"TWO BITS WORTH"

BY JOHNNY VALENTINE

The country editor says that a mathematics major will be interested to note that the average bikini covers only 206 of the total of 2,386 inches of skin of the average wearer.

TBW
We attended the Firemen's Annual Family night barbecue last Monday night and we must say we were impressed. Those fire boys really know how to put on the vitals. The feed is actually for the fire department and their families but thank goodness they invited the city council.

TBW
The old football season is about to get underway again with drills already underway for local gridirers. We attended the ice cream supper Monday night to welcome the coaches to Tahoka and for local folks and coaches alike to get acquainted. We didn't get to talk to most of the coaches much but we must say that we are very impressed with the new head football mentor, A.J. Viertel. He knows how to handle his job and seems to be going at it effectively. Good luck coaches.

TBW
Ed Hamilton has recently been on a tour overseas and we have been looking for a write up from him on his travels. Maybe this will boost him up and he will give us old poor folks some idea of what it's like to travel.

TBW
Here's a little note we would like to pass on from a former weekly newspaper editor. During Mark Twain's days as a newspaperman, he was editor of a small Missouri newspaper. One day he got a letter from a subscriber, stating that he had found a spider in his newspaper and asked if this was an omen of good luck or bad luck. Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward." Don't let those webs grow in your place of business, advertise.

We have been getting calls for houses in Tahoka at a rate of several per day recently and we have learned from Chamber of Commerce Manager, Maurice Small that he has been getting calls for housing also that cannot be filled. This not only includes school teachers but also includes people who wish to live in a small town and work in the big city. We wonder if we are not missing a great bit of the growth of our town. If you have any ideas on this please contact me or your Chamber of Commerce.

Tahoka School Starts Monday

School bells will ring again August 24, with bus routes being operated, and the cafeteria will be serving lunches on that day.

First bell for the high school students rings at 8:25 a.m. with classes to begin five minutes later.

Five Accidents In Lynn County

The Texas Highway Patrol investigated five accidents on rural highways in Lynn County during the month of July, according to Sergeant Hal Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, an estimated property damage of \$3,975.00. The rural accident summary for this county during the first seven months of 1970 show a total of 48 accidents resulting in three persons killed, 28 persons injured, and an estimated property damage of \$41,130.00.

"School days" are here again. The familiar yellow school buses are back on the highways. The Sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

The kindergarten program will begin August 24; attendance is voluntary. Only "educationally handicapped" children will be taken the first three years. To be eligible to attend kindergarten this school year, a child must be at least 5 years and 5 months old on or before September 1, 1970. Also, a child must meet one (not both) of the following qualifications:

- (1) A child must come from a family whose income is \$3,000 or less a year, or
- (2) A child must have difficulty with the English language.

Children in kindergarten will be in class from 8:20 a.m. to 1:00 p.m. for the first three weeks; after that time, they will remain in class until 3:00 p.m. Bus children will remain at school in a supervised "bus room" until 3:52 p.m.

The schools will observe a holiday for Labor Day, September 7.

The same time-table will be observed for the Junior High with grades six through twelve dismissing each day at 3:52 p.m.

Home-room activities for the elementary schools will begin at this time also, although elementary classes begin at 8:45 a.m. for North and South Elementary schools respectively. Classes end at 3:00 p.m. each day for first through third grade students except during the first three weeks of school when the first graders will be dismissed at 1:00 p.m. Parents may pick the first grade students up at 1:00 p.m., but for those living in the country, a special "bus room" will be maintained with full supervision until the time the buses run. North Elementary will observe the 3:52 p.m. dismissal.

The kindergarten program will begin August 24; attendance is voluntary. Only "educationally handicapped" children will be taken the first three years.

To be eligible to attend kindergarten this school year, a child must be at least 5 years and 5 months old on or before September 1, 1970. Also, a child must meet one (not both) of the following qualifications:

- (1) A child must come from a family whose income is \$3,000 or less a year, or
- (2) A child must have difficulty with the English language.

Children in kindergarten will be in class from 8:20 a.m. to 1:00 p.m. for the first three weeks; after that time, they will remain in class until 3:00 p.m. Bus children will remain at school in a supervised "bus room" until 3:52 p.m.

The schools will observe a holiday for Labor Day, September 7.

1970-71 TWIRLERS-Shown in the photograph above are the three beautiful twirlers that will lead the 1970-71 Bulldog Marching Band. The girls are Neta Glenn, daughter of Mr. and Mrs. George Glenn; Carol Thomas, daughter of Dr. and Mrs. Skiles Thomas and Donna Dorman, daughter of Mr. and Mrs. Jesse Dorman.

Wilson School Registration

Registration for high school and elementary school students will begin on Friday, August 21 at 9:00 a.m. Junior High Students will register on the first day of school.

High school registration schedule: (High School Building) 9:00 - 10:30 a.m. Juniors & Sen. 10:30 - 12:00 Freshman & Soph. Elementary School Registration (Elementary Building) Students may register anytime between 9:00 and 12:00 noon.

School will begin at 8:30 a.m. on Monday, August 24. There will be an assembly in the high school auditorium at 8:50 a.m. for all students. Parents are cordially invited to attend the assembly. Plans call for a full day of school on the first day. School will be dismissed at 4:00 and buses will run at that time.

Ag Land Committee To Meet Aug. 25

AUSTIN.. The Agricultural Land Assessment Study Committee will hold a public hearing in Lubbock Tuesday, August 25, at 10:00 a.m. in the KoKo Palace, 5201 Ave. O.

The committee, headed by State Senator Wayne Connolly of Floresville, is holding a series of statewide hearings to gather information needed to draft legislation establishing a uniform method of assessing land for tax purposes. Constitutional Amendment No. 3 on the November 3 General Election Ballot, if passed, would authorize the Legislature to consider these bills next year.

E.L. Short, State Representative from Tahoka who is a member of the fifteen member committee, said, "I know from personal experience the tax problems that exist in the Plains region of West Texas. As a fact-finding group, the committee needs to hear testimony from all viewpoints concerning the tax question in order to formulate a report to the Legislature in January. There are burdens on both the farmers' and tax assessors' shoulders that must have immediate attention."

"As a member of the Legislature, I know that we must have the opinions and facts from local experts in order to act effectively. I am sure that West Texans will take advantage of this sounding board that is being provided for them."

Other Committee members are Senators Jim Bates of Edinburg, Joe Christie of El Paso, William T. Moore of Bryan, Ralph Hall of Rockwall; Representatives Jack Blanton of Carrollton, Steve Burgess of Nacogdoches, Honore Ligarde of Laredo, and Bill Swanson of Houston. Also Michael L. Frsot of McAllen, Alfred Negley of San Antonio, Sidney Dean and Jay Naman of Waco, and Bill Hoffmann of Jasper.

Tax Collections Are Normal

Tax collections were about normal for 1969 in comparison to collections in 1968.

Approximately 96 percent of State, County, High Plains Water and Hospital District taxes were paid by June 30, 1970. Discounts allowed for the months of October, November, and December payments were \$6,161.54. Penalty and Interest paid from February 1st through June 30th amounted to \$323.87.

Net collections from October 1, 1969, through June 30, 1970, was \$282,079.17 of which \$55,679.53 went to the State, \$168,132.05 to the County, \$2,564.93 to the High Plains Water District, and \$55,702.66 to the Hospital District.

Shooting At Dance Hall Ends In Death

Felix R. Madrid, 25, of Slaton was pronounced dead at Tahoka Clinic about 12:15 a.m. Sunday after being shot in the left side of the chest early Sunday morning at a local dance.

Sheriff Norvell Redwine and a Tahoka City Policeman were summoned to the scene about 12:15 and in about 12 minutes took Ruben Perez, 21, of Tahoka into custody in connection with the shooting. He was charged with murder with malice Sunday before Justice of the Peace E.A. Hargrave, and bond was set at \$10,000. Services for Madrid were held at 5 p.m. Tuesday in St. Jude's Catholic Church here with Father John Dillon, officiating. Burial was in Tahoka Cemetery.

Perez remained in jail late Wednesday in lieu of the \$10,000 bond.

No apparent motive for the shooting had been reported but the Sheriff's Department was questioning witnesses at press time. The apparent weapon in the killing was a four shot 22 calibre derringer. Madrid was born in Tahoka, but moved away several years ago. He moved to Slaton about two months ago.

highway, inside the city limits, have been permitted to ride in an effort to insure safer crossing of the busy artery, however, buses have become overcrowded to the extent that a greater safety hazard has resulted from the overcrowding.

Gasoline bids were presented by Texaco and Mobil Distributors. The bid for the period of September 1, 1970 to August 31, 1971, was awarded to G.H. Chestnut, Mobil dealer, for a price of \$0.1379 per gallon plus the state tax of \$.05. Public schools are exempt from federal taxes.

Tahoka ISD Board Has Lengthy Agenda

The Tahoka ISD Board of Education met on Thursday, August 13, with a rather long agenda. Several personnel were approved for employment. Mrs. Shirley Holloway and Miss Suzanne Weedon, elementary Education majors from Texas Tech, were approved to teach in the elementary schools. Miss Donna Terrell, who has taught in the Gruver Schools for the past four years, was approved for placement in the high school. Two coaches completing the coaching staff, were approved. They are Ronnie Fowkes, who will be first assistant football coach, and Al McMillan who will be varsity boys' basketball coach and assistant football coach.

Fowkes is a graduate of Howard Payne College and formerly head football coach at Bangs which is a Class A school near Brownwood. McMillan comes from Roswell, New Mexico where he was head basketball coach at New Mexico Institute High School. He has also coached at Lordsburg, New Mexico. He is a graduate of Texas Tech and played freshman basketball there.

Mrs. Ethel Denzy was approved as a teacher aide for Special Education.

