reception.

Randy Adkins was elected as incoming president of the Lions Club at the Tuesday luncheon meeting. Other officers elected to serve next year are Joe Ray Setliff, first vice president; Joe Don Brown, second vice president; Don Welch, third vice president; Seth Halbert, secretary-treasurer; A. V. McCombs, tail twister.

The new directors elected for the coming year are Houston Adkins, Felix Taylor, Charles Branch, Jack Welch, and Edward Howard. Howard is serving as president of the club this year.

The new slate of officers will be installed in late June.

The program at the Tuesday meeting was resented by Bill Bond of Vernon, who spoke and showed pictures of an African safari he recently

Bill Lynch Sr. Receives **Promotion**

Bill Lynch Sr. of San Antonio has been promoted by the Texas Parks & Wildlife Department to District Law Enforcement Supervisor of Region V, District I. His district consists of Atascosa, Bexar, Comal, Guadalupe, Karnes and Wilson Counties, with his headquarters in San Antonio.

Mr. Lynch has been with the P&WD for 10 years, being stationed in Canadian for 61/2 years and in San

Antonio for 31/2 years. His wife is the former Miss Fay Jones, daughter of Mrs. J. C. Jones of Crowell. They have two sons, one a senior in college in San Antonio and the other a senior in a San Antonio high school.

Bertha **Powers** Died

Mrs. Bertha Powers, 78, of Quanah died Monday afternoon in a nursing home there following a long period of declining health. Mrs. Powers, mother of Tommy Powers, of Crowell, lived in Foard County for many

Funeral services were held at 10 a.m. Wednesday in the First Baptist Church in Quanah with the pastor, Rev. W. E. Norman, officiating. Burial was in the Crowell Cemetery with Knowles Funeral Home in Quanah in charge of arrangements.

Pall bearers were Rusty Russell, Billy Joe Halencak and Billy Bond of Crowell. and Sam D. Russell, Ercie Naron and Robert Becknell of Quanah

The former Bertha Belle Priest was born Dec. 9, 1897. in Robertson County, Texas, near Wheellock, daughter of T. J. Priest Sr. and his wife, Cora Belle Hinton Priest. She moved to Foard County with her parents Nov. 22, 1905. She joined the Margaret Baptist Church in 1911 and taught a Sunday school class there 18 years. After moving to Quanah in 1935, she served the Quanah Baptist Church as department secretary for 35 years having to resign because of failing health. She married Doctor

at Vernon. October 7, Barbie's is Oct. Survivors include one son,

CHARLES HERRING DODD

Charles Dodd to Graduate from **Baptist Seminary**

Charles Herring Dodd, son of Mr. and Mrs. W. H. Dodd of Rule, will receive the master of religious education degree during spring commencement exercises to be held in Truett auditorium at Southwestern Baptist Theological Seminary in Fort Worth May 16 at 10 a.m.

Dodd, a grandson of C. D. Hall of Crowell, and a graduate of Crowell High School, is married to the former Miss Mary Jan Welch, daughter of Mr. and Mrs. James Welch of Crowell. He received his B. A. degree from Baylor University in 1973. He is presently serving as youth minister of the First Baptist Church in Temple.

The world's largest evangelical seminary, Southwestern is one of the six seminaries owned and operated by the elevenmillion member Southern Baptist Convention

DAILY DILLIES

School is just about over. The band is through for the vear, the seniors have finished their history books, and all the classes are beginning to finish their books. Although classes are just about over, everyone is busier than ever. Something is planned for just almost every night, there are papres to finish, and plans must be made for this summer's activities. The Wildcat staff hopes that everyone has had a good school year, and wishes the best of luck to you in the future.

The Senior Assembly will be held Monday, April 19, in the school auditorium. This will be the last school assembly for the seniors. After the program is over, the seniors will go to the State Park for the rest of the day. At the program, Mr. Wall will present service awards and the awards for the "Most Talkative" 'Biggest Gum Chewer'

etc. Everyone is invited to attend this program. The bicentennial program was a big success. Everyone in the community commented on how much they enjoyed it, and complemented those ho had a part in it. Many CHS students were involved with this program through the band, chorus, and individual solos.

COW POKES

The wondering Wildcat finally came out of hibernation this week and asked What are you going to do this summer? Answers were: Allen Tapp-Work at the elevator

Marie Westover-That's nobody's business.

Karen Statser-Rest and get ready for college. April Werley-Work at the cap factory.

Pam Whatley-As little as possible. Jana Glover-Crv, E.M.'s oing to be gone.

Debra Daniel-Get a tan. Adrian Martinez-Get a

farming and take a little trip.

SENIOR SPOTLIGHT Cindy Hall, Marie Westover, and Hal Williams are in the spotlight this week.

Cindy Hall is the 18-yearold daughter of Mr. and Mrs. Kenneth Hall. She stands 5' " tall, has brown eyes and brown hair.

Cindy has previously attended Diboll Elementary and High School 9 years, Southside Jr. High 1 year, and Reabody High School 1 year. Crowell High School one-half year.

She is a member of the Lakeview Baptist Church in Diboll. Texas.

Some of her favorites include: food, Mexican; color, light blue; song, Your Song"; actor, Clint Eastwood; actress, Kate

Cindy enjoys sewing as her hobby and her favorite subject is Home Ec. Her future plans are to find a job.

Marie Westover is the 18vear-old daughter of Mr. and Mrs. Melvin Westover. She is 5' 2" tall, has blue eyes and brown hair.

She attends the Mormon church

Her favorites include: food, Mexican; color, blue; song, Wildfire; actor, Clint Eastwood; actress, Faye Dunaway; hobbies, drawing, and sewing. Her favorite subject is Home Ec.

She was Homecoming attendent her sophomore vear and friendliest her sophomore year.

She plans to attend VRJC and study cosmotology.

