VOLUME 73 15c EACH ISSUE TAHOKA, LYNN COUNTY, TEXAS 79373 THURSDAY, AUGUST 5, 1976 NUMBER 32

## Hail And Weeds Plague Lynn County Farmers

The Spectator...

By Mary Brecheen

Some areas in south and west Lynn County received hail damage on Wednesday and Thursday nights of last week. Rainfall amounts varied in those areas of the county.

On Wednesday night, July 28, Larry Hagood, Robert and John Draper, Danny Lockaby, and farmers in that area south of Tahoka, as well as others east of O'Donnell and southeast of Draw, reported some damage.

Farms in the Bill Barham, Natt Park, Roy Stephens, Loamuh Harston, E. L. Short, and Sonny Roberts vicinity west of Tahoka reported hail damage on Thursday night, the 29th.

In spite of record rainfall last month and too much damp weather, most Lynn County crops are doing fine.

A major problem with many farmers is a battle with the weeds and another is need for sunshine.

Rain or mist fell fifteen of the thirty-one days in July while total precipitation in Tahoka for the month was 7.76 inches, an all-time record in the town and exceeding the total of July 1975 by exactly one inch.

Total rainfall this year in Tahoka is 13.82 inches, compared to a 47-year average of 10.38 inches. Annual average is 18.12 inches and July average in Tahoka is 2.20 inches.

Since last report of the local U. S. Weather Service, Tahoka received in July .90 inches of rain on July 23 and 24, .32 on July 28, and .17 on July 29.

Showers were reported over the county on Monday, but none fell in Tahoka.

## Chamber Directors Meet Tuesday

At a noon meeting on Tuesday, August 3, the Chamber of Commerce directors accepted the resignation of Mabel McGinty, secretary, and the motion was made and accepted to name Mary Brecheen as secretary of the Chamber.

Nadine Dunlap accepted the appointment to serve as chairman of the Harvest Festival and the housing committee told the group that the plans have been approved and the charter has been sent to Austin.

Harold Roberts will be in charge of the program at the breakfast meeting on August 17 at 6:30.

J. M. UZZLE, flanked by Councilmen John Ed Redwine, H. B. McCord, Jr., and Sonny Roberts and City Secretary Hazel Connolly, receives a retirement gift from Mayor M. Leslie.

## J. M. Uzzle Retires As Tahoka's City Manager

It was a hot July day outside Tahoka's Municipal Building last Friday, but inside it was cool and there could be detected some "out-of-the-ordinary" stir.

A few invitations had been sent out, by word of mouth, that that day, July 30, would be the last day of work for retiring City Administrator Milt Uzzle and there would be some refreshments and a few words of the usual farewells we hear from time to time.

But it was more than that. Few retirement parties have been so spontaneous, unrehearsed, and yet so packed full of nostalgia and sincere expressions of good wishes for a fellow worker who was, in a sense, putting the reins of city government into the hands of a successor.

J. M. Uzzle came to Lynn County when he was twelve years old, from Hill County. Most of his "growing up" years were spent at Draw.

He spent a portion of his life, prior to his tenure as a

City employee, working for Cicero Smith Lumber Company. In September of 1957, he became City Secretary and was appointed City Administrator on May 4, 1964 by the City Council.

"H. B. McCord, Sr. was Mayor when I became City Administrator", Uzzle reminisced, "and Mrs. Hazel Connolly became City Secretary on March 6, 1967."

According to Mr. Uzzle, one of the highlights of his career as manager of Tahoka's city government was the city's access to Canadian water, now a major source of Tahoka's water supply.

The Uzzles have two sons, Jimmy, an electrical engineer in Arlington, and Danny, who works in the field of landscape design in Lubbock. There are six grandchildren.

Uzzle says he has no hard-and-fast plans for the future, but insists that time will not be a problem. "I might even take a part-time job," he said.

City employees took advantage of the opportunity to have "their say" about their relationship with Milt Uzzle for the past nineteen years--City Secretary Hazel Connolly said. "Every day has been most pleasant and I have enjoyed working with and for Mr. Uzzle." Councilmen John Ed Redwine, H. B. McCord, Jr., Jesse Dorman, and Sonny Roberts were on hand and conveyed their congratulations and good wishes to the retiree.

And in the Council room, surrounded by workers from every department, Mayor Mel Leslie presented Uzzle with a watch and said, "At four fifty-three and eighteen seconds, please accept this watch as a token of our appreciation for you as you leave our ranks."

And so it was, on July 30, 1976, that Milton Uzzle handed the gavel to a new City Administrator.

## Ray Mason Is New City Administrator

Ray Mason, a former coach in the local schools, became City Administrator in Tahoka on August 1, succeeding J. M. Uzzle who retired after nineteen years, twelve of those as City Administrator.

Mason was born in Oakland, California, but moved to Denver City at an early age. He graduated from Denver City High School in 1964 and from McMurry College in 1968 with a degree in physical education.

He coached girls' basketball in Hermleigh, Sonora, and Springtown prior to coming to Tahoka where he was also girls' basketball coach for two years.

RAY MASON

## Football Physicals Scheduled

Athletic Director for Tahoka schools, A. D. Shaver, announced the following schedule for football physicals.

Shaver stressed that free physicals would be given at the following times only:

- Saturday August 7
- Seniors 2:00-2:30
- Juniors 2:30-3:00
- Sophomores 3:00-3:30
- Freshmen 3:30-4:00

grateful to the folks over at the City Building for including me in their party for Mr. Uzzle. The fact that we aren't on the list of desert cities says something for the kind of ship we have had and will continue to have. Ray Mason, Mayor Leslie, and the men. This is a momentous occasion for our fair city--a "giving of the guard" with no fanfare but a feeling from a group of dedicated people of their number and a welcome aboard, so for his successor.

## Retired Farmer Gives Time To Health Resources Clinic

Mabel McGinty has run from cowboy, to and now a top-notch in the Texas Department of Health Resources Clinic in Tahoka.

from there to Garza County and in 1914 to Yoakum County. Fred came to Lynn County to work on the Matt Williams ranch in the T-Bar community.

On June 7, 1932 he married Mabel Draper and the couple have called Tahoka home since that time. They have three daughters and nine grandchildren.

In March of 1975, Big Fred had a heart attack which required a considerable recuperation period and he no longer operates his farms. Some say "because he has time on his hands", but the truth is that his

goodness, coupled with his love for people, has led him to serve in the capacity aforementioned.

Mrs. Jim Boren, R.N., in charge of the local clinic, remarked that Fred has been such a booster that some people have labeled the new clinic "The Fred McGinty Clinic".

