Mike Manard Elected President of Foard Development Corp.

Mike Manard, Crowell florist, was elected as the new president of the Foard County Development Corporation at a meeting of the organization today morning in the community center. Mr. Manard replaces Jimmy Henry, who had served as president for the past year. Bill Klepper was elected vice president replacing Henry Black who served in that capacity last year. Jon Lee Black was elected treasurer and Mrs. Wilma Cates was re-elected as

secretary of the organization. A report given by Joe Ray Setliff, manager of the Crowell Cap Co. revealed that the plant now has 45 full-time and 13 part-time employees making about 1,000 dozen caps per week. Take-home pay totals about \$4,200 per week, with average take-home pay for the employees being nearly \$84. Setliff said sales are good, and he also reported that 12 of the employees want to join the industrial foundation and pay

the \$2 per month dues. Robert Kincaid reported that the foundation offered the local post office lot as a possible location for a new post office here. The group voted to contribute \$25.00 toward the purchase of an ad promoting Copper Breaks State Park in a West Texas Chamber of Commerce brochure to be distributed state-wide. The brochure has a map of West Texas pointing out recreation spots located across the vast area. The urgent need for more members in the foundation was stressed at the Friday morning session, and it was suggested that the 112 current members be given a list of 2 or 3 prospects to contact in hopes of securing additional members. Dues are only \$2 per month. The cap factory is a graphic example of what the local organization can do with lots of work and cooperation and a relatively small amount of money.

Copper Breaks Park Featured on New Map

A total of \$125.00 has been raised here within the past week to help with the costs of a map of West Texas which plugs Copper Breaks State Park north of Crowell. The colored map will be an advertisement from

Crowell inviting Texas residents to visit this new facility. The Lions and Rotary Clubs and Women's Service League, along with the industrial foundation, and Booster Club provided money for the project.

Kristi McLain Named TCU 1974 Homecoming Favorite

KRISTI MC LAIN

BRAD NUTTER

Miss Kristi McLain of Crowell and Brad Nutter of Needham, Mass., have been named 1974 Homecoming favorites at Texas Christian University. Announcement of their victory in a campuswide election was made Friday night (Nov. 1) at the Homecoming pep rally.

The election marked the first time TCU's student body has honored both a man and a woman at Homecoming. The two seniors were presented during pregame ceremonies at the Baylor-TCU football game Saturday afternoon.

Finalists in a runoff election last week were Peni Atwood of Dallas and Tom Oliver of Vernon.

Miss McLain, 21, is the daughter of Mr. and Mrs. Clinton McLain of Crowell. Member and pledge trainer of Zeta Alpha sorority, the speech pathology major is active in the Bryson Club, TCU's oldest social organization; Angei Flight, an affiliate of TCU Air Force ROTC unit; and the Campus Alumni Board. She also works with the football recruiting team.

Nutter, son of Mr. and Mrs. Denton G. Nutter Jr. of Needham, is the president of Sigma Chi fraternity and the TCU Campus Alumni Board. The 22-year-old business management major also works with Big Brothers of Tarrant County and is a member of Delta Sigma Phi professional business society.

Mrs. Roy Daniel Succumbed

Mrs. Roy Daniel, 61, life-long resident of Foard and Knox Counties, died unexpectedly in a Wichita Falls hospital Thursday, October 31.

Funeral services were held at 2:30 p.m. Saturday in the First Baptist Church in Crowell conducted by Rev. K. E. Wooley, pastor of the Gilliland Baptist Church, assisted by Rev. Joe Ainsworth, pastor of the local church. Burial was in the Crowell Cemetery with Womack Funeral Home in charge.

Serving as bearers were Allen Taylor of Crowell, Paul Bullion and Elmo Shaw of Truscott, and Togo Moorhouse, B. B. Benson and Vandal Green of Benjamin.

Evelyn Amanda Daniel was born August 4, 1913, in Foard County, daughter of the late Mr. and Mrs. C. E. Dunn. She married Roy Daniel January 13, 1929, in Crowell and they had lived in Foard County and Knox County since that time. They had made their home in Truscott for the past several years. Mrs. Daniel was a member of the Benjamin Baptist Church.

Survivors include her husband of Truscott; three sons, R. C. and Don of Truscott and Edward of Prairie Hill; one daughter, Mrs. Janice Tolson of Benjamin; 13 grandchildren; three brothers, W. V. Dunn of Dallas, Howard Dunn of Paris and Bill Dunn of Dumas; three sisters, Mrs. J. T. Vessell of Amarillo, Mrs. Edith Daniel of Knox City and Mrs. Marie Owens of Wichita Falls.

She was preceded in death by two infant sons, Billy Ray and Harold; two brothers, Clarence in 1960 and Cecil in 1965; and two sisters, Mrs. Ethel Reed in 1960 and Mrs. Pearl Cox, who died October 8, 1974.

Sign Up Now

Want to join an organization of doers? If so, sign up with the Foard County Development Corporation as a dues paying member for only \$2 per month. A factory employing 45 people full time is one of the results of the corporation thus far.

More members and more money are needed urgently. Won't you join? If so, call the Crowell City Hall.

Crowell Wildcats Rebound with Victory over Haskell

The Crowell Wildcats trailed the Haskell Indians most of the game last Friday night at Haskell, but mounted a strong drive culminating in the winning touchdown with just 40 seconds left in the game, and won by a 13-7 score.

Following a scoreless first

quarter, the Wildcats got on the board first with 10:20 left in the half as Chavelo Ranjel scooted over from 1 yard out. The drive required the Cats to move the ball 103 yards (88 yards plus a 15-yard penalty). Thirteen plays yielded the TD with some good runs by Allen Tapp, David Bell

and Don Sparkman, plus two completed passes from quarterback Randy Prince to Bell and Nathan Frater. The try for extra point failed.

