Bulldogs Defeat Idalou, Meet

Fresh from a 26-12 victory over the Idalou Wildcats, Tahoka Bulldogs meet the tough Dimmitt Bobcats here this Friday night at Glenn ran a 2-point PAT, and

Dean Wright, a former Tahoka assisstant coach, is head coach at Dimmitt, and he has a strong team.

In last Friday's homecoming game here, Idalou received the opening kick - off, but fumbled on the second play and Roosevelt Moore recovered for Tahoka on the Idalou 26. Mitch Raindl ran for 18 on a quarterback keeper, then passed to David Brookshire to put the ball on the 1 yard line. From here FB Richard Lopez went in for the TD. Conversion no good. Tahoka 6-0.

Idalou couldn't move, punted to the Tahoka 35 yard line and the Bulldogs moved the ball to the Idalou 25, where the ball went over. Again, Tahoka defense held the Wildcats and they were forced to punt to the Tahoka 47. Tahoka moved to the Idalou 44 as the quarter ended.

On first play of the second quarter, Raindl bootlegged the ball, raced around left end 44 yards for the end zone. PAT again failed, but Tahoka led 12-0.

Neither team could mount a drive until late in the half when Idalou took over on their own 48, and using wide plays drove down field, and Wildcat HB Curtis Williams went the last 2 yards tis Williams went the last 2 yards to score. Conversion failed and Tahoka led 12.6 as the half ended

10 seconds later. Tahoka received the second half kick off, could move, but neither could the visitors. Midway in the quarter, on fourth down at their

46, Tahoka defenders broke through the Idalou line, blocked the

Dwain Lusk

picked up the ball and raced into the end zone untouched. David Tahoka led 20-6.

In the fourth quarter, the Wildcats returned the favor by blocking a Denny Johnston punt at the Tahoka 32. Using just six plays Idalou scored again, Williams going one yard of the TD play. Conversion failed. Score Tahoka

It didn't take the Bulldogs long to get the 6 points back, however, as a Tahoka boy covered an onside kick on their own 48. Now playing at tailback, Mitch Raindl, on the first play broke over his left guard, evaded a tackler, out to his right, found an opening down the middle and ran 52 yards for the final score. PAT again failed. Final score, Tahoka 26, Idalou 12.

Fans thought the Bulldogs showed continued improvemet from their first two games, lost to Stanton and Abernathy, but they have a much bigger test this Fri-

New Manager At Production Credit

Don Boydstun has replaced Dwain Lusk as manager of the Tahoka office of Lubbock Production Credit Association.

Don is a native of Ralls, Texas, graduate of Texas Tech University and has been with Production Credit Association for 3 years in the Lubbock Office.

Don will assume his duties in the Tahoka Office on October 1, 1974. Don and his wife, Carolyn, will move to Tahoka in the near fu-

Don extends an invitation to all to come in and get acquainted.

Production Credit Association for the past seven years, on October 1 will become the new vice president in charge of agricultural loans at First National Bank.

F. B. Hegi, president, announced the employment of Mr. Lusk following a meeting the bank's board of directors last week.

Succeeding Lusk was local PCA manager will be Don Boydstun of Lubbock. Reared at Ralls, Boydstun has been with PCA in Lubbock for several years. He and his wife will move here soon.

Lusk was born at Meadow and reared at Eastland. He attended Daniel Baker College at Brownwood. He was in the Army for 21 months during the Korean conflict, and spent 15 months in Korea.

He has had much experience in the farm credit field, having been with International Harvester Credit Corp. in Lubbock for seven and a half years before going with PCA in 1964. He came to Tahoka as local PCA office manager in

League organization.

He and his wife, Maxine, have two children, Toni, 25, of Houston, and Ronald, 11, of the home.

Voter Guidelines

1. Register to vote at least 31 days prior to the General Election, which is November 4, 1974.

2. All registered voters, 18 years and older, are eligible to vote in all elections.

3. Present registrations are valid if you have voted in a Primary or General Election within the last three years.

4. Register to vote at your County Tax Assessor - Collector's Office or with a properly deputized person allowed to register voters. Applications must be in the proper precinct, if you have moved within the county.

6. On moving from one county to another, you must register 31 days prior to the election, if you wish to vote in your new place of resi-

Rains Help Dryland, **Hurt Irrigated Crops**

An almost unprecedented 11 days of almost continuous rain and drizzle had reached an official National Weather Service measurement of 6.74 inches up until 7:30 a.m. Wednesday, and more to come was predicted.

Rain started falling during Saturday night, Sept. 14, and has continued every day since.

There are very few dryland crops in Lynn County, and the rain is fine for this land as the ground is being soaked and at

The Grand Jury for the new term was impaneled, Sept. 15. The Grand Jury returned 10 indictments against 18 defendents. dcc

Two indictments were returned for unlawful possession of a narcotic drug; one indictment for criminal mischief, four indictments of burglary of habitation, one DWI, subsequent offense; two on burglary; two theft by exercising control; two indictments against three defendents of burglary with the intent to commit theft; one of theft over the value

of \$50.00 and one divorce granted. dcc

The Grand Jury then recessed with the option to be recalled at any time during the term that ends Feb. 3.

COUNTY COURT

Three persons were indicted in September in Lynn County Court for DWI.

least some deep moisture will doubltless hold over until the next planting season.

