegates can legally draw reimbursement for chartering airplanes for official travel.

Four top candidates for House Speaker have spent nearly \$100,000 in their quest for the magic 76 votes needed for election.

Secretary of State Mark White Jr. estimates up to a million names probably should be stricken from voter registration lists due to changes of address.

Nineteen minority business loans totalling \$286,677 and 12 grants and contracts worth \$1,419,605 were approved by the Texas Office of Minority Business Enterprise.

Common Cause charges lobbyists with "flagrant contempt" for a new disclosure law on their financial outlays for influencing legislation.

They also approved a white-winged dove season for Sept. 1-2 and 7-8 limited to Brewster, Cameron, Culberson, El Paso, Hidalgo, Hudspeth, Jeff Davis, Kinney, Maverick, Presidio, Starr, Terrell, Val Verde, Webb, Willacy and Zapata Counties.

Bag limits remain the same as last year on both mourning and white-winged doves.

They set the season on Wilson snipe or jacksnipe for Nov. 16 through Jan. 19 and set the teal season for Sept. 14 through Sept. 22.

POLITICAL ANNOUNCEMENTS

For State Senator, 30th District:
RAY FARABEE (D)
MRS. MARY VIRGINIA KIRCHOFF (R)

The above political announcements were paid for by the candidates listed.

Organization Formed to Aid Hightower

"Farmers, Ranchers, and Cattle Feeders are tired of being the whipping boys for this administration's disastrous economic policy," states Beryl Long of Silverton. Long made the statements in the announcement of a committee composed of agricultural producers in the 13th Congressional District.

The committee's organization meeting was held in Canyon on July 11, and the Executive Board is composed of: Beryl Long, Silverton; Bob Lindsey, Canyon; Dick O'Daniel, Tulia; Henry Harnly, Pampa; and Rudy Tate of Samnorwood. An advisory committee is being headed up by Vernon Harmon of Canyon.

Farmers and ranchers wishing to support the efforts of this committee should make their checks payable to Farmers for Hightower, and mail them to P.O. Box 570, Canyon, Texas 79015.

Headstones for Deceased Vets Are Available

Persons applying for headstones or memorial markers for deceased veterans can get faster service by making sure they use a new application form that recently became available at Veterans Administration hospitals and regional offices, VA announced today.

Formerly administered by the Department of the Army, the memorial program was transferred to the VA with the establishment of the National Cemetery System last fall.

The new monument application form (VA 40-1330) replaces a similar Department of Defense form which will continue to be accepted until supplies are exhausted. Persons using the old form are cautioned to forward the application to the following VA address instead of that provided on the form:

Director, National Cemetery System (42) Veterans Administration Central Office, 810 Vermont Avenue, N.W., Washington, D.C. 20420

Dove Season Set for Sept. 1 through Oct. 30

Members of the Texas Parks and Wildlife Commission met recently to set the mourning dove season in the North Zone for Sept. 1 through Oct. 30 and to approve a split season for the South Zone for Sept. 21 through Nov. 3, 1974, and Jan. 4-19, 1975.

They also approved a white-winged dove season for Sept. 1-2 and 7-8 limited to Brewster, Cameron, Culberson, El Paso, Hidalgo, Hudspeth, Jeff Davis, Kinney, Maverick, Presidio, Starr, Terrell, Val Verde, Webb, Willacy and Zapata Counties.

Bag limits remain the same as last year on both mourning and white-winged doves.

They set the season on Wilson snipe or jacksnipe for Nov. 16 through Jan. 19 and set the teal season for Sept. 14 through Sept. 22.

WILL HAVE NEITHER...
Mr. Phillip H. Abelson, editor of Science magazine, is quoted in the Commonwealth-Journal of Somerset, Kentucky: "Everyone wants cheap, unlimited energy, but all are prepared to fight tooth and nail to protect the environment and to prevent the location of energy facilities in their vicinity. It so happens that we are going to have neither cheap energy nor a perfect environment."

Families must earn increasingly greater incomes to offset inflated prices and taxes, one expert reported this week. A family of four needs a 1974 income of \$10,750 to equal the purchasing power of \$5000 in 1949. These figures do not allow for increased state and local taxes.

U. S. in Grip of Inflation

The United States is in the grip of inflation more severe than anything experienced in its peacetime history, one home management specialist said this week.

She's Mrs. Doris Myers, Texas Agricultural Extension Service, The Texas A&M University System.

"Since 1900, cost of living climbed for 54 years, stayed about the same for seven years and went down in only 13," Mrs. Myers noted.

"Reports in 'U.S. News and World Report' show that the \$1 of 1900 buys the same amount that you must pay nearly \$6 for today," she continued.

Incomes do not stretch as far as they used to—in spite of pay raises, families are having to make do with less.

"American workers' real income—goods and services that the worker's money will actually buy—peaked materially during 1971 and 1972. It reached an all time high in 1972 and has been coming down ever since," she said.

"Studies show that the taxes and inflation caused the average worker's standard of living to start a decline in 1970.

"The last few years have seen inflation raging, with incomes increasing much slower than prices. The Consumer Price Index now stands at 10.7 per cent higher than May, 1973," she reported.

Labor Department studies show the average worker has 15.6 per cent less money to spend than he had one year ago.

"If inflation continues at its current rate, the 1969 dollar will buy only 57 cents' worth of goods in 1979," Mrs. Myers noted.

"If prices continue soaring at this rate, a house now selling for \$37,500 will be priced at \$51,700 by 1979. Food for four per week now costing \$54.40 will be \$80.50 in 1979."

A typical worker with a wife and two children who received a \$330 raise last year has actually suffered a decrease in buying power of \$362.

"A Social Security pensioner living alone on an income of \$2,140 actually lost \$198 in buying power within the last year, in spite of the \$140 increase in Social Security payments.

New Federal Trade Commission guides require furniture constructed with veneer to disclose that fact on the furniture itself, or on a tag affixed to the furniture.