Hal Williams is the 18 year-old son of Mr. and Mrs. H. T. Williams. He is 5' 11' tall, has brown eyes and brown hair. He attends the Baptist Church

His favorites include: food, potatoes; color, red; song, The South Going To Do It Again; actor, John Wayne; actress, Joey Heastern;

hobbies, rod iron work; subject; history.

Hal's extracurricular activities include football, and music. His future plans are to weld, and to attend VRJC and have a social science degree in welding.

JUNIOR JIVE

The beginning of this week started our freshman initiation. If you hear lots of kids yelling, it's our freshman; "Yea Sr. '76".

School is almost out. Just until May 21. The juniors are anxiously awaiting the arrival of our senior rings. The Junior-Senior Prom is Mr. Gafford-Do some Friday, May 16. The juniors are getting pretty excited.

SOPHOMORE STARS

We really enjoyed our party Saturday night. Mr. Hobson seemed to get in our line of fire because he got soaked with ice cold water several times! We would like to thank Mr. and Mrs. Kenneth Halbert and Mr. Hobson for helping with our

Well, school is nearly out, and tests are coming. Next year we will be juniors!

FRESHMAN FROLICS

Last week at the Student Council slave sale, many freshman boys were sold. We would like to congratulate Sandra Bachman for being first runner-up in the Santa Rosa rodeo queen contest. The freshmen had a party on Tuesday night. They met at the home ec cottage for sandwiches and ice cream, then went to the gym and played volleyball.

The FHA held its annual FHA-FFA hayride Monday night. About 100 people attended. We rode on 2 trailers out to the state park. After getting there, all the kids spread out over the park until supper. Everyone found something to do-climb mountains, play on the fort or fall off the swinging log. Hot dogs, potato chips, candy and soda pop were served for supper. We all had a good time and would like to thank Mr. and Mrs. Brown and Mr. and Mrs.

SENIOR SCENE

This is the seniors' last week in high school. All the seniors have had a good time and would like to thank everyone who has helped us through school. We would especially like to thank the Methodist Church for the

Welch for going with us.

lovely luncheon they gave us Friday. The pictures were taken of

the seniors in their caps and gown last Tuesday. Everyone felt great in their 'get ups' and wish the 23rd would hurry up and get here.

8TH GRADE NEWS

Saturday afternoon, the eighth graders had a fishing party out at one of Terri McDaniel's tanks. Some caught quite a few fish while others decided to take a dip in the tank. Later on, Ronny Baize caught a snake on his fishing pole, so that stopped the swimming. They ate hot dogs and drank soda pops.

This Friday is the school picnic and the group will go to Vernon. They've been very busy getting in their science research papers and learning the creed and seniors birthdays and zodiac signs. They've also been working on their graduation which will be May 22.

Independent Cattlemen to Meet in Paducah

A district meeting of the Independent Cattlemen's Association will be held Thursday night in the VFW hall in Paducah, Duane Johnson, president of the Foard County ICA said Monday.

Mr. Johnson said that the Paducah meeting is an important one and he urges all Foard County cattlemen to attend.

A patriotic program with

words and music to thrill the

soul was presented at the

Crowell High School gym

Thursday night of last week

in the first of the county's

programs as a part of the

nation's bicentennial

Principal purpose of the

program was the presenta-

tion of the bicentennial flag

and certificates by Dr.

Arthur Beyer of Wichita

Falls, and in addition to this,

the audience was treated to

an outstanding program

titled "Let Freedom Ring",

which was written by Mrs. V.

A. Johnson of Crowell, and

presented by the band under

the direction of James Streit,

and the speech department

of the local school with Mrs.

Jean Halbert as director. The

narrator, Dwain Crosby,

briefly told the story of this

nation, and his narrative was

interspersed with musical

selections by the band, and

also vocal renditions

presented by Steve Setliff

who had Mrs. Streit as piano

Dr. Beyer, who was

introduced by Don Welch,

chairman of the local bi-

centennial commission, is

chairman of the Wichita

County bicentennial com-

mission and is a member of

the faculty at Midwestern

Dr. Beyer, in his remarks,

bicentennial

observance.

4-H Horse Club to Be **Organized**

Six members of the Foard County 4-H Horse Club adult leader committee met Monday evening at the home of Mr. and Mrs. Garland R. Wiemers to plan future activities. Those present included J. B. Fairchild, Virgil Johnson, L. H. Wall, Otto Bachman, Jr., Jake Wisdom, and Jim Mac Gafford. Their wives were also present during the

evening. During the committee meeting, Garland Wiemers, County Extension Agent, stressed the objects of the 4-H Horse Club, which are to teach good horsemanship and good sportsmanship. Like other 4-H activities, the 4-H Horse Club will include the whole family.

The first playday was scheduled for Monday, May 19, at the Jake Wisdom arena in Thalia. Registration will take place between 6:00-6:45. Demonstrations in riding barrels and poles will be given. The 4-H members participating will be divided into three age groups including those under 9, 9-12, and 13-19 years of age. Members attending will have the opportunity to practice on horseback riding barrels and poles. An invitation is extended to all youth to participate and we request that all parents be present. Registration forms which include a notarized minors release will also be distributed at school on Thursday.

Outstanding Bicentennial

Program Presented Thursday

He challenged his

audience to pledge four

GRAZING SYSTEMS COMBINE FORAGE, LIVESTOCK

A top grazing system gives optimum vegetation improvement and livestock performance without sacrificing either plant or animal requirements, says a range scientist for the Texas Agricultural Experiment Station. Deferred rotation grazing systems allow at least half of the total land to be grazed at any given time. Short duration grazing systems allow animals to graze less than half the total land area, with the rest period of the pasture exceeding the grazing period. Deferred rotation grazing gives the best livestock performance, while short duration grazing gives the most rapid range improvement. However, no grazing system will compensate for overstocking.

