

Quarter-Finals, Semi-Finals... Then Finals!

Bulldogs Defeat Kermit 13-9 For Regional Championship!!

Quarter-Final Play-Off With Childress Set For Friday In Canyon

The Bulldog varsity team will leave Tahoka, bound for Canyon to meet the Childress Bobcats in the regional playoff, at 1 o'clock Friday, their departure to be preceded by a pep rally in the gym at 12:45.

Buses for students will leave the school at 4:30, and school will be dismissed at 2:10 on Friday.

Tickets for the Childress game are on sale at the school and the school tax office downtown, \$3.00 for adults and \$1.50 for students, as long as they are purchased in Tahoka.

At Canyon, all tickets will be \$3.50.

BY DARRYL STOTTS

The Tahoka Bulldogs added another "notch-in-the-barrel" for their year of "firsts" last Friday night when they not only played in, but won their first regional championship.

The 'Dogs traveled to Andrews and met the Kermit Yellowjackets, and came out the victors, to the tune of 13 to 9, ensuring for themselves the right to play in state quarter-finals, the foe to be the Childress Bobcats.

The Bobcats had defeated Littlefield 41-7 in their regional contest, the game being played in Kimbrough Stadium at Canyon, the site of the Bulldog-Bobcat clash this week.

Tahoka started the scoring early in the first quarter last Friday night with the Kermit Yellowjackets. The Bulldogs were forced to punt, but Jerry Hatchett recovered a Yellowjacket fumble on the nine-yard line and four plays later Clifford Bailey scored on a one-yard line. Ed Roberson's extra point was

not good. The Bulldogs led 6-0 and it remained that way until the third quarter.

The Bulldog defense kept the Kermit offense outside the twenty-yard line until the fourth quarter. Bailey scored the Bulldogs' second TD with eight seconds remaining in the third quarter, the run being one yard. Roberson scored the extra point and Tahoka now led 13-0.

Kermit then drove for a TD in the fourth quarter and scored on a three-yard dash.

The PAT was good. Coach A. D. Shaver later had Roberson to fall in the end zone for a safety which forced the Bulldogs to kick from the twenty-yard line.

The Bulldog defense held Kermit to two yards in four plays and then ran out the clock. Tahoka had two scoring drives thwarted by fumbles in the third quarter, but won the game 13-9.

The Bulldogs go to the quarter-finals with a 9-3 record, compared to the Childress Bobcats' 11-1 slate. The Bobcat record is as follows:

Childress 40, Paducah 18
Childress 20, Memphis 26
Childress 21, Wellington 6
Childress 32, Shamrock 0
Childress 29, Clarendon 3
Childress 35, Olney 14
Childress 41, Quanah 0
Childress 31, Electra 7
Childress 25, Henrietta 6
Childress 28, Seymour 22
Childress 20, Spearman 3
Childress 41, Littlefield 7

Tahoka's three losses were in the games with Stanton, Idalou, and Post. The winner of the Tahoka-Childress clash will play the winner of the Wylie-Mount Vernon game.

Tahoka fans may purchase a seat on a chartered bus to attend the Tahoka-Childress game in Canyon Friday night. Bus fare is \$8.00 per person, tickets being sold on a first-come, first-served basis at Dayton Parker Pharmacy. Departure time will be sometime between 3 and 4 p.m. on Friday, the exact time not known at press time. Booster Club president Bill Chaney says the club is asking all businesses to close or let employees off at 4 o'clock Friday in order that they may attend the game at 8 o'clock in Canyon.

The Spectator...

By Mary Brecheen

I own a book of poems, a gift to me in 1945, and the pages are yellow now. I turn often to a section therein, and have gained encouragement from its message.

It share its message, and direct it especially to my friends, the Tahoka Bulldogs.

It Couldn't Be Done
 Somebody said that it couldn't be done, but he with a chuckle replied "maybe it couldn't," but he would be one who wouldn't say so till he'd tried. He buckled right in with the trace of a grin on his face. If he worried he hid it. He started to sing as he tackled the thing that couldn't be done, and he did it.

There are thousands to tell you it cannot be done, there are thousands to prophesy failure; there are thousands to point out to you, one by one, the dangers that wait to assail you. Just buckle in with a bit of a grin, just take off your coat and go to it; just start to sing as you tackle the thing that "cannot be done," and you'll do it!

Edgar A. Guest

Col. Hickox Will Speak To High School Students

Lieutenant Colonel Joseph E. Hickox, who is assigned to the 64th Flying Wing at Reese Air Force Base as the Chief of Mobilization/Evaluation under the Deputy Commander for Operations, will speak to students at Tahoka High School at 9:30 a.m. on Thursday, December 8, in the high school auditorium.

