of Representatives. Senator Kent Hance of the 28th District of Texas also spoke to the crowd. Mrs. Jim Wells, Bicentennial chairman presented an official Bicentennial flag to the schools which was accepted by Lindy Thomas, Tahoka High School Student Body president. John Ed Redwine received an award from Mr. C. Edmund Finney for designing the official Bicentennial emblem. The contest was sponsored by the Lynn County Art Association and the emblem appeared on the program cover. Many Bicentennial events are planned for the months ahead and work on the mini park should be underway soon. All citizens are urged to take part in celebrating America's 200th birthday.

O'Donnell Fire Dept. Ambulance

O'Donnell Volunteer Fire Department and surrounding are purchasing a new ambulance - estimated cost \$12,000.00. We are asking citizens and friends in and around Dawson, Lynn and Borden Counties for their donations and support. This matter does concern each and everyone around O'Donnell. This ambulance will be used in case of all emergencies. Make donations to the Ambulance Fund at the First National Bank of O'Donnell or send to the City Hall, or contact anyone associated with O'Donnell Volunteer Fire Department.

Lions Club To Sell Blind Made Products

The Tahoka Lions Club will conduct an all out drive on September 6, 1975 to sell quality blind made products to residents and local businesses, according to an announcement today by Garry Pollard. The articles are all manufactured by the blind workers in the Lighthouse for the Blind which are located throughout the state of Texas. The Lions Club earnings from this sale will be used for Lions Programs. The entire membership of the Lions Club has been organized to supply friends and neighbors with this quality merchandise. Every household can use some type of household cleaning aid and every item sold helps some blind person to help himself. Refer to the price list printed elsewhere in this paper and call in your purchases now to 998-4452. Your purchases will be delivered. A house to house sale will not be conducted this year.

Sales of blind made products held by the Tahoka Lions Club in previous years have been most successful and Lion Pollard expressed his confidence in another successful sale this year.

Billy Graham Crusade Begins Sunday, Aug. 31

The Billy Graham West Texas Crusade will begin Sunday, August 31 at the Jones Stadium and continue each night through Sunday September 7. The meetings will begin at 8:00 p.m. each evening. Dr. Graham is coming to Lubbock by invitation of clergy and business leaders of the community.

George "Beverly" Shea, Crusade soloist, will sing with a choir of several thousand voices directed by Cliff Barrows, Crusade Music Director. Three of the meetings will be taped for national television and be shown just prior to Christmas. Special guests at the Crusade will include: Ethel Waters, TV and Motion Picture actress, will sing on Sunday the 31st; Grant Taff, Baylor Football Coach, will give his testimony on Labor Day, Monday September 1, Steve Davis, Oklahoma Quarterback, will speak on Thursday, September 4; Steve Sloan, Texas Tech coach will speak on Saturday night, September 6. This is the third Crusade in the United States for Dr. Graham this year. He has just recently concluded a Youth Crusade in Brussels Belgium with youth coming from all over Europe to attend. Following the West

Texas Crusade, Dr. Graham will conduct Crusades in Hong Kong and Formosa this year. The Crusade is directed by local executive committees assisted by members of the Billy Graham team. The Crusade Chairman is Bob Nash of KFYO. The Vice Chairmen are as follows: Dr. Sam Nader, Pastor of the First United Methodist Church, Dr. Dudley Strain, Pastor of the Christian Church, Dr. Floyd Perry, Associate Vice President of Academic Affairs and Dean of Admission Texas Tech University, and Dr. Jaroy Weber Pastor of the First Baptist Church. The Treasurer is Mr. Troy Myers, Senior Vice President at the First National Bank. The Secretary is Mr. Jay Eagan, Massachusetts Mutual Life Insurance Company. Mr. Jack C. Alderson Co-owner and General Manager of Alderson Cadillac Co., Inc. is chairman of Delegations. Mr. Cliff Cummings, Secretary - Treasurer of Furr's Inc., is Chairman of Finance. All seats at the Crusade are free, however, delegations of twenty or more may receive special reserve seats by writing the Crusade office at West Texas Billy Graham Crusade, P. O. Box 836, Lubbock Texas 79408, or call 806-763-9436 in Lubbock. Youth nights for the Crusade are Monday, Thursday and Saturday.