KEEP HOUSE PLANTS

CLEAN Clean house plants are more attractive and perform better, points out a landscape horticulturist for the Texas Agricultural Extension Service. Dust on leaf surfaces reduces the amount of light available to a plant. Also dusty plants look drab and uninteresting. Use a soft camel hair brush or damp sponge to remove dust from leaves. Wash heavily soiled leaves with a mild soap and warm water solution. Use a syringe on hairy leaves. Polish leaves with a soft cheese cloth. If you plan to use a commercial leaf polish, water plants several house before treating.

Band Boosters for Untiring

Russell, in brief remarks,

expressed his appreciation to

everyone who donated to the

band uniform fund. The band

boosters agreed to pay half

the \$13,000-plus cost of the

uniforms and the check

Thursday night covers all but

a small amount of the band

Hanging baskets continue

to gain in popularity and to

add a touch of nature to

many surroundings, says a

landscape horticulturist for

the Texas Agricultural

Extension Service. Any

plants with drooping foliage

such as ferns are excellent

for hanging baskets.

Numerous succulent plants

also do well in hanging

baskets and will tolerate heat

and drought. Flowering

plants such as periwinkles,

portulaca and petunias make

excellent additions to hang-

ing baskets. Galvanized wire

baskets with pressed or

sphagnum moss liners make

good containers. Use a good

potting soil. Baskets exposed

'Navigable waters'' be revised and expanded to include the "waters of the United States." Previously the Corps of Engineers confined its permit activities to "navigable waters of the United State.

Since there is no basis in law or court edict to define the term "waters of the United States," the Corps of Engineers is offering four alternative regulations with varying scopes of application for review and public comment to assist in implementing the court

Under alternative 1, the term would include the high tide mark in the case of tides, and would extend federal authority to regulate dredge or fill operations in the thousands of square miles of land protected by levees. In those areas farmers may require a federal permit before beginning plowing or land levelling operations.

Under alternative 2, the "water of the United States" would include only those coastal waters subject to tidal action, that is from the high tide mark to the low tide park. Jurisdiction over inland waters under this alternative is limited to navigable waters of the United States and their primary tributaries up to heir headwaters.

Alternative 3 adopts the same basic definition as alternative 1; however, no applications for disposal of dredged or fill material in non-navigable waters will be processed unless there is no objection from an appropriate state agency.

Alternative 4 adopts the limited definition of alternative 2 and the initial state certification and authorization requirements of alternative 3 prior to processing any application for the disposal of dredged or fill material in non-navigable waters of the United States.

Some of the new regulations would control the placing of dredged or fill material in intermittent streams, or those areas that are dry part of the year as well as lands that are subject to "periodic inundation"

only. All comments or suggestions on the four proposed alternative regulations received in writing by the Office of the Chief of Engineers, Department of the Army, Attn. DAEN-CWO-N, Washington, DC 20314, on or before June 6, 1975, will be considered before publication of the final regulations.

REGION.

School Board Hires Two New Teachers

The Crowell school board, in a lengthy Monday night session, covered a wide range of topics ranging from the accepting of high bids for property offered for sale to the hiring of two new teachers.

The board accepted the bid by J. Rockne Wisdom of \$5,150.00 for the Thalia school property comprising 7.4 acres of land and buildings on that land and also accepted the \$505.00 bid of Mrs. M. H. Henderson of Vernon for 4 acres of land where the Riverside school was located. Coleman Self of Amarillo was a visitor at this part of the meeting. Following the bid opening.

the board heard several local men express the hope that scheduling of classes can be accomplished whereby high school boys will be permitted to take both band and participate in athletics, if they desire to. Meeting with the board were Joe Don Brown, Joe Ray Setliff, George Scott, Rusty Russell and Bill Klepper. Accompanying the group was James Streit, band director. Boys cannot do both in high school at the present time due to the fact that both band and athletics are scheduled the same period.

The board approved the payment of \$18,676.42 in bills. This includes the total cost of the band uniforms-\$13,277.30-half of which amount will be paid by the band boosters.

The board reappointed John Cogdell, R. J. Owens and Bill Cates as membes of the equalization board with Harold Fish as alternate.

Coach Carl Brock received a \$200 raise making his salary \$1,200 above state schedule. James Streit, who is director of Crowell School's music program, received an increase of \$400 per year making his salary \$2,100 abc e state schedule, which is the same as is paid athletic director Printiss Mrs. Cheryl Lynn Ryan

was employed as first grade teacher replacing Mrs. Barbara Black, who resigned. Mrs. Ryan, the wife of basketball coach Randall Ryan, is a graduate of Quanah High School and Abilene Christian College. She has five years teaching experience.

In order to expand the offering of courses to students, the board employed Miss Donna Lynne Hobart, a 1975 spring graduate of McMurry College in Abilene, as high school business teacher.

Both these teachers will receive state salary schedule, and this will make the local system have two teachers above the Foundation program.

Supt. Larry Jones explained to the board the Greenbelt Co-Op. Plan A education system which has been approved for the coming year. Crowell, Quanah, Childress and Memphis schools are members of the Greenbelt co-op. Under the program a total of 31 personnel will be hired for special education in the four schools. Mrs. Carmon Welch of

Crowell has been named as director of the co-op. which will be headquartered in Quanah. The board recommended to the co-op. the hiring of Mrs. Billye Maxine Crafton of Crowell as the secondary special instructor for Crowell, and Mrs. Betty Pierce as her aide. Mrs. Crafton is the wife of Church of Christ Minister Don Crafton and Mrs. Pierce is the wife of the pastor of the Thalia Baptist Church, Rev. Wallace Pierce.

Still to be hired for the Crowell system is the elementary special education instructor. This is the position held for a number of years by Mrs. Welch.