He is also an elder in the Tahoka Church of Christ, has served for many years on the board of the Tahoka-Post branch of the Federal Land Bank, and has been active in the Chamber of Commerce, Rotary Club, and other local endeavors.

A visit to the clinic and time spent visiting with Mrs. Boren and McGinty, as well as the other workers there, is most informative. "Being a new idea in Texas, and one of the first in this area, people have been slow to avail themselves of the opportunities and services offered, all of which are free," said Mrs. Boren.

Lynn County has rented the building, owned by Dr. David Midkiff, and through the cooperation and helpfulness of County Judge Vernon Jones and the Commissioners, the building has a new heating and cooling system and is ample for the services being provided therein.

Mrs. Boren says that no diagnoses are made nor any medication given. State funding has made the following multiphasic screening possible: Blood pressure, blood work for diabetes and anemia, vision and hearing tests, TB skin tests, PAP smears for women, immunizations for adults and children, complete health histories, and health teaching and counseling. All lab work is sent to Austin and should any abnormality manifest itself after more than one test, referrals are made to a physician.

The clinic sees from ten to twelve people daily. On Friday, August 6, an immunization clinic will be held so that school children will have the immunizations required for public school entry.

Mrs. Boren is a graduate of the Methodist Hospital School of Nursing and she worked

BY FRANK HILL and MARYBRECHEEN

one year in St. Mary of the Plains Hospital before spending two years with the City-County Health Department in Lubbock. She has been with the State Health Department since January of this year.

"We want civic organizations, clubs, and other groups to know that we are

available to show films on the swine flu vaccine and will be glad to set up an appointment for such," stressed Mrs. Boren.

It is the kind of personal contact that Fred McGinty can give that makes a service such as is being offered by the Texas State Department of Health Resources a success.

MRS. BEBE BOREN, R.N., director of the Health Resources Clinic, checks blood pressure of Mrs. Thioe Young, clerk-secretary.

BECKY DAVIS, LYN, AND CYNTHIA BRYAN, secretary, at the Health Resources Clinic's hearing machine.

## Wilson School Sets Opening Schedule

Activities for the upcoming school year at Wilson will begin with kindergarten through fifth grade registration on August 16 from 12:30 to 3:30.

On August 17, eleventh and twelfth graders will register from 8:30 to 10:00. Ninth and tenth graders will register from 10:00 to 12:00; eighth graders from 12:30 to

1:30; and sixth and seventh graders from 1:30 to 3:00.

Beginning August 18, the lunchroom will be open. Kindergarten through fifth grade lunches will be fifty-five cents each; grades six through twelve will pay sixty-five cents; and staff members will pay seventy-five cents. Non-school people can eat for \$1.50 and the lunchroom needs a reservation for such.

Wednesday, August 18 will be a regular full day of school with buses running the regular fall schedule which is a reverse route from that of last spring. Classes will begin at 9 a.m. and dismiss at 4 p.m. each day.

Student holidays for the 1976-77 school year are September 6, October 29, November 12, November 25-26, and December 20-31, 1976. In 1977, January 23, February 24-25, and March 21-25.

## Pioneer Gas Will Have New Quarters

Pioneer Natural Gas Company officials have announced plans for a new office building in Tahoka slated to undergo construction this summer.

The new building, featuring an antique and burnished gold exterior, will replace the present structure at 712 Main Street which was built in 1927.

Construction will start following the demolition of the old building, and the new building will be completed in four to five months, company officials said.

During the demolition of the old building and construction of the new, Pioneer offices in Tahoka will be temporarily housed at 645 Avenue J.

The new structure will be set back from the street so as to allow easy access and ample customer parking, and will be centrally gas air conditioned.

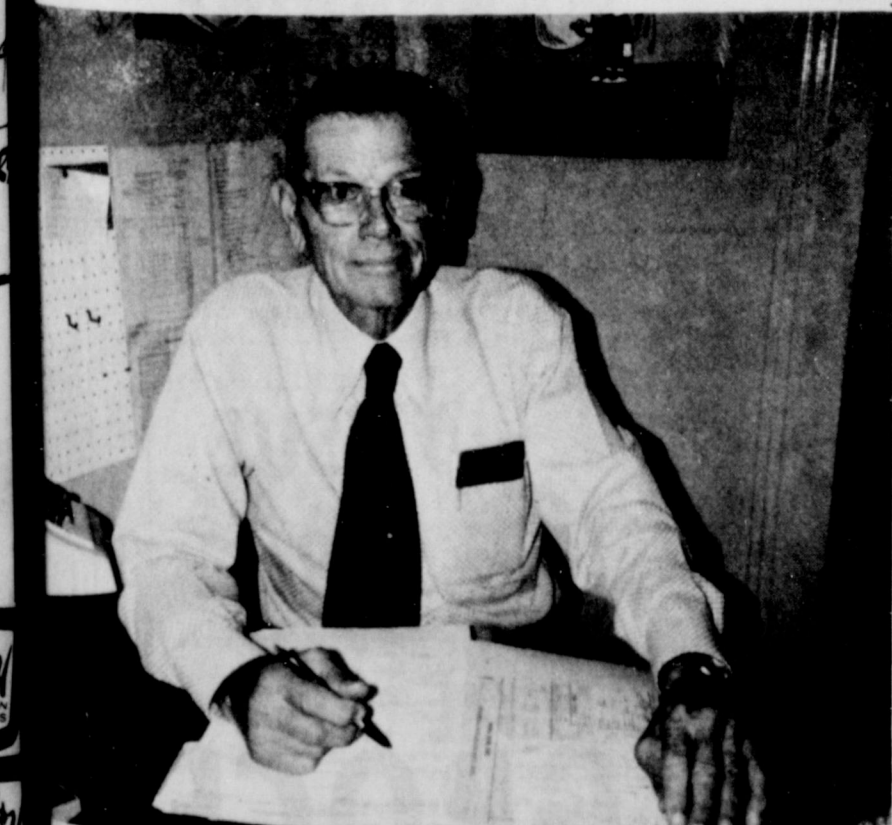

General contractors are Tusha Buildings, Inc., of Lubbock.

## Immunization Clinic Will Be Friday

The Texas Department of Health Resources will hold an Immunization Clinic at the Public Health Region 2 Office, 1640 South First Street in Tahoka on Friday, August 6, from 9 a.m. until 4 p.m.

Mrs. Bebe Boren, R.N., Public Health Nurse, will conduct the clinic and she asks that all persons receiving immunizations please bring any records they have concerning immunizations received in the past.

These immunizations will be made available to all ages without charge.

MABEL MCGINTY "closed shop" in his farming operation and "opened shop" as a volunteer in the office of the Lynn County unit of Texas Department of Health Resources.

