KIWANIS CLUB ELECTED OFFICERS FOR COMING YEAR AT LUNCHEON THURSDAY

—The Clay County Leader.

Rev. Paul J. Merrill was elected president of the Kiwanis Club yesterday and Pierre Stine was chosen for Vice-President. After the election of these two officers, the club elected L. B. Hapgood, Dr. M. S. Miller, F. O. Moore, Frank Richardson, Frank Bunting, Carl Green and Dr. C. J. Sherrill as directors for the coming year. After the meeting the directors met and re-elected A. L. Mallick secretary.

There were 16 members present, and one visitor, and the club sweetheart. Mr. Frank Richardson introduced Mr. Paul George, the visitor, who informed the club that the boy scouts would do the repair work on all toys that were to be distributed to the poor children for Christmas. The club has agreed to pay for their expenses in this work up to \$5. Dr. C. J. Sherrill announced that the county would donate a half gallon of varnish to the boys and Mr. F. O. Moore said he would give them some different colored varnishes. Mr. Richardson has given permission to the scouts to use the boiler-room of the ward school as their work shop.

If you have any old toys that your child does not need bring them to F. O. Moore's Furniture Store where they will be collected by the scouts and repaired to be given to some poor child who is less fortunate than your own.

J. G. Hayes and L. C. Worthington were appointed by the retiring president, L. B. Hapgood, a committee to secure the toys etc. for distribution Christmas.

V. Lefevre, F. O. Moore, and Frank Richardson were appointed to secure room and board for the young lady who will be here for 2 weeks to present the Kiwanis play in December. A. L. Mallick was appointed to head the Ticket Sales Committee. The Advertising committee is L. C. Worthington, Clay Coleman, Dr. M. S. Miller and Tom O'Bryan.

It was voted to dispense with the meeting next Thursday.

Secretary Mallick read a letter that he had received from the football boys thanking the Club for the cooperation and help that they had given to them this season.

Those present yesterday were: Messrs. A. L. Mallick, L. G. Hagard, Paul J. Merrill, L. C. Worthington, J. G. Hayes, Clay Coleman, V. Lefevre, M. Sloan Miller, F. W. Richardson, Paul George, L. E. Dickerson, E. L. Moody, F. O. Moore, C. J. Sherrill, Carl Green, Buster Hapgood, Doris McDonald, and Tom O'Bryan.

TEX JONES IN PERSON TO BE AT DOROTHY THEATRE

See Tex Jones and Cowboy Jack in person at The Dorothy on the stage. Played in "Home on the Range". Matinee and night, Saturday. Also Hary Carey in the "Border Cafe".

BYERS METHODISTS

The annual "Week Of Prayer" program will be given next Monday in an all day meeting at the church. Luncheon will be served at the Noon hour.

ANSWERS PRESIDENT'S CALL TO BE AT SPECIAL SESSION

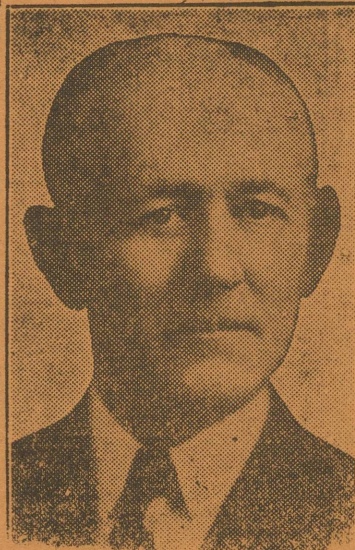

CONGRESSMAN W. D. McFARLANE

Our congressman, Hon. W. D. McFarlane returned to Washington last week and was present at the opening of the special session.

BYERS BAPTIST TO BUILD A CHURCH LIBRARY FOR USE OF ITS MEMBERS

The Byers Baptist Church has begun to build a church library. Sunday morning and evening each person attending the services has been requested to bring a book, or contribute enough to buy a book suitable for a church library. The library committee will receive the books and place them in the church library to be available for use by any one who cares to read a good book. Books of practically every nature have been promised. The library committee consists of Mrs. M. E. Rowe, Mrs. Leo Curtis, and Mrs. Eli Marshall. Miss Pauline Rowe is librarian. Approximately 105 books have already been contributed. Con-

SENATE PRES. PRO-TEM ACTING GOVERNOR IN ABSENCE OF GOV. AND LIEUT.-GOV.

GOVERNOR BEN G. ONEAL
Of Wichita Falls, Texas

During the absence from Texas of Gov. J. V. Allred and Lieut. Gov. W. Woodul, our State Senator Hon. Ben G. Oneal, president pro. tem. of the senate was Acting Governor.

The Old Age Pension Association of Clay County met at the Court House Saturday and elected the following officers:

President—J. V. Boyd
Vice-President—W. P. Callaway.
Secretary—Houston McMurry.

