I WHOLLY DISAPPROVE OF WHAT YOU SAY, BUT WILL DEFEND TO THE DEATH YOUR RIGHT TO SAY IT ... VOLTAIRE

VOLUME 73 15c EACH ISSUE TAHOKA, LYNN COUNTY, TEXAS 79373 THURSDAY, SEPTEMBER 23, 1976 NUMBER 39

## The Spectator ...

By Mary Brecheen

It ain't the guns nor armament,  
Nor funds that they can pay,  
But the close cooperation,  
That makes them win the day.

It ain't the individual,  
Nor the army as a whole,  
But the everlasting teamwork  
Of every bloomin' soul.

all borrow the poet's words and supply some to make up the difference. Last week, some people, mostly Lions Club members, spent their time and energy to helping the girls' sisters in southeast Tahoka, ladies who are able to cope with a weed problem such as is common in Tahoka lately. These helpful individuals saw the need--and did the no strings attached.

What is off to them--Eddy Holloway, Pat Roberson, Robbie and Dale Roberson, John Edline, Charles and Margaret Kuntz, Richard and Bill Chancy, Gale Hartman, Jack Stice, Roy Stice, Joe Bryan--and anyone whose name I may have omitted. You deserve a commendation for going beyond the call of duty!

Speaking of standing ovations--maybe this is off to the realm of education or could it be reminding--maybe just reminding--whatever category, it matters not.

A performing group deserves approval and society says that it may be a round of applause, so we clap our hands. To make our applause more evident, we rise to our feet--more commonly known as a standing ovation.

Get the point. Booster Clubbers are leaving the untarnished in this business of building a reputation for the Bulldogs and they'd like to see the fans' showing their nod of approval, so to speak, by standing when the team comes onto and leaves the field and when asked by cheerleaders to stand.

Is it not so much for a good cause, is it?

## Wrapup, Countdown Key Words For Festival Planners

Nineteen people met on Monday night of this week to begin the final wrap-up of plans for the County Harvest Festival on October 9th.

Various committee chairmen made reports and/or recommendations to overall chairman, Mrs. Nadine Dunlap.

Thus far, merchants throughout the county have

donated, for the hourly drawings, an electric welder, more than \$300 cash, a yardlight, garbage disposal, a \$50 gift certificate, dog food, pressure cooker, a \$50 savings bond, and others. Instructions, rules, and restrictions pertaining to the drawings appear elsewhere in **The News**.

Entry blanks for the dog contest, under the supervision of Mrs. Pam Womack; the bike relays for both men and women, supervised by Mrs. Roy Stice and Mrs. Dan Lockaby; the food and exhibit booths, under Miss Sherry Tilley's oversight; and the County Fair, supervised by Mrs. Mike Reid, are also to be found elsewhere in this issue of **The News**. Rules and instructions for each event will be on the entry blanks, as well as an address and/or

telephone number of the person in charge.

Mrs. Jim Wells reported that Channel 28 television will interview Mrs. Dunlap on the TFO Show at 11:45 a.m. on October 7, thus giving area-wide coverage to the Festival.

Tickets for the noon barbecue, catered by the Pit from 11:30 a.m. to 1 p.m., are now on sale for \$3.00 each and may be purchased from any Festival Committee member, at The Pit, Togs and Curls, The Fabric Place, Parker Pharmacy, Tahoka Drug, and from members of the Wilson's Lions Club.

Committee persons, as well as the above-named firms, also have for sale the one-dollar tickets for the CB radio drawing, to be held on Saturday morning, the 9th.

Amateur entertainment groups are invited to participate in the day-long activities by calling Mrs. Dunlap for a performance schedule. Already committed for performances are the yearbook staff of Tahoka High and Miss Tawn Dulin of New Home with her pantomime act.

Persons attending the Monday night planning session were: Mrs. Dunlap, Miss Tilley, Curtis Stewart, Gary White, Wynne Brookshire, Andra Draper, Perry Dunlap, Mrs. Wells, Mrs. Maxine Paris, Mrs. Jo Carol Long, Mrs. Womack, Deanya Wood, Teal Corley, Mrs. Stice, Gerald Moore, Rudy Johnston, Jim Solomon, Jay Dee House, and Mrs. Mary Brecheen.

### Season Passes For Varsity Games Only

Persons buying season tickets to football games in Tahoka are reminded that these tickets are good for varsity games only.

During the past two weeks, some ticket holders have entered the gate, shown a season ticket, and continued to the stands. School officials emphasize that these tickets admit holders to varsity home games only.

Also, anyone having a season ticket must of necessity sit in the seat that his ticket entitles him and not in any seat he might choose in the reserved section. Considerable mix-up has come about due to the fact that ticket owners have moved from the location noted on their ticket.

### Eastern Star, Rainbow Girls Will Serve Homecoming Meal

Tahoka's Eastern Star and Rainbow Girls will again serve the Homecoming supper, this year on October 8th, from 5:30 to 7 p.m. in the school cafeteria.

The menu will consist of ham, candied yams, black-eyed peas, tossed green salad, rolls, brownies, tea and coffee. Tickets will be available for \$3.00 for adults and \$1.50 for children under eight.

### Tahoka Garden Club Slates Show During Harvest Festival

A standard flower show, entitled "America the Beautiful", will be sponsored by the Tahoka Garden Club in conjunction with the County Harvest Festival on October 9, according to Mrs. Maxine Paris, club president.

Entries will be expected from 9 to 11 a.m. on Friday, October 8th and all will be judged and ribbons will be awarded.

Horticulture specimens will not be entered due to lack of space. Potted plants, hanging baskets, dish gardens, and terrariums will be accepted.

Exhibitors may have only one entry per class; however, more than one class may be entered. Flowers and foliage need not be grown by the exhibitor, but no artificial or florist flowers can be used.

Accessories will be permitted in all classes with the exception of the flag which must not be used in any arrangement.

The public is invited to participate in all phases of the flower show.

### Women's Artistic Division I Exhibitor's Choice

All fresh flowers, foliage, fruit, or combined with dried or dyed material. Also, drift or weathered wood and rocks may be used.

### Schools Will Dismiss Early September 27

According to Superintendent Edwin Roberson, Tahoka schools will dismiss at 2 p.m. on Monday, September 27, for the South Plains Fair in Lubbock. All buses will run at 2:05 p.m.

Classes will resume on regular schedule Tuesday morning, the 28th.

## Lions Make 'Clean Sweep' With Saturday Sale

For the seventh consecutive year, the Lions Club in Tahoka, next Saturday, September 25th, will sponsor a sale of cleaning aids which are made by the blind and from which local proceeds will go to buy glasses for needy youngsters and to help needy families at Christmas.

For more than two decades, the Lighthouses for the Blind of Texas have joined Caravan Sales to offer civic organizations the opportunity of selling quality blind-made products directly

from the Caravan Sales truck to the public.

In Tahoka, the Caravan truck will be based in front of Parker Pharmacy and Lions Club members will call on businesses, take orders, and make deliveries to those businesses or individuals. The sale will last only one day, from 8 a.m. to 6 p.m.

Charles Kuntz is chairman of the fund-raising committee sponsoring this endeavor and he emphasizes that the Lighthouses' share of the proceeds goes to train and rehabilitate the blind.

## Five-Year-Olds Gain Access To New World Through Kindergarten

The word "kindergarten" defines itself. Actually, it comes from two German words, "kinder", meaning children and "garten", meaning garden--technically, a garden of children.

Webster goes ahead to say that "a kindergarten is a class of young children, usually four to six years old, that develops basic skills and social behavior by games, handicraft, etc."

And Tahoka Independent School District goes a bit further in its definition of what a kindergarten is.

Ask the man on the street about kindergarten and unless he has a child that age, his conception of kindergarten is that of a baby sitter, if you please. Time was when only the exceptionally bright or comfortably rich children attended kindergarten.

No more. House Bill 1126 enabled or provided that a kindergarten would be funded by the Minimum Foundation Program for public schools and any child who reaches the age of five years on or before September 1st will attend.

Then there is the human element involved--some parents doubt that a five-year-old is ready to be "cut loose" from his close parental supervision--especially his maternal ties. Compare that theory to the hardly disputable fact that most five-year-olds are surprisingly well prepared for the "cold cruel world" due to a variety of circumstances, two of which are his intense subjection to television all of his life and the fact that many of them are reared in the world of baby sitters because of the increase in number of working mothers.