Tahoka School Board Adopts New Budget

The Tahoka Independent School District Board of Education met Monday, August 25, in a public hearing called for the purpose of adopting the 1975-76 budget and officially adopted the Budget. The budget totals \$1,049,624, less Federally Funded Programs. The local tax rate of \$1.64 per \$100 of property value, with \$1.34 marked for maintenance and operation and 30 cents for bonded indebtedness on buildings. Members attending the meeting were: Kenneth Turner, President, Dayton Parker, Vice President; Mrs. Mary Brecheen, Secretary, Joe Brooks, Othell Meeks, Roy Stephens, and Marlin Hawthorne. Mrs. Peggy Elliot, Director of Business Affairs and Superintendent Edwin E. Robertson also were in attendance.

Wilson Board Met Aug. 19

The Board of Education of the Wilson Independent School met in regular session on August 19, 1975, with the following members present: Tommy Bednarz, Curtis Wilke, Roy L. Kallach, C. W. Slone, Thomas Autry, Donald Klaus and Loyd Hagens. Also present was Bob Spence, Superintendent. The following business was transacted: 1. Minutes of July 22, 1975, were read and approved. 2. The Board voted to construct a sidewalk from the Band Hall to the gym. 14. Motion was made to adjourn. Bob Spence Superintendent

Mrs. Walker Gifts Chairman

Mrs. Clint Walker has been named Memorial Gifts Chairman of the American Lung Association for Lynn County. This announcement was made by the West Texas Area Board of the A.L.A. A memorial gift to the American Lung Association is a thoughtful tribute to a deceased relative or friend, a lasting tribute that benefits everyone through medical research and health education. Your Lung Association is working to find new and more effective ways to treat asthma, emphysema, tuberculosis, and all respiratory diseases. They are also active in working against specific health hazards, such as cigarette smoking, and general air and environmental pollution. A memorial gift of this nature is a good way to let relatives and friends of the deceased know that you really care. These gifts are promptly acknowledged and are tax deductible. Newly designed blue and white memorial envelopes are available at The First National Bank and at The Clint Walker Agency.

Community Action Needs Clothing

The Lynn County Community Action is in need of clothing for all family members. If you have any clothes please bring them by the Community office or call 998-5094 and they will pick them up. Other activities at the Community Action will be a drivers license clinic to be held at 8 p.m. September 2 and 3. A TB clinic is held the second Thursday of each month from 10 a.m. to 12 noon and the immunization clinic is held the first Friday of every month at the Lynn County Community Action office. Everyone is invited to attend any and all of these clinics.

Farm Tour To Be Held Sept 4

The Lynn County Field Tour will be held September 4th to view cotton demonstrations in progress in the county. The tour will include cotton variety demonstrations, early season insect control, control of seedling disease and zinc deficiency. Make your plans to attend the tour beginning at 1:00 p.m. on the north side of the courthouse.

Walk-A-Thon At New Home Sat.

Saturday August 30, the New Home UMYF will sponsor a walk-a-thon for Muscular Dystrophy. Anyone wishing to sponsor a walker or a group of walkers please contact Mrs. Stewart Rice at 924-3113 or Pastor Jim Taylor, 924-3401. The UMYF's offer an invitation to anyone who would like to walk. All help will be greatly appreciated.

Lynn County Receives Grant

Congressman Omar Burleson announces a \$161,150.03 Office of Education grant to the State of Texas for 1061 children in Lynn County. These funds will provide services for children residing in low-income areas who have need for special educational assistance in order that their level of educational attainment may be raised to that appropriate for children of their age. The allotment of these funds for fiscal year 1976 are made available under the provisions of Part A of Title I of the Elementary and Secondary Education Act of 1965.

WOMEN'S DOUBLES - The team at right, Doris Pollard (third from left) and Carolyn Boydston of Tahoka, won women's doubles, beating the Slaton team at left, Lenda Wood and Jo Holt, in the finals Sunday.