The board hired Gordon Erwin as manager of the local swimming pool for the coming summer. He will be paid \$50 per week plus profits from the concession stand. Lifeguards will receive \$30 per week. Prices of admission to the pool are the same as last year: 10 cents for the wading pool, 35 cents for students, and 50 cents for adults. Season tickets are \$10.00 each.

The board discussed painting the stadium at Dick Todd Field. Also under discussion was the summer maintenance program. There are 59 new windows to be installed, a new roof to be put on the remedial reading room and resurfacing of

Supt. Jones told members of the possibility that he may be accompanying a Crusade to South Korea July 11-24.

Youths Signing Up for Colt League

Signup for the second year of Colt League baseball for Crowell boys got underway this week, Roy Whitley, one of the assistant coaches said

Crowell fielded a fine team last year in the league, and most of these boys are returning, after finishing in third place in the strong Vernon league. Boys 15-18 years of age are eligible to play. Tryouts will be held and 15 boys will be carried on the team roster.

Coaches this year will be Gary Hobson, Carl Brock, Randall Ryan and Whitley Vernon will furnish all uniforms and playing

equipment except shoes and gloves. They charge a \$100 sponsor fee. Last year the local Rotary Club sponsored the Crowell boys and also furnished \$100 for incidental expenses. Each boy will pay \$5.00 for insurance.

The league play starts on May 27 and will end with a tournament on July 3. All games will be played in

The league will have Crowell, Vernon, Quanah and Childress in it. "It may be tough," Whitley added.

Truscott Wins Second in **State-Wide Contest**

The town of Truscott has been named second place winner in the Texas Community Improvement Contest for 1975, according to word received at Truscott last Thursday. Judges were in Truscott Tuesday, May 6, as the community showed off improvements made during the past year to a number of out-of-town dignitaries, including area extension

people and county officials. Named as first place winner in the contest was Sagerton which won a \$100

The town of Truscott received a \$75.00 cash award as second place winner.

Jack W. Brown, president of the Truscott Community Center Association, welcomed the group as the activities were started at 9 a.m., Tuesday of last week and a short program was held detailing special participation, community improvement, agriculture, home and family living, etc. A film showing improvements made within the

community was shown.

Judges and interested people were conducted on a tour of Truscott and area, that they might see the various improvements the community has made. These included the following:

The new community center, fences and corral at Paul Bullion place, Jim Cumley home, R. C. Daniel livestock, Church of Christ, root plowed field, Fred Browder home, improvement along the highway, drive through cemetery, water storage tank, wheat fields in area, Newell Looney home, Mrs. Guynn Hickman home, new grain elevator, new machinery at other elevator, many lots cleaned and improved, new awning on

Judges were Miss Pam Wallace of Vernon, assistant county Extension agent at large, and Bill Benson, area resource development specialist. Other winners and the

awards they received included:

Friberg-Cooper, third

place, \$50; Wichita Valley Farms, fourth place, \$25, and Kamay Valley View, fifth place, \$25.

CATTLE BREEDING AFFECTS SCREWWORMS

A key to the number of screwworm cases each year is the number of calves born during the peak months of screwworm fly activity, say two specialists with the Texas Agricultural Extension Service. More than half the cases reported during the months from July through October last year were from navels of new-born calves. Therefore, producers should schedule their cattle breeding season from March 15 through July 15 each year. This will produce calves from January through April and will also allow them to benefit from spring forages and increased milk flow from the mother cows.

Little Gain Forecast in Foard County Population

Preliminary

The Nortex Regional Planning Commission in Wichita Falls has some encouraging forecasts for

population gains in 11 of its 12-county region. The only county which Nortex predicts will not gain population between 1980 and the year

2000 is Foard County. The figures released by the commission estimate the present county population at

2,225. It predicts that the county will have 2,300 people in 1980, in 1990 and also in 2000.

The complete story and

figures as printed in the May 5 issue of the Wichita Falls Times and written by Lois Luecke is reprinted

Area population increasing

By LOIS LUECKE Staff Writer

Reversing the trend of declining population, the 12-county North Texas region on Jan. 1, 1975 posted a gain of 8,734 residents in the five years since the 1970 census for a total of 221,262, according to preliminary estimates.

WICHITA COUNTY'S POPULATION is estimated at 127,105, an increase of 5,243, and Wichita Falls' at 101,800, a boost of 4,236.

Preliminary figures were computed by Mike McMurtrey, planning analyst of Nortex Regional Planning Commission, and were extended estimates of a study which traced population growth from the last census year of Jan. 1, 1974.

Graham	8,505	7,477	7,782
Newcastle	617	624	618
Olney	3.872	3.624	3.911

BY THE YEAR 2000, McMurtrey's projections are that the regional population will increase by about 75,000 to 296,100, with 185,900 of those residents living in Wichita County.

He estimates 1975 population of Burkburnett at 9,452, an increase of 222; of Electra, 4,129, an increase of 234; and of Iowa Park, 6,345, an increase of 549.

POPULATION OF CLAY COUNTY is set at 8,257, an increase of 178 and Henrietta at 3,030, an increase of 133.

For population in towns and cities, only residents within the corporate limits were counted. This would exclude some housing developments not yet taken into the city limits, although these areas were included in the various county population figures.

POPULATION FIGURES to Jan. 1, 1974 were estimated by using data from the 1970 census on the number of year-around housing units, housing occupancy rate, number of persons per occupied household and institutional population, McMurtrey said. This data was brought up to date using the number of building permits issued and number of houses demolished in each particular city, he explain-

"The rate of growth from 1970 to Jan. 1, 1974 was then calculated. and using this rate of growth we then computed an estimate of the population as of Jan. 1, 1975," he said.

THE STUDY WAS INITIATED after representatives of a number of towns and cities in the region asked Nortex for more current population figures, he said.