JENNIFER AND MELISSA ASKEW pose before the calendar in their room.

MISS NANCY DOSHIER shows pictures to Percy Rogers and he responds with a name for the picture.

## Wonderful World Of Words...

JOLLY AND BECKY MENDOZA demonstrate their colors as Mrs. Jane Mitchell drills them on the color names.

another group occupies a teacher's undivided attention.

He will hear a word as he sees a picture and he will learn to express himself in a world away from the confines of his home.

In no way does the kindergarten teacher replace a child's mother nor the school take the place of his home. It is all a supplement to what he learns at home and a sound basis for the ensuing years.

RONNIE DUNN demonstrates his mastery of the left hand-right hand drill by aide Aurora Berumen.

LORI FURLOW AND TERRY LAWRENCE are full of curiosity as their art lesson is interrupted.

**LEGAL NOTICE**

ORDINANCE NO. 51

An ordinance providing that no building or any other structure shall be built within the city limits of the city of New Home, Texas, without first obtaining a building permit from the city of New Home, Texas; providing for the requisites to be complied with before a

building permit will be issued; providing for the appointment of a building inspector; and imposing a penalty for the violation of said ordinance.

Be it ordained by the City Council of New Home, Texas, as follows:

**SECTION 1**

It shall be unlawful for any person, corporation or other business entity to commence the building of any building or any other structure within the City Limits of New Home, Texas, without first obtaining a building permit pursuant to the terms and provisions hereof.

**SECTION 2**

The office of Building Inspector is hereby created, and said office shall be filled by the appointment of the City Council. The City Council can appoint any individual to hold said office including one of the aldermen of said City Council.

**SECTION 3**

Any person, corporation or other business entity desiring to build any type of building or structure within the City Limits of New Home, Texas, shall first submit to the Building Inspector, written plans and specifications of said building or structure, together with written information as to where said building or structure is to be built, together with cash in the amount of \$10.00 for a building permit.

**SECTION 4**

It shall be the duty of the Building Inspector, to inspect said written plans and specifications, as well as the location where said building

or structure is to be built and to determine whether or not said building or structure will be in violation of this ordinance or any other building and zoning ordinance in effect in the City Limits of the City of New Home, Texas, including, but not limited to the restrictions set out in Ordinance No. 42 passed on the 11th day of September, 1969 by the City Council of New Home, Texas. If said building inspector determines that said proposed building or structure is in violation of this ordinance or any other ordinance concerning building restrictions and zoning heretofore passed by the City of New Home, Texas, then he shall refuse to issue a permit and said building or structure shall not be built within the City Limits of New Home, Texas. If said proposed building or structure does not violate any of the terms or provisions of this ordinance or other building or zoning ordinances heretofore passed by the City of New Home, Texas, then said building inspector shall immediately and forthwith issue a building permit for said building or structure.

**SECTION 5**

Said Building Inspector shall also have the right to refuse to issue a building permit to any applicant if he deems that said proposed building or structure would not be to the best interest of the citizens of the City of New Home, Texas.

**SECTION 6**

Any person, corporation or other business entity which is refused a building permit shall have the right to appeal the decision of the Building Inspector, to the whole City Council of the City of New Home, Texas. Said appeal shall be made by giving written notice to the City Council within 30 days from the date that the Building Inspector has refused to issue a building permit. Upon the receipt of said notice of appeal by the City Council, the City Council shall, within 30 days thereafter, set down a hearing on said permit, at which hearing the applicant

for said building permit shall have the right to appear in person and present any and all evidence that he desires as to why said building permit should be issued. At said hearing, if a majority of the members of said City Council vote to overrule the decision of the Building Inspector, then a building permit shall immediately be issued.

**SECTION 7**

It shall be the duty of the Building Inspector to enforce the provisions of this ordinance, and to refuse to issue any permit for any building or structure which would violate any of the provisions of this ordinance (this does not include normal maintenance of your home and property). In case any building or structure is erected, constructed, reconstructed, altered, repaired or converted in violation of this ordinance, the Building Inspector and the City Council are authorized and directed to institute any suit or other lawful action to put an end to any such violation. Any person, corporation or other business entity who shall violate any of the provisions of this ordinance or fail to comply therewith, or with any of the requirements thereof, or who shall build or alter any building or structure in violation of said ordinance shall be guilty of a misdemeanor and shall be liable to a fine of not more than \$100.00, and each day such violation shall be permitted to exist, shall constitute a separate offense. The owner or owners of any building or premises or part thereof where anything in violation of this ordinance shall be placed or shall exist, and any architect, engineer, builder, contractor, agent, person, corporation or other business entity employed in connection therewith and who may have assisted in the commission of any such violation shall be guilty of a separate offense and upon conviction thereof, shall be fined as herein before provided.

**SECTION 8**

All ordinances or parts of ordinances in conflict herewith are hereby repealed and declared of no further force or effect.

**Lynn County News**

with are hereby repealed and declared of no further force or effect.

**SECTION 9**

If any section, subsection, paragraph, sentence, clause, phrase or word in this ordinance, or the application thereof to any person or circumstances is held invalid, such holding shall not effect the validity of the remaining portions of the ordinance and the City Council hereby declares it would have passed such remaining portions of the ordinance despite such invalidity.

**SECTION 10**

This ordinance shall take effect when it is passed and published according to law.

Passed and approved this 7th day of September, 1976.

/signed/ J. W. Edwards Mayor of the City of New Home, Texas

Attest:

/signed/ Betsy Pridmore City Secretary

**Tahoka FFA Names Officers**

The Tahoka chapter of Future Farmers of America, in its September 15th meeting, elected officers for the new school year.

Randy Meeks is president of the organization; Kent Stone, vice-president; Terry Bell, secretary; Richard Cranford, treasurer; Darryl Stotts, reporter; and Jayson Knox, parliamentarian.

**T-Bar CC Elects New Officers**

New officers of T-Bar Country Club were elected Monday night at a meeting of the new board of directors.

Wayne Huffaker is the new president, succeeding Clint Walker, and Harold Gene Franklin is vice president. Mrs. Wade Hol-

land will continue to serve as secretary.

Three new board members were recently installed at the club's annual membership meeting. They are Dwain Lusk, Rebel Thomas, and Robert Smith, the latter having served out the unexpired term of a member who had moved away, O. R. Phifer, Jr.

Holdover board member, besides Huffaker, Frank and Walker, is Lit Moore. Robert Smith was selected as chairman, succeeding Irvin Dunagan. The board is faced with the problem of repairing water lines, installed twenty years ago and have rusted out and become inefficient.

**AVISO PUBLICO**

RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL DEL 2 DE NOVIEMBRE DE 1976

**NUMERO UNO EN LA BOLETA (S.J.R. 49)**

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Río Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encaucamiento de la calidad de agua y remueve el limite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la

## Idalou Wildcats Squeak By Tahoka Bulldogs In Thriller, 22-18

### Ties 8-8 Freshmen Lose 26-0

BY DARRYL STOTTS

On September 17th at home, a Tahoka four points shy of a tie was stopped by Idalou and again the Wildcats' statistics defied the scoreboard.

The Bulldogs gained 96 yards than the Idalou

offense and Idalou also had the ball twenty more plays than did the Bulldogs.

The Wildcats started scoring in the first quarter when the QB Burelsmith threw a 40-yard TD pass to the tailback, Bryant. The PAT was blocked by Billy

Burks.

Again Idalou scored in the second quarter, Bryant running 8 yards for the touchdown. PAT was good and Idalou led at halftime 13-0.

The Bulldogs were fired up after halftime and after Idalou went 25 yards up the middle for a TD, making the score 19-0. PAT was not good. Danny Moore put Tahoka on the scoreboard with a 65-yard punt return. The attempted pass for the PAT was batted down by an Idalou defender. The score was 19-6 in favor of Idalou.

Early in the fourth quarter, Clifford Bailey ran 25 yards for a Tahoka TD. Gardner was stopped a yard short for the PAT attempt.

Idalou marched the ball downfield and was stopped on the 13; Espinoza then put three more points on the board for the Wildcats.

pushing the score to 22-12. The Bulldogs came downfield and on the 30, Gardner threw a screen pass to Moore who ran 30 yards for a TD. Bailey was stopped a couple of yards short for the PAT attempt and the game ended with a score of 22-18.