The Indians were held on the first series following the Wildcat score, and punted away to Crowell. A Wildcat fumble shortly afterwards gave Haskell the ball on the Cat 45. Thirteen plays later, the Indians crossed the double stripe from the 1, and kicked the point after to take a 7-6 lead, which remained the score most of the remainder of the game—less 40 seconds.

Most of the third and fourth periods saw the ball move up and down the field with neither team able to punch across. Along with Bell, Sparkman, Frater and Tapp, Ronnie Swan played in the backfield on several series and picked up lots of yards.

A big play that saved the Wildcats on one occasion: Rocky Glasscock, back to punt, got a high snap...he backed up a step, leaped high, snared the ball with one hand like an outfielder, then blasted the ball to the Haskell one where a Wildcat killed it.

With about 3½ minutes left in the game, Prince scooted on a keeper for 22 yards. A double reverse cleared Sparkman to the Haskell 12, where Prince threw a perfect pass to Bell in the corner of the end zone. Bell then added the point-after.

Following the Wildcat kickoff, a pass by the Haskell quarterback was picked off by Keith McDaniel as the game ended.

In the first down department, Crowell had 13 and Haskell 12. The Wildcats rolled up 232 yards rushing and 60 more in the air compared to Haskell's 173 on the ground and 29 in the air. Crowell completed 5 of 8 passes while Haskell had 2 of 6 complete.

Mother of Local Resident Died in England Oct. 29

Mrs. Dorothy Willars, mother of Mrs. Baylor Weathered of Crowell and Mrs. Freddie Prather of Paducah, died October 29, near Bedford, England. She was 86 years of age.

4-H Awards Program Set for Monday Night

The Foard County 4-H Clubs will hold their 20th annual awards program Monday night,

November 11, at the First Baptist Church in Crowell. The program will begin at 7 p.m.

according to county extension agents Sally Sowell and Joe Burkett, who are in charge of the awards program activities.

Foard County 4-H Club boys and girls will be recognized for outstanding work and leadership during the past year.

Everyone is invited to attend and help recognize these boys and girls for their outstanding work.

The Foard County 4-H Council and the Extension Service of Texas A&M will sponsor this program in cooperation with the various donors.

Refreshments will be provided by the Foard County 4-H Clubs.

ONE NEW VEHICLE

One new vehicle was registered here last week: Oct. 29, Shirley W. Moore, 1975 Chevrolet pickup.

"Spirit Week" in Progress at CHS

This is "Spirit Week" at Crowell High School and the various classes are going all-out in trying to win the "Spirit Week" award during the week's activities.

To climax the week, the

"Spirit Week" queen will be crowned at half-time of the Crowell-Munday football game here Friday night. The queen will be either Ruth Stone, senior, or Vickie Tole, junior. Sophomore attendant will be Chris Thompson and freshman attendant will be Sandra Bachman.

In connection with spirit week, Monday was noise day, Tuesday was color day, wearing the black and gold, Wednesday was dress-up day, Thursday is parade day, and Friday is dress of the 1950's day.

The pep rally for the Munday game will be Friday afternoon at 2:15.

OPENS COUNTRY STORE

Mrs. Archie Campbell, who lives on U.S. 70 a few miles east of Crowell, is announcing in this week's paper the opening of her Old Time Country Store. She is featuring dolls, patchwork and gifts.

The store opens on Saturday, November 9, with daily hours from 10 a.m. to 4:30 p.m. and 2 to 4:30 on Sunday.

Wildcats Host Munday in Last Home Football Game of Season

The Crowell Wildcats, back on the victory trail again after defeating Haskell last week, will host the Munday Moguls at Dick Todd Field Friday night in the

last home game of the season for Crowell. Starting time is 7:30 p.m.

The Moguls have had a bad year in the win-loss department

having won one game and losing seven. Their only win was over class B Rochester.

The Wildcats are 2-1 in district play now, losing to Knox City two weeks ago and posting wins over Haskell and Paducah.

Coach Printiss Gidney said Monday that none of the Wildcats suffered disabling injuries at Haskell Friday night and all should be ready for action against Munday.

SIGN AGREEMENTS

All ginners in Foard County have signed the 1974 bagging and ties agreement, the local ASCS office announced last week.

This makes all eligible cotton ginned at these gins eligible for CCC loans the ASCS added.

3 Days Next Week

Classes to Dismiss Early

Classes in the Crowell Schools will be dismissed early three days next week. Supt. Larry Jones said Tuesday.

Next Wednesday, November 13, classes will be dismissed at 2:30 for a teachers meeting. The 2:30 dismissing time for Thursday and Friday will be for parent-teacher conferences, at which time parents of all children are urged to visit teachers to discuss the progress of their child.

Report cards will be handed out on Monday, November 18. Supt. Jones added.

Football Games Scheduled

Crowell grade school football teams will wind up the 1974 season at Munday tonight, Thursday, November 7. The seventh graders will play beginning at 5 with the eighth grade game to follow.

The junior varsity wound up its season last week, and will not be playing tonight.

Rally Day Set for Nov. 14

The Home Demonstration Clubs of Foard County will be having their annual Rally Day on Thursday, November 14, in the Community Center. The days activities will begin with a bake sale at 9:30 a.m. Each club will have exhibits displayed of their work during the past year. A salad luncheon will begin at 11:30 and is open to the public. The cost of the luncheon is \$2.00 per plate.

