## DATES AND PLACES FOR INTERSCHOLASTIC LEAGUE MEET SET

A meeting of the county executive committee of the University Interscholastic League was held January 27th at the Walker High school in Henrietta. This committee has changed from the usual routine both the place and plan for holding the meet, hoping that such a change may create a greater interest in Interscholastic League work over the county.

In accordance with the new plan adopted by the committee, the different activities of the meet were grouped into these four divisions: (1) literary events and tennis, (2) track and field events, (3) basket ball and volley ball, (4) playground ball and grammar school volley ball. Each division was drawn by one of the four independent school districts of the county, and the division drawn will be held in that school in 1936.

The following schedule gives the place and date for each event in the coming meet:

Basket ball and volley ball, Byers, February 14th and 15th.

Grammar school volley ball, Joy, February 29th.

Track and field events (rural) at Henrietta, March 21st.

Tennis (all divisions), Petrolia, March 26th.

Literary events, Petrolia, March 27th.

Track and field events (high school), Henrietta, March 28th.

Playground ball, Joy, date to be set.

Since Bellevue is busy with the building of a new gymnasium, the division they drew was taken by Joy. If the schools of the county find this arrangement satisfactory, it is recommended to future executive committees that the same plan be used, letting the activities rotate clockwise. As other schools desire to share in entertaining the county meet their names can be added to the list.

County officers of Interscholastic League are as follows: Director General, W. D. George, Byers; Athletic Director, W. J. Fulps, Byers; Debate Director, Ruth Hopkins, Henrietta; Spelling Director, E. L. Farr, Bellevue; Extemporaneous Speech, Lewis Selvidge, Buffalo Springs; Declamation Director, Oren Nolen, Vashti; Ready Writers, Lorena Gattis, Petrolia; Rural Schools, J. W. Callaway, Henrietta; Music Memory, Myrtice Moon, Petrolia; Choral Singing, Letitia Ramsey, Henrietta; Picture Memory, Ruby Trusty, Dean Dale; Arithmetic, Paul Steph, Joy; Typing, Beulah Smith, Byers.

## Marriage License

January 23, J. H. Tucker and Miss Laura Dell Davis.  
January 25, J. D. McCracker and Miss Christine Smith.

## Poll Tax Payments In Clay County Show Only Moderate Gains

A total of 2,440 county poll taxes had been paid up to noon Thursday according to W. H. Douglass, assessor and collector. Mr. Douglass stated that he expects the number to reach 3,000 by the dead line Friday night. His office will be open until 12 o'clock tonight to take care of any one wishing to pay poll taxes as the last opportunity this year.

However, the total poll tax usually paid in Clay county only reaches 2,750, this being election year will push the number up a great deal. Each county poll tax is \$1.75. One dollar of this amount goes to the school, fifty cents to the state, and twenty-five cents to the county.

## COUNTY SCHOOL LIBRARY OPEN WITH MANY NEW VOLUMES

Three hundred fifteen volumes of grammar school fiction, biography, etc., have been received and placed in the Clay County School Library located in the Specialty Shop, operated by Mrs. Rex M. Gates, in Henrietta. Fifty more books for the library are expected to be received within the next few days.

The library is now open and is ready for teachers to call for books from the schools that have joined. The list of books is suitable for students in the fourth through the seventh grades, and students reading books selected from this list can apply the credit on a State Reading Certificate.

## Ford Farm Almanac To Be Distributed Over Clay County

Publication of a "Farm Almanac and Facts Book," which will be distributed to the rural population in all parts of the county was announced today by the Ford Motor Company.

The book is of a convenient pocket size, containing 48 pages. It is unusual in makeup and content, presenting an extensive array of handy tables, statistics and charts for the assistance of the farmer and business man. Other sections are designed to aid the farm wife.

This first Ford Almanac is published for 1936 and contains tables showing the time of rise and set of the sun and moon in all parts of the country every day of the year. Other helpful and interesting astronomical and astronomical information is included.

Among the other prominent sections are: A list of memorable historic events for each day of the year, facts about the universe, explanations of physical phenomena, a list of important festivals and anniversaries for the year, rules for foretelling weather conditions, population statistics.

## Church Educational Program Be Given Sunday Afternoon

Sunday afternoon, Feb. 2, a Church Educational Program will be held at 2:30 o'clock at the First Baptist church of Henrietta.