However, there are about 90,000 acres of irrigated crops, and the rains wil greatly delay the maturity of crops, especially cotton. Irrigation farmers will, no doubt, be hurt materially unless we have much sunshine and hot weather in October and a very late killing freeze.

This is the second greatest amount of September rainfall on record here in Tahoka, the greatest having been in September. 1936, when a total of 13.58 inches were recorded.

Taxes May Be Paid Oct. 1

Approximately 4600 tax statements will be mailed to Lynn County Residents the last of Sept. 1974, according to George D. Mc-Cracken, County Tax Assessor and Collector.

Property owners will be able to take advantage of a 3 per cent discount allowed in October, 2 per cent in November, and 1 per cnet for the month of December.

Total value of Tax roll for 1974 is 17,582,083 which is over last years value.

State taxes for 1974 will amount to \$25,339.12. County taxes \$167, 037.77. High Plains Water Dist. \$2,822.20 Hospital District \$130, 762.16., Total amount of taxes to be collected will be \$325,961.25.

Total collections for 1973 were 96.93 per cent of the roll, which is above previous years collecPage 12 CHECKER BOARD FARMS

Third Most Important Site In US Uncovered

Following his hobby of hunting arrowheads and other Indian relics; one week end back in 1972, Frank Tow, an amatuer archeologist from Amarillo, was at Lake Theo, near Quitaque on the south rim of Holmes Creek. He found two Folsom paint bases and several end scrapers along with a large concentration of sun-bleached bones on the surface. He reported his find to the Panhandle-Plains Historical Museum at Canyon. Bill Harrison, the museum curator of Anthropology, visited the site in October 1972 and collected additional artifacts and plotted the excavation. Reports of looting by relic hunters last May, spurred the museum personnel to action. A \$4,000.00 grant was obtained from the Texas Historical Commission and work was initiated on June 21, of this year.

According to the "Amarillo Daily News" dated Sept. 1, this is the largest discovery of prehistoric Folsom Culture Activity in the Texas Panhandle, and is now being excavated by a three man team from the museum at Canyon, and may be the third most important in the United States. "This site is so exciting because we know so little about the Folsom era man," Museum Director James A. Hansen said. Permission has been received from Curtis Tunnell, state archeologist to remove the initial layer of bones so that the workers can search deeper. Two of the spear points

> COMING OCT. 21st ASK A LION

found are in perfect condition. They are of exquisite workmanship.

Frank Tow, the man who accidentally stumbled upon this prehistoric find, is married to the former Betty Jo Brown who was reared in the New Home and Petty communities. Nephew and niece of Mrs. Leona Waldrip, the couple live at 4121 Julie, in Amarillo. The couple has two sons, and he is associated with the Tow Brothers Equipment Co., while Mrs. Tow is a teacher in the Amarillo Schools.

SWPS Coal-Fired Unit Completion

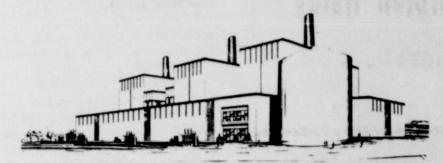

When both units are completed and on the line, the SPS system generating capability will be increased to almost 3-million kilowatts, with the coal-fired units representing 22 per cent of the total.

The turbine-generator for the 1978 unit will be made by Westinghouse and the boiler by Combustion Engineering, Inc. and these manufacturers have assured SPS that the equipment will be available.

Roy Tolk, chairman and president of the Southwestern Public Service Company, announced today that the completion date for the second 350,000 kilowatt coalfired generating unit at the company's Harrington Station, near Amarillo, has been moved up from 1979 to 1978.

"The area we serve continues to grow and this means more industry and more people. In order to continue to provide our customers with the electirc service they need, we found it necessary to have the second unit at Harrington Station ready a year sooner than we had first planned," Tolk said.

The first coal-fired unit at Harrington Station is now under construction and is scheduled for completion in mid-1976. It is also a 350,000 kilowatt machine and construction is on sched-

Artist's rendering of how Southwestern Public Service Company's proposed 300,000 kilowatt GCFR nuclear demonstration plant might look adjacent to a conventional coal or gas-fired generating station. The cylindrical structure on the right houses a prestressed concrete reactor vessel, 84 feet in diameter and 71 feet high, and contains the principal components of the nuclear steam

SWPS To Construct Power Plant

Southwestern Public Service Company today (Wednesday) announced the first step in a program which sets the stage for the company to take a lead role in the construction of the nation's first power plant to use gas - cooled breeder reactor.

Roy Tolk, chairman and president of the electric company, said the Gas - Cooled Fast Breeder Reactor (GCFR) plant, would have a generating capablity of 300,000 kilowatts and would be located on a site provided by Southwestern.

"We have signed a letter of intent with General Atomic Company of San Diego, in which we would contribute \$100 million to the project. Substantial additional financial support will be required from the electric utility industry and the U. S. Atomic Enery Commission," Tolk said.

"Our long - range projections call for additional generating capablity in the mid -1980's, so, this development program fits right into our growth pattern and could very well be our introduction to nuclear power. We will, of course, have a conventional generating unit in service to meet our customer's needs, if that is necessary, but we are enthusiastic about the prospects for the breeder unit being available," Tolk said.