The Board approved the student insurance program provided by Southwestern States General Agency of Dallas Premiums for student insurance will be \$7.00 for the "At School Plan" and \$18.00 for the "24 Hour Plan". Materials for enrollment will be sent home by students on August 24.

In other business a new policy pertaining to bus service was adopted. Beginning with the new school year only those students who live two miles from school will be eligible to ride buses. One exception to this policy will be that those students who live outside the city limits, but less than two miles from school, may ride buses if the buses pass their homes and if the buses are not overcrowded. Since the four lane highway opened children who live east of the

Approval was given for the operation of an Adult Basic Education Program during the 1970-71 school year. The program will be operated with federal funding.

Various reports concerning the operation of the schools were heard, and the date of August 27, was set for a special meeting to approve the annual amended budget for the 1969-70 school year and the athletic budget for the coming year.

Members attending were: Edward Bartley, President; James Brookshire, Vice President; J.T. Miller, Secretary; Joe Brooks; Elmer Owen; Ruben McElroy; and Dan Curry. Also present were Mrs. Peggy Elliott, Director of Business Affairs, and Harold Reynolds, Superintendent.

DR. THOMAS IS PROGRESSING RAPIDLY

Dr. Skiles Thomas returned home last Thursday after a 10 day stay in the Methodist Hospital in Lubbock. Dr. Thomas is recovering from a heart attack and was in the Roswell Hospital for about 10 days. Dr. Thomas is not allowed company at this time but according to Mrs. Thomas, Dr. Thomas is progressing rapidly and appreciates the flowers and cards.

GETS SIGN-The Lynn County Hospital recently received its new sign as you can see in the above photograph. Work on the hospital has gone at a rapid pace and should be completed around the first of next year.

United Effort Defeats \$20,000 Per Crop Limit

Defeat of the \$20,000 per crop limitation on farm payments under the House-passed farm bill August 5 was the result of an exceedingly strong effort from all concerned, according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock.

Johnson, who was on the scene, said industry representatives, USDA and leading members of Congress on both sides of the aisle worked tirelessly in diluting support for the lower limit and to make it possible to retain the \$55,000 per crop limit sponsored by the House Ag Committee. He added "We are highly grateful to our own Texas Representatives and to others in Congress who gave such solid support when it was so badly needed."

Johnson noted that all of those voting from the Texas delegation voted with House Ag Committee Chairman Bob Poage of Waco, and said "This is quite a tribute to Mr. Poage and to our representatives' ability to understand the severe effects a low level payment limit would have on the nation's largest industry." He also had special praise for 19th District Congressman George Mahon, Chairman of the House Appropriations Committee, saying that Mr. Mahon "used" his influence energetically and unstintingly in fighting off the lower payment limit. Also singled out for recognition by Johnson were Congressmen Bob Price, Graham Purcell and George Bush of Texas, Speaker John McCormack, Majority Leader Carl Albert, Majority

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Whip Hale Boggs, Minority Leader Gerald Ford, Minority Whip Leslie Arends and Page Belcher, ranking minority leader of the House Ag Committee.

But Johnson cautions that this is not the last word and that many changes may yet be made both in the basic provisions of a farm law and in the type and level of a payment limit. The next hurdle of course is the Senate Ag Committee where Johnson pointed out that USDA and others, including Plains Cotton Growers, will be seeking to improve on the House version.

"PCG's efforts at the Senate level will be directed primarily at changes which would (1) improve producer income, (2) eliminate the limitation on payments to individual farmers, and (3) institute the expanded and more comprehensive merchandising approach on which we have been working for some time," Johnson stated.

Some farm leaders in the Senate have expressed the opinion that the Senate might be able to pass a farm bill by Labor Day, but others believe it will be impossible to meet that schedule.

A crucial test for the \$55,000 payment limit will come when Agricultural Appropriations bill is sent to Conference Committee. The Senate version of the Appropriations measure carries a rider limiting payments to \$20,000 to any one farmer on all crops, and Representative Silvio Conte of Massachusetts has indicated he will move to have House Conferees instructed to accept the Senate amendment. If the successful House action of August 5 on a payment limit would become meaningless. On PCG's position, Johnson reiterated the organization's position of total opposition to any form of payment limit. He said "In order to get a farm bill passed we may be forced to endure limitation of payments, but we will not relent in our feeling that a payment limit is unjust, unjustifiable on any basis and that it will greatly impair the effectiveness of any farm program."

The farm bill as passed by the House provides a support of 35 cents per pound, middling one inch, 3.5 to 4.5 micronaire basis, on yields from 11.5 million acres for the 1971 crop and an equivalent amount for the 1972 and 1973 crops.

inch cotton, premium micronaire, over the first five months of the cotton marketing year, August 1 through December 1, but in no event less than 15 cents per pound.

It provides for a set-aside of cropland, not to exceed 33-1/3 percent of the cotton allotment, as a condition of eligibility for benefits under the program. Having set aside acreage equal to the required percentage of his allotment plus the farm's normal conserving base, a farmer would be free to plant remaining acreage to any crop without penalty.

While it is not written into the law, the Secretary has agreed that the loan for 1971 would be 18.7 cents per pound, premium micronaire middling one inch cotton. This compares with this year's loan of 20.7 cents on the same basis.

The 15 cent payment rate, which would be adjusted upward if the market price for premium micronaire middling one inch cotton fell below 20 cents, compares with a payment in 1970 of 16.8 cents per pound. This year's payments were made on "projected" yields from about 11.15 million acres of domestic allotments, as compared to the 11.5 million acres on which payments would be made in 1971.

The House version calls for payments to be made on a farmer's average production from acreage planted to cotton for the three preceding years, "adjusted by the Secretary for abnormal yield in any year caused by drought, flood or other natural disaster."

JOHNNY VALENTINE...EDITOR-PUBLISHER

Highlights AND Sidelights by Vern Sanford.

AUSTIN--More than 2.7 million Texas students soon will be heading back to public schools again.

There will be a lot of changes in some for them, although most probably will fast adjust or barely recognize the differences.

Teachers will begin work a little earlier, and classes in some areas will start earlier.

School year will stretch out from 175 classroom days to 180.

Teachers will be on duty 10 more days of non-teaching work for in-service training and to help with school opening and closing.

For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program.

A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying on lectures, preaching or moralizing. Training of local teaching teams in 1,206 school districts is slated to start in September and October.

Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as a proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts in Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (Aug. 21). Hearings may begin Monday.

All members are urged to attend and visitors are welcome. Leslie Cawthorn, Worthy Matron and Margaret Pinkston, Secretary.

EAGLE MAY BE OUT--A Railroad Commission examiner has prepared a report recommending Missouri Pacific Railway Company be permitted to discontinue its St. Louis Eagle passenger train.

Finding came after extensive hearings in several cities. Opponents of shutting down the train have 30 days to reply and restate their case.

Eagle was one of the last three passenger trains on a regular run across the state from Texarkana to Laredo and back once a day.

MP claimed a revenue loss and asked permission to cut it off its routes.

DRAFT CALL UP--September draft call for Texas is 704--a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new manpower, mainly from formerly-deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all of the Army Parks ADVANCED -- Outstanding new Lyndon B. Johnson State Park near Stonewall, a across Ranch Road 1 from the famed LBJ Ranch, will be officially dedicated on August 29 at 2 p.m.

Former president will attend the festivities which include a reception and luncheon in Stonewall.

Parks and Wild Life Department also announced approved of a \$355,050 federal grant for a development project in Abilene State Park.

Funds will be matched by the state on a 50-50 basis in the \$710,000 project which includes building of a headquarters, visitors' center, campsites, a group shelter, wading pool, playground equipment, roads, and parking.

INSPECTION TIME AGAIN--Another auto inspection deadline is approaching for vehicles with red stickers and the large numeral "9."

These cars, warned Co. Wilson E. Speir, director of the Texas Department of Public Safety, must be reinspected before midnight September 30.

Texas now has a 12-month-inspection system. Stricker in the lower left-hand corner of each automobile windshield contains a large numeral showing the month of inspection and expiration.

Speir said cars with red stickers and a number "10" must be reinspected before midnight on the last day of October, those with an "11" by the end of November and those with a "12" by December 31. Fee remains at \$2, with adjustments or repairs extra if required.

LAND RECOVERY SOUGHT--Land Commissioner Jerry Sadler has called on Atty. Gen. Crawford C. Martin to take whatever legal steps are necessary to recover lands of Calhoun County Navigation District not being used for navigation purposes.

Sadler noted that 47,000 acres were purchased by the district from the state in 1956 for \$1 an acre. In 1961, Sadler said, he refused to approve the district's application to buy additional lands, after officials admitted 20,000 acres of the original purchase were considered surplus acreage not needed for navigation purposes. Some of this land was sold, and has gone into private real estate development.

Commissioner said he urged the attorney general's office as far back as December 23, 1961 to take steps to recover the 20,000 acres for the permanent school fund but got no action. School Land Board, he related has now requested that the land be recovered.

GRANTS APPROVED -- Gov. Preston Smith has approved a federal grant for \$114,389 for operation of a family planning program for migrant farm workers in 26 Texas counties and six other states where they migrate.

Counties benefitting are Val Verde, Kinney, Uvalde, Bexar, Jime Wells, Maverick, Zavala, Dimmit, Frio, LaSalle, McMullen, Duval, Webb, Live Oak,

Bee, Refugio, San Patricio, Nueces, Kleberg, Zapata, Jim Hogg, Brooks, Starr, Willacy, Hidalgo and Cameron.

Smith also announced approval of a demonstration grant of \$72,344 to Las Colonias Del Valle Inc. in San Juan, Hidalgo County, for youth development program.

A state regional planning assistance grant of \$14,930 went to the South Plains Association of Governments (SPAG) serving 33 cities, eight special purpose governments and 11 counties.