Local Tennis Players At Slaton

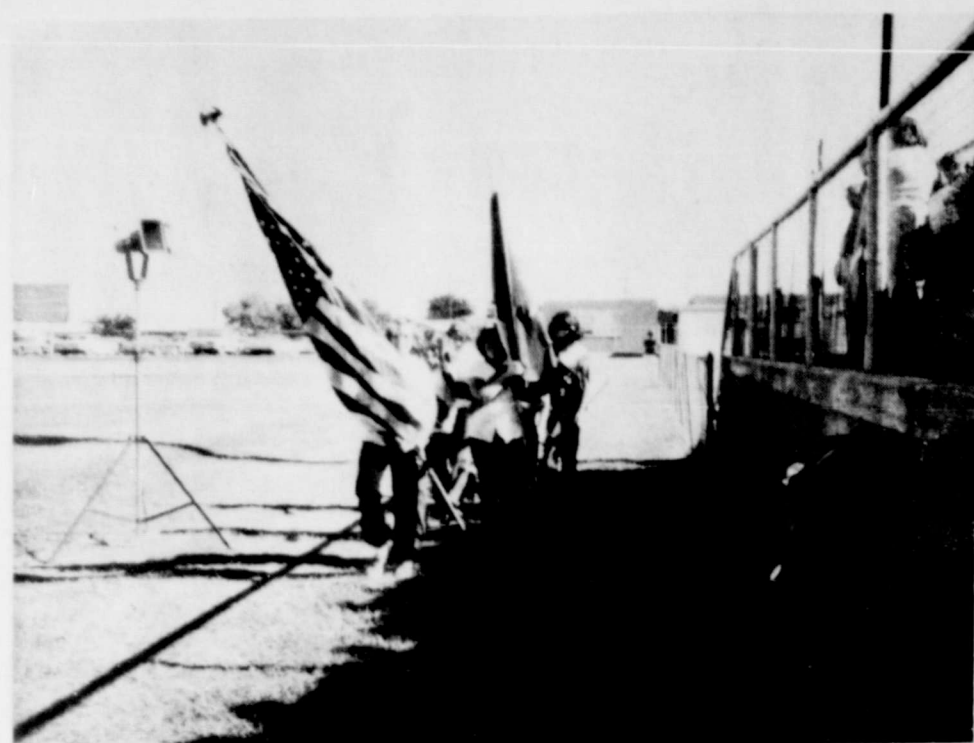

Several Tahoka players participated in the first Slaton Closed Tennis Tournament, August 15-17 with a women's double team from Tahoka winning the championship in that division. Doris Pollard and Carolyn Boydston scored a convincing 6-2, 6-2 victory in the finals of women's doubles over Lenda Wood and Jo Holt of Slaton. Earlier the Tahoka duo had beaten Kay Harrison and Betti Park of Roosevelt and then had beaten the top seeded team of Vondell and Juanell Wood 6-3, 7-6. Bryan Moore of Tahoka lost in the finals of junior high boys singles to Kurt Chapman of Post, 7-5, 6-0. Earlier, Moore beat Mike Voight of Slaton, 6-1, 6-0 and then stopped John Locke of Slaton 7-5, 6-1 in the semifinals. Other Tahoka players in the tournament included Gerald Moore, who lost 6-2, 6-2, to Slaton's Jimmy Milner in men's 35-over singles, and Larry Pollard, who beat David Evans of Slaton 6-2, 6-2, then lost 6-2, 6-0 to Greg Eubanks of Post. In women's singles, Mrs. Pollard defeated Jo Holt 6-0, 6-1 then lost to Vondell Wood, the eventual winner 6-2, 7-5.

The Board voted to construct a sidewalk from the Band Hall to the gym. 14. Motion was made to adjourn. Bob Spence Superintendent