His speaking engagements, Lieutenant Colonel Hickox draws upon his experience as an Assistant Air Attache at the U.S. Embassy in Moscow to contrast the freedoms enjoyed in the United States. He also describes the Society military buildup with particular emphasis on the threat that it poses to American freedom and security, and emphasizes the need to maintain American military superiority in order to preserve them.

Name Added To Firemen's Vehicle Fund

Fire Chief J. T. Miller announces that another donation has been received for the Volunteer Fire Department's Emergency Ambulance Fund, in the amount of \$15.00, donated by C. A. Isham.

U.S. Senator John Tower Will Visit Tahoka On Tuesday

Republican Senator John Tower of Texas will make a brief visit to Tahoka on Tuesday, December 6, and will speak at Tahoka High School Auditorium at 9 a.m. The public is invited.

can Chairman Larry Hagood. Following a brief address by Tower, he will answer questions from the audience.

top-ranking Republican on the Senate Armed Services Committee and second-ranking GOP member of the Banking, Housing, and Urban Affairs Committee. He is a member of the Senate Ethics Committee and also serves as the chairman of the Senate Republican Policy Committee. He ranks sixth in seniority among Republican members in the Senate.

SENATOR JOHN TOWER

Women's Division Of Chamber To Sponsor December 11th Home Tour

The women's division of Tahoka Chamber of Commerce will sponsor a tour of seven homes in Tahoka on Sunday, December 11, from 2 to 5 p.m.

Refreshments will be served at the Gerald Huffaker home from 3 to 5 that afternoon.

News Needs Santa Letters

The Lynn County News requests that letters to Santa Claus be mailed or brought to the news office for publication in the Christmas issue, to be published on December 22nd.

J. C. Gandy Asks For Election In Precinct 2

Homes to be visited are those of Mr. and Mrs. Gerald Huffaker, Mrs. Oscar (Bernice) Roberts, Mr. and Mrs. J. E. Nance, Jr., Mr. and Mrs. Austin Simpson, Mr. and Mrs. Harold Gene Franklin, Mr. and Mrs. John Paul Lawson, and Mr. and Mrs. Charlie Louder.

J. C. Gandy, who is now serving the unexpired term of the late Dorman Gandy as Commissioner of Precinct 2

in Lynn County, will seek election for the position in the May 6 Democratic Primary, he announced this week.

BASKETBALL GAMES ARE CANCELLED FOR REST OF THE WEEK

Superintendent Jim Coulston announced that all basketball games for Tahoka, scheduled for this week, have been cancelled.

J. C. GANDY

Large Group Hears Report On International Women's Event

Sixty-five people, from O'Donnell, Lamesa, and Tahoka, attended a meeting in O'Donnell High School auditorium on Monday night of this week at which time Mrs. Ray Englehart of Snyder reported on her attendance at the International Women's Year Conference in Houston two weeks ago.

Mrs. Harold Sanders of O'Donnell introduced Mrs. Englehart, and local arrangements were made by Mrs. Harold Brumit.

Santa Slates Seasonal Showing, Starting Now

Santa Claus will arrive in Tahoka tonight, December 1, making his first stop at the courthouse square, and making subsequent visits to downtown stores which are open.

be open are Bray Chevrolet, Little Mister & Miss Shoppe, Western Auto, Tahoka Department Store, Stice Refrigeration, Tahoka Drug, Plainsman TV, Perry Brothers Variety, Fabric Place, The Plant Place, Tahoka Food Mart, Whitaker Hardware, and Parker Pharmacy. mas gifts will be for sale at the meeting, including such items as golf balls, glasses, coffee mugs, small and large purses, stationery, letter All ladies who are interested in cotton are invited to attend the meeting. Door prizes will be awarded.

Fike Godfrey, Abilene, Enters Race For Congressional Seat, Representing The 17th District

Fike Godfrey, who resigned last month as executive vice-president of the West Texas Chamber of Commerce, officially launched his campaign for Congress this week by pledging the use of "West Texas common sense" in trying to help solve the problems facing Washington.

Film Slated At Baptist Church

Daktar, the dramatic true story of Dr. Viggo Olsen's surgical, diplomatic, and wartime adventures during the bloody birth of Bangladesh, will be shown at First Baptist Church in Tahoka on Sunday, December 4, at 7 p.m. With few facilities and often using crude homemade instruments, this compassionate missionary doctor from Nebraska saved countless lives through skilled surgery and masterful treatment. Today, in Bangladesh, hundreds live whose lives would otherwise have been snatched away by bullets, cholera, typhoid, and a hundred other death-dealing diseases. Daktar is the thrilling story of a soul-winning ministry of Herculean proportions. It was produced by ECRF Films in Dallas, and there will be no admission charge. A nursery will be provided at the church.

