The city lots north of the Museum, adjacent to the former WOW hall, will be enclosed by a chain link fence for exhibit of farm implements. The lot was cleared last week by Highway 380 paving crew engaged in replacing old brick at the intersection of 380 and Lockwood and Main Streets Sufficient brick taken up in this project has been given the Museum for walkways in the farm exhibit

Heads Committee

Maurice Huffaker has been named to head a committee to locate and secure old implements used in the horse and mule days, and already has several given or promised.

Mrs. Linnie Redwine, membership chairman, reports annual dues of members have not come in too well. The board urges all members who have not done so to send in their 1980-81 dues, and new members are also solicited. The Museum project is operated almost entirely on gifts and

The county depends upon revenue-sharing funds for several major items each

More Snow Shuts Down Area Schools

Lynn County was handed a program of winter reruns early tuesday as another heavy snow blanketed the county, causing schools to close again. Nine days earlier the area had an 8-inch snowfall.

Snow was continuing at press time Tuesday, but was estimated at 5 to 6 inches by midmorning. It was predicted to stop during the day. Some cotton still remained in the fields in Lynn County, and the new winter storm creates more delay in finishing up the meager 1980 crop. Some observers estimate that 75 per cent of the crop already has been

harvested, however. Students will have to make up the time missed Tuesday and the day missed the previous week, since state law requires that classes be held for a specified number of days.

Speaker Says China Is **Progressing**

Mainland China still embraces "Communism with a capital C-- but that does not spell Freedom," Jim Ratliff, Lubbock citizen engaged in investments, told local Rotarians at close of a talk. illustrated with slide pictures, at last Thursday's noon luncheon.

Ratliff, along with 38 Americans, made a guided tour of China this last Sept. 5-26. They also visited the Philippines and Korea.

But, he said, the trip was scary when one realizes that the country has a billion people, is modernizing relatively fast, and could pose a threat to the free world.

Of course, the group was scheduled to see the better parts of the country, the Great Wall, the palaces, a farm commune, the schools and manufacturing plants, and the most affluent people. But, he had high praise for the people, their industry

and desire to learn.

Everywhere they went, the Chinese people were anxious to see the Americans and to show off their children. Everywhere the people were cordial, cooperative, smiling and friendly. His impression was that the Chinese are anxious for closer ties with the United States.

Dr. David Midkiff was in charge of the program and introduced the speaker.

Tahoka Man's **Horse Wins Major Race**

Big Note, a racehorse owned by Buster Phipps of Tahoka, won the \$33,200 Leland Stanford Stakes at Bay Meadows, Calif., Nov. 11, beating the favorite, Love Is Blue, by running the 1 1/6 mile in a fast time of 1:42.

In 12 starts this year between Santa Fe and Bay Meadows, the 3-year-old colt has been in the money 11 times, winning five races. In Bay Meadows, Big Note carned \$19,700, almost doubling his 1980 total.

The impressive winner is the son of Stephanos and Miss Knobby, both also owned by Phipps. Stephanos carned about \$33,000 in 26 races in Florida in the 1970s. Miss Knobby has produced three other runners, who between them have earned \$14,000 in purses.

I'm in my 30s and own a small business. Because of the economy, etc., I think I'd better start now to plan for retirement funds. Is there a way to begin a plan for myself now and when the business gets healthier start pension plans for my employees as an added

If not covered by a qualified pension plan you should consider an IRA (Individual Retirement Account). You need not include your employees. They may start their own IRAs or you can sponsor or fund an IRA for selected employees later. Yearly contributions of up to \$1,500 or 15%, whichever is less, are tax deferred until you use the account. \$1,500 invested every year for 30 years and compounded at 7% turns into \$141,700. An additional advantage with IRA is being able to "roll into" a more sophisticated plan when you are better able to do so.

The varsity boys roundballers opened their season at Ralls Nov. 21, with a close win of 50-48. It was a neck to neck game all the way through. For fans who like excitement there was plenty of it at Ralls. The Bulldogs and Jackrabbits were tied 15-15 after the first quarter. By halftime Tahoka had pulled one point ahead and held the slim lead thru the rest of the game. Tracy White led the scoring with 23 points, followed by Mark Hudlin with 12, Jacky Jolly 7, Charles Bryson 4, Randall Stotts 2 and James Wells 1. Leading the team in rebounds were Jolly and Bryson. Also playing on the team are Curt Terry, Roddy Williams and Roger Dockery.

The game with Shallowater was called off as the Shallowater boys are still playing football.

The varsity girls cage team lost to Ralls on Nov. 21 with a score of 72-40. The Dogettes held the Jackrabbits to a tight score until the last minute of the first quarter. The Jackrabbits burst loose then and couldn't be caught. Lynia Payne was high pointer with 12 points and led in steals with 6. Andra Draper and Amy Porterfield led in

WHOZIT--This week's Whozit is onstage, waiting to be identified. The people at the left are out of focus, which makes it tougher. Last week's picture drew several phone calls and comments. It was the Black Cat Cafe, which was located just north of the present Fenton Insurance Agency in downtown Tahoka in the mid-1930's. Dear Editor:

A matter has come to my attention that I think may concern sportsmen of Lynn County.