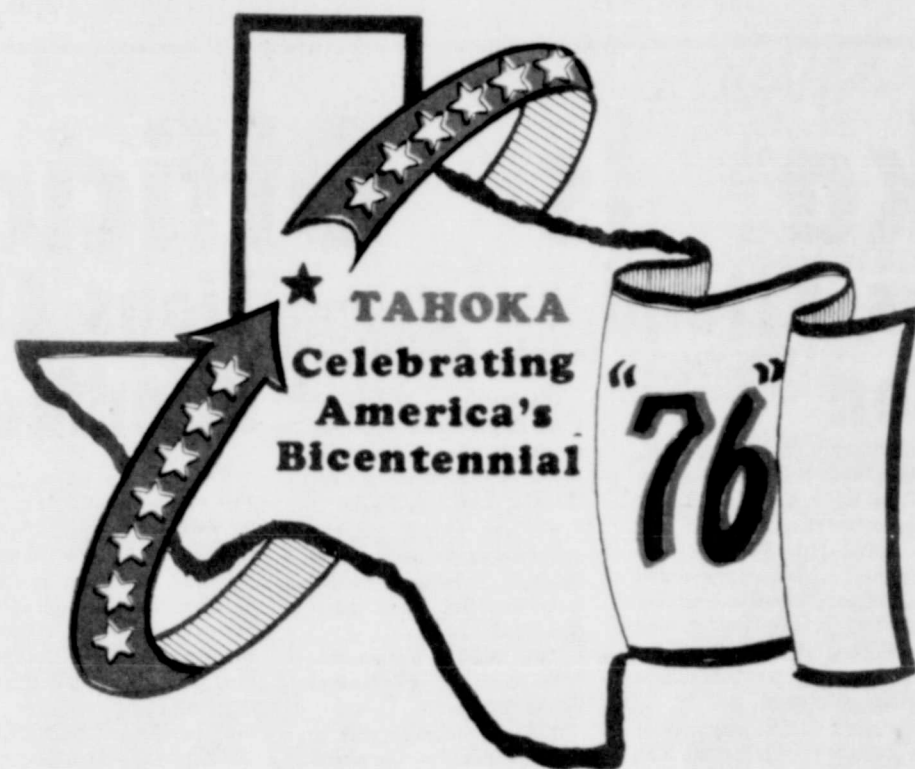

Boys Ranch Rodeo Sunday

Two performances of the 31st Annual Boys Ranch Rodeo are scheduled for 2:30 p.m. the Labor Day weekend, Sunday and Monday, with approximately 10,000 people expected to drive to Cal Farley's Boys Ranch for the event. All of the 370 boys of the Ranch will have some part in the rodeo with about 150 competing with each other on the Brahma bulls, bareback broncs, steers and calves. The rodeo is the only kind in the nation that has boys as the only contestants riding professional rodeo stock under R. C. A. rules. Top honors of the rodeo are the titles of Senior and Junior All-Around Cowboys. The rodeo is also a traditional homecoming for graduates of the Ranch who are members of the Boys Ranch Alumni Association. Some will travel long distances with their families to attend. More than 3,000 boys have lived at the Ranch since its founding by Cal Farley in 1939. An added attraction will be bar-b-que beef plates and other refreshments sold by the boys. Reserve box seat tickets are on sale at the Boys Ranch Office, 600 West 11th Street in Amarillo and can be obtained by writing P. O. Box 1890 or calling 806-372-2341. The reserved seat tickets are \$2.50 and general admission is \$1.50 for adults and 75 cents for children. Proceeds of the rodeo are used for the operation and expansion of the Ranch.

SPAG Receives \$91,153 Grants

Governor Dolph Briscoe announced his approval today of two grants, to the South Plains Association of Governments, totaling \$91,153, for improvements in the region's law enforcement and criminal justice systems.

A \$46,250 grant is for operation of the Texas Boys Ranch, a community-based correctional facility for troubled youth. The ranch, which will serve as an alternative placement for adjudicated delinquents has a capacity for 10 boys. The facilities location, two and one half miles from Lubbock will enable the boys to remain close to their families and attend county schools. Psychological services and individualized programs are planned to facilitate the youths' eventual reintegration into the community.

A second grant provides \$44,903 to upgrade the SPAG law enforcement communications system. Segments of the existing system will be redesigned, and modern radio equipment will be purchased for participating agencies. Elimination of the present overcrowded radio frequencies. Reduced police response time, with the result of early apprehension and more immediate aid to the crime victim are goals of the project.

The SPAG grants are among 55 approved by Governor Briscoe, totaling \$3,256,199 for improvements in Texas' criminal justice system at local, regional and state levels.

Money comes from the Criminal Justice Division of the Governor's Office. CJD administers the state's block grant from the Law Enforcement Assistance Administration under the Crime Control Act of 1973.

Governor Briscoe approved the grants on the basis of recommendations made by the Criminal Justice Advisory Board at its monthly meeting August 8.

Tiny Jolly Funeral Held

Edwin (Tiny) Jolly, 50, of Arlington died early Monday morning after a lengthy illness. Services were held Wednesday at 11 a.m. in the Highland Baptist Church in Arlington. Burial was in Moore Memorial Cemetery in Arlington.

Jolly was the son of the late Mr. and Mrs. Leo Jolly of Tahoka and was a graduate of Tahoka High School. Survivors include his wife, Wanda; one son, one daughter, one brother, Pete Jolly of California; two sisters, Joyce and Sybil. Jolly is the cousin of Wes and Al Jolly both of Tahoka.

One way of telling who reads the News is to leave town for a few days and not have the column appear. Thanks again all of you who said you missed it.

Mr. and Mrs. Floyd Reese spent three days last week visiting in Roswell, New Mexico with relatives there.