Joy Laws Is Candidate For 106th District Clerk

Mrs. Joy Laws, a native of the Grassland community, has announced her candidacy for 106th District Clerk, in the May 6th Democratic Primary in Lynn County. For ten years, from 1963 to 1973, Mrs. Laws was employed in the County Clerk's office, and since 1973, she has worked for the County Tax Assessor. She is the daughter of J. F. Moore of Grassland, and the late Mrs. Moore, and is a graduate of Tahoka High School. She and her husband, Kelly, have two children, Karen Whitley and Terry Laws, both of Lubbock, and they have two grandchildren.

Godfrey

(cont. from page 1)

ces of a congressional office to back me up." Godfrey told a gathering of supporters and news media representatives in Abilene.

"I look forward to representing the views of the people of this district trying to bring some of their common sense to Washington decisions—in trying to help solve the many critical problems which are facing us," he declared.

"We must solve the energy problem, in such a way that people will not be bankrupted simply by using their cars and keeping their homes comfortable," said Godfrey. "We must solve the inflation problem, which is caused by unnecessary, wasteful government spending."

"We must create more jobs, so that our young people can earn a living when they are ready to go to work. We must put the Social Security system back on a sound basis, so that the people, who have paid into it throughout their working lives, will be able to collect their benefits when they retire."

"We must eliminate unnecessary and abusive government interference in the affairs of small business, because it is stopping the creation of new jobs in the private sector," said Godfrey. "We must make it possible for farmers and ranchers to make a reasonable profit on their labor and investment. We must get tough on crime and the increasing use of narcotics, which is growing steadily worse."

"And, above all, we must maintain a strong defense for our nation, strong enough to deter aggression, or else we will find that

solutions to all our other problems are meaningless," he declared.

Godfrey said that, with the help of such people as Congressman Burleson, he has learned to work with congressional and federal procedures while representing West Texas on many trips to Washington during the last seven years. He said he knows his way around the Halls of Congress and has the necessary experience, background, and knowledge of previous Congressional actions to enable him to begin immediately making decisions that are right for the people of the district on many critical issues that the new Congress will face immediately when they convene.

Godfrey said he would be "ready, willing and able to begin providing effective representation for the district the moment I take the oath of office."

Godfrey also noted that he and his wife had spent their vacations for many years traveling to foreign countries. He said the visits they have made to 24 foreign countries would give him a helpful perspective in dealing with foreign affairs matters.

"While this foreign travel is certain to be helpful," he said, "I take the greatest pride in the knowledge I have gained of the people and their problems in the 33 counties in the 17th Congressional District. The people of this area are the greatest on earth. I admire their independence, their self-reliance, their moral values, their common sense, and their patriotism. These qualities helped us to maintain the healthiest economic climate in the nation during the last recession."

Here's An Indisputable Fact About NUCLEAR POWER PLANTS

Nuclear Plants Set New Energy Record

A significant milestone in the history of man's use of energy was passed this year: electricity generated by nuclear power plants in America surpassed that generated by hydroelectric plants.

The Federal Power Commission reports that nuclear plants accounted for 12 percent of all the electricity produced in the United States in the first six months of 1977. The nuclear total was 123.8 million megawatt hours (A megawatt is 1 million watts.) This exceeded hydro-generation, which totaled nearly 110.4 million megawatt hours.

Nuclear power is now challenging natural gas (13.2 percent) for third place fuel in electricity generation, behind oil (17.8 percent) and coal (46.1 percent). It would indeed seem that nuclear power is vital in meeting our energy needs.

Haley Reunion Held In Post November 26

Fifty-one people attended the Haley family reunion on Saturday, November 26, at the Community Center in Post.

Those who attended are as follows: Rollie and Ruth Haley and Amy Hyles, Tahoka; Virgil and Havah Haley, Wilson; Ronnie and Martha Haley, Lubbock; Dennis and Carolyn Haley, Perry, Justin, and Jenny, Wilson; J. M. and Jessie Haley, Post; Karen Scott, Doug and Scott, Lubbock.

Also, Lesa Windham and Brant, Post; Terrell and Addie Brown, Post; Amos and Lorine Gerner, Post; Kenneth and Judy Gerner, Scott and Kim, Houston; Louise Gerner, Dallas; Jerry and Helen Gerner, Karl and Tamra, Post.

Also, Laura Gerner, Lubbock; Ruby Claborn, Post; Frank and Marie Anderson, Terry and Vicki, Roswell, New Mexico; Peggy Claborn, Arlington; Gene and George Ann Claborn, Renee, Lisa, Belinda, and Lance, Post; and Forrest and Sandra Claborn, Jay, Montique, and Amanda, Post.

OBITUARIES

Bill Latson

Bill Latson, brother of Mrs. Coye Collier of Tahoka, passed away Sunday in Commerce.

Owner of a commercial printing business there, Mr. Latson, age 57, had been seriously ill for some time.

He is survived by his wife and children; his father, O. W. Latson; one brother; and three sisters.

