Odd Fellow's Supper.

The program and supper pulled off in the I.O.O.F. Hall Friday night was from every standpoint, we believe, the most successful ever pulled off in Brownfield.

The supper was not only excellent, and plenty of it, but the speakers all seemed to be in their best mood and their talks were both practical and helpful to the

brothers. The music was superb and Mrs. Hill seemed to have made the coffee and cocoa just right to cheer the hearts of all present.

Well it was a love as well as a physical feast, and everybody went away believing it will mean much to the Odd Fellowship in Terry County.

No Herald next week.

Merry Christmas and Happy New Year

To Herald readers wherever they live. We hope for you all a prosperous year 1914, and that you will not break a single good resolution. We will not apologize for short putting you on this paper, nor for not sending you one next week, but will be Johnny on the spot Jan. 9th, trying to dish out good dope for the coming year. The reason we do not publish that week is we keep everlastingly at it all the year, and feel that we need one week's rest. Our readers do not lose an issue however, as we keep our accounts by Volume and Number and each reader gets his full 52 numbers, or a Volume for \$1.00. Once again we wish you a Merry Christmas and a Happy New Year.

H.L. Ware was over from Gomez, this week.

HORSES for sale: 4 two year old, coming three; see or write A. P. Seitz, Gomez, Texas.

A one and one-half inch snow fell Saturday night and Sunday, the first of the season.

Mrs. Lee Walker and children called on the Herald, Friday.

Come to Brownfield Wednesday, Dec. 31st 1913, for a good time. The Mothers Club, assisted by Mrs. Jarley, will entertain you.

Convicted on Bad Check.

The first case in Tarrant county under the recently enacted "bad check" law was tried November 15 and resulted in the conviction of Fred S. Parks. The jury's verdict recommended a fine of \$1 and punishment of one day in jail. Parks was charged with passing a check on Monning Dry Goods Company for \$20. The check was drawn on the First National Bank and returned for lack of sufficient funds.

Parks claimed he did not know just how much money he had in the bank, but thought he had enough to cover the check.

W.E. Cherry and sister passed through last week on their way to Tahoka with a big load of poultry.

Mr. Ware, the big hardware man of Plainview was down last week Nimroding with J.R. Hill.

Correspondents Contest

Two correspondents won first prizes, West Wind and Sand Bur, each having written 51 letters each. Digger got started late, but wrote 40 letters. Cricket liked to have lost second prize as she just wrote the required amount, 25 letter. We kept no record of the other writers.

There will be a different contest next year, to be announced later. Prizes for 1913 will be announced the first issue in January.

Miss Gladys Walters is spending the Holidays with her sister at Tahoka.

We note from the Arkansas papers that I.C. Burgess, who recently invested in land northeast of town is a candidate for State Senator of his State. He served as legislator from his district in 1905.

The Herald family is proud to acknowledge receipt of a fine mess of good old hog sausage last week from Mrs. Green.

J.C. Green got in from Tahoka Saturday with his daughter Miss Ivy and Miss Mozell Treadaway and Mr. Guss Farrar, who are coming in from school to spend Xmas with home folks.

We had a letter from O.L. Allen of Plainview, Saturday enclosing coin for the Herald another year. Oscar said he was doing fine.

The Terry County Herald is one of the most prosperous and newsy papers on the central Plains. It has a live correspondent in each community in the county, which makes its news service cover the entire territory of Terry and portions of adjoining counties each week. In addition to this, we know of no other editor in this portion of the country who is doing his county so much good service as Mr. Stricklin.

He writes about its wonderful resources and attractions during the day and dreams of its ultimate growth and prosperity at night. Jack, you deserve much at the hands of your people.—Yoakum County News.

Business Man Praises Dr. Miles' Heart Remedy

Successful Merchant After Investigation Found a Remedy That Restored His Health.

"This is Thanksgiving day in the state of Pennsylvania, and I want to devote a part of it in writing a letter to you. On the 26th day of November, 1910, I was stricken with heart trouble. My family physician called it Angina Pectoris. I had from one to five attacks in 24 hours, in the latter part of December, 1910. I wrote to the Miles Medical Co., for information concerning my case, and in reply I received a very kind and instructive letter, which I handed to my family doctor, and he told me to use your Remedies in connection with the medicine he gave me, so I did. I used five bottles of Dr. Miles' Heart Remedy and seven bottles of Dr. Miles' Nervine. I was confined to the house for about four months. The action of my heart is now, and has been normal for the last six months. I can truly recommend Dr. Miles' Nervine and Heart Remedy to do what they are intended for, if used according to directions. I thank you kindly for your advice in answer to my monthly reports. I am now sixty-seven years of age, have been in the mercantile business for thirty-five years and lived retired for the last thirteen years." A. B. HOLLINGER, Lincoln, Penna.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Music of the Hawk.
There is not much to be said for hawk music, yet the voice of the forest would lose the charm of its wildest note were this great bird extinct, and it is because it is wild and different from sounds of every day that we love it. Then, as a picture seen from afar, the forest would never be complete without these birds of tireless wing hanging over it, and reigning upon their thrones of air.

GOMEZ DOTS

Our school closed for the holidays Friday. The children in all the rooms gave their teachers a treat of oranges, apples and candy. There was a generous supply and the entire school enjoyed the treat. Gomez never had a pleasanter or better school than the present one has been, and so far as we can learn every body, teachers, pupils and parents are perfectly satisfied. We have heard quite a number of parents comment favorably on the rapid progress their children were making in their studies.

The first snow of the season fell Sunday, and as it was not very cold, the junior portion of Gomez and vicinity sure did make the snowballs fly.

The young folks enjoyed a surprise party at Robt. Holgate's Saturday night. All had a big time.

Now say, Mr. Herald, you must play fair; what about those invitations you got out and just gave a hint in last week's paper? Tell us, it's too long to wait until the Jan. issue of the Herald, so tell us this week, just whisper it, and honest we won't tell anybody. You've got us guessing, and we don't know what to guess.

Mr. Arthur Moore of Douglas, Ariz, writes that he is recovering from a spell of typhoid fever, but is yet in the sanitarium, but hopes he will be able to go home by New Year's day. He said it will be two months before he is able to travel, and when he is, they will move to eastern N. M. and his many friends hope he will move back to Terry.

Mr. Styles and family, who passed through some time ago, taking his brother, to the Post Sanitarium, were at the Hotel Friday night, enroute home. They reported that Mr. Styles, who was sick, was improving, and that when they reached Post, a telegram was sent to Miss Terry, Mr. Styles betrothed, and she came and they were married on her arrival. Heaven grant that the girl who is willing to share the shadows in her loved one's life, may have a generous share of life's sunshine in her future life.

Guy Taylor left Thursday for Lubbock after another load of groceries and Xmas goods for A. P. Moore, and came in Sunday night. Mr. Moore says it is a settled fact that if Terry county folks don't want him to shut up and go home, they must come and buy a lot of goods, for the cellar and store is so full he just can't straighten it. He now has the largest stock of groceries ever brought to Gomez.

Well au revoir for this year but by no means good by, for we like the cat "sure come back." 1913 in this work is almost gone, the record whether for good or bad, is made. Honest we have tried to give fair measure and a square deal to everybody. May heaven forgive and man overlook the errors, for of course there are a lot of them, but we can't promise to do any better in another year, but only by the help of a merciful heavenly father to do our best until the final message comes to call us to the vast eternity, from which there is no return, then others will fill our place here and like a bubble or the water, we will be gone, but we do want to so live that when gone, will not mean entirely forgotten. To the Herald and its readers, a merry

Xmas and a happy new year. West Wind.