The next meeting of the Association which now has over 100 members, will be held Saturday, Nov. 27th at 2 P. M. District Court Room.

Mr. Muldrow Garrett of Big Springs, Texas, has returned home after a visit with his mother, Mrs. E. H. Garrett and family.

Contributions will continue indefinitely. George Thompson, Pastor

HENRIETTA TO CLOSE ITS FOOTBALL SEASON WITH HOLIDAY THIS THURSDAY

—The Clay County Leader.

Last Friday night most of Henrietta went down to Nocona to see one of the best football games of this season. Henrietta was defeated by Jack Craine by the score of 12 to 6 and with this defeat there resulted a three way tie between Bowie, Nocona, and Henrietta, each having been defeated once. In deciding who was to meet Weatherford tonight, it was decided to draw a name from a hat and Nocona was the lucky one. Did I say the lucky one—well, I beg your pardon I should have said the unlucky one for you see Nocona is going to have to play Weatherford and split the gate receipts with Henrietta and Bowie, and are those Weatherford lads tough. Well anyway I think you'll be safe by putting your money on Weatherford.

Getting back to the game at Nocona last Friday night, well, it was a real game, especially the last half. That boy, Craine, just sorta made a race track out of the field whenever he got hold of the ball but Henrietta was lucky and let him cross the goal line only once in the first half.

Craine again crossed the goal line in the opening minutes of the third quarter and after that the ball game was Henrietta's. Our boys were lucky and covered a blocked punt on the Nocona 30 yard line. Parker carried the ball 15 yards and then Culwell passed to Duncan, who stepped over for Henrietta's only score.

In the last quarter Henrietta was down to the Nocona 10 yard line and was penalized 5 yards for too much time. Two end runs netted a loss of about 5 more yards and a pass was incomplete. On the 4th down Culwell passed to a Henrietta back who was standing on the goal line—the ball was right in his arms—yea, and he dropped it—and with it he dropped Henrietta's chances of being the undisputed champions of District 12-B.

All in all Henrietta has the best team they have had in many years, but Nocona has Jack Craine.

Next Thursday most of those boys will wear their suits for the last time when they will again meet Holliday. Those of you who would like to see our team round out their season with a victory, be sure to go out and see the Turkey Day game.

Members of Local Agency See New Fords At Dallas

Mr. and Mrs. L. E. Dickerson, Mr. Harold Wolfe, and Mr. R. E. Porter motored to Dallas Wednesday where the new Ford cars for 1938 were on display. This new car is said to be the most beautiful car that Ford has put out. Within the very near future the new cars will be on display at the Ford Motor Co. here. They advise you to wait and see the new Ford for 1938 before you buy.

A large congregation heard Bro. O'Dell and Bro. Paul Martin preach last Sunday.

A TRUE THANKSGIVING

"There is no hearth so bleak and bare
But heaven hath sent some blessing there.

No table e'er so sparsley spread
But that a grace should there be said.

No life but knows some moment blessed
Of sweet contentment and of rest;

No heart so cold but heaven above
Hath touched it with a warmth of love.

So count your blessings, one by one,
At early morn and at set of sun,

And, like an incense to the skies
Your prayers of thankfulness shall rise.

Look for the love that heaven sends
The good that every soul intends

Thus you will learn the only way
To keep a true Thanksgiving Day."

THE SPECIAL SESSION

The writer arrived in Washington last Friday in preparation for the special session and finds the different members rapidly coming in to be here for the opening of the session. By the time you read this letter, the President will have made clear to the Congress in his opening message his views regarding the major legislation to be considered at this session, i. e., Crop Control, Wage and Hour, Tax Loophole, Departmental Reorganization and Power Regulation. None of the above mentioned measures are ready for immediate consideration except Departmental Re-organization.

I will give you the general outlook at this time on these important pieces of legislation.

CROP CONTROL

It seems that the Agricultural Committees of the Senate and House have been holding hearings on this legislation, and have not as yet reached any definite conclusion on the ways and means of regulating the basic agricultural commodities. Some favor control of products through acreage on the present voluntary plan, with increasing subsidies to invite cooperation, having in view continuing the present program with larger subsidy payments to the cooperating farmers. It is well known this program favors the large farmers at the expense of the tenant and small farmer. Others favor a modified continuation of the present agricultural program with a graduated bale or unit tax on all products beyond the average consumption of our nation over a period of years, plus a reasonable allowance for droughts, exports, etc., the surpluses to be handled by more favorable amendments to our marketing and loan laws. Several different agricultural bills are pending and it is hard at this stage of the game to anticipate the outcome of this legislation. There is strong sentiment in the Senate Agricultural Committee at this time favoring agricultural crop control by the Senate. The House Agricultural Committee leaders seem to favor a voluntary control program with increased subsidy payments to secure production control—with elimination of processing taxes, leaving this question of raising revenue to the Tax Committees to finance such a program. Secretary Wallace made clear that the Administration favors compulsory crop control of all basic commodities with sufficient processing taxes to finance same. It will be remembered the Supreme Court declared unconstitutional the processing tax feature in AAA.