## New Home News

By Florence Davies

Rev. and Mrs. Mike Stafford of Lakeview are the parents of Julie Michelle, born at 3:05 p.m. Sunday, July 25th, in Littlefield Hospital and Clinic. Julie Michelle weighed three pounds, fourteen ounces and remains in the hospital; her mother is

staying with the Stafford family in Littlefield.

Julie has one big brother, two-year-old Kent. Grandparents are Mr. and Mrs. J. P. Brantley, Amherst; and Dr. and Mrs. D. J. Stafford, Littlefield. Mr. and Mrs. J. B. Morris of Texas City and Mr. and Mrs. C. D. Stafford of Littlefield are great-grandparents and Mrs. W. L. Taylor of Waco is a great-great-grandmother. The father is pastor of the Lakeview Baptist Church.

+++  
Amanda Claire is the new daughter of Capt. and Mrs. John L. Edwards, born Thursday, July 22, in the Letterman Medical Center in Presidio, California. She weighed seven pounds, fifteen and one-half ounces. John and Marlene have two boys, five-year-old Scott and two-year-old Christopher.

Grandparents are Mr. and Mrs. J. B. Edwards, New Home; and Mrs. J. J. (Alice) David of Seattle, Washington. Mrs. Bessie Strain of New Home is a great-grandmother.

+++  
Mrs. Carlton (Joyce) Davies of Lubbock was the honoree at a luncheon in the Gold Room at Hemphill Wells Monday. Her teacher friends in the New Home school where she taught five years hosted the luncheon.

Joyce resigned at New Home to teach special reading in the Sanders School in Lubbock.

+++  
Mr. and Mrs. Wendell Morrow and Brad visited in Freeport last week with her

sister, Mrs. Gerry Smith and family. Vickie and the children returned here with them to visit her mother, Mrs. Jean Ewing. Mrs. Lynda Lindsey and children of Lubbock who were going to Houston to visit drove the Smiths to their home in Freeport Friday.

+++  
Mr. and Mrs. Don Sharp, New Home, and Mr. and Mrs. Cecil Fowler of Buffalo Springs vacationed in New Mexico and Arizona last week. Some of the most interesting places they saw were the Painted Desert, Grand Canyon, and the Petrified Forest.

+++  
Mr. and Mrs. W. G. Kirby and Mr. and Mrs. Lloyd Benner and David visited with Mr. and Mrs. Weldon McClintock last Wednesday. Their home is in Greenville, South Carolina and they had been on a week's vacation to Wyoming, the Dakotas and Colorado. They visited the Bill Kirby family in Colleyville before returning home Sunday.

+++  
Mr. and Mrs. Bill Ernst of Akron, Ohio visited here a couple of days last week with his brother, B. L. Ernst and family.

+++  
Amy Grimes attended the Ceta Canyon Methodist Camp at Happy Monday through Friday.

+++  
Mary Ellen James left Wednesday for her home in Colorado Springs after visiting her sons, Gayland James and family, and Wayland Lee and other

relatives and friends.

Mary Ellen is branch manager for Sarah Coventry Jewelry Company and was to leave Colorado by plane Monday, August 2nd for a week's trip to San Antonio to the zone seminar in the Alamo Hotel. The trip was an award for being one of the top one hundred branch managers out of seven states, in sales.

+++  
Sharon Ernst was at Camp Chrysalis at Kerrville Sunday, July 11 through 16. The camp is sponsored by the Lutheran Association of Camping.

+++  
The names of Mr. and Mrs. Newton Snodgrass and Chris Oliver of Wink were inadvertently left out of the list of relatives attending the Inman Family Reunion in Crosbyton last Sunday.

Elmer Schoppa and Sandy; Betty and Richard Holder and Scott returned home last Tuesday from a week's vacation at Lake Murray near Ardmore, Oklahoma during which time they also visited the zoo in Oklahoma City.

They enjoyed fishing and swimming and visiting Richard's relatives in that area. His grandmother, Mrs. Everett, returned with them to Levelland for a visit with her daughter and family.

+++  
Mr. and Mrs. Mike Buck of Pampa visited here last weekend with her parents, Mr. and Mrs. Jack Clements.

+++  
John Cole, student in the New Mexico Technical School of Mining and Engineering, arrived here Sunday to visit his parents,

Rev. and Mrs. Leo Cole, and sisters, Lori and Donna.

+++  
Mr. and Mrs. Joe D. Unfred and Vicki were in San Francisco, California July 25th through 25th attending the 41st Armored Association annual reunion. Eight hundred and seventy-six attended from all parts of the United States.

Joe D. returned home Sunday, the 25th, to watch the cotton grow. Betty Vicki continued on Association tour of the area for an additional day returning Sunday August 1st.

THURSDAY, AUGUST 1st  
Fourteen-month-old la Rudd, daughter of and Mrs. Marlow Rudd, in Methodist Hospital Monday until Saturday last week for treatment virus.

## Sherry Etheredge Says . . .

Tired of hot, messy kitchens these steamy summer days? Try cooking outdoors—a popular way of doing it in Texas.

An outdoor meal is an easy way to entertain with minimum preparation and cleanup. Also, many charcoal grills require no electricity or gas so they're a real energy saver on the monthly utility bill.

An entire meal may be prepared for cooking outside. Meals with adequate nutrition by including foods from the Basic Four Food groups.

Meal service should be simple and easy, such as finger food style. It's easy to serve for small or large groups, and plastic utensils, cups, paper dishes and linens make easy cleanup.

Assemble as much of the meal as possible indoors as possible. Cold and perishable foods should be refrigerated until they are ready to eat or cook.

Foods prepared in advance and left outside can be infested with organisms which multiply quickly and do not affect food taste, smell, or appearance. Food-borne disease is possible when food is handled too much, improperly cooked, or left exposed for several hours outside.

For more information and recipes for outdoor cooking, send 25 cents and your request for B-1069, "Outdoor Cooking" to the Department of Agricultural Communications, College Station, Texas 77843, or get a self-mailer from your local county Extension agent.

Here are a few recipes from this publication:

**Texas Barbecue Sauce**  
 ¼ cup sugar  
 ¼ cup Worcestershire sauce  
 2 tablespoons prepared mustard  
 1½ cups vinegar  
 1 cup catsup or tomato paste

2 teaspoons salt  
 2 teaspoons paprika  
 ¼ teaspoon pepper  
 2 cloves garlic, peeled and minced  
 2 medium onions, chopped finely  
 Combine ingredients and cook slowly for 30 minutes. Yield: 3 cups.

**Tomatoes and Onions**  
 Cut medium-sized, firm tomatoes in half crosswise; season with salt and pepper. Place a thin slice of onion between the halves. Fasten with a toothpick, and wrap each tomato in a square of heavy aluminum foil. Bake at edge of grill 15 to 20 minutes.

