Jaycees Sponsor Move to Get Scrap Metal on Way to Mills

Large Crowd Attends Sale Here Monday

Monday being a pretty day, yet too wet to plow, and pick cotton, a large crowd of farmers and stockmen, were in town to attend the sales at the Agricultural building. They had plenty of stock, and hogs and little pigs to sell. Outside the barn we saw Mr. Wiest buy nine little pigs, sandy ones and they were the fattest little fellows you ever saw. He said he was buying them to raise more. Plenty of stock also was on hand with buyers taking advantage of the sales.

There were more pass-outs than usual, due to the advance in prices of cattle. A few horses and mules were sold at good prices, but the sale consisted mostly of cattle, calves, stockers, butcher stock, and milk cows.

Buyers and sellers present at the sale and taking part were: Henry Fuhrman, Jack Fuhrman, H. E. McDonald, Charles Ingram, Jack Strickland, A. B. Wheat, E. C. Moore, F. S. Thompson, C. McAdams, V. Coley, M. F. Ingram, L. A. Klein, John Witte, Perry Childs, Adolph Witte, Henry Scheer, Raymond Dugger, Earl Nutter, Carl Scheer, M. S. Duncan, R. D. Price, Leonard Garrison, M. Wiseman, Tony Lerner, A. Bullington, Jack Strickland, L. Prewitt, Henrietta; Ed and Frank Bevering, Charlie; C. M. Wallace, Bluegrove; A. Veltneimer, Windthorst; H. Denison, Geo. W. Chapman, Roger Giles, of Bowie; W. W. Allick, C. Wynn, of Bellevue; A. O. Holt, Iowa Park; W. L. Snell, Ringgold; E. A. Deatherage, Marvin Deatherage, Doss; and Claude Cook, St. Jo.

Fancy Cowboy Boots, Out For Duration

Olsen-Stelzer will not be able to fill any orders for two, three and four color fancy boots after Oct. 31st, due to an order from the federal government issued them this week. After the date specified they will make only one tone in boots, such as black leathers with black stitching and trimmings, and tan leathers with tan stitching and tan trimmings. So there will be no more fancy variegated coloring in cowboy boots for the duration.

Attention All You Knitters And Aids

Mrs. J. W. Douthitt has charge of Knitting, assisted by Mrs. Sine Christian at H. L. Bear's Store. The yarn is here at my house. Anyone wanting to knit, or learn how to knit, have the opportunity to do so. This is not only a chance to learn but it is a duty to do all we can for our soldiers, who are the best in the world, and deserve all we can do for them. They need us back of them in every way possible to let them know we are doing all that we can. Are you doing all that you can? Have you made any sacrifice? You, and you, and you, let's don't wait. Now is the time. Mrs. J. W. Douthitt.

Henrietta To Get Nat'l. Guard Unit

Assurance has come from the Adjutant General's Office that Henrietta will be authorized to organize a company of Texas Defense Guards. This company will become a part of the 25th Battalion which has headquarters at Wichita Falls. The U. S. Government recently appropriated to equip these companies throughout the country and if this company will be so equipped with rifles, machine guns and woolen uniforms, which will be received in due time. Henrietta is quite fortunate to be (Continued on Back Page)

Civil Service Exams Are Announced

To recruit additional Departmental Guards, at \$1,500 a year, and Staff Dietitians, at \$1,800 a year the United States Civil Service Commission announces amendments liberalizing original requirements for these jobs. Particularly are Departmental Guards for service in Washington, D. C. only. To obtain this commission has done away with experience requirements, and (Continued on Back Page)

Old Silk Hose For War Munitions

A drive is now going on to collect all old rayon and pure silk hose which have been cast off because of unusable condition. Retainers have been placed in the Henrietta Drug and J. F. Alcorn stores where these cast-offs in silk hosiery may be deposited. All such silk is being used by the government for its specific value in munitions manufacturing. The drive is being sponsored by the Delphian Club and Mrs. Chas. Graham is chairman of this effort to assist in helping win the war.

Fourteen Is Quota for Clay Co. For the Navy

The two-weeks "Lexington Volunteers" recruiting drive, launched by the Navy Department Monday, is expected to lend stimulus to Naval enlistments for the North Texas district during September, and serve to boost the month's total past the goal of 3,600 recruits, the officer in charge announced today. Latest figures show that nearly 2,500 enlistments have been handled at the main station in Dallas. To date, total figures for the month include 3 recruits from Clay County, where the September quota is 14. Clay County must speed up to attain the quota by Oct. 1st.