WAGE AND HOUR

Wage and hour legislation was passed by the Senate last Session and after considerable delay and much amendment, was reported favorably out of the House Labor Committee. Before the bill was reported out of the House Labor Committee, labor's great champion, the Chairman of the Labor Committee, our late be-

Pirate and Papoose

This pretty "pirate girl" found this Indian papoose at Hopi House, Grand Canyon, Ariz. The "pirate girl" is Zoe Dell Lantis who visited the Hopis while touring the Southwest in the interests of the 1939 Golden Gate International Exposition, to be held on Treasure Island in San Francisco Bay in 1939.

loved Billy Connery died. Following his death many amendments were placed on this legislation before it was reported by the Committee to the House. The House Rules Committee refused to give this legislation a rule at the last session. Indications

are that a rule will be forthcoming early this session. It is hard to predict the outcome or final form of this legislation because of the heat applied and being applied by big business.

TAX LOOPHOLE

Secretary Morgenthau and Senator Byrd (Va.) in recent radio broadcasts, vied with each other in urging the balancing of the budget, each sparring for openings, ducking and dodging the most perplexing questions now confronting Congress and the Nation. Balancing the budget is to be desired by all and the elimination of the glaring tax loopholes in our laws are to be desired by the masses and bitterly fought by the classes, but neither of these gentlemen had much to say on either of these important questions. The Tax

Committees of the House and the Senate after jointly considering tax loophole legislation, seem to have little information to offer at this time, giving Congress any definite answer to this great question.

DEPARTMENTAL REORGANIZATION

The President will no doubt strike hard at this session to more efficiently reorganize all Governmental agencies. Certainly a definite program of planning and reorganization of all Governmental Departments into a more coordinating cooperating and less duplicating system of agencies should be speedily worked out and enacted into law at this session of Congress, and there is no doubt but what many bureaus and commissions should be eliminated

Former Pioneer Of Clay County Died

Mr. D. V. Forman, 71, former pioneer of Clay County, passed away last week at his home at Anson, following an illness of three days.

Deceased was a resident of Clay County for twenty-five years moving to this county in 1909 residing on a farm near Petrolia. He was a religious leader and aided in establishing the Mable Dean school. He was also a member of the Clay County School Board for several years. The family moved to Anson in 1934.

Survivors include the widow; one daughter, Mrs. Henry Bremer of Anson, four sons, Eugene and Herbert of Wichita Falls, Buren of Anson and Guy of Atlanta, Ga., and 12 grandchildren.

Mr. and Mrs. L. C. Worthington and daughter, Ruth had dinner Tuesday evening at the home of Mr. and Mrs. J. C. Womble in Stanfield.

Miss Maxine Harmon has returned from a visit in Electra.

with little cost of efficiency and at great savings to the taxpayers. The President, the House and the Senate all have widely different views on this important subject.

POWER LEGISLATION

It is to be hoped that the Supreme Court will render an early decision in the Duke Power vs. Greenwood County, South Carolina case, which will clarify the Supreme Court's position on this important question. The tremendous charges annually made by the utilities should be regulated, for as stated in last Sunday night's broadcast over WFAA and WBAP: "These enormous overcharges of these different utilities, amounting annually to over One Billion Dollars for electricity, and similar amounts for the other utilities, based upon volumes of business and laborer, the ultimate consumer, to be shifted from them to someone else because they cannot control the price of their products or of their services, they are thus forced to pay all these unreasonable charges". These high rates can and should be reduced to where the great masses of our people can enjoy these services at prices they can afford to pay.

Little TVAs now being proposed by the Administration to be located throughout the Nation, when completed, should go a long way in furnishing satisfactory yardsticks for rates and a large part of the cheap power needed by the consumers of electricity.

THINGS THAT VOCATIONAL AGRICULTURAL STUDENTS SHOULD KNOW

Boys taking Vocational Agriculture should take stock of themselves and see exactly what they know about being Future Farmers of America. The following are some of the things it would be practical to know:

Should know the future farmers Creed.

What is the F. F. A. motto?

Who organized the F. F. A.?

Why be a Future Farmer?

Name ten purposes of the F. F. A.

How is an F. F. A. Charter obtained?

What are the qualities of a good F. F. A. President?

What is the duty of a Parliamentarian?

What is the duty of a historian?

Who is our district advisor?

Who is the district president?

What does the rising sun represent?

What officer is stationed beneath the rising sun?

What is the significance of the owl?

For what do we use the cross section of an ear of corn?

What officer is stationed at the picture of Washington?

Who is our district secretary? Where does he live?

