

## Tax Appraisal Board Sworn In

The new Lynn County Tax Reappraisal Board was sworn in Monday afternoon, and began considering its duties of seeing that all property in the county is appraised at the same amount for all taxing entities.

Larry Hagood, the representative for the City of Tahoka and for the Lynn County government, was named chairman of the group, a position he accepted reluctantly. Other members of the board sworn in by County Judge Melvin Burks are Cates Zant, representing the City of New Home and New Home School District; Tom Freitag, Wilson School District and City of Wilson; Tommy Woolam, City of O'Donnell and O'Donnell School District; and J.F. Brandon, Tahoka School District.

Zant was named vice chairman and Woolam secretary of the group.

After a discussion of the duties of the board, which is charged with administering the state-mandated reappraisal of all property, the group noted a problem of getting across to the public the fact that the entire program is required by the state, with the county, cities and school districts having no choice but to carry out the new law.

A tax reappraisal firm, McMorries and McMorries of Hereford, already has representatives in the county setting values on property. The firm will be responsible

to the new board, although the different taxing agencies contracted the firm's services before the board was sworn in.

"We know the reaction of some people is going to be negative when they find out

what values are set on their property," one member said. "But we will just have to try to work out any inequities that may arise, and live with the fact that the appraisal values are going to be higher...we hope people remember that we are all

taxpayers, too."

The new law requires that property be valued the same by all the taxing units, and that the value set on the property be actual 100 per cent value. Each taxing unit will set its own rate, however.

## Storage Tank Repairs Okayed

### WOODWORK

by dalton

Waco Tank and Steel Co. was awarded a bid to repair two overhead storage tanks for the City of Tahoka as the city council met in regular session Monday night.

The company's bid was for \$44,740 to repair the two tanks, a project which is related to the overall sewer and waterworks improvement program for which Tahoka voters last year approved a \$250,000 bond issue.

The general contract on the water and sewer improvements was awarded in November to Plains Utility Co. of Lubbock, which has

begun preliminary work on the project.

The council delayed calling for bids on paving in the city, a program restricted to low-income areas of Tahoka because the federal government is paying for it with Community Development Block Grant funds. A total of \$500,000 has been set aside for the project. The delay in calling for bids was to allow more time for additional paperwork required in preparing bid specifications.

Councilmen also authorized stop signs to halt north-south traffic at the intersection of Ave. O and N. 7th. In a related matter, the group discussed general policies regarding stop signs in the city.

All council members were present, including Richard White, James Roberts, Jim Solomon, David Midkiff, H.B. McCord Jr., and Mayor Meldon Leslie. A.C. Bowden, the city's consulting engineer, was among visitors present.

Carl Reynolds, city secretary, reported on the financial status of the city.

## McCracken Is Seeking Re-Election

George McCracken announces that he is a candidate for re-election to the office of Lynn County Tax Assessor and Collector, subject to the May Democratic Primary Election.

In regards to his candidacy, McCracken made the following statement to the citizens of Lynn County:

"I appreciate your cooperation and the wonderful support that you have given me. I have done my best to serve you in a fair and impartial way and to execute the duties of the office in the way that I feel you would want it to be run, always striving to be courteous and to assist you in any way possible.

Your support and vote will certainly be appreciated, and if elected, I will continue to do the very best job that I possibly can."

## Edwards Is Seeking Post In Precinct 1

Melvin Edwards this week announced his candidacy for Commissioner for Precinct 1.

Edwards is a life-time resident of Lynn County and was educated in Wilson Schools. Melvin is a farmer, realtor, and auctioneer and is married to the former Jeanell Martin. They have one son, Mike.

Edwards said he feels he is qualified to serve the residents of Precinct 1. He told the News that he will be visiting the residents of Precinct 1 to get their views and ideas on how he can better serve them.

## Registration Of Voters Set

Voter registration certificates are being mailed out to Lynn County residents this week, county tax assessor-collector George McCracken said.

McCracken asked that anyone not receiving a registration certificate within a week or so please contact his office in the courthouse in Tahoka, The Wilson Co-op Gin, Moore Insurance Agency in O'Donnell or New Home City Hall for registration forms.

The forms must be returned by the end of February in order for a voter to cast a ballot in the primaries coming up in May.

## Gin Worker Shot In Hand

A worker at Wayside Gin was hospitalized at Lynn County Hospital Sunday evening for treatment of a gunshot wound suffered at the gin.

Although sheriff's officers were still investigating the incident and no charges had been filed by Wednesday morning, the wounded man reportedly said he was shot in the head while attempting to wrest a gun from another man. The suspected gunman was detained by Wilson Police shortly after the incident, but was later released pending further investigation.

Deputies investigated a report from Gene Ingle Tuesday that some tractor weights had been stolen from a farm northeast of Tahoka.

Three auto accidents in the city were investigated by Tahoka Police Dept. during

the week. Last Wednesday at U.S. 380 and Kingston St. a 1978 Ford pickup driven by Gary Jack Cook, Rt. 2 Wilson, and a 1972 Ford driven by Helen Gonzales of Tahoka collided, and the woman was taken by

ambulance to Lynn County Hospital for treatment. She later was released.

