Lawrence Nuckolls Announces For Clerk

In making this my formal announcement for the office of County Clerk, I first want to thank the people of Clay County for the support given me in my previous campaign and for the many courtesies shown me and my able assistants during the time I have served as County Clerk. During the last three years we have handled a great volume of business. I have tried to handle this as efficiently and economically as possible in order that I might turn head into the might turn back into the County Funds as much money as possible. BLESS THE COUNTRY DOCTOR (From Wood County Democrat)
Out of his bed at midnight; Over a snowbound trail; Watching a case 'till daylight; Braving a winter gale—

Up from a meal at mid-day, Off on a hurry call; Miles on a lonely highway; Out through a summer squall—

Called from an evening's pleasure— Into the bitter cold night; Lured from a moment's leisure, Into a patient's plight—

Rushing away at daybreak Into a blizzard wild; Soothing a mother'sheart-ache Over a suffering child—

Ever a willing servant, Never a selfish end; Solace, kind, observant, Doctor, advisor and friend!