Who is the Farm Watch Dog for the district?

Who is the state president of our organization?

Who is the National president? Do we have a state executive committee?

What does the F. F. A. charter contain?

What is the place a symbol of? Why is the eagle used?

Where did the work of the F. F. A. originate?

When was the first chapter organized?

What officer stands in front of the flag?

What officer sits in front of the cross section of an ear of corn?

Why do Future Farmers meet? Where is the next officers meeting?

How many representatives to the national convention are sent from each state?

What should be included in chapter property?

Who furnishes awards for the F. F. A. contest?

What company furnishes official F. F. A. material?

What is the official song of the Future Farmers?

Where is the state public speaking contest to be held?

How many Lone Star farmers are in Texas?

What is the purpose of the state convention?

What state won the National Meat Identification contest?

What day does the Future Farmers attend the Fat Stock Show?

Should Future Farmers be able to carry on the chapter ceremony?

Where is the next state convention to be held?

Do we have a state literary contest?

What are the qualifications of a green hand?

Why is the green hand pin made of bronze?

Should all members be allowed to take part in the initiation ceremony?

Should non-members of local F. F. A. be allowed to take part in ac-

Miss Euna Wolfe was in Bowie Sunday night.

SCHOOL NOTES

Monday night, November 15, the Junior and Sophomore classes presented a joint program in the high school auditorium. The Junior class gave a short pantomime "The Lamp Went Out" and Sophomores gave a one act play "Orville's Big Date." Between plays five Sophomore girls sang two numbers.

We want to thank the women who donated the cakes for the Cake Walk and also the people who attended our plays in spite of the bad weather.

The State Executive Committee of the University Interscholastic League notified F. W. Richardson that he was appointed Director of Extemporaneous Speech in District No. 9. This district consists of Wilbarger, Archer, Wichita Young, Baylor, Montague, Clay and Jack counties, and Wichita Falls and Vernon.

Last week the High School Glee Club elected officers for this year. They are: President—Doris Childs, Vice President—La Verne Jones, Secretary—Frankie Zelle Hanson, and Reporter—Betty Prewitt.

Tuesday, November 23, the glee club has been asked to sing two numbers at the Nevin Club, at which time Miss Inez Rudy of Bowie, State president of Music Clubs, will be guest speaker.

HALSELL HOME DEMONSTRATION CLUB MET WITH MRS. BAILEY SANDERS

The Halsell Home Demonstration Club met in the home of Mrs. Bailey Sanders Friday, November 12th in an all day meeting. Lunch was served. A business meeting was called at two-thirty o'clock by the president for the purpose of selecting two jars of one acid and one non acid to be judged in the Ball Brothers Canning Contest. There were twelve members present.

The Methodist Missionary Society met at the home of Mrs. E. C. Carter Monday afternoon for a social meeting.

NOTICE TO TAXPAYERS:

TUESDAY, NOVEMBER 30TH, IS THE LAST DAY TO PAY THE FIRST HALF OF YOUR 1937 TAXES.

HAM DOUGLAS

Tax Collector.

SOCIETY

MRS. H. VAUGHTER WAS HOSTESS TO BLUE BONNET CLUB

Mrs. Vaughter was hostess to the Blue Bonnet Club at her home Nov. 11. Mrs. Leo J. Curtis was the Leader.

Subject, "Mark Twain" Discussion of "Tom Sawyer and Huckleberry Finn" — Mrs. Smith. The Elements of Mark Twain's Humor — Mrs. L. Rush.

The Main Facts in the Life of Mark Twain — Mrs. Claude Harding. The club will meet next Tuesday November 23 with Mrs. L. Rush.

BYERS WMU STUDY BOOK COMPLETED

The study book, "Saved to Serve," was completed Monday afternoon when the Baptist W. M. U. here met at the church. Mrs. A. A. Tampke taught the course.

The meeting was opened with prayer by Mrs. George Thompson. Mrs. Leo J. Curtis gave the devotional and Mrs. J. E. Marshal dismissed the members with a prayer.

The following were present: Mesdames J. S. Richardson, J. E. Marshall, Leo J. Curtis, Sam Johnson, A. P. Bates, Edd Bulch, A. A. Tampke, and George Thompson.

BUSY BEE SEWING CLUB MET WITH MRS. S. A. CARR

The Busy Bee Sewing Club met last Thursday at the home of Mrs. S. A. Carr for an all-day quilting. A covered dish luncheon was served.

Mesdames D. B. Davis, L. C. Worthington, Dan Dickey, Bob Douglass, John Glasgow, J. V. Boyd, Will Twyman, J. L. Willis, C. C. Elkins, J. P. Looney, Jesse Davis, and Will Kosanke attended this meeting.

FIRST DISTRICT MUSIC CLUBS MET IN WICHITA FALLS FRIDAY AND SATURDAY

Very interesting sessions of the First District Texas Music Clubs were held in Wichita Falls Friday and Saturday.