P. T. A. Meeting At Ward School Tuesday, Sept. 29th

The Parent-Teachers' Association will meet Tuesday, September 29th, in the Ward School building and all members are urged to attend. It is a business meeting, and also please remember the dues are 50c per year. Mrs. A. A. Lindsey, President of the local P. T. A. states that the meeting will be held at 5 P. M.

Former Henriettan Died At Ardmore

Mrs. Milton Ikard, formerly of Henrietta, died at her home in Ardmore on Monday. Five years ago she was stricken with paralysis, which made her a cripple except for the right arm, and had lived in bed or a wheel chair. Funeral services were held last Tuesday, and burial was in the Ardmore cemetery. Survivors include one son and two daughters; also one step-son, W. E. Ikard of Petrolia. Mr. Ikard preceded her in death some years ago.

Rites For Bellevue Pioneer Were Held

Mrs. B. M. George, pioneer resident of the Bellevue section, died September 12th, at her home there following a short illness, caused by a fall last month in which she suffered a hip fracture. Funeral rites were conducted from the First Methodist Church in Bellevue, Monday morning, Sept. 14, at 10 o'clock, with Rev. E. D. Piott, the pastor, officiating. Mrs. George had been a resident of Bellevue for many years and had resided in Clay County for more than fifty years.

Survivors include a sister-in-law, Mrs. J. J. Campbell, of Bellevue and the following nephews and nieces: E. J. Campbell of Waco; J. W. Campbell of El Paso; Mrs. Henry, of Dallas; Mrs. J. A. Cooker, Wichita Falls; Mrs. Almedia Brock, of Ozona, Texas; Mrs. Coker, of Natcoitoches, La.; and Mrs. Claude Tripp, of Waco.

A number of out-of-town relatives were present for the last rites. Interment was in the Bellevue cemetery.

Mr. and Mrs. Geo. Kafer spent last weekend with their daughter, Mrs. Sidney A. Greer, and Mr. Greer, at Texarkana.

Due to the seriousness of the scarcity of scrap at the mills, the Henrietta Junior Chamber of Commerce is undertaking to assist the people to find ways of getting their scrap to the government.

Anyone having or knowing the location of scrap not being moved, write the Henrietta Junior Chamber of Commerce, giving the location and approximate amount of such scrap so that they can take means to have it moved.

Since June 1st to Sept. 1st, the supply of scrap at the mills has been reduced from four weeks to a two weeks supply. Unless we take active steps to relieve this situation our production will be seriously hindered.

Remember that this is a war of machines and equipment, and the more scrap that we get into production lines immediately the more of our boys who are in service will return.

Address your information to the Henrietta Junior Chamber of Commerce, Henrietta, Texas.

F. M. Danley Joins The Coast Guard

The Leader is informed that F. M. Danley, of Henrietta has joined the Coast Guard, an dvolunteered at Wichita Falls Monday. The 25 recruits per week, saw twelve of the recruits sent to Fort Worth.

From Fort Worth Danley will be sent to Coast Guard Station for extensive training.

Ed MacCauley Rites Held At Petrolia

Mr. Ed MacCauley, former employe of the Lone Star Plant, at Petrolia, but now living at Grapeland, Houston County, Texas, died at his home in Grapeland, Sept. 13th.

His family, returning from church found Mr. MacCauley dead. Funeral services were held last Thursday afternoon from the Petrolia Church of Christ, with Minister Robert C. Jones, of the 10th and Austin Streets Church of Christ of Wichita Falls, officiating.

Survivors include the widow; three sons, James Hughes McCauley of Grapeland; Lewis Arnold McCauley, U. S. Navy, and Edwin Leona McCauley of Pasadena, Calif.; a daughter, Myrtice Norene McCauley of Grapeland; a step-daughter, Mary Lou Groves of Grapeland.

Buses To Be Inspected September 26th

A special call has been issued by the state highway department for a general school bus inspection on Saturday, Sept. 26, 10 A. M. All Clay county school buses and drivers are required to be in Henrietta at this time for the inspection by the highway officers.

Christian Church

Next Sunday morning the pastor will deliver the third in a series on prophecy related to the present world condition. The subject will be, "The Anti-Christ." You are cordially invited to be present. There will be no evening service due to the Baptist revival.

Last Sunday witnessed a decided increase in both Bible School and Church attendance. We are delighted to note this, and it should be the concern of every member to see to it that this increase continues. There is no way to estimate how much the world needs loyal church members now. There is no way to estimate how far-reaching for good the influence of the church would be if all of its members would be loyal.

Bible School, Harry Olson, Superintendent, 9:45. Morning Service, with the Lord's Supper for all who desire it, 10:45. Paul J. Merrill, Pastor.