Band Wins Division II in Marching

The Crowell High School Wildcat Band in UIL marching competition in Wichita Falls Tuesday received a Division II rating.

The 80-member Wildcat Band is directed by James Streit. Also winning Division II ratings were Knox City and Archer City. Munday received a III and Paducah IV. Holiday was the only school of Class A to win a Division I.

BARBECUE SUNDAY

A barbecue will be held at the Otto Bachman Jr. farm two miles north of Thalia Sunday afternoon beginning at 5 p. m. Proceeds will be used to help pay for the roping arena built at the Bachman farm by Mr. Bachman and J. C. Eavenson. The barbecue will be \$1.75 per plate.

Democratic Candidates Carry Foard County

A total of 618 of the 1163 registered Foard County voters went to the polls in the general election Tuesday and gave all the Democratic candidates overwhelming majorities. In the race for Congress, 13th

District, Jack Hightower, Democratic candidate, polled 513 votes to incumbent Republican Bob Price's 97. In the state senatorial race, Ray Farabee received 543 votes to Mary Kirchhoff's 56.

Total of 3.52 Inches of Rain Falls Here During October

One of the wettest Octobers for Foard County came to a close last week with a total of 3.52 inches of rain recorded by the government gauge. Only four other Octobers in the past 18

years have seen the county receive this much rain.

The October total brings the year's rainfall up to 23.34 inches with about 14 inches of this rain falling within the past three

months. Wrapping up the month's rain was .29 inch Tuesday night of last week and then .76 inch on Wednesday, October 30.

 Thursday—Munday, there, 7th, 8th, JV, 5:30.
 Friday—Southern Assembly.

SYMPATHY
 The students of CHS would like to express their sincere sympathy to the family of Mrs. Roy Daniel.

DAILY DILLYS
 Nothing has been said about the recipients of the Big Mouth award lately. Tracy Shaw received this award for the Knox City game. Congratulations. Did you know that the Crowell-Haskell football game wasn't the only big athletic event Friday night? Several girls held a bubble gum chewing contest on the way to Haskell in the little band bus. The winners were: first place, Jana Russell, who chewed—you won't believe

HAPPINESS IS TRICK OR TREATING— These two young trick-or-treaters out Halloween night were typical of the happy young folks getting their sacks filled with treats last Thursday night. The young man with the handle-bar mustache is Ricky Ainsworth, and the young lady is his sister, Cindy. They are the children of Rev. and Mrs. Joe Ainsworth.

it—16 pieces of gum at one time; second place, Carol Scott, who chewed 13 pieces; and third place, Patsy Williams and Hedi Vecera, who tied with 12 pieces each!
 Can you believe it's already six weeks again? Believe it or not, it is! This is a very busy week, with the band contest, six weeks tests, and FFA hay ride, and Spirit Week all coming at once!
 The Wildcats scalped the

Indians Friday night at Haskell. We trailed 7-6 during the first part of the game, but a touchdown was made during the final seconds of the game and we won 13-7. This week will be spirit week, so everyone has lots of spirit and back the Wildcats as they play Munday Moguls at 7:30.

STUDENT COUNCIL
 The Student Council met last week in the speech room. They discussed the procedures for crowning and elections of the Spirit Queen and activities for Spirit week. Monday was picked for noise day, Tuesday as Colors day, Wednesday as Dress day, Thursday as parade day, and Friday as 50's day.

SENIOR SCENE
 The seniors received their proofs from the pictures taken recently. Everyone was delighted, disappointed and excited with the results.
 This week has been Spirit Week with lots of exciting things going on each day. The days have gone like this: Monday-noise day (oh the headaches!); Tuesday-color day (black and gold); Wednesday-dress up day (what a sight!); Thursday-parade day (hunk! hunk!); and Friday will be 50's day. The spirit stick will be awarded Friday at the pep rally. Each class has been competing for the coveted spirit stick all year.

The Spirit Queen will be crowned at half-time of the football game. Nominees are: senior, Ruth Stone; junior, Vickie Tole. Attendants are sophomore, Chris Thompson, and freshman, Sandra Bachman.

The Band Sweetheart will also be crowned at halftime. The nominees are Karen Staiser, Amie Brasher, and Anita Vecera.

Friday night the Wildcats play the Munday Moguls. This is the game which brings an end to Spirit Week. We hope to see everyone there, as it will be an exciting game and an especially interesting halftime. Srs. say, "Mutilate the Moguls."

Did you see some big spooks running around on Halloween night? They weren't trick-or-treaters, they were senior spirits, and they treated all the high school teachers to cupcakes. Hope you enjoyed them.

SENIOR SPOTLIGHT
 In the senior spotlight this week is Sally Gerhardt. She is the 18-year-old daughter of Mr. and Mrs. John D. Gerhardt. Sally is 5' 5" tall, she has brown eyes and her hair is also brown.
 Sally attended Hale Center her 1st, 2nd, 4th and 5th grade years. She attended Crowell schools her 3rd and 6th through 12th grade years.
 Sally attends the St. Joseph Catholic Church.
 Her favorites include: Food, chicken fried steak; color, blue; song, "Behind Closed Doors"; actor, Clint Eastwood; actress, Doris Day; Hobbies, shopping and bike riding; subject, basketball.

Her extracurricular activities include, basketball 4 years, volleyball 2 years, track 1 year. Her freshman year she was a cheerleader. Her junior year she was a cheerleader.
 Sally's future plans are to attend Beauty School.

