Man's Wheelchair Is Stolen In City

City Police during the week were looking for a candidate for the person in these photos who can't operate his wheelchair. Chancy, who lives in the city, told police that between July 14 and 15 someone took his wheelchair from him. Chancy has a wheelchair he keeps in a station wagon, but he used the one in his car to get from house to car. Implement Co. re-estimated two 50-foot garden hoses, a spray-type hose in front of the house on U.S. 380. They were valued at \$50. On Tuesday at 2nd and 3rd streets collision between cars resulted in three persons being treated for injuries and then released. A 1970 Pontiac driven by Minnie Leota Conwill, Route 5, and a 1975 Chevrolet driven by Sylvia Riojas, 1229 Ave N, were involved. Mrs. Riojas and two children were treated. Last Wednesday in the 2300 block of Lockwood, a 1973 Chevrolet driven by Vesta Marie Appling, Route 5, and a 1979 Chevrolet driven by Winfield Allen Craddock of Sundown were involved in a collision. Police also investigated three complaints of persons drinking, cursing and playing loud music in residential areas during the week. The sheriff's department investigated four burglaries during the week. Last Wednesday the Star Drive In, just outside the city limits

in Tahoka, was burglarized and a quantity of food stolen, plus about \$4 in change. On Thursday, the Richard Trevino residence a mile west of Grassland was reported burglarized. Missing were an alarm clock, RCA color TV and children's toys. Last Friday Oscar Follis reported a barn a half mile south of Wilson on FM 400 was burglarized and a tool box and tools were stolen.

Another barn burglary was reported Sunday by J.E. Nance. Missing from the barn 3.5 miles north of Tahoka on U.S. 87 were assorted hand tools, batteries and a cutting torch. Three persons were arrested and placed in county jail during the week, including two for public intoxication and one for driving while intoxicated.

New Property Tax Values Still Awaited

Taxpayers who have been waiting with something less than eager anticipation for a report on how much their property has been valued at in the county apparently will just have to wait a bit longer. Officials of the City of Tahoka, Lynn County and Tahoka School District say they cannot mail out notices on new appraisals until the appraisal firm gets them in. The firm hired to do the state-mandated reappraisal of all property was supposed to have finished the job by now, but had not done so early this week, according to local officials. When the figures are in, each taxing unit will set its tax rate. Some protests to a review board are anticipated, since most property will be valued much higher than ever before. The state requires that all property be valued at its actual value, while much property has been valued for years at just a fraction of what it is really worth. Notice of when the review board will meet will be posted in advance as well as stated on mailed reports to taxpayers. One board will hear protests of taxpayers for all the taxing jurisdictions.

Girls Cage Clinic Is Slated Here

All girls in grades 4 through 8, who are interested in playing basketball are urged to attend a basketball clinic conducted by Tahoka basketball Coach Sandy Oliver. The clinic will begin with a session on Aug. 4-8 for girls who will be in the fourth, fifth, or sixth grades. Another session for seventh and eighth graders will be Aug. 11-15. The clinic will be held from 9:00-11:30 each morning and the cost will be \$5 to cover the cost of refreshments during break. Those interested in attending the clinic should meet Coach Oliver at the Tahoka High School gym at the time their session begins and bring their money at that time. If anyone has any questions, call Miss Oliver at 998-4475.

Grid Mag Tabs Slaton For Title

Texas Football's summer edition, which picks district winners in the state high school football districts, but makes no prediction of the order of finish after that, says Slaton will win District 4-AAA, which includes Tahoka in the coming season. All classifications have been moved up a notch, with former AA teams now AAA, to allow for some AAAAA teams and eliminating Class B.

Last year Tahoka, Slaton, and Seminole tied for district, and Slaton won a drawing to see who would represent the district in playoffs. This year the district will include Slaton, Tahoka, Roosevelt, Post, Cooper and Frenship, dropping Denver City and Seminole to other districts. Of Tahoka, the magazine says the Bulldogs "hope to win it outright this season," and mentions several returning stars for the Blue and White.

IT'S A CLOUD -- This rare apparition in the sky over Tahoka Tuesday was a cloud, something not seen around this area for many months. There was a 5-minute sprinkle about 8:30 a.m., and at least it was a bit cooler for awhile, giving some hope that much-needed rain may come soon on area cotton.

Children's Photos To Be Taken Free

Next Wednesday, July 30, is the day when color pictures of youngsters in Tahoka and surrounding communities will be taken free of charge, with black-and-white prints of the pictures to be printed in the Lynn County News later. All children accompanied by their parents or other guardian to the Tahoka Community Center between 11 a.m. and 7 p.m. next Wednesday will have pictures made absolutely free of any charge or obligation. The News will publish the pictures in a photographic feature series of local children entitled "Citizens of Tomorrow."

A professional children's photographer will take the pictures in color. So parents are urged to dress their youngsters colorfully. There is no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the Lynn County News nor even a reader. You do not have to purchase pictures either. Proofs will be shown in color and you may obtain color portraits by arranging direct with the studio representative if you want them. That is entirely up to you. The pictures appearing in the newspaper will be in black and white. Parents are reminded to mark the date and bring the children to the community center. To keep things orderly, it is desirable to get an appointment, and you may make an appointment by calling Katie Jolly at 998-4368, eliminating the possibility of a long wait.