COTTON GINNERS REPORT

Cotton is coming into Henrietta from all directions this week, and with two or three weeks more of pretty weather, many of the farmers will be caught up with their picking. Henrietta welcomes these farmers to our city.

Reports from the various ginner indicate no let-up in the cotton being received in what they term a "rush season" which is evident by the fact that the schools were out and the farmers were aided by plenty of help in picking. Uncle Sam wants that cotton gathered, and that in a hurry.

No More "Big Bens" Made During Duration

Mrs. Jesse Cunningham, local Jeweler, paid us a pleasant call Tuesday, bringing us a letter from Mrs. W. J. Woolam, of Petrolia, in which she states she saw Ben in the Leader last week, and that she has a "Big Bend Clock" which has accurate time for ten years, until lately when it runs down. She keeps it lying on its face, also she states she gave it a gasoline bath.

Mrs. Woolam is sending the "Big Ben" to Mr. Cunningham for him to give it a working over.

Mr. Cunningham states that there will be no more Big Bens manufactured during the duration, so so folks, we had better take care of them while we may.

Henrietta Girl Runs Cafe At Bowie

Henrietta friends and acquaintances of Miss Helen Aston, learn that she is now located at Bowie, where she has purchased a restaurant, and when you are in Bowie she wants you to visit her. She will be remembered here having worked as waitress at Little Joe's Cafe.

Her place at Bowie is known as the Bar-B-Que Cafe in north Bowie on the highway.

Mr. Troy Tims Buried At Vashti

Mr. Troy H. Tims died at his home near Newport Wednesday, Sept. 16, at 11:15 p. m. following a month's illness.

Funeral services were conducted at the Vashti Methodist Church by Rev. A. L. Dennis, pastor, assisted by Rev. P. M. Henderson of Marlow, Okla.

Interment was in the Vashti cemetery. Pallbearers were Jeff Donnell, R. L. Liggitt, Mark Pharr, Cless Bell, Robert Horton and Johnny Rader.

Mr. Tims, 54, was born near Newport, in Clay county, April 20, 1888. He has always made his home in that community.

He was a progressive farmer and stockman. Survivors include, the widow; one daughter, Mrs. Ozelle Welch, Newport; two sons, Charley Tims, Newport, and Lloyd Tims, Camp Barkley, Texas. Four brothers, L. J. Tims, and B. W. Tims, all of Marlow, Okla.; and two sisters, Miss Ila Tims and Miss Bertie Tims, of Marlow, Oklahoma.

Mrs. Lois Brown had as guest last weekend, her father, Judge Reuben Loftin, of Graham, and her sister, Mrs. W. B. Scene and sons, Allen and Mitchell, of Dallas.

Rev. and Mrs. L. C. Greer have returned from McKinney, where they visited Mrs. McKinney's parents.

Cotton Picking Recess Help The Farmers and Ginner

Old Keys Wanted By Uncle Sam for Defense

Keyhole deposit cans have been placed in the First National Bank, the Henrietta Drug, Green's Drug Store and Olsen-Silzr Boot Shop, four places in town, where all the old keys may be deposited for the government.

Linton H. Estes, area chairman, of the campaign, said that keys possess 80 per cent nickel silver, and that one hundred pounds of the old keys will equal in value of dollars and cents to one ton of scrap steel. Two million key cans have been sent out in the nation-wide drive, and it is estimated that 12,000,000 pounds of nickel silver will find its way back to the government smelters for both coins and necessary materials used in the manufacture of parts for planes.

In making a round of the four stations where these deposit cans have been placed we find that they are getting them in large quantities; one key ring brought into the bank had some thirty to forty keys on it.

Bring in your old keys and help the defense cause.

Virgil Wilson Muse, Of Byers, Joins Navy

Information has reached The Leader that Virgil Wilson Muse, son of Mrs. K. A. Muse, of Byers, enlisted at Dallas Monday as Apprentice Seaman for the duration of the war.

He will be sent to a Naval Training Station for instructions.

Olsen-Stelzer and Employees Buying Defense Bonds

The management of the Olsen-Stelzer Boot & Saddlery Company informs the Leader that both the members of the firm and its entire force of employees are doing their part in the bond buying drive for Uncle Sam. As a whole they are purchasing something over one hundred dollars worth of these government securities each month.

This is being done through a percent on salaries paid out each month for services rendered and while this is a splendid way to set aside as a profitable investment it is also a nest egg put up for a rainy day.

Teachers Exams Are Announced

In an attempt to relieve the teacher shortage situation that has become acute, State Supt. L. A. Woods has authorized a Special Examination for Second-Class Certificates to be given October 16 and 17 1942.