Mrs. Vincent Stine attended as a delegate from the local music club.

Mrs. L. G. Hagard was on the program Saturday morning, rendering a piano solo.

Mrs. W. L. Mount also attended, reporting a very interesting meeting.

UNITY CLUB MET AT LITTLE JOE'S CAFE

The Unity Club observed Feder-

Associate entomologist (taxonomy), \$3,200 a year, Bureau of Entomology and Plant Quarantine.

Junior scientific aid (fossils), \$1,440 a year, U. S. National Museum, Smithsonian Institute.

Senior steward \$2,600 a year; junior steward, \$2,300 a year; senior cook, \$2,000 a year; Prison Service, Department of Justice.

The commission has also announced open competitive examinations for the positions named below, at the Helium Plant at Amarillo, Texas. Vacancies in these positions, at the salaries named, and in similar positions elsewhere, may be filled from examinations.

Helium Plant Operator, 1,860 a year
Engine (Gas Electric), \$1,860 a year
Assistant Helium Plant Operator, \$1,620 a year.

Carbon Dioxide Plant Operator, \$1,440 a year
Oiler (International Combustion Engines), \$1,440 a year

Competitors will be rated on the extent and quality of their education and experience as related to the duties of these positions.

Certification in filling vacancies will be made of eligibles who reside in the place where the vacancy exists, or in the immediate vicinity of such place, except that certification may be made of the highest eligibles on the entire register, provided that satisfactory evidence is presented to the Commission showing that the needs of the service will be better met by such certification.

Applications must be on file with the Manager, Tenth U. S. Civil Service District, Customhouse Building, 423 Canal Street, New Orleans, La., not later than December 1, 1937.

Full Information may be obtained from Lem Ashinurst, Secretary of the U. S. Civil Service Board of Examiners at the post office or customhouse in this city.

Payable Cash in Advance

ONE YEAR \$1.00

The State Teachers Association meets Thanksgiving at Houston. Many matters of importance to the teachers, parents and pupils will be discussed. Supt. R. H. Brister of Waco, and Supt. Jas. Manning of Robstown, are the outstanding candidates for president of the Association. Supt. J. W. Callaway and a group of Clay County teachers will attend the meeting.

The Waco, Texas Bar lost a distinguished member in the death of Judge Sam H. Clayton, 68, at Waco last Sunday. For thirteen years he served as President of the McLennan County Bar Association, and was indeed popular with all the attorneys, both old and young. He was an able lawyer and highly respected. He leaves a wife, a daughter and two sons, three brothers and three sisters to mourn his passing.

Practically every Mayor in the U. S. A. attended a conference of mayors in Washington, D. C., Monday, Tuesday and Wednesday. That is another good way to reach the people—through the mayors. The pulse of the nation is felt through the city and small town mayors. They are the real vox populi.

Former Senator Thos. P. Gore of Oklahoma who announced two weeks ago as a candidate for Congress to succeed the late R. P. Hill in the 5th Oklahoma district, now says "I do not choose to run" for Congress now. Senator Gore is ripe and seasoned in knowledge and would make a fine Congressman, but if a man is as Cal Coolidge said "doesn't choose to run" you have to let nature take its course.

Judge Howard Made A "Colonel" It is now Colonel Thomas K. Howard, Governor Ben G. Oneal having named Judge Howard one of the Colonels on his staff Monday. Our father was a Colonel on the staff of Governor Laaham, so naturally, we take notice of such appointments and offer congratulations to our fellow-townsmen.

We have always had a high regard for "Colonels" and feel that Henrietta has been honored by Acting Governor Oneal, and our citizenry no doubt appreciate his so signally honoring one of our prominent citizens. Although Senator Oneal was Governor for only one day it goes to show that every citizen has his day; This writer tried to get Colonel Howard on the telephone Tuesday to congratulate him, but each time the line was evidently busy. Congratulations to Colonel Thomas K. Howard. S. E. O'B

SEE NEW ERA FOR SHIRLEY IN KIPLING STORY

"Wee Willie Winkie" Most Spectacular Temple Production Yet

Marking the beginning of a new phase in Shirley Temple's screen career, "Wee Willie Winkie," the famous Rudyard Kipling story of India, at the Dorothy Theatre Saturday night preview, Sunday and Monday night. The spectacular Twentieth Century-Fox drama was directed by Academy Award winner John Ford.

The curlyhead child star, who has been acclaimed as the No. 1 boxoffice attraction of both America and England, has a highly dramatic role, the strongest supporting cast of any of her screen successes, and the most elaborate production yet accorded one of her films.

Shirley's co-star in "Wee Willie Winkie" is Victor McLaglen, himself an Academy Award winner, and the supporting cast includes C. Aubrey Smith, June Lang, Michael Whalen, Ceasar Romero, Constance Collier and young Douglas Scott, among many others.