'We plan to continue the study and update it each year," McMurtrey said. "Housing data for 1974 will be gathered and used to calculate the final figures to Jan. 1, 1975. These will then be compared to the preliminary calculations to see if the rate of growth has chang-

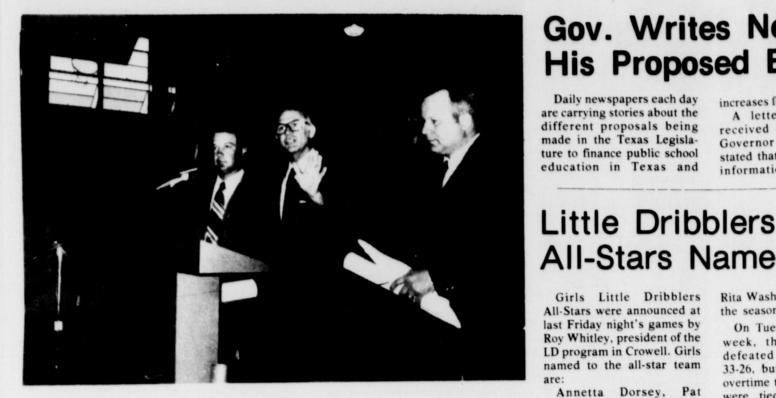

NORTEX EXECUTIVE DIRECTOR Ed Daniel observed that the study showed "a steady growth, probably reversing the trend of population decrease in the 1970 census."

While the 1975 regional population figures show a substantial gain over 1970, there are still 3,961 fewer residents compared to 1960. Only three counties - Archer, Montague and Wichita - posted gains over 1960, but all 12 counties registered population boosts over 1970.

AS TO POPULATION projections to the year 2000, McMurtrey said: "These projections assume that the growth rate of the population in the last four to five years will remain constant for the next 25. They may or may not be valid assumptions because the actual growth rate is subject to change."

Crowell, Tx., May 15, 1975 LAWN MOWER SAFETY

Some 55,000 Americans require hospital care each year due to injuries from the use of power lawn mowers. Yet, most lawn mower accidents can be prevented if a few safety rules are followed, says an agricultural engineer for the Texas Agricultural Extension Service. First of all, become familiar with the operation of the machine. Clear the lawn of sticks, stone, wire and other debris. Keep pets and children out of the mowing area. Start the mower in neutral. Stop the engine when leaving the mower and always disconnect the spark plug wire when working on the machine. Never refuel when the engine is hot.

An all-star team from the 10-year-old junior division was also chosen as follows: Debbie Sillemon, Betty Coleman, Diana Tucker, Kim Clifton, Brenda Henry, Lori Elkins, Mitsi Kuehn, Lynne Johnson, Samantha Swearingen and Lisa Harris.

The Cutie Pies, coached by Kim Norman, won this division with a 4-2 record. The Blue Birds, coached by

DECISIONS ON WEATHER DAMAGED GARDENS

Home vegetable gardens are highly susceptible to damage from violent spring thunderstorms. Whether or not to replant or wait for damaged plants to recuperate depends on several factors, points out a vegetable specialist for the Texas Agricultural Extension Service. With some plants such as squash, cucumbers and beans, it is often best to replant. If space is available, some damaged plants can be left while the remainder of the crop is replanted. Seed will germinate rapidly with the warm weather so a crop can be reestablished rapidly. Of course, delays due to replanting will mean more attention to insect control and watering during the hot summer months.

Use standard Mason jars, with appropriate lids and screw bands for home canning. Mayonnaise and other jars are not made to withstand the high temperatures of canning-and they're not safe to use, notes Sally Springer with Extension Service.

supplied to the news media in recent weeks concerning the various educational programs now pending before the legislature. Gov. Briscoe has pre-

sented his plan to the legislature and in the letter to the News last week said that current state aid for the Crowell school district is \$216,000 per year. Gov. stated Briscoe that under his proposal, Crowell would in the future receive \$500,000 each year.

The Governor continued, "No school district in Texas would be required to increase local taxes to pay for any part of my plan except those wealthier districts which would need to increase their effort to provide for any teacher salary increase approved by the legislature...

The Governor in his letter did not state where the additional \$284,000 for Crowell would be obtained.

Stapp Composition Presented in Recit

Paul Stapp, son of Dr. and Hammarskjold: Mrs. Walter Stapp of Crowell, is the composer of a number of works which were presented in a composition recital at the Baylor University School of Music on May 4.

The recital included "Red." a brass trio in which the composer's brother, David Stapp, played French horn; four choral pieces based on the diary of Dag coming to Baylor ;

Sour," a woodwi d Mrs. Don C "Fantasia" quartet; and "Gest the Mind," a m presentation of the experience.

David.

Stapp holds the of Arts and Back Music degrees from Tech University, and for a year at the Univ Bonn, Germany,

The Liberty Bell and Its Repl

In 1950, fifty-two full-scale replicas of the original Liberty Bell in Independence Hall, Philadelphia, were built for the Treasury Department and given to each state, the District of Columbia, Hawaii, Alaska and Puerto Rico, where they are displayed in places of honor.

Rung on July 8, 1776, to proclaim American Independence, the original Liberty Bell has seldom since been heard. The last time the Liberty Bell really rang was on Washington's Birthday, 1846. The original crack that had appeared when the Bell was being tolled in the mourning for Chief Justice John Marshall in 1835 has been drilled out in 1846 so that the edges would not vibrate against each other. The Bell rang clear until almost noon in honor of the Father of His Country, when Betty Coleman scored the the crack spread and the ringing changed to a hoarse The Wranglerettes won rumble. That was the last time anyone heard the true voice of the original Liberty

> In Subsequent ceremonies through the years, the original Bell has been sounded-usually tapped symbolically for fear of damaging the Bell still more. On February 11, 1915, its silence of 69 years was broken to signal the linking of the Atlantic and Pacific coasts by long distance telephone. Three times it rumbled hoarsely over the wire to San Francisco. In the conversation that followed the Mayor of San Francisco made a personal plea to the Mayor of Philadelphia to have the Liberty Bell sent to the Panama-Pacific Exposi-

> There, and on its journey by rail to and from the Golden Gate an estimated 17,000,000 Americans turned out to see the Bell.