General Atomic has been working on a Gas · Cooled Breeder Reactor for 13 years. Support for the program has come from the Atomic Energy Commission and a GCFR Utility Committee comprised of 57 investor-owned utilities, 55 rural electric cooperatives and three European electric utilities. Included in the cooperatives participating in the program are the Rita Blanca Electric Cooperative, Dalhart; the Bailey County Electric Coperative, Muleshoe; and the Tri-County Electric Cooperative, Hooker, Oklahoma.

Breeder reactors have the unique capability of producing more nuclear fuel material than they consume. Because of this potential to stretch nuclear fuel resources, breeders are regarded as an essential componet of the long-range success of the nuclear power industry. In operation, the GCFR will produce nearly 11/2 times as much fuel material as it consumes.

Auscenco Paniaga

Paniagua Completes Basic

Airman Recruit Auscencio Paniagua, son of Mr. and Mrs. Elias Paniagua of 1721 S. Seventh St., Tahoka, Texas, graduated from recruit training at the Naval Training Center, San Diego.

The training included intruction in seamanship, military regulations, fire fighting, close order drill, first aid and Navy history.

Mario Chapa In Germany

Discharged: Honorable 10 Sep 1974 from Ft. Jackson, South stationed: Illisheim, German for 11/2 years.

Job: Company clerk for com bat support company lst Bu 13th armor.

Future Plans: Plans to atten T.T.U. in Lubbock, spring semester January 1975. Major. ing in sociology.

Miss: Traveled to United King dom, Austria, France, Spain Italy, Belgium, Switzerland, while stationed in Germany for 11/2 years.

Ruiz Enlists In Air Force

Mr. Arthur J. Ruiz of Route 2, O'Donnell, Texas, enlisted into the United States Air Force on September 12, 1974. Preheat oven to 350 degrees F. (moderate). Cook onion and eggplant in fat until golden brown. Add tomatoes, salt and pepper. Mix thoroughly. Pour into casserole and top with the corn flake crumbs. Bake 30 minutes. Makes 6 servings, 3/4 cup each.

SIX Local women and I participated in convention activities at the Texas Home Demonstration Association 48th annual state meeting in Amarillo, September 17-19.

Delegates from Lynn County were Mrs. Everton Nevill of Tahoka and Mrs. Mike Fillingim of Lakeview. Other participants were Mrs. E.B. Gaither, Mrs Hubert Tankersley, and Mrs. Zella Taylor all of Tahoka, and Mrs. J.H. Lambright of Route 1, Slaton.

We joined more than 800 members of Texas Home Demonstration Clubs throughout the state in workshops and special pro-

The delegates attended workshops on delegate responsibilities, publicity, citizenship, family life, 4-H, health, cultural arts and recreation, safety and THDA itself.

Mrs. Lambright has served as State Chairman of the Family Life Committee this past year. She and her committee had responsibility for planning and carrying out the workshop for the convention. Twohundred and fifty packets were distributed at this workshop. In June the pre-schoolers from Tahoka Baptist Church Bible School were asked to draw their interpertation of a family on envelopes used for the packet covers. Many comments were received at the convention on the childrens artwork.

Addressing the association as keynote speakers were Judge Mary Lou Robinson of Amarillo, Mrs. Wilmer Smith of New Home and Mrs. Florence W. Low, assistant director for home economics with the Texas Agricultual Extension Service.

Judge Robinson discussed the role of women in a changing world, and Mrs. Smith spoke on her visits to foreign countries. Mrs. Low's topic was "Looking Forward with THDA."

Home demonstration clubs, num-

Several persons from Tahoka attended funeral services in O'Donnell Tuesday afternoon for Mrs. Minnie McMillan. Among them were Lucy Brice, Hannah Nordyke, Evelyn Burr and Mr. and Mrs. Floyd Reece.

Having had to report for jury duty on Monday, and having been "stuck" on a case that lasted Wed. thru Fri. there wasn't mech time to be "Around Town" this past week. Of the four of us Johnny Ray Ash is the only one who hasn't as yet been chosen on a panel to date. However, since there are two more weeks to go on this term of court, he may not be so lucky before this is over. I'm having to turn this in Monday before I report again at 9:30. Therefore not much news.

Four area couples have just returned from a fifteen day tour of several Western States, including New Mexico, Arizona, Wyoming, Utah, and Idaho. Mr. and Mrs. Leland White of New Home made the trip possible for their parents, Mr. and Mrs. Delbert White of New Home and Mr. and Mrs. W. R. McNeely of Tahoka. Mr. and Mrs. Calvin Tucker also accompanied them, she being Leland's sister. Highlights of the trip included Yellowstone National Park, The Grand Canyon, visiting old copper mines in Utah. They saw snow in the Teton Mountains, Santa Fe, and what is said to be , Mims, Jr. of Denver, Colo visited the Spanish Cathedral at: the oldest house in the history and Albert Mims of Phoenix,

Returning to her home here on park and it was Sunday mor

Mr. and Mrs. W. R. McN Mr. and Mrs. Floyd Reece went and Mr. and Mrs. A. A. McN plan to go to Oklahoma City Sulphur, Okla., this week-end will visit Jim Hill in the V Hospital there.