The Bulldogs gained 343 yards on the ground and 43 in the air, compared to Idalou's 219 on the ground and 75 in the air.

Statistics looked like this:

Tahoka	Idalou
Passes attempted	5 5
Passes completed	2 3
Punts (av.)	5-35 yds 4-27 yds
Yds. gained passing	43 75
Yds. gained rushing	343 219
Total yds. gained	386 294
Times ball snapped	59 79
Penalties-yardage	7-45 5-35

Idalou was ranked Number 2 in the Panhandle ratings before last Friday's game.

The Bulldogs play Coahoma there this Friday night.

### FRESHMEN

On Thursday night, September 16, Tahoka's freshman and junior varsity teams traveled to Idalou. The freshman team lost to the Wildcats 26-0, a deceiving score.

Tahoka gained 222 yards to Idalou's 208 and the Bulldogs led in first downs by a 9 to 7 margin.

Idalou scored first in the first quarter on a 63-yard run by the tailback. The point after touchdown was good and Idalou led 7-0. Idalou forced the Bulldogs to punt.

The snap was bad and Ricky Chapa went around right end for a Tahoka first down. The Wildcats got the ball back and in the second quarter, an Idalou back scored with a 16-yard run. The extra point was again good and Idalou led 14-0.

In the third period another Idalou halfback scored 17 yards out and the extra point

was not good. Idalou led 20-0.

In the fourth quarter and with the ball inside the 15, Chapa went back to pass and an Idalou defender came up with the ball and ran it back for a 92-yard TD. The extra point was no good, leaving the score at 26-0.

Oages was the leading ground gainer with 102 yards. Chapa was next in line with 84.

Oages also tallied eight tackles and Doug Barham had four assists. Tahoka snapped the ball 58 times to Idalou's 40.

### JUNIOR VARSITY

The Bulldog JV team tied Idalou 8-8 in September 16's game at Idalou.

Tahoka drew first blood when Jerry Hatchett scooted in for three yards. He also went 3 yards for the extra and Tahoka led 8-0.

Neither team scored in the second quarter as they handed the ball back and forth until Idalou's halfback went two yards for a TD. The extra point was good and the score was tied 8-8.

Tahoka had five first downs and 140 yards, compared to Idalou's 15 first downs and 140 yards. The Bulldogs snapped the ball 42 times to Idalou's 71.

Roddy Brooks was the leading rusher with 57 yards and Carlton Ash and Britt Dockery each had 9 tackles. Rayford Harris had 7 and Jerry Hatchett had 8. Brooks had 9 assisted tackles.

Tonight (September 23rd), the freshmen play O'Donnell here at 5 o'clock and the JV team plays Lubbock's Monterey here at 7:00.

## O'Donnell Flies High Over Borden

In their first win of the season, the O'Donnell Eagles outranked the Borden County Coyotes 24-6, at Gail.

Kevin James put the Eagles on the scoreboard in the first quarter with his two-yard run and a 25-yard pass to Jessie Martinez. Borden County was scoreless until the third quarter when Tommy Patterson made a 3-yard run.

With 8:41 remaining in the game, the Eagle Danny Morales made a 20-yard run and a two-point conversion.

## Ropesville Shuts Out New Home

With a 29-6 advantage at halftime, it was easy for the Ropesville Eagles to finish the game with a 56-6 lead over New Home.

Tailback Gary Means from Ropesville scored in the first period on a 62-yard run and a 76-yard run by fullback Sims. New Home came back with a 43-yard pass from quarterback Marty McClintock to end Kim Howle.

Scoring in the second period was on a 9-yard toss from Means to Melton, a safety, and a 2-yard run by Duran.

Means did it again for Ropes in the third quarter on a 3-yard run and the Eagles scored three more times in the final quarter on a 12-yard pass from Melton to Fowler, a 68-yard run by Sims, and a 24-yard scamper by Law.

Ropes is 2-1 and New Home 0-3 for the season.

## Wilson Zaps Whiteface Antelopes

Friday, September 17, the Mustangs from Wilson took a trip to Whiteface and treated their hosts badly, rolling to their third win of the season, 34-0.

Wes Wilke was high scorer for the evening, beginning his accumulation of points with a 13-yard touchdown run at 2:23 left in the first quarter. In the second quarter, he charged for his second touchdown from the seven-yard line. Senior Wilke made his third trip to paydirt at the end of the third quarter. Junior

Mike Ramirez scored with a 2-point conversion play and then one minute later carried from the 20 to score. Wilke and Ramirez were joined in the point column by Sophomore Lucio Trevino.

Outstanding defense assisted Coach Charles Scagler's Mustangs, ranked No. 2 in the area, to do the job. Senior Mark Brieger had 16 tackles and Wes Wilke, playing on defense as well as offense, had 8. The defensive unit had the Antelopes punchless, holding them to 132 yards rushing and 8 yards passing while recovering 8 fumbles. Senior Carlton Henderson also had one interception.

The Mustangs play host September 24 to the Christ the King Trojans who hope that being at home will slow down the potent Wilson offense.

## Letter To Editor

Comments expressed in "Letters" are not necessarily those of this newspaper.

Dear Editor:

In regard to the Lynn County Harvest Festival, several people have voiced complaints about the fifty cents per item charge on entries for the County Fair.

The committee felt this was the only way to handle these entries to meet expenses for ribbons, prizes, and judges. The merchants have been most cooperative in donating cash and merchandise for the drawings; why can't we as citizens cooperate and help make this affair a success so that in the future, we will not have to charge you to enter your items?

This can be a success only if everyone participates in all activities and all the hard work of the committee will be in vain if ALL do not help!

Looking forward to seeing you at the Festival.

Sincerely,  
Nadine Dunlap

## Fire Drills Noted For Children

A child who has had the opportunity to practice what to do in a fire has a much better chance of surviving a real fire. Below are two of six drills offered in this series, designed to teach children how to survive a fire. After the first try, these "fire drills" can be tested during the day or after children are in bed at night by using the signal "FIRE!" In the fifth part of this series, a final "rookie" examination will be presented to determine whether your children qualify as "firemen."

A drill called "Don the Gas Masks" teaches children about poisonous gases which are the true killers in fires.

Pretend the house is filling with smoke and that you must get out as quickly as possible. In all the drills, stress immediate escape. Yell "Smoke!" and have the children, wherever they are—in bedrooms, living room, kitchen—grab a pillow or several thicknesses of fluffy material such as a towel and place it over their mouths and noses. The cloth won't filter out poisonous gases in smoke, but will relieve some of the irritating effects of inhaling smoke. Then have the children move as fast as they can, keeping close to the floor where the air is best. They should avoid deep breaths.

Emphasize the fact that smoke, not flames, is the Number One killer in fire. It contains large quantities of carbon monoxide and a dozen or so other poisonous gases from burning materials. By far the majority of fire victims are asphyxiated by smoke gases long before flames ever touch them. Sometimes poisonous smoke can knock you unconscious after two or three breaths and can kill you in a few minutes. Smoke always rises, making upper floors where bedrooms are located the greatest fire traps. Be sure children know that wherever there is smoke, there is potential death—so get to fresh air fast.

The next drill is called "Hot Door, Cold Door." As a part of "basic training," firemen learn the dangers of opening a door in a fire. It's something your child must know too. Teach him never to fling open a bedroom door if he suspects fire. He should apply this test: Put his hand on the door panel and knob. If either is warm, he should not open the door, for heat and gases are on the other side ready to burst in. One lung full of superheated air can fell a person instantly. He must leave the door

closed and make his escape another way. If the door doesn't feel warm, he should brace himself against it, open it a crack and be ready to slam it, should smoke or heat rush in. If all is clear, he can proceed through the door with caution.

Make sure young firemen practice this routine until they have it down pat. As a fire drill is being announced, slip a sign under the closed door reading "hot" or "cold" while youngsters react appropriately. Also, make it a nightly ritual to close bedroom doors at night unless this would prevent a bedroom fire from setting off a fire detector located in a hallway. Tests have shown that behind a closed door your survival time is from 5 to 11 minutes. With the door open, the survival time is only two minutes. Ideally each bedroom should contain an audible fire detector.

## State Plans To Fund Project

The Texas Department of Community Affairs in Austin has notified South Plains Community Action Association, Inc. of its intent to fund a project under the Comprehensive Employment and Training Act. The project, a vocational training program, is designed to assist economically disadvantaged persons in gaining the necessary skill required to enter into the construction industry.