AG OPINIONS--An off-duty policeman may not conduct a private enterprise, employing other off-duty policeman or officers to perform guard duty or patrol without securing a license, says Attorney General Martin.

In other opinions, Martin ruled that:

An alarm agency approved by the State Board of Insurance, may perform certain activities send their representative to answer the alarm, furnish a key to police officers for entrance

to the premises, assist the police as they may request in their check of the premises, and reset the alarm after the police have finished their work--without its personnel having obtained a license.

Commission on Fire Protection

Personnel Standards and Education has authority to hire an executive director, provided that his duties are solely administrative or ministerial, and do not call upon him to exercise discretion or judgment concerning the powers and duties required to be performed by the members of the Commission.

SHORT SNORTS -- Judge Joe

Frazier Brown of San Antonio, executive director of the Texas Criminal Justice Council, has been named to the national executive committee and chairman of the committee on discretionary grants for heads of state criminal justice planning agencies.

Drug use among children committed to Texas Youth Council has increased from five to 70 per cent during last three years according to new report of State Program on Drug Abuse.

South Texas groups (United Farm Workers, PASO, MAYO and Colonias del Valle) have filed suit against the governor and the Department of Public

Safety, claiming they are being spied on by state police.

Mrs. Gwendolyn Craddock of Austin is new administrative technician in Texas Office of Economic Opportunity.

Machele Elliott's Services Held

Machele Rene Elliott, 8-year-old daughter of Mr. and Mrs. Stanley Elliott of Rt. 5, Tahoka, was dead on arrival at Brownfield General Hospital Saturday night following an accident at Petty. Machele was accidentally killed while playing on a cotton gin press, of which Mr. Elliott is the manager.

Services were held at 2 p.m. Tuesday in the New Home Church of Christ with Rev. Buck Griffith, a former pastor, officiating. Burial was in Lubbock's Resthaven Memorial Park under the direction of White Funeral Home.

Machele was born June 26, 1962 in Levelland. The family came to Lynn County 6 years ago.

Survivors other than the parents include a sister, Nanette Shantelle Elliott, 6, of the home; her grandparents, Mr. and Mrs. O.D. Elliott of Seagraves and Mr. and Mrs. A.L. Box of Sulphur Springs; and her great grandparents, Mrs. Lloyd Felon of Colorado City, Mr. and Mrs. J.W. Robinson of Sulphur Springs and Mr. and Mrs. Alvis Box of Summerfield, Okla.

CASUAL--Vivid colors contrast and complement each other in this easy-going three-some of comfortable cotton knit. A figure-trimming tunic and long-sleeved body shirt top straight stem pants in a dot 'n dash jacquard pattern. By Koret of California.

R.L. Dulin To Attend Conference

R.L. Dulin of New Home, president of the Lynn County Farm Bureau, will represent this County at a statewide Presidents' Conference August 27-28 in Brownwood.

The Brownwood meeting is part of a statewide effort in involving county Farm Bureau leaders in developing a plan to upgrade the Farm Bureau program in Texas. Presidents of the 203 organized county units in the State are expected to attend the two-day session.

"Our county organization is taking an active part in helping create a more effective organization that will better serve the needs of farmers and ranchers in the years ahead," Dulin said.

The Lynn County Farm Bureau Board of Directors held a special meeting July 9th to evaluate the total Farm Bureau program and to make suggestions in the ideas to be considered at Brownwood.

At the Presidents' Conference, the county leaders will also receive a report from a team of specialists from Texas A&M University on projected changes in market demand, financing agricultural operations, costs of production, numbers of agricultural producers, etc.

The leaders will be separated into group workshops based on subject matter, to consider both reports from counties as well as the information supplied by the agricultural experts. They are expected to recommend programs for making the organization more effective on both county and state levels.

County presidents will caucus by districts to make nominations for a statewide committee of county leaders. Primary purpose of the committee will be to draft and recommend to the Texas Farm Bureau ways and means of servicing county Farm Bureau.

County Farm Bureaus will be asked to designate a small committee within each county to implement county programs given top priority.

BIRTH

Congratulations to Mr. and Mrs. Mickey Owens of Spearman on birth of a son, Matthew Raymond weighing 7 lbs 13 oz., Thursday, Aug. 13. The baby has an older brother, Karl Michael, age 3 1/2. Grandparents are Mr. and Mrs. D.A. Raymond of Levelland and Mr. and Mrs. J.W. Owens of Tahoka. Three great grandmothers are Mrs. A.C. Raymond, Abilene, Tex. Mrs. G.M. Lawlis, Austin, and Mrs. Texas Owens of Tahoka.

A.F. Gickhorn's Eastern Star To Meet Monday

Arthur F. Gickhorn, 77, a resident of Wilson since 1944, died about noon Saturday in Mercy Hospital in Slaton. He had been a patient there 13 days.

Services were held at 3 p.m. Monday in St. Paul Lutheran Church in Wilson with the Rev. F.O. Koesel, pastor officiating. Burial was in Green Memorial Cemetery.

Gickhorn was a retired farmer.

The Tahoka Chapter 743 Order of the Eastern Star will meet Monday, August 24, at 8 p.m. for their regular meeting.

They will honor Rob Morris the founder of the Order with a program. Refreshments will be served and a fellowship hour will follow the meeting.

All members are urged to attend and visitors are welcome.

Leslie Cawthorn, Worthy Matron and Margaret Pinkston, Secretary.

Past Days In Lynn County

Copied from July 13, 1923
Through the untiring efforts of Superintendent of School, Prof. H.P. Caviness, assisted by the Smith-Hughes law of the Federal Government, the Tahoka High School will add Vocational Agriculture and Home Economics to its courses during the 1923-24 term.

Prof. J.A. Stark, accompanied by his wife, arrived the fore part of the week. Prof. Stark will have charge of the agriculture department and is on the ground getting things in shape for the opening of school. He comes highly recommended in this line of work and is a graduate of the Texas A&M College.

Miss Velma Poterfield of Vernon, Texas, has been employed in the vocation home economics department. She is expected to arrive in Tahoka before the opening of school in September. Miss Poterfield is a graduate of the College of Industrial Arts, Denton, Texas, and also comes highly recommended in her line of work.

In the agriculture department there are two courses consisting of Animal Husbandry and Field Crops.

In the home economic department there are two courses, i.e. cooking, sewing.

It is a Federal law that these courses be given in high schools and a part of the salaries of the teachers employed in these departments is paid by the Federal government.

There are only three schools in Texas where women can qual-

ify for the position as graduates viz. College of Industrial Arts, Texas University and San Marcos Normal. Only two schools in Texas where men can qualify for these positions as graduates, viz. Texas A&M and the Sam Houston Normal.

The News is glad to announce to the patrons of the Tahoka Independent School District that these two highly efficient teachers have been added to the present faculty for the 1924-25 term.

Prof. and Mrs. Stark comes direct to Tahoka from Spearman, where he was employed as vocational agriculture instructor last year. Their home is at Sealey, Texas. The vocational agriculture instructor is employed for twelve months in the year, whereas the home economics instructor is employed for nine months in the year.

Tahoka can now boast of one of the best equipped light and power plants in Texas. This week a new 100-horse power Fairbanks Morse engine is being installed, and with the other two engines now owned by the city Tahoka will doubtless never be without power day or night.

W.S. Anglin, superintendent of the Tahoka Light and Power Co., is using every precaution to render first class service to the patrons of the company and no cause for complaint has been given to date.

All Tahoka is indeed proud of her splendid light and power plant.

plant.

Miss Leona Key entertained a few of her friends with a slumber party Wednesday night at her home in north Tahoka. Thirteen girls were lucky in being invited and all report a wonderful time. The modern Juliet serenaded their Romeos from eleven until twelve o'clock after which they returned to Miss Key's and enjoyed a midnight lunch of sandwiches and punch. A box of candy was awarded to the one telling the best "ghost story."

Miss Joe Max was the winner. Stunts too numerous to mention were indulged in until the wee small hours of the morning. Those present were Misses Joe Max, Lucile Taylor, Thelma Lowe, Joyce Ketter, Leota Knight, Inez Edwards, Beulah Lowe, Frankie Wells, Crickett Baldrige, Inez Weatherford, Pauline King and Mary Walker.

Claude Wells and family, Mrs. G.W. Small and son, Maurice and Frank Larkin, returned last week from a few days outing in the mountains beyond Roswell, N.M. Mr. Wells stated that Lynn county was the garden spot of the earth for him; that he never saw anything that would near come up with the South Plains enroute to and from that section. He is one of Tahoka's progressive citizens and always found boosting Lynn County.

S.E. Reid and family motored to Post Tuesday afternoon and returned.

J.C. May, Sr. returned to his home in Mississippi, Monday after a week's visit with his sons, J.C. of Post and Jessie A. of Tahoka.

The many friends of Mrs. H. B. Howell will be glad to learn that she was able to return home Monday, from Lubbock where she had been in a sanitarium for more than two weeks.

Misses Emma and Mattie Hickerson returned to their home at McGregor, Wednesday after a two weeks visit with their brother, G.W. Hickerson and sister, Mrs. J.B. Lowe.

The rain last Saturday was accompanied by quite a bit of electricity killing a cow belonging to A. Shroyer in Northwest Tahoka and striking the residence of Rev. H.S. Hatchett putting the lights out of commission and tearing some of the shingles from the room.

The city of Tahoka has recently attached to a motor fire truck, a siren whistle, which can be distinctly heard for many blocks. The citizenship of Tahoka are hereby warned that when this whistle is sounded a fire is somewhere abouts, and we have been asked to tell the people to please stay off

the streets with vehicles for the fire truck surely has the right-of-way when a fire breaks out.

The News failed to mention the return recently of Mr. and

Mrs. F.E. Redwine and family from a six weeks tour in the mountains of Colorado. They reported seeing lots of country enroute to and from the western states, but none appeared to them as does the great South Plains, and more especially Tahoka and Lynn County.