WILDCAT SPOTLIGHT
 Chavelo Ranjel and Hal Williams are in the Wildcat Spotlight this week. Chavelo, who is number 20, is 5' 5" tall, weighs 145 pounds, and is the son of Mr. and Mrs. Felipe Ranjel. Chavelo plays halfback for Crowell. His favorite sport is football and his favorite pro team is the Dallas Cowboys. His favorite pro player is Robert Newhouse of that same team. Chavelo has played football for six years, and ran track his 7th through 11th grade years.

Hal Williams is the son of Mr. and Mrs. H. T. Williams. This 180 pound senior is 5' 6" tall, plays tackle, and is number 64 on the football field. Hal says that his favorite sport is football, his favorite pro team is the Crowell Wildcats, and his favorite pro players are Coach Printess Gidney and Coach Fields. Hal has played football since junior high and this is his sixth year to participate in the sport.

JUNIOR JIVE
 The Juniors chose Vickie Tole to represent the junior class during Spirit Week Queen contest. Vickie is the only daughter of Mr. and Mrs. Leonard Tole. The queen will be crowned Friday night, Nov. 8 during half time.

Monday the juniors had an Army Aptitude Test to see which occupation we were best suited. The girls had a hard time with mechanics, tools, engineering, etc. The boys thought it was rather easy.

The Wildcats play Munday at Crowell this week. Lets all bring our blankets and raincoats and support the fighting Wildcats! Juniors say "Murder Munday!"

SOPHOMORE SCOOP
 The sophomores would like to tell you how not to take tests. Last week during six weeks test Snoopy took five biggies and flunked them all. Want to know his secret? Here's Snoopy's tips on how to take tests with no chance of passing:
 First of all, Snoopy was totally unprepared. You should have seen his notebooks. Pictures he had. Notes he didn't. How can you study pictures of girl beagles? So he didn't study. He waltzed into the tests with zero hours studying time and about three house sleep. He loves to shoot pool and watch old late night movies on T.V.
 When he got to his first test he realized he left paper and pencil in his locker—or somewhere—who knows? That's what the klunk behind him is for. He always has plenty

of paper.
 Snoopy got the test paper, read the first question, and started answering. Getting ahead of everyone else was Snoopy's thing. No use reading those rinky-dink directions. He had done a hundred of these tests before. True-false—nothing to it. He left half of them blank because he hadn't the vaguest idea what it was about. On the multiple choice he answered as best he could but left most of them blank. The discussion was a disaster. He remembered the teacher mentioning the subject, but he couldn't even spell the words.
 Four more times he repeated this method of test-taking. Four more F's. How did Snoopy achieve such complete consistency?

Let's review Snoopy's 6-point plan for taking tests:
 1. Take lousy notes. Draw a lot in class.
 2. Never study for the tests. Watch TV instead.
 3. Bring only yourself to the test. Someone will lend paper and pencil and you save money.
 4. Never read the directions.
 5. Leave questions blank when you don't know them even though you have a 50-50 chance of getting them right if you guess.

"Shoot the bull" on the discussion questions and don't bother to spell the words right.
 If you follow the above 6 tips, you are guaranteed a 50 (at the most) on all tests. You mean you don't want to fail? Really? Well go back to Snoopy's plan and reverse it. Take good notes, study and come to class prepared. Read the directions on the test and answer all questions even if you have to guess. And here's another tip, watch the time. Do the easy questions first and save the hard ones till last. And if you have time, double check your answers to find careless mistakes.

Any beagle who can follow these suggestions can pass tests. You may not make A's, but at least you won't feel like a dog when you're through.

FRESHMAN FROLICS
 Last week was a nice, short week because we got Friday off to allow the teachers to attend the TSTA meetings in Vernon. Tuesday the band went to Wichita Falls to marching contest. With this week being Spirit Week, the days of celebration are Mon, noise day, Tues., color day, Wed., dress up day, Thurs., parade day, Fri., 50's day. Freshman spirit queen attendant is Sandra Bachman and her escort is Scott Streit.

This Friday the Wildcats will be playing Munday and the Freshman say "Maul Munday."

CAFETERIA MENU

Hints for Homemaker

SALLY SOWELL
 Assistant County Extension Agent

Every day each person has 24 hours—this comes to 6,760 hours a year. It's been said that the only thing all human beings have in common is time.

Each person uses time differently. How good are you at managing your time and energy? The first step in managing is organization. Especially around the approaching holiday season one needs to organize activities to get the most accomplished.

The good organization of certain routine household tasks is the difference between the harassed "always behind" homemaker and the one who has the satisfaction of a well run home.

The best way to organize is to get a pencil and paper and start a list of things that have to be done. Do this way ahead. Remember that frustration takes more energy and sometimes more time than most actual jobs.

Good management simply means to take what you have and use it the best way you can to get what you want and need. Here's a quick and easy recipe to try:

Sweetpotatoes in orange shells. You will need 3 oranges, 1 can (16 oz.) sweetpotatoes, 2 tablespoons margarine (melted), 3 tablespoons brown sugar, 1/2 teaspoon salt, 1/4 cup flaked coconut, and 6 miniature marshmallows. Squeeze oranges; save juice. Remove membranes from orange shells. Mash sweetpotatoes, blend in 3

tablespoons orange juice, margarine, brown sugar, and salt. Stir in coconut. Spoon sweetpotato mix in the orange shells. Place in shallow baking pan. Bake 350 degrees for 20-30 minutes, or until lightly browned on top. Top with

Crowell Junior Varsity Defeats Haskell; Takes District Title

The Crowell junior varsity football team, coached by Carl Brock and Randall Ryan, won the championship of District 7-A here Thursday night of last week, as they won their game

against Haskell 15-2. The local JV is undefeated in district play this year, with the only points scored against them in 7-A action was the two points Haskell scored last Thursday on

a safety. Crowell's first TD came on a pass-run play covering some 55 yards. Quarterback Jay Wall handed off to halfback C. B. Sparkman who tossed the aerial to Marvin Coleman. Oran Carroll Jr., added the kick for extra point. The 7-0 score held until the fourth stanza when Fred Gray, Crowell back, galloped for 15 yards to paydirt and then crossed the double stripe again for the two extra points.