After spending a week Kenneth McCord of Comanche have returned home. They went to Ruidosa for a couple of days and also visited relatives in Abernathy before leaving on Friday.

Mrs. Bill Horn, daughter of Mrs. Verna Hayes, along with her children, Jana and Chris from Burleson, visited here several days last week.

FACTS FOR YOU

from Texas Farm Bureau

COMMUNISM?

It appears at this point that most Americans would agree that Socialism in the United States is a real possibility, but not Communism. Communism is a Utopian dream said by those who promote it to be the result of a complete socialization of all nations in the world. The leaders of Russia do not talk of a Communist nation, but a Socialist nation as the Union of Soviet Socialist Republics.

One of the American Communist Party writers, John Pittman, writing in POLITICAL AFFAIRS, an American Communist Party publication, of July 1975, in an article entitled, "What's New In Soviet Agriculture?" revealed the following: Confirmation of Socialism's Superiority: Capitalist propaganda generally ignores such objective obstacles to a more rapid progress to communism in the socialist coun-

tries. Its main tendency in fact, is to characterize what now exists as fully developed communism, as if communism can be achieved instantly on the morrow of the assumption of state power by a workers led government. Bysych an unhistorical approach, it attempts to conceal the colossal reality of capitalism's failure, after 500 years of development since its inception in the 15th century to banish hunger and unemployment, the prediction for genuine freedom, among the masses of any country on our planet. (POLITICAL AFFAIRS Journal of Marxist Thought & Analysis, July, 1975)

The same article proposes the following farm program as the American Communist Party's answer to the farm program discussion.

A farm program today must be anti-monopoly in character. It must include proposals for land re-

form and changes in land tenure (permanence of possession). It must recommend taking the growing of food and fiber out of the hands of the monopolies, including the processing of farm products.

The following should be included in a farm program:

1. Full parity tying farm prices to farm costs for family size farmers to assure a fair wage for the family farmer's labor.
2. A grain reserve program, government-farmer managed, to meet national needs during periods of drought, bad crops, or disaster;
3. Adequate government crop insurance for family size farmer;
4. A moratorium (deferral of payments) on farm mortgages for family farmers;
5. Adequate government loans to people for family farming and to veterans and students for agricultural education;
6. Adequate federal and state credit facilities to enable all who desire to enter farming to do so;
7. Provision of federal and state funds for scholarships in the agricultural field;
8. Government price controls to halt monopoly profiteering;
9. Support for a world food bank among exporting nations;
10. Encouragement of on the farm storage of reserves of feed grains;
11. Comparison of agriculture in a socialist society with the effects of agri business and monopoly control of agriculture on family farmers in the U.S. (POLITICAL AFFAIRS, Journal of Marxist Thought

& Analysis, July 1975)

How many of these eleven points did you agree with?

In summary, the goal of Communism in today's world is to destroy the right of an individual to own property and to provide the basic needs for each individual, by way of government, as determined by responsible government agents.

FERTILIZER CONSUMPTION

The July - May total for these 15 states showed a 14 percent decrease in total primary nutrient materials and mixed fertilizers consumed compared with the same period a year earlier. For the first 11 months of the 1974 - 75 fertilizer year, materials were down 5 percent and mixtures decreased 18 percent. The accumulated tonages were 3 percent less than for the same period of 1972 - 73. (COMMERCIAL FERTILIZERS, July 31, 1975)

AGRICULTURAL EXPORTS TO COMMUNIST BLOC

During the year ending on June 30, 1975, \$921,417,000 worth of U. S. agriculture products were shipped to the Communist bloc countries compared to \$1,035,777 worth of products during the previous year. The Communist Bloc of countries includes, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland, Romania and Russia. The major U. S. agriculture products sent to this bloc of countries was corn, which amounted to 42.01 percent of the total value for the year ending on June 30, 1975 and 29.9 percent of the value during the previous year. Corn sent to the Communist bloc for the fiscal year ending on June 30, 1975 amounted to 2,815,000 metric tons, compared to 4,795,000 metric tons during the previous year. The average cost to the Communist bloc countries for corn according to these figures for the fiscal year ending on June 30, 1975 was \$137.57 a metric ton, compared to \$64.68 during the previous year.

The second largest U. S. agriculture export to Communist bloc countries was wheat, which amounted to 21.8 percent of the total for the fiscal year ending on June 30, 1975, compared to 26.07 percent during the previous year. The cost of corn for the year ending on June 30, 1975 was \$195.27 per metric ton compared to \$83.73 during the previous year.