The Bethel Church at Tahoka Ward School House, was organized the first Sunday in July, and held its meeting beginning the fifth Sunday with Rev. G.W. Cunningham as helper. There were nine conversions, and four joined the church by letter and four by baptism. The meeting ended August 8th.

Miss Leta Francis Wyatt arrived at the home of Mr. and Mrs. Notely Wyatt Friday, August 3rd, for an indefinite stay. Bud Milliken has erected a new dwelling in northwest Tahoka and expects to complete it the later part of this week or the first of next.

Southland Class Reunion Held

A group of ex-students from the classes of 1944 through 1947 of Southland High School, met at the Slaton Club House, Saturday for an evening of renewing friendships of high school days. A pot luck supper was enjoyed by all.

The "Psycho-Ceramics", a very "sophisticated" trio of Amarillo, consisting of Jack Lancaster, a 1945 graduate of Southland High School, and now a principal in Amarillo, Bob Clouch, also a principal in the Amarillo School system, and Saxton Murdock, an engineer with the Pan-Tex Corporation, presented their own "Classical" renditions of familiar lyrics. Their performance was enjoyed tremendously by all those present.

Mr. J.P. Hewlett, superintendent of the Southland School during this time, and now the Lynn County School Superintendent, was the speaker of the evening. He gave a very interesting talk on his life and the desire he had to teach school.

Mr. Hewlett is well loved and respected by his many ex-students and friends.

Officers were elected as follows: Jack Lancaster, president, B.H. Thomas, Jr., vice-president and Bobby Hoffman, secretary.

It was decided that we have another reunion in 1972, the first Saturday in August, at the Slaton Club House, and also to include all classes from 1940 thru 1950.

Other special guests were: Mr. and Mrs. Sam Ellis of Southland, Mr. and Mrs. Wesley Scott of Post, Mr. Ellis and Mrs. Scott were teachers there in the middle 1940's, Mr. and Mrs. Walter Kellum of Slaton, and Mr. and Mrs. Earl Lancaster of Southland.

Others attending were: Mrs. Janey (Morris) Maeker of Richardson, Mrs. Dorothy Sue (Smallwood) Ramsey, of Mid-

Grain Comparisons In Farm Bill

(Grain Sorghum Producers Assn. discusses in a release, features which will be the same and those which differ from the present farm bill compared to the Agricultural Act of 1970, which was passed late last Wednesday by the U. S. House of Representatives.)

These features of the present feed grain program are continued:

1. The set-aside program is voluntary, with price support and other benefits limited to participants.
2. Crops included in the diversion program are corn, sorghums and, if designated by the Secretary, barley.
3. Total support will be made up of a loan plus price support payments to assure participants of an advantage over nonparticipants and to maintain producer incomes. Such payments will be made on 50 percent of the farm's feed grain base.
4. Participants, to be eligible for price support and payments, will be required to divert or set aside an acreage equal to a specific percentage of their feed grain bases.
5. Payment for diverting additional acreage is authorized.
6. All diversion will be in addition to the acreage on the farm devoted to conserving uses in preceding years.

Post Offices Have Clean-Up Week

Postmaster Charles Townes announced this week that Aug. 16 to 22 is "CLEAN-UP WEEK" for the Tahoka Post Office as part of a nation-wide postal activities announced in Washington by Postmaster General Winton M. Blount. The Postmaster General announced the program "to establish post offices as a symbol of good house keeping and as a credit to every community in the nation."

Mr. Townes added "We are all concerned nowadays about the quality of the environment, office is one of the busiest and most visible activities in Tahoka and whatever we can do to improve it is of special value to our community."

In addition to improved appearance for postal facilities, the national "Clean-Up Week" is designed to provide practical values, removal of safety and

7. Authority is provided for the growing of crops on set-aside acreages.

8. Free substitution of feed grain and wheat acreage is provided by the very nature of the program.

9. Farmers prevented from planting their feed grains because of some natural disaster will suffer no loss of program benefits or base acreage.

10. Numerous other provisions such as, for example, sharing of payments by producers on a form and program financing will be the same as under the current program.

This bill differs from the present program as follows:

1. Participants will no longer be required to limit acreage planted to feed grains to the base acreage less diversion. As long as they set aside an acreage equal to the agreed-to percentage of the feed grain base and maintain, in addition, the required acreage devoted to conserving use, they will be free to plant all remaining available acreage to whatever crop they feel will provide them with the greatest return over production costs.

2. Participants will no longer be required to plant half their base acreage to feed grains to obtain price support payments. As long as they comply with program requirements, participants will be eligible for price support payments and can plant their entire remaining acreage to the crop of their choice.

3. The Secretary of Agriculture is authorized to limit acreage planted to feed grains in 1971 and 1972 only to assure an orderly transition from present production patterns.

4. While calculated somewhat differently, farmers will receive, in addition to the loan, income supplementing direct payments on half their base acreage, just as at present. These will assure participants of obtaining at least \$1.35 per bushel for their corn

hoka.

Mr. and Mrs. Donald R. Johnson have moved here from Claude, Texas. Mr. Johnson is junior high school principal and Mrs. Johnson is attending beauty school in Lubbock.

Mrs. Nick Ford and Chad, Denver City spent the week here with her parents, Mr. and Mrs. E.M. Rudd. Nick came for the week-end.

Mr. and Mrs. Clifton Clem and boys, New Home and Mr. and Mrs. Buck Fillingim and children returned home Friday evening from a vacation trip to Colorado.

Mr. and Mrs. H.W. Harmon of El Paso were here Thursday until Saturday with Mr. and Mrs. Russell Howle. Mr. Harmon is superintendent of the Socorro Schools.

Mr. and Mrs. Derrell Fletcher, Lee Ann and Cory of Irving were here Thursday until

Sunday with her parents, Mr. and Mrs. Garland Peek and other relatives. The Fletchers just recently moved to Irving from Houston. He is with Lane-Timco Vaught.

Mr. and Mrs. Grady King of Lasbuddy visited with us here Thursday afternoon. They also visited their son, Lawrence Herschell King and family and the Kenneth Davies at Slaton.

Ronnie Sharp celebrated his 13th birthday with a slumber party Tuesday Aug. 11th. Attending were Rickie Rice, Alan Nettles, Rickie and Dale Clem, Lee Castro, Scott McAllister and John Dudley Edwards.

Mrs. Bessie Strain visited in Wolforth Sunday afternoon with Mr. and Mrs. G.A. Edwards. The couple are at home after spending several days in Highland Hospital where they were taken after they were injured in a car wreck in Lubbock, Aug. 1.

Mr. and Mrs. James Thorne and Janice of Meridan, Miss. and Mrs. Mavis Holt of Hickory, Miss. visited here last week with the David Airhart family. Mrs. Airhart and the children and David's mother, Mrs. Johnnie Airhart of Lyford who is visiting here, accompanied the Mississippi visitors to Roswell, N.M. to visit Mr. and Mrs. Bob McAnally and family and made a trip through the Carlsbad Caverns. Mr. and Mrs. Carlton Davies, Randy and Kenna Jo of Lubbock visited with us here Thursday also with the E.M. Rudd family.

Mr. and Mrs. Joe Hamlin and children visited in Big Spring Sunday with their daughter, Mrs. Jimmie Bolton and family.

Mr. and Mrs. Bob Parker visited in Lovington, N.M. this weekend with her brother, Charles Lyles and children. Kim who has spent the summer here with her aunt, returned home.

Randy Unfred, son of Mr. and Mrs. L.C. Unfred is studying this summer at the University of Moscow, and the Sochi Interpreters School in Russia. Randy, a Senior Government Major at the University of Texas, is enrolled with the American Institute for Foreign Study. In addition to the classwork, he is making side trips to various points in Russia. The Sochi Interpreters School is in

the city of Sochi, one of the leading resort cities of Russia, located on the Black Sea. Randy will also go to France, Belgium and England before returning home in Sept.

Mr. and Mrs. L.L. Clark, Ft. Worth, and their daughter, Donna Sue, a teacher in the Munday School visited here Saturday night with Mrs. Clark's mother, Mrs. Howard Mayfield and her sister, Mrs. Dick Turner and family.

Sandra Belk of Edmondson spent last week here with Brenda Parker. Brenda returned home with Sandra to visit a week there.

A bridal shower honoring Mrs. Gerald Smith (nee Vicki Ewing) was given Tuesday, Aug. 11th, in the home of Mr. and Mrs. Leroy Nettles. The serving table was laid with a white organdy cloth, centered with an arrangement of white daisies and yellow tapers. Lemonade and lemon cookies were served to approximately 30 guests. Many lovely gifts were on display. Hostess gifts were a sweeper and steam iron.

Mrs. Mary Duncan of Mercedes is here visiting her daughter, Mrs. John Vineyard and family.

Mrs. Eddie Martinez, Lisa and Debbie visited three weeks with friends and relatives in Lorado and Senoria. Eddie drove down on Thursday and

returned his family home on Saturday. Janie's niece, Alma Garza came home with them for a visit on Saturday they all drove to Carlsbad and spent the night, and on Sunday toured the Carlsbad Caverns.

PFC. Buck Carter left Saturday, Aug. 15th for Vietnam, after visiting here with his parents, Mr. and Mrs. John Carter. Buck's wife, Margerite, is with her parents, Mr. and Mrs. Charlie Williams in Hereford. Buck and Margerite went to Albuquerque last week to visit his brother, James and family. James who is stationed at the Sandia Navy Base at Albuquerque had received a severe beating at the hands of five young fellows at the service station where he worked after hours. The five came in asking for a container for gas, and when James turned his back they picked up a bottle

and beat him with it, breaking his jaw and causing a fracture above the eye. Surgery was performed to save the sight of one eye. Word received later by his family was that he is out of the hospital and doing ok. Robbery was the motive for the beating, but James fought when with a tire tool and help arrived before any money was taken. But the five eluded police, and at last news had not been arrested.