Song service will be in charge of W. D. Kidd, and roll call and business will be in charge of W. A. Greer. The Bellevue church will give the devotional, followed by special music given by a male quartet of Henrietta. During the conferences, Rev. E. L. Moody will have charge of the Sunday School, and Rev. R. E. Harrison in charge of the B. T. U. An inspirational message will be delivered by Rev. John M. Riddle, district missionary.

This is a county-wide meeting and a large crowd is expected to attend.

## MANY ITEMS LISTED FOR AUCTION SALE ON MONDAY, FEB. 3

Final plans for the first Auction Trades Day Sale to be held first Monday, February 3, in Henrietta, were completed at a meeting of the committee held this week.

The sale which is sponsored by the Chamber of Commerce, will be held at the C. B. McDonald Mule Barn, one block north of the square, beginning at 11:00 a. m. Mr. J. R. Ray of Wichita Falls, will be in charge of the sale.

Among livestock, poultry, farm machinery, house hold goods, etc., a few of the most attractive articles to be auctioned off Monday morning will include two 14 inch Success Sulky plows, one new 9x12 lineoleum rug, a 1928 Dodge truck, spring wagon, set of harness, a saddle, 20 pigs, 8 jersey cows, and many other items that will be worth the money.

The public is cordially invited to attend and a large crowd is expected to be present for the entire sale.

## Commissioner Payne Seeking Re-election

I am offering myself as a candidate for the office of Commissioner of precinct No. 1.

I want to say I appreciate very much the co-operation you have given me in the past. I have served you to the best of my ability ever keeping in mind the tax problem as well as road building.

If my services meet with your approval I would appreciate the opportunity of serving you another term. Respectfully yours,

J. C. PAYNE.

Rev. Paul Martin, presiding Elder, of the Wichita Falls district, preached at the morning service at the Methodist church here. The first quarterly conference followed his sermon.

Dr. and Mrs. H. D. Vaughter were guests of Mr. and Mrs. Hall Vaughter of Paducah, Sunday.

## PROOF OF AGE MUST BE SECURED BY ALL PENSION SEEKERS

Facing old-age assistance applicants will be the difficulty of proving their ages, Orville S. Carpenter, executive director of the Old Age Assistance Commission, said today when asked what he thought the most difficult problem of old people making application.

Application forms will be distributed to cities and towns over the State and will be available to all who want them February 14, when the law goes into effect. As required by the new law, certain facts must be established by the applicant. The law grants assistance to the needy who are 65 years of age or more, and each applicant must definitely and conclusively prove his or her age.

"There are many ways by which a person can establish his age," Director Carpenter stated. "The Commission will consider any evidence that proves or helps to establish definitely the age of the applicant. However, it will be necessary in each case for the applicant to establish to the satisfaction of the Commission, by whatever means he can, that he is 65 years of age."

A number of kinds of evidence to be used in proving age are the following:

- Birth certificates.
- Marriage certificates giving the ages of both parties.
- Birth certificates of children giving age of parents.
- Ages of sons and daughters when these are sufficiently advanced.
- Naturalization papers giving age at time of applying for same.
- Passports. Service books of immigrants.
- County records. Baptismal certificates.
- Insurance papers. Employment records. School records.
- Records of trade unions, fraternal societies, or other organizations.
- Federal or State records in the case of those who have been in civil or military service.
- D. A. R., U. D. C., Daughters of Texas Revolution, etc.
- Hospital records or those of physicians.
- Vaccination certificates.

Poll tax receipts that show the actual age of voter and not mere fact that he has passed a certain age.

Local census records which may give birth date and place.

National Census records, Dept. of Census, Washington, D. C.

Old licenses of various kinds (such as hunting, fishing, and liquor licenses) sometimes carrying age.

Tombstone records when stones have been erected in anticipation of death.

Entries in a family Bible or other genealogical records or memoranda of families of applicants.

Bills of sale as a slave in the case of aged negroes.

Such other evidence as the Old Age Assistance Commission may approve.

## CAPITOL NEWS LETTER

By W. D. McFarlane, M. C.

Al Smith, Liberty Leaguer No. 1 Saturday night, the American Liberty League's candidate for President, Mr. Smith, spoke before this organization at the Mayflower Hotel in Washington, which was broadcast throughout the Nation at the expense of the Liberty League, of which he is a member. A careful analysis of his speech shows that Candidate Smith still harbors the bitter personal feelings toward the President which caused him to leave the Chicago convention in 1932 without congratulating the nominee of our party on his success. He has been bitter and critical toward this administration since then, has openly from time to time shown his bitter feeling and has come out under true colors, as mortgagor of the Empire State Building in which he owns equity, as being subservient in all things to the wishes of the "Wall Streeters" for whom he is apparently one of their many hired spokesmen.

