MUSTANGS DOMINATE SCRIMMAGE

The Wilson Mustangs and Ropes Eagles met last Friday night in Mustang Stadium in the first scrimmage of their football seasons.

The Mustang's defense put on a great show limiting the Ropes Eagles to only one TD and forced the Ropes QB to throw interceptions into the hands of Soph., Greg Bednarz, and senior, Phil Kitten. The Mustangs also broke up numerous pass plays, and recovered several fumbles. Then, the Mustangs really lowered the boom on the Eagles' QB by sacking him several times. Getting in on the action often were Clyde Wilke, Johnny Arnold, Mark Brieger, Richard Cedillo, and Johnny Arellano.

Letter

To Editor

Tahoka, Texas 79373
August 27, 1973

Dear Citizens,

I think what I want to say in this letter will reflect the opinion of most of the teachers and students of Tahoka Junior High School. This year each classroom is crowded to overflowing. There are between 30 and 40 students in each classroom that was built to hold about 25 students. Add this to the fact that we have had 100 degree weather and no air conditioning, you can imagine the situation.

I believe that if the people of Tahoka can afford a fieldhouse for athletics, then they could afford airconditioning and more teachers to alleviate this overcrowded and deplorable situation.

Sincerely yours,
A concerned citizen

Dear Sir:

Several years ago we were touring through the vicinity of

Tahoka. After spending the night in one of your motels, and during the travel the next day we passed a small store with a sign reading "one hundred years behind the times". We drove almost a mile past the store and then decided to go back. We spent almost two hours there looking at the different items on display.

We have been through Tahoka several times since then, but have been unable to locate this store again. Do you know of this place and what hiway it is on? Would appreciate any information.

Thank You,

Miss Cynthia Ann Raindl and Claude Kieth Sharp exchanged wedding vows Saturday evening, August 25, at half past six in the First United Methodist Church of Tahoka.

Carolyn Haley Says...

Are you in a pickle when it comes to making pickles? If so, read on - you may find some help.

Pickle products require heat treatment to destroy organisms that cause spoilage and to inactivate enzymes that may affect flavor, color and texture. Research indicated that processing pickles and relishes in a water bath improves color, texture and flavor and eliminates spoilage. Spoilage organisms may enter food as it is transferred from kettles to jars.

To process, pack pickle products into glass jars according to directions given in recipe. Adjust lids according to manufacturers directions. Immerse the hot jars in boiling water bath. Be sure water comes an inch or two above the jar tops; add boiling water if necessary, but do not pour directly on jars. Cover the container with close fitting lid and bring water back to boiling as quickly as possible, and continue to boil gently and steadily for the recommended time. Remove jars immediately, and set them upright several inches apart to cool.

Processing for fermented cucumbers and fresh pack dills is slightly different from the usual water bath procedures. For these, start counting processing time as soon as the jars are placed in the boiling water. This prevents a cooked flavor and loss of crispness.

The altitude around the Tahoka area is 3,000 feet above sea level; therefore 3 minutes will need to be added to processing time given in recipe.

If your recipe does not indicate a processing time, call my office for information.

FREEZING MELON
Is there still some room in your freezer? If so, why not preserve some colorful melon cubes or balls for use later in the year... for desserts, salad or appetizer.

For home freezing, select firm fleshed, well colored, ripe melons. Cut in half, remove seeds,

and peel. Cut the peeled melon into cubes or cut into balls the size of large marbles using one of the small spoon - scoops sold for the purpose.

Pack into freezer containers and cover with cold syrup made in the proportion of 1 cup sugar to 2 cups water. Leave enough headspace for expansion in freezing - 1/2 inch for a pint container with wide-mouth opening and 1 inch for a similar quart container. Freeze at zero degrees F. or below and keep stored at zero.

You can also freeze cantaloupe and honeydew melons. Commercially frozen packages of melon balls usually include several kinds of melon for variety in color and flavor.

Work out your own assortment

from the melons available in the area.