Lt. J.G. Billy Dave Hancock is home with his parents, Mr. and Mrs. Billy Hancock, after two years tour of duty in the Navy. Billy Dave was on the USS Calcaterra. He will enter Texas Tech for his masters degree this fall.

PCA Members To Attend Meet

The Lubbock Production Credit Association will have Representatives attending a Group Director and Manager Conference August 26-27, 1970, at the Starlite Inn in Abilene. Alton Strickland, President of the Lubbock Association and First Vice President Jack Condra along with directors C.E. Hicks, C. Littlepage, A.B. Roberts, Dewey E. Wells and W.H. Griffith will attend the conference. According to Strickland the conference will permit the Association directors and managers to develop ways and means of improving credit service to farmers and ranchers of Texas.

A large portion of the conference will be devoted to group discussions of the Farm Credit System in the 1970's; the Report of the Commission on Agricultural Credit requested by the Federal Farm Credit Board. The topics will be: "Serving Farmers," "Serving Young Farmers," "Serving Related Businesses," "Credit Related Service," "Serving Rural America" and "Organizational Functions of Banks and Associations."

Also on the program will be John A. Wright, President, First State Bank of Abilene who will discuss "How a Banker Looks at Financing Agriculture."

WILSON NEWS

BY MARGRET BARTLEY

The youth of First Baptist Church in Wilson announce the Grand Opening of their coffee house, "The Little Brown Shack", Sunday, August 16, at 10 a.m. There will be entertainment, food and soft drinks. All the youth of Wilson are invited to come. You may want to bring a pillow to sit on!

Mr. and Mrs. Clark Tabor of Clyde, and Mr. and Mrs. Owen Nelson of Abilene were weekend guests of Mr. and Mrs. Ed Crowder.

Mr. and Mrs. Ed Crowder visited last week with Mr. and Mrs. Charles Waters and family of Lubbock and Mr. and Mrs. Homer Campbell Jr. and family of Andrews.

Mr. and Mrs. Durwood Eakin of Ft. Worth have adopted a new baby girl, Suzan Lee, born July 25. Mrs. Aline Eakin of Wilson is paternal grandmother.

Mr. and Mrs. George Williamson of Arizona and Mrs. Jo Richardson and sons of Atlanta, Ga. visited Monday and Tuesday with Mrs. H. R. Williamson and the Jiggs Swann family.

Mrs. Danny Edwards and Phil, and W. F. Norwood of Slaton went to Seymour Sunday for the Norwood family reunion.

Mrs. Anton Ahrens was admitted to Methodist Hospital last Monday.

Mr. and Mrs. R. L. Kahlich and family went to Kerrville Thursday to visit the Crippled Children's Camp, where they were honored with a chicken dinner and a carnival. Kahlich is Lions District 272 Governor. They returned home Sunday.

Edie Hutcheson, son of Mrs. R. L. Hutcheson, left last week for Ft. Ord, Calif., where he will be stationed in the army. Arthur Cickhorn Sr. is slowly improving in Slaton Mercy Hospital.

Mrs. Paul Horn, sister of Mrs. Lena Behrend, passed away last week at her home in Meulan.

Mrs. Charley Spear and two children of Glendora, Calif. are presently visiting Mr. and Mrs. Sidle Bishop.

Mr. and Mrs. Don Morton and children returned from their summer vacation last week. First they went to Dallas, where they visited Mr. and Mrs. Richard Marriott, and then went to Galveston, where they spent the remaining part of their vacation.

Mr. and Mrs. Paul Henderson and children, of Deer Park have been visiting with his parents, Mr. and Mrs. Virgil Henderson.

Mr. and Mrs. George Angerer and children of Friona were weekend guests of Mrs. Lottie Springer.

Mr. and Mrs. Jerry Swope, Roger Rene and Karla Kay, spent Sunday with Mrs. Swope's parents, Mr. and Mrs. S.B. Swope of Seagraves. They celebrated Mrs. Swope's birthday.

Mr. and Mrs. Floyd Wilson returned Saturday from a two week vacation in Bel Air, Md., where they visited their daughter, Mr. and Mrs. Kenneth Gryder.

Mr. and Mrs. Don Caraway and Trina left Saturday for a week vacation in New Mexico.

Mr. and Mrs. Don Boggs, Randa and Roddy, of Corpus Christi, have been here a week visiting her parents, Mr. and Mrs. Charlie Lichey. Their home was not damaged in the recent storm on the coast.

Mr. and Mrs. Charlie Lichey and Mr. and Mrs. Don Boggs and family attended church Sunday in Plainview and attended Bacon Heights Baptist Church in Lubbock Sunday night.

The annual Hopkins County Reunion was held Sunday at Mackenzie State Park in Lubbock. About 60 persons attended. From Wilson, Mrs. A. N. Crowson, Brenda and Sue, Mrs. Clara Phillips, Margret Bartley and children, and "Uncle Bud" Baxley attended.

Visitors in First Baptist Church Sunday included Mr. and Mrs. D. E. Scott, Dallas; Mrs. John Young, Phil and Cary, Leonard, Tex.; Mr. and Mrs. Curtis Christopher, Sandy and Randy, Lubbock; Pat Fields, Lubbock; Jeannie Turnbow, Lubbock; Donetta Hancock, New Home; Steven Chapman, Ralls; Mr. and Mrs. J. T. Earwood, Slaton; Stella Earwood, Compton, Calif.

Wilson Couples Bowling League finished its summer session last Friday night with a close race for first place which was won by Gilbert Steinhauser's - Al Mitts. One game behind were Oscar Follis' - Curtis Wilke's. In Third place one game out of second were Stew Rice's - Mickey Rundell's. The rest of the standings are: 4th, 5th, 6th tied: Danny Edwards' - Jim Coleman's; Frank Koessler's - Melvin Wuenschel's; Jiggs Swann's - Floyd Wilson's; 7th, Joe Downey's - Virgil Henderson's; 8th, Don Morton's - Gary Houchin's; 9th, Bob Lamb's - Clarence Church's; 10th, Darold Baldwin's - Dale Sides!

The leagues high team series were: 1st, Steinhauser - Mitts 2047; 2nd, Rice-Rundell 2039; 3rd, Houchin - Morton 1999. The High Team Games bowled were: 1st, Steinhauser-Mitts 771; 2nd, Rice - Rundell 752; 3rd, Wilke-Follis 719.

The individual high series were: Class A: 1st Gilbert Steinhauser 595, Linda Wilke 527; 2nd Mickey Rundell 592, Jeannine Rundell 499; 3rd Curtis Wilke 547, JoAnn Steinhauser 477. Class B: 1st Floyd Wilson 508, Peggy Morton 436; 2nd Gary Houchin 477, Marie Church 417; 3rd Frank Koessler 471, Mary Houchin 404. Class C: 1st Virgil Henderson 448, Hilda Lamb 383; 2nd Clarence Church 444, Anita Baldwin 365; 3rd Jiggs Swann 422, Clarissa Henderson 362.

High Individual Games were: Class A: 1st Gilbert Steinhauser 225, Linda Wilke 224; 2nd Mickey Rundell 220, JoAnn Steinhauser 198; 3rd Danny Edwards 200, Madeline Rice 194; Class B: 1st Floyd Wilson 201, Marie Church 163; 2nd Frank Koessler 197, Peggy Morton 159; 3rd Gary Houchin - Jim Coleman 192, Eva Mitts 156. Class C: 1st Dale Sides 167, Hilda Lamb 151; 2nd Clarence Church 163, Myra Swann 144; 3rd Don Morton 158, Clarissa Henderson 143.

Most improved awards went to Stew Rice and Clarissa Henderson who each had a 9 pin improvement.

Trophies were not given this year as the league used the prize money to apply on an evening at the Hayloft Dinner Theater. Thirty - four of the 40 bowlers went in a group and had a most enjoyable time.

Officers for the next year are: president, Danny Edwards; vice-president, Gilbert Steinhauser; secretary, Linda Wilke. If any couples from the Wilson community are interested in joining us next year, please contact one of our officers. This is a league with lots of fun and fellowship with our neighbors.

Mr. and Mrs. Don Caraway and Trina returned home Saturday, from a week of vacation in New Mexico.

Danny and Conny Crowson returned home Saturday after spending two weeks in New Orleans, La. with Mr. and Mrs.

Richard Thomas and family. Mrs. Thomas is their sister.

Mr. and Mrs. Floyd Bartley and family left Sun-morning for a week vacation in East Texas.

Curtis and Joyce Bishop moved to 326 N. Crosby in Tulla. Curtis will be employed at the J.I. Case Co. in Happy.

The Youth of First Baptist Church will have a car way, Saturday, Aug. 22, 9:00 a.m. to 7:00 p.m. on the church parking lot. There will be free pick-up and delivery.

Mr. and Mrs. Roy L. Kahlich and Mr. and Mrs. Weldon Meador attended the Lamesa Evening Lion's Club Tuesday night for Mr. Kahlich's official visit. On Thursday, Mr. Kahlich and Mr. Earl Cummings attended the Brownfield Evening Lions Club.

Mr. and Mrs. Sam Gatzki and Mr. and Mrs. Roy L. Kahlich attended an Open House for Mr. and Mrs. Bill Davis, Saturday, in the home of Kenneth Davis.

Elen Wuenschel and Mrs. Wanda Pearce and son visited with Mrs. Lena Behrend Sunday.

Mr. and Mrs. Jerald Howard and children from New Jersey are here visiting Mr. and Mrs. Jackie Bishop and Mrs.

Bessie Howard of Slaton.

Mrs. Ora Uphaw from Roby is visiting with Mr. and Mrs. John Gayle.