**Garlic Bread**  
 1 loaf unsliced French bread, 10-12 inches long  
 ¼ teaspoon garlic powder  
 ½ cup margarine or butter, melted  
 1 teaspoon paprika  
 Slice bread in one-inch thick slices, cutting to within one-fourth inch from the bottom of the loaf. Add garlic powder and paprika to margarine or butter and blend well. Spread between slices and over top of bread. Wrap in foil and heat on back of grill.

**Roasted Corn—Indian Style**  
 Pull back husks and remove silks. Replace husks and tie ends with string. Soak in cold water to prevent excessive browning. Place ears on grill; roast 15 to 20 minutes, turning frequently until husks are dry and browned.

### INTRODUCING

Mr. and Mrs. Jimmy Fillingim of San Angelo are the parents of a daughter, Jacey Leigh, born July 14 in San Angelo. She weighed six pounds, nine ounces and has a brother, Jerry, who is two years old.

Jacey Leigh's grandparents are Don and Inez Smith and Mr. and Mrs. A. C. Fillingim, Jr.; Mr. and Mrs. Wayman Smith and Mr. and Mrs. A. C. Fillingim, Sr., all of New Home, are great-grandparents. Mr. and Mrs. Marvin Gary of Snyder are also great-grandparents.

### 4-H Record Book Winners Announced

Forty-one 4-H record books were named the best in their division in district level competition as a result of record book judging Friday, July 30, in Lubbock. The winning books will be forwarded to Texas A & M University for state judging.

"Record book competition is the critical measurement of achievements of these youths over the years," says Catherine B. Crawford, district agent for the Texas Agricultural Extension Service who coordinated the event. Records reveal their consistency in achieving goals, their experience in 4-H projects and activities, their experiences in leadership development, and their growth and development in personal, community, and civic responsibilities.

Charmi Wood from Lynn County was named the winner in District 2 record book judging in the Clothing Division.

## OBITUARY

### Pablo Zamora

Funeral services for Pablo S. Zamora, 69, of Tahoka were at 2 p.m. Monday, August 2, at St. Jude's Catholic Church with the Rev. Pat Hoffman officiating.

Burial was in Tahoka

Cemetery under the direction of White Funeral Home.

Zamora died Saturday night in Lynn County Hospital after a lengthy illness.

He was born in Rockdale and moved to Lynn County in 1940. He was a farmer and a member of St. Jude's Catholic Church.

Zamora married Paula Coronado in 1974 in Tahoka.

Survivors include his wife; four daughters, Mrs. Mary Trevino of Lubbock; Mrs. Janie Perez of Post; Mrs. Manuela Salinas of Comfort; and Mrs. Mercedes Tejada of Tahoka; two sons, Manuel of Tahoka; and Jessie of Tahoka; seventeen grandchildren; and three nephews, Mercario, Bonnie, and Jesse Alverado, all of Tahoka.

## Some people buy the NEW CHEVY LUV PICKUP just for the fun in it

... and for the performance, economy and comfort they get out of it

As for performance and economy, LUV with its spunky and responsive new 4-cylinder in-line engine, in combination with the standard manual 4-speed transmission and the 4.10 rear axle, got 33 mpg in the EPA highway test and 23 mpg in the city test. Remember, these ratings are estimates—the actual mileage you get will vary depending on the type of driving you do, your driving habits, your truck's condition, and available equipment. As for comfort, LUV's full-foam cushioned seats, torsion bar independent front suspension, two-stage leaf rear springs, and wide belted tires work in concert to smooth out the road and soak up the jolts. LUV's ride is something else! Come in and let us show you what we mean.

MRS. JACK ROBBETT  
...nee Judith Gattis

### Judith Gattis And Jack Robnett Say Wedding Vows

Friends and relatives gathered at the First United Methodist Church of Tahoka on July 31 to witness the exchanging of vows between Judith Sue Gattis and Jack Robert Robnett.

The 7:30 p.m. ceremony was officiated by Reverend Frank Oglesby of Tahoka before an altar accented with coral flowers and greenery.

An arrangement of coral gladioli was centered on the communion table with a single candle tree directly behind. On each side was a spiral candelabra intertwined with ivy and greenery. An eternal candle was placed at the altar and lighted jointly by the couple during the ceremony.

Family pews were distinguished with a sprinkling of lily of the valley and bows of off-white and coral ribbon.

Parents of the couple are Mr. and Mrs. Eldon Gattis of Tahoka and Myrtle Robnett of Lubbock.

Given in marriage by her father, the bride was presented wearing a dress designed for her by Priscilla of Gaston. Her gown of moonlight silk organza was of an Italian Baroque design with enrichments of Alencon lace and pearl bead work. The moulded bodice featured a sculptured yoke of Baroque scrolls and garlands of French imported Alencon lace flowerlets and bead work. A sheer yoke of imported silk English net was filled and edged with Alencon lace.

The high wedding band neckline was encircled in Alencon lace flowerlets with pearl centers. The scrolls surrounding the yoke were of Point-d'espirit lace. The entire bodice was an overlay of English net over the silk Peau-dange with Point-d'espirit accents. Full topped leg of mutton sleeves tapered to her wrist. English net formed the sleeves with applied Alencon lace flowerlet accents.

From the crescent waistline fell the bouffant A-line skirt of three circular tiers that drifted to the floor. Gentle fullness gathered to the back formed the Chapel train. The front panel of the skirt was accented with repeats of the Baroque scrolls of Alencon, Point-d'espirit, and Pearl bead work forming lovers hearts.

The bride wore an Alencon lace-covered capulet from which drifted her full Cathedral length mantilla completely encircled in matching Alencon lace flowerlets, scrolls, and garlands that swept beyond the train of her gown.

The bride wore the traditional blue garter for something blue. Something new was her gown and from

her grandmothers she wore a ruby ring and a gold locket. A sixpence was placed in her shoe.

She carried a cascading bouquet of off-white baby roses and baby's breath which surrounded a removable Cymbian orchid for her going-away attire.

Honor attendant was Jan Plemmons, sister of the bride. Bridesmaids were Sharon Sprague of Houston; Linda Parks of Lubbock; and Marsha Gattis of Frederick, Oklahoma.

The attendants were gowned in Baroque Court gowns of Bittersweet and Ivory printed voile. The gowns featured deep V-necklines edged in ivory Cluny lace. Full Pagado sleeves drifted to their wrists and were edged in ivory lace. The crescent waistline was caught with a full sash at the back. Graceful gathered skirts drifted gently to the floor.

The attendants carried Cluny lace covered fans with coral silk roses and taupe maiden hair fern. At the base of the fan, candlelight bows and streamers cascaded. Tiny sprigs of baby's breath were worn in their hair.