AROUND TOWN

BY LEONA WALDRIP

CALL 998-4496

Attending the funeral services for W. P. Dillard on Saturday were a large number of out-of-town relatives and friends. Those registering were from Crane, Stanton, Marlin, Dumas, McLean, Odessa, Weatherford, Mobette, Perryton, Hale Center, Perryton, Borger, Slaton, Lubbock, Wilson, New Home and Aztec, New Mexico.

Weekend guest in the home of Mr. and Mrs. Vernon Kelly, was her sister, Miss Viva Cunningham of San Angelo.

Dr. and Mrs. Emil Prohl were shopping in South Plains Mall on Tuesday.

Visiting in the home of Mrs. Rachel Pendleton last week, were Mr. and Mrs. Jack Manry, Kathy and Jim Bob of Huntsville, Alabama. Mrs. Manry is the former Mary Pendleton and lived here

several years ago.

Mrs. C. A. Thomas had as guests last week Mr. and Mrs. Frank Burns of Nashville, Tenn. They are both teachers. Mrs. Burns formerly lived at Post and was a teacher here about 10 years ago, often spending the night with Mrs. Thomas when the weather was too bad to drive. Since that time she lost her husband and has remarried. Her students and other friends will remember her as Mrs. Johnnie Hamilton.

Several former members registered on Saturday night, when members of Tahoka Rebekah Lodge held their first "Homecoming" for former members and friends. The lodge instituted 15 years ago with 34 members, has seen many changes. First meeting place was upstairs in the

old Larkin building now used by Hamilton Furniture for 2nd hand furniture and storage. About six years ago the old Baptist Mission was purchased and remodeled and the lodge continues on a debt-free basis. Saturday night's meeting was begun with a bountiful meal and climaxed with 42 games and talking over old times. Mrs. Willie Childress was the only Charter member present and Sister Viva Cunningham of San Angelo won the prize for coming the longest distance. Perhaps this affair will become traditional and will be made annually if enough interest can be aroused.

Several Tahoka people were seen at the Benefit Dinner held in the School Cafeteria at O'Donnell on Sunday. Among them the family of Mr. and Mrs. Rush Dudgeon, Mr. and Mrs. Robert Warren, Mrs. Janelle Franklin, Thelma Dewbre, Mildred Eubank, Katie B. Hawthorne, Edna Brasher and Leona Waldrip. There was a large crowd in attendance so its possible we may have missed some from Tahoka. Proceeds from this dinner goes to help defray expenses of extended hospitalization of Paul McLaurin, son of Mr. and Mrs. B. J. McLaurin. Paul is in John Sealey Hospital at Galveston.

About 15 ladies met at First Baptist Church kitchen Friday morning and such a pea-shelling party as you never saw before. Jars, lids, and cookers were donated along with peas, snap beans, squash and corn and the group made work into fun as the more than 75 containers were canned for a needy family in our town. Surely each one taking part got a blessing and we wonder why we don't do more of this kind of work.

A large crowd attended the Bethel Church Reunion held at Community Center on Sunday.

Mr. and Mrs. Charlie Lichey had as week-end guests her niece and husband, Mr. and Mrs. Tommy Sager of Lubbock. Also visiting on Sunday afternoon were Mr. and Mrs. R. W. McCrary and her mother Mrs. Richardson all of Lamesa.

Mrs. Lela Woods enjoyed having Mrs. Corbin and Mrs. Connell of Colonial Nursing Home as guests for a "catfish" dinner in her home on Thursday. Mrs. Woods also reports that her daughter, Zana Mae Stanford of Slide is improving at her home after recent major surgery in Methodist Hospital.

Residents at Golden Manor Apts. are so happy that Mrs. Faye Thayer is able to be back home. Faye spent 3 weeks in Lynn Co. Hospital and a month in a Nursing Home in Lubbock. She is much improved and able to stay alone again. Her daughter Betty Williams, who recently moved from O'Donnell to Lubbock, looks in on her regularly.