Visiting here Saturday and day from Tucumcari, New Mer with Mrs. Claude Harper Clara, was Mrs. M. L. Kuyken and her grandson Tracy.

Rain and more rain fell all day Sunday. Along with the cooler weather, residents are complaining with colds. They can't seem to gat used to the cool days after a long summer. Mr. Inkelbarger came home from the hospital. We were sorry to hear of the death of Mrs. Minthe hospital. We were sorry to hear of the death of Mrs. Minnie McMillan. Our prayers are with her family. Mrs. Mc-Millian had been ill so long and now she is at rest and not suffering.

Mr. and Mrs. Binnie Brookshire of Amarillo, Texas visited Preston and William Brookshire, they were pleased at the happiness they saw in the men's faces. This place is busy Troy Wampler is unloading new furniture. The home is really looking nice. Friends bringing us goods last week were Mr. and Mrs. Willie Owens, Mrs. Reno Riddle, okra, Mr. and Mrs. McGraur from Lamesa six big watermelons. We sure did enjoy eating them.

Diane Chapa has replaced Rosa DeLeon. Diane is our activity director and also helps Mrs. Russell in the office. We had coffee and donuts Friday, we sure did like that. Mrs. Pribble and Mrs. Jordan were both here. Mrs. Pribble was thrilled over the condition of the home.

Our church services were the Church of Christ who came

872-7575

LAMESA OR

at 4 pm. Brother Looney read scriptures from second Corinthians chapter 4; telling us Jesus did die for us, but also said God will take care of us. Our crowd was bigger even though it was raining. Thanks to the people who came Sunday it brightened our blue Sunday.

Mrs. Russell reported there will be more improvements, they are building her a new office. Mrs. Rita Taylor will take over Mrs. Russell's present office. A divider will be built between the lobby and the dining room, the divider will be decorated. It sounds very nice. There will be an open house here sometime soon. Date to be announced at a later time. Refreshments will be furnished by Mr. and Mrs. McGraur. We invite everyone to come. We will display our arts and crafts.

Beginning September 24, (Tuesday) 10 a.m. Mrs. Lowry Jones will be giving a Bible study. We missed Vita Ford and Frances Powers last Monday. Singing was fair. We invite ladys to come help us out each Monday 2:30 - 3:30. See you next week, Corrine.

Tynn County News Five Accidents In Lynn County

The Texas Highway Patrol investigated five accidents on rural highways in Lynn County during the month of August, 1974, according to Sergeant H. E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons

The rural traffic accident summary for this county during the first eight months of 1974 shows a total of 45 accidents resulting in three persons killed and 31 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1974, shows a total of 542 accidents resulting in 30 persons killed and 314 persons injured as compared to August, 1973, with 586 accidents resulting in 24 persons killed and 328 persons injured. This was 44 less accidents, six more killed, and 14 less injured in 1974 at the same period of time.

The 30 traffic deaths for the month of August, 1974, occured in the following counties: seven in Palo Pinto; three each in Potter, Wheeler, Crosby, and Lubbock: and one each in Armstrong, Childress, Deaf Smith, Hardeman, Hemphill, Parmer, Jack, Lamb, Stonewall, Wichita, and Wise.

Mary's Woods Services Held

Services for Mrs. Mary Woods, 86, of Tahoka were held at 2 p.m. Monday in the First Baptist Church with the Rev. Leon Smith, pastor of the Calvary Baptist Church of Post, officiating.

Burial was in the Tahoka Ceme-

Mrs. Woods died at 4:55 a.m. Saturday in the Garza Memorial Hospital in Post. She had been a resident of Lynn County since 1920, having been born in Rogers.

Survivors include two daughters, Mrs. Jack Cox of Dallas and Mrs. Eve Connally of Denver City; two sons, Jim Woods of Barida, Mich. and Frank Woods of Seminole: a sister, Mrs. Elizabeth Whited of Rogers; 10 grandchildren and two great - grandchildren. Grandsons served as pallbearers.

Mrs. Lindol Milas Beard

Talkmitt-Beard Pledge Double Vows

day, Sept. 22, at 3 p.m. Quinn Draper and Mrs. Mark honored Miss Barham with agerie shower, at Mrs. r's home. Approximately 12

s Barham and Jerry Read to be married Oct. 5, in the a First Baptist Church.

Lynn County News

Easter Seals Help Handicap

The Texas Easter Seal Society can provide the following services for handicapped persons who cannot afford to pay all or part of the costs involved and who are not eligible for help from any other resource - public or private.

1. Assistance in paying for physical, occupational, and speech therapy when it is prescribed by a medical doctor.

2. Pay for special diagnostic evaluation (such as orthopedic, audiological, language and psychological.)

3. Purchase orthopedic equipment such as wheelchairs, walkers, crutches, braces, etc., when prescribed by a medical doctor.

4. Help to defray transportation costs for treatment and evaluation when the family is unable to meet these costs. This is determined by paying 30 cents per gallon - based on 10 miles per gallon, figured on a round trip basis or by purchasing a round trip bus ticket.

5. Assist families and individuals to reach the right person or agency to obtain help the Easter Seal Society of Texas cannot provide. People are often eligible for services from public or private agencies but do not know the person,

eligibility requirements, or place to obtain the service needed. PER-HAPS WE DO.