For the production, two Indian forts were constructed at a location site thirty-five miles from the studio. One is a native fort and the other headquarters for a Highlander regiment recruited and trained for action in the picture. Numerous scenes required the use of many hundreds of extras, and for one eye-filling sequence the colorful native life of Peshawar, India, was reproduced, even to camel caravans and elephants with tapestried howdahs.

Production chief Darryl F. Zanuck, who personally supervised all phases of preparation for this important film, named Gene Markey as associate producer. Earnest Pascal and Julien Josephson wrote the screen play from Kipling's original story—one of the most famous stories in the world.

Miss Denice Thaxton was a pleasant caller at the Leader office yesterday.

Go to church Sunday.

N. T. S. T. C. News

N. T. S. T. C.'s two flashing sets of cinderpath twins, Elmer and Delmar Brown and Wayne and Blaine Rideout, will be entered in a medley relay at the 31st Annual Invitation Millrose Games in New York City, Coach Choc Sportsman announced here today.

The Millrose indoor games are one of the outstanding invitation meets of the country, and the bid to the North Texas quartet is an especial honor, according to their coach.

Three other schools, Indiana, Pittsburgh, and Manhattan, have been invited to enter teams in the medley relay, a letter from Fred Schmertz, chairman of the games committee stated.

Present plans call for Elmer Brown to run the 220 or 440, Delmar the 440, Blaine Rideout the 880, and Wayne the mile. The quartet will also probably be entered in a mile relay.

The Rideouts are no strangers to the Annual Millrose event. Last year they entered the two-mile run there, but it was their first race on the boards and they saw veterans Deckrad and Lash of Indiana, old to the indoor game, walk off with the honors.

Wayne last year beat Don Ish at the Sugar Bowl meet in New Orleans, reeling off the second fastest two-mile race ever run in America. Baline's greatest accomplishment last year was his defeat of the great miler, Gene Venske, at the Texas Relays. Delmar Brown last spring took first in the 440 at Princeton's Invitation Meet against the best middle-distance men in the country.

Twenty-five former North Texas Teachers College football captains will return to their alma mater on Nov. 20 to watch their successors, the high flying 1937 Eagles, fight the East Texas Lions for the championship of the Lone Star Conference.

The ex-captains will be the College's guests of honor on that day, and with their wives will occupy a special grandstand box at Eagle Stadium, the scene of their bygone days of football glory.

The presence of the College's former grid leaders in Denton on Nov. 20 will be a featured part of the school's "Open-House" program. Ex-students and visitors from all over the state are expected. The regular Saturday morning broadcast, to be directed and announced on that day by Lee Boynton, former All-American quarterback, will honor the Eagle team and will feature advance dope on the afternoon's game.

The Athletic Council at the College is mailing special invitations to every man who has captured an Eagle gridiron eleven since 1914. The majority of these men, now scattered all over Texas, are teachers and coaches.

Especially honored will be those ex-captains oldest in point of service: Bill Collins, Denton, who led the Eagle forces in 1914; James Potts, the 1915 grid captain; Endsley Oglesby, the leader in 1916; and Johnny Pierce, 1917 captain.

The other former captains are Wynne B. Graham, now at Glassen High School, Oklahoma City, who was captain in 1918; Fred Cobb, manager of the Southern Hotel, Denton, captain in 1919; W. A. Cooper, coach at Teachers College Demonstration School, Eagle captain in 1920; Buck Goode, of Denton, 1921; Guy H. Davidson, at Bowie High School in El Paso, 1922;

Fred Slack, assistant coach at Denton High School, 1923; Wallace Earl Davis, Dallas Technical High School, 1924; Charles C. Sportsman, fresh-

man football coach and varsity track coach at the Teachers College, 1925; Carl L. (Humpty) Miller, track coach at Eastland, 1925.

Elmer M. Tampke, coach at Waxahatchie High School, 1927; Rudolph Smart, coach at Ball High School, Galveston, 1928; Leroy Crabtree, Echols, coach at Liberty, 1930; Floyd Shawver, at Big Lake with the Humble Oil Co., 1931; John Prentice Walker, in the implement business at Tahoka, 1932;

Jack Vaughn, Gunter, 1933; Charlie Cox, now at Bowie High School in El Paso, 1934; Willard Sutton; at Bridgeport, and Weldon Taylor, at Midland, co-captains in 1935; Johnny Stovall, Arlington Heights High School, Fort Worth, and Robert Shepard at Nederland High School, co-captains in 1936.

Denton, Texas, Nov. 19—A win for Coach Jack Sisco's North Texas Teachers College Eagles in their only remaining conference game will give them their third consecutive Lone Star Conference championship—and knowing this, the Eagles are pointing for their clash here Nov. 20 with the strong East Texas Lions.