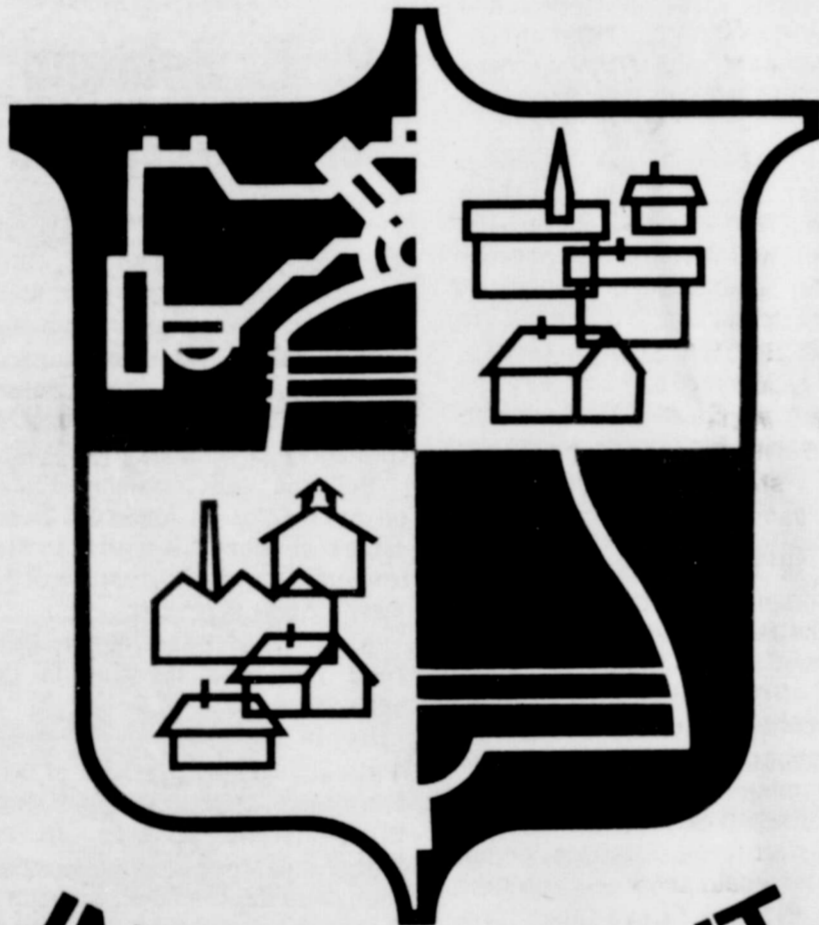

Lewis Kitchen Died Friday

Services for Lewis Woodfin Kitchen, 87, were held at 3 p.m. Saturday in the Church of Christ in Post, with Bob Connell, minister, and Syd Wyatt of Post officiating.

Burial was in Terrace Cemetery.

Kitchen was a long-time Garza County Veterinarian. He died Thursday in Colonial Nursing Home in Tahoka. He was married to Lillie Pope April 29, 1917 in Snyder and was a member of the Church of Christ in Post.

Survivors include his wife; a brother, Oliver of Seminole; and three sisters, Mrs. Lela Owens of North Carolina, Mrs. Aglee Welch of Houston and Mrs. Annie Galloway of Brevard, N. C.

Students at Tahoka Junior High got off to a pretty fast start as the first bell rang on the morning of August 20. There was a sense of awkwardness as students rushed to new classes. The teachers didn't make things any easier, either. Wouldn't you know it? Coach McAnelly is already giving us a Science test!! Seriously, T. J. H. should be honored that they have the fine teachers they do have. Why, without them, school wouldn't be possible!

Mrs. Massey got the basketball girls jumping as they ran around the schools Wednesday. I haven't been informed yet as to what our brave football boys are encountering from Coach Miller.

The student council officers elected to serve last May are as follows: President, Gary White; Vice - President, Darryl Stotts; Secretary, Patti Turner; Treasurer, Susan Meeks; Parliamentarian, Maurine Reynolds. Reporter, Teal Corley.