A limit of \$150 per client periyear for therapy and \$150 for transportation has been set except in unususal cases requiring special attention. This limit can be exceeded only with the permission of the Treatment and Service Committee of the State Board.

All services must be authorized before being rendered by the Treatment and Service Department of the Texas Easter Seal Society.

Should you have any specific questions please write us at 4429. North Central Expressway, Dallas, Texas, 75205 or call the Treatment and Service Department at (214) 526-3811.

In case of emergencies after hours or weekends, call (214) 526-

Page 7

Services which cannot be provided by the Texas Easter Seal Society are the following:

1. Tuition, room or board to special schools or sheltered work programs.

2. Surgery, drugs, medication or hospitalization, artificial limbs, corrective shoes.

3. Non-orthopedic or non-hearing items (such as glasses, contact lens, dentures, cosmetic devices, etc.).

4. School material (such as books, paper, pencils, etc.).5. Clothing or food.

BRIDGE WINNERS

Last week's duplicate bridge winners were: Mrs. Bernice Roberts and Mrs. Frank Hill, first; Mrs. Ed Hamilton and Frank Hill, second; Mrs. Olen Renfro and Mrs. Jess Gurley, third.

SEE OLDSMOBILE '75

Introducing Starfire—the little Olds you didn't expect. It's a sporty little four-seater that's smaller than a compact...easy on gas...but a bonafide Supercoupe in looks, features and spirit on the road!

Meet Omega Salon—our luxurious compact for drivers who like the looks and comforts of imported touring cars. It's got the touches you like—but at an Olds price. Choice of three

Cutlass Supreme—now our "little limousine" is big on luxuries, yet it offers improved operating economy. One of eleven mid-sized Cutlass models—including wagons—that are right for the times.

Delta 88—our full-size family car never looked better—but it's more than just another pretty car. It's really built for the long miles. 7 models, including a convertible, with room and comfort for a growing family.

Toronado—America's first contemporary personal luxury car with front wheel drive. It pulls you around turns and along straightaways with outstanding traction. Toronado and Toronado Brougham models.

98 Regency (below)—The most comfortable, most thoroughly luxurious Oldsmobile ever built. Magnificent "loose-cushion" look interiors, and a distinctive new look in both sixwindow sedan and coupe models.

IT'S A GOOD FEELING TO HAVE AN OLDS AROUND YOU.

We raised the gas mileage in every 1975 Olds model.

Every '75 Olds has a new Maximum Mileage System that helps make it a better car in several ways:
Our best mileage in years: Smooth-running engines. Fewer tune-ups and less routine maintenance.

And—better exhaust emission control.

The System represents the most advanced engineering and technology we can built into a '75 Olds. It includes a new catalytic converter (see below)—and a lot more.

There's a new high-energy ignition, for a hotter spark and improved ignition performance.

Also, Olds engineers adjusted shift points in transmissions. Installed low-ratio economy axles. And made GM-spec steel-belted radial tires standard.

As you can see, we've done a lot to improve the gas mileage capability of every 1975 Oldsmobile.

New Catalytic Converter—designed for long life.

This "pod" full of platinum-palladium coated beads provides a new way to reduce most emissions—after combustion, in the exhaust. It does a more effective job—and it eliminates some of the gas-robbing, combustion-stage controls of the past. Best of all, it allowed Oids engineers to re-tune the en-

gines to run smoother and give better MPG than last year.

GET THAT GOOD FEELING AT YOUR OLDS DEALER'S NOW.

SUE CROWSON

The Wilson FFA have been selling Magazines for a money making project. If you would like to order some but have not been contacted, you may order them from any FFA member.

FOOTBALL GAMES

The Junior High Football team defeated New Home Thursday 28-8. They will play Sundown there today (Thursday) and will play Anton there next Thursday.

The High School Football Team defeated Lubbock Christian High School Friday night 8-0. This brought their record to 2-1. They

Wilson Mustangs ended a 13 game winning streak last Friday when they beat Lubbock Christian High School 8-0.

The outweighed, outmanned Mustangs outfought the hoghly respected Eagles for a hard earned victory last Friday night to bring their record 2-1.

The first three quarters were dominated by stingy defenses as neither team was able to score but Wilson threatened two times only to be stopped by the rugged Lubbock defense. Lubbock never Clara Phillips Sunday afternoon. launched a serious threat except when Dennis Willis broke for a 75 yard touchdown run only to be called back for a clipping penalty.

Both defenses kept the score Sept. 27 Kristi Maeker, Scott deadlocked at 0-0 until 8:23 left in the fourth quarter, when Wes Wilke recovered a Lubbock fumble

Thursday, September 26, 19 on their own 8 yard line. Two pla later David Ramirez skirted rie end for the love touchdown of game. Wilson's quarterback M Bednarz passed to Greg Bedna for the extra point and the score of the game.

Johnny Hernandez, Doug Saw and Wes Wilke recovered Ea fumbles and Phillip Bednarz tercepted an Eagle pass.

Mike Bednarz was the lead ground gainer for Wilson 61 yards on 11 carries, Richa Cedillo had 36 yards, and Da Ramirez had 35.

The Wilson defense was and outstanding performance noseguard Victor Ortega who in on 15 tackles and caused sever fumbles. Victor was followed Wes Wilke with 10 tackles. Do Savell had 8, Mark Brieger Richard Cedillo each had 7.

