### **Adult Basic Education Declared A Success**

Blakely, a fussy, middle-aged

The 1970-71 Adult Bsic Education program in Tahoka Public Schools ended on a very successful note as sixteen people received their High School Equivalency Certificate as a result of having passed the General Educational Development Test. These certificates are issued by the Texas Education Agency and in most instances are accepted in lieu of a high school diploma for college entrance, job application, etc. Lynn County people who attended Adult Basic Education classes and then passed the G.E.D. test are Gladys Moerbe, Opal Drager, Armilla Wilson, Ruby Fields, Emily Marez, Wanda Glenn, Janice Lehman, Paula Murph, Linda Owens, Juanell Raindl, Gloria Perez, Linda Guy, Frances Saldana, Fern Bar-

nes, Rose Ramirez and Maxine Noelte.

Several other people were enrolled in the level three Adult Basic Education class. They are eligible to take the test and may take it at a later date. So far 100 per cent of the adult basic education students who took the test have passed.

In the level one Adult Basic Education class, certificates of attendance and achievement were awarded to Marcial Salinas, Nancy Rodriquez, Janie Delgado, Arrancio Sanchez, Marie Sanchez, Juan Gonzales Julia Duran, Matias Delgado, Alecia Gonzales and Felipa Sastre. These people made much progress and it is expected that many of them can move into level two classes

promoting people into the level three class as was the intent of the program. The following people received certificates for attendance and achievement in this class: Lupe Delgado, Geneva Delgado Gerald Drager, Margiree Norris, Geneva Salinas, Hipolito Zuniga, Lupe Zuniga and Ray

The Adult Basic Education program is funded 100 percent by the Texas Education Agency on an annual basis. Through not definite at this time, it is anticipated that a program will be offered next year and all who lack a high school education are urged to watch for future announcements so they may take advantage of this opportunity.

#### Cottonseed Can Be Used As A Food

Possible uses of cottonseed as a nutritous food were told in a talk at the Rotary Club Thursday by Mrs. Margarette Harden, instructor in the Foods and Nuitrition Department of Texas Tech.

Mrs. Harden, also wife of a cotton farmer, has done considerable research work in developing both flour and other food products from glandless cottonseed.

She illustrated her talk with slides and also passed out sample to Rotarians of products cooked from cottonseed

flour and cottonseed substituted for nuts in cakes and

MR. AND MRS. O. D. ORR

Mr. and Mrs. O. D. Orr who own and operate 640 acres of land south-east of Tahoka have been with the Tahoka Cooperative Gin for many years.

Mr. Orr says, "Last season I brought in one hundred and twenty bales of cotton and have received back \$2,055.35 and average of seventeen dollars and twelve cents per bale. \$453.50 was returned to me at the end of the ginning season as seed rebate and 1,601.85 in checks for ginning refund and additional seed rebate.

Records at the gin office will also show that I have ginned 796 bales of cotton in the last six seasons and my total cash returns from the gin have been \$9,431.85, an average of \$11.84 per bale. \$2,652.47 seed rebate at time of ginning and \$6,779.38 in ginning refund.

This figure includes my portion of profits from Plains Cooperative Oil Mill and Farmers Cooperative Compress. I have marketed one hundred percent of my cotton through Plains Cotton Cooperative Association. Also most of my seed came through Growers Seed Association. I like the Coop

Mrs. Orr says she likes the service she gets when she brings the cotton to the gin. I never pull a trailer any farther than the scales, and my pickup is returned to me with an empty trailer if I have one.

MISS ELDA CRUCE

MRS. L. M. NORDYKE

Mrs. L. M. Nordyke who owns 496 acres of land south east of Tahoka is receiving her land-lords share of profits in the amount of \$352.98.

Mrs. Nordyke has this to say, "For the past six years, all the cotton from my land has been ginned at the Tahoka Cooperative Gin. A total of 659 bales. Records from the gin office will show my share of seed rebate after ginning expense, plus returns before year end has amounted to \$2, 039.90 an average of \$3.10 per bale. Not bad for a land-

MR. FLOYD REECE

Mr. Floyd Reece who farms 80 acres of his own and rents 120 acres counts his profits from his first year with the Tahoka Cooperative Gin.