They will have their first meeting of the new year in the immediate future. Representatives from the 6th, 7th and 8th grades

1974 Wheat Program Details Announced

BILL GRIFFIN SAYS

ing by Lucille Moore of Green Valley, Arizona; project training by Dr. Roland Roberts, Extension area vegetable specialist from Lubbock; exchange programs by Mrs. Donald Airhart and Mrs. Monte Griffin, both of Dawson County.

Also, training in motor bike and mini - bike projects conducted by assistant county Extension agents Rick Roark of Gaines County and Robert Devin of Deaf Smith County.

Dr. Donald Stormer, state 4-H and youth leader from College Station, and Ed Garnett, Extension area 4-H and youth specialist from Amarillo, will conduct training on the roles of a project leader.

Lanny Bullard, 4-H and youth specialist from College Station, will teach camping and outdoor skills, and Lynn Bourland, home management specialist also of College Station, will conduct a training session entitled, "Management Life Skills."

Rounding out the training sessions will be presentations on resource development and public speaking, both by Howard W. Ladewig, area resource development specialist with the Extension Service at Amarillo.

Mini - sessions on a wide range of topics will provide forum participants with ideas for working with youth, according to Ed Garnett, coordinator of the event. The subjects include fishing,

Texas wheat producers' allotments for 1974 will be about three times the size of their 1973 allotments, according to Tommy Lawson of the Agricultural Stabilization and Conservation Service Office.

Tommy said 1974 allotments will be based on the national allotment of 55.1 million acres, announced August 16 by Secretary of Agriculture Earl L. Butz, and that individual allotment notices will be mailed to farmers in a few days.

The allotment represents the number of harvested acres of wheat, based on the estimated average yield, which would result in production equal to estimated domestic and export disappearance in the 1974-75 marketing year. The allotment does not restrict the amount of wheat that can be planted.

Secretary Butz announced the 1974 wheat program shortly after the four - year Agriculture and Consumer Protection Act of 1973 was signed into law, Lawson said, noting that the Secretary said the program is designed to encourage all - out production.

Tommy listed the following 1974 wheat program details:

New to the wheat program is the target price feature. If the average market price for wheat is at or above the \$2.05 per bushel target price, the producer will receive no payment. If the price average is below the target, the producer will receive the difference between the target price and the average price received by all farmers during the period from July through November 1974.

There will be no preliminary payment. Any payment due will be paid after December 1, 1974. If the five - month average price falls below the \$2.05 target, a producer would be paid on an amount of bushels determined by multiplying the farm allotment times the projected yield established for the farm.

As announced earlier, there will be no set - aside requirement for 1974 and there will be no conserving base requirements for the four - year life of the 1973 Act, Lawson said.

For 1974, producers may substitute any annual non - conserving crop or a cropland conserving crop used for haying or grazing in order to preserve their wheat allotments and to make them eligible for any payments under the target price feature. Crops for which a marketing quota is in effect are, of course, excluded.

Loans will be available to producers on their 1974 crop wheat at a national average of \$1.37 per bushel, an increase of 12 cents over 1973 crop loans.

The requirement that processors purchase certificates valued at 75 cents per bushel on each bushel of wheat processed for human consumption was eliminated by the 1973 Act, Tommy said.

Nursing Home News

Mrs. Price returned Monday from Houston bringing her 3 (three) children home. She was back on the job Tuesday.

Valetta Burks spent a couple of days with Nannie Littrell at Post.

Moreman came home Monday night, but went back to Brownfield Friday. He will be back Monday night.

Oliver Ford had several visitors the first of the week. The Fords had a reunion at Winters, Texas and several of his family members came home with the John Fords as the trip to Winters was to hard for Oliver.

Our flowers have been sopretty, but these dry days are telling on them. But the grass seems to be thriving well.

Mrs. Bishop our Activity Director was unable to be here Wednesday, but some played dominos.

Things are running smoothly and there is not much to write. The laundry department is shut down until a repairman comes and fixes the washer.