Lainie Plemmons, niece of the bride, served as flower girl. She was gowned in a moonlight court dress featuring a deep yoke, puff sleeves, and a gathered skirt with two tiers of ruffling, each edged in ivory Cluny lace. Bittersweet bows accented the bodice between rows of lace. Her long sash was tied in a bow at the back.

She carried a small basket enhanced by three rows of Cluny lace and coral flowerlets and bows. The basket was filled with coral rose petals which she sprinkled along the path.

John Harris of Lubbock served as best man. Groomsmen included John Olive, Skip Burroughs, and Steve Gattis, all of Lubbock.

The groom and his attendants wore candlelight tux trimmed with dark brown velvet and matching brown vests over candlelight ruffled shirts.

Prior to the ceremony, musical selections were provided by Mrs. Margaret Carter. "O Perfect Love" was played while the bride's grandmother, the groom's mother, and the bride's mother were being seated. Mrs. Harold Green sang "With These Hands" at the beginning of the ceremony and "The Wedding Prayer" near the conclusion.

A reception was held following the ceremony in the fellowship hall of the church. Two rectangular tables, joined by a smaller round table were centered along one wall. Each was draped in sheer organza with bridal lace to emphasize the garters at the top of the table.

The bride's table was accented with a four-tiered cake with lace to match the bride's gown and cascades of roses to accent coral and ivory colors. A lime green fruit punch was served in a silver punch bowl.

The groom's table was accented with a two-tiered chocolate cake with chocolate and ivory cascades of roses. Coffee was served from a brass samovar.

A silver candelabra holding three candlelight tapers was decorated with various coral-colored flowers, daisies, baby's breath, and carnations. This arrangement was centered between the bride's table and the groom's table. A candlelight taper encircled by the bridesmaids' fans was at the center of the bride's table and the groom's table.

Members of the house-party included Carolyn Vaughan, Barbara Harris, Linda Jordan, Jessie Mae Westbrook, Hazel Mason, Johnnie Sue Gattis, and Auda Norman.

Guests were registered by Mrs. Fern Leslie of Tahoka.

Following a wedding trip to Colorado Springs and Denver, the couple will reside in Lubbock.

The bride is a graduate of Tahoka High School and Texas Tech University. She is employed as a teacher in the Ropesville Schools.

The groom graduated from Monterey High School in Lubbock and attended Texas Tech. He is employed as the Retail Sales Manager in the Lubbock branch of Goodyear Tire and Rubber Company.

### Youth Rodeo Added To SP Fair

An all-youth rodeo has been added to the Panhandle South Plains Fair slate this year, according to Steve L. Lewis, general manager.

The rodeo, co-sponsored by the fair and the Lubbock County 4-H Clubs, will be held on the final two days of the 59th annual exposition's eight-day run, October 1-2.

Cash prizes will be awarded in all events and 75 percent of entry fees also will be returned. Limited stalls will be available on a first-come, first-serve basis. No reservations will be made.

Entries will be accepted from 8 a.m. September 20 to 5 p.m. September 30. Entry fees must accompany entry blanks. Fees are \$15 each for bareback riding, bull riding, tie-down calf roping, ribbon roping (must be boy-girl team, 14 and under). Fees of \$10 will be assessed for barrel racing (over 14), barrel racing (14 and under), pole bending (over 14) and pole bending (14 and under).

The fair and 4-Hers also are sponsoring contests sanctioned by the National Cutting Horse Association September 29-30.

### T-Bar Golf Invitational Is August 10

The T-Bar Ladies Golf Association invitational partnership one-day tournament will be August 10. Tee-off time will be 10 a.m., shot gun start.

Members may invite an out-of-club member. Prizes will be awarded, but no entry fee will be charged. Also, a free luncheon will be served to all players.

Persons should turn in names and handicaps to Vinita Hamilton at 998-4379 or sign up at the pro shop by August 7.

Coffee and rolls will be served at 9 a.m.

### Pioneer Club Enjoys Supper On July 30

Almost forty persons enjoyed homemade ice cream and cake when the Lynn County Pioneer Club met on Friday night, July 30.

Table games were played and Fred McGinty displayed and demonstrated his rug making.

According to Teddie Kelley, details are being worked out for the club to be open more days in the future.

Next regular meeting will be this Friday, August 6, for a covered-dish luncheon.

Out-of-town guests at Friday night's get-together included Mrs. Golda Warren and Mrs. Jessie Russ, both of O'Donnell.

TO WHOM IT MAY CONCERN: Notice is hereby given that Bert A. Bryant, d/a/a Bryant Seed & Delinting Co., heretofore conducting a business as a sole proprietorship, has ceased to continue such business as a sole proprietorship and hereby gives notice that such business was transferred to a corporation on July 15, 1976, under the name of Bryant Seed & Delinting, Inc.

BRYANT SEED & DELINTING, INC.

By: Bert A. Bryant, President, 5204 50th Street, Lubbock, Texas

To The Citizens of Tahoka:

First, let me begin by saying how pleased I am to be new city administrator. I am following a man who has done a tremendous job for the past nineteen years. I know I can do a good job as he has done as long as I have the support of everyone in Tahoka.

Pride is an asset and I know that Tahoka is a town of people; this became very evident through the tremendous effort everyone put forth to make the Bicentennial celebration a great success.

I would like to take this opportunity to thank everyone for his participation in the city-wide cleanup drive. We will make this a daily routine and strive to make our city an example for other cities. When people pass through our city, we want them to remember us with pleasant thoughts, not just as another small West Texas city.

If you, as a citizen of Tahoka, have an idea, please present it to me. Tahoka is lucky to have very active civic leaders. My office will always be open to you. If you have any questions, or would just like to come by, please feel free to do so. I may not always have the solutions to problems, I may not promise you anything, and I may not give you the answer you would like to hear, but I will do my best to do the things that will best benefit the City of Tahoka.

Again, let me express my humility and gratitude to you, your city administrator and most of all, my pride in being a citizen of Tahoka.

Sincerely,

*Ray Mason*

### WHEN YOU BUY OR BUILD A NEW HOME LOOK FOR THIS SIGN

It has been known for some time that methods existed to insure the building of ENERGY EFFICIENT HOMES. But inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY EFFICIENT HOME has construction features which result in savings of 40% or more on heating and cooling costs when compared to previously accepted standards for total electric construction.

And Save Over 40% On Heating & Cooling Costs

## BILL GRIFFIN SAYS.....

### Swine Production Short Course Slated For Lamesa, Lubbock, Plainview

Plain hog talk will be the thrust of three area swine production short courses slated for Lamesa, Lubbock, and Plainview on August 10, 11, and 12 which will focus on problems associated with swine production.