Again it was struck to welcome the New Year of 1926, the sesquicentennial of American Independence. On that occasion, the wife of Philadelphia's Mayor Kendrick tapped out 1-9-2-6. That event was broadcast by radio to the half of the nation that could be reached by radio at that time. Even the muted voice of Old-Liberty has not been directly sounded since, nor is it likely to be again, although a radio broadcast of a recording on the 1926 ceremony was made to the nation on June 6, 1944, to signal the invasion of the Continent of Europe by Season Starts Tuesday American and allied forces in another war for Freedom. American and allied forces in

The 52 replicas produced in 1950 were used by the Treasury Department in its 1950 Savings Bonds Independence Drive. They toured nearly 2,000 American cities. To open that Drive then-Secretary of the Treasury, John W. Snyder, tapped the original Liberty Bell in Philadelphia near the close of an hour-long nation-wide radio show featuring an address by President Truman and celebrities from entertainment world.

With the 52 duplicates, millions of Americans can hear approximately the same sound as that produced by Old Liberty when it proclaimed Liberty "throughout all the land and to all the inhabitants thereof." They

are exact copies of the original; the crack is indicated in the surface; and the bells ring and are harmonically tuned.

The replicas allow Americans, unable to see the original, to view an exact copy of Old Liberty. Since its return from the Panama-Pacific Exposition in 1915, the original Liberty Bell has not been allowed to leave Philadelphia. Since October 10. 1917, when it was the star attraction in Philadelphia's First Liberty Loan Parade during the First World War, it has not even left its shrine in the Independence Hall, because of the danger of further cracking of the precious relic by the jolts and strains of travel, even though it has been protected since

2.080 pounds more eveniv The 52 replicas of the Old Liberty were donated to the Savings Bonds cause by six leading American companies of the copper industry (bell metal being an alloy of

Mr. and Mrs. Frankie Kubicek, Rhonda and Ricky of Fort Worth visited his parents and sister and brother, Mr. and Mrs. Anton Kubicek of Rayland, Mr. and Mrs. Bennie Belcher, Mike and John of Vernon, Mr. and Mrs. Richard Kubicek and Lynn of Crowell. They also visited the barbecue picnic the Halencak's held on Mother's Day, Sunday.

Died in Chillicothe

Mrs. Edna Ledbetter, 74, mother of Mrs. Loraine Carter of Crowell, died early Friday morning in a Chillicothe hospital following a long illness.

Funeral services were conducted at 2 p.m. Saturday at the First Methodist Church in Chillicothe with Rev. Vernon Willard, pastor, officiating. Interment was in the Chillicothe Cemetery under the direction of Konczak Funeral Home.

Mrs. Ledbetter was born Aug. 4, 1900, in Garland as Edna Alexander, a daughter of the late Mr. and Mrs. X. Z. Alexander. She married W. L. Ledbetter in 1962. She was a member of the Methodist Church

Survivors include her husband; three daughters, Mrs. Carter of Crowell, Mrs. Wilma Procter of Quanah and Mrs. Thelma Holliman of Amarillo; two brothers, Ted Alexander of Wichita Falls and Fay Alexander of Quanah, 8 grandchildren and 1 great grandchild.

Bonds Sales Listed

County Bond Chairman George Self announced today that sales of Series E and H United States Savings Bonds in Foard County during the month of March totaled \$892.00. Sales for the first quarter of 1975 were \$2,991.00 for 5 per cent of the yearly goal of \$60,000.00.

Sales in Texas amounted to \$18,518,450 during the month while sales for the first three months totaled \$61,992,164 with 26 per cent of the \$234.3 million goal

CHRISTIANITY WITHOUT DENOMINATIONALISM

To what denomination did Peter, James, John, the 3000,

Cornelius, the eunuch, Lydia, theCorinthians and the jailor

belong? They were members of the body of Christ, which

is the Lord's church (Eph. 1:22-23, Col. 1:18, 24), yet they

were not members of any denomination. All who were saved became members of this body, the church, by virtue

of the fact that God added them to it-Acts 2:47. Yet, they

Just so, today, if a sinner believes in Christ, and is

baptized, just as the 3000, the eunuch, Lydia, etc., such

would make him a Christian, but nothing more. (Mk.

16:16; Acts 2:36-41; Acts 8:36-39; Acts 16:14-15; Acts 16:30-34; Rom. 6:3-4; Gal. 3:26-27). This would not make

If a great number should do this, would they not be

Christians? Should this number come together on the first

day of the week for worship (Acts 20:7), call themselves by

the same name as did the Apostles and early Christians,

accept and teach the Bible as their only rule of faith and

practice, select such servants as the Bible authorizes, and

observe the same commands in the same way as the

Apostles and early Christians did, and as are set forth in

the Bible—they would be simply New Testament Christians, members of the body of Christ, or New

Testament church, assembling for worship without being

This is exactly what the church of Christ is, and

contends for. If you want to be simply a New Testament

Christian-no more and no less-then investigate and

Honored at Bridal Shower

The home of Mr. and Mrs. H. L. Ayers, Jr. was the setting for a bridal shower honoring Mr. and Mrs. Jim Tom Smith on Saturday, May

Mrs. Ayers greeted the guests and presented them to the receiving line composed of the bride; her mother, Mrs. J. O. Gill of Abilene: Mrs. Bruce Harris, the bride's sister of Ovalo; another sister, Miss Orvaline Gill of Abilene; Mrs. Tom Smith, the groom's mother; and Mrs. John Sweeney of Wichita Falls, his sister.