Only the East Texas Lions and the Eagles remain undefeated in conference play, all other member teams having suffered one or more losses. The Eagles' tie with Stephen F. Austin at present puts them just beneath the Lions on the percentage sheet, but an Eagle victory on Nov. 20 will lower the Lions standing, raise that of the Eagles, and keep the title pennant in Denton.

Starting as "weak sisters" this season, the Eagles tied a mediocre Stephen F. Austin eleven in their first conference game, then unexpectedly defeated Sam Houston Teachers College, and completely upset the dope bucket to smear the favored San Marcos Bobcats 10-3.

On November 12 the Eagles defeated an invading Texas Conference Trinity Tiger squad 14-7 while the Lions were unleashing powerhouse drives to smother the San Marcos Bobcats 39-13. Inasmuch as the Lions previously had defeated the Tigers 13-0, dope gives Commerce a 6-point advantage over the Eagles, but the advantage of playing on their home field before a homecoming crowd may equalize the fray for Sisco's eleven and an upset is not impossible.

Dentonites will make a gala day of November 20. It will be an open house day at the Teachers College, with exes and visitors from all over the state present for the annual game. East Texas backers from Commerce are expected to come en masse, and the local college will release its students from classes for a period of all-day festivities.

Five bands and two pep units will be massed in a blaze of color for the grand entry to Eagle field at the Jack Sisco's North Texas Eagles and annual grid classic between Coach Bob Berry's East Texas lions here Nov. 20, Floyd Graham, band director at the Denton Teachers College, has announced.

The game and its accompanying musical pageantry are but two of many features for a colorful "open house" to be held on that day by the Denton Teachers College for returning exes and friends.

Participating in the band drills at the game will be the 60-piece Eagle Band, the 50-piece band from East

U. of Texas Students Use Short Wave Sets

Austin, Texas, Nov. 19—Short wave radio is used by two former students of the University of Texas, one of whom is now an instructor at that institution, to keep in daily communication with each other. Dr. F. Burton Jones, University instructor in pure mathematics, and his brother, Wayne Jones, a graduate fellow in physics at Harvard University, talk to each other at least once every day by means of "home-made" short wave broadcasting sets.

Texas, with the Commerce pep squad; the McKinney High School Band under the direction of an ex-Teachers College student, Stewart Jernigan; the Denton High School Band, and the North Texas girls organization, the Green Jackets.

Rival Coaches Jack Sisco of the Eagles and Bob Berry of the Lions, and presidents of the two schools, Dr. W. J. McConnell of North Texas and Dr. S. H. Whitley of East Texas will be featured in a special football broadcast 11-11:30 from the Campus studios over radio station WFAA.

Ben Lee Boynton, one of the nations outstanding football officials and feature commentator on the Coca Cola College Night broadcasts, will act as guest commentator.

The game is called for 2:30. Also scheduled for the day are an early morning pep rally, a morning parade, six o'clock receptions by campus social clubs, the evening stage show in the college auditorium, and the all-college dance at 9 o'clock. Featured at the dance will be Floyd Graham's stage band, "The Aces of College Land," who will fill requests for songs popular when the ex-student was in college.

munication with another University of Texas ex-student, Fredrick Biese, who is attending Brown University. These two contacts are the only ones he makes regularly, but he frequently establishes contact other amateur radio operators. There are thirty thousand radio amateurs in the United States, he added. While many of these are professionally connected with the radio industry in some way, there is a large number who like himself, have developed a hobby to a high degree of proficiency. Among them are doctors, dentists, members of the coast guard, business men of all kinds, and representatives of innumerable other occupations.

There is little to differentiate the two sets these "Texas-exes" have built from other amateur sets, Dr. Jones said. The one his brother has in Boston is perhaps the more unusual, since he is able to transmit in any frequency in the amateur band. So interested in the experiment were Harvard officials that they not only gave him permission to install the set in one of the University buildings, four stories high, but assigned a University "roof man" to aid him in setting up his aerials.

Miss Lois Lefevre, who is attending Draughn's Business College in Wichita Falls, spent Sunday in Henrietta with home folks.

JUST CRUISING

(By the Captain)

Former Governor W. H. (Alfalfa Bill) Murray of Oklahoma gave the citizens of Wichita Falls and surrounding territory some of his mind on his Armistice Day visit to the "City That Faith Built." Governor Murray may not agree with you on every issue and will not fail to let you know where he stands on anything that comes up of a public nature, and after he has expressed himself on the matter in question, you will have no doubt in your own mind as to where or how he stands! In addressing the Legionaires on the 11th, he digressed long enough to say that he thought our preachers of today should preach more hell and thunder, and that our schools should give more attention to character and education than they do to football and athletic. He also said he thought that by 1940 the people would have enough of the present administration, but time only will tell whether or not he was right in that surmise. It is rumored that Mr. Murray may be a candidate for governor of Oklahoma again, and if he should, since the run-off primary has been done away with in that state, it is most likely that he will run high man and be elected, as he has a strong following in the Sooner State.