Mrs. Jackson

Funeral services for Mrs. Anna B. Jackson, 94, of Lubbock were conducted November 28 in Sanders Funeral Home Memorial Chapel, with Horace Coffman, associate minister of Broadway Church of Christ, officiating.

Burial was in the City of Lubbock Cemetery.

Mrs. Jackson died November 26 in an Albuquerque, New Mexico hospital while visiting a daughter.

A native of Mullin, she moved to Lubbock in 1923 from Goldthwaite. She was a member of the Broadway Church of Christ.

Survivors include two sons; two daughters; two brothers; three sisters; five grandchildren, one of whom is Tom Cooper, assistant high school principal in Tahoka; and a great-grandchild.

Mrs. Ashcraft

Services for Mrs. Parma Leona Ashcraft, 78, of Tahoka were held at White Funeral Home Chapel on November 25 at 10 a.m., officiated by Frank Oglesby, Methodist minister from Spearman, formerly of Tahoka.

Burial was in Resthaven Cemetery in Lubbock, under the direction of White Funeral Home.

Mrs. Ashcraft died November 22nd in Lynn County Hospital.

She was born January 3, 1899 in Alabama and moved to Lynn County in 1936 from Slaton. She and Sam C. Ashcraft were married on March 10, 1920 in Rogers. He died in January of 1961.

Mrs. Ashcraft was a member of the Methodist Church.

Survivors include one son, Clyde Ashcraft, Jr. of Tahoka; four grandchildren; and four great-grandchildren.

Pallbearers were Dick Turner, Sam Ashcraft, Bobby Carroll, Benny Handley, Bertice Askew, and Kenneth Scott.

Community Action Needs Toys/Clothes

Toys and clothes for needy children are being requested by the Lynn County Community Action Center at 1404 South Third.

Calls may be made to the Center from 8 a.m. to 12 noon and from 1 to 5 p.m., 998-5094.

Prescribed Reading

By Davton Parker

PARKER PHARMACY
The U.S. RDA for vitamin A for adults and children over 4 years of age is 5,000 I.U. (international units). One-half cup of either deep-yellow fruits and vegetables, or deep-green leafy vegetables supplies the daily requirement. Other sources are dairy products, margarine and fish liver oils.

Vitamin A is necessary for maintenance of vision in dim light, growth, reproduction and healthy skin and respiratory tracts. Severe deficiencies are rare in the U.S. but insufficient diets in underdeveloped nations cause blindness for 80,000 persons annually.

As vitamin A is fat soluble and can be stored in the liver, over supplementation is possible, particularly in teenagers taking massive doses for acne or in infants whose mothers feel that "if some is good, more is better." Your pharmacist can help you develop a sensible vitamin regimen.

Certificates Mailed To County Voters

Voter Registration Certificates were mailed to all persons who are currently registered in Lynn County.

The new yellow certificates will not become effective until March 1, 1978; therefore, the present blue certificate should not be destroyed until that time.

Persons who do not receive a new certificate are requested to contact the Tax Office, in order that necessary applications may be completed and can become eligible to vote in the coming elections in 1978.

A Visit With Your County Agent

by Stanley Young
Lynn County Agent

Soil Test Now to Avoid Spring Rush
By submitting soil samples for testing now, farmers can avoid the spring rush and get spring crops off to a good start.

Waiting until the last minute to send in samples for testing causes a log-jam at the soil testing laboratory and delays the results. By soil testing now and getting early results, producers can apply some fertilizer in the fall and make final plans for spring applications.

Fall soil sampling also gives a farmer a better chance to seek out the best fertilization program in

terms of cost and application. In some cases, fall application can be combined with tillage for important savings without sacrificing yields.

Without a soil test, farmers are gambling on the amount and type of fertilizer to apply. With a spring soil test there may be frustrating delays. But with a fall soil test, plans can move full speed ahead for the coming crop year.

Store Spray Equipment Properly
With the gardening season over, home gardeners need to store their spray equipment properly so that it

will be ready to use next spring.

A basic step is to wash out the sprayer and treat it with a lightweight oil such as a summer oil used in spraying ornamentals. A light coat of oil will prevent rust and corrosion that is so detrimental to a sprayer.

Hose-on sprayers should be washed thoroughly, including any screens or strainers that are a part of the sprayer.

Since garden sprayers generally represent a sizable investment, it is important that they be cared for properly so that they will give years of dependable service.

December 1, where they will be honored with gold key awards.

This year, in observance of the 25th anniversary of the program, Olin is inviting all past national alumni winners to be their guests at the congress recognition event.

Four outstanding former 4-H'ers in each state and four in each county can also earn recognition in the program. More information is available from county extension agents.

Johnny Bench was a 4-H member in his hometown of Binger, Oklahoma. He says that discipline and self-confidence were his biggest rewards from 4-H work.