Members of this year's junior varsity team were Gray, Wall, Coleman, Sparkman, Carroll, Rocky Marlow, Jerry Bob Daniel, Ramero Quintero, Gilbert Torres, Gary Hodges, Randell Russell, Don Johnson, Daniel Field, David Westover, Terry Glover and George Brown.

Coach Brock said Friday that the JV will now be suiting out with the varsity for the remainder of the season.

\$30 Fee Set for Driver Education at CHS

The Crowell school board in a regular meeting Monday night approved the payment of some \$15,000 in bills which includes \$7,200 for new windows for the grade school and \$4,750 for the cafeteria.

The school is still receiving commodities for the cafeteria and Supt. Larry Jones says mainly meats are being received this year. In addition to commodities, the federal government gives the school ten cents for every meal served and pays 45 cents per meal for pupils from low income families. Government payment to the school for the month of August was \$1,501.72, for the cafeteria.

Minutes of board meetings since June were read and approved. Robert Foster was employed by the school as driver of the county-line bus. Foster has been driving the route for about a month.

Drivers education fee was set at \$30 for this year, which is an increase of \$5 over last year. The school has been notified that it will be reimbursed about \$10 per student. Last year, the state reimbursement for drivers education was \$16.85 per pupil. In drivers education, which begins with the opening of the second semester in January, the student receives 34 hours of classroom instruction, 6 hours of driving experience and 6 hours of observing as a passenger in a car driven by a licensed

instructor. Most of the student fee and state reimbursement goes to paying the instructor and buying gasoline. James Welch has taught drivers education here for a number of years.

Mrs. Robert Kincaid, who has been substituting for Mrs. Mike Rasberry, will be teaching until Mrs. Rasberry returns to the classroom in January, and it was decided by the board to pay Mrs. Kincaid the regular T.E.A. Scale, instead of the usual \$15.00 per day substitute teacher pay.

Mrs. Rasberry has recently undergone surgery.

The board heard a report that the enlarging of the concession stand and the new women's rest room at Dick Todd field has cost \$1400 thus far and will probably cost an additional \$600 to complete. Wood for the roof of the new structure has been taken from the old stage at the Thalia school.

RC&D Director Is Crowell Speaker

Von Kleibrink of Quanah, coordinator for the Resource, Conservation and Development Committee of Foard, Hardeman, Cottle, Childress and Wilbarger counties, presented the program at the Wednesday, October 30, meeting of the

Rotary Club of Crowell. He showed slides of conservation efforts in this area. Kleibrink is in charge of a federally funded planning program to help natural resources, improve the living standard of residents, improve housing conditions, and encourage development of industry and business within the area.

Visitors at the meeting were Don Bethal of Quanah, Joe Hill, Jim Moore and student guests Adrian Martinez, Gary Glover and Dwain Crosby.

TRY AN INDOOR GARDEN

Try an indoor vegetable garden this fall and winter to help you beat today's high food prices, suggests a vegetable specialist with the Texas Agricultural Extension Service. All that is needed are suitable containers for plants, a good soil mixture, adequate water and fertilizer, and sufficient space with enough light for plant growth. Among vegetables that do well indoors are chives, parsley, peppers, tomatoes, leaf lettuce and radishes.

Checks Go to Disabled

The U.S. Government pays monthly checks to people in financial need who are 65 or older or who are disabled and under age 65. "There is no minimum age limit for Supplemental Security Income (SSI) for the disabled, so that even very young children might qualify," said Terry Clements, claims representative of the Vernon Social Security Office. SSI is a new program which began January, 1974, to take the place of payments formerly made by the State Department of Public Welfare to the aged disabled and blind.

Clements said that a child might qualify even though the parents do not. If the nature of the child's disability can be determined medically to be so severe that it would keep him from doing any substantial gainful work even if he were an adult, he is considered disabled for SSI purposes. However, if the child lives with his parents, the parents' income and resources must be considered along with the child's own income and resources in deciding whether the child meets the SSI law's requirement as to financial need. If the family consists also of one or more non-disabled children, the parents can have higher income without affecting the disabled child's eligibility.

To get more information about the possibility that a disabled child is eligible for SSI payments, contact the Vernon Social Security Office at 1701 Cumberland Street, or call 817-552-9346.

Drivers License Office Closed November 7th

Highway Patrolman Lewis Templeton, drivers license examiner of Vernon, said last week that he will not have his office open here in Crowell on Thursday, November 7. He is scheduled to be here, however, on November 21.

Templeton said that any Foard County residents needing to contact a drivers license examiner can do so in Vernon at the court house on November 12 and 19. He added that he will be in Austin at a training school during the next two weeks.

Veterans Administration expenditures for auto grants and adaptive equipment in fiscal year 1974 decreased 27 per cent from the previous year and 53 per cent from fiscal year 1972, reflecting the end of military operations in Southeast Asia.

WHEAT PRODUCERS SET NOVEMBER MEETING

Texas wheat producers faced with the best early crop prospects in years and with some of the strongest domestic and foreign demand along with some of the best fall prices have set November 21 and 22 as dates for two all-day meetings to evaluate their current position and map future production and market goals, according to Leo Witkowski, Hereford, President of the Texas Wheat Producers Association and Ken Kendrick, Stratford, Chairman of the Texas Wheat Producers Board. All sessions will be held in the Holiday Inn—Downtown, Wichita Falls, beginning at 10:00 a.m.