Anyone caring to take this examination should register with the County Supt. by October 1st.

Shirley Aiken Writes His Father

Shirley Aikin, taken prisoner by the Japs on Wake Island writes his father, James Akin of Bluegrove the following:

Dear Dad: Guess you will be surprised to hear from me from China. I am in good health and hope to find all of you the same.

Dad, I am sending you the address of a lady in San Francisco. Write and tell her that Herb, her son, is in good health and unharmed. Herb is writing, telling her to write you, hoping one letter will arrive. The address is: Mrs. H. K. Green, 123 Buna Vista Ave., San Francisco, Calif. Be sure and write to her as he is a good friend of mine.

Don't worry about me. I will make out alright. Don't send anything, as I expect to be home by the time it would reach you. If anything should happen to me I have money coming from American Bridge Co., San Francisco, for the loss of my finger. The job on Wake Island everything is in your name.

As ever, Your son, Shirley Aikin.

The envelop bears the following, in addition to the above: "Examined by U. S. A. 269," and "Sec. Des. Prisonniers Df. Guerre," and some Jap writing that resembles a lot of chicken scratchings as much as anything else. There is no date on the envelop or letter except Sept. 23, 1942, the date of its arrival in Henrietta.

Miss Geraldine Taxton left last weekend for Ft. Worth where she resumed her studies in T. C. U.

The local school board met yesterday morning and decided to extend the "cotton picking recess" an additional week in the Henrietta schools and will not reopen until Monday, October 5th.

This extra week of recess will not create much of a hardship on either student or teacher, because of the fact that the schools opened this semester just two weeks earlier to take care of such unexpected closing, and the extra added week can be made up with an extension of one week in the last semester, thus making a full nine months school term.

The ginner throughout the county are cutting out cotton on a 24-hour run because of this recess period, and are grateful to the local board for the extension of time granted to assist in getting in what seems to be a better than normal crop at better prices.

The farmers are receiving 16 cts. and some times a premium on this price for better grades.

L. H. Dawson Was At Salvage Drive Sept. 19

The Leader was invited to the 13th congressional district mass-scrap meeting which was held at Wichita Falls Saturday, at which time a dinner was served and a picture taken of the large group, but we were too busy and could not attend.

Mr. Lawrence H. Dawson, our local scrap man, attended the meeting and he has informed us that it was a real peppy meeting.

Jerry Vinson of Wichita Falls, member of the State Salvage Committee, presided.

L. C. Huff of Dallas was present and spoke to the group urging that they hand over all scrap metal, iron, tin, rubber, brass etc they have to help win this war.

Items to look for to swell the pile include: Rubber lawn hose, hot water bottles, children's toys, bathing caps, shoe heels, medicine droppers, rubber sheeting, old tubes, old tires, pencil erasers, rubber gloves, baby buggy tires, floor mats, fruit jar rubbers, tractors tires and rubber aprons.

Don Kraft, K. C. Cummings & Sup't. Richardson Av. 300

Henrietta is indeed proud of the splendid co-operation given Uncle Sam and the farmers in aiding to get the cotton gathered.

Some really high averages have been attained by the pickers—especially, Prof. Don Craft of the Deer Creek community, who teaches at Joy. He has been picking 600 lbs each day, while Prof. F. W. Richardson has averaged 300 lbs or more daily, and no one helped him.

Prof. K. C. Cummings, at Joy, the first day, from 10 A. M. to 4 P. M. picked 285, while the second day he passed 348,—so that makes his average past 300. He picked last Monday afternoon, but said he did not want to get his new sack muddy.

We are really proud of our teachers of Clay County. They are all—very industrious, and alert to any and every movement to aid Uncle Sam and the farmers to further the war effort.

They may not have picked all the cotton in this area, due to the setback, caused by the heavy rains of Saturday, but they have picked quite a bit, and the gins have been running day and far into the night.

School will be resumed October 5 so be on hand, children, bright and early, with good lessons. The three weeks lost will be made up before the term ends. One week is already made up,—the school having begun one week earlier this year.

SARA FRANCES NEVILLE WEDS GEORGE RICHARD MOYER IN CLEVELAND

Miss Sara Neville, daughter of Mr. and Mrs. P. H. Neville, formerly of Henrietta, became the bride of Geo.

Richard Moyer of Cleveland, Saturday morning. Father Bachman officiated.

The bride wore a moss green wool suit with brown accessories, and carried a white prayer book topped with two white orchids. Her only attendant was her cousin, Miss Frances Culwell, of Henrietta, who wore a gold wool suit with brown accessories and a corsage of gold flowers.