Wilson begins their district; this Friday at Ropes at 8 p.

National Highway Week

Country music star Eddy Arms is the national chairman for t observance of National Highw Week, Sept. 22-28.

Arnold has used his role national chairman to call att tion to the need for improved his way safety.

"Much has been done to impro highways in recent years,"hesai "Our modern Interstae Highwa are the safest man has built. creased emphasis has been place on safety features in the mo vehicle itself. That leaves you a me -- the drivers," he sa

Highway Week is sponsored the American Association of Sta Highway and Transportation Of cials and member state agencie

In Texas the Texas Highw Department will sponsor a varie of activities during the we according to State Highway En neer Luther DeBerry.

Sept. 22-28 was officially pr claimed Highway Week during signing of a Proclamation by M don Leslie, Mayor of the City Tahoka, on September 9, 19 During this week, programs w be presented throughout Distri Five. A slide program "The Hig way Story' was presented to t Tahoka Lions Club on Sept. 25th Mel Pope presented this program The Highway Department in Taho observed Open Hpuse on Sept. 2 1974 from 8:30 a.m. to 6:00

The theme for this year's of servance is "Better Roads .. ! ter Living." DeBerry said the theme was paricularly fitting be cause of Texas' dependance on the highways as the prime mode transportation for this state.

The Highways are important industry and commerce. Pract

cally everything Texans buy, se or manufacture make at least pa or the trip from producer to co sumer over the streets or his

ways, he said. Further, the highway syst has opened opportunities to dividual Texas Families widening their range in which seek jobs, educational recreational opportunities, l Berry added.

"Even so, we have some 14,0 miles of primary highways Texas which are in need of t construction,' DeBerry "Funds available for this as needed maintenance always h been tight. Inflation has fu cut into money available. It estimated that highway expens itures in Texas this year will \$133,000,000 short of the actual needs."

In announcing the committee for this year, McClesky noted

Unfred Named To Membership Drive

Joe D. Unfred, farmer and real estate broker, of New Home, has accepted appointment to the Membership Drive Steering Committee of Water, Inc. The appointment was made by George W. McClesky, Water, Inc., president.

As a member of the committee, Unfred will participate in drafting and excutiving plans for the annual emphasis on membership enlistment, scheduled in November and December. Others serving with Unfred are Lloyd Calhoun of Hobbs, N. M., Sam Spikes of Seminole, Ed Weber of Amarillo, James Hull of Hereford and J. W. Buchanan of Dumas.

that Water Inc., activities di-

rected toward importation of water into West Texas and Eastern New Mexico are directly dependent on its membership. "Expanding membership is the key to steoping up our activities," McClesky said. "With our annual drive under the direction of dedicated members such as Unfred, we are confident that the day our goals are achieved will be hastened," he added.

A REASON TO BELIEVE

This week we are introducing the new class officers of 1974-75. Left to right, Bottom row: Sharon Norwood, Reporter; Cindy Park, President; Sheree Ogelsby, Secretary-Treasurer; Top row: Kim Byrd, Parliamentarian; Kirby Shearer, Vice · President. We are going to do our best to make DECA an organization to believe in.

Replacing just one tire? For better all around braking traction pair the new one with the old tire with the most tread, suggests the Tire Industry Safety Council.

SHORT REPORT

The House Ariculture Subcommittee studying cotton contracting, marketing, and meat inspection is scheduled to hold its eighth and final public hearing September 27th in Lubbock.

Representative E. L. Short, D. Tahoka, called a meeting to wrap up the committee's work pursuant to submission of recommendations to the 64th Legislatue in January. Other members of the committee are Representatives Forrest Green, D-Corsicanna, Vice

Chairman; Latham Boone, D. Navasota; L. Dean Cobb, D-Dumas; Jerry "Nub" Donaldson; D-Gatesville; Hilary Doran, D-Del Rio; amd Elmer Martin, D-Colorado City.

Representative Short said "the public testimony there has been inequities in cotton contracting and also problems with meat inspection and the committee will probably recommend corrections to the next Legislature in several areas of their work."

bureaus also is used to determine credit rating. Morris said applicants who are required to make deposits based on information received from outside the company are provided the source of the credit information.

He added that some deposits on file are required because the applicant has not had previous telep phone service, has not had previous credit experience, employment is seasonal or temporary, applicant is new on the job, or is unable to give references.

He said the company basically or previous telephone ser- has four credit classifications. The record of payments. Busi- first is assigned to an account when special treatment is desired.

Lynn County News

This includes government offices. large business, community offices such as chambers of commerce and hospitals.

The second is assigned to good paying customers.

The third class that may require a deposit includes applicants whose credit records reveal inability or unwillingness to pay regularly, reveal insufficient information to assign a classification or no investigation can be made.

The fourth class is assinged to extremely bad risk accounts. This group recieves semimonthly billing in addtion to the deposit requirement.

Morris emphasized that these are comapny guidelines, but there is a judgement factor involved in evaluating each applicant with the end result always the desire to protect.

In addtion there is a policy that is of particular interest around election time. It is the policy issued in 1971 by the Federal Communications Commission as a result of the 1968 political campaigns which left telephone companies throughout the nation with unpaid and uncollectible bills for telephone service provided national candidates. The policy assures equal treatment to all candidates and requires adequate security for services provided political candidates.