On Monday at U.S. 380 and Main a 1973 Pontiac driven by Brenda Diane White of Tahoka and a 1969 Chevrolet pickup driven by Claudie Junior Meeks of Tahoka were involved in a collision.

On Tuesday a 1976 Chevrolet pickup driven by Curtis Gene Whitley of Tahoka and a 1969 Chevrolet driven by Julia Pope Austin of Tahoka collided in the 200-block of N. 5th.

Two guns were reported stolen out of a pickup at 1113 S. Ave. K. The report was made by Dwain Hager Saturday.

Police also investigated a report of vandalism. Someone drove a vehicle across a yard on N. Main.

## Commissioner Anderson Asks Support

Bart Anderson, commissioner of Precinct 3, Lynn County, this week announced that he would be a candidate for re-election to the office.

"I appreciate the cooperation shown me while in my first term in office," he said. "If elected, I will strive to do a better and more efficient job in the future."

Two tickets were issued for failure to yield right-of-way, one for negligent collision and one for no drivers license.

## Chamber Sponsors "Paint-Up"

The Chamber of Commerce is currently sponsoring a "Paint-Up, Fix-Up" project in downtown Tahoka. The purpose of this campaign is designed to make Tahoka a more attractive community as well as to promote our local businesses through individual efforts.

A representative from the Pittsburgh Paint Company will be present at the next Chamber of Commerce luncheon meeting on Jan. 15 at 12:00 noon in the Tahoka Cafeteria.

All downtown business people as well as chamber members are urged to be present for this meeting. A drawing for \$15 will also be held.

Additional information may be obtained by calling the chamber office, 998-4761.

SAVING THE MANY THINGS I'M NOT SURE ABOUT IS TO LIVE. I CAN USUALLY GO TO THE HOUSE WITHOUT TOO MANY WRONG TURNS, BUT I HAVE A LITTLE TRICKY DIRECTING ANYONE THERE, MAINLY BECAUSE I DON'T HAVE A NUMBER ON THE HOUSE. THE REASON WE DON'T HAVE A NUMBER IS THAT THERE IS TOO MANY QUESTIONS AS TO WHAT THE NUMBER SHOULD BE. SOME OF THE LEGAL PAPERS RELATING TO THE HOUSE (AND THERE ARE ABOUT 17 COPIES OF THOSE) REFER TO IT AS BEING LOCATED AT 2108 N. 8TH ST. AND SOME SAY 2106 N. 8TH. THAT IS IN A RARE PLACE WHERE THE PROPERTY IS NOT DESCRIBED AS "TO WIT: THE SOUTHEAST HALF OF BLOCK ORIGINAL TOWNSITE OF AN INDIAN VILLAGE, THENCE NORTH AND 2 INCHES WEST OF A SPOT 15 MILES OF THE WEST BOUNDARY OF A SPANISH LAND GRANT VERNON'S TEXAS STATUTES, P. 2453, VOL. VIII)." APPARENTLY PEOPLE WHO HAVE HOUSES IN TAHOKA, THERE IS NO POSTAL DELIVERY TO HOMES, CAN PUT THE NUMBER THEY WANT TO ON THEIR HOUSES. I WENT UP AND DOWN MY SIDE OF THE BLOCK TO SEE WHAT THE OTHER PEOPLE WERE USING, AND FOUND OUT THE FIRST HOUSE WAS 2100, BUT THE NEXT HOUSE WAS WEST, RIGHT NEXT DOOR, WAS 2104. THAT WOULD BE OURS 2108, OR IF YOU FIGURED THE LOGICAL NUMBER PROGRESSION, IT WOULD BE 2106. NEXT TO A VACANT LOT, AND THE HOUSE ON THE OTHER SIDE OF THE LOT IS 2114. I ASKED THE FOLKS AT THE FRIENDLY (WHEN YOU PAY ON) FINANCE CO. CALLED ONE DAY AND SAID THEIR RECORDS LISTED TWO SEPARATE ADDRESSES, AND WOULD I PLEASE DESIGNATE ONE OR THE OTHER. I CHOSE 2106 AND CHANGED ALL THEIR RECORDS. NOW I'M THINKING ABOUT PUTTING UP THE NUMBERS 2108 SO WHEN THEY COME TO REPOSSESS THINGS, I CAN TELL THEM THE PEOPLE WHO LIVED AT 2106 TOOK THEIR HOUSE AND LEFT THE PROPERTY. ACTUALLY, I THINK I'LL PUT UP A SIGN WHICH SAYS "2106 OR 8TH". MEANTIME, IF YOU WANT TO VISIT US, FIRST YOU FIND THE HOUSE, THEN DRIVE WEST UNTIL YOU SEE TWO LETHARGIC DOGS IN THE FRONT YARD OF ONE HOUSE, AND KEEP DRIVING UNTIL ANOTHER DOG BARKS AT YOU. THEN BACK UP UNTIL YOU ARE ABOUT 50 YARDS AND LOOK NORTH. IF THERE'S A HOUSE ON THE CORNER BETWEEN YOU AND THE OPEN FIELD, THAT'S US. \*\*\* A STRANGER CAME UP TO A LYNN COUNTY FARMER ONE DAY AND ASKED HIM HOW MUCH ONE OF HIS COWS WAS WORTH. THE FARMER PONDERED A MINUTE AND THEN REPLIED: "THAT DEPENDS. ARE YOU ONE OF THOSE NEW TAXPAYERS, OR HAS ONE OF MY COWS BEEN HIT BY A CAR?"