Throughout the reception suite were baskets and roses of chrysanthemums and lilies. An unique arrangement of mums, crystal lovebirds and burning white tapers in crystal candelabra ornamented the refreshment table.

The bride was reared in Henrietta, but for the past year and half they have resided in Cleveland. She is a graduate of the Henrietta high school, and attended Lady of the Lake College in San Antonio and TSTC in Denton. The groom attended Ohio State University.

After the wedding a reception was held at their home at 1625 Edgewater Drive. The floral decorations featured were all white intermingled with greenery.

Out-of-town guests were Miss Beverly Thaxton of Washington, D. C., a classmate and close friend, and Mrs. Lucy Godden, and son, Albert Godden, of Dunkirk, N. Y.

After the wedding the couple will reside in Cleveland, where Mr. Moyer has a position with the American Aluminum plant.

Prof. R. R. Pope was in town Saturday. He had a group of town folks out picking cotton for him last week. He has gotten out 2 1/2 bales to date. The heavy rains of Saturday slowed up cotton picking quite a bit in this area.

Mrs. Beckham Guthrie and children, visited her parents in Comanche last weekend.

JUNE MOORE CELEBRATES FOURTH BIRTHDAY WITH LAWN PARTY

Mrs. Pete Moore honored her daughter, June on her fourth birthday, Sept. 17th, with a lawn party. Games were enjoyed, and each one was presented with favors.

The meeting was closed with a prayer.

MATTIE McDONALD WEDS DILLARD LEE OF WICHITA AT WAUREKA, SATURDAY

A wedding of interest to a wide circle of friends at Rock Springs, Henrietta and Wichita Falls, was solemnized last Saturday at Waureka, Oklahoma, when Miss Mattie McDonald of Rock Springs, was married to Mr. Dillard Lee of Wichita Falls, the ceremony being performed by the County Judge.

The bride is a daughter of Mr. and Mrs. H. E. McDonald, of the Rock Springs community. She graduated from Henrietta High School in the 1941 class, and took an Engineering course at Wichita Falls, and was assigned to work at American Airplane Works at Grand Prairie, where she met her husband, who also has a responsible position in that large plant.

The groom is a young man, 21, of sterling qualities, a graduate of Wichita Falls high school, and an expert in his line of work at the Airplane Works at Grand Prairie.

Following the wedding the happy young couple visited her parents at Rock Springs where they spent the day, Sunday.

Mr. and Mrs. Lee are now living at Grand Prairie, Texas.

DELPHIAN CLUB MET WEDNESDAY

The Delphian Club met Wednesday afternoon at the Methodist Church with Mrs. E. C. Carter, as hostess.

Mrs. Wayne Lefevre, vice-president, presided. Mrs. J. W. Douthitt made a talk on "Needs of Shepherd Field Hospital," and also about Knitting.

Mrs. Chas. Graham, chm. of Defense work, told of the special drive for all old silk and rayon hose, also keys. Eleven pounds of silk hose were turned in at the meeting.

After business, the meeting was turned over to Mrs. Dave Harris, program leader. The subject was "These United States of America." She gave a splendid talk on U. S. A. Mrs. L. D. Prewitt gave an interesting article on the various regions of the U. S. A.

National Defense

The White House announced that during July Army Chief of Staff Marshall, Chief of Naval Operation King and Special Adviser to the President, Hopkins, conferred with high British officials in London

All motorists in the non-rationed areas of the country were asked by Price Administrator Henderson to observe the same rules in using their cars that are enforced in the rationed Eastern area, as a means of conserving rubber tires until a national gasoline rationing plan can be put into effect.

Drive Slowly

The White House issued a chart prepared by the Society of Automotive Engineers showing that the normal life of a tire when the average driving speed is reduced from 40 to 20 miles an hour, or from 50 to 32 miles an hour, the President said he thought the chart should be brought to the attention of the country as a persuasive argument for slow driving.

Children Should Have Plenty of Fresh Milk

Pointing out the benefits of the School Milk program to farmers, and school children David Guthrie Wichita Falls, Area Supervisor for the Agricultural Marketing Administration, said today that all schools in Clay County are eligible for the program.

All children in participating schools, are eligible for all the milk they want each day, the official explained. Milk used is purchased locally with the Agricultural Marketing Administration paying the farmers' price and schools or other responsibility for processing, bottling and delivery.

Children who are able to pay may be charged up to a penny a half pint to help pay handling cost. As a part of the nation-wide nutrition campaign, the program is helping to build a stronger America, Guthrie said.

Milk contains rich Vitamin B, and each child is urged to drink at least 2 pints each day, Milk builds you up.—Drink plenty of milk.