Club Bake Sale Set For Today

A bake sale and country store will be held at the Tahoka Community Center, Thursday, Sept. 26, sponsored by the Tahoka Garden

Everyone is asked to come, look and buy. Remember all day Sept. 26 (TODAY).

CHEVROLET FOR 1975. CARS THAT MAKE SENSE FOR TODAY.

Monza 2+2

MONZA 2+2 The small car of tomorrow will probably be a little more powerful, handy and comfortable than ever. The 1975 Monza 2+2, shown above, offers this today. It has advances like rectangular headlights set in a soft front end, fold down rear seat, and a new 4.3-litre V8 engine available.

NOVA In the background above, our new Nova LN Sedan. A luxurious Nova with thick carpeting and wide-back reclining front seats. For 1975, all Novas have been emphatically refined along the lines of elegant European sedans. Nova's always been good. Now it's beautiful.

CAMARO Our sensibly sporty compact. It looks like a million and drives like it looks.

America's favorite car continues to provide the room many families need plus plenty of quiet and comfort. Still the great American

Big ones, small ones, in-between ones. Practical wagons that make sense for America. And you.

CHEVELLE Mid-size, easy to drive, room for six, mid-priced, strong reputation for value. America's most popular intermediate.

MONTE CARLO Its special ability: making you feel good. About the way it looks and drives. About your own taste and judgment.

CHEVROLET'S NEW EFFICIENCY SYSTEM

FOR 1975 It's the key part of a program aimed at helping our new cars run leaner (more economically), run cleaner - and save

you money every mile. The Efficiency System is standard on all 1975 Chevrolets with V8 or 6-cylinder engines. It's a series of significant engineering improve-

ments working together for the very first time. Components include High Energy Ignition, catalytic converter, Early Fuel Evaporation and steel-belted radial ply tires. In sum, the System is designed to heighten the pleasure and lower the cost of driving a 1975 Chevrolet-to bring you a better running car in many ways, along with improved fuel economy, more miles between recommended maintenance and an engine that stays cleaner internally because of

Your Chevrolet dealer will gladly give you the details and answer your questions. See him and the sensible 1975 Chevrolets starting September 27.

> CHEVROLET **MAKES SENSE FOR AMERICA**

> > Chevrolet

Our plot for 1975 is simple. Outclass the competition.

Worth waiting for. The '75 Astre's so new, your Pontiac dealer may not have it in stock yet. But don't let that stop you. Contact him to get the full story on the many features and availability of the new Astre Hatchback and Safari wagon. He'll be happy to take your order!

Our mission: give the compact some class. Mission accomplished. We just built the classiest Ventura of them all... Ventura SJ. It's got your kind of style. Distinctive. A luxurious interior. And a Radial Tuned Suspension with steel-belted radial tires. That's class in a compact.

If we could build only one car, this would be it. As if Grand Prix wasn't luxurious enough, now we have a super luxurious LJ model. Super two-tone paint outside. And a super posh interior. If you could own only one car, this should be it.

Strictly a high-level operation. For '75, we started at the top. With an elegant new roof line. Then we added new rectangular headlamps. A luxurious interior. And our Radial Tuned Suspension with steel-belted radials standard. Bonneville makes your driving strictly high class.

A spectacular inside job. We gave our new Grand LeMans the most luxurious mid-sized Pontiac interior ever. And with its formal grille, parking lamps and hood ornament, you'll find Grand LeMans is pretty spectacular outside, too!

Pontiac strikes again.

See the beautiful 1975 Pontiacs at your Pontiac dealer!

Nobody's perfect...but we're trying.

When you buy a new car, you deserve a quality, de pendable product. And a dealer that treats you fairly. We're trying to see that you get what you deserve.

For example, we offer a new Maximum Mileage System that's available on every 1975 model. requires unleaded fuel and includes items like GM specification steel-belted radial tires, a High Energy Electronic Ignition, and a catalytic converter. designed to help you get up to 7,500 miles between oil changes...up to 22,500 miles between spark plug changes. To help reduce overall operating costs. V call it our Maximum Mileage System because it represents the most advanced engineering and technology we can offer on our 1975 Pontiacs.

Our assembly lines are constantly improved to And we send a questionnaire to every new help build better cars.

Pontiac owner. Because we value your opinion of where we need improvement. Nobody builds perfect cars. But at Pontiac, we're

Tynn County News Tahoka Freshman Down Idalou

Coach Ray Masons freshmen. team shut down the Idalou freshmen at Idalou last Thursday by the score of 24 to 6.

Leslie White opened the game with a 70 yard kickoff return and intercepted three passes during the game. Also in the scoring column was Dan and Van Long. Van had a 45 yard run in the third quarter to score and Dan broke open on a 47 yard run in the fourth quarter to score.

The offense stacked up 290 yards rushing while at the same time the defense played a very outstanding game.

This team went undefeated in 1973 and hold a 2 and 0 record for this year.

Thursday night they will team with the Jr. Varstiy and will play Crosbyton here.

Dear Farmers:

We regret that uncertain deliveries of materials, along with an inadequate labor supply, often prevent our completing shipments on schedule. We ask the patience of those awaiting delivery of Krause equipment on order and pledge our continued efforts to improving our delivery sitaution.