The same program will be presented for each of the three clinics. The Lamesa clinic will be an evening event and the programs for Lubbock and Plainview will be held during the afternoon.

Tuesday, August 10, short course will be at Dawson County Com-

munity Building at the fairgrounds in Lamesa, beginning at 7:30 p.m. The next day, August 11, the event takes place at the South Plains Electric Co-op, 110 North Amarillo Road in Lubbock, beginning at 1:15 p.m. And on Thursday, August 12, the Hale County Agricultural Center in Plainview at U.S. Highway 87 and Business Bypass will host the program, again at 1:15 p.m.

Subjects to be discussed include reducing disease losses other than by death, the current status of pseudorabies, and rat and bird control in swine operations.

Program speakers are Dr.

Gilbert R. Hollis, area swine specialist with the Texas Agricultural Extension Service, W. B. Thomas, Extension Service swine specialist from College Station and Lloyd K. Cheatham, district field supervisor for the Bureau of Sport Fisheries and Wildlife, Extension Service and Rodent and Predatory Control Service, Amarillo.

We hope swine producers will be prepared to ask any questions of concern to them about their own operations or about the general swine production situation.

All area swine producers are invited to any one of the clinics. Such events offer an opportunity for people involved or who may be interested in the swine business to express concerns and problems about swine operations.

The swine short courses are sponsored by the South Plains Development Program area and the Texas Agricultural Extension Service, Texas A & M University. The South Plains Development Program is a voluntary organization of citizens interested in the social and economic improvement of the South Plains.

### Renfros Move To Lamesa

Mr. and Mrs. Stanley Renfro, Sandi and Travis, have recently moved to Lamesa and reside at 110 N.E. 24th Street.

Renfro, a Farm Bureau career agent, has been transferred to the Dawson County office.

### Bridge Winners

Winners at T-Bar Duplicate Bridge last week were Mrs. Coye Collier and Mrs. Lillian McCord, first; Mrs. Donna Gardner and Mrs. Polly Edwards, second; tying for third and fourth places were Mrs. Lottie Jo Walker and Audie Norman, and Mrs. Bobbie Barham and Mrs. Jacquie Chessir of Brownfield.

CONNIE GICKLHORN & LONNIE PAUL DONALD

### Miss Gicklhorn-Mr. Donald Wedding Plans Announced

Mr. and Mrs. Carl Gicklhorn of Wilson announce the engagement and approaching marriage of their daughter, Connie Dale, to Lonnie Paul Donald, son of Mr. and Mrs. Lester Donald of Abilene.

The bride-elect is a 1974 graduate of Wilson High School and is currently employed by the State

Department of Public Welfare in Lubbock.

Donald, a 1967 graduate of Abilene Cooper High School, is also a graduate of Tarleton State University. He is employed by the Farmers Home Administration in Tahoka.

The couple will exchange vows October 23 in St. Paul Lutheran Church at Wilson.

### Patterson and Jaquess Teach In Fire School

E. W. (Pat) Patterson and Jack Jaquess were instructors, Patterson for the tenth year and Jaquess for the fifth year, in the Texas A & M 47th Annual Texas Firemen's training School on the A & M campus July 25-30.

More than two thousand firemen from all of the fifty states attended the school.

According to Chief Henry D. Smith, Division Head of the Fire Protection Training

Division of the Texas Engineering Extension Service, it is almost impossible to apply a dollar and cent figure on the cost of operation for the school and that it would be a financial impossibility to attempt this training without the support of the municipalities, manufacturers, and state and federal agencies.

Most of the courses are approved for Key Rate Credit for representatives from Texas Fire Departments, by the State Board of Insurance Commissioners. An even greater savings to a community than the key rate credit is in the reduction of loss of life and property by fire through the use of more efficient fire prevention measures and fire attack methods that are emphasized and taught during the school.

### McMillan Attends Fire School

Jimmy McMillan, volunteer fireman on the Tahoka Volunteer Fire Department attended the 47th Annual Texas Firemen's Training School July 26-30 on the Texas A & M University campus. The school was attended by nearly 1,550 students and represented about six hundred cities from approximately thirty states.

Firemen chose their course at the school from a list including Firefighting, Fire Prevention, Fire Department Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection, and Disaster Rescue Training.

Fireman McMillan was sponsored by Lynn County Farm Bureau and Texas Farm Bureau Insurance Companies by contributing toward the cost of the school.

"The Farm Bureau Insurance Companies believe volunteer fire departments have been very effective in reducing the amount of loss involved by fire in rural areas," said President Carrol G. Chaloupka of Dalhart. "It is our hope in sponsoring this program that the firemen will help the Tahoka Volunteer Department to better serve the residents of Lynn County."

### Mrs. Swann Honors Clifford Laws

Mrs. Pat Swann of Tahoka was hostess for a farewell dinner honoring AFC Clifford Laws who has been home on a month's furlough.

Laws left August 3 for KF Sawyer, Michigan where he will be stationed.

According to Mrs. Swann, fourteen people enjoyed the get-together honoring AFC Laws, who is her grandson and the son of Mr. and Mrs. Dean Laws of Grassland.

### Mrs. Inez Smith Represents Lynn County Teachers At National Convention

Inez Smith of New Home was the Lynn County delegate attending the National Education Association Convention held in Miami Beach, Florida the latter part of June and early July.

Texas had 673 delegates, the largest delegation attending. Delegates approved a record NEA budget and adopted six amendments to the NEA constitution and bylaws.

Mrs. Smith, president of the Lynn County Local Unit of the Texas State Teachers Association, was in Austin in July for the 1976 local association presidents conference. With her at the meeting were the presidents of most of the twenty TSTA districts and some 500 local associations throughout the state.

The group directed its attention to the organization, activities, and objectives of their local teacher association for the coming year.

Tentative plans were drawn for local 1976-77 membership campaigns tied in with the statewide goal of 155,000 TSTA members.

The Lynn County Unit will be trying to surpass the 113 members which it had last year, Mrs. Smith says. A key figure in the membership drive will be Shirley Kimbrough of O'Donnell, assisted by Carol Downey, Tahoka; LaVerne Lewis, New Home; Gloria Price, Wilson.

Other officers of the local association serving with Mrs. Smith in 1976-77 are Joe Downey, Tahoka, president-elect; Jane Graham, Wilson, immediate past president; Debbie Gilliam, New Home, secretary; and Viola Coplen, O'Donnell, treasurer.

In addition to the all-out membership drive, Mrs. Smith said that another objective of the Lynn County Local Unit will be to work actively in support of the TSTA legislative program in the 1977 legislative session and to help maintain a

quality public education program at all levels. The association's theme for 1976-77 is "TSTA...Education's Strength for the Future".