"Whenever a parent comes to me and asks if I'll sign an autograph because a child is too shy to ask, I just say, 'No,'" Bench says. "If he wants it, he can come and ask because I like to see kids stand on their feet. Sooner or later he has to learn to stand on his own feet. This is where 4-H helps kids."

of the boxes and the item to provide adequate room for cushioning.

Fiberboard should have "pound test" strength of at least 175. This is usually shown in the box maker's certificate on the bottom of the box.

Fragile articles must be individually cushioned, and all four sides of the container should be padded with cushioning material.

Tape used to close containers should be reinforced and should cover and firmly secure all flaps.

When paper must be used for the outer wrapping, it should be at least equal in quality and strength to the kraft stock used for grocery bags. However, it is preferable that paper wrappers be omitted if the box itself constitutes an adequate shipping container.

Proper packaging is particularly important for books and records. Because of their weight, books should be cushioned so they cannot shift within the box. It is not desirable to ship more than 25 pounds of books in one package.

The thin, long-playing records should be placed in a carton which is at least one-fourth of an inch thick.

Each package should contain the name and address of the person to whom it is being mailed inside the package as well as outside. An address contained inside is assurance that it will be received promptly even if the outside address should become lost or obliterated.

Be sure to put your return address on the package.

Social Security Disability Rules Strict

The social security disability benefits program has stricter eligibility requirements than many other disability programs, Laura Peacock, social security district manager in Lubbock, says.

She noted that some programs pay benefits based on occupational disability; social security does not. Some programs pay benefits based on percentage of impairment; social security does not. Some programs pay benefits based on short-term disability; social security does not.

What social security does, Peacock added, is to pay benefits to severely disabled workers who have worked long enough and recent enough under social security and to certain members of their families.

To be disabled under the social security law, a worker must have a physical or mental impairment so severe that it prevents him or her from engaging in substantial gainful work for a year or longer or is expected to result in the worker's death.

The amount of social security work credit needed to qualify for benefits depends on the worker's age at the time he or she becomes disabled. For a worker age 24 or earlier, 1 1/2 years of credit is enough for a payment. For a worker in his or her 40's, almost seven years of credit is needed, and in addition, five years of work must be out of the last 10 years just before the proven onset of the disability. Payments cannot be made until five full months have elapsed. Payment is made for the sixth full month of disability.

Rodeo scholarships have been increased, retroactive and including all scholarship winners who are still enrolled in college.

The Houston Livestock Show and Rodeo is the largest donor of agricultural scholarships in the state of Texas.

Michael Joseph Bednarz is a junior agricultural engineering major and has been a member of the American Society of Agricultural Engineers for two years, serving as an officer one year. He plans to graduate from Texas Tech University in the fall of 1979.

Gregory Martin Bednarz is a sophomore at Texas Tech and is an agricultural economics major, maintain-

ing a grade-point average of 3.64. He is interested in the business aspect of agriculture.

An outstanding student in a wide variety of subjects, Phillip J. Bednarz graduated from Wilson High School as the highest-ranking student. A freshman agricultural engineering major at Tech, he has been an active member of FFA for four years.

The three students' scholarships were raised by a total of \$4500.

James Fuller Says...

Celebs in 4-H Alumni Ranks

Cincinnati Reds baseball star Johnny Bench, singer John Denver and Mrs. Rosalynn Carter, wife of the President, all have something in common.

They were 4-H members as young people and worked at making the 4-H motto, "To Make the Best Better," words to live and build by.

As former 4-H'ers, the three share a common bond with such other famous Americans as U.S. Senator Howard Baker, TV sportscaster Don Meredith, and former astronaut Alan Shepard.

The national 4-H alumni recognition program, sponsored by Olin Corporation through National 4-H Council, honors former 4-H members whose accomplishments exemplify effective community leadership, public service, service to 4-H and success in their chosen careers.

The program is designed to provide young people with living examples of dependable, purposeful citizenship.

Each year, eight national winners in the 4-H alumni recognition program are selected by the Cooperative Extension Service. 1977 national winners will receive expense-paid trips to the 56th National 4-H Congress in Chicago November 27-

Postmaster Cites Hints For Christmas Mail

"Why take a chance of dampening someone's holiday spirit by sending poorly wrapped Christmas gifts through the mail?" Postmaster Charles Townes asks.

According to Postmaster Townes, customers can be more assured that their gifts will arrive in good condition if the following packaging tips are followed.

A single item in a package should be cushioned with shredded paper, excelsior, compressed tissue paper, cloth, or expanded plastic foam. If two or more items are in the same carton, cushioning material should protect items from contact with each other, and each item should have its own individual inner carton.

Fiberboard containers, including large soap, cereal boxes, etc. larger than the gift being mailed should be cut down to about the size of the gift to minimize shifting of contents in transit. However, breakable items should have at least one inch clearance between the sides

And, finally, address the package correctly and legibly, so that it can be read at two feet. Be sure to include the ZIP code. Mail with the proper ZIP code is processed more rapidly. When addressing mail to a foreign country, be sure to spell out the country's name in full. Do not abbreviate.