The program will provide approximately 470 hours of classroom training and approximately 495 hours of actual work experience. All of the classroom training will be conducted by South Plains College in Levelland.

Two classes will be formed within the next year. The first class will begin in October and the second will begin in April of next year. Each class will cover a six-month period, all tuition, books, fees, and supplies, to be furnished.

In addition, each participant will be paid \$2.30 an hour while in training. Persons desiring additional information should contact the local community action neighborhood center. All potential participants must meet the economic criteria as set forth by the U.S. Department of Labor.

For further information, contact: Lynn County Community Action Association, 1404 South Third, Box 1161, Tahoka, 79373, or call 998-5094.

MRS. DAVID WILLIAMS  
nee Sheila McNeely

## Miss McNeely, Mr. Williams Are Wed In Home Ceremony

Sheila DeAnn McNeely and Joseph David Williams were united in marriage at six o'clock September 10 in the home of the bride's parents.

Brother Clarence Tedder of Smyer performed the double-ring ceremony before an arch covered with greenery and yellow bows.

Parents of the couple are Mr. and Mrs. Jerry McNeely of New Home and Mr. and Mrs. L. F. Williams of Tahoka.

Given in marriage by her father, the bride wore a gown of candlelight crepe topped by a cape of eyelet embroidery edged with gathered lace. She wore a candlelight picture frame hat and carried a bouquet of white daisies and baby's breath.

Sherry McNeely, sister of the bride, served as maid of honor. She wore a yellow and white gown trimmed in white lace and a white picture frame hat.

Todd McNeely, cousin of the bride, served as best man.

A reception was given for the couple in the home of Mr. and Mrs. Bobby Fillingim, aunt and uncle of the bride. Serving at the bride's table were Brenda Parker and Colette Williams, sister of the groom.

The bride is a graduate of New Home High School and attended Western Texas College at Snyder. The bridegroom is a Tahoka High graduate and is employed at Texas Instruments in Lubbock.

The couple will reside in New Home.

## Mrs. Maurice Huffaker Honors Miss Owens With Luncheon

Vicky Owens was honored at a bridesmaids' luncheon on September 4th in the home of Mrs. Maurice Huffaker of Tahoka.

Mrs. Huffaker was assisted with hospitality by Mrs. Mike Huffaker, Mrs. Jim Wells, and Mrs. John Thomas of Abilene.

Guests attending were the bride's mother, Mrs. Elmer Owens; her grandmother, Mrs. N. L. Fox of Idalou; her aunt and cousin, Mrs. John Andrews and Shelly, from Brownfield.

Also, Miss Donna Headrick of Sweetwater; Miss Emmy Jones, Knox City;

Miss Barbi Boardman of Fort Worth; Miss Debra Young of Houston; Mrs. Hugh Daniel and Dawn of Lockney; Mrs. Olan Pinkston, Debbie and Becky; and Mrs. Harold Green, all of Tahoka.

The menu consisted of sweet and sour chicken; rice and broccoli; cheese rolls; lime jell-o salad; pickles; nuts; lemonade pie; and iced tea.

A wooden slatted plant stand was presented to the honoree.

## Junior Class Does Mowing In Cemetery

One individual described the workers at the cemetery last week as having the appearance of a hive of bees. In reality, the "bees" were some twenty-eight zealous members of the junior class at Tahoka High School.

Juniors are beset with a great many expenses during the school year and this year's group, under the leadership of president Gary White, are taking on most any kind of fund-raising project. The latest contract was that of mowing the cemetery for the City of Tahoka.

In short order, the task was accomplished, done well, as a matter of fact.

Workers included Terry Bell, Barry Bevers, Jodie Brecheen, Pat Calderon, Jabo Chancy, Richard Cranford, Denise Curry.

Also, DruAnn Dockery, Jamie Gage, Alton Graves, Perry Haney, Reggie House, Jayson Knox, Brent McKibben, Randy Meeks, Ed Roberson.

Also, Bert Short, Curtis Stewart, Barbara Stice, Kent Stone, Inola Thomas, Ronnie Thompson, Patti Turner.

Also, Jona Valentine, Gary White, Leslie White, Penny Witt, and Cindy Wood.

### New Home News

By Florence Davies

Mr. and Mrs. Weldon McClintock, accompanied by her three sisters, Mrs. Bertha Stuard, Mrs. Julia Ross, and Mrs. Mildred Weathersby, all of Lubbock, went to Mexia Saturday, September 11th, and met their brother, Olie Gilson from Houston, for a weekend visit and to meet with old friends for the annual Dover Cemetery services and picnic dinner near Hubbard.

Shirley Kirby and children from Colleyville met them Sunday and all returned to their homes Tuesday.

Shorty and Jean returned to their home in Childress Sunday afternoon.

On Wednesday evening, September 13th, four ladies from New Home attended the Delta Kappa Gamma meeting in Brownfield.

Attending were Scooter Sharp, Vern Lewis, Inez Smith, and Virginia Howle. Decorations for the event were in the early west theme. Pie was served in tin pie plates, tea from pint jars, beside an old-fashioned campfire.

Mr. and Mrs. C. G. Kieth and Bill McNeely drove to Plainview Wednesday to visit Shorty McNeely.

Shorty was dismissed from the Central Plains Hospital Friday and he and Jean spent the weekend here with his father. The other three McNeely boys and their families visited in the home Sunday.

We visited in Lubbock Saturday with our grandson, Greg Freeman and his wife, Becky, and 18-day-old Megan Rebekah.

The baby was born in Methodist Hospital in Lubbock Tuesday, August 31st. Mr. and Mrs. Charles Freeman of Crosbyton are the paternal grandparents.

Several teachers from the New Home schools, members of the TSTA local unit, attended the District 17 workshop at Coronado High on Wednesday night, September 15.

Those attending were Inez Smith, president; Debbie Gilliam, secretary; Virginia Howle, committee person; and classroom teachers, Scooter Sharp, Vern Lewis, Anna Foley, Larry and Lee Ann Baker.

The TSTA Unit had its regular meeting in O'Donnell on Monday night of this week.

Brenda Parker, sophomore student at South Plains College, has been elected cheerleader for the 1976-77 school year by the student body.

Mr. and Mrs. Leland White visited in San Angelo Sunday with Mike, a student in Angelo State.

Debbie is attending Tech where she is a junior.

Mrs. Fred Roper is in Mineral Wells at the bedside of her brother, Truett Breland, who is critically ill in the hospital there.

### TDA's Egg Law

AUSTIN -- With approximately 2,276 billion eggs being produced in Texas each year, and 20 percent more coming from outside the state, ensuring that consumers get high quality eggs is a challenge.

The Texas Department of Agriculture (TDA), under the Texas Egg Law, has responsibility for inspecting eggs sold in Texas.

The law establishes grading and sizing standards, sanitation requirements, packing instructions, and storage and transportation responsibilities, according to Bruce Hobbs, supervisor of the TDA Texas Egg Law section.

The law also protects consumers against deceptive labeling and advertising of eggs.

"Texas eggs must now be labeled 'Produced in Texas' or must have the TAP (Texas Agricultural Products) symbol (on grades A or AA)," explained Agriculture Commissioner John C. White. "In addition, it is unlawful for eggs produced out-of-state to be labeled as Texas eggs."

The law also gives TDA inspectors responsibility for enforcing the law.

Inspectors have a number of duties. They take random samples of eggs sold at retail outlets, checking for correct grading and sizing, as well as for labeling requirements.

In addition, they check packing operations, both inside the state and those outside which have a license to pack eggs for sale in Texas.

If an inspector discovers an infraction of the law, he places a "stop sale" order on the eggs in question. The "stop sale" order is lifted only after the person responsible makes the necessary changes.

In one year, inspectors may check around 5 million dozen eggs.

Because of the self-regulation of a highly competitive industry and the inspection efforts of the Texas Department of Agriculture, Texas consumers can be certain they receive high-quality eggs, White said.

### Shaver Addresses Chamber Breakfast Meet

Thirty-three members of the Tahoka Chamber of Commerce met at Tahoka Cafeteria for a 6:30 breakfast on Tuesday of this week and heard Athletic Director A. D. Shaver give a brief resume of his program in the local school.