COTTON CROP 1975:
The Crop Reporting Board has released its August 1, 1975 cotton crop yield and production figures revealing an 18 percent decrease, compared to 1974. Estimated 1975 production consists of 9,439,000 bales of upland and 66,600 bales of American - Pima cotton. The estimated U. S. yield per harvested acre for upland cotton is 484 lbs., compared to 441 lbs. last year. For American - Pima cotton estimated yield for 1975 is 472 lbs. compared to 526 lbs. last year. Harvested acres indicated for the 1975 crop of American upland cotton is 9,270,100 acres and 67,700 for American Pima cotton.

The Texas cotton crop for 1975 is estimated at 3,100,000 bales of upland and 20,800 bales of American Pima. Yield per harvested acre in Texas for 1975 upland cotton is indicated at 372 lbs. per acre, compared to 269 last year. The indicated American Pima yield for Texas is 399 lbs. per acre, compared to 359 lbs. a year ago.

Harvested acres in Texas for American upland is 4 million acres, compared to 4.4 million last year and 25,000 acres of American - Pima in 1975, compared to 32,800 acres last year.

BILL GRIFFIN SAYS

Cattlemen from Lynn County should be aware of the fact that the dreaded cattle disease, anthrax, has once again struck in a number of locations in the state.

Sporadic deaths have occurred in Harris, Tom Green, Victoria, Medina, Falls and Robertson counties in recent weeks. The deaths were reported by Dr. J. B. Young with the Texas Animal Health Commission after confirmation by the Texas Veterinary Medical Diagnostic Laboratory at College Station.

The most recent anthrax deaths occurred in five herds in the Marlin - Bremond area of Falls and Robertson counties. These and adjacent herds have been placed under state quarantine.

There is no cause for alarm among livestock producers. Producers in the affected counties as well as those in neighboring counties should vaccinate their herds as soon as possible if they were not vaccinated back in the spring. He advises annual vaccinations against anthrax in March or April in those areas where the disease has been confirmed, indicating that the anthrax organisms remain in the soil.

Livestock deaths from anthrax can be quickly stopped within eight days in almost all cases by prompt and proper vaccination with Sterne's strain vaccine. There are no restrictions on milk from dairy cows vaccinated with Sterne's strain vaccine.

Rites Held For Frank McAuley

Service for Frank Leslie McAuley, 89, of Knox City were held August 21 at the First Baptist Church with the Rev. Paul Anderson, pastor, officiating. Burial was in Knox City Cemetery. McAuley died at 10:45 a.m. Wednesday at the Brazos Valley Care Home. McAuley was born in Bruceville. He married Thelma R. Faubion November 18, 1915 at Evant. He was employed by Knox City as a night watchman and constable. He was a member of the First Baptist Church.

McAuley is survived by his wife; four daughters, Mrs. Irene Branch of Lubbock, Mrs. Faye Graham and Mrs. Ruth McElroy of Knox City and Mrs. Jean Riley of Santa Ana, California; two sons, Frank Jr. of Knox City and Charles of Tahoka; 10 grandchildren and nine great grandchildren.

Sherry Etheredge Says . . .

Good bread begins in the Great Plains of America. High quality wheat becomes high quality flour for family foods as well as for commercial bakers.

This year, the largest wheat crop ever produced in America is forecast by the U. S. Department of Agriculture (USDA) - 2.1 billion bushels.

That figure, according to specialists in USDA's Agricultural Marketing Service, includes durum wheat hard red winter, hard red spring, soft red winter, and white wheat. Each has a particular use.

Durum wheat is used almost exclusively for macaroni, spaghetti and other forms pasta - and since we export our wheat around the world, you can be eating American wheat in any pasta dish in Rome.

Because hard red winter and hard red spring wheats are particularly high in protein and strong in gluten, those types are milled for use in quality yeast breads and hard rolls. White and soft winter wheats are used for quick breads, pastries, and crackers.

Many of the flours home makers buy are blended and generally called "Enriched All Purpose Flour." This labelling indicates that thiamin, niacin, riboflavin, and iron have been in amounts specified by the U. S. Government. "All-Purpose" indicates the flour contains enough protein to form an elastic framework that is delicate enough for cakes and strong enough for breads. Since all purpose flour is finely milled, it is not necessary to sift before mixing.

Once you've baked that

loaf of bread - or bought it, - careful storage can extend its life. When you removed the bread from the oven, let it cool the prescribed length of time. Then wrap in moisture - vapor - resistant material.