**Five County 4-Hers Vie In State Show**

Five Lynn County 4-H Horse Club members were entered in the State 4-H Horse Show held at Amarillo on July 21-24.

Joel Carter, Dahlen Hancock, Tommy Guin, John Dudley Edwards, and Russell Barnett competed in the breakaway roping and the judged roping classes which were invitational events. There were 125 entries in the breakaway roping and 92 entries in the judged roping, both events held on Wednesday, the 21st.

Dahlen Hancock and Tommy Guin qualified in the top fifteen for the finals in the breakaway roping and Tommy Guin qualified in the top fifteen for the finals in the judged roping.

In the finals, the fifteen qualifiers in each event roped again with their times and/or scores being totaled to determine placings. Tommy Guin placed eighth in the breakaway roping and eighth in the judged roping. Lynn County won a plaque for being the third high-point county overall in the invitational events.

Invitational events included judged roping, breakaway roping, cutting, precision riding, drill teams and three classes of English riding and jumping, and consisted of approximately three hundred entries. District II, of which Lynn County is a part, won a plaque for being third high-point district in the invitational events.

Joel Carter and Tommy Guin were also qualified to participate in the regular State 4-H Horse Show events, which ran from July 22-24. Events included showing at halter, showmanship, western pleasure, western horsemanship, reining, barrel racing, and pole bending. These events

consisted of approximately 286 entries. Tommy won a second place in the grade geldings halter class.

It was felt that these five boys made an extremely good showing for Lynn County in competing with over five hundred other 4-H Horse Club members from over the state.

TOMMY GUIN with rosettes he won in breakaway and judged ropings at the State 4-H Horse Show in Amarillo.

TOMMY GUIN AND JOEL CARTER with plaque won by Lynn County for being third high-point county in invitational events at the State 4-H Horse Show at Amarillo.

**WORSHIP OF THE LORD'S CHURCH (2)**

**THE LORD'S SUPPER**

The Lord's supper was instituted by Christ (Matt. 26:26-30; Mk. 14:20) during the time of the Passover feast. At this time Jesus stated "But I say unto you, I shall not drink henceforth of this fruit of the vine until that day when I drink it NEW with you in my Father's kingdom" (Matt. 26:29).

"New" is a key word in the above passage. The Lord's supper, according to Christ, would be in a new kingdom under a new covenant following the fulfillment of the Old Testament law. (Matt. 26:28; Heb. 9:15-18; 10:9, 19, 20). It would commemorate Christ's victory over sin by His death (1 Cor. 11:26). The Lord's supper would be observed on a new day, the Lord's day, under the new covenant. This new day is the first day of the week which we normally call Sunday (Acts 20:7).

For what purpose did Christ institute the Lord's supper? First, it is a memorial of Him who died for us (1 Cor. 11:25). Second, it is a proclamation of the death of Christ until He returns (1 Cor. 11:26). Thirdly, the Lord's supper is a time for self-examination (1 Cor. 11:28-32). Individual Christians are to examine themselves and not proclaim a faith in Christ which their deeds deny. The Lord's supper is a communion or fellowship which expresses the fact that Christians share "a Christ" and with Christ the benefits of His death, burial, and resurrection (1 Cor. 10:15-21). The reason for self-examination is that whoever eats "in an unworthy manner" will eat and drink condemnation to himself (1 Cor. 11:29).

Many accept without question the Catholic doctrine of "transubstantiation"; that when blessed, the elements of the Lord's supper are miraculously changed into the actual body and blood of Christ. Many Protestants accept a modified form of the idea.

While still in the flesh of mortals, Jesus took the bread, gave thanks, and said, "This is my body which is for you" (1 Cor. 11:24). He did similarly with the cup. Was He offering them a piece of His mortal flesh, a drink of His blood? Of course not. Christ also said "I shall not again drink of the fruit of the vine until the kingdom has come." Why fruit of the vine, instead of blood? Because that is what it was. Why did Paul say "The bread which we break, is it not a communion of the body of Christ?" Because that's what it was, bread, a representation of Christ's body. Jesus often used figurative language. He said "I am the vine", "I am the door". He did not mean it literally. He is like a door, one must go through Him to the Father. We often use figurative for literal in everyday language. Of a picture we say, "This is my child". No one takes it literally. It is a representation and reminder.

Call 998-4496

Leaving on Saturday morning, Mrs. Inez Jenkins and Mrs. Imogene Gregston visited a niece's family in Memphis, a school chum in Nashville, and Mrs. Jenkins' daughter and family in Birmingham. They returned on Wednesday.

After a two-month visit with her daughter in Nebraska, Mrs. Myrtle Lovelady is home at Golden Manor Apartments. She previously lived in Nebraska.

Mrs. Verna Hayes was hostess to eight members of the 88 Club on Thursday night.

the 88 Club on Thursday night.

Rev. and Mrs. Jimmy Turner and Mr. and Mrs. Edward Bartley have returned from a ten-day vacation trip to Yellowstone National Park and other nearby points of interest.

Mr. and Mrs. Charlie Lichey returned late Sunday afternoon from several days visiting in Corpus Christi with their daughter, Mary Ann Bogus and family. While there they attended one of Mary Ann's concerts given at a local church.

They also visited with George Dulin of Robstown and recalled many happy days when they were neighbors at Wilson. George is a brother of Jimmy Dulin of Tahoka.

Mrs. Lichey's sister, Gladys Holden of Lamesa, made the trip with them.

About sixty persons were in attendance on Monday night when Mrs. Zora Peddycord of Humble, Assembly President of the Grand Lodge of Texas, made her official visit to District #18 with Lamesa Rebekah Lodge as the host Lodge.

The district is composed of two lodges in Lamesa, Lodge #56 in Brownfield, and Tahoka #209. The meeting began with a banquet at 6:30 at Allen's Galley Restaurant in Lamesa and continued with a closed meeting later in the Lodge hall.

Visitors were present from Denver City, Levelland, and the other Lodges in the district. The president was presented a money tree and a corsage.

Attending the meeting from Tahoka were Leona Waldrip, Zella Taylor, Lou

A Weekly Report Of Agri-Business News

Compiled From Sources Of The TEXAS DEPARTMENT OF AGRICULTURE  
John C. White, Commissioner

**Proof Positive... Exactly The Same... Getting Closer.**

The Texas Crop and Livestock Reporting Service has figures to prove what every lamb producer has known all along: the lamb crop and wool production continues to decline.

The Texas lamb crop for 1976 is estimated at 1.4 million head. This is 18 per cent below a year ago. The Jan. 1 number of breeding ewes in the state is reported to be one per cent below the previous year.