Also, Chamber President H. B. McCord, Jr. announced that Tahoka's representative in the South Plains Maid of Cotton Contest, Miss Karen Meeks, was among the top twenty contestants at this time. Contest date is October 2nd.

Carl Reynolds announced that the housing project charter has been approved and that contractors' bids will be accepted in the near future.

Gary White, junior class president, reported on the

class project of mowing grass and cutting weeds in the cemetery. President McCord expressed the gratitude of all citizens for the work being done by the class.

Mrs. Nadine Dunlap and Jay Dee House reported on various aspects of the upcoming Harvest Festival.

The cash drawing will be \$75.00 at the October 19th

meeting as the party whose name was drawn on Tuesday was not present.

McCord acknowledged results of the continued cleanup campaign of downtown lots.

Christmas decoration possibilities were suggested by Gerald Moore, further discussion of which will continue at the October meeting.

CINDY CRAIG AND WESLEY BOONE

### Cindy Craig and Wesley Boone Will Be Married December 11

Mr. and Mrs. Harvey Craig announce the engagement and pending marriage of their daughter, Cindy Jo, to James Wesley Boone, son of Mr. and Mrs. Dan Curry.

The couple plans a December 11th wedding in the First Church of Tahoka.

Miss Craig and Boone are graduates of Tahoka High School. She is presently employed at Plains Cotton in Lubbock and he is employed by Poka-Lambro Telephone Company in Tahoka.

### Harvest Festival Schedule October 9, 1976

- 9:00 A.M. County Fair Opens
- 10:00 A.M. Main Speaker at Courthouse Square
- 11:00 A.M. Barbecue on Courthouse Square
- 12:00 P.M. Girl Scout Dog Show
- 1:00 P.M. Queen Contest on Courthouse Square
- 2:00 P.M. County Fair Closes
- 3:00 P.M. Bicycle Relay Race, Courthouse Square

- 6:00 P.M. Street Dance, East Side of Courthouse

### Sweet Street Church Will Have Revival

The Sweet Street Baptist Church in Tahoka will have a series of services September 27 through October 3rd to which the public is invited, according to church pastor, Lee R. Jones.

Evangelist will be Dale Dozier of Richmond, Indiana and song director will be Lynn Long, formerly of the Sweet Street church and now of Stoneburg, Texas.

The day services, at 10 o'clock, will begin on Tuesday, September 28, and go through the 3rd of October. Prayer services each evening will be at 7:30 and preaching service at 8 o'clock.

A nursery will be provided at all services.

## Care Can Ensure Safe School Lunches

It's back-to-school time again. Children hurry off to school wearing new outfits and toting new school supplies—a notebook with pictures of TV heroes on the cover, plenty of lined paper, a box of crayons with 48 colors, pencils, and an eraser. Even a shiny apple for the teacher!

You may pack a special treat in your son's new lunchbox. That's a great way to start off the new school year. Kids love lunches from home, especially when there is a treat or surprise inside. Be careful, though, to avoid packing a dangerous surprise in your child's lunchbox—food poisoning.

Packed school lunches can be dangerous if they are not prepared carefully. While Mickie is learning her reading, writing, and arithmetic, the delicious meatloaf sandwich you made her this morning sits in a school locker or desk. It may sit there for three to four hours before lunch. Bacteria and germs, which cause food poisoning, grow rapidly at temperatures between 40 and 50 degrees Fahrenheit. Warm temperatures in school lockers and desks provide a playground for growing germs and bacteria.

Here are some tips for the U.S. Department of Agriculture's Animal and Plant Health Inspection Service that will help you prepare safe school lunches for your children:

**Keep Food Cold.** Sandwiches containing meat and poultry products can be frozen the night before they are packed for lunch. Take them out of the freezer right before leaving the house. They will thaw slowly in the locker and be just right by noon. By keeping sandwiches cold, you inhibit the growth of germs and bacteria.

When preparing sandwiches to freeze, spread on just enough butter, mayonnaise, or sauce to cover the bread. Don't spread it on too thick—the bread may become soggy during thawing. Lettuce can also be used in frozen sandwiches. Some quality is lost in freezing, but this can be minimized by patting each piece of lettuce dry before putting it into the sandwich.

To keep school lunches cold—get a freezer gel device. Place one in each lunch bag. If you don't have one, make your own. Just take a clean margarine container, fill it with water and freeze it overnight. Just before your children leave for school, place the homemade device in the center of their lunch bags. This will keep lunches cold and safe until it is time to eat them.

Liquid food products can be kept cold by pouring them into a vacuum bottle or other insulated container. Close the lid immediately to keep warm air out and cold air in.

**Keep Foods Hot.** During the fall and winter months—as the weather outside gets cool and crisp—soups and hot chocolate become popular lunchtime treats. Be creative and try something new this year! How about some chili for lunch or maybe some pork and beans. These are great for lunches. But don't just be creative—be safe. To keep these foods warm until noon, pour them into a vacuum bottle or other

insulated container when they are boiling hot. Put the cap on immediately. Steam escaping from the food should be kept inside to help keep the contents warm longer.

**Keep Foods Clean.** Traditionally, students could win the teacher's good graces by placing a big polished apple on the teacher's desk. You can win the good graces of your children by putting fresh fruit and vegetables into their lunchboxes. Some favorites are apples, oranges, carrot sticks, and pickles. Don't be limited to these. Tomato wedges, cucumber slices, cole slaw, and fruit salads make interesting surprises. Just be sure to clean and scrub all fruits and vegetables thoroughly before packing them in a school lunch. In addition to possible bacteria, these foods could be contaminated with surface residues of pesticides if not washed carefully.

Cleanliness is the key to preparing safe brown bag lunches. Always wash your hands carefully with soap and water before handling food. Wear rubber gloves if you have a cut or infection on your hands. Make sure all utensils, cutting boards, and counter surfaces are washed thoroughly with hot, soapy, water immediately before and after they are used.

"Herby, I'll trade you my peanut butter and jelly sandwich for your ham and cheese!"

"O.K."

"Trading" is a common practice among classmates. However, this could be a dangerous practice. Discourage your children from "trading" prepared foods with classmates. There is no way of knowing if the sandwich Herby got was prepared and stored safely. So, why take any chances?

Make creative lunches for your children. Keep them interesting! Try packing new foods and preparing foods in a different way. Include the foods that your children like and avoid the ones they don't. Encourage them to get involved in planning and preparation of their lunches; they may not "trade" them quite so quickly.

**The Lunchbox vs. The Brown Bag.** Lunchboxes hold the cold inside much better and are easier to keep clean. However, if you prefer a sack lunch, buy bags which are to be used specifically for this purpose. Mark them clearly and store them apart from your other bags. Do not use bags which have been previously used to carry groceries, lunches, detergents, etc. Used bags may contain harmful germs, bacteria, and chemicals.

With these tips from USDA, you can avoid packing any dangerous surprises in your children's lunchbox.

## Guidelines For Drawings

For the drawings for prizes donated by county merchants on October 9th, the following guidelines have been set forth by the Festival Committee.

--For all drawings except that for the CB radio, a person must be present to claim his prize. The prize must be claimed within ten minutes or the ticket will be repositioned in the hopper.

--Drawings will be every hour, on the hour, and the fire whistle will be blown to signal time for such.

--Registration for prizes ends at the close of the business day on October 8th and merchants are asked to deliver stubs to The Fabric Place no later than 9 o'clock on Saturday morning.

--There is no limit to the number of times a person may register nor any restriction on who may register. However, a person can win only one prize.

## City Anticipates Filing Application For HUD Grant

The City of Tahoka is in the process of making application for a Community Development Block Grant to upgrade certain development needs of the city, according to Ray Mason, city administrator.

The city anticipates filing a pre-application with the U.S. Department of Housing and Urban Development during the period October 15 through November 30, 1976 for such grant to satisfy development needs in the city.

by voicing their views on community development housing needs and related priority. The purpose of the public hearings is to get the ideas and suggestions from the citizens of Tahoka.

Technical assistance will be provided to participants wishing information concerning requirements by U.S. Department of Housing and Urban Development from 8 a.m. to 5 p.m. at Tahoka City Hall, Lockwood, for the purpose of the city's involvement program.

Additional citizen participation concerning the application, revisions, changes, amendments may be requested at city council meetings when these matters are discussed or at additional public hearings if necessary by the committee.