Rev. J. K. Warkington, pastor of the Hurnville Baptist church was a pleasant caller at The Leader office yesterday. He is choir leader during the local Baptist revival and reports the meeting progressing nicely.

H. H. Payne Jr., of Camp Polk, spent last weekend with his parents, Mr. and Mrs. H. H. Payne.

Mrs. Lonnie Davis visited her mother in Bowie, Sunday.

Mr. and Mrs. Hubert Crisp have returned to their home in Austin, after a visit with her parents, Mr. and Mrs. E. C. Moore.

Miss Frances Culwell has returned from a visit with her aunt, Mrs. Percy Neville, in Cleveland, Ohio. While there she took a six week's course in Business Administration at the State University and attended the wedding of Miss Sara Neville. She also visited points in Canada, New York and Pennsylvania while in the east.

Russians Will Hold Line

W. Averell Harriman, special Lend-Lease minister to London, said the Russians "are determined to fight to the finish, even if alone to save their property and loved-ones. Russia will hold that line." They are gradually regaining everything they lost.

Armed Forces Abroad

Under Secretary of War Patterson, speaking in MusGegan, Mich., said that more than 600,000 men in the American forces are now overseas, and his force will be doubled and doubled to the limit of our man power."

The Armed Forces

President Roosevelt told his press conference it would not be necessary to call up 18 and 19-year olds before the first of 1943.

Mrs. Burton Boyd of Dumas, has returned home after a visit to her parents, Mr. and Mrs. Oliver Lilly. Mr. and Mrs. Herby Seawright of Borger have returned home after a visit with her parents, Mr. and Mrs. Gus Blakely.

Miss Betty Gant has gone to San Marcos, where she will attend the San Marcos Baptist Academy.

Cook Gilbow Jr., with the Bowen Bus Line, of Victoria, has returned to his duties, after a visit to home folks here.

Capt. and Mrs. W. H. Carmichael of Camp Wolters, Mineral Wells, were home on a furlough last week end, visiting his parents, Mr. and Mrs. J. D. Glasgow. They also visited Mrs. J. D. Glasgow, and Mr. and Mrs. Amiel Frey at Bellevue.

Mr. and Mrs. Ted Moore, of Coleman have returned home after a visit to Mrs. Moore's parents, Mr. and Mrs. W. M. Wiseman, and Mr. Wieman's mother, Mrs. M. N. Moore.

We attended a convention at Amarillo one time. It was early November. Man, it was cold out there. Nothing to protect you from the North wind but a barbed wire fence and it was down. Level ground for miles and miles, the earth is all stretched out before you. Along the plains south of Amarillo and east of Canyon. Then, wonder of wonders—there it is, the Palo Duro Canyon. You find yourself almost on the brink, looking down into the bed of a pre-historic river, far far below—walls of rock, huge boulders, granite in all kinds of weird conformations. No wonder that the cowboy who first saw the canyon exclaimed, "Golly what a gulch."

Of course you want to know the cause of it; every visitor asks that question. Mason King has an answer for you. He says:

"An early-day banker in the Panhandle dropped a nickle in a prairie dog hole, and he dug all this out trying to recover the nickle."

But Time, using the elements—rain, wind, water, cold and heat—was the builder, naturally.

You see a story of untold ages spread before you in the different strata that form the vari-colored streak skin the wall of the canyon.

The lighthouse; the profile of Sautanta; the Capitol (you see the dome and one wing for the 'House' and the other for the 'Senate') and other formations attract thousands of tourists yearly to Palo Duro Canyon.

NEVIN CLUB MET TUESDAY EVENING

The Nevin Club met Tuesday evening at the home of Mrs. L. E. Dickerson, with Mrs. Dickerson and Mrs. Mount, leaders, for a very interesting program:

"An Imaginary Visit To The Other American Republics;" and "Up and Down in the Americas,"—Miss Marjorie Howard.

"Believe It or Not, on South America,"—Mrs. W. L. Mount.

Piano Solo—"Where Is the Moon?"—Mrs. Paul J. Merrill.

Vocal Solo: "When I Teach Singing;" and "The Rice Pudding,"—Miss Naomi Kimbrough.

Members Present: Mesdames W. L. Goodman, Maude Goodman, Pierre Stine; Sine Christian; Paul J. Merrill, B. P. Schwend, Sine Royer; Henry Fileds; Geo. Smith, Mae Karsteter; Randal Sadler; Felix Watson; Misses Marjorie Howard, Naomi Kimbrough; Louise Klemmer, and Mary Branch.