T-Bar Golf

The T-Bar Club Partnership will be held for members only, Aug. 3-4. Entry fee is \$20 per person. Please sign up as soon as possible in the Pro Shop. Further details will be posted at the Pro Shop.

CAMPING OUT IS FUN. How much fun depends whether you're the wife, husband or one of the kids and whether you remember to bring all the camping equipment and whether everything goes properly.

A Tahoka family recently went on a camping trip and had lots of fun, plus some incidents that made it so much fun, except maybe in retrospect. The trip is not memorable unless some things go wrong. I know that the thing we remember most from a trip into New Mexico we took a couple of years back is the primitive motel room we had in Lordsburg, N.M. It was the only one in town, no air conditioning, and so small that there wasn't room to change your mind.

We can't even remember all the nice, fancy things we stayed in. (It may be because we didn't remember any.)

Anyway, this Tahoka couple rented a camper, drove home from Lubbock, already late in the evening, and their packing done so they could leave for the next morning.

When the camper was locked up, she asked him, "You get the key?"

"No," he said. "Didn't you get the key?" So they drove back to Lubbock after the key. This set the scene for the trip, according to the female member of the family.

When they picked up the camper, the husband asked the rental people what he should do if he had a flat. No problem, the folks said, "nobody had a flat on one of these things in 10 years." On the road a day or so later as he changed a tire she said she could hear him muttering something about no flats in 10 years.

When they got up into the mountains "24 miles of civilization," as he put it, they discovered there was no butane in the stove. So they cut their trip here a bit short.

In revenge, he tried to keep the ice box out of the car, turning it in without it, but they called and wanted it back.

In spite of the problems, they all said it was a good trip, and now they have some things to remember about it.

When not permitted to identify this couple, these bank presidents are very sensitive about their city.

A group of city teenagers stopped to gas up at a gas station in a nearby town.

The young grandpa, hooted one of the young men to the older attendant, "How long has this town been dead?"

When pumping gas, the man replied, "Not long, I'm in. Y'all are the first buzzards to come here."

Midkiff Wins Net Title

Sherry Etheredge Says....

Don't become a heat stroke victim during Texas' scorching heat wave.

Know the warning signs -- and take action!

Most likely affected are older persons, the obese, the very young, alcoholics and people suffering from chronic diseases.

Warning Signs

When it's too hot, people can suffer heat exhaustion or heat stroke. Heat stroke will kill, if you don't take immediate action. Heat exhaustion, on the other hand, usually is not life threatening.

Heat Stroke-- Warning signs are reddened skin, fiery hot to the touch and dry. The victim is obviously feverish but NO LONGER PERSPIRING. The victim might be disoriented -- or possibly unconscious. Most heat stroke victims collapse. Heat stroke victims can be suffering body temperatures up to and over 108 degrees F., because in cases of heat stroke, the body's normal cooling mechanisms have quit functioning.

Heat Exhaustion-- Warning signs are pale skin that is cool and moist to the touch, and the body temperature is about normal. The victim might be disoriented. A few heat-exhaustion victims do become unconscious and collapse.

Act Fast For Heat Stroke

Minutes count in cases of heat stroke. Reduce the body temperatures at once. Call for an ambulance or medical help, then start cooling the victim with whatever means you can find. Bathe him with cold water if possible. But be careful if he's unconscious, so you don't accidentally get water into the nose or mouth.

Another warning: watch for respiratory distress, and assist his breathing if necessary. Due to the necessary rapid cooling of the body, the victim may go into shock, and that can affect breathing. Heat-stroke victims should be hospitalized and observed for several days-- in case there might be kidney or nerve damage.

Save \$14.00 Out Of Every \$50 By Shopping In Tahoka

Did you ever drive 60 miles or more to take advantage of a super special? An item that costs you \$50 locally would have to save you \$14.40 if you drove 60 miles round-trip to get it and just wanted to break even.

The American Automobile Association certifies that 24.0 cents is what it costs to drive your car one mile. That sweet buy can suddenly turn quite sour.

And each 60 miles takes 3 to 6 gallons of gasoline which the potential shortage of oil-derived fuels would encourage us to save.

Local merchants, whether they sell groceries, clothing, drugs, hardware, appliances or whatever, feature top line nationally advertised products at competitive prices. These same merchants support your schools, churches and civic groups. They help us all pay for the improvements that make this a better place to live.

So save yourself some money, help fight the energy crisis and support local merchants. And save the drive to faraway communities. Shopping at home is a wonderfully simple way to do yourself several favors at once.

Mrs. Kieth Is Chairman

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of Mrs. Charlene Kieth, as Chariman of its 1980 Breath of Life Campaign in New Home, Texas.

Mrs. Kieth will be recruiting volunteers within the community to help plan and carry out a CF Breath of Life Campaign this fall.

The purpose of this Campaign is to provide the community with information about Cystic Fibrosis and to raise funds to support research, education and care programs for CF patients.

To volunteer for the Breath of Life Campaign, please contact Mrs. Kieth.