Mr. Smith divides his attack on this administration into eight parts as follows:

1. He says we have arrayed class against class. The facts are the 4 per cent for which he speaks, the Liberty Leaguers, the Manufacturers' Association, the United States Chamber of Commerce, et al in their recent meetings have come forward with statements in the press that they expect to "Gang Up" and spend \$100,000,000 if necessary to defeat President Roosevelt and his Administration. The "4 per cent" have always "Ganged Up" in the past and controlled the Congress for their benefit.

2. "That it has made a Rubber Stamp out of Congress." If Congress has agreed to the constructive program presented, it is no doubt because they realized the soundness of this program and that the "Wall Streeters" whom he represents had no program to offer and have no program now except one of destructive criticism.

3. "That its policies have been created and administered by 'amateurs' in government and business of socialistic bent." Such statements of generalities have repeatedly been made by these organizations. I challenge him and his crowd to prove his statements by specific facts on legislation enacted.

4. "That it retarded business recovery and 'strangled the little business man' through the NRA." The facts are as shown from the Market reports of the daily press that all business has been hitting new highs daily for many months. Since the financial barons have completely recovered they now begin their campaign of destruction to sink the ship before we completely reach the shore.

We find that the farmers' cash income has increased 86 per cent; rural retail sales have advanced 95 per cent since the spring of 1933; General Motors has just cut a holiday bonus of \$5,000,000 for \$200,000 employees, and many other corporations have done likewise. The United States exports in November were 22 per cent larger than in October and 38 per cent larger than in November of last year. In New England business volume was from 10

to 15 per cent above last fall. December retail sales ran nearly one-half billion dollars above December 1934 and a billion dollars above December 1933. November building construction was 89 per cent better than November of last year and residential construction was up 129 per cent over last year. The number of jobs filled by workers rose in the year from 38,700,000 to over 40,000,000; wages and salaries rose correspondingly, stock dividends increased about \$250,000,000 and the value of stocks held by investors rose eleven billions. People with savings deposits possess about a billion dollars, more than last year. The "little business man" is better off today than he has been under any administration conducted by the organizations for which Mr. Smith is now speaking.

5. "That it has built up the highest debt in the history of America and the country is still where it was three years ago." This question is fully answered under No. 4. It is true the debt has been increased, but not as much as anticipated back in 1933 by those who caused the country to be in such a deplorable condition—the organization for which Mr. Smith now speaks.

6. "That it has defied the Constitution in a saturnalia of experiments." Under which Mr. Smith further reads "The Federal Government is strictly limited in its power . . . to those expressly mentioned in the Constitution, all others are reserved to the States and to the people." The above quoted statement regarding the power given under the constitution is true; the only defiers and usurpers of the constitution are the Supreme Court in their decisions wherein they hold that the power to declare acts of Congress invalid. If Mr. Smith and his co-patriots and the members of the Supreme Court would read that great document and interpret it in the light under which it was written they would be forced to admit that the Supreme Court was and has never been given the power under the constitution to declare acts of Congress invalid. (See reports of Federal Convention, by James Madison, pp. 51, 406-407 and 475) The last statement on this subject is said record, at page 475, written by Madison himself, reads: "It was generally supposed that the jurisdiction given (Supreme Court) was constructively limited to cases of judicial nature."

The Supreme Court first violated the constitution in the case of Marbury vs. Madison (1803) brought about by a desperate political battle between John Marshall and Thomas Jefferson wherein the Court in that decision held that they had the power to declare acts of Congress invalid without then or since being able to cite any provision of the constitution giving them such power. Yes, I join Mr. Smith in the cry "Back to the Constitution" with the hope that we will be able to speedily enact legislation that will define the jurisdiction of the Supreme Court so that even they will be able to understand the simple clear language of the Constitution which needs no interpretation on this subject.

7. "That in its AAA supposed to have been for benefit of the farmer, it has enabled the American markets of the American farmers, to be flooded by food stuffs from foreign nations." This statement is completely false. AAA legislation has directly brought order out of chaos as shown from the above results mentioned under No. 4.