The hostesses presented the honoree with a white carnation corsage.

The bride's table was covered with an imported white Maderia table cloth laid over green and centered with a silver and crystal epergne filled with pink peonies flanked by two white candles and centered with a miniature bride and groom.

Miss Lisa Halencak and Mrs. A. L. McGinnis Jr. served punch and moonrocks, dainty cookies, mints and nuts to the guests. Mrs. Frankie Halencak presided at the register which was

Visitors from Ohio Are Honored Last Saturday

A punch party honoring Mrs. Dave Bartoszek of Kent Ohio, was given Saturday night in the home of Mrs. Russell. Bartoszek is the former Miss Jo Nell Bradford, a 1968 graduate of Crowell High School. Assisting Mrs. Russell with hostess duties were Mrs. Wayne Birkenfeld (Ann Russell) of Goree and Mrs. Randy Adkins (Mary Sue Carpenter) of Crowell. Mmes. Birkenfeld and Adkins are also 1968 CHS graduates.

Guests from the 1968 graduating class present for the punch party were Mrs. Stanley Shook (Jan Carroll) of Wichita Falls, and Mrs. Ray Cummins (Brenda Pierce), also of Wichita Falls. Other guests were Mrs. Gayle King (Gayle Russell) of Wichita Falls and Mrs. Louis Lopez (Jana Russell) of trip through Mrs. Gillespie's Crowell

> Special guests were Dwayne Birkenfeld, Brenda and Angie Adkins, Matt and Ryan Bartoszek and Jason and Lauri King.

Spring flowers, along with pre-school books and toys, comprised the decorations Mrs. Bartoszek and

children were in Texas to visit her brothes, Gerald Bradford and family of Houston and Ronnie Bradford and family of Dallas. She also visited her grandparents, Mr. and Mrs. C. F. Bradford of Crowell, and grandmother, Mrs. S. J. Boman of Vernon, and uncle and aunt, Mr. and Mrs. L. E. Painter of Crowell.

BIRTHDAY PARTY

Miss Rosanna Eavenson was honored on the occasion of her fourth birthday last Friday at the family home in Thalia. Children present enjoyed games, favors and refreshments served by the honoree's mother, Mrs. B. J. Eavenson

Attending the party were Kimberly Brown, Lori Wright, Shelia and Angela Eavenson, Mark Whitman, Lynn Kubicek and Shelly Adkins and the honored

Junior High Band Students Win High Ratings at Iowa Park

Junior high music students of James Streit entered solos and ensembles in Iowa Park Saturday and the local youngsters won 12 Division I ratings and 15 Division II ratings in the competition.

Winning Division I ratings were the following solos: Debra Kajs, French horn; Inetta Tucker, clarinet; Pollye Wisdom, cornet; Michelle Field, alto sax; Brenda Kajs, Clint Machac, Jeff Walker and Dan Klepper, cornets.

Ensembles winning Division I were Debra Kajs and Dan Klepper, Joyce McGinnis and Christi Aranda; Annis Brown, Lela Graf, Liz Westover and Cathy Carroll; and Carl Field, Ken Gentry and Dan Klepper. Joyce and Christi play the flute, Annis the baritone, Lela and Cathy the clarinet, Liz the flute, Carl the cornet and Ken the tenor

Division II solo winners were Lela Graf, clarinet; John McGee, snare drum; Carl Field, Scharlene Criss, clarinet; Janet Hord, clarinet; Mack Gafford, alto sax; John Halsell, cornet; Patty Black, clarinet; Toni Hopper, snare drum and Lisa Hopkins, alto sax.

Halsell and Gafford won a II on their duet as did Gentry and Klepper. A clarinet trio composed of Mary Coleman, Risa Winters, and Inetta Tucker, won a II. Another clarinet trio winning a II was composed of Janet Hord, Stephanie Riethmayer and Scharlene Criss. Another trio winning a II was composed of Pollye Wisdom, Patty Black and Brenda Kajs.

Honored at Party

Misses Jacquelyn Brown and Renee Westbrook, Crowell High School graduating seniors, were honored at a party Saturday, May 10, in the home of Mrs. Jim Cash.

Following a number of games, the honorees opened their gifts.

Refreshments, which were small graduating cap cakes, sandwiches, potato chips and punch were served to 17 guests. Special guests were the honorees' mothers. Mmes. Jack W. Brown and Tommy Westbrook

The centerpiece on the refreshment table was a large graduating cap cake and two candles. The candles were presented to the honorees.

Hostesses were Mmes. Elmo Shaw, Jim Lin Shook, Kerry Cash, Bill Erwin and Jim Cash and Miss Tracy

Commencement exercises for the 45 members of the Crowell Junior High eighth grade class will be held in the school auditorium next Thursday, May 22. Principal Gordon Erwin says the

Local Man's Grandmother Succumbed

Mr. and Mrs. Buddy Jones were in Seiling, Ok., Wednesday of last week to attend funeral services for Mr. Jones' 109-year-old grandmother, Mrs. Susanna A. Jones of Fort Collins.

Mrs. Jones died Monday nursing home. Memorial services were held Wednesday at the Reorganized Church of Jesus Christ of Latter-day Saints in Fort Collins, and the body was taken to Seiling for burial.

Born in Bourbon County, Kansas, in 1866, Mrs. Jones had resided in Fort Collins since 1954. She was married May 11, 1891, to John Wesley Jones who died in 1922. She had lived in an apartment until after her 97th birthday at which time she moved to a rest home. She and her husband moved to Indian Territory, later to become Oklahoma, in 1897

She is survived by 2 sons, 1 daughter, 18 grandchildren, 58 great grandchildren, 30 great great grandchildren and one great great great grandchild.