This week the government is making a nation-wide survey of the unemployed in order to have an accurate count of those still remaining on the unemployed list. It is a gigantic task, and in order to accomplish this task within a short time the post office department was called into action and is lending every aid to those desiring to register. The URC Cards (Unemployment Report Cards) were handed out Tuesday, one card or more having been furnished for every resident of the city who desires to register. It was also the government's purpose to see that at least one URC form was placed in every residence, but if you received such a card and are employed or do not care to register, you will aid the local department if you simply drop the card back in the post office, blank, as the returned form may later be used during the present week for another registrant. Remember, if a registrant asks your help in filling out his or her URC form, lend them this aid, as it will aid greatly in accomplishing the task within the allotted time.—Tuesday, November 16th to Saturday, November 20th, both dates inclusive. The local post office force appreciates the effective aid being given by Mayor Frank Bunting and Mr. F. E. Bates as well as everyone who is aiding in any way to make the registration a success, locally!

Well, our Bearcats were defeated by Nocona 12-6, but they surely put up a hard fight and really deserved to win, but the fates decreed otherwise! The boys have played several fine games during the closing season and deserve much praise for their work. Coach Pegram has worked with them very faithfully and their playing, especially during the last several games, has shown a very decided improvement.

The Athletic Committee, in meeting Saturday decided to have Nocona play the winners of the west half, the Weatherford Tigers, in the play-off to determine the winners of the Class B Conference. The committee, after much discussion and after seeing that they could not likely reach an agreement otherwise, decided to draw from among the three top teams,—Bowie, Nocona, and Henrietta, and the team drawn would meet the Weatherford club for high honors, and Nocona was the lucky winner for the play-off. However, prior to the drawing, the

members of the committee decided that all the teams, Bowie, Nocona and Henrietta, would share equally in the receipts from the play-off game, and with that understanding all agreed to this method of settling the three-way tie for honors. It would have been fine if the committee could have seen its way clear to let the three tied teams have a "play-off" of their own; draw for first game honors, the two names drawn first play, and the winner of the first game play the other third team for honors. It might be that this arrangement could yet be made. We hope so, for we really believe the Bearcats would defeat their opponents in another series of two games, for they have shown they have that necessary old fight. Here's hoping!

Brazil after seven years of trying to regulate the price of coffee, their chief product, has decided to throw 20,000,000 bags of coffee on the open market and let the price go where it might. It may not be a bad idea, at that! To regulate the price on a world-wide product is simply an impossibility, as shown by Brazil's past experience, and although a government might spend untold money on such a move, it is likely to end just as has this sad experience! About the only safe way to regulate such matters or such prices is by demand, and where there is no demand the price will likely be governed accordingly, but in such cases the public will have a chance to get a little of the benefits. So seldom that Mr. and Mrs. Public come in for any benefits that once they do see a chance, it should not be removed from them at the gain of just a few. Funny things in this ol' life! The governments both state and national scoff at gambling on horse races and every other form of gambling on such matters, while at the very same time they permit the most gigantic form of gambling known to humanity right under their very noses, when they permit bucket shops to be run in the whole country. Of course, it is argued on behalf of these shops, that they make it possible for the farmers and producers of all classes of merchandise and

stocks to realize on their investments and that were it not for such operations the producers would seldom realize on their work and stocks. This may be true, but again this is where that old "supply and demand" would come in! And, when you read about the price of cotton, wheat, corn, stocks of all kinds, going down, or sometimes going up, as the case may be, just remember that there are teeming thousands making their living in dealing with futures on these products and stocks, and this again is directly opposed to that old well-known method, by the sweat of the brow man shall earn his bread! Any way, we hate to hear some folks rant about gambling on this or that form, when this open and above board form is permitted everywhere!

Thanksgiving is just a week away! Then following that day will come Christmas with all its happiness for many! Won't you be extremely glad on Thanksgiving day and on Christmas that you are living in the good old USA and are living under the best government on the face of the globe? If you are, you better keep your Poll Tax paid every year and be ready to vote for the good of your government, local, county, state and national at all times. That is the only way you can have a part in keeping ours the best government in the world!

BYERS BAPTIST ARE CONDUCTING STUDY COURSE

The Byers Baptist Church began a Sunday School and B. T. U. train-

ing school for its constituency last Monday evening, Nov. 8. Five Books are being taught each evening. "Pilgrim's Progress," by John Bunyan, a Baptist Minister of the 17th century has the largest enrollment of any of the classes. This book is lead by the Bible only in the number of copies in circulation. "What Baptists Believe," is also a popular book in the course. There are about 65 enrolled in the classes. The training school closes Nov. 17 and certificates will be given at that time.