8. "That it has broken practically every pledge of the Democratic party." This statement is untrue and misleading. The program carried out by this administration as shown by the records, was whole heartedly approved by the Congress because it was well recognized as the only constructive program then or now before the Nation. If Mr.

## SOLDIERS BONUS BLANKS EXPECTED AT AN EARLY DATE

Two soldier's bonus applications were received in Henrietta Thursday morning and have been made out and filed at the regional office in Dallas. According to Post Adjutant J. G. Younger, 150 application blanks will be received here for Clay county veterans at an early date, however, at the present the supply is limited as stated by the Dallas office.

Approximately \$75,000 will be brought into Clay county when the bonus is paid in mid-summer. The bonus for veterans in Clay county will range from \$50 to \$1,500, with the average bonus ranging around \$500.

In making application for bonus, veterans must bring their pink slips and discharges with them. The blanks are very simple to fill in and this material will furnish sufficient information required.

So gigantic is the task of distribution that the first bonds may not go out much before July 1, although congress made them cashable on June 15. It is estimated the distribution could be completed some six or eight weeks later.

Administration officials say that payment of the bonus was expected to remove many veterans from the needy class and thereby reduce the cost of next year's relief program.

### Patronize our Advertisers . . . !

Smith and his crowd had had any program to offer then or now it was then and is now their duty to submit it. We all welcome constructive criticism—but the wail of the "money changers" and their crowd who have been caught, tried and found guilty will not correct and cure the ills now confronting the country.

### The Bonus

The House on January 22 concurred in the Senate amendments to the adjusted service certificate bill by a vote of 346 to 59. This sent this measure providing payment in full, through the baby bond issue, to the White House where on January 24 the President through a short penciled message vetoed same and soon thereafter the House by a vote of 325 to 61 overrode his veto. The Senate will override the President's veto by a vote of about 70 to 20. This will write "Finis" to this much troublesome piece of legislation and will do justice to the veteran, even though it will work hardships on the taxpayers in that payment through more bonds will give the big bankers \$2,000,000,000 in interest to pay a \$2,000,000,000 debt.

## Clay County Will Have Entry in Exhibit At Texas Centennial

The much publicized Texas Centennial should get down to the home folks of Henrietta and Clay county. Citizens all over the state are setting dates to celebrate, in historical interest, honoring the 100th birthday of their pioneer days. It is time for the noble citizens of Clay county to get the "Be in their Bonnet," and go to work and set a day to give the honors they are due—and a celebration that will stress appreciation of those pioneers who are living in the memories of the past.

The West Texas Chamber of Commerce has given Clay county "Wheat Sorghum" for its display and exhibit for the centennial at Dallas. Exhibit space for west Texas will be divided into ten equal units according to managers at a meeting at Wichita Falls last week of the chamber of commerce to the representatives from the No. 3 district, and a representative from a great number of town's and the writer was proud to see Henrietta so well represented.

There are so many ways to celebrate that the centennial committee's would like to have volunteers to help in suggesting for immediate plans to stimulate the interest of Clay county in Texas' 100th Anniversary celebration, the clubs could help with programs, with sing songs, or by forming clubs for men, women and children, should put forth every effort to make our county outstanding and praiseworthy.

Mrs. J. W. Douthitt, Secretary of Clay county Centennial Committee.

### MEN'S BANQUET HELD BYERS BAPTIST CHURCH TUESDAY

The Baptist church of Byers was host to approximately twenty-five men Tuesday night at a banquet held for the purpose of organizing a Men's Brotherhood.

The meeting was thoroughly enjoyed by all as some very interesting talks were made.

The next meeting will be held the first Tuesday evening at 7:30, after the first Sunday in next month, and each following month.

The committee in charge of arrangements for the next meeting includes L. J. Curtis, J. C. Payne, T. F. Warren, W. E. Rowe.

**Blue Grove 4-H Club Meets**

The Blue Grove 4-H Club girls met Wednesday morning with their sponsor, Miss Ailjie Mae Childs.

There were eight girls present, and a discussion on gardens was heard. The next meeting will be February 12 with our sponsor.

**Bellevue Junior 4-H Club**

The Bellevue Junior 4-H Club met at their regular time Tuesday morning in the seventh grade room of the Bellevue school. The house was called to order by the vice-president, Lois Whitwell. Edwina Flinn was elected for the new President by the girls. Miss Stewart gave a short demonstration on gardening. We are to make a poster of the plan of our garden. At least eight kinds of leafy green and yellow vegetables are to be planted in each garden.