Mr. and Mrs. Loyd Anders were visited over the weekend by Cynthia Anders and Tommy White from Lubbock and Wayne Smith of Ft. Bliss.

Mr. and Mrs. A.L. Womack of Odessa, Mr. and Mrs. Calvin Young and granddaughter of Post, Sally Davis of Lubbock and Mr. and Mrs. A.T. Adams of Tahoka visited over the weekend with Mrs. Thole Young.

Mr. and Mrs. Jimmy Stephenson of Lubbock have a new baby boy. Mr. and Mrs. Stephenson are Mrs. J.P. White's grandchildren.

Mrs. W.F. Raymond and Mrs. Ette Seals went to Plains last Saturday for Mrs. Seals' nephew's wedding shower.

The T-Bar Ladies Golf Association met Tues., Aug. 18th, for their regular luncheon and playday.

Mae Edwards, play day Chairman, gave balls for low

scores to Glenda Dunagan, Jeanne McCord, Vinita Hamilton, Peggy Elliott, Wanda Gill, Vinita Hamilton, Freda and Mac Edwards.

Low puts went to Wanda Gill, Vinita Hamilton, Freda Townes, Jeanne McCord, and Peggy Elliott.

Low points went to Wanda Gill.

Luncheon is every third Tues.

Services for Mrs. Tomaso Quintero Olvero were held at 2 p.m. Thursday in St. Plus X Catholic Church in O'Donnell and burial was in the O'Donnell Cemetery.

A resident of Lynn County 10 years, Mrs. Olvero died at her home Monday after a lengthy illness. She was 72.

Survivors include her husband, Lee, of O'Donnell; two sons, Rufus of O'Donnell and Jesse of Lubbock; three daughters, Mrs. George Rayna of Elgin, Mrs. Brunie Martinez of O'Donnell and Mrs. Carmen Saenz of Lamesa; and 16 grandchildren.

The Nation that forgets God is headed for confusion, strife, trouble and finally for total destruction.

God knows even the falling of a sparrow. He is interested in the welfare of every human being.

Sew It With Cotton Contest

The Lynn County Sew It With Cotton Contest will be held on September 19th in New Home. This will be the first meeting of our new year and will be combined with our contest. A tea will follow and everyone is invited to stay. We urge all the young ladies and women to make a garment for yourself or someone in your family.

GENERAL RULES:
 A. Seamstress must be at least 8 years of age by date of contest. B. Model must be 6 yrs. of age or older. C. An original design or commercial pattern may be used. D. Not more than 2 garment s per model. F. Model gets the prize.

MATERIALS:
 A. All cotton materials must be 100 percent domestic cotton. (not imported). B. All parts of the outer garment or garments, except trimming, must be 100 cotton. C. Trimming of rhinestones, fur, sequins, etc., will be accepted. D. Lining, innerlining and inner facings may be your choice of fabric. E. Cotton bonded to a synthetic is not allowed. F. A portion of your ensemble may not be bought ready-made. (For instance, if a blouse, skirt or similar item is needed, a ready-made one will not be accepted.)

JUDGING:
 A. Fit - 25 points. Darts - 3 points, fitting ease - 8 points, hem evenness - 5 points shoulder seams - 2 points (bust, waist, hips), garment on grain - 5 points, garment on grain sleeves on grain. B. Eye appeal - 25 points: The overall eye appeal. C. Suitability of style, fabric and color to model - 30 points. Style to model - 15 points. Fabric to model - 10 points, color to model - 5 points. D. Suitability of fabric to style - 20 points. E. Contestant's modeling ability will not be judged. C. Impartial judges will

be chosen. G. Detailed workmanship will be considered in case of a tie and for outstanding garment. F. Prizes will be given in each category.

ENTRANTS:
 A. This contest is not limited to Cotton Club or Cotton Promotion Association members. B. Professional seamstresses MAY NOT enter. (currently employed Home Economics Instructors, Home Demonstration Agents, etc., who, through their profession come in constant contact with the 4 judging points listed under appearance.) C. Women who sew for the public ARE NOT considered professionals and may enter garments for themselves or make garments for others. D. First place winners in each category or designated alternate form county contests will enter the district contest to be held at Crosby County, October 3, 1970.

To be sure of purchasing U. S. manufactured materials, keep in mind that all reputable textile mills have the brand, location and name of the mill printed on the end of the bolt or on a tag attached to the end of the bolt.

CATEGORIES. COUNTY AND DISTRICT CONTEST:

- The garment described in the first 5 categories may be made by any qualified seamstress. The garments in categories 6, 7, and 8 must be MODELED by the SEAMSTRESS.
1. Sugar Plum: Model, ages 6 through 12... better dress.
 2. Sports: Model, ages 13 and over... short suits, pant dress, pants and tops, and western suits. (Long pants may include regular or bell bottoms... party pant suits not included.)
 3. At Home Wear: Model, ages 13 and over... coffee coats, robes, hostess pajamas and sleep wear... (The At Home Wear must be garments not worn outside the home, which can be decently modeled.)
 4. School Time: Model, ages 6 through 12... school dress or pant dress.
 5. Lollipop: Model, BOYS and GIRLS, ages 1 through 5... better dress clothes.
 6. Junior Miss: Ages 9 through 13... one or two piece school dress. (Pant dress not included.)
 7. Teen Time: Ages 14 through 18... street dress or school dress. (Pant dress not included.)
 8. Make and Model: Ages 18 and over... better dress, suit, or ensemble.

CATEGORIES. County Contest only. Not eligible for district contest:

1. Sports Wear-Make and Model: Ages 14-16 (In elementary or Junior High) short suits, pant dresses, pants and tops, and western suits. (Long pants may include regular or bell bottoms... party pant suits not included.)
2. At Home Wear- Make and Model: Ages 14-16 (In elementary or Junior High) coffee coats, robes, hostess pajamas and sleep wear... (The At Home Wear must be garments not worn outside the home, which can be decently modeled.)
3. After 5 Wear- Make and Model: Ages 14-18.
4. School Wear-Make and Model: Ages 9-14. (No pants dresses).
5. Sports Wear-Make and Model: Ages 9-14. Short suits, pant dresses, pants and tops, and western suits. (Long pants may include regular or bell bottoms... party pant suits not included.)

Send completed entry blank to Mrs. Sam Pridemore, Rt. 1, Wilson, Tex. 79381.

Deadline for entry is September 12, 1970.

Linda Huffaker, CHD Agent, Says.....

Anyway you slice it, bread is a tasty and nutritious complement to every meal. Although there are many kinds of bread on the market today, nothing comes close to the fresh delicious flavor of homemade bread hot from the oven. Now is a particularly good time to try your hand at homemade bread because the U.S. Department of Agriculture reports flour and other wheat products plentiful.

If tomatoes need further ripening, keep them in a warm place. Unless they are fully ripened, don't store tomatoes in a refrigerator—the cold temperature might keep them from ripening later on. Once they are ripe, however, you may keep them in the refrigerator for some time.

Processed meat should not be stored in the refrigerator any longer than the following times: Bacon, hot dogs, sausage and whole hams -- 7 days. Luncheon meats and halved hams -- 3 to 5 days; Sliced ham -- 3 days. Cooked meats, cooked poultry and gravy -- 1 to 2 days.

The school bus crowd will soon line up at bus stops in new back-to-school fashions. Translated from the pace-setting languette of grown-ups, youth fashions will create an illusion of elongation. Though for girls, some midi and knee-capping lengths will be seen especially in the 7 to 14 range--most little girls skirts will be short with pleats, side wraps and pant skirts the major styles. The long and lean look will come from the low waistlines ending in pleats, long skinny vests and tunics. It's a matter of stretching the look from the knee up.

A few well-chosen separates can provide all the new looks. Six separates can be parlayed into a schoolbag of addition-subtraction fashion. A bright short skirt, ribbed turtleneck top, matching pants, solid tunic, bright sleeveless midi vest and languette skirt. Try switching them around and see how many outfits there are.

Ready-to-go clothes for boys features matched or coordinated pants and finger-length vests. They're belted or unbelted, with button or western leather lace-up closures or textures pullover styles. The fabrics are corduroy, smooth double knits and sweater knits. Jackets go longer sporting western, ranger and country looks with belts, turn-up collars. Shirts have long pointed collars; country pants take corduroy prints and have wide loops for the big leather belts or multi-strand thong belts. Denim pants are treated to blazer strips.

Crushed vinyl and polyurethane for the shiny look in coats, dresses and sportswear is as washable as it is crisp looking. Between launderings, wipe with a sudsy sponge and polish dry to keep an unsmudged appearance. Man-made furs stand out in winter-wear coats and jackets. And most for children are fully washable. In these budget-conscious days washability is a key factor in fashions for active children. Even the busiest moms can smile more easily at dirt, spills and splashes when the outfit is machine washable, dryable and no-iron. Washables save

time, money, and temper.

Naturally, fabrics that are easy to care for and durable are the most practical. And clothing which is subjected to hard wear should definitely be machine washable and color-fast. In addition, simple styles in keeping with the general lines of current fashions are usually best for children.

RECIPE OF THE WEEK:

Hush Puppies
 1 cup white corn meal
 1 tablespoon flour
 1 teaspoon baking powder
 1/2 teaspoon baking soda
 1/2 teaspoon salt
 1 tablespoon water
 1 can (8 1/2 oz.) whole kernel corn, drained
 2 tablespoons finely chopped onion
 2/3 cup buttermilk
 Salad oil

Combine dry ingredients. Add corn and onion. Stir in buttermilk and water. Pour oil 1/2 inch deep in heavy skillet, set on grill over very hot coals. When oil is hot, drop in batter by tablespoon. Bake until hush puppies are puffy and browned, then flip to brown other side. Drain. Makes 20.