I have been told that on the 13th day of November, 1980. our Texas Department of Parks and Wild Life released about 500 pheasants in Lynn County, Texas. I think we should be on the lookout for these fine game birds, and help to protect them, so please Mr. hunter when you see one of these birds, hold

Plantings Report Wanted: National Cotton Council President Herman Propst has urged the U.S. Department of Agriculture to continue its January prospective plantings report.

In a letter to the agence, Propst pointed out the report provides cotton farmers with aggregate information, allows them to observe its effect on the market, and affords time to make adjustments in production plans for a more efficient allocation of their resources. The report also enables other industry segments to plan their operations for greater efficiency and enables supoliers to better meet needs of armers, Propst stated.

USDA recently proposed that the report be eliminated. Dust Brief Filed: The National Cotton Council has filed a brief in the U.S. Supreme Court challenging an earlier appeals court ruling. The ruling upheld the Occupational Safety and Health Administration's cotton dust standard for the cotton industry. The brief asks the High Court to: (1) determine whether the record bears out OSHA's and the lower courts finding that the standard's some \$2 billion cost to textile mills is ecomomically feasable, and (2) resolve the question of whether OSHA is obligated to show that benefits of its regulations bear a reason-

of achieving them The brief further notes OSHA's failure to consider the more than \$100,000,000 per year cost the standard would impose on cotton farmers in lost revenue.

able relationship to the cost

The case is scheduled for argument in January with a decision probable in the

Exports Rise: Exports of 78,400 running bales of upland cotton during the week ended November 13 brought the season's total to 1,197,200. The major importers were China, 22,000 bales; Japan, 10,700; Taiwan, 9,300. New sales of 57,900 bales for the current

marketing year delivery brought the total commitments to 3, 581,200. Japan was the largest buyer with 30,900 bales.

Snow Halts Harvest

Snow that began last Friday and ended Sunday across the High Plains measured around two inches in northwestern counties to over 11 inches in southeastern counties. The harvest was stopped cold, according Mack Bennett, Area Director of USDA's Marketing Services Office at Lubbock.

Some gins closed Friday when temperatures fell below freezing. Some others stopped due to power failures while some ran out of

Other gins continued roundthe-clock operations where seed cotton was field stored in modules and easy to reach, Bennett said.

Harvest was estimated 65 to 75 percent complete when the storm hit. Harvest is expected to resume generally next week.

Lubbock's office classed 154,000 samples during the week ended November 20, as the classing staff increased to 52 up from 41 a week

The season's total graded at Lubbock approached the half-a-million mark. This compares with 229,000 classed by the same date last

Predominant grades during the week were grade 42 at 54 percent, grade 41 - 17 percent and grade 32 - 13 percent. About three percent were reduced one grade because of bark, according to Agricultural USDA's Marketing Service.

Staple 32 was predominant at 39 percent. Staple 31 was 29 percent followed by staple 33 at 15 percent. Average staple for the week was 31.7, down from 32.0 a week

Micronaire readings of 35 -49 accounted for 73 percent. One percent miked higher while 26 percent miked lower. The week's average mike at Lubbock was 39. unchanged from one week

Average breaking strength was 86,000 pounds per square inch, up from 84,000 one week earlier.

High Plains growers sold mixed lots of mostly grades 42 and 52, staples 30 - 31, mike 35 - 49 around 74.50 cents per pound, up 65 points from last week. Mixed lots of mostly grades 41 and 51, staples 32 - 33, mike 35 - 49 brought about 81.65 down about 15 points from a week

Gins paid growers \$110 to \$130 per ton for cottonseed, mostly \$115 to \$120.

CITY OF TAHOKA HOUSING AND COMMUNITY DEVELOPMENT PROGRAM

The City of Tahoka is currently making plans to participate in the U.S. Department of Housing and Urban Development's Community Development's Block Grant Program. Important elements in planning for this program are citizen participation and evaluation of the City's past performance in housing and community development activities and assessment of previous participation in Community Development.

A final public hearing on the City's CDBG preapplication has been scheduled by the city Council on Monday, Dec. 1, 1980 at 7 p.m., in the Council Chambers at City Hall, 1612 Lockwood. At this meeting, the Council will make decisions on the amount of funds to be requested, the proposed projects and the proposed target areas. General information on the CDBG program will also be available.

All citizens are encouraged to attend these meetings and present their views on the proposed CDBG preapplication to the Council. Comments on housing and community development needs may be delivered to Mayor Leslie at any time prior to these public hearings. Handicapped individuals who may have difficulty in attending these meetings should contact City Hall to arrange for assistance.

For further information, contact Carl Reynolds, City Administrator, City of Tahoka, P.O. Box 300, Tahoka, Texas 79373 or telephone 806-998-4211.

Thank You

I would like to thank everyone for being so kind during my stay in the hospital.

Thank you for visits, gifts, eards and prayers. A special thanks to Dr. Wright and all his nurses in Lynn County

> Yuton 48-1tc

I would like to thank all my friends and relatives for their visits, prayers, flowers and cards while I was in the hospital. A special thanks to Dr. Wright and all the nurses

at the hospital. May God bless each and everyone.

Erlinda Calvillo 48-1tp ttt

We want to express our deepest appreciation to all of our friends and neighbors who were so kind and thoughtful during the illness and loss of our mother. We wish to thank Dr. Wright and the nurses. We send special thanks to Tommy Nance. Thanks to all the wonderful

friends who brought food and served the dinner. We love all of you and you have made this time much easier for us. God Bless each of you. W.T. & Esta Mac Kidwell