Bread stales less quickly in a breadbox at room temperature than in a refrigerator; however, in hot, humid weather, it is better stored in the refrigerator to prevent mold. If you wish to hold any baked product for more than a few days, eating quality is best maintained if kept in a freezer. While chefs across the country are celebrating the giant 1975 wheat harvest in a great variety of sandwiches, you may want to commemorate it in your own way. Here's a basic muffin recipe with 4 variations;

Muffins (12 medium size)
2 cups unsifted flour

Is God The Author Of Confusion?

IS GOD THE AUTHOR OF CONFUSION? (Part 2)

Confusion: I think every Christian should belong to and work with some denomination.

Simplicity: The apostle Paul did not think Christians should join a denomination when he instructed the Corinthians to not allow any divisions to arise among them (1 Corinthians 1:10). In this one verse Paul explained true unity very clearly. Also notice that unity is achieved "in the name of the Lord" or in the Lord's way. In the twentieth verse of John, chapter seventeen, we learn that the "Lord's way" is through the words of the apostles.

Confusion: Yes, but we have become accustomed to worshipping and working in these different religious bodies.

Simplicity: Jesus condemned traditional teaching in Matthew 15: 8-13. In the thirteenth verse, He said, "Every plant which My heavenly Father did not plant shall be rooted up." In the twenty-first verse of Matthew chapter seven, we find that only those who do the will of the Father will enter the kingdom of heaven.

Confusion: I believe that all one needs in order to reach heaven is to "know Jesus".

Simplicity: Agreed, but notice 1 John 2:3 states that those who know Jesus are those who keep his commandments.

Confusion: More to follow.

Dove Hunting

Within a few days, the gunning season in Texas will get underway with the opening of dove season. Shotgunning these birds is one of the most popular sports, because of their presence across the state. Even on a windless day, doves can fly at speeds of 60 mph, making shots very difficult on the darting, diving, twisting target. Most hunters in Texas prefer to use a heavier load in their scattergun for doves than quail, with most arguing it takes more power for the fast flying dove. A recent study shows it takes 6 shells for the average hunter to kill one bird. If your average is better, then consider yourself lucky, or just a better than average shot. **Tip Of The Week:** Setting at a waterhole for dove? Place a stock or pile of weeds some 40 steps away from you in all four directions. Few doves are killed past this range... and stay ABSOLUTELY STILL when birds approach.

Price-Roberson Pledge Vows

Beverly Gayle Price and Jerry Dale Roberson were married at 8 p.m. August 23 in the First United Methodist Church in Levelland. Rev. George C. Price, Kentucky performed the double ring ceremony, assisted by Rev. H. Weldon McCormick of Levelland.

Parents of the couple are Mr. and Mrs. George Copeland Price of Levelland and Mr. and Mrs. Lowell

Edward Robertson of Aspermont.

The altar was covered with Huckleberry foliage accented with tree of votive candles, flanked with spirals of cathedral candles, prei deux of white satin.

The bride wore an ecru cotton lace over domestic gown. The gown featured a portrait neckline, empire waistline and an A-line

skirt falling into a Chapel length train. The bodice was encrusted in seed pearl with candlestick sleeves. The gown was fashioned by the brides mother. The chapel length veil of silk illusion fell from a Juliet cap of lace encrusted in seed pearls. Her shoes covered with lace matching the wedding gown completed the ensemble. She carried a white Rainbow Bible.

Maid of Honor was Miss Joyce Sallinger of Tucson, Arizona. Bridesmaids were Mrs. Jim Smith of Olton, Miss Debbie Humble of San Angelo, and Miss Eloise Robertson, sister of the groom of Aspermont. They wore gowns of peach polyester crepe A-line shirts accented with cape collars trimmed in ecru bobbin lace. They carried nosegays of sweetheart roses. Beryle Robertson served his brother as best man. Groomsmen were Carrol Robertson of Cage, Oklahoma Ray Ham and Ricky Brewer both of Lubbock. Ushers were Steve Stanley and Ruyal Don Arant, both of Levelland, Danny Robertson of Lubbock and Lyndell Dickerson of Peacock.

Wedding music was provided by Mrs. Loucille Burleson of Levelland and soloist was Miss Vivian Thomas of Levelland. Miss

Debbie Ryan registered guests.

A reception followed the ceremony in the Fellowship Hall. The couple will make their home in Levelland.