Lambing percentage is also below year ago levels. The lambing percentage for this year is set at 74 per cent; last year it was 88 per cent.

Wool production in the state for this season is estimated at 20,100,000 pounds, grease basis. This is down 15 per cent from a year ago.

Nationwide, the same trends are apparent. The lamb crop is 10 per cent below a year ago. Wool production is estimated at 108.4 million pounds, grease basis; this is 10 per cent below the 1975 production.

**CATTLE FEEDERS IN THE STATE** had the same number of cattle and calves on feed on July 1 as on June 1. The total is 1,570,000; this is 24 per cent higher than a year ago.

Cattle and calves placed in Texas feedlots during the April to June 30 quarter were six per cent above the same time period a year ago.

Feedlot operators report intentions to market 950,000 fed cattle now through September. This would be an increase of 29 per cent from marketings during the same period in 1975.

Nationwide, cattle and calves on feed are up 18 per cent from a year ago, but are down two per cent from June 1.

**AUG. 16 IS NOT FAR AWAY**, and that date is the deadline for the Texas Family Land Heritage Program this year. The Program honors those families in the state who have continuously owned and operated the same farm or ranch through their descendants for 100 years or more.

This is the third year of the Program. Thus far, about 950 Texas families have been recognized in achieving this record.

The Program is sponsored by the Texas Department of Agriculture.

**WHILE HARVEST** of one of Texas' major crops--wheat--is complete, farmers are busy harvesting cotton and grain sorghum as well as rice and some corn.

Rainfall in the Coastal Bend area and southern sections has severely damaged what would have been an excellent grain sorghum crop.

**SCREWORM OFFICIALS AT MISSION** are again urging livestock producers to treat wounds on livestock with approved "screwworm control remedies" as well as delaying surgery on livestock.

Five states are now threatened with outbreaks of the pest. Officials also ask that livestock producers continue to submit suspected screwworm samples to the fly lab at Mission.

# auto loans

Things have a way of mushrooming. Like families for instance. And, as your family grows, so do the demands. Shopping, laundry, nurseries. But the only problem is, your husband has the car and he's at work all day. So what do you do short of crying? Come see us, that's what. We understand the needs of growing families and getting around. And a lot of times a second car is a real problem saver. It gives you the time to take care of the necessities so you'll have more time to have fun with your family. We've been helping people positively for years. We can help you too. Come see us.

### ENERGY SENSE TIPS

Is your house adequately insulated? If not, this is a good time of year to make improvements. You'll save energy and the money it costs, summer and winter—for years to come. Proper insulation can increase cooling and heating efficiency by as much as 20 to 30 percent.

When you're buying gasoline for the car, don't let the station attendant "top off" your tank. If he does, it could overflow—and the gasoline you lose is pure waste.

You can save about one-third of the energy and operating costs of your dishwasher simply by turning it off after the final rinse. Your dishes will air dry quickly if you prop the door open a little.

If you're in the market for an air conditioner, it's wise to check the EER numbers of the models you're considering. These are the energy efficiency ratings approved by the Federal Government which appear on labels or tags on many of the machines. The higher the EER the more energy-efficient the machine is, and the lower its operating costs. This can add up to considerable savings over a period of years.

A small leak in a water faucet can waste as much as 60 gallons of water in a week. And if the leak is in the hot water faucet, it also wastes the energy and cost of heating the water. Repair all leaking faucets, especially hot water faucets, as quickly as possible.

"The sole objective of the High Plains Boll Weevil Control Program is to prevent the infestation of previously weevil-free cotton fields throughout the High Plains, New Mexico and farther West."

So stated Ed Dean, Field Service Director for Plains Cotton Growers, Inc., in Lubbock recently at a meeting of the organization's Board of Directors. "The program is financed by producers in our original 23 counties, with matching funds from the Federal Government," he added, "and the funds cannot be spent for anything not essential to that objective."

This same message is going to farmers in the program's "control zone" in counties along and below the Caprock which rims the Plains on the East.

The subject has drawn increased interest in recent weeks as weevil numbers and the attendant threat to 1976 crops intensifies in the infested area.

"The weevil control program since 1963 has prevented westward encroachment of the weevil, as was intended from the beginning," Dean states, "and as a bonus it has also prevented severe damage to control zone crops for about a dozen years."

But the value of this "bonus," officials say, for some control-zone farmers will be considerably less this year. Weevil populations in the area just East of the program's control zone have been building for the last two years, and migration of the pest into the controlled area has increased proportionately. Also, the mild 1975-76 winter promoted a survival rate from 15 to 20 times as great as normal.

Consequently a great many more weevils are coming out of hibernation into weevil-favoring weather this Spring. While this is true both inside and outside the control zone, surveys indicate populations up to 40 times greater in the area just East of the control zone where cotton went untreated last Fall.

"This is going to create an early buildup of populations through both reproduction and in-migration," according to program entomologists. And Dean says there is little doubt now that many fields in the heavily infested area will suffer unless individual producers spray for weevils long before treatment begins this Fall under the control program.

Aerial applications of Malathion under the organized control program do not begin until last August or early September each year. Periodic sprays continue through the Fall and early Winter until the weevil's food supply is destroyed by frost or chemicals, killing a high percentage of those weevils that otherwise would go into hibernation.

This procedure has effectively kept weevils out of the vast cotton acreage above the Caprock, Dean reports. And, he told his Board, "We have every reason to believe the program will again be effective in 1976."

# Texas Taxes

By BOB BULLOCK  
State Comptroller

AUSTIN—Beginning August 1st, the Comptroller's Office will have a new easy-to-remember, toll-free taxpayer information and assistance number. It is: 1-800-252-5555. You may call without charge from anywhere in Texas.

Since we instituted the program in January, we have received between 7,000 and 8,000 calls per month—a total of approximately 50,000 inquiries from Texas taxpayers.

We now have six lines instead of two, in order to give taxpayers quicker answers to their state tax questions.

The lines are in operation during regular working hours to handle any and all State tax questions and problems.

The calls come in first to our central switchboard and are then transferred to the appropriate division where specialists in the various taxes can answer your questions.

The Comptroller's Office deals with more than 10,000 taxpayers in connection with the collection of more than two dozen different state taxes. So it is not surprising that several hundred questions a day need to be answered.

Providing those answers is our responsibility and we have an obligation to make those answers available as quickly and cheaply as possible. Doing so saves taxpayers and the Comptroller's office time, money, and trouble.

The foundation of tax collection is voluntary compliance. This is especially true of the sales tax where literally millions of transactions go into making up the billions of dollars we collect and deposit in the State Treasury.

We find that the vast majority of taxpayers want to comply with the tax laws. We want to help them do just that and we feel the toll-free tax information service is a valuable aid.