Be sure to put only one mailing address on the outside of the parcel. Do not address on more than one side.

Scholarships Increased For Local Students

Gregory Martin, Phillip, and Michael Joseph Bednarz, sons of Mr. and Mrs. Tommy Bednarz of Wilson, are three students whose Houston Livestock Show and

Bacteriological Standard Is Exceeded In City's Samples

The Texas Department of Health Resources requires every city to take samples each month of its water supply, and the four samples collected in Tahoka in October exceeded the Department's "Drinking Water Standards," which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523.

Additional samples were collected immediately, city administrator Ray Mason said, and those reports were negative, indicating that the original samples possibly were contaminated by accidental touching of the containers by the person

taking the sample.

According to the Department of Health Resources, drinking water containing coliform bacteria in excess of the standard may constitute a potential threat to public health, and their presence in water is an indicator of bacteriological contamination of the sample either from the water system or from a sampling error.

Additional samples and customer notification of the public when the standards are exceeded are required by law as a means of keeping the public informed.

BSA Banquet Is December 10

The district Adult Recognition Banquet for the South Plains Council, Boy Scouts of America is scheduled for December 10, at 7 p.m. in Brownfield's First Baptist Church.

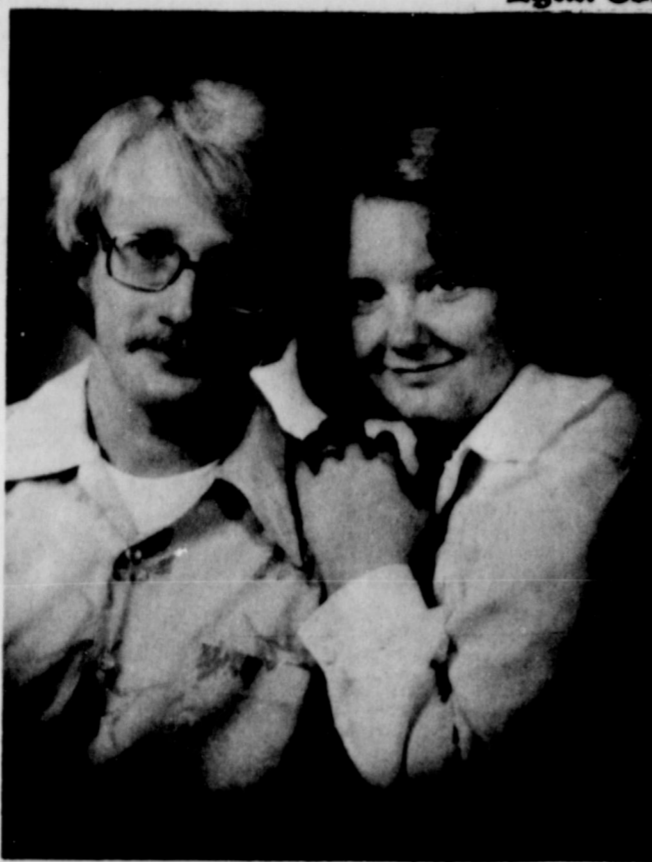

Leroy Bell of Abilene, past president of Area IV, BSA, will be guest speaker, and Charles Varner from Troop 18 will be master of ceremonies.

Admission for scouts attending will be 50 cents per person.

Bridge Winners

Winners in the quarterly club championship game at T-Bar Duplicate Club last week were Mrs. Roy LeMond and Frank Hill, first; Mrs. Winston Wharton and Mrs. Wilson Edwards, second; Mrs. Meldon Leslie and Mrs. H. B. McCord, Jr., third; Mrs. Margie Peltier and James McAllister, Lamesa, fourth; and Mrs. "Bob" Knott and Mrs. Mary Brewer, Brownfield, fifth.

Seven tables were in play.

MR. AND MRS. EDDIE LEE WATERS
...married recently

Miss Ruby Roe, Eddie Waters Are Married On November 17

Miss Ruby Roe, daughter of Mr. and Mrs. S. B. Roe of Tahoka, and Eddie Lee Waters, son of Mr. and Mrs. L. Wayne Waters of Lubbock and formerly of Tahoka, were married on November 17 at 2:30 p.m. in Ardmore, Oklahoma, Captain Donald Johnson officiating.

The groom is the grandson of Mr. and Mrs. V. A. Wright of Levelland.

Attending the ceremony with the couple were Kay Carlton and Phyllis Dyke, sisters of the bride, and Scott DeWayne Dyke, nephew of the bride.

The couple will have a wedding trip in February, and are presently at home in Denton where they are both employed at Denton State School.