The public hearing will be held at 7 p.m. September 27th and 30th, 1976, at Tahoka City Hall. Citizens are encouraged to attend the hearings.

Pursuant to regulations published in the Federal Register, June 9, 1975, the City of Tahoka will hold two public hearings (1) to disseminate information regarding important program requirements including the amount of funds that may be available and the range of activities that are eligible and (2) to provide citizens with an opportunity to participate in the development of the pre-application program.

Lettuce can also be used in frozen sandwiches. Some quality is lost in freezing, but this can be minimized by patting each piece of lettuce dry before putting it into the sandwich.

To keep school lunches cold—get a freezer gel device. Place one in each lunch bag. If you don't have one, make your own. Just take a clean margarine container, fill it with water and freeze it overnight. Just before your children leave for school, place the homemade device in the center of their lunch bags. This will keep lunches cold and safe until it is time to eat them.

Liquid food products can be kept cold by pouring them into a vacuum bottle or other insulated container. Close the lid immediately to keep warm air out and cold air in.

**Keep Foods Hot.** During the fall and winter months—as the weather outside gets cool and crisp—soups and hot chocolate become popular lunchtime treats. Be creative and try something new this year! How about some chili for lunch or maybe some pork and beans. These are great for lunches. But don't just be creative—be safe. To keep these foods warm until noon, pour them into a vacuum bottle or other

## Lynn County News

Make creative lunches for your children. Keep them interesting! Try packing new foods and preparing foods in a different way. Include the foods that your children like and avoid the ones they don't. Encourage them to get involved in planning and preparation of their lunches; they may not "trade" them quite so quickly.

**The Lunchbox vs. The Brown Bag.** Lunchboxes hold the cold inside much better and are easier to keep clean. However, if you prefer a sack lunch, buy bags which are to be used specifically for this purpose. Mark them clearly and store them apart from your other bags. Do not use bags which have been previously used to carry groceries, lunches, detergents, etc. Used bags may contain harmful germs, bacteria, and chemicals.

With these tips from USDA, you can avoid packing any dangerous surprises in your children's lunchbox.

## T. C. Edwards' Family To Get Together

The T. C. Edwards reunion will be Saturday, September 25th, at the 4-H Barn in Post, located on Highway 84 South in the City-County Park. All friends are invited to visit with the family on Saturday night.

Some of the men of First Baptist Church went to Munday early last week and moved Morris Johnson and wife, Judy, into Melody House here. Johnson began his duties as minister of music and youth on Sunday with a large crowd on hand to bid them welcome.

Rebekah Lodge met in regular session on Tuesday night with twelve members in attendance. District Deputy President Christine Weeks of Lamesa will hold a school of instruction at the next regular meeting on September 24th.

Members are urged to be at the hall by 7 p.m. and bring a salad. The meal will be served before the meeting.

More than forty persons were on hand Friday when the Lynn County Pioneer Club met for the luncheon. Five visitors from Brownfield and two from Lamesa attended.

The club will participate in the Harvest Festival by having open house on October 9th. Visitors are invited to visit and play table games throughout the day and have a cup of coffee with friends. Members will serve as hostesses, taking turns at different hours. A schedule has been set up.

Mrs. Mabel Morgan was hostess for the 88 Club on Friday night and twelve members were present.

News is somewhat short this week as I was teaching First Grade for Wanda Farr each day last week.

On Friday afternoon I went to Lubbock and spent the night with my sister and

the two of us went to Amarillo Saturday morning and spent the weekend with relatives there, returning home on Monday.

Teddie B. Kelley is in Hobbs, New Mexico this week taking care of her sister who recently had a heart attack.

## First Meeting For 4-H Club September 20

A short course on citizenship and heritage was presented by Sheree Jerden and Denise Curry at the first meeting of the 4-H Club on September 20.

Officers of the club are Mike Edwards, president; Melinda Terry, vice president; Sheree Jerden, treasurer; and Roddy Williams, reporter.

Committee appointees are as follows: John Curry and Jubal Dunlap, refreshment; Andra Draper and Claudia Guin, recreation; Becky Harris, telephone chairman; Sheree Jerden, special chairman; Todd Brown, special events, Bicentennial; Melinda Terry, Halloween; and Denise Curry, Christmas.

## County Heart Association To Convene

The Lynn County division of the American Heart Association will meet Monday night, September 27th, at 7 o'clock in the Community Room of First National Bank.

All interested parties are invited to attend the meeting.

## '76 Texas Melon Crop Looking Good

AUSTIN--The Texas melon and cantaloupe crops promise to be good ones despite spring hail storms and heavy summer rains.

Acres planted in watermelons between January and June total 55,000, the same figure as for the two previous years. Acres intended for summer harvest are set at 25,000, nearly 14 percent more than 1975 acreage of only 22,000 acres.

Cantaloupe acreage also shows an increase. Acreage planted between March and June has increased from 5,600 last year to 5,900 in 1976. Acres for summer harvest are set at 5,500, an increase of 200 acres over last year's figure.

By mid-July, watermelon harvest was complete in the Coastal Bend and was winding down in the Lower Rio Grande Valley, while in Central and East Texas fields, picking was underway.

North Texas farmers were expecting to begin marketing cantaloupes and watermelons soon.

In the Eagle Pass area, cantaloupe and watermelon growers reported that harvest was behind schedule because of recent rains, and in the Winter Garden, wet fields kept field workers from picking cantaloupes and watermelons.

## '76 Summer Potato Crop Looking Good

AUSTIN--Quality of the summer potato crop now being harvested on the High Plains is being described by farmers as excellent.

"Perfect weather conditions during the growing season have resulted in exceptionally large potatoes," Agriculture Commissioner John C. White reported.

Production is projected at 2,046 million hundredweight (cwt.), five percent below last year, according to the Texas Crop and Livestock Reporting Service.

Acres intended for harvest have been set at 9,300, eight per cent above a year ago, but yield is 220 cwt. per acre, 12 percent below the average yield of 250 cwt. in 1975.

## Kim White Out of Hospital; Denise Dodson Back In School

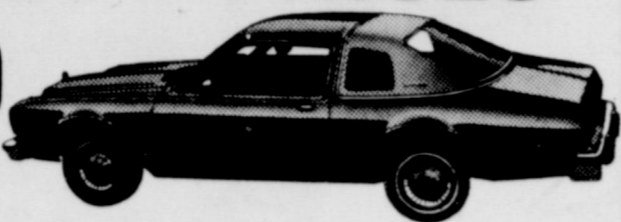

Kim White, daughter of Warren Embree, returned home from Lubbock's Methodist Hospital Thursday of last week. Miss White and Denise Dodson, daughter of the late Dodsons, were seriously injured on August 13 when the motorcycle they were riding was in collision

with a pickup. Miss Dodson spent some time in Lynn County Hospital, but is now back in school on a regular basis. According to Mrs. Embree, her daughter will be enrolled in the Homebound study program and will continue her studies while she recuperates at home.

## Farron Foerster

Services for Farron Foerster, 70, of Lubbock, were held Sunday, September 18, in the First Lutheran Church there with Robert E. Foerster officiating. Mr. Foerster was in Englewood Cemetery in Slaton. Mr. Foerster died September 17 after a lengthy illness. He was a 1976 graduate of Lubbock High School and a member of Shepherd Lutheran Church. Survivors are his parents, Mr. and Mrs. Hilton Foerster of Lubbock; one son, one brother; and his maternal grandmother. He was preceded in death by his wife, Mrs. Edna Foerster of Lubbock.

## George Millman

Services for George O. Millman, 69, of Lubbock, were held Wednesday, September 22nd, at Rix Funeral Home. Mr. Millman was preceded in death by his wife, Mrs. Neely Richardson of Lubbock. He was a member of the First Lutheran Church and was in Peaceful Rest Memorial Park.

Mr. Millman died September 20th in the Veterans Hospital in Big Spring. He had been a Lubbock resident twenty-five years, moving there from Tahoka.

He is survived by his wife, the former Gladys Graham; one daughter, Dolores Miller, Havelock, North Carolina; two sisters, Mrs. Arthur Taylor, Abilene, and Mrs. Zoy Bass of Arizona; and one grandchild.

I. B. (BABE) HILL

## Ira B. Hill

Funeral services for Ira B. (Babe) Hill, 90, of Lubbock and formerly of Lynn County, were conducted at White Funeral Home Chapel on Wednesday, September 22nd.