**Cambridge H. D. Club**

On Friday January 24th, the Cambridge Home Demonstration Club met with Mrs. C. E. Witte for an all day quilting. Each member brought a covered dish and a delicious lunch was served at noon. In the afternoon the president called the house to order and some business was attended to and then a demonstration on sandwiches and quick bread which was very interesting. Two new members joined.

Those present were Mesdames R. L. Reynolds, A. F. Goehring, M. J. Groves, I. K. Henry, A. H. Witte, R. D. Wright, Oma Glenn Boyles, Miss Pocahontas Graves and the hostess, Mrs. C. E. Witte.

The next meeting will be February 14, at the home of Mrs. C. W. Graves with Miss Pocahontas Graves as the hostess.

**New London H. D. Club**

The Home Demonstration Club met Wednesday, January 22 at the home of Mrs. T. P. Gray in the afternoon. The new president, Mrs. Frank Borgman, was in charge of the business meeting. The new year books were filled out for the next three months.

Miss Fannie Vaughn was elected for the year, as demonstrator. Co-operators appointed by her were as follows: Mrs. R. C. Shackelford, Mrs. W. M. Blakely, Mrs. T. P. Gray, Mrs. Frank Borgman.

Committees appointed were:

Finance: Mrs. T. P. Gray and Mrs. L. F. Streaaley.

Exhibit: Mrs. Burnside and Mrs. Langford.

Year book: Mrs. Blanton and Miss Mattie Vaughn.

Expansion: Mrs. Blakely and Mrs. A. G. Gore.

Recreation: Miss Fannie Vaughn and Mrs. Carl Skelton.

The evening was turned over to Miss Stewart, the H. D. Club Agent. She discussed the goals for the new year and also made a check-up on foundation patterns.

Those present were Mesdames Streaaley, F. Borgman, E. Borgman, Carl Skelton, Misses Fannie and Mattie Vaughn, Margaret Stewart, and the hostess, Mrs. T. P. Gray.

Mrs. Streaaley will be hostess and leader of the next meeting February 12 and it will be a Centennial program.

**Preform Hotbed for Starting Plants**

"I have my hotbed which is six by three feet cleaned out of the soil that has been in for the past year and have my new soil in it ready to plant the seed of the plants that require a long growing season before time for harvesting," says Vera Chappell, garden cooperater of the Girls 4-H Club of Vashti. She has filled her hotbed pit which is 18 inches deep with fresh manure of about 1-3 straw which is the best material for heating the hotbed, on this is placed 3-4 inches of soil com-

posed of equal parts of rolled manure and good soil. The manure is allowed to heat 2 or 3 days. For the manure to be in good condition for the hotbed and for fermentation (heating) to take place more rapidly it should be filled in a few days. When it begins to heat refill and at this time watered with several buckets of warm water. The water is added to retain the moisture.

**Improved Cellar**

Shelves, five and eleven feet long of 1"x12" and 1"x3" used as finish-

ing has been added to Mrs. Ernest Borgman's cellar at a cost of \$3.50. Mrs. Borgman is a cooperater of the New London H. D. Club. The shelves were spaced so as to eliminate all wasted space in storing No. 2 and 3 cans and quartjars. This amount of shelves is sufficient to store from 600 to 700 containers.

**ANNOUNCES \$25-A-MONTH  
TIME PAYMENTS  
AND A  
NEW UCC 6% FINANCE PLAN**

*Any New Ford V-8 Car  
Can Now Be Purchased for \$25 a Month  
with Usual Low Down-Payment*

THIS \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.

After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.

Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance. This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your

car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original unpaid balance multiplied by 6%.

UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.

The Universal Credit Company has made these plans available through all Ford dealers in the United States.

## Charlie News

**Death**  
Those from Charlie attending the funeral of Cecil Sartin were Mr. and Mrs. J. O. Leath, Opal Faye Minor, Nova Isaacs and Louise Davidson. News of the death of Cecil Sartin came as a shock to the boy's many friends in Charlie. Cecil is the son of Mr. and Mrs. W. H. Sartin who are old residents of the Charlie community, but who recently moved near Jacksboro. The funeral was held at the Methodist church at Gibbtown. The many Charlie friends of the family wish to extend their sympathy to the bereaved ones.