Douglas Chowning Honored

Awards, honors and special recognition went to Army ROTC cadets at Texas Tech University in military ceremonies at the university last week and a Truscott student was among those honored.

He is Cadet Douglas M. Chowning, senior civil engineering major and son of Marion Chowning of Truscott, who received the Society of American Military Engineers Gold Medal of Merit Award. The award, a gold pendant, goes to 20 outstanding senior cadets in engineering.

LEGUMES AS NITROGEN ALTERNATE

One way of adding nitrogen to the soil is by planting legumes, according to research agronomists for the Texas Agricultural Experiment Station. A late summer nitrogen application along with removing grass topgrowth will boost legume growth. Success with legumes depends heavily on proper innoculation. Legumes must be nodulated by effective bacteria to fix nitrogen. A high quality innoculant must be prepared for a specific legume.

Crowell, Tx., May 15, 1975

30 Years Ago in The News

News items below were taken from the Thursday, May 10, 1945, issue of The Foard County News:

The unconditional surrender of Germany was officially made known to the world Tuesday morning, when Harry S. Truman, president of the United States, read his proclamation and verified previous reports to the effect that Germany had surrendered. England Prime Minister Winston Churchill also formally announced the surrender in a radio broadcast Tuesday morning. The verification by Russia was not made until Wednesday morning when Premier Marshal Joseph Stalin announced the capitulation of all German forces to the Supreme Commander-in-Chief of the USSR (Stalin) and the Supreme Commander of the Allied Forces.

Lt. Gen. George Smith Patton Jr., commander of the 3rd army, and Lt. Gen. Courtney Hicks Hodges, commander of the 1st army, have recently been promoted to the rank of full generals.

The Home Demonstration Clubs marketing committee will accept orders for pineapples until 4 p.m. Saturday,

Mrs. Era A. Boman, wife of O. R. Boman, has been awarded the Asiatic-Pacific campaign ribbon. The award was made to the internees of Santa Tomas Interment Camp in Manila who have, by their fortitude and courage, contributed materially to the success of the Philippine campaign.

Mr. and Mrs. John L. Hunter Jr., and sons, Lewis and Bob, fireman first class, spend the weekend. Bob Hunter was on his way to a naval base in California.

Ralph Flesher, son of Mr. and Mrs. Frank Flesher of Crowell, is president of the A&M ex-servicemen's Student Club at College

Friends of J. T. Tamplin and Mr. and Mrs. Clyde James met at the home of Mr. and Mrs. Jack McGinnis Friday night with a picnic supper for J. T. and Clyde, who have been overseas.

Pvt. Clinton McLain has recently arrived in the Philippines, according to letters received here by his

County and city officials are working together to provide a suitable place for combines and trucks to be located during the harvest season where machines and trucks can be repaired and otherwise kept in condition and ready for use. The location is just south of the Hays Hotel, east of the elevators.

Foard County has a quota of \$135,000 in the seventh War Loan Drive. National quota is 14 billion dollars.

Five true bills were returned by the grand jury to District Judge C. Y. Welch of Quanah in the May term of district court.

Pfc. Jay W. Owens has recently been transferred from India to China, according to letters received from him by his wife.

The Foard County Agent Says...

Garland R. Wiemers County Extension Agent

> **Beef Cattle Situation** "What I Heard"

I was fortunate enough this past month to be able to attend a producer beef cattle meeting planned for producers in the Rolling Plains Economic Program. During the meeting we heard view points from a rancher, packer, and economist. Most of you reading this article have a good understanding of the rancher's viewpoint so I won't go into detail in that area. The packer, on the other hand, voiced his views that they don't care for grass fat cattle. One of the problems with grass fat cattle he explains was that after slaughter they just won't keep on the rail. This is to say that the carcass of a grass fat calf will keep about 4 days whereas grain fed beef would keep usually at least 3 times that long. You can see that once slaughtered, grass fed beef must be moved readily to the supermarket. Another problem stems from the fact that grass fed beef are somewhat harder and slower

Thickening the spread thins the profit. "Spread' is the farm-retail spread i.e., the difference in what consumers pay and farmers receive for

agricultural products. 'Thickening' is the unusual increase the 'spread' has gone through in the past year. In January of 1974 farmers received 46 cents of a market basket dollar ... by December their share was down to 41...this year the figure could be less than 40. Growth of the "spread" is causing officials to launch specific investigations into agricultural marketing and distirbution systems. Suggestions are being made to locate processing plants closer to the producer, to increase efficiency in food transportation, to locate major supermarkets in centralcity areas and to take a second look at effects of labor unions. Success in shrinking the "spread" everyone. The producer will get a larger share of the money spent and the consumer will receive more product for his food

McLain Farm Equip.

Case Tractor Dealer Phone [817] 684-2321 Crowell, Texas

to slaughter. The packer presenting this protion of the program suggested that in the future the best and cheapest method to follow in finishing calves would be to bring them up to heavier weights on grass and then finish them on grain in the feedlot the last 90 days.

The beef cattle economy was the last part of the afternoon's program. The last few statements of the speaker sounded something like this: "During the past several months the cattle market has gone up and down. It looks like this up and down movement will continue in the last half of this year but mostly down. At this point, the future looks a little dim so what we need to do is just hang on.'

Well it's not hard to say, that none of us there wanted to hear that.

Wheat Harvest Approaches I think everyone will have to agree that the wheat fields look much better now than

they did several weeks ago. The rains we have had as usual have been somewhat scattered throughout the county. Soil moisture in most areas seems adequate enough to carry this crop through the later stage of wheat development prior to harvest. Grains are filling very well and most producers are looking for a good yield. The beginning of harvest will be several weeks later this year as compared with May 15-17 of last year. Depending on moisture conditions, etc. harvest will probably begin around the