Elder Glen Williams of Muleshoe's Primitive Baptist Church officiated and burial was in Tahoka Cemetery.

Mr. Hill was born in Tishiminiga, Mississippi on January 6, 1886 and was married to Amanda E. Short in Corinth, Mississippi on November 27, 1911. They lived in Dawson County before moving to Lynn County in 1926 where Mr. Hill farmed until 1964 when they moved to Lubbock.

He died September 20 in a Lubbock hospital. Mr. Hill was a longtime member of the Primitive Baptist Church in Tahoka and served as a deacon for twenty-four years.

Survivors include his wife, Amanda; one son, Kelly G. Hill of St. George, Utah; six sisters and one brother; one grandchild; three great-grandchildren.

Pallbearers were Craig Wilkerson, B. C. Corley, Johnny Wells, Jackie Dulin, Jim Dulin, Ed Hamilton, Eldon Gattis, and Milt Draper.

## Mrs. Keever

Funeral services for Mrs. Nita V. Keever, 82, of El Paso and formerly of Lubbock, were September 20th in Sanders Memorial Chapel in Lubbock with Paxton Jones, assistant pastor of Lubbock View Christian Church, officiating.

## Burial was in City of Lubbock Cemetery.

Mrs. Keever died September 19 in a Lubbock hospital.

She was a native of Benjamin and moved to Lubbock from Tahoka in 1925. She moved to El Paso from Lubbock in 1957.

She was married to Clarence D. Keever in 1913 in Tahoka. Mr. Keever died in 1945.

Her survivors include a daughter, Mrs. Charles Lackey of El Paso; a sister, Mrs. Lela Hutto of Lubbock; two grandchildren and four great-grandchildren.

## Tahoka Will Host Area Bridge Meet

Tahoka's T-Bar Duplicate Bridge Club has been selected to host this area's Continent-Wide Charity Game for benefit of Arthritis Foundation research.

The session will be November 23rd and players are expected from over the South Plains area. This is one of the events sponsored by the American Contract Bridge League in which about 600 clubs and 30,000 to 50,000 players over North America all play the same bridge hands and local, district, and national winners are determined.

Winners in T-Bar's quarterly club championship Tuesday of last week were: Mrs. Jess Gurley and Bobby Stone, first; Mrs. Winston Wharton and Mrs. Gene McKee, second; Mrs. Frank Hill and Mrs. Roy Lemond, third; and Mrs. N. M. Barham, Jr. and Mrs. Jacquie Chesshir, both of Brownfield, fourth.

**Wednesday Club**  
The Wednesday Duplicate Club, which meets twice monthly at T-Bar, elected Mrs. Cecil Dorman the new president and Mrs. Rebel Thomas secretary last week.

Winners in play that day were: Mrs. C. R. Bursleson, O'Donnell, and Mrs. Olen Renfro, first; Mrs. Sam Edwards and Mrs. Thomas, second; Mrs. Alta Thomas and Mrs. Cecil Dorman and Mrs. Cloyce Leverett and Mrs. Clyde Ashcraft, tied for third and fourth.

## Ford Mitchell Speaks To Rotary Club

"We would not be sitting here if it were not for the leadership of George Washington, our greatest American," stated Ford Mitchell of Lubbock's Briarcroft Savings and Loan and a former television personality.

The speaker told of the remarkable career of Washington, rising from a poor boy with little formal education, to become outstanding in so many fields and to weather crisis after crisis. Of course, the most important of these was his military leadership in winning our independence from England 200 years ago and his being the first President of the new nation.

Mr. Mitchell, who has become an authority on the Revolution and George Washington, came dressed in Colonial costume, illustrated his talk with slide pictures, and displayed actual Revolutionary Day newspapers and relics.

Binie White arranged the program and introduced the speaker.

Horace Rogers, vice president of the club, presided in the absence of President Gerald Huffaker.

COACH LOWE'S SEVENTH-GRADE CLASS DISSECTS FROGS WHILE Mrs. Jill Jester's biology classes concentrate on clams. Both junior and senior high science classes study the life processes of lower animals.

## OS Roping Event To Be October 3rd

The OS Ranch Steer Roping, scheduled for Sunday afternoon, October 3rd, at Post, will divide a world-record cash jackpot of \$45,000 among the best from a field of thirty-five of the Southwest's top professional ropers.

The field for the \$10,000 first prize includes Charles Good of Elida, New Mexico, newly crowned 1976 world champion steer roper, and Roy Thompson of Tulia, 1976 runnerup for the honor and 1975 world champion.

Each of the ropers is putting \$1,000 into the jackpot with \$10,000 added.

Thirty-eight cowboy and western artists will exhibit in the OS ranch house the same weekend with those attending the steer roping Sunday, or the jackpot team roping, invitational calf roping or the new NCHA approved cutting horse contest Saturday, October 2nd, having the opportunity to view the art as well for the single admission charge at the cattleguard.

Last year the OS Ranch Benefit Steer Roping and Art Exhibit raised over \$40,000 for West Texas Boys Ranch at San Angelo.

## Pioneer Club Open House Is October 9th

Lynn County's Pioneer Club is having Open House on October 9, the day of the Harvest Festival, from 10 a.m. until 5 p.m., according to Teddie B. Kelley, president.

Persons are invited to come by for visiting and refreshments, as well as dominoes and '42.

The club headquarters is located one block south of the postoffice in Tahoka or one block west of Rim Rock Grocery, on the north side of the street.

Mrs. Kelley asks that interested individuals watch the paper each week for further announcements.

## Wilson School Menu

- Sept. 27 - Oct. 1, 1976
- Monday:** Burrito with chili, red beans, vegetable salad, crackers, milk, grape cobbler.
  - Tuesday:** Chicken and noodles, English peas, buttered carrots, hot rolls, milk, jello with fruit.
  - Wednesday:** Frito pie, potatoes au gratin, ranch-style beans, hot rolls, milk, peach half.
  - Thursday:** Fish, slaw, hot rolls, French fries, milk, peanut butter surprise.
  - Friday:** Hamburgers, salad, pickles, orange juice, milk, Beatnick cake.

## Wilson School Board Meets

Routine reports were heard and approved at the September 21st meeting of the Wilson Independent School District Board of Trustees.

The meeting was held in the Elementary School board room at 8 p.m., according to Bob Spence, superintendent.

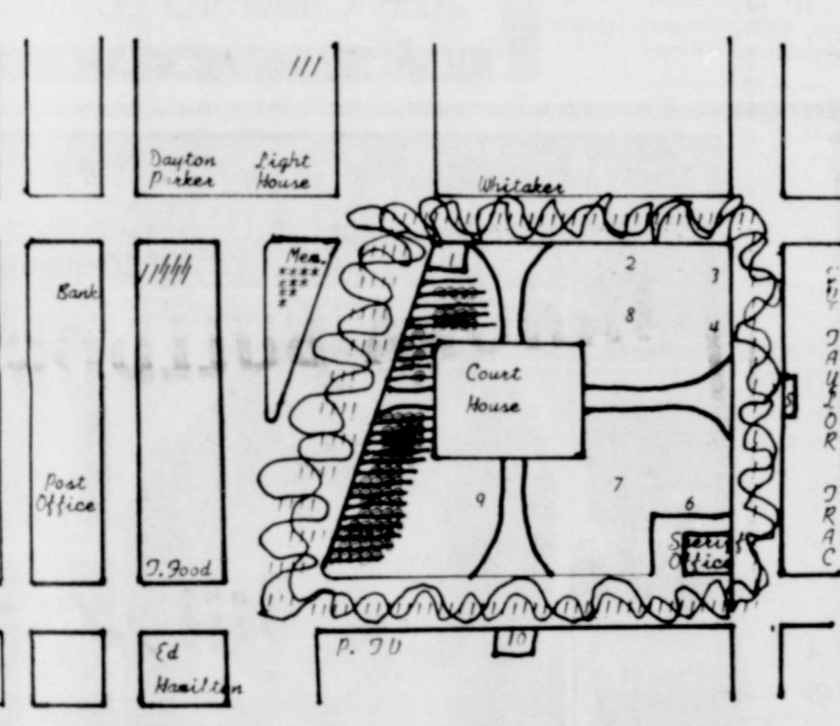

Other items on the agenda were that of the quarter system, the approval of the 1975-76 tax roll as presented by the tax assessor-collector, and the gym floor.