A "Wheat Symposium" is scheduled for the first day. It will deal with "on-the-farm" situations affecting the farmers decision making, such as cost of production, fuel and fertilizer management, wheat-pasture economics, wheat-pasture cattle and fed-cattle outlook, and orderly marketing prospects in the new-crop wheat outlook. According to Kendrick, this session is co-sponsored by the Wheat board in cooperation with the extension service, from which most of the technical speakers are drawn.

The 24th annual meeting of the Texas Wheat Producers Association is scheduled for the second day. It will deal with "off-the-farm situations which affect wheat producer income," according to Witkowski. Kenneth Frick, administrator of the USDA farm programs in Washington, D. C., will open the session with a discussion of "Farm Programs in Change." He will be followed by both Don Woodward of Pendleton, Oregon, and Jerry Rees of Washington, officers of the National Association of Wheat Growers, review current and future activities of that organization (of which TWPA is affiliated).

A coffee and "beef cookies" refreshments will be served during registration each day from 9 to 10 a. m.

Visiting Mr. and Mrs. C. S. Bartley over the weekend were Mr. and Mrs. Sherman McBeath of Austin, Mrs. Rusty Moore of Mont Bellview, J. P. Bartley of Amarillo, Mr. and Mrs. Jerry Nance, Kapi and Kody, of Waurika, Ok. Both Mr. and Mrs. Bartley were patients in the Foard County Hospital over the weekend.

A \$2.75 million Veterans Administration building designed specifically for outpatient and ambulatory care was dedicated recently at the VA hospital in Durham, N.C.

Hospital Equipment Being Installed

Ungrounded isolation equipment is being installed in the operating room of the Foard County Hospital. Jim Moore, who is installing the equipment, was a visitor at a meeting of the Rotary Club last week and told those present about his work here.

The equipment will provide zero voltage to eliminate the

shock hazard to patients undergoing surgery. He said new equipment has a Medical approval, and will be safety factor for person operated on. Without equipment, Moore said always danger to the from possible shock from electrical equipment in an operating room.

FEEDER CATTLE OUTLOOK STILL DIM

Higher feed costs, continued feedlot losses and exceptionally large supplies of replacement animals mean lower prices for feeder cattle. Cattle placed on feed during August were down 22 per cent in the major feeding states, and fed cattle prices will probably continue to weaken through October due to increasing numbers of non-fed cattle, says a livestock marketing specialist for the Texas Agricultural Extension Service. However, he expects some improvement in fed cattle prices during the remainder of the year as well as some recovery from the low feeder market.

POULTRY PICTURE HAS UPS, DOWNS

A look at the Texas poultry production picture for 1973 shows that turkeys were up, broilers dropped a little and there were fewer eggs, report two poultry marketing specialists for the Texas Agricultural Extension Service. The top turkey producing county was McLennan, with Bell second. Gonzales County edged out Shelby and Nacogdoches counties in broiler production. Gonzales County continued to lead in egg production and in the production of hens and pullets of laying age, with Shelby County second in both categories.

The most valuable gift you can give another is a good example.

HOME MAINTENANCE REDUCE HEAT BILL

Proper home maintenance can reduce the heating winter, says an agricultural engineer with the Agricultural Extension Service. He suggests adequate insulation, tight-fitting storm and doors or double windows as well as stripping on loose window and door caulking also helps reduce heat loss from loose window panes. Rooms not used frequently should be closed off, and draper window shades should be closed at night. He also recommended limited use of kitchen bathroom exhaust fans.

Hubert Brown Is Speaker

Hubert Brown described highlights of a three-week tour of South America at last week's Women's Service League meeting. He was introduced by Mrs. Marietta Carroll, program chairman.

Mr. and Mrs. Brown flew to Miami, Fla., where they were joined by their daughter, son-in-law and grandson. The group enplaned for Columbia with their grandson, John, who is fluent in Spanish, serving as their interpreter.

In each of the three countries—Columbia, Ecuador and Peru—the group visited the museums, cathedrals and cultural interests of the area. They were impressed with a gold museum, and architecture dated 1500-1600. The guest speaker stated that a salt cathedral they saw was possibly the top tourist attraction.

Brown stated they crossed the Andes Mountains without incident. However, he believes the Andes to be perhaps the most rugged in the world.

Other points of interest included an equatorial monument, a banana plantation and a visit with an Indian chief. The tourists used various modes of transportation including a mini-bus over primitive roads.

The North Americans found much mining—gold, copper, silver and zinc—and fishing in Peru. In some cases, waterfalls produce power for steel factories. The countries had various types of soil and farming existed in some parts.

When questioned about the food, Brown said that it was good and that they had T-bone steak and French fries for \$2. However, he further emphasized many local residents had some meatless meals in order to purchase wheat.

The Foard County resident stated they enjoyed staying at two Caribbean resort hotels for relaxation before returning to the states.

H.D. COUNCIL

All three Foard County home demonstration clubs were represented when the H.D. Council met in a called session at 2:30 p.m. Wednesday, October 30.

Plans for Rally Day were finalized at this time. The next regular council meeting will be November 14.

Knee-high boots are re-appearing on the fashion scene. They are being shown with the longer skirts that fall from one to three inches below the top of the boot.