Mrs. Robertson is a graduate of Levelland High School and South Plains College. She attended Texas Tech and a graduate of Gupton Jones Dallas Institute of Mortuary Science and employed by George C. Price Kunal Directors. She is the granddaughter of Mr. and Mrs. John Price of Tahoka.

Robertson is a graduate of Aspermont High School and attend South Plains College and is employed by Armstrong Mechanical Co. Inc. of Lubbock.

Garden Club Family Party

The Tahoka Garden Club will entertain their families with a garden party at the home of Mr. and Mrs. H. R. Tankersley Thursday Aug. 28 at 8:00 p.m.

Lynn County News Home Canning Lid Shortage

Improper distribution, pre-buying, and overbuying seem to be some of the causes of the current shortage of home canning lids.

That's the result of a nationwide survey conducted by Nancy Sterots, special assistant to the Secretary of Agriculture for Consumer Affairs.

In testimony before the House of Representatives Subcommittee on Commodities and Services, Mrs. Sterots explained, "From this survey of state agriculture departments, we learned that a shortage of lids last year prompted canners to start looking for lids much earlier than they normally would this season and to become anxious when they couldn't find them. Consequently, when the lids started appearing, people snapped them up whether they needed them or not, thereby diluting the supply."

Mrs. Sterots said that a recent Federal Trade Commission investigation could not substantiate consumer charges that supplies are being withheld in company warehouses in order to increase the demand or charge enormous prices or force the purchase of complete units, which include both the jars and the lids. However, she is calling for a more thorough investigation into the charges.

She further explained that the entrance of several new manufacturers into

the home canning supply field has resulted in a oversupply of complete units, which has further led the consumers to feel that they are being coerced into buying jars just to get the lids they need.

"This year the USDA estimated that around 300 million sets would be needed to take care of new home canners, perhaps another 100 million for replacements. However, the production of complete units came to nearly 500 million," she said.

Though the situation is serious, it is not hopeless. According to the USDA consumer specialist, state reports show that major allocations of lids have not yet been received in many areas.

"The concern now is to make sure that these as yet undistributed lids get into the hands of those people who really need them," Mrs. Sterots said. To accomplish this, she suggests a cooperative program between state departments of agriculture and retail outlets to equitably allocate those lids still to come into the state.

Mrs. Sterots acknowledged however, that apparently no matter what is done there will be some home canners who won't get all the lids they need this season. Freezing or dehydrating, therefore might be two alternatives to canning.

How can I check the financial stability of an insurance company and what does the company do with the money it collects?

You may write the Insurance Commissioner who will give you information upon which to base your choice. Also, available from most insurance representatives is an insurance book which gives all the data on the sound company. The money collected goes into the general funds of the company. It is used to meet normal expenses plus make investments to the policyholders and beneficiaries. The money, along with the company's reserves, are invested and they pay toward future benefit payments for the policyholders. Investments made by insurance companies have a lower price of life insurance so that it is less than it was 20 years ago.

TEXAS TALK

By Fred Myers

Complaining about the cost of food has been an ardent avocation of man ever since Adam found out the price of an apple. Just how much are we paying compared to the rest of the world? Samplings made earlier this year showed when steak was \$1.69 a pound here it was \$3.15 in Rome, \$2.92 in London, \$4.73 in Stockholm and a whopping \$16.00 in Tokyo. What about the price of eggs in Brussels you say? 90-cents there, \$1.29 in Copenhagen, 83-cents in Mexico City while we were paying 74. Our cost of butter was 89 cents a pound compared with \$1.73 in Paris, \$1.36 in Brasilia and \$1.57 in Bonn. Adding bacon to the breakfast table was costing \$3.41 cents in Paris when we were paying \$1.56. At the same time, bacon consumers in Copenhagen were complaining about the price of \$2.71 and the grumbling figure in The Hague was \$3.08. Fact is, we obviously have a pretty good deal when it comes to food prices.

The State Department of Highways and Public Transportation is planning to proceed with the development of the proposed highway improvements on F.M. 213 in Lynn County from the Terry County Line to Wells.

This proposed subject will consist of the reconstruction of grading, structures, base and asphalt surface. In order to provide a safer facility, it will be necessary to acquire an additional 40 foot strip of right of way from two property owners, thus eliminating three curves in the present alignment approximately one mile west of Wells.

Maps, drawings showing geometric design, environmental studies and all other available data concerning the development of this project may be inspected and copied at the Resident Engineer's Office in Brownfield, Texas. 35-1tc