## LOCAL NEWS

Mr. and Mrs. Ray Pinner of Bentonville, Arkansas were guests of Mr. and Mrs. D. R. Proffitt on Thursday of last week.

## COTTON RESEARCH AND PROMOTION ORDER AMENDMENT

The Secretary of Agriculture has announced in the Federal Register of September 3, 1976 public hearings on proposed amendments to the Cotton Research and Promotion order. Hearing sessions are to be held at four locations beginning on the dates listed below:

p.m. local time; Memphis, Tennessee 38103, Ramada Inn (Downtown), 160 Union Avenue.

September 23, 1976, 10 a.m. local time; Atlanta, Georgia, Ramada Inn (Airport), 845 N. Central Avenue, Hapeville, Georgia.

September 28, 10 a.m. local time; Dallas, Texas, Sheraton-Safari Inn, 402 East Safari Parkway, (Dallas-Ft. Worth Turnpike).

Grand Prairie, 75050. Sept. 30, 1976, 10 a.m. local time; Phoenix, Arizona, 85008, Ramada Inn (Airport) 3801 East Van Buren Street. The proposed amendments as announced in the Federal Register are as follows:

**Proposal No. 1**  
The Cotton Board has recommended an additional producer assessment of four-tenths of one percent of the gross sales price per bale of cotton. Proposal No. 1 is to amend Sec. 1205.331 of the order by deleting the following phrase: except that no more than one such assessment shall be made on any bale of cotton; and adding a new paragraph to read:

Each cotton producer or other person for whom cotton is being handled shall pay to the handler thereof designated by the Cotton Board pursuant to regulations issued by the Board and such handler shall collect from the producer or other person for whom the cotton, including cotton owned by the handler, is being handled, and shall pay to the Cotton Board, at such times and in such manner as prescribed by regulations issued by the Board, a supplemental assessment in addition to the above \$1 per bale assessment. For the 1977 and subsequent crops of cotton the rate of the supplemental assessment shall be four-tenths of one percent of the gross sales price per bale of cotton: Provided, (1) That for any crop of cotton, beginning with the 1978 crop, the rate of the supplemental assessment may be increased by the Cotton Board and the Secretary in increments; and (2) That the final rate of the supplemental assessment shall not exceed one percent of the gross sales price per bale of cotton.

**Proposal No. 2**  
Include in the Order, as required by Public Law 94-366, provisions which require the reimbursement of the Secretary of Agriculture (a) for expenses up to \$200,000 incurred by him in connection with any referendum conducted under the Cotton Research and Promotion Act, and (b) for expenses incurred by him for administrative costs and supervisory work up to five employee years annually.

**Proposal No. 3**  
Make such changes as may be necessary to make the Cotton Research and Promotion Order conform with any amendments thereto that may result from this

hearing. Any certified cotton producer organization or other interested person or persons may submit a proposal or proposals for alternate rates or rate procedures for the supplemental producer assessment or such other amendment to the order which will tend to effectuate the declared policy of the Act.

Copies of this notice of hearing and the Order may be procured from the Cotton Division, Agricultural Marketing Service, U.S. Department of Agriculture, Washington, D.C., or from the Hearing Clerk, Room 112A, Administration Building, U.S. Department of Agriculture, Washington, D.C. 20250, or may be there inspected.

Signed at Washington, D.C., on September 1, 1976. (Federal Register, September 3, 1976, page 37337)

Following the hearings the Secretary of Agriculture will review information collected at the public hearings and publish a revised order. Cotton producers then will be asked to vote in a referendum for the purpose of determining if the amended order will be approved.

Current law as amended to date regarding the referendum of cotton producers follows:

Sec. 2107 Referendum and Cotton Producer Approval Of Orders

The Secretary shall conduct a referendum among persons who, during a representative period determined by the Secretary, have been engaged in the production of cotton for the purpose of ascertaining whether the issuance of an order is approved or favored by producers. No order issued pursuant to this chapter shall be effective unless the Secretary determines that the issuance of such order is approved or favored by not less than two-thirds of the producers voting in such referendum, or by the producers of not less than two-thirds of the cotton produced during the representative period by producers voting in such referendum and by not less than a majority of the producers voting in such referendum. P. L. 89-502, Sec. 8, July 13, 1966, 80 Stat. 283)

## Lynn County News

BILL GRIFFIN SAYS....

### CHANGE IN SEED CERTIFICATION

Certified seed purchased after January 1, 1977 will be certified only for genetic identity.

This means that the seed has been produced and processed under standards and procedures established by the Texas Seed and Plant Board and enforced by the Texas Department of Agriculture to assure that the variety is as represented by the certification label accompanying the seed.

Since the new certification standard is concerned only with the genetic identity of the variety, it does not consider such quality factors as purity, inert matter, other crop seed, weed seed, noxious weed seed and germination percentage.

However, the Texas Seed Law still requires that seed quality information be truthfully labeled on a separate analysis label accompanying the seed.

Remember, both labels tell the complete story about the seed. The agent lists a number of reasons for the change in seed certification standards:

- To assure a more dependable supply of seed officially certified as to genetic identity.
- To establish uniformity with the Federal Seed Act.
- To encourage international seed trade.
- To encourage competition for producing higher quality seed.
- To allow production of certified seed having quality characteristics for different market needs.

Producers buying seed for the 1977 planting season should look for the new genetic certification label along with the analysis label accompanying the seed.

Each of the labels has a specific purpose. The certification label means the variety is properly identified while the analysis label provides seed quality information. Producers must read carefully both labels to determine if the seed meets their requirements.

## DPS Reports On Rural Accidents

The Texas Highway Patrol investigated two accidents on rural highways in Lynn County during the month of August, 1976, according to Sergeant H. E. Pirtle, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and one injured.

The rural traffic accident summary for this county during the first eight months of 1976 shows a total of 28 accidents resulting in two persons killed and ten persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August 1976 shows a total of 566 accidents resulting in 16 persons killed and 319 injured, as compared to August 1975, with 596 accidents resulting in 16 persons killed and 292 persons injured. This was 30 less accidents, the same number killed, and 27 more injured in 1976 at the same period of time.

The 16 traffic deaths for the month of August, 1976 occurred in the following counties: three each in Parker and Hansford; two each in Donley and Motley; and one each in Deaf Smith, Foard, Lubbock, Lynn, Montague, and Palo Pinto.

## Schneiders To Be Honored On Anniversary

Mr. and Mrs. Willie Schneider of Wilson will be honored on their 49th anniversary Saturday, September 25th, from 3 to 5 p.m. at their home two miles northeast of Wilson.

## Lynn County Harvest Festival & Contest Rules

COUNTY FAIR  
Fill out entry blank and send to Mrs. Mike Reid, Box 2, Tahoka, TX. 79373, with entry fee and description of item, October 1, 1976.

**CANNED GOODS:** (includes any canned product) All canned products, including pickles and relishes, must be exhibited in standard quart or pint glass jars. No mayonnaise or coffee accepted. All jars must be labeled as to contents. Rings must be left off jars and they must be sealed. These products will not be opened for judging. Paraffin will be accepted and will be a 50-cent fee per item.

**BAKED GOODS:** Breads, cakes, cookies, candies, and pastries must be brought in sealed carton or wrapped until judged. Those not claimed after judging and exhibit will be discarded. No professionals admitted.

**HAND WORK:** Crochet, knitting, tatting, weaving, quilting. Must be hand made and there no later than 6 o'clock Wednesday for judging.

**ART WORK:** (Small items only)  
Metal crafts, holiday decorations, bread flowers, dough leather work, strung beads, handbags, draped figures, painting, gold leaf art, art plaster, decorated shirts, ceramic decoupage, tole painting, macrame.

This category will be divided into youth and adults. First, second, and third-place ribbons will be given for the divisions.

**PRODUCE:** These will be judged on their size and quality. Pumpkin, squash, tomatoes, turnips. This includes cotton stalk and stalk with the most bolls.

Thank you for the memorial service and the beautiful flowers and for the abundance of food brought to the home and church.

May God bless each one and keep you in His care.

The Family of  
Ruby McNeely 39-1tp

I would like to take this opportunity to thank everyone for being so kind to me during my stay in the hospital and since I came home.

Thanks for the flowers, letters, visits, calls, and all other kindnesses shown me.

Thelma Raindl 39-1tc