SAM H. AMSLER JR WEDS MARGARET HARRIS GORDON Judge and Mrs. Nat Harris, 1317 South 7th St., Waco, announce the marriage of their daughter, Mrs. Margaret Harris Gordon, to Sam H. Amsler Jr., of McGregor.

The ceremony was performed Monday evening at 7 o'clock in the parlors of the Austin Avenue Methodist church, Dr. Wm. H. Mansfield, officiating.

Both Mr. and Mrs. Amsler resigned their positions with the state, Mrs. Amsler as assistant librarian and marshal for the Texas supreme court, and Mr. Amsler as attorney for the Texas Board of Medical Examiners, to accept positions with the Baylor University law department. Mrs. Amsler was a member of the 46th Legislature from McLennan county, and was appointed to the supreme court position last June 1st.—Waco News-Tribune.

We have known the parents of the bride and groom since childhood, and have watched the successes of their children as they grew to man and womanhood, and we offer sincere congratulations to the happy married couple and wish them a long, contented, married life. Mrs. Amsler being an ex-law-maker, and Mr. Amsler being an attorney, Baylor University will go forward in a legal way, although he it remembered, that both of the young folks (Sam and Margaret) are 32nd Methodists, and will be employed in the Law Department of a Baptist University.

GENERAL DOUGLAS MacARTHUR

Do you know General Douglas MacArthur? He got his Military Training in Texas.

Valedictorian was Cadet Sergeant Douglas MacArthur, when he graduated from the West Texas Academy in San Antonio in 1897. The word "valedictorian" was not then used. Instead, the honor was indicated when Cadet Sergeant Douglas MacArthur was presented with the Academy medal for "highest rank in scholarship and deportment." MacArthur was also presented with another medal on that graduation night—the Lockwood silver medal for place in oratory, when he recited "The Fight of the Privateer" and among those who were thrilled with this recital was none other than today's San Antonio banker, Arthur Muir, who won the first prize—the Lockwood gold medal.

"I'll never forget the declamation," Muir recently said. "Doug

was the finest orator I had ever heard. There was something prophetic about that speech. The words came back to haunt me in the last days of Bataan."

Under sputtering lights in the old Beethoven Hall, whose stage was decorated with ferns and palms the graduation exercises proceeded with typical gay nineties style. His speech was "perfectly rendered and very taking."

It seemed that everything that Doug MacArthur had anything to do with was a success. With the Alamo as his inspiration, his own father as a model soldier and the numerous military reviews at Fort Sam Houston to challenge his imagination with military glory, the youthful Douglas MacArthur grew up a determined soldier, valedictorian in his Military Academy class, from which he graduated at the age of 17. Two years later West Point then great records that add to his prestige. For instance—the World War experience earned for him the Distinguished Service Cross, and seven divisional citations from the U. S. Government; Commander of the Legion of Honor and Croix de Guerre with two palms and gold star from France; Commander of the Order of the Crown and Officer Order of Leopold from Belgium and Croce di Guerra from Italy. The citation with the Distinguished Service Cross bears the words, "On a field where courage was the rule, his courage was the dominant feature."

Because General MacArthur spent his school days in San Antonio, the city of the Alamo and Fort Sam Houston and Randolph Field, the "West Point of the Air", which MacArthur inspected on his 1930 visit, all San Antonians hail with joy the great prestige and honor accorded everywhere to America's great hero, General MacArthur, whom old-timers here recall as "Doug."—Texas Parade, San Antonio, Texas.

Miss Marjory Howard visited friends in Wichita Falls Monday.

Attend the Baptist revival.

Build Yourself A Strong Foundation

Every task of any importance should be done thoroughly, of course, but the future should be considered in its performance. All work faithfully and efficiently done is destined to live. Therefore it bears a relation to the future.

Every task performed is a potential foundation upon which rest a superstructure. We are living not merely for today, but also for tomorrow. Others as well as ourselves will build upon the foundations that we are laying today, just as we are building upon foundations laid by our fathers in years gone by.

Unfortunately there are flimsy foundations being laid today, if indeed they can be called foundations. Short cuts, superficial efforts, material attainments, striving for personal gains, partisanship, response to a temporary stimulus that will produce something alluring and enticing for the time being, but which will not stand the acid test of time—these are the temptations and tendencies of the day.

Many a person, having lost the precious opportunities of a lifetime and failing to lay in irreplaceable and critical years a strong Napoleon, employing conscription for years took the largest, sturdiest, most healthy of the nation's manhood for his armies. Thinking more of the present than of the future, he thereby shortened the stature of the next generation 2 inches, for second-rate men were those left behind.