Garden Club Has Picnic

The Tahoka Graden Club held their annual Family Summer Picnic Thursday evening in the spacious back yard of the W.T. Kidwells, with Mr. and Mrs. A.C. Weaver acting as co-hostesses.

The program following the supper, a fabulous slide review of our country, entitled "America the Beautiful" was presented by Mrs. Harold Green and Mr. Floyd Tubb.

Forty three club members and their invited guests attended.

Out-of-town guests were Karen McAden, daughter of the Kidwells and children, Allan and Nicole of Austin.

Field Day To Be Sept. 15

The 61st Annual Day and open house of the Agricultural research will be held Tuesday, Sept. 15, from 1:00 to 5:00 p.m., 7 1/2 miles North of Lubbock.

There will be general tours, special tours, displays and conferences with specialists.

Everyone is invited to attend.

SOIL CONSERVATION NEWS

By Richard Christie

With this extended period of dry weather it is frightening to think about the windblowing this fall and winter without rain. It was a time a few years ago with just such conditions as this that really got people interested in Soil and Water Conservation. Many of us remember the drought of the 50's and others of us are scared by the stories told of the drought. Maybe it takes just such a scare to get us to wake up. But too often I have been guilty of telling the dooms day side of the picture trying to convince people to wake up and take a look at conservation. By telling the story of what will happen if people don't protect our two greatest natural resources, (soil and water), I have hoped they would apply conservation on their land.

Conservation pays for itself many times over. It does not cost when a person applies the actual benefits received from it. Even if we do not consider the benefits from actual conservation itself, it will pay off in other ways. It takes at the most \$3.00 per acre on the annual cost of terraces, that includes interest on the money paid for construction and

upkeep. So at present day it will take 15 to 20 lbs. of cotton increase per acre to pay for terraces. At present, mill prices, it would take 140 lbs. to 160 lbs. of increase to pay for terraces if we had to depend on price alone.

We can figure the price of the labor and equipment time saved and it will take 1/2 to 1 hour time saved during the crop year to offset annual cost. Depending on how valuable you figure labor and equipment. If a person can save seven and one-half minutes per acre by having his land terraced it will pay for it, based on 8 times over a year.

But conservation has many other than monetary benefits. Conservation is beautiful. It has not been of economic importance lately, but it is a benefit. It's most important benefit is that it provides an assurance that future generations will derive benefit from the land. From the beginning of time the Lord has given man the responsibility of caring for his good green earth for our children and their children. Another benefit is that it allows farmers to make full benefit of land to produce as high a yield as possible. If land makes good yields without

good conservation what could it do with conservation on it?

YOUR STATE REPRESENTATIVE REPORTS

BY E. L. SHORT
STATE REPRESENTATIVE, 73RD DISTRICT

AUSTIN—Eight State agencies involved in collecting information related to water in Texas have combined efforts to issue the first volume of a catalog that will provide an index to the data being amassed.

Representatives from these agencies form the Water Oriented Data Programs Section of the Interagency Natural Resources Council, which is part of the Planning Agency Council for Texas. The agencies include the State Department of Health, the Highway Department, the Parks and Wildlife Department, the Railroad Commission, the State Soil and Water Conservation Board, the Water Development Board, the Water Quality Board, the Water

Rights Commission. The Division of Planning Coordination of the Governor's office worked with these agencies to assure overall coordination with other related State functions.

One of the long range goals of the Section is to establish a hydrologic data bank to which all Texas agencies collection or processing water data would contribute. The development of a statewide catalog of Water Oriented Data is the first step toward this goal.

Investigation suggested that the catalog needed to pinpoint the specific kinds of water and related data presently available and being collected, where they can be obtained, and in what form. A pilot report undertaken on one county, Brazoria,

proved the general idea feasible and set the format for the series to follow.

After publication of the pilot study, "Volume 1—The Canadian River Basin" of the Catalog of Water Oriented Data was prepared.

This first of 24 volumes to be issued one for each river and coastal basin and one for data for the bays and estuaries, has now been released by the section. Each volume will indicate data being gathered for individual basins in the fields of water quantity, quality, supplementary data, and control facilities. Each of the foregoing fields will constitute a chapter of the volume. Within each chapter data will be sorted by subject, county, and agency reporting, with the county being the major unit of identification.

"The future is promising as this example of interagency cooperation and communication which the Section has succeeded in fostering is released," said C.R. Baskin, chairman of the Section and chief engineer of the Water Development Board, in a preface to Volume 1.

"This volume of the Catalog is a graphic illustration of the succeeding volumes will assure closer ties among State agencies in other matters of common interagency interest," he continued.

The catalog of Water Oriented Data is intended to supplement the Catalog of Information on Water Data published by the office of Water Data Coordination, U.S. Geological Survey. Individual volumes on each basin will be published as they are completed.

Questions about the catalog may be addressed to the Texas Water Development Board, P.O. Box 13087, Capitol Station, Austin, Texas 78711.

under conditions which now exist, they may be deficient. Unless the deficiency is severe, steamed bonemeal fed free choice should supply the needed elements. It's a good idea, to keep bonemeal available to cattle at all times.

Phosphorus is usually more deficient than calcium in most parts of Texas, and results in loss of appetite and weight, decline in milk production, poor calf crop and failure to breed. Prolonged deficiency causes cows to become lame and stiff in the joints. Should this condition occur, phosphorus should be added directly to the drinking water.

Minerals should be placed in a sturdy container divided into sections. Loose salt should be kept in one section and bonemeal in the other. Mineral boxes should be placed in shady areas and near water supplies, says the county agent.

Additional information is available on minerals for livestock from my office.

TSTA state officers: Archie Roberts of Beeville, president elect; Claude A. Hearn, Jr. of San Antonio, immediate past president; and L.P. Sturgeon of Austin, executive secretary-treasurer.

TSTA President Jewell Harris of Abilene is in Australia to attend a world-wide meeting of educators.

Ryan is president of the Lynn County local unit of TSTA.

Mrs. Hunter's Funeral Held

Services for Mrs. Irene Hunter, 49, who died Thursday at St. Mary's Hospital in Lubbock, were conducted at 2:30 p.m. Sunday at the Macdonell Baptist Church in O'Donnell. The Rev. A. L. Demerson, pastor, officiated. Burial was in the O'Donnell Cemetery.

Survivors include her husband, Ollie Lee Hunter; four daughters, Mrs. Joretha Bell and Mrs. Lois Fay Boyd of Dallas, Mrs. Belda Jean McGaha of Lubbock and Celestine Hunter of the home; and a son, Odell Hunter of the home.

CHURCH NEWS

Visitors attending services Sunday at the First Baptist Church were Miss Joyce Dewbre of Shreveport, La., Rev. Alton Green and Linda of Albuquerque, N.M., Rod and Callie Roberts of Hobbs, N.M., Mr. and Mrs. Gary Grogan of Canyon and Chris Roseberry of Lubbock.

Visitors attending Sunday services at the United Methodist Church were Mrs. S.C. Ashcraft of Tahoka, Mrs. Wylie Thornton of Littlefield and Mrs. Vera Welch of Fort Worth.

TAHOKA LOCALS

Mrs. Wylie Thornton of Littlefield visited her son and family, Mr. and Mrs. Garland Thornton and family, last week.

Mr. and Mrs. Thomas Jolly and family have recently moved to 2907-38th Street in Snyder. Jolly is employed by Forest Lumber Co.

Buster Cash of Hobbs, N.M. is visiting Mr. and Mrs. Roy Jolly and family and other friends in Tahoka this week.

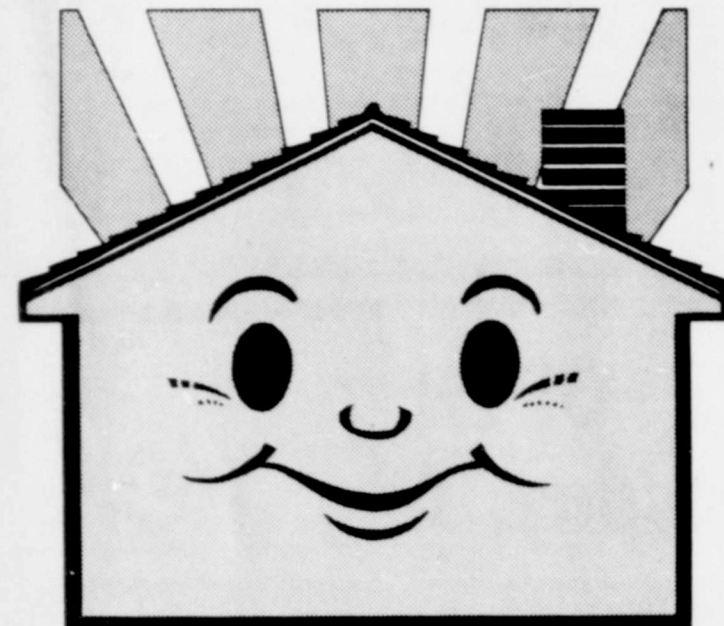

Chris Roseberry of Lubbock has been visiting his grandparents, Mr. and Mrs. E.A. Howie.

Bonnie Smith remains a patient in the Methodist Hospital, Lubbock.

Rod and Callie Roberts of Hobbs, N.M. visited Mr. and Mrs. Lester Adams and family, last week.

Rev. Alton Green and Linda of Albuquerque visited Mrs. Janie C. Green.

Joyce Dewbre of Shreveport, La., visited her mother, Mrs. Thelma Dewbre last week.

...ever notice?
The nice homes
are
te

TE homes always seem to have a special atmosphere... the air seems cleaner, the comfort better... the livability likeable. In winter, comfort electric heating keeps floors barefoot warm and in summer electric air conditioning creates the relaxing feeling you crave at the day's ending. Many TE homes also have air cleaners, humidifiers and de-humidifiers... complete climate control. Your home could be a TE home... we'd be happy to see what it takes to make yours a TE home... no obligation.