AROUND TOWN
By Leona Waldrip 998-4496

Thirteen members attended the regular meeting of Tahoka Rebekah Lodge last Tuesday night.

Officers for the new year have been nominated and election will be December 13. Members will bring food to that meeting to pack a Christmas box for a needy family.

A Thanksgiving supper was served at the close of the meeting.

Only a few more packages of pecans are left, so those who have not called in an order should do so immediately.

Mr. and Mrs. Billy Benson of Tyler spent the Thanksgiving holidays in the home of Mr. and Mrs. Floyd Reece and with his sister, Mrs. JoAnn McNeil, and family.

Mrs. Geneva Houser of Lubbock was a Thanksgiving guest in the home of her sister, Mrs. Clifton Hamilton.

Mrs. Thelma Dewbre has returned to her home after spending from Wednesday through Sunday with her daughter in Comanche.

Mrs. Eva Davis of Dallas visited this past week in the N. O. Townsend home.

Mrs. Davis is Mr. Townsend's sister and she lived here in the 1930's when her husband, the late Rev. Lawrence Hayes, was pastor of First Baptist Church.

Another sister lives in Lubbock and they all had Thanksgiving dinner in the Townsend home.

Mrs. Mary Cunningham

Leta Brown, my sister, of Lubbock, and Mr. and Mrs. Randall Waldrip, Mike and Judy, of Levelland were visitors in my home on Thursday.

Mrs. Nora Hutto of the Office on Aging in Lubbock was in Tahoka on Wednesday to make arrangements for a survey among senior citizens that will begin in the near future.

Monday was birthday-party day at Lynn County Pioneer Club, with five members having birthdays in November.

Those present played games and had refreshments of birthday cake and hot chocolate.

The regular noon luncheon for the club will be this Friday at the center, and the Christmas party will be planned at the business meeting, beginning at 11:30 a.m. Eunice Tolleson and Jimmy Wyatt are hostesses for Friday's luncheon.

New Stamps For Christmas

Yuletide mailers can choose this year between two attractive Christmas stamps when applying appropriate postage to holiday greetings and parcels being sent through the mail.

A colorful design of a rural mailbox, crammed with letters and packages, will add a cheery touch to holiday mail and customers interested in history may choose the design of General George Washington kneeling in prayer during the winter of 1777-78 at Valley Forge.

Both stamps are on sale currently at the main post office and all branches.

The Washington stamp pays tribute to the Continental Army which spent Christmas, marred by severe hardships and semi-starvation, at Valley Forge in Pennsylvania.

After an unsuccessful effort against the British at Germantown, Washington and his troops retreated to Valley Forge. Two days before Christmas, Washington wrote: "We have this day no less than 2,873 men in camp unfit for duty because they are barefooted or otherwise naked..."

This design, by artist Stevan Dohanos, is based upon a painting by J. C. Leyendecker which appeared as a Saturday Evening Post cover in 1935. Mr. Dohanos also is noted for his paintings which appeared on more than 100 other covers of the Post.

A snowy winter setting provides the perfect background for the rural mailbox depicted on the other Christmas issue. The designer is Dolli Tingle, of

MRS. RAY ADAMS, right, of Tahoka, is second vice-president of the American Angus Auxiliary, elected at the recent annual meeting in Louisville, Kentucky, in conjunction with the North American Livestock Exposition and the annual meeting of delegates to the American Angus Association. Other officers are, left to right, Deane Jamison, Columbus, Junction, Iowa, secretary-treasurer; Patty Rae, Onondago, Michigan, third vice-president; Gyra Wagner, Harlan, Kansas, president; and Jeanette Stevenson, Hobson, Montana, president-elect.

Westport, Connecticut, who also created the popular needle-point Christmas Tree stamp of 1973.

Now a familiar sight, the rural mailbox was brand new in 1896 and represented an important link with the outside world for isolated farm families.

Today, rural mail delivery still provides a vital service. Rural carriers each day travel approximately 2.2 million miles to serve 13.8 million families along more than 33,000 rural routes throughout America.

Both stamps were printed by the gravure method.

As an economy effort, the Postal Service issued the stamps in regular size rather

than the larger, standard commemorative size which significantly reduced costs connected with the multi-billion printing run.

So, stock up with either or both of the new Christmas stamps and mail your

greetings early. Be sure to include your return address on all out-of-town greetings, which will enable the post office to return undeliverable cards. Also, please ZIP codes on all out-of-town greetings.

Sherry Ethere 'oe Says

Tree Safety
In buying a natural tree, check for freshness. Fresh needles will bend between your fingers. Signs of dryness include brittle branches and shedding needles. Tap the tree lightly on the ground to see if many needles fall off. Don't depend on a healthy green color. Trees may be sprayed green to improve their appearance. To set the tree up, place it in a sturdy holder with a wide base. Fill the holder with water and refill as necessary all the time the tree is in use. Set the tree a good distance from any heat source. Get rid of the tree when the needles begin to fall off in large quantities. This is a sign that the tree is becoming dangerously dry.