Corine helped Ruby Harvick shell peas Friday, so now she has a place to go when she wants fresh peas. Several have brought Corine fresh cucumbers and she has a plastic container in her room to put them in to keep them fresh. Mrs. Short brought Corine a piece of yellow meated watermelon and a half of cantaloupe.

The Church of Christ brought

the Sunday services. I'm sure they will miss Mrs. Clark as we all miss her so much. There is a couple in her old room from Post, Texas now and that helps.

Mother Reed, age 96 comes out to singing a lot now on Mondays.

I forgot to mention Mrs. Short brought some broccoli. Also she gathered several pieces off our stalk and it was real good. Our tomato vines have several tomatoes that will soon ripen. We are hoping our cantaloupes will bear too.

Mrs. Corbins visitors were Mrs. Ada Williams sister - in-law from Spur. Mr. and Mrs. Junior Graves from O'Donnell. Mr. and Mrs. Lynn Williams, nephew and wife from Lamesa. Homer Stegall and daughter Glenda from Lubbock were also visitors.

Mrs. Noble reports that Bill Woods, son of our Mrs. Mary Woods has been quite ill. We pray he will soon be able to visit his Mother. It means so much when our loved ones visit us.

Friends are wonderful but loved ones means more. Some of you think your loved ones here don't know you, but we patients can tell you different.

Roy Campbell went out with his sister Avis Henry Sunday p.m.

Ramsey. AUGUST 27

Our sympathy is with the family of Dr. Louis Kitchen who passed away August 15, his suffering was great so death was a sweet relief, although his family will miss him.

Carrie Dillard's brother, Will, also died August 16. He too has suffered long.

A nice family brought a beautiful pot of red carantions, but failed to sign the guest book saying who they were. But thanks, also the Joy Lindley family brought several beautiful pots of flowers, so thank you. It is so nice of each one who brings us flowers.

Dean and Math Bartley brought four large watermelons which was delicious. Mr. Wharton came again with a bushel basket of those good cantaloupes. A great big thank you from all of us.

The Methodist people brought us our Church services. Bro. Frank brought the communion tray and passed out bread and wine to all who would partake. It was a treat as so many of us never get to go to our own church.

Our news didn't get in the paper last week as Mrs. Price couldn't be everywhere at once. Inspectors were here Monday, she had a meeting in Lubbock Monday night and also again on Tuesday all day. So please forgive her for not getting our news in.

Everyone seems to be feeling okay. Mrs. Lallie Black visited in Lubbock with her family.

Mrs. Hill's daughter Mrs. Baker, from Sundown visited her Sunday.

Astena Lawson, with her daughter - in - law and granddaughter visited Mrs. Harter. Astena is using a couple of canes and gets about fair. Remember, she had a broken bone several months ago. Its so good to see her able to walk about.

Signing our guest book was Mr. and Mrs. W. M. Lawson, Carrollton, Virginia Lynn and Clarilla Browning, Marla Jones, Mickey Bertreaux, Mr. and Mrs. W. T. Luttrell, Mrs. L. W. Baker, Martha Garcia, Glowa Guterrez, Mr. and Mrs. N. M. Wyatt, Genay and Reba Jolly, Atsuko Hachinana, an exchange student from Tokyo Japan, Sylvia and Marla Fuentes. R. L. Florence and Beatrice Jones, Lula Woods, Mr. and Mrs. Joel Inklebarger and Brandi. Laura and Bert Stice, Mr. and Mrs. Milton Uzzle, Mrs. Leona Holden, Mrs. W. E. Pierce.

Mrs. Lela Woods took Mrs. Corbin and Mrs. Connell out to her home for a fish dinner.

Don't fail to look at Rita Barnett, our nursing director's left hand. She is wearing a beautiful engagement ring. Wedding bells will be ringing November 24th.

Mrs. Corbin's daughter called today to tell her that she and her husband are going to be gone for a week to Fort Worth.

Singing was good as usual with quite a large number of the patients joining in. We always enjoy our singing each Monday. Thanks ladies for taking the time to come down every Monday evening and have singing with us.