* TOTAL ELECTRIC

P.S. No worry about electric power shortages here in our area. Reddy has plenty of electricity for your use... now and in the future. Use it... enjoy it!

Bill Griffin, County Agent, Says....

Due to the current grazing conditions, stockmen are advised to check the diets of livestock on pasture to make sure they are getting needed minerals.

While minerals are not "cure-alls," they are essential along with proteins, carbohydrates, fats and vitamins for good animal nutrition.

Cattle under normal grazing conditions require sodium, calcium phosphorus, chlorine and additional trace minerals. Trace minerals are supplied in adequate amounts from natural forage and water.

Sodium and chlorine are obtained from ordinary salt. Cattle should have free access to salt, preferably granular, at all times, advises the county agent. Calcium and phosphorus are obtained from green grazing but

Robert Ryan Attends TSTA Meet

AUSTIN—Robert Ryan, principal at Tahoka Junior High School was among some 350 local, district and state leaders of the Texas State Teachers Association who held their 1970 Local Association Presidents Conference here August 10-11 at the Terrace Convention Center.

Participants included TSTA state officers, committeemen and staff members, presidents from many of the 20 district and more than 400 local associations of TSTA, and representatives of affiliate organizations. Also present were special guests and participants from the Texas Education Agency and Teacher Retirement System of Texas.

Chief order of business at the conference was planning for the 1970-71 organization, activities, and objectives of the 127,500-member association of Texas teachers, particularly as related to the local groups.

Directing the conference were

Mr. and Mrs. Gary Grogan of Canyon visited his parents, Mr. and Mrs. G.W. Grogan.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (SJR15) General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-d, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 1-d. The Legislature shall have the power to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops rather than upon the value of such lands and the crop growing thereon."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition:

"The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT General Election Nov. 3, 1970 NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:

"(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

Swimming Party For Cub Scouts

The Tahoka Cub Scouts will have a swimming party Friday, August 21, at 7 p.m. at the Tahoka Swimming Pool.

All Cub Scouts and their parents are invited to attend. Each is asked to bring a picnic lunch to eat after swimming.

LETTER TO EDITOR

Hello Folks,

We just had our scare for this year - last Monday the lady came in from the Gulf only she wasn't very nice. Our little frame didn't get a scratch. Lost all the trees and some shingles on our garage - wow! We were here when Carla came and also Buelah. Now Cella - well the next time we are leaving.

Here is my check for another year.

Karr F. Weller

Rites Held For Felix Madrid

Services for Felix R. Madrid 25, of Slaton were held at 5 p.m. Tuesday in St. Jude's Catholic Church in Tahoka with the Rev. John Dillon, pastor, officiating. Burial was in the Tahoka Cemetery directed by White Funeral Home.

Madrid was born in Tahoka, but moved away several years ago. He moved to Slaton about 2 months ago.

Survivors include his father, Eufemio Madrid of Smiley; his mother, Mrs. Gesusa Madrid of Slaton; three sisters, Mrs. Teresa Rodriguez of Fresno, Calif., Mrs. Epifania Ledesma of Slaton and Mrs. Soila Gonzales of Chicago, Ill.; and five brothers, Antonio and Raymond, both of Chicago, Regino of Houston, Eddie of Lubbock and Marcelino of Lampasas.

Bethel Church Reunion Aug. 23

The Bethel Baptist Church will have their annual reunion Sunday August 23, in the Tahoka Community Center.

Everyone is invited to attend and a basket lunch will be served.

Methodist Revival Big Success

The New Home United Methodist Youth revival was a very big success for the young and old people.

Approximately 100 persons attended Friday and Saturday nights. They were from Tulla, Plainview, Canyon, Lubbock, Slaton and Tahoka.

The pastor, Rev. Jim Taylor delivered the message Sunday based on the song "Everything Is Beautiful," and Tony Frivitt of Slaton sang "Everything Is Beautiful," accompanied by the children's choir.

Mike Reid To Receive B.S.

Mike Reid of Tahoka, will receive his B.S. Degree in Agriculture Education Saturday, Aug. 22, at commencement exercises at Texas Tech University.

Reid received his certificate from Texas Tech University stating he made the Dean's list at Tech for the 1970 Spring semester.

Reid, is the son of Mr. and Mrs. Charles Reid of Plainview. He is married to the former Rhonda Littlepage and they have a 4 yr. old daughter.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR30) General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsections (5), (6), (7), (8), (9), (11), (12), and (13), Section 1-a, Article V, Constitution of the State of Texas, be amended to read as follows:

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section shall be by affirmative vote of at least five (5) members.

"(6) A. Any Justice or Judge of the Appellate Courts and District and Criminal District Courts, any County Judge, and any Judge of a County Court at Law, a Court of Domestic Relations, a Juvenile Court, a Probate Court, or a Corporation or Municipal Court, and any Justice of the Peace, and any Judge or presiding officer of any special court created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any person holding such office may be censured, in lieu of removal from office, under procedures provided for by the Legislature.

"B. Any person holding an office named in Paragraph A of this subsection who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the perform-

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT (SJR32) General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51, Article XVI, Constitution of the State of Texas be amended to read as follows:

"Section 51. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot, or lots, not to exceed in value Ten Thousand Dollars, at the time of their designation as the homestead, without reference to the value of any improvements thereon; provided, that the same shall be used for the purposes of a

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (SJR15) General Election Nov. 3, 1970

home, or as a place to exercise the calling or business of the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment increasing the value of the homestead which is exempt from forced sale."

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR30) General Election Nov. 3, 1970

ance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) After such investigation as it deems necessary, the Commission may in its discretion issue a private reprimand, or if the Commission determines that the situation merits such action, it may order a hearing to be held before it concerning the removal, or retirement of a person holding an office named in Paragraph A of Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to the Supreme Court the removal, or retirement, as the case may be, of the person in question holding an office named in Paragraph A of Subsection (6) of this Section and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the

recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary."

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any person holding an office named in Paragraph A of Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office named in Paragraph A of Subsection (6) of this Section in remaining in office is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not infeasible is charged, upon proof of which a penalty may be imposed.

"(12) No person holding an office named in Paragraph A of Subsection (6) of this Section shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to and cumulative of, the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section prescribed elsewhere in this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances."

GRAIN - CONTINUED FROM PAGE 3

production—equal to the current support price for corn. The size of the payment will be the difference between the estimated market price received by farmers in the first five months of the marketing year and the total guarantee. Like the loan rate, grain sorghum and barley payments will be fixed in relation to the corn payment.

5. A preliminary payment will be made to participants as soon as practicable after July 1 of the year the crop is harvested. This payment (at least 32 cents per bushel on corn) will not be reduced if the finally determined payment is less than the preliminary payment.

6. An additional payment is authorized to producers who provide the general public with access to the farm acreage devoted to conserving uses, for hunting, fishing, trapping, and hiking.

7. Total acreage to be delivered will be limited to avoid adverse effects on the economy of counties and local communities.

8. The CCC sales price for unrestricted use will be 115 percent of the national average loan rate plus carrying charges. (At present, the CCC sales price is 105 percent of the support price plus carrying charges, except when total carryover is less than 25 percent of utilization. In such cases, the sales price increases to 115 percent of the loan rate plus carrying charges.)

9. Authority is provided for the adjustment of farm bases, providing recognition for the changes in agriculture that have taken place since 1959-60. Such adjustments will be drawn from a pool made up of acreage lost by farmers who no longer plant feed grains.

10. THE SUPPORT PRICE FOR GRAIN SORGHUM IN RELATION TO CORN WILL BE INCREASED.

G.C. "Gus" Wallace, Clarence, Iowa, has been named secretary - treasurer of the President's Veterans Day National Committee in Washington, D.C.

THE FAMILY LAWYER

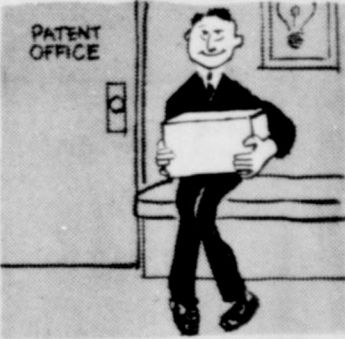

Peculiar Patents

Could you get a patent on an alarm clock that squirts cold water down a sleeper's neck? A man in Chicago did.

What about a balloon drawn through the sky by eagles? Or a stickpin made of candy, to be eaten after use? Or an automatic hat tipper for lazy gentlemen? These, too, all won patents.

To the inventor's neighbors, such ideas might seem pretty silly. And our patent law does say that, for an idea to be patentable, it must be "useful."

However, in deciding what is useful, the law is very tolerant

indeed. The law remembers (even if the neighbor's don't) that people laughed too at Alexander Graham Bell's first telephone and at the Wright brothers' first airplane.

True, you cannot get a patent on something that has no use at all. For example, an inventor claiming to have created a "perpetual motion machine" was turned down on this ground. The ruling pointed out that the machine could not possibly work, because it was contrary to the laws of nature.

Nor can you patent a device which is useful only to do evil. Thus, a court rejected a patent for a method of faking the appearance of tobacco leaves for the purpose of making them look better than they really were.

The judge said:

"Congress did not intend to extend protection to (inventions) which confer no other benefit upon the public than the opportunity of profiting by deception and fraud. The invention must be capable of some beneficial use as distinguished from a pernicious use."

But for most inventors, the test of usefulness can be passed without too much trouble. The law generally takes the same optimistic attitude that Benjamin Franklin once took when he was asked:

"What is the use of this new invention?"

Franklin's reply was:

"What is the use of a newborn child?"

Sales up and foreclosures down according to recent VA report which state that a six-year trend reduced VA's home inventory to its lowest level in nine years.