BAXTER DUNN

Named Outstanding Student in Course

A young Stockton, Ca., law enforcement officer, whose grandparents were early residents of Foard County, was named top student in an intense 80-hour course of instruction on narcotics conducted recently in Stockton. The course was held under the guidance of the Drug Enforcement Administration of the United States Department of Justice. There were 50 "super"

narcotic agents from law enforcement agencies from Dallas to Guam enrolled in the course. The young man is Baxter Dunn, son of Mr. and Mrs. Temple B. Dunn of Manteca, Ca. He is a grandson of Mrs. D. E. Thomson of Quanah, a long-time resident of Foard County and the late Mr. Thomson and his paternal grandparents were the late Mr. and Mrs. W. T. Dunn of Foard County.

COLUMBIAN CLUB

Seven members of the Columbian Club braved the elements Wednesday, October 30, by driving to Vernon to host a Halloween party for the patients in the Elms unit of the MH-MR center. About 45 patients enjoyed an afternoon of bingo with enough small prizes that each one present received at least two prizes, and the luckier ones received four or five.

Fruit punch, coffee and a variety of cookies were served. Making the trip to Vernon were Mmes. Allen Shultz, N.J. Roberts, John S. Ray and L. H. Hammonds of Crowell, and Mmes. E. J. Jones, Jack Brown and Idoma Chowning of Truscott.

HALLOWEEN CARNIVAL

A big crowd attended the Gilliland Halloween carnival held Monday night of last week and sponsored by the Gilliland Home Demonstration Club.

Mrs. Kenneth Carroll, a member of the club, expressed thanks this week to the following businesses who donated prizes used at the carnival:

Horne's Grocery Store, Cook's Station, Glasscock's Grocery, Dow Service Station, Adkins Phillips 66 Station, Toile Texaco, Brooks Auto Supply, Crowell Flower Shop, Gentry's Grocery, Crowell Cap Factory, Crowell Food Mart, Womack's, Foard County Lumber Co., Bird's Dry Goods Store, and D&T Foodway.

8TH GRADE NEWS

Last Thursday was Halloween! All the spooks were out and the Wildcats spooked the Indians pretty good. The 8th grade boys won 18-14. The Cats played a real good game. There were lots of houses wrapped in paper and eggs and lots of water balloon throwing. This week is Spirit Week and the classes are making signs and putting them in the home rooms. This week the Cats go to Munday. It's the last game for them and if they win the eighth grade will have district! Eighth graders say "Mug the Moguls."

Mrs. Edna Sparkman of Odessa, a former Crowell resident, visited Mrs. Delia Fox and Ora Mae last week.

T.E.L. CLASS

The T.E.L. class met at the Baptist Church last Thursday night with Mmes. Mary Moore and Minnie Bell Callaway as hostesses. After the invocation by Mrs. Ida Sellers, eleven members enjoyed the covered dish supper. The devotional was brought by Mrs. Olive Denton using scripture from Proverbs 3:4-5.

The meeting was dismissed by prayer by Mrs. Callaway.

CLUB HAS TWO MEETING

The Sub-Junior Adelpian Club has had two recent meetings. One was October 23 when two Vernon women gave talks on cosmetics. Pam Whatley and Jan Reeder were used as models to illustrate how cosmetics can be used to complement the face.

Another meeting was also held Wednesday, November 6.

News items below were taken from the Thursday, November 2, 1944, issue of The Foard County News:
The Thalia Service Club is sponsoring a 42 tournament Thursday night in the school gymnasium. The tournament proceeds will be used to complete the sending of packages to the service men who are still in the States.

O. R. Boman received a cablegram Thursday morning from his wife, who, with her sister, Mrs. C. N. Hodges, is a prisoner of the Japanese in Manila, the very first word received since December 6, 1941. The message held but one word, "Well," but that word brought relief and happiness to relatives and friends who have waited so long for news.

One ambition of all 4-H Club boys is to win, sometime during his club work, one of the trips to the National 4-H Congress that meets annually at Chicago. The winner of this coveted prize in Foard County is 19-year-old Bill Fish of the Vivian community, who is in partnership with his brother, in the armed forces, and his father, Oscar Fish, operate a one-section livestock farm in the Vivian community.

Mrs. Madge Johnson received a letter from her son, Pvt. M. Dewitt Cauthan, who is in Belgium, saying that he had found a copy of The Foard County News lying by the side of the highway. He said he would be so glad to know to whom it was sent.

Mr. and Mrs. Elmer Brisco are in receipt of word that their son, Daniel Brisco, had been seriously wounded in action in Holland on September 30.

Frances Ann Ayers visited Mary Tamplen and Mildred Bradford, cadet nurses, in training at Lubbock General Hospital and other friends in Lubbock last week.

The Crowell Wildcat fans saw at home last Friday night what the Wildcats have been doing away from home the entire season, when they defeated the Holliday Eagles 37 to 13.

Mr. and Mrs. Otis Coffey have moved back to Crowell from Truscott where they had been living for the past year.

Voters of the county will go to the polls Tuesday, Nov. 7, to cast their ballots in the general election. There are eight columns, the first containing the Democratic nominees elected in the primaries. The other seven columns are as follows: Republican Party, Texas Regulars Party, Socialist Party, Prohibition Party, America First Party, Independent, and one blank column.

A large crowd of Boy Scouts, parents and other visitors attended the get-together and program at the Cub Hut last Thursday evening. During the promotion ceremony, Hardy Sanders and Billy Roy Cooper were given the Star Scout badge. Harold Thomson first class and Wade Patton, second class. New boys coming into the program were F. L. Ballard, Bob Edwards, Herman Wright, James Weathers, Larry D. Campbell, Jimmie Franklin Jr., Carl Steele, Kenneth Adams and O. L. Jackson.