Mr. Reece has this to say, "After ginning expense on 39 bales of cotton 19 from my rented place and 20 from my home place. I have received back a total of \$586.64. \$154.36 of this was received at the end of ginning season and \$432.28 in checks dated March 16, 1971. This gives me an average of \$15.04 per bale return and my land-lord \$80.20 in seed rebate and returns from the gin. I also will have my returns from the Cooperative Compress which will be paid in August.

The only investment I have made on the forgoing earnings was ginning my cotton with the Tahoka Coop Gin.

hurdles in 14.3 seconds and Gene Walker followed with a 14.5 performance to give Tahoka first and second place in the region track meet held in Lubbock, April 23rd and 24th. This performance qualifies both boys for the state track meet in Austin. Class AA and AAA teams will conpete in Austin at 8 p.m. on Friday, May 7th. Joe and Gene will be in very select company in Austin as there are 206 class AA schools and each school is permitted to enter three boys in each open event giving a total of 618 boys entered in the high hurdles. From this 618 only eight boys from four regions are eligible for the state meet.

Phil McClendon was also a regional qualifier and ran an excellent race. He did the quarter mile in 50.4 seconds and placed fourth in the region meet. For the year, he scored 59 points.

The region track meet in Lubbock was the nineth meet in which the Tahoka High School team had participated this year. They won the Hale Center meet with a ninetythree point total and placed third in the district track meet at Denver City. The local tam placed fourth at Kress, fifth at Idalou, fifth at the Denver City invitational, sixth at Roosevelt, seventh at Fort Stockton and entered the Clifton relays. The points earned by Joe Hoskins, Gene Walker and Phil Mc-Clendon gave Tahoka a tie

for eight in the regional meet. The Tahoka team scored 459 points for the season with Gene Walker leading the way with 118 points. Gene also set two meet records in the high hurdles. He ran a 14.8 at

Clifton and a 14.9 at Kress. Joe Hoskins had a total of 101 points for the season and set a meet record in the broad jump at Kress with a leap of 20 feet and 111/2 inches. Other members of the high school track team who helped make this the most successful season in many years were: Seniors: Cliff Gardner, Larry Durham, Robert Montemayor, Joe Calvillo and Roger Miller. Juniors: Ladd Roberts and Jeff Atwell. Sophomores: Gary McCord, Louis Zedlitz, Bruce Spruiell

#### Past Days In Lynn County

Copied from April 30,1920 The Tahoka baseball club crossed bats with the Brownfield team on the local grounds last Sunday afternoon. Tom LeMond started the game on the mound for Tahoka, while Hill did the twirling for the visitors. The game as a whole was full of errors on both sides, and failed to interest the large crowd of spectators assembled to witness the contest. West went in the box for the locals in the fifth inning, Hill pitched the full nine innings for the visitors. In the ninth the score board showed the visitors in the lead one score 9 to 10. When Tahoka came to the bat for the last time, Robinson, the first man up, landed on the pill for a clean home run. In passing third it was claimed by the Brownfield umpire that Robinson did not touch this particular base and was sent back to this station after considerable wrangling and discussion on the part of the umpires and players in attempting to run home a close play was made in which the umpires again disagreed, finally ending in Brownfield going home without finishing the game which was called a draw.

It is regreted by the fans and players that such heated discussions took place during the afternoon as manager Doak is seeking to give the people clean games, both at home and aboard, and it is doubtful if a return game will be played anyways soon with the bunch that visited Tahoka Sunday.

While driving a Fordtractor from Lubbock to Tahoka last Sat. Otis Davis, son of Mr. and Mrs. E. S. ### electric air conditioning

#### OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

#### LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low . no extra installation costs, either

#### HIGH ALTITUDE - NO PROBLEM

Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

#### CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

#### CHOICE OF SIZES

Electric air conditioning offers the right size for your cooling job. Too large a unit your first cost unnecessarily high too small runs up operating cost. Electric air conditioning can save you money on both counts.

#### COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

#### Film To Be Shown At Tahoka First Baptist

The inspiring film "We Hand the Torch To You" will be shown at 7:30 p.m. Wednesday May 5th at the First Baptist Church. The public is invited to attend. There is no admission charge.

From the Westfallenhall in Dortmund, Germany, across the national boundaries of eleven countries, the message of Billy Graham and the Team was beamed to audiences from Zagreb. Yugoslavia in the south - to Tromso, Norway, above the Arctic Circle in

Inside the Westfallenhall we watch interpreters translating Dr. Graham's words as he speaks. Thus, for the first time in each country, people heard the message simultaneously in their own languages.

Night after night, for eight consecutive nights throughout Europe, electronic sight and sound bridged the gaps of languages, national boundaries and time, to bring the message to 39 cities, and thou-

sands of people. This film is full of dramatic viewing . showing the vast TV setup, the personal stories of people involved in the endeavor, the heartwarming vignettes of those who found a new way of life, and a travelogue look at the diversity of Europe.

WE HAND THE TORCH TO YOU, a full color documented film tells the intriguing story of the most ambitious television program ever to be telecast across Europe. The film vividly depicts the Crusade, the tremendous preparations for it, and its amazing success.

Its been a pleasant week. We enjoyed the rain, maybe we will get more soon.

We enjoyed our worship services Sunday. Darnell Boyd preached for us. We love him and his nice family and look forward to their visit visits.

Mrs. Hammonds played the piano and we sang hymns Monday afternoon. Tuesday afternoon we played 42 and ate pop corn. Wednesday Mrs. Hawthorne and Mrs. Eubanks came to visit and they played and sang for us. We want them to come again soon.

Then Thursday afternoon Bro. Bowman, Pastor of the First Baptist Church at O'-Donnell and several members of that church, along with Evangelist Evan Holmes, and singer Reggie Bowman who were holding a revival at the church, came in and entertained us. We are indeed grateful for these people and did enjoy them and hope they will come again.

Mrs. Nance, plays the piano for us on Fridays and we sang hymns. She brings girls and boys to help us sing. This we need and we do appreciate.

Mrs. C. E. Short brought us a nice lot of blackeyed peas, she said from her deep freeze but they taste like fresh ones to us. Then too, she made us eight Pose belts, now these we needed even though we don't want them. No, we don't want a broken bone either so we will just wear them and thank Mrs. Short for them.

Thanks to Mrs. Avery Moore for the delicious cake it was sweet of her to bring it.

We are indeed grateful to the members of West Point Club for the large box of goodies, and beleive you us, we enjoyed the bananas. Don't know where these ladies bought these, but we are sure some store sold out in a hur-

Heir Conditioning

Freddie was delighted to hear, the reading of Uncle Dan's will, that he was supposed to inherit a large sum of money. But there was a catch. The money would be his only on condition that he give up cigarettes.

In short order, Freddie challenged the validity of this anticigarette clause.

"Uncle Dan had no right to try to control my private life in this way," he complained in a court hearing. "My personal habits including smoking, are no one's business but my own. However, the court ruled that

Freddie would have to either give up his cigarette habit or lose the money. The judge said that since the money belonged to Uncle Dan, he had a right to put strings on his gift if he so desired.

Of course it is natural, for a person making his will, to want to shape the character or conduct of his heirs. Nevertheless, the law does impose limits as to how far he can go. Consider this case:

A man left money to his daughter, on condition that she not only give up cigarettes herself but also make her husband give them up. This time, a court decided the

man had gone too far and held the anti-smoking clause null and The court said he had asked his daughter to do something that was not fairly within her power.

Furthermore, in close cases, the courts are inclined to let the heir keep the bequest, even if he has not lived up fully to the expectations expressed in the will.

Another man was worried about his son's dissolute friends. He provided in his will that the son should have certain valuable real estate, so long as he did not become a "drunkard and a vaga-

As things turned out after the man died, his son did indeed become a drunkard. But he never did become a vagabond. Accordingly, not having acquired both of the vices specified in the will, he was held still entitled to the real estate. The court said it was reluctant to take away an inheritance unless the will left no real