# ELECTRICITY FROM COAL...

It's good to know there's something we can depend on.

Almost all of us depend on electricity in our homes, factories, and offices to provide for more jobs... greater productivity... and a higher standard of living. Yes, electricity plays a big roll in the scientific and technological developments that make these things possible.

The constant striving for these innovative and advanced ideas and achievements of tomorrow means we will need more electricity. That's why Southwestern Public Service is continuing the building program of new electric generating plants that use coal as fuel. Because it's good to know there's something we can depend on.

## Cemetery Group Seeks Addresses

Names and addresses of all persons who have friends or relatives buried in Tahoka Cemetery are being sought by the Tahoka Cemetery Commission so a mailing list can be compiled. Members of the commission met this week and decided to make the request for all such names and addresses, asking that anyone having this kind of information please give it

to any commission member or mail it to the Tahoka Cemetery Board, Box 300, Tahoka, Tx. 79373.

This month, \$1,360 in donations were made to the cemetery commission, which is seeking the funds to help maintain the facility properly and to enhance it with permanent memorials.

Billie White, chairman of the commission, said statements have not been sent out on lots in the last two years, because the response was too poor to justify the mailing. The group believes a better response will come from an appeal for donations, with a letter explaining the needs soon to be mailed out.

A special meeting is planned at 8 p.m. Jan. 29 at the city hall, and everyone is invited to attend, the chairman said.

Referring to the need for contributions, she added: "Any amount will be welcome."

## District Jury Cases Passed

Although there were several criminal and civil cases on the docket, all cases coming up for trial in the 100th Judicial District Court here this week were passed after no jury could be obtained from the panel of names called for that purpose.

Among the cases passed was that of Charles Austin, being held in county jail on a charge of armed robbery in connection with the robbery of Woods Jewelry here in June, 1978.

may develop because of the failure of the transportation system to replace dealer inventories rapidly enough during peak demand periods. Therefore, farmers should consider early fertilization where possible.

Another difficulty this year is the high cost of credit. Financing early fertilization may be hard for farmers.

Those who have income from this year's crop that can be invested in fertilizer for the 1980 crop will want to consider potential advantages.

## Chemicals Meeting To Be Held

An Agricultural Chemicals meeting will be held Monday, Jan. 14, 1980 at 7 a.m. at the Tahoka Cafeteria. Dr. James Supak and Dr. Dale Pennington, specialist with the Texas Agricultural Extension Service, will present the program. They will discuss weed identification and control, new chemicals development, fertilization and fertilizers. Also discussed will be testing of soil and benefits of soil test.

This meeting is sponsored by Tatum Brothers Elevator, Leighton Knox Manager and Crops Committee of the Lynn County Program Building Committee.

All Extension programs are open to everyone regardless of socio-economic level, race, color, creed, sex, age, religion or national origin.

Transportation and credit should be the two biggest factors determining the supply of fertilizer to local farmers.

However, there are many unpredictable factors that influence the fertilizer production and distribution system which make it difficult to forecast fertilizer availability at any given location next winter and spring.

### Durham Makes 1980 Predictions

Dr. K.R. Durham made his annual talk at Rotary last Thursday, an event that has become a tradition of the club--his half humorous, half serious predictions on things to come this year and during the new decade.

"This will be a decade of boom, not doom," he predicted, in spite of inflation, trouble in foreign affairs, and energy shortages.

Seriously, he declared we must get back to principles which made America great. This includes not letting other nations run over us as a result of weakness in foreign affairs by taking affronts from such as Korea,

Vietnam, Cuba, Iran, and the Soviets invasion of Afghanistan.

Inflation is caused by uncontrolled government spending and drastic regulations. Roosevelt took us off the gold standard and Johnson off the silver standard, and the government prints more and more paper money that is growing worthless rapidly.

Otherwise, he injected humor into his talk.

Jim Coulston was in charge of the program.

### Methodist Women Meet

The United Methodist Women had a salad supper in Fellowship Hall Jan. 3. Following the meal, Mallie Eudy was in charge of the program. Lois White gave a devotional and the "Three Whats Its" sang.

Cloie Jan Wells installed the following new officers: President, Ann Hamilton; vice president, Betty Owens; treasurer, Maritte Montgomery and secretary, Allav Jones.

Maritte Montgomery directed the pledge service.

Eighteen members attended. The meeting was closed with a prayer.

### Grassland Hobby Club Meets