Build a strong foundation, a real strong character, with integrity as the corner-stone for your life. — Nathan Gist in The Grit.

commissioned a captain. Ninety-seven have already signed up for membership and many others will doubtless desire to get in. Membership is open to all from 16 to 64 inclusive. The drill will be around the court house square on one night each week.

All who desire to enlist, can get full particulars from Rev. Paul J. Merrill who is the Battalion Chaplain.

CIVIL SERVICE EXAMS—

(Continued from Page one) simplified physical standards. Now applicants may qualify by passing

a general test and satisfying appointment officers of their physical fitness to be guards.

Staff Dietitians in increased numbers are also sought. Applicants who have completed a 4-year course in a recognized college with a major in dietetics may now substitute 1-year successful experience a dietitian in a hospital of at least 200bed capacity for each 6-months of graduate training hitherto required. No written test is given.

Individuals engaged in the essential war production activities mining, milling, smelting, refining non-ferrous metals, and lumbering and logging must note that their appli-

cations cannot be approved except when accompanied by certificates of separation issued by the United States Employment Service.

Full information as to requirements, and application forms, may be obtained from the Secretary of the Board of U. S. Civil Service Examiners at first- and second-class post offices, or from the United States Civil Service Commission, Washington, D. C.

An Open Letter To Men Only

This is an open letter to men only. If you are a male—between the ages of 17 and 50, this letter is addressed to you:

Listen young man, and middle-age men,—daily, weekly, monthly, more men are needed for our armed forces and from all indications more men are scheduled to be called in October than in any previous thirty-day period.

You should inquire about the possibilities of service in the United States Navy, before you are called into another branch. You can be accepted for Naval service up to the time of your actual induction and you will have the satisfaction of knowing you volunteered your services to your country.

All men from 17 to 50, whether with or without dependents, single or married, may enlist in the Naval Reserve for the duration.

Time is an essential element in enlisting, however. Many men who have delayed too long in volunteering for the Navy now may regret it. See your nearest recruiting station.

Byers Has A Goodfellow Club

Byers has one civic club, known as The Goodfellow Club, and its members more than make up for any others the club might lack.

Last month when the club gave a lawn supper, more than half the town attended it.

The Goodfellow Club was organized seven months ago, and it is well attended at each meeting, the smallest attendance at a meeting has been fifty-five.

That was in early spring. It stormed all day, and the rain was coming down in torrents at night. Despite the wind, rain and mud, more than half a hundred members were on hand for the meeting.

The club was started last January by Rev. W. R. Houston, who has a hobby of organizing "Good-fellowship Clubs" wherever he is pastor. He is pastor of the Methodist church, and president of the club, and Rev. Roland Whatley, the Baptist pastor is secretary and treasurer.

The organization started off with the organization's backing the United China Relief movement in Byers. It put it over.

According to the club's president, the club takes the place of all the civic clubs the town might have.

If it is a good community cause the members are ready to back it. On the third Thursday night of every month, members meet, and eat, in the basement of the Methodist Church.

Once a year the Club holds its "Ladies Night", when Dick, Tom, Bob and Joe, et al share the hospitality of the club with the ladies.

The first one was held last month and out of the 400 persons living in Byers, 247 rallied "round to share and enjoy the fried chicken and fellowship" on the lawn of the Baptist Church.

Petrolia has its Oil Men's organization; Henrietta has its Kiwanis Club, and Bellevue has its Men's Methodist Club, but Byers has a real Club, which includes all the other clubs of the town, and really embraces fellowship, brotherhood, and being more than just a Good-fellow.

From where I sit... by Joe Marsh

at the square of a little village not far from here I came on the prettiest flower garden you ever saw.

It was a lot of flowers all mixed up—hundreds of different kinds, I guess. So I asked a passerby if he could tell me about it.

"Well," he says, "in this town whenever anybody plants a flower garden and has any seeds left, they scatter them over this plot."

Then he leans over and pulls out a couple of weeds. "We all have to help pull out the weeds too," he tells me. "That way the village has a flower garden to be proud of."

around beer. But the weeds—well—they've got to be pulled out, too.

Everybody has to lend a hand. And the brewing industry is just sensible enough to recognize that... But what's more—they're doing something about it.

The brewers don't want their beer sold in the wrong kind of places, and so they've teamed up with the authorities in a self-regulation program to make careless beer retailers "clean up or close up," as they say.

From what I read, the plan is working out mighty successful in a number of states, and is spreading out into others.

From where I sit, it looks like a fine idea... a mighty practical example of how honest co-operation works out to the benefit of everyone—the brewers, the beer retailers, and us plain citizens that like our gardens and our pleasures—with the weeds kept out.

You see a lot of friendship and fine old customs have grown up