Light Safety
Be sure the lights are safe.

First, look for the UL (Underwriters Laboratory) label to insure pre-purchase safety checks. Then check the tree lights and outdoor lights for frayed wires, loose connections, broken or cracked sockets and spots where bare wire is exposed. Repair or throw out any damaged light set. **Indoor Tree Lights:** In decorating with lights, fasten them securely to the tree, and make sure no lightbulbs are in direct contact with the needles or branches. Keep curtains and flammable materials away from the bulbs. Don't overload extension cords. More than three sets of lights on any extension cord invites danger. Finally, keep the connection joint away from the water supply of a live tree.

Outdoor Lights: Don't try to use indoor lights for outdoor lighting. Make sure outdoor lights are weather-proof and the label clearly says they are for outdoor use. Before leaving the house or going to bed, be sure all lights are turned off. Remove outdoor lighting as soon as the holiday season is over. Even these lights are not designed to withstand prolonged periods of time in the elements. **Ornament and Plant Safety** Avoid placing breakable ornaments or those with small detachable parts on lower tree branches where small children or pets can reach them and knock them off. Also, keep other decorations and holiday plants out of children's reach. Some traditional holiday decorations such as mistletoe and hollyberries, may be harmful if eaten.

Willie Thomas, and Mr. and Mrs. Buck Martin. Mr. and Mrs. Ricky Don Meeks are the parents of a son, Rodney Lane, who was born November 24th at 1:19 p.m. He weighed five pounds, four ounces, and was nineteen inches long. The baby's mother is the former DruAnn Dockery, and the father is employed at Lyntegar Electric. Grandparents are Mr. and Mrs. Norman Dockery and Mr. and Mrs. Junior Meeks, all of Tahoka. Great-grandparents are Mrs. Opal Dockery, Mrs. Joyce Bailey, and Mrs. C. W. Meeks, all of Tahoka, and Mr. and Mrs. Walter Blackwell of El Paso.

Mr. and Mrs. A. B. Garner, Jr. announce the birth of their daughter, Christi Lynn, who was born November 26 and who weighed eight pounds, thirteen ounces. The young lady has two brothers, Blair and Brandon. Grandparents are Mr. and Mrs. Robert L. Smith of Dallas, and Mrs. A. B. Garner of Lubbock. Great-grandparents are Mrs. V. C. Bures of Loveland, Colorado; Mr. and Mrs. C. N. Burt of Green Valley, Arizona; and Mrs. C. E. Smith of Wausau, Wisconsin.

Introducing

Mr. and Mrs. David Martin and Miranda announce the arrival of a baby girl to join their family. Marisa Ann was born November 22nd at 3:45 p.m. in St. Mary's Hospital in Lubbock, weighing eight pounds and four ounces. Grandparents are Mr. and Mrs. T. R. Riddle, JoAn Mock, and Dan Martin. Great-grandparents are Mrs. Vivian Riddle, Mrs.

Beat The Bobcats!

Why Johnny Will Learn To Read...In Tahoka

THIRD-GRADE TEACHERS, left to right, Mrs. Linnie Redwine, Mrs. Nancy Williams, and Mrs. Zuma McWhirter, investigate picture files belonging to reading specialist, Mrs. Nancy Hammes, right.

MRS. NANCY HAMMES, standing, a reading specialist from Cisco demonstrates her material to Tahoka teachers, left to right, Mrs. Joe Harvick, Mrs. Shirley Holloway, Mrs. Annette Ellison, and Mrs. Max Haynes.

Teachers in Tahoka schools were privileged, on an in-service day November 23rd, to hear Mrs. Nancy Hammes, a reading specialist who teaches in Cisco. No subject is more debated than that of "Why Johnny Can't Read," and the issue is met "head on" in Tahoka. Mrs. Hammes is the second specialist this year to work with Tahoka teachers, and without a doubt, Tahoka teachers are rapidly becoming specialists themselves.

MRS. MINNIE LOU ASH, left, discusses with other second-grade teachers, Mrs. Belva Whittington, center, and Mrs. Gerald Deane Wood, a new individualized teaching aid known as a System 80.

ALWAYS ON THE ALERT for methods to teach first-graders to read are Tahoka teachers, left to right, Mrs. Lucille Ayer, Mrs. Virginia Griffing, and Mrs. Wanda Farr.

WHAT ARE CLUES TO SUICIDE?

The following are some things to watch that might be a forewarning.

- A serious change in mood or behavior.
- A change in habits accompanied by depression.
- A pre-occupation with one's health, along with a loss of energy.
- Insomnia and change in sleep patterns.
- A sudden decline in economic status via serious business reversal.
- A break in a close relationship.
- An older person whose life style is suddenly changed or who is abruptly left alone.