Our allocation program will be continued as long as necessary to assure fair and equitable distribution of Krause products to our dealers. We will also continue our policy of limiting sales to domestic accounts. No Krause equipment is sold to overseas export markets.

In addition to production and distribution problems, inflationary forces beyond our control continue to affect the selling price of equipment we build. As an example, the following increases in material costs have been received within the past 12 month period:

Paint	46%	Foundry Castings	48%
Steel Tube	74%	Fasteners	39%
Other Steel Items	33%	Steel Angles	54%
Wheels	39%	Disc Blades	25%
Chisel Shanks	22%	Bearings	24%

This is not to mention increases in other items and in our labor costs.

Our list price adjustments have been quite modest in comparison to the above increases. Krause prices have been adjusted only the minimum amount necessary to maintain normal profit margins, and this will continue to be our policy.

Factory shipments have been continued at the highest possible level month by month regardless of cost factors. There have been no holdbacks nor delays in our shipments at any time to take advantage of pending price adjustments.

In unusual times such as these efficiency of operation, whether on the farm or in the factory, is most important. We will continue to strive for increased factory efficiency in order that we may produce the maximum number of quality implements at as fair a price as possible. By so doing, we will be helping those who purchase our products to also work at increased efficiency in the production of food and fibre.

SOIL NEWS

Zone 1 election, Lynn Co. Soil and Water Conservation District will be held on Oct. 3, 1974 in the school cafeteria at Wilson, Texas. The election will be held following the regularly scheduled meeting of the Wilson Lions Club. Their meeting will be a 8 p.m. The program will be a film on water importation and will be presented by Water Inc., Lubbock, Texas. A meal will be served by the Lions club and will cost \$2.00. Everyone is invited. COVER CROPS

Recent good rains have provided us with plenty of good moisture to plant small grain crops such as wheat and rye for a cover crop this fall. Several patches are already coming up. Seed is high, yet serious consideration should be given to planting terraces and turnrows. This is where much of our wind erosion starts. With good moisture emergency tillage can also be practiced. Still there is nothing better than a cover on the ground to stop wind erosion. Some land owners are getting ready to have their grain flown on. This

may be a good idea for several others, especially with the soil as wet as it is now. Why not check this out. Much of the grain could be up before we can get into the field with big equipment.

Booster Club Met Monday

The Bulldog Booster Club met Sept. 23 with a good crowd in attendence despite the weather. Treasurer Wanita Kelly reported that we now have 120 paid members, and a balance of \$928.89.

* Card of Thanks

We would like to say thanks to everyone for their prayers, beautiful flowers, food, and get well cards, also for all the nice nice things you have done for us while I was in the hospital and since I have returned home. God bless each of you.

Marie and Aubrey Davis 39-1tp

We would like to take this opportunity to thank everyine for being so kind and thoughtful to us during the loss of our loved one.

Thank you for the food, flowers, cards and other acts of sympathy shown us. A special thanks to the members of the Sweet Street Baptist Church.

May God bless each of you. The family of Sears Bartley 39-1tp

We would like to take this opportunity to thank everyone for the sympathy that was shown us during the loss of our Dear Mother.

To Dr. Wright and the Hospital staff who cared for her, to the Colonial Nursing Home and staff for their nursing care.

To the Rebekahs who sat at the funeral home.

Thank you for the cards flowers, to the ladies who prepared the meals, your prayers and other acts of kindness shown us. A special thanks to Brother Jim Mosley and Brother Marion Backer for the comforting message; to the choir and the organist for their message in song.

May God Bless each of you in a special way in our prayers. Mr. and Mrs. C.D. Childress and family, Mr. and Mrs. Oran Hickerson and family, and Mrs. Irene Anderson and family.

39-1tp

We wish to express our sincere thanks to all our friends, neighbors and acquaintances for their thoughtfulness expressed through cards, food, flowers, calls and condolences during the loss of our Beloved Mother, Mrs. Cruz Munz Anchondo. May God Bless each and everyone of you.

Thank you so much Martin 39-1tp Anchondo Family

* Card Of Thanks

We thank you for the many acts of kindness and prayers in the passing of our Loved one John J. Hamilton. May God Bless

Mrs. Jewel Cobb Hamilton and

> Missionaries In Tahoka

Elder David Everett, of Shelby, Idaho, and Elder Richard Packard, of Springlake, Utah, are missionaries here representing The Church of Jesus Christ of Latter-day Saints. They are only two of the eighteen thousand missionaries representing the church all over the free world. At the age of 19, hundreds of young men each year voluntarily give of their own time and money to go to different parts of the world representing their church for two years.

The elders can be reached by calling Ronald Roberts at 998-4645.

MEN & WOMEN

18 - 30 I'll give you a written guarantee of YOUR choice of over 300 different jobs, send you to school to learn that skill, and then see that you go to the place you desire to do that job, close to home or overseas.

I'll give you a starting salary well over \$300.00 a month, and furnish FREE housing, food, clothes, dental and medical.

You'll get evenings, weekends, and holidays off and still get 30 days paid vacation a year. I also have the shortest retirement program in existence and many other benefits to tell you about with no obligation.

Call Sgt. Charlie Cockrell, Army Opportunities, collect for appointment 9-5 call 762-7617 after 5 p.m. call 744-6111.