Santa Fe CROP REPORT

AND OTHER AGRICULTURAL DATA

Published monthly to cover states served by Santa Fe Railway, Gulf Central Pipeline and Santa Fe Trail Transportation Co. Edited by Agricultural Development Staff, Santa Fe Bldg., Amarillo, Texas 79171, and Santa Fe Station, Fresno, California 93718.

NOVEMBER, 1974

WINTER WHEAT: With planting of the 1975 winter wheat crop nearing completion in most areas there would seem to be two main problems facing farmers this fall. The first is the availability of sufficient moisture to get the crop off to a good start and the other is how many acres to plant to supply grain for expected domestic and export needs without producing a crop of such proportions that wheat prices might well decline to a depression level.

In most of Texas, Oklahoma and New Mexico moisture supplies are generally adequate to get the crop off to a good start and provide sufficient growth for protection of the soil from blowing as well as supplying a limited amount of grazing. In some areas of Kansas and Colorado adequate moisture has been received but there are still many communities which report a need for additional moisture to get the crop up and to establish

a cover and a good root system on the wheat plants before being hit by extremely cold weather.

Cost of and scarcity of adequate supplies of fertilizers are also being reported by many farmers as additional factors in determining just how much acreage of winter wheat they will expect to harvest from their 1975 crop.

Mid-October reports indicate about 78 percent of the Texas winter wheat acreage had been planted with progress of 88 percent in Oklahoma and 90 percent in Kansas. Early October reports indicated only fair top growth available for grazing by livestock in much of the main wheat growing areas in Kansas and Texas. This would also indicate the possibility of the crop being vulnerable to damage by wind erosion during the winter and spring months ahead; however, recent effective moisture in Texas, New Mexico and Southcentral Kansas has stimulated top growth improving grazing prospects.

COTTON: Throughout much of the spring and more than half of the summer of 1974 will be long remembered in the Texas High Plains and the Texas Low Plains as the year of the drought, with many areas not receiving sufficient rainfall to plant much of the intended crop acreage, especially intended acreages of Upland cotton. The four Texas Crop Reporting Districts included are expected to harvest slightly more than 2 million bales of cotton this year. This compares with over 317 million bales produced in 1973.

With harvesting operations delayed in most areas and with temperatures much below normal since early September there is a good possibility the three states of Texas, Oklahoma and New Mexico may not harvest 3.5 million bales of Upland cotton this year as compared with a 1973 production of 5,236,000 bales.

Seventh and Eighth Grades Win Football Games Last Week

The Crowell grade school football teams made a clean sweep of games played with Haskell here last Thursday night.

Coach Daniel Field's eighth

grade team won its game 18 to 14. On the first play from scrimmage, Crowell quarterback John Thomas tossed a pass to Claudius Coleman which resulted in the first Crowell

touchdown. The play covered some 65 yards. Thomas scored the other two Crowell scores both coming after sustained drives by the little Cats. All tries for extra points failed.

The seventh graders defeated Haskell 8-0. The game was scoreless until after the half when Sammy Neal, halfback, broke loose for 35 yards and paydirt. John Henry McGee carried over for the two extra points.

The Crowell eighth graders have a 6-1 record for the season and are undefeated in district play. They are tied for the district title and if they win at Monday tonight, they will take the championship.

The seventh graders are undefeated also in district play and post a 4-3 season record.

CARD OF THANKS

It would be impossible to thank personally each one who helped us with the Halloween Carnival, so we want to thank the many people who helped us in so many ways.

Ballots Are Mailed

Any Foard county wool or lamb producer who has not received a referendum ballot and an explanation of the proposed new agreement covering wool payment deductions for product promotional purposes may pick them up at the county ASCS office, reports Thelma Borchardt, Acting County Executive Director.

The mail referendum is being conducted nationwide by the U.S. Dept. of Agriculture to determine if wool and lamb producers want USDA to continue to make deductions from wool payments for use by the American Sheep Producers Council for advertising and sales promotions programs for wool and lamb.

To be counted, ballots must be mailed or delivered in person to the county ASCS office before 5:00 p.m., Friday, Nov. 15. Anyone who has owned sheep 6 months old or older for at least 30 consecutive days during 1973 is eligible to vote.

"Ballots have been mailed to all producers in the county known eligible to vote," Mrs. Borchardt said. "Anyone who feels he or she is eligible to vote and who has not received a ballot should check with the county ASCS office as soon as possible."

"The role of the Agriculture Dept. in this matter is to conduct a fair and impartial referendum, via secret ballot. Every effort is being made to see that all eligible voters are informed and receive a ballot. As will all USDA activities, the referendum is being conducted without regard for race, color, sex, religion, or natural origin of participants," Mrs. Borchardt added.

Cotton Loans Available

The Foard County ASCS office, Mrs. Thelma Borchardt, acting executive director, announced last week that 1974 cotton loans are now available at the local office. The loan rate of 27.05 cents per pound is based on strict low middling white, 1 1/16 inch cotton.

Mrs. Borchardt says that the interest rate on cotton loans is 9.375 per cent per annum from the date of disbursement to the date of any subsequent change in interest rate. She added that rates are subject to semiannual adjustments.

REPOUT HOUSE PLANTS

Repotting house plants can help keep them healthy, vigorous and beautiful during the winter months, says a landscape horticulturist for the Texas Agricultural Extension Service. Use a suitable container that has good drainage along with a good soil mixture. Place a layer of fine gravel or crushed stone in the bottom of the container to promote drainage. After repotting, remove diseased and broken branches from the plant and cut back long stems to give it a natural shape.
